Council Sets Three Mobile Home Areas

In separate action items during the fourth Tuesday workshop session of the city council, the council approved expending almost \$80,000 for street paving in the city, adopted a plan by the Planning and Zoning Board setting zones in the city which will allow single unit mobile homes on single lots and agreed to adopting two ordinances: updating credit service for a retirement plan for city employees and amending the Parks & Recreation Board ordinance.

A. W. Harrison, engineer in charge of the street paving project, was present to explain and answer questions about the paving, inviting council members to let him take them on a tour of the streets so that they might understand the process and be better equipped to answer citizens' questions.

The additional streets to be paved, 22 blocks, were approved as published in the Record following the discussion during the council's second Tuesday session, with the following exceptions:

-11th Street will be paved but will not get curb and gutter, a subtraction of \$3,900 in expense.

-East Central from Concho east to the city's sewer treatment plant, a six block area, will be paved with material scalped from the downtown area and an additional \$3,500 spent to get it in good shape.

Total amount of the additional paving will be \$79,978.80. Councilman J. Lee Jones Jr. made the motion to approve the addition, seconded by J. O. Dockrey and the vote was unanimous.

The Planning and Zoning Board met Monday night, recommending that three areas within the city limits be set as approved for single mobile homes on single lots as follows:

-An area in the northwest section of the city from West 7th north to the commercial property along Interstate 20 between Cherry and the Rogers Road.

-A 12-block area in the northeast part of the city from 18th St. north to 23rd St. and between Austin and Watson.

-The southside of the city, south of the T&P tracks and between the city's west side and Highway 208, extending to the east side of 208 between Austin and the city limits.

The north boundary of this area from Austin eastward is Lone Wolf Avenue.

In discussion preceding the adoption of the recommendation, several council members noted that a permit to build is required and a mobile home owner will also have to obtain a city permit to install a mobile home, although at no cost to the home owner.

Mobile home parks still have to be approved by the city council and may be approved for any section of the city, the council noted.

The only questions council members had about the new zoning was a question from Councilman Dockrey asking why the mobile homes would not extend to I-20 and city manager James Campbell said that that property along the interstate is zoned as commercial property, and a question about having mobile homes in the northeast part of the city near the nice residential section on 17th Street. Campbell said that there are several nice mobile homes already installed in the area with two or three requests for additional mobile homes there and with the addition of several vacant lots there that would be good for mobile homes, made the recommendation and it was approved by the council.

In a discussion of the city's retirement plan, Campbell pointed out that the city is presently paying 4.8 per cent of the total month's salaries into a trust fund maintained by the Texas Municipal Retirement System with only 3.7 per cent projected for 1977.

By adopting a change in crediting employees with retirement benefits for the last 36 months of employment, the city would be paying 4.4 per cent, less than presently, but employees would receive as much as 50 per cent more in benefits.

After going over the figures with the council, Campbell said that at present, there are seven retired city employees who receive an average of from \$50-\$60 dollars per month from the TMRS fund. By changing the credit system, those employees would receive as much as 60-70 per cent more and those employees soon to retire will receive as much as 60-70 per cent more in benefits. Campbell stressed that the city will actually be paying less under the new plan than presently and at his recommendation, the

council voted unanimously to adopt the change.

Councilman Larry Hamner, a proponent of developing the city's park facilities at Ruddick Park and Fisher Park on Lake Champion, was the only dissenting vote in adopting an amendment to the Parks & Recreation Board ordinance which will set up a board to study and make recommendations. Hamner has said that he is not in favor of the board since there are no funds available to improve the parks.

Mayor Dr. Elton Berkman said that the council will make appointments to the board, possibly during the next meeting.

Questions and comments brought up by council members included the following: -Rick Perkin said his phone service has been terrible since the recent rains and suggested to the council that phone company representatives be contacted to do something about it. He also asked about junk cars in the city, Campbell saying that the city cannot remove them from private property but that some junk car owners are being contacted and requested to move them.

-Mrs. Marion Bassham asked when members would be appointed to the Parks & Recreation Board and Mayor Dr. Berkman said probably at the next meeting.

-Mrs. Jody Neff asked on behalf of some local merchants if the city would have any objection to store owners using removable decorative items on the sidewalks in front of the businesses and Campbell said that as long as they were responsible for any liability, there is no city ordinance prohibiting it. She also asked about installing restrooms at the Little League Park and Campbell said that a group of League officials will soon make a formal request and that the city is considering ways to help with the project.

-J. Lee Jones asked that the weeds on the museum lot be cleared and Campbell said that the mowing will be done this week as the person in charge of mowing the lot has been gone on vacation. -Larry Hamner had some questions about grading city streets since the recent rains and Campbell said that the maintainers have been in operation for a week since drying conditions have allowed grading, noting speci-

fically that grading has been accomplished in the Sands area, always a problem because of drainage during a rain.

-J. O. Dockrey stated that his phone service is excellent and the only time he hears any complaints is

when he attends a council meeting as he gets no phone complaints from local citizens.

-Mayor Dr. Elton Berkman read the council a letter of appreciation and thanks from a Cosden refinery official for help during the explosion and fire at the Big

Spring plant recently and his only question was to ask Campbell if the city's sprayer is being used to keep down flies and mosquitoes, to which Campbell replied that it is in use.

The meeting adjourned about 9:30 p.m.

SAFE AT SECOND--The Colorado City All-Stars runner made a fast run to second during the game with Colorado River played here last Friday which the home team won 11-4, advancing to the Tuesday night game with Stonewall-Kent played in Rotan, the Colorado City team narrowly defeated 11-10.

City's Stars One Run Short, 11-10

Colorado City's All-Stars fell one run short as they battled to come from behind in a play-off game against Stonewall-Kent All-Stars Tuesday night in Rotan.

Final score of the game was 11-10 with the Stonewall-Kent team earning the right to advance to the district final against Abilene. That game will be played in Colorado City at 7:30 p.m. today (Thursday).

Stonewall-Kent scored the 11 runs on seven hits and they committed two errors. Colorado City had 13 hits, scored 10 runs and committed 10 errors.

It was a night when nothing seemed to go right for the Colorado City Stars. In the top of the first inning, Stonewall-Kent, the visiting team, jumped out to a quick 7-0 lead with three hits and four errors by Colorado City.

However, the Colorado City Stars didn't give up. They scored one in the bottom of the first on a single by Center Fielder Mark Lewis who singled to lead off, advanced on a steal and to third on a ground ball by Mitchell Williams. Then he scored on a ground ball by Shortstop Victor Jackson.

Colorado City scored another run in the second after blanking Stonewall-Kent. Third Baseman Tim Nobles reached base on an error, advanced around the bases and scored on a single by First Baseman Ricky Alvarez.

Stonewall-Kent came up with another run in the third on an error by Colorado City. In the bottom of the third, Lewis, Williams, Jackson and Right Fielder Kim McElligott each singled. Second Baseman Michael Scott grounded out, Nobles and Catcher Todd Neff each struck out, but not before all of the base runners had scored, leaving Colorado City only two runs behind the competition.

Stonewall-Kent scored another run in the fourth, again on an error by Colorado City, but Colorado City came back to score one run on a walk by Alvarez, a single by Lewis and a single by Jackson.

Colorado City's All-Stars fell one run short as they battled to come from behind in a play-off game against Stonewall-Kent All-Stars Tuesday night in Rotan.

Final score of the game was 11-10 with the Stonewall-Kent team earning the right to advance to the district final against Abilene. That game will be played in Colorado City at 7:30 p.m. today (Thursday).

Stonewall-Kent scored the 11 runs on seven hits and they committed two errors. Colorado City had 13 hits, scored 10 runs and committed 10 errors.

It was a night when nothing seemed to go right for the Colorado City Stars. In the top of the first inning, Stonewall-Kent, the visiting team, jumped out to a quick 7-0 lead with three hits and four errors by Colorado City.

However, the Colorado City Stars didn't give up. They scored one in the bottom of the first on a single by Center Fielder Mark Lewis who singled to lead off, advanced on a steal and to third on a ground ball by Mitchell Williams. Then he scored on a ground ball by Shortstop Victor Jackson.

Colorado City scored another run in the second after blanking Stonewall-Kent. Third Baseman Tim Nobles reached base on an error, advanced around the bases and scored on a single by First Baseman Ricky Alvarez.

Stonewall-Kent came up with another run in the third on an error by Colorado City. In the bottom of the third, Lewis, Williams, Jackson and Right Fielder Kim McElligott each singled. Second Baseman Michael Scott grounded out, Nobles and Catcher Todd Neff each struck out, but not before all of the base runners had scored, leaving Colorado City only two runs behind the competition.

Stonewall-Kent scored another run in the fourth, again on an error by Colorado City, but Colorado City came back to score one run on a walk by Alvarez, a single by Lewis and a single by Jackson.

This made the score 11-9 and Colorado City blanked Stonewall-Kent in the top of the sixth.

Then Colorado City came to bat for the last time in the bottom of the sixth and final inning. Williams grounded out, Jackson hit a long shot over the center field fence to narrow the margin and put Colorado City only one run behind.

Right Fielder Gary Rowe grounded out on a good defensive play and Johnson hit a line drive to the first baseman that ended the game.

Tough Games Eliminate Lions

Colorado City and Ranger teams were eliminated from play in the first two days of action in the Texas Junior Teenage League Baseball Tournament being held here at Wolf Field.

Only three teams were left in the competition with final games set for Wednesday night and possibly today if the situation warrants. It is a double elimination tournament and should the one team that is now undefeated, the Big Spring Knights, lose Wednesday, then a game Thursday will be necessary.

In the first game Wednesday, Clyde Bisons and Big Spring Elks, each with one loss, were to face each other, then the winner of that game was to play the Big Spring Knights in the second game of the night.

In action Monday night, the Knights won over the

Elks in nine innings in a game regularly running seven innings by a score of 6-5, Larry Smith the winning pitcher, David Montanez the loser.

In the second game of the first day of play, Clyde came from behind in the bottom of the seventh to erase a two run lead by Colorado City and win the game 5-4. Winning pitcher was Steven Holcomb, loser was Gene Carter.

In the final game of the night, the Big Spring Knights won over Ranger 8-5 with Mark Harris the winning pitcher and Craig Kent the loser.

Colorado City was eliminated in the first game Tuesday as the Big Spring Elks could not be stopped en route to a 14-3 win over the local Lions. Winning pitcher See LIONS, Page 7

*To Sing
...the Gloryland Two*

Co-op Meeting Set August 3

The Gloryland Two, Nila and O. A. Kinnison of Lubbock, will sing for the annual meeting of the Lone Wolf Electric Co-op to be held at the Co-opatorium Tuesday.

The Kinnisons are well-known in the Mitchell County area, having sung for the past 14 years in churches and concerts throughout the Texas-New Mexico area.

Registration for the annual meeting begins at 7 p.m. with free coffee, doughnuts, cookies and soft drinks, followed by the Gloryland Two entertainment.

President Martin Murphy will call the meeting to order about 8 p.m. with the Rev. Philip Hilton, minister of the First Assembly of God in

**Record Of
7-0 Wins
League**

Loraine Catholic A team has won the women's church softball league this year with seven wins and no losses.

The league will hold a tourney in Loraine next weekend, Aug. 6, 7 and 8.

Only one more game is to be played in league competition, that game set for 6 or 7 p.m. Thursday at the southside baseball field between Calvary Baptist and Westbrook.

In recent games, Methodists won over Loraine Catholic 16-6 July 20; Sandy Phillips and Jackie Rose hit home runs to help the Loraine Baptist win 18-0 over Oak St. July 23; Loraine Baptist won 9-2 over Calvary July 26; Loraine Catholic A 14-0 over Westbrook with Gloria Moreno and Linda Moreno hitting home runs for the Loraine team, and on Tuesday night, Linda Ezell and Gloria Aguilar each had home runs to help Oak Street win over Westbrook 11-4.

Tourney Starts

A four-day tournament featuring four games each night in the Church League starts tonight with the first game set for 6 p.m. at the Church League Field on the southside.

Colorado City, giving the Invocation.

There will be reports by Cooperative officials and elections of two directors. Nominees are incumbent Terry Julian and Danny Thompson, both of Roscoe, for one director's post, and incumbent Kay McCarley Jr. and Don Latimer, both of Colorado City, for the other post.

Drawings for prizes will conclude the meeting and as each member registers, door prizes will be distributed.

Crusade Planning Continues

Services are planned for 8 p.m. each evening at Wolf Stadium and 10 a.m. each day at First Baptist Church during the Mitchell County Crusade which starts Wednesday, August 4 and continues through the Saturday, August 8 service.

Evangelist for the 1976 Crusade will be Dr. George G. Hunter III, assistant professor at Southern Methodist University's Perkins School of Theology, McCreless Chair of Communication and Evangelism.

Howard Correll, a recording artist from Moorhead, Minn. and executive director of Arrowhead Music Camp in Barnum, Minn., will appear nightly in concert.

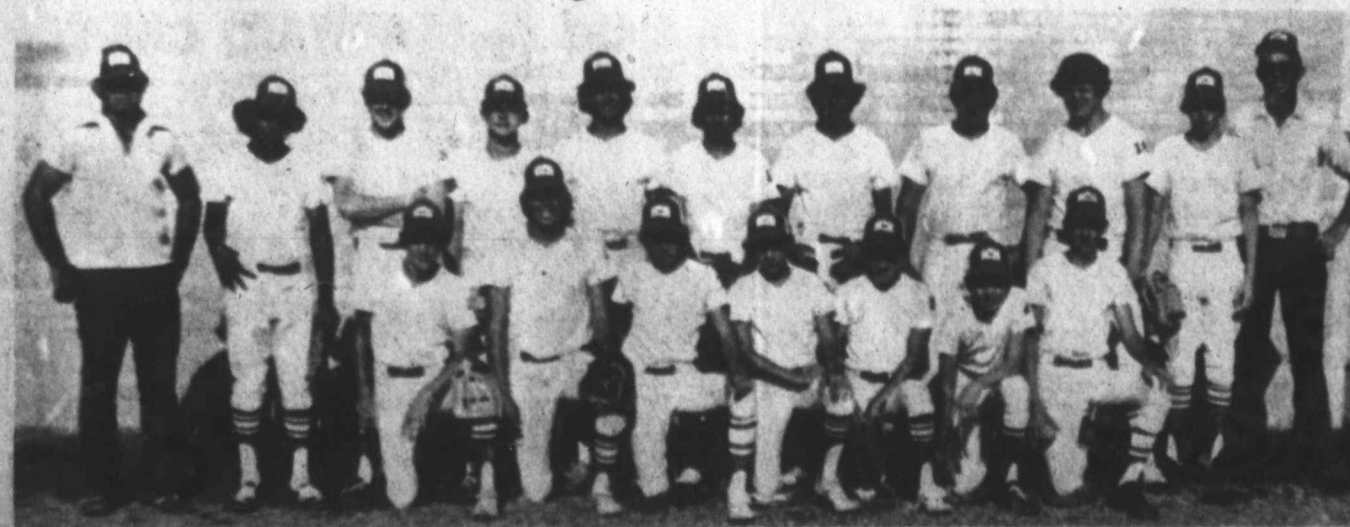

Theme for the week is "A Faith To Transform People." Cottage prayer meetings have been underway this week, continuing through Saturday. A prayer vigil is planned to begin at noon Tuesday, August 3, continuing until noon the first day of the Crusade.

Each participating church will provide transportation to the Crusade for those needing a ride and there will be golf carts at the parking lot to take physically handicapped persons into the special seating area on the ground level.

Rehearsals for the Crusade choir have begun under the chairmanship of Mrs. Johnny Shackelford and all interested persons are invited to join the choir.

RAIL DESTRUCTION on the Travis Turner farm in the Seven Wells community occurred as a result of a violent thunderstorm Sunday afternoon. Turner lost about half of the 200 acres in the field planted to cotton and neighbors C. N. Stubbins and Jack Long lost about a hundred acres as well. About an inch and a half of rain fell during the storm.

CHAMPION LIONS representing Colorado City in the Texas Teenage League baseball tournament held here Monday through Wednesday are pictured here along with coaches and three pickup players from the three other city teams. They are, from left, back row, Jack Pharris, Lupe Luera, Steven Walker, Travis Crenshaw, Robert Parker, Joey Landeros, Ricky Sanchez, Jimmy Shoemaker, Gary Hulme, Timmy Womack and Billy Stinson; front row, Gene Carter, Jay Feaster, Chuck Claxton, Yancy Spivey, Mark Carter, Weldon Walker and Joe Stinson.

CRIME SERIES

By Sgt. Sidney Lyle
of the Odessa Police Department

Illegal entry into a residence is more likely than not through a door (actually one in four residential burglaries occur through an unlocked door).

However, we cannot overlook window security as a point of entry. After all 18% of all residential burglaries and 25% of all rapists enter the target home through a window.

Therefore, it becomes necessary to help reduce the ease with which the criminal gains entry into the home or apartment.

Essentially windows pose two types of security problems depending upon whether the structure of the frame is wood or aluminum. Some window frames are made of plastic, as in some mobile homes, or perhaps steel as in the case of most jalousie windows.

Aluminum frame windows are by far the most common type in use today. They have the distinct advantage of being easy to open or close even in damp or humid weather. However, two problems are built into this type of window.

One is the ease with which the glass can be removed by simply lifting the plastic retaining bands on the outside of the glass. In most cases, windows will fall out into your hands when the bands are removed.

The glass should be held

in place by a pliable substance, "butyl rubber." But all too often butyl rubber or other similar compound is overlooked and the window manufactured without that safeguard.

In order to overcome the problem homeowners should place a small bead of butyl rubber on the aluminum frame prior to installing a new piece of glass to replace a broken window.

This step will not only make the window more secure, it also insulates the window by bonding the glass to the frame. The second and most common problem is the soft aluminum frame itself.

The window can be forced open with relative ease or perhaps lifted out of the track allowing entry to be gained. Another easy mode of entry is to break the glass and reach in to unlock the window.

These very common problems can be all but eliminated by drilling a small hole in the movable sash frame where the sash is overlapped by a thin aluminum strip holding the window in place and inserting a sheet metal screw in the hole.

This would prevent the window from being raised even if the glass is broken and the window unlocked. In effect the sheet metal screw "locks" the window in a closed position.

In order to open the window you need only to back the screw out with your finger tips. An additional hole can be drilled through the aluminum strip about four or five inches above the first hole.

By raising the window, aligning the hole in the sash with the hole in the aluminum strip and then inserting the screw, you will have attained reasonable security while at the same time maintaining needed ventilation.

The problem now remains: what to do with wooden frame windows. The answer is quite simple. They are to be treated in the same manner as aluminum except

a metal dowel or a large nail is used instead of a sheet metal screw.

To open the window, simply remove the nail from the drilled hole. Good window security is no accident. Proper planning and a little time is all it takes.

Prices Scheduled To Rise

For hog producers 1976 should be a profitable year if they don't get overanxious and expand operations too quickly.

That's how the hog picture looks to Dr. Ernest Davis, livestock marketing specialist for the Texas Agricultural Extension Service.

Hog prices should continue strong during most of the year due mainly to a continued shortage of pork supplies.

Mr. and Mrs. L. J. Lynch

Weekend Anniversary Celebration Planned

Mr. and Mrs. L. J. Lynch of 1036 Pine Street have been invited by their two daughters for a weekend celebration in Fort Worth in observance of their 30th wedding anniversary which was July 26.

The Lynches, Jay and Dessie, were married by a

Assembly of God preacher in his Colorado City home, July 26, 1946.

Their sons, Jerel J. and Alfred Lee, both of Colorado City, have also been invited for the weekend by the daughters, Dessie Ann McCullough of Fort Worth and Mrs. Laura Arnett of Athens.

Services Today

Marshall T. Mullins, 67, of Lake Colorado died at 10:30 p.m. Monday at Root Memorial Hospital.

Services will be today (Thursday) at Kiker-Seale Funeral Home Chapel at 10 a.m. with the Rev. John Pratt, pastor of the All Saints Episcopal Church officiating.

Following services here in Colorado City, the body will be taken to the Elliott-Hamil Funeral Home Chapel, Hwy. 277 south, in Abilene, where he will lie in state from noon to 1:30 p.m.

Graveside services will be held at 2 p.m. later today at the Elmwood Memorial Park in Abilene. The Rev. Edward Dentzer, pastor of the Church of The Heavenly Rest will officiate.

Born June 30, 1909 in Jones County, he married Mary Cecile May December 24, 1926. He had resided in Colorado City since 1972 and was a retired restaurant operator.

A member of the Episcopal Church, Mullins was the executive director of the Odessa Council on Alcoholism.

Mullins is survived by his wife, Mary of Lake Colorado City; five daughters, Mrs. J. D. Kebil of Odessa, Mrs. Joe Rain of Corpus Christi, Mrs. Larry Putman of Denver, Colorado, Mrs. Fred Adams of Hanford, Calif. and Mrs. Marvin Baker of Pasadena; two sisters, Mrs. Bud McCorkle of Abilene and Mrs. Russell Rigg of Rosemead, Calif. and one brother, A. L. Mullins of Lueders; ten grandchildren and three great grandchildren.

Stewart, Dockrey Attend Junior High Conference

Two junior high age campers from All Saints' Episcopal Church are attending the Junior High Conference at the Amarillo camp this week: Sidney Stewart, daughter of Mr. and Mrs. Don

Stewart and Kelley Dockrey, son of Mr. and Mrs. Kenneth Dockrey. The session is scheduled for July 27 through August 3.

Visitors

Monte and Jason Cunningham of Irving were visiting their grandparents, Mr. and Mrs. Lloyd Denson of Colorado City for two weeks.

CLAXTON LODGE NEWS

By CORDELIA DAVIS
Mrs. Pearly Mae Tedford came to the lodge to visit Mrs. Mattie Carpenter Friday afternoon.

Carpenter and granddaughter, Mrs. Myrl Carpenter of Alvin visited her Sunday afternoon.

Also visiting her were her great granddaughters, Mrs. Donald Stone from Alvin and Miss Debbie Lee of Loraine.

Residents studied St. John 17:11-25. ***
Mr. and Mrs. Ira Jenkins from Snyder came to the lodge to visit E. B. Jenkins Thursday afternoon.

Others visiting with Jenkins were Mrs. Ann Martin of Dallas, a sister, Mrs. J. E. Martin of Dangerfield and Marie Beaver, also of Dangerfield.

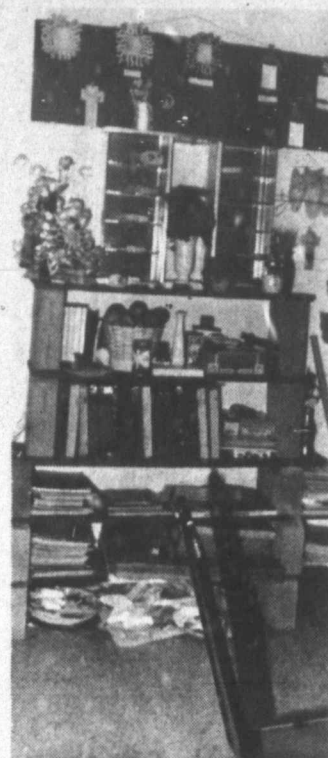

Thomas Bob Long came to the lodge to visit his grandmother, Maud Long. He visited Winnie Combs while he was at the lodge Saturday morning.

SEATED IN FRONT of the sewing machine at Claxton Lodge is Mrs. Mattie Carpenter (l) and Eva Wingo (r) who are sewing quilt squares cut out by Mrs. Wingo. Quilting is a hobby for some of the women at the lodge and when they get a quilt top pieced, you'll find them in one of the rooms sitting around a quilting frame finishing it up.

THESE RESIDENTS of Claxton Lodge are busy playing a game of dominoes during the hot afternoons. Recreation is part of the schedule at the Lodge including outdoor recreation in the cool mornings. Seated here from left to right: Orville Wise, Herman West and Fletcher Henry.

THIS IS THE Arts and Crafts Room at Claxton Lodge with art work done by the residents displayed on the walls. Mrs. Doris Clawson is the activity director of the lodge.

FLORENCE WALKER, pictured above with her latest crocheted scarf is one of contributors to the display case located in the central hall of Claxton Lodge. She crochets baby clothes and booties as well as scarves, dollies and fancy work.

Sister Rita Campos

To Take Life Vows Sunday

Sister Rita Campos, daughter of Mr. and Mrs. Lucas Campos of 545 W. 14th in Colorado City, will make her life vows in the community of Franciscan Sisters at St. Ann's Catholic Church Sunday afternoon, Aug. 1.

There will be a celebration mass officiated by Father John Busch, pastor of St. Ann's, and Msgr. Montrose of Amarillo.

A reception will follow the 2 p.m. ceremony at the Parish Hall in the church annex.

She attended Alamo High School in Amarillo her junior and senior years, then went to St. Francis convent in Amarillo. For the past three years she has been teaching fifth grade in Los Angeles, Calif. at the Resurrection Convent, operated by the Franciscan Sisters and will return to California to resume teaching and continue her education, studying theology.

Family Visits In California

Jimmy Johnson, his wife, Annett and their two small daughters, Cayla and Carl of Snyder just returned from a visit in California. They visited his aunt, Mrs. Ocie Mandel in Guerneville and did some sightseeing in San Francisco.

Loraine Area Personals And News

By Ida Baird

Mrs. Lilla Jiant of San Angelo came in Monday and is visiting Mrs. Vanda Martin this week.

Mrs. Lola Finch and Mrs. Clyde Banks accompanied Mr. and Mrs. Loyd Ray Finch of Colorado City and spent Sunday in Hobbs, Texas with Mr. and Mrs. Gary Finley and little son, Shawn. Also there for a visit were Mrs. Finley's parents, Mr. and Mrs. Dwaine Price from Buras, La.

Mrs. Clarence Peck of Crane, and Mrs. Bernice Hallmark, Mrs. Clara Butler and Mrs. Harvey Leach left Saturday for Glorieta, N.M. where they are attending the Foreign mission conference this week at the Baptist Assembly.

Irene Norman and friend, Alma Sawyer of Irving spent the weekend with her mother, Mrs. J. D. Norman as they were returning home after a three week tour through the Northwest states.

Mr. and Mrs. Robert Battle of Austin spent the

weekend with her mother, Mrs. Vanda Martin and went from here to Pampa Sunday where Mr. Battle will play in a golf tournament. They will visit here as they return home this weekend and Mrs. Martin will return with them for a visit.

Mrs. B. O. Joyce of Loraine and daughter Helma of El Paso returned last Thursday after spending the summer in Albuquerque, N.M. with their son and brother, Barry Joyce.

Barry brought her home from El Paso, and Hilma left Saturday for San Antonio where she is attending a Distributive Education Conference this week.

Stuart Davenport of El Paso spent the first of the week here with his aunt and uncle, Mr. and Mrs. Edwin Hallmark after visiting aunts, Mrs. Jettie Smith in Sweetwater and Mrs. Roxie Soules in Hermleigh.

Homar Hart, City Secretary announced the following donations for up keep of the Loraine cemetery since the last report. They were

G. B. Cooper, Hobbs, New Mexico, \$10; J. Wiley Walker, Loraine, \$10.

Mrs. Camille Alford of Abilene brought her mother, Mrs. L. E. Crutcher home Sunday after she had visited since Thursday with her.

Mrs. H. G. Denson has returned after spending a week in Denison with two sisters, Mrs. Ruby Martin and Mrs. Ray Jackson.

Mr. and Mrs. Jim Brown, Valera and Melissa of Andrews spent Sunday night with her grandparents, Mr. and Mrs. C. C. Hamilton as they were enroute to Dallas to visit her sister and family, Mr. and Mrs. Arlie Frances and Charity.

Mrs. K. L. Taylor, Mrs. Floyd Griffin and Mrs. Roy Baird returned home Saturday after visiting since Wednesday in San Antonio.

Mrs. Taylor and Mrs. Griffin visited in the home of Mr. and Mrs. John Mayse and Mrs. Baird visited Mr. and Mrs. E. L. Brighton in San Antonio and with her brother and wife, Mr. and Mrs. T. E. Meek in New Braunfels.

Mrs. Trixie West entered Hendrick Memorial Hospital in Abilene last Tuesday where she is undergoing medical tests and treatment.

Visiting Mr. and Mrs. A. G. Mercer Sunday night and Monday was a granddaughter and family, Mr. and Mrs. Tom Parker from Victoria.

Mr. and Mrs. Willie Taylor and Mr. and Mrs. Dexter Taylor returned home Monday after visiting since Friday in Houston. The Willie Taylors visited their daughter, Gaylene Taylor and Mr. and Mrs. Dexter Taylor visited her brother and wife, Mr. and Mrs. O. L. Hallmark and other relatives.

Mrs. Randal McCutchen and grandson Jeremy from Richland Springs spent Monday and Tuesday with her mother, Mrs. Tody Crownover.

Tonya Williams of Dallas is here spending the summer with her grandparents, Mr. and Mrs. T. J. Blair. Here visiting Tonya is a cousin, Kathy Ray from Midland.

Mr. and Mrs. Pierce Givens of Loraine and daughter, Kay of Abilene returned last Tuesday from Center, Colorado where they had visited since Saturday with their daughter and family, Mr. and Mrs. Larry Holder and little son, Jeff.

Mr. and Mrs. Roy Johnson of Rankin spent Monday

night and Tuesday with her parents, Mr. and Mrs. Olen Lee.

Templetons Return From 8-Day Vacation

Mr. and Mrs. J. M. Templeton and their three daughters and two sons-in-law and their families and his brother and wife, Mr. and Mrs. M. B. Templeton of Sweetwater returned home Friday night after an eight day vacation at Vallecito Lake, Colorado.

The Templetons, the M. B. Templetons and Mrs. Jimmy Smith and children of Roscoe left here early Friday and met the other two daughters and families, Mr. and Mrs. Charles Bowen of Abilene and Mr. and Mrs. Dub Martin of Big Spring at Littlefield. They spent the first night at Sante Fe, N.M. cooking the 18 steaks they had brought from home for the first evening meal.

At Vallecito they had reserved three 3 bedroom cabins and went from there each day sightseeing. One day they took the little train ride from Durango to Silverton and the two sons-in-law drove two cars and met them returning on the million dollar highway, ate barbecue lunch at the Chuck Wagon.

They fished for rainbow trout and salmon, J. M. and all the grandchildren rode horseback up the mountain and had breakfast, they had reservations for the old time melodrama, took hikes, etc. enjoying the entire week before leaving on Thursday for Carlsbad, N.M. The M. B. Templetons had left them enroute to Carlsbad, and after going through the Cavern Friday, eating lunch

Ellington Completes Studies

Mary Glenda Ellington has completed her work toward a degree in Medical Records at TWU, Denton and will be graduating with the class on August 14.

She has accepted a position and went to work Monday as Supervisor over Medical Records in the Mental Health and Retardation Clinic in Dallas, where she will be working for a group of medical doctors and psychiatrists.

Mary Glenda, daughter of Mrs. Stella Ellington of Loraine is a 1973 graduate of Loraine High School.

Mrs. Martin Is Elected New Class President

In a meeting of the Willing Workers Sunday School Class of First United Meth-

odist Church of Loraine Thursday afternoon, Mrs. Harold Martin was elected president for the new year.

The meeting, held in the home of Mrs. James Bennett was opened with Mrs. Bennett reading her favorite scriptures, John 14 and Psalms 23 in giving the devotional. The Lord's Prayer was repeated in unison.

The nominating committee composed of Mrs. Roy Wells and Mrs. J. D. Givens recommended the following officers for the new year and they were elected by the class.

President, Mrs. Harold Martin; vice president, Mrs. James Bennett; secretary, Mrs. Wiley Walker; reporter, Mrs. Roy Wells; treasurer, Mrs. K. L. Taylor and teacher Mrs. Lily Bennett.

The class voted to have a picnic for the next meeting, August 26, in the home of Mrs. Mattie Neely. Time was set for 7 p.m.

Refreshments were served to Mrs. J. D. Norman, Harold Martin, W. R. Bruce, Claude Neely, Jim Johnson, J. D. Givens and Roy Wells.

Attend Funeral

Mr. and Mrs. Leonard Coldey and his mother, Mrs. Annie Coldey of Sweetwater attended the funeral of his uncle, Willie Coldey 89, in Shiner, Wednesday.

Coldey died on Monday, July 19th. They returned home Friday.

Hutchins To Be Buried In Loraine

Mrs. Stanton (Anna Elizabeth) Hutchins, 65, of Loraine died at 11:30 p.m. at Root Memorial Hospital Tuesday night.

Services will be at 3 p.m. today (Thursday) at the Kiker-Seale Funeral Home Chapel with the Rev. Bob Ford, pastor of the First United Methodist Church officiating.

Burial will be in the Loraine Cemetery.

Born September 30, 1910 in Colorado City, she married Stanton Hutchins June 3, 1944 also in Colorado City. She is survived by her husband of Loraine; and a brother, Bob Looney, also of Loraine. She was a member of the Episcopal Church.

Savings Tips

Before you rent an apartment... inspect it with pen and paper in hand. List all flaws! Send a copy to your landlord as protection against possible unfair deductions of security.

For maximum security for your savings dollars... keep money on deposit here! We're sure you won't find a flaw in any of our savings plans or certificates. They all offer the highest interest rates allowable by law. And you don't need a pencil and paper to figure out that it all adds up to more money for you. Get all the facts soon.

FIRST STATE BANK Loraine

"How can I control my air conditioning costs this summer?"

UNDERSTANDING YOUR ELECTRIC BILL

Here's a checklist of things you can do to keep your cooling costs down when the temperature is up.

- Have your air conditioning unit checked to be sure it's operating at top efficiency.
- Try a thermostat setting in the upper seventies.
- Keep filters clean. Check them every month.
- Keep air vents clear so air can flow freely.
- Close fireplace dampers.
- Keep direct sunlight out with awnings, draperies, blinds or shades.
- Keep doors and windows closed. Try to limit traffic in and out.
- Vent clothes dryers to the outside.
- Use kitchen and bathroom exhaust fan only to remove excess heat and moisture.
- Schedule cooking, washing and ironing for the cooler times of day to avoid adding excess heat to your home.
- Raise your thermostat at least five degrees if you're going to be away for several hours.
- Turn off air conditioning unit when on vacation unless there are items that might be damaged from heat.
- Attics should be well ventilated to prevent excess heat buildup.
- Make sure your insulation is at least up to the latest FHA standards.
- Weatherstrip or caulk around all doors and windows.
- Keep shrubbery trimmed back from outside units to allow good air flow.
- Consider cooking outdoors more this summer.
- Consider storm doors and windows. Think of them as insulation.
- Remember that a window unit is designed to cool only one room. Turn it off if that room is not being used.
- If buying new air conditioning, get the unit with the highest energy efficiency ratio (EER) — at least seven or better.
- For a free copy of our newest booklet on how to save electricity, give us a call. Or request one on the comment portion of your bill.

Open Admissions Policy of Loraine Nursing Home

It is the policy of the LORAIN NURSING HOME to admit and to treat all patients without regard to race, color or national origin.

The same requirements for admission are applied to all, and patients are assigned within the nursing home without regard to race, color or national origin. There is no distinction in eligibility for, or in the manner of providing any patient service provided by or through the nursing home.

All facilities of the nursing home are available without distinction to all patients, and visits, regardless of race, color or national origin. All persons and organizations that have occasion either to refer patients for admission or recommend the LORAIN NURSING HOME are advised to do so without regard to the patient's race, color or national origin.

Julia Johnston Administrator

BANK CENTS

Presented By FIRST STATE BANK Loraine

A commercial bank is one in which its deposits are payable on demand and are themselves money (Deposits). By accepting deposits against which checks may be drawn, commercial banks provides the major part of the circulating medium in all Anglo-Saxon countries and in many other highly developed countries. In the U.S., for example, demand deposits of commercial banks account for 75% of the money supply. A proportion higher than this of the total dollar in our society is handled by check from the above deposits. It then becomes easy to see how the banks of the United States handle the largest part of the average citizen's money transactions. The handling of your money is our biggest business.

We want you to know more about our business!!!

Bees On Rampage Tuesday

A trailer loaded with
about 80 hives of bees over-
turned about 3:30 a.m.
Tuesday on Highway 208 a
few miles north of the city,
enroute from Jordantown to
Lubbock and the truck driv-
er, Larry David Gallaher
of Jordantown, along with
three other beekeepers
worked until late Tuesday
afternoon getting the loose
bees back into the hives.

Investigating officer Mar-
vin Keenan of the Texas
Department of Public Safety
said that there were about
3,000 bees to each hive and
many of them were scatter-
ed along the roadside until
the beekeepers managed to
collect most of them.

The bees were being
transported from South
Texas to the South Plains
for pollination during cotton
blooming season and sus-
tained a \$3,000-\$4,000 loss.

★ Lions From Page 1

was Billy Johnson and the
losing pitcher was Mark
Carter.

Tuesday's second game
was probably one of the best
of the tournament as fans
saw the Big Spring Knights'
Ricky Cluck pitch a no hitter
and win over Clyde 7-1, the
one run by Clyde scored on
an error. Losing pitcher was
Danny Ramos. Cluck struck
out 18 batters.

In the final game Tues-
day, Ranger was eliminated
by the Big Spring Elks 6-3 as
the Elks came from behind
to stay alive in the competi-
tion. Jimmy Marquez was
the winning pitcher, Jim
Speegle, the loser.

Colorado City's first game
against Clyde was also one
of the more exciting games
in the tourney but it was
also a costly one for the
Colorado City team as start-
ing pitcher Jay Feaster pulled
muscles in the elbow area
of his throwing arm in the
bottom of the sixth inning
and had to be taken out.

At that time, Colorado
City was trailing 2-1. In the
top of the seventh and final
inning, the Colorado City
Lions scored three runs on
three hits and a walk.

Second Baseman Gary
Hulme started the inning
with a walk, Shortstop Jim-
my Shoemaker doubled,
First Baseman Stephen
Walker singled and Catcher
Robert Parker singled to
bring across three runs to
put the Lions ahead 4-2.
However, Clyde came back
in the bottom of the inning
to score three runs on four
hits and win the game.

Women Listed

Mary Jane Hardcastle of
604 Ave. F SE Childress and
Margaret Jean Hale of 325
Mimosa Dr., San Angelo,
have been selected for inclu-
sion in the 1976 edition of
*Outstanding Young Women
Of America*.

The Outstanding Young
Women of America Program
is designed to honor and
encourage exceptional
young women between the
ages of 21 and 36 who have
distinguished themselves in
their homes, in their profes-
sions and in their communi-
ties. Accomplishments such
as these are the result of
dedication, service and lead-
ership-qualities which de-
serve to be recognized and
remembered.

This is the goal of the
many leading women's or-
ganizations, college alumni
associations and public offi-
cials who nominate deserv-
ing young women to partici-
pate in the program. Serv-
ing as chairman of the
program's Advisory Board is
Mrs. Dexter Otis Arnold,
honorary president of the
General Federation of Wo-
men's Clubs.

The women listed, along
with approximately 7,000
fellow Outstanding Young
Women of America from
across the United States,
will be presented in the
prestigious annual awards
volume. In addition, they
are now being considered for
one of the fifty-one state
awards to be presented to
those women who have
made the most noteworthy
contributions in their indi-
vidual states. From these
fifty-one state winners, the
Ten Outstanding Young Wo-
men of America will be
chosen. The ten national
winners will then be hon-
ored at the annual awards
luncheon to be held this fall
in Washington, D.C.

Our Board of Advisors
and Editors salutes all those
honored as Outstanding
Young Women of America.
We take great pride in
bringing their accomplish-
ments to the attention of the
American public.

Two C-City Youngsters Attend Tennis Camp

Two Colorado City young-
sters, Tommy Aguilon and
Stephen Kimmel, are cur-
rently among more than 250
young tennis players partici-
pating in the sixth annual
West Texas Tennis Camp
this week (July 25-31) on the
campus of West Texas State
University.

The current camp is one of
three scheduled this sum-
mer on the Canyon campus.
The camp is under the
direction of WTSU tennis
coach David Kent and Ama-
rillo Town Club pro Roland
Ingram.

"We try to do two things
in the camp," Kent says.
"One, we try to improve
each individual's game, and
two, we try to have some
fun."

Assisting Kent and In-
gram are members of WTSU
1976 Missouri Valley Con-
ference championship team.
The Buffaloes won their
fourth straight league title
in the meet held on WTSU's

14 Laykold courts in May. It
was WT's fifth MVC cham-
pionship in six years on
competition.

In addition to the great
tennis facilities, campers
also have the use of the
university's \$4 million Stu-
dent Activities Center.

Claxton Lodge News

Jimmy Hardegree from
the 22nd and Austin Church
of Christ came to the lodge
library to preach for 13
residents Sunday morning.

Rev. Phillip Hilton from
the Assembly of God
brought a group of singers
with him to the lodge to sing
for the 13 residents and
three visitors who attended
the services.

JUNIOR HIGH CAMPERS at Camp Butman this week
are pictured here as they loaded up for the trip to the
camp, located south of Merkel. From left they are Chad
Gardner, Katie Kidd and Jimmy Harris. They are all
members of St. Luke's Methodist Church in Colorado
City and will be at the camp from Monday through
Friday.

Couple Announces Adoption Of Baby

Mr. and Mrs. Russell Houmes of Amarillo announce the adoption of a baby boy born May 30,

whom they have named Russell Randolph. Paternal grandparents are Mr. and Mrs. Barzile Parker of Denver City and paternal great grandparents are Mr. and Mrs. Jeff Parker of Loraine.

LAKE COLORADO CITY

Some Fish Worth Money

COOPER'S COVE - Black bass are biting really well after the rains. Mr. Byrd weighed his bass in at 6 1/4 lbs. and Mike Stephens caught a 4 lb. 9 oz. bass. Cecil Jordan hooked a 2 lb. 5 oz. black bass and L. W. Pinkerton took three at 2 lbs. 9 1/2 ozs., 2 lbs. 5 oz., and 1 lb. 5 ozs. Mike Buckner caught a 1 lb. 9 oz. black bass.

Crappie reported are mostly pan-size and channel cat up to 2 1/2 lbs. are biting well. Carp fishing is picking up for the carp fishermen with reports of 10 lb. carp caught.

Trotline fishing is slow. STATE PARK - Reports are that the catfish are biting well.

BOJO'S - Cluyce Scarberry caught a 4 lb. 5 1/2 oz. black bass; a 1 lb. 13 1/2 oz. black bass and 1 lb. 7 oz. black bass on green worms.

Also using the same bait, Sherman Chandler caught six big bass weighing in at 4 lbs., 3 lbs., 1 oz., 3 lbs., 7 oz., 1 lb. 11 ozs., 1 lb. 9 1/2 ozs. and 1 lb. 6 ozs.

Catfish are biting well on shrimp or liver although they are mostly pan-size.

LAKEVIEW CAMP - Crappie up to 1 1/4 lbs. have been caught out of the fisherman and black bass averaging 3 lbs. were hooked this week. Channel catfish is picking up with catches up to 2 1/2 lbs. Mr. Bagwell is fishing in this area and is having pretty good luck with the channel cat.

LOUIE'S LAKESIDE LODGE - One report turned in at the lodge noted five black bass caught, weighing between 3 and 5 lbs. each. Small crappie and pan-size channel catfish are also being caught.

LAKE CHAMPION

FISHER PARK - Jack Wallace, James and Shirley Smith of Big Spring caught a 19 lb. yellow catfish on their trotline, using, surprisingly, bass minnows.

Mr. Bassburg and companion from Midland caught 30 crappie, 1/2 lb. to 3/4 lbs.; 14 channel catfish, 1-1 1/2 lbs.; and 6 carp which weighed 8 lbs. each.

Some tagged fish in the Gulf are worth \$25 to the fishermen who turn them into the National Marine Fishery Service or the Parks and Wildlife Department, says Jim Stevens, P&WD coastal fisheries program director.

Some 250 sea trout, redfish and drum are being tagged each month along the Gulf Coast in a cooperative effort between the P&WD and NMFS. Every tagged fish that is reported is worth from \$1 to \$25.

Less than five per cent of these tags are being reported. Only \$547 has been issued in rewards. The tag is a blue or green propeller-shaped crosspiece inside the fish's abdominal cavity with two inches of round yellow plastic protruding from the body. The tags do not affect the eating quality of the fish.

Some fishermen have thrown away such fish thinking the tag was a yellow worm.

The P&WD has another research program that involves fish tagging and fishermen. But, funds are not available as rewards for information.

Some 6,000 redfish artificially spawned at the NMFS laboratory were raised to six or seven inches at the Parks and Wildlife Department's Palacios Research Station, then tagged in the upper jaw with numbered tags and released on the north shore of West Matagorda Bay.

Two of these fish were caught on hook-and-line in the Palacios turning basin 13 days after being released. This represents a seven-mile migration from the release site. One other redfish was caught 25 days after release in a bati seine near the Port Lavaca Causeway, 28 miles from the release site.

Tag returns help biologists learn about growth rates, migration patterns, survival rates and fishing mortality.

Where there's smoke, there's fire. PROTECT HOME and FAMILY with the NORELCO SMOKEY SMOKE DETECTOR

Smoky saves precious time, lives, property!

- Loud shrill alarm penetrates even deepest sleep.
- Ionization principle senses smoke before it's visible to the naked eye.
- Battery operated with low cost easy to find 9-volt alkaline battery.
- Low battery alarm signal rings for 30 days.
- Operates on Ceiling or Wall.
