## Hail Suppression Program Slated

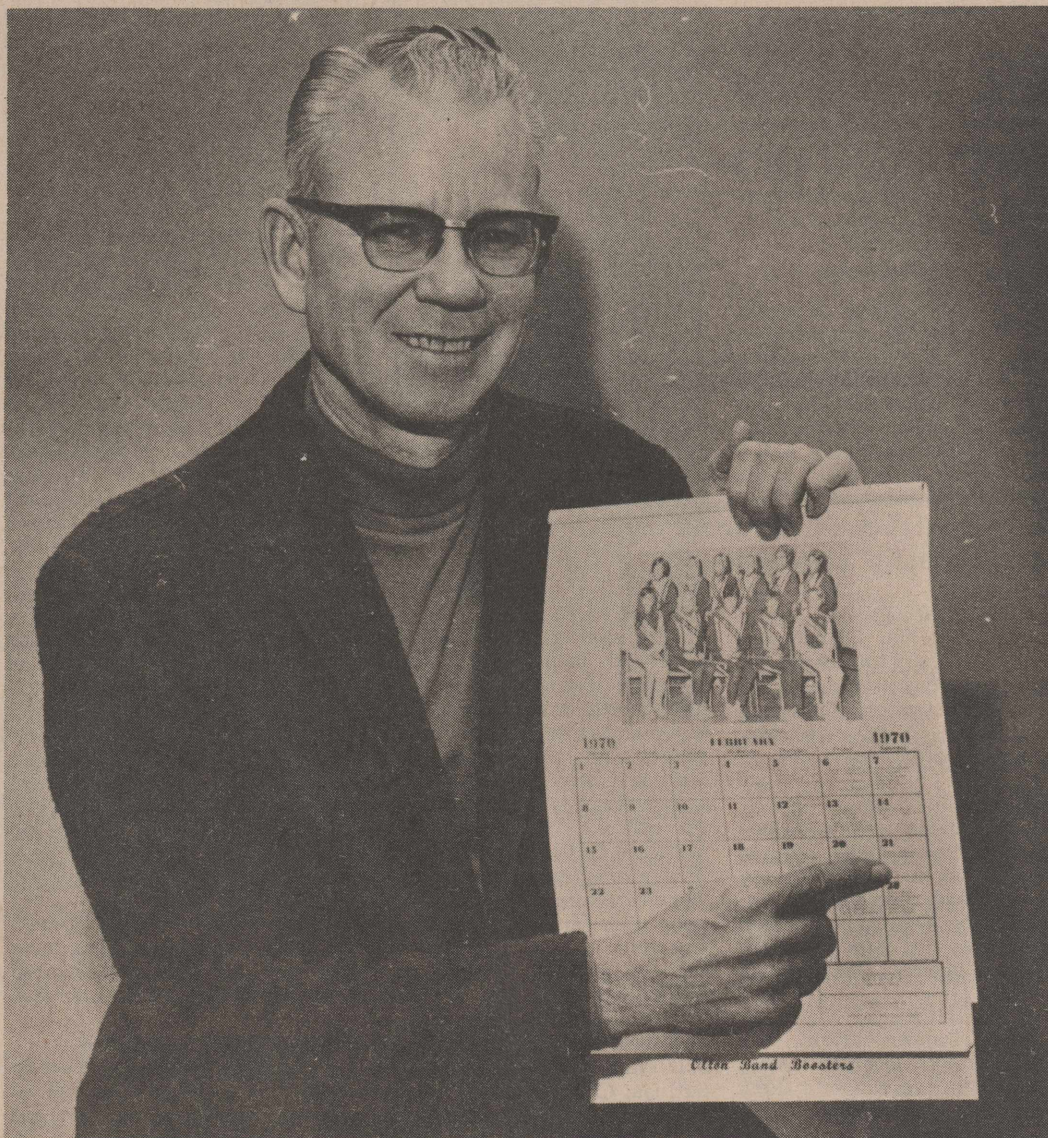

Lamb County farmers and businessmen are invited to a meeting Tuesday, Feb. 24 at 7:30 p. m. in the District Court Room in Littlefield to inform farmers and businessmen of the potential benefits of a hail suppression program.

Foundation for the program was laid Jan. 29 in Plainview with the organization of the Plains Weather Association. Support of the program will help advance knowledge of weather control for today and the future.

A pilot program, to test results and give a basis for future development in this area, needs the help of every farmer and businessman. Support of the program will directly affect the amount and length of protection to be received.

A similar program has been in operation for two years in South Africa and has resulted in a 70 percent reduction in hail damage with no loss of rainfall.

Everyone is urged to attend and support this program.

"MARK IT ON YOUR CALENDAR" ---Olton Mayor Parley Myers reminds everyone of the community tribute, an Appreciation Dinner, honoring retiring Postmaster I. B. "Doc" Holt. The special program and banquet is set for 7:30 p. m. Saturday in the school cafeteria.

# Projected Yields Arouse Farmers

Lamb County farmers, hard-hit by Old Man Weather have received another blow. The latest wallop was dealt by the U. S. Department of Agriculture in the form of a cut in their projected yields.

Cotton farmers in 15 counties, 10 of them on the High Plains, are the victims of the decision made Feb. 10 by the State ASCS Committee.

Counties involved include Bailey, Briscoe, Cochran, Crosby, Floyd, Gaines, Hockley, Lamb, Lubbock and Terry. Others are Kent, Runtels, San Patricio, Tom Green and Wilbarger.

Only 150 farms of the 2,130 in Lamb County will not be

affected by the ruling. Those are exempt because their 1969 yields were up.

Those farmers who were hardest hit by the hail and early freeze are the ones who are getting their yields cut.

USDA's Agricultural Stabilization and Conservation Service last November gave farmers official notice of their projected yields for cotton - the number of pounds on which they would receive price support

payments in 1970 at the rate of 16.8 cents per pound.

Lamar Aten, Lamb County ASCS office manager, said of the decision, "I believe that this is leading to actually going on a yield basis. They tried to get this done last year. In some cases, going on a yield basis is worse than getting factored down."

The decision made last week revokes that commitment.

Plains Cotton Growers In-

corporated is protesting the action directly to State and Federal officials of ASCS and through Congressman George Mahon, Senator John Tower and others in Washington. Mahon, Bob Price and Bob Poage are known to be taking an active interest in the matter.

PGC is also looking into the possibility there may be grounds for legal action by affected farmers to recover damages.

## Home Delivery Mail Service To Be Available In Olton

Postmaster I. B. Holtsaid today that a new order from Postmaster General Winston M. Blount will mean substantial improvements in mail delivery services.

The new order will make home delivery services available for the first time to four million Americans.

The service improvement applies to persons served out of 18,700 first, second and third class post offices over the country that do not have city delivery services. Affected are those postal customers living more than a quarter mile away from these offices and less than half a mile away. Persons living less than half a mile away previously had not been provided this service.

"To get the new service," Holtsaid "It is only necessary that those living in the eligible areas ask their postmasters to provide it, and a majority of those to be served must want the home service."

Under Blount's order, those persons living less than a quarter mile from the post office will continue to pick up their mail at these offices. That area, the postmaster noted, is just a few blocks.

"This distance factor can be significant for much of the year in areas where severe weather conditions prevail; in areas where large numbers of older persons are living, or in more

remote sections where even a little distance may mean a lot in terms of travel difficulties."

The expansion of services should be virtually complete in all of the affected delivery service areas - under actions taken by postal regional offices, acting on recommendations of local postmasters - by February 1, 1971.

It will be accomplished principally by adding delivery stops to already existing rural delivery routes or by expanding the area served by some shorter rural route for the purpose. A limited number of new rural routes may also be needed in other instances.

The fact that fewer persons will be calling at post offices for their mail will not alter the independent status of any of the post offices where the service change is provided.

## 1970 Easter Seal Appeal To Open For County Soon

The 1970 Easter Seal Appeal will open in Lamb County on Monday, Feb. 23, according to Joe Montgomery, who serves as Easter Seal Representative for the county.

Montgomery said that Easter Seal Appeal letters would begin arriving at homes in the county about March 1.

An Easter Seal Representative, he is the local contact to request rehabilitation services from the Easter Seal Society for Crippled Children and Adults of Texas. These services include physical and occupational therapy, speech and hearing program and special information services to help solve the many problems faced by the families of handicapped children and adults.

Last year 20,378 handicapped people received help from the Texas Society, Montgomery explained. But the costs of providing expert professional care are rising, and more money than ever will be needed, he said.

Funds help support 20 centers in Texas, where crippled children and adults are treated, regardless of their ability to pay. Walkers, wheelchairs and related services are provided to those who cannot provide for themselves.

"Since 1929 the people of

Texas have always responded to our needs, and I feel certain they will make it possible to increase Easter Seal services to crippled Texans throughout the coming year," Montgomery said.

## Lions Club Is Sponsoring Youth Exchange

Lions Clubs of Texas are again sponsoring a Youth Exchange Program which will enable youths 16 through 20 to spend a month in South America and Mexico or 38 days in Scandinavia and Sweden with side trips to London, Paris, Florence and Rome.

Any young person interested in participating in the Youth Exchange Program should contact Russell Strain, Lions Club president. An itinerary and other information can be obtained from Strain.

Last year, Texas Lions Clubs participated in an Exchange program to Japan, Seventy Japanese youth and 47 Texans took part in the program. Two Japanese youth visited with members of the Earth-Springlake club.

## Loans Made Available For Fifteen Counties

To give relief to businessmen who have suffered economic injury as a result of the adverse weather and to aid those businesses to continue in operation, the Small Business Administration is permitted to make economic injury disaster loans in fifteen South Plains counties.

Counties included are Bailey, Briscoe, Castro, Cochran, Crosby, Deaf Smith, Hale, Hall, Hockley, Lamb, Lubbock, Parmer, Swisher, Terry and Yoakum.

This action was taken because of substantial damage to 196 crops as a result of various adverse weather conditions during the entire crop year, including hailstorms, prolonged drought, and unseasonal freezes.

The Small Business Administration has authority to make either direct loans or loans in participation with banks or other lending institutions.

Any small business concern

located in these designated counties should apply to the Lubbock Small Business Administration's Regional Office at 166 - 19th Street, Phone Area Code 806 765-8541, Extension 262.

A German Measles clinic, aimed at mass immunization of all children, is set for Monday, Feb. 23 in the school cafeteria.

The program, sponsored by the Lions Club, seeks to eradicate the disease which caused 20,000 birth defects in unborn children in the United States as a result of the last major measles epidemic in 1964. A similar epidemic is predicted this spring.

Parents of pre-school children, who have registered for the immunization, are asked to have their children at the luncheon by 1:20 p. m. Monday.

School children, registered for the vaccination, will have been given the vaccine earlier that day.

## Four Men File For City, School

City Council and School board elections are not yet drawing many candidates, with the deadline for filing only 13 days away.

Bidding for a position on the city council is Vernon Nixon, owner and operator of Nixon Auto Parts.

Nixon has been a resident of Olton for 42 years and received his education at the Olton schools, graduating in the year 1936.

"I feel that all voters should know that I have no axes to grind and no pet peeves against anyone. To my knowledge the commissioners have been doing a wonderful job. I feel the city is to be commended for its past work," Nixon stated.

"Olton has been very good to me. If I can be of any service to it, I feel that making my services available is the least I can do," he concluded.

In the school board race, Dewey Parkey has filed as have Dan Gregory and O. J. Neeley, incumbents.

Parkey is a resident of the Hart Camp community, where he is engaged in farming.

He and his wife, Floyce have five sons, Gary, Don, Steve, LaVon and Ricky.

## Noted Speaker To Lead Lectures At Main Street Church Of Christ

The Main Street Church of Christ in Olton has scheduled a series of Bible lectures beginning March 1, and continuing through March 7.

Services are scheduled daily at 7:30 a. m. and 7:30 p. m. Morning services are set at the early hour and limited to 30 minutes or less to allow working people and school children to attend and still get to their positions on time.

Sunday services are as usual with Bible Study at 9:45 a. m. and worship at 10:45 a. m. Sunday evening services will be at 6 o'clock.

J. R. Chism from Borger, is the scheduled speaker for this series of lectures. Gene Gee from Olton, who is a science teacher in the local high school will direct the singing. "We believe we are bringing one of the most sincere and enthusiastic preachers in America to Olton," remarked Douglas Lawyer, the local preacher of the Main Street Church.

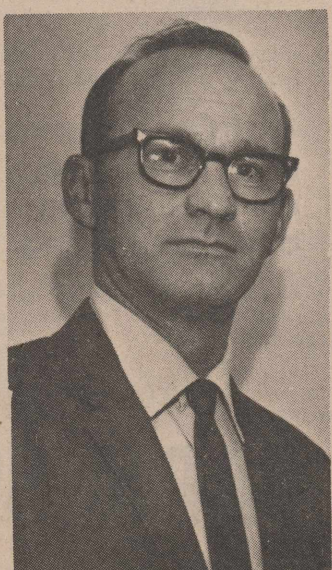

He continued, "There is no doubt that in Gene Gee we have one of the most talented song directors among us." Mr. Gee recently auditioned for the Ted Mack and the "Original Amateur Hour."

"Both these men auger well for a great revival among us and we wish to share these

spiritual blessings with our friends," stated Lawyer.

Sunday morning of the meeting, there is to be the traditional "Men's and Boys" breakfast at the Coachman restaurant. This will be held at 8 a. m. at which time Mr. Chism will deliver a short inspirational message.

Sunday evening March 1, the visiting evangelist will favor his audience with his now well known and famous address,

J.R. CHISM

"The Confused Youth". All youth of the community and surrounding congregations are invited to hear this important message.

On the same Sunday evening there is to be a "Progressive Dinner" conducted for the young people. Two courses will be held at different homes before church and two courses following the evening worship. Rowena Bryant is in charge of this unique arrangement for the teenagers.

Mr. Lawyer stated that the series of lectures is open to everyone regardless of race, creed or color. "We always appreciate our visitors at our services and count each one as a special guest."

Chism was born near Quana, where his father was a pioneer preacher of the gospel, having preached for about 47 years before his death in 1959.

His schooling was acquired in the rural community of Acme, then in the high school at Quana. Following a 33-month duty with the U. S. Navy during World War II, he returned to continue his education at Abilene Christian College. He began preaching about two years later.

He has served as local evangelist in several congregations from Texas to Tennessee. He

has been located in Borger for the past five years, where he preaches for the Gardner Street Church of Christ.

He has spoken, lectured and preached to many brotherhood, community and area groups and conducts several evangelistic meetings each year.

During 1969, he preached in special meetings from the New England state of New Hampshire to the western slope of the Rockies, in Delta, Colo. In every appearance he stresses the need to return to the Bible as the only hope of mankind.

His lecture "The Confused Youth" has been delivered to more than 30 groups including each school and PTA organization in the area in which he lives.

He is married to the former Dorris Forrest of Quana and has two sons, James and Jerry. James is married and Jerry is a 15-year-old sophomore in Borger High School.

Chism is the fifth in a line of "preaching Chisms". His father, an uncle, J. H., a great uncle, J. W. and a brother A. W. were and are preachers of the gospel. His oldest son, James, plans to enter Sunset School of Preaching in Lubbock in the fall after graduating from Frank Phillips College in June.

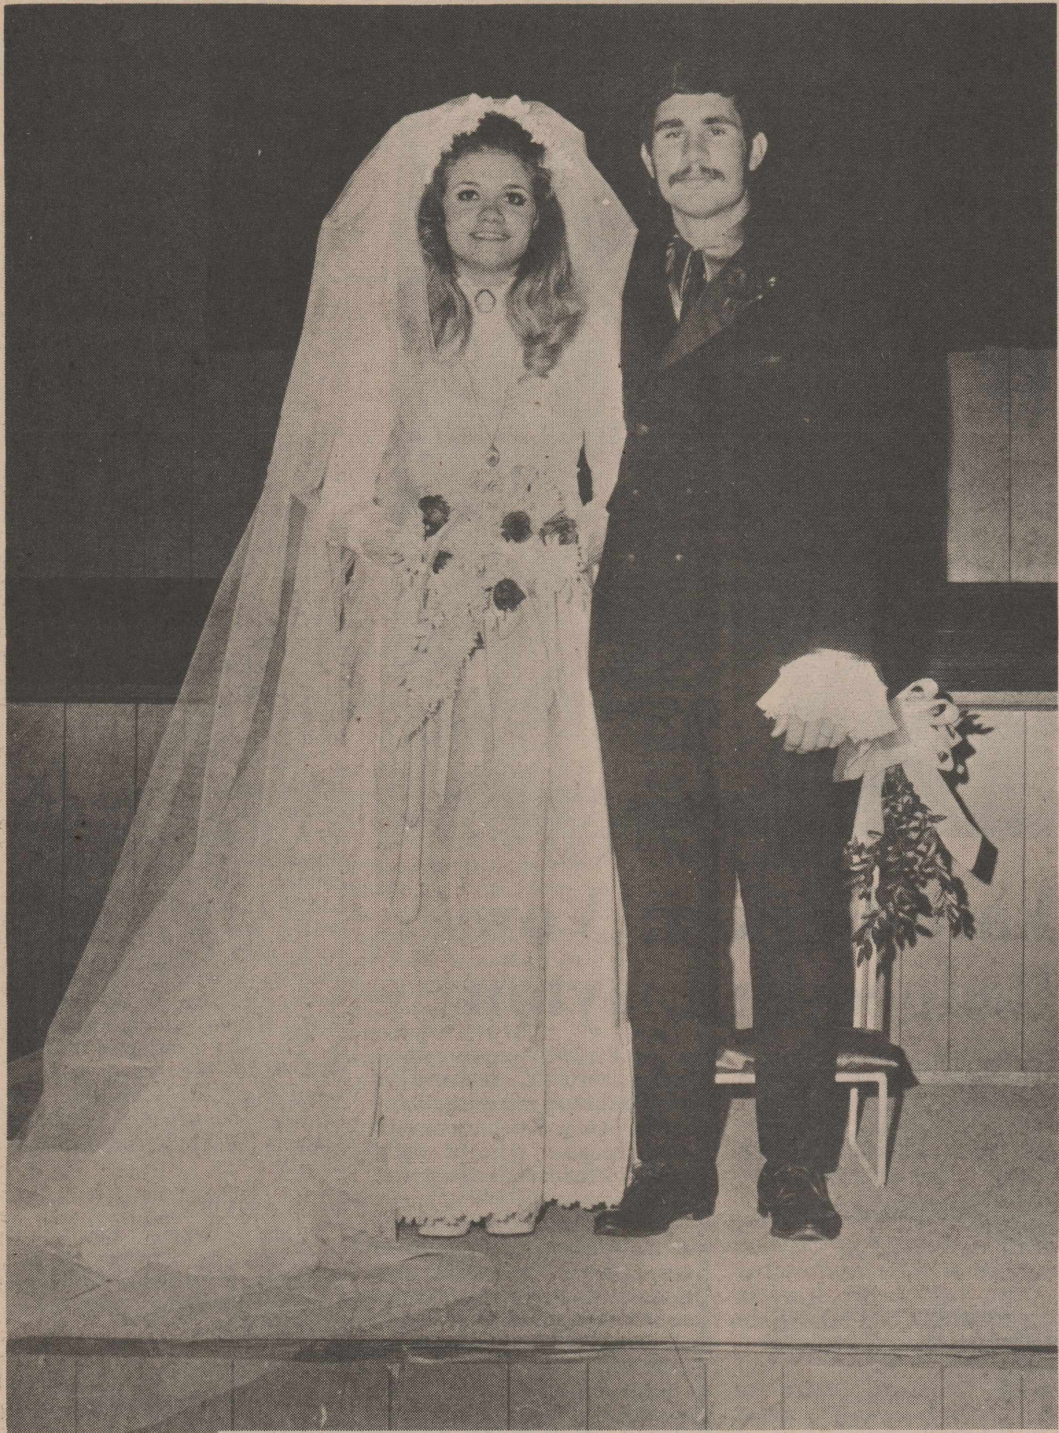

"I'LL TAKE TWO PENCILS, PLEASE" - - Tiofila Santillana and Norma Garcia, second grade pupils of Mrs. Leatha Smith, take their turn at "keeping store". The class has been studying monies and are getting some first hand knowledge of how to count money. The "school supplies store" is open each morning before school.

MR. AND MRS. JIMMY LYNN STOCKSTILL

## Stockstill-McFadden Vows Read Saturday In Baptist Church

Miss Paulette Marie McFadden and Jimmy Lynn Stockstill pledged wedding vows Saturday night in a ceremony reminiscent of yesteryears.

First Baptist Church in Earth was the scene of the double ring vows directed by the Rev. David Hartman. The altar was set with baskets of red and white roses with red satin hearts flanked by antique silver candelabra holding white candles and red satin hearts. The couple stood before a large red heart pierced with a silver arrow. Red satin pillows covered with white lace were used on the kneeling bench. Red and white satin hearts marked the pews.

Parents of the couple are Mr. and Mrs. Paul McFadden of Lubbock, former residents of Olton, and Mrs. Alma Stockstill of Earth.

Mrs. Larry Tunnell of Earth presented organ selections and accompanied Mrs. Jean Craft as she sang "More" and "The Lord's Prayer".

Presented in marriage by her father, the bride wore a formal length gown of white peau de sole with Venice lace edging the high Victorian neckline and enhancing the tucked bodice and leg-of-mutton sleeves. A wide satin ribbon sash marked the Empire waistline. A deep band of matching tucks and Venice lace marked the hemline of the A-line skirt.

Her detachable chapel length train was edged in matching Venice lace. Her floor length veil of imported silk illusion was held by a profile head-

piece fashioned of Venice lace flowers and velvet ribbonedged with seed pearls.

The bride carried a bouquet of red roses with white accents atop a white Bible, "borrowed" from her sister, Mrs. Herman Harrison. For "something old", she wore a gold locket which was worn by her maternal grandmother, Mrs. Anna Martens, on her wedding day Feb. 12, 1908. She also wore an antique cameo belonging to her mother. She carried a sixpence in her shoe and wore a traditional blue garter.

Mrs. Harrison was her sister's matron-of-honor. Bridesmaids were Carla Kirby of Olton and Mrs. Floyd Henderson of Friona. Jerri Donna Bales of Andrews, niece of the groom, was flower girl and Aaron Harrison of Lubbock, nephew of the bride, was ring bearer.

Candles were lighted by Brynea Allcorn of Olton and Craig Stockstill of Oklahoma City, nephew of the groom. Mrs. Joe Nutter of Lubbock registered guests.

Each of the feminine attendants wore formal length dresses of red peau de sole fashioned similar to the bride's. Each wore an ivory rose pin at the Victorian neckline of her dress and a matching bow headpiece.

Matron-of-honor and bridesmaids carried a single long stemmed white rose tied with white satin ribbon. Little misses Allcorn and Bales wore red rose wrist corsages.

Little Aaron Harrison wore a black velvet suit styled with

knickers and a white shirt with lace ruffled cuffs and jabot. Black loafers with Pilgrim buckles completed his ensemble. He carried the rings tied to a heart shaped satin and lace pillow tied with forget-me-nots and satin streamers.

Best man was Richard Stockstill of Oklahoma City, brother of the groom. Groomsman were Doug Messer of Midland and Floyd Henderson of Friona. Guests were seated by Herman Harrison, brother-in-law of the bride, Joe Nutter and Randy Washington, all of Lubbock and Phil Middleton of Earth.

The bride presented her mother with a long stemmed red rose as she approached the altar. Following the exchange of vows, she gave a similar rose to the mother of the groom.

For her daughter's wedding, Mrs. McFadden chose a dress of navy blue knit with white accessories and a red rose corsage. Mrs. Stockstill wore a dress of pink knit and a corsage of red roses. Each mother

Mrs. Slatten also gave alarming statistics regarding Highway casualties as exceeding all American War casualties. She challenged the group to study the laws and then drive defensively.

Mrs. J. C. Brown presented

wore an ivory rose pin with jade leaves, gifts of the bride and groom.

A reception was held following the ceremony in fellowship hall of the church. The bride's table was laid with a white linen cloth, centered with a heart shaped arrangement of red and white roses. Silver candle holders with red candles and white china cups holding tiny red satin hearts edged with seed pearls completed the table decor.

The four-tiered cake was frosted in white with red roses and topped with three satin wedding bells edged with seed pearls. Appointments were silver and crystal. Also placed on the bride's table were an anniversary candle and tiny red heart-shaped boxes filled with rice.

MRS. HOMER WORLEY

## Cook Of The Week

Whenever our Cook of the Week wants to forget her cares and unwind from the tensions which beset each housewife, mother and grandmother, she cooks. Cooking is good therapy for Mrs. Homer Worley -- and friends agree she's a good cook.

Dean and Homer Worley moved to Olton in 1960. They were "almost Oltonites" before that time, however, farming east of Hart Camp. Their three children graduated from Cotton Center High School.

A daughter, Phyllis, is Mrs. Preston Mason and lives in Chatsworth, Calif. She has two children, eight-year-old Deanna and four-year-old Curtis Jay.

Making her home in Wellington, daughter Barbara is Mrs. Claude Roper Jr. She is the mother of two daughters, Renee, nine years old, and Pamela, seven.

The Worley's son, Paul,

lives in Dallas. A bachelor, he is the cause of concern for his eight-year-old niece. While the family was together for Thanksgiving, Deanne questioned her uncle.

"Do you have a girl? More than one? Which one do you like best? Well, which one are you going to keep?"

Informed that no one had been selected for her aunt, Deanne objected, "But, Uncle Paul, you're going to be an old man!"

In addition to cooking, Dean also enjoys working in her yard. She loves to sew -- for anyone other than herself.

The Worleys are members of the First Baptist Church.

### Studies Nutrients

Olton Home Demonstration Club met Tuesday in the home of Mrs. Walter Lewis to hear Home Demonstration Agent, Lady Clare Phillips, discuss "Nutrients From A Dollars Worth of Food."
