Russia, the socialist paradise, mean mouths the free enterprise system all over the world, but in spite of its propaganda the word occasionally comes through revealing that the country's economy is very much dependent on the relatively small percentage of production which is done the free enterprise way.

A recent edition of a Swedish newspaper tells that produce in the Soviet market comes not from the big government operated collective farms but from private lots which are allowed up to one acre for the use of the workers.

Some of the products from those acres travel thousands of miles, and usually find their way to the 8,000 private enterprise markets which sell vegetables, meat, eggs, honey, etc., of a higher quality than is available in the government stores. Furthermore many of those items are not available at all in government stores except during the good seasons.

Considered nation-wide, the small private plots represent less than 1 per cent of the country's total cultivated area but they provide the country with 27 per cent of its farm products in terms of market value.

Of course it's hardly necessary to add that food has to be scarce when its production is limited to such a small area. That's why the earnings of 1 1/2 day of labor are needed to buy 22 pounds of vegetables... also why Moscow people were paying just over \$5.00 a pound for fresh tomatoes and gherkins.

Inflation conscious Americans feel justified in complaining about the prices they pay for fresh vegetables, but their food bill is a small fraction of those in Moscow. For the sake of a brief, rough computation, the day and a half of labor over here, at the minimum wage, would buy near 70 pounds of tomatoes at the retail price.

By the free enterprise calculations that formerly applied, our present prices are out of line, and the reason is that we keep bringing more and more socialism into the American system. Deficit spending, the welfare program and outrageous taxes are methods of taking from some to give to others. A look at the two systems ought to remind us that we hurt ourselves when we copy the socialists.

An observer of the Russian way says "Socialism within itself is a total failure. Wherever Socialism exists it owes its success to that degree of freedom it has not yet destroyed."

A similar lesson for anyone who chooses to read is implied in the record of what this country has done for Russia in the past 60 years. It has developed oil fields, mechanized farms, computerized industry and defense, provided war equipment, prevented famine and extended credit for billions of dollars in loans that are still unpaid. American free enterprise put the Soviets where they are today. Nevertheless we keep supporting the system over there and keep worming the same mistakes into our system over here.

For instance, socialist teachers are still being imposed on the American public as qualified instructors in our schools. U S News and World Report relates that "It was a request from the White House itself, the way insiders tell it, that was responsible for the decision by the University of California to grant tenure to sociologist Harry Edwards, a controversial black activist. A preliminary action to deny Edwards tenure was cited by the Soviet Union as an example of lack of freedom in the U.S., and the White House was anxious not to give the Kremlin ammunition for the forthcoming Belgrade meeting on human rights."

What a laugh! On the other side of this issue we ask when a teacher of freedom was ever given the right to teach in Russia. An item not to be laughed at: Was the president out of line when he asked the U. of California to violate its own conviction and the nation's tradition just to please a sworn enemy?

In case you did not notice, (Continued on Page 12)

New Era Begins At Nursing Home

A new era in the history of the local rest home arrived Thursday. Bright and early the Hillcrest Manor sign on West Highway 82 was replaced by a brand new sign reading St. Richard's Villa.

The change reflects a change of ownership and administration which became effective at the same time. Succeeding the former owner-operator, O. D. Garland, are W. D. Fuson as owner and Mrs. Dick Cain as administratrix. A number of personnel changes have also been made.

In addition there will be changes as soon as workers can be engaged for the job. There will be additions plus an over-all project of renovating, painting and decorating. An open house and dedication is planned after the work is finished.

Taking over the administration is a sort of homecoming for Mrs. Cain. Her late husband built the place and originated the business in 1964, with open house on October 1. After his death in 1967 she continued the business until Garland purchased it in 1970.

The original name, Golden Years Nursing Home was taken from the Golden Years Senior Citizens Club, which was started by Mrs. Cain and will be reactivated soon.

Nick Millers Have Yard of the Month

Mr. and Mrs. Nick Miller are winners of the September Yard of the Month Award, as announced by the Muenster Garden Club this week. The project recognizes attractive, well kept yards and gardens. Special mention was made of Nick and Adeline's varied and beautiful plantings in the large back yard.

Honor Student

Susan G. Moster is listed on the summer semester honor roll of Southwestern Oklahoma State University. To qualify for the honor a student must have a grade-point average of 3 or better and no grade below a C.

Hornets to Host Bridgeport Bulls In Season Opener

A tough season opener awaits Muenster's Hornets Friday night when they'll host the Bulls of Bridgeport at 8 p.m.

Foremost in the minds of MHS players as they shape up for the contest is the fact that they were the losers in last year's meeting and the foe is no less potent than before. Bridgeport is rated as a well balanced team of average weight and an offense combining good running and passing.

Also there's the fact that the team is in Class AA with a big enrollment supplying a good selection of talent and depth.

By the signs, the Bulls should be the favorites, but there are other factors to consider. The first is that the MHS team is composed mostly of veterans from last year's outfit that went to quarterfinal in the state race. The team has good size with a slight weight advantage in the line and a backfield that has looked good in scrimmages with the AA Nocoma Indians. The Hornets came out ahead in both of those practice events, and they did well especially on defense.

Also a factor is enthusiasm. In that the Hornets are strong, with a very positive intention to avenge their disappointment of '76.

Physical condition, however, is not quite as favorable. Bryan Sicking has rib bruises from last week's action and is on the doubtful list. All the others are okay.

Interest Evident In Golf Program

The following incomplete list was selected at random: (1) on Pecan Street between 4th and 5th at the former Joe Knabe house; (2) on south Main Street at the former Henry Stelzer house; (3) on Sixth Street, opposite Sacred Heart Church; (4) on third Street in the back yard of the Ruth Needham home; (5) at the corner of First and Hickory at the Alfons Pautler home; (6) on Sycamore Street at the Bonnie Hess home; (7) in the City Park as the road loops west.

The Garden Club will welcome phone calls telling about outstanding crape myrtles in rural landscaping.

Crape Myrtle Interest Booms

Newcomers and visitors in Muenster are expressing admiration for the lovely crape myrtle shrubs now in bloom in many yards, inspiring home town gardeners to rekindle their interest in a project almost forgotten.

A number of years ago, many homeowners planted crape myrtle in their own landscaping and a group of especially dedicated gardeners bought and planted several varieties in public areas. Varieties used included dwarf and standard, with colors ranging from white to pink, lavender and the old favorite, watermelon.

Many individual specimens remain and speculation as to age, variety and related history has intrigued newcomers and long-time local gardeners alike.

The Muenster Garden Club has offered to tabulate information regarding these specimens: the oldest, the largest, most blooms, most colorful, etc. Phone calls may be made to Holly Koch, 759-4444 with details of favorite crape myrtle shrubs. Pictures will be made of the outstanding specimens.

Earlier this month, as the special committee prepared to select the September Yard of the Month for the Garden Club, members made note of outstanding crape myrtle shrubs in bloom about town.

The following incomplete list was selected at random: (1) on Pecan Street between 4th and 5th at the former Joe Knabe house; (2) on south Main Street at the former Henry Stelzer house; (3) on Sixth Street, opposite Sacred Heart Church; (4) on third Street in the back yard of the Ruth Needham home; (5) at the corner of First and Hickory at the Alfons Pautler home; (6) on Sycamore Street at the Bonnie Hess home; (7) in the City Park as the road loops west.

Tiger Game With Era Has Potential Of Grid Classic

One of the most respected opponents on the Sacred Heart schedule is Era. At the same time Sacred Heart is taken very seriously by Era. So it comes natural to expect an epic contest when the two face each other in the season opener Thursday night at 8 p.m.

Coach Eddie Stock said this week that the experts favor Era, and with good reason. It's almost the same team that won the District 7-B title last year. While losing two players it gained in weight and experience. That should make it stronger than the former champ team and explains why it is rated by some in the top ten of the state.

According to local observers the Era fellows looked that good in their two practice scrimmages. They appeared to be in mid-season ability while rolling over S&S and Collinsville with little effort.

Nevertheless Coach Stock has visions of an upset. He recalls that his Tigers last year led in everything but the score, and they too are made up of veterans from last year's rugged team. He's convinced that the team again will be well matched and a win for his boys is definitely a possibility. Like last year, the breaks may be the deciding factor.

Pre season activity has been rather disappointing for the Tigers. One scrimmage was cancelled and they were not up to full strength for the other. Just the same the defense did fine and the offense showed potential. As Coach Stock sees it, they are ready.

Interest Evident In Golf Program

A golf association and a golf course both are definite possibilities for Muenster, according to developments at the meeting sponsored last Thursday by Muenster's Chamber of Commerce.

At that time Johnny Pagel, chamber president, handed the project over to a committee headed by Dan Hamric, and that is the present stage of progress.

However interest was more definite than action indicating that organizational steps can be expected soon. On the committee with Hamric are Johnny Pagel, Dr. Graham, Willie Walterscheid, Earl Fisher, R. N. Fette, Arthur Endres and Roy Monday. Their purpose is to list and contact prospective members and ask them to another meeting soon when a more complete outline of the program can be presented, after which organizational details like dues, election of officers and by laws can be considered. The first intention is to have the program understood as thoroughly as possible before trying to organize.

The idea in general is that acreage for the lake site will include land that will be covered only at the lake's high level stage. That would average only a few days a year leaving the land available the rest of the time for a golf course.

It is believed that space is sufficient for an 18 hole course but if not the intention is to arrange for a few more acres to be included with the original land purpose.

Another part of the program is to plan the course soon so that dirt moved from the reservoir site can be used to build up greens and tees. Substantial savings are anticipated by coordinating reservoir and golf course work, and early organization is recommended to be ready for the project when the lake project is ready.

Other considerations are the cost of the proposed course and method of financing and probable operation of the course.

Answers to those questions and more will be discussed at the next meeting. Meanwhile every person now playing the game and everyone considering it is urged to be at the next meeting, the date to be decided soon.

All's Ready for Big Community Picnic

Extensive preparations are complete for a super picnic to be sponsored Sunday by organizations of Sacred Heart Parish. It will be in the city park from 10 a.m. to midnight.

The number one purpose of the picnic committee, under chairmanship of Angelo Nasche, is to provide the occasion for a community get-together with an abundance of eats and drinks in the park's shade. There will be beer and the complete assortment of soft drinks plus snacks, sandwiches and a full meal.

Meanwhile there will be plenty of diversion, the first of which is a trap shoot 10 a.m. to noon at the Gun Club's place a mile southwest of town.

Games will be available for all ages and special events are planned for youngsters. Little ones will have a tricycle race on the park street at 2:30. Bigger kids will have a skate board contest on the tennis courts at 3:30. And the swimming pool will be open for the last time this year. Though officially shut down a week ago it has been available for special occasions, of

which this is one.

A special attraction at 8:30 is an auction featuring a big assortment of items that have outlasted their usefulness in one place and are now available for the use of others. Surprise items can be expected, also a lot of brand new things. Solicitation for the assortment has been under way for weeks.

The array of foods will be a gourmet's delight. There will be homemade cake, pies and ice cream, some of the cakes and pies to be given as prizes. Sandwiches of sausage and barbecue will be available through all of the event and a super supper from 5 to 8:30 featuring fried chicken, shrimp, German sausage, hot potato salad, corn on the cob and what not.

Tolbert's Texas Features Flusche

Frank X. Tolbert, the guy whose career is to chronicle bits of Texas history in the Dallas Morning News, was in Muenster last week, exposed principally to Harold Flusche at Hofbauer's. He seems to have overlooked the apostrophe and s in that name even though his article has a picture showing it.

Probable reason for the oversight was his interest in the banner below the name, advertising Muenster cheese.

Tolbert says that his favorite Muenster cheese is the smoked variety and explains that the process is the same as smoking sausage, and the product comes out with deep markings from the racks. His best compliment was not in print. Harold said he phoned later and ordered 20 pounds shipped to him... in addition to his local purchase.

Tolbert briefly mentions the "APO" cheese plant, producing about 3 million pounds a month, which is sold mostly to Kraft.

Also he recalls that Harold Flusche is a member of the family which founded Muenster in 1889. After starting German Catholic communities in Kansas and Iowa and naming them after the Westphalia of Germany, the Flusche brothers planned to give this community the same name. But they learned that another German Catholic Community in Falls county had beat them to the name. So they settled for Muenster, after the capital of Westphalia, Germany.

The item ends with a good word for Germanfest, "one of the most enjoyable and least commercial. At least that's my impression."

Bluebonnet Club Will Collect for Cystic Fibrosis

Of all the lung damaging diseases, cystic fibrosis is the worst, according to the Cystic Fibrosis Foundation. It causes mucus that clogs kid's lungs and airways. Naturally, normal breathing can become a big problem. The mucus can also interfere with normal digestion and cause lung infection.

The Cystic Fibrosis Foundation is seeking a cure to this cruel, inherited disease and asks nationwide support in its annual drive to raise funds for treatment and research.

Muenster's campaign sponsor, the Bluebonnet Home Demonstration Club, will accept donations for the cause on Sunday, September 11, following services at Sacred Heart Church and First Baptist Church.

The Peter Trieb family of Frankfurt, Germany spent last week visiting for several days in Houston with Mr. and Mrs. Frankie Cox and family and several days in Galveston as house guests of Mr. and Mrs. Frank Cox, Sr. On Monday evening the Bruno Fleitman entertained with a farewell dinner and Tuesday morning Jerry Fleitman took them to D-FW for their return flight to London, enroute to their home.

A clever person puts his problems away for a brainy day.

Angie Fisher Has Her Special Chair

The Bluebonnet Home Demonstration Club has just completed its number one project, which is providing a special chair for little Angie Fisher, 3, daughter of Mr. and Mrs. Clyde Fisher. Angie is receiving therapy at the Cooke County Child Development Center, hopefully to learn to talk and to use her helpless limbs.

Money raised by the club at the Germanfest plus the balance left in the Kristi

Bayer Fund at the center were combined to buy the chair for \$557. The chair is especially designed for Angie, with adjustments whereby it can be fitted to her growth for several years. Besides providing correct support when in regular use it can serve as a car seat and wheelchair. Now she can go places with her parents without being carried.

Presentation of the Bluebonnet Club's check was

made last week by Monica Hess, president, to Janice Cravens, director of the child development center. Pictured with them are little Angie in her new chair and Betty Rose Walterscheid, Germanfest booth chairman.

Mrs. Larry Yosten was a Sunday overnight guest in the home of a daughter and family, the Pat Klements. She returned to Sulphur Springs Monday morning.

Forestburg News

By
Myrt
Denham

The Forestburg Homecoming was well attended this year, and those in our home community, and visitors seemed to thoroughly enjoy the day. A beautiful lunch was spread under the trees behind the Log Cabin. Cleo Lanier was Mistress of Ceremonies, Charles Edwards gave the welcome address, Benson Minor of Ft. Worth gave the response, Howard Sledge gave the invocation. One group got together for a photograph, it was The Forestburg Basketball Team of 1960, composed of: Casey Jones, Hershel Knox, Clifford Hudspeth, Alzie Parichill, James Thurman and Arthur Tinney. The Homecoming will be at the same place on the second Sunday in August next year. We invite everyone from our own community, and those who have moved away, to come and share in this day of remembering, and re-newing old friendships.

Mrs. Cleo Lanier and four grandsons, Charles, Johnny, Jeff and Tracy Lanier left for a vacation in Colorado, Monday, August 15 and they returned home on Friday, Aug. 19. They stayed at the Lanier's Camp near South Fork and traveled each day to outlying points of interest and scenic beauty. They visited the mining town of Crede, went trout fishing, and enjoyed the great beauty of the trees, mountains and lakes of Colorado.

Mr. and Mrs. Woodrow Sirman and Mrs. Decie Elzey motored to De Quincey, La., to visit Mr. and Mrs. Dick Elzey on Sat. Aug. 20. They also visited Mr. and Mrs. Luther Goyne and son and Mrs. Ray Elzey and family in De Quincey. The Sirmans and Decie returned home Monday, Aug. 22.

Mr. and Mrs. Sam Wright and Cheryl of Temple were guests of Mrs. Decie Elzey Monday and Tuesday (Aug. 22 & 23). On the 23 and 24 Decie's son and wife Mr. and Mrs. Jerry Elzey of Carlsbad, New Mexico, were her guests.

Mr. and Mrs. Mark Landers have moved to the Pleasant Haven Home in Nocona as of Aug. 23. Let us remember these two with our cards and visitations.

Mr. and Mrs. Randy Bird of Bridgeport visited in the

Jack C. Dill home and the Ted Jackson home Sat., Aug. 20. Mrs. Bird is the former Janice Jackson of Decatur — the Ted Jackson's granddaughter.

Mr. and Mrs. Albert Currutt and Mrs. Etta Langford of Clovis, New Mexico and Rachel Reynolds of Bowie were houseguests of Myrtle McMillion from Aug. 18 to Aug. 21.

Mrs. Beth Petrick of Pasadena, Texas, spent several days recently visiting with Mr. and Mrs. Jim Barnett.

Mr. and Mrs. Curtis Garrett of Bowie and Mr. and Mrs. Gary Bell and family of Wichita Falls spent Sunday, Aug. 21, visiting in the Linnie Bell home.

The Holbrook Place close to the Elmer Brewers has new owners. They are from Boyd and are fixing to build a home there.

Here is a thought: Russia had to build a fence to keep its people from leaving and it seems the U.S.A. may have to build one to keep people out.

Mrs. Cleo Lanier entertained the neighborhood children with a weiner roast at her home Thursday p.m., Aug. 25. Guests were: Robby Covington, Pam Veronica and Doug Edwards, Janice Lanier Tracy and Jeff Lanier, Mmes. Mabel Covington and Olita Lanier.

Mr. and Mrs. Boyd L. Barnett have moved from the Dewey community to near Alford. They made their departure the week of Aug. 22.

Mr. and Mrs. A. B. McMillion visited their daughter and family — Mr. and Mrs. J. D. Thompkins of Amarillo the weekend of Aug. 13. Then they went on to Colorado for a short vacation.

Would like to add here that A. B.'s twin brother E. B. of Bowie is still a patient in the Bethania Hospital in Wichita Falls.

Mrs. Margaret O'Brien and sons of Wichita Falls, Mrs. Linda Hudspeth, Chad and Mabelle and Mrs. Merle Hudspeth took in Six Flags on Thurs., Aug. 18.

Cleo Lanier sends word that Joy Thompson of Mineral Wells visited with her on Mon., Aug. 22.

Mrs. Gladys Barclay visited her son and family the Billy Barclays of Saint Jo Sunday, Aug. 28. Granddaughter Jennifer returned home with her for a few days visit.

Mrs. Vera Mae McGee visited with her children and grandchildren in Wichita Falls from Sun., Aug. 21 to Wed., Aug. 24.

Bluebonnet Club To Collect for CF

A program on Aerobic Dancing was given by Theresa Walterscheid for the August meeting of the Bluebonnet Home Demonstration Club. Ten members and eight guests were invited to participate in the dance routines.

It was announced that Monica Hess was chosen as council chairman to attend the state convention in Galveston, September 20-22. Details of Cooke County Fair participation were discussed and two club members were assigned to work at the Women's Building on Tuesday night, 7-9 p.m.

Members agreed to accept donations for the Cystic Fibrosis Foundation through Church door collections on Sunday, September 11.

Jo Ann Pagel was hostess for the August meeting in the Cooke County Electric Co. Building.

Sharon Walterscheid will be hostess for the September meeting in her home, when members will plan the '78 yearbook.

Classes Offered In Aerobic Dance

Two classes in aerobic dancing will be available this fall to people of this area. One will be in Muenster beginning September 13 and tentatively scheduled Tuesday and Thursday, 1 to 2 p.m., the other at Cooke County College.

The aerobic dance program, originated by Jackie Sorensen, provides simple, vigorous activities for non-dancers, taking the place of jogging. It tones body muscles and strengthens the heart and lungs. Dances are choreographed to popular music and the emphasis is on fitness and fun. The program is international with more than 20,000 women participating. The 12-week course costs \$24. Theresa Walterscheid, 759-2843, may be contacted for registration or information.

German Visitor Honored at Party

Daniela Trieb, daughter of Mr. and Mrs. Peter Trieb of Frankfurt, Germany, celebrated her 12th birthday in Texas with a day-long event hosted by Mr. and Mrs. Tony Felderhoff.

The celebration began with a dinner at noon when Mrs. Alvin Hartman assisted her mother in preparing and serving the meal to the honoree her parents and her brother, Heiko; also to other guests attending, Mr. and Mrs. Charles Felderhoff and children Chad, Larry and Cecilia of Dallas; Mr. and Mrs. A. J. Felderhoff and children of Gainesville; Mr. and Mrs. Joe Felderhoff and daughters; Mr. and Mrs. Sylvan Walterscheid and family; Mr. and Mrs. Alvin Hartman and children.

The room was decorated in a party atmosphere. A large doll cake was the table centerpiece. There were gifts for the honoree; group pictures were made and everyone joined in the birthday song for Daniela. Heiko offered the meal prayer in German. A special treat for the adults was following a traditional German custom of serving a certain variety of wine to the men and a different variety to the women. The wine was a gift from the Peter Trieb family.

In the afternoon Daniela and cousins enjoyed horseback riding, her favorite pastime during her Texas visit. A "first time ever" for the honoree was a slumber party Sunday evening in the Tony Felderhoff home. Their granddaughters Christy, Jenny, Anne and Rose Felderhoff of Muenster, Judi Felderhoff of Gainesville and their niece Susie Felderhoff of Muenster were overnight guests of Daniela.

The day was also a farewell to the Trieb family since they began their return to Frankfurt, Germany on Tuesday, after a month's vacation in the U.S.

Local Winners in Exhibits Named at Cooke County Fair

The women's and girls division of the Cooke County Fair boasted its largest exhibit ever in this year's show.

One reason for the larger exhibit was the addition of an arts and crafts department, and another reason was an increase of entries in canned foods, textiles and clothing. A delightful sight awaited all who visited the Home Demonstration Building during the fair.

This community's participants in the 4-H and youth division and the ribbons they won are: Charles Hess, 2 red; Kevin Hess, 1 blue; Denise Sicking, 2 blue; Debbie Zimmerman, 9 blue, 2 red; Shelly Zimmerman, 1 blue, 3 red.

Münster entries in Arts and Crafts, Canned Foods, Textiles and Clothing and the ribbons they won are as follows: Patsy Bayer, 6 blue, 4 red, 2 white; Mrs. Gene Hoenig, 1 red; Faye Hamric, 1 blue, 1 white; Monica Hess, 4 blue, 2 red; Janis Hesse, 3 blue; Mrs. Joe Hess, 3 blue, 2 red, 2 white; Mrs. Bill Lutkenhaus, 10 blue, 1 red, 3 white; Carolyn Lutkenhaus, 12 blue, 2 red; Judy McDaniel, 1 blue, 1 red, 1 white.

Sandy Reiter, 5 blue, 4 red; Polly Reiter, 6 blue, 1 red; Mrs.

Wilfred Sicking, 18 blue, 11 red, 1 white; Betty Rose Walterscheid, 8 blue, 4 red, 1 white; Imogene Zimmerman 10 blue, 3 red, 3 white.

Münster participated in the bake show and the ribbons they won are: Patsy Bayer, 2 blue, 2 red; Mrs. Joe Hess, 2 blue, 2 red; Monica Hess, 2 blue; Carolyn Lutkenhaus, 4 blue, 1 red; Mrs. Wilfred Sicking, 3 blue, 2 red; Betty Rose Walterscheid, 6 blue, 2 red.

Marcia Schmitz of Texas Power & Light Co. and Tula Hickerson of Cooke County Electric Co-op judged the baked foods.

Guests of Mr. and Mrs. J. M. Weinzapfel Tuesday were their son, Father Joseph Weinzapfel accompanied by Mr. and Mrs. Jerome Schenk of Grand Prairie. The Schenks are formerly of Evansville, Indiana, where Mr. Weinzapfel's parents lived as children. They all attended the SNAP luncheon together.

Danny Fette of Fort Sill, Oklahoma, spent Saturday and Sunday here with his parents, the R. N. Fettes and Bernie.

Forestburg News

By Myrt Denham

Mr. and Mrs. W. A. Mitchell and son Scott of Florence, Alabama, visited with Mr. and Mrs. Jim Barnett Thursday, Aug. 13.

To set records straight my birthday was Monday, August 22. I was born on a farm in Guadalupe County within "spitten" distance of the Guadalupe River. So I grew up in the county and in New Braunfels. This past birthday was spent in Midland, Texas, where Perryman and I motored to on Friday, Aug. 19, and returned home Tuesday the 23. We were guests of Mr. and Mrs. A. V. Selby.

Mr. and Mrs. K. J. (Wassie) Reynolds and Wesley vacationed in the Houston and Galveston area the week of August 15.

Betty Reynolds, Juanita Bailey and grand-daughter Cindy, Cleo Lanier and Velma Freeman attended the County meeting of all Home Demonstration Clubs in the Community Room of the First National Bank of Bowie on Tuesday, Aug. 23. It was an all day meeting with lunch at noon and different county officials attended.

Keith Dill, young son of Mr. and Mrs. Charles Dill celebrated his 2nd birthday Monday, Aug. 29. His parents honored him with a small family gathering on Sunday the 28. Cake and ice cream were enjoyed by: Mr. and Mrs. J. W. White and Rick, Mr. and Mrs. Ted Jackson, Mrs. Jewell Dill, Vatonni Dill, Carla Hoover, and Christi Shults.

Mr. and Mrs. Clifford Huds-peth and Paula attended the Berry family reunion at the Ross Point Community Center, Sun., Aug. 28. Many generations were present. Some folks from California, Nebraska and from all over the state of Texas were present.

Word was received in Forestburg Sunday, (August 28, that Pete Landers of El Paso had passed away early that morning at his home. Funeral services and burial will be held Thursday, Sept. 1, in El Paso. Mr. Landers is survived by his wife "Teet" (as we all know her), a daughter who also lives in El Paso with her family. Mr. Landers is the brother of Robert Landers, Mrs. Bill (Lena) Forrester of Forestburg and the brother-in-law of Mrs. Billie Paynor of the Burg and Mrs. Bess Orrell of Hillcrest Manor, Münster.

Charles Carroll, a Maryland representative to the Continental Congress, was the last surviving signer of the Declaration of Independence when he died in 1832 at the age of 95.

Never mind the business outlook. Just be on the lookout for business.

Football Season Begins for Juniors

Suddenly the football season is upon the community again in its full intensity. Junior varsity at Münster High will have its first action a day before the varsity starts, and elementary kids at Sacred Heart will start next Tuesday.

Two public school teams will go to Bridgeport Thursday. Junior High will have a scrimmage after which Junior Varsity will have a game with the Bridgeport JVs. The Little Monsters, after only a few days of practice will be green but the Little Hornets should be ready after matching the big boys hour for hour in practice since the first workout.

The Tiger Cubs will play at Era Tuesday at 6:30. Anticipating this early start they were out for practice early and are ready to go.

The Cubs have an eight game schedule but Sacred Heart JVs will have only five, and the first game is on September 22.

The public school's two junior teams have double

headers scheduled for nine games plus junior high only with Saint Jo, which has no JV team.

The transcontinental railroad was completed in 1869, joining the Union Pacific and the Central Pacific Railroads. A golden spike was driven at Promontory, Utah, on May 10, 1869.

New Building at NTSU Named for Carroll Sulivant

When Carroll Sulivant and J. C. Matthews shared a table in chemistry class at North Texas State Normal College back in 1925, they never dreamed that one day they would be honored by that same school, now North Texas State University, with buildings named in their honor.

The Sulivant Visitor Center and Matthews Hall were formally dedicated in outdoor ceremonies on campus Friday (Aug. 26) with tribute paid to the former science lab partners, one now the senior member of the NTSU Board of Regents, the other president emeritus of the university.

NTSU's Board of Regents voted last January to name the new visitor center, then being built on a knoll overlooking Interstate Highway 35E on the south side of the Denton campus, for their colleague from Gainesville, who has the longest tenure on the board of any of its nine members.

At the same regents' meet-

ing, the group also unanimously voted to change the name of the Education-Home Economics Building to Matthews Hall, honoring the man who had served as president of the university from 1951-68 and is now president emeritus.

Sulivant, who went from a law degree to the Texas Legislature, Cooke County judge and county and district attorney, has been an NTSU regent since 1961.

Dr. Matthews was the NTSU's first dean of the College of Education and first vice president, as well as the only one of NTSU's 10 presidents to hold a degree from the university.

Thieves Break Into J. C. Trachta's Store

Cash in the amount of about \$100 plus an undetermined quantity of watches and cigarettes were stolen Saturday night in a burglary of J. C. Trachta's Palace Drug.

Trachta said the break-in man, or men, forced the lock on the front door and stole some \$50 from the cash drawer and approximately the same amount from a show case, on which a lock was broken. He was not certain about the number of watches and cigarette cartons.

2-Ring Nuptial at Sulphur Springs Unites John Bartush, Lanie Yosten

The celebration of the Nuptial Mass uniting Miss Lanie Yosten and John S. Bartush was solemnized on August 6 in St. James Church, Sulphur Springs, Texas. The bride is the daughter of Mrs. Larry Yosten of Route 5, Sulphur Springs and the late Mr. Yosten, former residents of Muenster. Parents of the bridegroom are Mr. and Mrs. Charles F. Bartush of Muenster.

Con-celebrants of the Mass and presiding at the rite of marriage were Father John Coury, cousin of the groom from Detroit, Michigan and Father Raymond Orlett, pastor of St. James.

The bride wore a poly sheer gown designed with Carina bodice and neckline, over a sheer illusion yoke; long, full sleeves and a semi-cathedral train appliqued with bands of Venice lace florets. A medium length illusion veil was edged in lace and fell from a lace headpiece. Her bridal flowers were carried in a cluster bouquet of white daisies, stephanotis and baby's breath with blue and green streamers tied in lovers knots.

Attendants
The bridal attendants were her sisters, Miss Connie Yosten of Sulphur Springs as maid of honor, Miss Vivian Yosten of Dallas as bridesmaid and Ann Yosten of Sulphur Springs as flower girl. They were identically gowned in floor length, spring floral print crepe gowns of pastel blue and mint green. Each carried a cluster of white daisies and baby's breath.

Chuck Bartush of Muenster was best man for his brother and another brother, Bill Bartush of Stillwater, Oklahoma, was groomsman. Ushers were Kevin Pels, a friend of the couple and Joe Bartush, groom's brother, both of Muenster. All men in the

banners on the sanctuary walls, hand-crafted by Timothy Luce. Massed arrangements of white gladioli, daisy pom-pom mums and baby's breath in Grecian urns, were placed on fluted columns to form a setting for the rites.

Reception

Immediately following the ceremony, a reception was held in the parish hall of St. James. Miss Christy Yosten, bride's sister and Miss Barbie Hess presided at the guest registry, where the table was skirted in white brocade and held a birdcage arrangement of white daisies and baby's breath, accented with love birds and dainty bows.

Guests were served cocktails and a variety of attractively arranged foods from an hors d'oeuvres table.

A lacy wedding arch formed the background for the bride's table. Light blue bows and love birds in swirls of smilax highlighted the arch. The bride's table was covered with re-embroidered lace and caught at points with smilax and clusters of baby's breath. A blue and white arrangement of daisies in a silver bowl was the table centerpiece. The three tiered wedding cake was cut and served by Miss Lynda Klement of Sherman, Miss Karla Yosten of Denison and Miss Cindy Bartush, groom's sister of Muenster.

Many out-of-town relatives and friends attended the wedding. Special guests were the couple's grandmothers, Mrs. Agnes Yosten of Muenster and Mrs. Stephen J. Bartush of Bloomfield Hills, Michigan.

Following the wedding trip to New Mexico, Colorado and Arizona, the couple is at home in Denison.

Both are 1974 graduates of Sacred Heart High School. The bride is a graduate of Grayson County College and is employed at Texoma Medical Center in Denison. The groom is attending Southeastern State University of Durant, Oklahoma, where he will receive a degree in Environmental Biology.

Rehearsal Dinner

The groom's parents, Mr. and Mrs. Charles F. Bartush hosted the rehearsal dinner in the banquet room of the Ramada Inn on August 5. Toasts were made for the couple and a special toast recognized the 27th wedding anniversary of the hosts.

Showers

Two bridal showers honored the bride-elect. On July 14 Miss Mary Hofer, Mrs. Frank Hofer and Mrs. Loren Seely were hostesses in Sulphur Springs and on July 31 the groom's sisters Cindy and Cathy Bartush entertained with a miscellaneous shower in Muenster.

The U. S. Post Office Department approved the use of zip codes and two-letter state abbreviations in 1963.

Forestburg News-

The Forestburg United Methodist Women's Group (UMW) met in the home of "Yours Truly" Thursday p.m. Aug. 25. As the ladies arrived and came in they sang "Happy Birthday" to me and handed me some lovely gifts and cards. Our meeting was opened with a prayer by Mrs. Laura Belle Jackson followed by a devotional time presented by Mrs. Alice Shears. Following the program we enjoyed a social period plus refreshments. Present were: Mmes. Decie Ellzey, Lucille Littell, Vera Mae McGee, Esther Shears, Alice Shears, Laura Belle Jackson, and Betty Reynolds.

The Reynolds family reunion was held Sunday, Aug. 21 in the Community Room

of the First National Bank of Bowie. Attending from this area were: Mr. and Mrs. Bennett Reynolds, Mr. and Mrs. J. J. Reynolds, Mr. and Mrs. W. T. Reynolds, Mr. and Mrs. A. B. McMillon, Mr. and Mrs. Rodney Applegate, Mrs. Zelma Kimmons and Myrtle McMillon.

Electric bills higher?

For many thousands of TP&L customers, air conditioning is the biggest factor in electric bills during the summer and Texas is having one of the hottest summers in several years.

So, if your electric bills are higher, think about the extra work electricity has been doing to help keep you comfortable.

If your home is air-conditioned, you can hold down your electric bill by setting the thermostat on 78° or higher. Clean or replace filters every 30 days and keep draperies and blinds closed.

Local News BRIEFS

Mr. and Mrs. Ed Sturges (Rosalie Muller) of Eules have returned from a two week vacation in Hawaii, where they enjoyed a four day visit with their son Curt Richards, who is in the Army stationed at Schofield Barracks on Oahu. They visited by telephone with Mr. and Mrs. Alfred Walter of Honolulu. During their holiday and vacation, the Richards toured four islands. Oahu, Hawaii, Maui and Kauai. Mrs. Sturges is a former Munster resident, a daughter of Mr. and Mrs. Matt Muller.

Michael Gehrig Is Birthday Honoree

Michael Dean Gehrig was the honored one when his first birthday was observed Friday evening, August 26. His parents, Mr. and Mrs. Jim Gehrig entertained with a swimming party at the Munster pool. The guests moved to the Park Pavilion for refreshments after swimming. Home-made ice cream, soft drinks and a decorated cake, with a No. 1 numeral, were served. There were gifts for Michael and group pictures were made.

Special guests were the honoree's brothers Jason and Ryan. Also attending were their grandparents Mr. and Mrs. Herman Stoffels and Mrs. George Gehrig; also Mrs. Rex Simmons and Russell and Chad; Mr. and Mrs. Joe Dangelmayr and Kelly; Mr. and Mrs. Mike Kleiss and Michelle and Brian; and Connie, Craig Sally Stoffels.

Walterscheid Baptism

Jeffrey Robert Walterscheid was baptized Sunday afternoon, August 28, in Sacred Heart Church. He is the infant son of Mr. and Mrs. Giles Walterscheid. Father Placidus Eckart officiated for the 2:30 p.m. service.

Baptismal sponsors were an uncle and aunt, Mr. and Mrs. Robert F. Klement. Jeffrey Robert wore the same christening dress used by his sister, De Lana.

Following the church services, there was an informal family gathering at the home of the grandparents, Mr. and Mrs. Tony Klement. Attending the baptism with the parents and god parents were Jeffrey Robert's sisters and his cousins Connie and Brian Klement.

YOU CAN BANK ON IT!

Bankers, businessmen who loan money to other businessmen, often ask, "How much is your business worth?" What if the question were turned around and asked of bankers — "How much is the bank worth?" Well, the bottom line of our financial statement reveals a sound state of financial health. And a growing list of customers shows the bank is becoming worth more every day. But these answers simply tell what the bank is worth to shareholders. What is the bank worth to YOU? What is it worth to you to have an automatic receipt for every payment you make by check? That's what your cancelled check is — a receipt. Or what is it worth to you in convenience to send checks through the mail, avoiding the long lines and high cost of postal money orders? The story of the bank's worth is not fully told on the bottom line; there are human values as well . . . you can BANK on it!

Neighbors Gather For a Wolf Hunt

As in days of long ago, the community had a "wolf hunt" Sunday in an effort to liquidate some of the coyotes that have been preying on sheep and calves lately.

The hunt was not as rewarding as had been hoped. Only one of the varmints was bagged, however the participants were enthusiastic about the hunt and the picnic atmosphere. All are awaiting a convenient date for a repeat hunt. Norbert Walter-

scheid shot the wolf. The hunt included 29 men in two groups, one searching the timbers between Alfred Bayer's to Al Schmitt's, the other from W. J. Luke's to Leo Becker's. There were 3 women and three children sitting out the action in pickups.

Mrs. Jim Endres Is LVN Graduate

Mrs. Jim Endres (Shirley) was graduated from the Licensed Vocational Nursing program of Cooke County College on Saturday, August 20 at 6 p.m. in Whaley United Methodist Church. She was a member of a class of nine students and will take State Board Examinations in Austin on October 18. She is employed at Muenster Memorial Hospital.

Attending graduation services were her parents, Mr. and Mrs. Richard Swirczynski; also Messrs. and Mmes. Clifford Sicking, Earl Koelzer, John Monday, Donald Endres, Danny Schmitt and Corey, also Mrs. Ed Schmitt, Mrs. Al Walterscheid, Mrs. Frank Sandmann of Lindsay, Kyla Hale and Kenya Hale (Mrs. Bobby Endres).

The graduates were from Gainesville, Forestburg, Denton, Saint Jo, Callisburg, Era, Walnut Bend and Muenster. Dr. Les Schachar of Gainesville was the guest speaker. A reception followed in the Fellowship Hall of Whaley United Methodist Church.

Special Liturgy Opens New Year At Sacred Heart

The 1977 school year at Sacred Heart was opened with a special mass and liturgy on Aug. 25. Bernie Fette, senior class president, introduced the students as they carried up special offerings during the offertory procession. Vickie Schmitt from the 1st grade carried the book "Getting Ready to Read". Darrell Knabe from grade 2 carried a religion book to represent the preparation for first communion and confession. Richard Fuhrmann from grade 3 carried a paint brush and paints. Kenny Hesse from grade 4 carried a tape recorder. Grade 5's Mike Koerschner carried an album for music.

Doris Henscheid, grade 6 carried a dove symbolizing confirmation. Susan Fleitman from grade 7 carried a model of Texas. Elaine Grewing, grade 8, carried a soccer ball. Gina Hofbauer, grade 9 carried a mechanical drawing tool. Mark Nasche, grade 10 carried a test tube. Laurie Walterscheid from grade 11 carried a hammer from shop. Shelta Qualls, president of the student council, carried a football.

The new teachers on the Sacred Heart staff carried the Eucharistic gifts. Mrs. Kathy O'Rourke - water, Mrs. Larson - wine. Coach Ronnie Hess - ciborium and Patricia Lee the paten. Guitarists were Mary Caplinger and Mary Margaret Rohmer. Organist: Frank Luke and Songleader: Mrs. Ruth Felderhoff. Father Placidus celebrated the Mass.

Mrs. Rita Cottle visited Saturday morning with her parents, Mr. and Mrs. Joe Hoenig and in the afternoon they were joined by their daughter and sister, Mrs. Richard Hermes of Lindsay for a shopping trip to Sherman. Mrs. Cottle was an overnight guest of her parents and returned to her home in Carrollton Sunday evening.

The first modern Olympic games were held in Athens, Greece, in 1896.

School Society Has Record Attendance

The August meeting of the Home-School Society was marked by the highest attendance in its history. The business meeting was conducted by the new president, Werner Becker, Jr. Other new officers are Angelo Nasche vice-president, Mrs. Claude Bayer secretary, Mrs. Harvey Schmitt treasurer.

Roger Taylor gave a report on school uniforms and Angelo Nasche reported on the Trust Fund and mentioned the parish picnic on Sept. 4. He displayed several items to be auctioned.

Father Placidus presented the two principals, Sister Georgia and Sister Mary John who introduced faculty and school personnel of elementary and high school grades, with a background history of each. Sister Georgia welcomed all new parent members and gave special thanks to Mrs. Alvin Hartman for the years she has spent at Sacred Heart. Sister Mary John mentioned that the theme for the school year is: "God is Lord."

The meeting was opened with prayer by Father Placidus and closed with prayer by Father Stephen.

Refreshments were served by officers of the Home School Society.

State 4-H to Have Leader Conference

4-H adult and teen leaders from all areas of Texas will have an opportunity to receive special training at the Texas 4-H Center near Brownwood on September 17 and 18, according to Karen Gilman, assistant county extension agent.

Weekend workshop training sessions will include 4-H Club management, 4-H officer duties, 4-H bicycle projects and a general session on promotional ideas for National 4-H Week.

Adult and youth leaders from Cooke County 4-H clubs and project groups are welcome to participate, says Miss Gilman. She adds that travel reimbursement is available for those who provide transportation to the center.

Additional details and registration forms are available in the county extension office or by calling 665-4931.

Coleman, Marietta, Okla. Monday, Aug. 29: Chris Harrison, Alvord; Mrs. Rudy Watson, Mrs. Sula P. Dunn and Mrs. Mattie Russell, Saint Jo; Mrs. Mamie Farr, Gainesville.

Tuesday, Aug. 30: Mrs. Mike Frost, Muenster; Mrs. Clyde Yetter, Saint Jo; Ira Bennett (Exp.) and Cody Sconce, Gainesville.

Mr. and Mrs. John Yosten and daughters and her mother, Mrs. Victor Hartman spent Friday and Saturday with the Willard Hartmans in Killeen. Saturday evening the Yostens attended the wedding of Debbie Yosten, daughter of Mr. and Mrs. Leonard Yosten to Stuart Bradford in Austin.

At the local nursing home Wednesday afternoon to direct games and entertainment for residents were Sister Agnes, Sister Theresina, Mrs. Catherine Hermes and Mr. and Mrs. Joe Hoenig.

Hornet Progress Shows in Second Test with Nocona

In their second practice encounter with Nocona's Indians last Friday night, the Muenster Hornets were winners by a 12-0 count. While the margin was less decisive than a week earlier, the MHS boys again did a fine job on defense and also showed improvement on offense.

The method of scrimmage was very similar to that of a regular game. There were no punt returns and the ball was spotted on the 30 instead of a kickoff. A handicap to both teams was frequent penalties as officials were apparently sharpening their alertness to infractions.

The varsity teams had the field for the first quarter in which MHS was the slight leader. But the situation changed in the second period, which was turned over to the reserves.

Following a while of stand-off, the young Hornets got organized after a 47 yard romp by Richey. Next series was spoiled by a penalty and ended on the 20. Three plays and a punt later they started again on their 30 and advanced 35 yards before the period ended and the varsity returned. Five plays were enough from there and Gary Hermes scored from the 3.

For the rest of that period Muenster made 2 first downs and lost possession on a fumble and an interception. Nocona punted twice.

The next period included 11 and 16 yard gains by Nocona and two failures of the Hornets to keep going. After one first down a fumble stopped them, and later after two first downs a major penalty stopped them near midfield.

A simulated 5 yard punt from there gave Nocona possession on the 11 as the second stringers came back. Muenster recovered an Indian fumble on the 12 and Richey made it from there on the first try.

The final period was very much an exercise in rules interpretation with resultant snafu of the efforts of either team. Summarizing, each punted twice, each made two first downs, Muenster got 2 turnovers and Nocona 1, and each was penalized four times. Following a fumble recovery Muenster had a set up at the 1, lost 13 on a busted play, and had the ball intercepted.

Tigers Look Good In Practice Test With Greenhill Hi

The Tigers' 14-6 loss to Greenhill in Dallas last Thursday night conveyed more good news than bad. Fortunately the tussle officially rates as a scrimmage, so the score does not count. But the closeness of the game, especially in view of Greenhill's size and talent shows up Sacred Heart's performance as an encouraging achievement.

Coach Eddie Stock said he was highly pleased with the boys. Their defense was stout in denying the Big D fellows an earned touchdown or a drive of more than three first downs. Those three downs netted a total of 36 yards. Three times the Hornets had two first downs in a row, but four others were scattered.

The first scoring play came late in the first quarter after a simulated punt backed up the Tigers to their 8. The practice was very similar to a game, the difference being that instead of a punt 35 yards were stepped off and the other team took over. Also, instead of a kickoff the ball went into play on the 20.

Following the simulated kick the Tigers promptly fumbled and Greenhill recovered in the end zone. The PAT attempt was good and Greenhill led 7-0.

For the rest of the half and shortly into the third quarter possession changed no less than a dozen times. Greenhill lost a fourth down try and missed two field goals, Sacred Heart lost possession on two fumbles and an interception, and other change overs were on simulated kicks. Then suddenly the Hornets fumbled on a busted play, picked up the ball and broke away on a 65 yard scoring gallop. The Tiger score came early in the fourth on a nice 65 yard run by Danny Walterscheid.

A big factor in the scrimmage was the absence of the regular Tiger quarterback, Bob Hartman, leaving the job to his brother Kenny. As pointed out by Coach Stock the result was a definite difference in ball handling and passing. Offense was handicapped as indicated by fumbles and interceptions and broken plays. Tigers made a total of three first downs.

According to Coach Stock the offense did not get a fair test but the little it could do was encouraging. Meanwhile defense was fine, a fact which is also encouraging in view of Greenhill's strong offense... probably as potent as the Tigers will face the rest of the season.

Confetti - - -

Congress has increased the limit on the national debt by \$75 billion. That makes a total debt of \$775 billion, which figures to \$3,600 for every man, woman and child. And don't forget, the interest was \$160 per person in 1976, and keeps going up.
