

Lone Star Gas Asks City for Rate Increase

Lone Star Gas on Oct. 8 asked the City of Wellington to increase local residential and commercial natural gas rates to enable the company to earn a reasonable return on the fair value of properties used in rendering public service.

The application for rate increase, the first major request since 1953 based on an income deficiency in the Wellington distribution system, listed increased cost of gas, higher property and equipment costs, increased wages and salaries, higher interest rates on borrowed money and increased taxes as primary reasons for the deficiency.

The company indicated that it had used every means available to avoid a request for rate increase, but inflationary pressures not under the company's control necessitates the application.

Services Held Friday for Mrs. G. R. Downing

Mrs. G. R. Downing died unexpectedly at her home in Quail early Wednesday, Oct. 8. She had lived there 25 years and was active in community life.

She was an active member of the Quail Baptist Church and had been a Baptist since early in life.

The former Mary Marrett Kitchens, she was born in Yell County, Ark., Feb. 22, 1892. She and Mr. Downing were married Jan. 19, 1908 in Canton, where they lived until they came here. The couple had lived in other communities of the county for several years before going to Quail.

Funeral services were conducted at Quail Baptist Church at 2:00 p.m. Friday with the Rev. Porter Arnold, pastor, and the Rev. Elvis Pitts of Esteline, a former pastor, officiating. Burial was in the Quail Cemetery under the direction of Kelson Funeral Home.

Pallbearers were Obie White, Roy Canada, Clarence Blevins, Donald Dollar, Roy Pegram and Pat O'Hair.

Survivors include two daughters, Mrs. Inez Finley of Wellington, and Mrs. Grace Alexander of Tulsa; a brother, A. M. Kitchens of McGee, Ark.; four grandchildren and five great-grandchildren.

Two Youth Shows

Approved Quarter Horse Show Slated Here on October 18

This year the Collingsworth County Quarter Horse Show, approved by the American Quarter Horse Association, returns to Fair Week, and will be held Saturday, Oct. 18.

Along with it will be the Youth Activity Horse Show for boys and girls up to 18 years who will exhibit registered quarterhorses. This also is an AQHA approved event and counts for points.

Immediately after this, there will be a show featuring two classes of barrel racing and two of pole bending for boys and girls who have grade horses and will not be eligible for the other youth show.

All these events will be at the VFW Rodeo Arena just off US Highway 83 North in the northeast part of town.

The halter show will start at 9:00 a.m., according to Richard Nall, chairman of the Quarter Horse Show. The performance classes will start promptly at 1:00 p.m.

Two classes of fillies and three of mares will be judged at halter, along with five classes of stallions and four of geldings.

Grand Champion and Reserve Champion mares, stallions and

LATE RIPENING FRUIT

Claude Savage holds late ripening fruit picked at his farm. The completely green grapes are from a vine on which other grapes have been ripening for a number of weeks. The peaches, of a late variety, still are not ripe.

Injuries Recovering

Rockets Meet Seymour Here on Friday Night

The Seymour Panthers come to Rocketland Friday night, Oct. 17, for what should be one of the better games of the season.

Seymour has a fine club, those who have seen them play report, and they are a stronger team than their two losses this year would indicate.

Like Wellington, Seymour lost to Iowa Park by a heavy 54 to 7 score.

Earlier, however, they defeated Olney, one of the leaders in District 10-AA by a 12-0 score and also defeated Munday, the leader in District 11-AA by a large score.

"I feel that since we defeated Electra after losing to Iowa Park, we will be mentally ready for Seymour this week," said Rocket Coach Thayne Amnett.

"We have had very little contact this week in order to give our boys time to get over bruises and injuries we have

received. We have had several on the injured list and by taking it easy on contact, we figure

Services Set Thursday for Frank Langford

Frank Langford, who had lived in the county 55 years, died in St. Joseph's Hospital at 12:40 a.m. Tuesday, Oct. 14, after being hospitalized here and in Amarillo several weeks. The family home is at 603 Graham Street.

He was employed on ranches of the area for a number of years.

Funeral services will be conducted at 2:00 p.m. Thursday,

L. D. McMinn, Longtime School Leader Dies

L. D. McMinn, who served nearly 40 years as a member of the Collingsworth County School Board, died in Thomas Nursing Home at 7:40 a.m. Saturday, Oct. 11, at the age of 86. At the time he retired a few years ago, he had served a long tenure as president of that body.

Mr. McMinn moved to the Lillie community from Bowie in 1915, and from that time on he was closely identified with the educational and religious life of the area.

He served on the Lillie school board prior to its consolidation with Quail. A Baptist since early life, he was Sunday School superintendent of the Lillie Baptist Church.

Lemuel D. McMinn was born March 13, 1883, in Bell County, the son of the late J. G. and Elizabeth McMinn. He was married to Miss Lola Thomas Dec. 22, 1904 in Bowie. The couple had made their home in Wellington since his retirement from farming.

Funeral services were conducted at First Baptist Church at 4:00 p.m. Sunday, with the Rev. Leroy Gaston, pastor, and the Rev. Porter Arnold, pastor of Quail Baptist Church, officiating. Burial was in Memorial Gardens under the direction of Kelson Funeral Home.

Pallbearers were E. H. Harwell, Alvin Horton, Elmer Haralson, Bill Langford, Henry Langford and Bill Lowe. Honorary pallbearers were County Superintendent T. E. Lennon and the present members of the county school board: Johnny Carson, Bill James, Walter Camp, Tom Cunningham and J. J. Neeley.

Mr. McMinn is survived by his wife, Mrs. Lola McMinn; seven daughters and a son; Mrs. Jim Lowe of Quail; Mrs. Carl Whitfield of Snyder; Mrs. N. C. Stafford of Houston; Mrs. Woodrow Stafford, Mrs. Paul Grigsby, Mrs. Wayne Gulley and Mrs. Bob Matthias and Thomas McMinn, all of Fort Worth.

There are 12 grandchildren and two great-grandchildren.

New Calf Barn

Calves, Swine to be Exhibited in Youth Livestock Show Oct. 18

Four-H Club members and Future Farmers of America will exhibit fat calves and hogs Saturday, Oct. 18, as their part in the Collingsworth County Fair. It is a one-day event.

Major changes are announced for this show. The calf division will be housed at the Salt Fork Soil Conservation District machinery barn, which faces on 8th Street between West Avenue and Amarillo, and which was reconstructed especially for this and future livestock shows, Don Reeves, show co-chairman, said.

The judging will take place in the machinery yard. The swine division will remain at the Youth Project Show Barn in the 700 block of Amarillo Street.

For the first time in Collingsworth Calf Show history, that division will have a woman judge—Mrs. Bill Bradley, who with her husband oper-

ates a ranch in Childress County between Childress and Memphis.

Minnie Lou Bradley was on the livestock judging team at Oklahoma State University, where she majored in animal husbandry, and she was high point individual on that team at the International Livestock Exposition in Chicago during her senior year.

She is regarded as one of the few qualified women in the United States to judge cattle.

Ronald Morris, vocational agriculture instructor at Memphis, will judge the hogs. Mr. Morris has done a lot of work with hogs and has a lot of hog projects in his chapter, Mr. Reeves said.

Don Lacy, vocational agricultural instructor at Memphis, will judge the swine.

—See back page, Sec. One

J. C. Lea New Dental Technician

Dr. J. M. Orr announced this week that J. C. Lea of Amarillo has joined his staff as dental technician.

Mr. Lea has been a dental technician 36 years. His wife will join him in Wellington about Nov. 1.

They are members of the Presbyterian Church.

The couple has two sons, one in the insurance business in Colorado Springs, and the other a student in the Southern Methodist University Law School.

Twelfth Annual Collingsworth Fair Slated Friday and Saturday

With Fair Week already under way, the 12th annual Collingsworth County Fair will open its two-day run Friday morning, Oct. 17, and continue through Saturday night, Oct. 18.

Pre-opening indications are this will be one of the larger Fairs to be held, and several events that had been dropped are being returned to the calendar.

Final Fair plans were announced Wednesday morning by Billy Moseley, Fair superintendent.

The traditional parade, big and beautiful, will open the Fair at 10:00 a.m. Friday. All schools in the county will be dismissed, and the Wellington Schools will remain closed throughout the day.

Meanwhile, judging of exhibits in the women's open division, girls' open division, the

flower show and art exhibit and the community products agricultural and horticultural division will already be under way.

These exhibits will be open to the public at 11:00 a.m.

Mr. Moseley has requested that all entries be in place by 9:00 a.m. when the community building doors will be closed and judging will start.

The exhibits will be open to the public at 11:00 a.m. This

will enable those who have watched the parade to go directly to the Bura Handley Community Center to see the exhibits.

That Skyrocket Band will present a concert on the court house lawn immediately after the parade.

At 11:00 a.m. also, a Terrapin Race will be held by the Jaycees on the courthouse square. More than 50 terrapins are due to compete, and the fun comes from their unpredictable nature.

Jaycees say they will have plenty of the reptiles for everyone.

Barbecue-Reunion

Collingsworth County Old Settlers will meet at noon Friday in Ellison Park. If the weather is bad, the reunion will be moved inside. Riley Dunson is chairman of the reunion. No formal program has been announced, but the period will be given over to visiting.

At noon also the Wellington Rotary Club will hold one of its famous chicken barbecues, and this also will be at Ellison Park.

There will be plenty of chicken and all the trimmings for everyone, say those in charge.

Saturday Events

Livestock will take the spotlight Saturday, Mr. Moseley explained.

The annual Youth Livestock Show will start at 9:00 a.m. The calves will be in the newly remodeled machinery barn belonging to the Salt Fork Soil Conservation District, while the swine will be seen in the Youth Project Show barn in the 700 block of Amarillo Street, where past livestock shows were held.

There will be more action at the VFW Rodeo Arena in northeast Wellington, just off Highway 83 North, where the Coll-

Dean Killion

For That Skyrocket Band

Tech Band Director to Hold Clinic Here

Dean Killion, professor of music and director of bands at Texas Tech University, Lubbock, will hold a marching band clinic for the Wellington

High School Band Tuesday, Oct. 21, according to Miss Carol Blain, director.

This is in preparation for the band's participation in the University Interscholastic League marching contest at Canyon a week later, Oct. 28.

The clinic will begin shortly after 4:00 p.m. and about 5:30 the boys and girls will begin marching on the football field. The clinic will continue until 6:30 or 7:00.

Mr. Killion will work with the band as a whole, and possibly individually. Whatever he thinks needs to be done, he will do, Miss Blain said.

He invited all persons interested to come and watch the clinic.

Mr. Killion is vice president of the Texas Bandmasters Association, and this summer he conducted clinics for Kansas and Tennessee bandmasters.

He has been on the Texas

Women's Entries Needed Wed.

Mrs. David Peters, superintendent of the women's division of the Collingsworth County Fair, has requested those who will have entries in all classes except the baked goods to bring them Thursday evening, Oct. 16. Baked goods should be brought in Friday morning before 9:00 a.m.

This will enable the workers to make better arrangements of the entries, it was explained.

FAIR HEAD

Billy Moseley is superintendent of the 12th annual Collingsworth County Fair which will be staged Friday and Saturday, October 17 and 18.

FARM BUREAU OFFICERS

Ray Null, front center, was elected president of the Collingsworth County Farm Bureau for the 1969-70 year at the annual meeting and Barbecue Saturday night, Oct. 11. N. E.

Childers, left, is secretary, and N. W. Paschall is first vice president. Virgin Patterson, second vice president, was unable to attend.

PIPELINE BRIDGE, built according to a new design, now stretches across the Danube, south of Vienna. New bridge has main plane structure formed by two surfaces with cables inclined against vertical line.

Sober Drivers Lose to Drunks

AUSTIN.—Drunk drivers may be taking the lives of more safe and sober Texans than many folks realize, the Texas Safety Association reports, noting that several recent studies reported by the U.S. Department of Transportation indicate that most drivers killed in accidents

caused by drinking drivers have not been drinking at all. One two-year California study shows that 80% of the drivers killed by drunk drivers had no alcohol content in their blood. Another research report shows that the drinking driver runs into others four times as often as he is run into. The proportion of "rammers" among the drinking drivers was significantly greater than the proportion among the non-drinking

drivers.

Researchers also conclude that the higher a driver's blood alcohol concentration, the greater the likelihood he has initiated a crash in which he is involved. The contribution of a driver with an alcohol content of .15 has been rated by one Canadian researcher as 42

times that of a non-drinking driver.

GUNPOWDER PLOT

In 1605, Guy Fawkes, hired by conspirators against King James I and Parliament, attempted to blow up the House of Lords. This incident is known as the Gunpowder Plot.

Amarillo Artist to Judge Wellington Show at Fair

This year's art exhibit at the Collingsworth County Fair will be judged by an Amarillo artist, Mary Hamilton Mitchell.

Both an artist and a judge of art shows, Mrs. Mitchell directs monthly shows for the Southwestern Public Service Company in Amarillo, and she is widely known in the southwest for her varied activities in the fine arts field, according to Mrs. Earl Hunter, art exhibit chairman.

She has had one man shows at Borger, Amarillo, Lubbock, Oklahoma City, Ruidoso, Tulsa and Dallas.

Mrs. Mitchell has been awarded honors for her paintings by the Tri State Fair; the A.F.A.S. Annual State Citation Shows, Democratic Women and other groups.

Mrs. Mitchell lives at 1813 Mustang, Amarillo, and has a studio in her home. Her hus-

band, John Z. Mitchell, an administrative officer at the helium plant, custom makes many of the frames for her pictures.

Born at Clovis, N.M., she was reared in Amarillo and studied at Amarillo College. She was graduated from the Famous Artists Course of Hartford, Conn., and studied under Clarence Kinkaid, Sr., Larry Hilburn, Dorothy Parsons and during the summer studied in Ruidoso, N.M., under Frederic Taubes of New York City.

QUAKERS

Members of the Society of Friends came to be called Quakers from a speech by the founder, George Fox, in which he called upon his listeners to "tremble at the name of the Lord." A magistrate, Justice Gervase Bennett, thereupon called their group the "Quakers".

Lunchroom Menu

Wellington

• Mon. Oct. 20: Breaded fish portions with Tartar sauce; macaroni with tomatoes; buttered cauliflower, fruit, coconut cake, cornbread, half pint milk or chocolate milk.

• Tues. Oct. 21: Hamburger on a bun, onion, mustard, pickles, lettuce and tomatoes, buttered peas, potato chips, turnip sticks, cherry and pineapple cobbler, half pint milk or chocolate milk.

• Wed. Oct. 22: Cheese toast, potato soup and crackers, combination salad, pumpkin pie with whip topping, half pint milk or chocolate milk.

• Thur. Oct. 23: Hot dog with chili sauce, Mexican slaw, pinto beans, strawberry shortcake with whip topping, half pint milk or chocolate milk.

• Fri. Oct. 24: Hot beef sandwich, tossed salad with French dressing, whipped potatoes, seasoned green beans, ice cream, half pint milk or chocolate milk.

Gourmet Boom Due Christmas

COLLEGE STATION. — The gourmet boom, which retailers expect to grow in the fall and Christmas season, is rubbing off on electric housewares as well as basic housewares.

Linda Jacobson, Extension specialist in home management says electric fondue pots, baconers and man-made electric coffee grinders will be popular.

In personal care equipment, steam pressers, new varieties of electric curlers and improved steam irons will be on the market for the fall season.

The colors of household equipment have not changed. Avocado and harvest are still dominant, while flame continues to grow. Mod patterns are becoming more prevalent, and a new mushroom design has been introduced.

Cotton poplin is from the French "papeline" because it was first made in a papal city.

LORENE JENKINS, County Clerk

Masonic Speaker Asks Improved Citizenship

Approximately 90 Masons, their wives and guests attended a Barbecue in Bura Handley Community Center, then heard Irvin S. Johnsey of Memphis as he called for improved citizenship from both adults and youth.

Mr. Johnsey spoke after the group had retired to the Masonic Hall for the program. Hubert Brooks, worshipful master, presided.

Mr. Johnsey, past Grand High Priest of the Royal Arch Masons of Texas, also has held every office in the Blue Lodge, the Chapter and Council, and the Commandry, of which he is a member, as well as several state offices in Masonic bodies.

Cal Hurst introduced the speaker, while Mr. Brooks introduced the wives of Masons, the widows of deceased members and visitors.

John Forbis gave the invocation, while the program opened with the pledge of allegiance to the Flag, led by Willie Gragson. Jack Davis gave the benediction.

Those who registered were Mr. and Mrs. J. C. Cason, Mr. and Mrs. Rosco Land, Mrs. Elzie White, Mrs. Bura Handley, Mr. and Mrs. Oliver Young,

Mrs. Jennie Holcomb, Mrs. Ethel Lowrie, Mrs. Ralph Ball, Mr. and Mrs. Johnsey of Memphis, Miss Maudie Coffee, Mrs. Annie Clark, Mr. and Mrs. Eddie Smith,

Mr. and Mrs. H. A. Davis, F. O. Masten, Mr. and Mrs. C. L. Kreiger of Amarillo, Mr. and Mrs. John Bishop, Mrs. Nora Parker, Mr. and Mrs. J. M. Strong,

Mr. and Mrs. Cal Hurst, Mr. and Mrs. Charles Carter, Mr. and Mrs. N. C. Thompson, Mr. and Mrs. T. R. Ressel, C. E. Caldwell,

Mr. and Mrs. Willie Gragson, Mr. and Mrs. Mearl Parker, Mr. and Mrs. Jack Davis, Mr. and Mrs. Dick Richards, Mrs. J. F. Michael, Mr. and Mrs. W. R. Breeding,

Mr. and Mrs. J. F. Coleman, Mr. and Mrs. Frank Anderson, Enis Schaded of Tyler,

Mr. and Mrs. J. B. Stevenson, Mr. and Mrs. E. Doyle Brown, Mrs. Tom Parker, Mrs. Andy Bell, Mr. and Mrs. Roy Jeffrey, Sr., Mr. and Mrs. Tom Lewis, Mrs. R. A. Barton, J. T. Forbis, Mr. and Mrs. Mack Saied, Sr., Mrs. W. E. Brawster, Mr. and Mrs. John Glasscock of Shamrock, Mr. and Mrs. J. W. Cochran and Mr. and Mrs. Henry Sullivan.

Gay McAlister TSTA Delegate

Gay McAlister of Wellington will be an official, voting delegate at the 91st annual state convention of the Texas State Teachers Association, Oct. 22-25 in San Antonio.

Mrs. McAlister is one of the 1,283 certified members of the 1969 House of Delegates, which will meet on the last day of the convention to discuss and act on proposed amendments to the TSTA constitution, new policies, recommendations of the standing committees, and other business.

The official delegates are elected from the 419 TSTA local associations throughout the state and certified by districts on the basis of one delegate per 100 members or fraction of 100. Every local association in the state is entitled to at least one official delegate.

With total membership in TSTA expected to hit a record of 124,000 this year, attendance at the convention probably will total about 8,000. Featured speakers include Gov. Preston Smith, Sam M. Lambert, executive secretary of the National Education Association; and Charles D. Holleyman, superintendent of school at Mustang, Okla.

NICKEL CONSUMPTION

World's largest consumer of nickel in 1967 was the United States, which consumed an estimated 352 million pounds. Total free world consumption of the metal during that year was estimated at 825 million pounds.

Quail News

By Mrs. G. T. Stephens

• The first frost came Monday night, Oct. 13. Some of the old timers think it is the earliest frost we have ever had. Nearly all the damage reported was to the late gardens and the flowers.

• Mrs. Ople White is a patient in the Hall County Hospital at Memphis. She underwent surgery there Friday, Oct. 10. At present, her condition is reported as satisfactory.

• Mr. and Mrs. Z. J. Neeley attended the funeral of Mrs. Frank Haynie in Portales, N. M., Sunday, Oct. 12. Mrs. Haynie was an aunt of Mrs. Neeley. She and her family lived at Quail a number of years before moving to Portales to make their home. Mr. Neeley became ill while he was in Portales and had to be taken to Amarillo for treatment. At present he is in St. Anthony's Hospital in Amarillo.

• Mr. and Mrs. John Bishop returned Saturday after a 3-

weeks vacation at Eatonton, Georgia, with their daughter and family, Mr. and Mrs. Mel Sammons and children.

• Mr. and Mrs. Lonnie Neeley visited in Amarillo Saturday with their daughter, Mr. and Mrs. James Ingram and Heath. The latter came home with them to spend this week.

• Mr. and Mrs. Frank Lindsey visited in Pampa Sunday, Oct. 5, with Mr. and Mrs. W. M. Winegeart. They are Mrs. Lindsey's parents. They also visited with a nephew who had returned from Germany recently, Mr. and Mrs. Troy Mitchell and Donic Wayne and Timothy Wayne. Mr. Mitchell is in the Air Force and he will report for duty at Las Vegas, Nev., when his furlough is over.

• Mr. and Mrs. Evon Gollighugh of Amarillo spent the week end with his parents, Mr. and Mrs. Albert Gollighugh.

• Guests in the home of Mr.

and Mrs. J. D. Morris from Sunday until Wednesday were Mr. and Mrs. T. W. Cook of Mt. View, Calif. She is Mrs. Morris's sister.

• The Quail Knitting Club meets every Wednesday afternoon at 1:30 p.m. in the Quail home economics cottage. Last week those attending were Mrs. Earl Hunter, Mrs. Trula Decker, Mrs. Ollie Buske, Mrs. T. Davenport, Mrs. Delbert White, Mrs. Wilbur DePauw, Mrs.

Roy Canada, Mrs. Johnny Carson, Mrs. Ben Farmer, and Mrs. Johnson of Shamrock. "Everyone is invited to attend and enjoy an evening of knitting, crocheting or any kind of handwork and visiting," Mrs. Farmer remarked.

Cottonseed hulls make excellent fertilizer.

Early desert nomads wore layers of cotton to keep cool.

B&PW Observes National Business Women's Week With Tea Oct. 22

The Wellington Business and Professional Women's Club will observe National Business Women's Week with a coffee, to be given Wednesday, October 22, in the county library, Mrs. Ernest Harwell, president, has said. The hours are 9 to 11:00 a.m.

National Business Women's Week is a nationwide salute to all career women and is held each year during the third full

week in October. The purpose is to focus the attention of each community on the contributions made by women in the world today, and to honor the outstanding achievements of women in all phases of economic, social, cultural, business and professional life, said Mrs. Harwell.

The public is invited to attend the coffee, said the B&PW president.

Henry Langfords Have All Their Children Home for the Week End

Mr. and Mrs. Henry Langford were hosts during the week end to all their children. This was to celebrate three birthdays and to say "goodbye" to the family of one son moving to California.

Honored on their birthdays were Mr. and Mrs. Don Langford of Garland, and Henry Langford. The Langfords and their small twins, Tracey and Tracey, are moving next week to Pasadena, Calif., where Mr.

Langford has joined the staff of Jet Propulsion Laboratories. The children and their families present were H. C. Langford of Perry, Okla.; Mr. and Mrs. Garland Fielding, Tim and Molly of Garland; Mr. and Mrs. Loyd Langford, Glen and Lana Kay of Plainview; Mr. and Mrs. Don Langford, Tracey and Tracey of Garland; Mr. and Mrs. Dan Langford of Wellington; and Mr. and Mrs. Jerry Thompson and Greg of Floydada.

Mr. and Mrs. D. A. Kincannon to Be Honored on 60th Wedding

An open house will honor Mr. and Mrs. D. A. Kincannon of the Abra community on their sixtieth wedding anniversary, and all their friends are invited to join them in this festive occasion.

It will be held in the home of their daughter and son-in-law, Mr. and Mrs. W. R. Breeding and son, Laron, in Samnorwood. Joining them as hosts will be their son and daughter-in-law, Mr. and Mrs. Dee Kincannon and children of Abra, and a granddaughter, Mr. and Mrs. Rudie Tate and children of Abra.

The open house will be from 3:00 to 5:00 p.m. Mr. and Mrs. Kincannon came to the Abra community in 1927 from Boise City, Okla.

Kay Guthrie Has Birthday

Kay Guthrie celebrated her seventh birthday October 9 and was given a party by her mother, Mrs. Dan Guthrie, at Quail School.

Punch, cookies and ice cream were served and favors were given to her classmates in the first and second grades.

Those attending were Shane Brim, Gene Caldwell, Nora Diaz, Otis Farris, Rhonda Powell, Polly Smith, LaVonda Thomas, Kristy Barton, Carolina Diaz, Cathy Ledbetter, Beverly Patterson, Kirk Patterson, Pamela Powell and Danny Wischkaemper, all classmates. Also attending were Kay's little sister, Robbie Guthrie, and her cousin, John Guthrie of Guymon, Oklahoma, along with the teacher, Mrs. Jim Lowe.

Visitors Here for Birthday

Visiting with Mr. and Mrs. P. E. Starr over the week end were their daughter and family, Mr. and Mrs. Charles Allen, Tommy and Jerry Paul of Canyon, and Mrs. Starr's sister and brother-in-law, Mr. and Mrs. N. W. Morton of Oklahoma City.

They were here to honor Mrs. Starr on her birthday.

Who's New in the Wellington Area

Mr. and Mrs. Danny Wheeler of Oak Harbor, Washington, are the parents of a son, Andrew Edward, born October 8. He weighed six pounds and three and one-half ounces. The paternal grandparents are Mr. and Mrs. Ted Wheeler, and the great-grandmother is Mrs. Betty Halton.

Daffodil Study Given Gardners

"Speak to Us of Beauty" was the theme of the Wellington Garden Club meeting Wednesday, October 1, when Mrs. Charles Cason, Sr., was the hostess, assisted by Mrs. Howard Riggs.

Arrangements of fresh flowers were used to decorate the entertaining rooms. Mrs. Coy Vaughan presided at the meeting and members answered roll call by describing the flowers they would enter in the Fair.

Members heard reports of work on Ellison Park and the Wellington cemeteries, and of plans for Fair participation.

Mrs. Vaughan gave the program, "How to Stretch the Daffodil Season," stressing the time, preparation of the soil and arrangement of the bulbs.

She reminded the members that bulbs should be planted in the fall after all dead flowers and vegetation have been removed. In arranging bulbs, one should combine colors that will not clash when in bloom, she continued.

Those present were Mrs. Silas Crawford, Mrs. Vaughan, Mrs. Joe Thompson, Mrs. Chas. Slay, Mrs. R. W. Brantley, Mrs. Nell Cook, Mrs. Walter Franks, Mrs. O. B. Raburn, Mrs. Ray Clubb, Mrs. G. L. Jones, and a new member, Mrs. E. W. Clement, also the hostesses, Mrs. Cason and Mrs. Riggs.

Miss Lena King of Wichita Falls visited her parents, Mr. and Mrs. E. L. King last week end.

Mrs. Lucy B. Wells Observes 102nd Birthday at Her Home October 10

Mrs. Lucy B. Wells observed her 102nd birthday quietly at her home on October 10th in the same house in which she has lived for the past 62 years. No special celebration was planned this year but numerous friends and relatives remembered the day and called Friday and others on Sunday.

"I'm just not as spry as I was when I was a hundred," she remarked, apparently without regard to the thought that she may be the oldest citizen in seven counties. She doesn't lay claim to the title, but she'd probably win the crown if she tried.

Mrs. Wells is of the old school of patriots who believe in preservation of secrecy of the ballot. She was 53 years old when women were granted the privilege of voting. Asked who she voted for in the first presidential election after women's suffrage, she remarked, "We always voted the way the men-folks voted," and she didn't believe she should divulge that information.

She seldom talks much of the old days because she tires so easily. She likes to reminisce about life on the Mississippi River when she was a young girl. She fondly recalls rides on the riverboat from Miller's Landing, Mississippi, to Memphis, Tennessee. She admits that most stories circulated about the riverboat gamblers are probably true. "I think they had the gambling," she confides, "but it was kinda private."

One of the biggest events of her life came at age seventeen when she left her family in Mississippi to live with relatives in the state of Virginia and attend a girls' school near Charlottesville. Having completed her education, she taught school in that state for seven years, then joined her parents in Wise County, Texas, where they had moved. In 1893, at age 26, she married a local merchant and country store-owner. They had six children, four of whom grew to adulthood.

Mrs. Wells has been widowed for more than 50 years. Asked if she had any unfulfilled ambitions in life, Mrs. Wells said she'd never given it much thought, and in fact didn't have much time to give it any thought because "It seems like I was always busy taking care of the children."

Because she was age 72 before 1968, Mrs. Wells became entitled to special monthly payments under the social security program effective October, 1966. These payments were made possible under a change in the law to assure some regular income for older people who had little or no opportunity to earn social security protection during their working years.

GREETINGS TO A CENTENARIAN

As she neared her 102nd birthday, Mrs. Lucy B. Wells reads the personal birthday greeting from Robert M. Ball, Commissioner of Social Security, Washington, D. C. Mrs. Wells observed her birthday Friday, Octo-

ber 10. The greeting was presented on Mr. Ball's behalf by Virginia Hess, field representative of the Amarillo office of the Social Security Administration.

Lillian Kirkland, Larry Don Hall, Mary at Dozier Church in September

Glen Davis Memorial Methodist Church at Dozier was the setting for the wedding of Miss Lillian Kirkland of Samnorwood and Larry Don Hall of Shamrock on Saturday, September 6.

The Rev. C. R. Hankins, pastor, performed the ceremony at three o'clock in the afternoon.

The bride is the daughter of Mr. and Mrs. Eugene Kirkland of Samnorwood.

Baskets of red and white roses decorated the altar and wedding music was presented by Miss Rita Lackey.

Given in marriage by her father, the bride wore a street-length dress of white brocade satin, styled with a matching princess jacket and three-quarter sleeves. Her elbow-length veil was attached to a coronet of pearls. She carried a bouquet of red and white roses.

After the ceremony, Mr. and Mrs. Kirkland entertained with a reception in the church fellowship hall.

The bride's table was covered with a white cloth and centered with an arrangement of blue flowers. Crystal appointments were used. Miss Lackey served the guests, assisted by Mrs. Noah Stice.

After a short wedding trip, the couple is living in Bethany, Oklahoma, where the bridegroom is employed by CIM in Oklahoma City.

The bride was a senior in Samnorwood High School, while the bridegroom was graduated from high school in Shamrock.

Louis Graham Speaks at Guild

Louis Graham, former counselor in Wellington High School was the guest speaker at the Wesleyan Service Guild Thursday evening, October 9, when the group met in the church chapel.

Mrs. R. T. Dyess was the hostess and Mrs. Barney Glenn conducted the business meeting.

Mrs. Gorman Owens was in charge of the program, which was a continuation of the Guild's study of "Christians in a New Day."

Mr. Graham revealed behavior patterns that represented inner conflicts within a personality, then he presented case studies he had observed as a student in the field of counseling.

Those attending were the Rev. and Mrs. Dyess, Mrs. Anita White, Mrs. Gorman Owens, Mrs. Donald Settle, Mrs. Jennis Holcomb, Mrs. John Forbis, Mrs. Jack Davis, Mrs. Glenn, Mrs. G. L. Jones, Mrs. Bill Reeves, Mrs. Lloyd Woodruff, Mrs. Frank Anderson, Mrs. Paul Hawkins, Mrs. Barbara Williamson, Mrs. J. F. Michael, Mr. Graham, and Mrs. Byron Duncan.

A cotton seed is 20% oil.

Decorating Trick

A tall off-size window is given subtle decorating treatment in a bedroom that combines old and new effectively. The trick: vertical blinds of white cotton against an all-white background. The blinds add linear definition while providing light and privacy control. Floral-printed cotton covers the antique brass bed.

Dodson Civic Club Has Study on Big Thicket in South Texas

The Dodson Civic Club met Thursday, October 9, in the home of Mrs. B. B. Martin, with Mrs. Louis Patterson and Mrs. Peyton Smith assisting with hostess duties.

Mrs. Martin presided at the business meeting when plans were discussed for the workshop in Canadian October 21, and reports were heard on the work accomplished at the cemetery, as well as what remains to be done.

Mrs. Herbert Redeker, Top O' Texas District chairman of the Big Thicket project, presented the program which included slides of that area. Mrs. T. E. Lennon assisted.

Several counties in Texas are covered by the Big Thicket. Mrs. Redeker brought out, and it is filled with flowers, ferns, birds, animals and reptiles. There are rivers and bayous and swamps. Historically, it

had its place in the Civil War, and it has been the hiding place for those who broke the law. Now timber and saw mills are economically profitable, and it is the home of Texas' only Indian Reservation, that of the Alabama Coushatta Indians.

A salad plate was served to Mrs. S. L. Beanland, Mrs. J. T. Bogle, Mrs. J. C. Howell, Mrs. L. S. Patterson, Mrs. Raymond Cearley, Mrs. Redeker, Mrs. Lennon, Mrs. W. S. Brewer, Mrs. H. A. Painter, Mrs. Emma Lee Pitman, Mrs. Purl Tippie, Mrs. Henry Vaughan of Wellington, and the hostesses, Mrs. Martin, Mrs. Smith and Mrs. Patterson.

Lloyd Graham of Olton visited Sunday with his mother, Mrs. Cleve Graham. He returned home by Groom, where he visited with Mr. and Mrs. Lily Cornett.

Top of Texas District President Meets With Club Over Panhandle

Representing Top of Texas District, Texas Federation of Women's Clubs, at the state board of directors meeting in Austin last week was Mrs. B. M. Sims.

As district president, she participated in the Cotton Festival parade as a guest dignitary representing the federated clubs of Hedley.

The 1919 Study Club had an all-gold car motorcade to celebrate its fiftieth anniversary. The Sodalitas Club had a prize winning float entry.

The Sims' sons, Richard and Randall, accompanied their mother.

This week, Mrs. Sims will be the speaker at a dinner hosted by the Women's Literary Club of Dalhart. For the Moore County Federated Clubs she will conduct a leadership workshop in Dumas. Those attending will be the clubs from Dumas and Sunray, including three juniorette clubs, one junior club and five general clubs.

Earlier the clubs of Pampa met for a coffee with the Twentieth Century Forum and the

Twentieth Century Club as host. Attending from here were Mrs. Sam Adams, Mrs. A. J. Fires and Mrs. Sims.

The remainder of this month, club women from Wellington are scheduled to attend events in Borger, Amarillo, Wellington, Higgins and Canadian. The latter will host the annual fall meeting of the district on October 21.

Art, Crafts of Non-Residents May Be Shown

Paintings or crafts which are the works of out of county residents may be entered in the Collingsworth County Fair for exhibit only, Mrs. Earl Hunter, chairman, has announced.

One table will be designated for these, she added.

These entries will not be eligible for awards and will not be judged, she said, adding that many local people have works that will be of interest to those who attend the Fair.

Visiting with Judge and Mrs. Zook Thomas over the week end were her brother and sister-in-law, Mr. and Mrs. Jim Bennett of Lubbock, and a niece and family, Major and Mrs. J. J. Odom and children, Lawana, Mary and Terry of Clinton Air Force Base, Clinton, Okla. The group also visited Mr. and Mrs. John Alf Thomas and Mr. and Mrs. Bill Lindsey.

FHA Sets Bake Sale Friday

The Wellington Future Homemakers of America chapter is having a bake sale Friday, Oct. 17, from 9:00 a.m. to 12:00 noon, at Parsons Drug. Mrs. P. M. Scott, homemaking teacher, is directing the girls in their projects.

Financial Facts

By Jeff Wilson

Did you know that there was once "tree" money?

History is literally overflowing with interesting stories about countless types of money. The story of "tree" money comes from the East Indies.

In the tiny kingdom of Malacca, near Singapore, the government minted tin coins. The coins were in the form of a tree. Each coin had a hole in the middle and was fastened to a center stem.

The Malaccans would carry all or part of the collection of coins around with them. When they wanted to spend a coin they just snapped one off the tree. This action was similar to breaking a grape from a bunch.

Because the money was made of tin it was easy to carry. Also, it was convenient because the "tree" money itself formed a kind of purse.

Students Cited in Samnorwood Levels Program

Students who have been cited for outstanding achievement in the levels program of the Samnorwood grade school were announced this week by Supt. Robert Dwight.

These included:
Levels one through three, Miss Rama Camp's room: Mark Wischkaemper, Russell Schaub and Lynn Tate.

Level four: Ravenda Graves and Monty Roehr.

Levels five through nine: Mrs. Velma Hiett's room: Mark Knoll, Danny Blair, Lowry Schaub, Sherri Brown, Richard Martinez, Dotty Bruton, Tammy Clark, Rex Paschall and Deann Brittain.

Levels ten through fourteen, Mrs. Jack Lowry's room: Donnie Knoll, Mary Pendergraff, Margaret Sanderson, Dianna Schaub and Mark Tarver.

Levels fifteen through sixteen A, Mrs. Judy Oren's room: Billy Bob Blair, Robert Cruz, Bobby Myers, Clifford Oldham, John Schaffer, Julie Pendergraff and Alethea Ray.

Levels sixteen B through eighteen, Mrs. J. M. Morgan's room: Eugenia Weldon, Molly Martinez, Susie Martinez, Cindy Coleman, Jayne Morgan, Debbie Roberts, Debra Roehr and Pat Segura.

FFA Initiates 21 Greenhands

The Wellington chapter of the Future Farmers of America met Oct. 13 to initiate the 21 greenhands for the coming year. The group met at the ag shop and then went to the park for a hotdog supper.

The new greenhands are Randy McKinney, Bruce Oney, Joe Peters, Mike Peterson, Dan Fires, Dana Bell, Billy Carter, Nicky Guthrie, Steve Hunter, Rex Van Meter, Cecil Parker, Kim Wauer, Jacob Green, Ed Phillely, Don Judd, Gary Cummings, Gary Wright, Alton Harlow, Barry Long, Clyde Harper and Randy Molsenbocker.

Early desert nomads wore layers of cotton to keep cool.

OFF SCREEN and on the road—well, sort of a road—Steve McQueen rides a high-powered motorcycle in Mississippi, where his latest movie is being filmed.

GI Roll Passes 27 Million

The GI roll call has passed the 27,000,000 mark.

In announcing the new total of enrollees, Jack Coker, manager of the Veterans Administration regional office in Waco said that Vietnam veterans discharged to Aug. 4, raised the ledger count to the highest peak in history.

In reviewing the veteran population, the VA manager noted that the average age of all 27 million veterans has increased to 44.3 years.

Broken down by wars, the average age of veterans on the active rolls are:
Spanish-American War (6,000

veterans) 90.3 years.

World War I (1,647,000 veterans) 74.7 years.

World War II (14,592,000 veterans) 49.7 years.

Korean Conflict (5,847,000 veterans) 40 years.

Vietnam era (3,169,000 veterans) 28.2 years.

Also on the VA rolls are 3,134,000 who served in the Armed Forces between the Korean Conflict and Vietnam. Their average age is 30.7 years.

The totals above tops 27 million since some veterans served in more than one period.

Cotton was used in Zuni and Hopi Indian ceremonies in 500 B.C.

About 50% of cotton produced is used for clothing.

Texas Indians Add New Area

Texas' only Indian Reservation, home of the Alabama and Coushatta Tribes near Livingston, Texas, has added a new interesting area to their Big Thicket Tour.

The tribal members have practiced their culture of conservation on the land held by the tribes since 1854. As a consequence, the only known virgin hardwood forest remaining in Texas can be seen on the reservation.

The reservation has more State Champion Trees (largest of a species in Texas) than any other property in Texas and possibly in the United States. The State Champion trees are Water Tupelo, Texas Honeylocust, Schumard Oak, American Hornbeam, Hercules Club, Water Hickory, White Ash, Mock-

ernut Hickory, Red Maple, American Beech, Shagbark Hickory and Long Leaf Pine.

Two of the trees, Water Tupelo and Texas Honeylocust are National Champions (largest of a species in the United States.) The Big Thicket tour, which leaves the Reservation Museum every 30 minutes from 10 a.m. to 5 p.m., is one of the most fascinating rides for people who enjoy natural beauty remaining in the United States. Naturalists from all over the world have come to the Reservation to see these trees.

The Rainbow, Whirlpool Rapids and Lewiston-Queenston are the three international bridges which connect the United States and Canada in the Niagara Falls area.

Welcome to the

This fair reflects the stability of Collingsworth county as it is based on farming and livestock raising. Somewhere in the Fair will be something to interest you . . . agriculture, livestock, the fine arts, or women's and girls work.

We especially invite you to attend the AQHA approved Quarter Horse Events at 9:00 a. m. and 1:00 p. m. Saturday. Because we live in the heart of Quarter Horse land, you will have the thrill of seeing some of the finest animals in the Southwest. And when the boys and girls put their entries through their paces, you will know the future of Quarter Horse Breeding is in good hands.

Moorman Feeds

RICHARD NALL, Dealer

Deck's DIDACTICS

—By Deskins Wells

This is the week of the Collingsworth County Fair and it is a good thing to have such community-wide events once a year for it shows the best of our products in a dramatic manner and it reflects something of our way of life at a happy time. It is a method by which agricultural communities such as ours can advertise their worth and the benefits of living in such a place. The importance of calling attention to the role of the county seat town and its surrounding area to the national welfare is greater now than ever before.

The plight of the metropolitan centers has been well known for over twenty years and Washington has given time and attention to an expensive and extensive program of rebuilding. For a time middle class people escaped the congestion, crime and corruption of the big cities by moving to the suburbs with nice homes, green lawns and some semblance of a genuine community life. Now the same troubles are moving to the suburbs. In their rapid development they are beginning to experience traffic jams, air and water pollution, extremely costly local government and school administration and the end of their ills is not in sight.

The National Observer says that "the lure of grass and the smoke of barbecue grills sent 32,000,000 Americans to the suburbs between 1950 and 1963." The Census Bureau estimates that 70,000,000 people now live in suburbs and now Washington estimates that 40 per cent of the nation's poor are tucked away in the suburbs so poverty as well as pollution arrived in these developments that once seemed so attractive.

Under such circumstances it is obvious that the county seat towns have an inherent attraction, for the community life is genuine. It is based on history and experience and the roots go deep. It is not a product of promotional development. The county seat town has its problems such as gainful jobs for the young—more means of earning a profitable living—more improvement in appearance and services and the people in most communities are working on this with some success. There is promise of more of this in the immediate future and there is a definite future for the county seat town and a brighter outlook if the opportunity is properly developed.

If every auto salvage in the nation looked as neat as Robert Owens' place they would no longer be called junk yards. He has his recovered parts neatly arranged, painted, numbered, described and ready for sale. It does not require the planting along the highway to make it attractive though that helps. It has the looks of an efficient business.

The Fair is not the only attraction in Wellington this week, for the Rockets will meet Seymour in a conference game this Friday. The Electra game went to Wellington by a big score; but the coaches say they can't afford to make that many mistakes in the first quarter against Seymour or against any of the four remaining opponents.

Frost on October 13 is as early as people can remember in the last 50 years. The first week in November is more of an average date. The damage to the cotton can't be determined; but it won't be for the top crop that was not going to mature anyway.

Tech Band
—from page one
Tech faculty since 1959 and previously was director of bands at Fresno State College, Fresno, Calif. Earlier Mr. Killion taught at the University of Nebraska, where he was instructor of trumpet and assisted with the work of the University of Nebraska bands.
From 1951 to 1955, Mr. Killion was music supervisor and director of instrumental music in the Sidney, Nebr., Public Schools.
In addition to the college bands, Mr. Killion is director of the Lubbock Municipal Band and was instrumental in its organization.

MASONIC LEADERS

Hubert Brooks, left, Worshipful Master of the Wellington Masonic Lodge, visits with Irvin Johnsey of Memphis, a state Masonic leader who was

speaker when the Wellington lodge entertained with a barbecue Monday night, October 13.

New Route

Parade Opens 2-Day Fair Friday Morning

The big and brilliant parade that rolls onto the Square at 10:00 a.m. Friday, Oct. 17, will open the 12th annual Collingsworth County Fair, one of the largest ever held.

Police Chief Donald Nunnelley, parade chairman, said a change of routing will give everyone a better opportunity to see and enjoy this colorful event.

Leading the parade will be a car carrying the American Flag and honor guard, headed by Riley Dunson.

Directly behind this will come the floats, beautifully decorated, which are now being constructed in great secrecy by the sponsors.

Immediately behind will be the decorated bicycles. This year for the first time the bicycles become an organized part of the parade, with emphasis on decorations, Mr. Nunnelley said.

Commercial and industrial entries will come next, and then there will be the horses—dozens of them, for anyone who wants to bring a horse and ride in the parade will be welcome.

That Skyrocket Band will present a concert of music at the Northwest corner of the courthouse lawn immediately after the parade.

That colorful unit will not march this year, as they will play for a football game Friday night and have an Interscholastic League contest coming up a few days later.

Parade Route

The parade will form along West Avenue south of Tenth Street. It will travel north along West Avenue to the Southwest corner of the square, then along the south, east, north and west sides, arriving again at the southwest corner. It will go off the square on 9th Street, turn south on Am-

Quarterhorse

—from page one
reining and roping.

Trophies will go to first place winners and ribbons to second through sixth places. The time of the various performances will be announced at the show.

This also is approved by the American Quarter Horse Association.

Grade Show

The grade show will follow immediately after the registered show.

There will be divisions for children 12 years and under and for 13 through 18 years in both pole bending and barrel racing.

It is emphasized that neither of the youth horse shows is limited to boys and girls from Collingsworth County, but anyone meeting the requirements is eligible to participate.

HEAD OLD SETTLERS

Riley Dunson is president and Mrs. Rob Isbell, secretary of the Old Settlers Reunion which will be held Friday, October 17, in Ellison Park.

arillo by the community building and Greenbelt Electric Co. operative, and disband.

The judges' stand will be set up in the middle parking area at the southwest corner of the square, and the parade will pass it coming onto and leaving the square.

"We hope to have the parade paced slower than in the past, and we will try to maintain a set distance between entries so the decorated floats can be enjoyed.

First, second and third place ribbons will be awarded in four divisions: commercial floats (those entered by business houses); adult organizations, youth organizations, and bicycles.

Division chairmen have been named. Mrs. Jeff Wilson is in charge of club floats; Mrs. Duggie Jameson, girls entries; Mrs. B. M. Sims, boys entries; and Mrs. Farris Wood, the bicycles. Goat Hopper will help Mr. Nunnelley coordinate the parade.

Old Settlers Meet Friday at Ellison Park

Collingsworth County old settlers will meet Friday, Oct. 17 in Ellison Park, Riley Dunson, chairman, has announced.

Registration will begin about 11:30 a.m., and those attending will eat barbecue at noon if they wish to, he said.

There is no registration fee, but each person will pay for his own barbecue lunch at \$1.75 per plate.
All those who have lived in the county 25 years or more, along with their families, are eligible to attend, Mr. Dunson said.

No formal program is planned, but the entire time will be devoted to visiting and reminiscing.

First, second, third and fourth place ribbons will be awarded to the oldest persons attending, the persons having most grandchildren, the persons traveling farthest to attend the reunion, and the persons having lived in the county longest.

Rockets

—from page one
ure they can be recovered by this week.

"We felt our boys played good ball last week with the exception of the first quarter and after that they settled down and did a fine job," Coach Amnnett continued.

The cotton gin was invented in 1793.

HORSE SHOW HEAD

Richard Nall is chairman of the AQHA Approved Quarter Horse Show, the approved Youth Activity Horse Show, and the grade Horse Show held in conjunction with the Collingsworth County Fair. All three will be Saturday, Oct. 18.

Vaccine for Free Clinic Is Received

Vaccine has been received for the free immunization clinic to be set up during the Collingsworth County Fair, according to Mrs. Bob Sessions, who heads the project.

The clinic, for both children and adults, will be in the Community Building, along with other Fair divisions, both Friday and Saturday, Oct. 17 and 18.

There is no charge for the vaccine, Mrs. Sessions emphasized. The clinic is sponsored jointly by the Collingsworth County Community Action Center and the Texas State Department of Health.

Anti-toxins which can be administered are DPT (diphtheria, whooping cough and tetanus) for children, DT (diphtheria-tetanus for adults), and smallpox.

An attempt is being made to get measles vaccine for this clinic.

Mrs. Sessions said that the clinic will be under the direction of Darrell W. Morris, of the immunization division of the State Department of Health.

The vaccines will be administered by two nurses, Mrs. Clemmie Davenport county school nurse, and Mrs. Ernest Harwell, x-ray technician at St. Joseph's Hospital. Dr. Carter Holcomb, county health officer, will be available if needed.

Thomas Jesse

—from page one
late B. F. and Mollie Harrison Jesse. He lived in Eldorado, Okla., before moving to Wellington.

He was married to Miss Delma Boykin on Oct. 26, 1935.

Services in memory of Mr. Jesse were conducted at the Assembly of God at 3:30 p.m. Saturday, with the Rev. James R. Jackson, pastor, and the Rev. A. D. Stewart of Jayton, a former pastor, officiating. Burial was in Fairview Cemetery under the direction of the Kelso Funeral Home.

Pallbearers were M. D. Phipps, Leo Reeves, C. O. Wilkerson, Merle Parker, Dwayne Poteet and Raymond Neeley. Honorary pallbearers were employees of the Texas Highway Department.

Survivors are his wife, Mrs. Delma Jesse of Wellington; two sons and two daughters: Larry B. Jesse and Kenneth L. Jesse of Amarillo; Mrs. William L. Bouldin of Abilene; and Joy Lynette Jesse of Wellington.

Also surviving are a sister and three brothers: Mrs. B. B. Alexander and Mathew Jesse of Fairfield, Calif.; Luther Jesse and Otis Jesse of Madera, Calif. There are four grandchildren.

George Shadid Appointed Water Representative of Local C of C

George Shadid was approved as water representative of the Collingsworth Chamber of Commerce by the board of directors at their regular meeting Oct. 13. He takes the place of the late Dan Henard representing the chamber of commerce.

Ralph Owens, president, also appointed a medical committee which consists of Jimmie Kelso, Judge Zook Thomas, Mayor John Coleman, Sandy Parsons and Jimmie Cochran.

In other business Ralph Owens was authorized to negotiate with the attorneys for the Fort Worth and Denver Railway for an easement along the right of way the railroad is planning to abandon north of Wellington if permission is

granted by the Interstate Commerce Commission.

Mr. Shadid's appointment has no connection with the Water Control and Improvement District which is a legal body in itself. However, his committee will work in cooperation with this body or any government agencies in working for the conservation and development of water resources on any streams in the Wellington area.

Robert Tabor

—from page one
Randall, Don Dennis, T. E. Lennon and Wilbur Johnson.

Born at McCloud, Okla., Nov. 1, 1902, Mr. Tabor was the son of Mrs. Mary F. Tabor and the late John W. Tabor. He had lived in Dodson 55 years.

He was active in community life and belonged to the Dodson Men's Club.

Survivors include his wife, Mrs. Agnes Tabor of Dodson; one daughter, Mrs. Peggy Wilson of Oklahoma City; two sisters and three brothers, Mrs. Steve Biggerstaff, Herschel Tabor and Raymond Tabor of Dodson, Mrs. Curtis Easter of Denver City and Emmett Tabor of Bovina. There are two grandchildren.

Frank Langford

—from page one
Oct. 16 in First Baptist Church. The Rev. Leroy Gaston, pastor, will officiate and burial will be in Fairview Cemetery by Kelso Funeral Home.

Pallbearers will be Dr. J. M. Orr, George Scott, Bill Langford, Wayne Parker, Wayne Cudd and Hubert Bowen.

Mr. Langford was born July 31, 1904, in Hawkins County, Tenn., the son of Mrs. Mary Ann Langford and the late John W. Langford.

He had been a member of the Baptist Church since early in life.

Survivors are his wife, Mrs. Alice Langford of Wellington; one son, John F. Langford of Amarillo; one step-son, R. W. Warren of Busby, Mont.; and two daughters, Mrs. Peggy Stobart of Richardson and Mrs. Geraldine Haggart of Plano; his mother, Mrs. J. W. Langford of Hurst; a brother, Walter Langford of Ft. Worth; and two sisters, Mrs. John Watson of Arlington and Mrs. Guy Watkins of Hurst. There are 10 grandchildren.

Lone Star

—from page one
cation.

"Obviously our wish to keep gas rates low must be balanced with the economic pressures we face," Harold Gattis, manager of the Wellington distribution office, said. "These pressures can no longer be offset in any other way."

Approval of the company's application would increase the average monthly residential gas bill by approximately \$1.34. Lone Star serves approximately 1375 customers in Wellington.

HIGHER EDUCATION

A classified advertisement in St. Louis recently offered the following description of a large estate for sale: "Fifty acres, 10 bedrooms, 5 baths, servant quarters, 2 kitchens, large parking facilities, large indoor recreational area with indoor heated swimming pool, lighted tennis courts and a baseball diamond."

The ad told interested buyers to telephone Leroy Amen. Mr. Amen is principal of the Linderbergh High School which fits, in most particulars, the "large estate" offered for sale. Amen said he had no plans to sell the school and blamed a prankster for the ad.

Cotton is extremely strong.

Girls Division to Be Shown in Legion Hall

The homemaking talent of the county's girls will be on display throughout the Collingsworth County Fair, Friday and Saturday, Oct. 17 and 18.

The girls division will be in the American Legion Hall, diagonally across the street from the community building, and plans were announced this week by Mrs. Dee Coleman, chairman.

Her assistants are Mrs. Bill Tatum, Mrs. Leo Popwell, Miss Judy Barber, Mrs. A. M. Saunders, Mrs. Leta Hill, Mrs. Jesse Peters and Mrs. P. M. Scott.

There will be four divisions, set up according to ages: Junior I, 9 to 12 years; Junior II, 12 to 14 years; Senior I, 14 to 16 years; and Senior II, 16 to 18 years. Girls below 9 years will exhibit in Junior I class.

Mrs. Coleman has given these rules: Each girl must do her own work between the fair last year and this year, and it must not have been entered previously. Girls must tag their entries telling which class and division it is in.

Canned products must be in standard pint or quart jars, jelly in standard jelly jars, pint

or half pint, and all must be cooled before entering.

Foods must be saran wrapped on paper plates or heavy cardboard. Articles not claimed by closing time will be disposed of; jellies and pickles will be opened for judging.

Baked products must be at the building by 9:00 a.m. Friday, all other entries by 6:00 p.m. Thursday. Everything will remain until 9:00 p.m. Saturday.

Ribbons will be awarded and the champion will be the girl having the greatest number of points in each age group. The classes will include:

Clothing
Clothing: (one entry each) jacket dress or suit, children's clothing, slim jim suit, blouse and skirt, grannie dress, school dress, dressy dress, sports wear, shorts suit, house coat, formal, gown, apron, pajamas.

General exhibits: pillow cases, one set; set of two cup towels; set of 4, 6 or 8 place mats; luncheon cloth and four napkins; embroidered articles; knitted articles; crocheted articles.

Baked Products
Candy: (6 each) marshmallow fudge, divinity, peanut brittle, standard fudge, and date loaf.

Cakes: German chocolate, uniced angel food, devil's food, fancy decorated, upside down cake, uniced pound cake, iced layer cake, iced cup cakes.

Cookies (6 each): bar, molded or shaped, drop, refrigerator, rolled or cookie cutter.

Pies: fruit, cream and pecan.

Quick breads (6 each): biscuits, breakfast muffins, cornbread sticks or muffins.

Yeast breads: dinner rolls, batter rolls, fancy bread such as tea ring, bubble loaf, sweet rolls and plain loafbread.

Canning
Vegetables: green beans, peas, corn, tomatoes and tomato juice.

Preserves: watermelon, peach tomato.

Pickles: sweet cucumber, sour cucumber, peaches and

Quail-Bobwhite 1969-70 Playing Schedule Listed

The playing schedule of the Quail Quails and Bobwhites was announced this week by Coach Bill Wilson.

The teams will open their schedule with a home game Friday, Oct. 24, having Flomot as the opponent.

District 4-B play will begin Jan. 13, with four teams making up the district: Quail, Samnorwood, Lakeview and Hedley. Each team will play the other teams twice on a home and home basis.

Schedule
Fri. Oct. 24, Flomot at Quail.
Tues. Oct. 28, Mobeetie there.
Fri. Oct. 31, Flomot there.
Tues. Nov. 4, Briscoe at Quail.
Fri. Nov. 7, Quitaque at Quail.
Tues. Nov. 11, Quitaque there, boys, 8:30 p.m.

Fri. Nov. 14, Briscoe there.
Tues. Nov. 18, Mobeetie at Quail.

Tues. Nov. 25, Estelline there.
Fri. Nov. 28, Memphis there.
Tues. Dec. 2, Estelline at Quail.

Thurs., Fri., Sat., Dec. 4, 5 and 6, Wheeler Tournament.

Tues. Dec. 9, Shamrock there.
Thurs., Fri., Sat., Dec. 11, 12 and 13, Samnorwood Tournament.

Tues. Dec. 16, Shamrock at Quail.
Thurs., Fri., Sat., Dec. 18, 19 and 20, Hedley Tournament.

Tues. Dec. 30, Memphis at Quail.
Fri. Jan. 2, Arnett at Quail.

District Games
Tues. Jan. 13, Lakeview there.
Fri. Jan. 16, Norwood at Quail.
Fri. Jan. 23, Hedley at Quail.
Fri. Jan. 30, Lakeview at Quail.

Tues. Feb. 3, Norwood at Norwood.
Fri. Feb. 6, Hedley there.

Tues. Feb. 10, Arnett there.
Thurs., Fri., Sat., Feb. 12, 13 and 14, District Tournament at Clarendon.

beets.
Jam: apricot, peach and grape.

Fruits: Apricots, berries, cherries and peaches.

Jellies: apple, berry and plum.

Relish: chow-chow, cucumber, pepper and beet.

HEAD STOCK SHOW

These four are in charge of the various departments of the Youth Livestock Show, held in conjunction with the Collingsworth County Fair. It will be Saturday, October 18. At top are County Agent Don Reeves, left and Don Lacy Wellington ag instructor. Below are Jimmy Brown, left, and Doyle Messer, ag teachers at Samnorwood and Quail.

Boyd's Attend Motley Reunion

Mr. and Mrs. B. J. Boyd of Lutie attended the annual homecoming at Northfield, Motley County, on Saturday, Oct. 4. They formerly lived in that community and Mr. Boyd grew up there. Approximately 250 former residents attended, coming from as far as California, and Mr. and Mrs. Boyd said they saw lots of old timers.

At Annual Barbecue

Farm Bureau Approves 1965 Farm Program, Elects New Officers

Members of the Collingsworth County Farm Bureau in

their annual meeting Saturday, Oct. 11, moved counter to recommendations of the national organization and approved a resolution which would recommend to the Texas Farm Bureau a continuation of the Agriculture Act of 1965.

The meeting opened with the traditional evening barbecue. Most of the business meeting, with Buddy Yarbrough, the outgoing president in charge, was given over to a discussion of the resolutions, then closed with the election of officers.

Ray Null of Wellington is the new president; M. W. Paschall of Lutie, first vice president; Virgil Patterson of Loco, second vice president; and N. E. Childers of Quail, secretary.

Directors are: from the north part of the county: Jim Ray, Gus Gooch, Harold Hill, Doug Coleman and Dee Coleman;

West part of the county: Dennis Lacy, Wayne Martin, Lonnie Neeley, L. A. Davis, and Travis McGuire.

South part of the county: Frank Campbell, Farris Wood, C. A. Wilbur, Danny Davis and S. A. Motesbocker.

East part of the county: John Brim, John Coffee, Bob Barton, Carthel Lewis and Leslie Moore.

Mr. Yarbrough became a director at large.

All officers and directors were elected unanimously.

Members voted on three recommendations for a government farm program in the major commodities, cotton, grain sorghum and wheat. In each instance, the members approved a continuation of the 1965 Farm Program.

They rejected a recommendation that would include higher price supports but no diversion payments. The third proposal, also rejected included a num-

ber of sections relating to the CCC, price supports and diversion payments on a sliding scale through 1974, retain marketing quotas; the national export market acreage and a re-training program with small farmers who might wish to give up farming.

On the state level, the Collingsworth FB members recommended a regional Brand Law to include the counties in Texas Farm Bureau Districts 1 and 2.

They approved a continuation of the present peanut program, discontinuance of the International Wheat Agreement; and reinstatement of the Federal Crop Insurance in the Rolling Plains area.

Two resolutions introduced from the floor were approved. The first recommended that Farm Bureau cooperate with other farm organizations in achieving common goals, and the other resolution calls for a discontinuance of the Texas Farm Bureau Livestock Program until further study can be made of it.

These resolutions will be presented at the state convention next month.

Norwood Class Has Car Wash

Samnorwood sophomore girls held a car wash in Shamrock Saturday, Oct. 11, from 1 to 4 p.m.

Girls who helped were Ruby Kirkland, Kay Snead, Anna Oldham, Wanell Blair, Sandra Gowin and Gladys Bryant.

The sponsor is Mrs. Billie Edmunson and class mothers are Mrs. Noah Stice, Mrs. W. R. Breeding and Mrs. John Stag-

PARADE CHAIRMAN

Police Chief Donald Nunnelly is chairman of the parade which will open the Collingsworth County Fair at 10 a.m. Friday, Oct. 17.

Welcome to the Fair! It Shows the Riches of Collingsworth

Welcome Neighbors! Come see the big display of products . . . the fine crops and livestock, that is the wealth of Collingsworth.

We take special pride in this year's Fair. Many of the fat calves and pigs grew that way on Purina feed. Many of the grains displayed sprouted from DeKalb seed. We are proud of our part in improving Collingsworth farming.

If you want more information about a livestock feeding program, or a crop program that has been proved, we invite you to visit us. We're ready to help you.

Singley Mill & Elevator

Phone 447-2034

Come to the Collingsworth

It's the showcase of the many things we have to offer . . . crops and livestock . . . cooking and sewing . . . art and the crafts . . . a youth horse show and a registered horse show . . . the fun of a week-long carnival besides.

We welcome, too, the old settlers as they reminisce . . . and the fiddlers of championship calibre who will come from over the southwest . . .

Farm Bureau has one purpose . . . to work for the sturdy, self-reliant farm people like those in Collingsworth. While you are in town for the Fair, visit the Farm Bureau office and see what the biggest farm organization in the nation has to offer you individually.

Collingsworth County Farm Bureau

Dee Burba, Mgr.

Rockets Win Over Electra 32 to 6

By JACK FORD

The Wellington Skyrockets returned to their winning ways by downing a good Electra Tiger football team 32 to 6 at Powell Field Friday night, Oct. 10.

For most of the first half the Rockets just couldn't seem to get going. They fumbled the ball away four times and had one pass intercepted to keep them on the defense most of the first half.

The Rockets, led by Charles Mauldin, Bobby Saied, Nicky Watts, Larry Robinson, Ricky Nall, Danny Watts, Teddy McLain, Mark Killian, James Jones, Mike Davis, Ted Harris, Reece Bowen, Danny West, Dennis Holland and Lester Robinson, did a great job after getting over their first-half jitters.

The defense came through at the crucial moments, stopping four Tiger drives inside the Rocket 25-yard line, and keeping the Rockets in the ball game. The Tigers have a better team than the score indicates; the running of the Tiger halfback, Ronnie Gaffney was a real threat to the Rockets. However, the Rocket defense contained him in the second half.

The Rockets won the toss and received to start the game. But fumbles and a pass interception made it a seesaw battle between the teams until near the end of the second

Thomas With DPS at Houston

Mr. and Mrs. Billy Thomas of Houston spent part of the week end with his mother, Mrs. Beatrice Thomas.

Mr. Thomas completed the Texas Department of Public Safety training school in Austin in late summer and was assigned to Houston to work out of the Webster office. He patrols the area around the NASA installations.

Mrs. Thomas is employed as bookkeeper by an air conditioning firm.

The couple went from here to Dalhart to visit her parents.

quarter. With just two minutes and 47 seconds left in the first half the Rockets suddenly came to life and started to move. A pass interception by Danny Watts put the ball in play on the Tiger 43-yard line. Some great runs by N. Watts and Larry Robinson moved the ball to the Tiger 4, and from that point Danny West outran the Tiger defense and went into the end zone for the first touchdown. Larry Robinson ran for the 2 extra points. Rockets 8, Tigers 0.

After receiving the kickoff the Tigers drove to the Rocket 35. Then their quarterback dropped back to pass and a fine rush by the Rocket defense forced him to pass before he was set and Nicky Watts intercepted for the Rockets. Behind some fine blocking, he went 70 yards for the second Rocket touchdown. Again Larry Robinson ran over for 2 extra points. Rockets 16, Tigers 0 at the half.

The Rockets started right off early in the third quarter to show they wanted to win this one. Stopping the Tigers, the Rockets put the ball in play on their own 25 yard line. C. Mauldin, Larry Robinson, N. Watts, and D. West drove to the Tiger 23. Then Danny West, again following his blocker went all the way for a touchdown. For the third time Larry Robinson went in for the 2 extra points. Rockets 24, Tigers 0.

The Tigers were again forced to punt after being unable to move the ball against the Rocket defense.

The Rockets put the ball in play on their own 9-yard line. C. Mauldin and Larry Robinson moved the ball to the Rocket 14. On the next play, Danny West broke loose after a great block by Lester Robinson and ran 86 yards for the last Rocket touchdown. C. Mauldin passed to Lester Robinson for 2 extra points. Rockets 32, Tigers 0.

The Tigers finally got a good drive going and went 59 yards for their only touchdown. The try for extra point failed. Rockets 32, Tigers 6.

The rest of the game was a game of position and neither team threatened. Final score,

MAKE LIKE THIS. Recording star Herb Alpert shows a happy youngster how to blow his own horn. The kids toured Alpert's studio in Hollywood recently.

Rockets 32, Tigers 6.

This Friday night Oct. 17, the Rockets meet the Seymour Panthers here at Powell Field.

This should be another tough game for the Rockets. Both teams are about evenly matched and will have to play their best. The Rockets must have this win to stay in the running in the district. So this should be a good game to watch for all you football fans. See you Friday night.

Two Scouting Events Set

The Comanche District Boy Scout committee meeting will be held at the Greenbelt Electric Co-operative, Inc., directors' room Tuesday, Oct. 21 at 7:30 p.m.

Institutional representatives and unit leaders also are to attend.

On Nov. 4, the Boy Scout leaders' roundtable will be held at the Fellowship Hall of First Christian Church. This also will begin at 7:30 p.m.

EARLY BALLAST TANKS

The forerunner of the modern ballast tank used to submerge submarines was first proposed by an unknown English inventor in 1747. His proposal was to fill goatskin bags with water and attach them to the hull of the vessel.

Ministers Set Up Committees for Coming Year

Ministerial Alliance committee chairmen for the coming year were named when members of that organization met Monday, Oct. 6, for their breakfast meeting.

The Rev. Lloyd Futch of Trinity United Methodist is the chairman in charge of services at the monthly meetings of the National Guard; the Rev. Le-

roy Gaston of First Baptist Church is chairman of the Wellington High School chapel services once each month; the Rev. Philip Daniels of the Church of the Nazarene, services at Thomas Nursing Home each week, and the Rev. James Jackson of the Assembly of God is the alliance representative to the Chamber of Commerce.

Marvin Garrison, minister of First Christian Church and president of the Ministerial Alliance, announced that the Welcome to Wellington Churches sign has been completed on Highway 83 South, and he invited area people to notice it as they pass by.

THE WELLINGTON (TEXAS) LEADER
Thursday, October 16, 1969

Other officers for the current year are the Rev. J. E. Young, of Fundamental Baptist Church, vice president; and the Rev. R. T. Dyess of First United Methodist Church, secretary-treasurer.

Member churches are First United Methodist, First Baptist, First Christian, Faith Baptist, Fundamental Baptist, Trinity United Methodist, Church of the Nazarene, Quail Baptist and the Assembly of God.

Cotton can be made flame-retardant.

Collingsworth's Showcase That's Our Big County Fair

Come see the produce of Collingsworth . . lush crops and vegetables, women's and girls' exhibits, arts and music and all the other events that make a county fair the most fun in the world.

It's a good year to have a wonderful fair! It will lift our spirits and brighten our eyes and prove what we've always known in our hearts: Collingsworth is the best place in the world to live.

Greenbelt Electric Co-operative joins many others in congratulating each one who had a part in making the Collingsworth County Free Fair a success.

Greenbelt Electric Co-operative

George Henry, Manager

1970 CHEVROLET PICKUP

A 1.6-inch wider tread and 15-inch bias belted ply tires are among many improvements in the 1970 Chevrolet half-ton pickup. Side marker lights and reflectors are standard, and all engines are equipped with a new type exhaust emission control sys-

tem. New options include sliding rear window, 400-cu.-in. V8, air-inflatable rear shock absorbers with coil springs to maintain a level ride with varying loads, and a tilt steering wheel with automatic 4-speed trans-

Chevrolet Trucks Now Showing Here

For the first time since it entered the commercial vehicle market in 1918, Chevrolet will become a full line truck marketer when it introduces its 1970 models in mid-October.

Addition of a new series of heavy diesel line-haul tractors will give the division coverage of the market ranging from light dual purpose vehicles to prime movers as large as any now commonly used in over-the-road service.

Entry into the extra heavy-duty field with the new top-of-the-line diesels will bring changes in the division's heavy-duty truck marketing program. For the 1970 model year, selected Chevrolet dealers meeting specified qualifications for physical facilities, parts stocks, and trained service and sales personnel will be eligible to sell the new extra heavy line.

Beginning in October, 1970, Chevrolet intends to market its heavy-duty trucks under a separate selling agreement which will be offered to qualified Chevrolet dealers in areas

where adequate potential exists. Dealers awarded such agreements also will continue to sell all other Chevrolet products.

The new large diesel tractors will be offered in 22 models with both two- and four-cycle engines with nine different power ratings up to 335 hp. Three basic cab types are offered—long and short conventional in steel and an aluminum tilt.

Of special interest is the ultra-modern interior of the aluminum tilt cab with its "pilot cabin" design, combining highly efficient placement of controls with attractive interior styling and driver comfort. The wraparound instrument panel puts all control within easy reach of hand and eye, permitting monitoring with minimum eye movement. Adding to driver comfort is an adjustable steering column which tilts to several positions.

In general the balance of the 1970 Chevrolet truck line is continued with several significant improvements and refinements.

Exhaust emission control equipment now is standard on all gasoline engines, with fully aluminum exhaust systems for longer life. In addition, all engines used in half-ton models include a new transmission controlled spark system which effects a significant reduction in hydrocarbon and carbon monoxide emissions.

To meet the special regulations of the State of California an optional fuel evaporative emission control system is offered for half-ton models sold there. Fuel tank vapor is trapped and piped to an activated-carbon canister in the engine compartment where it is stored when the vehicle is inactive and burned later when the engine is running. Vapor entering the canister when the engine is operating is constantly purged and burned.

Other improvements in the half-ton conventional line include a 1.6 inch wider rear tread, combination side marker lights and reflectors, and bias belted ply tires for greater tread life and resistance to road hazards. New options in the conventional light line include AM-FM radio, air-inflatable shock absorbers on models with coil springs for level ride with varying loads, stereo

Camp Fire Group Elects

The Mah Kah Wee Camp Fire Girls elected officers in a meeting Wednesday, Oct. 8.

Kloette Camp is president; Susan Kimbra, vice president; Leigh Ann Jeffrez, secretary; Debra Wood, treasurer; Jackie Seitz, reporter, and Tammie Lovell, sergeant-at-arms.

The girls then chose Mah Kah Wee as their name. This is an Indian term meaning Earth Maiden.

tape player, adjustable tilt steering wheel when automatic or four-speed transmission is ordered, sliding rear window glass, auxiliary fuel tank on some models, weather-sealed and lockable tool storage compartment for longer wheelbase Fleetside models, and a larger 400 cu. in. V8 of 310 hp.

Lower ACP Funds Due for Temporary Work

The Federal government's share of the cost of temporary conservation practices is being set at 30% under the Agricultural Conservation Program, (ACP), according to Tom Birchfield, chairman of the County Agricultural Stabilization and Conservation (ASC) committee which administers the program locally.

The total allocation of ACP funds for 1970 is \$61,129, the same as for 1969.

"Even stronger emphasis than before is being placed on enduring conservation practices. This is in conformity with the expressed desire of the Congress that ACP funds should be used for conservation prac-

tics with the most lasting value for agriculture and for the general public," Chairman Birchfield said.

Considered as temporary conservation measures are such practices as putting in seasonal or annual vegetative cover, green manure crops for vegetative cover, deep plowing and applying cotton burs for wind erosion control.

The Federal cost-share for these practices has been 50% but will be 30% hereafter except for low income farmers who may be eligible for cost-sharing at an 80% rate. However, farmers who already have had practices approved at the 50% rate will receive their cost-shares at that rate, the ASC chairman said.

LIBRARY ITEMS

The National Library of Medicine, in Bethesda, Md., contains more than 1,200,000 items in all fields of medical science.

Irish, Bobcats Meet in Crucial Game of Week

Two of the three undefeated 2-AA teams meet Friday, Oct. 17, when Shamrock and Childress play at Childress, and this will be closely watched by Rocket fans, for Wellington has yet to play both these teams.

Besides Wellington's victory over Electra 32-6 Friday night, that evening also saw Iowa Park win over Seymour 53 to 7; Shamrock down Quanah 39 to 6; and Childress outclass Memphis 59 to 6.

In other games this week, Iowa Park Hawks will meet

Electra Tigers at Electra; the Memphis Cyclone will be host to Quanah Indians; and Seymour Panthers meet the Skyrockets at Powell Field.

Chevy goes lively! New '70 pickup.

The first thing a Chevy pickup has to move is you. And we never forget it. It shows in the way our '70s look. In their smooth ride.

And all the different ways they come: Fleetside, Stepside and Longhorn camper.

Chevy goes anywhere! New Blazer.

Call it Chevrolet's convertible-station-wagon-car-truck. Or Blazer for short. It's the runabout with the largest V8's, and widest track.

Order it with removable hardtop. Two- or four-wheel drive for telling trails to get lost.

Wellington State Bank

Notes from Your County Home Demonstration Agent

By Mrs. Leta Hill

Bulbs for Winter Cheer
Choice flower bulbs add cheer and color to the indoor landscape during the winter months. Bulbs that are good for indoor force blooming include crocus, grape hyacinth, daffodils, tulips, and hyacinths.

Pot bulbs as soon as they are available. Prepare the soil by mixing equal part of soil, peat and sand and place in a one inch layer of gravel in the bottom of the pot.

Firm the soil around the bulbs, leaving the tips of large bulbs showing above the surface. Barely cover and space them about 1/2 inch apart in the pot.

Newly potted bulbs should be stored at a temperature of 40 to 50 degrees F. Success with forcing bulbs depends upon their developing roots during the cold storage period.

Keep the soil moist but not saturated. Six to ten weeks are required for the bulbs to make good root growth and to be ready for forcing.

After the cold storage treatment, place the bulbs in a cool semi-lighted location. Gradually move to a sunny location for good growth and color. Do not allow the bulbs to dry out at any time during the forcing period.

Most bulbs will be in flower by January. By purchasing pre-cooled or pre-treated bulbs, it is possible to have large blooms by Christmas.

Unique New Furniture
An upholstered folding rocker, game table for two, a gossip chair. These are from a group of special use and special name pieces of furniture available on today's market.

The stationary game table for two is only 20 inches deep with inlaid chess and checker board and pull-out side trays

for drinks and cigarettes. It could be a drop-leaf end commode that is specially useful for small living rooms for extra surface and storage space.

The "gossip" chair, called the Caquetuse (from the French caquetier, meaning "to gossip") has wide arms and narrow back and could now be termed a conversation piece.

Then there's the book and magazine bin you can carry from room to room.

A compact cellarette that unfolds to twice its size is another special piece, but with very popular appeal. Open, it provides double its length in bar-serving surface and rolls on casters to any room where needed.

Look for these new items at your favorite furniture store.

Home Economics Classes —for Boys

Home economics used to be a "girls only" registration line. Now high schools are experimenting with all boy "chefs' classes." Short on credits, the course is long on preparing young men to handle day to day routines usually assumed by their moms.

Designed to make boys self-sufficient when they go off to college or away-from-home jobs such as a home economics class

zeros in on the how-to of laundry, ironing, mending and cooking. Special projects and challenges allow the boys to exercise creativity and add interest to the course. But the basics of sorting, pretreating, washing and drying of everything from blue jeans to cashmere sweaters get the boys off to a good start in the art of bachelorhood.

If your school does not yet offer such a course and your boy is college- or job-bound, it is a good idea to acquaint him

1954 Study Club Observes Fifteenth Anniversary With Luncheon Thurs.

A luncheon in the home of Mrs. Cal Hurst, observing the club's fifteenth anniversary, opened the year for 1954 Study Club members on Thursday, October 10. Serving with Mrs. Hurst as hostesses were Mrs. Sam McGill, Mrs. R. L. Templeton and Mrs. Wayne Cudd.

The club flower, the pink rose, set the decorative theme, from the invitations to paper-weight favors which also served as place cards at tables for four. A focal point of interest was a display of pictures taken at various club events throughout the years.

Past presidents of the club, who were special guests at the event, were recognized by Mrs. McGill, Mrs. E. W. Clement,

with the fundamentals of washing his own clothes. In the long run, it will save your freshman the embarrassment of wearing pink T-shirts due to the bleeding of red socks in the laundry. In the chaos of preparation for school or job, this is a genuine reality often overlooked.

"Keep It Clean" Briefs

To keep flour sifter sanitary, soak it in cold water, wash clean in warm suds, and rinse under hot running water.

Old nylon stockings, laundered in hot suds, make soft washable "innards" for stuffed dolls, animals and TV pillows.

Here's still another way to keep small bathers entertained during their daily scrub-down: drop a handful of colorful corks into the bathtub. Children love to watch them bob around among the soap suds.

president, spoke briefly on the theme for her administration, "Knowledge in Today's World" after which she conducted a short business meeting.

Those attending were Mrs. Harold Caldwell, Mrs. E. W. Clement, Mrs. Lynn Courtney, Mrs. Fred Cox, Jr., Mrs. A. J. Fires, Mrs. Leon Hartman, Mrs. Bill Hatch, Mrs. Earl Patterson, Mrs. Virgil Patterson, Mrs. Don Reeves, Mrs. Paul Spillman, Mrs. Glen Taylor, Mrs. R. L. Templeton, Mrs. Wayne Cudd, Mrs. Sam McGill, Mrs. James Richardson, and a guest, Mrs. Ray Peeples.

Birthday Dinner Honors Two

Sunday, October 12, Mrs. J. L. Hays, Myra and Larlu were hostesses for the annual birthday dinner, honoring Mrs. E. C. Clement, whose birthday is October 21, and Miss Merle Hays of Wichita Falls, whose birthday is October 23.

Others attending were Miss Inez Clement and Miss Mabel Clement; Mr. and Mrs. D. R. Biter, Vernon and Jimmy, of Wichita Falls; and Mr. and Mrs. Joe Biter of Wichita Falls.

Miss Lena King of Wichita Falls visited briefly in the afternoon.

REQUIREMENT

Delta Kappa Gamma Society Holds Regional Meet in Pampa

The theme of the Delta Kappa Gamma Society's regional meeting in Pampa Saturday, October 11, at the Country Club was "We Dare Not Sleep—in different—nor hide within the night. Somehow we must seek out a new and greater height for tomorrow's splendid story is ours now to write."

Beta Delta was the host chapter.

The president's conference was at 8:30 a.m. and was followed by registration and coffee.

After the roll call of chapters by the area director, Mrs. Mildred Sullivan, Alpha State president, Miss Frances White gave a report from the Southwest Regional Conference.

The program was divided in three parts: the past, "I caught the fire from those who went before" by Gamma Xi chapter; the present, "I caught their fire and carried it, only a little way beyond" by Gamma Theta chapter; and the future, "But there are those who

wait for it I know, Those who will carry on to victory" by Gamma Kappa chapter.

The morning program was followed by the luncheon presided over by Mrs. Hazel Poole. The Alpha State Recording Secretary, Mrs. Velma Weaver of Dumas, introduced the speaker, Miss Frances White, the state president, who used "A Little Way Beyond" for her talk.

Attending from Gamma Kappa chapter were Zady Belle Walker, Esta McElrath, Margaret McElrath, Anna May Foster, Della Icenhower, Betty White, Edna Smith, Myrtle Hill and Maudie Coffee.

Attend DKG Dinner Friday

Miss Maudie Coffee and Mrs. Charley Hill, president and vice president of Gamma Kappa chapter of Delta Kappa Gamma were in Amarillo Friday night, October 10 to attend a dinner honoring the Alpha State president, Miss Frances White.

Others honored were the presidents and vice presidents of the local chapters of Delta Kappa Gamma.

Terry cloth is an extra absorbent cotton with warp threads woven into loops.

Will It Happen Again Next Spring?

Buy "Wet Field" Insurance

PLOWDOWN NITROMITE THIS FALL

If the big rains come again next Spring, you're safe — with nitrogen already in the ground to give young plants a strong start. And you get the job done when the product, labor, and equipment are readily available. No last-minute rush.

Even if you graze stalks this fall, there'll still be lots of crop residue left in the field. NITROMITE plowdown will aid decomposition of this residue, releasing valuable nutrients for new plants in the Spring.

The clincher is at harvest: if ever there was a good time, this will be the year to give your crop a great big shot in the yield with NITROMITE, Shamrock's fine brand of anhydrous ammonia — 82% nitrogen for bigger, high-protein yields.

Fight back. Fight for your share of the big profits next year. PLOWDOWN NITROMITE THIS FALL.

Come to the Fair!

We think everyone should. You will see the best of those crops that are the backbone of Collingsworth economy, and we invite you especially to study the displays of cotton. They are a preview of this year's harvest.

Your gin is part of that crop . . . the part that in the end determines how much each bale brings . . . the line between profit and loss.

The Farmers Co-op Gin works at all times to see that every possible advantage comes to its customers. This may be possible by installing the latest machinery in the gin plant to process your crop better or by discussing with you cotton varieties best suited to Collingsworth County.

Farmers Co-op Gin

W. E. MARCHANT, Mgr.

The Wealth of Collingsworth Can Be Measured at the Fair

Take your first exciting look at the 1969 harvest of Collingsworth . . . all at one time, under one roof. You'll see the whole of it, wonderful field crops and fruits and vegetables . . . the work of women's skilled hands . . . the arts and crafts.

A step away there'll be some of the finest livestock the county has grown and some of the finest youngsters showing them . . . a fast paced horse show and a slow, slow terrapin race . . . and some of the county's best fiddling.

City State Bank extends congratulations to the men and women who have produced this wonderful Fair, a really big event that everyone in Collingsworth County can enjoy.

County Has Two Rural Accidents in September

The Texas Highway Patrol investigated two accidents on rural highways in Collingsworth County during the month of September, according to Sgt. Jack Therwanger, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed, no persons injured, and an estimated property damage of \$1,475.

The rural accident summary for this county during the first nine months of 1969 shows a total of 23 accidents, resulting in one person killed, four persons injured, and an estimated property damage of \$17,515.

The September accident report in other counties include:

Childress: 3 accidents, 1 killed, 1 injured, \$9,875 property damage.

Cottle: 7 accidents, 1 death, 4 injured, \$2,715 property damage.

Donley: 4 accidents, none killed, 4 injured, \$6,776 property damage.

Gray: 15 accidents, none killed, 4 injured, \$7,910 property damage.

Hall: 3 accidents, none killed or injured, \$1,585 property damage.

Hemphill: 8 accidents, none killed, 2 injured, \$14,880 property damage.

Wheeler: 10 accidents, none killed, 5 injured, \$5,485 property damage.

For the entire 31 county District 5-B, there were 255 accidents, 8 killed, 93 injured, and \$275,528 property damage.

Quail Students Go Ice Skating

Twenty-two students from all grades of Quail High School had an evening of ice skating at the rink in Amarillo Civic Center Thursday evening, Oct. 9.

The group ate sack lunches on the way up, then after the skating, had dinner at an Amarillo restaurant.

Parents and sponsors attending were Mrs. Woodrow Wilson, Billy Wilson, John Masten, Supt. and Mrs. E. P. Haynie, Mrs. Eunice Ratliff, Mr. and Mrs. Loyd Langley, Mr. and Mrs. J. L. Souder and Mrs. Delbert White.

Cotton is the only major fiber that increases in strength when wet.

BUILDING CONFIDENCE, a counselor at the Vacation Camp for the Blind rows a boat while two guests fish in the five-acre private lake at Spring Valley, N.Y.

Winter Coming — and Mice and Rats Not Far Behind

With cold weather approaching, Texans may have some unwelcome guests—rats and mice—in their homes and business establishments this winter unless precautions are taken, advises the Texas State Department of Health.

In addition to causing economic loss, these guests also are a serious menace to the health of their benefactors. A costly, common enemy, the rat contaminates everything it touches and destroys upwards of a billion dollars worth of food and property each year in this country. Another loss is caused by rats gnawing insulation from electric wires with a resultant fire. It is estimated that five to 25 percent of fires of unknown origin on farms are caused by rats.

In Texas, the major illness from rats is seen in endemic (murine) typhus fever which is spread by fleas. Other rodent-borne diseases include rat-bite fever, leptospirosis, trichinosis and rickettsialpox (a disease resembling chickenpox.)

Rat bites are far more prevalent than is thought and provide another health hazard. Available records indicate that bites occur at the rate of approximately 10 per 100,000 persons. In Texas this would put

the number each year at more than 1,000. Infants and defenseless adults (invalids or unconscious persons) are particularly subject to attack.

Many people never see their stealthy guests which prefer to stay hidden during the day and forage for food at night. The rat prefers to nest in a secure place near its food source—usually in burrows, between double walls, between floors and in piles of rubbish. The rat's presence is betrayed by his droppings, the visual damage of merchandise or food-stuffs, or burrows, runways or tracks. Where there is one rat, you can be assured there are others.

Presence of rats indicate there is food, water and harborage for them. Eliminate these and you can eliminate the rats. Rubbish, tall grass, and other debris should be removed from your premises. And garbage and other food materials should be stored in rat-proof containers.

Rats may be controlled by poisoning or trapping. Trapping may be used with good results, and the dead animal can be disposed of neatly. Sometimes poisoned animals die in an accessible place.

St. Joseph's Hospital Notes

Mrs. Barney Jones has been a medical patient since Oct. 7. Will Ward, medical, has been hospitalized since Oct. 7.

S. S. Coleman, medical, was transferred from a Lubbock hospital where he underwent surgery. He entered St. Joseph's on Oct. 8.

Bob Jones has been a medical patient since Oct. 10.

Joe Pena entered the hospital Oct. 10 as a medical patient and remains under treatment.

Mrs. S. L. Loter of Childress, medical, Oct. 10 to 13. Timothy Lewis, 2-year-old son of Mr. and Mrs. Reggie Lewis of Hollis, medical, Oct. 11 and 12.

Mrs. George Patterson was admitted as a medical patient Oct. 12.

Mrs. James R. Bowen, surgi-

cal, was admitted Oct. 12.

Aaron Barton, 3-year-old son of Mr. and Mrs. John Barton, medical, was admitted Oct. 12. Mrs. Gordon Peters, medical, was admitted Oct. 12.

James Lance Ford, son of Mr. and Mrs. Jack Ford, medical, was admitted Oct. 13.

Kimberly Goforth, 11-year-old daughter of Mr. and Mrs. Bob Goforth, surgical, was admitted Oct. 13.

Linda Williams, 17-year-old daughter of Mr. and Mrs. Billy

THE WELLINGTON (TEXAS) LEADER Thursday, October 16, 1969

Williams, medical, was admitted Oct. 13.

Patients admitted earlier and dismissed since Oct. 6:

Connie Langford, daughter of Mr. and Mrs. Jimmy Langford, Oct. 6.

Mrs. L. A. Hall, Oct. 7. Mrs. T. C. Clement, Oct. 10. Mrs. Jack Goree, Oct. 10.

Palo Cummings, Oct. 11. Leroy Brinkley, Oct. 11. Mrs. James R. Ross, Oct. 13.

Our Fair Will Be Big and Colorful, and Need Our Support

Fair Week is already under way, and the 12th annual Collingsworth County Fair stages its two-day run Friday and Saturday, October 17 and 18. It should be both entertaining and educational, and because it is a month and a half later than our fairs in the past, it will be different in some ways.

The events that have always pleased us will be there, and some that have been absent for several years will be back. There is some new and original thinking this year, and it is probably that more people have worked—together to produce it than for any of our other fine fairs.

The quality of many of our exhibits will be the best we have ever had. It reflects the determined effort on the part of some of the committees to upgrade their departments, and it also reflects the interest of our people in the fair.

This 1969 Fair truly reflects the strength of the county in its agricultural and livestock, in its homes, its fine arts, and in the preservations of our traditions.

But there is one part which must be present in every Fair if it is to be successful—and that is people. This is the only place our products are exhibited that we can say is all our own. Anywhere else we share the spotlight. One of the ways we can express our belief in Collingsworth County and its future is to attend this Fair and take part in its events.

Other Editors Say . . .

Non-Farming

If you are a non-farmer and making enough money that you can afford to make the down payments, there is a way to buy a farm without it costing you any of your own money. At least that's what one prominent farm authority said recently in making an attack on tax-loss farming by non-farm people and corporations. He explained it this way. Make the down payment, then put everything on it you can to build up its production, being sure you show a loss, even though your capital gains are increasing.

If you're making enough money in your non-farm business to pay a high income tax percentage, you can get credit on your income report for your farm losses, greatly reduce your income tax payments, and a few such years, if you're a smart operator, you'll have the farm free. At least it will have been paid for in taxpayers money instead of your own cash.

How about that?
—Monroe County Appeal, Shelbina, Mo.

Federal Service

Someone fascinated with statistics has figured out that there are 190 million Americans and to serve each 1,000 of us there are 1.2 doctors, 1.1 lawyers and judges, four gas station operators, four telephone operators and 13 federal civilian employees.

Obviously we are getting a lot of service or something, from the federal government.
—Orland (Fla.) Sentinel

SWEETIE PIE

"Oh, boy! Mom's back home on the range!"

"Sorry Sir, Your Credit Is No Good."

AUSTIN—More than 100 "fraternal" organizations are being requested by Secretary of State Martin Dies, Jr., to swear they are in fact fraternal organizations and not just "private clubs".

He says applications are coming in from "fraternities" that evidently are "private clubs" and if they are approved it will make a mockery of the five cent tax per drink requirement set by the Legislature on private clubs.

Texas Law provides that fraternal organizations are exempt from franchise taxes.

Among the "fraternal organizations" presently being asked to confirm their status are the Benevolence Order of the Impala of Texas, Club L'Amour Fraternal Association, Inc., the Fraternal Order of Moon Maidens, the Fraternal Order of Dart Players and the Fraternal Order for the Preservation and Resurrection of Burlesque.

If an organization refuses to answer the questionnaire within 30 days, it faces dissolution. Answering the questions falsely means possible perjury charges.

Welfare Benefits

According to Welfare Commissioner Burton Hackney, 509 Texas families may be affected by a San Antonio Federal Court ruling requiring the State Department of Public Welfare to pay retroactive welfare benefits not paid since March under the now defunct one-year residency requirement.

Hackney said that if the department had to pay off all the back benefits, it would average \$75 a recipient per month for that six months period. And, if all applicants on the list were qualified, this would exceed \$250,000. However, he stressed that some of the applicants would be disqualified for other reasons. He said no appeal of the decision was being planned.

Also Hackney has asked the Texas Medical Association to help his department settle questions of "misuse" or "over-utilization" of Medicaid services and benefits.

Used Car Warning

Texas automobile buyers have been warned against purchasing so-called "bargain" autos now being offered for sale in South and East Texas.

H. C. Pittman, executive vice president of the Texas Automobile Dealers Association says many of these cars were "severely damaged by salt water submergence during the frightful ravages of Hurricane Camille in Mississippi and neighboring states" in August.

"This same sort of fraud on the car-buying public occurs following almost every hurricane in the Gulf Coast area," he pointed out, urging used car buyers to check the bill of sale to determine the origin of the vehicles.

Attorney General Rules

An employee of a county or hospital district does not have to be a resident of the county,

game over its facilities is not engaged in a forbidden lottery.

—Changes in an individual holding of a wine and beer "on premise" license must be reflected on the license or permit, showing name and photograph.

Courts Speak

A Supreme Court hearing has been set for Nov. 26 on Mobil Oil Corporation's suit to get back \$386,893 in gas production taxes paid under protest since 1966.

Same court has held that Wilson Radio Dispatch, with offices in McAllen, Brownsville, Harlingen and Rincon Camp, owes the state more than \$10,000 in back taxes from its car-telephone service.

A decision by the Corpus Christi board of adjustment to allow radio station KCCT to build a transmitter in a resi-

CROSSROADS REPORT

Former Federal Communications Commissar says the price of running for President is getting so high that hardly anybody can afford it any longer and this limits our choice when picking a head man.

He suggests a law to make TV and radio networks sell their prime time to candidates for half price so that poorer people can afford to run for office.

My semi-poor neighbor says government is getting so high-priced that he can't hardly afford it, either. So he is in favor of a law that Washington has got to start doing its thing for half price.
D. E. SCOTT.

dental area was upheld by the high court.

Workmen's Comp to Counties

Tony Koriath, member of the Industrial Accident Board says counties which do not have workmen's compensation insurance may face a "serious problem."

Noting that county employees went under workmen's comp coverage on Sept. 1, Koriath said that uninsured counties face open-end liability in lawsuits arising from the death or injury of their personnel.

Most major counties, he said, have not yet acquired insurance coverage and have no "common law defenses."

Breakfast in School

Texas Education Agency says school breakfast programs in Texas public schools are expected to pass the 350 mark in 1969-1970, doubling the 172 total set during the last academic year.

TEA also announced that the State Board of Education has allocated \$10,400,000 in vocational-technical funds to Texas' public junior colleges for the present school year. Funds were provided by the Legislature.

Republicans Active

Promising themselves at least 35 more state representatives, four more state senators, three more congressmen and a second United States Senator, Texas Republicans are setting their election targets on areas where the minorities comprise a large

portion of the population.

They outlined plans to start now, reaching for the Negro and Mexican-American voters, instead of waiting until election time 1970.

Republicans aim specifically at the 15 state senators who made the majority when the food tax bill was passed by the Senate.

Republican District Committeeman Winston Winkle of Big Spring, who heads the party's Legislative Committee says they plan to use the recent "184-day Donneybrook" (the three legislative sessions) and the tax increases, as additional ammunition.

Texas Federation of Republican Women announced that Mrs. Spiro T. Agnew will be in Austin on Oct. 31 to present the second annual "Tops 'N' Texas" awards for community service by women.

Brucellosis

Texas Animal Health Commission says only eight Texas counties have not begun brucellosis-eradication programs, and all but 66 have been classified as modified-certified areas.

Federal regulations went into effect on Aug. 1 restricting the interstate movement of most cattle from areas not modified-certified.

Short Snorts

A school land lease sale on Nov. 4 may show the adverse effect of a threatened 27 1/2% oil depletion allowance reduction, according to Land Commissioner Jerry Sadler.

Sen. Criss Cole of Houston who will be Governor-for-a-Day on Jan. 10, plans on spotlighting rehabilitation of the handicapped.

Gov. Smith has asked the office of Economic Opportunity to remove VISTA (Volunteers for Service to America) workers from Harrison and Panola counties after county officials

FOOTBALL QUEEN AND ATTENDANTS

Linda Williams, center, was crowned 1969 Skyrocket Football Queen at the close of the pep rally Friday, October 10. Her attendants were Carey Lewis, left, and Betsy Trapp. The three are

among this year's cheer leaders. The identity of the queen and her attendants was not revealed until the crown was placed on Linda's head.

Yea Rockets! We're With You All The Way

Women's Department Major Part of Fair

The world of Collingsworth women will be featured in this year's Collingsworth County Fair. In exhibits which will be in Bura Handley Community Center, Fair goers will find baked products, canned and preserved fruits and vegetables, clothing, textile furnishings, crochet and knitting.

Mrs. David Peters of Wellington, is overall chairman. She has announced that all entries must be in place by 9:00 a.m. Friday, Oct. 17 and remain until 9:00 p.m. Saturday, Oct. 18.

Any woman 18 years of age and over who is not enrolled in school may enter, and all articles must have been made or canned during the year September 1968 to October 1969. First, second and third place ribbons will be awarded in each division.

Baked Products

Mrs. Jess Motesbocker is chairman of the baked products division and Mrs. Frank Anderson and Mrs. Joe Terry are assistants. The divisions include:

Bread: white loaf, biscuits (6), yeast rolls (6), cornbread muffins (6), and fancy yeast products.

Uniced cakes: angel, pound and chiffon.

Iced cakes: German chocolate, devil's food, spice, white or yellow.

Cookies (6 of each): drop, rolled, bar or fancy.

Pies: one crust or two crust.

Candies: fudge, divinity, date loaf and peanut brittle.

Food Preservation

Mrs. Haskell Manuel is chairman of the food preservation division and Miss Inez Clement is assistant.

All fruit jars must be clean and standard quarts or pints. Standard pints may be used for jams or jellies.

Canned fruits: apricots, cherries, plums, pears, peaches and berries.

Canned vegetables: blackeyed peas, squash, beets, corn, okra, tomatoes, soup mixtures, green beans, English peas, butter beans or other vegetables.

Preserves: pear, cherry, apricot, pineapple, grape, watermelon, apple, peach, citron and strawberry.

Canned juices: tomato or grape.

Pickles: cucumber, bread and butter, peach, beet, and relish.

Soup: hot or cold.

Jellies: grape, peach, pineapple, apple, strawberry, apricot, pear, cherry and plum.

Textile Furnishings

Mrs. Cecil Masten is chairman and Mrs. W. E. Colson is assistant.

Rugs: hooked, woven or braid.

Scarves and dresser set: hemstitched, cut work or embroidery.

Hand towels: huck, linen or crash.

Tea towels: embroidery or huck weaving.

Pillowcases: embroidery, hemstitched or cut work.

Quilts: appliqued or pieced.

Doilies: cut work or embroidery.

Tablecloths: cut work, embroidery, and place mats and napkins.

Crochet and Knitting

Mrs. Zook Thomas, chairman of the crochet and knitting division, said all work must have been made in 1969 and all exhibits must have the name of the class and owner pinned to it.

Crochet: tablecloths: white, cream or ecru; bedspreads: white, cream or ecru; runners: white, cream or ecru; doilies: white, solid color, mixed white and color, in sizes up to 40 inches; also

Chair set; pillow cases; divan sets; accessories; pot holders; hats and caps; dresses; tatting of any kind; sweaters and doll clothes.

Knitting: sweaters, dresses, stoles, hats and caps, slippers and doll clothes.

Clothing

Mrs. Malcolm Horton is chairman of the clothing division and Mrs. L. W. Wells is her assistant.

Divisions include: Dresses: house, street or dressy.

UP, UP but not quite away. Barefooted young sailor aboard the single-master "Clearwater" climbs the rigging during New York City's Hudson River Sloop Festival.

Tailored, lined, suits or coats.

Aprons: work, fancy, pot holders.

Boys clothing: shirts, pants, coat or jacket.

Western wear of any kind.

Blouses: cotton or other material.

Skirts: wool, cotton or blends.

Infants clothing: dresses, diaper shirts and quilts.

Girls clothes: blouses, skirts, dresses, coat or jacket and slip.

Cross stitch of any kind.

Accessories: purses, hats and shoes.

Made Annual Event

150 at Homecoming of Assembly of God

Approximately 150 attended the first Homecoming of the Assembly of God held Saturday night and Sunday, Oct. 4 and 5, and plans were made to make this an annual event.

Guests of special distinction to the congregation were the Rev. and Mrs. M. L. Fauss of Tyler. The couple met here 42 years ago and were married two years later. Mrs. Fauss was a helper when the Wellington Church was organized by Mrs. Ethel Musick.

Guest speakers included two former pastors. The Rev. A. D. Stewart, of Jayton, who was pastor from 1961 to 1963 and again in 1964 and 1965, preach-

ed at the Sunday morning service, while the Rev. Austin Jolliff of Phoenix, Ariz., was the guest speaker at the evening service. He was pastor here from 1948 to 1953 and 1958 and 1959.

The evening service was conducted by the Rev. Raymond Vaughan of Lovington, N.M., a former member of the congregation and a minister who went out from this church. He is a brother of Coy Vaughan.

Speakers in the youth series were two other former members who went into the ministry from the Wellington Church, the Rev. Max Phipps of Gruver, and the Rev. Leo Rivest

of Stanton.

There was a small group present for the homecoming who were members in 1927 when the church was organized. They were Mrs. W. N. Miller, Mr. and Mrs. Lewis Tingle, Mrs. Ruby Havron and Mr. and Mrs. Clyde Martin of Wellington; Mrs. Lula Doyle of Wichita Falls; and Mrs. Royce Campbell of Amarillo.

The Saturday night service was highlighted to gospel singing and fellowship, said the Rev. James Jackson, pastor.

Homecomings, to be held each year, will be on the first Saturday and Sunday of October, he added.

Out of town guests included a large group from Amarillo: Mr. and Mrs. Royce Campbell, Mr. and Mrs. Luther Edwards, Weldon Edwards, Mrs. Keith Jesse, Mr. and Mrs. J. L. Branch, Mrs. Loretta Ewing and children, Mr. and Mrs. Eurus Phipps, Jim and Jan, Mr. and Mrs. James Branch, Mrs.

Johnnie Arthur, Mrs. Laudine Johnson and Tonda; Mr. and Mrs. R. W. Sherrill and children, Mr. and Mrs. Thomas Blades and Glen, Mrs. Mary Craven, and Mr. and Mrs. Ralph Hicks.

Others were Mrs. Carrie Edwards of Shamrock; Sgt. and Mrs. W. L. Bouldin and son of Abilene; Mrs. Harriett McClendon of Commerce, Wayne Whitten of Denison; Mr. and Mrs. K. V. Willard and children of San Antonio;

Mrs. Nathan Hamilton of Panhandle; Mrs. Lula Doyle of Wichita Falls; Mr. and Mrs. Roy Hyman of Shamrock; Mrs. Thadys Hedger of Pampa; Mr. and Mrs. A. E. Burkhalter of Childress;

Mrs. W. A. Poteet of Vernon; also the Rev. and Mrs. Phipps of Gruver, the Rev. and Mrs. Leo Rivest and children of

Stanton; the Rev. H. E. Barnard of Hollis, and the Rev. Lemy Pike of Childress.

Ersatz Ham On Market

COLLEGE STATION. — It may look like ham, it may taste like ham, but it may be soybeans.

Food technologists recently introduced the ersatz ham along with chicken and corned beef made of protein derived primarily from soy beans. Pork and bacon substitutes are now made of soy beans and lamb is being developed.

The meat substitutes are tailor made, explains Mrs. Clyatt, Extension consumer marketing specialist, so they can excel nutritionally over the meats they simulate.

Fiddlers Contest Slated on Saturday

The third annual Fiddlers Contest, which has become one of the big events of the Collingsworth County Fair, will be held Saturday afternoon, Oct. 18, beginning about 1:00 p.m.

Plans were announced by Jim Lewis, chairman.

This year the contest will be held downtown, along with the other major Fair events, and fiddlers will send out their lively tunes from beneath the big tree on the northeast corner of the courthouse yard.

FIDDLERS CHAIRMAN
Jim Lewis is in charge of the Fiddlers Contest which will be held on the court house square Saturday afternoon, October 18.

"Some of the best fiddlers in the country are due to compete, including last year's winner, Dick Barrett of Pottsville," said Mr. Lewis. He has had acceptances from others throughout north and west Texas, Oklahoma and New Mexico.

There will be one big, open division for fiddlers, with \$60 in prize money going to the winner. Other prizes will be second place, \$35; third, \$20; fourth, \$15; fifth, \$10; and sixth and seventh, \$5 each.

There will be a contest for guitarists, with first place winner receiving \$25; second, \$15; and third, \$10.

The Fiddlers Contest has come to its place of popularity with the Fair wholly through the work of Mr. and Mrs. Lewis, and its popularity has astonished all of those working with the Fair.

Some of the fiddlers due to be here are Gene Sewell of Hobart, Okla., who won third place in the big fiddling contest in Duncan, Okla., recently, and who was in Wellington this week end to hear about the contest; his son, Ace Sewell of Blanchard, Okla.; Shorty Loter of Wheeler; Mr. Kaufman from Albuquerque, N.M.; Bartow Ribu of Olton, formerly of Dozier; Bill King of Dozier; and many others.

This year the Chamber of Commerce is sponsoring the fiddling contest, which up to this time has been independent of the Fair, but held along with it.

J. P. Sikes Elected Fire Dept. Chief

Members of the Wellington Volunteer Fire Department elected J. P. Sikes Chief for a full term at the annual election of officers Monday evening, Oct. 13. He was completing an unexpired term as chief and prior to that he was first assistant chief.

Other officers elected for the coming year are Buster Hughs, first assistant chief; David Peters, second assistant chief; Don Settle, president; Hurschel Pruitt, secretary; Carroll Reynolds, hose captain No. 1; and Bill Wilkerson, hose captain No. 2; the Rev. R. T. Dyess, chaplain; Dr. Carter Holcomb, doctor; and Greg Daves, mascot.

Mr. Sikes has been a fireman 19 years; 17 in Wellington and two in Shamrock. He has now held every office in the Wellington department. Mr. Sikes also has attended the Firemen's and Fire Marshals' Training School at Texas A&M University.

He succeeds J. B. Oney, who was chief almost three years. Immediately after the election, Mr. Sikes outlined the drills for the coming year.

He pointed out that members of the Wellington Department must drill four hours each month, and the reports of all drills are sent to the State Fire Marshal's office. Both men and equipment must meet state-approved standards.

The Wellington Department is a volunteer department, and the men do not receive one cent pay for the work they do, said Chief Sikes.

He disclosed another fact of which few people are aware: at no time are all members of the Fire Department out of town at the same time. They always check among themselves.

There are 22 members of the department, and two vacancies exist.

These men are Chief Sikes, Mr. Hughs, Mr. Peters, Mr. Settle, Mr. Pruitt, Mr. Reynolds, Mr. Wilkerson, Wayne Cudd, Hiram Cudd, Joe Christoph, Johnny Brown, Dwayne Poteet, Billy Williams, Jerry Lowe, Leon Hartman, Alton Wilkins, Loyd Vines, John Green, Mike Gilmore, Dick Pendleton, Carl Daves and Glen Norman.

Group Attend Homemakers Day

Ten women representing the Home Demonstration Clubs of the county attended the annual Rural Homemakers Day, sponsored by the Women's Division of the Amarillo Chamber of Commerce on Thursday, October 9.

Attending from here were Mrs. L. W. Wells, Mrs. Henry Langford, Mrs. A. M. Saunders, Mrs. Cecil Masten, Mrs. Joe Terry, Mrs. W. R. Breeding, Mrs. J. L. Alexander, Mrs. Charlie Bradley, Mrs. Pat Bradley and Mrs. Creed Hill, home demonstration agent.

The luncheon was given in the Civic Center. The guest speaker was Mrs. Max W. White of Lubbock, this year's Mrs. Texas.

In her discussion, "Can a Homemaker Become Mrs. America," Mrs. White told of the state contest held this year in El Paso, the national Mrs. America contest in Minneapolis, Minn., and how she prepared for each.

This included making four garments, meal preparation, planning interior decoration, as well as other things that are part of homemaking, she told the more than 400 women attending.

The theme of this year's Rural Homemakers Day was "Money Grows Here".

The Collingsworth women and others attending saw exhibits of home appliances, and of special interest to the local group was that of the American Dairy Association, featuring cheeses from throughout the world, fruits and breads that harmonize with the cheeses.

Smoked Picnic, Ham Different

Easily confused because of their similarity in both shape and flavor, smoked picnic and smoked ham are different cuts of meat, Mrs. Gwendolyn Clyatt, Extension consumer marketing specialist, explains.

Meat cut from the shoulder section is called picnic; meat from the leg is ham. Although both meats are baked, smoked picnic should be cooked slightly longer than ham for best flavor and tenderness.

ART CHAIRMAN
Mrs. Earl Hunter is chairman of the arts and crafts division, a major section of the Collingsworth County Free Fair.

City Church Sets Homecoming November 30th

Fundamental Baptist Church, Wellington, has set Sunday, Nov. 30 as Homecoming Day.

"We would like to have every member, former member, and former pastor to attend," said the Rev. J. E. Young, pastor. "The main purpose is to burn the note on the church, as the indebtedness has been paid in full.

"We want each one who has had a part in this to be present."

Those helping with plans are contacting as many former pastors as possible, hoping they can come.

The schedule for the Homecoming Day will be set up later. The building was begun by the Rev. J. R. Shoff, and much of the work toward its completion was done by the Rev. John Henry Ward, now of Carlsbad, N.M.

Garden Club Sets Tag Day At Fair Friday

The Wellington Garden Club will hold Tag Day Friday, Oct. 17, Mrs. Joe Thompson, chairman, has announced.

All donations from county and city residents will go into the Garden Club's Cemetery Improvement Fund. This is a continuing project of the organization.

"Our aim is to beautify the cemeteries as much as possible," said Mrs. Thompson. "We have already put new entrances, also a circle in Memorial Gardens, and we have set out shrubs.

"We now have this new North Fairview Cemetery to work on, so that means our work has just begun."

Catching Doves Is a Blast

GOLDTHWAITE. — Two Texas Parks and Wildlife Department game management officers were lent a helping hand recently while they were trap-doves.

The two men set up their drop net and placed the blasting caps used to part the trigger ropes which drop the net, when a raging thunderstorm moved in.

The men sought shelter from the storm some distance from the net. Suddenly, there was a brilliant flash of lightning followed by a blast-like report. Lightning had detonated the dynamite caps, and the net had dropped.

After the storm passed, the men went to set up the net again and found three doves enmeshed.

The birds were banded and released.

Girls Take Rabies Shots

The two small daughters of Mr. and Mrs. Dan Guthrie began the series of rabies shots Tuesday, Oct. 13, after the cat that bit them was found to be rabid.

They are Kay, who was seven years old Oct. 9, and Robbie, who is five.

Mrs. Guthrie said the mother cat which bit the girls had been around the farm for some time but was not a house cat.

She became ill Monday, Oct. 6, and the same morning bit Robbie on one finger. That afternoon she bit Kay on the arm.

The cat died Wednesday and her head was sent to the laboratories of the State Department of Health, Austin, to be tested for rabies.

The report of a positive finding was received Monday, Oct. 13.

Each of the girls will receive one dose of rabies vaccine per day until the series of 14 shots is completed, their mother said.

Mrs. Belew Hosts Class

The Faithful Workers Sunday School class of the First Baptist Church met in the home of Mrs. Herman Belew Monday night, October 13, for a salad supper and business meeting.

Mrs. Belew, the president, presided. The yearbooks for the year were discussed and final

plans made for their construction.

A salad supper was served to Mrs. Roland Bryan, the teacher, Mrs. Bill Harbin, assistant teacher and these members: Mrs. Melvin Seale, Mrs. Harold Keller, Mrs. Milburn Derbyberry and Mrs. Woodrow Wood.

One cotton bale provides the fiber for 250 sheets or 650 shirts.

Tim Jones Has Poem in National Beta Magazine

A poem, "Books," by Tim Jones, 12-year-old son of Mr. and Mrs. Hezze Jones, was published in the Oct. 1 issue of the National Beta Club Journal, Junior High Edition.

Tim's 3-verse poem speaks of practical things, and of the things a book can teach... how to hunt and fish, how to farm and grow things and sail a boat... "how to cut and how to mow and how to milk a goat." He concludes by saying that a book can tell many things to the person who will take the time to sit down and rest and open this key.

Tim is in the eighth grade of Wellington Junior High School and a member of the Junior Beta Club. His sports are football, basketball and track.

Tim Jones
His favorite subject is arithmetic. Just now, he hopes to become a lawyer.

Cancer Silent, But Early Detection May Mean Cure

Cancer often is spoken of as a "silent disease" because of the way it develops in many cases without producing any noticeable symptoms. And this silence can be deadly.

Pain, which is most often thought of as accompanying diseases, generally isn't present with cancer until it is far advanced and has passed the "silent" stage, reports the Texas State Department of Health.

Usually cancer can be treated satisfactorily if detected in the early stages. The difficulty in cancer control lies in early detection of the disease. This is the reason regular — at least yearly — physical examinations are so important.

Only a physician can tell if cancer is present. Any suspicious symptoms should be examined by the family physician. But often, by the time symptoms of cancer show up, it is too late for cure. Treatment of advanced cancer is difficult.

All physicians' offices should be cancer detection centers. The family doctor is the front line against cancer. And for a physical checkup, whether cancer is suspected or not, the

personal physician is the logical person to see. If cancer is suspected, the family doctor may refer his patient to a specialist, if necessary.

Cancer of the uterus, or womb, is the third most deadly form of cancer in women. Yet, it can be detected in the very early stages by a simple test—the Pap smear—which can be done painlessly and quickly in a doctor's office. Early detection can lead to a 100 percent cure. Last year at Dallas and San Antonio cervical cancer detection projects, supported by the State Health Department, 13,914 tests from around the state were screened, with 38 reported as positive.

The thorough physical examination should include inspection of the skin surface followed by examination of the various organs such as the heart, lungs, stomach, intestines, rectum, reproductive organs, and breasts.
