

World Day Of Prayer To Be Observed Friday

Church women of Littlefield will observe World Day of Prayer Friday morning with services conducted at 10 a.m. in the First Christian Church, 1305 Phelps Avenue.

This marks the 80th year for the observance of World Day of Prayer. One hundred twenty-five countries throughout the world have planned special services for this day. The program that will be used this year was prepared in Scotland.

Preceding the service a coffee will be held in the Friendship Room of the church with Mrs. Edwin Coffman in charge.

Lt. H.F. Harwell of the Salvation Army will speak on "You Are My Witness" and the Rev.

John W.G. Hill, pastor of First Presbyterian Church, will speak on "Power of Prayer."

Mrs. Jim Copeland, president, will conduct the business meeting of the organization. The program will be directed by Mrs. W.M. Davis, Mrs. Rhea Bradley will sing a solo accompanied by Mrs. Joe Embry at the piano.

Guests will be received by Mrs. Harmon Swink and registered by Mrs. Jim Lang.

Churches participating will be First Methodist Church Antioch Baptist Mission, First Presbyterian, St. Martin Lutheran, First Nazarene Church, Salvation Army, and First Christian. An invitation is extended to the public to attend the service.

Young Homemakers Hear Program On Wills

Don Avery was guest speaker Tuesday night for the meeting of the Whitharral Young Homemakers. He spoke on "Wills and Estate Planning", pointing out how to protect estates by planning wills.

Kay Herring, president, conducted the business meeting which followed. The club decided to look into possibilities of sponsoring a Brownie Troop at Whitharral. They also agreed to explore means of sending clothing for an orphanage in Viet Nam. Persons wishing to contribute clothing may call Lois Avery at 299-4395. Clothing should be checked to see that buttons are intact and torn places mended.

The Young Homemakers are still working on plans to furnish playground equipment for

the school.

Refreshments of cold drinks, spiced tea, coffee, cake and cookies were served by Johnnie Hood and Glenda White to Shirley Grant, Frances Hall, Sandra Thetford, Judy Thetford, Fredda Kristinek, Kay Herring, Lois Avery, Laquita Coursey, and guests, Don Avery, Donna, Bobby, and Jimmy Avery.

The next meeting will be March 8 at 7:30 p.m. in the Home-making Cottage. The program will be on communism.

W.N. Orrs Have New Granddaughter

Mrs. William N. Orr is in Grand Junction, Colo. visiting her son and family, Dr. and Mrs. Robert L. Orr. She was there for the arrival of a new granddaughter born February 16.

The infant weighed seven pounds, three ounces and has been named Sherri Ruth.

Dr. and Mrs. Orr also have a son, Reed Lee, who is 20 months old.

MRS. RONALD JENKINS

Miss Benton Weds Ronald James Jenkins

Miss Nyoka Lavern Benton, daughter of Mr. and Mrs. Mason Lee Benton Sr., 502 West 6th, and Ronald James Jenkins, son of Mr. and Mrs. Harry J. Jenkins, 921 West 7th Street, exchanged wedding vows Monday, February 14 at 7:30 p.m. in the Parkview Baptist Church. The pastor, Rev. Bill Penland, officiated.

Presented in marriage by her father the bride wore a street length dress of white lace over satin. Her shoulder length veil of silk illusion was attached to a small pillbox hat. She carried a bouquet of white carnations. Mrs. J.H. Parkman played traditional wedding music on the organ, including the song, "I Love You Truly".

Church decorations included arrangements of red roses and a large styrofoam heart outlined in red roses.

George Wayne Jenkins, brother of the bridegroom, was ring-bearer.

The mother of the bride wore a pink two-piece suit with matching hat and shoes. The groom's mother wore a blue wool suit with black accessories.

A reception in the fellowship hall of the church followed the

ceremony. The bride's table was laid with a white cloth decorated with red hearts. The centerpiece of red carnations and white roses, three-tiered wedding cake and crystal punch service completed the table decor. Miss Betty Jenkins, sister of the bridegroom, Miss Janice Benton and Miss Carol Benton, sisters of the bride, presided at the table.

Mr. and Mrs. Jenkins are at home at 810 East Morse Avenue. He is employed at B & C Pump Company.

PREPARED MEXICAN CASSEROLE - Mrs. Paul Larson is getting some assistance from her four-year-old son, Keith as she prepares one of the family's favorite recipes, Mexican Casserole. This recipe is easy to make and very tasty. Pat has numerous hobbies, name-

ly antiquing furniture, arranging flowers, making decorative things for the home and entertaining at backyard barbecues in the summer. Her husband is employed with the Soil Conservation Service here. They are active members of the First Methodist Church.

Mrs. Paul Larson Enjoys Number Of Handicrafts

Mrs. Paul Larson, 1302 West 14th Street, has not one, but quite a number of hobbies, so one might say her real hobby is collecting hobbies. She has some very useful and decorative items in her home to spare for her spare time. She has completely refinished two room suites, one in antique and the other in white. They are really very attractive. She says it is quite a bit of work but she loved doing it. She likes to make pictures using labeled glass, enjoys arranging flowers, entertaining informally and cooking. A family project completed last summer by Pat and her husband Paul was building a deck and improving the back yard. They laid bricks for the driveway sidewalks and landscaped the entire area. This is where they spent most of their spare time in the summer.

Pat assisted Paul in the color scheme for the flowers. Pat and Paul have lived in Littlefield for about four years. He is work unit conservationist with the Soil Conservation. He has a BS degree from Texas A & M in range management and has been with the Soil Conservation about eight years. The Larsons have one son Keith, who is four years old. Keith's main activities consist of watching television, playing soldiers with a neighbor and running the electric train he got for Christmas. The Larsons are members of the First Methodist Church, where both have held several offices. She is a member of the Hope WSCS Circle. He is a member of the Official Board and taught the Junior High Sunday School Class several years. He is also a member of the Masonic Lodge. Paul's favorite spare time activities include fishing, camping, gardening and spectator sports. When asked if she would share her favorite recipes with our readers, Pat kindly consented to give us her recipes for Mexican Casserole, Pecan Pie and Lemon Chess Pie. Pat's recipes follow:

PECAN PIE
2 eggs
1/2 cup sugar
2 tablespoons flour
1 cup white Karo
2 tablespoons butter
1/2 teaspoon vanilla
1/2 cup pecans
Place pecans in unbaked shell. Combine ingredients and pour over pecans. Bake in oven at very moderate temperature until set. Pie is done when knife inserted in center comes out clean.

LEMON CHESS PIE
3/4 cup milk
1/3 cup butter or margarine
2 tablespoons flour
2 tablespoons corn meal
3 eggs
juice of 1 lemon
1-1/2 cup sugar
1 teaspoon rind or 1/4 teaspoon lemon extract
Put butter in bowl. Add sugar. Mix. Add flour, meal and eggs, one at a time. Mix well. Add juice and rind or extract. Remove beaters before adding milk, extract or rind. Mix by hand. Bake in 9-inch unbaked pie shell 40 to 45 minutes at 375 degrees.

MEXICAN CASSEROLE
1 to 2 pounds ground meat
1 chopped onion
1 can cream of chicken soup
1/2 pound grated cheddar cheese
1 small can green chopped chilies
1 package tortillas.
Brown meat and onions, add soup, cheese and chilies. Place half of the broken tortillas in casserole dish. Pour half of meat mixture over this and repeat. Bake 25 or 30 minutes at 400 degrees.

Baking hint: use your wide spatula to free pastry from board or pastry cloth when you are rolling out the dough.

Phillips-Breedlove Vows Read In Illinois

Miss Diane Phillips exchanged double ring wedding vows with Mr. Richard Wayne Breedlove, Hospitalman Apprentice, United States Navy, at 6 p.m. Friday, February 18.

Vows were read by Chaplain Paul F. Uhles, Great Lakes Naval Training Station, Waukegan, Ill.

Parents of the bride are Mr. and Mrs. Harold Phillips and the bridegroom is the son of Mr. and Mrs. John Breedlove, all of Littlefield.

Wearing a white all silk suit, the bride was presented in marriage by her father. Her mat-

ching hat held a small veil over the forehead. She wore a strand of pearls, a gift from the bridegroom. The bridal bouquet was a white orchid with arrangements of garnet rosebuds atop a white Bible. The reception was held in Waukegan, Ill.

Both the bride and bridegroom attended Texas Technological College and the bride also attended Oklahoma State University.

The couple will live in Waukegan, Ill. where he is stationed at the Great Lakes Naval Training Station.

FAREWELL RECEPTION - Mrs. James Collins, right, Girl Scout XIV Neighborhood chairman of Littlefield, is shown above serving refreshments to Miss Mary Anderson of Lubbock. Miss Anderson was the honoree at a reception in the Juliet Lowe Building Sunday afternoon. She is retiring as district

scout advisor after holding the job a number years. Also pictured are, left to right, Mrs. Zade Hooper of Anton, Mrs. Bill St. Clair, Muleshoe, Mrs. Meryle Massie, Friona, all neighborhood chairmen, and Mrs. Thomas James of Anton, district chairman.

Retiring Girl Scout Advisor Is Honored With Reception

A reception was given Miss Mary Anderson of Lubbock, District Girl Scout Advisor, Sunday afternoon here in the Juliet Lowe Building. Approximately 40 persons registered. Miss Anderson (Skeet) is retiring as District Advisor to

move to Rocky River Camp near Wimberley, where she will be a camp director of a private girl's camp.

The serving table was laid with a white damask cloth. The centerpiece featured a tree that depicted activities at the girl's camp—hiking, worship, dramatics, riding, camping, singing, riflery, archery, tennis, baton twirling, etc. Refreshments of coffee, lime punch, nuts and mints were served.

Miss Anderson has been camp director of Camp Rio Blanco, a Girl Scout Camp, since 1955, and at the same time has served as district advisor of two districts. She is a graduate of Texas Tech with a degree in elementary education. She taught school one year and did graduate work in education and psychology at Tech. She was communications officer in the U.S. Navy from 1952-54 and is an active commander and officer of security division in the U.S. Naval Reserve.

A number of gifts were presented to Miss Anderson by those attending from this district. Miss Anderson's successor has not been named.

ST. MARTIN LUTHERAN
Last Tuesday at 7:30, the Men of the Church of St. Martin Lutheran enjoyed an informal get-together. "To View The Land," a color film of a 1965 tour of the Holy Land was shown. Kenneth Cary and Ben Brand served refreshments while the men played dominoes, ping pong, etc.

Miss Brenda Harper of Sudan was among visitors Sunday at St. Martin Lutheran Church. Pastor Engel held devotions at the Hospitality House Sunday afternoon. A congregational meeting was held after regular church service Sunday in which a delegate to the District Convention in Houston of the American Lutheran Church was discussed. Further applications are being accepted by the Church Council. Also on the agenda at the meeting was the discussion of a work-day to take care of all that needs to be done around the church.

St. Martin Lutheran, "The Growing Church", accepted into membership by letter of transfer last Sunday three

new members. They were Mrs. John Roberts, formerly of Haskell, and Mr. and Mrs. Bruce Balfour, from Dallas. St. Martin has witnessed very rapid growth since Pastor Engel's arrival last year.

Members of St. Martin Lutheran Church have a special remembrance of Lenten Season this year. On view in the sanctuary just below the chancel is an eight-foot cross. This cross is not recognized for its contemporary physical beauty, but for its meaningfulness. Made of dead, old, warped wood, the cross is notched, nailed, and tied with old rope. The cross is set 2 1/2 feet off the floor on a built-up base depicting a hill, and it should serve as a reminder of all of the suffering, death and resurrection of our Lord, which gives the cross its own special beauty.

EMMANUEL LUTHERAN
Assisting Rev. Wm. Remmert in conducting the Sunday afternoon services in the Knight's Rest Home were: Miss Mary Hobratsch, Ralph Hobratsch, Mr. and Mrs. E.C. Hill, and W.R. Hill; Mr. and Mrs. E.J. Brandt; Mrs. James Stems and Mrs. Wm. H. Remmert.

Miss Mary Hobratsch served as pianist for the group.

as they sang a number of hymns, particularly requested by a few members residing in the Knights Rest Home.

Mr. and Mrs. Edwin Bell attended the adult membership class Sunday evening on "Basic Biblical Truths". Those serving the group during the lecture hour were Mr. and Mrs. Ernest Lorenz from Anton.

Guests visiting Sunday morning in the service at Emmanuel Lutheran Church were Mr. and Mrs. G. Lueck from Hamilton, Wednesday at 7:30 p.m. Pastor Remmber conducted his first Lenten service in this season. His Lenten message for Ash Wednesday was "Greatness Through Service".

After the services Wednesday night the choir rehearsed for its selection to be given at future Lenten services and during Holy Week.

AMHERST BAPTIST
The Lottie Moon Circle of the Baptist W.M.U. met at the church Monday afternoon for Bible study. The study was from Romans 14, 15 and 16. The subject was "Righteousness Manifested in Daily Life." Those attending were Mmes. W.M. Tomes, A. Tomes, G.C. Bearden, Floyd Rowell, B.O. Shaver, Mary Camp, Ed Schovajsa, Carrie Thomas, U.E. Thompson and B.H. Boatman.

Littlefield Boys To Receive Basic Training At AAFB

Two Littlefield boys were among the first 10 Air Force recruits to arrive at Amarillo Air Force Base Monday as the base received its first basic trainees.

The two boys, Lee Simmons and Dwight Allen enlisted for year tours in the Air Force last week and left Littlefield by bus for Amarillo Sunday evening.

Simmons, the son of Mr. and Mrs. Freddie Zeissel, Littlefield is married to the former Robbie Trotter, Littlefield. He attended Littlefield High School and was employed at Furr's Super Market prior to his enlistment.

Allen, son of Mr. and Mrs. A.A. Allen, Littlefield is a 1962 graduate of Littlefield High School and prior to his joining the Air Force was employed with the other DAR Good Citizens of the area high schools at a luncheon March 9 in Plainview. Two of the area-wide winners will then be named as district winners. They will be selected by merit according to their church, community and scholastic participation and qualification of dependability, service, leadership and patriotism.

Miss Price is active in school activities and church work. Her mother is the former Willa Mae Stacy, a graduate of Anton High School.

District 13 of the American GI Forum will have its regular meeting Feb. 20 at the Lamb County Community Center from 2:00 till 6:00 p.m.

Mr. Ralph Casarez, State Vice-President, and other officers will be here. There is a good possibility that Hector P. Garcia, from Corpus Christi, Texas, founder of the American GI Forum will be here for the meeting also. Everyone is invited.

Boone Named CLASP Chairman

The University of Texas Development Board has announced that Pat H. Boone, Jr. has been appointed as University of Texas CLASP chairman of Littlefield.

CLASP (College Loyalty and Alumni Support Program) is a cooperative effort by alumni of Texas colleges and universities—private, denominational, and public—joining hands to strengthen higher education in Texas and at the same time provide financial assistance to help upgrade various programs of the alma maters.

March 7 through April 7 he been designated by Governor John Connally as CLASP March in Texas. During this period, CLASP Volunteers of participating colleges and universities will contact fellow alumni in many cities throughout the state. Alumni of the University of Texas have organized for participation in CLASP in 85 Texas cities.

Former Governor Price Daniel is the state-wide Chairman for Texas CLASP 1966.

CHEVY PICKUPS RIDE SMOOTHLY

... A BIG REASON WHY THEY'RE LIKED BEST!

Smooth ride is one big reason why Chevy is America's most popular pickup. You get true independent front suspension; front wheels that step lightly over bumps. And most models provide big coil springs at all four wheels to soak up the jolts. You get a ride that's ideal for camper duty as well as work... a tough suspension proved over the past 5 years on rugged jobs. Try a smooth-riding 1966 pickup at your Chevrolet dealer's.

Safety Responsibility Act Subjects Persons To Fines

The Texas Department of Public Safety said a new amendment to the Safety Responsibility Act clearly states that a person who willfully refuses to surrender within 10 days licenses suspended under the Act is subject to criminal charges carrying a penalty of up to a \$200 fine.

Col. Homer Garrison Jr., DPS Director, explained that the amendment, effective January 1, 1966, was enacted by the last Legislature after an Attorney General's opinion held the "surrender provision" of the Act unconstitutional because it required the suspended licensee to surrender his licenses "immediately." The opinion held this wording was too indefinite.

Garrison said that with the new amendment now in effect, the following action is taken when a person becomes involved in an accident coming under the provisions of the Safety Responsibility Act and does not report liability insurance coverage:

1. An original notice is sent by first class mail requesting the person to deposit security or otherwise comply with the law.
2. After a period of some four weeks, if he has not complied, an order of suspension and demand for surrender of his driver's license and vehicle registration plates is sent by first class mail.
3. After a reasonable period of time, if the suspended items have not been surrendered, an order is sent out to file criminal charges against him. to ob-

tain a warrant for his arrest, and to secure possession of the suspended licenses.

The DPS Director explained further that basically, the Safety Responsibility Act is designed to encourage motorists to be financially able to cover any damage they might do to others.

Under the law, the Department is required to suspend the driver licenses and all motor vehicle registration plates of both the operator and owner of vehicles involved in an accident coming under the SR law, unless:

1. Evidence of liability insurance coverage in the minimum amounts of \$10,000 where one person was injured or killed, \$20,000 where more than one, and \$5,000 for property damage is reported to the Department of Public Safety.
2. A release signed by damaged or injured persons is filed with the Department of Public Safety.
3. A signed agreement to pay damages in installments is accepted by the damaged or injured persons, and filed with the Department.
4. The operator and owner are found to be not liable in a civil suit for damages by a court of competent jurisdiction, and a copy of such findings is filed with the Department.
5. The operator and owner deposit with the Department cash or bond security in an amount sufficient to cover any judgment or damages resulting from the accident that might be obtained by damaged or injured persons, which in no case shall be less than \$200. In addition, the operator and owner must file proof of financial responsibility for the future and maintain it for five years.

CHEVROLET IMPALA	119"	213.2"	283	\$58.45	\$7.35

BASIS OF COMPARISON—All models are two-door hardtops equipped with V-8 engine, automatic transmission, power steering, power brakes, radio and heater. Monthly payments have been computed on manufacturer's suggested retail price, 1/2 down and 36 monthly payments. Not included are the extras you pay for on practically any new car: whitewall tires, deluxe wheel covers, destination charges, state and local taxes, interest, insurance, and licensing fees.

The hard facts are all in the chart. You can practically pay the price of a Chrysler and get a lot less car all the way around. Or, you can come in and move up to the Chrysler class for far less money than most people suspect. Confidentially, which choice makes the most sense to you, a little car or a full-size Chrysler?

CHRYSLER'S 5-YEAR/50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY WITH THIS COVERAGE: Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, without charge for required parts and labor, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joint, rear axle and differential and rear wheel bearings of its 1966 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

 CITATION BY PUBLICATION
 THE STATE OF TEXAS
 To: LEON A. GREEN, whose place of residence is unknown, Defendant.

GREETINGS:
 You are hereby commanded to appear before the Honorable District Court, for the 154th Judicial District of Lamb County, Texas, to be held at the Court House of the said County, in the City of Littlefield, Texas, at or before 10:00 o'clock A.M. of the first Monday after the expiration of forty two (42) days from the date of issuance hereof; that is to say at or before 10:00 o'clock A.M. of Monday the 28th day of March, A.D., 1966, and answer the petition of Plaintiffs in Cause Number 5928, in which LEONARD GREEN, ELIZABETH STREET, W.D. STREET, and CHESTER A. GREEN are Plaintiffs and LEON A. GREEN, is Defendant, filed in said Court on the 8th day of February, A.D., 1966, and the nature of which suit is as follows:
 Being an action and prayer for judgment in favor of Plaintiffs and against Defendant for a partition of the following described lands and premises lying and being situated in Lamb County, Texas, to-wit:

FIVE (5) ACRES IN A SQUARE out of the NW corner of the following described thirty (30) acre tract:

BEGINNING in the N line of Labor 1, League 664, State Capitol Lands, Abner Taylor Original Grantee, at a point located 50 feet S 89 deg, 27' 30" E from the NW corner of said Labor;
 THENCE S O deg, 39' W along the E line of Highway No. 51, 71 feet to a point for corner;
 THENCE S O deg, 41' W along the said E line 700 feet;
 THENCE E 20 feet;
 THENCE S O deg, 41' W 372.1 feet;
 THENCE S 89 deg, 27' 30" E 1133.6 feet;
 THENCE N O deg, 37' 40" E 11,431.1 feet to N line of said Labor;
 THENCE N 89 deg, 27' 30" W 1152.5 feet to THE PLACE OF BEGINNING.

Plaintiffs allege that Defendant and Defendant are the joint owners of undivided interests in said land and desire a partition thereof, as is more fully shown in Plaintiffs' original petition on file in this suit; and Plaintiffs further pray for relief, general and special;
 All of which more fully appears from Plaintiffs' original petition on file in this office, and to which reference is here made for all intents and purposes;
 If this citation is not served within 90 days after date of its issuance, it shall be returned UNSERVED.
 WITNESSE, the undersigned, Clerk of the 154th District Court of Lamb County, Texas,
 Issued and given under my hand and the seal of said Court, at office in the City of Littlefield, Texas, this 8th day of February, A.D. 1966.

/s/ Ernest L. Owens

Mishaps Take Toll Of Youth
 Grim reminders of the hunting season when ten of the shooting fatalities were youngsters, came in outdoor recreational tragedies.
 Reports correlated by Texas Parks and Wildlife Department in its safety education routine show that:
 A 16-year old Beaumont was killed when a 16-year companion accidentally discharged a 20 gauge shotgun while they were hunting.
 An 11-year old Lubbock was seriously wounded by a 10-year old brother who accidentally discharged a rifle while they were hunting.
 A 17-year old San Antonio boy was wounded by a 22 gauge while hunting with another year old.
 An 18-year old Groves said he accidentally shot a 90-year old man while they were hunting rabbit but he was charged with murder after investigation.

LIVESTOCK SHOW RESERVE CHAMPS

RESERVE CHAMPION -- Charlotte Brigrance, 16, walked away with the Reserve Championship at the Lamb County Junior Livestock Show as her angus was judged best of the breed and was runner-up to a Hereford shown by Vicky Ray in the Grand Championship judging.

HEAVYWEIGHT CHAMPS - Jason Latimer, 16, showed the heavyweight winner in the Hereford and the Angus steer competition at the Lamb County Junior Livestock Show Saturday. Though both were beaten in the judging for best of breed, Jason can console himself with the fact that he showed better calves than any other boy in the show.

RESERVE LAMB CHAMPIONS -- The Lamb County Junior Livestock Show got underway and the lamb judging had been completed. The lambs shown above had been judged the reserve champions in their respective classes. (L-R) Stacy Carr, Littlefield and his Southdown lamb; Karen Lewis, Olton, with the reserve champion in the Crossbreed lamb division; Leland Deer, Springlake and the Fine Wool reserve champion and Marlana May, Olton, with her medium wool lamb reserve champion.

FINE RESERVE CHAMPION - The heavyweight pig is shown by Lonnie Dear Springlake. The pig was awarded the Reserve Grand Championship at the Lamb County Junior Livestock Show.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

While the Legislature in session on voter registration grabbed the headlines, far-reaching developments were afoot in the field of higher education last week.

Coordinating Board for Texas Colleges and Universities recommended a whopping increase of nearly \$160,000,000 in appropriations for its state institutions during the coming biennium.

That would bring the total 1967-68 spending level to \$429,100,000 for the tax-supported college-university system, including \$52,800,000 for public junior colleges.

Board also concluded that "primary responsibility" for doctoral degree programs should be restricted to four schools: The University of Texas, Texas A & M University, Texas Technological College and the University of Houston. Doctoral programs at other institutions will be terminated by Sept. 1, 1968.

Exceptions were allowed for North Texas State University and Texas Woman's University, Denton, which will be allowed to continue higher degree programs now under way, pending further study. Consideration will be given to Arlington State College's offering joint doctoral degrees in the Fort Worth-Dallas area with the two Denton institutions.

Law school training, said the Board, should in the future be limited to the University of Texas, University of Houston, and Texas Tech, and existing medical schools should continue under UT jurisdiction.

A preliminary report on the role and scope of junior colleges recommended that these institutions should provide a full two-year college transfer program at the freshman and sophomore level, plus technical, vocational, adult and continuing education programs.

Seven states schools were placed on a priority list to share \$7,097,742 in federal matching funds released through the U.S. Office of Education to be used for undergraduate building projects.

Funds will go to Stephen F. Austin State College, Sam Houston State College, Southwest Texas State College, Texas Technological University, Lamar State College of Technology, Southwestern Assemblies of God College and the University of Houston.

LEGISLATURE WARMS UP -- Some state lawmakers warmed up for bigger battles ahead during their February special session, while others said a fond farewell to the state capitol.

Plenty of familiar faces will be found in both houses in the regular session next year, despite effects of legislative redistricting.

Forty-nine incumbent representatives have no opponents in the Democratic primary. Incumbents are running against each other in four House races. There will be new faces in the House, too, for there are no incumbents running in 48 districts.

Fourteen incumbent senators face no Democratic opposition. Five sets of senators are paired off against each other, insuring a total of 19 oldtimers in the 31-member body next year.

GIL ALLOWABLE UP AGAIN -- Texas oil production for March may be at the highest level since May, 1959, due to an increase in the allowable for the sixth straight month.

Railroad Commission set the figure at 33.2 per cent of capacity. Market demand factor was highest granted since the percentage formula was adopted on Jan. 1, 1963.

Production ceiling for next month is 3,100,000 barrels daily. Commission set 32.7 per cent as production pattern for February.

TEACHERS SEEK ANOTHER RAISE -- Texas State Teachers Association plans to ask the next Legislature to bring the salary of teachers up to the national average.

That would mean a boost of about \$556 to reach the \$6,506 average mark. A \$553 hike last year cost \$101,000,000.

TSTA notes Texas teachers now rank 29th in the nation paywise.

Teachers' legislative goals for 1967 also include five days a year authorized sick leave and retirement system improvements.

ATTORNEY GENERALS SPEAKS -- Personal property, not exempt from forced sale, can be levied on, seized and sold by the tax collector for delinquent taxes, Atty. Gen. Waggoner Carr held in opinion requested by Bosque County Atty. Charles H. Bolton of Meridian.

In a variety of other opinions, Carr ruled that:

precinct where offenses were committed are unconstitutional.

*Fees allowed peace officers under code can be assessed persons convicted of misdemeanors only where prescribed duties actually have been performed.

*Residence property of Cameron Independent School District used by school superintendent and his family is not exempt from taxation.

*Interest on time deposits or short term investments of restricted funds may be expanded only for the stated purpose of the restricted funds.

*A school district may legally use available surpluses from operation of cafeterias to provide lunches for needy pupils on finding of board of trustees.

*State Department of Health must provide material necessary for tuberculosis examination of first and seventh grade children on request of local health officials but is not required to conduct TB examinations.

*State constitution prohibits payment of short-term cancellation premium for "errors and omissions" insurance policy on county clerks and deputies.

*Texas Board of Medical Examiners can pay travel expense of an out-of-state witness subpoenaed to testify.

*State Comptroller may require additional bonds to secure payment of motor fuel tax.

*Search warrant may be issued to search for venison obtained by killing deer out of season.

*Refund of contributions to fireman who ends service prior to retirement is not payable from emergency reserve fund before emergency are paid. Where fund is insufficient to meet all disbursements payable under Fireman's Pension Act, disbursements, including refunds, are to be proratably reduced.

ANTI-POVERTY PROJECTS APPROVED -- Four Community Action Program grants under the Economics Opportunity Act and one Volunteer in Service to America (VISTA) project won approval of Gov. John Connally.

Four CAP grants went to groups in Dallas, Brownsville, and Beaumont, and to the Alabama-Coushatta Reservation Tribal Council in Livingston. They totalled \$182,467.

VISTA project will be operated by Houston Council on Human Relations for 40 volunteers to work with public and private agencies in extension of services to low-income families.

NEW INSURANCE RATE HIKE DUE -- State Board of Insurance held public hearing one new rates in some areas for fire and allied line coverage. Effective date will be June 1.

Statewide averages indicate a 4.4 per cent increase in rates for fire, largely attributable to higher claims in 1964 and 1965.

Extended coverage experience on statewide average reflects a slight reduction -- .2 per cent.

Homeowners policy experience shows 2.7 per cent boost is likely.

Spokesman for an insurance group said during five years ending with 1964, insurance companies had an underwriting loss of more than \$191,000,000 on fire, extended coverage and homeowners business in Texas.

DRAFT QUOTA UP -- March induction quota of 1,570 is biggest for a single month in Texas since June, 1963, according to Col. Morris S. Schwartz, state selective service director.

February call was 1,372. More than 5,500 young men actually are scheduled to take pre-induction mental and physical exams during next month.

March quota will be filled with single and childless married men 19-25 years old.

TEXAS INCLUDED -- Texas Water Development Board has asked Congress to include this state in the proposed Federal study to use water from the Western Colorado River to meet the needs of 11 other Western states.

The regional plan would call for potential diversion of water to El Paso, West Texas and the South Plains area if Texas is included.

Resolution before Congress directs the Bureau of Reclamation to report within three years on the feasibility of diverting 8,500,000 acre-feet of water annually from the Columbia River's surplus into the Colorado basin.

SHORT SNORTS -- Sen. A.R. Schwartz of Galveston, re-elected Senate president pro-tempore for the special session, served as governor for a day Saturday (Feb. 19) during absence of Governor Connally and Lt. Gov. Preston Smith.

Texas traffic in December, 1965, was 25.5 per cent above December, 1963.

The jaws of a turtle are strong but toothless.

PREPARING FOR THE OPENER - The Wildcat track team will open their season Saturday as they compete in the Fort Stockton relays. Coach Hal Stanislaw will take eight boys to the meet including the three pictured above (L-R), Billy Wayne Henderson, Larry Schovassa and Manuel Davila each of whom will enter three events at the meet.

Tech Professor Prepares Plains Irrigation Report

A detailed look at the importance of irrigation to the Texas High Plains is contained in a report prepared for the Texas Water Development Board by Texas Tech Agricultural Economics Prof. Herbert W. Grubb.

The report, prepared to assist the TWDB in developing the Texas Water Plan, was presented at the recent West Texas Conference held at Tech.

Grubb reveals that total local High Plains irrigation benefits presently are estimated at \$444 million per year. The estimate is based on an annual irrigated acreage of five million acres and the assumption that irrigation benefits are consumed within the High Plains area.

"Of this total benefit," Grubb said, "approximately 22 per cent or \$100 million are direct returns to water. The remaining 78 per cent or \$344 million, are indirect benefits from irrigation."

Grubb explains that the total High Plains disposable income was reported at approximately \$1.8 Billion in 1964. "Based on the estimates of irrigation benefits, irrigation is responsible for approximately 25 per cent of High Plains income in the mid 1960's," he declared.

Commenting further, the report said "recent estimates made by a High Plains task force show that with present water supplies, maximum potential irrigated acreage in the 42 county High Plains area is 5.8 million acres. It is anticipated that this maximum will be reached around 1980 and that by the year 2000, irrigation from present water supplies will be 3.5 million acres or reduced to the level known around 1959.

"Unless efficiency increases offset irrigated acreage declines, primary benefits to High Plains irrigation will be around \$70 million as compared to present levels of approximately \$100 million. If other benefits are reduced proportionately to primary benefits, secondary benefits would be \$66 million as compared to present levels of \$91 million. Agricultural inputs tertiary benefits would be \$60 million as compared to present levels of \$85 million and consumption tertiary benefits would be \$121 million as compared to present levels of around \$168 million.

"These estimates," Grubb said, "represent an attempt to identify which groups and in what degree these groups benefit from High Plains irrigation. Since irrigation water supplies are exhaustible, many beneficiaries of irrigation will want to consider ways in which these benefits can be used to develop a more permanent water supply."

Prof. Grubb pointed out that "benefits, of course, can be enhanced on an annual basis and perhaps extended in time with improved efficiency in using present water supplies, although much is yet to be learned about reducing the amount of water required to produce the composite irrigated acre. As market conditions change, the composition of the composite irrigated acre will change.

"For example," he said, "if the new cotton program results in an across the board reduction in cotton acreage of 35 per cent, primary benefits to irrigation can be expected to decline by about \$1.40 per composite irrigated acre, for a total of \$7 million. But there would be a release for other uses of about .12 acre feet of water per composite irrigated acre."

Grain Sorghum Results Given

Results of grain sorghum performance tests grown at 14 locations in Texas have been released by Texas A&M University.

Medium-late hybrids generally had the highest yields, but in some areas, hybrids of medium maturity performed well, said D.T. Rosenow and T.E. Haddock, agronomists at A&M South Plains Research and Extension Center, Lubbock.

Grain sorghum production was estimated at an all-time high of over 285 million bushels in 1965--a 32 percent increase over 1964. A record 52 bushels per acre average in the state was produced.

The grain sorghum test results by land resource areas are:

Coastal Bend area; tests were grown in Bee and San Patricio Counties. Pioneer 820 and 826 topped the 2 year average, with RS 671 a close third, RS 622, Dekalb C-44b, NK 212, Gold Strike and T-E Grainmaster also performed well.

Rio Grande Plain and Southeast Texas Riverbottom; tests were grown at Uvalde and College Station. T-E 77 has the top 3-year average, with RS 671, Bonanza and Pioneer 846 also performing well.

Central and Southern Blackland; tests grown at Thrall, Temple, McGregor, and San Antonio. Top yielders in this area were NK 222, Horizon 61, RS 671, PAG 515, and Pioneer 846.

A&M agronomists remind that factors other than yield to be considered when selecting a hybrid grain sorghum for 1966 are resistance to head smut, resistance to lodging, and how rapidly the head dries.

Davis Announces For Re-Election

"In making this my official announcement, I want to first thank the good people of Lamb County for your wonderful support in electing me to the office of County Judge of Lamb County.

I well remember the oath that I took a little over three years ago, in which I said I would faithfully execute the duties of the office of County Judge. I have tried to show my appreciation to each and every person in Lamb County by striving to make you the kind of County Judge to which you are justly entitled. This office belongs to the people of Lamb County, and the man that holds this office should discharge the duties in a capable, efficient and business-like manner. I pledge to the voters of Lamb County that I will continue to represent all the people, and not just a few, should I be re-elected.

This is a very important office which entails many duties. The County Judge is a Trial Judge, both civil and criminal as well as Probate Judge. He probates Wills, appoints Executors, Guardians, Administrators, Appraisers of Estates, sets Bonds, and approves Inventories, Appraisements, lists of Claims, orders of Sale of Real Estate, etc.

The County Judge hears evidence on the following cases; Retardation, Tuberculosis, Mentally Ill, Crippled and Handicapped Children. He serves as Juvenile Judge for boys and girls under the ages of seventeen and eighteen, who violate the law.

He is Chairman of the Lamb County Commissioners' Court, which is the governing body of your county.

With my experience in this office and my acquaintance with the people of Lamb County, I feel that I am now better qualified to perform the duties of this office and make you a better judge the second term.

It is my desire to see each and every voter and citizen of Lamb County before the May 7th Primary, but with all the duties of County Judge, it will be difficult for me to campaign as I would like. However, please accept this announcement as a personal solicitation for your Vote and Support.

I will do my very best to serve you in such a way that you will never have reason to regret voting and re-electing J.B. Davis, Lamb County Judge, for a Second Term.

Ladies Night Held By Lions Club
