

Board Discusses Tax Hike

Board members meeting Monday night approved a budget of \$774,996 for the 1975-76 school year. Of that

total, 74.82 percent or \$579,848, goes for salaries.

Amelia Ramos was employed as teachers aide under the

migrant program.

In other action, the board approved the leasing of a new pickup from Dale Fowler Ford,

Inc. of Dimmitt for \$900. The vehicle will be used for the vocational agriculture department.

personal property in Hart Independent School District for the 1976-77 school year.

The new finance plan passed by the last state legislation session has resulted in the necessity to raise substantially more tax money locally. The local fund assignment of Hart ISD, that portion of the Foundation Program the local district is required to raise, has doubled for the 1975-76 school year from \$46,076 to 92,152 and will be \$138,228 for the 1976-77 school year.

Approval was given for Hart schools to enter into a cooperative project with Region 16 Service Center of Amarillo for crime prevention and drug education for the 1975-76 school year. Total cost of the cooperative project will be \$525.92.

Board members discussed the re-appraisal of all real and

HHS Miss Is Winner Of First Hart Beat Grid Guessing Game

Stacy Averitt, HHS freshman, proved to be the top guesser for the first week in the annual Hart Beat football contest. Miss Averitt and Stewart Newsom missed just two games each but Miss Averitt was closest with her tie-breaker prediction and thereby claims top money, five dollars.

Predicting the Horns to win 34-6, the feminine guesser missed the actual 20-12 score by 20 points. Newsom was off 26 points with 40-6 prediction.

Ricky Allensworth won third place for the week with three misses. All other contestants missed four games or more. Contestants with 10 or more points are listed elsewhere in this issue.

Contestant with the most points at the end of the season and conclusion of the contest will receive the grand prize of \$50. No contestant should "give up" their quest for that top victory, even those who missed the first week could be possible winners. Standings are subject to ups and downs as leaders hit slumps and others find lucky streaks.

The contest is fun and costs nothing to enter. Any one is eligible to enter but only one entry per person is allowed.

Enter today and get in on the competition and fun. Select a winner in each of the games listed in the ads of 14 sponsoring merchants and circle that team's number on

the entry blank provided on the contest page. Predict a score in the tie-breaker game and fill in the entry blank with name and address. Deposit the entry blank with any of the

sponsoring merchants by noon Friday. While you're there, tell him you appreciate his making the contest possible. Don't forget to give him your trade, he appreciates it.

Longhorns Chew Bulldogs 20-12 In Friday Opener

BY JESS HUDNALL

The Hart Longhorns and Anton Bulldogs played their season opener Friday night in a game marred by heavy rain during the second half.

Hart's initial score came on a 73-yard drive climaxed by Terry Hill's 4-yard run. Kerry George's extra point attempt hit the crossbar and bounced back. In the scoring drive, Barry George gained 18 yards rushing and Eliazar Castillo passed to Johnny Newsom for

34 yards which set up the score.

With 3:22 left in the second quarter, Dean Hill's kickoff was returned 29 yards by Anton's Steve Green. Following three successive first downs, Lon Timms ran over from the one to tie the score. Greg Couch's kick was wide of the mark and the score remained deadlocked.

Lon Timm's ensuing kickoff was returned 29 yards by Castillo to the Hart 40 yard line. With only 32 seconds left in the first half, Anton's Trinidad Rendon intercepted a Castillo pass and raced untouched 50 yards for the Bulldogs second score. Again the extra point attempt failed and Anton led 12-6 going into the locker room.

The second half option lay with the Longhorn chargers of Coach Lonnie Phillips. Choosing to receive the football, Lester Aven raced 29 yards with Timm's kickoff and the Longhorns had a first down on their own 49 yard line. On the next play, speedster Barry George raced around left and

Disappointments Mar Horns First Grid Battle

"We were extremely disappointed in the way we executed," said head coach Lonnie Phillips this week of the Longhorns' 20-12 victory Friday night over the Bulldogs of Anton.

"But we feel some out of it. The boys were disappointed in their own performance and we felt offensively we made too many blocking errors in not executing our offense the way we felt we would."

"Defensively, we felt we showed bright spots. Our secondary was much improved over last year. We felt we had tremendous defensive end play with the exception of one or two mental breakdowns."

"We believe our defense will come along and be strong before the year is out," said Phillips.

"Offensively, we had good balance in the back field. Terry Hill carried 19 times for 117 yards and Barry George carried 17 for 122 yards."

"We were very disappointed in our inability to hang on to the ball, fumbling six times and throwing two pass interceptions but we feel we gained experience by our mistakes. We believe our young men will gain confidence in this and will progress better as the year

goes on."

The Longhorns went into action against Anton "completely cold," having not been able to watch the Bulldogs in scrimmage.

Looking ahead to Friday's home opener, Phillips said, "Shallowater lost to Ropes 15-8 and will be trying to get into the win column. They have adequate size and speed in the backfield. As most fans will remember, Shallowater always plays us a tough game."

"I look for it to be a very hard fought game," Phillips said. "They have a new coach, Ed Wolski, who comes from Odessa Permian, where he did a fine job."

"He has installed a wing-T offense and split six defense and they'll be up and ready for us when they come Friday night."

Casting a note of optimism, Phillips said, "We hope our offense will be more polished and some of our defensive mistakes will be corrected by game time."

Three Misses Vie For Crown

Three pretty misses are vying for the title of Band Sweetheart. Candidates are Teri King, senior, daughter of Mr. and Mrs. W.T. King; Rhonda Rowland, junior, daughter of Mr. and Mrs. Newlon Rowland and Diane Davis, Sophomore, daughter of Mr. and Mrs. Jimmy Ray Davis.

Band Students only are allowed to vote on the candidates. The 1975-76 Longhorn Band Sweetheart will be crowned at half-time during the Longhorn-Shallowater Mustangs football game Friday.

Methodists Set Bake Sale

United Methodist Women will conduct a bake sale Saturday, Sept. 13 at B&K Grocery Store.

Persons who would like to place special orders may call Mrs. Ed Bennett or Rev. Elra Phillips or an order may be left at the grocery store. Special called-in orders will be delivered.

MARGARET THOMAS

Getting Better Acquainted

In Hart Schools

Margaret Thomas is in her
second year as a member of the
faculty of Hart Elementary
School.

A graduate of West Texas
State University in May, 1974
with a BS in speech and hearing
therapy, Miss Thomas works
with speech and hearing
therapy under the new
state-funded "Plan A" program.

"Marge" explains that her
job is to see that each child is
given an articulation test to
detect errors in pronouncing
speech sounds. During the
test, the therapist listens for
voice quality since a nasal voice
or hoarse voice can indicate
medical problems to be
referred to a qualified physi-
cian.

If a child is found to have a
speech difficulty, Marge says,
he or she is given two
20-minute speech lessons a
week at a time convenient for
his or her schedule. This
individual attention can build
self-confidence.

Lessons are planned to
increase language skills while
correcting the speech difficulty.

Cooperating with the school
nurse, Mrs. David Knox, each
elementary child is tested for
possible hearing loss, Marge
says. Speech and hearing
therapy may be needed to teach
a hard of hearing child how to
watch as well as listen to a
speaker.

Marge says that Fridays
include a 20-minute speech
improvement lesson in each

elementary classroom. Stories,
readers theatres, plays and
puppets are used to encourage
children to communicate effec-
tively.

Born and reared in Olton,
Marge is a 1970 graduate of
Olton High School. She was
selected her senior year in high
school as the Betty Crocker
Homemaker of Tomorrow and
received a Future Homemakers
of America State Degree.

Sewing and crafts are
enjoyable pastimes. Marge also
is an avid bookworm.

A member of St. Paul's
Lutheran Church in Plainview,
Marge shares an apartment in
Plainview with kindergarten
teacher, Gail Bandy.

SPORTS

By Bryan Irons

Hart Horns traveled to Anton Friday night and came out victorious edging out the Bulldogs by a score of 20-12. First quarter was scoreless, then the Horn's Terry Hill plunged in for the first score. Anton scored next on a one yard plunge. With one minute left, Anton's linebacker intercepted a screen pass and dashed 40 yards for a score.

At half time the Horns were trailing 12-6. In the first play of the second half, Barry George raced 50 yards to tie the score 12-12. Terry Hill broke through the line for extra points to make it 14-12 in favor of Hart. At the beginning of the fourth quarter, Terry Hill dashed in on a 9-yard run for the final score of the night. Conversion failed. Final score was Hart 20, Anton 12.

The Longhorn Varsity Team will meet the Shallowater Mustangs here this Friday night.

FUTURE HEALTH CAREER

'Christmas In August' Observed By GA's

G.A. members met at 4:30 Sunday afternoon at First Baptist Church to prepare for the "Christmas In August" program.

The girls decorated a Christmas tree. Refreshments of cookies and Dr. Peppers were furnished and served by Dora Bonsal, Jennifer Davis, Melissa Kittrell and Teresa Mapp.

The group sat in a circle and sung Christmas songs with the lights out and the lights on the tree blinking.

Prayer calendar was given by Donna Davis. Missionary of the week was Genus E. Crenshaw, Florida, who works with the Seminole Indians.

"Christmas in August" program included "This Little Christmas Candle," Julie Davis; "As Shepherds Told The News," Melissa Kittrell and "We Praise Thee, God," Dora Bonsal, Diane Davis and Teresa Mapp.

Reading of Christmas Story from Luke 2:1-20 was by Donna Davis, Jennifer Davis, Debra Davis, Leslie Franks, Mary Kay Mapp, Jane Werner, Christi Cariker, Grace Bonsal, Chrisi Roland and Gayla Kittrell.

Girls joined hands and sung "Silent Night," then placed gifts under the tree for Missionary Byron Lutz, Buffalo, N.Y. The gifts will be mailed to him from GAs all over the United States. He will sort the gifts to have ready for children by Christmas.

SUMMARY
OF
PROPOSED

CONSTITUTIONAL AMENDMENTS

(S.J.R. NO. 11)

SPECIAL ELECTION NOVEMBER 4, 1975

PROPOSITION NO. 1 ON THE BALLOT

Revising the separation of powers, legislative and executive provisions of the Texas Constitution. Article II, Separation of Powers, is amended to:

Provide that the powers of government of the State of Texas are divided among three distinct branches: legislative, executive, and judicial. Except as otherwise authorized by the constitution, members of one branch may not exercise any power properly attached to either of the others.

Article III, The Legislature, is amended to:

Continue the present structure of the legislature consisting of a senate with 31 members and a house of representatives with 150 members. The present organization and procedure of the legislature are continued except that the provision allowing closed executive sessions of the senate is omitted. Provisions on the conflict of interest of members of the legislature are continued, as is the governor's power to veto bills or line items in appropriation bills. The article provides for single-member senatorial, representative, and congressional districts. A compensation commission is created to recommend the compensation and allowances to be received by members of the legislature. The legislative compensation, set by law, may not exceed this recommendation and does not take effect until after an intervening general election. The article provides for annual sessions of 140 days in odd-numbered years and 90 days in even-numbered years, and a veto session of 15 days upon request of three-fifths of the membership of each house. The legislature may meet in organizational sessions prior to the convening of the legislature in regular sessions.

Article IV, The Executive, is amended to:

Continue the present status of the governor and all other statewide officers, and include the commissioner of agriculture as an executive department officer. The governor is limited to two consecutive terms. The governor is authorized to designate chairmen of state boards, and to remove gubernatorial appointees to state agencies

for cause unless the removal is vetoed by the senate. The article mandates the legislature to provide a new governor-elect an appropriation so the governor-elect may organize an office prior to inauguration, and permits the legislature to grant powers of fiscal control to the governor. All governmental agencies, with several exceptions, have a life of not more than ten years unless extended by the legislature, and, at the regular session held in odd-numbered years, the governor shall submit to the legislature a report on the organization and efficiency of the executive branch.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the SEPARATION OF POWERS, LEGISLATIVE, AND EXECUTIVE PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective January 1, 1976, except Article III, Section 5, which becomes effective January 1, 1981.

PROPOSITION NO. 2 ON THE BALLOT

Revising the judiciary provisions of the Texas Constitution. Article V, The Judiciary is amended to:

Establish a unified judicial system consisting of the supreme court, court of appeals, district courts, and circuit courts. Existing county courts and county judges are continued until otherwise provided by law. All judges (except municipal judges), district attorneys and district clerks must be elected by the people. The supreme court and the court of criminal appeals are merged into a single court of last resort, and this supreme court is authorized to provide for efficient administration of the judicial system and to balance case loads. Individual rights for a trial by jury and appeal by the accused are continued. The state is granted the right to appeal in criminal cases in limited circumstances, and the legislature is permitted to establish methods of appeal to the courts from decisions of state agencies.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the JUDICIARY PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 3 ON THE BALLOT

Revising the voting and election provisions of the Texas Constitution. Article VI, Voter Qualifications and Elections, is amended to:

Provide for registration and qualifications for voting including voter residency requirements to be established by law. A citizen of the United States who is at least 18 years of age and who meets the registration and residence requirements provided by law is a qualified voter unless the person has been convicted of a felony and for that felony is incarcerated, on parole, or on probation, or unless the person is mentally incompetent as determined by a court. Voting by the people in all elections must be by secret ballot, and the legislature shall provide by law for residence, registration, and absentee voting requirements, for the administration of elections, and for the protection of the electoral process. The general election for state and county officers is to be held in even-numbered years on a date prescribed by law.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the VOTING AND ELECTION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 4 ON THE BALLOT

Revising the education provisions of the Texas Constitution. Article VII, Education, is amended to:

Provide that the Permanent and Available School Funds and the county public school funds are continued for the support of the free public schools. The State Board of Education is retained and the Permanent and Available University Funds are continued for the benefit of The University of Texas and Texas A&M Systems. A new Higher Education Fund for Texas is established for the benefit of colleges and universities outside The University of Texas and Texas A&M Systems.

The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the Fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Permanent University Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the EDUCATION PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article VIII, Finance, is amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any state ad valorem tax on real property or tangible personal property except the ten cent tax provided for in Article VII and a tax of two cents on the \$100 assessed valuation to provide funds for the State Building Fund. Provides that all real property and tangible personal property must be taxed equally and uniformly in proportion to market value. Existing exemptions from ad valorem taxation are continued. The present dedication of motor fuel taxes for highway purposes and the Available School Fund is retained. The "pay-as-you-go" principle for the operation of state government is retained. The legislature shall establish separate formulas for appraising land to promote the preservation of open-space land devoted to farm or ranch purposes and may establish separate formulas for appraising land to promote the preservation of forest land devoted to timber production. The \$3000 exemption from state ad

valorem taxation for residential homesteads is continued and the legislature by law may increase this amount. A separate \$3000 exemption from ad valorem taxation by political subdivisions is provided for the residential homestead of persons at least 65 years of age and the political subdivision may increase this amount. The legislature by law may exempt from ad valorem taxation certain property owned by veterans' organizations, non-profit water corporations, and persons in need because of age or disability, and economic circumstance. The legislature may also exempt property to preserve historical, cultural or natural history resources. Taxpayers are provided a new method of correcting inequitable tax assessments by paying ad valorem taxes under protest and suing for a refund in a district court. State debt may be authorized by law only if approved by a two-thirds vote of each house of the legislature and submitted to and approved by a majority of the qualified voters of the state voting on the question. Public funds and public credit may be used only for public purposes and no public funds or public credit may be used to influence the election of a public officer. The article prohibits a retail sales tax on agricultural machinery or parts, fertilizer, feeds or seeds, prescription drugs or medicine, or food, except food sold by restaurants for immediate consumption. An assessment voted by marine food or agricultural producers on their product sales is not a tax if provision is made for the individual producer to receive a refund of the assessment when the producer does not desire to be assessed.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the FINANCE PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective on September 1, 1976, except Article VIII, Section 2, Subsections (b) and (c), which becomes effective January 1, 1978, and Article VIII, Section 6, Subsection (c), which becomes effective January 1, 1979.

PROPOSITION NO. 6 ON THE BALLOT

Revising the local government provisions of the Texas Constitution. Article IX, Local Government, is amended to: Provide that the coun-

ties of the state are those that exist on the date of adoption of the local government article and that county boundaries may be changed if approved by a majority of the qualified voters in each affected county who vote on the question. Counties may be merged or county seats relocated if approved by two-thirds of the qualified voters in each affected county who vote on the question. The present elected constitutional county offices are retained and four year terms of office are provided. The voters of a county may create additional offices, eliminate offices, or combine the duties and functions of offices. The voters may also grant ordinance making power to the governing body of the county. Cities and towns having more than 1,500 inhabitants may become home-rule cities. Tax limitations are established for operating purposes for cities and counties and the legislature is required to fix debt limits for cities, towns, counties, and school and community junior college districts.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 7 ON THE BALLOT

Revising the general provisions of the Texas Constitution. Article X, General Provisions, is amended to:

Provide the basic requirements relating to public officeholders such as the official oath and residency requirements. The provision defining the separate and community property of spouses is retained, and the protection of a homestead from forced sale is continued. The legislature is required to protect certain personal property from forced sale. Current wages for personal service are not subject to garnishment. A private corporation may not be chartered except under general law, and no bank may engage in business at more than one place in this state. The legislature must provide for the regulation of bank holding companies. The present system of local-option elections for the prohibition or sale of alcoholic beverages is continued. The legislature is re-

quired to prohibit lotteries and gift enterprises but may permit certain bingo games and raffles. The presently existing provisions for retirement benefits of teachers and other public employees are modified to allow the state to contribute more than 10%. A policy that the quality of the environment of the State of Texas is to be protected is established, and the legislature is required to implement and enforce this policy. No state funds may be used to remove surface water from the river basin of origin if the surface water is necessary to supply the reasonably foreseeable water requirements of the basin for the ensuing 50 years, unless the removal of water is sufficiently replaced to the point of removal from outside the state or is on a temporary, interim basis. The seaward beaches of the Gulf of Mexico and coastal submerged lands belonging to the state are held by the state in perpetual trust for the people, and subject to reasonable limitations prescribed by law, the public has the free and unrestricted right of use and benefit of the beaches. The provision is continued that, except as otherwise provided by law, a rate of interest in excess of ten percent a year is usurious, and that if a contract does not specify a rate of interest, the rate under the contract may not exceed six percent a year. Discrimination against handicapped persons is prohibited, and a goal of the state is established to provide every resident access to adequate, comprehensive health care.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the GENERAL PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 8 ON THE BALLOT

Revising the mode of amending provisions of the Texas Constitution. The proposed article will be the last article of the constitution. If only Proposition No. 8 is adopted, the article will replace Article XVII of the present constitution. If other propositions are adopted, the article will be appropriately renumbered to remain the last article of the constitution. If all propositions are adopted, the article will be Article XI. Article XVII, Mode of Amending

the Constitution of the State, is amended to:

Establish a procedure for constitutional amendments requiring a two-thirds vote of each house of the legislature and majority approval by the voters. The calling of a limited or unlimited constitutional convention with voter approval is provided. The question of whether to call a constitutional convention must be submitted to the people every 30 years.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

The constitutional amendment revising the MODE OF AMENDING PROVISIONS of the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

Too Wet To Handle!

Continued from page 1 skirted 51 yards to knot the score at 12-12. Terry Hill ran the extra point.

The remainder of third period was played during a driving rainstorm and saw the slippery ball change hands four times. Weather conditions undoubtedly played an important role in the game as Hart fumbled six times and had two passes intercepted. Anton fumbled three times and had one of their aerials picked off.

Hart's clincher came when junior linebacker Bryan Irons recovered an Anton fumble at the Hart 42 yard line. Behind good line blocking led by Dean Hill, Johnny Carasco, Brad Sharp, Glenn Black, Gary Jackson and Larry Marble, the Longhorns culminated the 58 yard drive when Terry Hill scored on a 9-yard run. The try for extra point was thwarted and the score remained at 20-12.

With four minutes of play left in the game, Anton mounted a

drive beginning on their 40 yard line. Quarterback Zane Butler hit successive passes to Ray Stone and Greg Couch. With less than three minutes to play, Anton had a first down inside Hart territory. However, the Longhorn secondary led by Aven, Newsom, Donald Robinson and Jesse Flores stiffened and Hart held on for the win.

Defensive standouts for the Longhorns were Black, Irons and Terry Hill. Bulldog stalwarts included Timms and Marty Sea.

Offensive leaders for Hart were captains, Barry George and Terry Hill, who combined for 240 yards rushing. Rex Jones was the top Bulldog rusher.

The game was marked by no serious injuries although Hart quarterback Kerry George received a mild concussion. Hart's next outing will be played at Longhorn field against Shallowater at 8 p.m. Friday night.

Classes Begin Oct. 28

DPS Seeks Applicants

The Texas Department of Public Safety is in need of qualified applicants of both sexes and from all racial backgrounds. "The next class for Department of Public Safety Recruits will begin on October 28, 1975, with what we hope will be a full compliment of 110 persons," Major C.W.

Bell, Regional commander announced today. "The qualifications an applicant must meet are to be between 20 and 35 years of age, of good moral character, excellent physical condition, weight proportionable to height, visual acuity of 20/40 correctable to 20/20, a citizen of the United States and

have a minimum of sixty college hours." Major Bell continued, "Among the benefits that a Department of Public Safety Trooper enjoys are: two weeks annual vacation, all holidays provided for by the Legislature, modern liberal retirement system, group hospitalization and life insurance plan,

traveling expenses, longevity pay, and uniforms with all necessary equipment to perform their duties."

A Department of Public Safety Recruits training consists of eighteen weeks of comprehensive programs in all aspects of modern law enforcement at the Homer

Garrison Law Enforcement Academy in Austin. During training the October School Recruit will receive pay of \$768 dollars a month. Upon graduation the new trooper will be assigned to one of the uniformed services of the Department.

The Texas Department of Public Safety has been increasingly successful in its search for recruits from minority racial groups of both sexes and encourages persons who think that they would qualify to contact the nearest Department of Public Safety Trooper or Department of Public safety office to receive complete information regarding the application and employment procedures.

"Region 5 is most interested in being well represented by the best qualified persons available from the Northwest Texas area in the upcoming school," Major Bell stated, "but to do this, we must have the persons apply."

The Texas Department of Public Safety is an Equal Opportunity Employer.
