Ike May Use Veto To Keep Budget Intact

Youth Admits Slayer Role In Big Spring

MIDLAND (AP)—A 16-year-old, captured after a running gun battle and a manhunt, today admitted slaying a filling station operator 10 days ago in Big Spring.

He also admitted shooting but not killing, another service station operator, and robbery of two other stations.

The slain operator, Gerald Liner, 18, suffered three gunshot wounds in the head while he sat in a chair, his hands in his pocket.

Arrested and signing a statement in the presence of officers and a newspaperman was Andres Marquez of Big Spring.

He told officers he and a companion went to the station where Liner worked and both went in with their pistols. They took the money, about $250, and told Liner to sit down. As he sat down, Marquez said in his signed statement, Marquez fired one or two shots —he said he didn't remember how many. Liner fell back dead in the chair.

Officers said Liner was shot three times, and a total of six shots were noted in the station.

Big Spring police picked up Armando Lopez, 16, Big Spring, named by Marquez as his companion in the Liner shooting. Lopez, brought here, denied any knowledge of the shooting.

Marquez also said he and Lopez robbed a filling station in Big Spring in which Donald Bippus, an attendant, suffered a wound.

On Jan. 7, the night that Liner died in the flurry of gunfire, the pair sought to rob another service station but the attendant saved himself by locking himself in a rest room as the pair started firing.

Today's gun battle began about 1:30 a.m. after a holdup of Alton Gault, a service station attendant here.

As two youths left the station, Police Lt. O. D. Davidson drove into the station apron.

From 8 feet away, the pair blazed at Lt. Davidson with their guns, then ran as the officer returned their fire.

Deputies Eldon Corley and Gene Howell arrived and began shooting. One of the two, later identified as Jesse Munoz, suffered a gunshot wound in a hip.

Officers surrounded a two-block area in the Latin American quarter and began a house-to-house search.

At 3:30 a.m., Munoz was found in a parked car, an emptied revolver on the floorboards.

Marquez was arrested shortly before 6 a.m. as police and deputies surrounded a vacant house. Maj. Pete Green, assistant police chief, led officers who broke into the house. Marquez offered no resistance and turned over the $38 taken in today's robbery. He also had a .22-caliber automatic pistol.

Reading Of 13 Recorded

Snyder had variety on its weather menu Thursday and Thursday night, but the most impressive factor was a reading of 13 degrees during the night.

A few brief snow flurries fell Thursday, but the flakes were small and not in sufficient quantity to register moisture-wise.

Today, winter weather had most of the state in its grasp, with freezing temperatures extending deep into the state, while the Panhandle-Plains country was covered with snow. Driving was hazardous in the upper reaches of the state, and the State Highway Department issued warnings of snow drifts and icy roads last night.

Skies were clear over the state today. Dalhart had the lowest reading in the state this morning with 9 degrees. Brownsville, with 41, was the warmest spot in the state.

Forecasts called for even colder weather tonight, with clear skies in West Texas and cloudy to partly cloudy skies over the rest of the state.

SETS PACE—Melvin Newton, standing left, a director of the Scurry County United Fund, was one of the first to contribute an extra amount above his original United Fund donation yesterday after the UF board passed on a proposal to extend the campaign another month. He was one of those volunteering to add to their contributions. The UF will ask those who have not donated yet for contributions as a part of its appeal to reach the goal. Newton presents his check to Stanley Noah, UF president, at the directors meeting. (Lee Watson photograph)

United Fund Board Approves Extension Of Annual Drive

A plea is going out from the Scurry County United Fund to local residents to help in boosting the campaign to its goal.

The United Fund, lagging almost $10,000 behind the goal of $42,050, has officially extended the 1958-59 campaign another month.

The UF board of directors, in a special meeting yesterday, approved extension of the campaign, which will run until the annual UF meeting, which was set for Feb. 16.

In the kickoff of the extended drive, letters will go out to those who have not yet been contacted or those who have not contributed for some other reason, and letters will also go to a number of those who have cut their contributions from previous years. A voluntary movement is also underway among some United Fund backers to give more to the drive, above what they gave during the early part of the campaign.

Stanley Noah, UF president, in yesterday's meeting named three factors which have contributed to the drive's lagging. One is complacency, not only among donors but among workers. Another was that the oilfield has been hurt because of allowable curbs, cutting down on contributions from oil industry employes and royalty owners. A third is that many business people went into December in uncertainty, having had one of their poorest business years in some time.

Noah added that he believed if the drive were starting now there would be no trouble in raising the goal.

Directors had various ideas about the lack of citizens in supporting the nine agencies of the United Fund. One was that people are not keeping themselves well enough informed on the agencies and what they do. Education of the public on the agencies and their tasks is a year - round job, rather than one for the campaign period only, one director said.

"If we make the community conscious of the need, I don't think it will be hard to raise the money," Lyle Deffebach, a director and former UF president said, adding, "We should make them realize this is a problem of the

$77-Billion Level Sought

By STERLING F. GREEN

WASHINGTON (AP)—President Eisenhower today was reported ready to make forceful use of his veto power if necessary to maintain the scant surplus in the 77-billon-dollar budget he will send to Congress Monday.

The message for fiscal 1960, which starts July 1, is expected to urge bipartisan support for an anti-inflationary squeeze on federal spending and closing of tax loopholes.

Eisenhower's target, administration sources have hinted, is to cut outlays to a level slightly above 77 billion dollars. It is hoped that revenues will exceed that amount, although the margin may be only 100 million dollars or less.

There will also be some bad fiscal news in the message, officials conceded—a slightly higher deficit than was anticipated for the current budget year.

Spending this year is expected to mount fairly close to 81 billion dollars, instead of the $79,200,000,000 estimated officially in September. Much of the increase is attributed to the proposed $1,400,000,000 increase in this country's subscription to the International Monetary Fund, which Eisenhower recommended last week.

Revenues will have risen to more than 68 billion dollars instead of the 67 billion officially predicted. But when the government year ends next June 30 the deficit reportedly will exceed by several hundred million dollars the earlier estimate of $12,200,000,000.

Officials said mounting concern over the depreciation of the dollar, coupled with concern lest this country eventually price itself out of world markets, has reinforced the administration's decision to make a strong stand against deficit financing.

Administration aides suggested Eisenhower will use the carrot-and-club technique to win cooperation from the Democratic Congress.

He dangled the carrot in his State of the Union message — the hope that some tax relief may be possible in fiscal 1961 if the budget line is held in 1960.

The White House was represented as believing it will have support in the economy campaign from the leadership of both parties in Congress. The two Texas Democrats, Senate Majority Leader Lyndon Johnson and House Speaker Sam Rayburn frequently have taken a conservative line on fiscal issues when some of their fellow party members have been urging new spending programs.

The club which Eisenhower holds is the veto power. The President is prepared, aides said, to take a stiffer attitude than in the past in rejecting legislation which in his opinion would commit the government to excessive spending.

With the greatly increased Democratic strength in Congress, the possibilities have increased that vetoes might be overridden. But the White House has disclosed that the President plans to appeal for public support in a series of television chats.

Eisenhower has not yet used the veto as liberally as did former President Harry S. Truman, but he wielded it effectively against several anti-recession spending proposals in the last session.

He vetoed the omnibus housing bill, the farm price support freeze, a 1½ billion dollar rivers and harbors bill, and a 279 million dollar measure to assist chronically depressed cities and areas.

None of his vetoes has been overriden.

In his State of the Union message last week Eisenhower asked Congress to give him the power of "item veto" — the right to reject specific portions of appropriation bills and approve others.

City Projects Moving Along

City construction projects which were authorized by voters in a special election late last year are proceeding rapidly.

Santa Fe railroad officials informed City Manager Roy Dunlap yesterday that pipe ordered for water main and distribution line expansion had been shipped from St. Louis and would arrive here within the next few days.

Officials of Jones Construction Co., Big Spring, low bidder on street improvements, signed the city contracts yesterday and work will begin next week, Dunlap, said.

Dunlap said that some right-of-way remains to be secured for Thirtieth Street's extension across Deep Creek from Avenue S. to Avenue O to provide another cross-town traffic artery, but that tentative agreements have been reached on most of the right-of-way.

He also reported that plans for the new city hall building are almost complete and will be available to prospective bidders next week.

Judge, Three Others Indicted In Conspiracy To Slay Agent

AMARILLO (AP)—The Potter County Grand Jury returned new indictments last night accusing Randall County Judge Roy Joe Stevens and three others with conspiracy to murder a state agent.

Also indicted were:

George S. McCarthy, a widely known lawyer who recently has been attorney for some Estate Life Insurance Co. stockholders;

Airman William Gerald Miller, 24, of Cincinnati, who is stationed at Amarillo Air Force Base; and

Harold E. Erlandson, a bail bondsman.

Stevens and four others were indicted earlier this week on charges of conspiracy to commit bribery of a prospective juror summoned for a murder trial.

Dist. Atty. Wayne Bagley said the murder conspiracy indictments stemmed from two months of investigation into the bribery conspiracy indictments. He said the state agent the men are alleged to have conspired against is Edgar Brannan of Lubbock, a state intelligence agent.

Bagley said the incident occurred early Monday when he and two state agents carried out a plan to test Miller's reliability as a state informer. He said Miller had been suspected of playing a double game in the bribery inquiry.

Bagley called Miller an "investigator, carpenter, handyman and janitor" and said he worked for Judge Stevens off the base.

Bagley said Miller gave state agents a key to Judge Stevens' law office and called this a "deliberate attempt to trap the officers."

Bagley said that when he and two state agents checked at 2:30 a.m. Monday to see what preparations had been made for their coming to Stevens' office, they found two armed night watchmen in a car parked across the street from the office. He said that between 2:30 and 3 a.m., Stevens, Erlandson and McCarthy arrived at the scene, fully dressed and in separate cars.

Specifically, the indictment alleged that the four accused men acted together on Jan. 11 and "did then and there unlawfully conspire, combine, confederate and enter into a positive agreement with each other voluntarily and with malice aforethought to kill Edgar Brannan."

Service Set In Strawn For Wreck Victim

Funeral services will be held at 2 p.m. tomorrow at Strawn for Mrs. Curtis William Drake, 42, of Brownfield, who died late yesterday morning following a car-truck collision about 20 miles east of here on U. S. Highway 180.

Mrs. Drake died in Cogdell Memorial Hospital after being taken there by Bell ambulance from the scene of the accident. Also taken to the hospital was her husband the Rev. Curtis Drake, 40, Church of God minister, and their son, James, 8. Both were injured but not seriously.

Services will be at the First Methodist Church in Strawn, and burial will be in the Strawn Cemetery under direction of Bell Funeral Home.

The Drakes were enroute to Strawn for the wedding of her sister, Ruth Messimer, and Rev. Drake was to perform the ceremony.

Rev. Drake was driving their 1952 Nash, headed east on U. S. 180.

The other vehicle involved was a 1955 International truck-tractor and semi-trailer owned by C. H. Riggins of Wichita Falls and driven by Morris Lynn Chandler, 25, of Avenue I. Chandler was not injured. The truck was crossing the highway on FM 611, known as the Hobbs crossing, headed north. The car struck the side of the truck.

Damage to the car was total, according to Walter Wood of Roby, state highway patrolman who investigated. The accident dented the side of the truck. The accident occurred at about 11:10 a.m.

Mrs. Drake's death was Fisher County's first traffic fatality of 1959 Wood said.

Mrs. Drake's survivors also include two daughters, Marilyn Ruth Drake and Kathryn Ann Drake, both of Brownfield; another son, Curtis Drake, Jr., of Brownfield; her mother, Mrs. J. E. Messiner of Strawn; and two brothers, Carl Messiner of Jal, N. M., and James L. Messiner of Casper, Wyo.

Quick Choice For Cuba Envoy Urged

By JOE F. KANE

WASHINGTON (AP)—Congressional pressures mounted today for the prompt naming of a new U.S. ambassador to Cuba, where the revolutionary government says it plans more executions.

Demands for a new ambassador to replace Earl E. T. Smith who resigned last Saturday came with strong congressional criticism of the executions as developments piled up on several fronts:

1. The State Department assured Congress it is standing pat on its policy of not interfering in the affairs of its neighbors. It denied charges the United States had given military help to ousted Cuban dictator Fulgencio Batista. Permission was given to Batista's wife to visit her sick daughter in the United States.

2. The Navy ordered a task group that includes 3,000 Marines diverted from an intended stop at Cuba "to avoid any misunderstanding."

3. Rebel leader Fidel Castro said he wants good relations with the United States, but cautioned against any U.S. intervention in Cuba. Castro vowed 200,000 gringos (U.S. citizens) will die if Marines are sent to Cuba.

4. Batista charged executions by Castro's rebels are "perverse attempts to justify their crimes." He denied he used torture methods during the revolution.

Auxiliary Presents Gifts To Hospital

The county hospital board last night accepted and expressed appreciation for two gifts being presented the hospital by the Cogdell Memorial Hospital Women's Auxiliary during the board's monthly meeting.

The gifts, which are being ordered by the auxiliary, are a porter lift and a paging system for the hospital.

The porter lift will be used to lift patients, such as lifting them out of beds and into wheelchairs, taking the strain off nurses.

The paging system will be an internal system, working through the hospital switchboard, which can be used by the hospital in paging employes or physicians.

The board also signed a new one-year electrical service contract with Texas Electric Service Co.

Bill Newsom, hospital superintendent, made reports to the board on the hospital for December, as well as reports on the entire year of 1958.

During December, Newsom said, the hospital had a new monthly record of 50 babies born.

Salaries of the hospital for 1958 totaled $219,108.18. The hospital has about 100 fulltime and part-time employes.

The hospital has improved financially over the previous year, Newsom said, reporting that Cogdell Hospital spent $23,286.37 less of the taxpayers' money in 1958 than in 1957.

Collections for the year were 88 per cent. From patients alone, the hospital collected $328,721.59 during 1958, or about $30,000 more than the $299,142.23 collected in 1957.

The hospital had 2,922 patient admissions during 1958, plus 437 newborn admissions.

Newsom noted that the hospital had 3,000 emergency room cases during 1958, a new record.

Mikoyan, Dulles In Conference Today

WASHINGTON (AP) — Anastas I. Mikoyan and Secretary of State Dulles met today for talks on the East-West deadlock over German unification and the future of disputed Berlin.

Their discussion could lead to an early, high level East-West meeting on the whole range of German problems.

Today's session—the second during Mikoyan's two-weeks visit to this country — was described by diplomats as strictly a probing operation with each of the veteran antagonists of the cold war seeking to discover possible weaknesses or concessions in the policies of the other.

Mikoyan, No. 2 man in the Soviet Union, arrived at the State Department in a Soviet Embassy limousine.

On a nearby corner half-a-dozen Hungarian pickets displayed their nation's flag with a black ribbon of mourning. The leader was Ferenc Nagy, Hungary's last non-Communist prime minister who has been in exile since 1947.

The various demonstrations against Mikoyan brought tighter security arrangements than when he was here two weeks ago.

A heavy police detail was at the State Department. Extra uniformed police were also assigned to the Capitol where Mikoyan was invited to be the luncheon guest of Sen. Theodore Francis Green (D-RI), chairman of the Senate Foreign Relations Committee.

Dulles had four top assistants with him at the meeting with the Soviet visitor. They were Undersecretary of State Christian Herter, Llewellyn Thompson, ambassador to Moscow; Asst. Secretary of State Livingston Merchant, in charge of European affairs, and Edward Freers, director of the department's Office of Eastern European Affairs.

In addition to Menshikov, Mikoyan was accompanied by A. A. Soldatov, chief of the Soviet Foreign Office American section, and interpreter Oleg Troyanovsky.

WEATHER

SNYDER TEMPERATURES: High Thursday, 41 degrees; low, 13 degrees; reading at 7:30 a.m. today, 19 degrees.

East Texas: Fair and cold this afternoon and tonight. Warmer Saturday Lowest tonight in 20s interior with hard freeze and 30 to 35 near coast.

South Central Texas: Fair and cold this afternoon and tonight. Warmer Saturday. Lowest tonight 25 to 35 with freeze most sections.

North Central Texas: Fair through Saturday. Warmer Saturday. Lowest tonight in the 20s.

West Texas: Fair through Saturday. Warmer Saturday and in Panhandle and South Plains tonight. Lowest generally in the 20s tonight.

Sinclair Offer May Delay Oil Workers Union Strike

HOUSTON (AP)—The head of the Oil Workers Union was quoted as saying today there will be no strike this weekend by 105,000 refinery workers.

The Houston Chronicle quoted O. A. Knight, president of the Oil, Chemical and Atomic Workers Union, as saying by telephone from Kansas City that a five per cent wage increase offer by Sinclair Oil Co. had altered the union's plans.

"This offer is the first ray of light in 11 months of bargaining," Knight said. "We want to avoid a strike as long as the company is bargaining in good faith. If the strike occurs, it will not occur this weekend."

The Sinclair offer was made yesterday. Union officials said it would be considered by a policy committee that would be polled by telephone.

The union's strike notices to most of the nation's refineries expire at midnight tomorrow.

Knight indicated the union will be in no hurry to order a walkout now that Sinclair has made an offer.

"We are not anxious to strike," he said. "unless negotiations are broken off, we will continue bargaining with Sinclair until we reach a settlement."

The Sinclair negotiations are handled on a nationwide basis and the company's contract with the union normally sets the pattern for the industry. Most other negotiations are handled on a plant basis.

Knight said union and Sinclair negotiators resumed work today and were discussing pension and savings plans he described as the other major issues at stake.

"But they are relatively minor," he said. "The wage issue is the most important."

The union has been seeking a 25-cent pay hike that would boost the average hourly scale to $2.96. Sinclair's offer amounts to 13½ cents an hour.

Indications in Houston were that other major refiners are willing to go along with Sinclair's five per cent offer.

Continental Oil Co. announced from its Houston headquarters that it was increasing the salaries of all non-union employes by five per cent immediately. Spokesmen for the company said a similar offer would be made to unions representing all employes who are members of unions.

A large Sinclair refinery in suburban Pasadena is among the plants whose workers are represented by the council.

Castro Warns U. S. Against Intervention In Executions

By LARRY ALLEN

HAVANA (AP) — Fidel Castro says Cuba's revolutionary regime wants good relations with the United States, but not at the price of halting executions because of American criticism.

Castro warned Thursday against any U.S. intervention to stop executions ordered by military courts for murder and torture during Fulgencio Batista's dictatorship.

"If the United States comes here, we will make trenches in the streets," the rebel leader told the Havana Rotary Club. The State Department said in Washington that American policy was "strictly one of nonintervention in Cuban domestic affairs."

Nothing some U.S. congresssional protests to the executions, Asst. Secretary of State Roy Rubottom said, "We are not going to intervene in what is essentially Cuba's affairs."

To avoid misunderstanding, the U.S. Navy canceled previous plans for 3,000 U.S. Marines en route to maneuvers near Puerto Rico to stop at the American Navy base at Guantanamo Bay, Cuba.

Castro earlier Thursday, in remarks to a group in his hotel lobby, had said that if U.S. Marines are sent to Cuba "200,000 gringos will die." Grinto is the derotagory Latin American term for U.S. citizens. There are 12,000 of them in Cuba.

Castro later told the Rotary Club he had not realized this comment would be published but he stood by it.

The rebel chief's vision of U.S. troops landing in Cuba apparently stemmed from demands by critics in the U.S. Congress that the United States do something to stop the Cuban firing squads. One of the loudest of these critics, Rep. Wayne Hays (D-Ohio), said he meant economic retaliation, not the sending of troops.

"We want good relations with the United States—yes. But submission—no," Castro told the Rotary Club.

The execution of what the revolutionary regime calls war criminals will continue, Castro said, "cost what it costs." He said all executions would be carried out within the law.

With the total of reported executions at 197, the provisional government acted belatedly to legalize the death sentences already carried out.

A government decree modified the provision of Cuba's 1940 constitution prohibiting capital punishment.

In his refuge in the Dominican Republic, Batista called the executions "perverse attempts to justify (rebel) crimes."

Batista called "a disgraceful calumny" statements of the provisional government that 20,000 persons were tortured and murdered between Batista's coup of 1952 and his fall two weeks ago.

The State Department authorized Mrs. Batista to visit the United States by herself to see her daughter Marta, 2, who is ill in Daytona Beach, Fla.

Graham Goes In Seclusion

ROCHESTER, Minn. (AP) — Evangelist Billy Graham, ordinarily surrounded by thousands of people, will spend the next month in seclusion.

Mayo Clinic specialists have ordered a month of rest and medication to treat his ailing left eye. Associates said the 40-year-old Graham probably will rest somewhere enroute to Australia, where he is scheduled to begin a revival tour Feb. 15.

His personal physician, Dr. Ben Gieser, said "it is hoped he will be able to resume his activities on a somewhat reduced schedule" after the month's rest.

Graham plans to go by car to Minneapolis today after final consultations with Mayo doctors. Exact plans for the next month likely will not be announced, one of his associates said, in order to insure a complete rest.

Dr. Gieser indicated there will be some permanent damage to Graham's vision, but said it was impossible to estimate how much.

Hungerford To Go To Clergy Conference

The Rev. Donald N. Hungerford, vicar of the St. John's Episcopal Church here, will represent the Diocese of Northwest Texas at a conference of town and country clergy at the Episcopal Conference Center in Amarillo Tuesday through Friday.

The conference will include clergy from dioceses of Arizona, Colorado, Kansas, Dallas, West Texas and New Mexico.

The Rt. Rev. Arnold Lewis, missionary bishop of Salina, Kan., will be leader. Also at the meeting will be the Rev. Clifford Samuelson, national director of Episcopal town and country development.

Officers Elected By St. John's Episcopal

Bill H. Fry was elected church warden of the St. John's Episcopal Church in the church's parish elections at its annual meeting.

James E. Green is treasurer. The bishop's committee is composed of Steve Birdwell, Mark McLaughlin, Elmer Folk, and Bob A. McAlister.

Those on the day school committee are Katherine Price, Mrs. Bill Lee, Mrs. Gene Green, and Mrs. John Raines.

Delegates to the diocesan council, to meet in Big Spring March 6-8, are Charles McCaleb and Mark McLaughlin. Alternates are Sterling Price and Scott Patterson.

St. John's Episcopal

The Rev. Donald Hungerford, vicar at the St. John's Episcopal Church, will speak on "Honor Thy Father and Thy Mother" at the Sunday 11 a. m. Holy Communion service.

Sunday school will be at 9:45 a. m., Holy Communion at 7:45 a.m.

Fine Is Paid Here On Liquor Charge

A fine of $223.50, including court costs, was paid in County criminal court this morning by J. L. Bowdy of Post when he pleaded guilty to a charge of illegal transportation of intoxicants.

Bowdy was arrested by the sheriff's department last night a mile north of Ira. In his car were nine cases of beer, 31½ pints of whisky, and two cases of wine.

The arrest came about a week after Bowdy had been arrested near Fluvanna by the sheriff's department on a similar charge. Bowdy is out on bond on that charge.

Brando's Request For Realism Is Fulfilled

HOLLYWOOD (AP) — Actor-director Marlon Brando wanted realism in his jailbreak movie scene. He got it.

Slim Pickens, who plays a deputy sheriff in the film "One-Eyed Jacks", swung a rifle butt at the escaping Brando and connected. Brando suffered a deep gash over his right eye.

15 Separations In Two Years Too Much

LOS ANGELES (AP) — Fifteen separations in two years of marriage are ridiculous, says actress Mara Corday.

She said Thursday she will sue actor-director Richard Long for divorce.

They were married Jan. 26, 1957, in Las Vegas. Miss Corday said both have been consulting a psychiatrist.

UNITED FUND

Continued From Page One

community, rather than just a problem of the board."

Deffebach pointed out that when the United Fund started, all the agencies becoming members of the United Fund presented their local budgets, and the United Fund totaled what those agencies had been raising individually into one drive. The United Fund then asked citizens to give to these agencies through the United Fund at least a total of what they gave to all those agencies together previously. Many did that the first year, but many of the same persons have gradually cut their contributions since that time.

Some directors pointed out that persons who do not wish their donations to go to one or more of the agencies involved in the United Fund can designate their contributions.

Books are kept on the United Fund on designated money, whether it is given by check or whether the designation is kept on the card. It is possible for one or more agencies to actually get more at the end of the campaign than is budgeted to that agency, if designations raise the figure to that amount. And such has happened before, Deffebach said.

"It may come to this: we may have to give collection back to these folks (the nine separate agencies) and let the people decide for themselves" whether they want one drive or nine, Deffebach said.

So far, the United Fund books show that the campaign has $28,340.61 in cash, $3,165.61 in pledges, and $626.50 in checks written directly to agencies. The total raised so far is $32,732.61.

The board approved the plan of sending letters, as presented by Noah as a recommendation of the executive committee, plus use of any other means of raising funds planned by the executive committee during the extended campaign.

In setting the annual meeting for Feb. 16, the board called it for 7 p.m. at the high school cafeteria. It will be a potluck dinner for the United Fund membership, which includes any persons contributing to the campaign.

Ten directors will be elected at the annual meeting. The board chose a nominating committee composed of Herbert Feather, chairman, Herman Doak, Noah, Melvin Newton, Mrs. Sis Jones, Ross Williams, and Wayne Boren.

HOME AGAIN—Television columnist Marie Torre has her arms full as she enjoys a pre-bedtime romp with her children in her Manhattan, New York, apartment home following her release from the Hudson County, New Jersey, jail where she served a 10-day contempt of court sentence. Miss Torre was jailed for refusing to reveal source of a story she had written for the New York Herald Tribune. The children are 21-month-old son, Adam, and eight-month-old daughter, Roma. (AP Wirephoto)

HOSPITAL NOTES

Odd Fellows Meet Again

Another step will be taken here Saturday night toward institution of an Odd Fellows Lodge in Snyder.

A meeting has been set for 8 p.m. at the junior high school, and all Odd Fellows and Rebekahs in the Snyder area are being urged to attend. Also invited are persons not affiliated with the order but are interested in learning more about the Odd Fellows.

E. V. Riley of Brownfield, past district deputy grand master and now a special deputy, and Raumond Gage, past grand master from Circle Back, Tex., will be here for the Saturday night meeting to help local Odd Fellows and Rebekahs make plans for instituting the lodge here.

At a meeting last Saturday night, 10 persons signed a petition to seek institution of the lodge here.

Solons Make Up Page Boy's Loss

HELENA, Mont. (AP)—A lost billfold prompted state representatives to dig into their pockets Thursday.

The billfold containing $45 was dropped by page boy John Dahl, 14, of Helena, apparently while operating the House elevator.

The ninth grader reported his loss. He later was called to the rostrum and given an envelope containing $45, donated by the legislators.

NEW VEHICLES REGISTERED:

B. R. Vernon from Eiland Motor Co., 1959 GMC pickup.

Optimist Delegates To Attend Session

Four members of the Snyder Optimist Club will attend the District Seven Board Meeting in Ardmore, Okla. tomorrow and Sunday.

The meeting will be held at Lake Murray Lodge. Representing Snyder at the meeting will be president Y. T. Tracy, secretary-treasurer Melvin Boothe, 2nd vice-president Baily Johnson and Carl Herod. Also going will be Mrs. Tracy, Mrs. Johnson and Mrs. Herod.

The group will return home Sunday night.

BIRTHS

Mr. and Mrs. Eddie Smithee, 3004 Fortieth Street, are parents of a seven-pound, two-ounce daughter, born at 9:49 p.m. yesterday in Cogdell Memorial Hospital.

A daughter weighing six pounds, 14 ounces was born at 3:35 a.m. yesterday to Mr. and Mrs. Thomas Collom, Post highway, in Cogdell Hospital.

Minor Damage In Blaze Near Here

Firemen answered an alarm at the Leonard Spence family residence about five miles northwest of Snyder yesterday afternoon, but reported only minor damage.

D. A. Porter, fire chief, said the fire was caused by a water heater.

Gen. Marshall 'Satisfactory'

FT. BRAGG, N.C. (AP)—Gen. George C. Marshall, 78, who suffered a slight stroke Thursday, is in satisfactory condition in an Army hospital here, his doctors reported today.

Col. G. M. Powell, chief surgeon at the hospital, said Marshall had a comfortable night and appeared in good spirits this morning.

Dr. Powell said that the five-star general was given a complete physical examination and that there was no evidence of any paralysis.

Dr. Henry D. McIntosh, a specialist on heart conditions and diseases from the Duke University school of medicine, expressed complete agreement at the diagnosis and treatment which was being given, Col. Powell said.

WOMEN

Community Services Program Held By 20th Century Club

The Twentieth Century Club met January 13th at the Martha Ann Woman's Club with the President, Mrs. J. N. Dunn, presiding.

Mrs. Ola Leath gave a federation report and Mrs. Dale Clemmer gave the thought for the day.

During the business meeting the following officers were elected: Mrs. G. W. Hicks, president; Mrs. Fred Beaty, first vice-president; Mrs. Dale Clemmer, second vice-president; Mrs. S. M. Pliler, recording secretary; Mrs. J. N. Dunn, corresponding secretary and Mrs. Ola Leath, treasurer.

Mrs. Hicks was leader for the program on community services. She discussed the Hospital Auxiliary, one of the newer community services.

"The auxiliary was formed in April 1958 with 246 members. These members worked 4177 hours between April and Jan. 1, 1959. These volunteer workers perform duties at the information desk, central supply and floor services.

"All money derived from activities must be spent within the hospital. At present these projects are pending, portalift, public address inter-com system or upholstering the lobby furniture. The first project was the purchase of a full length mirror in the nurses lounge.

"Financial support comes from TV rentals which one furnished the auxiliary on a monthly rental basis.

"Other services of the group are making pictures of new babies and distributing pink puppets to children in the hospital. These puppets are furnished by the Gamma Epsilon Sorority".

Mrs. Leath read a paper prepared by Mrs. W. J. Ely on our parks and county services.

"There are three parks in Scurry County, Towle Memorial Park, Dermott Roadside Park and the Colored peoples park.

"Towle Memorial offers facilities for swimming, wading, picnicing and sports.

"The park has been beautifully landscaped and a pavillion has been built for picnics or large gatherings. A large building has been built for the use of 4-H club members. There are tennis courts and three baseball fields in the park.

"There are many services for the citizens of Scurry County.

"Cogdell Memorial Hospital has a staff of 10 full time doctors and three consulting doctors. There are 13 registered nurses, 17 licensed vocational nurses and 100 employes. The hospital has 31 rooms and 50 beds with an average of 275 patients monthly. It contains the latest equipment, and plans the addition of a new wing soon.

"Some of our other county facilities are the County Library, Home Demonstration Agent, County Agriculture Agent and Boys Club.

"A recreatiohn building is being built in Ira, complete with kitchen facilities.

"Near Fluvanna there are covered picnic tables, rest rooms and an adjoining recreation room.

"Hermleigh and Dunn are to have similar projects. Hermleigh is in the process of completing a baseball park."

Mrs. Harold Brown, guest speaker for the afternoon and gave a very interesting program on facts about the League of Women Voters. "The purpose of the League of Women Voters of the United States is to promote political responsibility through informed and active participation of citizens in government".

"The League is organized at three levels, local, state and national. The local group may pick their area of study. The Snyder women selected city government as their local study and made a survey of the city by inspection and interview. Information had to be factual, and was published in booklet form entitled 'Know Your Town'.

"The National League study for 1956-58 was for personal liberties, while the State League study was on conservation. The League is financed about 33 percent by membership dues assessed by local Leagues. The remainder of the funds come chiefly from contributions by members and public spirited citizens outside the League.

"The League of Women Voters is an outgrowth of the National American Woman Suffrage Association. The League is a non-partisan organization which works to inform the electorate, to increase citizen participation in government, so that many laws in the public interest will be enacted".

A dessert plate was served by the hostess, Mrs. B. J. Bartal to 16 members and one guest, Mrs. Brown.

Don't forget simple stewed fruits for dessert; a crisp cooky served along with them adds pleasing contrast in texture.

WOMEN'S CALENDAR

FRIDAY

El Feliz Club meets at 3 p. m. with Mrs. Lora Miller, south of Towle Park.

Ladies Gold Association meets at 1 p. m. Country Club.

SATURDAY

Children's story hour at Scurry County Library 9:30 to 10:30 a. m.

A progressive partner bridge benefit will be sponsored by the Lucky 13 Club at the Country Club from 1:30 to 5:30 p. m.

SUNDAY

Sunday luncheon at Martha Ann Woman's Club. Reservation deadline 5 p. m. Saturday.

Band Booster Club Elects Officers Tuesday

The first meeting of the Band Booster Club met Tuesday night at the high school band room.

The following officers were elected: Mr. Myron Roo, president; Mr. Roy Lankaster, vice-president; Mrs. John Elam, secretary-treasurer; Mrs. Ray Dovers, social chairman; Mrs. Myron Roe, chaperon chairman and Mrs. Roy McCloskey, program chairman.

The by-laws committee will be composed of all officers and Melvin Montgomery. All parents of high school band students are urged to join. The next meeting will be in about two weeks.

Mrs. B. Stroud Party Hostess

Mrs. Bobby Stroud, 413 Thirty-third Street was hostess to a party Thursday afternoon at her home.

Games were played for entertainment.

Punch and cookies were served to Mrs. R. W. Watts, Mrs. Darrell Black, Mrs. Gail Pettitt, Mrs. Carl McCormick, Mrs. David Stroud, Mrs. T. E. Pettitt, Mrs. G. M. Ward, Mrs. Jack Spruell, Mrs. Earl Chitsey, Mrs. Mona Taylor and Ocie Vest.

WMU Circles At Union Meet

UNION (Spl.) — In observing Focus Week, both circles of the Women's Missionary Union met in the home of Mrs. Julious Roemisch Tuesday morning, 9:30 o'clock for a coffee.

Mrs. Roy Womble taught the Bible study. Twenty-two ladies were present.

Baptist Women Hold Winter Round-Up

The Colonial Hill Baptist Church was the scene Monday night for a "Winter Round Up", held by the women of the church.

The fellowship hall was decorated to carry out the western theme. Each table was covered with a black and white checked cloth and held a western centerpiece.

Following the ranch style supper leaders of the youth organizations were recognized and presented corsages.

A parade was held and prize for the best western dressed lady went to Mrs. W. A. Turner.

A program was presented around the campfire by Mrs. John Miller, Mrs. Randall Oliver, Mrs. Tommy Ivison and Mrs. A. C. Floyd, Jr.

Forty women were present.

OUR VIEW

Castro Misses The Point

Although friendship often prevails on a general basis, Democratic America long has had its difficulties in reconciling its ideals and principles with practices followed by some of our Latin neighbors.

The situation in Cuba is a red hot case in point.

The United States did not take sides, officially at least, in the revolution just ended. Consequently, one might have expected that conditions would have been ripe by now for an amicable relationship between our government and Cuba's new regime.

However, Fidel Castro, the rebel chieftain, has succeeded in changing friendly glances of this country to cold stares as his forces insist on continuing to practice vengeance in its harshest form.

"We have given orders to shoot every one of the murderers," Castro declared a couple of days ago. This statement followed closely another one to the effect that the triumphant rebels intended to rely upon democratic processes in establishing and operating their new government.

Our own concepts, of course, require some sifting in formal courts before an individual wears the brand of murderer. This difference in principles has led to criticism of Castro in this country, from the nation's capital on down.

Castro himself may be passing up an excellent opportunity to establish a reputable regime in favor of cashing in his chance to demonstrate physical strength which has already won his primary objective.

Hope For Lower Taxes Is Revived

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP) — Hope for lower taxes burns bright today — even though all signs point to higher taxes instead.

President Eisenhower has revived the hope and tied it with his fight to keep the dollar from deteriorating further in purchasing power.

He says that if prices can be held fairly stable, the government will have a better chance of balancing its budget. That is, if the government doesn't have to spend more for the goods and services it needs, its income from tax collections will have a chance to equal its outgo. On that happy day reforms in the tax structure would be possible.

Taxes and inflation are linked in more ways than this.

To most of us inflation simply means that our income doesn't buy as much as it once did. To the monetary expert inflation means that the supply of money and credit is expanded beyond the demand for goods.

The Treasury, for instance, has just sold 2½ billion dollars worth of short term notes, mostly to the banks. Since these are regarded as the nearest approach to greenbacks themselves, the supply of money available to the economy is increased by that amount.

This is the dilemma that the President faces. He would like to ward off a new spurt of inflation. But the Treasury has to keep coming to the money market to raise new funds to meet the deficit that government spending is running up.

And the money managers themselves — the Federal Reserve Board in particular — have this constantly increasing supply of funds to do battle with in their attempts to hold down inflationary pressures.

But if the fight can be won, if government spending can be held down, if the business recovery pours in the additional income tax payments that the administration counts on — what tax relief is planned?

The President says he has the Treasury Department working on this now.

The reforms under consideration at this time seem to apply mostly to business, but their effects could be felt all the way down to the consumer.

One thing proposed is a change in the excise taxes. These are a form of sales tax now levied on a few things — new cars and cigarettes and the like. One proposal is to cut the rates on such taxes but to make up the lost revenue by adding a number of other goods to the tax list. Businessmen are vitally interested in this scheme because the tax, paid ultimately by the consumer, has a direct bearing on the volume of sales.

Business still has hopes that the 52 per cent levy on corporate profits will be lowered to 50 per cent — few hope any longer that it will be allowed to revert to the original 47 per cent, levied in the days before the Korean war emergency caused it to be boosted.

Depreciation allowances also are close to the hearts of businessmen. Many of them hold that if they were permitted to write off for tax purposes the war and tear on new plant and equipment at a faster rate than at present, spending for these capital goods would increase quickly. This, they argue, would speed the recovery and in turn would boost profits and thus give the Treasury more tax returns.

The resident is couching all his promises of tax relief in the indefinite future. But business, and individuals too, can hope.

Mikoyan Tour Is Soviet Success

By JOHN M. HIGHTOWER

WASHINGTON (AP) — The transcontinental tour of Anastas I. Mikoyan apparently has been a great success from the Soviet point of view.

That was the assessment given by State Department officials today as the Soviet deputy premier returned to Washington after visits to Cleveland, Detroit, Chicago, San Francisco, Los Angeles and New York.

Any assessment of the actual value of Mikoyan's visit in terms of easing tensions or solving cold war problems affecting the United States and the Soviet Union must await the outcome of talks he has arranged today with Secretary of State Dulles and Saturday with President Eisenhower.

There was a noticeable lack of optimism on those points.

But State Department officials credited Mikoyan with making a very favorable impression in many areas with his appeals for peace and trade and his show of frankness on occasion in admitting that the Soviet Union has made mistakes in its relations with the United States in the past.

There was only one point on which they thought Mikoyan occasionally showed sensitivity—the Soviet suppression of the anti-Communist revolt in Hungary in 1956. He sought to defend it by comparing it with U.S. intervention to protect the government of Lebanon last year. Hungarian pickets everywhere Mikoyan went focused fresh attention on the issue.

Mikoyan apparently sought on his tour to reduce tensions between the world's two greatest powers by trying to persuade Americans that under Premier Khrushchev the Soviet Union is run by reasonable men.

He tried to convince those with whom he talked that it is possible for this country to make practical deals and engage in profitable trade with the Soviet Union.

But in his public and private meetings Mikoyan has provided no real evidence of Soviet willingness to make concessions in order to solve the long Soviet-Western deadlock over Germany. He has created in some quarters, however, the impression that Khrushchev does not wish to press the dispute over Berlin to a dangerous point.

The principal points which Mikoyan has made are these:

1. The six months limitation which the Soviet Union imposed two months ago for withdrawal of Western troops from Berlin was not intended as an ultimatum and the time limit is flexible. If the United States does not like Khrushchev's proposal to make West Berlin into a "free city" it should offer counter proposals.

2. The Soviet government wants a high level East-West meeting on Germany and probably other issues, and the sooner the better.

3. The Soviet government will insist on having a veto voting system in any council which might be set up to operate an inspection system for a ban on nuclear weapons testing.

4. The Soviet Union wants to trade with the United States but U.S. government regulations are preventing American businessmen from selling what it wants to buy.

5. The Soviet Union must be treated as an equal by the United States. Some authorities consider this to be a kind of appeal for direct negotiations between Moscow and Washington on many issues now negotiated with several Western powers at once.

Woman To Remember Jan. 15 Indefinitely

SAN ANTONIO, Tex. (AP) — Mrs. Adolph Stroter, 22, says she will not soon forget Jan. 15.

Her husband, 33, was placed in County Jail that day for violating parole from State Prison. Less than 3 hours later, her two-year-old son, Kurt, fell from the family car and was critically injured.

The ambulance rushing the critically injured child to a hospital was involved in a traffic crash. Mrs. Stroter and a friend, Mrs. Judith Ann Haymaker, 17, were injured. So were the ambulance driver and his attendant.

Indolence Called Man's Top Enemy

By HAL BOYLE

NEW YORK (AP) — "The biggest enemy of human progress is mental indolence," said Robert Maynard Hutchins, who will be 60 years old Saturday.

"As Aristotle said, 'Learning is accompanied by pain.' Too many people won't go through that pain," he said.

"The biggest mistake man makes is that he doesn't think through the question of just what is really worthwhile."

The onetime "boy wonder" of the educational world—he was secretary of Yale at 23, dean of its law school at 28, and president of the University of Chicago at 30—is still a figure of controversy as head of the Fund for the Republic.

At 60 he looks 50. His crew cut hair is graying, but his 6-foot-3 frame shows no sign of a paunch. Nor does his mind. He is as ready as ever to fight for his ideas, but still professes surprise that his ideas stir up so much controversy.

"It is remarkable to me that people think of a critic in an adverse sense," he observed. "Criticism to me means appraisal. To most people it seems to mean attack. But to lay the basis for improvement in any field you first have to point out that things are not already perfect."

Hutchins has been assailed as an iconoclast, a cynic and a pessimist. He regards himself as more of an optimist, feels the general level of the world today is better than it has ever been, and is strongly hopeful of human progress.

"Yes, I am hopeful," he said, smiling. "But if pressed for specific grounds for my optimism I might be at a loss to explain why.

"I don't believe, however, that things just get better and better by themselves every day. A tremendous exercise of human will and intelligence is necessary to achieve progress.

"And I think that everything that is called progress isn't necessarily real progress.

"I do feel, what many of my contemporaries don't feel, a sense of crisis—and it has very little to do with the Russians. If all the Russians were to disappear tomorrow—or become Republicans—everything wouldn't be fine. We must find our own standards and our own purposes, and not measure our own effort by the activities of people we deplore.

"The crisis I feel is a crisis about the whole American tradition. The question is whether our own democratic institutions can stand the strains and pressures of a large, heterogeneous, bureaucratic society—whether the individual can stay free."

Tigers To C-City For 3-3A Opener Tonight

The Tiger basketballers begin playing for keeps tonight when they journey to Colorado City for their opening game of the 1959 District 3-AAA campaign.

Tipoff time will be 8 p.m. The game will be preceded by a "B" tilt between the two schools at 6:30.

The Wolves will be favored over the inexperienced and injury-riddled Tigers.

Coach J. P. Ward's Tigers will be shooting for their third straight District 3-AAA crown this season but most of the "experts" don't give the Bengals much of a chance of entering the throne room this season.

The Tigers generally are ticketed for the cellar in the pre-season forecasts.

After losing their tallest player by injury, 6-3 Tim Roberts, the Tigers are lacking in height and in scoring punch. Roberts, who is out for the season with a fractured ankle, was averaging slightly above 10 points per game before his injury and was the team's leading rebounder.

Danny Tankersley is the only Tiger now who is averaging in double figures and Danny has been in a scoring slump of late. Tankersley, 6-2 senior, has scored 127 points in 12 games for a 10.6 average.

But in the last six games, Tankersley hasn't scored in twin figures in any game, being held to 34 points during this spell for a 5.6 average.

Tiger fans are hoping Tankersley will break out of his scoring slump tonight.

Stan Hulen and Jerry Fleming are tied for second in scoring among the active Tigers with 73 points apiece for a 12-game average of 6.1.

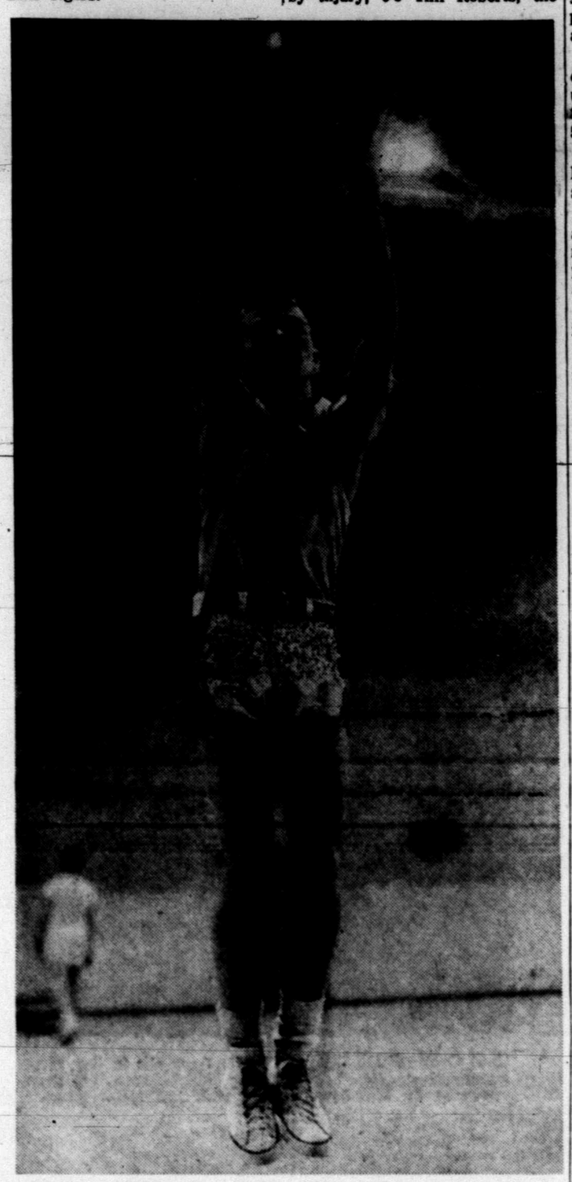

Bill Dubose is next with 64 points in 11 games for a 5.7 average.

These four will start for the Tigers tonight. The fifth starter will be sophomore Larry Patterson who recently was moved up from the "B" squad. Patterson, 5-7, has played in only three games scoring 14 points.

Jimmy Don Robinson, another sophomore who began the season with the "B" team, is expected to be the first sub to see action tonight. Robinson, at 6-0, has scored 11 points in three games.

Others standing by for action will be Terry Lee, 5-11 senior; Marcus Strickland, 5-10 junior; and Lynn Herndon, 6-1 junior.

In another District 3-AAA match tonight, Sweetwater goes against Lamesa at Lamesa. Lake View, the district favorite, will not open district play until next week.

PLAY MAKER—Stan Hulen, above, Tiger guard, will be in the stating lineup when the Tigers meet Colorado City's Wolves at Colorado City in the District 3-AAA opener for both teams. Hulen has been the Tigers' chief playmaker this season. Offensively Hulen has tossed in 73 points, mostly on one-hand shots from beyond the foul circle. (Lee Watson photograph)

READY FOR GG TOURNEY—Pictured are three of Snyder's entries in the Regional Golden Gloves Tournament at Abilene that begins tonight. From left they are Donald Deere, 90 pounds; Larry Ainsworth, 143; and Rickie Elkins, 90. Deere and Elkins will fight in the Pee Wee Division and Ainsworth in the High School Division. (Lee Watson photograph)

Snyder Mittmen In Abilene For Golden Gloves Tourney

Between 20 and 25 Snyder boxers are expected to compete in the Regional Golden Gloves Tournament that starts a three-day run tonight in Abilene.

The local team, co-sponsored by the Snyder Optimist Club and the Sentry County Boys Club, left at 1 p.m. today for the tournament site.

Weigh-in was scheduled to be completed by 4 p.m. today. The opening fight program tonight will start at 7.

The second night of the tournament will be tomorrow night with the finals set for Monday night.

The Snyder team will compete for three divisional team trophies, the Pee Wee, High School and Novice Divisions.

The locals are undefeated in four team matches this season.

Following are the boys Coach Lacy Boles plans to enter in the Abilene tournament with weights and career records:

Pee Wee Division — Marvin Mayfield, 65, (4-0); Jackie Watson, 85, (5-0); Lonny Watson, 65, (1-0); Durwood Brunson, 85, (4-0); Rickie Elkins, 90, (1-2); Donald Deere, 90, (3-3); Marlin Overman ,92, (2-0); and Adam Romero, 92, (1-0).

High School Division — Abe Gonzales, 105, (2-1); Joe Cates, 105, (1-2); Joshua John, 119, (1-1); Berle Overman, 126, (2-1); David McKinley, 135, (5-2); James Fitzgerald, 132, (2-4); Mokey Hale, 132, (1-0); Bruce Taylor, 140, (1-1); Larry Ainsworth, 143, (3-2); Leon Deere, 157, (6-2); Eddie Watson, 170, (5-2); and Tom Romero, 179, (0-2).

Novice — Jay Martin, 132, (4-2); Don Dupree, 132, (1-2); and Dickie Martin, 161, (1-2).

Open — Joe Reaves, 161, (4-0).

Maxwell Tied For Lead In Crosby Golf

By JACK STEVENSON
Associated Press Sports Writer

PEBBLE BEACH, Calif. (AP)—Julius Boros and Billy Maxwell, who both know well the way to golf's pay window, paced a packed field into today's second round of Bing Crosby's $50,000 pro-amateur tournament.

Boros, a former National Open champ, and ex-amateur king Maxwell both caught fire with a string of birdies on the second nine holes of Thursday's opening round to shoot five-under-par scores of 67.

That gave them a one-stroke advantage over U.S. Open Champion Tommy Bolt and fast-rising John McMullin. Nine others were deadlocked at 69. On that list came Art Wall, Dow Finsterwald, Howie Johnson, Bob Goalby, Arnold Palmer, Frank Stranahan, Bo Winninger, Doug Sanders and Paul O'Leary.

Except for Wall and Palmer, all the leaders played the Monterey Peninsula Country Club course, easier than the other two used in this tournament — Cypress Point and Pebble Beach.

Each of the 150 pros competing for the $4,000 top prize also is teamed with an amateur in a best-ball event with $2,000 awaiting the pro on the winning team.

Maxwell, of Odessa, Texas., and his partner, Dr. Robert Knutson of San Francisco, led that category with a best-ball score of 61. Bolt with singer Don Cherry and Mike Souchak with Bob Goldwater of Phoenix were tied at 62. Boros, of Mid Pines, N.C., and his partner from Las Vegas, Moe Dahlitz, carded a best-ball 66.

The opening day's play also saw a hole-in-one. Pro Jim Ferree's No. 5 iron shot popped into the hole on the 160-yard fifth at Pebble Beach.

Baylor Interviews Delaware Coach

WACO, Tex. (AP)—Baylor University officials who are looking for a new head football coach showed their wares to Coach Dave Nelson of the University of Delaware yesterday.

Nelson, 38, is high on Baylor's preferential list for a successor to Sam Boyd.

Nelson stopped at Waco en route back to Delaware from the NCAA football rules committee meeting at Los Angeles. He inspected the campus and the Baylor athletic plant.

The personable Nelson has had a colorful and highly successful football career.

He went to the University of Delaware as head football coach in 1951. And he's never had a losing season in his eight years at the school. His over-all record is 46-20 while Delaware had a 5-3 mark last year.

The Detroit, Mich., native attended the University of Michigan in the early '40s and was the wingback in the fabulous backfield of Tom Harmon, Forest Evashevski and Bob Westfall.

In 1946 and 1947 Nelson was head football coach of Hillsdale College in Hillsdale, Michigan. He went to Harvard in 1948 as a backfield coach. The next two years he was head coach at the University of Maine before going to Delaware.

In 1950 Nelson developed Wing-T offense as used by Maine, Delaware, Iowa and several other schools.

Iowa, which is coached by Evashevski, has won two Rose Bowls in the last three years with Nelson's variation of the Winged-T.

A book written by Nelson and Evashevski, "The Scoring Power With The Winged-T Offense," was published in 1957.

Nelson and his wife have two children, Amy, 5, and Benn, 2.

Utah Five On Five-Game Win Streak

By DON WEISS
Associated Press Sports Writer

Jack Gardner, the sometimes exciteable Utah basketball coach who swigs two quarters of milk a game to soothe his hurts, has a much more pleasant remedy today—a tidy winning streak and first place in the Skyline Conference.

The Utes' string went to five and their conference record to 3-0 last night in a 76-50 whipping of New Mexico. With a combination of brawn and height on the court, Gardner probably has the quietest stomach since he bagged his last Skyline title three seasons ago.

Since the consolation finals of the ECAC Holiday Festival in New York last month, the Utes have been winging in championship form.

They were no better than 5-4 when theey spilled tough Dayton 80-70 to nail third place in the festival on Dec. 29. Since then, Gardner and gang have toppled Miami of Ohio, Montana, Utah State and then New Mexico—the latter three in racing to the top of the Skyline group.

Dick Ruffell, a dandy sophomore flipped in 18 points as Utah hit at a 46.6 per cent pace against New Mexico. Carney Crisler and Jim Rhead, two others who rode the bench only three weeks ago, have helped the Utes in the conference race.

Denver, with George De Roos and Bob Grinstead each scoring 16, downed Montana 66-62 in another Skyline game, and Virginia won its first Atlantic Coast Conference game in seven tries, 86-67 over Duke as Paul Adkins scored 24 points and 6-7, 240-pound Herb Busch added 20.

Tiger Frosh Clips C-City

The Snyder Tiger Freshmen won their seventh game in 10 starts yesterday with a 37-25 victory over the Colorado City Freshmen at Tiger Gym.

Both teams were as cold as the weather outside the first half with the score all deadlocked at 9-9 at the intermission.

But the Tiger Frosh quickly came to life in the third quarter to outscore the visitors 13-5 for a 22-14 lead and the locals coasted home.

Larry McNair led the Tiger Freshmen with 11 points followed by Mike Morris with nine. Others scoring for the locals were Steve Free 7, Freddie Miller with 5, Eddie Phy 3 and Jerry Poole 2.

TL Makes Moves To Speed Up Game

By HAROLD . RATLIFF

CORPUS CHRISTI (AP)—The Texas League experts to play baseball with a zip next season, eliminating such time-comsuming practices as four outside throws in issuing an intentional walk.

Meeting here yesterday, the Class AA circuit, cut to six clubs through loss of Houston, Fort Worth and Dallas to the American Assn., moved to make up for it with baseball more pleasing to the fans.

The league also had added an international flavor that its club owners think will put people into the parks — it has an alliance with the Mexican League that calls for an interlocking schedule and playoff series in September to decide the Pan-American championship.

Winding up its schedule meeting in a record two hours, the league announced that it had taken steps to speed up the game. It plans a rule that permits a batter on an intentional pass being waved to first base without having to wait until the pitcher throws four balls outside of his reach.

It is against the official rules of baseball but President Dick Butler said the Texas League would follow that procedure during the coming season — as an experiment - unless the baseball commissioner frowns on it.

The fielders won't be allowed to put on a pepper game after an out — they won't be throwing the ball around but will return it to the pitcher as soon as possible. And double-headers will consist of two 7-inning games, not the 9-7 affairs of the past.

Also, the bull pens can be moved from down around right field to in front of the dug-out. This is not only a speed-up action, cutting out the long walks of the relief pitchers, but will furnish the fans some added activity.

The club owners predicted that the campaign opening April 10 would draw 750,000 fans, with San Antonio leading the way with 165,000. They also pointed out that 125,000 — the average forecast—would bring a profit since the clubs all have full working agreements with the major leagues. The big league clubs will pay a large share of the expenses of operation and furnish most of the players. The schedule for opening day will have Corpus Christi at Victoria, Amarillo at Tulsa, and San Antonio at Austin.

Amarillo is a new member. It won a place in the league in a contest with Harlingen. The latter, represented at the meeting here yesterday, asked that it be considered for the first vacancy that might arise.

The club owners said they thought the alliance with the Mexican League would bring a marked upturn in interest with a resultant boom at the gate.

Allen Russell, owner of the Austin club, said he felt the hookup with the Mexican League had actually saved the Texas League. "I don't think we would have gone with only six clubs, without this alliance." He declared.

Only Grey Poole of Raleigh and Gehrmann Holland of Beaufort are among the state's natives on North Carolina's basketball team. Six other varsity players come from New York State.

BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

ONE OF OUR FELLOW scribes over Abilene way, Fred Sanner, came out with an article yesterday criticizing Texas high schools for bringing in out-of-state coaches.

Prompting the column was Midland's hiring of Clebus Fischer of Nebraska as its new head coach.

Sanner made several other observations about other schools hiring out-of-staters, including Snyder's hiring of John Conley. But Fred never mentioned that Abilene's own coach, Chuck Moser, came from out of state.

Moser grew up in Missouri and played football at University of Missouri. Abilene, of course, didn't get Moser direct from Missouri since Chuck coached at McAllen before taking the Abilene job.

Neverthless, Moser is an out-of-stater.

Sanner probably doesn't know that Conley is a native Texan. John grew up in South Texas before he moved with his family to Kansas while in high school.

We've always been mighty prejudiced where Texas is concerned but we do not belittle a school who hires who they think is a good coach, regardless where he may be from.

There's a lot of good coaches in Texas, sure, and there's probably some who could fill the bill at Midland just as good as Nebraska's Fischer.

But if Midland thinks Fischer is their man, then more power to them.

Midland Had No Alternative (?)

And then, too, Midland probably had to go out of the state for a coach because there was no other alternative. Several Texas coaches were interviewed for the Midland job but most of 'em turned thumbs down when they found out more about the athletic program in Midland.

Where Fischer probably doesn't know what he's getting into, the coaching prospects from Texas did and they shied away from the Midland job.

Most football coaches have a free hand with the entire athletic program in his school system from junior high on through high school. But such isn't the case in Midland, though.

And competing against schools like Abilene and San Angelo who have a sound athletic program in the lower grades, it's virtually "suicide" for a coach at Midland.

Visiting Teams Still Holding Own In SWC

Sports at random:

There's relief in sight for future opponents of the Pampa Harvester basketballers. In a recent junior high game between Borger and Pampa, Borger annexed a 44-10 victory.

With 16 games already unreeled in the Southwest Conference basketball chase, the road teams are still having as good success as are the home teams. Eight visiting teams have registered victories in the 16 tilts to date.

Only TCU and Texas Tech are unbeaten on their home court this season. What's amazing about the games to date is that SMU, which has been the toughest team of them all on its home court, has lost two out of three games in their own playhouse to date.

New Terp Coach Has 'Goods' On Royal

COLLEGE PARK, Md. (AP)—Sometimes it's hard for football coaches to stick to the crying towel routine.

Tom Nugent, new head coach at Maryland, told this one yesterday at his first press conference:

"I met Darrell Royal, the Texas coach, at the NCAA meetings last week (in Cincinnati) and he told me how great he expected his team to be next season."

Nugent said Royal hustled back with this comment:

"Hey, I was only kidding. We're going to be lousy next year."

Athlete Recruiting Currently Under Study

AUSTIN (AP)—Two committees representing the Southwest Conference and Interscholastic League have been named to look into aspects of college athlete recruiting.

P.J. Dodson, chairman of the league's legislative council and superintendent of Bastrop schools, said yesterday the two groups hope to come up with recommendations "that will prove beneficial to the athlete, the high schools and the colleges and universities who are principals in the recruiting program."

A joint meeting was expected to be announced shortly.

Dr. O.B. Williams, of Austin, president of the Southwest Conference, appointed Dr. J. William Davis of Texas Tech as chairman, Dr. Henry Hardt, TCU, and D.X. Bible, of Texas. Davis and Hardt are faculty representatives of their schools in the SWC and Bible is consulting athletic director at Texas.

SCOTCH FOURSOME TOURNEY SUNDAY

A Scotch Foursome Tournament will be conducted Sunday at the Country Club, pro Bob Henderson announced today.

Festivities will begin at 1:30 p.m.

A hamburger supper will follow the tournament at 5:30.

All lady and men golfers of the city and area are invited to compete in the tournament. Prizes will be given to various winners.

PASTORAL SYMBOLS — Metal lambs are dominant decoration on wall of new Catholic church in Cologne, Germany. Church foundation is a former air raid shelter.

Junior Editors Quiz on FISH

QUESTION: How long do fish live?

• • •

ANSWER: This is a little like asking, "How long is a line?" Seas and rivers are full of fish. There are more living species of fish than any other class of living things that have backbones— more than 30,000 of them.

Most fish are carnivorous—that is, they eat meat, which means other fish. The fish who eat water plants are eaten in turn by other fish. Fish spawn great multitudes of eggs, but most of them are killed before they ever grow up. In the fish-eat-fish world of sea and river, life prospects are very uncertain. Small fish, if they're lucky, probably live a year. Larger ones, such as pike and halibut, may live as long as 50 years.

Fish were the first vertebrates—animals with a bony skeleton inside them.

Speedy fish can swim at 20 miles per hour and a few individuals, such as tuna and marlin, may possibly hit speeds as high as 50 miles an hour. Fish can smell and hear and see—trout in a brook can peer back at the fisherman on the bank. Fish talk too—in some waters you can hear them brunting, chirping and tooting if you put your ear to the bottom of a boat.

• • •

FOR YOU TO DO: Fish in aquariums provide much of our information about other fish as it is nearly impossible to observe them closely when they are at large in the ocean. Go to an acquarium if you can, or watch goldfish in a bowl.

• • •

(We're sending $10 to Corinne Kirsch, Spangler, Pa., for this question. Send yours on a postcard to Violet Moore Higgins, AP Newsfeatures, care of this newspaper. Tomorrow: Why is Missouri called the "Show Me State"?) 1-16

Man Shot From Plane Still Lives

OAKLAND, Calif. (AP) — Lt. Cmdr. RalphFielding shot himself head first through the canopy of his jet training plane at only 150 feet altitude. He accidentally had touched the ejection button. He escaped with a broken leg; no headache.

"It was quite a sensation," he said in Oak Knoll Navy Hospital. "They said I landed only six seconds after I touched the button. It's almost impossible to say how I really did feel. I was saved by my nylon elevator."

The 'chute opened automatically 1½ seconds after Fielding was shot not more than 50 feet above the plane—an altitude of only 200 feet.

A representative of the Martin Co. which made the British-developed Martin-Baker seat said this was its first emergency ejection. The seat has its own propellant and its 'chute opens automatically and virtually instantaneously.

Fielding, a flight instructor with VF 124 squadron at Moffett Field, near San Jose, Calif., was taking a refresher instrument flight with Lt. John B. McDaniel. As he turned control over to McDaniel, Fielding accidentally touched the ejection button.

Up and out he shot, his head rest crashing through the ¾ inch plexiglass canopy.

"The next second I was out in the air stream," said Fielding, who is 38. "There was no airplane under me any more. I took only two oscillations (side swings in the chute) and I hit the ground. I think that's when I broke my leg, but he Navy is investigating to see if it was broken in the ejection."

Fielding suffered a compound fracture of the left leg three or four inches above the ankle.

McDaniel highly praised the ejection seat and all its components — propellant, instanteous-opening 'chute. He said it proved its life-saving value and "they couldn't have picked more adverse conditions — nose down at low altitude—to get a first hand demonstration."

Green Hill Baptist

"A Witness" is the subject chosen by the Rev. Bill McCrary, pastor of the Green Hill Baptist Church, for the Sunday 11 a.m. service.

At the 7:30 p.m. service, at which the ordinance of baptism will be observed, his sermon will be "The Only Hope."

Attending the evangelistic conference in Dallas early this week from the Green Hill church were Mr. and Mrs. Jim Gardner and children, Rev. and Mrs. McCrary and daughter, and Freddy Franks, music-youth director.

Rally Set By Youth At Northside Church

A district youth rally will be held by the West Texas Association of Missionary Baptist Churches tomorrow night at the Northside Baptist Church here.

The program will include special singing, a panel discussion on "Formula for Youth Christian Service," and a skit entitled, "Dr. Sunday School," presented by the intermediate and senior departments of the Northside church.

The rally will begin at 8 p.m. tomorrow. Attending and taking part in the program will be young people from Lamesa, Odessa, Midland, Lubbock, Seminole, Anton, Hobbs, and Clovis.

Northside Baptist

At the Northside Baptist Church, the Rev. Jack Dean, pastor, will speak on "The Map of Truth for a Confused World" at the Sunday 11 a.m. service.

"Christ Died for Our Sins" will be his subject at the 7:30 p.m. service.

At a joint meeting of the Men's Brotherhood and the Ladies Auxiliary at 7:30 p.m. Monday, "The Tribulation Period" will be the Bible study lesson.

Teachers To Attend Meet

Science teachers of Snyder High School are making plans to go to Abilene Saturday for a special conference designed to better acquaint teachers with radiation equipment.

Such equipment has been made available to schools upon application, and the Snyder equipment received some about a month ago on loan from the government.

The equipment can be used for classroom instruction and is also available for any possible civil defense use. That received by the Snyder schools includes a set of geiger counters and some radiation monitoring equipment.

Regional conferences at central points are being held by the state for science teachers who will use the equipment.

Those from here who were making plans to go were Al Ray Young, Richard Thomas, Marshall Parham, Mrs. Rita Carter, and Bob Cole.

Youth Groups Set Supper For Parents

Parents will be entertained in a supper at 5:30 p.m. Sunday by the Junior Fellowship, Chi-Rho Fellowship, and Christian Youth Fellowship of the First Christian Church.

Bob Cole will be guest speaker, and the program will include a sing-song, devotional by the pastor, the Rev. John Reaves, and reports of each group.

Party For Youth

A hobo party has been scheduled for tomorrow night for intermediates and young people of the Green Hill Baptist Church.

Those attending have been asked to meet before 7:15 p.m. at the church dressed as hobos.

SNYDER AREA CHURCH NOTES

Installation Is Set By Two Congregations Here

Installation of new officers of organizations of one church and ordination and installation of elders and deacons in another have been scheduled for Sunday morning.

• • •

First Presbyterian

The First Presbyterian Church will ordain and install elders and deacons at the Sunday 11 a.m. service. The new elders are Dr. Carl Dillaha, W. A. Jones, and Lee Stinson. Deacons are Elmo Weyel, R. E. Bomar, and Don Creason. All will be installed for three-year terms of office.

The Rev. R. Charles Spivey, pastor will speak on "The Wolves" at that meeting.

The session will meet at 7:30 p. m. Tuesday at the church. On Wednesday at 6:30 p.m. the church will hold a family night supper, with a program to follow on mission work in Canada, led by Mr. and Mrs. Harold Lacik.

• • •

Grace Lutheran

Officers of organizations and three newly-elected councilmen will be installed by the Grace Lutheran Church at its Sunday 10:45 a.m. service.

The Rev. Walter Lentz, pastor, will speak on "Christians in Christ." The church meets at West Elementary auditorium.

Councilmen elected for three-year terms are Calvin Lange and Bob Eime, both re-elected, and Victor Freytag. Henry Schwarz was re-elected Sunday school superintendent for another year, while C. R. Dansby is assistant and Mrs. Dansby secretary. The congregational delegate to the annual convention of the Texas-Louisiana Synod of the United Lutheran Church in America was John Lammert, with Vernon Rannefield as alternate. The convention will be in two sessions, in Austin Feb. 5 and San Antonio May 18-21.

Officers of the Women of the Church are Mrs. Henry Schwarz, president; Mrs. Bob Eime, vice-president; Mrs. Gilbert Richter, treasurer; Mrs. Doyle Hendricks, secretary; Mrs. Walter Lentz, Christian service; Mrs. J. C. Schwartz, education; Mrs. Bob Eime, membership; and Mrs. Gilbert Richter, thank offering.

The church has made plans for an evangelism program which includes each family winning another. A visitation school is planned for April. Architectural plans will be made soon with a view of beginning erection of the first unit on the new church site near Cogdell Hospital late this year.

• • •

Calvary Baptist

The Rev. T. Gerald Cates will officially begin his pastorate at the Calvary Baptist Church Sunday.

His subject for the 11 a. m. service will be "New Life for the New Year.

He will speak on the 8:30 a. m. Calvary Baptist Hour. At the 7:30 p. m. service, his subject will be "The People God Uses to Win Victories."

• • •

Colonial Hill Baptist

At the Colonial Hill Baptist Church, the Rev. Jimmie Nelson, pastor, will speak on "Dedication to a Crusade" at the Sunday 8:30 and 11 a. m. services.

At the 7:30 p. m. service he will speak on "What God Will Do." Sunday school is at 9:45 a. m., training union at 6:15 p. m.

Six members of the church attended the evangelistic conference in Dallas early this week. They were E. H. Williamson, J. C. Williamson, M. L. Hobbs, Oran Henderson, Jim Langridge, and the pastor.

• • •

25th Street CC

"A Body Without a Spirit" will be the subject of Glen Pace minister of the Twenty-fifth Street Church of Christ, at the Sunday 8:45 and 10:55 a.m. services.

At the 7 p. m. service he will have an evangelistic sermon, "God's Picture of the Lost."

SHOWN in front of the recently-completed building of the Morningside Baptist Church is the Rev. O. M. Barger, pastor. The church will have dedication Sunday. (Lee Watson photograph)

Morningside Sets Formal Dedication

Formal dedication services will be held at 2:30 p.m. Sunday for the recently-completed building of the Morningside Baptist Church on east Thirty-sixth Street.

The church has been meeting in the building semi-complete since last March, but it was recently finished. The present properties, grounds, brick building and equipment are valued at $30,000, according to the pastor, the Rev. O. M. Barger.

The Rev. Carl Rea, former pastor, now of Purcell, Okla., will speak at dedication services. The church will open a weekend revival at 7:30 tonight, with the Rev. D. D. Morgan, secretary of missions for the Baptist Missionary Association of Texas, with which the local church is affiliated.

D. O. Lester, general Sunday school superintendent, is leading an effort to break the previous Sunday school record of 86, set four weeks ago. Church resident membership is 62.

The church was organized in April, 1955, with 12 charter members. It had the East Elementary School as temporary meeting place.

Mission enterprises and institutions supported by the church include local, state, interstate and foreign missions, Texas Baptist Orphanage and Local Church Aids at Waxahachie and Jacksonville College and North American Theological Seminary at Jacksonville.

Raney To Speak On Daily Devotions

The Rev. Eugene Raney, pastor of the Apostolic Faith Church, will be Daily Devotions speaker on KSNY next week.

The program, aired at 9:15 a. m. weekdays, is scheduled by the radio committee of the Snyder Ministerial Alliance.

Cole To Leave For Europe Tour Feb. 2

The Rev. G. M. Cole, pastor of the First Baptist Church here, has been chosen a member of the "Christian Venturers Crusade" to Europe and the Holy Land.

He is among 80 Baptist who will leave Houston by plane Feb. 2. They are ministers and laymen from all over the U. S., selected by the board of the Church Evangelism Association of Corpus Christi. The association is headed by Dr. Warren Walker, who led a revival meeting here last year.

Preparation has been made by advance teams working overseas for the past eight months. In a recent letter to Dr. Walker, Richard Nixon, vice-president, said, "There is not question but that the spirit of evangelism which you, Dr. Walker, and your team represent will inspire and enrich the lives of those with whom you come in contact . . . I do not believe there has ever been a time when spiritual guidance as well as individual spiritual and moral strength were ever more important than during the present dangers and stresses of the Mid-Twentieth Century."

The group, upon arrival in London, will be guests of the British Parliament.

They will hold 10-day revival meetings in England, Scotland, Ireland, France and the Channel Isles. Several will go to Germany, about half will visit Rome and the Holy Land. Rev. Cole will be in the group visiting the Holy Land after the crusade.

Rev. Cole will return here Feb. 28.

Other West Texans making the trip will be the Rev. I. L. Whetsell of San Angelo, Dr. W. LeRay Fowler of Sweetwater, the Rev. C. N. Rue of Phillips, and Mr. and Mrs. C. J. Humphrey of Amarillo.

REV. G. M. COLE

First Christian

The Rev. John Reaves, pastor of the First Christian Church, will speak on "We Are a Colony of God" at the Sunday 11 a.m. service.

The choir's special music will be "Prayer Penitent."

A CHURCH HOME *for You*

Here you will find friendly people, good music, an air of reverent worship.

THIEF ON THE CROSS

(Question) "Do you believe the thief was saved?"

(Answer) "And he said unto Jesus Lord, remember me when thou comest unto thy kingdom. And Jesus said unto him, Verily I say unto thee, Today shalt thou be with me in paradise." (Lk. 23:42-43) We are not told how the thief learned about the near establishment of the kingdom or how he knew that Jesus was Lord, yet the question indicates he had knowledge of both. He might have reasoned, "I'm as good as the gambling soldiers," or "His disciples are so few, its a dying cause." He could have beheld the religious leaders who caused his death and said "There is religion for you, I want no part." But had he reasoned this way, he would not be in paradise today, but in torment. Likely, in seeing the obedient Jesus in his meek submissive manner, praying for his enemies to the Father above, he wanted to be his follower. I believe he was saved. No unforgiven sinner will be found in paradise. The thief's salvation should never be held up as an example for us to imitate. The New Testament scheme of redemption had not then been completed. Jesus had not died. The way into the holiest was not made clear. (Heb. 9:17, Mt. 27:51 Heb. 10:19-20) The savior was still living when he granted the thief's petition. Believers in Christ are told today, "Repent and be baptized . . . for the remission of sins." (Acts 2:38) "Let us draw near with a true heart, in full assurance of faith, having our hearts sprinkled from an evil conscience and our bodies washed with pure water." Heb. 10:22.

(Address letters to Mr. Pace in care of the 25th Street Church of Christ)

My Plight

Could it be the accident of birth that 'caved-in' her world? Does God discriminate between His people?

Could it be that her home located 'across-the-track' determines her plight??? An empty bowl, sure, but a compassionate heart. Almost despondent that's what she is. If you are one of those who has plenty and haven't yet given... then, maybe you are partially responsible for the situation we find here. God may take from your store-house the 'just' amount. He said, *inasmuch as you have done it to the least of one of these little ones, so have you done it to me.* Her plight may be our responsibility. May we see that she has the opportunity to attend church regularly for we are, our brother's keeper.

You In The Church
The Church In You
— form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

The Public Spirited Firms and Individuals on this page bring you this weekly message in the hope that it will point to a better way of life and be an inspiration to everyone.
