“Wheeler: town of friendship and pride”

There will be no December 27th Issue of *The Wheeler Times*. The office will be closed. This will be the first time we have skipped a paper, but because of Christmas falling on Tuesday, we chose to miss a week.

— cwe —

The next edition of the *Times* will be in the mail January 3, 2019.

— cwe —

I missed the Commissioners' Court meeting on December 9. I was working on the paper and forgot it was Commissioners' Court day.

— cwe —

There was an excellent turnout for the “Christmas on the Square” Saturday, December 15. Around 550 were in attendance. The weather was cooperative.

— cwe —

Happy Birthday Paula, good to see you looking so young.

Sheriff Warns Of Soc. Sec. Scam

At least one person in the area has been contacted by people pretending to be with the social security administration. This person was told they would be arrested because their SS number was used in crimes. The people on the phone convinced them to pay money to get a new social security number to prevent this from happening.

This is a SCAM, please don't let people on the phone convince you to give them your money.

Xcel Energy Prepares for Winter

In an effort to speed response time in the event of weather-related power outages, Xcel Energy is moving supplies and personnel into areas likely to experience the strongest effects of a winter storm that is expected to move across the area tomorrow.

Xcel Energy is also reminding customers to be prepared if outages persist for several hours or overnight by considering options for keeping warm in the home of a friend or neighbor not affected by a power outage. Anyone staying in a home without power should keep a supply of batteries, food, water and warm blankets, and use extreme caution with candles or open-flame heating devices. Customers should also be careful to properly vent portable generators and gas heaters.

In the event of downed power lines, customers should assume they are energized, report the location to Xcel Energy and stay away from the area.

Outages are more likely when icing occurs. Power lines laden with ice can break loose, damaging cross arms and poles. Tree branches often snap under the weight of ice and impact service lines leading into homes and residences. If the impact of a branch damages the meter box and service mast, which are customer-owned facilities, an electrician will need to make repairs and have the repairs inspected by city code officials before service can be restored.

Dear Santa,

Theres a lot of things I would like for Christmas. One thing I would want is a Skateboard. I already have one but its to small. Another thing is fox or Alpine Stars white racing boots because my boots are getting to small. My third thing would be Madden 19 which is a football game. My fourth thing would be a new hover board because the battery got fried. My fifth thing would be a iPhone X because I only have an iPhone 5. My sixth and final gift would be a 2019 KTM 85cc.

Love, Tucker Walden

Dear Nick,

Hello santa, I see that you're very busy this year, but I don't want mutch. I just want two things: yu-gi-oh cards, and a watch.

And I also know some thing emsley wants: a stuffed toy.

I also have some questions

are you vegetarian (because I have never heard if you eat meat), how long does an elf live, is you're suit warm, do you always read the newspaper?

Merry Christmas

Signed, Nathan Lucas

Dear Santa

For this years Christmas I would like a new pair of cowboy boots. The really nice black boots that match my cowboy hat. Then I would be fancy for church and special events like Christmas, Thanksgiving and my birthday. Then I woulnt look dirty and unfancy then I would be fancy. It would be awesome if I got black boots.
From Hunter Zybach

Dear Santa,

What I really, really want for Christmas is a bunch of slime stuff like scent, cute charms, a gallon of glue, some glitter, foam beads, shaving cream, fake snow, fish bowl beads, slushie beads, and food die.

May I please have all this, so I can make really cool slime. I would also like cooking stuff, because I absolutely love to bake. The other day I learned how to bake a grilled cheese, and a grilled ham and cheese with my best friend Rylee.

Love, Aliyah McCarter

P.S. I really want all that slime stuff, if you don't mind!! Oh and is Cinderella the elf coming soon. I miss her a LOT!

Dear Santa,

This year I would like an Ipad for Christmas, because mine is really old. I'm giving my old one to my brothers because they're always begging to play on it. I would like a parakeet, but the main thing I want is an Ipad. Maybe one of my family members could get me one. I would also like a decorative case because mine is solid grey with a little pink. My case is also broken in some places. I would like few particular candies in my

stocking such as chewy sweet tarts, snowman poop, and gobstoppers. Are you going to put something in my dog's stocking because I know you did last year. Maybe he would like a squeaky toy. This year I bought him a mini stocking about the size of my hand. I'm going to put a J on it for Jagger. I've tired my best to be the nicest I could this year.

Love, Paisley Archer

Dear Sana Claus,

Hey Santa! I've really tried to be good this year. Also I really hope you had and amazing year! I know your super busy with the raindeer, the toys and all the other kids around the world. So I don't want to be any trouble, and I just want a couple of things this year, and if I don't get it that's perfectly fine because I'm thankful for what ever you give me. First, I would love ocean decorations for my room! Next, it would be awesome to get cool cat toys for my cat Simon to play with. Then, some bracelet and jewelry makers would keep me busy as the year goes by and they would be fun to make with my friends at sleepovers! Also, some things that I really want is squishys! I love squishys and I really want more to add to my collection.

I would also like some pick-me-pops to make my room smell amazing! I don't know how to thank you enough for everything you do for the entire world! Will you please say hello to Mrs. Claus, the elves and the raindeer. Thank you and Merry Christmas!
Love, Rylee Rose

Dear Santa,

This year I don't really know what I want for Christmas. I would really enjoy anything

you got me. But I guess if I have to choose I would want a gallon of glue and instant snow. With this I could make a massive cloud slime. I would also like a custom necklace of my german shepard Phoenix. I love phoenix so much it would be so cool to have a necklace with him on it! I would also like a hoverboard as long as it is not dangerous. I would prefer to have blue or green but any color would be just fine. Also I would like miniature figurines of animals like the mystery box ones and a pikmi pop. This next present if for my dog Peanut. I would like you to bring him a really cool bed that pops down to become a normal bed and pops up to a miniature cave! The last thing I want is snow. I can't remember the last time it snowed on Christmas. I will make sure to leave milk and cookies out for you. I will also leave treats out for your reindeer. Stay warm and have a very merry Christmas.
Love, Jaylie Dickey

Dear Santa Claus,

Merry Christmas! How are you? Its me, Brylie Hand. I would like to thank you and the elves for all of the presents

that you have given me. I'm happy that you make all of the children and adults all over world happy. By the way, I will leave you some cookies and the reindeer some carrots and alpha to snack on. This year for Christmas, I would like a phone, a saddle and brushes and finally a stock show bedding and stock show clothes please. I want a phone because if my mom and dad are hauling hay, then my mom can call or text me and tell me they will be home in a few minutes. Also I want a saddle and a few brushes for Gypsy. I want a new saddle because I won't have to use my grandma's or grandpa's saddle. Finally, I would like some stock show clothes and bedding. I really need some new stock show clothes because my old stock show clothes are too small for me. Thanks! Merry Christmas!

With Regards, Brylie Hand

Dear Santa,

One thing I would love for Christmas is my very own Paint horse. I know it would be the biggest present I got from you, but I just can't help it. If that doesn't work

its ok there are still other small things I want. One of those is fantastic beast legos. Ya I know I get legos every year, but I just love to build. Another thing I would like is animal skin like deer, bear, raccoon, and beaver. Ya I know it is a little weird for someone to want animal skins for Christmas, but I love Indians and they used animal skin for lots of things, So if you please may I have I have I have those animal skins for Christmas. Next I would like an indian suit, I don't know what what size yet, but I will write it down in my real letter. Last indian thing I want is a indian backpack not that

weird stuff, but what Indians made it look like. The last thing I want is normal and that is a reindeer stuffed animal. That looks like Snowflake. Speaking of Snowflake, can you ask Sunshine, Elfina and Snowflake if they will come this year. I am sure Snowflake wants some love. Thank you Santa for everything Merry Christmas!

Love, Ali Mahler

P.S. If Sunshine, Elfina and Snowflake don't come tell them hi and have a very Merry Christmas.

Dear Santa,

I really would like some conchos for my saddle. May I please have some more earrings. I would also like some colored pens, colored

sharipes, and my own pair of scissors for my desk. Some more clothes would be nice. That's all I really want. How are you and Mrs. Claus up at the north pole? How many elves do you have? Will you tell Saddle hello and that we can't wait to see her. I hope

Fort Elliott

Fourth Grade

Dear Santa,

I have been a good kid this year. I hope I am on the nice list because I love opening presents on Christmas day. I don't like getting coal. I am going to tell you three things I want this year for Christmas. The first thing I want is a gallon of white liquid glue so I can make slime. Making slime is a new trend going on, and I think it is fun and cool to make. You have to have glue to make slime. That's why I want glue. The second thing I want is a new blanket. I want a new blanket because everybody gets cold, especially me. I think I need a new blanket because all my others ones are a bit worn out from me using them all the time in the winter when it is cold. The third thing I want is my own inside cat. Cats are my favorite animals. That's one reason I want one. Another reason why I want one is it can cuddle with me when I feel sad and when I sleep. I want a Siamese cat, because those are my favorite kinds of cats. I would probably name it Tiny because that is my nickname. Of course I would want it to be a girl cat. Those are some things I want for Christmas, but I could use a couple more! I really don't care what I get for Christmas because I know the true meaning. I hope you have a very bright

you have a safe trip here. I know this is a lot to ask for, so I don't need all of it. I hope you have a Merry Christmas. Thank you for your time to read my letter.

Yours Truly,

Tatum Pigg

and jolly Christmas. Knowing you Santa, I bet you will.

Merry Christmas, Jayla Dickey

Dear Santa,

I was very good this year and I hope that you bring me at least sum of the stuff I want. Here are some things that I want, *A Colman 196cc extreme mini bike *A green and blue nerf football * The new nerf gun called the Infunis *A huge joke book with lots of jokes *The new lego Jurassic world movie called fallen kingdom *money and a few lego sets *A new back pack and some erasable pens and last but not least a whole bunch of candy.

Santa I really appreciate what you have done to all sorts of kids over decades and decades please keep it up and always make kids happy. Merry Christmas Santa Clause

Love, Kelton Sims

Dear Santa,

What I want for Christmas is a Nerf N-Strike-Fire blaster, and som trak pieces, also I want a four wheeler. I know it's a lot to ask for but that's all. I want to ask you some questions. How do you travel around the world so fast. Also how do you eat all those cookies and not get sick. Do you have any kids. Has anybody seen you yet. Have you played anything musical. Anyway you have a lot more letters to read than mine.

Sincerely, Maverick Barr

Dear Santa,

How are you doing? Christmas is around the corner so im sure you and your elves are busy. But tell dash my elf on the shelf to please come to my house this year. He didn't come last year and me and Tommy were sad. But anyway I wanted to tell you what for Christmas. I want a all terrain hover board with a hover cart you can pick the colors. Also a Jean Jacket and a new pair of air Jordon Shoes. Finally I want a boy lego sets and a drone. Have a great Christmas.

Your Friend, Colton Hefley/Holbrook

Dear Santa,

This Christmas I would really like some Barbie Clothes, a Barbie Pool and a Barbie Car. The reason I want this stuff is because I don't have enough outfits for my Barbie dolls. Another reason is I love to go swimming its my favorite hobby but I don't have a pool for my Barbies. My Final reason I have a lot of barbies! Too many. I have about ten or so but I don't have enough transportation for them. I would also love a trampoline. One reason is because I would Play on it every day after school unless it's too cold. Santa I would really love these things. Santa have I been naughty or nice I would really like to know. Besides that what is your favorite kind of cookie I need to know so I can make for you.

Sincerely,
Dixie Whittington

Dear Santa,

Do you like pie, if you do please note that it's flavor will be blue berry! Do you know what I want for Christmas. I will give you a list. * A lazer tag set * A Santa action figure *A ninja costume. I could name more but I don't want to wast your time.

This holiday season has a lot to give but little to take, that is why I am going to give you a cup or a ton of candy. I thank you for every thing you have given me. So, thank you Your friend, Luke Reed

THOUGHTS

You know that tingly little feeling you get when you really like someone you've just met? That's common sense leaving your body.

I don't like making plans for the day. Because then the word "premeditated" gets thrown around in the courtroom.

I didn't make it to the gym today. That makes 1,500 days in a row.

Bright Wishes and Warm Regards from all of us
