

THE GOLDTHWAITE EAGLE

VOLUME FORTY-EIGHT

GOLDTHWAITE, MILLS COUNTY, TEXAS, —FRIDAY, MARCH 6, 1942

NUMBER TWENTY-EIGHT

Take Slap At The Jap With First Car of Scrap

Mills County Hopes To Start Car a Week To Fighting Fronts

Our first slap to the Jap from Mills County is the first carload of scrap. So here is a toast from Mr. Goldberg and all the people of Mills County: "To the Japs a bullet in every Jap's head."

Movement of scrap iron from the farmers of Mills County to the battle front began this week with J. Goldberg of Waco shipping the first car on Saturday, March 7. Mr. Goldberg expects to load at least one car per week from Goldthwaite. Two trucks are now working in the county collecting and weighing and paying for the scrap iron at the farms. Mr. Goldberg is paying the farmers at the farm 40 cents per hundred for scrap steel and 60 cents per hundred for cast iron. Any farmer who wants to bring his scrap iron to the car will be paid 45 cents per hundred for scrap steel and 65 cents per hundred for cast iron. Mr. Goldberg plans to be at the car at all times ready to receive and pay for any iron or steel brought in by the people of Mills County.

This scrap iron and steel is desperately needed. There is an enormous scrap deficiency and the government is counting on the patriotism of the farmers to move this scrap. It is not a question of dollars and cents return to the farmers because he is not going to make any great amount of money on the scrap sale. The Victory War production may fall far short of its goal unless the scrap comes in. We cannot win in war without steel. If the scrap does not flow to the dealer and mills, steel must be diverted from other sources for military production.

Help keep the scrap rolling to Japan in the form of bombs, tanks, and battleships.

G. R. GOOSBY,
Sec. Mills Co. A.C.A.

T. D. HINESLY OF EBONY ANNOUNCES FOR COMMISSIONER

I am announcing this week for Mills County Commissioner of Precinct No. 4, subject to the action of the July Democratic Primary.

I have lived in Mills, San Saba and Brown Counties for the last 42 years, and have lived about ten years of that time in Mills County. I have had five years experience on road work.

I am 58 years old, and feel that I am well qualified to fill the office I seek, and also for the necessary road work that must be done.

I will try to see all the voters before the primary and hope to convince you that I am worthy of your trust and confidence. I solicit your influence and your votes.

T. D. HINESLY.

CECIL EGGER FOR NO. 4 COMMISSIONER

Cecil Egger was a visitor at the Eagle Office yesterday and instructed us to say that he has decided to enter the race for Mills County Commissioner from Precinct No. Four.

Mr. Egger's name will be found in its place in the Political Announcements column, and his formal announcement will appear next week.

Mr. Egger makes the fifth man to enter this race.

STAR WOMAN HAS 8 GRANDSONS IN THE COUNTRY'S SERVICE

LT. ALTON E. PECK

Lieutenant Alton E. Peck, son of Mr. and Mrs. J. E. Peck of Georgetown, was born at Star, Texas. He graduated from Goldthwaite High School and Southwestern University at Georgetown. He received his commission as "Pilot Navigator" at Mather Field, Calif. in January and is stationed at Jackson, Miss. He is a grandson of Mrs. Chas. Bowman of Star.

Mrs. Bowman has eight grandsons now in the service: Sergeant Wilson Williams, Sergeant Thos. T. Williams and Sergeant Austin P. Williams of Goodfellow Field; Sergeant Chas. L. Williamson of Florida, and James K. Williamson, first-class private at Blanding Field, Fla.; Mechanics Charles R. Peck of Chanute Field, Ill., and John H. Bowman of Corsicana, Tex.; and Lt. Peck, pictured above.

GOLDTHWAITE LIONS CLUB HAS MEETING

The Goldthwaite Lions Club met Tuesday night at 7 in the Methodist Church, where a good program was furnished by Lions Bowman and Hester. The program consisted of several songs, starting with The Star Spangled Banner by Mrs. F. P. Bowman and a group of girls. The club had several speeches on Civilian Defense and brought out the high points of the necessity in training for all different defense jobs, since each and every one will have to do some part.

The Lions Club is going to help different organizations 100 per cent.

A splendid dinner was served by the Methodist ladies.

NABORS CREEK SERVICES SUNDAY

Our regular monthly service will be held at the Nabors Creek Schoolhouse next Sunday afternoon at 3:00. All the people of the community are invited to attend.

Goldthwaite Parent-Teachers Association

The parent-Teachers' Association meets Wednesday, March 11 1942, in regular business session. A short program will be rendered directed by Miss Blackwell. All members are urged to come.

There are no "rookie" dollars. Send yours to the front! Buy U. S. Defense Savings Bonds and Stamps!

Food For Victory Campaign Can Be Won Or Lost Now

County War Board Chairman Asks For Thought In Planting

The Food for Victory campaign can be won or lost at planting time.

That's the warning A. A. Downey, chairman of the Mills County USDA War Board, gave yesterday in urging farmers to consider carefully their plans for seeding this year's crop and to put forth special efforts to do a good job of planting.

The war board chairman reminded farmers that cotton and wheat allotments still were in effect and urged that all farmers plant within their allotments so as to release as much acreage as possible for the production of food and feed crops needed to win the war.

"America has a two-year supply of wheat and more than a two-year supply of most kinds of cotton," Mr. Downey said.

The board chairman listed the principal crops grown in this county and how they were affected by the AAA program and the USDA War Board program.

COTTON—America has too much of the shorter staple length varieties and not enough of the longer staple, inch and one-eighth and over. The War Board is encouraging the production of more long staple cotton in areas where such production is suitable. Cotton allotments will be strictly observed on cotton and quotas will be enforced.

WHEAT—America still has nearly a two-year supply of wheat. The anticipated carry-over on July 1, 1942, is 610,000,000 bushels, and indications are that total supplies in 1942-43 will be about 1,400,000,000 bushels. 70,000,000 bushels more than in 1941-42. No increase in wheat production will be necessary, but if the need did arise, it would be possible to increase allotments accordingly in ample time. Farmers will vote May 2 on wheat marketing quotas for the 1942 crop.

PEANUTS—The USDA is asking for a tremendous increase in peanut acreage, 1,056,000 acres, more than three times the amount planted last year. Of this acreage, the allotment for edible nuts is 242,466 acres. The excess production of 813,534 acres will be for crushing for oil. The AAA this year will make full payment on all peanut acreage allotments only if at least 80 per cent of the allotment is planted. The Texas USDA War Board is anxious to get as much acreage planted to peanuts as possible. Indications are that we will reach the production goal. Prices of peanuts for oil will be supported at not less than \$82 per ton for No. 1 White Spanish type peanuts. Quotas and allotments on peanuts for edible nuts will be strictly enforced.

EROSION RESISTING ACREAGE—A producer to be eligible for full AAA payments must plant within his allotments for wheat and cotton, must meet the above-mentioned provisions on peanut allotments, and must meet erosion-resisting acreage or land use requirements. In Mills County the producer must devote 25 per cent of his cropland to erosion-resisting crops or land uses, but this acreage may be preceded or followed by other crops.

FEED CROPS—The AAA has no general crop allotments in 1942. The producer who meets the above requirements may plant all his cropland to whatever crops he desires and still receive full payment.

Books for Buddies

Books, Magazines Urgently Needed At Camp Bowie

District Eight Chairman Makes Urgent Appeal For Reading

The Victory Book Campaign continues to receive any donations and to urge people to give more good books for the boys in the service. The campaign seems to be lagging in Texas, and Mrs. John Horsfull, chairman District Eight, relays the appeal of Miss Fannie M. Wilcox, state director at Austin: "Surely, if these boys can give up their jobs and risk their lives in our defense, we at home can contribute from our personal libraries to the extent of a few books."

"With nearly 170,000 books needed in Texas army camps alone, we face a definite challenge to give books to America's fighters. A large percentage of boys in service are located in Texas which means that many Texas boys are in these camps, too."

These boys need books for study as well as for relaxation. Some book being read and enjoyed right now would bring joy to a home-sick soldier or sailor and help him to uphold that all important morale. They want all kinds of fiction, travel, biography, poetry, recent science and mathematics and up-to-date technical books. Also they are asking for texts in good condition. "Readers" of the lower grades for foreign-born fighters who need to know more of the language of the nation they are serving. One report told of an officer who asked for this very type for his men who were Greeks, Poles, Portuguese, etc. He also asked for spellers.

Mrs. Horsfull adds these suggestions: Dear Reader: Haven't you wished there was some way you could help the men in the service of our country. This is a way and an easy one! Look at those rows of good books in your bookcase. You've read every one, haven't you? Is there a good book you're reading right now? How about some good mystery stories? Why not share these thrillers?

The chairman of Coryell, Lampasas, Mills and part of Hamilton Counties is Mrs. William Wilford of Gatesville. Mrs. J. H. Saylor is local representative.

Find out where the collection center in your community is and give yours promptly. Don't let this opportunity to do your part pass. Keep our boys happy!

The recent change in divisions at Camp Bowie calls for many more books at once.

MAGAZINES FOR SOLDIERS

If you have magazines for the soldiers at Camp Bowie please call Mrs. F. P. Bowman, chairman of the magazine committee, or bring the magazines to the old Brownwood Ice House just south of Community Public Service Co.

WE'VE DONE IT AGAIN!

Mills County has bought her quota of Defense Bonds again. One-sixth of the year is gone—and we have bought one-sixth of our quota for 1942. We are not bragging—we have only done what we should do, but there are many Mills County people who have not yet bought bonds. Let's start now. Buy now—then buy later, too.

A country worth fighting over is worth fighting for.

Are we doing all we can to back up our boys in the service?

Don't be a sap—Whip the Jap. Buy Defense Bonds and Stamps today.

GROVER DALTON,
County Chairman.

MEMBERS OF THE DEFENSE LEAGUE:

See the government films at the meeting Friday, March 6, at 2:30 p. m., at the Melba Theatre.

The public is invited to see these patriotic films, free.

SCOUTING—

F. P. SMITH, Scoutmaster

Troop No. 45 is getting well organized and is moving along in its program. Four patrols have been organized. Namely, 1 Beaver Patrol, Toby Bryant, patrol leader; 2 Owl Patrol, Billy Ray Armstrong, patrol leader; 3 Panther Patrol, Joe P. Karnes, patrol leader; 4 Eagle Patrol, Bobby Johnson, patrol leader.

The boys are taking a great deal of interest and are very enthusiastic about the whole Scout program. We are planning a hike before long to give opportunity to pass tests and do field work. Any boy over twelve desiring to unite with the Scouts, please see one of the patrol leaders and meet with us on Monday nights at the court house at 8:00 p. m.

Troop 45 is planning a Scout house and we hope to get started with this project soon.

Ample Finance For All Of Mills County Farmers

Bravenec Says FSA Loans Are Being Used By Growers

No Mills County farmer need fail to do his part in the Food for Victory program because of lack of money to finance food-producing crops and livestock, said E. E. Bravenec, member of the USDA War Board and Farm Security Administrator supervisor.

"Many people have already taken advantage of FSA loans to increase the production of needed foods," Mr. Bravenec stated, "and others are welcome."

"Small owner-operators, tenants, sharecroppers, farm laborers, families who make only part of their living from the land, and even farm boys and girls are eligible for these food-production loans," the supervisor said. "However, loans are only for those who are unable to get financing from any other source for FSA does not compete with private credit institutions."

"For example," he continued, "to increase his milk production, a farmer might want to buy two more cows, one of which freshens in the fall, the other in the spring, or he might want to increase the quality of his pasture. FSA loans are available for the cows, and for mowers, fertilizer, and other facilities to improve the pasture. Protein and mineral supplements may also be purchased, as well as facilities for handling the milk."

Loans can be made for a brood sow or a boar to those desiring to raise more pigs. Portable hog houses, hog wire for fencing and supplemental feeds can also be financed.

"Poultry and egg increases may be realized by raising baby chicks to add to the present flock, as well as giving hens better care and more egg-producing feed."

"Family gardens are important in keeping the family well-fed and healthy. FSA loans are available to buy seed, small implements, fertilizer and insecticides. Pressure cookers, jars, cans, sealers, and materials for outdoor storage facilities supplement the gardens."

"Needed production increases in row crops and pastures are provided for by loans for feed, seed, fertilizer, small implements, workstock, and harvesting equipment," he concluded.

The Mills County Farm Security office is located on the second floor of the Mills County courthouse, with office days on Thursday of each week.

LOANS FOR FARM YOUTHS
Farm boys and girls have an important part to play in the Food for Victory program, said FSA Supervisor E. E. Bravenec in offering to finance the youths of Mills County in food-producing projects.

"Small FSA loans can be made to boys and girls in 4-H and Future Farmer of America organizations," Mr. Bravenec said, "to help them get started with a pig, calf, chickens, garden or other food-producing project. Youths not members of such clubs can become members with these loans."

Where no 4-H or Future Farmer organization is available, boys and girls may organize informal Food for Victory clubs and thus be eligible for the loans, the supervisor said. Livestock, poultry, feed, seed, fertilizer, garden tools, canning supplies and other production facilities can be financed.

Instruction in completing the project will be given by county agricultural and home demonstration agents, teachers of vocational agriculture, and the youths' parents.

MILLS COUNTY WOMEN ARE TO TAKE TWO DEFENSE COURSES

TWO CLASSES IN HOME NURSING OFFERED BY RED CROSS

Classes are to be taught by Mrs. Pearl Hale Long who is a graduate registered nurse and one of Mills County's leading citizens, donating her services to the Red Cross.

Purpose of the course: Red Cross Home Nursing is to strengthen the resourcefulness of the individual home maker, and to help her to take better care of her home and family under normal conditions as well as in illness or emergency.

The course covers such subjects as:

1. Individual health and personal hygiene.
2. Healthful home environment—the care of the home—normal family life.
3. Home care of the sick—care of the chronic and the aged—minor illness and emergencies.
4. Care of mothers, babies and small children in health and in illness.
5. Community health—prevention and control of communicable diseases.

Enrollment for classes is limited to twenty members and the only cost is 75 cents for Textbook.

One class is to be taught in the Big Valley church, starting Tuesday night, March 10, at 8 p. m. Classes will meet every Tuesday and Friday nights from 8 p. m. to 10 p. m. We already have 16 enrolled for the night classes and we only have room for four more. We would like to have four adults from the communities near Big Valley.

The other class will be taught in the Melba Theatre, in Goldthwaite, starting Monday, March 16, from 2 p. m. to 4 p. m. Classes will meet every Monday and Wednesday afternoons. For the afternoon class we would like to have 12 adults from the rural communities and 8 from Goldthwaite.

Due to the fact that Mills County has only one instructor and the Red Cross limits classes to 20 members, we want to impress on you the fact that this course covers 24 hours of instruction and actual attendance at 20 class hours is required. All work lost must be made up under the supervision of the instructor if the student is to be permitted to take the final examination and receive the certificate.

Mail or leave your application with the Red Cross Chairman in City Utilities Building by Tuesday, March 10.

BRIAN SMITH,
Mills County Chapter Chairman,
American Red Cross.

FIRST AID CLASS FOR MILLS CO. WOMEN

This is the standard course and the minimum time required for this course is 20 hours. A certificate is awarded upon satisfactory completion.

The class will be taught by Dr. J. J. Stephen in the Melba Theatre starting Tuesday, March 17. Class will meet each Tuesday and Friday afternoons from 1:15 to 3:15. The only cost is 60 cents for textbook.

Leave your application with Gene Dickerson at Fairman Co. We would like to have at least 25 women for this course.

BRIAN SMITH,
Mills County Chairman.

TO INSPECT SWEATERS

Mrs. McCullough will instruct and inspect the sweaters being knitted for our armed forces every Monday afternoon at two o'clock in the library room at the court house.

FIRST BAPTIST CHURCH

E. E. DAWSON, Pastor

One asked another in the Scriptures, "Whither goest thou?" And another replied to his master's question, "Thy servant went no whither." What is your reply when someone asks you, "How did you spend the Lord's Day?" Did you go no whither? Or, did you go away from the Lord on the Lord's Day? It is small wonder that America is now having its Gethsemane when so many have gone away from the Lord on the Lord's Day. Some have gone in the pursuit of worldly affairs. They will pay an exceedingly high price for their Sunday business—pay in the coin of the heart and character. Some have gone away in the pursuit of folly and their folly will cost them beyond measure in the end. Some have yielded to sloth and in the words of the Scriptures they crave "a little more slumber and a little more folding of the hands." Then there is the Lord's reliable who attend to the things of the Lord on the Lord's Day and find joy and refreshment of the soul, and they are the joy of the Lord and the strength of His kingdom on earth.

All services next Sunday at the regular hours, and there is sincere welcome for all.

MARRIAGE LICENSES

Alvin Alton Rose and Alta B. Johnson.
Edward Mathew Korth and Lindy Lee Green.

PLANT FOR VICTORY WEEK

THE JOB AHEAD

By JOHN A. WRIGHT
County Agent

Not long ago Secretary of Agriculture Claude R. Wickard announced a new national farm defense program asking rural families to put more steam into their production machine.

Overcoming deficits in food supplies for this nation and the democracies fighting aggression is the purpose of this Food for Freedom movement. Taking into consideration the nutritional needs of this country and Britain, agricultural leaders have set up national goals to which production in 1942 will be geared. These goals have been sub-divided into state and county goals, and also have been broken down so that every farm family knows the production expected and needed from their farm.

The following are the goals for the state of Texas, and since these figures have been released, they are asking for a still further increase in production of every commodity except milk. Increases call for 4,650,000,000 pounds of milk, which is a 4 per cent increase over 1941; 203,775,000 dozen eggs, a 10 per cent increase over last year; 1,764,053,000 pounds of beef, 18 per cent increase over last year; 17 per cent increase over 1941 for pork;

275,500,000 pounds of sheep and lambs, 6 per cent increase; and 352,800 farm gardens, which if reached would be a 33 per cent increase over 1941.

After reading such figures the question arises as to how the production can be reached. Here is how to get the job done.

MILK:

1. Make the best use of permanent and temporary pastures.
2. Save all the feed that is in the fields.
3. Feed dairy cows all roughage they will clean up all the time.
4. Feed a balanced ration at all times by fitting grain to roughage. Extension Bulletin B-69 tells you how to do this.
5. Supply minerals needed by dairy cattle.
6. Protect cows from severe weather.
7. Milk at regular hours for best production.
8. Give each cow a six-weeks' dry period.
9. Use a dairy bull that is backed by high producing ancestry.
10. Improve quality of milk, as 3 per cent of milk in 1941 was unfit for human consumption.

EGGS:

1. Fill all houses to capacity.
2. Remodel old laying houses

and idle out buildings to increase efficiency.

3. Buy chicks only from reliable hatcheries.

4. Feed a complete ration composed of grain, mash, and oyster shell.

5. Use sanitary methods, and provide succulent feed.

BEEF:

1. Market old, barren, and irregularly producing cows.
2. Creep feed calves from birth to weaning time. Gain can be put on during this period with less feed than during any other period of the calf's life.
2. Fatten for a little longer time, making the carcasses a little heavier.
4. Keep cattle free of external and internal parasites.
3. Handle cattle more carefully in getting them to market.
7. Be sure to keep a good supply of minerals available at all times.

PORK:

1. Fast feed 1941 fall farrowed pigs on a good balanced ration for economical gains and get them off to market by the time that spring pigs are farrowed.
2. Breed all available gilts and sows for spring farrowing.
3. Provide better equipment and pastures to care for the

PLANT NOW FOR VICTORY

It is evident that our country is now facing the greatest danger that has ever confronted it. The Axis Powers have determined to conquer and enslave the balance of the world.

Millions of our young men will answer the call of our country and give their lives if necessary to defend it. Other millions of defense workers will be employed to produce ships, tanks, airplanes and other munitions of warfare needed by the men at the front.

We who remain at home have a part as important in the defense of our country as the men at the front or the man in the ship yard or the bomber plant. Our job is to produce food of all kinds needed to keep our men fit for the great tasks before them. We need to not only produce food for our country but food to sell to our Allies. England, Russia, and China are receiving large imports of food from this country and must have it to continue the fight against the enemy. England must import 25 per cent of their food from this country. China must have foods of all kinds at once.

What can we do? We must produce everything possible for our own needs, and as much surplus to sell as possible. Mills County has been asked for an increase in egg production for 1942 in the amount of 252,000 dozen, an increase in milk pro-

duction of 54,000 gallons, an increase of 18 per cent in the number of beef cattle marketed, and a 10 per cent increase in the number of hogs marketed, and a 6 per cent increase in the number of sheep and lambs marketed.

Farmers of Mills County are asked to increase the acreage of feed grains by 8 per cent. Present indications are that approximately 50 per cent of the oats will be ruined by the green bugs. Any acreage of oats or barley or wheat that has been destroyed by the green bugs should be replanted to some other feed crops. If farmers fail to replant the acreages destroyed our country will fall far short of the increase requested.

Our imports of food oils has been approximately 2 billion pounds annually. These food oils consist largely of coconut oil and olive oil. Due to the war these imports have been practically stopped. To replace these food oils the acreage of peanuts in the United States must be more than doubled for 1942. Mills County in 1941 grew only 350 acres of peanuts. For 1942 Mills County farmers are asked to plant a minimum of 1,679 acres of peanuts for oil purposes. Any farmers having soil suitable for peanuts should plant every acre to peanuts. A minimum price of \$1.23 per bushel is guaranteed for No. One peanuts. Farmers not able to purchase seed pea-

nuts will be furnished seed peanuts by the Southwestern Peanut Growers' Association, and the amount due for the seed peanuts will be deducted from the sale of the 1942 peanut crop. All details of securing seed peanuts will be furnished by the local A.A.A. Office.

America still has nearly a two-year supply of wheat. The anticipated carry-over on July 1, 1942, will be 610,000,000 bushels and indications are that the total supply in 1942-43 will be about 1,400,000,000 bushels, 70,000,000 more than 1941-42. No increase in wheat production will be necessary. But if a need should arise it would be possible to increase allotments accordingly in ample time.

America has too much of the shorter staple length varieties of cotton, and not enough of the long staple. The war board is encouraging the production of more long length staple cotton in areas where such production is suitable. Mills County is not suited to the production of long staple cotton. Cotton allotments will be strictly observed on cotton and marketing quotas will be enforced.

This is our country and our fight. Plant now for victory!

A. A. DOWNEY,
Chairman of Mills County War Board.

G. R. GOOSBY,
Sec. Mills County A.C.A.

FOOD-FOR-FREEDOM GARDENS

By FRANCES BRAMMER
Mills County Home Demonstration Agent.

Homemakers everywhere are asking "What can we do to help the country in this time of national emergency?" Since this is a timely topic, the answer is quite definite. Our government is saying that homemakers have the responsibility of developing good food habits in the family. At first glance, this does not seem an exciting work to do—but when we stop to realize that about 40 per cent of the nation and 30 per cent in Mills County of the men called for army service have been rejected, many of them with disabilities due to faulty nutrition, we know that the job of getting the family into good food habits is an important one.

One of the best things about this nutrition program is that it will need the co-operation of every family. Then, too, making America strong by making stronger Americans is not just for this emergency but is constructive work which will be of value to each individual and to our country for all time.

All people will not have the

opportunity to study the scientific facts about nutrition, but anyone can learn the simple food habits regarding nutrition. Good nutrition is not just quantity of food but quality as well. Our bodies are not just "filling stations." In simple language, good nutrition is eating enough of the right, common everyday foods properly prepared.

The first line of defense of our nation is the armed forces, and we know that this first line is adequately cared for with meals thoughtfully planned as to a proper balance of fats, carbohydrates, and proteins and carefully prepared to furnish the maximum amount of the essential vitamins and minerals. But what about the second line of defense—the homes? We must give consideration to the food we feed the homefolks, because they must be able to carry on as the men on the front lines. The name of our campaign is the "Food for Freedom Campaign."

In waging this campaign, people must know what foods to eat; so the Texas Food Standard has been prepared for a guide to eating. This Standard tells exactly what you need daily.

The next question is "How are we to obtain food?" Again the answer is simple—produce it by raising a Food For Freedom Garden. Each family is asked to have one-half acre per adult devoted to raising a garden, including space for corn, potatoes and beans and peas as well as all the other garden vegetables. Perhaps this area is larger than you have used before, but there is a greater demand for food now the world over than we have known for some long period. Wherever possible each person should plant the allotted acreage, should use good seed for planting, and should carry on extensive cultivation in the garden to insure increased production. After the food is produced, then we must conserve it through some means of food preservation, either canning, storing, brining, or drying. Canning is so necessary that some type of containers will be available for the process, and now is the time to get your canning equipment necessary by repairing and adding new parts if needed.

Let's reach Mills County's quota of 1,200 gardens for 1942.

SENIOR REPORT

It is time to start working on a new six-weeks' period, Seniors. The first six weeks of the second semester is now in the past. The grade was made and if it was not satisfactory you still have a chance to make it up in the next two six weeks, and now is the time to start planning. Don't let anything slip up on you this late in the picture—just be prepared and come what may you can make the grade.

The time has come for the awards to be given to the football squad. Those Senior boys sure looked happy when they received their jackets, and well they may have been too. The award was not only for the Seniors, but for all lettered players. The Seniors' football life in high school is over, but they leave a real spirit to those who are left to carry on. They have done their deed for Goldthwaite High School and it will always be remembered. So to those boys left we say, "You make as good a showing, and we will always be proud to say that we hail from G.H.S., where the spirit of real sportsmanship never dies."

FRESHMAN REPORT

Most of our test worries are over for a little while. But it won't be long until next six-weeks are here again.

Most Freshmen were disappointed Monday morning when they awoke and found the ground was not covered with snow.

We are looking forward eagerly to the time for County Meet. Everyone is working hard to win honors for our school then.

PRESENTING:

One of the brightest, smartest, prettiest Senior girls, who is an honor student. She is five feet two inches, and of average size, and she liked to have been a true brunette (by that we mean that she has brown eyes and her hair is dark brown). She has a good personality which has won her many friends in Goldthwaite. Billie Jo Sparkman is the girl to whom I am referring, and she is known to always have a smile for everybody and is an all-around jolly girl. She is willing, wishful, winsome, and lucky. Billie Jo plans to train at Houston for a nurse when she graduates. At this profession or any other she undertakes we are sure she will succeed.

Favorite sport—Volleyball.
Favorite author—Zane Grey.
Hobby—Collecting picture post cards.
Likes best—Soldiers.
Dislikes—The war.

A quiet, attractive, slim slender Senior girl who is often seen but not heard. You never seem to know she is around until you look real good because she is so

small and seldom speaks unless she is spoken to (which is a good policy). She is often seen with Billie Jo and Dorothy Marie. Grace Huffman is the lucky Senior, but I must say she has been unfortunate in the fact that she has been ill a great deal this year and missed school. Grace is one of our Seniors, and I'm sure she can succeed at anything she chooses for a future work. Best of luck, Grace!

Likes best—Mullin (or some of its people).
Dislikes—Interference.
Favorite actor—Charles Boyer.
Favorite pastime—Reading.

Thomas Hyslop was born on May—not too many years ago, in Hutto, and that's not dreamed up biography. He is one of those persons who is perfectly at ease no matter where he is—with his teachers, with the boys, and especially with a group of feminine cuties. But there is one exception, he DOES feel a little weak in the knees while reciting poetry in front of an English class. Tommy is just about the nearest thing to a blond we have in the Senior class, he's a skinned of the dark and can't stand to be alone. He has green eyes just like the lempid pools of Lake Merritt, and is rather on the tallish side. Tommy is one of our most industrious boys, studies hard to keep up his almost straight E card, and works wholeheartedly for the Senior class—especially did he shine at the Bingo booth last semester. His best sweetheart is still his mother, and he is undecided about his future.

Likes best—Miss Davis.
Dislikes—Vocabulary words.
Favorite sport—Tennis.
In-a-word description—Every gal's Galahad.

Now comes the most persistent chatterer in Goldthwaite High. We all like Maxine Spinks for her friendly nature and her tinkling little laugh. "Squeaky" to most people, this charming young damsel has dark brown hair that is never wind-blown and always looks as if it has just been combed. The perfect ringlets frame a lovely face with sparkling blue eyes and a very fair complexion. When Maxine plunges into a job she expects to land on top and usually does. She makes excellent grades in all her subjects, and works earnestly all the time. She's always on the move, never seeming to be still, and it would take a pretty good person to keep up with Maxine. Every since she was in pigtails she has wanted to be a nurse, and this she plans to be when she graduates.

Likes best—To listen to popular songs.
Dislikes—Celery.
Favorite actor—Rochester.
Favorite actress—Gracie Allen.
In-a-word description—Pretty snitzy.

C. M. HICKS NOW MILAM SCHOOL SUPERINTENDENT

CAMERON, March 1.—Charles M. Hicks has been named county superintendent of public instruction here to succeed Mrs. Guy T. Newton, who offered her resignation this week to become effective on March 1. Mr. Hicks had previously announced his candidacy to the office subject to the July primary and had been recommended by Mrs. Newton in her letter of resignation. In the campaign for office in 1940, he ran second to Mrs. Newton for the place.

Mrs. Newton has accepted a civil service position and expects to leave Cameron soon for her new location. She first took office here by appointment at the death of her husband, and when she offered for election, won her race.—Temple Telegram.

Mr. Hicks is a son of Mr. and Mrs. Monte Hicks of this city and once taught in the Goldthwaite schools. He was football coach and science teacher. He has been teaching in Cameron High School eight years.—Ed.

Frank Billot and Chas. Campbell of Fort Sam Houston visited friend here Sunday.

Dr. S. A. Lowrie and daughter, Miss Kate Lowrie, and his granddaughter, Miss Mary Abbie Simms of Post, spent Saturday night and Sunday with his daughter, Mrs. Harry Allen, and family.

GUESS WHO!!

Maybe, someday, these Freshmen will learn that a sedan won't hold quite so many keeds. (They need a station wagon). They seem to have had quite a time of a week ago, though. A "few" of them were: Merylene and Hawley, Lloyd and Oma Jean, Wanda R. and Don M., and Weldon and Charlene. Some crowd, eh!

Speaking of a crowd, Billye Jack is saying that "three's a crowd and two's company." And, by the way, Macalee doesn't seem to be his "company" lately. He does go for blonds, though, and Mary Nell (none other!) is a blond, she's good company, they don't exactly "draw swords" every time they see each other, so put two and two together (or Billye Jack and Mary Nell) and there you are! Or—there they are, or aren't! z

Wonder how Wanda R. feels after seeing Lyman with "Burnsie"? Or how Burnsie feels after seeing Wanda with him. Some guy, that "Leemon."

Gosh, a girl just doesn't ever know where she is with that little Don Martin. He's with a different girl every Saturday night.

Charles K., don't be so fearful—maybe Mrs. Barnett will move Orpha where she was in study hall. There's always that chance.

You know, stopping to think a minute, it's funny why all the Sophomore girls pick on the Freshmen boys. For instance, Ouida, Merylene, Orpha, Rutha Fay, Jean, etc. What's the matter with the Sophs, girls?

At last we see that the uncatchable Hawley has been caught. At least, Merylene hopes!

Don't get the impression that Weldon is grieving over Merylene, though. He seems to find Charlene pretty interesting company.

Question of the week: "What two unidentified (Oh, yeah!) G.H.S.'s were seen snooping around the grounds of the school? And we do mean snooping. Must have been a snoop snooping behind the snoopers, thou, 'cause how else would we know there was snooping done?"

Mary Ann wishes to inform "Snoop" that her heart is all a flutter, but not over Claude.

ROCK SPRINGS— By MRS. EULA NICKOLS

Rev. Leslie Sparkman will preach Sunday and Sunday night. There will be Sunday School at the regular time.

We really had a cold snap. The nice slow rain was appreciated very much. The snow Sunday didn't amount to anything.

Joe Davis and family spent Sunday afternoon in Bill Alexander's home at Center City.

I called in the Lewis Hudson home Monday morning and found Mr. Hudson much better, but his wife wasn't feeling very good.

Marvin Spinkes and family spent Sunday with Bob Collier and wife who live close to Hamilton.

J. F. Davis and wife visited Sunday afternoon in my home.

Charley Conradt and family visited his parents Friday night at Long Cove.

Mmes. Roberts and Circle enjoyed a good show at the Melba Monday afternoon.

Shirley Nickols and wife from town spent the day Sunday with his mother and James and family. Glenn Nickols and wife ate supper with the family Sunday night.

Rudolph Cooke and wife have been sick the past week.

James Nickols and family and mother enjoyed a visit in Clyde Cokrum's home Thursday night.

Woodie Traylor and wife visited in the Robertson and Dunks homes in town Monday.

Miss Kathlene Cokrum, who has work in Brownwood, spent a few days with her parents.

I dined with my son Dwight and wife Monday and after dinner I visited Mrs. Everett Evans.

Mrs. James Nickols and Wesley spent Monday with her mother, Mrs. V. D. Tyson, at Center Point.

If you haven't been to the Red Cross room to help sew, try to go, for your help is needed. I've just been once but I intend to go more. The ladies are sure doing lots of work. There will be something you can do if you will go.

We all have our curiosity aroused. We hear John Roberts has a bicycle. It will be handy for him to ride to the mail box every day.

Saturday night Charles Conradt and family and James Nickols and family and mother visited in Woodie Traylor's home.

HOW TO GET IN THE NAVY IS TOLD IN NEW BULLETIN

DALLAS, March 5.—How to get into the Navy, and in what department the applicant may be qualified for, is described in a letter mailed today from the Navy Recruiting Station in Dallas for posting on bulletin boards of schools, colleges, labor organizations and employment agencies in the north half of Texas.

TEXAS BAPTISTS GIVE TO ALL CAUSES SUM OF \$320,311

DALLAS, March 5.—Texas Baptists gave to all causes, state and world-wide, \$76,674.09 more during the first quarter of this convention year than they gave in the same period last year, it has been announced by Dr. W. W. Melton, Dallas, executive secretary, Baptist General Convention of Texas. Total gifts were \$320,311.01 as compared with \$243,636.92 last year.

The enlarged program of Texas Baptists, Dr. Melton said, calls for gifts of \$1,200,000 during the year, or an average of \$100,000 per month. Receipts during November, December and January (the convention's first quarter) averaged \$106,770.31 per month, or almost \$7,000 more than the monthly goal.

Primary Reporter—Loretta Adams.

SENIOR REPORT

We are all proud of our basketball court and we all enjoy playing basketball.

There have been several pupils absent from our room, due to bad weather and sickness, but all are back in school again.

Most of the pupils from our room attended the fair at Mullin last Tuesday and reported having a big time.

We enjoy having visitors in our school room. Those who visited last week were Charles Dee and Wilson Wright and Oleta Utzman. The Wright boys have been coming by and playing basketball with us during play period. We are proud to have them.

PRIMARY NEWS

We sure are proud the weather has warmed up so we can come back to school. We are sorry that Alvin Shelton was sick and had to go home today.

We have four absent in our room today. They are Loretta Adams, Louise Adams, Beulah Ann Perry, and Alvin Shelton.

INTERMEDIATE REPORT

We are glad that Altha Mae Perry is back in school after about two weeks of illness. There is one absent from our room today and it is Katherine Adams. Our home units are finished. We will be glad when the weather gets so all of the pupils can come back to school. Our room is working on charts, and we will be glad when we finish them.

SPORTS REPORT

We have had very much sports this week. We got the basketball court ready and played a

game Friday night.

The boys practiced basketball this week.

DID YOU KNOW THAT:

We had a big time at the basketball game last Friday night? Miss Sue has eyes in the back of her head, or rather that's what the boys in the Sophomore Class say?

We like the new and latest songs better than the old ones? Otto said that he never saw a pretty girl? We don't believe him.

Betty said that she had seen some good-looking boys? (Wonder who it was.)

Otto, Betty and Sarah like to ride wild horses?

Joe had a birthday Monday and Otto will have one Wednesday?

Clyde wants George Wright for a 4-H Club sponsor?

4-H CLUB NEWS

Our 4-H Club girls met Thursday, Feb. 26, with our sponsors, Miss Curb and Miss Phillips.

A few of the girls attended the Fair at Mullin Tuesday and reported having a big time. The girls reported at the meeting what they saw at the fair. They saw shoebags, dresses, counterpanes, foods, scrapbooks and also the stock.

Miss Brammer will meet with us at our next meeting on March 12. We hope some of the girls will have their poultry scrapbooks finished.

THE JOB AHEAD

(Continued from page 2)

spring farrowed pigs.
4. Feed pregnant brood sows on good balanced rations as to develop large litters of strong pigs. Avoid getting brood sows too fat.

4. Fast feed spring pigs and try to have them on the market by September, 1942.

6. Re-breed sows so that they will farrow again in the fall of 1942.

LAMB AND MUTTON:

1. Reduce death rate at lambing time.

2. Provide succulent green feed where possible.
3. Produce an increased number of milk-fed lambs.
4. Keep sheep free from internal parasites by regular drenching.

The increases cited above will require the efforts of every farmer in America working closely together. We must meet these increases, as history reminds us that success on the battlefield requires men, implements of war, munitions, and adequate food supplies.

The spirit and performance of the American people during the months ahead will determine in a large degree whether our generation our homes and cities will be victims of lethal bombs. The American farmer never has failed nor been accounted short in his duty to his country in peace or war—Let's not let this crisis be an exception.

Dr. and Mrs. J. J. Stephens and children spent the week-end in Fort Worth with his sister, Mrs. E. C. Pond.

You Can Help Win this War!

All Scrap Metal on Your Farm
Must Be Salvaged Now

UNCLE SAM needs every gun, shell, tank, ship and plane that American War Industry can produce to win this war. The present shortage of scrap metal in this country threatens to slow down war production. You can help speed it up by collecting every piece of scrap iron and steel

on your farm and bringing it to town at once.

Because there is no local scrap dealer, this store has set up a scrap depot to serve as a collection point for farm scrap in this area. Bring all your scrap metal here. You will be handed a receipt for it and as soon as it is sold to a scrap dealer you will receive full credit in cash or Defense Stamps.

There will be no commission charged or profit made by this store for performing this service. It is our contribution to victory.

Uncle Sam asks you to collect your scrap metal now and bring it in. We will move it on to War Industry.

PERSONAL PARAGRAPHS

Mrs. J. S. Bowles, formerly an instructor of English in the Goldthwaite Schools, is an instructor in secretarial training Durham's Business College, Fort Worth.

F. P. Bowman made a business trip to San Marcos last Sunday.

Mr. and Mrs. C. L. (Bill) Stephens have moved to Davenport, Iowa, where Mr. Stephens is employed in the Rock Island arsenal. Mrs. Stephens, the former Lucy Cross, is the daughter of Mr. and Mrs. J. L. Cross of this city.—Brownwood Bulletin.

Mrs. Andrew Smith and daughters, Mrs. George Loyd and Miss Willyne Smith, all of Winters, stopped for a short visit with Mrs. T. S. Gerald. They were on their way to Temple to visit Mrs. Smith's son, Dr. Clyde Smith, who is in the King's Daughters Hospital.

Rellis Earl, little son of Mr. and Mrs. R. E. Worley, is very sick at his home. His grandmother, Mrs. J. P. Gerald of Hamilton, has been at the bedside of her grandson since last Friday. His grandfather was here Saturday and Sunday.

Mrs. B. A. Hodges and little daughter, Nelda, are very sick at their home on Fisher Street. Mrs. Hodges has been sick for several weeks.

Sunday and Monday guests of Miss Freda Gersch were Misses Valeria Steglich, Nellie Rische and Ruby Pittsford of Austin.

Sam Weems and Arche Parr of Ballinger visited Tuesday night with Mr. Weems' mother, Mrs. D. A. Weems.

Mr. and Mrs. John Keese, who have spent several months with their daughter, Mrs. Homer DeWolfe, and sons at Austin, returned home Tuesday.

Mrs. W. L. Burks and mother had as Sunday guests Miss Grace Denson of Brownwood, Mr. and Mrs. Alfred Denson of Mullin, and Miss Georgia Porter.

Mrs. Lee Berry is quite sick at her home from an infection caused from a fever blister.

Mrs. Will Richards and granddaughter, Ray Ann Ford, and Mrs. Chas. Rudd left Friday for a visit with Mr. and Mrs. Herman Rudd and little son,

Charlie, and Mrs. Mabel Ford at Wichita Falls. They returned Sunday evening.

Mr. and Mrs. L. L. Thomas and daughter, Miss Jessie Lee, of Zephyr visited over Sunday with Mr. and Mrs. Fred Skiles.

Mrs. Ed Palmer has been visiting for a week with her parents, Mr. and Mrs. Tom Keese. Mrs. Palmer left for Albany Wednesday.

Rev. and Mrs. E. E. Dawson spent Tuesday visiting their daughter, Mrs. George Holladay, and family at Hico.

Miss Clea Geeslin of Blinn College at Brenham spent the week-end with her parents, Mr. and Mrs. H. C. Geeslin.

Mr. and Mrs. O. O. Smith and children spent Sunday in the W. P. McCullough home here.

Mrs. P. H. Hamilton left for Corpus Christi Sunday. She visited with relatives here.

Mr. and Mrs. Jeff Priddy have been quite sick with flu at their home on Parker Street. Mrs. Carroll Lowrie of Corpus Christi is with her parents.

Mrs. H. A. Sykes and daughters, Misses Mary Margaret and Lenora of Winters, were here a few days last week. Miss Mary Margaret had just received an appointment to Washington, D. C., at a senior stenographer.

Mr. and Mrs. Clyde Lane of Cross Plains spent Monday night with Mr. and Mrs. Key Johnson. Mrs. Lane is a sister of Mrs. Johnson. Clyde Lane was in town Tuesday morning shaking hands with his friends.

The house on Parker Street that Carl Bledsoe purchased from J. D. Urquhart has been redecorated and repainted and his family has moved in.

Mrs. Loyd Pope of Houston came in Tuesday morning for a week's visit to her mother, Mrs. J. D. McKenzie, and sister, Mrs. Mark Geeslin.

Monday visitors of Rev. and Mrs. E. E. Dawson were Rev. J. J. Kellam of Dallas and Rev. J. P. King of Brownwood.

Mr. and Mrs. W. C. Frazier visited Sunday afternoon with her sister, Mrs. B. B. Parker, who is quite sick at her home in Lometa.

Dick Harper of Denton has been visiting several weeks with relatives at Star. He is visiting a few days this week with his niece, Mrs. Henry Ezzell.

Mrs. Hugh Norvel spent the day last Wednesday with Mr. and Mrs. Lewis Hudson.

Mr. and Mrs. Fred McClary and son visited her parents, Mr. and Mrs. J. D. Dewbre, at May Sunday.

Mr. and Mrs. Tom Corridon left for their home at Iowa Park last Friday. Mrs. Corridon has been here several weeks with her parents, Mr. and Mrs. Will Urbach.

Mrs. Sallie Rudd spent the week-end with her son, Herman, and family in Wichita Falls.

Mrs. R. L. Sutton and Mrs. E. L. Pass visited their sister, Mrs. H. Y. Phelan, and family in Brownwood Saturday.

Mrs. Ches. Frazier spent the week-end with her sister in Lometa who is sick.

H-D COUNCIL TO MEET SAT.

The Mills County Home Demonstration Council will meet in the home demonstration agent's office Saturday, March 7, at 2 p. m. Definite plans will be worked out for the canning equipment clinics. Delegates will be selected for the District Home Demonstration Convention to be held at Baird on April 7. If you have not turned in your educational fund contributions, please bring them to this council meeting.

Miss Laura Lane, Extension Editor, will be a visitor at the Council and will conduct a wide awake training school for reporters of both the 4-H clubs and the Home Demonstration clubs. It is a privilege to have Miss Lane in Mills County, and she will give some valuable help to all the club reporters. So, Club Reporters, let's be present and bring some paper and a pencil. The Reporter's Training school will be conducted from three to four o'clock, immediately after the Council meeting.

KEITH-GREEN

Edward Matthew Keith of Mason and Miss Lendy Lee Green of this city were married at the bride's mothers home last Saturday night at 10:30 o'clock. Pastor E. E. Dawson of the Baptist Church solemnizing the rites. Numerous friends and relatives were present as witnesses.

The happy couple plan to make their home at Gall in Borden County.

REV. ROBERTS MOVES

Rev. C. K. Roberts, pastor of the Big Valley Baptist Church for the past three years, closed out his work there Sunday, Feb. 22. He has accepted the Baptist pastorate at Mason and moved there the first of March.

He has been Moderator of the Mills County Baptist Association and wishes to express his appreciation to the several churches and pastors for their hearty cooperation.

Mrs. W. N. Bigham

Mrs. W. N. Bigham, 64, life-long resident of Bell county, died at 2:15 p. m. Wednesday after an illness of 11 days with pneumonia. She had been in ill health for about a year.

Mrs. Bigham was a member of one of Bell county's most prominent pioneer families, being the daughter of the later Sheriff and Mrs. Sam A. Sparks. She was born March 28, 1877, at the old family home at Sparks, the community being named for her family. She was a member of the Presbyterian church.

Surviving are her husband six sons, Sparks Bigham of Goldthwaite, Newt Bigham, Jr., James Bigham and Bobbie Bigham of Belton, Jack Bigham of Greenville, S. C. and Billie Bigham of Ennis; one daughter, Mrs. J. B. Griffin of Fort Worth; three sisters, Mrs. S. B. McElroy of Belton, Mrs. Annie Morgan of San Antonio, and Mrs. Ed Graves of Longview; one brother, Lidge Sparks of Clovis, N. M.; and seven grandchildren. A son and a daughter preceded her in death.

Funeral services will be held at 2 p. m. Thursday at the family residence at Wilkerson Valley conducted by Rev. T. M. Lemly, pastor of the Belton Presbyterian church. Interment will be in the Sparks family cemetery at Wilkerson Valley.—Temple Telegram.

Miss Georgia Frizzelle is visiting in San Angelo this week with Mrs. Nan Kilpatrick.

TEXAS ALMANACS AVAILABLE HERE

A limited number of Texas Almanacs and State Industrial Guides are available for Mills County people at the Eagle office. The Almanac, published by the Dallas News, sells for 60 cents at the office or 75 cents

Time To Plant War Gardens Now Says H-D Agent

Six Rules Given On How To Get Best Garden Results

By MISS FRANCES BRAMMER
Mills County Home Demonstration Agent.

"Food for All" might well be our national slogan, because never before in the history of our country has there been such a general recognition of the value of food to the health and morale of the civilian population as well as of military forces. Food is power. Secretary Wickard said that food will win the war and dictate the peace terms. Hitler is using food in two ways. He is giving food to the Germans to build their spirits and he is taking the food away from the conquered nations to break their spirits and will power. Since food is a factor in the morale of any nation, we Americans must produce food for the nation and for our allies.

This need for food will continue after the war is over; hence we must all become garden conscious. The goal for Texas is 352,000 gardens, which is a one-third increase over last year. This means that each farm family in the state must have a garden that will supply an abundance of vegetables for use fresh during the growing season and an ample supply to can and store for the emergency of a poor growing season. It is pointed out that fewer than half of our farm families have an adequate diet of which home grown vegetables have an important part. This is our situation. Now, let's see what we can do about it.

1. Your first job is to determine where you will plant vegetables and how much land you will use. One-half acre for every adult is recommended. Make the garden plan fit the family by planting the following amounts per person:

Leafy, green and yellow vegetables—200 foot row space;
Irish potatoes—1-2 bushel;
Sweet potatoes—75 plants;
Other vegetables—200 feet;
Beans and peas, 400 feet.

Get your land in shape by plowing deep, harrowing it down, and letting it settle at least ten days before planting.

2. Next, determine what varieties of seed grow best in this locality, and secure these seeds. A package of "Seed for Freedom," seed suited for this locality, can be bought for \$1.70 and it contains five pounds of garden seed, enough for a family of four. Further information may be secured in my office.

3. Plant at the proper time—Frame Gardens—February or March.

Summer Gardens—February 15 to May 1.

Fall Gardens—July 1 to September 1.

4. Take care of your garden—Keep the soil well cultivated; Keep the moisture regulated; Kill the weeds when young;

Dust and spray the bugs and feed them poison mash.

5. Harvest your vegetables when they are at their best, fresh, crisp, tender.

6. Save all the food substances and natural flavors by using vegetables as soon as they are

peeled;

Serving some unpeeled;

Serving some raw;

Saving the "pot licker" for soups, sauces and gravies;

Cooking the vegetables correctly;

Canning, curing, drying, freezing, storing, and brining the vegetables according to up-to-date methods.

When you talk of food preservation, we immediately run into governmental priorities, and we will be unable to buy tin cans this year. So, glass jars must be put to use. Now you might check on your supply of glass jars and secure good lids and rubbers. Also, you will want to check your pressure cooker to see if the gauge registers correctly. The Mills County Home Demonstration Council is buying a maximum thermometer and a canning equipment clinic

will be conducted in your community.

Is growing a good garden, preserving the food, and serving well-balanced meals your individual contribution to national defense? Each of us must make the contribution which he is best fitted to make. No contribution is too small. Just remember, "A garden is a magic spot—You plant a little, and reap a lot."

Mr. and Mrs. Charlie Smith and daughter, Imogene, of Dallas spent the week-end with her mother, Mrs. L. E. Langford.

Mrs. Emma Stevenson is seriously ill at her home. At last report her condition was some better.

Mr. and Mrs. Clyde Weatherby and baby of Hamilton spent Sunday in the Walter Weatherby home here.

Mrs. Fred Barton was called Saturday to the bedside of her parents, Mr. and Mrs. S. P. Eoff, who were seriously ill. She left immediately for Lubbock. Mrs. Barton sent a message to Goldthwaite that her mother passed away Monday afternoon.

Mr. and Mrs. Jon Schooler spent Sunday in Ballinger with Mr. Schooler's sister, Mrs. J. T. Routh, and Mrs. R. H. Schooler of O'Donnell, their mother, who is visiting Mr. and Mrs. Routh and son this month.

NEIGHBORING NEWS

ITEMS FROM LOCAL PAPERS OF TOWNS MENTIONED

San Saba—

The final mile of asphalt toping has been placed just north of San Saba on Highway 16, a main military road between Camp Bowie and San Antonio, through a WPA project just completed here. This gives us a completely paved highway north and south.

San Saba County club boys fat calves, hogs and sheep, from the fat stock show here Monday, "went to town" on the Fort Worth livestock market Tuesday, topping that well-known mart for the day, and the boys came back with nearly \$5,000 from the sale of their livestock.

Jack Locklear, Dougal Cameron and Pete Oldham returned last evening from a fishing jaunt down on the Colorado, with the biggest yellow cat of the present season, a 56-pounder.

Mrs. James Fox, daughter of Mrs. R. L. Connell, arrived here by plane from San Francisco Saturday night, having arrived in California from Australia Wednesday of last week. Mr. and Mrs. McConnell met her in Fort Worth.

Fire of uncertain origin Tuesday

day afternoon practically destroyed the frame residence of Mrs. S. C. McCarley on West Wallace street, entailing an estimated loss of some \$700. —News.

Lampasas—

George Nelson, who was burned while trying to extinguish the fire when it started last Thursday morning in The Exchange building, died Friday morning about 11 o'clock in the hospital. He was 65 years of age and had no relatives that he knew anything about.

J. W. McCann, Jr., county clerk, has been appointed by R. R. Sayers, director of the U. S. Department of the Interior, Bureau of Mines, as Explosive Licensing Agent, under the Federal Explosive Act of December 26, 1941, for Lampasas County.

Dorita, the 2-year-old daughter of Mr. and Mrs. David Jones of Lometa, died Thursday night, Feb. 18, in the local hospital. She was burned a few days before when she spilled a pan of hot beans down the front of her body.—Record.

By MRS. GEORGE BROOKS

(Intended for last week)
We had a lot of cold this week but no rain. We are beginning to wish the rain would start so we can begin farming and gardening.

The ladies of the community are planning to sew one day each week for the Red Cross. The first sewing was held Wednesday at Mrs. Tip Roberts. Those attending were Mrs. A. Wilcox, Mrs. E. D. Ferguson, Mrs. Harvey Hale, Mrs. O. B. Bell, Mrs. C. B. Barcroft, and Mrs. Tip Roberts. We hope everyone will be able to come next time.

Mrs. A. Wilcox isn't improving fast. She has had a very severe infection inside her nose.
Mr. and Mrs. E. D. Ferguson and family spent Sunday with Mr. and Mrs. E. P. Barcroft.

Spencer Renfro is visiting his grandparents, Mr. and Mrs. L. Jernigan. Mr. and Mrs. Odin Renfro have moved to Bastrop.
George D. Brooks went to Bastrop Wednesday to work in the army camp building.

Bro. Nalley and family came Sunday. They were accompanied by Mary Helen Drake and Inez Gentry. Both are in training for mission work. Miss Drake brought a message in the morning. Miss Gentry spoke at the evening hour. Both brought wonderful messages.

Our Sunday School meets at 11 a. m. new time; B.T.U. at 7:30 p. m. each Sunday.

Bro. Nalley and family, Misses Drake and Gentry and Robert Roberts took dinner Sunday with Mrs. George Brooks and children.

Elva Faye Brooks visited Vera Mae Bell Sunday.

Bro. Nalley and family, Mrs. G. D. Brooks, Mr. and Mrs. Harvey Hale and Annagene Hale visited in Big Valley Sunday afternoon. We also called on Mr. and Mrs. George Ashby of Goldthwaite.

Billy Hale is staying at home now. For several months he has been making his home with his sister, Mrs. Pearl Long. He visited Horace Brooks Sunday afternoon.

Mr. and Mrs. A. Wilcox were visitors in San Saba Thursday.
Mr. Truitt Ashby is visiting Mr. and Mrs. C. P. Barcroft.

SCALLORN—

By MRS. ORA BLACK

We are all rejoicing over the fine rain which fell early Sunday morning. Farming and gardening will be in full swing within the next ten days.

Listed below are the names of the ladies who assisted with the Red Cross sewing the third week: Mrs. Arlie O'Bannon, Mrs. F. R. Hines, Greta Sue Hines, Mrs. Barney Laughlin, Mrs. Earl Blake, Mrs. Worley Laughlin, Grandmother Laughlin and Mrs. Ora Black. We want to thank Worley Laughlin who made it possible in getting our machines assembled at Red Cross Center.

Mr. and Mrs. Homer Eckert made a business trip to Lampasas Tuesday.

Mr. and Mrs. Wayne Henry and children visited Sunday with

Mr. and Mrs. Arlie O'Bannon. Mr. and Mrs. Duth Smith went to Brownwood Tuesday.

While sawing wood Saturday Dee Jones had the misfortune of losing a finger when his hand came in contact with the saw.

Mrs. Earl Blake and mother visited in Brownwood Monday and Tuesday with relatives.
C. H. Horton and granddaughter, Ava Lavon, visited in the John Kuykendall home Sunday.

Mrs. Lila Crawford was a week-end guest of her mother and family.
Week-end guests of the writer were Mrs. Charles Wright and daughter Marjorie of Brownwood, Mr. and Mrs. C. Mosely of Ballinger, Rayford Davis and son Pat and Mr. and Mrs. Earl Blake.

Mr. and Mrs. Snyder of near Lometa were Sunday afternoon callers of Mrs. W. Stevenson and brother Jim.

Mrs. Lena Eckert, Mrs. W. Stevenson and Mrs. Ora Black met Thursday in the Dee Jones home to do some cooking and housecleaning, since help can not be had at his time. Mrs. Jones has been unable to be up now for a year or longer.

The Fred Wittenburgs are rejoicing over the arrival of a new baby in their home.

Mrs. Lina McLean of Goldthwaite visited Wednesday with Mr. and Mrs. Barney Laughlin.

Mr. and Mrs. Terrell Casbeere went to Santa Anna Saturday to take her father, T. J. Hufstutler to a hospital for a check-up.

Mrs. Frank Hines is on the sick list this week; so are the Ed Evans family.

The Scallorn H. D. Club meets March 12 for an all-day meeting with Mrs. Arlie O'Bannon. Miss Brammer will meet with us and request that each bring our pressure cookers and sealers for a check-up. Each lady will contribute a covered dish for the occasion.

Mrs. Cora Ford returned home Sunday after spending several days in the home of her son, J. D., and family.

CENTER POINT—

By MRS. JEWEL SPINKS

We would be glad to have some more of that pre-spring weather again. It's been too cold to try to do any farming. A good rain is badly needed. We hope it soon warms up so we can start gardening. Quite a few in our neighborhood have bought little chickens. Mrs. Walter Conner has bought 50 and Grandmother Conner bought 100 last Saturday.

Miss Elva Vines and Slick were at home recently.

Miss Jerry Weathers, a popular girl, and well known in our community, is back home from Brownwood, where she has been working.

Mr. and Mrs. Verne French attended church in town last Sunday night.

Mr. and Mrs. Rube Hammonds who have moved on the Gartman place, visited her mother recently.

L. D. Spinks was in Mullin Wednesday.

Mr. and Mrs. Burks of Trigger Mountain visited Mr. and Mrs. Verne French Sunday.

Mr. and Mrs. Collier's daughter has been visiting them this past week.

Garl and Alvin Spinks visited their brother, Albert, near Comanche Wednesday.

Mrs. Conner's granddaughter, the former Miss Hattie Miller, whose husband is on a ship stationed somewhere near Manila, has not heard from him for some time. Hattie is in Washington with friends.

Elam Wright bought 100 chickens at Goldthwaite Saturday.

Aley Utzman was in Goldthwaite Saturday.

Roy Ethridge was in town Wednesday.

Miss Sarah Yeager is staying with her aunt, Mrs. Lewis Truitt, and attending school.

NABORS CREEK—

By MRS. SAM SELF

We all enjoyed the fine rain early Sunday morning, but we don't appreciate the cold spell and high winds which followed later in the day.

As March came in like a lion we hope it goes out like the proverbial lamb and give the farm women a chance to do some needed gardening.

Mrs. Sam Self had business in town Saturday.

Mr. Barnett was out seeing after his stock one day last week.

Billy Smith was home for the week-end from Duncan Field.

Rena Lou Smith missed school this week due to illness.

Claud and Arthur Smith were on the sick list Friday.

Congratulations to two of our F.F.A. boys, Tom Womack and C. W. Winkle, on their livestock entries and the tops in sales at Fort Worth. Come back next year, boys.

Mrs. Rena Smith and Robert attended to business in town Monday.

Homer and Robbie Smith went to the auction Monday.

Mr. and Mrs. J. R. Parker were in town Monday.

Nearly every man we meet these days is a candidate for some office.

The sun rose clear over a country white with frost Monday. Many parts of Texas were blanketed with snow, but most of us think the frost was sufficient here.

SOUTH BENNETT

By MRS. M. L. CASBEER

Rev. English from Brownwood and Rev. Dawson of Goldthwaite made several calls in the community last Friday to let everyone know that there would be church out the third Sunday and dinner on the ground. Every one is requested to be there.

Mr. and Mrs. Will Johnson from San Saba spent the day Sunday with their son, Leon, and family.

Mr. and Mrs. Monk Welch and son visited with Burtell Roberts and family Friday night.

Mr. and Mrs. Bachus and family moved several weeks ago to the Ray Blackburn place in this community.

Blondie Stacy spent Thursday night in the M. L. Casbeer home.

Mrs. Ike Welch's brother and wife, Mr. and Mrs. Cornwell and baby, formerly of Arizona, moved last week to our community. We hope they will like their new home.

Horace Gray and Valeria Stacy ate supper in the M. L. Casbeer home on Friday and Saturday nights.

Little Miss Zora Lee Roberts spent one night last week with her Grandmother Stacy and family.

Julius Kauhs and family moved into a house on Willis Hill's place a few weeks ago.

Ada Margaret Geeslin from Center City spent one night last week with Sybil Casbeer.

Mrs. Lem Jones' daughter has been visiting her for some time.

The Poor Cave Man Had No Newspaper To Advertise In. But You Have!!

EBONY NEWS—

By CLEMENTINE WILMETH BRILEY

We had sleet Friday, hail and rain Saturday night, a cold, chilly wind Sunday, but warm sunshine Monday with enough moisture for plowing and spading. Maybe now we can get to work on that defense garden.

Once again we farm women thrill to the finding of that enchanted turkey's nest, almost invariably hidden on that steep hillside to the creek amid gigantic boulders, brush, briars, and trees.

Mrs. Harrison, mother of Mrs. Platt Hollis, is staying in the Hollis home now.

Darvin Roberts and Miss Ann DePriest were married Feb. 14 at Brownwood. These two young people are well known to this community, and their friends here have only the best of wishes for them. Mr. and Mrs. Roberts were out to visit his aunt, Mrs. P. R. Reid, Sunday.

Another wedding of interest is that of Darvin's sister, Doris Roberts, of Austin and J. D. Eckart of McCamey which took place Feb. 15. They are making their home in McCamey.

We congratulate Mr. and Mrs. Lloyd Neal on the arrival of a son born last week. We have not yet learned the exact date of his birth, or his name.

Mr. and Mrs. Dale Reid and children spent Saturday night and Sunday with Mr. and Mrs. P. R. Reid.

Mr. and Mrs. Perry Day made a business trip to Fort Worth last week.

Austin Cawyer of San Angelo arrived at the Dwyer home Saturday night and stayed until Sunday morning, taking Mrs. Dwyer to town and helping her with other business matters.

Ab Trowbridge of Brownwood spent Saturday night with Mr. and Mrs. Johnnie Egger.

We are glad to report that Mrs. Bob Egger is decidedly better this week. It is not now necessary to sit up with her at night, and Mrs. Charles Griffin, Mr. and Mrs. Gene Egger and Mrs. Dewey Smith, who have been staying with her, returned to their homes. Miss Dolly Reynolds has been staying with Mr. and Mrs. Egger for the past week.

Stanley Reeves called on the Wilmeths and the Brileys Wednesday. He says that his farm hand, Elzy Jones, has left him and gone to San Angelo, so it keeps him busy just doing the chores around his place. Stanley made a fine record when he sold two of his fed calves for something over \$136 at the Brownwood stock barns last week.

Nine women, including Mrs. Effie Egger, Mrs. R. M. Haynes, Mrs. Jim Wilmeth, Mrs. John Briley, Mrs. Johnnie Egger, Mrs. Cecil Egger, Mrs. Alvin Ketchum, Mrs. Perry Day, and Mrs. Earl Day from Brownwood, met at the home of Mrs. Perry Day Thursday for Red Cross sewing.

The ladies did quite a bit of sewing. They agreed to meet again Monday afternoon at the home of Mrs. Effie Egger to finish the garments.

The H. D. Club meets this Friday at the home of Mrs. Wallace Perkins. Miss Brammer will be with us. Remember to come.

CENTER CITY—

MRS. J. M. OGLESBY

Fine rains and freezing weather have been out our way since last report.

Sunday was rainy weather and many stayed at home by the fireside.

Grandmother Collier is quite ill at this writing. A physician was called for her Monday. She has been in failing health for some time.

Lyle Geeslin and family are visiting his parents, Mr. and Mrs. J. M. Geeslin.

The H. D. Club met with Mrs. Ira Alldredge last Friday.

Mrs. Chester Head is recovering nicely in a Temple hospital. It is hoped she will be able to come home in a few days.

Mr. and Mrs. Jim Weatherly spent Thursday in Waco attending to business.

Jerry Walker of Camp Bowie visited in Goldthwaite Sunday.

Miss Lee Ruth Graves of Comyn spent the week-end with homefolks.

:- Mullin News :-

From Mullin Enterprise

A group of Mills County 4-H Club and F.F.A. boys marketed over \$2,300 worth of livestock on the Fort Worth market last Wednesday. The boys with their leaders toured the markets and watched the sales of their stock. At the noon hour they were guests of Ted Gouldy on the KGKO radio program. They were then served lunch by the Swift & Co., and made a tour of their plant.

The P-T.A. had its regular meeting on Thursday afternoon, Feb. 26, with Mrs. W. C. Preston presiding. A short business session was held, several items of old business were attended to, and several new items.

Ruby Sanders entertained a group of her little friends on Feb. 28, her ninth birthday.

Miss Jewell Carlisle has returned home from a week's vacation in Crockett, Houston and Beaumont.

The Red Cross sewing date is Saturday, March 7, instead of March 6, as stated in last week's Enterprise, at the school building from 10 until 5 o'clock.

Miss Juanelle Burkett, Miss Gladys Sadler, and Alton Curtis of Brownwood went to Beeville Thursday and attended the funeral of Mrs. Ella Farmer, an aunt of Gladys and Alton. They returned home Sunday.

Mrs. C. C. Wesson and son, J. C. Wesson, of Center Point visited her parents, Mr. and Mrs. Goodwin, Sunday.

Mrs. A. F. Shelton is reported on the sick list this week.

F. B. Morgan and family have moved to Bastrop, where he has employment at the army camp.

Cleburne Masters has employment at Bastrop.

A welcome always awaits you day and night and hot meals gladly served.—TYSON'S CAFE.

Rex Mahan and Chester Chancellor both observed birthdays on the third of March and born the same year and so are twins, so to speak.

Mr. and Mrs. Lee Henry of Los Angeles, Calif., visited her mother, Mrs. N. J. Tyson, and her husband, N. J. Tyson, the past week, leaving on Friday for Austin, where they visited her sister Nanette Tyson in the Blind Institute.

The W. M. U. met Monday evening with ten present to enjoy a book review by the hostess, Mrs. S. J. Fisher. A profitable and pleasant hour was spent by the ladies in this good spiritual work.

Lewis McFarland of the Plains Country in the western part of the state is visiting his mother, Mrs. W. H. McFarland, who was resting nicely at last report. She has been ill for some time.

Nanette Tyson.

Irving Fisher and Bob Crockett are among the crowd from here at Bastrop.

Mrs. John Hein of Priddy Is Buried

Mrs. John Hein, a resident of Priddy for the last 35 years, died in the home of one of her daughters, Mrs. Martha Siegmund near Brownwood, on Monday, March 2nd. Mrs. Hein was born and reared in Province Posen, Germany. In 1890 she with her husband and small children came to America and settled in Washington county, Texas. Later they moved to Travis county. In 1907 they moved to Mills county. Here her husband died in 1929, and since then she has made her home with her children. Early Monday morning she became suddenly ill and soon died of heart failure.

Those who mourn her demise are four sons, Ed and Fred of Priddy, Henry of Ireland, Texas; and Herman of Wallis, Texas; five daughters, Mrs. Augusta Glenn of Quanah, Mrs. Hulda Schuster of Iraan, Mrs. Martha Siegmund of Brownwood, Mrs. Liseete Schumann, Priddy and Mrs. Alma Bushmann of Navasota; four brothers, John Schoen of Pflugerville, Julius Schoen of Yuma, Ariz., and Willie Schoen of Austin. Also 33 grandchildren and many other relatives and friends.

The funeral was held in Zion's Lutheran Church of Priddy, with its pastor, A. H. Muehlbrad, in charge.

Mrs. Jewell Ivy accompanied Mrs. Vernon Harville to Brownwood Sunday and spent the day. Ben Massey made a visit with relatives in San Angelo Sunday. Mr. and Mrs. Gus Truitt have moved to the Cordyr Pyburn station.

Black Wallace was looking after business in Goldthwaite Wednesday.

Mrs. Vernon Harville has recently moved to Brownwood, where her husband, Corp. Harville, is stationed at Camp Bowie.

Mrs. Ralph LaGrande of Selma, Calif., is here for a visit in the home of her parents, Mr. and Mrs. G. M. Fletcher. This is her visit home in many months and her family and host of friends are in deed hand.

Mr. and Mrs. F. R. Stravs of Byhalla, Miss., visited Thursday in the home of her aunt, Mrs. R. H. Patterson, and her husband, R. H. Patterson. Mrs. Stravs represents the Warren-Teed Drug Company and is now located at Dallas and they promise they will visit often in the editor's home.

ARTHUR BIRD, Owner

The SNAPSHOT GUILD COSTUME PORTRAITURE

Want a pleasant way to spend a winter's evening? Try costume portraiture, you'll like it.

AT THIS time of year picture-making often comes to a complete standstill as far as some amateurs are concerned. The one thing, however, that never seems to be taken into consideration is that life, unlike picture-making, is never temporarily discontinued.

For instance, now that winter has enveloped the country, are the members of your family less photogenic than they were last June? Has anyone you know changed so greatly that it is now an impossibility to picture him at all?

Of course not. The only reason fewer pictures are made in winter than in summer is that pictures are not as obvious. But on the other hand, winter is replete with possibilities which are just as good picture material as any summer picnic.

What are these possibilities? I'd say that costume portraiture heads the list. When the weather's nasty that's an excellent way to spend a

interesting week-end afternoon or an evening at home.

In costume portraiture there are countless variations—each of which will make a memorable addition to your album. And if, when you try costume portraiture, you exercise your ingenuity in improvising costumes, you won't have to buy or rent a thing. It's surprising how many ordinary objects make excellent props. For example, curtains and coverlets can be made to serve as drapes for pictures with an Old World tang. Furthermore, it's easy to make a turban out of a bath towel. Just pose and light these costume portraits, as you would any good indoor picture, and you'll consistently secure successful pictures.

Here's another tip—instead of single snapshots, make a series of pictures—say in sets of three or four so that they tell a simple easily-understood story. A series has many times the appeal of even a striking single snapshot.

Adapting Living Habits To Wartime Conditions

By GEORGE C. HESTER

Right now the American people are living largely on surpluses created during the period of peace. As the war economy swings into full motion, it means a far-reaching revision of living habits. Today we have automobiles, refrigerators, radios, vacuum cleaners, washing machines, and other conveniences to which we have become accustomed. This year and next year they will become fewer and fewer as existing supplies are exhausted. Should the war last as much as five years, we will hardly recognize our way of living as we today know it.

As someone has said, American living has been largely built on wheels. The changes in transportation will probably be most revolutionary. These changes will affect our vacation habits, which in turn will alter many forms of business. Tourist resorts, road houses, and all forms of business built on travel will face fundamental changes. There is even talk today of cutting pleasure travel by train.

Our habits of leisure likewise will be changed. Golf balls and tennis balls may become scarce. Chemicals to disinfect swimming pools may not be available, which may mean the closing of swimming pools. Certain imported foods, such as tea, may not be available. In the face of such shortages, the American people may have greater incomes than ever. These increased incomes will be absorbed in two ways: Higher prices will take a considerable margin; and marked increases in taxes will drain off another eight or ten billions.

In addition there will be the increasing pressure to invest in government securities or government loans. The present war budget has a planned expenditure program of 142 billions for the next three years. This means about \$3,000 for each family in America. Most of this must be raised from borrowing and that means family savings. In no other way can we finance a war of such proportions.

Many unnecessary hardships might be avoided if families would plan their budgets and buying habits in such a way as to "make ends meet" under the changed conditions.

Family breadwinners should sit down and make some simple calculations which will consider such problems as the following: How many of the ordinary comforts will we have to forego in order to free sufficient funds for the new taxes? Remember your income taxes will be some four or five times as high as those last year. Moreover, millions of new families will be added to the list of income tax payers. Other taxes, too, will be much higher.

In addition, the rising prices will take another severe dig into your income. The housewife should also study common food values so as to be able to make suitable substitutes in order to maintain healthy diets. The governments of Europe have campaigns to instruct the people in how to choose wisely in cheaper foods. We shall probably witness a similar campaign in this country in the near future, although we, of course, face no such food shortages as Europe is experiencing. Yet for the millions of families in the fixed and low-income group, the higher prices will compel a readjustment in diet habits, for which most of them are unprepared to make wise and practical choices.

In all these matters it will be the family with foresight, the family that can develop an intelligent program for living under the new and changed conditions, that will be better prepared to make the sacrifices that the war will demand of us.

We must see that everybody has plenty to eat and wear.—Secretary of Agriculture Wickard.

When the nations sit down at the peace table, a great big stockpile of American food, all ready to cook and eat, will greatly reinforce the American views on what arrangements are needed to make a just and lasting peace.—Secretary of Agriculture Wickard.

You can eat a lot and still be malnourished.—Fortune Magazine.

Stopping unnecessary food wastes at home has become much more than a matter of family thrift.—Bureau of Home Economics.

If food will write a lasting peace, America and the world can count on the farmers.—Morse Salisbury, U. S. Department of Agriculture.

50-M. P. Men

HERBERT CASSON, the efficiency expert of London, England, points out that electric motor manufacturers use the initials H.P. on motor nameplates to abbreviate the word Horsepower that precedes the horsepower ratings of motors, and he believes we should use the initials M.P. to denote the Manpower rating of a Man.

"To penetrate through the difficulties of today," writes Casson, "we need men who are like projectiles . . . irresistible, unbeatable men."

"We need men who are diamond hard—men who are harder than whatever attempts to obstruct them." American industry today needs a great army of 50-M.P. men; men who have stepped up their Manpower to do a man-sized job. The time is here when brains and muscles and machines must be speeded-up to new levels of efficiency.

To hurl us on to victory in the battle of production and to enable us to defend and preserve democracy, we need more 50-Manpower Men!

—The Silver Lining.

There are no office hours for leaders.—James Gibbons.

LOOKING BACKWARD

TWENTY-FIVE YEARS AGO

(From Eagle files March 3, 1917)

C. A. Gromatzky, a prominent citizen of Priddy Community, had business in this city Monday.

We will discontinue our show on Wednesday nights on account of prayer meeting.—Dixie.

Fine rains have fallen here this week, which have been beneficial to small grain as well as having put the ground in good condition for plowing.

A cement culvert is being formed to take the place of the wooden one on Fisher Street opposite the Masonic Hall. City Marshal Eacott is superintending the work and it is being done right.

The Spring Opening reception at Henry Martin's Dry Goods store Wednesday night was largely attended despite the disagreeable weather. Punch was served to the guests, and delightful music was discoursed by the Goldthwaite Orchestra.

Rev. W. R. White, the new pastor of the Baptist Church, is to enter upon his duties Sunday, when he will fill the pulpit in that church at the usual hours for service.

While in Austin last week the Eagle Editor had the good fortune to meet with Hon. T. M. White, our representative in the Legislature, and was pleased to know of his high standing and influence with the members of that body. He is regarded as a hard worker and a capable and careful lawmaker. Senator Woodward was out of the city and the Eagle man did not have the pleasure of meeting with him.

INCOME TAX INFORMATION

Have you filed your Federal income tax return? If you come within the group from whom returns are required, you have only until midnight, March 16, in which to file a return. Single persons who earned as much as \$14.43 a week for the 52 weeks of 1941; or married persons living together who had aggregate earnings of as much as \$28.85 a week for the year, are required to file returns. The instructions attached to the forms describe the method of preparing returns but if further information is necessary it may be obtained at the offices of the collector of internal revenue, deputy collector, or an internal revenue agent in charge. They make no charge for their services.

If income tax returns are placed in the mail, they should be posted in ample time to reach the collector's office on or before the due date—that is, midnight on March 16 for calendar year returns. Taxpayers subject themselves to a penalty for failure to file returns on time.

TAME DEER FOLLOWS MARY TO SCHOOL

(This appeared recently in an Amarillo newspaper. The teacher was formerly Miss Mary Bowles of Goldthwaite):

It wasn't a little lamb that followed Mary to school this morning. It was a deer.

And the teacher didn't object, either. Mary is the teacher.

It happened this morning at River Road School. The deer followed Mrs. Mary O'Neal, teacher, to school.

The deer was discovered last night in Mrs. O'Neal's yard at her home near the school. He stayed about all last night and this morning followed Mrs. O'Neal to school. The deer played with the children arriving at school until time for classes.

It is a spike-horn buck and has evidently been someone's pet. It is quite tame and playful.

I know that if I were a French man or a Dutchman and I looked across the channel and saw that the British were still eating pretty well, eating good American food, while I was looking on cat meat as somewhat of a delicacy, I'd be inclined to rise up and try to get in on some of that American food.—Secretary of Agriculture Wickard.

Short Lessons In FIRST AID

By DR. L. M. THOMPSON

6.—POISE AND POISON

Panic is poison's ally; poise is its enemy.

The individual who has swallowed poison needs immediate attention, but he will not get it if those in a position to aid him squander precious moments rushing about in confusion, or transport him to a not-so-near-by hospital, or stand by idly and helplessly while awaiting the arrival of a physician.

If the poison can be removed from the stomach before it is absorbed, the harm done the victim usually is not great. But if the poison becomes absorbed into the body, there is not much that even a physician can do, though he should in every case be summoned promptly.

Knowledge of what to do in event of such emergency is the key to calm, sure effective action. And that is easy. It is not necessary to remember a long list of antidotes. In fact, it is much better for the first-aid-er to use the simple measures always at hand.

In this he follows two admonitions: Dilute. Wash out.

A poison diluted with a large amount of liquid is never absorbed as rapidly as it is in concentrated form. Also, a full stomach can be more readily persuaded to empty its contents. Obviously, when the poison is removed it can do no further damage. This is accomplished by repeatedly induced vomiting.

Both of these objectives are attained at the same time by use of any one of the following simple emetics:

- 1.—Soapy water (soapsuds);
- 2.—Salt water;
- 3.—Soda water, made with ordinary baking soda;
- 4.—Luke warm water;
- 5.—Dishwater;
- 6.—Milk (especially for corrosive poisons).

It is important to give sufficient emetic—four to seven glasses—preferably lukewarm. If the victim does not begin vomiting after the emetic has been administered, tickling the back of the throat with the finger will usually produce results.

After the stomach is well washed out, the proper antidote may be administered. If it is known and available. A large dose of Epsom salts may safely be given after the stomach is emptied. This is orthodox and sound procedure in any case of poisoning.

If the poison swallowed was a corrosive, such as bichloride of mercury, an acid or an alkali, follow the diluting and washing out process with soothing drinks of milk or milk and eggs beaten up together.

In cases of opium or morphine poisoning, it is advisable to keep the victim awake but not to exhaust him by compelling physical exercise. Strong coffee, a cup every half hour or so, is good in combating poisoning from any sleep-producing drug. In cases of strychnine poisoning do not give a stimulant and keep the patient as quiet as possible.

Virtually every case of accidental drug poisoning is the result of carelessness or ignorance. Observe, then, these four simple rules recommended by the Red Cross:

Keep all bottles labeled and never take medicine from an unlabeled bottle.

Never take medicine in the dark when you cannot see the label on the bottle.

Keep all poison drugs away from all other medicines and safely locked up.

Keep all medicines and poisons out of the reach of small children.

Next week: "Breaks and Burns."

State Department Health Notes

Carelessness in the treatment of a respiratory disease is not only foolish but very hazardous, according to Doctor George W. Cox, State Health Officer, who has warned Texans to be on guard against such illnesses as lead to pneumonia.

Dr. Cox pointed out that pneumonia can and does strike with little or no warning, and in many instances its forerunner is a simple little cold, an attack of influenza, or some other respiratory infection.

"A cold or any other infection of the breathing passage which makes one constitutionally weak, especially if accompanied by fever, demands the immediate attention of the family physician," Doctor Cox said. "To self-treat and fight on one's feet a condition of this kind is to endanger life unnecessarily. It is advisable to take all possible steps to avoid respiratory illnesses since they so frequently lead to that most dangerous complication—pneumonia."

Doctor Cox stressed the fact that it is important to build up normal, physical resistance by sufficient indoor ventilation, adequate, nourishing food, outdoor exercise, and sufficient sleep, but added that the family physician should be called immediately if, in spite of such care, a respiratory illness develops.

"Guard against pneumonia which is a communicable disease," Doctor Cox urged. "It may be acquired by direct or indirect contact with a pneumonia patient. Reduced bodily resistance resulting from habitual disregard for normal physical requirements makes pneumonia doubly hazardous," he added, "and I can not emphasize too strongly the importance of consulting a physician immediately upon the appearance of a respiratory ailment."

OLIVER L. MITCHELL WRITES FROM HAWAII

—The following letter, written by Oliver L. Mitchell of Arkansas from Hawaii to his friend, Raymond Johnson of this county, will be of interest here. Oliver Mitchell has been in the Islands for over a year, and was at first feared to be among the killed in action:

Schofield Barracks, Territory of Hawaii, February 11, 1942.

Dear Raymond Lee and Mother: I just received your letter today. It was forwarded to me from my old address in the Medical Corps.

I am no longer in the medical department. I am now in the Field Artillery doing clerical work. As the Field Artillery was the branch of the service that I started out in at Fort Sill, Okla., in 1938, I thought that I could be of more use and enjoy myself more by getting back into it.

I have done fairly well for myself in the way of promotions. I made a 6th class specialist rating eight days after I got here and on the 14th day after transferring I made a private first class with a specialist rating. Two months and eight days after getting here I was promoted to corporal and have been such ever since. I expect to be made sergeant in a short time, as I am the ranking corporal in my organization.

I missed all the excitement on December 7th as I was on one of the other islands of Hawaii, taking a two-weeks' vacation at the army rest camp in the Hawaii National Park there. I didn't get back to Oahu until the early part of January. I made one trip by plane from Hilo, Hawaii, to Honolulu and back over there before the war. It sure was nice. I saw all of the islands except Kauai and Niihau. I have been on the islands of Hawaii, Maui, and am on the island of Oahu now.

I am enclosing the only picture of me that I have that would get by the censor; the rest of my photos were taken on military reservations. This one was taken while I was on Hawaii. It was snapped in a park near Hilo called Liluokalani Gardens.

SAYLOR CHEVROLET CO.

Mrs. Milton Harper Perry, Jr., who is the former Miss Anna J. Taylor, daughter of Mr. and Mrs. A. F. Taylor. The couple was married Saturday, Feb. 14, and will make their home at Grandview.

Couple To Make Home In Grandview

(From Eastland Chronicle)

Miss Ann Taylor, daughter of Mr. and Mrs. Austin Taylor, became the bride of Milton Harper Perry, Jr., of Grandview, son of Mr. and Mrs. M. H. Perry of San Saba, on Feb. 14, at 7 o'clock in the home of the bride's parents.

Reverend Sam D. Taylor, uncle of the bride, solemnized the wedding vows before an altar of smilax and fern centered with a heart made of white carnations and candytuft draped with loops of white satin ribbon. On either side of the prayer bench was a crystal sconce filled with white gladioli with background of ferns and tall tapers in floor candelabra.

Mrs. Donald Kinnaird, pianist, accompanied the soloist, Mrs. Victor Ginn, who sang "I Love Thee" as pre-nuptial music, and at the close of the ceremony sang "The Lord's Prayer." Mrs. Kinnaird played Lohengrin's Wedding March as the bridal party entered, and she played Liebestraum during the ceremony.

The bride was given in marriage by her father. She wore a gown of white slipper satin with sweetheart neckline. The long sleeves and bodice were of duchess lace embroidered with seed pearls, and her full-length veil of illusion was caught in a halo of lace and pearls. She carried a bouquet of white gardenias and rose buds showered with swan-sonia, and satin ribbon. As something old, she wore a diamond lavalliere worn by her mother at her wedding.

Miss Betsy Jones and Miss Patsy Wiegand, wearing gowns of pale blue taffeta and wrist-lets of anemones and tied with silver ribbons, lighted the candles.

The bride's only attendant was her sister, Mrs. John Kilgore of Brownwood. She wore aqua chiffon over taffeta, and carried a heart-shaped bouquet of pink sweetheart roses.

Joe Walker of Slaton was best man.

A reception followed the ceremony in the home of the bride's parents. The table was laid with a Maderia cloth which was used by her Grandmother Weatherby, and held the white three-tiered wedding cake which was decorated with sugar spun roses and topped with a miniature bride and groom. The table was centered with a white satin bow filled with carnations. Mrs. J. N. Weatherby of Brownwood presided at the silver coffee service, and Mrs. Gordon Taylor served the wedding cake.

Larissa Bratton of Brady presided at the bride's book. The guests were received by Mrs. Taylor and Mrs. E. J. Weatherby of Brownwood. Miss Marion Coolidge of Houston and Miss Maxine Conner of Slaton assisted at the reception.

The bride's mother was gown- ed in a rose sheer with corsage of orchid sweet peas.

The bride traveled in a two-piece toast gabardine suit with brown accessories and a corsage of gardenias. After a short wedding trip the couple will make their home in Grandview, where the groom is high school football coach.

Mrs. Perry graduated from Eastland High School and attended Texas Tech and Southwestern University where she pledged Alpha Pi sorority.

Mr. Perry is a graduate of San Saba High School and Southwestern University at Georgetown, where he was president of the "S" Association and member of the American Blue Book Association for College Men.

Out-of-town guests attending the wedding were Mr. and Mrs. Gordon Taylor, of Dallas; Mr. and Mrs. Bert Weatherby, Mrs. J. N. Weatherby, and Mr. and Mrs. J. P. Kilgore of Brownwood; Dr. L. F. Taylor of Haskell, Mr. and Mrs. H. M. Perry, Mr. and Mrs. W. E. Sawyer, and Charles Blakeney of San Saba; Joe Walker of Slaton; and Misses Larissa Bratton of Brady, Maxine Conner of Slaton, and Marion Coolidge of Houston.

Nabors Creek Club

The Nabors Creek Home Demonstration Club met at the school house Tuesday, Feb. 26. There were ten members present.

They sewed for the Red Cross in the morning and in the afternoon had a very interesting meeting on Most Common Diseases of Poultry.

Our president called the house to order and presided over the business meeting. Mrs. C. T. Wrinkle called the role and each member answered with the poultry disease that had given them the most trouble.

Mrs. L. C. Williamson gave an interesting report of the last Council meeting.

Mrs. H. B. Curtis rendered a good program about the different kinds of diseases of poultry and how to treat them.

Mrs. J. M. Wrinkle made a post mortem examination of a sick chicken, but found the disease not so serious.

Those present were Mrs. J. M. Wrinkle, Mrs. C. T. Wrinkle, Mrs. L. C. Williamson, Mrs. Johnnie Wolfe, Mrs. J. A. Stark, Mrs. H. B. Curtis, Mrs. J. R. Parker, Mrs. A. R. Kauts, Mrs. H. S. Davenport, and Miss Mae Delle Crawford.

Our next meeting will be March 19 with Mrs. H. S. Davenport. All visitors are welcome.—Reporter.

Lieut. Bernard Frizzell and sister, Miss Caryle Frizzell, of San Antonio were six o'clock dinner guests Sunday of their cousin, J. H. Saylor, and family. Other relatives visited during the evening.

Improved Uniform International SUNDAY SCHOOL LESSON

BY HAROLD L. LUNDQUIST, D. D.
Of The Moody Bible Institute of Chicago.
(Released by Western Newspaper Union.)

Lesson for March 8

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

DISCOVERING WHY PEOPLE DRINK BEVERAGE ALCOHOL

LESSON TEXT—Genesis 43:34; Psalm 104:14, 15; Proverbs 31:4-7; Ecclesiastes 2:1-3, 10, 11; Isaiah 56:12; 1 Corinthians 10:6, 7.
GOLDEN TEXT—Wine is a mocker, strong drink is raging; and whosoever is deceived thereby is not wise.—Proverbs 20:1.

The alcohol problem receives attention in four lessons of each year. This is the first one for 1942 and brings before us a number of scriptures not often used, in order to suggest the drinker's reasons for drinking. Other matters appear, but we shall limit ourselves to presenting these reasons, together with the Christian answer to each one.

Why do men drink?

I. To Be Sociable (Gen. 43:34). At the banquet prepared by Joseph the allowance for Benjamin was greatly increased, and they "drank and were merry." How often that has been the plea which has led into drinking and into drunkenness. The "social glass" has often led to the drunkard's grave. Well, surely God wants us to be sociable. Yes, He does, and the perfect provision for man's social nature is found in Christian fellowship.

II. To Be Happy (Ps. 104:14, 15). Wine is supposed to bring happiness, and we may admit that it does bring a temporary lift which some call happiness. But who is satisfied with happiness? It depends entirely on what "happens." If the wrong thing happens we are unhappy. We need a deep abiding joy, and only a right relationship to God can give that.

III. To Evade Responsibility (Prov. 31:4, 5).

When life's burdens become too much for him the weakling seeks relief and evades his responsibilities in the deadening power of alcohol. But that doesn't solve the problem. It is still there when sobriety returns, and usually more serious than ever. What can a man do? The answer is, turn to God. He gives wisdom, grace and strength.

IV. To Forget Sorrow (Prov. 31:6).

"Drown your sorrows" is the deceptive promise of liquor; but they stand right there beside man, and when his poor befuddled head begins to clear they present themselves more persistently than ever. What's the answer? The God of all comfort is ready to bear man's sorrows or to give him grace to bear them and to lead him out into a place of peace and victory.

V. To Forget Poverty (Prov. 31:7).

Heavy is the affliction of poverty in a world of plenty. Sometimes it is the result of carelessness or of sin, but often it is the lot of those who are innocently caught in its grip. Men have tried to forget, "drown" even this problem in drink, and have only made their poverty worse and more unbearable.

VI. To Find Satisfaction (Eccl. 2:1-3, 10, 11).

The book of Ecclesiastes gives the account of a man "under the sun," that is, apart from God's guidance and blessing, seeking to satisfy the cravings of his heart in many ways. All of them prove vain, including the effort to find it in wine and in pleasure.

Frustrated souls often seek release through intoxicants. They gain a measure of liberty and a sense of masterful power, but it is all as delusive as the dreams of grandeur of the insane. It is even worse, for it is a false condition, deliberately created and soon lost, together with lost character and decency of life. The morning after brings only the deepened despair of greater dissatisfaction.

VII. To Stimulate Hope (Isa. 56:12).

A certain fearful looking forward to the time of judgment tends to dampen the drinker's enthusiasm. So he drinks more to reawaken in his heart the "hope" that tomorrow will not bring reckoning, but will be another "good" day. The world has no real hope, in fact, the word itself has lost its true meaning and indicates only a sort of wishful thinking. Is there any real hope? Oh, yes, and the Christian has it, hope that is a confident expectation of the fulfillment of God's every promise. That kind of hope takes care of tomorrow—and all the tomorrows.

VIII. To Encourage Play (1 Cor. 10:6, 7).

Paul warns against the folly of the "eat, drink, and be merry" philosophy. That road ends in disaster. Does not God want us to play? Indeed He does. He gave us the instinct for recreation. We need pleasant relaxation, and He has provided for us all the beauties of nature, all the pleasures of wholesome play, and all in the finest of fellowship with His people and with Himself. Thus we find real recreation—not just fun that leaves us empty and dissatisfied.

PRIDDY FHH HAS BANQUET FEB. 12

On Thursday night, Feb. 12, at 8:30 o'clock, the Priddy Chapter of Future Homemakers had their Mother and Daughter Banquet, for which they used a Valentine motif.

Miss Fouse, the girls' home-making teacher, started the program by giving the invocation. The welcome was given by Ruth Hein with the response by Mrs. Emil Schuster. The girls introduced their guests, then a talk on Nutrition was given by Miss Frances Brammer, our county home demonstration agent. The Future Homemakers' creed was given by Anna Heptner and their purpose by Malinda Hopper. The program was ended by the group singing "The Eyes of Texas."

The menu for the banquet, consisting of fruit juice cocktail, chicken croquettes, cream gravy, corn, beets, rolls, butter, Waldorf salad, cherry upside down cake and cocoa was served by Wayne Dunlap, James Harris, Norman Dreuckhammer, James McGlothlin, Edward Jeske, and Ernest Tate, teacher of agriculture. They were assisted by Mrs. Lee Priddy and Mrs. E. B. Dearson.

The girls present and their guests were:

Ruth Hein, Mrs. F. W. Hein; Joyce White, Mrs. G. W. White; Mildred Schuster, Mrs. J. W. Hiller; Malinda Niemann, Joann Niemann; Louise Lane, Billie Ryan; Anna Heptner, Leona Dreuckhammer; Anita White, Mrs. F. Stegmoller; Lorene Dreuckhammer, Mrs. Henry Dreuckhammer; Florence Schwartz, Mrs. Will Schwartz; Maxine Ledbetter, Mrs. Ledbetter; Malinda Hopper, Mrs. Fritz Hopper; Dorothy Tiemann, Mrs. W. H. Tiemann; Rosa Lee Hiller, Mrs. George Hiller; Benita Stahnke, Mrs. L. Stahnke; Merlene Dearson, Mrs. Ed Dearson; Bernice Partin, Mrs. C. Partin; Marie Swindle, Mrs. Wayne Swindle; Eleanor Wagner, Lorena Wagner.

Other guests were: Messrs. George W. White, Nelson Nuckles and R. G. Slagle; Mmes. Emil Schuster, G. Wagner, Albert Schumann, Otto Schlee, Hobart Priddy, and Arthur Hohertz; Misses Frances Brammer, Thelma Howard, Thomas Whitely, Ruth Jackson, Margaret Skippling, and Elna Fouse.—Reporter.

MISS WEBB LIKES HER WORK IN DALLAS

717 Exposition Ave., Dallas, Texas.

Goldthwaite Eagle:

I received your paper again, and I want to thank you for the paper the last two weeks.

I am doing just fine in school and am in blue print this week, and I hope to finish school on March 14. I would like for all the young girls and boys in Mills County to come up and join me in school. It is very interesting to study, and what I say it means study and no play to it; for there is too short of time to waste when they need so many workmen.

I would like to invite all the young girls and boys to come up and start to school, for I really enjoy it and feel sure that all of the rest of my friends would, too. Miss Pansy Woods and Miss Ima Rickel are also up here with me; they came from Star, too. So you can see that our county is seeing fit to do their part in defense work. I hope to see many more people from Mills County enter school before I finish.

Your friend, ILA WEBB.

Priddy H-D Club

The Priddy Home Demonstration Club met Tuesday, Feb. 17, in the homemaker department of the Priddy School. Mrs. W. R. Shipp, president, presided over the business session. Mrs. E. B. Dearson, program chairman, introduced the subject, "Most Common Diseases of Poultry," and the following club members discussed various diseases of poultry common in this section: Mrs. Shipp, Mrs. Lee Priddy, and Miss Fouse.

The next meeting will be Tuesday, March 10.

Miss Laura Virden of Ranger spent the week-end with her father, J. J. Virden, and Mrs. Tom Collier and family.

Week-end guests of Mrs. Dan Bush and Mrs. Kate Page were Mrs. Etta Keel of Austin and her son, Guthrie Keel, wife and little daughter Jane of Junction. They left Monday afternoon.

Mrs. J. H. Burnett spent last week in Fort Worth visiting her daughter, Mrs. Marvin Weatherby, and family.

Midway H-D Club

The Midway Home Demonstration Club met with Mrs. Raymond Horton February 20. Miss Brammer was with us and showed us samples of curtains and linoleum and refinished a rocking chair that looks very nice.

We were urged very much to plant one-half acre garden per person. Mrs. Coley Sevier was elected council delegate to take the place of Mrs. Shipp.

Those present were: Mmes. Aleta Kerby, Lula Horton, Ruby Conway, Joe Ruth Lindsey, Coley Sevier, Lennie Horton, and two visitors, Mrs. Harris and Johnson.

The next meeting will be March 13 with Mrs. Lula Horton. All members are urged to come.

Sunday guests in Judge and Mrs. R. J. Gerald's home were relatives: Dr. and Mrs. R. J. Stoddard, Mr. and Mrs. R. E. Stoddard and son Robert, all of Coryell County, and Stoddard Gerald of Tarleton College. Mr. and Mrs. Talbot Ledbetter of Brady spent the week end with her parents, Mr. and Mrs. M. J. Weatherby.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

PRIDDY NEWS

The rain and the snow we had
last Saturday and Sunday will
help our fields, are looking for-
ward that the good Lord will
bless us with some more in the
near future. Most of our farmers
have their land all ready, wait-
ing for more rain and warm
weather, to plant corn.

Since the Lutheran Parish-
House is in the act of being mov-
ed, our ladies have been doing
the Red Cross sewing in the
homes. It is hoped that the new
Parish-House will soon be ready
and at the services of the faith-
ful ladies.

The special service for the
boys following the call to the
colors of our country, held in
Zion's Lutheran Church the
other Sunday was beautiful. The
pastor promised the boys THEY
SHALL NOT MARCH ALONE—
the congregation and the com-
munity shall stand and march
with them in their prayers. That
a service-flag shall be placed in
the church beside the U.S.A. and
Christian flags, so that even
those who would otherwise for-
get to pray for them will remem-
ber them on Sunday morning
when they enter church and see
the flag. He also told the boys
to come by before they leave
and each would receive a Service
Testament and a Service Prayer
Book.

Those who left here March 5
to go to El Paso to entrain there
were: Herbert Hohertz, Henry
Schoen, Otto Faelberg, and John
Hohertz.

Due to the rainy weather last
Sunday, the Luther League pro-
gram was postponed until next
Sunday night.

Zion's Lutheran Church will
soon have a well drilled on its
property and a windmill and
cistern set up, thus having run-
ning water in the church, par-
ish-house and parsonage.

'SERGEANT YORK' TO SHOW AT MELBA TUESDAY, WEDNESDAY

In these days when folks are
becoming 'over increasingly
America-conscious, it is fitting
that the story of one of the
greatest Americans of the World
War should be hailed. That man
is Sergeant Alvin C. York, whose
amazing feats included the cap-
ture of 132 Germans single-
handed, and who was called "the
greatest civilian soldier of the
war" by General Pershing.

The story is vividly depicted in
Warner Bros.' spectacular "Ser-
geant York," which will show at
the Melba Theatre here next
Tuesday and Wednesday, with
the famous title role portrayed
by the powerful actor, himself
often called a "typical Ameri-
can," Gary Cooper.

Early reports from Hollywood
and the press indicate that "Ser-
geant York" is more than the
exciting story of a hero. Under-
standing production of the film
has been reported to have cap-
tured the whole spirit behind
York—the earnest, down-to-
earth, direct way of life that is
American.

It was in the Tennessee back-
hills where Al York was born
and bred to a life of hard toil
and small rewards. When news
of a European war was first
brought to Al and the others like
him in his isolated community,
it all made little sense to the
clan. And when America joined
the conflict, Al just didn't un-
derstand. He didn't believe in
killing and tried to get exemp-
tion from the army.

Nonetheless, when Al York was
taken into training, and when
the whole import of America and
Americans' obligations dawned
on the fellow, that spirit was
awakened that was to eventually
lead him to the most spectacular
single civilian soldier's career of
the war.

Walter Brennan, Joan Leslie,
George Tobias, Stanley Ridges
and a great many other film
favorites comprise the splendid
cast. "Sergeant York" was di-
rected by Howard Hawks from
a story by Abem Finkel, Harry
Chandler, Howard Koch and
John Huston, based upon the
diary of Sergeant York.

BIG VALLEY— By JACKIE DENNARD

Everyone has been enjoying
the showers this week. The far-
mers sure did need it.

Let's don't quit going to Sun-
day School because we don't
have a pastor. Bro. Roberts has
moved to Mason, where he has
a full time job.

Mrs. Will Dennard is slowly
improving. Her sister, Mrs. Grif-
fin, is still with her.

Sonny Robbins, Lacy Thomp-
son, Nina Robbins and Helen
Hale played dominoes and bridge
in Mr. and Mrs. Martin's home
one night last week.

The Home Demonstration
Club met with Mrs. Homer
Weaver last Thursday. Only a
few members came.

Mrs. Charlie Miller spent
Friday with Mrs. Will Dennard.
Mr. and Mrs. Martin spent
Sunday in San Saba.

Mrs. Ira Dewbre and Mrs. Sam
Frizzelle spent Wednesday and
Thursday with Mr. and Mrs.
Will Dennard.

Robert Weaver visited his
mother this week.

Those who visited in the Andy
Brown home Sunday were Mr.
and Mrs. Arnold Sloan and Nel-
da, Mr. and Mrs. Ben McConal
and Mr. and Mrs. Fred Nowel.

Don Oglesby spent the week-
end with Mr. and Mrs. Alvin
Oglesby.

Mrs. Hugh Dennard visited
Mrs. Jack Dennard Sunday af-
ternoon.

The women have been sewing
for the Red Cross in the Lower
Valley school house. They com-
pleted several garments last
week.

Mr. and Mrs. Oscar Burns and
Evelyn went to Waco Monday.

Mr. and Mrs. Hildred B. Lock-
hart of Corpus Christi spent a
few days here the middle of the
week with her brothers, Charlie
and Ernest Wilson, and her sis-
ter, Mrs. Annie Armstrong. Mr.
Lockhart, who is owner of Radio
Station KEYS at Corpus Christi,
also visited his relatives in
Brownwood.

LIVE OAK—

By MRS. J. H. BROWN

We had a nice rain Saturday
night, which was badly needed.
Mrs. I. Z. Woodard and child-
ren spent last Friday with her
parents.

Mrs. Tom Duncan and daugh-
ter, Mary Beth, of Aransas Pass
spent the week end with Mrs.
Roy Simpson and family.

Mrs. Will Fox visited with Mrs.
Curtis Long Saturday night.

Walter Fairman is making
quite a bit of improvement on
his farm, where Wilford Gray
lives.

This community has finished
its first lot of Red Cross sewing,
having made thirty shirts and
ten pair of overalls. The sewing
this week will be with Mrs. Wil-
ford Gray.

Roy Simpson and family and
Mrs. Tom Duncan and daughter
visited in the Ed Randles home
Saturday night. The guests were
served ice cream made in Mrs.
Randles' new Electrolux.

Mr. and Mrs. Chas. Feather-
stone have received word that
their son Glenn had arrived
safely in the camp near Jackson-
ville, Florida. He was transfer-
red with the thirty-sixth divi-
sion from Camp Bowie.

Mrs. J. A. Hester returned
Sunday afternoon from Camer-
on, after spending last week
with her son, Walters Hester,
and family. Her grandson, Rich-
ard, accompanied her to Gold-
thwaite for a visit with his
grandparents.

HOME OWNED AND HOME GROWN

For A Cheerful Change!

These are times that
try the hearts of men.

And so much of the news that
comes to all of us, from day to
day, is not what you could call
conducive to smiles and happi-
ness.

So just for a cheerful change
we're making a little announce-
ment. And even if it does not
add a bit of pleasure, surely it
will not depress you. Here it is—

CURLEE'S SPRINGTIME CLOTHES HAVE ARRIVED!

You'd be surprised how many
men have waited for that an-
nouncement, year after year.
And as always before, they lead
the field of fashion. This year
they carry the spirit of courage
and confidence. In colors and
materials that actually bolster
the morale of men.

We don't expect you to drop
everything and rush right in.
But, as soon as you can, make
it a point to see these SUITS.
'Twill mean . . . satisfied you
and happy us!

Cheerfully yours,

New Shoes, New Dresses and the Nicest Selection of Piece
Goods ever shown in our Store. We have a nice stock of
Ladies' Nylon and Silk Hosiery and can care for your wants
for month of March.
