10 CENTS (Plus Tax)

Expectant Crowd

A large crowd was on hand for the drawing Saturday for Christmas dollars at the City National Bank parking lot. Drawings will be held at 4 p.m. each Saturday between now and Christmas for a minimum of \$175 to be given away in the amounts of \$100, \$50 and \$25. Money not claimed from previous weeks also will be given away.

TOWN TALK

By MAC MCKINNON

Housing has been labeled by a number of people as Colorado City's No. 1 problem.

If you have tried in recent years, and especially in recent months, to find a house to rent, you are familiar with the problem.

As Lee Jones Jr., mentioned in his speech recently to the Noon Lions Club, the lack of adequate housing has been a critical problem throughout Colorado City's history.

It is believed that the housing situation has now reached the saturation point.

And without more housing, any efforts to attract new industry and business here will be severely hampered.

But who is going to do anything about the housing problem?

There have been a great number of people working, seeking answers and solutions for this great need, including representatives of the Chamber of Commerce, Industrial team and many private individuals.

There has been work and plans are being processed to build two apartment complexes here, one of 20-units and the other a 40-unit complex.

But these two plans are very tentative and a long way from getting off the drawing board and into actual construction.

There have been hopes expressed and work done on getting a private contractor to come into town to build a development of nice homes for middle and higher income families.

There has been hope that someone will buy the Baker Hotel and make it into apartments.

But as yet, there is nothing concrete to report on any of these possibilities. As one person mentioned, it might fall on the backs of a small group to put up \$50,000 and try to get an additional \$450,000 from federal agencies.

Some efforts were made in that direction several years ago, but there was not enough response to justify to lending agencies the need for the apartment complex.

That situation has changed, hopefully.

A caller Tuesday was angered by the fact that a friend's dog with a 1972 license was picked up and after five days in the pound was put to sleep.

However, Police Chief Jesse Browning said dogs are not picked up if they have a current license.

Winner

Mrs. James R. Davis of 1404 Oak, was the winner of \$25 in last week's drawing for Santa Dollars, sponsored by the Chamber of Commerce merchants committee.

Drawing For \$325

\$150 Unclaimed Last Week

Colorado City merchants will try to give away \$325 cash at 4 p.m. Saturday in the second weekly drawing for "Santa Dollars".

The drawing will be held on the City National Bank parking lot.

There were two cash prizes of \$100 and \$50 unclaimed in last week's drawing. The deadline for presenting the missing half of the winning tickets and claiming the prize money was 5 p.m. Wednesday.

So the money that was not claimed from last week's drawing, plus an additional \$175 will go on the line when five drawings are held this coming Saturday.

There will be two drawings for \$100 each, one drawing for \$50 each and one drawing for \$25.

You need not be present at the drawing to win but it is necessary to present your half of the winning ticket at the Chamber of Commerce office no later than 5 p.m. next Wednesday or another drawing will held for the amount not claimed.

The winning numbers are posted at each of the 47 participating businesses.

You can obtain tickets for the drawing at any of the participating merchants and no purchase is necessary. In order to be eligible for the weekly drawings, you must get a ticket each week as tickets are not held over from week to week.

Colorado City merchants through the Colorado City Chamber of

Commerce merchants committee will give away a total of \$875 in five weeks. Drawings will be held each Saturday before Christmas with at least \$175 to be offered each Saturday in amounts of \$100, \$50 and \$25.

Willie Landau, chairman of the merchants committee, encouraged everyone to get tickets.

Chamber Directors To Be Named

Chamber of Commerce members this weekend will receive the names of nominees for five new directors for the Chamber of Commerce.

Chamber President Dick Wistrand has appointed a nominating committee of County Judge Bill Carter, Willis Landau, and Helen Reeves.

The committee has met and their nominees will be sent by letter to all chamber members.

Only four vacancies are to be filled on the chamber board this year. The positions to be filled are now held by Drew Ballard, Wayne Shawn, John Billings, Dick Wistrand and Vernon Lewis.

District 3-AAA coaches met Wednesday and named all district offensive and defensive teams with those named scattered rather evenly among the district's seven teams.

Colorado City Wolves placed two men on the all-district defensive team, defensive back Melvin Jackson and down line men Gene Hunt but the Wolves did not have anyone named to the offensive team despite the fact that Jackson was the lead-

ing scorer and second leading rusher in the district.

Colorado City had five honorable mentions on offense, End Ricky Spann, Guards Mike Everett and Bill Dockrey, center Mike Hallford and back Melvin Jackson.

The Wolves had only two representatives on the honorable mention defensive team, linebackers Tim Stansel and Rus-

sel Hertenberger.

On the two all-district teams, Lamesa, Brownfield and Sweetwater each had five on the two teams. Here are the all district and honorable mention all-district teams:

Blood Donations Lacking

The Mitchell County blood drive is running far behind as compared to previous years and many more blood donors are needed, Root Hospital medical technician J. W. Hicklin reported Wednesday.

Thus far in the drive that began Monday and will end Wednesday, there has been below a one per cent participating, Hicklin said.

The goal for this year's drive See BLOOD

16 Attend Seminar

SBA Gives Advice, Hope

Sixteen Mitchell County residents Tuesday attended a Small Business Administration Community and Industrial Development seminar in Snyder.

The Mitchell County delegation was the largest in attendance with others attending from Snyder, Lamesa, Breckenridge, O'Donnell, Big Spring, Sweetwater, Roscoe, Stanton, Hermleigh, and Coahoma.

Those attending from Mitchell County included Loraine Schools Superintendent Tom Harkey; Loraine Mayor Dr. Bruce Johnson; Wayne Shawn and Gus Chesney from City National Bank; L.B. Elliott and W.B. Crockett from Colorado City Savings & Loan; State Representative Elmer Martin; County Judge Bill Carter; Chamber of Commerce Manager Sefton Pickens and Don Benson, local manager for Texas Electric Service Co.

Also Darrell Rains, chairman of the Chamber of Commerce Industrial Committee contact

team; City Manager J. A. Sadler Jr.; County Agent Bobby Lemons; Colorado City Schools Superintendent Lloyd McKee; J.S. Craddock Jr., member of the Colorado City Industrial Team; and Drew Ballard, chamber of commerce director. Those attending the seminar

said what they learned can be very valuable in the development of Mitchell County.

The seminar was set up by Texas Electric Service Co., in cooperation with SBA and the Texas Industrial Commission. See SEMINAR

Wolves Cagers Down Anson

The Colorado City Wolves, paced by the strong shooting of Melvin Jackson, evened up their season record in basketball Tuesday night with a 72-67 win over Anson.

The Wolves dropped their season opener against Seminole 95-68.

In the game against Seminole,

Jackson scored 33 points and Tuesday night he scored 34 points to lead the Wolves to their first win of the year.

In the game against Seminole, the second leading scorer was Calvin Belvin with 11 points and Greg Sanders and seven points.

In the game against Anson, Sanders had 13 points and Tim Stansel had 11 points.

The junior varsity lost its game to Seminole 65-14 with Ed Warren scoring seven points for the Wolves and the JV's

Forms To Farmers, Ranchers

Some 60,000 Texans farmers and ranchers will receive a crop or livestock questionnaire during the last half of November or December.

County Agent Bobby Lemons reported that about 12 to 20% of Mitchell County farmers will receive the questionnaire.

This roundup survey of agricultural crop production and livestock numbers is made annually by the Texas Crop and Livestock Reporting Service, U. S. Department of Agriculture, are joined together to provide a continuing program of information on Texas agriculture.

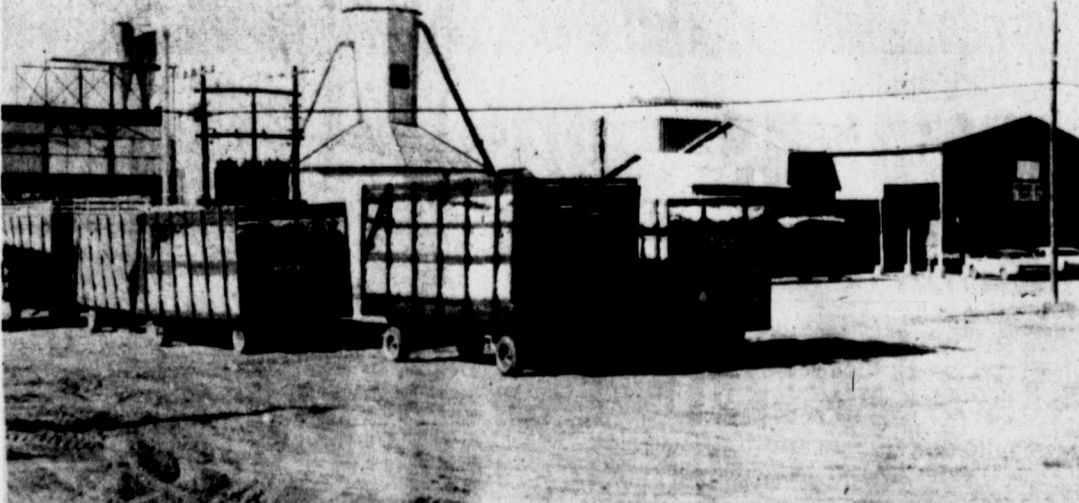

Texas has 254 counties, and producers are selected in the samples proportional to size of See FORMS

Arch-Deacon Here Sunday

The Venerable Richard Wilson, arch-deacon of the Episcopal diocese of Northwest Texas, will conduct services at 9 a.m. Sunday at All Saints', Colorado City.

He will, until a vicar is selected to succeed the Rev. Frank Ambuhl, now living in San Antonio, continue to serve All Saints', Colorado City, and St. Stephen's, Sweetwater, and will return for the Christmas Eve services at both churches.

Rt. Rev. Willis Henton, bishop of Northwest Texas, officiated at communion services last Sunday here, with a congregational dinner afterwards.

Cotton's Coming In

When the snow came Wednesday, Mitchell County cotton growers had stripped about one-eighth of the crop in the county with 5,546 bales at the gins. It is believed that the crop will top 40,000 bales this year and at last report the price was nearing the 24¢ per pound mark. Sunny weather is hoped for for the next few weeks so that the bulk of the cotton crop can be stripped.

Hunter Voted Alpha Zeta Member

Glenn Hunter, son of Mr. and Mrs. Paul Hunter of 1730 Locust, has been voted into the Alpha Zeta Chapter of Xi Sigma Pi National Forestry Honor Fraternity at Stephen F. Austin State University in Nacogdoches.

Glenn Hunter

Hunter, a senior student, met requirements for membership which included maintaining a grade average which ranks in the top 10% of his class.

He will travel to Oklahoma Dec. 18 to be a supervisor for a pine tree planting project and will arrive home for the Christmas holidays after which he will return to Oklahoma for the remainder of the semester break to finish the project.

Recently he has been participating in aerial photography for the Historical Society in Nacogdoches and St. Augustine.

His wife, Kay, is a junior student at Stephen F. Austin and is the daughter of Mr. and Mrs. J.P. Jameson of Kingsville.

TALK

From Page 1
The city ordinance stipulates that all dogs must have a current license or they will be picked up and after five days in the pound, put to sleep unless claimed by the owner who will buy a license.

There seems to be growing discontent over the existing dog ordinance and a number of people have said the city should pass a leash ordinance requiring that a dog be fenced up or be on a leash.

An effort to pass such an ordinance was turned down several years ago.

BLOOD

From Page 1
is 300 pints of blood. Last year the drive netted just over 200 pints of blood.

Those who have given blood thus far include Murrell Blasingsame, Lajuana Solomon, Charles Franklin, Marcus Vest, Robin Allen, David Orona, Joy Culwell, Jessie Aguilar, Charles Henderson, Mrs. Charles Henderson, Julia Rivera, Morris Sloan, W. S. Rhode, Adlie Martin.

Also, Milton Stephens, Mrs. Preston Morris, Mrs. H. D. Iglerhart, Dwainna Wulfe and Linda Walls.

Donors may give blood at the hospital all week or at the Montgomery Wards Store in Colorado city from 9 a.m. to 6 p.m. Saturday.

Joy Culwell Reviews Book For TOPS

Joy Culwell was guest speaker during the regular weekly meeting of TOPS TX691 Monday night in the Community Center.

She reviewed the book "The Fat Is In Your Head" by Charlie W. Shedd and began by quoting Dr. Shedd.

"Fifteen years and one hundred-twenty pounds ago, I dropped to my knees and prayed: Lord, I've tried for years to whip this problem of obesity."

"I've been on banana diets and eaten red meat, I've taken pills and bought reducing belts. I've read books, attended lectures, joined clubs, enrolled in courses."

"But I'm still fat."

"I weigh too much and I need help. In the Good Book you promise if anyone has enough faith he can say to a mountain 'Go away' and it will go."

"There's a mountain of flesh on me. I've been trying to move it ever since I was a boy. I've been laughed at, I've been ridiculed. I've rationalized; I've lied."

"I've had times when I cared and times when I didn't."

"I decided to quit and promised I'd be good. Then we were invited out and the women make the best biscuits."

"I've sworn off and before I

knew it, I found myself sitting at the fountain lapping a milk shake."

"Now I mean business, I accept you at your word. Today I say to the mountain 'Get moving'."

"I have faith that the two of us can move it together. This is the big surrender."

"I'm turning my body over to you once and for all, I can't manage it alone. From this day on I'll eat what you tell me and eat and live how you want me to live."

"Amen."

The meeting was called to order by Janet Free, club president, and the club song was led by Joyce Clark.

Doris Graham conducted the roll call and Juanita Schafer was named "Queen for the week."

Two new members were present at the meeting. They were Brenda and Linda Proctor.

It was reported that in the club's present weight-lossing contest Side 1, captained by Janis McDowell, is ahead of Side II by 3/4 pound. Side II captain is Hope Reyes.

Attending the meeting were Darlene Hamrick, Frances Brooks, Janet Free, Doris Graham, Joyce Clark, Juanita Schafer, Gladys Geiger, Ellie Iglerhart.

Dolly Jarmon, Carmella Parker, Mollie Byrd.

Jewell Newby, Mary Paul Proctor, Janie Lou Brady, Julie Moore, Louise Logsdon, Judy Cain, Hope Reyes, Jean Vest and Joy Culwell.

SEMINAR

From Page 1
Topics discussed by speakers included SBA resources and programs; community economic development, SBA assistance programs and the role of Texas Industrial Commission in Industrial Development.

Dinner speaker was Tom Locke, TESCO division manager for area development speaking on competition today in community industrial development.

One highlight of the meeting according to those attending, was a speech on the role of the banker in community and industrial development by William A. Craig, president of the First National Bank of Breckenridge.

Craig told how his bank had led the way in the industrial and economic growth in Breckenridge and how bank deposits in Breckenridge have increased from \$4 million to \$25 million in the last five years, all because of the work by the community as a whole.

The success of Breckenridge's efforts was highlighted recently in the "Texas Star," a Sunday newspaper supplement.

lost to Anson 57-53 with Warren scoring 22 points, Arnold Parker dropped in 10 points and Amador Guerrero scored 10 points.

The next outing for the Wolves will be Saturday on their home court for the first time in the young season against Ozona. The junior varsity game at 7:30 p.m. at Wolf Gym.

A new attraction this year at home games will be games between junior high basketball teams.

Basketball Coach Dean Ingram encouraged everyone to come out and see the Wolves play.

The Wolves play an exciting brand of basketball under the direction of Ingram as they run and shoot.

In regards to the game against Seminole, Ingram was pleased with the Wolves 47 per cent shooting average from the floor but the poor percentage of shooting from the foul line was a big factor in the game.

Rebounding also was a factor as the Wolves, whose tallest man is 6-foot, 2 inches, rebounded only 25 times against Seminole as compared to 45 times in the game against Anson.

"We came out cold in the second half against Seminole," Ingram said. The Wolves trailed by only eight points at the half.

In the game against Anson, Ingram said the Wolves made a lot of mistakes but the young team is learning. The Wolves had a fourth quarter spurt scoring 29 points in the final stanza.

Jess Bracy Appointed To Assistant Assemblyman Post

Jess Bracy, 33 son of Mr. and Mrs. Robert Bracy of 345 West 4th Street, was recently appointed as Administrative Assistant for Assemblyman John P. Quimby in San Bernardino, California.

His primary function will be to run the district office and to put forth maximum effort to help solve problems occurring in the California 72nd Assembly District in the minimum period of time.

"This is not just some temporary political job... and I was greatly impressed during the interviews with the attitudes of all the applicants... but I now

feel I have the right man to fill the office," said Quimby.

Bracy attended school in Colorado City before moving to California where he graduated from Banning Union High School.

As a student he served as student body president and was captain of both football as well as the basketball teams.

From 1956-58, Bracy attended San Bernardino Valley College where he graduated before going to work for the Post Office and doing a tour of duty in the U.S. armed forces.

In addition to his employment

with the Post Office, Bracy worked as an umpire in professional baseball.

Bracy said, "I am honored that I have been selected for the job. I know that there will be many difficult and deep-rooted problems to be solved and I stand ready to give my best effort."

"I like working with people and I did not know Assemblyman Quimby personally before he interviewed me and I am impressed that he wants the very best for the residents of his district."

"I respect him and pledge my best effort and full cooperation."

"I also express my appreciation to all the outstanding citizens who supported me for the job. I now invite any resident with a problem which my new office should be concerned with to contact me."

Jordans Visit

Mr. and Mrs. D. W. Jordan spent Thanksgiving in the home of their son, Mr. and Mrs. M. H. Jordan, in Colorado City.

Visiting the Don Hendersons during the holidays were the Jimmy Hendersons, former residents, from North Little Rock, Ark.

Lt. Raymond Hutchins

Some Grain Said Deadly

Hybrid sorghum-sudan pastures, fast growing and excellent forage, can also be deadly, especially during the late summer and fall, stated Bobby Lemons, Mitchell County Agent.

Breakdown of the sorghum's plant material by its own enzymes results in prussic acid poisoning for the animals which eat the plant material. The actual agent causing death is hydrogen cyanide, the same chemical used in the state gas chambers for executions.

There are two times during which poisoning occurs, Lemons explained, after frost, where there is damage to the plants, high levels of hydrogen cyanide are very common in the plants.

The second case is when plants perk up a begin fast growth after a very drouthy period during which the plants have been burned up.

The hydrogen cyanide is very volatile and therefore stays in the plants for only a very short time, but while it is present, animals must be kept off the pasture.

Either the wilted or fast growing stage of the plant can be dangerous, Lemons points out.

Problems usually arise when hungry animals are suddenly placed in these pastures.

Prussic acid is swift, Lemons said death can occur within five minutes after grazing affected plants, and almost always within 12 hours.

He urged stockmen to graze their cattle in such pastures only with great caution. Hungry cattle should never be turned in.

Becomes Instructor

Second Lieutenant Raymond G. Hutchins, son of Mr. and Mrs. David W. Hutchins, has graduated from the U.S. Air Force '37 jet pilot instructor course at Randolph AFB.

Lieutenant Hutchins was selected as an instructor because of his exceptional qualifications.

During the 11-week course he flew his new aircraft 60 hours under all types of flying conditions. He also received 54 hours of academic training and six hours of operational instrument training, all of which qualifies him to teach student pilots to fly the jet.

The lieutenant is assigned to the 3640th Pilot Training Squadron at Laredo AFB.

A 1966 graduate of Abilene

High School, he received his BA degree in 1971 from the University of Texas and was commissioned the same year upon completion of Officer Training School at Lackland AFB.

Lieutenant Hutchins' wife, Carrolle, is the daughter of Mr. and Mrs. Ralph J. Hanford of Abilene.

A Challenge

Speaking out takes courage. Saying things that need to be said isn't popular or easy.

But Lee Jones Jr., a native of Mitchell County who returned to his hometown almost two years ago after 36 years of practicing law in San Antonio, has taken it upon himself to say the things he believes need to be said.

In speeches to the Noon Lions Club and Business & Professional Women's Club, Jones has lambasted attitudes he believes have prevented Mitchell County from making the progress that should have taken place.

Whether or not you agree with statements made in his speech printed in whole in Sunday's Record, each of his points should be examined.

There is need for much soul searching on the part of everyone. Is everyone pulling their part of the load in the fight to make Mitchell County a better place to live?

Southwestern Bell

He's working now on your 1982 electric service.

He's one of the engineers at Texas Electric who is charged with the job of making sure this area continues to have enough electricity.

Developing our power system is a complex assignment. It requires teamwork, training, knowledge and experience. It continuously involves weighing alternatives in the selection and arrangement of facilities that will keep our power system reliable and efficient, and environmentally sound.

Ten years ahead may seem a long time, but in our business that's the normal planning cycle.

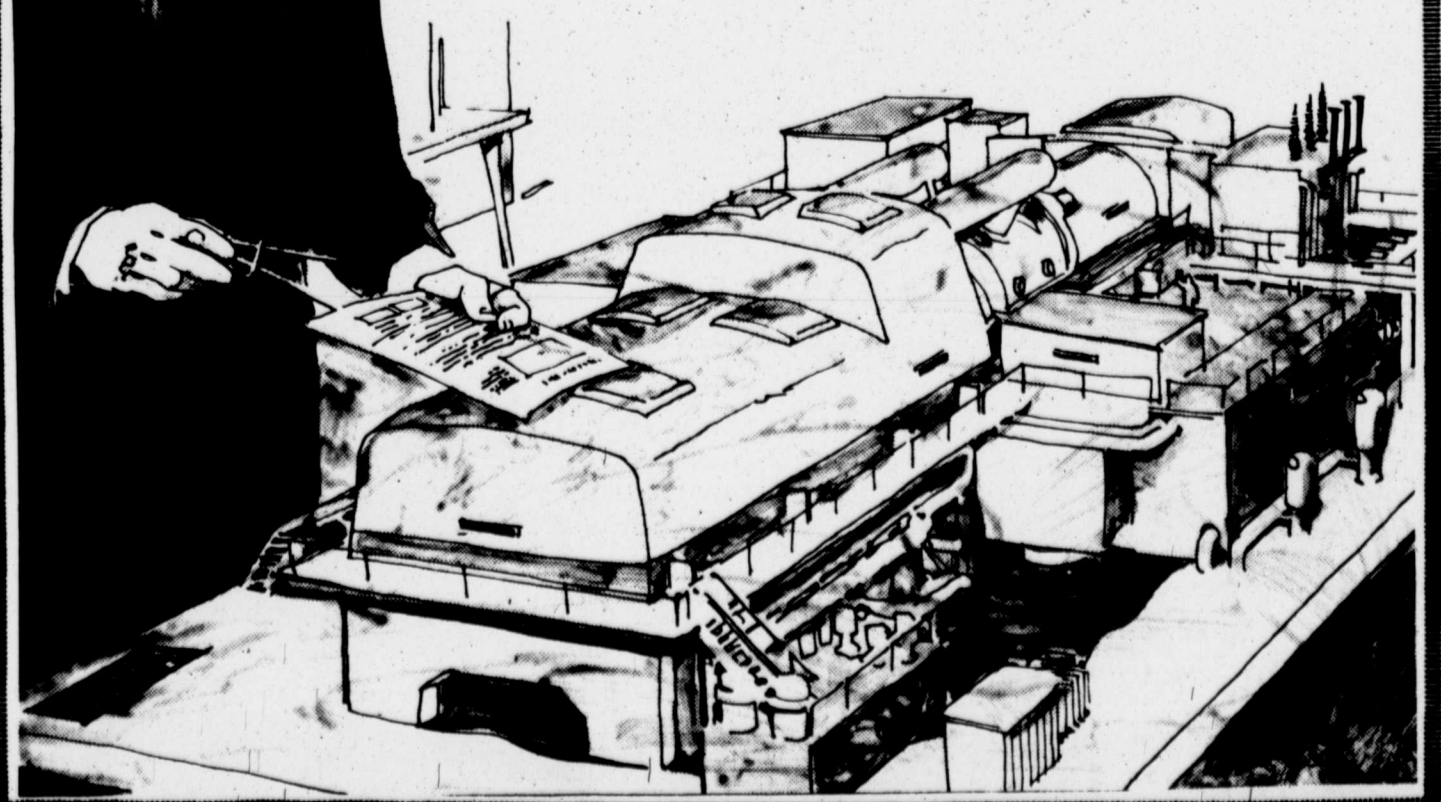

We're already at work on construction projects that will be completed in 1978. By then we will have added more than 2,000,000 kilowatts - about 2/3 of our present generating capability - as well as related transmission and distribution facilities. And we're now planning into the 1980's.

Being able to meet the electric service requirements of our customers tomorrow depends on sound planning today by the people at Texas Electric.

It's the job of every one of us to see that you get the most value from your electric service.

Novedades Mexicanas

Esta semana su columna mexicana tuvo el gusto de platicar con el afilete señor Simon Barrera, jefe diputado del condado de Mitchell.

El muy conocido señor es padre de dos niños encantadores, Barbary y Bruce Allen y su esposa es la muy conocida Margie Molina de Barrera. El señor Barrera empieza su día a las ocho de la mañana y con suerte termina a las seis de la tarde.

Recientemente el señor Barrera se recibió con certificación de leyes públicas de la sucursal de Texas A&M University en Abilene, Texas.

Lo resultado de sus esfuerzos fue que el señor Bill McGuire, alguacil mayor del condado de Mitchell, lo ha nombrado como su diputado mayor efectivo el día primero de enero.

Por lo mismo esta recompensación no indica de los méritos del respetable señor Barrera.

Su columna toma gran placer

en felicitar al señor Barrera en compañía de su dichosa familia por ser uno de los primeros líderes de la comunidad mexicano-americana en el cual todos podemos tener orgullo.

Recuerden que el domingo diez de diciembre la iglesia de St. Ann's tendrá su fiesta para el público. Espero que todos ustedes asistan a esta.

Las preparativas para la gran fiesta bilingüe en la escuela Kelley Elementary siguen aligeramente.

Pensamientos para nuestro pueblo:

"Solo la libertad ha dado alientos a los pueblos para defender su independencia!" Francisco I. Madero

Estas palabras fueron recordadas en celebración de la gran revolución mexicana en celebración de noviembre, día que estalló la revolución en todo el país.
