Jail renovation considered

Commissioners to seek meeting with TJSC representative

Meeting on June 22, the Floyd County Commissioners once again discussed the proposed renovation of the county jail to meet Texas Jail Standards Commission mandates. At issue this session was a decision to authorize the architect, Joe Stiles, to proceed with drafting the necessary plans and submitting them to the TJSC for approval.

Judge Bill Hardin read a letter received last week from the TJSC, stating "the order for closure will be stayed until July 29." At that time, according to the communication, "The remedial plan will be reviewed." The letter expressed the view that Floyd County officials were at this point showing "good faith" in their attempts to comply with TJSC rulings.

Two commissioners, Floyd Jackson of Precinct 2 and Thomas Warren of Precinct 3, were reluctant to approve further involvement in the renovation without first meeting with TJSC representative Joe Slater to attempt the negotiation of a compromise renovation plan which would not cost the approximately $91,000 being considered for the renovation project.

Warren suggested asking Slater to consider raising jail capacity from 9 to "a number less than the 16 contemplated" to cut the cost of the renovation. Jackson concurred, adding "I just think that we should made every effort to bring the cost of complying with the TJSC down to something we can afford without committing money we do not have."

Commissioner Kay Crabtree, Precinct 4, agreed, saying "I feel that we should check into any area which might allow us some leeway, either in time, money or both." Sam Spence, Precinct 1, did not feel that anything would be accomplished by such a meeting. "We have them (TJSC) on our backs, so we might as well fix it to suit them and be done with it."

Judge Hardin was asked to set up a meeting with Slater and place the matter on the July 13 agenda of the court.

BIDS OPENED

Other matters considered at the Monday session included the opening of bids for the sale of a 1975 Oldsmobile no longer in use by the sheriff's department. Three bids were received. City Auto won the bid on an offer of $400. Calvin Carver bid $150 and Keith Reeves bid $101. A motion by Spence, seconded by Jackson accepted the City Auto high bid.

Janet Lane, a representative of South Plains Association of Governments, met with the court to present a dispute resolution program currently being proposed to area counties. The program, which works to resolve minor disputes of a primarily civil nature which involve less than $500, is financed by a fee ranging from $5 to $10 levied on cases filed in the county's civil court.

Mrs. Lane told the court "Counties contract with us to mediate these disputes and we charge only a $5 fee per individual involved. There is no charge if the person cannot afford it or if the case is referred to us by the local court system."

Examples of disputes settled by the program in the past were cited by Lane. They include a disagreement about water rights, rent dispute and two cases involving juveniles and broken auto windshields. "We try to resolve the dispute without getting into the court system by allowing the parties involved

Stolen Tipton pickup found, man arrested

A Bible which was stolen and later returned provided the key with which officers unlocked the mystery of a stolen pickup. Refugio Garcia was interrogated and arrested about 2:30 p.m. Tuesday by Police Chief James Hale.

The 1984 Ford Super Cab pickup, two-tone brown in color, was stolen Sunday, June 14, about 11:15 p.m. from the Kevin Wayne Tipton residence at 308 W. Ollie.

Contents from the Bible reportedly stolen from Guadalupe Irlas were found "on the ground" near the site where Tipton's pickup was taken. Officers theorized that the suspect may have been carrying the Bible at that time.

Irlas informed Chief Hale that the stolen Bible was placed on his front porch. Inside the Bible were three letters from the Jimmy Swaggart Ministries, allegedly addressed to the suspect at Brazoria and Tennessee Colony, where he had been incarcerated.

Chief Hale knew the suspect and talked with him at a residence in the 700 block of West Ross. After the questioning, Garcia was arrested.

He was taken to the Floyd County jail on charges of "unauthorized use of a motor vehicle." Justice of the Peace Lowell Bilbrey arraigned the suspect.

PICKUP RECOVERED

The pickup was found Tuesday afternoon at a gin at Estacado. It was returned to Floydada by a City Auto wrecker.

For "about a week", the vehicle had remained at the gin, according to the manager.

The pickup was not damaged, according to Hale, although tapes and a tape box were removed. These items are believed to have been sold in Lubbock.

"About six tapes," a child's car seat, and a children's book were not removed from the vehicle. Lawmen believe that the suspect went to Lubbock after taking the pickup and later drove to the Estacado gin before running out of gas. He then started "hitchhiking," they theorize.

This newspaper has learned that the suspect was paroled out of the penitentiary to Floyd County on May 11.

Caprock Hospital plans coronary screening clinic Thursday, Friday

Caprock Hospital is offering the public a coronary heart disease screening clinic for the public today (Thursday) and Friday.

Hospital officials explain that the clinic will consist of blood pressure, weight, heighth and pulse screening, diet consultation, cholesterol and triglycerides blood test, EKG and exercise tips for all ages to "insure healthy hearts."

AMERICAN HEART ASSOCIATION PAMPHLETS TO BE DISTRIBUTED

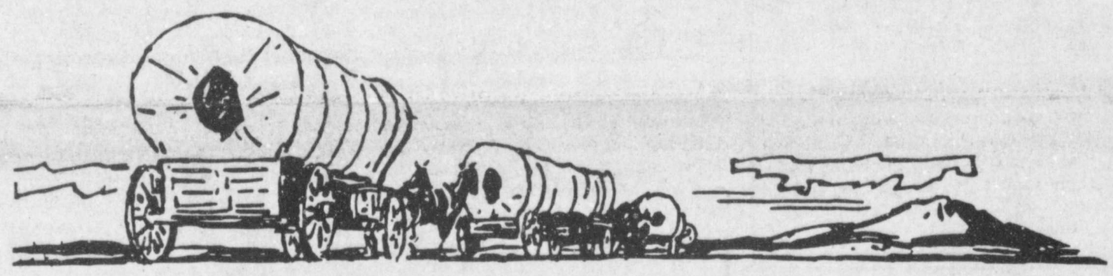

Leroy Schaffner of the hospital staff points out that "Today, about 30 million Americans have some form of heart and blood vessel disease. Of that number, over four million have developed coronary heart disease. We know that many variables affect the condition of the heart and blood vessels and different reasons have been given for the high incidence of coronary heart diseases.

"Each day an average American consumes about 100-120 grams of fat. In spite of the large amount ingested, only about two percent is made up of cholesterol and the rest is mainly triglycerides and free fatty acids.

"A check of the cholesterol and triglyceride level will help your physician determine your chances of developing coronay heart disease and help you reduce your intake of free fatty acids."

Cost of the cholesterol and triglyceride blood test will be $8. A $5 fee will be made for each EKG.

Persons desiring further information should phone Schaffner at the hospital, 983-2875 (extension 145).

Texas history unfolds in county

By Bill Gray

One-hundred and 46 years ago last Friday (June 19, 1841), one of the most significant events in Texas history unfolded. It was on that date that the 1841 Texan Santa Fe Expedition departed from its staging area, known as Brushy Creek Camp, about 15 miles north of Austin.

What lay ahead of the 50-odd merchants and pioneers and their military escort of 270 were many months of hardship, near-starvation, privations and death. The actual mission of these bold adventurers has been clouded through the years, with the story of the campaign receiving little mention in most historical accounts of early Texas.

Detailed papers on the expedition by Marisue Potts and Bill Gray were brought to the attention of the Floyd County Historical Commission. Of particular local interest was a site known as "Camp Resolution," in the far northeast corner of Floyd County.

This campsite played an important and dramatic role in the Santa Fe Expedition's ultimate outcome. As such, the location has been designated as a State Historical Site. An official Texas Historical Marker will be erected and dedicated on August 30, 1987.

Commencing with the July 30 edition of **The Floyd County Hesperian**, a five-part series of articles will appear, telling the entire story of the 1841 Texan Santa Fe Expedition and the importance of the Camp Resolution site in what was to become Floyd County half a century later.

The final segment will be carried in the August 27 edition — three days before the dedication of the Camp Resolution Marker.

Funds are still needed and are being soliticed for the marker. Those wishing to contribute may mail their tax-deductible checks to: Floyd County Historical Museum, P.O. Box 304, Floydada, Texas 79235; Re: Camp Resolution Marker.

Marker dedication scheduled August 30

Twin markers — one by the Texas Historical Commission and the other by the Grand (Masonic) Lodge of Texas — will be dedicated at 3:30 p.m. on Sunday, Aug. 30.

The Masonic marker is being dedicated to "Masons on the 1841 Texas Santa Fe Expedition" and the THC marker is a tribute to "Camp Resolution of the Texan Santa Fe Expedition."

Site chosen for the markers is in the extreme northeast corner of Floyd County, adjacent to Farm Road 1065. This is near both the Quitaque Creek and Los Lingos Creek and near both the Briscoe and Motley county lines.

The site is seven miles south of Quitaque and 16 miles northeast of South Plains.

Marisue Burleson Potts has been chosen to emcee the program. She and Bill Gray have both done research essays on the Texan-Santa Fe Expedition of 1841.

Gray will introduce Jack Kelly, grand master of the Grand Lodge of Texas, who will address the gathering. Also scheduled to speak is Curtis Tunnell of Austin, chairman of

Sheriff's Department locates stolen auto on Sandhill farm

The owner has claimed a 1973 Ford Torino which was stolen in Plainview and discovered at a Sandhill farm.

Sheriff Fred Cardinal said the vehicle was discovered by the Sheriff's Department on the Fred Jackson farm, two miles east and one-half mile south of Sandhill. It was parked near an irrigation well.

The car sustained "some damage."

It had been missing "about a week" when found by Floyd county lawmen.

According to the sheriff, the key was broken off in the ignition and the auto would start without a key. It was unlocked.

One DWI charge was made by the Highway Patrol during the past week.

Suspect arrested on charges of passing two forged instruments

A floydada man, Billy Ray Burks, has been charged with two counts of passing forged instruments after being apprehended last week.

Justice of the Peace Lowell Bilbrey arraigned the suspect and set bond at $7,500 on each charge. Burks remained in jail early this week.

One forged check was passed June 13 at Shop-Rite and the other was passed the following day at the same store. The suspect went to different checkout stands to cash the checks.

Police Chief James Hale says additional charges could be forthcoming.

The suspect was arrested the day after police received the report.

One of the checks was in the amount of $38 and the other in the amount of $67.

Chief Hale says he worked with Police Chief Woody Woodward of Spur on the case. The name of a Spur man was forged on the checks. One of the addresses listed on the check is a vacant lot.

The Police Department continues its investigation of the June 14 theft of a pickup belonging to Kevin Wayne Tipton and the June 15 burglary of two coin operated machines at a laundromat located at 121 South Wall.

Two vehicles were damaged Sunday in a collision in the 400 block of Second Street. A 1977 Chevrolet Silverado pickup, driven by Roberto Delafuenta, was traveling south on Second Street when the driver attempted to make a left turn from the right hand lane" and struck in the side by a 1987 GMC Sierra pickup, driven by Haney Deen Robertson of Dougherty. The second vehicle was northbound on Second Street.

Delafuenta received a citation, this newspaper was informed, for failure to yield the right-of-way.

Museum exterior facelifting completed

An exterior facelifting at Floyd County Historical Museum has been completed. One thousand dollars were spent on the exterior paint and repair project on two buildings.

Olin Watson, chairman of the museum board, says the awning was painted and repaired on the east building, windows were painted and curtains were placed in windows.

In the main building, glass in windows above the awning was rearranged, frames on these windows were painted, frames on six upstairs windows were painted, the windows were washed and shades were erected.

John Key West is chairman of the museum building committee, which also includes Watson, Layne Kirk, Emily Johnson and Sam Spence. Dale Griffin did the painting.

Local firemen to state convention

Bobby Welborn, Larry Guthrie, Bill Marquis, Alan Fondy and Dinks Eckert, members of Floydada Volunteer Fire Department, attended the 111th annual convention and conference of the State Firemen's and Fire Marshal's Association of Texas, held June 13-17 in Amarillo.

Eckert was elected fourth vice president of the state organizaton.

Guthrie, assistant chief of Floydada Volunteer Fire Department, was chosen in May as fourth vice president of the Panhandle Firemen's and Fire Marshals' Association.

Welborn serves as chief of the local department.

Some 400 voting delegates and 900 other association members from throughout the state competed in races to determine which drivers and which pumper teams are the best in the state.

Two guest speakers helped set the tone of the convention: Dan Baker, motivational speaker, and Carol Holmes, former Oklahoma City assistant fire chief, now the owner of a consulting firm, encouraged their listeners to search for the best in themselves and help prepare for the future of the fire service.

Eight workshops were held during the convention to help those firefighters who wished to add to their professional expertise in several areas of modern firefighting.

Five of the workshops applied toward participants' certification. Th SFFMA administers a statewide certification program, which not only provides a measurement system for those firefighters who wish to keep up with the latest developments but also aids cities in keeping down their insurance key rates.

New association officers were installed during the convention, with first vice president Ernest O. Reesing of Alpine becoming president, the position vacated by Tommy Bledsoe of Lone Star Steel Company.

Social activities also allowed attendees to meet with old and new friends and experience some to the host city's offerings and points of interest, including the outdoor musical "Texas," held in Palo Duro Canyon.

The State Firemen's Association was founded in 1876 and represents all Texas firefighters - volunteer and career - in the state legislature and congress. The association was instrumental in passage of legislation as the sponsor of the annual Municipal Firemen's Training School offered by the Fire Protection Training Division of the Texas Engineering Extension Service.

The association's 1988 convention will be held in Beaumont.

the Texas Historical Commission.

The markers are scheduled to be erected adjacent to one another by the Texas Department of Highways and Public Transportation. The Floyd County TDHPT unit also plans to improve the grounds nearby.

Floyd County Historical Commission is searching for descendants of men on the expedition.

Special tribute will be paid to the five men known killed at the site and buried in the area around Camp Resolution.

A reception will follow the dedication, although the location has not been announced.

Wording which will appear on the 18 inches by 28 inches Masonic marker includes:

"Masons on the 1841 Texan Santa Fe Expedition — In memory of the twenty-two Freemasons who were members of the ill-fated Texan Santa Fe Expedition of 1841. In their possession was a dispensation from Anthony Butler, Grand Master of the Grand Lodge of the Republic of Texas, to form Santa Fe Lodge No. 15, located within the territorial jurisdiction of Texas.

"Due to the expedition's failure to reach the New Mexico colonies, the dispensation did not arrive in Santa Fe and was revoked by the Grand Lodge of the Republic of Texas in 1844. Mentezuma Lodge No. 109 was later chartered in Santa Fe by the Grand Lodge of Missouri on May 8, 1851.

"The known Freemasons on the 1841 Texan Santa Fe Expedition were: Valentine Bennet, George Bernard, George W. Bonnell, James Burke, Joel T. Case, William G. Cooke, Samuel Flint, George T. to work out a settlement between themselves," said Lane.

Commissioners agreed to review the material presented by Lane and consider participation in the program at the July session.

COUNTY AGENT REPORTS

Richie Crow, county extension agent, met with the court to report on the new ag pickup and 4-H results at state contests in College Station earlier this month. He told the commissioners that the new vehicle was "really nice" and that the department was "very pleased to have it in service."

Addressing the court, Crow said, "You get lucky once in a while and this was our time. All of the students in 4-H who went to state competition finished well and the group brought home a variety of honors including scholarships and the right to compete at higher levels."

Commissioner Crabtree reported on the progress of Don Hardy Race Cars in outfitting the newly purchased rural fire vehicle. Crabtree told the court, "Hardy recommends that we allow him to use the reels, warning lights and sirens from the old truck to save money." Crabtree said Hardy estimated the savings at about $3100.

The matter will be placed on the July agenda for consideration and action.

Farm work contracts were approved for Lambert Spraying, Malvin A. Jarboe, Dan Ralls Estate Trust, Jay K. Lackey and D.F.S. Farms.

Powell and Beaty recite marriage promises

Wedding vows uniting Deborah Lynn Powell and Dale Keith Beaty in marriage were read Saturday, June 6, 1987 at 3:00 p.m. in the chapel of the First Baptist Church. Officiating was the Rev. Hal Farnsworth, pastor of the First Baptist Church of Floydada.

Parents of the bride are Latricia Stephens of Floydada, George Ray Powell of Houston. The groom's parents are Mr. and Mrs. Doug Brewer of Floydada. The bride is the granddaughter of Cordie Stephens and Mr. and Mrs. Fletcher Powell, formerly of Floydada. The groom is the grandson of Mrs. Ruth Duncan of Floydada.

The altar was decorated with a 15-branch arch of white tapers with plumosa fern, blue carnations, white daisies, and a baby blue satin bow. There were two spirals with 15 tapers, plumosa fern, blue carnations, white daisies and a baby blue bow in the center. Two floor palms flanked the altar.

The bride, escorted by her uncle, Oran Eubanks, wore a magnificent gown styled of white silk organza and lavishly trimmed in venise and chantilly laces. The Queen Anne neckline was edged in chantilly lace embroidered in seed pearls. The fitted bodice was designed with a natural waistline in front, but dipped into a basque waistline in the back. The bodice was appliqued in both venise and chantilly laces embroidered in pearls. The fitted sleeves were styled of all-over chantilly lace, and had a slight fullness at the top, in a leg-o-mutton styling. A pearl was at the center of each of the flower designs on the sleeve lace. Covered buttons were at the wrists, and pearls were embroidered on the lace edging. The full skirt had a cascade of six ruffles of lace and silk organza at the bottom in the front, and the ruffles swept around the sides of the skirt, where they were joined by other ruffles of lace and organza, forming a magnificent cascade of twelve rows of lace and ruffles flowing into a full chapel train.

Her veil was fingertip length and had a tiara of silk flowers, crystal and pearls. At the back of the tiara were four loops of pearls with three rows of pearls in each. A circlet of venise lace extended from the back of the tiara. The veil was two-tiered, and had pencil edging. Scattered pearls completed the beauty of the veil.

The bride's bouquet was made up of white roses with blossoms of light blue daisies throughout the bouquet.

Serving as matron of honor was Vicki Jarrett, sister of the bride. Bridesmaids were Tonya Powell, sister of the bride, and Cindy Beaty, sister-in-law of the groom.

The bridal attendants wore identical tea-length gowns styled of royal blue, all over chantilly lace. They were designed with a Sabrina neckline and short sleeves. The fitted bodices were styled in a natural waistline. The backs of the bodices were cut in a low V at the neckline. A wide satin ash of royal blue was at the waistline. The skirts were gathered to the waistlines in soft fold. The entire dress overlaid a lining of royal blue satin.

The bridesmaids carried bouquets of three shades of blue roses and babys breath, streamers of blue, and white net surrounding the bouquet.

The flower girl was Misti Cochran, dressed in a street length dress of rainbow blue and carried a basket of roses.

Serving as best man was James Fannon of Floydada. Groomsmen were Todd Beaty and David Beaty of Lubbock, both brothers of the groom. The groom and his attendants all wore white tuxedos with royal blue cummerbunds.

Guests were ushered by Terry Claunch, cousin of the bride, and Randy Burk. Candles were lit by Terry Claunch.

Musical selections were played by Wendy Pierce, pianist. "The Rose" and "You Light Up My Life" were vocalized by Sudy Cochran and Cindy Dudley

Presiding at the registration table were Kim Eliis and Maria Jativa.

Following the ceremony, a reception was held at the home of Mr. and Mrs. Doug Brewer, parents of the groom. Serving cake and punch at the bride's table were Becky Reeves and Angie Bertrand. The groom's table was a setting of cheese, crackers, chips and dips with mints, nuts and coffee.

The bride and groom will reside in Lubbock, where the groom is employed.

A rehearsal dinner, hosted by the groom's parents, was held Friday night at Pizza Gold.

Residents observe June birthdays

By Lorilla Bradley

When June arrives
No doubt its summer...
Let's celebrate to "cool it off"
As it can be a "bummer!"

*****

Mrs. Probasco we now greet
On this her special day...
We wish for her the best of life
As she goes on her way!

*****

To Mrs. Jura Roberts
...Who counts from '99...
We have the best of wishes
For a pleasant birthday time.

*****

Our Mrs. Pauline Faulkenberry
...She wears a happy smile...
Would always help a friend in need...
She'd go that "second mile."

*****

Our Mrs. Lyles we're greeting
...Her parents named her Ruth...
She is a lovely lady
For that...we have the proof!

*****

We welcome Mr. Taylor
...His years are 82...
May all his days be happy
With troubles very few!

*****

Let's serenade these people
With the same old Birthday Song...
So get your "vocals" ready
And sing out good and strong!

*****

Thursday, June 18, was birthday time at the Rest Home with ladies of the City Park Church of Christ hosting the occasion. The Hesperian photographer came for the "picture taking" after which everyone was ushered into the dining room where the honorees were seated at the "honor" table.

It was laid with an ecru cloth and centered with a floral arrangement in shades of yellow. Places for the honorees were marked with special birthday cards and each of them wore a rose colored carnation corsage compliments of Williams Flower and Card Shop. The poem was read and all joined in singing the Happy Birthday Song.

Seated with Mrs. Lyles were Marge McElyea and Jo Lyles; with Pauline Faulkenberry was Beth Faulkenberry. Mrs. Roberts welcomed her daughters, Gladys Jones and guests of Mrs. Probasco were Hazel Bradley, Burmah Probasco and Frances Badgett. We were so happy to have all of these people helping their loved ones celebrate their special time and we invite you to be with us when someone you love is being honored.

A delicious refreshment plate of angel food cake, chocolate cake with creamy white icing and a delightful fruit punch was served to the honorees, their guests, the home residents and employees.

The next party will be Thursday, July 16, 2:30 p.m. Please be with us.

Chamber discusses lunches and farmers market

The directors of the Floydada Chamber of Commerce met Wednesday morning, June 17, for their regular monthly meeting.

First on the agenda was a discussion by the directors on starting the brown bag lunches on the square once a month. The lunch get-togethers on the square had been tried in the past but had been stopped. Directors voted to try the brown bag lunches twice and see how the attendance was.

Nettie Ruth Whittle told the directors that the lunches would not be a money making project for the chamber. The event is organized as a community get-together with a band provided under the pavilion during the lunch hour for people who would bring a bag lunch to work. Drinks would be sold at the square.

The idea of setting up a farmers market in Floydada was further discussed at the meeting. Two board members Larry Ogden and Fred Thayer, were elected to serve on a committee with the Department of Agriculture in an effort to bring a farmers market here. Directors decided that it should be open to surrounding counties so there would be more variety of produce at the market.

Fred Thayer told the chamber that at this point there was no new information on the minimum security prison. He said that everyone is awaiting decisions by the state legislators.

The meeting was adjourned at 7:45 a.m.

Jack Lackey, former Floyd commissioner, dies Friday

James C. (Jack) Lackey of Dougherty, a lifelong Floyd County resident who served 12 plus years as commissioner of Precinct Four, was claimed by death at 7:15 a.m. Friday in St. Mary of the Plains Hospital in Lubbock. He was 71.

According to friends, Mr. Lackey became ill at his home and was transported by ambulance to Caprock Hospital in Floydada. He was then carried by helicopter to the Lubbock hospital.

Memorial services were conducted at 2 p.m. Sunday, June 21, in First Baptist Church of Floydada. The Rev. Howell Farnsworth, pastor, officiated.

Moore-Rose Funeral Home directed burial in Floyd County Memorial Park.

Jim Stockton, Stanley Burleson, L.N. Johnson, Adrain Helms, Craig DuBois and C.L. Henderson were pallbearers. Honorary pallbearers included D.M. Cogdell, Floyd Jackson, E.M. (Son) Jackson, Guy Garrison, Mal Jarboe, Rob Heflin, Fred Stockton and Richard Sanders.

Son of a pioneer family — the late Roscoe Lackey and Edna Cogdell Lackey — Mr. Lackey was born May 7, 1916 in the Cedar Hill Community. He and the former Dola Maddox O'Neal were married March 28, 1967 in Plainview.

He had served just over 12 years as county commissioner in Precinct Four prior to his retirement, effective Jan. 29 of this year, due to failing health. At that time, he pointed out that he had been hospitalized 60 days within the past year.

"I feel that I made the county a good hand and I know everything I did was right for the taxpayers," Mr. Lackey told The Hesperian at the time of his retirement.

He also served as the county's representative on the Floyd County Central Tax Appraisal District Board.

He was a member of First Baptist Church.

Survivors include his wife; his mother, Edna Lackey of Lockney; two sons, Rex Lackey of Amarillo and Royace O'Neal of Floydada; two daughters, Mar Gwen Lackey of New Jersey and Vickie Rainer of Floydada; two sisters, Dorothy Merrell of Lockney and Faye Craft of Brownwood; three grandsons, Brad and Dirk Rainer of Floydada and Justin O'Neal of Lubbock; and two granddaughters, Jana Gross of Ann Arbor, Mich., and Amy O'Neal of Lubbock.

Lakeview News

By Joyce Williams

Wheat harvest is just about over for Floyd County. The small yields make everyone wonder how the government figures were predicting this year would be one of the biggest wheat harvests the nation has seen. Not in Texas.

Mrs. W.H. Bunch returned home Sunday evening from Midland where she had visited for the week-end with her daughter and family, Joy and James Finley. Mamie traveled as the guest of Mr. and Mrs. Orvall Newberry, who visited in Midland with their daughter, DeAnne Jones and family. They left Friday and returned Sunday.

Austin, Ashleigh, Tara and Amanda Williams spent last Monday night with their grandparents. They went to Roaring Springs, Tuesday for a day of swimming and picnicking. Amanda and Tara completed swimming lessons at the Floydada Country Club last week. Austin is at Camp Wildcat at Abilene Christian University this week, while Ashleigh is in Clyde with her grandmother, Helen Akers.

Temperatures were in the 90's and up to 100 last week.

Several children of the late Pedro Barbosa were in Lakeview Sunday, cleaning up around their father's grave.

Timmy Snider, age 9, of Amarillo is visiting his aunt, Beverly Harrison, and cousins this week. His father is Teddy Snider. Timmy was brought here last Monday by his grandmother Mrs. Dwight Snider, who stayed a few days with the Harrisons before returning to her home in Amarillo.

Rodney Bunch flew in from Carrollton week before last to spend the week-end with his mother, Mrs. W.H. Bunch. Mamie met him at the Lubbock airport.

Brodie Fowler, son of Shirley and Jerry Fowler of Lubbock, and Ryan Breed, son of Mr. and Mrs. Mike Breed are visiting their grandparents, Mr. and Mrs. Odell Breed this week. Ryan spent the previous two weeks at Texas Tech University in the program, "Shake Hands With Your Future," studying Aerodynamics and Botany.

Suzanne and David Bachman of Midland visited her granddaughter, Mrs. W.H. Bunch recently.

Mrs. Q.D. Williams attended her high school class reunion at Crowell, Texas last week, and visited her father, Edgar Jones at Truscott. The Truscott ladies serve a family style Sunday dinner once a month to raise money to pay utilities on the community center. Guests come from Crowell to Seymour to dine at "Grandma's Sunday Dinner," from 8 to 100 guests each month. This particular Sunday was the one scheduled for the dinner. Many of the small towns have nothing open on Sundays, so they take their families and go to Truscott. The large brine lake there is luring fishermen, and a game warden has been assigned to the lake area.

The Gordon Hambrights have the old Lakeview school torn down to the front two rooms now.

Cotton looks good over the community. Some farmers report having seen a tornado dip down into fields last week, but no damage done.

Keep Cool.

SILVER ANNIVERSARY—Ray Reed and his wife Johnnie show off the cake made to commerate 25 years as a Ford dealer. Ray will also receive a plaque from R.J. Robinson, the district manager, in honor of Ray's service to Floydada and the Ford Motor Company for 25 years.

Floydada Nursing Home Happenings

By Sara Coursey

Hello, we had a good week at the nursing home. The weather was hot, but we were cool inside. The residents like to talk about the weather and predict what it will be like tomorrow. I can tell that it is really hot - the plants seem to want more water. We love the warm sunshine.

Monday we had the morning coffee and juice time. Fifteen residents enjoyed coffee, juice and crackers. The devotion was given by me. We no longer have someone on Monday's to lead the devotion. If you would be willing to donate half an hour every Monday morning to lead us in scripture reading or whatever you would like to share with us, please call me. We would appreciate having someone come. The afternoon activity was a Bible study. We gathered in the small dining room.

Tuesday I was in Lubbock at a meeting all day. The residents were glad to have me return on Wednesday. The morning coffee was attended by 16 residents. They were Ruth Smitherman, Della Halencak, Iva Simpson, Pauline Faulkenberry, Ruth Benson, Addie Lindley, Vera Vickers, Maude Powell, Ova McPherson, Charlie Spence, James Taylor, Iva Wells, Myra Hall, Florence Curry, Una Clark, and Mavis Willson. The morning devotion was given by Bro. Earl Blair. We talked about how God is big enough to handle everything. The residents appreciate him devoting his time and sharing his love for God with us. The afternoon Bingo game was fun. We want to thank Jo Bryant and her grandson, Cody Sewell for leading the games. It was good to have Jo with us. She has been out of town. Her sweet smile and loving hands are very much appreciated.

Thursday began with the morning coffee and juice time. We read the Hesperian during the coffee time. The residents like to hear about what is happening in their hometown. Tim Owens came to give the morning devotion. Thanks Tim for sharing with us. We had our monthly birthday party this afternoon. There are five residents having birthdays this month. They are James Taylor, Pauline Faulkenberry, Jura Roberts, Ruth Lyles and Alta Probasco. We want to thank the City Park Church of Christ ladies for the party. We enjoyed chocolate cake, angel food cake and pineapple punch. It was great! We want to thank Williams Florist for the beautiful corsages. We all look forward to the party. Thank you all!

Friday we began the day with morning coffee and juice time. Seventeen residents attended. The devotion was given by the ladies of the First Baptist Church. They were Lillian Ross, Letha Mulder, Virginia Cage and Evelyn Latta. We had scripture, sang songs and just enjoyed sharing this time together. The bus ride was fun. There were six residents that rode today. They were Charlie Spence, Gertrude Feuerbacher, Iva Wells, Brooks Calloway, Florence Curry and Della Halencak. We were treated to ice cream cones at Our Place. We want to thank Danny and Mitzi for doing this for us. The residents love to get out and have ice cream. We drove down to the country club and the Baptist church camp. There were lots of kids there for the weekend. We watched them swim. The water looked so inviting. The residents said they could remember when they went swimming as children. The residents had a good time. Thank you Wilma Payne for driving the bus for us.

This week's visitors included: Sarah Pyron, Artie Webb, Janice Lloyd, Hazel Bradley, Dorothy Neff, Ola Smith, J.W., Jaunita and Jeff Hamilton of Muleshoe, Frances Badgett, Cody Sewell, Jess Glover, Julie and Mo Connell of Waco, Mildred Fuqua, Artie and Floyd Webb, Letha Lightfoot, Opal Kratzer, Laura Kratzer, Jeanie Lloyd of Colleyville, Jettie Moss, Viola Wise, Denton Wise, Mary Lou (Wise) Coffee and Jeff and Tammy Watters.

Letter to the Editor

Dear Editor,

I grew up in Floyd County and finished high school at Floydada in 1926. We left that country in 1928.

Much of your paper means very little to me but I enjoy your editorials, Jim's "BOBBIN AROUND" and the old time tales. Many of them are cut out for my files.

I have been through Floyd County several times since we left there. I was there in 1938, 1962 and again in 1975. You people have really changed and in so many ways.

I am much concerned about at least one thing the people of Texas did and that was to re-elect Jim Wright to the United States House of Representatives. Jim is now SPEAKER of the House and he deliberately failed to call the House into a legal session so they could legally vote on the proposed big salary raise.

According to the rules both houses had to vote "NO" or the big raise was a reality by Tuesday midnight. Jim Wright deliberately waited until Wednesday to call the House to order for a vote. They took a voice vote. No names were involved. The House voted "NO" but it was too late. The deadline had already passed. Now Jim's salary is $100,800.00 per year to say nothing of the many special benefits he will enjoy. Not only that but Jim plans to change the new tax law so we won't get the special benefits provided for us for the next two years.

At a time when we are taxed to death, at a time when we already have a tremendous national deficit and at a time when we need to put our country first and be very conservative in all our acts Jim Wright deliberately neglected to do his duty and by so doing fill his own pockets, instead of representing the American taxpayer and the good people of Texas that elected him. I think he deserves a "RECALL" as much as anybody I know.

I hope the tax paying, responsible citizens of the GREAT LONE STAR STATE of TEXAS will "RECALL" this character muy pronto.

I sorely miss your "Laugh Lines."

Enclosed is our check for $18.00 for a year's subscription to the Floyd County Hesperian.

Sincerely,
/s/ Albert H. Cooper

Golden Spread Electric cooperative to provide service to Lighthouse

The Federal Energy Regulatory Commission (FERC), in an order issued June 18, authorized Amarillo-based Golden Spread Electric Cooperative, Inc., to provide wholesale electric service to 11 of its member cooperatives.

Lighthouse Electric Cooperative is one of the 11.

The FERC authorization follows nearly three years of work by the Golden Spread member cooperatives to serve their own electric needs.

Golden Spread is the only electric cooperative subject to the jurisdiction of FERC. In addition to regulating Golden Spread, the FERC regulates 186 investor-owned electric utilities, five federal power marketing agencies, and oil and gas pipeline companies.

Golden Spread's unique status as a FERC regulated cooperative is due to the fact that Golden Spread has received no loans from the Rural Electrification Administration (REA). The FERC does not regulate REA borrowers.

All of the Golden Spread members are locally owned, non-profit electric distribution cooperatives which serve individual retail customers. Unlike investor-owned companies, which must pay profits to shareholders, any margins (excess revenues over expenses) earned by a cooperative are returned to the members/consumers. The Golden Spread member cooperatives serve more than 90,000 retail electric accounts in 48 counties.

Ten of the Golden Spread member cooperatives are located in the Texas Panhandle and on the South Plains. One member cooperative serves in the Oklahoma Panhandle. A 12th member, Rio Grande Electric Cooperative, serves along the U.S./Mexican border, but will not purchase electricity from Golden Spread at this time.

The electric cooperatives formed Golden Spread in 1984 in response to rising wholesale power costs. The objective of Golden Spread is to provide dependable, low cost electric service for its members and their retail consumers. Through Golden Spread, the members are performing long term power supply planning to lower energy costs and provide reliable service for future loads.

"The electric cooperatives are working together through Golden Spread to achieve lower wholesale rates and to resolve common problems," according to J.C. Roberts, chairman of the Golden Spread Board of Directors.

In the three years since its inception, Golden Spread and its members have protested two wholesale rate increases by their power supplier, Southwestern Public Service Company (SPS). Two administrative law judges at the FERC have ordered substantial reductions in wholesale rates charged by SPS.

Golden Spread expects that the electric cooperatives and their members will receive substantial refunds and lower rates when the FERC completes its review of the initial decisions of the two administrative law judges.

Roberts, who is also general manager of South Plains Electric Cooperative, added, "We expect to strengthen our ability to bargain for future power supplies by combining our purchases of wholesale electricity through Golden Spread."

According to Robert W. Bryant, Golden Spread president and general manager, the power supply contracts between SPS and the 11 Golden Spread member systems have been assigned to Golden Spread. Golden Spread will continue to buy electricity from SPS for its members.

Golden Spread is already studying the future power supply needs of its member systems. Golden Spread's forecasts of member loads have already been given to SPS to incorporate in the company's planning process.

The electric cooperatives which will purchase their power from Golden Spread are: Bailey County Electric Cooperative, Muleshoe; Greenbelt Electric Cooperative, Wellington; Deaf Smith Electric Cooperative, Hereford; Lamb County Electric Cooperative, Littlefield; Lighthouse Electric Cooperative, Floydada; Midwest Electric Cooperative, Roby; North Plains Electric Cooperative, Perryton; Rita Blanca Electric Cooperative, Dalhart; South Plains Electric Cooperative, Lubbock; Swisher Electric Cooperative, Tulia; and Tri-County Electric Cooperative, Hooker, Oklahoma.

Golden Spread also represents five additional electric cooperatives in Texas and New Mexico which purchase wholesale electricity from SPS in wholesale rate protests and related matters.

Floydada Nursing Home Happenings

By Sara Coursey

June 17:

Hello, we had a good week last week, busy as always. I think that the residents are now well acquainted with me and me with them. We have enjoyed our experiences together. We will continue to have fun and learn together.

Monday we started off with the morning coffee and juice time. Those attending were Iva Wells, Myra Hall, Maude Galloway, Della Halencak, Iva Simpson, Ruth Benso, Alta Probasco, Pauline Faulkenberry, Addie Lindley, James Taylor and Warnie Hilton. The morning devotion was given by Manford. This was his last time to share with us. He and his wife are moving to Lubbock. We all want to wish him luck in his new home. Thank you for your devotion and love for the nursing home residents. The afternoon activity was ceramics. We all painted different pieces. Each piece had a number on it. Each resident drew a number that matched a piece of green ware. There were bells, flower pots, coffee mugs and change holders. It was fun to see who got to paint what. They all painted them different colors.

Tuesday was busy with the beauty shop going. Delores Cannon and Leona Neff were here setting hair. The ladies all looked so pretty. The morning coffee was enjoyed by 12 residents. Our morning devotion was given by Neeley Richardson. Mrs. Richardson and two guests also attended. We want to thank them for coming out each week. The bananas are always a welcomed sight too! Our afternoon activity was a Bible study. We want to thank Karen Lawson for bringing us the pretty artificial flowers and the lap robe that her mother made. The lap robe was not quite big enough for a resident to use, so I put it under the brass lamp in the lobby. It has so many pretty colors. We will enjoy it for years to come. Thank you for thinking of us Karen. She also brought out some magazines.

Wednesday's coffee was attended by 12 residents. We had grape juice, coffee and graham crackers. The morning devotion was given by Bro. Earl Blair from the First Methodist Church. We are so thankful to have him with us again. We have been blessed to have Bro. Russell McAnally lead the devotions during Bro. Earl's absence. He is a wonderful kind man. We will miss seeing him. Bro. Mac you have a standing invitation to come see us any time. Thank you for all you have done for us. Bingo was the afternoon activity. Angie Reynolds came to assist with the games. The residents were awarded bananas and bugle snacks for each time they bingoed.

Thursday was a long day for me. I spent all morning in Crosbyton at their nursing home. I got back in time to have the afternoon movies and popcorn. Bro. Travis Curry lead the morning devotion. The movies were good. The residents like movies about animals. There were "Curious Cougars" and "Little Dog Lost." The residents appreciate Sandra in the county library for choosing the movies.

Friday was busy too. We have the coffee and juice time. Then we enjoyed a devotion given by the First Baptist Church ladies. Letha Mulder, Lillian Ross and Evelyn Latta lead us in singing and devotion. We appreciate them very much. The afternoon activity was the bus ride to Plainview. Those attending were Charlie Spence, Gertrude Feuerbacher, Della Halencak, Maude Galloway, Burmah Probasco, Brooks Calloway, Iva Wells and Florence Curry. We were treated to ice cream cups by McDonald's. Thank you Plainview for supporting the nursing home residents! We want to thank the First Baptist Church for bringing out the beautiful arrangement of gladiolas. They were a peach color, we admired them for a week. Thanks for sharing such beauty with us.

This week's visitors included:John and Christine Lyres of Hale Center, Hazel Bradley, Frances Badgett, Lucille Daniel, Jettie Moss, Winnie Neil, Mildred Fuqua, Dusta Odam, June Van Cleve and Myrtice Rainer.
