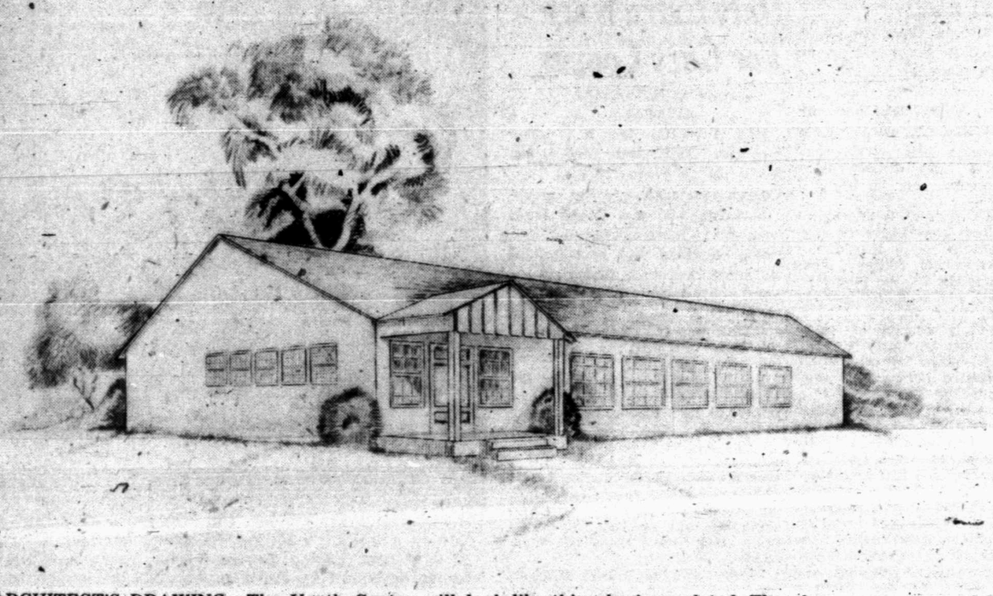
Evenings



ARCHITECT'S DRAWING—The Youth Center will look like this when completed. The plans were approved Friday afternoon by the Community Council, which was recently organized to sponsor the project. Donated by the E&L Planning Service, the specifications provide for a 40 by 40-foot auditorium, a 20 by 30-foot lobby and game room, rest rooms, and a snack bar. The overall dimensions of the building will be 40 by 60 feet with an additional 40 by 60-foot slab of concrete adjoining it in back for temporary use as a summer patio and for a foundation for future expansion. The cost of the building is not yet known. Some of the building materials will be donated by material supply houses and lumber companies, and some contractors have agreed to give part of their time to its erection.

Truman States Russians "Flouted" Charter of UN

By JOHN M. HIGHTOWER
AP Staff

WASHINGTON, May 22. — President Truman today assailed Russia's boycott of the United Nations over the Chinese Communist issue as a "willful flouting" of the UN charter.

He told Congress the world organization is sensibly carrying on "businss as usual."

The chief executive attacked the Russian refusal to attend UN sessions with Chinese Nationalist delegates, in a report to Congress in which he also said that the year 1949 produced a tightening of the East-West conflict.

SPECIFIC CHARGES

After reviewing numerous specific issues on which he said the Soviets blocked constructive action in the UN last year, Mr. Truman declared:

"The year ended with a deepening of the tension which has marked international relations throughout the postwar period."

He said this was true for many reasons—which still hold good in the middle of 1950. Among them he listed failure to agree on an atomic control plan, failure to progress toward ending the armaments race, and the tendency of the Soviets, while blocking German and Japanese peace settlements, to isolate themselves increasingly from the rest of the world.

NOTES POSSESSION

In this connection, the President noted for the first time in a United Nations report that Russia now has "possession of the atomic weapon." He gave the world the first official Western report last Sept. 23 when he announced "an atomic explosion" had occurred in the Soviet Union.

The UN report was prepared by the State Department and Mr. Truman submitted it to Congress with a letter setting forh his personal views.

Heart Attack Is Fatal To H. C. Ellerd, Commissioner

Henry Charles Ellerd, 53-year-old county commissioner for Precinct No. 4, died last night of a heart attack at the Snyder Hospital, following an illness of about two weeks.

Funeral services will be held at 3 o'clock tomorrow afternoon at the Church of Christ on Twenty-fifth Street with Mr. Boyd Fanning, minister, officiating. Interment will be at the Snyder Cemetery.

Mr. Ellerd was born near Dunn Sept. 16, 1896, moving to his farm near Hermleigh about 10 year ago, where he farmed until his term as county commissioner began Jan. 1, 1949. He had no previous public offices but was a candidate for re-election.

County Commissioner who died last night—Henry C. Ellerd.

He is survived by his wife, Mrs. Rollie Ellerd; a daughter, Mrs. Leora Slater, of Brownfield; three sons, Arlon, Ellerd Plainview; Walter Ellerd, Snyder; and Waymon Ellerd, of Shreveport.

Others survivors include nine brothers, Oscar Ellerd and Thomas Ellerd, of Petersburg, Tex.; Finas Ellerd, John Ellerd, and Bill Ellerd, of Portales, N. M.; Arthur Ellerd, of Throckmorton; Paul Ellerd, of Plainview; Silas Ellerd, of Phoenix, Ariz.; and Joe Ellerd, of Seagraves, Tex.

Mr. Ellerd also leaves five sisters, Mrs. J. H. Benefield, of Plainview; Mrs. Carlos Belcher, Phoenix, Ariz. Mrs. Audrie Thomas, of Kansas; Mrs. R. A. Daugherty, Hot Springs, N. M.; and Mrs. Ruth Crabtree, of Hermleigh.

New Arena Is Being Built For Rodeo in July

The 14th annual Scurry County Rodeo is expected to be the largest cowboy event ever held in Scurry County, according to O. D. McGlaun, secretary-treasurer of the Scurry County Rodeo Association.

The rodeo grounds are being moved this year to the new location 2 miles west on the Lamesa highway from the old location in the northeast part of town. The association has purchased 43 acres of land for the arena and plans call for a seating capacity of 3,500. The building of the arena has started and is expected to be completed the first of July.

Started in 1937, the rodeo has grown from year to year until it has become one of the big events in this area. This year the rodeo will be held on July 19, 20, 21, and 22. There will be parades and dancing plus other entertainment.

Nine contests are expected to be held including wild cow milking, calf roping, junior ribbon roping, steer roping, junior steer riding, steer riding, bronc riding, bareback riding, cutting horses and the senior sponser contests. The roping events are open for amateurs only and anyone entering a senior event is barred from the junior events.

The association officials this year are J. O. Stimson, president; Turner Forrest, vice-president; O. D. McGlaun, secretary-treasurer; Bill Riley, arena director; Hugh Taylor, George Parks, and Billy Boren, directors.

Live Grenades Still A Danger In South Amboy .

SOUTH AMBOY, N. J., May 22. (AP) — Blasted South Amboy returned to business-as-usual today, but Army officials said it would be three to four days before the danger of live shells is removed.

Demolition squads combed the waterfront area and the mile-square city for shells and fuses night's blast disaster.

Lt. Hugh Casey, in charge of the demolition team, warned there would be more blasts as mines are detonated.

He said more than 3,000 mines already had been picked up in the wreckage of the week-end disaster that took 27 lives.

SCHOOL HOLIDAY

School children were on a holiday, their classrooms damaged beyond immediate repair.

Officials said there would be no more classes this school term, but seniors would be graduated despite incompleted courses.

Cheerful shopkeepers turned to their boarded up stores in the business district this morning and carried on as usual behind scenes of debris and wreckage.

The state of emergeney continued, with Army, state police and Red Cross units still on the job.

Police said there were no hardship cases and no residents suffered from lack of food or shelter.

All were joining in the big clean-up program.

FIRE SMOULDERS

The remains of a 20-ton phosphorous fire, which flared up yesterday, smouldered near the dock, scene of the explosion Friday night.

Four barges, laden with munitions en route from Newark, O., to Pakistan, exploded Friday with a roar heard across the state. The blast left a death toll of 27, wrecked the waterfront of this port 21 miles southwest of New York, injured 350 persons with flying glass in all parts of the town, and did property damage estimated at $7,500,000.

The phosphorous fire startled residents anew as a fast-spreading blaze zigzagged through about 50 drums, raising a pall of ominous white smoke over the stricken city.

Sun Oil Company Will Build Pipe Line Through Scurry

The Sun Oil Company is buying rights of way in Scurry and Kent Counties and will build a pipe line from a point approximately one-half mile southwest of Clairmont, point roughly two miles west of Snyder.

Pipe line connections will be made from the Snyder area to has a 6-inch line running from Colorado City to Jamison from which point most of the company's West Texas production will be piped to Port Arthur and other coast-a points.

The company also plans constructing a main line pumping station with tankage, 3 1-2 miles southwest of Snyder ..

Democrats Name Haskell O. Beard County Chairman

Haskell O. Beard, coordinator of the county Veterans Vocational school, was named executive chairman of the Scurry County Democratic association at a meeting of precinct chairmen Saturday afternoon.

Beard assume the duties of R. K. Williams, who recently resigned as superintendent of Hermleigh schools to take a similiar position in Bexar county.

Democratic precinct chairman of Scurry County include Frank A. Wilson, A. J. Kuss, Sr., Charlie Bley, Joe Monroe, Charles E. Eastman, Frank White, J. T. Briggs, M. K. Maples, The Rev. M. W. Clark, M. C. Dunn, Mrs. Georgia Martin, Jessie Hardin, Henry Callis, Mozell Roggenstein, T. M. Theriga, T. J. Sterling, M. W. Bayousett, R. D. Parks, O. C. Hess, J. O. Leech and Jeff Brown.

British Labor Regime May Try To Continue Rule

LONDON, May 22. (AP) — Britain's Labor government chiefs indicated today they may water down their Socialist projects and try to rule for at least another year with their skimpy majority in parliament.

The party strategy, details of which are still secret, was mapped at a week-end meeting of Prime Minister Attlee, top cabinet ministers, trade union leaders and spokesmen for the co-operative movement.

When the talks ended labor leaders let the news leak they were ready for an election at any time—but as some laborites see it the next national election may be put off until as late as the autumn of 1951.

There is always a chance, however, that Winston Churchill's Conservatives can force a new election sooner by taking advantage of a sudden surge of illness that might upset labor's six-vote majority in commons on a major issue.

Sixteen Persons Die Violent Deaths

By The Associated Press

Highway mishaps accounted for 10 of the 16 violent deaths reported in Texas during the week end.

Another person was drowned, one died in a plane crash, two died from a gunshot wound, an infant died of suffocation, and one died in an explosion.

Coal Spokesmen Say Oil Imports Injure Industry

WASHINGTON, May 22. (AP) — Spokesmen for coal miners and operators urged Congress today to curb oil imports which they said are causing thousands to lose their jobs.

D. T. Buckley, of the National Coal Assn. and Thomas Kennedy, vice president of the United Mine Workers, protested at a Senate labor subcommittee hearing that foreign oil is being dumped at unfair prices.

The equivalent of a year's work for 50,000 miners in the bituminous coal industry is being destroyed by foreign oil at the current rate of importation," Buckley said.

Kennedy said that 100 million barrels of residual oil—that is, oil used for fuel or industrial purposes—was imported last year and either put 25,000 coal miners out of work or reduced their work week. He said the oil was marketed "at ridiculously low prices."

Buckley estimated last year's oil imports cost 25,000 miners and 25,000 transport workers their jobs and said these figures could be doubled in 1950 if the present trend continues.

They testified at the opening of the subcommittee's hearing on a resolution by Sen. Neely (D-WVa) to investigate the causes of "increasing uneployment" in the coal, railroad, oil, zinc, lead and silver industries.

Kennedy said that if the present flow of imported oil continues and increases, "as the prospect seems to indicate, we shall witness a complete disrupting and revamping of our American fuel pattern."

Production From McDonnell Well And Lynn Wildcat

The Esperado Mining Company and Associates No. 1 McDonnell, Central-Northwest Scurry County wildcat one mile north and the same distance west of the nearest completed producers from the Canyon Reef lime on the northwest side of the Kelley-Snyder field, has been completed for a tabulated 24-hour potential of 627 barrels of pipeline oil.

The completion test was flowing through a one-quarter-inch tubing choke.

Flowing tubing pressure was 700 pounds. Casing pressure was 800 pounds.

The production is from open hole between 6,775 feet and 6,936 feet. That horizon had been treated with 4,000 gallons of acid. There was no formation water.

Top of the Canyon Reef is at 6,748 feet, which is on a datum of minus 4,227 feet.

This important extender is 8 miles northwest of Snyder and 467 feet from south and east lines of the southwest quarter of section 336, block 97, H&TC survey.

PRODUCER IN LYNN

Lynn County's first commercial oil well, Magnolia Petroleum Co. No. 1 Garga Cattle Co., has been officially completed as a discovery for a new field.

It finished for an official railroad commission test of 244.61 barrels of 42.2 gravity oil. This potential test was blowing through a 24-64th inch tubing choke from pay at 8,615-8,630 feet in the top of the Pennsylvanian lime.

Gas-oil ratio was 767-1. The pay section had been washed with 250 gallons of acid. No formation water was developed.

The new producer is in the southeast corner of Lynn County and is 14 miles east of O'Donnell. It is 1,980 feet from the south and 660 feet

Plans for Youth Center Approved by Council

Building plans for the proposed Snyder Youth Center, drawn without charge by E&L Planning Service, were unanimously approved Friday afternoon by the Community Council, recently organized to sponsor the project.

More than nine local lumber yards and other material supply houses have agreed to donate materials for construction of the building, which will be built on a 200 by 300-foot plot of ground given by the VFW and American Legion in the VFW Memorial Park.

Several contractors have promised to give certain phases of work. Two dirt contractors, Howard Shaw and Dewey Everett, have volunteered to do the land work. Mr. H. McKinley, Snyder plumbinig contractor, has offered his services in the plumbing of the building.

Some of the plumbing materials have been donated by the City Plumbing Co., and the Snyder Plumbing Co. Part of the furniture for the center will be donated by the Town and Country Furniture Co.

Radio broadcast time has been donated by KSNY for the promotion of the project. Other material and financial gifts include 50 gallons of paint and about $100 which was given through the Youth Center fund at the Snyder National Bank.

Dale Rains, G. L. McClain, and Sam Roberts, carpenters, have offered some labor time, and it is expected that other carpenters will also join in helping to build the structure.

Lumber companies offering to supply some of the necessary materials include Arkmo Lumber Co., Forrest Builders Supply, Stone Lumber Co., William Cameron & Co., Kenner Lumber Co., Scurry County Lumber Co., Economy Lumber Co., and Boren Lumber Co.

Mrs. J. B. Nowlin, originator of the Youth Center proposal, has been contacting business firms regarding these and other donations. E&L Planning Service will assist in solicitation contacts for the project.

The council agreed to meet again at 5 o'clock next Friday afternoon at the First Christian Church.

SOVIET SHOWDOWN

BERLIN, May 22. (AP) — British officials reported today that Soviet zone border control authorities had tightened their slowdown on Berlin's barge traffic by halting four coal barges imbound from West Germany.

Baby Bawls Before Birth

ARTESIA, Calif., May 22. (AP) —Little Lynn George has a distinction few babies can claim. She cried before she was born, says the doctor who delivered her.

Born yesterday, the child cried six minutes before actual delivery, Dr. Clifton N. Brakensiek reported. He said the medical rarity occurred because the baby was face up, instead of face down, and an air pocket formed to keep the baby from drowning in the fluid.

Both the attending nurse, Faith M. Fisher, and the mother, Mrs. Earl George, 27, under spinal anesthetie, also heard the cries.

Margaret Truman Cancels Concerts

LOS ANGELES, May 22. (AP) — Margaret Truman has canceled her July concert appearances and will not sing publicly this summer.

James Davidson, head of the New York agency which handles her bookings, said there yesterday that the President's daughter has asked to be relieved of scheduled appearances at Robin Hood Dell, Philadelphia, and Lewisohn Stadium in New York.

Miss Truman, "for personal ressons," plans no concert bookings until October, Davidson said.

Service Groups Have Access to Clubhouse

In a meeting of the Board of Directors of the Snyder Country Club Friday evening it was decided that all local service and civic organizations would have access to the clubhouse for their meetings.

Organizations wishing to hold meetings at the clubhouse should contact Tom M. Deffebach, club secretary-treasurer, for information, it was announced.

Members of the board of directors are C. T. McLaughlin, president, Mrs. Edith McKanna, vice-president, Deffebach, secretary-treasurer, Donald Ray Scott, John Sentell, Wayne Williams, Nolan von Roeder and Carl Herod.

Mass Funeral Rites For Mine Victims

GELSENKIRCHEN, Germany, May 22. (AP) — City officials made plans today for mass funeral services for 63 coal miners killed in an explosion half a mile underground Saturday.

Investigators blamed the blast in the Dahlbusch mine on an accumulation of gas known as firedamp. Thirty other miners were injured.

Sinatra Silent

NEW YORK, May 22. (AP) — Frank Sinatra didn't want to talk about screen star Ava Gardner when he arrived from Europe by plane yesterday.

The singer made a quick round-trip to Europe that took him to Spain, where Miss Gardner is making a picture.

When asked about reports that he and Ava were romancing, he declared, 'No comment."

Sinatra said he would stay in New York to prepare for a television show with Bob Hope Saturday, and then fly to Hollywood to visit his wife and children.

In London, on his way home, he denounced as a "vicious lie" the eport of a romantic triangle involving him, Miss Gardner and Spanish Bullfighter Mario Cabre.

'Inevitable Harvest' Is Theme At Baccalaureate Services

Baccalaureate services for 65 members of the 1950 Snyder High School graduation class were held last night before a capacity audience in the High School Gymnasium. The Rev. William A. Casseday, pastor of the First Presbyterian church delivered the sermon.

Using the scripture "What seed a man sowth, that shall he also reap", Mr. Casseday pointed out to the graduating students that a person's harvest shall be the same kind as planted".

Basing his sermon on the "Inevitable Harvest", the Presbyterian minister said, "the harvset shall be greater than the planting. Sins that men plant through life always bring a harvest," he concluded.

Mrs. M. M. O'Rear gave the processional and recessional. The invocation was made by the Rev. W. W. Adcock, pastor fo the First Baptist Church, gave the benedic-E. K. Shepherd, pastor of the First Methodist Church, and the Rev. J. K. Shepherd, pastor of the First Baptist Church gave the benediction.

A quartet, composed of Jolene Vance, Wanda Jean Rainwater, Marlene McInis and Islasu Blakely, sang "Prayer Perfect". The high school chorus, under the direction of Mrs. O'Rear, sang "Holy, Holy, Holy," followed by a solo, "Just for Today," by Bobby Adams.

Graduating exercises for the class will be held at 8 o'clock Friday night in the High Schol Auditorium with Dr. D. M. Wiggins, president of Texas Technological College, as the principal speaker.

Mayor Forrest Sears observes progress being made by the Sherman Iron Works of Oklahoma City on a new ground storage tank north of city. An elevated tank recently completed at the same site by Chicago Bridge and Iron Co. was tested for leaks last week and is now incorporated into the general distribution system.—(Staff Photograph).

McCarthy Says His Charges Being Poorly Investigated

By MARVIN L. ARROWSMITH

WASHINGTON, May 22. (AP)—Senator McCarthy (R-Wis) said today the Senate committee investigating his charges of communism in the State Department is doing a "foul job, and deliberately." He suggested the work ought to be turned over to others.

But it would be only a "senseless gesture" to give the job to an independent commission or anyone else without also giving the investigators full access to government files, McCarthy said.

McCarthy's charges that the State Department is infiltrated with Communists and Red sympathizers are being investigated by a Senate Foreign Relations Subcommittee headed by Senator Tydings (D-Md).

The committee is checking state department loyalty files on 81 cases cited by McCarthy as bad security risks. After once refusing, President Truman reversed himself and allowed the group to see these files. McCarthy has declared the committee must also be given access to FBI files if his charges are to be proven.

Another Senate investigation into possibly security risks—this one concerned with federal employment of sexual perverts—is about to get under way.

Senator Wherry (R-Neb) said the investigators will have records of the Washington police, now impounded.

Wherry and Sen. Hill (D-Ala) conducted a preliminary investigation which prompted a Senate appropriations sub-committee to vote last week for a full-scale study of the situation. They quoted police officials as estimating there are about 3,750 homosexuals in government jobs in the nation's capital.

Such perverts are regarded as dangerous security risks because they generally are easy prey for blackmailers. Both Hill and Wherry have stressed that Communists in the role of blackmailers could do real damage to the nation.

"We have a lot of material which did not go into our report to the subcommittee," Wherry told a reporter. "We impounded all the police department records on the matter, and all of those will be handed over to the committee which continues the investigation."

Vice President Barkley is expected to announce soon which Senate commitee will get the investigation resolution introduced by Hill on behalf of all the members of the appropriations unit.

Course in Home Upholstering

START WITH A CHAIR . . . Remove worn seat, first unscrewing from frame.

REMOVE OLD FABRIC . . . Also all old cushioning. Inspect webbing and repair.

MARK SHAPE OF SEAT on 1-inch foam rubber sheet, using pencil or crayon.

NOW CUT IT OUT . . . Use sharp scissors and bevel back edge for smooth fit.

APPLY TACKING TAPE . . Spread rubber cement along edges, then apply tape.

TACK IT ON . . . Place seat frame on lastex foam, pull tape over ledge and tack.

APPLY NEW FABRIC . . . First cut pattern from old fabric, then tack in place.

FINISHED PRODUCT . . . Your new seat is complete—just replace in chair.

Texas Airplane Accidents Claim One and Injure Six

DALLAS, May 22. (AP) — One person was killed, six injured and another escaped injury in four separate airplane accidents in Texas over the week end.

Donald Dwight Crawford, 26, of Tatum, died in the crash of his home-made plane at Kilgore yesterday.

Arthur J. Perry, 35, and his wife, Leia Mae, 30, were injured seriously when their rented craft crashed at a Dallas airport yesterday. The couple was en route to Greenville.

Four other persons were slightly injured when a plane nosed over as it came in for a landing on Skyline Airport at Dallas. They were Ross Eddy, 25, the pilot Harvey Barnett, 20, Louis Locklear, 20, and Frank Beer, 25.

Lt. Edwin H. Morton of Bergstrom Air Base at Austin escaped from his jet plane Saturday night and parachuted before the craft plunged into the ground.

The homemade craft in which Crawford was killed resembled the reconnaisance planes used by artillerymen in World War I. The plane stalled at about 500 feet as it turned, apparently to begin a landing at a small private airport about 200 yards away. It plunged past a house, frightening two men on the front porch missed electric wires, hit a two-wheeled trailer and smashed about 10 feet from a crowded highway.

Missionary Is Guest At Calvary Baptist

The Rev. Alvin Marsden of Weatherford, was guest speaker yesterday at the morning and evening services of the Calvary Baptist Church.

Mr. Marsden, who will leave for Japan soon to be a missionary there sponsored by the World Fundamental Baptist Missionary Fellowship, spoke in the absence of the Rev. T. Gerald Cates, pastor, who was speaking for the Trinity Baptist Church in Big Spring.

Mr. Marsden will take his wife and infant child with him to Japan, where he will join four other missionaries being sponsored by the missionary fellowship.

AFTER LUNCH . . . FISH

CHICAGO, (AP) — Rudy Seifert ate his lunch in Humboldt park and then decided to use the lagoon as a finger bowl. He dipped his hands in the water, saw something swimming close to him, grabbed it and pulled it out. It was a 31 pound carp.

At First Movies Only Extra Work For Gary Cooper

By BOB THOMAS
AP STAFF

HOLLYWOOD, May 22. — This may come as a shock to you, but it was just 25 years ago that Gary Cooper sauntered onto the screen.

Surprised? So was Coop. Or at least he feigned amazement. He finally admitted that next month will mark 25 years in Hollywood for him.

"But of course I was young," he smirked. "Couldn't have been over this high." He held his hand three feet off the floor.

Fresh out of Grinnell College, the loping Montanan migrated to Hollywood in 1925. But not to crash the movies.

"I was interested in the advertising business," he recalled. "But to pick up some spare money I did some extra work, riding and stunting in some pictures. I had run into some Montana cowboy friends of mine who were doing hte same thing.

"Well, I got into a Tom Mix picture at Fox and learned he was getting $15,000 a week. That started me to thinking. I had hoped to achieve $10,000 a year in the advertising business, but it looked pretty small after that.

"So you see I didn't get in the movies from any inward desire to express myself."

There is never any pretense about Cooper, especially concerning acting. Said he: "I didn't know anything about acting. I guess I just picked up things here and there from the directors and actors I worked with." A stickler for realism, he just likes to act naturally.

Two Snyder Youths In A.C.C. Graduation

Miss Mary Dovie Pogue and Bob McCormick will number among 237 seniors from 22 states, the District of Columbia, and two foreign counrties who will receive degrees next Monday when Abilene Christian College holds its spring commencement exercises.

Miss Pogue and McCormick will receive, respectively, the degrees of Bachelor of Arts and Bachelor of Science.

Pictured above are Mr. and Mrs. G. D. Treadway, married in a unique wedding ceremony conducted by Rev. A. C. Altum, Knapp Baptist Pastor, Wednesday evening on rig No. 8, on the Addison lease, 24 miles west of Snyder. Speedy Noble, tool pusher for the Carl B. King Drilling Co., where the bridegroom works, granted permission for the marriage to take place on the rig. Wearing a white crepe dress with carnations, the bride, formerly Ruth Elnora Vice, of Shreveport, La., was later feted at a reception at the Ranch House.—(J. Lawrence Devers Photograph).

Baccalaureate For Fluvanna Seniors

Baccalaureate services of the senior class of Fluvanna High School were held yesterday in the school auditorium.

Roy Phemuster, Church of Christ minister at Fluvanna, addressed the graduates and their guests. A quartette composed of J. M. Glass, Mrs. Fred Shafer, Bob Jennings, and Bogue Forehand, provided special music.

The Rev. Kenneth Bowker, pastor of Fluvanna Methodist Church, made the invocation, and Mert Jones gave the bendiction.

Domestic bees are estimated to gather less than a tenth of the nectar in plants.

Home Demonstration Club Meets at Union

Mrs. Charlie Eastman and Mrs. Bruce Caldwell discussed religious characters when the Union Home Demonstration club met Wednesday with Mrs. Alvin Rollins.

The club voted to have a community 42 party at Mrs. Bill Smith's last Friday night.

Mrs. H. J. Schulze won the hostess gift. Refreshments were served to Mrs. Eastman, Mrs. Moss, Mrs. Jack Wright, Mrs. Howard Hogue, Mrs. Johnnie Langford, Mrs. Lyons Mrs. H. J. Schulze, Mrs. Bill Pate, Mrs. Caldwell, Mrs. Bill Smith, and four new members, Mrs. C. L. King, Nell Stone, Mrs. Lester Gladson and Mrs. Elza Rollins.

Tri-Community Club Plans to Make Gift

The Tri-Community Home Demonstration Club voted to make a quilt for Girlstown when it met Wednesday at the home of Mrs. Hubert Robinson. The club also voted to send a flower arrangement to the Garden Club's flower show June 9.

A report on state hospitals was given by Mrs. Guy Glenn. Refreshments were served to Mrs. W. R. Walker, a visitor, and to the following club members: Mrs. C. M. Lyons, Mrs. Tom Brooks, Mrs. Glenn, Mrs. J. B. Green, Mrs. M. L. Andress, Mrs. M. T. Popejoy, Mrs. C. W. Coffee, Mrs. F. H. Patterson, and Mrs. W. M. Dabbs and son, Gaylon.

The next meeting will be held with Mrs. J. B. Green.

Methodist Circles

Three study circles of the Methodist Church met last week for programs of worship and fellowship.

The Mary Martha Circle were guests of Mrs. M. C. Newell Thursday afternoon, with Mrs. Frank Rose, co-hostess. Mrs. Frank Ficklin led the worship service with a talk on mother love. Mrs. Robert White sang "The Christian Home", and Mrs. W. W. Adcock gave a discussion on works of art dealing with the subject of Mary, Mother of Jesus. The 19 members present enjoyed fellowship following the program.

The Melton Circle met last Monday, with Mrs. Frank Patterson, hostess; Mrs. R. W. Walls, co-hostess. During the business session, the club decided to give a bake sale Saturday at the Harris Drug Store.

The Philathia Circle, meeting with Mrs. J. C. Dorwood Monday afternoon, held a business meeting, followed with refreshments.

Buddhists Decline Under Reds

HONGKING, (AP) — At least 400,000 Buddhist monks in Communist China have shed their religious garments to become laymen again, according to a Buddhist priest interviewed by the "Hongkong Standard." He said that of the 400,000, more than 200,000 young monks have been drafted into the Communist armed forces.

The remaining 200,000, the monk said, all "resigned" due to economic reasons. Since the "liberation" of the Chinese mainland, Communist authorities have pulled down most of the Buddhist monasteries and temples and confiscated their land, thus depriving them of means of making a living.

GUILD MEETS

The Wesleyan Service Guild Methodist group of business and professional women met Friday evening in the home of Mrs. R. H. Odom. Mrs. R. E. Gray told the story of Methodist missionary activities in Africa. Mrs. Bernhard Bartles led the worship. Refreshments were served and a social hour was enjoyed.

Racial Equality Predicted For Armed Services Soon

WASHINGTON, May 22. (AP) — A presidential committee predicted treatment and opportunity for all persons in the armed forces "within the reasonably near future."

MESSAGE

The committee was created by the President on July 26, 1948. Its job was to investigate rules and practices of the armed services and recommend steps that should be taken to carry out an executive order issued on the same date, in which Mr. Truman said:

"It is hereby declared to be the policy of the President that there shall be equality of treatment and opportunity for all persons in the armed services without regard to race, color, religion or national origin. This policy shall be put into effect as rapidly as possible, having due regard to the time required to effectuate any necessary changes without impairing efficiency or morale."

In its report to the President today the group said that all of its recommendations have been approved and accepted by him, by Secretary of Defense Johnson, and the secretaries of the Army, Navy and Air Force.

"They are now in effect," it added. "It is the committee's conviction that the present programs of the three services are designed to accomplish the objectives of the

TWO REASONS

The investigators said they found that inequality had contributed to inefficiency. It gave two reasons:

1. Insofar as a service refused a single Negro the technical training and job for which he was qualified, by just so much did the service waste potential skills.

2. Segregated Negro units could not be created which would perform the complete range of functions of white units, and use of the skills of highly qualified Negroes, because the majority of Negroes in the services did not have as high a level of skill and education as the majority of whites.

You do not get a man's most effective criticism until you provoke him. Severe truth is expressed with some bitterness.—H. D. Thoreau.

Only One Who Remembers First Oil Well is 95

TITUSVILLE, Pa., May 22. (AP) — Mrs. Samuel Grumbine, the only resident of Titusville able to recall the day in 1859 when the world's first oil well was brought in, is 95 today.

Mrs. Grumbine doesn't remember too much about that day or the boom period that followed. She was only four years old when Col. Edwin Drake dug his famed hole on the bank of oil creek near Titusville.

Although the discovery of oil made Titusville a thriving community, it was not for years later that the world began to realize the tremendous value of the flowing black gold. Col. Drake—whom Mrs. Grumbine just barely remembers—didn't achieve widespread fame until shortly before his death at Bethlehem, Pa., in 1880.

Jerusalem Loan Refused

TEL AVIV, Israel, (AP) — The newspaper "Hatzofeh" said Barclays Bank of London has refused to loan $1,400,000 to the City of Jerusalem "owing to the uncertain political situation in the city."

The city had planned to use the money for new development schemes. The bank did, however, announce its readiness to lend $280,000 if the loan was guaranteed by the Israeli government.

Statement of a South Texas accountant, on file at Humble Oil & Refining Co., Houston, Texas.

"Only the best motor oil is good enough for my new car. I use Humble Esso Extra"

We agree, sir, and we recommend Esso Extra Motor Oil for all modern cars.

Esso Extra gives extra protection to the engine of any car, and to new cars in particular.... Here's why: Esso Extra is the *only* motor oil that combines detergent-dispersive action with superior wetting ability, anti-oxidizing quality and highest viscosity index. This makes Esso Extra a *unique* motor oil, the *only* one of its kind, the *best* you can buy.... Change, now, to the oil that users recommend; drain and refill with Esso Extra Motor Oil at any Humble sign. Humble Oil & Refining Co.

North Carolina Vote May Indicate Truman's Strength

WASHINGTON, May 22 —A North Carolina primary this week may show in more detail how southern Democratic voters feel about President Truman's "fair deal" program.

North Carolinians vote Saturday on a three-man Senate race after a hot campaign that has revolved around the issues of communism, Fair Employment Practices Commission (FEPC) proposals and the "planned state."

Sen. Frank P. Graham, friend of the President who is described by his backers as an outstanding southern liberal, is seeking the party senatorial nomination in a race that may show how the wind is blowing nationally in some issues.

OPPOSITION

Graham is opposed by Willis Smith, Raleigh lawyer and former president of the American Bar Assn., and former Sen. Robert R. Reynolds.

Aiming his campaign at Graham, Smith has stressed the Communism, FEPC and "planned state' issues. He has said Graham let his name be used by left-wing groups which later were marked on subversive lists. He said Graham once favored a compulsory FEPC. He has attacked what he calls the "planned state" of the Truman administration.

Graham has denied that he ever was a Communist or a sympathizer. He said he is for a voluntary FEPC, but not the compulsory anti-job discrimination proposal the administration has been trying unsuccessfully to get before the Senate.

OREGON VOTE

Late returns Saturday night from Oregon showed that the Democratic senatorial candidate from that western state will be Howard Latourette of Portland, who campaigned as a "Jeffersonian Democrat." He will oppose Sen. Wayne Morse, an easy winner in his race for re-nomination by the Republicans. Morse was a 2 to 1 choice over a farmer who ran as a conservative Republican.

In Washington over the weekend, the Republicans and President Truman carried along with arguments on whether Mr. Truman wants the people to elect a "subservient" or "rubber-stamp" Congress in November.

Shower at Gleghorn Home for Mrs. Smith

Mrs. Gene Smith was honored Monday afternoon at a pink and blue shower in the home of Mrs. A. L. Gleghorn. A short program was followed by opening of gifts by the honoree.

Those present were Mrs. C. F. Landrum, Mrs. Lela Smith, Mrs. Burl Belew, Mrs. H. C. Carmichael, Mrs. Jack Hunnicutt, Mrs. Harry Kingston, Mrs. Charlie Hunnicutt, Mrs. F. J. Saindon, Mrs. Joe Belew, Mrs. Hubert Carmichael, Mrs. Glen Holder, Mrs. Marshall Gleghorn, Mrs. Sandy Holder, Mrs. Sid Miller, Mrs. R. E. Warren, Mrs. Cullen Toombs, Mrs. Bruce Kerley, Mrs. Buck Weston, and Mrs. J. G. Landrum. Out-of-town guests were Mrs. L. N. Minton of Rotan, and Mrs. Billy Smith of Hobbs, Tex. Hostesses were Mrs. A. L. Gleghorn, Hrs. Virgil Rex, and Mrs. N. L. Beaver.

First Floor Of New Church Building Is Nearing Completion

Brick masonry was completed Friday for the first floor of the new educational building of the First Methodist Church, which was started April 1.

Frame work for all partition walls and the second story floor was started today and will be completed within the next few days before brick work is again resumed, Albert Smith, of Fort Worth, general contractor, said.

The 50 by 90-foot building will contain 13,500 square feet of floor space and will cost a total of $90,600, without furnishings.

The building will have 27 Sunday School classrooms, three of which can be merged into one large room for a fellowship hall and dining room to accommodate 200 persons in banquet style. A complete kitchen will be located on the first floor, and a smaller kitchen will be built on the third floow adjacent to the Young People's fellowship hall.

To date the church has raised $45,000 in cash, and some of the remaining $45,600 has been pledged-ed. The church is soliciting cash and pledges among its membership.

W. J. Ely and Herman Doak, chairman and vice-chairman of the building committee, have called a special meeting tonight to discuss funds to complete the project. All persons interested are invited to attend.

Don Smith, of Sweetwater, is the architect for the project. Burton Brothers Electrical Co., of Snyder, and McKinley Plumbing Co., of Snyder, are subcontractors. Tom Hill, of Vernon, Tex., is construction foreman for the general contractor.

Alabama Girl, Wed At 12, Is Now A Mother at 13 Years

BIRMINGHAM, Ala., May 22. (AP) —She married when she was 12 years old. She became a mother at 13.

Mrs. Loretta Amerine cuddled her two-day old son today, while most girls her age were picking up their schoolbooks and heading for classes.

The young mother was a seventh grade student before a six-month romance ended in her marriage to Charles Amerine last Aug. 17. She won't be 14 until September.

Her husband is a 19-year-old Birmingham city employe.

B. & P. W. MEETING

The Business and Professional Women's Club will have a dinner meeting tomorrow night in the Manhattan Coffee Shop, when the club will make its charter membership roll. Each woman wishing to join the club as a charter member is requested to be present. The dinner will begin at 7:30 o'clock on the mezzanine floor.

Fish were shipped frozen in blocks of ice in 1868.

Overbeating makes for curdling, so when you are preparing whipped cream beat it only until it holds its shape. You will need four tablespoons of sugar to sweeten a cup of the cream; beat the cream until it thickens, then add the sugar slowly along with a little vanilla.

Two-Gun Woman Fails To Hit In Shot Spree

ORANGE, May 22. (AP) — A Texas woman emptied two pistols into the guest-filled home of a Louisiana night club operator last night without hurting anyone, Orange County Atty. W. E. Lea said today.

Lea said the woman showed up at the home of Claude Williams of Orange, operator of the "Showboat," a barge-mounted night club on a canal just across the Sabine River from here in Calcasieu Parish, Louisiana.

An hour earlier, said Sheriff Chester Holts, Williams and the same woman had an argument during which the woman broke an umbrella over Williams' head.

Holts said "six or eight" people were in the Williams home when the woman came back with two pistols. He said she emptied the first into the front of the house while the occupants crouched fearfully inside. She then went to a side window and fired six more shots, he said.

The woman then fled into Louisiana by car but was picked up about 15 minutes later by the radio-alerted Louisiana Highway Patrol. She waived extradition and was returned here during the night.

Parents of Rape Victim Withdraw Plea for Mercy

FORT WORTH, May 22. (AP)—The parents of William Ruthes Ray's little rape victim withdrew today their request that Ray's sentence be changed to life imprisonment.

They said they changed their minds because "we have learned that in Texas a life sentence does not mean the man will stay in the penitentiary for the rest of his life, but can get out after he has served a number of years."

Ray got a 20-day reprieve Friday, seven hours before he was to walk to the electric chair.

The reprieve was recommended by two state board of pardons and paroles members when the little girl's parents appeared before them.

The U. S. uses 34,500 tons of paper matches daily.

FLUVANNA NEWS

Mr. and Mrs. Jack Silberberg reutrned wiht Mrs. Betty Whatley from Mc Dora, N. M. Mr. and Mrs. Silberberg will visit here a few days.

Mr. and Mrs. L. P. Landrum of Lubbock visited C. F. Landrums, J. G. Landrum, and Mrs. Bonnie Landrum here Wednesday and Thursday.

Mrs. Alf Beaver is in Grand Prairie, Tex., where she is receiving treatment at Milling Sanatorium.

A. L. Odom is in Whitney, Tex., this week with his mother, Mrs. Butler, who is ill.

Mr. and Mrs. C. F. Landrum left Friday for Eagle Pass, where they will visit Mr. and Mrs. C. A. Landrum. They will also visit in Austin with Mr. and Mrs. Henry Murphy, and in Dallas, Fort Worth and other points.

Lee Lavender made a business trip to Sweetfater Tuesday.

Mass Jail Break In West Virginia Foiled

HUTTONSVILLE, W. Va., May 21. (AP) — An attempted mass break from the West Virginia Medium Security Prison here was foiled by alert guards last night, although four teen-age convicts slipped away.

State police said a "number of others" among some 50 inmates quartered in a dormitory were involved in the escape attempt. They tried to get away through a barred second-story window which they pried open after breaking the glass.

Two of the escapees were captured within an hour and a half of their flight. They were identified by State Police Capt. B. E. Wright as Leonard McCoy, 19, and Don Hopkins, 19.

Still at large were Harry Williamson, 19, and Everett Ware, 18.

The Huttonsville prison is used for first offenders and others whom the state believes stand a good chance of rehabilitation. The inmates are employed in general farm work and other vocational trades and are quartered in dormitories, rather than cells.

The largest American ice plants can make 5,000 tons a day.

Taft Will Back Remaining Truman Reorganization Plan

AP STAFF

WASHINGTON, May 22. (AP)—Sen. Taft (R-Ohio) said today he will oppose efforts to junk any more of President Truman's pending government reorganization plans.

Taft, chairman of the Senate Republican Policy Committee, led the fight against one of the five plans which the Senate has killed this month.

Resolutions aimed at knocking off five more were scheduled for Senate action today or tomorrow. First on the pending list was a move by Sen. Edwin C. Johnson (D-Colo) to veto the reorganization of the federal trade commission.

OVERTIME

Democratic Leader Lucas of Illinois said senators might have to work overtime to meet tomorrow's midnight deadline on the 21 plans sent to Congress by the President two months ago.

Presidential reorganization plans become effective 60 days after they are sent to congress unless repected by either the Senate or House.

Most of the plans stem from the program for government reorganization recommended two years ago by a bi-partisan commission headed by Former President Herbert Hoover.

Opponents of some of the plans sent up by President Truman have contended that the chief executive went far beyond the Hoover commision's suggestions. But a citizens committee formed to stump for the Hoover proposals has endorsed 20 of the 21 plans. On one — a proposal to reorganize the National Labor Relations Board — it took no stand.

SUCCESSFUL

It was that plan, which would have deprived the board's general counsel of his independent powers, which Taft battled successfully in the Senate.

The Ohio senator's announcement to a reporter that he will back the rest of the reorganization plans was expected to swing a number of Republican votes in the tests today and tomorrow. At least 49 senators, or one more than half of the 96, must vote against a plan to kill it.

"A FRIEND INDEED"

From the basement of their Maplewood, Mo., home, Mr. and Mrs. Harold W. Ross run a thriving chicken hatchery business. Says Mr. Ross: "Never realized how our business telephone helps us save and *make* money until we kept a five-day record of our telephone calls recently. It's a friend indeed! Here are just a few of the calls we made and received."

Sudden thunderstorm! Had to make quick call for emergency electric power! Ventilators go back on — 200 baby chicks saved!

Customer calls for shipment of baby chicks. Because Mrs. Ross is hard of hearing, she uses a special amplifier. Hears easily.

Prospect calls about chick prices. Our ad in yellow pages of directory is sales builder!

Sister-in-law asks about son who works for us. To save time, Mrs. Ross takes call on basement extension.

Each year brings greater progress in your telephone service. New telephones added—greater improvements made! The result: quicker, more trouble-free service—a real budget value that grows in value every year. Southwestern Bell Telephone Company.

What else gives so much for so little?

Gala Country Club Opening

"Twenty-seven years ago we sat on boxes at long boards painted white, and in case of rain beat a hasty retreat to the bath house, the only completed shelter at the first Country Club" reminisced Mrs. A. C. Preuitt, looking about her at the handsome rooms of the renovated club at Friday night's opening.

Over thick slices of turkey in the dining room, Joe Stinson talked with the only four remaining friends who helped him organize the club in 1923. Stinson, his brother Lee Stinson, Porter King, and H. J. Brice all recalled the trip to Post to buy that 100 acres of grassland. Today the grassland is a scenic retreat for Snyder's club members, complete to club house, golf course, pool, and oil wells.

C. T. McLaughlin, president opened Friday's dinner by presenting a steam table to the club. Seated with him and Mrs. McLaughlin at the head table were Carl Herod, entertainment chairman, with Mrs. Herod, Mrs. Edith McKanna, vice-president, Mr. and Mrs. John Sentell, and Mr. and Mrs. Nolan von Roeder.

After dinner the club voted to allow Snyder service clubs to meet at the club.

Among the ladies glimpsed about in the ballroom, dining room, terrace and powder rooms were Mrs. Edith McKana, wearing a trim pink street dress; Mrs. Carl Herod in a simple brown dress, Mrs. Wayne Boren, with a large corsage of orchids pinned to her dark gown.

Mrs. Joe Stinson chose a dusty pink frock and wore her still-crisp Mother's Day orchid.

Mrs. A. G. Preuitt wore a black sheer with pearls. Mrs. H. G. Towle was in stunning black. And Mrs. Wallace Fish was in brown silk crepe.

Personals

Mr. and Mrs. Walla Fish went to Dallas Saturday evening, where they visited with Mrs. Bobby Wren. They plan to drive back to Snyder.

Mrs. H. G. Adams III and small son, "Kell," are in Snyder visiting her parents, Mr. and Mrs. John Keller. Here from her ranch home, near Meade, Kas., Mrs. Adams has divided hre visiting time with her sister, Mrs. LeRoy Spires, Jr. at the T Circle Ranch, Clairemont Road.

Mrs. Nell Smith attended graduation exercises of her son, Wayne Smith, in Ralls Friday night.

Mrs. J. R. G. Burt, of Dumas, has been here visiting her daughter, Mrs. John Keller.

trip to Lake Buchanan. They are turned Saturday from a fishing

J. M. Newton and Melvin Neal redisplyaing their largest catch, a 61-pound yellow catfish at the J. M. Newton Red and White Grocery, this week.

Mr. and Mrs. Wallace Jordan and family moved from Snyder to Abilene Saturday. Jordan, who has been with Snyder Tailoring here, will work for Bell Telephone Co. in Abilene.

Trying out the new Baldwin grand piano, on the stage of the ballroom at the completely renovated Country Club, is Mrs. James Rosser. Following the dinner and club meeting, Mrs. Rosser and other musical members gave the piano a thorough workout to show its range of tone and volume.—(J. Lawrence Devers Photograph).

Mrs. W. R. Johnson, Mrs. T. L. Lollar, and Mrs. W. J. Ely are shown visiting in a corner of the ladies lounge.

Mrs. Edith McKanna, left, Mrs. S. W. Williams, center, and Mrs. C. T. McLaughlin, pause in the ladies lounge for a chat after dinner—(Staff photograph).

Crosby Favorite With Crowd In British Golf Tournament

ST. ANDREWS, Scotland, May 22. (AP) — Such champions as Willie Turnesa, Dick Chapman and Sam McCready were mere duffers with the gallery today as the British Amateur Golf championship got under way.

The magic name of Bing Crosby attracted most of the crowds as a field of 309 hopefuls began the long test.

America's favorite crooner, tabbed a 33 to 1 shot, met Jock Wilson, local building contractor in the first round.

Crosby was not optimistic about his own chances.

"I've got a reservation back to London on tonight's train," he confided.

Crosby's appearance drew attention usually reserved for royalty. He had normally dour Scottish burgers twirling their kilts in excitement.

He had to skip the practice round yesterday on championship St. Andrew's old course, where the Sabbath is observed strictly. Instead, he played a single tuneup on a lesser known local course. He then walloped 50 practice shots at a driving range, where he swapped chitchat with his opening foe, C. Wilson of Britain.

"This boy (Wilson) really can pelt that ball," said Bing, who was swinging for the benefit of newsreel cameramen. I'll be out of there in a hurry."

The record field, which includes 28 other Americans, teed off this morning and will finish in the late twilight.

Aside from Hollywood's glamor entry, interest centered around the efforts of a trio of Americans attempting to snatch the crown from defending titlist McCready of Ireland. The three are Turnesa of Elmsford, N. Y.; Chapman, veteran Pinehurst, N. C., Amateur, and Frank Stranahan of Toledo, Ohio, who won the championship in 1948.

Turnesa, 1947 British amateur champ and finalist against McCready last year, was pitted against James Knott of New York in a first round match. Chapman was slated to face another New Yorker, J. Ellis Knowles, in a second round match. Stranahan drew a bye.

Insecticide dust is more dangerous to honey bees than sprays because it drifts more.

Matches cost the average American about six cents a month.

Only Clue In Oklahoma Crime Is A Lost Shoe

TULSA, Okla., May 22. (AP) — A shoe believed lost by a gunman is the sole clue officers have today in the slaying of a Tulsa man.

His body was found while gambling and liquor raiders were striking on direct orders of Gov. Roy J. Turner yesterday.

Flying squads of 52 state officers stumbled onto the body of E. R. (Happy) Hileman, 55, of Tulsa, he was found slumped over a chair where he works at the Bel-Air Tourist Courts in Creek County between here and Sapulpa.

C. C. Wilcox, owner of the courts, was held for questioning today.

Creek County Sheriff Lee Johnson reported finding the shoe which he reasoned was left by the fleeing slayer.

The raiders closed in on the place shortly after five Oklahoma A&M college students reported finding the body. The students said they had gone there to buy bootleg whisky.

The Bel-Air Courts was one of 10 places on the raiding officers' list. They seized 32 cases of whisky, the largest haul of the night.

Four Die In Wreck South of Comanche

COMANCHE, May 22. (AP) — Four Comanche residents were killed and one was injured early today in a traffic accident 12 miles south of here.

The dead were Woodrow Starks, 37; Mrs. Erdora Marie Starks, 35, his wife; Grady Graham, 32; and Jack Hicks, 23.

Hicks died in a Comanche hospital. The others perished when the car overturned.

DiMaggio on Hitting Spree As Yanks Sweep Twin Bill

JOE DiMAGGIO
ANDY SEMINICK
By JOE REICHLER
AP Sports Writer

All's well with the New York Yankees now that Joe DiMaggio is back on the team. Apparently all both DiMag and the Yankees needed was a change of scenery.

A sweep of the doubleheader in Cleveland yesterday, 14-5 and 12-4, established the world champions more securely than ever in first place. With a record of 20-8, they're better off than they were a year ago today when they had a 19-10 mark.

LEAD INCREASED

Washington's 6-2 triumph over Detroit and Chicago's 4-3 victory over Boston after the Red Sox had won the opener, 7-0, gave the Yanks a two and a half game bulge over three-game edge over the Red Sox three-game edge over the Red Sox.

When the Bronxites left the usually friendly confines of the Yankee Stadium a week ago Sunday they were in second place and DiMaggio was in the midst of one of the worst batting slumps of his career. He was batting .225.

Once on the road, DiMaggio began belting like the jolter of old and the Yankees wasted little time climbing to the top. They've won six straight with one more to play in Cleveland and two in Detroit.

The leading figure in the Yankee surge has been DiMaggio. In the six games Joe collected nine hits in 23 times at bat for a batting mark of .391.

The Brooklyn Dodgers' lead in the National League was cut to a half game when Philadelphia's Phillies divided a doubleheader with the St. Louis Cardinals while the Cincinnati Reds were nosing out the Brooks, 10-9. The Cardinals needed a triple play to win the first game, 6-5, but the Phils came back to win the nightcap, 4-2, on Andy Seminick's two-run homer in the last of the ninth.

Boston's Braves moved into a third place tie with the Cards, winning two from the Cubs 3-2 and 4-3. Pittsburgh moved past the Cubs into fifth place, sweeping both ends of a doubleheader from the Giants in New York, 4-2 and 8-6.

Philadelphia and St. Louis split an American League twin bill, the A's winning the second game, 8-3 after the Browns had won the opener, 11-6.

FELLER LOSES

DiMaggio enjoyed his biggest day of the year yesterday as he batted in eight runs in the twin bill. A crowd of 79,570, third largest ever to see a major league game, saw Ed Lopat and Allie Reynolds each win his fourth game for the Yankees. Bob Feller and Early Wynn were the losers.

Conrado Marrero, a pint-sized 5-7 Cuban righthander, who toiled for Havana in the Class B Florida-International last year, stopped the Tigers with three hits for the Senators. It was Washington's 10th victory in the last 14 games. The triumph moved the Nats into third place.

Lefty Bill Pierce snapped a seven-game losing streak for the White Sox with a seven-hitter against Boston after Ellis Kinder had shut out Chicago on four hits in the opener. Bill Wight, Kinder's opponent, allowed only seven hits, but one was a three-run homer by Walter Dropo.

Home runs by Virgil Stallcup, Johnny Wyrostek, Grady Hatton and Danny Litwhiler enabled Herman Wehmeier to go the distance in the Reds' 10-9 victory over Brooklyn.

Catcher Joe Garagiola was the hero of the Cards' 6-5 triumph over the Phillies in the first game. He hit a single and two doubles and drove in a run. In the first inning after the Phils' Ed Waitkus took a third strike, Garagiola whipped the ball to third to nip Richie Ashburn. A quick relay to first caught Gran Hamner off the bag for a triple play.

Curt Simmons was credited with his fifth victory in the nightcap.

SAIN WINS

Johnny Sain registered his sixth triumph for the Braves in the 3-2 victory over the Cubs. He pitched six scoreless innings to raise his string to 24 shutout frames before Chicago scored in the seventh.

Ralph Kiner slammed his eighth home run for Pittsburgh in the first game triumph over the Giants and followed with a 475-foot triple in the second game win.

NOT ENOUGH LIFT— Little Springs didn't spring enough, hit a rail and threw rider Joe Aitcheson, Jr., in the Maryland Hunt Cup race at Worthington Valley. Aitcheson walked away.

Cats Lose Extra Inning Game 5-4 To Rival Dallas

By WILBUR MARTIN
Associated Press Staff

Dallas ought to tack this motto on the clubhouse door:

"One can't win if one doesn't score one more run."

The hanging of such heroic words wouldn't be as bitter today. The Eagles bumped Fort Worth, 5-4, yesterday to make matters even. They've now won four games and lost four by one-run margins in the last eight games.

While Heinz Becker was beating Fort Worth with a tenth inning home run, Tulsa tumbled Oklahoma City out of second place; Shreveport hammered Houston deeper into the cellar and Beaumont replaced San Antonio in fourth.

Tulsa clubbed Oklahoma City, 10-5, 10-3; Shreveport slapped Houston, 6-2, 3-0, and Beaumont nicked San Antonio, 4-3.

Ten runs in the eight hinning, seven unearned, buried Oklahoma City in the first game. And Tulsa took charge of the second completely with a five-run first inning outburst.

Clinton Courtney's bases-loaded home run in the eighth inning beat San Antonio for Beaumont. The three men on base had been issued walks.

Lee Holloman set Houston down with one hit in the second game after Hugh Sooter had stopped the Buffs on four in the first. Joe Montalvo's fifth-inning spoiled the new Sport pitcher's bid for a no-hitter.

Becker's game-winning blow came off Bob Austin, third Fort Worth pitcher.

Tonight Tulsa is at Dallas; Houston at San Antonio; Beaumont at Shreveport and Oklahoma City at Fort Worth.

Penn State's football captain, Owen Dougherty, also plays right field on the baseball team. He bats and throws left-handed.

Fight For First Narrows Down To Odessa, Roswell

By The Associated Press

There's a two way race in the Longhorn League — between Odessa and Roswell for the lead, and the rest of the circuit for runnerup spots.

Odessa used three home runs in slapping down Sweetwater, 9-4, yesterday to keep a three-game lead over Roswell, which lost to Vernon, 5-4.

Between second and third place Big Spring there's a gap of four games. There's plenty of crowding from third down.

Big Spring dropped an 8-2 decision to San Angelo yesterday as Steve Follett and Ken Kowalik banged out home runs for the victors. Stu Williams' homer helped Ballinger bump Midland 7-2.

Those Odessa home runs were by Al Monchak, Manuel Escobedo and Gil Cearley. Monchak's came with the bases loaded.

Roswell	030	000	001— 4 11 4
Vernon	040	000	10x— 5 8 1

Michalec and Jordan; Grzywacz and Herring.

Midland	100	000	010— 2 9 4
Ballinger	300	112	00x— 7 13 1

Jarl and Prince; Viador and Martinez.

Sweetwater	100	03	000—4 3 0
Odessa	000	06	3x— 9 8 2

Schober, Jones and Fenley; Sokolowski and Excobedo.

San Angelo	401	000	102—811 2
Big Spring	000	000	101— 2 9 5

Cox and Schneegold; Gonzales and Junco, Hernandez.

First Place In WT-NM League Is Held By Lubbock

By The Associated Press

Lubbock has put up a convincing argument it intended to keep its narrow edge at the top of the West Texas-New Mexico League standings — a 20-9 victory over Borger.

The Hubbers collected 26 hits yesterday and turned the game into a rout with nine runs in the seventh and eighth innings.

Crawford Howard's ninth inning homer beat Pampa for Amarillo, 9-8. Abilene brushed off Clovis, 14-7. Albuquerque edged Lamesa, 4-3.

Kieffer New Director At Texas Lutheran

SEGUIN, May 22. (AP) — George F. Kieffer, former Texas Lutheran College coach, has been named director of athletics at the school. He succeeds Fritz Lehnhoff, who resigned recently.

The sports hero of Paul Mitchell, tackle with the New York football Yanks, is Joe DiMaggio, whose locker at Yankee Stadium Paul uses in the fall.

Football Training Ends at Junior High

Spring training for junior high football was completed last week according to head coach J. M. "Speedy" Moffett, who feels like the program was a success and helped the boys.

Some talent was uncovered by the coaching staff and some boys look like good prospects for the high school teams of the future. An intra-squad game was scheduled to be played, but due to conflicting school activities it was decided that the contest wouldn't be held.

Moffett also announced that a coach is in the process of being hired to take care of junior high football and high school basketball. The present basketball coach will coach junior high basketball and help coach high school football.

The University of Arizona tennis team closed its regular season with a record of six victories and one tie.

Rotan Wins in Bi-District Match

Ken Clark of Rotan turned in his second no-hit ball game of the season as the Rotan Yellowhammers downed the Dublin Lions 2-0 in Blue Sox Stadium at Abilene in the bi-district tournament.

Clark fashioned his perfect game by striking out 11 and walking none in facing only 22 Lion batsmen. Two Dublin players reached base on errors, but they were left stranded by their luckless team mates. Clark's other no-hit game was against Snyder.

Marvin Salyer pitched a good game for the Lions, but he gave his hits at the wrong places. Salyer struck out nine and walked only one, but he allowed eight hits.

Rivers of Rotan was the hitting star for Rotan with two hits in three times at bat and he scored two runs. Rivers had a triple that he scored on in the third inning. Weems had a double for Rotan.

The 6-A champion Yellowhammers will play the Ballinger Bearcats May 29 at Ballinger for the regional title. The Bearcats are district 7-A champions.

Aces Gain On Leaders After Edging Del Rio

By The Associated Press

Corpus Christi last night picked up a half-game in its bid to replace Harlingen at the top of the standings in the Class C Rio Grande League.

The Aces broke loose for five runs in the sixth inning, went on to nose out Del Rio, 6-4.

Harlingen's tilt with Brownsville was rained out.

In the only other game, Laredo broke loose for 14 runs in the last three innings to wallop Mc-

Wells Wins Trapshot In Houston With 377

HOUSTON, May 22. (AP) — Walter Wells, Jr., of Houston smashed 97 out of a possible 100 targets yesterday to win the Texas State Trapshoot Tournament Handicap and high-over-all titles.

Wells coupled this score with 90 in the doubles and 190 in the 16-yard race for a high-over-all score of 377 out of a possible 400 targets.

Dean Blank of Perryton posted a 198 out of a possible 200 to take the 16-yard title. Grant Ilsend of Houston, defending champion, finished with a 191.

Ilsend kept his doubles championship crown by breaking 93 out of 50 pair of targets to nose out J. T. Turner, Houston, who finished at 92.

Wichita Falls was selected as the site for the 1951 state tourney.

Conrad Wins Tourny

WAXAHACHIE, May 22. (AP)—Joe Conrad of North Texas State defeated teammate Don January yesterday 6 and 4 to win the fourth annual Waxahachie Country Club Golf Tournament.

Higgins Wins Annual Brownwood Match

BROWNWOOD, May 22. (AP) — Doug Higgins, Texas Wesleyan student, defeated Carl Vandervoort, 24, Fort Worth, 9 and 7, yesterday to win the 15th annual Brownwood Country Club Invitation Golf Tournament.

Marion Pfluger, University of Texas, defeated James Dixon of Abilene one-up to wip the consolation championship. Paul Campbell, University of Texas, eliminated O. L. Cheaney of Santa Anna one-up in the second flight.

Michigan State's new basketball coach, Pete Newell, has appointed as his assistant John Bennington, who starred for Newell at San Francisco U.

Three Sentenced, Two Suspended, In Court Here

Two suspended sentences and one prison sentence were handed down by Judge A. S. Mauzey of Sweetwater when he held district court here Friday afternoon. A habeas corpus application also was presented to the court, but Judge Mauzey declined to hear it on the grounds that it was improperly filed.

Edwin Meridith, 29, of Ruskin, Fla., was sentenced to serve two years in the state penitentiary for theft of a 1949 model pickup from W. B. Hudson, of Anson. Meridith waived a jury trial and pleaded guilty before Judge Mauzey.

Hudson testified that his truck was stolen here on the morning of Feb. 24 and driven to Camden, Ark., where Meridith was arrested by officers there and released to the the custody of Lloyd H. Merritt, sheriff of Scurry County.

IN A WRECK

The truck had been in a collision during the time it was missing, Hudson said, stating it had cost him $363 in repairs.

Ray Walls, 26, of Comanche, Okla., pleaded guilty to a charge of passing a forged check and was assessed a 5-year suspended sentence.

The check was made payable to Walls, who confessed he had signed the name of E. O. Carter to it. He said he was employed by Carter at the time he passed the check to Mrs. C. A. Peterman, cafe operator here.

Dane Bartlett, about 20, of Monahans, was assessed a 2-year suspended sentence when he pleaded guilty before Judge Mauzey to a charge of removing mortgaged property from the county.

"I am not sure you are guilty although that is your plea," Judge Mauzey told Bartlett, who had admitted removing a car mortgaged to H. F. Proctor, owner of the Crazy Traders, from the county.

HABEAS CORPUS

In the habeas corpus application a hearing was denied Garland Armstrong, representing Leroy Jones, 25-year-old Snyder Negro, claimed his client had been arrested and tried within an hour and that he pleaded guilty to possession of liquor for purpose of sale because of threats made against him by Lloyd H. Merritt, sheriff.

Judge Mauzey ruled that the court would not hear any of the case because the application for the writ did not mention the threats or the time of his trial.

Armstrong further stated he was denied the right to visit his client in the jail. He said he would take the case to the court of criminal appeals.

Jones was assessed a fine of $273.50 in county court but has not paid the fine, according to the court docket.

Students Entering Employment Need Social Security Cards

Students who expect to work during the summer vacation should see that they have their social security cards ready for immediate use, according to a statement made today by Ralph T. Fisher, manager of the Abilene office of the Social Security Administration.

"Persons who go to work for wages in private business or industry must show a social security card to their employer promptly," he said. "If you have never had a social security card and are going to need one soon, you should go to the local post office and get an application. Fill it out and mail it to the Social Security Administration, Abilene, Texas. You will receive your card in just a few days.

"If you have lost your social security card now is the time to ask for a duplicate. Get an application at your post office, fill it out showing that you have had a card and lost it, and mail that to the Social Security Administration, Abilene, Tex. You will soon have a new card with that same number.

"There are some jobs for which you will not need a card. If you are going to work on the farm, for the city, county, state or federal government, or if you are under 21 and working for your parents, you will not need a social security card. Do not apply for a card unless you are fairly sure to need it. Then get one promptly."

Having Proper Will Drawn Is a Saving, Not Expense

Most Americans consider it too much trouble to draw up wills for their descendants, although bankers, judges, lawyers, and tax collectors generally agree that it is the smart thing to do.

A recent national survey shows that only one in 20 Americans has a will. Probably half the adults in the nation haven't anything much to will their heirs, but the other half could save their heirs or beneficiaries of a lot of worry and a considerable portion of their wealth by having properly drawn wills.

GREATER TAXES

Where there is no will, the estate and inheritance taxes to be paid by the heir are far greater, and often much of the property has to be sold to pay these taxes, according to Keith Merrick, secretary-treasurer of the Scurry County Bar Association.

A will is also important from several other standpoints, Merrick said. With a will, a testator can designate an executor, where an administrator would otherwise be appointed by a court, costing much more.

A testator can dictate in his will what seems to him to be the type or portion of his wealth best suited to each of his heirs, the time of distribution, and other points.

For one heir, he might have reason to believe that a plot of land would be more valuable than a sum of money, and for another he might consider it best to leave the means for a good education; or for one, a business establishment or a home.

TEXAS LAW

This is particularly important in Texas, Merrick says, where a testator is not required to divide his property equally with his heirs. Regardless of equality, inequality, or apparent unfairness, a will that is properly drawn is difficult to break.

Attempts to break wills are usually based on claims that they were not actually signed by their testators, that the testators were of unsound mind at the time of signing, or that they were forced to sign them. The only sure way to prevent the breakage of a will is to see that is properly drawn.

"Too many persons cause their descendants a lot of worry and red tape, and often the loss of property and wealth, because of having their wills loosely drawn by persons incapable of writing an air-tight will," Merrick said. "Some mistakenly think that any good businessman, politician, financier, or notary can draw a will; but wills are technical if drawn as they should be."

The fee for having a will drawn professionally is usually very small compared to its value and its ultimate good, Merrick said.

LIST OF RULES

Some points to remember in having a will made are:

1. Have it drawn by someone who is careful, conscientious, and learned at the practice.
2. Be sure the will is dated. It would be hard to prove the validity of an undated will.
3. Clearly name and identify all heirs and beneficiaries.
4. Name each beneficiary's allotment.
5. State in the will that the testament revokes all prior wills in their entirety.
6. Include in the will a common disaster clause, especially if a large estate is involved. Otherwise, if the husband and wife should die at or about the same time, a double transfer of property would take place, both being taxable.
7. If minor children are involved, the will should designate a person to care for the property until the minors are grown.
8. A duplicate of the will should be made and clearly marked duplicate."
9. A person should be assured that his will is kept in a safe place.
10. Be certain that the signing of the will is witnessed by at least two competent persons.

Wills are usually treated with utmost confidence, Merrick said. If the provisions of a will are revealed while the testator is still living, only he should reveal them.

Manganese Helps Plants Grow

BERKELEY, Calif., (AP) — For some time it has been known that plants will not grow unless there is manganese in the soil they feed from. This was discovered by plant nutritionists P. K. Stumpf and C. C. Delwiche of the University of California College of Agriculture.

Now, working with graduate students W. D. Loomis and C. Michaelson, they have found out why manganese enables a plant to grow. They discovered a new enzyme in plants that enables them to utilize glutamic acid, one of the building units of protein. Without manganese, this enzyme doesn't work and the plant stops growing. No other metallic element is known to have this effect, and studies are continuing in the hope of increasing crop yields.

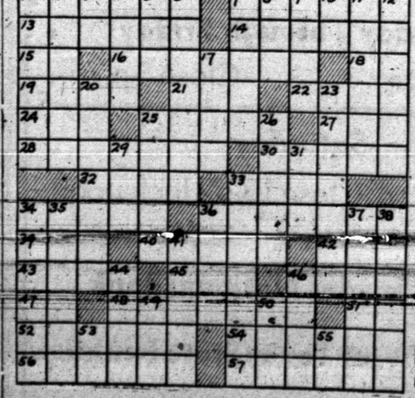
Solution of Yesterday's Puzzle



Mr. Mann Went to Hollywood With 'Picture In My Pocket'

NEW YORK — "The Jackie Robinson Story" will be a tremendous hit throughout the nation's taking the word of Arthur Mann, formerly Branch Rickey's assistant. You couldn't take the word of a better man, and it's spelled with one "n".

"I went to Los Angeles in mid-January with the picture in my pocket," says the former newspaperman. "It was in the form of a directore wherein the Brooklyn Baseball Club and Branch Rickey were protected against the misuse or abuse of the situation.

"This was necessary because never before had a baseball club extended the right to film such a player-situation, added to which was the right to portray Branch Rickey."

Mr. Mann spent the first two weeks rewriting the story line with the producer's associate and then rewriting the screen play with

BRANCH RICKEY JACKIE ROBINSON

Lawrence Taylor, the co-author. The Screen Writer's Guild compared the new screen play with the old and they awarded Arthur co-authorship.

Mann then spent 18 days and six nights at the side of, in the hair of and often on the toes of Alfred E. Green, the genial director. As technical supervisor Mann added little things, watched the script and made sure speeches were read as intended.

"After the shooting I remained for the cutting and the scoring," says Mann, "always making sure that the story was exactly as it was supposed to be.

"Everybody was swell to Jackie and me. But I didn't make the mistake of living in Hollywood. After reading what Senator Johnson said about the place, I decided against it. I lived in a bachelor apartment in Los Angeles. I barred the door every night and kept a notarized diary!"

Jackie made a terrific impression on everybody in Hollywood, particularly on the set. On the final day of shooting, Robinson didn't have much to do, so he spent a lot of time extending thanks to individuals—assistant cameramen make-up men, electricians and others who worked on the movie. "Hey! Watch out, Jackie!"

Everybody looked but it required some time to locate the National League's batting champion.

Mr. Rickey's high-salaried star was perched on a narrow catwalk high up in the studio, shaking hands with one of the assistant electricians.

One day John Barrymore, Jr., visited the set and watched Jackie play a scene. After introductions, a publicity man suggested Barrymore pose with Robinson and give him some tips on acting.

"Are you kidding?" Barrymore muttered in evident disgust. "I'd like to get a few tips from him on how he forgets he's acting and still does it so naturally. He could teach me!"

There are just as many honest-to-goodness scenes in the movie. Minor Watson plays "Branch Ricper" whom Robby broke into organized ball at Montreal. The Brooklyn coach and trouble shooter, Clyde Sukeforth, who signed Robby, is played by Billy Wayne. And Frank Shannon, a brother of an Irishman, plays Frank (Shag) Shaughnessy, International League president.

The picture shows Shag, or rather Shannon, pleading with Rickey not to have Roinson play in Baltimore, a southern city. It was not that Shag had any antipathy toward Jackie but rather that he wanted to protect his club owners against any possible trouble.

That fall, Shag again pleads with Rickey. Again Rickey refuses to listen. But this time Shag pleads with Rickey to keep Robby in the league a second year. "We never had such a prosperous season," says Shag.

It is one of the many true incidents in the picture. You will find nothing in the picture that really didn't happen during Robinson's climb to fame, which is something you can say of very few motion pictures.

Two Dallas Men Are Papal Knights

DALLAS, May 22. (AP) — Edward Maher and Edward J. Solon, Dallas laymen, have received a high papal honor held by only a few of the world's 375 million Catholics.

Each became a knight commander in the order of St. Gregory the Great yesterday.

Bishop Joseph Patrick Lynch bestowed to each of the Dallas men a gold cross and a sword, symbolic of their high honor, as they at his pontificial throne.

Potatoes were introduced to North America by Irish immigrants.

Ethylene dibromide, a soil fumigant, has been found effective against wireworms in Wisconsin.

U. S. and Foreign Representatives At Water Meet

PHILADELPHIA, May 22. (AP)—A convention meets here today to discuss one of the civilized world's oldest, and most pressing, problems—how to supply enough pure water to growing cities.

It is a meeting of the American Water Works Assn. An association spokesman said the rapid growth of population—plus dangers to water supplies posed by possible atomic warfare—make it the most important conference in the organization's history.

More than 2,000 delegates, from almost every United States city plus many European countries, South America, Mexico and Japan, are attending.

Harry E. Jordan, association secretary, said the water famine in New York had made the nation aware of a peril watermen had long realized.

The nutria is a muskrat-like animal native to South America.

"Better Living for a Better World" is the 1956 national theme of 4-H Clubs.

Sacred Statue Is Recovered In Costa Rica

SAN JOSE, Costa Rica, May 22. (AP) — Catholic faithful flocked to Cartago yesterday as church bells pealed tidings of the recovery of the black stone statue of the Virgin of Los Angeles, Costa Rica's patron saint, which was stolen 10 days ago.

Archbishop Victor Manuel Sanabria and other church and government officials hurried to Artago, 20 mile's southeast of San Jose, to view the image found in the upper roof pulpit Saturday by a church worker. The statue apparently had been returned by the thieves, who kept a fortune in jewels which had adorned the image.

Churches throughout the nation were jammed yesterday with worshippers giving thanks for the return of the virgin. The previous midnight a solemn mass was celebrated at the basilica in Cartago.

The seven-inch statue of the Virgin holding the Infant Jesus in her arms is deeply revered by Costa Rican Catholics. Over the centuries the devout have draped the image with gold and jewels. Estimates of the jewels' value have ranged from $150,000 to nearly $1,000,000.

National 4-H Club age limits for membership are between 10 and 21.

House Outlines Busy Week Of Important Legislation

WASHINGTON, May 22. (AP)—Military, draft and foreign aid legislation will keep the House of Representatives busy this week while the Senate wrangles over civil rights and reorganization.

Crowded onto the calendar of the House, which hopes to get a long Memorial Day holiday next week, are bills to extend the draft law, to speed up the Navy's anti-submarine warfare program, to continue the Marshall Plan and to construct a far flung system of military public works.

OTHER MEASURES

If it gets time this week, the House also wants to dispose of a $625 million deficiency appropriation bill, an election contest from Michigan and several less controversial measures.

Some House leaders are talking of a recess of a week or more starting next week, but no decision has been made. The thought is that the House should give the Senate time to catch up with major bills already passed by the House but not acted on by the Senate.

Three big House measures have been sent to the Senate: A Fair Employment Practices (FEPC) bill, an omnibus $29 billion appropriation measure and a social security bill.

SENATE STALLED

Southern opposition to the FEPC bill has stalled the Senate for more than a week and it is still the pending business there.

It may again be set aside for a vote on some presidential reorganization plans, five of which already have been vetoed by the Senate. Plans not disapproved by either branch of Congress go into effect on Wednesday.

The foreign aid bill awaiting House action is a compromise between different versions passed previously by both branches. Not yet acted on by the Senate, it sets up a $3,121,450,000 program of American economic aid to Europe and other non-Communist areas, including South Korea.

It is scheduled for a House vote Tuesday, with passage apparently certain.

When packing a lunchbox send along a sweet sandwich occasionally as part of the dessert. Cream cheese and pineapple jam makes a fine filling for nut bread; cream cheese and currant or grape jelly is delicious between raisin bread. Make fruit the other part of the dessert.

Beat a little prepared mustard into some currant jelly and serve with a slice of baked ham.

Lifting of Allied German Controls Is In Prospect

WASHINGTON, May 22. (AP)—The United States, Britain and France are expected to begin charting ways of easing allied controls in West Germany next month in London.

The three governments will make recommendations which can be put into effect when the allied occupation statute for West Germany is revised in September.

The discussions will carry out the decision by the big three foreign ministers in London May 14 to relax controls "to the maximum extent compatible with the basis of the occupation regime."

Officials said the talks undoubtedly would touch on these points: Whether to permit the West Germans to produce more than the 11 million tons of steel now allowed annually.

Whether present controls on West German shipbuilding should be eased to permit construction for western nations.

How to give the West German Republic limited control over foreign policy matters, especially trade.

How to encourage foreign investment in Germany.

The three-power talks are expected to last several weeks.

Next time you make stewed tomatoes, add 1 inch of cinnamon stick, 4 cloves, and 1 inch of horseradish sauce along with the salt and pepper for good flavor.

Oklahoma City Kidnapping Discovered To Be A Fake

OKLAHOMA CITY, May 22. (AP) — The distraught young wife of a vice squad officer admitted today the bizarre 21-hour kidnaping chase she led police yesterday was spurred by her own imagination.

Mrs. Jo Alice Raper, 23, abruptly halted a frantic police hunt when she called her husband, C. V. Raper, from a suburban filling station and asked him to come get her.

But Detective Chief Dwight Brown said officers still hadn't found all the pieces to the puzzling case.

Brown said Raper and his fellow officers feared Mrs. Raper had been overpowered by kidnapers, taken nude from her bedroom and held captive as revenge on her husband.

PROBES CAMBLING

Raper is assigned to the police gambling detail.

Brown reported Raper told officers he received threatening telephone calls last week and a note in his mail box which said in part:

"Stay out of my business or that woman will have to take your punishment."

However, after long questioning, Brown said, Mrs. Raper broke down and admitted the whole affair was a "figment of my imagination."

The husband sounded the kidnaping alarm at 2 a.m. yesterday when he came home from duty. His wife was gone and there was evidence of a struggle.

NOTE

He said her bedroom was in disorder. Her tattered night gown lay on the floor. A crudely scrawled note was pinned to a linen closet door saying:

"How do you like this Mr. Raper. Is afraid?"

Raper said outside the house he found a 12-foot ladder leaning against a second story window where the screen was cut.

With that to go on, Police Chief L. J. Hilbert ordered an all-out manhunt.

In the afternoon Raper received a telephone call at home. He said he heard his wife scream and then the caller hung up before he could have the call traced.

He said he got two calls early Sunday night. In one a man's voice said Mrs. Raper would be released in front of her home. The other was a woman, saying his wife would be freed in a residential area several miles across town.

CALLS HOME

Detective Chief Brown said Mrs. Raper finally called from a filling station in that residential area.

A man and woman also were questioned briefly in the case.

Lt. Wayne Harbolt of the homicide squad said Robert W. Miller, 48, and his housekeeper, Mrs. Mary Case, 48, signed statements saying Mrs. Raper spent the night with Mrs. Case at the Miller home.

Harbolt said Miller stated Mrs. Raper came there shortly after midnight Saturday and remained with Mrs. Case until 7 o'clock yesterday afternoon when she left in a taxi. Miller added he did not know why she came.

Truman Gets In Word for FEPC

WASHINGTON, May 22. (AP) — President Truman prodded the Senate to vote on his FEPC bill today in commending a committee which has been working for months to increase opportunities of Negroes in the armed services.

Mr. Truman said he hoped the Senate "will permit" his bill for a fair employment practices commission "to come to a vote." Southern Democrats have filibustered the bill. Truman Democrats failed last week in an effort to shut off debate although all but six of the Republicans voted with them.

The measure would declare it against public policy for industry to discrimine because of race or religion when hiring, firing or advancing workers. A commission would be set up to police industry against discrimination.

FOUR CAPTAINS

STATE COLLEGE, Pa., (AP) — Four sport team captains hold down positions on the 1950 Penn State baseball team. The four are Dick Wertz, baseball; Joe Tocci, basketball; Harry Little, soccer; and Owen Dougherty, football. The first three are infielders. Dougherty is an outfielder.

Production From

from west lines of the southeast quarter of section 431, block 97, EL&RR survey.

Top of the pay is at 8,615 feet. Elevation is 2,920 feet.

SUN NO. 1 SAMPSON

Sun Oil Co. No. 1 Sampson, one location east of the General Crude Oil Co. No. 1-A Percy Jones, Strawn lime discovery in Central Kent County, has reached 6,93 feet in a Pennsylvanian sand above the Strawn, and was to core deeper.

It took a 1-hour drillstem test at 6,683-96 feet. Recovery was 20 feet of slightly oil cut drilling mud. No signs of water were developed.

This venture is still a short distance above the zone from which the General Crude was completed.

It is one mile south of Clairmont and 660 feet from north and west lines of section 9, block 98, H&TC survey.

BORDEN WILDCAT

P. R. Rutherford and Heet Oil Corp. of Houston has staked a wildcat almost equidistant between the Von Roeder and North Vincent pools in Southeast Borden County.

Rutherford and Heet No. 1 John Gilmer Davis will be 467 feet from north and east lines of section 68, block 25, H&TC survey.

Slated destination is 9,000 feet, according to Railroad Commission application.

The No. 1 Davis will be 2 miles northeast of the nearest producer from the Canyon lime in the North Vincent pool, approximately 2 miles southeast of Amerada Petroleum Corp. No. 1 Weathers, south extension to the Von Roeder field.

DICKENS WILDCAT

Placid Oil Co. has scheduled an 8,100-foot Ellenburger wildcat in southwest Dickens County, 3 miles southwest of Spur.

Placid No. 1 S. W. Hughes, and others, will be 650 feet from the south and west lines of section 185, block 1, H&GN survey. Drilling is to start at once.

ABANDONED

Ted Weiner and Associates and Sohio Petroleum Co. No. 1 Swenson, northeast Garza County wildcat, has been plugged and abandoned as a failure on total depth 7,931 feet in the Ellenburger.

That horizon made 630 feet of salt water in a drillstem test at 7,919-31 feet. It had no shows of oil or gas in the Ellenburger and it did not log any possibility of production in any other zone penetrated.

Location is at the center of the northeast quarter of the northeast quarter of section 17, block 2, H&GN survey.

COGDELL LOCATIONS

Two outside locations have been staked on the Kent County side of the Cogdell Canyon pool, with straddles the Scurry-Kent county line.

Oh the west edge of production and a one-location northeast offset to the Feldman No. 1 Fuller, recently completed extension, Humble Oil & Refining Company will drill its No. 4 Leroy Spires. Drillsite will be 467 feet from west and 550 feet from south 533 lines of section 717, block 97, H&TC survey, and 17 miles north of Snyder.

Chapman & McFarlin No. 11 D. M. Cogdell will be a one-location east stepout from production. It will be 2,052 feet from north and 660 feet from west lines of section 715, block 97, H&TC survey, and 16 miles north of Snyder.

Slated depth for both ventures is approximately 7,000 feet.

McCORMICK LEASES

Pan American Production Company will begin operations in the immediate future on five Canyon explorations in the Kelley-Snyder field in central Scurry County.

Three of the proposed ventures will be on the C. E. McCormick lease in section 254, block 97, H&TC survey, and approximately six and one-half miles northwest of Snyder.

No. 6 McCormick will be 1,670 feet from east and 467 feet north lines of the section; No. 7 McCormick will be 1,670 feet from east and 2,867 feet from south lines of the section; and No. 8 McCormick will be 1,670 feet from east and 1,667 feet from south lines of the section.

Pan American No. 3-B J. T. Biggs is slated six miles west of Snyder and 1,295 feet from north and 718 feet from west lines of section 205, block 97 H&TC survey.

Pan American No. 3 Gertrude Adams will be 467 feet from south and west lines of the northeast quarter of section 211, block 97 H&TC survey, and six and one-half miles west of Snyder.

LARGE POTENTIAL

Warren Oil Corporation has completed a one-location west extension to the Sharon Ridge Canyon pool in Southwest Scurry County for one of the largest potentials in the area.

Warren No. 2 Reynolds calculated a natural 24-hour potential of 3,324 barrels of 45-gravity oil and no water.

Calculations were made from a on tubing, during which time 554.38 barrels of oil actually flowed to tanks.

Gas-oil ratio was 1,375-1. Tubing pressure was 325 pounds. Pay depth is 6,738 feet. Seven-inch casing is set at 6,688 feet.

Warren No. 2 Reynolds is a west offset to same operators No. 1 Reynolds, wildcat recently completed to extend the Sharon Ridge-Canyon pay one and one-quarter miles to the west.

The No. 2 Reynolds is 467 feet from south and west lines of northeast quarter of section 101, block 25, H&TC survey.

Warren has staked its No. 3 J. M. Reynolds one-location west of the recently completed No. 2 Reynolds. New drillsite will be 517 feet from east and 581 feet from north lines of the northwest quarter of section 10, block 25, H&TC survey.

BARNSDALL OFFSET

Brnsdall Oil Company has staked a southwest offset to the Warren No. 2 Reynolds.

Barnsdall No. 1 C. V. Thompson and others will be at the center of the northeast quarter of the southwest quarter of section 101, block 97, H&TC survey.

Barnsdall, Tide Water and Warren own interests in the lease, however, Barnsdall is to have the operation.

BEULAH BRANCH

Gene Goff of Midland and associates are reported by unofficial sources to be preparing to start operations by June 1 on their No. 1 Beulah Branch, to be a 7,000-foot wildcat to test through the Pennsylvanian in Southwest Stonewall County.

The project is slated to be in the northwest quarter of section 356, block 2, H&TC survey.

That makes it 12 miles north of Rotan and 20 miles southwest of Aspermont.

It is on a spread of 2,400 acres of leases which Goff and associates blocked in that region. They have sold some of the acreage to Shell Oil Company and to Amerada Petroleum Corporation.

Lone Star Producing Company is reported to be supporting the prospector with a dry hole contribution.

Honolula Oil Corporation No. 1 J. C. Hopper is to be a 9,500-foot exploration in Central-East Hockley County to test into the Pennsyrvanian lime.

This prospector is 1,020 feet due north of Honolulu and Signal Oil & Gas Company No. 1-13 Underwood, discovery for prolific flowing production from the Pennsylvanian lime, which was taking its official potential test gauge Saturday.

Honolula No. 1 Hopper is 510 feet from south and east lines of labor 8, league 5, Wilbarger County School Land Survey. It is five miles south of Snyder. Drilling is to start immediately.

Honolula and Signal No. 1-13 Underwood, 510 feet from north and east lines of labor 13, league 5, Wilbarger County School Land survey was completing from open hole between 9,290 feet and the total depth at 9,317 feet.

That zone had flowed oil on a preliminary test at the estimated rate of 60 barrels per hour.

W. E. Dunigan of Midland is reported to have progressed below 3,743 feet in lime and shale at his No. 1 Holland, Northeast Lynn County wildcat.

This prospector is located 330 feet from north and east lines of section 13, block J, GWT&P survey. It is contracted to 4,100 feet to explore into the lower Permian.

The exploration is ten miles east of Wilson and six miles southwest of SouthIland. It is on a farmout from Honolulu Oil Corporation.

So far as has been reported it has not logged any shows of possible production.

Olson Drilling Company No. 1 J. A. Young, East-Central Fisher Counyt wildcat, two and one-half miles east of Royston, has been abandoned and plugged on a tot depth of 5,625 feet in dry lime and sand in the Pensylvanian.

This prospector was located 330 feet from south and east lines of the west half of section 5, R. W. Richardson survey.

It topped the Pennsylvanian reef at 5,275 feet, on an elevation of 1,818 feet. The reef made salty, sulphur water, with no shows of oil or gas.

Paving Cemetery Road Is Discussed

The commissioners court this morning discussed a proposal to pave the cemetery road for a little more than 1 mile with joint county and city funds.

The proposal, presented by James V. Curnutte, city engineer, was for paving the road from the city limits to the cemetery, a distance of 6,580 feet, with asphalt topping. The pavement would be made 36 feet wide and would cost about $40,000.

If approved, the project would also include some paving in the city limits, Curnutte said, provided city residents would agree to pay their shares of the paving expenses, based on the property frontage adjoining the road.

No action was taken by the court on the proposal. The road extends north from Avenue F.

Rainfall Ample For Planting To Begin Now

Only a few spots of Scurry County report insufficient moisture to begin planting, a check with farmers of the territory last week indicated.

Many of the county's farmer began to plant this morning, while some in the southwest section of the county reported that a rainfall yesterday afternoon would delay planting awhile. The Ira community reported a slight rainfall starting about 4 o'clock yesterday and lasting more than 30 minutes.

One Ira farmer said following the Sunday rainfall, "I was planning to get started planting in the morning, but this may be just enough rain to delay me a couple of days."

In other parts of the county farmers begin planting Friday and this morning, after waiting several weeks for the fields to become dry enough to work properly.

Rains here during the early part of this month gave the Snyder area a yearly total of 6.27 inches, still short of the county's yearly average for May of 7.58 inches. Some areas have reported receiving a heavier amount, while some have not had quite this total. However, the county in general has received over 6 inches of precipitation since January 1.

"Rains during the month have given the county all the moisture needed," Oscar Fowler, county agent, said. "Without causing too great a damage to crops already in the ground."

Some farmers had already planted their grain sorghums before the rains fell and the additional moisture got them off to an excellent start, the county agent continued.

Most farmers who had already planted wheat have expressed surprise at the way the wheat has improved since the rains. Some observers believe now that the average may be increased to 8 or 9 bushels per acre, with a number of fields producing even as much as 12 bushels per acre. The county's wheat allotment is 15,000 acres.

POSTAL TROUBLE

CHICAGO, (AP) — The Grandmothers Club announced it would award prizes for the best miniature hats. Tiny bonnets soon began to come in from many parts of the land. Mrs. Collette Collins, chairman of the contest, received 75 of them in one day. Her mail carrier seemed perturbed and curious.

"So I smiled and told him about the contest," she said, adding:

"He didn't smile back."

"The One and Only Pie Stall -

Scholarship And Attendance Prizes

Merit awards were granted to 43 honor students by T. D. Wiman, High School prinetpal, this morning in an assembly program at the school.

The awards, given for attendance, scholarship, and interscholastic events, are printed on parchment emblazoned with the gold letter "S." They correspond to an athletic award, given to students who meet the requirements set up by a high school committee.

Robert Beardon and two twins, Edith Ryan and Norma Ryan, were the only students that won the perfect attendance awards for the year.

Tracy Early received an award for scholarship and also for winning a first and second place in headline writing and copy reading in this year's inter-scholastic literary events.

The high school annual, The Tigers Lair, were given to the students today and the new editor and business manager for next year were announced at the program. Jo Ann Gee is the new editor and Ed Frank Bayouth will be business manager.

The five freshmen receiving awards for having four "A's" and no grade lower than a "B" were Nelda Allen, Bob Gibson, Kathleen Greer, Billy Joe Watson, and Billie Barrett.

Billy Alford, Rylene Bishop, Gwendolyn Crow, Madelyn Crow, Ramona Harless, La Verne Townsend, and Norma Sue von Roeder were the seven sophomores receiving the scholarship awards.

Eleven juniors who met the scholarship requirements were Mary Bodie, Lowell Bynum, Jay Fish, Jo Ann Gee, Barbara Lewis, Iralyn Neulry, Ann Richardson, Thelma Roe, Otis Snead, Kay Tate, and Betty Yarbrough.

Jimmy Boyd, James Bowers, Ann Bucy, Tracy Early, Edith Echols, Earline Grimmit, Martha Hardee, Norman Inman, Patsy Lloyd, Jo Anne Martin, Mary Manos, Robert Minton, Pearly Nolan, Arbitha Townsend, Dorothy Taylor, Hope Thompson, and Bonnie Lloyd were the 17 seniors that received the merit award.

OUT OF THIS WORLD?

GALESBURG, Ill., (AP) A ukulele, a guitar and a blanket were found near Kirk McDowell's farm. That's all. No sign of humans. Among the possibilities jokingly considered by Sheriff Charles Dahler: A couple of musicians had sent themselves clear out of this world.

Hospital Notes

Admitted to Snyder Hospital Clinic over the week end were:

Johnny D. Shoemaker, Route No. 3.

Mrs. Ralph D. Parker, general delivery.

Mrs. Clem R. Huckaby, 1906 Twenty-second Street.

William K. Sanford, 609 West Fourth Street.

Quinton Keeling, Texas Trailer Courts.

Mrs. Elmer H. Brock, 3311 Avenue G.

Mrs. Sid H. Richardson, W & W Trailer Courts.

Ralph J. Richards, Box 150.

Mrs. Bill E. Grimmett, 1301 Avenue R.

Mrs. Orus P. Hall, 101 Twenty-sixth Street.

Mrs. Jesus Morales, general delivery.

Joseph E. Fuller, Roby.

Grady T. Hill, general delivery.

Mrs. William B. Fenton, Route No. 1.

Aubray L. Whitehead, general delivery.

Mrs. Grace Jordan.

Charles L. Barnes, general delivery.

Mrs. Jack R. Tingle, general delivery.

Claude M. Merritt, general delivery.

Discharged were:

Jimmy Lee Hutson, general delivery.

Mrs. W. O. Easter, 1794 Seventeenth Street.

Wilbourne E. Cantrell, Abilene.

Donald J. Armstrong, general delivery.

Agriculturists say grass is the only crop that can be grown on most of the land in arid Utah.

Two More Indicted In Kansas City

KANSAS CITY, May 22. (AP) Sam Hayden, former assistant Jackson County prosecutor, and Thomas (Tano) Lococo, identified as a gambler, were indicted today on income tax evasion charges.

Hayden, discharged as a prosecutor when the federal grand jury identified him as a gambling house partner, was said by the federal grand jury to have filed an income tax return of $4,500 in 1948. Actually, the jury said, his income was $10,569.63.

Lococo was inducted on five counts, the alleged evasion of payments covering the years 1944 through 1948. The true bill set forth that he made returns of $65,588.39 for those years, while actually his return should have been $130,250.27.

U. S. District Judge Richard M Duncan allowed bond.

Both Hayden and Lococo were named by the grand jury in its recent interim report which exposed a $34,500,000-a-year gambling and racket gross here.
