City Asks Bids For Water, Sewer Improvement Plan

The first step in an improvement in water service to several areas of the city was taken by the City Council of Colorado City meeting in their monthly session Tuesday at City Hall.

The Council voted to take bids for a capital improvement program that will cost an estimated \$17,500 and will see the installation of some 10,500 feet of 5-inch water lines and five fire hydrants.

The areas to be improved will be between 4th and 10th on Cypress and on Hidalgo, Plum and Principal Streets in the Sands area of the city. Four new fire hydrants will be installed and one defective hydrant will be replaced.

The authorization of advertising for bids on the water service improvements was one of a number of items before the City Council.

The council also awarded

a bid to Colorado Pump and Supply to furnish a total of 13,050 feet of electric wire for runway lights at the city's new airport. Colorado Pump had the low bid of \$3,650.48. The only other bid was from Ledbetter Sales and Service for \$3,726.

In other action the council heard from Texas Electric Service Co. Manager B.B. Hardee who asked the council for an increase in rates. The request was considered a formality as it must go before the Texas Public Utility Commission (PUC) and whatever the PUC approves will be the rate that is charged.

TESCO is requesting a 17.7 per cent increase in revenues to generate \$123 million in revenues. The council voted to approve an increase, the rate of which will be set by the PUC.

In other action, regarding the new city airport, the council turned down an offer from Lone Wolf Electric Co-Op to buy a transformer service to the airport and decided to keep it as it would earn the city a discount on electrical rates at the airport. The council also discussed work to improve the airport and noted the use of city crews and equipment.

Firemen Dwain McGuire and Don Webb asked the council for funds from the sale of city boats recently and for additional funds to purchase five complete sets of uniforms costing about \$1,000. The sale of the boats brought in \$563.45 and the city would have to add \$436.55 to this to get the needed \$1,000.

City Manager Ray Mason said he would check with Fire Marshal Mike Mikle to determine if money in the

fire department budget could be used for this purchase. Mason also reported that new city maps are here now and available for the public. He also noted that the city has received a new police car and it is in service.

Mason noted that he and Mayor Elmer Martin are working with an individual about getting some land for a sanitary landfill as the state has indicated that the current landfill should not be used for a number of reasons.

Councilman Ray Dillard gave Martin a petition that he had been given before the meeting. The petition contained the names of more than 50 persons requesting the consideration of Assistant and Acting Police Chief Jerry Cowin for the police chief's job.

The chief's job has been vacant since the resignation at the end of March of Fred McWhorter. Applications for the position are now being taken and Mason said he has received eight applications.

A LEAK IN THE WATER MAIN on the corner of Second and Elm Streets caused water to spout five feet into the air about 5:30 a.m. Saturday. City Water Superintendent Buzz Rich (left) and his crew worked into the week to correct the problem. The water flow from the leak was stopped about noon on Saturday but it was necessary to order a new fitting for the pipe so the open pit remained open until Tuesday.

County, City Discuss Controversial Issue

Mitchell County heard a request from City Manager Ray Mason Monday afternoon during Commissioners' Court for assistance in removing material from the airport northeast of Colorado City.

Mason told the court, city personnel and equipment will be used to

meet the terms of the contract with O.B. Trulock to remove the runway and concrete pads at the airport when it is closed with the exception of trucks to haul the material away.

Mason requested the county loan its fleet of dump trucks to the city for that purpose.

County Commissioner Mark Vest commented he believes the city can settle with Trulock for less money than it will cost the city to furnish dump trucks.

Commissioner Johnny Shackelford said due to rains, his precinct will have enough road repair and maintenance to keep the trucks busy for some time.

Oil Rig Blows Out Friday

Friday, June 6, almost spelled disaster for a crew working on Riley's Oil Rig 3, when an air pocket was hit 1,377 feet below the surface, causing a sudden blowout.

The rig is located northwest of Westbrook, three miles east of Intan road.

According to one of the hands on the rig, water and air spewed eight to ten feet around the drill pipe and about 100 feet above the crown of the rig.

The spray was halted. See OIL Page 2

THE ANNUAL 25'ERS GOLF TOURNAMENT gets underway Saturday at the Colorado City Country Club. Co-chairmen for the affair (left to right) are Dr. Jene Stankley, George Powell and Doyle Lowrance (Buddy Hertenberger not pictured) are set to welcome more than 60 teams entering the tournament. The non-participants are also invited to attend a bar-b-que and dance Saturday night. Cost of the bar-b-que is \$4 per person and cost for the dance is \$4 per couple.

Sheriff Seeks Gunman

A lone gunman forced three salesladies to lie on the floor of the Shamrock Truck Stop and Grocery Tuesday evening as he grabbed about \$90 from the cash register and fled through the door.

About three minutes before the gunman entered the store, Deputy David Ginkinger had made his nightly rounds, checking to see that everything was all right.

Salesladies were just preparing to close for the night when a young Mexican man walked in and bought a package of cigarettes.

The clerks continued to prepare the store for closing as the young man walked out.

As they completed preparations and were ready to leave the store, the young man pushed through the door again, pointing, what was described by the group, as a .22 caliber pistol with a black pearl handle, at them.

He told them to lie face down on the floor, took the cash from the cash register and fled through the door.

The ladies, watching him as he left, headed east around the building. They then telephoned Deputy Ginkinger at his home to report the gunman.

Ginkinger immediately contacted the Colorado City Police Department to alert all available law enforcement units.

Forgery Charges Brought By City

A past resident of Colorado City has been charged with passing a forged instrument as a result of more than nine checks written in Mitchell County under an alias name.

Charged in connection with the offense last Thursday is Sylvia Moon Craig.

She was arrested in Taylor County on the Mitchell County charge on Monday.

She was arraigned on charges of passing a forged instrument and bond was set and posted at \$7,500.

Investigation into the case is continuing according to Assistant Chief of Police Jerry Cowin.

A recent theft was solved when a steel belted radial tire and wheel were returned to city police by the Snyder Police Department.

Saturday, local authorities were contacted by the Snyder P.D. They stated they had four persons in custody who had been arrested in Hobbs, N.M. on various theft charges in Snyder.

In the process of the investigation, Snyder P.D. discovered the group was in possession of the stolen tire and wheel.

ANTICIPATING THE PICNIC, Madge, portrayed by Patrice McKinney (left) and her younger sister, Millie, played by Toni Disko, discuss young love and summer romance in this scene from the production now on stage at the Colorado City Playhouse. "Picnic" Box Office opens at 1 p.m. daily and the play runs today (Thursday) through Saturday and again June 19, 20 and 21. Tickets sell for \$3.50 each.

'Picnic' Opens Here Tonight

The curtain is scheduled to rise on the Colorado City Playhouse's production of William Inge's "Picnic" at 8 p.m. tonight (Thursday).

Performances will be held through Saturday, then again next Thursday through Saturday, June 19-21.

The Playhouse has reported that the opening day of ticket sales was one of the best ever for a non-musical. As of the second day of sales, 310 out of a possible 910, which is one-third of all tickets, had been sold.

"Picnic" is a touching "Summer Romance" which revolves around Hal Carter, a young vagabond who wanders into a small Kansas town in the early fifties.

As the story unfolds, Hal becomes involved in the lives of the residents of this little town.

He finds himself attracted to Madge, who is going with his long time friend, Alan Seymour.

This, paralleled with the relationship between Rosemary Sydney, a spinster teacher, and her boyfriend, Howard Bevans, creates a confused, yet touching "Summer Romance."

The cast includes Pete Van Deusen as Hal; Patrice McKinney as Madge; Toni Disko as Millie; Jolyn Mikow as Flo Owens; Nina Crout as Helen Potts; Carl Beery Moore as Alan Seymour and Marsha

Moore as Rosemary Sydney.

Also, George Womack as Howard Bevans; Susan Samuelson as Irma Kronkite; Ann Morgan as Christine Schoenwalder and Casey Matlock as Bomber.

Tickets are on sale at the Opera House box office from 1 p.m. to 8 p.m. through Saturday for \$3.50 each. Reservations can be made by phoning 728-3491 or going by the Opera House at 337 Walnut Street.

Playhouse Kids' Day Scheduled

Here it comes, kids! A whole day at the Colorado City Playhouse has been set aside just for you. It will be Saturday, June 28.

What's happening? Well, the Playhouse is bringing a group of young actors and actresses from the Permian Playhouse in Odessa to the Colorado City Playhouse stage to perform "In One Basket" by Shirley Pugh.

This play is a bunch of different stories and fairy tales that will be acted out right in front of you.

There will be two performances; one at 2:30 p.m. and second at 7:30 p.m.

Tickets will cost \$2 each.

Board Appoints A New Band Master

Don Chandler was appointed as band director and music coordinator by the Colorado Independent School District Board of Trustees Monday night during their regular session.

Chandler, who has taught band in Middle School for the past year during the absence of Director Bob Newman, was hired under a one year contract at an annual salary of \$21,000.

He will replace Kent Holder who resigned to accept a position in Glen Rose to be nearer his family.

Chandler holds a B.A. and M.A. Degree from Adams State College in Alamosa, Colorado with majors in Music and Secondary Education.

He holds Texas Teacher Certificate with an

all grades music endorsement.

Chandler has 13 years of teaching experience including Band at Sanford, Colo.; Band at Lahainaluna, Hawaii; Band at Roberts Junior High, Tyler; Music at Sul Ross University; Band at Van; Band at Sul Ross University and Middle School Band at Colorado City.

Chandler, a native of Ben Wheeler, graduated from Van High School. Bids were opened from Hutchins Ford and Jay Adams Chevrolet on a suburban and-or van to be used in the Athletic Department.

Jay Adams' bid on the used suburban, currently leased by the school, was the winning bid at \$7,999.38.

The suburban is a 1979

model with about 22,000 miles on it.

Adams also bid a new 1980 Suburban for \$10,200 and a 1980 Sports Van for \$9,695.

"Tell your parents to phone the Playhouse between 1 p.m. and 5 p.m. starting on Wednesday, June 25 through Friday, June 27," Publicity Chairman Carl Beery Moore said.

"On Saturday, the box office will open at 10 a.m. and stay open until 7:30 p.m."

"The number to phone is 728-3491. You will need to make reservations," he said.

"There will also be an extra treat for you, too. After the first performance is over at 4 p.m., the actors and their director, Ocie Robinson, will have a Creative Dramatics Workshop and you will get to go up on the stage and do some acting with them! This will last for a whole hour so everyone will get a chance to join in some real acting fun," Moore said.

around noon Sunday. The well was being drilled by Ell Pen Inc. Robert F. Penner, Petroleum Engineer of Ell Pen said, "Attempts were made to kill the flow with a heavy load of drilling muds and when that didn't stop the flow, we pulled the drill spring and ran four and one-half inch OD casing to the total depth of the well."

Penner also said, "We cemented the casing with 600 sacks of cement; let it set and it killed the flow."

The blowout occurred, even though the blowout preventer was correctly situated. There were no injuries reported.

the Texas Assessment of Basic Skills exam given to fifth and sixth grade students.

Superintendent of Schools Charlie Uselton reported the state required the TABS exam for the first time this year. It will be an annual assessment of student achievement in reading, writing and mathematics.

It is designed to provide information which principals and teachers can use in raising student achievement levels in these three curriculum areas, he said.

"During the early spring of the 1979-80 school year, fifth and ninth grade students in Texas Public Schools took criterion-referenced tests based on learning objectives considered essential for all Texas students," he said.

"These tests were de-

veloped especially for Texas schools and were reviewed and revised by groups of Texas educators," Uselton said.

"At both fifth grade and exit level (ninth grade) the TABS instruments measured minimum competencies expected to be mastered by all students. The exit level tests were administered to ninth graders, as specified in the Texas Educational Code, so that students might have three additional years to correct achievement deficiencies."

"All ninth grade students not demonstrating mastery of minimum exit level competencies shall be given the opportunity to retake the assessment instrument each year," Uselton said.

To master an objective, a student must an-

swer correctly at least three of the four items testing that objective. For the reading or mathematics exit level test, a student demonstrates mastery of the total test if he or she answers correctly at least 30 of the 44 test items appearing on the test.

Uselton noted several things must be taken into consideration when interpreting the exam results.

He noted Plan A students were not included in the testing. He also noted at the fifth grade level, 99 students were tested and of that number, 45 per cent of the students were white, 55 per cent were minority (46 per cent Hispanic and seven per cent black).

At the ninth grade level 118 students took the exam and of that

number 47 per cent were white, 37 per cent Hispanic and 16 per cent were black.

The exam indicated 78 per cent of the students could master geometric terms while only 37 per cent could interpret place value at the fifth grade level.

Using these results, administrators can determine more emphasis must be placed on place value.

Another example of the exam results indicated 84 per cent of the students could determine units of measure while only 24 per cent could identify equivalent fractions at the fifth grade level.

This indicates more emphasis must be placed on equivalent fractions.

As an example of the reading skills the exam indicated 80 per cent of

the students tested could recall facts and details but only 23 per cent could distinguish fact and non-fact.

Handwriting in the fifth grade proved 96 per cent acceptable.

Of the fifth grade students, 49 per cent mastered 30 out of the 44 test items in mathematics and 45 per cent mastered 33 out of 40 items in reading.

At the ninth grade level, 53 per cent mastered 30 out of 44 items in mathematics and 61 per cent mastered 30 out of 44 items in reading.

Again handwriting was 96 per cent acceptable.

Uselton noted next year the same type exam will be given on the third grade level also.

Several business items were discussed during the meeting. One teacher's resignation

was accepted and one teacher was given a leave of absence.

One hardship transfer was granted and several board policies were altered or established.

An application for Title I and Region XIV Media Services was approved as was an application for Gifted and Talented Students.

The gifted and talented application is for \$30,716 and is to be utilized in the elementary grade levels.

Boardmembers discussed the plans for additional classroom space at Hutchinson School.

Uselton suggested a 24 foot by 64 foot metal building on a cement slab would be practical. After discussing building plans with a contractor, the board will give approval to begin the project.

Mr. and Mrs. J.D. Iglehart and Mr. and Mrs. N.W. Stokes of Westbrook and Mrs. H.P. Iglehart of Colorado City, spent last weekend at Lake Texhoma in Lebanon, Okla.

They were met by the Igleharts' daughter and her family, Mr. and Mrs. Bill Cocke and Sarah from Allen, Tex. Also, the Stokes' daughter and her family, Mr. and Mrs. Tommie Guinn of McCloud, Okla., and Mr. and Mrs. Bobbie Hamrick of Lorraine were there.

Other relatives gathered from Garland, Cedar Hill, Bonham, Denison, Corpus Christi and Maud, Okla.

Mr. and Mrs. Stokes remained for a longer visit with their daughter, Mrs. Guinn. Relatives stated upon returning that there was a lot of visiting and plenty of fish to eat.

C. Ross Smith and wife, Billie, presented the program. It was stated that although one cannot avoid the stresses in today's world, there are ways to deal with it.

One authority stated that "emotional and mental stress can tear your health down faster than inadequate nutrition." Some of the suggestions given to meet the effects of stress were, physical activity on a daily regular schedule as walking, a program of good nutrition with vitamins and mineral supplementation, adequate rest and relaxation, involvement in helping others and a constant trust in God.

The roll call was answered by "What frustrates me the most?"

Recreation was conducted by Mrs. Smith in an identification quiz, "Do you know the herbs with fresh specimens from the gardens?"

Plans were made to have a Garage and Food Sale in the garage of Mrs. Mary Womack, Council 3E charman. Edna Pace brought the plans for a visit to the Life of Christ Drama at Hendricks.

Mrs. Versie McMillan gave the report of the May council meeting.

Refreshments were served to the following attending: Mmes. Velma Hester, a new member; Dee Boyd and Ora Fisher, visitors; Bertie Strain, Wilma Womack, McMillan, Womack, Pace, Mr. and Mrs. Smith and the hostess.

Baptist Women Meet

Mrs. Jean Hardee hosted the Baptist Women's Night Circle meeting June 2 at 7:30 p.m. with Betsy Aycock leading the program.

The meeting was called to order and Katherine Morris led the opening prayer. Mrs. Earline Selliers read a thank you note from Root Valley Fair Lodge for table decorations for the lodge's Mother's Day dinner.

Prayer Support Chairman, Anna Staats, led the group in prayer for missionaries with birthdays on the sixth. The offering was taken for the project, "Feed A Child In India."

Mrs. Aycock began her presentation by stating that this study is not pleasant but will probe our hearts as it portrays the hunger and malnutrition suffered by at least one-fourth of the world's four billion people.

Attitudes of skepticism, fear, rationalization, defeat, distrust and futility were voiced. Counter these negative feelings were responses reflecting truth, reason, logic, compassion, honesty and hope, she added.

For a follow through, Mrs. Aycock mentioned two possibilities: (1) Agree to skip one meal each week and contribute the price of it to the cause of hunger relief and (2) Encourage the church to observe World Hunger Day in August. Donations can be made through the church to hunger and general relief or directly to Foreign Mission Board World Relief, Foreign Mission Board, P.O. Box 6597, Richmond, Va., 23230.

All money given goes directly for food and none is taken out for expenses, she stated.

Rodeo Set In Tahoka

The 1980 Tahoka Frontier Days Rodeo has been set for Friday and Saturday at 8 p.m. nightly. This year's rodeo has been sanctioned by the International Rodeo Association. An I.R.A. sanction ordinarily is given for rodeos restricted to professional riders, although the Tahoka Rodeo will allow amateur riders also.

Rodeo stock will be supplied by the Devils River Rodeo Co., of Senora, Tex. Events will include: bareback bronc riding, calf roping, saddle bronc riding, girls' barrel race, team roping, steer wrestling and bull riding.

A rodeo dance will be held after the rodeo Saturday night, June 14 from 9 p.m. until 1 a.m. in the Tahoka Community Center.

Band for the rodeo dance will be the Clarence Nelman Band of Meadow, Tex. Cost will be \$3 a person or \$5 a couple. "Come on over to Tahoka for some good family fun," stated Dan Taylor, vice president of Tahoka Rodeo Association.

Westbrook Homecoming Is Scheduled For June 20 & 21

Westbrook Homecoming is to be held June 20 and 21 in the Westbrook High School. The event will begin with general visiting and registration on Friday, June 20 at 1 p.m. and Saturday at 8 a.m.

Saturday at noon there will be a bar-b-que luncheon at a cost of \$4 per person and it will be followed by a program in the auditorium at 2 p.m. Reservations must be made in advance for the luncheon on or before this Sunday.

The exhibition committee, J.D. Iglehart, Alma Smith and Peggy

Ratliff, request that anyone with old pictures they would like to exhibit should contact them or the school no later than Sunday.

They also request that all photos be clearly identified and marked with the name and address of the owner to avoid confusion when returning the pictures.

College Will Host Bible Camp Soon

Western Texas College in Snyder will host a Bible Camp for students in grades 7-12 from July 6-12. Campers will stay in the college dormitories and have their meals in the Student Center cafe.

Anyone wishing to attend the homecoming should contact L.M. Dawson or a committee member at (915) 644-2311 for pre-registration.

Fees are \$50 per person and a \$10 deposit must accompany reservations, which are due by June 25. Ricky Van Massey, director of the Christian Student Center at WTC, will direct the camp. Reservations are to be mailed to him, and persons wishing information about the camp may contact him.

Students Attend Camp

Melanie Rees and Ashley Weaver, of Colorado City, were among the students attending the fifth annual girls' basketball camp at Western Texas College June 2-6.

Joe Cushing, WTC women's basketball coach, served as director of the camp, which attracted 102 girls from West Texas and New Mexico. Cushing was named Western Junior College Athletic Conference Coach of the Year for women's basketball.

Twirling Clinic Is Offered

A free twirling clinic will be held in Colorado City Saturday, June 28, by the Wallace Community Education Program.

Any person age 4 and up who is interested in twirling and who has a baton is invited to attend. Several qualified twirling instructors will be available so that each student will receive as much individual attention as possible.

In addition to the twirling clinic, a consultant from Merle Norman Cosmetic Studio will present a make-up demonstration and give helpful hints in good grooming techniques.

The clinic will begin at 9:30 a.m. and conclude the same day at 3 p.m. Students are asked to bring their own sack lunch.

For more information contact the Wallace Center at 728-2392. Classes will be limited so please, register before June 25th.

Kim Denise Rich & Russell Davis Are United In Marriage During Double Ring Ceremony

In a candlelight double ring ceremony, Miss Kim Denise Rich became the bride of Russell Brent Davis of Sterling City on Saturday evening, May 31, in the First United Methodist Church in Sterling City.

Mrs. Russell Davis

...Former Miss Kim Denise Rich

The bride is the daughter of Mr. and Mrs. Lynn Rich and the groom's parents are Mr. and Mrs. Charlie Davis, all of Sterling City. Grandparents of the bride are Mr. and Mrs. Curtis Rich of Sterling City and Mr. and Mrs. Willis Jones of Colorado City. The groom is the grandson of Mr. and Mrs. Charlie Drennan of Sterling City. Rev. Ed Wilder officiated the 7 p.m. ceremony. Organist was Mrs. I.W. Terry and vocal selections of "Evergreen," "I Pledge My Love" and "Longer" were sung by Mrs. Bruce Thomas.

Seven branch candelabra, baskets of Boston ferns and a mixture of English ivy, daisies, roses and baby's breath on the altar rail formed the setting for the ceremony. Family pews were marked with ivy, baby's breath, daisies and candles in hurricane globes.

Given in marriage by her father, the bride wore a formal white gown designed by Eve of Midway. It was chiffon and re-embroidered

Alencon lace. The fitted lace covered bodice featured a lace-edged Queen Ann's neckline with pearls highlighting the lace.

Tiny satin buttons and Alencon lace were featured on the back of the gown. The bishop sleeves had Alencon lace appliques and a wide lace cuff holding a lace ruffle. The A-line pleated skirt had a ruffle of crystal pleating at the hem that ended in a chapel train.

The bridal bouquet was fashioned from yellow roses, white daisies, English ivy and baby's breath.

Mrs. David Crooks served her sister as matron of honor. Another sister, Mrs. Kirk Meador of Peacock, was her bridesmaid and the bridesmaids were Miss Patti Bynum and Miss Melinda Terry.

The attendants' gowns were floor length mint green featuring a pleated blouson bodice with spaghetti straps and slim skirt. They were covered by a mid-calf jacket slit at the sides.

Candlelighters were Kimberly and Craig Slaughter of Aspermont. Flower girl was Jennifer Jones and ring bearer was Andy Jones, cousins of the bride.

Scott Davis, brother of the groom, was best man. Groomsmen were Grey Taylor of Lubbock, Duwayne Davis, groom's brother of Blackwell and Tim Turney of Broken Bow, Neb.

Ushers were Leslie Scott Rich and Greg Davis, brothers of the bride and groom, and Ronnie Hord, James Brown and Craig Bassett.

The reception was held in the church fellowship hall. A double candelabrum arrangement with ivy, daisies and baby's breath and fern centered the bride's table.

The groom's table was centered with an arrangement of candles and featured a brass coffee urn and trays of hors d'oeuvres. Serving was Miss Susie Humble of Sterling City and Miss Dee Boone of Ennis, Tex. Coffee was served by Mrs. James Brown and Mrs. Jack Douthett.

The newlyweds embarked on a wedding trip to Cancun, Mex. They will reside in Sterling City upon returning.

Wallace Center News

Summer 1980 at the Wallace Center will kick off Wednesday at 8 a.m. for children from Kindergarten through fifth grade.

Registration fee is \$5 per family. Barbara Gray, coordinator for the Wallace Center, stated that you had better hurry because the program is limited to 40 children.

Activities will revolve around unstructured supervised play. The children will be able to choose from movies, games, crafts, storytime, field trips, nature, art photography, drama, picnics, relays and more.

Other activities beginning at the Wallace Center are skating which is set for Mondays from 10 a.m. until noon for \$1; swimming lessons for children 4 and over for \$15; tennis lessons for \$14 which includes balls and a tennis tournament on Aug. 15 and 16 with Joanne Sanderson supervising.

Richburg Family Reunite Recently

On June 7-8 descendants of the late John and Mollie Richburg gathered at the Hermleigh Community Center for their annual reunion. There were 149 family members and friends present.

The Richburgs settled on the late J.C. Prude Ranch in 1906, north of Loraine.

Of the original 16 children, 14 are still living and attended the reunion. They are, the daughters, Eddie Bryant, of Floydada, Lillie Faulkenberry, of Monahan, Effie Wheeler, of Loraine, Blanche Pendergrass, of Temple City, Calif., Nola Taylor, of Sweetwater, Ople Wilson, of Alpine, Marie Adrian, of Petersburg, and Oma Herm, of Ackery.

Sons attending were O.Q. Richburg, of Hermleigh, Lester Richburg, of Lubbock, Homer Richburg, of Roscoe and Furman Richburg, of Deming, N.M. Also the widows of the late Bud Richburg, of Colorado City and Allen Richburg, of Plainview.

A special family member present was a 93 year-old aunt, Lulu Smith, of Tyler. She was accompanied by a daughter, Bulu Jones.

The remainder of the group was made up of families of the Richburg descendants. They came from various points in Texas and four families came from out of states; N.M., Calif., Kan., and Okla.

Green Honored At Bridal Shower

Miss Lisa Green was honored with a bridal shower in the fellowship hall of the First Baptist Church of Loraine.

The bride-to-be, her mother, Mrs. Darrell Green, and her future mother-in-law, Mrs.

L.R. Dunn received guests.

Registering the guests was Amy Green, sister of the bride-elect. Shades of pink silk flowers accented the registry table.

The serving table was covered with a white cloth overlaid with lace. Burgandy colored punch gave an added touch of color to the table decor. Along with the punch, appetizers, mints and nuts were served to those attending.

Also complimenting the table were pink and white rose cuttings from Mrs. Sheffield's yard. Serving at the table was Miss Kellie Baker of Christoval.

Miss Green wore a corsage of burgandy and white flowers with two small rings accenting the piece. The mothers wore corsages of burgandy and pink silk flowers.

Hosting the occasion were Mrs. George Lee, Stella Rainey, Calvin Forbes, Earl Phillips, Delmer McDaniel, Charles Finley and Pete Andrews.

Also, Vergil Troutt, Loyd Wiggins, Hubert Meadows, Don Clifton, Billy Ruth Tartt, Hazel McCollum, Tharon Henderson, Donald Graham, Atwood Sheffield and Raymond Hackfeld.

What Texas Electric says about setting your central air to save money.

At Texas Electric we are often asked about the cheapest way to operate a central air conditioning unit and still be comfortable.

Here's what we recommend:

- Keep the temperature at 78° or higher. Each degree below that causes the unit to use about 5% more energy.

- Leave your air conditioner's fan switch in the "auto" position. This way the fan only comes on when it's needed.

- Finally, before you leave the

house, turn your air conditioner switch to "off". Even though your house may be warmer when you return, you won't be paying to air condition an empty house while you were gone.

For more energy-saving ideas and answers to your questions, call Texas Electric and arrange to attend an Operation Tighten-Up workshop in your neighborhood.

Conditions Are Favorable For A Productive Season

In a recent report from the County Extension Office, County Extension Agent Bob Benson stated rainfall in the northwest part of Mitchell County is adequate, but the remaining three-fourths of the county is very marginal.

Most of the cotton producing regions of the county received rain during May and reports still persist that planted acres will be near the eight million mark in Texas.

Benson also reported on the insect situation in Mitchell County. He stated the highest boll weevil pheromone trap catches occurred around the Rogers Community. The Cuthbert area and the area south of Westbrook also showed relatively high counts.

He said the trap catches should peak this week and begin to decline rapidly as cotton begins to square.

Rangeland grasshoppers are at relatively low numbers this week with Mitchell County averaging around three adult hoppers per square yard.

According to Benson, "We are in pretty good shape now, but a heavy rainfall could change the situation dramatically."

Jumbo grasshoppers, which are the major crop damaging grasshoppers in Mitchell County, began emerging this week from grassy, weedy ditch-banks, fence rows and turn rows.

Benson states it would be to the producer's advantage to

check these areas for emergence now, since newly emerged hoppers in the nymphal stage are relatively easy to kill.

Auditions Set For Next Play

Auditions for the next production at the Colorado City Playhouse have been set. The auditions will be at 7:30 p.m. Monday and Tuesday, June 16 and 17.

The play will be Sumner Arthur Long's hilarious comedy, "Never Too Late." There are roles for six men and three women.

This Broadway hit is about a married man in his fifties who suddenly learns he's becoming a father again.

"Never Too Late" is a good, old-fashioned, domestic farce, chocked full of plain and simple laughter.

Tandy Curlee will be directing the play.

The show will be performed in mid-August.

Appraisal District To Meet

A special meeting of the Mitchell County Tax Appraisal District has been called for Thursday at 7:30 p.m. in the Curriculum Room of the Administration Building.

Among the items to be discussed will be the approval of Inter-governmental Contracts and authority for chairpersons to sign contracts for the District.

The Pritchard and Abbott contract for mineral and utility appraisals for 1981-82 will be included on the agenda.

There will also be a discussion on the contract with the Southwestern Appraisal Firm for real estate appraisal and approval of the contract.

Insurance and hospitalization for District employees will be discussed and toward the end of the meeting there will be an approval of the bills and questions by board members.

COUNTY. From Page 1

Mason noted the city has seven months in which to remove the materials.

Commissioner Paul Hunter asked where the materials were to be dumped.

Mason said the city plans to use the asphalt and caliche in the Sands area to build streets. He suggested he could use the area behind the sewer plant as a dump site and could locate additional areas if necessary.

Mason said there would be between 3,000 and 4,000 yards of material to remove.

Hunter estimated it would take two to three weeks using the trucks. The county has four large trucks and three worn out small trucks currently in use. The large trucks carry about 10 yards of material.

Commissioner Billy Preston said he could not commit the trucks because there is too much county work to complete.

Shackelford figured it would cost about \$20 an hour at a minimum to hire a dump truck.

Mason reminded the court that the deadline for removing the runway and meeting the terms of the contract was set for December 31 and that the city has a 90 day grace period after that in which to complete the work.

Hunter suggested the court needed more time to figure the time schedule and cost and also needed to know the exact dump site in order to estimate the time involved in each haul.

Vest reiterated he believes the city can settle with Trulock in this "controversial issue" for less than it would cost the taxpayer to use the county dump trucks.

Mason said the city was trying to meet the terms of the contract in a manner least expensive to the taxpayers. He noted the city has allocated \$4,000 for that purpose.

No action was taken by the court.

Superintendent of Schools Charlie Uselton appeared before the court to finalize contracts for a Multi-Purpose courts.

The courts will be built under the authority of the county but funds will be furnished under a fifty-fifty grant from the Texas Parks and Wildlife Department with the school system paying half and the TP&W paying half.

Total cost of the courts is about \$100,000.

Uselton told the court, application must be made prior to July 1 to receive authorization prior to January. He noted funds are currently frozen but the application must be filed in order to have the school's name on the list.

Application will be filed after a few more details on exact location and structure have been determined.

Loraine Has New Officer

Edgar S. Hesshew, of Loraine, was appointed April 16 as Loraine Police Officer.

Hesshew has worked on three separate occasions for the department.

He and his wife, Viola, and son, David, reside in Loraine.

Hesshew has been in law enforcement for the past seven years.

He has served as Chief of Police in Nixon; City Marshall in Santa Anna and Leuders; Chief in Olton and Deputy Sheriff in Lamb County.

Prudential Insurance Agent Bob Reilly met with commissioners to report he could not offer a better, cheaper hospitalization insurance plan than the plan up for renewal which the county carries.

In other business, County Judge Bill Carter read from a notice from the state which applied to justices of the peace.

The notice stated Henry Doss, Ruby Claxton and Mary Lee Moore have completed the 20 hour a year required training courses.

District Clerk Bill Erwin met with commissioners to ask permission to attend a District Clerks' Conference in Brownsville.

Commissioners granted his request.

Commissioners approved an increase of \$50 a month for the county trapper for the remainder of this budget year (4 months). Carter reported the trapper had disposed of 101 coyotes, 10 red fox and one bobcat in the past year.

Carter read from a letter from the Commission on Jail Standards which was in reply to his report on improvements being made at the county jail to bring it into compliance with regulations.

The letter noted improvements were being made in some areas but listed several major areas such as audio communications, single cells, emergency openers for doors, smoke and fume removal and staff supervision which had

not been referred to in the county's follow-up report.

The Commission requested further information on these non-compliance areas.

A request was made by County Attorney Pat Barber for an increase for his secretary from

the rank of second deputy to first deputy.

Commissioners granted the increase because she has been employed for the required six month period.

Several equipment requests were made including a memograph machine for the Extension Service Building; a typewriter for Doss's office; a lawn mower for the courthouse grounds and a motor grader.

Commissioners will advertise for bids on the major items and try to locate a typewriter for Doss's office.

Kendrick Pageant To Begin Today

The Kendrick Religious Pageant "The Life of Christ" now in its sixteenth year of production will begin the 1980 Summer Presentations today and will be presented each Thursday and Friday night at 9 p.m. in the amphitheater located halfway between Cisco and Eastland on U.S. Highway 80 through August 15.

The non-denominational production is the Complete Life of Christ from the birth through the resurrection portrayed in some 60 scenes by a cast of Christian people of all religious denominations and walks of life, lasting two hours. Admission is \$3 per person.

This is the same production as the nationally known Easter Pageant.

The only All Religious Diorama and Museum in Texas is located on the pageant grounds and is open seven days of the week from 10 a.m. until 5 p.m.

After hour tours may be arranged with advance reservations.

This Diorama is 16 scenes from the New Testament set as realistic as is possible with over 10 life sized figures, with narration

from the King James Bible and soft organ background music for each scene. Viewers actually stand in the midst of the figures, giving the feeling of being right there with Jesus and His followers.

Admission is \$1 for children 6 to 12 and \$1.50 for adults.

A new addition, soon to be open, will be scenes from the Old Testament.

CLN. From Page 1
riff's office and highway patrol set up road blocks on I-20 eastbound and Ginkinger searched the Westbrook area.

The gunman is described as a Mexican male between the ages of 20 and 25; about five feet, six inches to five feet, eight inches in height, weighing about 165 pounds, with a small black mustache, wearing a blue windbreaker and brown Levi's.

Sheriff Bill McGuire, who is investigating the holdup, said fingerprints made by the gunman, leading around the store, indicate the man entered a vehicle parked behind the store. McGuire noted it is possible the gunman had an accomplice who drove the vehicle.

Investigation into the robbery is continuing.
