Gaylon Norwood Funeral Friday

Funeral services were held Friday afternoon at 3 o'clock in Clarksville for Gaylon Norwood of Wichita Falls, formerly of Clarksville. Services at Baptist Church were conducted by the Rev. Jim Harris, Baptist pastor of Clarksville, and Albert Roach of Paris, Church of Christ minister. Burial was made in Fairview Cemetery under direction of Grant Funeral Home.

Born at Deport, August 5, 1938, son of Roscoe and Virginia (Harvey) Norwood, Richard Gaylon Norwood was reared in Clarksville, graduating from high school there.

Surviving are his parents of Clarksville, and his wife, the former Joanne Chesshire and their two children, Sherri Sue and Nick of Wichita Falls, and a sister, Mrs. Jack Smith of Texarkana. He was the son-in-law of Mrs. and Mrs. Floyd Chesshire of Deport.

Norwood was killed when the Cessna 150 he was piloting crashed and burned on a mesquite tree-covered hillside near Megargel. He was flying low, inspecting oilfield pipeline for oil seepage when the crash occurred. According to investigating officers the aircraft apparently came straight down. High octane aviation fuel exploded and flames engulfed the plane's cockpit, burning the victim beyond recognition. Impact of the crash buried the plane's engine and propeller about two feet in the ground. Only the aircraft's tail section remained intact. The interior of the plane was gutted by flames. The accident reportedly was witnessed by an oilfield crew working near the crash scene.

Sister Deport Man Dies In Odessa

Mrs. Jack Rainsoeck, the former Mary Claude Norwood, died Friday at 7 p. m. in a hospital at Odessa, where she lived. The funeral was held there Monday.

Mrs. Rainsoeck, daughter of C. M. and Sally (Routh) Norwood of Detroit, leaves her husband; a daughter, Mrs. Larry Edgeman of Austin; a sister, Mrs. Hugh Eades of Kilgore and two brothers: Joe Norwood of Texarkana and Frank Norwood of Deport. The latter and his wife left with other relatives to attend the funeral.

Mrs. Cliff Jones, Mrs. O. D. Welch and Mrs. Ruth Buchanan were in Dallas Saturday.

AUSTIN — A "state of emergency" exists for reducing Texas traffic toll, Gov. Preston Smith warned in addressing some 700 safety-minded persons who answered his call to attend a public support conference to discuss the problem and how to solve it.

Result is a new statewide safety campaign. It got underway immediately and is focusing efforts on the holiday periods — Thanksgiving, Christmas and New Years. These are the times when accident frequency is unusually high.

Smith reminded the conference of community leaders that 10 Texans a day die in automobile accidents. Figures provided by the Texas Safety Association reveal that last month alone the loss — dollarwise — amounted to \$77 million. Crashes in Texas' urban areas account for \$50 million of this figure.

Causes? Higher speed limits, abolishing the old merit-rating insurance plan which called for higher premiums on bad-risk drivers and a 1965 law which allows judges to probate misdemeanor sentences including traffic offenses were blamed for the climbing death rate.

Whatever the cause, 3,481 died last year, 217,000 were hurt and \$875 million in economic losses chalked up. Department of Public Safety statistics indicate 3,700 will die this year unless holiday safety campaigns are a remarkable success.

"The grim reality," said Smith, "is that one out of every seven motor vehicles registered in Texas was involved in an accident in 1968. The certainty of 10 Texans losing their lives on the highways of our state each and every day is more than tragic. It constitutes a crisis — a crisis that, in my mind, is a state of emergency."

OIL ALLOWABLE ROCKETED — State oil production allowable zooms to a near record 62.7 per cent of potential for December under a Railroad Commission order.

December figure is highest set under present formulas except for last June's 63.5 per cent. It will authorize a maximum 3,770,319-barrel daily production. This is 472,051 more than November which was limited to 52.7 per cent allowable. Estimated daily production during December is expected to average out at 3,194,476.

Five of 14 major crude oil purchasers asked for an allowable increase. Eight asked retention of the November level, and only one sought a reduction.

EDUCATION'S INVESTMENT — Moving more heavily into equities instead of debt investments, the Texas State Board of Education has decided to put 60 per cent of its income into corporation stocks. It may increase that to 70 per cent if it finds bargains in the stock market in November and December.

Board took this action after two vice presidents of the Chase Manhattan Bank, the board's fiscal advisors, suggested heavier investments in common stocks. Voters of Texas have removed the constitutional limit that the fund's money must go 50 per cent into municipal and government bonds.

Board of Education buys from \$4 million to \$5 million worth of securities a month. It put the

\$4.1 million it got from cash bonuses on oil and gas leases on Nov. 4 mainly into U. S. treasury bills. This was timed so as to fill in the gaps in the year ahead and hold average buying to about \$4 million.

ATTORNEY GEN. SPEAKS — A Court order stating that a person with a suspended driver's license can drive under certain conditions with an "occupational license" must set out the actual hours of the day that driving is permitted, says Atty. Gen. Crawford Marin.

Martin altered an earlier opinion to reflect that those seeking "occupational licenses" need only a court order and proof of insurance (or its equivalent) under the Texas' Safety Responsibility Law.

The Attorney General is warning Texans to be on the lookout for lottery punchboards currently being mailed into the state. Letters accompanying the boards attempt to induce people to sell chances on the punchboards to win merchandise. Martin pointed out that selling chances on the punchboards is a violation of the state lottery law.

AUTO INSPECTIONS DOWN — Auto inspections are 30 per cent behind the number last year, according to Col. Wilson E. Speir, director of Texas Department of Public Safety.

Unless things pick up, forecasts Speir, car owners are going to be waiting in some mighty long lines at garages and service stations around the April 15 deadline.

During the state fiscal year which ended August 31, 6.3 million vehicles were inspected. Since September 1, only 538,000 have gone through the required check. All inspection stickers issued after September 1 will expire 12 months from date of issue. All new stickers must be displayed before April 15, however. Stickers this year will go on driver's side of windshield.

VALLEY BISTAS YANKED — James W. Griffith, new Southwest Regional Office of Economic Opportunity boss, announced withdrawal and reassignment of 15 VISTA anti-poverty workers in Cameron and Willacy counties.

Griffith charged that Volunteers in Service to America were made "scapegoats of local political disputes" and subjected to "harassment, uncertainty and threats." He said the VISTA group in the two counties were responsible people and there was no evidence of improper action on their part. Griffith lashed Cameron County commissioners for again requesting the governor to remove them after a 90-day truce period had been agreed on for reassessing VISTA work. There is, Griffith concluded, a shortage of such workers, and they will be sent where they are needed and wanted.

HOSPITAL SHORTAGE "CATASTROPHIC" — Texas Hospital Association warns of a catastrophic shortage of nurses and other workers in the health-hospital field.

Their survey concluded that 4,700 more nurses, aides and orderlies are needed. Also listed as "desperately needed" are medical technologists and technicians, x-ray technologists, social workers, inhalation therapists, pharmacists, speech pathologists and physical and occupation therapists.

Mr. and Mrs. Bill Bain and Mr. and Mrs. Johnnie Horn and children, Scottie and Bill of Irving and Mr. and Mrs. Boe Harville and Brian of Bogata, visited Mr. and Mrs. John Sales and Jo over the week end.

Word was received here Saturday by Mrs. M. J. Dodd and Mrs. Lucille Hawkins that their nephew's body had been found in a plane in Vietnam. He never got out of the plane. He was 26 years old, and is survived by his wife and one son of Nebraska and his parents, Mr. and Mrs. G. S. Greer of Nachogdoches, two brothers and three sisters.

Dinner guests Sunday of Mr. and Mrs. E. V. Pirtle and Vance were Mr. and Mrs. Drue Pirtle of Longview, Mr. and Mrs. Harvey Jean and children, Donald, Dana and Dale and Mrs. John Parker of Bogata nursing home. The occasion was Vance's 25th birthday.

Mr. and Mrs. John Gipson Jr. of Dumas, were week end guests of the former's brother, Mr. and Mrs. Carthal Gipson. Rocky Joe killed an eight-point buck Saturday morning, and was one of the winners of a turkey in the Rivercrest turkey shoot.

Harvey Blalock Rites Saturday

Harvey Blalock, an employe of Lone Star Steel Co., died Thursday morning at Parkland Hospital in Dallas of electrical burns received while working in the plant.

He was born Jan. 24, 1913 in Titus County. Survivors include his wife, Mrs. Frances Blalock of Lone Star, one daughter, Mrs. Doris Burgin of Mt. Pleasant, five grandchildren; his mother, Mrs. Etta Blalock of Wilkinson; two sisters, Mrs. Mae Strutton of Linden and Mrs. Mattie Brown of Mt. Pleasant; one brother, J. R. Blalock.

Services were held at 10:30 a. m. Saturday at Harris Chapel Baptist Church, with officiating ministers, Garnet Walker and Alvin Blalock. Burial was made in the Deshields Cemetery.

Rivercrest Girls Meet Again Friday

Deport and Rivercrest girls met again Friday night in Deport gym, with Deport winning 33-27 in a hard-fought defensive battle. Rivercrest's B girls defeated Deport B, 28-24 in the curtain-raiser.

The low-scoring Tigrette-Rebelette game was featured by outstanding defensive play of both teams, holding field goals to a minimum.

The Tigrettes capitalized on numerous foul shots to hold a lead at the end of each quarter. It was 6-4, Deport at the end of the first period; 15-11 at the half; 23-20, 3rd period, and 33-27 at the final buzzer.

Marilyn Glover led Deport scoring with 22 points, Judy Bridges added 6 and Abigail Norman 5.

Rivercrest guards Linda Powers, Joyce Brown and Marla Pittman had a good night on rebounds. Rivercrest forwards were Joan Walesiak, Rosemary Brown and Janie Cook. Walesiak was high scorer for the Rebelettes with 17; Brown scored 8 and Cook 2.

The Rebelette "B" team defeated the "B" Tigrettes, 28-24. The score was tied 11-11 at the end of the first period and 19-19 at half time, but the Rebelettes pulled in front to win in the final minutes of play. High scorer for Deport was Betsy Glover with 23 points. Rivercrest's Liz Stubblefield scored 13 points.

Youths Seek Action In 4-H Petroleum Power Program

America today moves on a sea of oil. Petroleum powers industry, government and the home.

And for many 4-H'ers, petroleum makes the tractor go, pushes a boat through the water, drives the lawn mower and lets him race across the snow in a snowmobile.

The national 4-H Petroleum Power program conducted by the Cooperative Extension Service, encourages 4-H'ers to do all of these things.

The program's goal is to help youth acquire knowledge of the science and research pertaining to fuels, lubricants, engines and equipment. It gives them opportunities to learn about the care and operation of engines and equipment and to skillfully, safely and economically handle these machines.

There are over 70,000 members enrolled in the program in the 48 continental United States. Formerly known as the 4-H Tractor program, it has been sponsored by the American Oil Foundation for

25 years. The present program offers expanded opportunities to all youth regardless of residence—tractor projects for rural youth, small engines projects for youth in urban, suburban and rural areas.

Recently two national tractor operators' contests were held to determine the competence of 4-H youth in operating and maintaining equipment. And at the National 4-H Congress in Chicago, Nov. 30-Dec. 4, six national winners of \$600 educational scholarships will be announced.

Selection will be made by the Extension Service from state winners who receive an expense-paid trip to the 4-H Congress. Medal awards also will be given at the county level. All awards are offered through the National 4-H Service Committee by American Oil Foundation.

Additional information about youths' opportunities in the 4-H Petroleum Power program may be gotten from the local county extension agent.
