FLOOD REFUGEES GET AID FROM HUNGER FROM AIRLIFT

(EDITOR'S NOTE: Robert Prescott, United Press manager for Mexico, who was the only foreign correspondent to cover last week's killer hurricane when it struck Tampico, returned to inspect flood damage. His eyewitness report describes how U.S.-trained paratroopers are staging a mercy airlift to bring food, clothing and medicine to the thousands of persons marooned in the eastern Mexico flood area where epidemics of malaria, typhoid and dysentery are raging.)

ABOARD A MERCY AIRLIFT PLANE, Eastern Mexico, Aug. 30 (UP)—Some of the women knelt and lifted their arms in prayer. Men waved their shirts frantically.

When sacks tumbled from the Mexican Air Force mercy airlift plane, their grins of thanks could be seen even from 300 feet altitude.

It was the first food delivered to 200 half-starved villagers of Brocavida in seven days, since a killer hurricane struck a mid-brought floods that left their homes sitting precariously on a low island in the center of an oil-streaked lake 20 miles wide.

Children sprinted to the edge of the village where the rope-bound food bundles plummeted. They scuffed for possession of canned meat, powdered milk, beans, rice and other supplies.

American-trained paratroopers and Mexican Air Force C-47 transports for four days have been the only line of supply to thousands of persons isolated or driven from their homes by hurricane-fueled rivers that burst across more than 15,000,000 acres between the Gulf of Mexico and the Sierra Madre Oriental Mountains.

Corcovado, only a few minutes' flying time out of the Port of Tampico, was the last stop on a dawn-to-dusk airlift along the Gulf coast.

The heavily-loaded transport plane also flew relief supplies to the isolated river port of Soto La Marina, 100 miles north of Tampico, the nearby fishing village of Pesca, and a flood-surrounded town along the Soto La Marina River.

Maj. Plutarco Albarran, commander of the Elite Paratrooper

Brigade of Mexico's Presidential Guard, and four troopers dropped more than 5,000 pounds of supplies to refugees in one two-hour flight.

Albarran said his paratroopers were ready to jump themselves to help "anyone in desperate need of medical or military aid."

"If they jump," he said, "they will have to leap into water upstream, and float down to their targets in rubber boats."

Floodwaters stretched from horizon to horizon west of Tampico. Only rooftops and trees could be seen above the muddy brown expanse. Dead animals drifted toward the sea. There was no sign of life in several small villages.

One lone man, perched disconsolately on the roof of a stable beside the overflowing Panuco River, didn't even look up as the C-47 zoomed over his ranch. His cattle stood shoulder-deep in water, a dead horse floated in the corral and his house appeared badly damaged.

The pilot, Lt. Col. Manuel Bravo Ruiz, radioed to Tampico for a launch to rescue the man.

The swamped area inland from Tampico, where the broad Panuco and Tamesi Rivers spilled over their banks, was hardest hit by the storm. To the north, Soto La Marina, which has been cut off from communication since the hurricane swept this area last Wednesday, sat high and dry on the banks of the river and from the air did not appear to have been damaged appreciably.

But arm-waving residents came running to the fields outside the village when nearly half the plane's cargo was dumped there.

"It's probably the only thing they've had to eat except fish and beans since last week," said Albarran.

Awards Made In Recruiting Program

Captain Holle and Lt. Fred Duffee of the main office of the U.S. Army and the U.S. Air Force at Abilene presented the Eastland Chamber of Commerce and Mrs. Marene Johnson with a certificate of achievement, Wednesday morning, for outstanding support in the recruiting program.

The certificate is signed by Col. A. D. Dugan, H. J. Tanner manager of the Chamber of Commerce said.

They were accompanied by photographers, who made pictures of the procedure.

Local Church To Host Abilene Presbytery

The Eastland Presbyterian Church will host Wednesday, September 5th to the Abilene Presbytery of the Presbyterian Churches U.S.A., the Rev. M. P. Elder, pastor, announced.

The opening sermon will be preached by Rev. Ronald Hubbard, pastor of the First Presbyterian Church at Snyder.

Ministers and representatives from fifteen churches are expected to be present. Visitors will also be welcomed, he said.

NAMES IN THE NEWS—Iowa Democratic Committee charged that performances such as that of dancer Evelyn West (L) in the girlie shows at the State Fair, Des Moines, are demoralizing youngsters attending the fair and do not typify Iowa's agricultural achievements. Mrs. Ethel Taylor, 25-year-old socialite, sits in Meneola, N. Y. court house with detective after her arrest on stealing \$10,000 in gems from Mrs. Margaret Welch former school chum. Police were mystified as to the reason, since the gems were not put up for sale until 11 days ago, after throwing away nine of the pieces, and still has not cashed the check she got for them. (NEA Telephoto).

Veteran Captured After Two Of Planned Victims Killed

KANSAS CITY, MO., Aug. 30 (UP)—A World War II combat veteran who shot and killed a university professor and an aged woman told police today his capture halted a plan he had for the murder of four other persons.

Richard Donaldson, 29, calmly told officers of pumping five shots into Alfredo Ortiz-Vargas, 56, yesterday at the fashionable apartment of the University of Kansas City language professor who had befriended him.

He said that a short time later he shot 77-year-old Mrs. Eliza Lay at her house across town.

"I also planned to kill my aunt, my mother-in-law and a negro, and I tried to kill my landlady, but you arrested me before I could finish the job."

"The killings weren't connected in any way," Donaldson told homicide Sgt. Leo Hoedl.

He said he had a variety of reasons for wanting to kill his other four intended victims, ranging from revenge to "I just didn't like her."

Hoedl arrested Donaldson at the latter's combination self-service laundry and apartment shortly after Ortiz-Vargas was slain.

Donaldson, a much-decorated veteran with a record of 38 combat missions, was carrying a loaded .25 caliber automatic. He had 41 extra cartridges in his pocket. He offered no resistance.

"Which murder are you taking me in for?" he asked.

"What do you mean?" Hoedl asked. "The Ortiz-Vargas killing, of course."

"Well, I might as well tell you that I just killed another one—right around the corner," Donaldson said.

Officers followed his directions and found the body of Mrs. Lay, a Negro, in her apartment above Donaldson's laundry.

He signed a complete statement admitting the slayings.

Donaldson said he met Ortiz-

Vargas, a native of Bogota, Colombia, while attending Spanish classes at the University. He said the educator loaned him \$2,000 to help open the laundry.

"Vargas wanted to take over the laundry," Donaldson said. "I went to his apartment to protest."

"What climaxed the whole thing was when Vargas reprimanded me for arguing in his house," Hoedl quoted Donaldson. "That's when I shot him. He doubled-crossed me and tried to push me out of the business."

Willie Lay, 20-year-old son of the slain woman, filed a charge of disturbing the peace against Donaldson last Tuesday as a result of "several squabbles" between his mother and Donaldson. The veteran was released on \$25 bond.

Donaldson said he originally planned to kill the Negro youth, but he failed to find him at home. An argument with the youth's aged mother ensued and Donaldson shot her, he said.

Donaldson said that en route from one killing to the other, he stopped off to kill Mrs. Rose Kahn, his landlady. "But his gun wouldn't fire and he fled in a taxicab."

Hoedl said Donaldson had planned to kill his mother-in-law, Mrs. Ethel Comb, because he believed she "broke up my home." Donaldson was divorced in 1949 and lived alone in the rear of his laundry.

His other intended victim was his aunt, Mrs. Leona Anderson. "I just didn't like her," Donaldson said.

U of Houston Professor Dies

HOUSTON, Aug. 30 (UP)—Ivan C. R. Stone, 52, assistant professor of government and public administration at the University of Houston, died yesterday at a hospital after a severe heart attack followed by a cerebral hemorrhage.

The retired Army Lieutenant Colonel, a member of the University faculty since 1947, had been critically ill for several days.

His long and colorful career in the military service started when he served as a private under General Pershing in the Mexican Border campaign, in the expedition searching for Pancho Villa.

Iron Lung Too Small For Victim

SHREVEPORT, La., Aug. 30 (UP)—Doctors said today an iron lung "would not have helped" Mary Elizabeth Sanborn even if it had been large enough to fit the 325-pound polio victim.

Dr. S. George Wolfe, director of the polio center, said the woman was too big to be put in an iron lung but "would have died anyway." She was the 218th person stricken with the disease in Shreveport this year.

Peace Talks May Be Resumed Soon

Plans For 2nd Annual Golf Tournament Set

Qualifying day has been set for Saturday in the second annual Eastland County Golf Tournament of the Lakeside Country Club, John Lively, golf pro, said today.

The Saturday night supper, planned by the Eastland Golf Auxiliary at their meeting Tuesday night, will be held at the Lakeside Club. The public was invited to attend. Price of the supper will be \$2.00 for non-participants, and is included in the \$5.00 fee for those qualifying in the match play.

All Eastland County golfers have had an invitation to attend, Lively said, and about 60 players have accepted and three have already qualified.

Following the Saturday night supper will be the Calcutta pool, held at the Pro-Shop. It will be followed by a dance, which will be held on the Connelley Hotel Roof. Participation in all activities are included in the qualifying fee, Lively said.

The medalist competition will be Saturday.

Nip Peacemakers Get Tips On The Western Manners

TOKYO, Aug. 30 (UP)—Japan's delegation will take a booklet on western manners to the Japanese Peace Treaty Conference in San Francisco next week.

The Japanese foreign office pamphlet warned the delegates against:

1. Taking off shoes and wiggling toes in public.
2. Imbibing alcohol until violent—even though from "ancient times in Japan this has not been considered shameful."
3. Belching at the table.
4. Squashing a hat down to the ears.
5. Going into a corner to blow your nose, thus attracting undue attention.
6. Making too much noise while gargling.

"We don't realize it," the pamphlet said, "but it has been said that foreigners can tell Japanese are in the next room by the noise they make like ducks while washing."

VA Relaxes GI Bill Rules

WASHINGTON, Aug. 30 (UP)—Veterans who finished high school or college under the GI Bill this spring can go on to higher institutions this fall despite the July 25 cut-off date for the GI training program.

Under the GI Bill, the veterans administration said, most veterans not enrolled in school on July 25 lost their right to further training at government expense. Exceptions have been made, however, VA said, for students who had been pursuing their courses satisfactorily and were taking summer vacations at the time of the cut-off.

Actors Salaries To Be Studied

WASHINGTON, Aug. 30 (UP)—Dagmar's upward salary curves and those of other entertainment stars will be studied by a special committee to determine whether they upset the salary stabilization program.

Dagmar, buxom blonde star of television whose real name is Jennie Lewis, recently was granted a \$2,000 a week salary boost by the American Broadcasting Company.

Roy Hendrickson, former agriculture department official, was named to head a three-man panel to study the case. It is the only big one filed so far. Other pay raises in the entertainment world will have to be studied.

Traditional Get-Together Ends In Traffic Deaths

DECATUR, Aug. 30 (UP)—Two sisters were killed near here yesterday as a traditional birthday observance ended in tragedy.

Mrs. Norma Elizabeth Barnett, who would have been 72 years old today, and her sister, Mrs. A. A. Stripling of Nocona, died in a traffic accident eight miles north of here on Highway 81.

Mrs. Barnett was a granddaughter of the first mayor of Waco, Col. R. N. Goode, and a resident of Houston for 54 years.

Dr. A. A. Stripling, a Nocona dentist, was hospitalized at Decatur with serious injuries. The Texas Highway Patrol said the car overturned several times after the dentist passed a truck and apparently struck the front of the larger vehicle as he cut back in.

Mrs. Stripling's birthday was last Sunday and her husband's was on Monday. For years, the couple and Mrs. Barnett have shared their birthday observances.

Doctor and Mrs. Stripling had visited Mrs. Barnett at Houston for several days and the three were en route to Nocona when the accident occurred.

Four Die At Birthday Party

NEW YORK, Aug. 30 (UP)—Fire during a gay birthday party killed four persons today. Two children received minor burns and 10 party-goers escaped injury.

The carefree singing of "happy birthday to you" gave way to the screams of children and near panic among the adults as flames enveloped the fifth floor apartment of Raymond Hurley, 47, a longshoreman.

Hurley rescued one of his four children, passing her through a window to a neighbor, then he dashed back into the flames to find his 9-year-old son Vincent, but died with the boy. Also killed were Dolores Carmody, 20, and her 5-year-old daughter, Geraldine.

Firemen said they had not determined the cause of the fire, but the building superintendent, Mrs. McKee said she thought it started in the children's bedroom.

The party was in honor of the 15th birthday of Hurley's stepdaughter, Ann Marie Vaughan, who left before the fire started.

Uncle Sam Is Short Pennies

WASHINGTON, Aug. 30 (UP)—Shake out that piggy bank—Uncle Sam hasn't got enough pennies.

Nellie Tayloe Ross, director of the mint, said that if every family would put 10 pennies back into circulation, the government would save 1,260 tons of scarce copper and five months production in U. S. units.

She said the mints are now working a 60-hour week and can't keep up with the demand caused by "the level of business activity."

In Atlanta, a "penny panic" subsided recently when youngsters emptied their piggy banks in response to pleas from local bankers.

Fear Of Being Blind Blamed In Suicide

FORT WORTH, Aug. 30 (UP)—A man who was blind in one eye feared he was losing sight in the other was found hanging early today in the garage at his home.

The body of William LaFayette McDaniel was found by his wife after she missed him from the house.

An inquest verdict of suicide was returned.

ARMISTICE AGREEMENT NOT PROBABLE IN NEAR FUTURE

TOKYO, Aug. 30 (UP)—The United Nations command said today that Korean peace talks may be resumed soon, but there is little prospect of an armistice agreement.

"The resumption of the talks no longer seems to hold the promise of a possible agreement on a cease-fire," it did a month ago the UN command said in a broadcast to Korea.

"The initial enthusiasm that the war soon might end has died down as it has become obvious that the Communists do not care how long the war goes on."

The broadcast came as the Allies were awaiting the official Communist reply to Gen. Matthew B. Ridgway's latest offer Wednesday to resume the suspension of armistice talks.

The reply may not come until sometime Friday or Saturday. It took the Red Commanders 52 hours to reply to the Supreme UN commander's last previous message.

Some indication of the nature of the Communist reply was seen, however, in a Chinese propaganda broadcast by Radio Peiping.

Although somewhat milder than previous Red broadcasts, it nevertheless charged that Ridgway had "lied," "distorted facts" and "slandered" the Communist in his denial that a UN plane had bombed the conference city of Kaesong the night of Aug. 22.

It was on the pretext of this "raid" that the Reds broke off the cease-fire talks the next day, Ridgway said. An on-the-spot investigation the night of the incident showed only that the "raid" had been faked.

"The latest note from the Communists may contain some hope for resumption of the talks," the broadcast said. "The tone is somewhat subacid, and the language is milder."

"But what then? ... the initial enthusiasm that the war soon might end as died down as it has become obvious that the Communists do not care how long the war goes on, how many of their installations are ruined by the daily bombing of UN planes, or how many of their front-line troops die in suicide assaults."

Court Order Stops Sale Of Sanger Bros.

RENO, Nev., Aug. 30 (UP)—Sale of Sanger Bros., Inc., large Dallas department store, was temporarily restrained today under terms of an order issued by District Judge A. J. Maestretti.

Stockholder John A. Purse, Jr., of Dallas, filed suit yesterday in district court to block sale tomorrow of the store's assets to Federated Stores. Sangers is incorporated in Nevada.

Attorneys for Sangers promptly petitioned a hearing tomorrow before Maestretti to dissolve the order. Maestretti indicated he would make a prompt decision.

Purse claimed in his suit that exchanging Sangers' assets for shares in Federated stores under terms of the proposed agreement would be against the interests of stockholders. He also questioned the legal right of Sangers to dispose of the assets for any value other than money.

Purse owns 11,486 shares of the 237,071 shares issued by Sangers.

Bell Plant Nearly Ready

FORT WORTH, Aug. 30 (UP)—Foundation work on a \$5,000,000 helicopter plant near Euless was complete today, and Bell Aircraft Corporation officials said occupancy of the plant probably would begin by late December.

William H. Gunderson, manager of Bell operations for the area, said the firm was hopeful the move could be completed by mid-1952.

Eastland Woman Injured By Fall

Mrs. Nora, Graham 89, mother of Mrs. M. A. Clyatt, Eastland Lake Road, who fell Tuesday and fractured her hip is a patient in Ranger General Hospital.

She has been making her home with Mrs. Clyatt.

Program For Groundbreaking Ceremony Set For September 3

The groundbreaking ceremony program for the Eastland Memorial Hospital scheduled for 10 a. m. Monday has been outlined by Henry Vermillion, chairman as follows.

The Eastland High School Band will play several appropriate numbers.

Rev. J. Morris Bailey, pastor of the First Methodist Church will give the invocation.

W. B. (Buck) Pickens will be the master of ceremonies, will recognize the Civic League and Garden Club representatives, as instigators of the hospital movement. The American Legion, and the V.F.W. will also be recognized.

Some indication of the nature of the Communist reply was seen, however, in a Chinese propaganda broadcast by Radio Peiping.

Although somewhat milder than previous Red broadcasts, it nevertheless charged that Ridgway had "lied," "distorted facts" and "slandered" the Communist in his denial that a UN plane had bombed the conference city of Kaesong the night of Aug. 22.

It was on the pretext of this "raid" that the Reds broke off the cease-fire talks the next day, Ridgway said. An on-the-spot investigation the night of the incident showed only that the "raid" had been faked.

"The latest note from the Communists may contain some hope for resumption of the talks," the broadcast said. "The tone is somewhat subacid, and the language is milder."

"But what then? ... the initial enthusiasm that the war soon might end as died down as it has become obvious that the Communists do not care how long the war goes on, how many of their installations are ruined by the daily bombing of UN planes, or how many of their front-line troops die in suicide assaults."

Houston Taxicabs Are Working In Full Force Again

HOUSTON, Aug. 30 (UP)—Taxicabs roamed Houston streets in full force today after 700 striking drivers agreed to return to work.

Fares were unchanged, but the drivers' immediate goal of their three-day walkout was achieved.

The city council late yesterday denied the drivers' petition for an emergency fare increase of 35 cents for the first one-half mile, and 10 cents for each extra passenger. The boost would have doubled present rates.

However, Councilman George Marquette told the drivers they would be granted a full hearing Sept. 10 on their petition.

The cabbies walked out Monday night in protest of the council's delay in hearing their petition.

The strike idled 400 cabs hauling 25,000 passengers daily. Only Negro taximen remained at work.

Negro Given Death Sentence For Assault

HOUSTON, Aug. 30 (UP)—A 20-year-old Negro truck driver, Louis Allison, received the death penalty from a Houston jury yesterday for the criminal assault of a 32-year-old mother as her two children looked on.

Allison, who showed no emotion during the three-day trial, insisted to the end that he was innocent.

W. B. (Buck) Pickens will be the master of ceremonies, will recognize the Civic League and Garden Club representatives, as instigators of the hospital movement. The American Legion, and the V.F.W. will also be recognized.

Other program committee members are Meses. Theo Lamb and Harold Durham.

Ride The "ROCKET" And Save Osborne Motor Company, Eastland

Band To Attend Dublin Rodeo, Strawn Reunion

Members of the Eastland High School Band will be guests of Dublin at the city's rodeo tonight. They will march in a parade at Dublin this afternoon.

Band members, who have been practicing daily for the past two weeks, have accepted several pre-school engagements T. R. Atwood, band director, said.

Saturday they will parade in Strawn and will give a concert there as part of the Teachers Association and Ex-Students Homecoming there. Afterwards they will be feted at a barbecue given by the association.

Atwood has also announced the band will accept an invitation to attend the TCU-Kansas football game on September 22.

Any high school student who has an instrument and would like to study instrument music free of charge is invited to become a band member, he said.

Maverick - Coleman Opener Is Changed To Coleman

Eastland Maverick's opening football game that had been scheduled to be played September 7 has been changed to Coleman, coach Wendell Siebert said today.

He said the condition of the Maverick field was the reason of the change. It was plowed up in the early spring and since we have had no rains it's condition is bad.

He and the Maverick team have been spending what time is left over from two practices, or workouts each day, working on the field.

Workouts are being held at the Firemans Field on North Seaman, Siebert said. Due to the ex-

treme heat he said that work was going very slowly. He wasn't too optimistic about their chances of winning the game from the Bluecats.

The Bluecats, under coach Harold King started their workouts Monday morning at Hufford Field, with what he termed a promising turnout. He has them under rigid schedule in preparation for the opening game Friday-week.

The Mavericks have nine lettermen among the 31 boys who turned out this week. The roster follows:

Haines, Eddie, 169, End and tackle; Black, Derrell 174, back; Riggan, Morris Lee, 117, back; Miller, Larry, 164, Guard; Evtatt, Dick, 146, back; Stephen, Rodney, 128, back; Aaron, Edwin, 147,

end; Mitchell, Jimmy, back; Whatley, John 121, end; Muirhead, Joe, 158, tackle; Chrisman, Don, 120, end.

Watson, Norman, 140, center; Hogan, Gale, 128, guard; Roff, Donald, 180, tackle; Young, Lonnie, 125, back; Johnson, Robert, 140, guard; Williams, Fred 116, back; Jessop, Jamie, 142, back; Meroney, Vern, 152, back; Van Geem, Neil 115, end; Cooper, Bobby, 151, guard.

Gaeta, Gil, 154, guard; Vermillion, Alan, 148, guard Hanson, J. D., 145, end; Edwards, Neil, tackle; Williamson, Doug, 134, back; Warren, Bennie, 139, guard; Moore, Clyde, 118, guard; Lane, Richard, 122, back; Grimes, Pearson, 124, back; Davis, June, 110, guard.

Yankees Still In Flag Race

NEW YORK, Aug. 30 (UP)—The Yankees may not know whether they are the American league's champions for a third straight year until they have played 27 more games but they have already won permanent possessions of Ned Garver, the Browns' star curve-baller.

The junior circuit's race had that old look—all knotted up—and one good reason is the Yank-

ees' amazing success against the pitcher many consider the best in the American league. Garver hasn't beaten the Yankees in the last two and a half years—eight straight decisions having gone against him—and the latest was a 15 to 2 shellacking that vaulted the New Yorkers back into a tie with the Indians for the lead last night.

The Indians, deep in a run-famine that threatens to strangle their pennant chances, had already suffered their third shut-out in six games—a 3 to 0 loss to the Athletics—when the Yankees took the field against Garver last

Sure Way To Make Franks And 'Burgers Taste Better!

Whether you're planning a picnic, barbecue, or back-yard feast... chances are you'll be serving franks or 'burgers... or both! And if you want these sizzlin' summer favorites to taste their very best... here's all you have to remember. There's nothing more delicious than poppin' hot frankfurters and juicy-rich hamburgers when they're paired with sizzling rolls. And for the most flavor-light, feather-light rolls of this type, there are none better than Jane Parker Sandwich and

Frankfurter Rolls. These famous roll favorites, made with the best ingredients, are *always* "dated" daily to guarantee their freshness. Get Jane Parker Sandwich and Frankfurter Rolls at your A&P. They're thrifty, too!

8 in Pkg. 17c
AT YOUR A&P

on the same date when they went on to win the flag. A year ago they trailed the Tigers by two percentage points.

The national league race remained unchanged as both the Dodgers and Giants won. The

Dodgers blasted 16 hits including Gil Hodges' 35th and 36th homers of the season to submerge the Reds, 13 to 1.

Dick Cole won his first big league game on his 21st birthday, although Bob Chipman had to re-

tire the last two hitters, as the Braves beat the Cubs, 4 to 1, and Gerry Staley won his 15th game thanks to fine relief pitching by Harry Brecheen as the Cardinals defeated the Phillies, 3 to 2. Robin Roberts suffered his 12th de-

feat for the Phillies. Ted Williams hit his 27th homer as the Red Sox beat the tigers, 7 to 5, and the senators defeated the White Sox, 2 to 1, in 13 innings in other American league games.

Look to Hotpoint for the Finest... First!

night. The Yankees knew all they had to do to gain a tie was beat the Browns' ace for the eighth straight time and they wasted no time showing they were equal to the job.

Garver retired only one man before the Yankees had pounded him for four hits and five runs. They went on to blast 17 hits, including homers by Mickey Mante and Gil McDougald, as Allie Reynolds breezed to an easy two-hit victory.

Reynolds probably would have had a shutout except that catcher Yogi Berra dropped a foul pop fly by Ken Wood just before the Browns' outfielder hit a two-run homer in the fourth inning.

The victory was the Yankees' 17th in 20 games with the hapless end helpless Browns and marked the end of the Yankees' fourth and final western trip. They are now in almost exactly the same position as they were last season

NEEDED: SCRAP METALS

United States needs for scrap iron and metal were increased sharply by the outbreak of hostilities in Korea, and the inauguration of our national defense program.

Today, the United States government needs defense material made out of steel, and has set up an allocation program to channel scrap steel and iron into defense production.

Steel mills are using all the scrap steel and iron they can get, and need more badly, for defense and civilian production. You, the people of Eastland and Eastland County, have scrap iron scattered around the place, all over the country. Bring your scrap iron and steel to our place and we will pay top prices for it.

Not only will you receive a good price, but the Eastland Iron and Metal Co., will segregate and prepare the iron and steel, and ship it to the steel mills under Government orders as to when and where to ship.

In this manner, we are a part of the defense production program, AND SO ARE YOU WHEN YOU BRING THE METAL TO US.

AND EVERYBODY WILL BENEFIT

WE PAY TOP PRICES FOR:

- COPPER WIRE
- LIGHT COPPER
- BRASS, ALL KINDS
- ALUMINUM
- LEAD AND BABBIT
- RADIATORS
- TIN MIXED
- SCRAP IRON
- BATTERIES (NO TIN CANS)
- OIL FIELD CABLE
- RAGS, MIXED
- OLD AUTOMOBILES
- PIPE and FITTINGS (ALL KINDS)

Week's Korean Casualty List

WASHINGTON, Aug. 29 (UP)—The Department of Defense today issued casualty list No. 387, including the names of two Texans killed in action in Korea, one missing, one wounded and one injured. All are army personnel.

Killed in action were Pvt. John E. Coffe, Lake Dallas, and Pfc. James E. Landry, (3945 27th) Port Arthur.

Wounded was Sgt. Andrew J. Henry, Talco. Injured was Pvt. Jose Tijerina, 215 E. Lopez St.) Seguin.

Missing in action is Sgt. Cecil W. Groom, (612 Tucker St.) Texarkana.

Model Must Tell Aly Farewell

DEAUVILLE, FRANCE, Aug. 29 (UP)—A beautiful blonde ex-model braced herself today to say goodbye to Prince Aly Khan after a week as his constant companion.

Suzanne Dadot, 28, official hostess of the Deauville Casino, has toured restaurants and night clubs all along this channel playground with Aly. Today he was getting ready to close his summer villa—where he spent part of his honeymoon two years ago with his estranged wife, Actress Rita Hayworth.

Suzanne meets lots of celebrities at the casino. "All my clients," she said, "Always treat me like a lady."

But, Aly, is different. "He's such a well-educated gentleman and an excellent dancer," she sighed.

Wake Up To More Comfort

Without Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up at night or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Bridesmaids' Luncheon Given For Miss Wittrup's Attendants

Miss Naomi Woods and Miss Betty Pickens honored Miss Marilyn Wittrup and her wedding attendants at a bridesmaids' luncheon Wednesday in the home of Miss Pickens' parents, Mr. and Mrs. W. B. Pickens.

Miss Wittrup will become the bride of S-Sgt. William Schuyler Colfax, Jr., III, of Fort Worth Thursday night in the First Methodist Church.

A tiny doll dressed as each attendant will be dressed in the wedding marked the place of each guest at the table. Her name was also inscribed on the small base on which the doll stood. Two dolls dressed as bride and bridegroom were at the place of Miss Wittrup.

Wittrup-Colfax Wedding Party Honored At Barbecue Supper

Mr. and Mrs. E. L. Wittrup entertained members of the Wittrup-Colfax wedding party with a Western-style barbecue supper immediately following the wedding rehearsal Wednesday evening. Guests were seated at two long tables in the backyard of the Wittrup home.

Miss Marilyn Wittrup and Sgt. William Schuyler Colfax, III, of Carswell Air Base, Fort Worth, were the honored couple. They will be married at 8 o'clock tonight in the First Methodist Church with the Rev. Otto Marshall, pastor of the First Christian Church officiating.

At the barbecue supper, watermelon halves formed the bases for the flower arrangements on the tables. Chrysanthemum in the bride's wedding colors— aqua, pink, and yellow—extended from the unique containers.

Those who attended the supper were the honored couple, Miss Wittrup and S-Sgt. Colfax, his parents, Mr. and Mrs. W. S. Colfax, Jr., of Chicago, Ill., the Rev. and Mrs. Otto Marshall, Mr. and Mrs. Russell Pile and Rusty of

Marshall, Mo., Mr. and Mrs. M. H. Perry of Eastland, Mr. and Mrs. Jack Cole of Ranger; Misses Katherine Hofmann, Bettye Pickens and Naomi Woods—all of Eastland; Miss Nina Joe House of Denton, Mr. Herb Olson of Chicago, and Sgt. John H. Vincent of Carswell Air Base, Ft. Worth.

Personals

Mrs. J. Leroy Arnold is a patient this week in the Ranger General Hospital, where she is scheduled to undergo surgery.

Elizabeth Alfrod returned Saturday from Dallas where she visited her aunt, Mrs. C. G. Alfrod.

Mr. and Mrs. Willy Shrimp of Chicago visited Mrs. Rosa Bishop enroute to their home from California. Mr. Shrimp is Mrs. Bishop's nephew. Until his visit, she had not seen him for over thirty years.

Mr. and Mrs. Howard Alfrod and son Hershel of Dallas spent the week end with his parents, Mr. and Mrs. J. M. Alfrod.

Kathy Cornelius Celebrates Ninth Birthday At Party

Friends of Kathleen Cornelius recently helped her celebrate her ninth birthday at a throaty and ice cream party given by her mother, Mrs. A. B. Cornelius.

A ceramic Humpty-Dumpty filled with pastel flowers decorated the dining table in the Cornelius home. Gifts were given the honoree by all of the guests.

Attending the party were Charlotte Vaught, Joan Moser, Jane Arther, Linda Huckaby and Martha Freese.

Slayer Of Dad Confined As Delinquent

DALLAS, Aug. 30 (UP)—John Michael Hawkins, 16-year-old confessed slayer of his prominent father, will be confined as a juvenile delinquent until he is 21.

Young Hawkins shot and killed Wallace E. Hawkins, vice-president and general counsel of the Magnolia Petroleum Company of Dallas, on Aug. 5.

Juvenile Judge Dallas Blankenship declared the youth a delinquent yesterday and ordered him confined at the state school for boys at Gatesville. Blankenship rejected a plea that young Hawkins be placed in custody of a recently appointed guardian.

The youth told officers after the slaying that he was mad at his father who had reprimanded him for staying out late.

He would not be tried and punished for the slaying until he was 17. Under juvenile law, confinement until he reaches 21 is the stiffest possible punishment.

Today's popular seasoning, thyme was used by the ancient Greeks as incense for their temples.

Polio Time Is Here Again—

Baptist Will Have Meeting In Dallas

DALLAS, Aug. 30 — Texas Baptists have set Tuesday, September 4, as check-up time on their 1951 campaign to win 250,000 converts to Christ.

Some three to four thousand Baptist form all over the state are expected to attend a special evangelistic conference in Dallas the 4th. The conference is to be held at the First Baptist Church in connection with the regular quarterly meeting of the executive board of the Baptist General Convention of Texas.

The evangelistic session has been called by William Fleming, Fort Worth layman president of the Baptist convention. Dr. J. Howard Williams, convention executive secretary, and Dr. C. Wade Freeman, state superintendent of evangelism, both of Dallas.

It was Mr. Fleming who first suggested 250,000 objective at the annual meeting of the Baptist convention in Fort Worth last November. The crusade officially began January 1 this year and still will end December 31.

Baptist officials say there is no way to estimate how near the goal the denomination has come. However, Dr. Freeman reported that a check on 600 of the 3,000 Baptist churches showed they had baptized more persons in the first six months this year than during all 12 months of 1950.

CALL COLLECT
Eastland, 288
BROWNWOOD RENDERING CO.

All Baptists have been invited to next Tuesday's conference with emphasis on the attendance of pastors, Sunday School superintendents, Training Union directors, Brotherhood and Woman's Missionary Union presidents, district and associational missionaries.

The executive board meeting will begin at 9:30 a.m. and close at 11:00 a.m. The evangelistic conference will last from 11:00 to 4:00 p.m.

Two recommendations will be made to the group: that September 16 be a special day of prayer and evangelistic effort in all Baptist churches, and that particular emphasis be given to revivals in all churches during the last four months of the year.

Humidity Slows Down The Clocks

ST. LOUIS, Aug. 30 (UP) — The humidity was so bad in St. Louis yesterday that even the clocks and elevators slowed down. Officials in the civil courts

building said the 98 per cent humidity made the clocks run 15 minutes slow. And condensation inside the elevator signal apparatus prevented operators from hearing floor signals.

Chief Gets His Telephone Back

FAITH, S. D., Aug. 29 (UP) — For the first time in 22 months the police chief here had a telephone today. He and the owner of the local telephone exchange called off their feud.

Faith, a town of 322 persons, had been without a telephone line to the chief since October, 1949. Luckily, nothing serious happened in the town during that time.

Chief Neal Crowley and telephone exchange owner Henry Harding got mad at each other 22 months ago, leaving the receiver off the hook. She told the chief that Harding was insolent.

Crowley went home and ripped both his personal phone and the police phone off the wall, went

out and found Harding and handed them to him.

Harding refused to reinstall the phone unless the city would pay a deposit to insure the safety of equipment he put in the chief's home.

The city refused. The matter went through the state public utilities commission, the circuit court and the state supreme court. All ruled against Harding.

He relented today and put the phone back in.

1950 Rushing Record Set By Border Back

ABILENE, Aug. 30 (UP) — When Whizzer White, Ariz., State of Tempe back, set the 1950 rushing record of 1502 yards, he handed the border conference its fifth national rushing championship.

Halfbacks from Hardin-Simmons, also of the Border Conference, were leaders in 1942, 1946 and 1947.

Fred Wendt, Texas Western

halfback, set the 1948 rushing record when he raced for 1383 yards. In 1946 Mobley again led the nation's ball carriers, but failed by Doc Mobley galloped 1,281

yards in 1942 to lead the nation. In 1946 Mobley again led the nation's ball carriers, but failed by Doc Mobley galloped 1,281

Wilton (Hook) Davis, Hardin-Simmons' 1948 All-Southwestern halfback was the national leader in the rushing department in 1947, carrying for 1,173 yards in ten regular-season games, and picking up 236 more against the San Diego State in New York

Harbor Bowl contest. He carried the ball 196 times in Hardin-Simmons' Camp Wilson, running from a fullback position in fine games for a net of 981 yards an average of 5.01.

No More Midgets For Veeck Team

St. LOUIS, MO., Aug. (UP)—It's a pity, sort of, that president will harridge of the American League twisted the spigot on Bill Veeck in the matter of signing up midgets.

Bill, Madeap but affable owner of the St. Louis Browns, would rather clown than play ball if clowning makes more money.

He had dreamed up a few cuties about the midget and was going to throw them at the press in the hope the press would relay

ATHLETES FOOT GERM HOW TO KILL IT. IN ONE HOUR.

IF NOT PLEASED, your 40c back from any drugist. T-4-L is specially made for HIGH CONCENTRATION. Undiluted alcohol base gives great PENETRATING power. Kills IMBEDDED germs on contact. NOW at Eastland Drug.

the exciting information to the public. The cuties would come one at a time, of course, to keep the public streaking into often-empty sportsman's park with something approaching consistency.

Veeck signed midget Ed Gaedel to a legitimate contract at the minimum—\$5,000. Ed, weighs half a hundred and stands bat-high, lasted about 20 seconds in the American League before Harridge invoked a "no more midgets" rule.

Owner Bill showed me some of the press releases he was going to bring on us through to the end of the season. Here are some samples:

1. "Ed Gaedel, 26-year-old Chicago midget signed to a Browns contract by Bill Veeck of the Browns, is the only big league ball player in history, required by contract to bat .000.

"Veeck said the little fellow, who wears the smallest shoe ever worn by a baseball player (size

1) faces severe penalties, plus considerable loss of his small face, if he violates his contract.

"Note to sports editors: More on this subject tomorrow in case you want to make a serial out of." Signed B.V.

2. "Bill Veeck, owner of the St. Louis Browns, announced today that his newly acquired midget, pinch-hitting Ed Gaedel, would face one of two penalties if he ever lifts his bat off his round little shoulders.

"A. He'll be sent to the minors if he ever swings.

"B. He'll be put up for waivers if he ever hits one."

(Note. Owner Bill secretly hoped he could get away with clause "B". The waiver price is \$1,000.)

"There once was a pinch-pitcher of sorts named Karl Drews, who toiled for the Browns and also the New York Yankees. He appeared in 103 games, all told, and made only one hit. Simple arithmetic gave Karl Drews a life time average of .011, which was dangerously close to the modern record held by our midget."

But Harridge forced Bill to deposit all those releases in the trash bucket.

While he was running things in Cleveland, Veeck once paraded the Indians onto the diamond clad in pajamas for a game that started at dawn.

He has a couple of other ideas for St. Louis and there's not a line in the rule book to keep him

Herbert Hoover Present Day Lawmakers

DES MOINES, Ia., Aug. 30 (UP)—Former president Herbert Hoover said today that "public tolerance of scandalous behavior" in Washington could destroy the nation.

But, he said, there were signs that the nation was returning to a course where "moral indignation" would assert itself.

The nation's only living ex-president spoke at the Iowa State Fair, where he accepted the Iowa award, in recognition of his services to the nation and to the state.

"Our greatest danger is not from invasion by foreign armies, for no army on earth can land on our shores," he said.

"Our dangers are that we may commit suicide from within by complaisance with evil, or by public tolerance of scandalous behavior. Or by cynical acceptance of dishonor. These evils have defeated nations many times in human history."

Mr. Hoover said the redemption of mankind by America will "depend upon our ability to cope with these evils right here at home." The United States, he said, is "turning its face away from the maudlin leftisms."

For carrying them out.

For example, this is the 50th anniversary of the American League. One day soon he plans to wheel old Satchel Paige onto the field from the bull pen in a wheel chair. Veeck claims old Satch is 51, at the least, and the only player around now who was on hand when the league was founded.

"We sense the frauds on men's minds and morals," he said. "Moral indignation is on the march again."

Urging a return to the virtues expounded in the ten commandments, Hoover said America currently "has a cancerous growth of intellectual dishonesty in public life which is mostly beyond the law."

"Congress can well widen the laws so as to clutch the new kinds of bribes and benefits they have discovered," he said. "But congress cannot reach intellectual dishonesty. In its frustration, the congress is groping for some sort of code of ethics. But the congress is confronted with the fact that sacred honor cannot always be tested by legality or enforced by law."

Mr. Hoover said that some persons seem to think that political and intellectual dishonesty is a necessary evil in a free govern-

ment, or that it is smart politics.

"Those are deadly sleeping pills he said. No public man can be just a little crooked. There is no such thing as a no-man's-land between honesty and dishonesty. Our strength is not in politics, prices or production, or price controls. Our strength lies in spiritual concepts, in public sensitivity to evil."

Turning briefly to the nation's foreign policy, Hoover said that "certain secret commitments were entered into at Tehran and Yalta which sold the freedom of half-a-billion people down the river."

"Those commitments were not disclosed to the congress or to the American people," Mr. Hoover said. "Does anyone believe that had they been submitted to the American people for debate and to congress for decision, that they would ever have been approved? That is where we lost the peace

and wondered into the land of hot and cold wars."
