TALCOANS WILL MEET MASON IN CLASS A QUARTER FINALS GAME

Talco and Mason will clash next Saturday afternoon at Hillsboro in a state Class A quarter-finals game.

Officials of the two schools met Saturday in Fort Worth to map plans for the playoff. Kick-off time will be 2 p. m.

Talco trounced Edgewood, 36-6, to win a regional game Friday night. Mason beat Crowell, 22-3, to take its regional match. Only eight Class A teams now remain in the running for the state crown.

Little is known about the boys from the mountainous county of Mason, deep in the heart of the deer country. They will doubtless have plenty of stamina and are undefeated and untied in 12 games.

Details of the quarter-final game were worked out at the Saturday meeting. Head Coach R. C. Gibson has pronounced his Trojans in good shape after the Edgewood game.

Here are the scores in a regional play last week end:

Talco 36, Edgewood 6.
Mart 44, Leverett Chapel 6.
Elgin 38, Warren 24.
Plains 20, Ozona 18.
East Bernard 14, Potect 0.
Mason 22, Crowell 8.
George West 18, Bishop 6.
White Deer 24, Farwell 16.

Mason Punchers have piled up 391 points in 12 games to their opponents' 50. Talco has scored 302 points to their opponents 45. Here are the records of both teams:

If Talco defeats Mason the Trojans will play the winner, either White Deer or Plains.
The football squad will leave Friday to be fresh for Saturday's game.

The band and Pep Squad will make the trip and arrangements

are in process to secure a chartered bus, according to Glenn Gaudlen. The round trip fare will be \$6.60 and a minimum of 41 must buy tickets to secure the chartered bus.

Lions Club Will Offer Prizes

Andy F. Bowman was elected Taittwister and plans were made for a Christmas party for members and their wives, December 16 at a recent meeting of the Lions Club.

It was also decided that the club would give five prizes for the best decorated homes in Talco during the Christmas season.

Methodist women served dinner to the group at Fellowship of First Methodist Church, 12 members and these visitors attending: Bobby Cox, Garland Jagers, Omer Cole and Milton Bolin.
A film of the Talco-Honey Grove game was shown.

Mrs. M.L. Newman Dies at Borger

Mrs. Mary Lizzie Newman, 85, sister of W. L. Watters of Bogata, died Tuesday morning in Borger at the home of a daughter, Mrs. Johnnie Back.

Born at Ripley, Miss., in 1873, she had lived in Texas since 1880, being a resident of Fulbright several years before moving to West Texas. Eight children, including Mrs. Back survive, besides her brother.

Mr. Watters, with his son and daughter-in-law, Mr. and Mrs. Aubrey Watters, will attend the funeral to be held at McLean, Thursday at 2 p. m.

Mr. and Mrs. Billy Joe Jones and Deborah of Winnsboro, Mr. and Mrs. Clifford Jones and Mr. and Mrs. Dick Hood of Talco, spent Thanksgiving with Mr. and Mrs. C. W. Jones of Mt. Pleasant.

Mercury Hits 22 Friday For New Season Low

A heavy fog covered the area early Wednesday morning but by mid-morning had lifted to a bright sun and clear skies. The pretty weather followed on the heels of a heavy rain and cold wave.

Depot's official rain gauge showed 1.24 inches fell Thursday. A thin coat of ice covered utility wires, trees and shrubbery in the afternoon and night, as the mercury dipped below the freezing mark. No damage was reported from the ice. Thermometers registered 54 degrees Sunday for the high reading.

Cloudy rainy weather returned to the area Sunday and continued into Monday with a light rain which deposited .24 inch of moisture.

The temperature, which had skidded to a new low of 22 degrees for the season Friday night, registered a minimum of 42 degrees Sunday night. The moderate temperature, coupled with the dampness and overcast sky was sufficient to keep one reminded that winter is only a few days away.

Talco P-TA Holds Interesting Meet

Talco Parent-Teachers Association met Thursday in the school auditorium, with Bill Miller, president, presiding.

The program, under the direction of Mrs. Merle Burton, and Mrs. Bonita Wolfe, featured the Talco Stage Band, under the direction of Ed Wolfe, the High School Girls Sextet, and a piano selection by James Rodgers. Martha Easterling sang a solo, "Moon Glow," and the High School Majorettes performed.

During the business session, the group voted to provide a baby sitter in the future, for mothers who attend the PTA meetings, and who would like to leave their children with students who will be chosen for this service from the Junior and High School students.

Mrs. Loreta Foster was elected a representative for the Youth Advisory Committee to work with the Chamber of Commerce which is working toward a Youth Center for Talco.

Mrs. Joe Morse, membership chairman, stated that the PTA now has 70 paid members, and urges everyone interested in the Talco school program to become an active member of this organization, and work for the betterment of the school.

The Junior class, under the sponsorship of A. L. Stanley and Mrs. Merle Burton received the room count for high school, and Mrs. Alma Chaloner, 5th grade, for the elementary school. Congratulations are due these classes and sponsors for having the most parents present for the meeting.

A project committee, composed of Mmes. Dan Cotten, Ardel Flanagan, D. F. Dixon, D. R. Harton and W. R. Young, was appointed to study suitable projects for the coming year.

PTA is looking forward to increased attendance with each meeting, and to a great interest on the part of parents and patrons of the school, who are interested in a better Talco school.

Thanksgiving Day Observed Quietly

Most local residents observed Thanksgiving quietly in this area. Inclement weather failed to hinder many visitors and former residents from returning to the old home town for the day with family and friends. Numerous reunions and family gatherings were arranged for the day with bountiful meals being enjoyed.

Most business houses were closed for the day. The post office was closed and there was no rural delivery Thursday.

In spite of heavy traffic, and the slippery, wet highways, no accidents were reported in this immediate vicinity.

Mrs. C. S. Case, Judy and Bruce attended a family Thanksgiving dinner at the home of her sister, Mrs. Kathleen Wright in Daingerfield, Wednesday night. After which all attended the Thanksgiving program at the First Baptist Church. Mary Jane Taylor, niece of Mrs. Case, returned home with her to spend the holidays.

Hagansport Store Burns Saturday

A fire of undetermined origin razed a grocery store and gas station on Highway 37 at Hagansport about 6 o'clock Saturday evening.

Mrs. Maude Dodson, aged 78, was owner of the store, having operated the business alone for a number of years.

Firemen from Bogata and Talco answered an alarm but arrived too late to save any part of the building or its contents.

Paris City Manager To Big Spring

Albert K. Steinheimer, city manager at Paris, was named to a similar job at Big Spring Wednesday at \$10,800 a year. He will take over Jan. 5, succeeding H. W. Whitnp, newly named city manager at Corpus Christi.

Steinheimer formerly was city manager at Commerce and Gladewater.

Members of Calvary Baptist Church are observing a week of prayer this week.

WHEN TEXAS SPORTS writ-
ers get together to pick a cham-
pionship team from all the Dis-
trict A teams, The Talco Times
wants to nominate Talco's Johnny
Hood. That boy has both speed
and weight and we don't think
there is any better in Texas. His
record for ground gaining and
points scored is outstanding.

THIS NEWSPAPER man has a
dozen pecan trees growing about
his home. He doesn't thresh
them in the fall and watches with
wonder every year the operation
of God's laws of nature. When
cold winds blow and ice forms,
his law sends down the nuts to
provide food for his creatures.
Tell this short story to the man
who doubts there being a Su-
preme Being. He watches over
his creatures and He just as cer-
tainly watches over you and me.

THE EDITOR'S TALCO TRO-
JANS have led him at such a
dizzy pace for a small town pub-
lisher into the District, Regional
and now Quarter-Finals state
football championship race that
he hasn't had time to write edi-
torials. He hasn't had time to do
anything much but write and talk
football the past week and bust
a few caps at quail Monday
morning. But he never previous-
ly had a football team headed for
the state championship that had
entered the quarter finals. It is
a new experience for a country
editor with 50 years of newspaper
work behind him and we are
thoroughly enjoying it. Beat Ma-

Nickens-Allums Rites Thursday

Martha Ann Jones Nickens of
Dallas, and Harold Ray Allums
of Bogata and Lubbock, were
married Thanksgiving evening in
an 8 o'clock ceremony at the
Methodist Church in Bogata. The
pastor, Rev. Gene Shoemaker,
officiated.

Parents of the couple are Mrs.
Robert Dodd Jones of Dallas, Mr.
and Mrs. George Allums of Bo-
gata.

The vows were spoken before
an arch of chrysanthemums and
magnolia leaves, with candles.
Traditional wedding music was
furnished by Miss Mary Lassiter.

The bride was given away by
her uncle, Sam Holder. She was
lovely in an original waltz length
gown, fashioned of filmy Chantilly
lace accented with pale blue
velvet ribbon, designed with an
empire effect, the molded bodice
featured a scooped neckline, dip-
ping into a point at the center
back, and tiny sleeves. A band of
blue velvet, edged an applique of
scallops and defined the empire
line. A matching band of velvet
spanned the narrow waist. The
full circular skirt flared from the
fitted waistline over multiple
layers of taffeta and tulle.

The Old Timer

"A real man is always will-
ing to face the music, even if
it's a wedding march."

As Others See Us

Commenting editorially on the
Talco-Edgewood regional football
game, Bill Thompson, affable
and efficient sports reporter for
the Paris News, had this to say:
There have been many fine
football teams in Talco High's
past. But the followers of the
1958 edition will argue with great
gusto that this is the best.

The records bear the fans out.
This is the farthest a Talco
team has ever gone in the state
playoffs. They now will face
Mason in the quarter-finals.

The old high-water mark for
the Trojans was in 1948, when
they lost to Judson in Class B
regional. They've won before,
often, but never have reached
the quarter-finals.

The reasons for this are many.
We can think of two dozen, off
hand. Most of them wear Talco
uniforms, and the largest of these
are Mickey Via, Johnny Hood,
Jackie Martin, Cecil Loftin, Ger-
ald Morris and some others. Two
and very important ones are
Head Coach R. C. Gibson and As-
sistant Delbert Ballard.

Gibson and Ballard have done
a great job with this year's Tro-
jans, and in the two seasons they
they've been there. Our congratu-
lations to the Trojans and to
the coaches.

Talco came prepared for the
wet, freezing night in Sulphur
Springs Friday. They wore long,
wool knee socks and many line-
men dressed out in gloves to help
stave off the temperatures.

Fumbles were numerous but,
we thought, not prolific when you
consider the condition of the
field.

The one grizzer who paid little
attention to the weather was
Edgewood Tackle Wendell Cochran.
He does the Edgewood punt-
ing, and pulls off his right shoe
to boot the ball.

Cochran kicked three times on
the frozen field for a 39-yard
average, if you discount the one
Talco's Via blocked.

Edgewood didn't take the loss
too hard. They were fortunate
to be there.

During the regular season,
Edgewood tied Forney for the
12-A title. But the Forney Quar-
terback's Club took the Forney
team to Dallas for the SMU-
Georgia Tech game, and that's
against TIL rules. So they award-
ed Edgewood the right to go into
the playoffs.

Then White Oak trounced
Edgewood, 70-12, in bi-district.
But White Oak was ruled out be-
cause of an ineligible player. One
observer commented that Edge-
wood might be the only team in
Texas football history to win a
state title in the courtroom.

But Talco's skirts are clean,
and Edgewood has had it.

Mrs. Neil Rozell attended the
bride as matron of honor. She
wore a waltz length gown of pas-
tel yellow crystalline, with three-
quarter length sleeves and a high
scoop neckline. She carried a
mums.

The groom was attended by his
brother, Marcus Allums. His
brothers, Jerry and Billy Allums
were ushers. Candelighters, Kay
Allums and Brenda Hayes wore
blue and yellow net over taffeta.

A reception was held at the
church immediately following
the wedding. In the house party
were Mrs. Sam Holder, Mrs. Joe
Choate, Mrs. John Lee, Misses
Elizabeth and Kay Allums.

The bride, a graduate of High-
land Park High School, also at-
tended Texas Christian Univer-
sity, and has been employed in
Dallas.

The groom graduated from Bo-
gata High School, attended Paris
Junior College, and served four
years in the United States Air
Force. After a short wedding vis-
it to Dallas, the couple will be
at home in Lubbock, where he
attends Texas Tech.

Among out of town guests at
the wedding were Mrs. Ethel
Overfelt, Miss Serena Dodd of
Bowie, Mrs. Paul Griffin, Mrs. W.
L. Clark, Mr. and Mrs. Marcus
Allums of Dallas, Miss Ann Grif-
fin of Houston, Mr. and Mrs.
Charlie Hill of Paris, Mrs. Jim-
mie Lawson and Susan of Irving.

The WSCS of the Methodist
Church will not meet until after
Christmas holidays. A new pres-
ident will then be elected. Nom-
inations welcome. The WSCS
Christmas party has been cancel-
led out at the W. C. Tanner home.
Any home wanting to be the hos-
tes call Florence Richardson.

Notice to Talco Water Patrons

At a recent meeting of Talco City Commission it passed a motion and agreed that effective December 1, 1958, the City will not be responsible for water leaks beyond water meters. There will be no more adjustments for water lost through faulty water lines or leaking fixtures.

It is suggested that anyone having reason to believe his plumbing to be in the state of needed repair, he contact his plumber and avoid an excessive bill due to a leaking water line, commode or faucet.

TALCO CITY COMMISSION

TEN AND TWENTY YEARS AGO

Condensed from Back Files of The Talco Times for Dates Indicated

Wee kof December 3, 1948

Burks-Clear American Legion Post had conducted annual Roy Bean court for benefit of under-privileged children.

Temperatures had dropped to the season's low of 22 degrees. Talco Trojans had defeated the Union Grove Lions in Gladewater to win the 22B-21B bi-district championship.

According to Dept. of Commerce 2,892 bales of cotton had been ginned in Titus County in 1948; 18,173 in Red River, and 35,114 in Lamar.

Remus Burgin, Worshipful Master of Talco Masonic Lodge, was attending the Grand Lodge in Waco.

Miss Jessie Fleck of Cleburne, had resumed her duties as school librarian.

Louis Dean Brown, son of Morris Brown, had been severely skinned and bruised in a fall from a horse.

C. E. Jones and Felix Jones of Talco, Hugh Wilson, Luke Wilson, Leo and Bud Wilson, Morris Justiss, Vance Plum, Mr. Simpson and Bobby Gray of Mt. Pleasant, had returned from a 12-day deer and turkey hunt in the Uvalde country. C. E. Jones bagged two deer, Felix one.

Deaths: William Franklin Kelley, 55, at his home near Sulphur Bluff; W. J. Brodie of Blossom.

When Mrs. J. T. Goodroe had honored her husband with a surprise birthday dinner at their home, guests were Mr. and Mrs. D. M. Thomas, Mr. and Mrs. J. D. Northam, Mr. and Mrs. Joe B. Hopwood, Mr. and Mrs. J. W. Coney, Mr. and Mrs. Edgar Stevens.

New officers elected by Book Lovers Club were: Mrs. J. L. Cato, president; Mrs. L. L. Reed, vice-president; Mrs. Oscar Goodloe, sec.; Mrs. Eva Jones, reporter.

Week of December 2, 1938

Fire had destroyed the Louie Bond grocery and some of its contents in the Lavada community.

Talco had gone over the top in annual Red Cross drive ending on Thanksgiving day. Their quota was \$100 and they raised \$109.25, under direction of Mrs. E. M. Millhouse.

Contract for erection of a granite memorial to the 294 students and teachers killed in the New London school explosion in March, 1937, was awarded to Premier Granite Co. of Llano. It was to cost \$16,571 and be 19x17 feet, built in front of the new school house, with all names of children and teachers lettered on the stone.

Mrs. Robbie Jaynes, 48 of Detroit, had died at her home following a short illness with pneumonia.

A rain tree had been discovered in the yard of Mrs. Will Bratton at Honey Grove. Many people of this area had visited the tree after it started giving off drops of water from its leaves.

Funeral services had been conducted for Mrs. W. S. Jenkins of Halesboro, at Morris Chapel.

Felix Jones and sons, Jerry and John Paul, and Joe Berry Hopwood had spent Thanksgiving day at Boles Orphans Home. Mr. Jones was a trustee of the home.

Several dogs in Mt. Pleasant had been killed after one with rabies had bitten others.

Mrs. R. F. Parker had returned to her home from a hospital at Jacksonville, where she underwent a major operation.

Russ Hayes, prominent resident of Mt. Pleasant, had died there. Mr. and Mrs. Harry Spruell were remodeling their home.

Book Lovers Club With Mrs. Walker

Mrs. Guy P. Walker entertained the Book Lovers Club at her home Friday afternoon. Fall flowers of chrysanthemums, roses and greenery were attractively arranged throughout the house. The opening prayer was read by Mrs. R. R. Kelley. Roll was called and answered with my favorite TV program.

In the business meeting directed by the president, Mrs. E. W. Smith, plans were discussed and completed for the annual Christmas dinner, which will be in the Humble Recreation Hall, Friday, Dec. 12. Mrs. B. L. Gieger, secretary, requested each member to submit a program title for the 1959 year book.

Feature of the program was an interesting article on the early farm life of Tennessee Ernie Ford by Mrs. Dick Hood. Games were played at the conclusion of the program, with Mmes. Smith and Sanford winning prizes. Mrs. Nugent being the lucky winner of the door prize. Mrs. Walker assisted by Butch Walker, served delicious refreshments of chicken salad, pecan pie and coffee to Mmes. R. R. Kelley, Loois Cato, Dick Hood, Ed Nugent, R. W. Sanford and E. W. Smith. The club will meet in the home of Mrs. Glen Gaulden, Thursday, Dec. 4. Mrs. P. P. Hendrix is program chairman.

SOMEWHAT EXPENSIVE

"Deciding to have the shape of her nose changed, she consulted a plastic surgeon as to the cost. "One thousand dollars," she was told.

"A thousand dollars" she exploded. "Isn't there something less expensive?"

"Well," suggested the surgeon, "you could try getting into a fight with Sugar Ray Robinson."

MARVIN E. COOPER of Talco, recently completed eight weeks of basic combat training with the 2nd Armored Division at Fort Hood. Cooper, 22, son of Mr. and Mrs. Howard A. Cooper Rt. 1, attended Mount Vernon High School. He was employed by Stokley Van Camp, Lodi, Calif., before entering the Army.

State Capital NEWS

By Vern Sanford

Austin.—Texans are on about the 10 yard line in the drive to set a traffic safety record in 1958.

Safety officials will count it a "touchdown" if at the end of the year traffic fatalities have been reduced by 10 per cent of the 1957 toll. Despite the emphasis on percentages and numbers, it is not a campaign for statistical glory.

None of the players on the safety crusade team can hope to benefit personally from an impressive scoreboard. Nor are they out to "win for the coach." Gov. Price Daniel already has had his "contract" renewed—at last summer's elections.

Real winners will be 254 Texas people. All of them would be

dead by Dec. 31 if last year's accident rate continued.

For the first 10 months of this year Texas has been achieving its aim of a 10 per cent cut in traffic deaths. This has been done even though travel has increased two per cent.

But the last four weeks—like the last four downs in front of the goal post—will be the hardest. Christmas and New Year's holiday traffic will multiply driving dangers many times.

State officials, patrolmen and all the civic-minded associations and commissions and councils are geared for an all-out push. But actually "getting there" will depend on each Texan putting "drive safely" at the top of his

Christmas list.

SAFETY LEGISLATION—For greater safety in the years ahead, the Governor's Highway Safety Commission will ask the next Legislature to pass a six-point program.

Points in the program: (1) state aid for driver education in the public schools, (2) creating county-wide courts of record to handle traffic violations, (3) legalizing use of chemical tests to determine intoxication, (4) strengthening drivers license law, (5) revising and updating the uniform vehicle code, and (6) increasing salaries of members of the Department of Public Safety and starting a program to bring the highway patrol to the national minimum standard of 1,600.

Essentially the same program also has been endorsed by the Texas Safety Association and the Texas Congress of Parents and Teachers.

SCHOOL REPORT COMPLETE—Hale-Aikin Committee has completed its study and agreed—with some difficulty—on a proposed program for improving public schools.

Final report is 37 pages long, detailing improvements and expansions that would increase school spending by \$110,000,000 a year. Suggestions for upgrading the quality of public education include more days of school, more pay for teachers, driver education, special programs for the gifted, pre-school teaching of non-English speaking children, clerical assistance for teachers, etc.

Full final report will be printed within two or three weeks for distribution to legislators and interested citizens. Copies may be obtained from the Texas Education Agency, Austin.

SCHOOL LAW TESTED—Texas officials are studying carefully the similarities between Texas' and Alabama's pupil placement laws.

U. S. Supreme Court declared the Alabama law constitutional "on its face." But the court indicated the law might later be considered unconstitutional in the way in which it was applied.

Texas' pupil placement law, in the same general pattern, was passed in 1957, has never been tested in court. It allows local school officials to assign students to certain schools on the basis of 17 factors—aptitude, intelligence, home environment, personal conduct—almost everything except race.

Atty. Gen. Will Wilson said all the court tests of similar laws are being watched. By the end of the year, he said, "we should know pretty well what the law is."

PRISON FUNDS RUN SHORT—Texas Board of Corrections will ask the Legislature for a half-million-dollar emergency appropriation to finish out the fiscal year.

Untimely fall rains caused heavy losses in the Prison System's cotton crop. Result is that the system, which pays more than half its own way with pris-

Federal Budget Reduction Needed

Economy-minded members of the new Congress plan a determined effort to bring federal spending under control.

Key factor in their effort will be the amount of sincere, genuine support from "back home" for drastic budget cutting.

It appears now the government will run a \$12 billion deficit for the fiscal year ending next June 30. The Budget Bureau sees no hope of balancing the 1960 budget proposal it will present to Congress in January.

Clarence Cannon (D-Mo.), chairman of the House Appropriations committee, recently said, "The fiscal situation is alarming. It will get worse—much worse. And the alarming thing is that nobody is alarmed."

"Propositions to spend money we do not have for things we can do without are coming from all directions without any regard for the fact the treasury is empty."

on industries and agriculture, will run short by an estimated \$506,000 to build two new units for prisoners and one tuberculosis unit.

GO SLOW—"Like pay for like work" is a great idea, says the Texas Public Employees Association. But its members, the state employees, are wary of any effort to put a job classification system into effect in a hurry.

TPEA says it will study carefully the job classification study made by the Texas Employment Commission at the request of the last Legislature. Employees said they might have some recommendations of their own by the time lawmakers meet.

TEC's study makes no salary recommendations but is simply an individual descriptions of some 26,500 state jobs.

Some employees fear that attempts to adjust pay inequities between similar jobs would only result in more inequities. Others say the task of adjusting and supervising job classification would create another mushrooming, money-spending bureau.

RE-TREAD FOR ROADS—Texas Highway Commission has okayed a \$20,000,000 program for improving 3,061 miles of existing farm roads.

Age and heavy use has brought need for re-surfacing, bridge widening and shoulder replacement, said the commission.

Texas' farm-to-market road system has grown from 3,060 miles in 1948 to the present 28,203 miles.

SHORT SNOOTS—Texas Independence Day Association has announced a \$280,000 program for improving Washington - on-the-Brazos State Park, site of the signing of the Texas Declaration of Independence. It hopes to raise the money privately, create a tourist attraction and suitable site for March 2 observances.

State Department of Health is showing off its new "home"—a \$3,000,000 building just completed on the northern outskirts of Austin. Texas has had a teenage crime wave in 1958, says Dept. of Public Safety Director Col. Homer Garrison Jr. Juvenile arrests are at an all-time high, up 16 per cent from last year.

ALCORN FOR NEW TAX THEORY IF HE HAS STRONG VOICE IN IT

Editor's note: Achin Alcorn, philosopher on his Johnson grass farm on Sulphur, endorses a new taxing theory with considerable reservations, his letter this week reveals.

Dear Editor: The trouble with a good idea out of Washington is that it never does get enough attention to detail to make it fit into my farm out here on Sulphur.

For example, the other day an economic expert in Washington said what this country needs is a sliding tax rate to vary automatically with the ups and downs of the economy. When times are good, raise the tax rate a little, when they get bad, lower it, automatically, without waiting for Congress to argue over it a year or two. By the time Congress got through debating, we could be out of one recession and into another one.

Now this is a fine idea, it suits me exactly, but here's the trouble: who's going to decide when times are good and bad?

The way it'd work is, a bunch of experts would figure out what the economic index is and set the tax rate from that, but the economic index is sort of like a public opinion poll—nobody has ever consulted me on one of those things.

The way I see it, it's impossible to fix one economic index for everybody and say, well, the country is 3 per cent better off this year than last, or is 4 per cent worse off.

Lots of times there is absolutely no connection between my financial situation and the national economic index. That is, when the index goes down, you can pretty well figure my situation has gone in that direction too, but there's something wrong with the other end of my index and when the national trend goes up, mine frequently stays where it was, or drops.

Consequently, what the country needs is a personalized economic index, with the tax rate tied on to that.

If the tax rate is going to be based on your financial shape, I don't want any bunch of bureaucrats in Washington sitting down to figure up what shape I'm in. If there's anybody who ought to know what shape I'm in, it's me.

If this new taxing theory is going to work, as far as I'm concerned, it'll have to be based on what took place on this farm in the past twelve months, not on what some electronic brain in Washington estimates. You get an economic expert punching the buttons on an electronic machine in Washington, and to telling what tax rate will come out. To tell you the truth, there never was a tax rate set by anybody else for me that I really liked.

Yours faithfully, A. A.

Juvenile Crime Is Increasing

Austin.—Juvenile crimes continue on a major upswing in Texas. It's at an all-time high, Department of Public Safety Director Homer Garrison Jr., said last week.

He blamed the upsurge in crime on parents for not knowing what their children are doing. Records show a 16 per cent increase in arrests of juveniles the first 10 months of this year over 1957, Garrison said.

"These records tell only a part of the story of juvenile crime because in many cases no arrest record is submitted," he said. "We in law enforcement are deeply concerned over this problem."

It's hard to believe America was founded to avoid taxation.

PICTURED ABOVE IS YOUR DURACLEAN DEALER SHOWN IN ACTION

"We can make your carpet and furniture look like new," stated Kenneth Morrison, new Duraclean dealer. Kenneth is shown cleaning a chair, and the owner said it looked like it had never been used before.

"The Duraclean Company is bonded and insured for the customers' protection," went on Mr. Morrison. "There is no heavy machinery of any kind used on your carpets and we guarantee the kind of results you like to see."

Another of the many nice features of Duraclean is that there is no shrinkage or waiting period. Anything cleaned by Duraclean can be used very shortly after. Also when a fabric is cleaned with Duraclean it kills 97.6% of all bacteria and fully sanitizes them.

Mr. Morrison is located with Winn's Appliance and he invites all his friends and customers to call for free estimates.

"So you finally got the mortgage on your home paid off," Swanson remarked to a co-worker. "That should make you very happy."

"Well, I don't know," was the reply. "It took me ten years to pay off that mortgage and now that I own my own home free and clear, I can't stand the sight of the place."

TROJAN POWER SAW RIPS THRU EDGEWOOD 36-6 REGIONAL PLAY

TOUCHDOWN FOR TALCO—Quarterback Gerald Morris slips through from the one-yard line for the second Talco touchdown against Edgewood in Friday's regional Class A game. Talco won it, 36-6.

Talco Trojans' power-saw ripped thru Edgewood at Sulphur Springs last Friday night 36-6, in a regional game that saw the Trojans score 22 points in the second quarter, and to boost them one game nearer the state championship.

Halfback Cecil Loftin started the touchdown parade by scooting 24 yards for the first Trojan score.

Quarterback Gerald Morris scored twice for Talco in the second quarter, both on short keeper plays. Fullback Johnny Hood ran both extra points across.

Edgewood scored in the third quarter on a 34-yard screen pass from Hubert Phillips to Jimmy Slape.

The last two Trojan scores were made by Virgil Jones, who went one-yard in the third quarter, and Jere Parrish, who returned an intercepted pass 70 yards. Hood added one set of extra points.

After a fumble-filled first quarter in freezing temperature, Talco's fast, overpowering offense rolled up 190 yards on the ground in the first half alone. The Trojan backs got fine blocking from Ends Mickey Via and Funderburk and Charles Blackburn, Guards Joe Clark and Donald Gipson and Center Woody Sanford.

On defense, the Trojans threw Stephenson, Reggie Thompson and Edward Thompson into the breach.

The wet, nearly-frozen ball was hard to handle at the start. The teams swapped out on fumbles on the first two plays of the game. Not until early in the second did Talco get moving.

Starting from their 40, the Trojans moved 60 yards in five plays. Hood got 18, Loftin four, Martin seven, Hood seven and Loftin the final 24 on a brilliant run. Hood's try for extra point failed.

Talco's Loftin recovered the next kickoff when the ball skidded short of the Edgewood secondary, and the Trojans were gone again. This time they needed eight plays to negotiate the 40 yards.

Hood had the longest run, a 12-yarder, and a foul against Edgewood ate up 12 to the Bulldog one. Morris climbed over the middle to score. Hood ran for the point.

Before Edgewood recovered, Morris leaped high to intercept a Bulldog pass on their first offensive play after the kickoff. And the Trojans headed goalward once more. Hood had runs of 20 and 26 yards in this one, and Morris made the final two. Again it was Hood on the extra point.

Edgewood got its lone touchdown on the final play of the first half. Quarterback Hubert Phillips threw to Halfback Jimmy Slape on a screen pass, and Slape followed a wave of blockers 34 yards to score. His run for the extra point on a fake kick

failed and it was 22-6 at half-time.

The Trojans tacked on another touchdown in the first time they got the ball in the third quarter. Funderburk recovered an Edgewood fumble on the midfield stripe. Loftin had runs of 15 and 12 yards in this drive, a foul penalty against Edgewood put the ball on the one and Halfback Virgil Jones hit right tackle for the score. Hood ran the point again.

Alternate Quarterback Jere Parrish brought the frozen crowd to its feet midway in the fourth quarter when he snared an Edgewood pass on his own 27 and sped 73 yards down the sideline for the last Talco touchdown. Stephenson failed on the extra point run.

CHAMPIONSHIP GOLD FOOTBALL TROPHY PRESENTED TO TALCO

Talco school was presented the District 14-A football championship trophy for 1958 at a meeting held Monday evening at Talco school.

C. K. Bender, superintendent of Liberty-Eylau school and chairman of District 14-A, presented the beautiful gold-plated football anchored on a white plastic pedestal. It was received by Talco Superintendent W. R. Young, who thanked the group on behalf of Talco school.

Dinner was served in the cafeteria to coaches, school superintendents, high school principals and members of the Board of Education of Talco school.

Then followed the meeting in which coaches selected the all-

star outstanding players of the district.

This was the sixth District Football Championship Talco has won. It began in 1939, when the handsome school building was erected and a football stadium built.

Nine years later they won again in 1948. Then four and five years later in 1952-53 they were Tri-District Champs. They won again in 1955 and then this year. Talco school will soon have to enlarge its championship case.

That is six district championships within nineteen years or an average of one every 3 1-6 years. (Some elementary student tell the editor if he is wrong.)

A NEW SERIES in the 1959 Ford line—the Galaxie—captures more of the taste and styling flavor of the Thunderbird than any other Ford model. Compared here, the Galaxie Town Victoria in the foreground bears a strong resemblance to the 1959 four-passenger Thunderbird—especially in the roof area, yet it is priced to sell only \$48 above comparable models in the Ford Fairlane 500 series. The new luxury series includes six different body styles and will be available at Ford dealerships in early December.
