No Serious Damage To Area Wheat Crop

This is Thanksgiving Week across our nation and folks will be going and coming to be with family on this holiday.

We wish everyone a safe journey if you go on our highways, may the Lord watch over you until your safe return to home.

Thanksgiving is a wonderful time of the year and this year we felt we were blessed to have the privilege to attend the Thanksgiving Community Service held this past Sunday night.

We felt this was a service that was especially blessed by the Lord.

Five of the local church congregations worked together to make the service a reality and although we have enjoyed others over the years, there was something special about the one Sunday night. We wish every member of the community could've been there.

We are sure those that were on hand share our feeling of something a bit different in this one.

Perhaps it was being with your neighbors, we just can't put it into words, but it was a wonderful service.

This service set the stage for us for this Thanksgiving season. We would ask your indulgence to again stop and let us all thank the Lord for the greatest gift of mankind, His Son, the Savior of all mankind; we would also thank the Lord for a nation in which we are free to worship and work and play as we see fit; we would thank the Lord for our Panhandle where People aren't afraid to be neighbors; we would thank the Lord for our friends who are always willing to share and to help when the time arises.

Yes, we would also thank the Lord for our families and the opportunities we enjoy daily that millions of people would give their lives for.

This past weekend Tracks shared an experience with Rev. J. Frank Peery, Ruthie Gates, Ed Moore and Joe Wells. We all carried a carload of young people to Dallas to see the SMU-Baylor game.

It is a long way from Stratford to Dallas, and it has gotten farther since the last time we drove it. Ye gads, that road just ran, and ran, and ran.

We all had a good time. The Baptists carried the day on the football field but our group had an experience of seeing just how folks in the big cities get along.

We believe we all agreed before we got back home that the old baldies are a pretty good place to live. We don't see why folks would live in such large places. The traffic is a mess, especially to one who thinks the cars up and down Main Street when school is out is a traffic-jam!

Several local stores have announced this week their intentions to be open for business every Monday and Thursday night until 9 p.m. until Christmas for your shopping convenience.

We are happy that many of our local merchants have gone together for this added attraction for area residents.

We hope the residents will take advantage of this staying open later for this is something new for our merchants and we wish them every success.

Maize and corn harvest is all but history this week as the weather stayed open to allow combiners to finish up most fields. We realize there are still some who haven't finished, but for all practical purposes the harvest is 99 percent over this year.

We are glad they got to get it in before the really hard weather hit.

Commodity prices this week showed wheat selling from \$4.45 to \$4.70 per bushel, grain sorghum \$5.15 to \$5.25 per cwt and corn going from \$3.04 to \$3.10 per bushel on local markets.

Panhandle and Rolling Plains wheat farmers have little cause to be concerned about the yellow wheat fields which are so prevalent this year, announced Dr. Robert W. Berry, area plant pathologist, Texas Agriculture Extension Service, Lubbock.

Dr. Berry said after visiting local wheat fields last week that the yellow color in most fields is

due to a heavy infestation of leaf rust which is causing death of leaves and loss of color.

"This fungus has been in the fields for several weeks and no serious damage has appeared until recent weather changes," said Dr. Berry.

"Rust thrives on high humidity, high temperatures and lush wheat plants. It is

always present on wheat in the fall but conditions are usually not so perfect for its spread," he added.

The first cold weather with low humidity has stopped the spread of the rust, but the symptoms of old infections are still visible. They will progress in most fields until the infected leaves are all dead. Meanwhile, the plant will produce new leaves and the fields will show a gradual recovery in a few weeks, Dr. Berry pointed out.

Leaf rust has never been serious in the Panhandle, but it may survive a mild winter in the Rolling Plains areas, Dr. Berry said.

A heavy leaf rust attack will be equivalent to grazing the wheat in the fall, Dr. Berry emphasized. There should be no reduction of yield of grain and there is no need for control measures at this time, he said.

For next year, growers should consider leaf rust resistant varieties. Sturdy and several other varieties are showing no loss from the disease. Late seeded wheat has escaped leaf rust to a large degree and properly fertilized fields are making a more rapid recovery from the symptoms.

Dr. Berry made the foregoing remarks after making a survey of local wheat fields on a trip to Sherman County sponsored by Jim Allison, county extension agent and the Texas Wheat Producers Board. Paul Chesmer, president, Sherman County Wheat Producers Association also made the survey with the group.

Dr. Berry did add that volunteer wheat plants are heavily infested with wheat streak mosaic virus. WSMV across the Panhandle, the wheat curl mite which spreads WSMV is present in a large percentage of plants and the situation is serious for the entire seeded acreage. The virus has already moved into some fields and losses in such cases will be heavy.

Volunteer plants and infected seeded stands should be destroyed near healthy wheat. A clean barrier of 200 feet should be maintained around fields to prevent virus and mite movement into clean fields, Dr. Berry warned.

★ THANKSGIVING FOR ...

- PROSPEROUS NATION
- FOOD
- A STRONG NATION
- FREEDOM OF WORSHIP

Pages could be filled with ways that God has blessed us, and we should be continually thankful for God's goodness. At this time, however, we should pause from our daily workday habits and in unison, give special thanks to God, that we still have freedom of worship.

Attend church this Thanksgiving weekend

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Mrs. Bornstein Feted With Baby Shower

Mrs. David Bornstein was honored with a baby shower on Saturday morning from 9:30-11 a.m. in the home of Mrs. David McReynolds.

The honoree wore a corsage fashioned of baby socks that was tied with gingham ribbon and was assisted in opening her gifts by her children, Keitha and Brian.

The serving table hosted a white, floor-length cloth and was centered with an arrangement of yellow, blue, and pink

gingham bows and bumble bees in a straw basket.

Silver and crystal appointments were used to serve hot spiced cider, coffee and assorted dessert breads to guests who called. Favors shaped like pacifiers and tied with gingham were used on the table.

Out of town guest was Mrs. Jerry Keith of Sunray.

Hostesses for the event included Mesdames: Doug McBryde, Steve Dettie, Dale Stovall, Scott Whorton, Dave McReynolds, Bill Briscoe, Karl French, Sam Brite, Carroll Wisdom and Elwyn Bass.

Dear Friends,

We will not be having an open house at our new home after we move because of the confused pace of the holiday season, children's activities and harvest.

We will be working there for the next two weekends (Nov. 30-31 and Dec. 7-8) and we would love for you to bless our new home with a visit then.

NOW COOKING WITH GAS MAY HELP KEEP US ALL OUT OF A STEW.

People who cook with gas ranges have always had very good reasons. One is the instant off and on burner control. Something that gas offers.

Another is economy. Because when you cook with gas, it costs almost a third less than with an electric range.

And now, there's another good reason for using a gas range.

Efficiency.

The truth is that a gas range uses less than two-thirds the natural energy of an electric range to do the same job. (See chart.)

So, add one more to the list of reasons for buying a gas range: energy conservation. Today, maybe that's the best reason of all.

That's something we all care about today.

A comparison of costs and efficiency for cooking.

	Average annual energy cost to homeowner. (1)	Energy utilization efficiency. (2)
Natural Gas	\$14.65	37%
Electricity	43.49	21%
With gas you save	\$28.84 every year.	and use less than 2/3 the energy.

COUNTY AGENT'S REPORT

by Jim Allison

Local homemakers will learn how to make and use low-cost cleaners during this week's "You Can Do It!" television program at 1:00 p.m. on KMAR-TV, Channel 4.

Featuring hostess Cindy Kidwell, the educational program will teach viewers how to make cleaning products for windows and mirrors, porcelain, furniture, and general household uses.

"Cleaning on a Shoestring," this week's lesson, also will feature ideas for cleaning marble, tile, aluminum, and chromium, according to Miss Glenda Price, Sherman County Extension Agent.

"You Can Do It!" is a 6 part educational television series, which will run through December 28. It is sponsored locally by the Sherman County Family Living Committee and KMAR-TV.

It was created and produced by home economics specialists with the Texas Agricultural Extension Service, Texas A&M University System,

through a special United States Department of Agriculture grant.

Programs in upcoming weeks will include lessons on repairing leaky faucets, toilet repairs and adjustments, caulking and weatherstripping.

Bulletins on any of the projects taught during the series are available at no charge through the County Extension Office, at 396-2122 or Box 1108 Stratford, Tex. 79084.

Next week's program will teach leaky faucet repairs, the agent said.

Cadette Troop 262 met at Terry Flore's house Monday with ten girls present.

Those present included Annette F., Kay B., Janet M., Mellonee Mc., Cynthia B., Charla B., Rhonda H., Kristi H., Sabar K., and Angela B.

Bonnie Hayworth, a beautician, came to visit our troop today. She styled Mrs. Combs hair for us.

Remember Troop 262 meets at the County Barn.

Home Demo Club News

The Star Home Demonstration Club met in the fellowship hall of the Methodist Church with Elizabeth Peery as hostess on November 19.

Roll call was answered with, "I'm thankful for-----".

Plans for our Christmas meeting were made for December 3 with Harlene Phillips as hostess. Each club member is asked to bring a gift to send to Becky Canadles of Girl's Town and a homemade gift to exchange.

Club members are asked to report likes and dislikes on year books to Ava Keener, yearbook chairman. Also program suggestions are welcomed by the yearbook committee.

Glenda Price, home demonstration agent, reported on a "sketch and sew workshop" to be held in February.

Charlene Phillips gave the program on String Art.

Those present included Ava Keener, Glenda Price, Penny Bennett, Doris Dyess, Harlene Phillips, Elizabeth Peery, Vera Pronger, Emma Naylor, Irene Wakefield, Janice Sladek, and Lucille Phillips.

Be Thankful

The strength of a great nation is in its people. People who are proud, but not boastful, who know humility, but not weakness, who are industrious, but also generous, are the foundation of a land whose freedom is the only light that shines hope for many less fortunate people.

In the foreground of a prosperous land, our symbol of pride, humility, and generosity is a pair of hands clasped in a prayer of thanksgiving. Our warm wishes for a grateful and joyous Thanksgiving.

Martensen-Hanson Vows In Denver

Wedding vows of Sharon Kay Martensen and Richard W. Hanson were exchanged Sunday, Nov. 17, 4 p.m. at the home of Patti McDaniel in Denver, Co., before family and a few close friends. The double ring ceremony was performed by the Rev. Wayne Carmany, minister, Good Shepherd Lutheran Church, in front of the fireplace mantle that held a large arrangement of bronze mums, yellow gladioli, red and orange carnations. Background music was the theme from "Bryan's Songs."

Mr. and Mrs. Ray Martensen of Greeley, Co., and formerly of Stratford, are parents of the bride. The groom is the son of Mrs. Howard Hanson of Denver and the late Mr. Hanson.

Sharon, given in marriage by her father, chose a long ivory gown with an Empire waist, featuring elbow length lace sleeves with a lace panel down the front and accented by brown satin ribbon on the bodice. She wore a large brown velvet picture hat. Her necklace was a small golden heirloom cross belonging to the groom's grandmother, Mrs. Hans Hanson. She also wore the traditional blue garter and a birthdate penny in her shoe. The bridal bouquet was a large nosegay of yellow daisies accented by small dried brown flowers, ribbons and streamers.

The maid of honor, Miss McDaniel, selected a long brown and white polka dot dress with a white top and matching short jacket with long sleeves. Her flowers were a nosegay of yellow daisies and brown dried flowers.

Bob Hanson, Casper, Wy., was his brother's best man. All men attending the ceremony had white carnation boutonnieres except the groom who had three light-blue rosebuds.

Mrs. Martensen chose a long sleeved gown in hot pink for her daughter's wedding. Mrs. Hanson wore a long sleeveless gown of royal blue silk brocade made from material brought from Japan by the groom. Each wore corsages of cymbidium orchids.

Wedding guests included Allen Martensen, Greeley, and Mike McDaniel, John Peck, Tricia Tezak, Mrs. Wayne Carmany and Darrel Morrow, all of Denver.

A reception was held from five to seven for the wedding guests and other friends. The table was covered with an ivory lace cloth with the bridal bouquet as the centerpiece. The two tiers of the cake were divided by white swans, decorated with icing mums in fall colors, and topped by two satin wedding bells. Also served were hors d'oeuvres and punch. Brown napkins were imprinted in gold with Sharon and Rick and the date.

The new Mrs. Hanson is a graduate of Stratford High School and has been a resident of Denver the past three and a half years. The groom served in the United States Navy and is employed by Parker Drilling. The couple will make their home at 504 Oregon Trail, Apt. #4, Casper, Wyoming.

Scouters Banquet Seated In Dalhart

The annual Scouters Banquet will be held at the First Christian Church in Dalhart on Monday, December 2. Time for the banquet is 7:30 p.m. and will be a covered dish affair. All scouters from Stratford are asked to bring a dessert.

Scoutmaster Bill Sladek will present the Lon C. McCrory award to the scouters most deserving of the award.

Jimmy Pigman will show slides of scouting activities carried out in the district for the past year.

All scouters and former scouters are invited and encouraged to attend.

THANKSGIVING Prayer

T

hanks be to God Who gives us life,

Homes warm with love, and friends who care;

A country beautiful and blest,

Now rich with harvest everywhere.

Keep us, dear Lord, and those we love

Safe under peaceful skies, we pray.

Guard all those rights we hold so dear—

In freedom's name to go or stay,

Voice our opinions without fear,

In our own ways to worship Thee!

Now as we lift our hearts in praise

God help us share abundantly!

4-H News

The fourth grade 4-H girls met last Thursday in the home of Mrs. Joe Pete Flores.

We made oatmeal cookies and had them for refreshments. Each girl present wrote on a piece of paper what she had eaten on Wednesday and a check was run to see if each had a balanced diet that day.

The Food Show and other events in the near future were discussed.

Girls present were Shari Robertson, Teena Vaughn, Sharon Schwertner, Sandra Bell, LeaAnn Armstrong, Leslie Drake and Janet Pleyer, reporter.

Judy William's 4-H Club met Oct. 29 and talked about spaghetti.

Three reports were heard on the kinds and cost of uncooked macaroni, spaghetti and noodles available and how they are enriched; the cost of and can size of tomato products; the cost and number of servings of convenience-type macaroni products.

On November 5, we had a talk on the kinds of fresh vegetables and varieties of potatoes available at the stores.

We discussed prices on November 12 on soup that is available in different ready-prepared forms and the number of average servings that each will provide. We watched a film on Beef provided by the CowBelles that was shown by Mrs. Lasley. She also made us a dip with beef in it.

The 10-year old 4-H girls met Wednesday in the home of their leader, Mrs. Clifton Phillips.

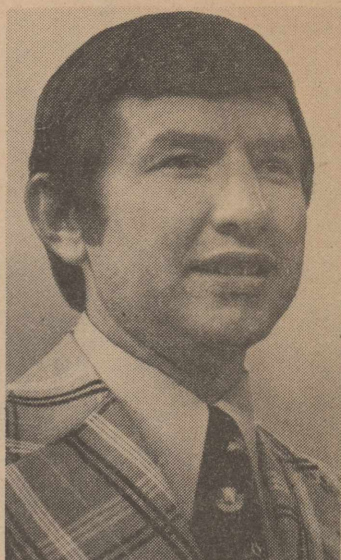

Leslie Flores gave a demonstration on baking chocolate brownies. Record forms were discussed and handed out to be filled in for the Favorite Food Show.

The brownies were served to members present: Cherie Brown, ViAnn Ferguson, Leslie Flores, Irma Garza, Leah Oakley and Mrs. Phillips.

NO 2056

REX HALL, JR.

VS.
THE UNKNOWN HEIRS OF LEVI SWOVERLAND, DECEASED, AND THE UNKNOWN HEIRS OF JOHN WILSON, DECEASED, ET AL
Defendants
IN THE DISTRICT COURT OF SHERMAN COUNTY, TEXAS
THE STATE OF TEXAS:

To John Wilson, Margaret (Thompson) Wilson, the Unknown Heirs of John Wilson, Deceased, the Unknown Heirs of Margaret (Thompson) Wilson, Deceased, Sadie (Wilson) Austin, Deceased, the Unknown Heirs of Clarence Austin, Deceased, Emma (Wilson) Austin, Loffie H. GIFT IDEAS

MAKE THIS HOLIDAY DIFFERENT

There's an art to gift giving — and it can be learned! And with Christmas on its way, it is high time to heed a few holiday hints about presenting the perfect present.

1. *The card has a lot to say*, so make it personal. Let your children draw pictures or take a family portrait and reproduce it for cards with personality. You might even try to write your own poem or limerick for a greeting that is as unique as you are.

2. *Quality is more eloquent than quantity.* You'll give more pleasure with one really fine shirt, for example, than with several ordinary ones. Better a superb lipstick than an imitation leather purse.

3. *Suit the gift to the person.* For your daring friends, dare to give the earthy scent of musk. Houbigant's primal scent comes in various forms — concentrated oil, dusting powder, spray mist, and French-milled marbled soap — all packed up in an attractive black patent tote.

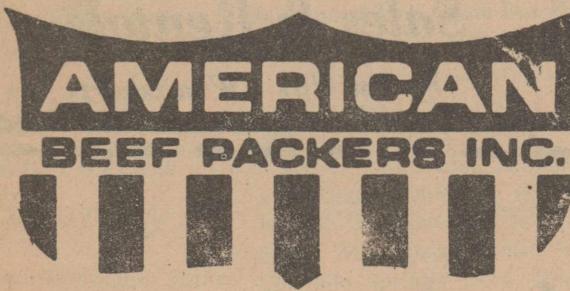

Flexibility to meet your loan needs.

A long-term loan and reasonable charges. That's the kind of loan farmers and ranchers find at the Land Bank Association. But they also find the extra flexibility that is so important with loan arrangements that fit special needs. Let us show you you get a better loan — and convenience too — when you use the Land Bank's unique service.

THANKSGIVING

Family, Friends, Food and Fun Gather 'round the Holiday Table

The traditional Thanksgiving turkey, carved by father and served in bountiful abundance with all the trimmings to all the family, is just one of the many high points of Thanksgiving Day.

Traditional, too, is the thoughtful pause to remember and to be especially grateful for the many blessings that increase day by day. We join with you and yours in offering a fervent "thank you" for the privilege of this day.
