Teams Light And
On Experience;
In McCamey

By Ernie Boyd

Ozona Lions will open their football season in McCamey tonight at 8 p.m. when they meet the 2A Badgers in a non-league clash.

McCamey will rule a slight favorite to an edge in experience though the comparative of the two teams may be even.

Fred Hickman and Sonere will be starting the line and least experienced they have fielded since coming to Ozona in 1954, following graduation losses for the two years.

Lions have shown a great willingness to work so far. Squad number has risen to 25 since the start of two seasons nearly three weeks ago.

Ozona team starting on defense will likely include lettermen, Penn Baggett, Charles M. Darrel Rasberry, Phil Pete and Carl Montgomery.

Brent Moore along with Studdard, up from the ineligibility, and Robert Cox and Huff, who are without experience with another Ozona boy, Bobby Tabb, likely to be on offense in place of the Lions receive.

Members of freshmen make up the Lions reserve strength. Richard Vargas, Jimmy Semarone Shackleford and Pete along with soph Leroy making up a good part of reserves available.

Return of Long to the squad the first week bolstered the defensive platoon considerably. Now the Lions can start at one end and both tackle a senior squadman who is eligible due to the transfer of the other wing.

Art Cox, who is the heaviest of the squad at 185, is learning at the middle guard position and how he and others fare in actual play is a long way in deciding what the Lions will do this

backfield, while shy of re-length, is about the brightest about the Lions set-up. Monte Montgomery and brother giving the Lions a running and quarterback Phil providing a good passing arm with some good running and Brent Moore providing blocking and a good pair of eyes as a receiver.

Bobby Tabb, who has yet engaged in a ball game, is impressive as an offensive and has been getting experience as an out-backer where his size and serve him well.

Best thing defensively for Ozona this far this fall has been excellent tackle play both offensively and defensively being in by junior Penn Baggett and Darrel Rasberry.

Moore dispatches have told of inexperienced and light that will represent the Badgers fall but past experience revealed that the Badgers use a different type of than do the Lions and that of their little starters are continued on Page Three)

Ozona Junior Boys Bowlers Sweep State Tourney At San Angelo

Ozona boys bowling teams, both Senior and Junior Divisions, completely dominated the First annual Optimist American Junior Bowling Congress tournament, held in San Angelo Sunday.

Junior bowling team from Ozona, sponsored by Miller Lanes, won the state championship in the San Angelo tournament. Competition for the title ranged across the state, with Ozona's roll off site being Uvalde. The tournament was sponsored by the Texas extension of the American Junior Bowling Congress, with participants limited to bowlers 18 years or under.

Ozona boys took five titles in the boys division while San Angelo girls swept the girls division.

The Ozona Senior team was composed of Van Miller, Deeney Holden, Douglas Moore, Bobby Tabb and Johnny Childress.

Rolling a three-game series of 2982, including handicap, the team beat the nearest contender, Recreation Bowling Center of LeMarque by 72 pins. The 2982 series was the highest single series rolled in the state, regardless of division.

The Ozona Junior boys won first in their team action with a total of 2,571 pins in a three-game series, including handicap. The Ozona team beat out their nearest contender by 13 pins.

Members of the Junior team included David Lewis, Butch Haire, Allen Merritt, Gary Boyd and Len Merritt.

Set Ellenburger
Wildcat Test In

Southland Royalty
Will Drill Deep Test
On U. T. Land

Southland Royalty Co., et al, Midland, will drill an 8,500-foot wildcat in Crockett County, 14 miles northwest of Ozona and one location north of the firm's No. 1-23 University, recent opener and lone producer in the Ozona, West (Clearfork) field. It is the No. 1-A University Lands.

Location is 510 feet from the south and 2,080 feet from the west lines of 24-31-University.

Nearest Ellenburger production is six miles to the northwest in the Todd Deep multipay field.

The No. 1-23 University was drilled Aug. 10 for 242.75 barrels of 34 gravity oil through a 14-64-inch choke and perforations between 3,410-30 feet, which had been acidized with 500 gallons.

A re-entered 2,200-foot failure, it was scheduled to deepen to 8,500 feet to test the Ellenburger. Drilling ceased when the project developed an oil flow when drilling reached 3,444 feet, making 84 barrels of 34.4 gravity oil in 12 hours on a 3/4-inch choke.

Ross Moore, et al, Midland, were running 5 1/2-inch casing to 1,231 feet, the total depth, for tests of the Grayburg and San Andres, at the No. 1 Haun, in 88-1-1&GN, eight miles northwest of Iraan and 3/4-mile east and slightly south of the one-well Hanson (Grayburg) field.

While being drilled a test in an unidentified shallow formation between 540-683 feet recovered 42 feet of heavily oil and gas-cut mud. A test between 1,102-1,208 feet recovered 245 feet of sulphur water.

Judge Alan Fraser Speaker At Lions Booster Club Meet

Appeals Court Justice
Urges Leadership For
Character Building

By Ernie Boyd

The Ozona Lions Booster Club honored the 1961 Ozona High School football team and their coaches Monday night with a barbecue supper at the High School.

Judge Alan Fraser of the Court of Civil Appeals in El Paso but a native of Alpine, was the principal speaker and gave the Boosters a strong admonition to be supporters and not win-at-all-costs fans.

Judge Fraser complimented the team on its willingness to work and predicted that in spite of what was being said about the lack of size and experience that the Lions would win some games before the season was very old.

Coaches will build character when allowed to do so by fans who do not seek to win at all costs the judge stated, as he urged that we set high ideals for our youngsters to follow and not shatter idealism in our youth since it is from this source only that greatness and patriotism arises.

Coach Fred Hickman introduced his assistant, Byron Cleere and freshman coach Brooks Dozier before introducing his 27-man squad and its managers and a few freshmen who will come out later for a soph-freshman squad which will play a seven game schedule.

Coach Hickman stated that he and Coach Cleere had been pleased with the attitude and willingness to work that the squad had shown thus far and predicted that the team would make a good showing against most of its foes even though wins might not be too frequent if they occur at all. Coach Hickman stated that in the past, however, victories would probably depend more on the "fight" in the dog than on the size of the dog."

Speaker Would Erect Monument In
Ozona To Pioneer And Broadcast To
World His Description Of Integrity

West Texas being one of the last strongholds of individualism and Ozona being a particularly fine example of a community imbued with the same spirit of individual integrity and responsibility that guided America's pioneers in carving out the greatest nation on earth, Ozona has been suggested as a fitting spot for a monument to "The Pioneer."

Judge Alan R. Fraser, Associate Justice of the Court of Civil Appeals, 8th District, at El Paso, speaking at a meeting of the Ozona Rotary Club Tuesday noon, dropped the suggestion as a climax to a particularly fine talk on the need for a renewed spirit of individualism and self reliance in this nation and a new interest and awareness of the presence of forces in the world which would destroy us.

"I'd like to see you in Ozona erect a monument in your public park or some prominent place where all could see, a monument to The Pioneer, of granite, or marble or of bronze," Judge Fraser said. "If I had the money I would erect it for you."

"And engraved in bold letters on three sides, I would record the much used and familiar phrases that were common among pioneers, used to describe their neighbors or friends, the solid citizens of the times."

"Number one phrase, I would engrave on the monument would be — 'He'll do to ride the river with.'"

"Number two phrase would be — 'Whatever he says, it's thataway.'"

"And the third phrase would be — 'He'll stay hitched.'"

"If you could say one or all of these things about a man, he would be the kind of man you would want to know — he's the kind of

PTA Executives Plan Interesting Year's Programs

First Meeting Sept. 18;
Membership Drive Is
Under Way

The executive committee of the PTA met this week to make final plans for the coming year. The program committee, headed by Mrs. S. E. Carnes, has completed a variety of interesting programs.

Included this year are guest speaker, panel discussions, films and foreign students, as well as entertainment by the band and other student participants. The first program on Sept. 18 will be dedicated to the teaching team, composed of teacher and parents.

Membership chairman, Mrs. Ratliff, has begun her drive for members for the year. The membership last year was over 300, and she is planning on having more this year. People wishing to join and who have not been contacted, should call Mrs. Ratliff or Mrs. Taylor Deaton. Dues are \$1.00 per person for the year.

Mrs. Fred Hagelstein is publications chairman and is urging everyone to subscribe to Parent-Teachers magazines to keep informed on schools and education for all youth. The articles are interesting and beneficial. The National PTA magazine has movie and TV guides showing suitability for family viewing.

Mrs. Joe Couch, finance chairman, has announced that the PTA carnival will be held on Halloween this year. Everyone is asked to help in some way on this well attended community project.

The day meeting this year will be for student achievement awards. Any person, club or organization wishing to encourage our youth by presenting an award should contact Superintendent L. B. T. Sikes.

Location is 490 feet from the west and 340 feet from the south lines of 38 1/2-Sallie Renshaw.

Strawn gas production in the Refoil and Baggett fields, recently was consolidated into the Hunt-Baggett field.

Driver License Fees
To Go Up In Texas
After September 1st

Austin — The Texas Department of Public Safety reminded Texas drivers today an increase in license fees has been ordered by the Legislature effective September 1.

The Texas operator's license on and after that date will be increased from \$2 to \$3 for a two-year period, the commercial driver's license will increase from \$3 to \$4.50 for a one-year period, and the chauffeur's license will go up from \$4 to \$6 per year.

The fee for a duplicate of a lost license will remain at 25 cents.

"We urge all drivers to be sure they send the right amount in with their renewal applications," said Col. Homer Garrison, Jr., DPS Director. "Those which are accompanied by the old fee after September 1 will have to be returned to the sender, causing unnecessary delay and inconvenience."

He said the \$3 two-year operator's license will still be lower than the fees in 12 other states, and will be exactly the same as in five other states. He reported Texas now has 4,838,000 currently-licensed drivers.

"Incidentally," said Garrison, "we would like to urge drivers to take care of their licenses, in spite of the fact that it only costs 25 cents for a replacement. Last year we received 85,000 applications for duplicates of lost or mutilated licenses."

TUES. NIGHT BOWLERS MEET
A meeting will be held Tuesday night, Sept. 5, at 8 p. m. for the purpose of electing officers and choosing a date to start the winter league, Joe Williams, Industrial League president, announced.

Enrollment Gain
Shown In Opening
Day For Schools

South Elementary,
High Schools Gain; Jr.
Hi. Has Big Loss

Total opening day enrollment in Ozona Public Schools, which kicked off the 1961-62 term Tuesday morning, showed a net gain of 58 pupils over the 1960 opening day.

But the big gain was in South Elementary and in High School, losses being recorded in both North Elementary and Junior High, the latter a whopping 26 pupil drop from last year and North Elementary a drop of 9 pupils. High school gained 26 pupils while South Elementary was up for a net gain of 65 over last year. Lockett school gained 1 over last year.

Most of the Junior High drop was in the eighth grade, this year's enrollment of 65 in that grade comparing with 85 a year ago. Seventh grade was down five but the sixth grade picked up one. The figures include kindergarten in both North and South elementary, and Kindergarten accounted for 18 fewer pupils in North Elementary, while South Elementary's kindergarten picked up 6 pupils.

The enrollment by grades in each school follows.
North Elementary: Kindergarten 45; 1st grade, 54; 2nd grade, 49; 3rd grade, 58; 4th grade, 54; 5th grade, 44 — Total 304.
Junior High: 6th grade, 38; 7th grade, 59; 8th grade, 65 — Total 162.
High school: 9th grade, 83; 10th grade, 48; 11th grade, 30; 12th grade, 43 — Total 204.
South Elementary: Kindergarten 34; 1st grade, 61; 2nd grade, 44; 3rd grade, 39; 4th grade, 46; 5th grade, 36; 6th grade 36 — Total 296.
Lockett School: 25.

COACH AT GALVESTON
Don McDonald, son of former Ozonans, Mr. and Mrs. Bryan McDonald of Canyon, has accepted a position as coach at Galveston High School, according to information received here. McDonald has been coaching at Karnes City, Texas.

Mr. and Mrs. James Chapman are the parents of a daughter, Kelly, born Monday, August 28, in Crockett County Hospital. The Chapmans have two other daughters, Kim and Karen. Grandparents are Mrs. Joe Chapman of Ozona and Mr. and Mrs. Jack Brewer, Sr., of San Angelo.

WE DO IT BETTER

September means that summer
is over, school is in session, leaves
begin to turn, oysters are in sea-
son and the American Wool Month
— when the industry begins its
third century of service to the na-
tion!

What American Wool Month
means, in the briefest terms, is
that there are still jobs in Amer-
ica for those who design, manu-
facture and sell woolen and worsted
fabrics and finished garments—
from pedal-pushers to fashionable
suits and luxurious overcoats—
that originate on the sheep's back.

And Wool Month means that the
American farmer can still grow
sheep profitably, for it is a little-
known fact that he has but a single
market for his wool — the
American wool mill.

In short, American Wool Month
is a testimonial to Woolens and
Worsted of America — an organi-
zation that represents every seg-
ment of the industry from sheep
to sheep — and which has fought
to preserve and expand the indus-
try and make it the quality leader
of the world. Over the years since
America was first threatened by
the foreign flood of cheap wool
fabrics and badly-cut, poorly fin-
ished garments, WWA has fought
to expose the word "imported" for
the sham it has become, and to
establish the label "Made in the
USA" as a pledge of continual im-
provement in quality standards.

It has fought and continues to
fight with growing success, the
inroads of the virtual slave labor
of Hong Kong, the cheap labor of
Japan and the subsistence wage-
levels of Europe on American em-
ployment. It has exposed the shod-
dy from abroad, notably the re-
conditioned wool from other coun-
tries that produces ostensibly
"new" garments by grinding up
tired, old ones. It has forever punc-

tured the once-true, long-cherish-
ed and over-blown idea that the
magic word "imported" signifies
something superior.

Plainly, American Wool Month
is something that every one of us
can celebrate with pride and ad-
vantage when we buy our winter
clothes. But its significance is far
greater when we consider our need
for this essential industry. Without
it, in times of stress, we would in-
deed be shorn lambs — with none
to "temper the wind."

NEGOTIATION CAN BE
SUBMISSION

Up to this writing, when the
peace of the world hangs by the
100-mile-thread that links West
Berlin with West Germany, the
Soviet border forces and their East
German stooges have been, by Red
standards, fairly restrained. They
have materialized the once imagin-
ary line between the East and West
sectors with concrete; they have
sprayed a little water from some
of their over-sized water pistols,
hurled a few tear-gas grenades
(one of which was quickly re-
turned) along with taunts and in-
sults. They have pushed East Ger-
mans around, sealed off their es-
cape with barbed wire and troops
— and in one case ended a des-
perate last-chance swim for free-
dom with a rifle bullet.

But the great minds of the
Kremlin, directing the war of
nerves, have been less discreet.
They have presumed, in a 700 word
note delivered to the Moscow em-
bassies of the U.S., Britain and
France, to suggest that the West
German Government has no status
in West Berlin, and that the air
corridors set aside for the three
Western allies by the 1945 agree-
ment were being abused by those
powers in allowing West Germans
to use them. The broad implica-
tion was that the Russians would
next demand control of travel-
at least by West Germans — in
and out of the western city.

Prompt denial by the White
House of the Russian charges of
transporting subversives, spies
and saboteurs into West Berlin
included the warning that Moscow

would be held strictly accountable
for any interference with US rights
in West Germany. The promptness
and strength of the statement sug-
gested, perhaps for the first time
in these days of mounting tension,
that the Russians may at last have
overdone their truculence and
made it apparent that there can
be no "negotiation" with an anta-
gonist who rewrites historic agree-
ments to suit himself as he mounts
his aggression.

As opposing forces, armed with
rifles and machine guns and back-
ed by tanks, face each other across
the Red-erected barricades of Ber-
ed by tanks, face each other across
the Red-erected barricades of Ber-
that only the Western firmness of
braver days — as demanded by
General deGaulle — can prevent
World War III.

From State Capitol

Austin, Texas — Gov. Price
Daniel, pointing to the record of
most other states that have a
general sales tax, warns Texans
that without concerted efforts to
shave state spending the Texas tax
could grow to three or four per
cent in the future.

More than that, he said unless
there is "prudent economy and
reorganization of state funds and
services," a state income tax might
become law.

To make his point, Governor
Daniel reported that two thirds
of the 34 states that have general
sales taxes have increased the rate
to three per cent or more, and
there are now four states charging
4 per cent sales tax.

Meanwhile State Comptroller
Robert S. Calvert is being swamp-
ed with questions about the new
tax. After checking with other
states which have pioneered in this
field, he has become reconciled
to the likelihood that confusion
will reign for some time to come.

A spokesman for his office point-
ed out that "California and Illi-
nois got a sales tax in 1933, and
they're still issuing rulings."

Duck Hunting Season Set —

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Sept. 1, 1932

O. W. Smith was swept into office a tax assessor of Crockett Co. for the seventh consecutive term in balloting Saturday in the run-off Democratic primary. Smith beat out W. M. Johnigan by 50 votes for the post. This is the second time Smith and Johnigan have been matched in run-off, Smith winning two years ago by three votes.

A dogged campaign to swamp Fergusonism in Crockett county and to put this county on the side of anti-proxy government for Texas, produced results Saturday when Ross S. Sterling was favored 3 to 1 by Crockett voters over Miriam A. (Ma) Ferguson for governor. Mrs. Ferguson, however, won over Sterling statewide.

Congressman R. E. Thompson of El Paso, who was overwhelmingly re-elected to a second term in Congress from this district in the first Democratic primary, expressed appreciation for the Crockett county vote in a letter received by the Stockman this week.

After a week or more of inter-

mittent showers, the rain gods got down to business Tuesday and Wednesday and as a result nearly the entire livestock raising section of West Texas has been soaked by bountiful rains. The two-day fall here had amounted to 2.4 inches.

Contracts for grading and drainage structures on approximately 24 miles of Highway west from Ozona will be let at the meeting of the State Highway Commission Sept. 19.

Everything points to one of the most successful school years in history. Supt. John Bishop said this week, as he announced the opening date as Sept. 12 for the 1932-33 term.

Mr. and Mrs. Bryan McDonald and children returned Saturday from a visit with relatives in Canyon and Hereford.

Miss Elizabeth Perner returned Friday from Alpine where she has been attending Sul Ross State

College summer session.

Mertzon and Ozona baseball teams battled to a draw in a ten-inning game in Mertzon Sunday, the game being called after the 10th inning with the score tied 5 and 5. The two teams are matched for a play-off here this afternoon. If the roads are passable today the game will be played but unless the weather has definitely cleared, the match likely will be postponed.

Mrs. Gus Grimmer of Hous-

returned to her home after a visit here with her sister, Mrs. J. T. Keeton.

and Mrs. Schulz, Mrs. J. P. Pogue, Mrs. Lee Worthington, and Mrs. Sam Patterson, also were in attendance.

The Ozona Woman's Club voted to sponsor the Trinity University Players who presented Miss Virginia Gear of San Antonio in the title role of "Junior Miss." They were honored in the homes of club members and friends.

A talk by Mr. C. S. Denham, superintendent of schools, on industries of Texas featured the Texas Day program in the home of Mrs. Charles Williams. Several musical numbers by Mrs. L. B. Cox III were enjoyed by the members.

The year closed with a garden party at the home of Mrs. W. E. Friend, Jr. Mrs. L. B. Cox, Jr., gave review of "The World in Your Garden" from the National Geographic Magazine article. Mrs. Hubert Baker gave a report on the TFWC Convention in Austin and presented the club an award for being 100% subscribers to the Texas Club woman.

Special projects were investigating the marking of streets, which the committee found that been named in the deeds where Ozona was founded. Gifts of \$5 to the Gonzales Warm Springs Foundation, \$5 to the TFWC Clara Riscol Memorial Fund, \$10 to the March of Dimes Fund, \$25 to buy plants for the newly landscaped city park, and the club voted to use the \$25 award from the TFWC War Service Department to buy a flag for the city park.

The same group of officers assisted Mrs. Robison in her second year as president. There were two new members, Mrs. R. H. Schmuck, and Mrs. Jack Holt. Mrs. Lee Childress became an associate member and Mrs. W. E. West was voted to become an honorary member. Mrs. H. W. B. Montgomery was added to In Memoriam.

The topic of study was "The World and It's People under the direction of the program chairman Mrs. W. E. Friend, Jr., and the committee.

The year opened with a President Day luncheon in the Granny Miller Hall of the Church of Christ to honor the president Mrs. P. T. Robison. She spoke on Peace, and Mrs. A. C. Hoover discussed "What Other Federation Clubs are Doing in observation of Federation Day.

Guests were Mrs. Frank Friend of San Angelo who read several poems including some of her own, and Mrs. Pearl McKee Perner of El Paso.

The Fine Arts program with an exhibit of works of local artists was in the home of Mrs. Ira Carson. Talks were by Mrs. J. W. Henderson, Jr., on How the Average American Can Enjoy Paintings; Mrs. L. J. Epperson a guest, on How the Average American Can Enjoy Antique; and Mrs. W. E. Friend, Jr., on How the Average American Can Enjoy Good Music. The club voted to again sponsor the Trinity University Players as an Art Project.

The home of Mrs. L. B. Cox, Jr., was the scene for the study on Government. Speakers were Mrs. Hubert Baker on "Do Campaigns Really Change Votes", and Mrs. Joe Pierce on "The Two Parties". Mrs. A. E. Deland on "We Women Throw Our Vote Away." Guests were Mrs. Mamie Fox of Lampasas and Mrs. Volker.

Miss Eudora Hawkins of Abilene was the guest speaker on a study of International Affairs also showed a film, for the day program which met in the Granny Miller Hall with the entertainment committee as hostess.

The club met in the home of Mrs. Max Schneemann for the study on Religion. Mrs. Hugh Childress spoke on "God's Underground in Russia" and Mrs. Walter Clendenen discussed "Moral Forces in World Affairs."

Other programs were Christmas, Health, American Home, and Education. The club voted to endorse Mrs. J. Howard Hodget of Midland for state president. Mrs. Hubert Baker and presented a gift of appreciation, as she moved to San Saba.

Mrs. Lowell Littleton was delegate to the Sixth District Convention in San Antonio. The Civic Committee with Mrs. B. B. Ingham

of chairman, was appointed by Mrs. Robison to investigate the hospital project.

Other programs were Texas Day, Citizenship and People are People the World Over. The year closed with a garden program in the home of Mrs. Lee Childress. Mrs. Ira Carson talked on the recent trip to Southern Gardens, and Mr. Allan Saunders discussed how to have a good lawn in Ozona. Mrs. Robison the retiring president gave a report of the year's work and was presented a gift of appreciation. Mrs. A. C. Hoover conducted the Installation.

Special projects for the year were donations of \$5 to the Concho Federation Council, \$5 to Gonzales Warm Springs Fund, \$5 to TFWC Golden Jubilee Fund, \$1 to Perry Cunningham Fund, \$2 to Penny Art Fund, \$10.30 to TFWC Fund for the President Mrs. John Perry of Sweetwater, \$5 to help provide TB tests for school children, and \$100 to the County Hospital Fund.

Mrs. Robison was one of the 41 Texas women to attend the General Federation Convention in Miami, Florida.

Pearle Robison, "Mrs. Pinkie" as she was affectionately called by her friends, was the daughter of Mr. Jones Miller and his wife Amy S. Wills Miller who came to Crockett County in the early days from Bell County, and settled near Emerald. Though born in Bell County, she was very young when she came with her family who later moved from Emerald to Ozona for school. She also attended San Angelo Business College. Ozona was the place of her marriage to Mr. Pinkney Thomas Robison. They lived on the old Miller ranch south of Ozona which was located on the old Chihuahua Trail. Later moved into Ozona to school their children who are Louis Miller Robison who ranches near Marfa, Texas, Blanche now Mrs. C. O.

Walker and Hazel (Totsy) who is Mrs. Fred Hagelstein, both of Ozona.

Pearle Miller Robison was an enthusiastic club woman, saying many times that it was the equivalent of a college education. She so enjoyed attending the District, State and General Conventions, especially the four General meetings in Boston, Minneapolis, Houston and Florida, treasuring the friends she made. She was hoping to attend the General in Manila, when her health made the trip impossible. Under Mrs. Cantrell, she served as District Chairman of Nutrition, and held many local offices.

Mrs. Robison was a devoted and life-long member of the Church of Christ, always present unless ill, and was "Big Muddie" to many. Her personal hobbies beyond her home, family and church, were visiting with her friends, for she truly loved people being very tolerant and understanding; also her desire to see old Fort Lancaster made a park with at least some restoration; also urging women to use their vote.

Mrs. Robison was added to the club list of In Memoriam, and the guest day program of the fiftieth year book was in tribute to her. She is buried in Cedar Hill Cemetery.

MRS. RONALD LEWIS BERRY
— nee Miss Genelle Childress

Miss Genelle Childress Becomes Bride Of Ronald Berry In Ceremony Saturday Evening In First Baptist Church Here

Miss Genelle Childress, daughter of Mr. and Mrs. Pleas Leasel Childress of Ozona, became the bride of Ronald Lewis Berry, son of Mr. and Mrs. Wilbur J. Berry of Grand Prairie, in a ceremony Saturday evening in the First Baptist Church of Ozona.

The Rev. Clifton Tennison of West Monroe, La., former pastor of the local church, performed the ceremony. Mrs. Harry McClintock of Midland, harpist, and Mrs. Duwain Hughes of San Angelo, organist provided nuptial music.

The bride's attendants were Miss Cynthia Cousin of Dallas, maid of honor, and Miss Lucille Childress, sister of the bride, maiden of honor.

They wore full length gowns of Indian gold, the back being accented with a folded bow and long floral panels. They carried circles of gold daisies with touches of wheat.

Bridesmaids were Miss Louise Cummings of Los Angeles, Calif., Miss Sandra Williams of Galveston, Miss Frances Childress, Miss Linda Millsbaugh, Miss Virginia Jeter of Shreveport, La., and Mrs. Gary C. Martin of Sacramento, Calif.

Best man was Michael Mills of Grand Prairie. Groomsmen were Kim O. Becker of Denver, Gary C. Martin of Sacramento, L. O. Satterfield of Houston, David Earle of Grand Prairie, Niels Anderson of Larchmont, N. Y., Pleas Leasel Childress III, brother of the

bride, and Vernon Yoshioka of San Diego, Calif.

Ushers were Joe Clayton, R. E. Hardberger of Beaver, Okla., and L. M. York of Grand Prairie. Candelighters included David Childress and Scottie Henderson, both bride's cousins.

The bride, given in marriage by her father, wore a long gown of white silk peau de soie. The moulded bodice was fashioned with a wide decollete neckline and the tightly-fitted sleeves extended to petal points over the hands. Tiny covered buttons fastened the back of the gown and a hand-rolled cord defined the waistline. The pleats swept to a wide chapel length train.

Her veil was a panel of Belgian princess lace and extended the length of her train.

Mrs. Berry is a graduate of Ozona High School and Pine Manor Junior College of Wellesley, Mass. She is a senior at the University of Texas where she is member of Kappa Alpha Theta Sorority.

The bridegroom is a graduate of Grand Prairie High School and was an honor graduate of Massachusetts Institute of Technology. He is doing graduate study and research at the University of Texas in aero-space engineering.

After a wedding trip to New Orleans, the couple will be at home in Austin.

A garden reception at the home of the bride's parents followed the

ceremony. Guests were ushered to the illuminated garden by Jan Hardberger of O'Donnel, Katrina Hardberger of Morton and Ann Hardberger, Beaver, Okla. Greeting the guests in the garden proper were Mr. and Mrs. Lowell Littleton. In the receiving line were Mrs. Childress, Mrs. R. E. Hardberger, grandmother of the bride, Mrs. Berry, mother of the groom, the bride and groom, and the bridesmaids. A second line across the garden was made up of Mr. Childress, Mr. Berry, Dr. and Mrs. Tennison and the groomsmen.

The bride's table in the center of the garden was laid with an elaborate embroidered cut-work cloth. Flanking the four-tiered cake were silver candelabra, garlands of smilax and white roses extending to the two silver punch bowls on either end of the table.

Serving punch were Mrs. Grady Mitcham of San Angelo, Mrs. R. E. Hardberger, of Beaver, Oklahoma, Mrs. Billy Hardberger of Lamesa, aunts of the bride, and Mrs. Joe Clayton. The bride's cake was served by Mrs. John Childress and Mrs. Homer Hardberger, aunts of the bride, Mrs. Kem Beckler of Denver, Colo., sister of the groom and Mrs. C. H. Jeter of Shreveport, La.

The groom's table was placed in front of a pyroantha wall and decorated with white grapes and white and green caladium leaves in a silver epergne Mrs. Roy Henderson and Mrs. Johnie Henderson, great aunts of the bride, Mrs. L. M. York, Jr., and Mrs. D. J. Earle, of Grand Prairie, and Mrs. T. J. Bailey were at the groom's table.

On the west terrace, coffee was served by Mrs. Floyd Henderson, great aunt of the bride, Mrs. Harry Halcomb of Midland and Mrs.

Sidney Millsbaugh, Jr., The east terrace coffee service was presided over by Mrs. Walter Cousins of Dallas, and Mrs. Bailey Collins of Wichita Falls.

At the bride's book were Mrs. Max Elliott of Kansas City, cousin of the bride and Miss Gwynel Walker. An espaliered lemon tree was an outstanding decoration near the registration table.

Others assisting in the reception were: Mmes. Lee Childress, Hugh Childress, Jr., Graham Childress, George Bunker, W. A. Childress, James Childress, W. E. Friend, George Bunker, III, Clay Adams, J. B. Miller, Marshall Montgomery, Fred Hagelstein, C. O. Walker, W. B. Stokes, Nip Blackstone, Vic Montgomery, Ewart White, Charles Garlitz, Roy Thompson, Joe Bean, Arthur Phillips, J. M. Pierce, IV, Harry Trulove, Truman Hutson of Lubbock, Neville Smart of Rocksprings, Otto Knutson, Irving Bush of Waco and Clifton Brooks of San Angelo, and Misses Diane Phillips, Carolyn Mayfield, Sarah Hicks, Kathryn Weaver of Lubbock and Camille Adams.

Passing rice bags were Melissa Hardberger, Shelley Jones, Teresa Trulove and Virginia Henderson.

Mr. and Mrs. John Childress and

Mr. and Mrs. Grady Mitcham of San Angelo were hosts at a rehearsal dinner Friday night. The serving table featured a bouquet of flowers embedded in a crystal square of ice. Crystal candelabra lighted the tables. White and green fresh grapes lay in a garland of smilax up and down the tables. The head table, with all the wedding party seated at it, was decorated in a similar way, except that yellow flowers like those to be carried in the wedding were added.

Fifty five guests were present.

The Joe Clayton home was the scene of a luncheon Saturday when four hostesses entertained the wedding party and out of town guests and relatives.

Hostesses were Mrs. Clayton, Mrs. Lowell Littleton, Mrs. Miller Robison of Marfa and Mrs. Teddy Russell of San Angelo.

The bride's colors of red and white were carried out at the table where she was seated with her attendants. The table was cov-

ered with a yellow organza cloth and centered with three white compotes holding white carnations and lilies. Seventy-five guests were present.

(Full account of other parties the last week complimenting Mrs. Childress will appear in next week's Stockman.)

Notes From The City Agent's Office

Pete W. Jacoby

men should take a look at ranching operations and plans for adjustments in rates so they may be able to extend their range. Extension range specialist, Texas A&M College, should be deferred until after the fall-produced hay is much better than seed and at other times during the year.

Most cases ranchmen can set rotation grazing system without doing any additional work, but some adjustments in numbers need to be made. Pastures will not be grazed.

man says that grasses should be grazed for at least six weeks before seed heads are produced. The grass should be time to restore itself after grazing and to cure and tramp.

OZONA STOCKMAN

Accurate and Complete

RANCH RECORD

Are More Important

Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.
