Services For B. J. Garnett Conducted

Funeral services for Basil John Garnett, 78, were conducted at 10:30 a. m. Wednesday in the Union Church of Spearman.

Services were conducted by the Rev. George Bollinger, pastor, and the Rev. Luther Berry of the First Baptist Church. Burial was in the Hansford Cemetery under the direction of Boxwell's of Spearman.

Mr. Garnett died at 5:25 a. m. Monday in Hansford Hospital after suffering a heart attack Sunday night after returning home from evening church services. He was hospitalized Sunday evening.

The farmer moved to Hansford County in 1931. He came here from Austin County. He had moved there in 1918 from Hays County. B. J. Garnett was born in Mt. Sharp, June 30, 1888, the son of William and Elizabeth Garnett.

Garnett in years past was active in civic activities. He gave the land on which Hansford Hospital is located. He donated the property right after World War II when the first hospital was being built.

This past year he worked on the fund raising campaign for the enlargement and remodeling of the Home Demonstration Club Room.

He was a member of the Nazarene Church.

Survivors include his wife, Ella, sons, Stanley and Wesley of Spearman and Cmdr. Howard Garnett of Arlington, Va., a daughter Mrs. Tom Morris of Amarillo, a brother Dr. O. D. Garnett of Houston, a sister Mrs. Teresa Hoover of Austin, 11 grandchildren and one great-grandson.

Pallbearers were Jon Michael Garnett, Howard Garnett, Wesley Garnett, Carl Archer. (Con't. on page 9.)

LAST GAME--These 12 Spearman High School seniors will be playing their last game for the Purple and White Friday night when they go against the Dalhart Wolves. There are five juniors and five sophomores on the varsity besides these 12 seniors.

Lights, Decorations Up Nov. 25

Christmas light decorations on the streets of Spearman will be turned on Nov. 25, the day after Thanksgiving, and merchants are reminded that stores are to be decorated by Saturday, Dec. 3.

This reminder came this week from the Spearman Chamber of Commerce's Retail Merchants committee, the group in charge of the Christmas program.

Red Smith, Chamber manager, said members were responding to the assessment of \$15 to finance the program. It also appears that merchants will give some outstanding prizes in the Treasure Hunt.

Santa Claus will come to Spearman early this year, Saturday, Dec. 3 and many merchants are planning some

real door buster bargains for a Saturday night shopping spree.

There will be candy and a visit for Santa Claus for the children who are in town on Dec. 3.

There will be no drawings this year, but merchants will give numbered tickets with each \$1 purchase. On Dec. 23 the Chamber will post a (Con't. on page 9.)

HART DEFEATED

Republicans Win In Heavy Turn-Out

Hansford County voters like their ballots split as they voted for the men of their choice in the contested elections and let the lesser offices slide by.

In the race for the Seante, U.S. Representative and State Representative the county voted heavily Republican, but gave Democratic Governor John Connally a heavy majority.

The county's only candidate in a contested election was Republican Jack Hart of Gruver who was opposing Democrat Bill Barton of Borger for a seat in the Texas Legislature.

Hart piled up a 1,014 to 456 majority in his home county, but went down in the 83rd district 8,010 to 7,394. Late Tuesday night Hart has a slim majority in Dallam and Hartley counties, a larger majority in Sherman County, but was beaten in Moore and Hutchinson counties.

John Connally beat T. E. Kennerly for the Governor's post 967 to 375 in the county.

The two big races in the county were for the Senate and U.S. Representative's job. In the race for the Senate John

Tower polled 944 and Waggoner Carr 466.

Republican Bob Price polled the largest vote of any contested candidate in the county. He had a 1,061 to 420 for Democrat Dee Miller.

There was one small ripple on the local election pool. Last week some voters in the county received an unsigned mimeographed letter urging a write-in campaign for incumbent County Treasurer Merle Washington over Treasurer-elect Selma Reneau.

Reneau beat Washington in the Democratic primary.

Mrs. Washington said last week she did not know who wrote the letters. They were postmarked from several different towns in the state.

Mrs. Washington received 38 write-in votes to Mrs. Reneau's 1245.

County Democratic Chairman J. D. Helms said the vote will cost the county one delegate in the State Democratic Convention. The number will be cut from four to three.

The number of delegates a county has is based on the vote it gives the party's candidate for governor.

The county approved amendments No. 1, 6, 7, 8, 9, 10, 11, 14, 15 and 16.

McCloy Seeks

Farm Bureau Dist. Office

Willard (Si) McCloy, Hansford County Farm Bureau President and longtime leader in Farm Bureau work in the North Plains is making a bid for the District I Farm Bureau director at the state convention in Corpus Christi next week.

McCloy will be seeking the job vacated by the death of D. M. (Moody) Womble, director for the past 10 years.

McCloy, a farmer and rancher in Hansford, Sherman, Hutchinson, Collingsworth and Castro counties, is a graduate of Texas Tech with a government major.

He has been in Farm Bureau for more than 20 years. He has served as a delegate to the National Convention, a delegate to the state convention for five years and was on the state resolutions committee for two years.

In the county he was vice president for two years and is serving his second term as president of the county organization.

Delegates to the convention from the county include McCloy, R. C. Womble, Elmo Dahl, Bill Johnson, Aubrey Rascor, and Robert Novak. Ted Bayless is the first alternate.

Bayless's daughter, Judy, is the District I Farm Bureau Queen and will be competing for the state title. She is a freshman at Southern Methodist University.

Bill Johnson is a member of the state resolutions committee.

The convention opens in Corpus on Nov. 13.

Sheriff Cooke Makes Plea

Sheriff J. B. Cooke issued a plea this week for farmers in rural areas to be alert to strange cars on the roads.

"We have been hit hard by a series of thefts of farm engine parts and we need some help in trying to catch the thieves," Cooke said.

Halloween night there was a series of thefts of generators, alternators and starter motors taken from tractors and irrigation engines.

Cooke said the thieves hit in Ochiltree, Hutchinson and Hansford counties where the three counties join.

The thieves seemed to be specializing in John Deere tractor parts and all kinds of irrigation motors. They took only the generators, alternators and starter motors.

Cooke said he suspected the thieves scouted out the equipment during the day, then came back at night to strip off what they wanted.

It is hard to trace the equipment and Cooke said if someone could come up with some license numbers on cars seen in the area, it would be a big help.

There are more and more thefts of farm equipment being reported, the Sheriff said.

POST OFFICE CLOSED

The Spearman Post Office will be closed Friday, Nov. 11 in observance of Veteran's Day. There will be no deliveries by city or rural carriers.

Lynx

Football season for the Spearman Lynx comes to a close here Friday night when the Dalhart Wolves come to town. The game begins at 8 p. m. on Lynx field.

The two teams will be battling for the second spot in the district race. Phillips has sewed up the title and will have the distinction of representing the district against the Iowa Park powerhouse.

Dalhart has lost only to Phillips and Spearman has lost only to Phillips and has a tie with Stinnett.

This year the Wolves have fielded a tough, hard hitting machine, but it does not have the overpowering size of past Wolf machines.

Moore, the wingback is the biggest back Dalhart has been running. He is on the program at 178 pounds. Brace, their 150 to 160 pound fullback is out with a broken leg.

Shepherd at 191 and Hunter at 180 are the biggest linemen the Wolves have this year.

They beat Guymon 20-0, Stratford 26-0, Perryton 18-7, Stinnett 20-6, lost to Phillips 20-0, beat Shamrock 19-6,

Boys Ranch 34-0, Panhandle 9-0 and Fritch 54-0.

In discussing the game, Coach George Wright said the Lynx can have the second spot in the district if they want it bad enough Friday night. They have third assured.

The Lynx were counted in, then out of the district race this year, but got up off the floor in midseason and came on strong. A win Friday night will give them their highest district placing since moving up to AA in 1960. A loss will leave them in third, where they finished two years ago.

Wright said Dalhart has been rated from eighth to 12th in the state ranking all season. There are 192 teams in AA football.

Wright said the 1966 edition of the Lynx football team plays interesting football, but spotting a team like Panhandle 16 points before we start is not his idea of "healthy" excitement.

Naturally Wright was pleased with the way the team came back after giving up two quick touchdowns. "The boys settled down and went about their chores, knowing what had to

be done to win, and they did it," he commented.

He said it was again a hard charging forward wall opening holes for determined backs that won the game.

Hal Shufeldt has improved tremendously in the past three weeks. Wright said he was certain that his 211 yards on 32 carries and two touchdowns against tough opposition will warrant close consideration for Class AA back of the week.

Wright is hoping that Jerry Holton's ankle will be well enough for him to play both ways Friday so the Lynx will have a one-two power punch to throw at Dalhart. If Holton is able to play, the Wolves will not be able to punch their defense on one power runner.

The offensive line of Mike Hendricks, Randy Moore, Phillip Renner, Ronnie Gray, Steve Holton, Ronnie Gilbert, Monte Lusby, Harley Reeves and Glen Blodgett were firing out well, Wright said.

He was not pleased with the downfield blocking by the ends and said it must be improved for the Dalhart game.

The coach said the backs ran well and blocked fair to good, and faked pretty well. Wesley Jenkins ran very well. Charles Shieldknight did a fine job of faking and ball handling.

Steve Jordan was outstanding on blocking and although Jerry Holton and Bobby Smith were slowed by injuries, they put forth superb efforts. Gary Cates looked good on the two point conversion run and punt returns as well as his usual good pass defense. Mike Davis did a good job at defensive safety, also, the coach commented.

The coaches were particularly pleased with the play of the defensive and offensive tackles. Three boys, Gilbert, Moore and Lusby, have been carrying the load at tackle.

Wright said it is impossible to run the Lynx offense without good tackles. The 200 plus yardage gained by our fullback would be impossible without the key blocks at the tackle positions. These three boys have turned in outstanding jobs in the past two weeks and have always turned in a creditable performance this year.

They will feature baked goods that can be frozen and kept until time for use.

Margaret Lessert of Guymon visited Sunday afternoon with Sandra Miller and Lynanne Kendrick.

Mr. and Mrs. Ray Devers spent Thursday of last week at Hereford visiting Mr. and Mrs. Bill Devers and new daughter.

Mr. and Mrs. Jim Steve Ownbey

Miss Hutchison; Ownbey Wed In Lubbock Rites

Impressive double ring wedding vows were exchanged recently in Asbury Methodist Church in Lubbock by Miss Susan Hutchison, daughter of Mr. and Mrs. Craig Hutchison and Jim Steve Ownbey, son of Mr. and Mrs. Robert J. Ownbey, all of Spearman.

The Rev. J. Waide Griffin, pastor of the church and a former pastor of the First Methodist Church of Spearman, directed the exchange of vows.

Bouquets of green spider mums and pink roses atop white colonial stands formed the background for the ceremony. Spiral candelabras bearing lighted pink tapers were entwined with smilax to complete the altar arrangement.

Miss Mary Ellen Barkley, Spearman, presented nuptial selections at the organ and traditional wedding marches. She also accompanied Miss Joyce Alexander, as she sang "Because" "All My Love" and "More."

Miss Karen Gibson of Spearman, was maid of honor and Miss Lisa Hutchison, sister of the bride, was bridesmaid. They wore identical semi-sheath dresses of moss green satin designed with long fitted sleeves. Their short veils of tulle were crested with sweet pink flowers and they carried cascading bouquets of green spider mums and pink sweetheart roses.

Escorted to the altar and given in marriage by her father, the bride wore a white handloomed lace dress featuring a slightly flared skirt, and an American Beauty tunic-length bodice over which she wore a matching lace three-quarter-length coat with long tapered sleeves. Her coif was of white feathers and white accessories completed her ensemble.

The bride's cascading bridal bouquet was fashioned of philanopsis orchids, smilax and stephanotis highlighted with pink Sweetheart rosebuds and tiny loops of pearls. Mrs. C.E. Blackburn of Spearman, grandmother of the bride, designed the flowers for the wedding.

The bride carried out the traditional bridal customs, wearing a blue garter, and a five-dollar gold piece in her shoe. She also carried a white lace handkerchief belonging to Mrs. Lena Stephenson of Spearman, grandmother of the bridegroom.

Jack Reames of Dallas was best man and Tim Guthrie of Burkburnett was groomsman. The candles were lighted by John Hutchison of Spearman, cousin of the bride, and Bill Blackburn, uncle of the bride. Bill Ownbey, brother of the bridegroom, was ringbearer and Jane Ownbey, sister of the bridegroom, registered guests.

Mrs. Hutchison, mother of the bride, wore a winter-white wool dress with gold accessories and a corsage of green cymbidium orchids.

The bridegroom's mother, Mrs. Ownbey, wore a white silk dress designed with sheer sleeves. Her corsage was also of green cymbidium orchids.

The bride's parents hosted the reception following the ceremony in the parlor of the church. Those in the house-party were Misses Robble Ownbey, the bridegroom's sister and Phyllis Davis of Spearman and Mmes. Don Knox, Raye Gibson and Irvin Davis, all of Spearman.

The serving table was laid with a white linen cloth draped with smilax over pink satin ribbon. The table was centered with a moss green branched candelabra holding light and dark pink candles and grapes. The three-tiered white wedding cake was decorated in pink and topped with a miniature bridal couple. Pale green punch was served with the cake and crystal and silver appointments completed the setting.

Miss Mary Ellen Barkley played appropriate piano selections during the reception.

Both the bride and bridegroom are graduates of Spearman High School and are students at Texas Technological University in Lubbock. They are at home at 3102 Fourth, University Village Apartments, Apt. 40 Lubbock.

Patients in Hansford Hospital this week are Clara Leib, Sarah Lomax, and Elsie Troilinder.

Dismissed were Kathy Shields, Wade Tackitt, Ina Martin, Beatrice Roper, Roy Wood, Lorene Burke and son, Joan Carriger and Gene Cudd.

Mr. and Mrs. W.E. Bratton have just returned from a 10 day vacation trip to Arkansas. While they visited his sister, Mr. and Mrs. Frank Tickle at Bentonville and Mr. and Mrs. Oscar Jarnigan of Rogers and many other relatives and friends. They enjoyed the beautiful foliage of the state and while at Eureka Springs saw the statue "Christ of the Ozarks" which has recently

been completed. They returned via Claremore, Okla. where they visited the Will Rogers Memorial.

Visiting in the home of Mrs. J.W. Bullard is her mother, Mrs. Oley Scott of Anson. Mrs. Scott has been with her daughter for 3 weeks and plans to stay another week with her to care for her while she is recovering from her surgery.

Day by Day

by Day McClellan

Downstate in Texas, where the terrain is more irregular and trees are more abundant, autumn is such a colorful sight. Trees are ablaze with vividly colorful leaves and looking across at them on a far-off hillside they're particularly spectacular.

I enjoyed a trip to my brother's home in Decatur last weekend. What fun it was to hear the children squeal "Aunt Day" as we rode up. If anything could have been more enjoyable for me than that, it was watching my brother's team come from behind in the final seconds of the game with Jacksboro to win the district championship.

We all spent a lot of Saturday downtown, listening to complimentary remarks and praise for the winning team and its brilliant coach. (You know that's how the fans talk about you when you're winning.)

It was fun to be readily recognized as "Coach Davis' sister" even though I can remember a time when he was a 220-pound fullback at Hardin Simmons and how upset I was that a few people thought we were twins. That would have meant I was about three years retarded, not to mention the fact that I sure didn't want to look like a fullback!

During the game, at one of many exciting points, I jumped up and yelled loudly, you guessed it, "Come on, Lynx!" That does make you feel a little silly, especially when the teams playing have common names like Eagles and Tigers.

Speaking of team names, my two little nephews are both football fans, of course, even though they're only three and six. On a recent Sunday afternoon, six-year-old Carl Pat said, "I'm for the Jets" when the professional game came on TV. Danny thought about it for a minute, checked to see which team was in white, and then said, "I think I'm for the Airplanes too."

Here's a recipe my sister-in-law in Decatur gave me for cherry dessert. It is easy enough to make to be a family dessert, but pretty enough for party fare.

CHERRY DESSERT

- 1 egg
- 1 1/4 cups sugar
- 1 tbsp. melted butter
- 1 cup sifted flour
- 1 tsp. cinnamon
- 1 tsp. soda
- 1/2 tsp. salt
- 1-1 lb. can cherries (drain and retain juice)
- 1/2 cup chopped nuts

Set oven at 350 degrees. Mix egg, sugar and melted butter until fluffy. Sift dry ingredients together and add to sugar mixture. Drain cherries well and save the juice. Add cherries and nuts and mix until well coated. Grease and flour a 9" x 9" pan and pour the mixture in. Bake 35-40 minutes or until done. Prepare sauce while dessert is baking and serve both warm. Top the sauce with whipped cream and sprinkle a few chopped nuts on each serving for a party touch.

CHERRY SAUCE

- 1 cup cherry juice (add water to the juice to make 1 cup)
- 1/2 cup sugar
- 1 tsp. cornstarch
- 1 tsp. butter
- dash of salt
- few drops of red cake coloring
- 1/4 tsp. almond extract.

Mr. and Mrs. Larry Wilford Irlbeck

Miss Judy Stump Weds Larry Wilford Irlbeck

Wedding vows were exchanged at 8 p.m. Saturday, Nov. 5 in the First Baptist Church of Spearman in a double ring candlelight ceremony by Judith Gayle Stump and Larry Wilford Irlbeck, both of Amarillo. Parents of the bride are Mr. and Mrs. John Robert Stump of Waka and parents of the groom are Mr. and Mrs. Fred Irlbeck of Canyon. The Rev. Luther Berry officiated at the ceremony.

The organist, Mrs. Dean Leighnor of Waka, played traditional wedding music and accompanied the soloist, Carolyn Leighnor who sang "More", "Eternally" and as the couple knelt at the kneeling bench for prayer, "Wedding Prayer".

The altar was decorated by an archway covered in emerald and fern and flanked by pillars holding baskets of mums, stock, daisies and greenery. Spiral candelabras decorated with smilax and a kneeling bench in the middle of the archway completed the setting. A 50 year anniversary candle atop the bench was lighted in union by the couple with two smaller candles after the ceremony.

Matching candelabras with white satin bows and greenery at the bases decorated every other pew. The aisle was laid in white aisle cloth.

The bride was attended by her sister, Mrs. Sandra Ladd of Waka as matron of honor, and Jan Boyer, cousin of the bride, and Yvonne Cauthen, both of Amarillo, were bridesmaids. Flower girl was Verna Mosier of Waka. Ring bearer was Michael Ladd and page was Jimmy Ladd, both nephews of the bride from Waka.

The best man was Ira Bergan of Canyon, Garry Minion, Skip Kendrick, Tommy Sanford, Jim Hord and Jimmy Jensen, all of Canyon; Jim Maczko of Denver, Colo., Dean Leighnor of Waka, and Harvey Leighnor of McPherson, Kans. were groomsmen.

The bride, given in marriage by her father, wore a formal gown of peau de soie, fashioned in the empire line with a bell skirt accented by appliques of alencon lace with hand sewn aurora borealis and seed pearls. The bodice featured a sabrina neckline and kaibaki sleeves appliqued with lace, pearls and aurora borealis stones. A chapel train flowed gently from a bow

at the waist. She chose a crown of aurora borealis stones complemented by a veil of French silk illusion.

The bride carried a cascading bouquet with a white orchid with golden throat surrounded by stephanotis and daisies, accented with white satin streamers with smilax, atop a white Bible that has been in her possession for many years. A daisy from the bouquet was given to her mother as the bride walked to the altar and after the ceremony as she left the altar she gave a daisy to the groom's mother.

The bride wore her grandmother's fob watch, given to her in 1901, for something old, the ring pillow was borrowed and she wore a blue garter, and her father placed a penny in her shoe for good luck.

The bridesmaids wore full length gowns of turquoise moire taffeta with three quarter length sleeves. The dresses had round necklines which came to a point in the back from which detachable floor length trains extended. They wore headpieces of contrasting tulle with matching bows. Matching shoes completed their attire.

The matron of honor's bouquet was of white daisies and greenery with spider mums center tied with turquoise ribbon and streamers. The bridesmaids carried yellow and white daisies and greenery tied with white ribbon and streamers.

The flower girl's dress was identical to the bridesmaids and she carried a white lace basket filled with white daisy petals.

At the reception in fellowship hall the serving table was covered with white net over satin accented with borders of smilax tied with the bride's chosen color: of turquoise bows. A three tiered wedding cake topped with wedding bells and decorated with bells at the base was served. The centerpiece was the 50 year anniversary candle which was used at the ceremony. Mrs. E.F. Maczko of Spring Valley, Calif., aunt of the bride, and Mrs. E.R. Boyer of Amarillo, cousin of the bride, presided at the serving table.

The guests were registered by Charlotte Irlbeck of Canyon, sister of the groom. The table was covered with turquoise sat-

in with overlay of white net and centered with a nosegay of white daisy mums accented with turquoise ribbons.

The couple will live at 1500 S. Parker in Amarillo. The groom is engaged in farming. The bride is a 1962 graduate of Spearman High School and attended WTSU. The groom is a 1958 graduate of Canyon High School.

For traveling the bride wore a two piece avocado green wool ensemble with coffee brown accessories and the orchid from her bridal bouquet.

Out of town guests for the wedding were Mr. and Mrs. Fred Dusenbury of Anthony, Kans., Mr. and Mrs. Hubrin Chevalier, Canadian; Mr. and Mrs. Don Elledge, Pampa; Nancy Schroeder, Amarillo; Mr. and Mrs. Van Earl Steed, Groom, Mr. and Mrs. M.H. Hood, Canyon; Mr. and Mrs. Joe Cox, Stinnett, Mr. and Mrs. Gilbert Irlbeck and Sam Brillhart, Canyon; Mr. and Mrs. J.M. Randolph, Mr. and Mrs. Gene Steed, Mr. and Mrs. Ralph Headlee, Mr. and Mrs. Virtie Faries, Mrs. J.M. Anderson, Mrs. Thelma Davis, all of Perryton; Mrs. Cecil Nichols of Fairview, Okla.; Mattie J. Wallace, Crescent City, Calif.;

REHEARSAL LUNCHEON
Mr. and Mrs. Fred Irlbeck of Canyon were hosts for the rehearsal luncheon held at Grunewald's Restaurant. The tables were appointed with the bride's colors with centerpieces of white shasta mums, with blue streamers down each table ending in a turquoise bow.

Attending were the betrothed couple, Mr. and Mrs. J.R. Stump, Rev. and Mrs. Luther Berry, Mr. and Mrs. Dean Leighnor, Harvey and Carolyn Leighnor, McPherson, Kans.; Paula Kay Wallace; Mrs. Sandra Ladd, Mike and Jim.; Verna Mosier; Mrs. E.F. Maczko, Spring Valley, Calif.; Jim Maczko, Denver; Mrs. C.E. Blackburn; Jan Boyer, Yvonne Cauthen of Amarillo, Ray Irlbeck, Skip Kendrick, Mr. and Mrs. Gary Minion, Tommy Sanford, Jim Hord, Mr. and Mrs. Jim Jensen, all of Canyon.

Pre-nuptial courtesies extended was: a bridal shower in the home of Mrs. Dean Leighnor of Waka. Hostesses were Mmes. O.E. Drake, Carl Carter, Bob Mosier, H.N. Elledge and Dean Leighnor.

A miscellaneous shower was given in Spearman in the home of Mrs. Craig Hutchison with Mmes. J.W. Jenkins, John Miller, C.E. Blackburn, Dick Kilgore, Bobby Archer, Wesley Garnett, Fred Holt, J.C. Cates, O.C. Holt, Dwight Hutchison, Nolan Holt, Marvin Jones, Paul Conner, J.T. McWhirter, H.M. Shedeck, Kent Guthrie, Herb Butt and John Trindle as hostesses.

Mr. and Mrs. Kiff White left Saturday for Falcon Lake to spend some time fishing.

Mr. and Mrs. Garland Head spent Friday night in Amarillo and were luncheon guests of Mr. and Mrs. Ivan Boxwell on Saturday.

The Order of Eastern Star met Friday, Nov. 4 at the Maonic Hall for their regular meeting with Nina Hendricks, W.M. and Don Hendricks, W.P.

The meeting opened in short form and Deta Blodgett presented a bouquet of roses to the worthy matron as a special gift from the chapter.

The worthy matron then gave her report from the Grand Chapter and also told of John R. Collard receiving a Grand Chapter appointment at the meeting held in Houston. Attending from Spearman were the worthy matron, Nina Hendricks, Deta Blodgett, and John R. and Margie Colard.

Chapter closed in regular form having 11 officers, 5 pro terms and 4 members present.

Hostesses Millie Craig and Betty Uptergrove served cake and coffee in the dining room after the meeting.

Mr. and Mrs. R.E. Lee returned Tuesday night after a short visit in Colorado Springs.

Lucile Lewis and Gwen Reed were in Shamrock last weekend and played in the duplicate bridge tournament.

HOW TO MAKE YOUR CHRISTMAS CARD MORE PERSONAL

What makes one Christmas card more personal than another? For one thing, it's the extra care taken in selecting a quality card early... not just a last-minute snap decision on something that's "almost as good." It's a design that perfectly captures your particular feeling about Christmas. It's a sentiment that expresses you—maybe even one you've composed yourself. It's that added touch of thoughtfulness in having your name imprinted. It's choosing in plenty of time so you can write a note to dear but distant friends and family. It's the pride of knowing the card you send will be received and displayed with pleasure. When you choose a Christmas card from our 1966 Hallmark Albums, you can be sure it is most personally yours. And the Hallmark and Crown on the back of each card, recognized symbol of quality to thoughtful people everywhere, is an added compliment to the receiver. Visit our Christmas card gallery now and select the design and sentiment just right to represent you in the homes of others this season. What makes one Christmas card more personal than another? You do, "when you care enough to send the very best"—personalized Hallmark Christmas cards.

 Communism threatens to wreak havoc on everything man has sought for thousands of years and yet we vie with the Soviet Union to see who can put on the more impressive show in the skies. It would appear that man's inhumanity to man is exceeded only by his warped sense of values.

Many Things Build Good Local Trade

MANY THINGS GO INTO BUILDING LOCAL TRADE
 Throughout the pages of history there have been enterprising young men and women who have gone into a new territory to explore new frontiers of business. Some started on a shoestring, working hard to make ends meet. Others started with financial backing that met their needs above their business operation. What ever the case, these men and women worked hard to make their business a success. Some used a policy of the "best service in town," while others used "the newest and most modern equipment," or perhaps "the lowest prices anywhere."
 Each of these points is vital, plus scores of others, to make the commercial end of the economic development of a community.
 But just as the styles of clothes change, so does the outlook of the business world. Yes, the outer appearance changes but not the basic fundamentals. The best test of this is to ask, what does the consumer look for when he goes into a local store. He will probably tell you above all, that he wants to be treated as an important individual, as we all like to have our ego fed. The second, would be quality of product and the third, price.

To meet all of these requirements successfully, today's businessmen must keep up with popular trends. He must maintain an awareness of what the other fellow is doing to improve his business and make the same advancements.
 The small businessman must compete with a barrage of competition unfamiliar to him 20 or even 10 years ago. He must keep his consumers from becoming familiar faces in the discount houses, chain stores and other concerns that offer something for practically nothing.
 New pressures confront the small businessman. Are we ready to meet these pressures successfully? Are we keeping up with the "styles?" Above all, are we giving our customers a good reason for shopping at home?

Miserable Sinner

One of the local preachers passed along the story about the salesman's wife who was upset by the wild carryings-on of her husband. She decided to take her troubles to her pastor.
 "Reverend," she sobbed, "something has to be done about my husband. He doesn't come home to me and the kids at night anymore. Instead, he spends his time drinking, playing cards and chasing women."
 "You have my deepest sympathy," the minister declared. "Your husband is a miserable sinner."
 "A sinner he is, Reverend," replied the distraught woman, "but miserable he ain't. . . he's having the time of his life."

Lodge Holds Annual School

The Panhandle Region of Rebekah Lodges held their annual school of clerks and scribes Saturday, Nov. 5 in the IOOF Hall.
 Reba Guest, PNG of Amarillo, conducted the school of instruction beginning at 1 p. m. Guests from Amarillo, Borger, Dalhart, Hereford, Perryton and Pampa registered at 10 a. m. and luncheon was served at noon by the Rebekah Lodge #290 of Spearman.
 The tables were laid with white cloths and were decorated with arrangements of fall flowers.
 Those elected to serve as officers of the clerks and scribes of 1967 are Faye How-ell, president; Ross Neugin, vice president, Faye Davis, secretary and treasurer.
 The 1967 meeting will be held in Perryton with Rebekah Lodge #225 as hosts.
 Weekend guests of Mr. and Mrs. Loyd Carroll were his sister, Mrs. Hattie Sneed of Little Rock, Ark., Mrs. Ruth Gassaway of Englewood, Fla. and Mrs. Oscar Carroll of Seminole. Mrs. Sneed and Mrs. Gassaway left Monday morning but Mrs. Carroll stayed to spend the week here.

An Editorial

Sense Of Values

Sitting on a pad at Cape Kennedy is the Saturn 5 rocket which has been called the tallest building in the world. One day it is destined to carry man to the moon. It's a wondrous goal, to be sure, yet it's also a paradox.
 Millions of people throughout the world are starving; yet, we look to the skies rather than to hunger as a field of conquest. Americans by the millions, black and white, are denied their so-called inalienable rights of life, liberty and the pursuit of happiness; and yet we look to the moon to set man free from his ties to earth.
 Experts decry man's waste of his natural resources, pointing with genuine fear at the depletion of the fresh water supply as a major catastrophe; yet we stand ankle deep in pollution and watch rockets soar upward aimed at an arid sphere 238,857

the Word

"Thy word is a lamp unto my feet; and a light unto my path."
— Psalm 119:105

If you are a Christian, you are blessed with a great heritage. It is a heritage of truth and has nothing to do with imagination or myths. It is a truth that remains unchanged, no matter how many times someone attempts to rewrite or offers a "studied" translation. This truth is the word of God. It is found in the Holy Bible. It is found in Ten Commandments, which form a guidepost for Christian living. Accept this truth; it is useless to argue against it. Conscience and common sense will not permit you to be unaware. You fool no one, not even yourself, if you pretend to ignore or disbelieve.

Homemaking Notes

Linda Webb
Home Demonstration Agent

The time is growing short for contestants to enter the 1966 "Make It With Wool," contest. I still have several entry blanks in my office for persons wishing to enter. November 14 is the deadline for sending in your entry form.

As in years past, there are four divisions in the contest—1) Sub-Deb for 10 to 13 years old; 2) Junior, for 14-16 years; 3) Senior, 17-21 years, and 4) Adults, for persons 22 and over. Sub-debs may make a jumper or skirt from a 100 percent wool fabric. Other divisions may enter any of the following garment categories: two-piece suit; coat; dress (school, jacket, party or formal).

Still looking for money-savers in the food department? Try some of these suggestions for making substitutions in recipes rather than purchase an item called for:

To make sweet milk sour, add 1 tablespoon vinegar to 1 cup sweet milk.
1 cup milk equals 1/2 cup canned milk plus 1/2 cup water.
1 cup milk equals 4 tablespoons powdered milk plus 1 cup water.

Vinegar, orange juice or grapefruit may be used in place of lemon juice in salad dressings.

2 1/2 tablespoons cocoa plus 1/2 tablespoon shortening are almost equal in flavor and composition to 1 oz. of chocolate.

In place of frosting on cake spread with jelly and then sprinkle with nuts or coconut.

To use left-over whites or yolks of eggs: 2 yolks may be used for 1 egg. 4 whites may be used for 2 eggs. If a white is substituted for a yolk in cakes, add 1 teaspoon shortening.

1 cup bread crumbs equals 3/4 cup cracker crumbs.

For lovely flowers next spring, right now is the time to plant flower bulbs. Everett Janne, Extension landscape horticulturist, sent along these bulb-planting hints—

In general, bulbs need a well-drained soil. Peatmoss can be added to supply organic matter if the soil is extra heavy or sandy. Bulbs do not tolerate heavy concentrations of fertilizer near them. For this reason fresh manure should not be used in the bulb garden. Bone meal is one of the most commonly recommended fertilizers for bulbs. However, Mr. Janne recommends superphosphate, because it is more effective and much cheaper to use. Apply at a rate of 5 pounds per 100 sq. feet of bed area.

Mice and moles will eat most bulbs except daffodils. If these pests are especially bad, the bulbs can be protected with small wire baskets made from 1/4 inch hardware cloth.

Plant bulbs where they will receive plenty of sun and be protected from north winds. New plantings should be mulched during the first winter, to prevent drying out. Dry grass clippings or leaves work very well.

Bulbs should be planted together in large masses. Some of the small bulbs, crocus and hyacinth for instance, need to be planted in groups of 25 to 50 in order to make a good display.

Daffodils, crocus and hyacinths should be planted as soon as the bulbs become available in garden stores. Tulips will not do well unless you purchase pre-cooled bulbs. Daffodils should be planted about 6 inches deep and from 6 to 8 inches apart. Set hyacinths about 3 inches deep and spaced 4 inches apart. Crocus are planted 4 inches deep and 2 to 4 inches apart. The planting depths just mentioned are to the top of the bulb.

PEP Joins BET To Boost Texas Economy

"PEP" or the Panhandle Economic Program has joined BET (Build East Texas) and BIG (Blacklands Income Growth) as the third regional effort to boost Texas' agricultural economy.

County groups throughout the 26-county Panhandle Economic Program area will be launching local projects throughout January and February aimed at the new program's goals of wiser resource use and improved agriculture and agribusiness on the Golden Spread.

James Murphrey, Extension Service farm management specialist of Amarillo, has served as the coordinator of the program and the economic study from which it evolved.

He says, "PEP" is a first cousin to BIG and BET, but its personality is a little different because this area is so progressive. Our irrigated acreage has doubled in the last ten years so we now have 2.5 million acres under irrigation.

"But we have lags in such things as managerial ability and local processing and misuse of our resources," Murphrey said. These could restrain our growth.

Another difference with the other regional programs is that PEP was preceded by an extensive economic study. The region's resources were inventoried and potentials were developed based on efficient use of the inputs.

Some of the potentials for the Panhandle indicated in the study are as follows:

- Improvement in resource allocation, profit combinations and more efficient management can increase net income from Panhandle farms and ranches by \$10-million.

- Effective estate planning can result in an estimated \$20-million saving per year.

- Value added to area agricultural products processed and manufactured in the Panhandle can increase income from these products by \$350-million annually.

- Utilizing water for crop production now lost to runoff, playa lake evaporation, tailwater and excess of undesirable plants can increase income \$20-million annually.

- Timely and accurate application of irrigation water can conserve sufficient water on 2.5 million acres to increase the value of agricultural production by \$100-million annually.

Per-acre production goals are not planned in the PEP program as they are in BET and BIG because water is the limiting factor in the Panhandle. Farmers there have produced more than 10,000 pounds of grain sorghum per acre by pouring on fertilizer and irrigation water.

"The trouble is that maximum yields are losing some farmers money," Murphrey said. "We want more emphasis on optimum yields--production levels that return the most net income per acre inch of water."

As in BIG and BET, PEP is conducted largely by Texas A&M University in cooperation with other agencies, schools and area leaders. All three programs are designed to tackle the problems and opportunities of an area with similar soil, climate and production alternatives.

Consumer Study Shows Lower Prices Preferred

COLLEGE Station.--The merchandising appeal of lower prices is on the increase, according to Mrs. Gwen Clyatt, Extension consumer marketing specialist at Texas A&M University.

She quotes Ben L. Schapker, vice president, Burgoyne Index, Inc. Detailing results of a survey of some 2,000 supermarket shoppers in six cities, Schapker said, "This is the first year that lower prices on groceries have displaced quality and freshness of meats as the leading factor for shoppers selecting their favorite supermarket."

The survey showed that 31.4 percent of the shoppers named low prices on groceries compared to 19.9 percent who named quality and freshness of meats. Last year, the figures showed 22.5 percent shoppers named freshness as opposed to 27 percent shoppers who picked quality.

Other supermarket preference factors named by shoppers interviewed were: Convenient location 13.4 percent; attractive, clean store, 12.6 percent; variety and selection,

7.1 percent; quality and freshness of fruits and vegetables, 3.2 percent; and friendliness, 4.5 percent.

Schapker noted that "I'm inclined to believe that in their desire to reduce costs by cutting down on help, many supermarket operators have reached the point where service to the customer is suffering, especially at the checkout stand, and that this is responsible for causing a loss in sales."

Leading the list of complaints of shoppers, according to the Burgoyne survey, was slow checkout service, 34 percent; store housekeeping, 19 percent; not enough brands and sizes and out-of-stock too often, 12 percent; meat, 10 percent; fruit and vegetables, 6 percent; personnel, 5 percent, and miscellaneous, 14 percent.

Mr. and Mrs. Gordon Cummings and children were in Guymon visiting with his mother and sister over the weekend.

Service Mail To Be Fast

Postmaster Jacobs today announced that henceforth all first class mail, personal sound recordings (voice letters), and parcels weighing 5 pounds or less and measuring not more than 60 inches in length and girth combined, will be airlifted on a space available basis between the United States and all military post offices overseas.

Also, under Public Law 98-725-The Dulski Military Mail Act-which was signed by President Johnson on Nov. 2, 1966 second class publications such as newspapers and magazines published weekly or more often, and featuring current news of interest to the military, will be airlifted from San Francisco to the armed forces serving in Viet Nam.

Postmaster Jacobs explained that parcels weighing 5 pounds or less and not exceeding 60 inches in length and girth combined, paid at surface rates, will be moved by surface transportation within the United States from the points of mailing to the port of embarkation.

To speed up separation and delivery of these smaller parcels falling within this category, Postmaster General Lawrence F. O'Brien directed that all parcels be clearly marked upon acceptance at the post office with the letters SAM (surface airlift mail). This will eliminate the task of reweighing the parcels at the San Francisco Concentration Center prior to dispatch to Viet Nam or other overseas military post offices.

The local Postmaster also reminded mailers that Christmas parcels weighing 5 pounds and under, though they are given airlift priority from San Francisco to Viet Nam on a space available basis, should be mailed no later than December 1. Air Mail, he said, should be sent no later than Dec. 10.

Christmas packages weighing more than 5 pounds going to Viet Nam and other overseas military post offices by surface means should be mailed NOW and no later than NOVEMBER 12.

Smith said the Chamber must know by Nov. 15, the number of stores which will participate, so that final plans can be made for the Christmas program.

Friday Is Town Holiday

Friday is an official holiday in Spearman, but it is not known how much of the town will close.

The Post Office, Courthouse, and ASC offices will be closed. Nov. 11, is one of the holidays selected by the merchants in the Chamber of Commerce to close, but the Chamber office said it did not know how many of the merchants will close.

The bank will be open.

Sheriff J.B. Cooke, Chief of Police Leland Wood, and Corporation Court Judge T.J. Pittman attended a law enforcement conference in Borger last week.

H.E. Teachers Attend Meeting

Mrs. Joy Barkowsky and Mrs. Frances Hudson, Spearman High School Homemaking teachers, attended an in-service meeting held for homemaking teachers of the northern Panhandle at Berger High School. Representatives from eleven schools attended.

After the teachers enjoyed a salad supper Mrs. Ima Dora Haille, supervisor for Area I Vocational Homemaking teachers for the Texas Education Agency, conducted the meeting.

The topic of study was "To Formulate New Concept of the Home Experience Program."

Miss Roden Takes Visit

Recently, Miss Roden visited the Snyder Elementary and High School Auto Visual Library. From Snyder she went to the State Fair in Dallas where she was a representative of the Business and Professional Women's Club of Spearman. As a representative, she attended a meeting of the organization. Miss Roden said she enjoyed the whole trip, especially shopping in Dallas on Saturday.

Lynx Band Received Division 1 Rating

Tuesday, Nov. 1, the Spearman High School Band went to the UIL marching contest. The band received a division 1 rating. This is equal to one-third of the sweepstakes, which consists of marching, concert and sight reading.

Some of the older members of the band were worried because of the unusually cold weather and the fact that the band was running a tighter schedule than was customary. The contest is usually on a

pretty day and the band usually arrives an hour or two ahead of schedule.

The contest wasn't very hard, for the weather made it difficult for the judges to tell whether a band had what it takes or not. There were several high ratings given that day.

Journalism Class Planning Safari

In the beginning of contact-lens-wearing, many a football game was turned somewhat into a lens hunting safari.

Through the past eight football games many players have lost articles while playing.

During the Sunray game Hal Shufeldt lost a lens out of his goggles. He never found it, but last week it was returned by one of the referees. Also during that game Ronald Gray lost a tooth. The tooth was a fake which slipped in and out easily. Ronald has never found his tooth. However, the journalism class is planning a picnic and hunting trip to find Nellie's tooth. Gary Cates has also lost 5 contacts during practices. He has never found one of them because it is very hard to find a small contact in a large tract of grass.

Spanish Class Makes Speeches

Recently Mrs. Morse, Spearman High School Spanish teacher, assigned to her Spanish I-II students some speeches to be given by each student in Spanish.

The speeches were to be from one and a half to three minutes long, depending on whether the student is in his first or second year of the language and the amount of vocabulary he is able to use.

The speeches were written in English first and then translated into Spanish for the speech. Thus, the student learned more new vocabulary and also strengthened his pronunciation and sentence construction.

The speeches were given about a variety of subjects such as skiing in Red River and the Three Bears. However, the band's marching at the U.I.L. Contest at Canyon seemed to be the main topic of the students.

Sweaters Are Study Club Sponsoring In At School "Girl of the Month"

Sweaters of every style, color and stitch are here this fall. The bulky, nubby knit is especially good this year. Choose slacks to go with sweaters either in contrasting or matching colors.

Lively heathers and sassy tweeds are the look of the casual slacks. Either the little boy jacket or the ribbed sweater will mix or match, with the pants to create a sporty ensemble.

The Spearman Study Club is sponsoring the selection of a "Girl of the Month."

A girl is to be chosen by a faculty committee on the following recommendations: school, community, civic, church, and athletic participation, and talent.

The girls are to use their senior pictures and it is to be placed in the trophy case at school during that month.

Each girl is to write a short

resume of herself to be published in the local newspapers.

In May, each "Girl of the Month" will be required to write a three minute talk on "What Education Means to Me" and present it to the Spearman Study Club members at their regular meeting.

Halloween Is Successful

According to student body president Gary Ellsworth, the Halloween Carnival went very well. All clubs said their booths did excellent money wise. The annual Halloween queen contest was won by freshman Rondal Schell. Monty Lusby, junior, came in second. Third and fourth places were held by sophomore David Schnelly and senior Ronnie Willis.

Mrs. Ownbey Attends State FU Convention

Mrs. Robert J. Ownbey attended the State Farmers Union Convention in Mineral Wells last week.

Speakers at the three-day convention were Farmers Union President Tony Dechant of Denver, Sen. Ralph Yarborough, Rep. W.R. Poage and Farmers Union Presidents from Texas, Oklahoma and North Dakota.

Nancy Bernard, National Maid of Cotton appeared during a style show and luncheon for the women attending the convention.

Mrs. Robert Ownbey visited with Dr. and Mrs. Fitzgerald in Memphis last weekend.

Spanish Class Makes Speeches Howk Makes Singing Tour

Mr. Howk, Spearman High School choir director, had the privilege of going on a world tour last summer with a group of singers from the University of Texas. The group which he traveled with was called the Madrigal singers. In the group there were seventeen singers, a Spanish guitarist and the director.

Two of the main reasons for making the tour was to show people what college students are capable of doing and to talk with other college students.

A few of the more interesting places they toured were Spain, Austria, Italy, London and Cypress. In Spain the group sang mainly in vocational high schools. The group also toured the palace of Isabella. After the performance in Vienna, Austria, the group had the privilege of talking to Lenard Bernstein. Mr. Howk said that one of the warmest receptions was given in Italy.

They enjoyed going to the Festival of Two Worlds while there. In London the group made a professional recording. In Cypress the Archbishop came out of seclusion to attend one of the group's performances. According to Mr. Howk, the group enjoyed the tour very much and felt that they profited much towards international good will.

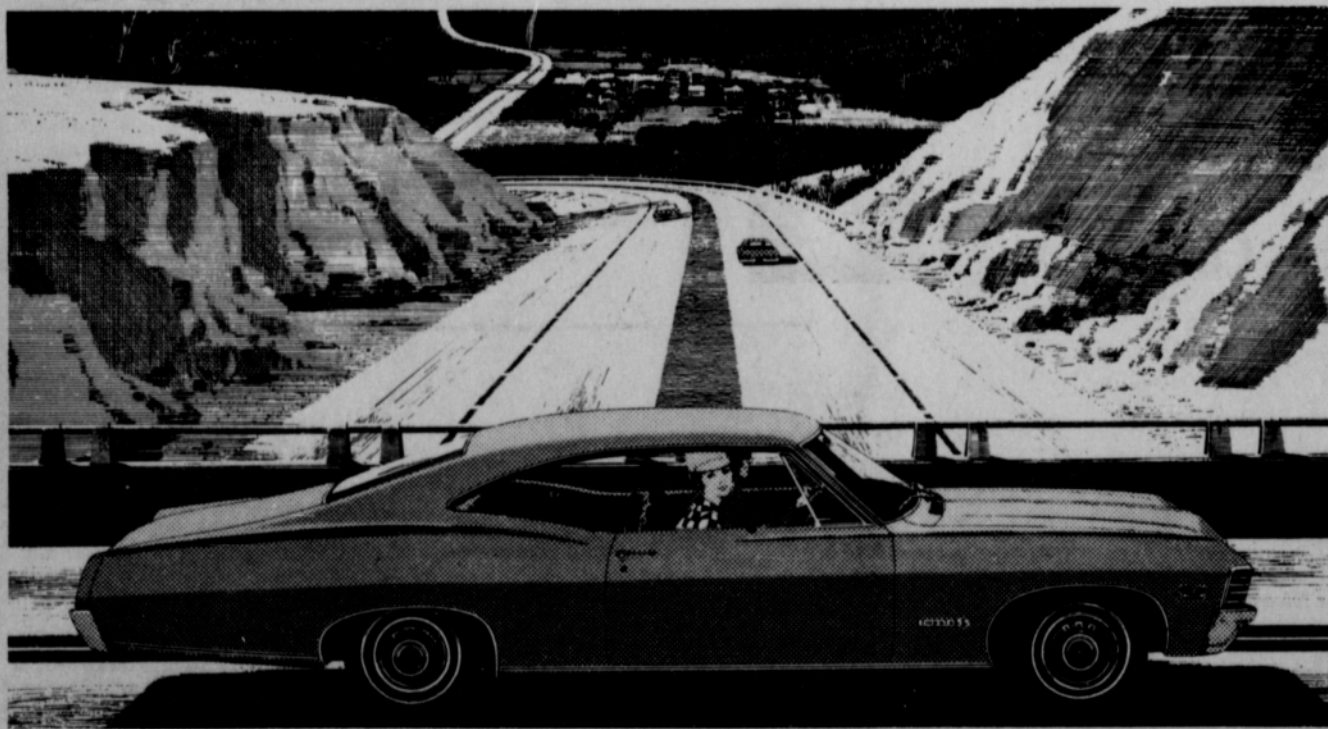

Seniors Pick Invitations

Last week the Seniors completed another facet of their duties, the ordering of their announcements. First a committee made up of Gary Ellsworth, Anthony Wilkerson, David McClellan, Cheryl Bollinger and Carla Archer narrowed the number of different types to two.

Then after a spirited debate and campaign over two different types, a compromise was reached, combining the two types into one.

Elated, the Seniors returned to their classes fifteen minutes late.

'67 CHEVROLET

Impala Super Sport Coupe—a clean new sweep in roof lines.

Now that you've seen all the daring new things our stylists did, get in and sample some of the safest, soundest ideas on the road!

What you feel is as new as what you see—thanks to all the fresh thinking that's gone into the way it rides, steers, stops and looks after your safety.

It's got a remarkable new road feel—beginning with a ride so hushed and gentle you'll feel like calling this the '67 Chevrolet. The steering is as much as 10% easier. And you'll find the stopping smoother, too.

We put safety features on top of safety features. For example, an energy-absorbing steering wheel atop the new GM-developed energy-absorbing steering column. A dual master cylinder brake system with warning light. And seat belts front and rear with pushbutton buckles. All standard, to be sure.

And there's a new SS 427 performance package—complete with 385-

hp Turbo-Jet V8 and flat-cornering suspension. You can order it for either the Impala Super Sport Coupe or Convertible.

Of course, there are all sorts of new custom features you can add, too, such as tape or FM stereo. But if you find so much that's new a bit too much to remember—drop down to your dealer's and take a drive. It'll all become unforgettable.

Everything new that could happen...happened! Now at your Chevrolet dealer's.
