Briefly

Project Celebration

Workers are needed to help with work on Project Celebration anytime between 9 a.m. and 10 p.m. now through May 24, and especially the night of the party, at the Ag Barn.

You do not have to be a student or a parent to help.

Call Honey Tarter at 728-5181 or 728-8040 and turn in your name so we can make a schedule of workers.

Graduation Ceremonies

Graduation ceremonies for Colorado High School will be held on Friday, May 24 at 8 p.m.

Baccalaureate and graduation ceremonies for Loraine High School will be held on Wednesday, May 29, beginning at 7:30 p.m.

Baccalaureate ceremonies for Westbrook High School will be held on Sunday, May 26 at 8 p.m. Graduation ceremonies will be held on Friday, May 31 at 8 p.m.

CISD Early Out!

Friday, the last day of school, is an early release day.

Schools in the Colorado Independent School District will be released one hour early.

Bus schedules will be revised accordingly.

Gospel Concert

The Anchor Brothers Band will perform in concert at the Colorado City Christian Temple on the corner of 5th and Elm Streets, on Sunday, May 26, beginning at 10 a.m.

Churchyard Sale

There will be a yard sale on Friday and Saturday, May 24 and 25 from 9 a.m. until 4 p.m. at the Jesus' Name Pentecostal Church on the Sterling City Highway.

Baseball Cards, Comics

There will be a baseball card and comic book show on Saturday, May 25 from 10 a.m. until 4 p.m. next to Eppy's Restaurant.

Rent a table for \$1.

A drawing will be held for a box of Upper Deck.

Microbial Rock Filter

What is it? Learn all about it at the C.C. Thompson Room on Thursday, May 23 at noon.

The lecture, which deals with an environmentally sound and aesthetically pleasing water filter process, is free of charge, and open to the public.

Graduation Dance

The Mitchell County branch of the League of United Latin American Citizens will sponsor its annual graduation dance on Saturday, May 25 from 7 p.m. until midnight at the Civic Center.

A live band, the new and improved "Destino" will play at this dance, which is open to the public to honor all graduating seniors from Mitchell County.

Graduating seniors will be admitted free of charge. All other tickets are \$8 apiece in advance and \$10 at the door.

Tickets may be purchased at Ortiz Auto Sales.

CMS Awards

Colorado Middle School will have its academic awards assembly on Thursday, May 23 beginning at 10:05 a.m.

All parents are invited to attend.

Loraine man shot to death

Mitchell County Sheriff Wendell Bryant has issued a press release regarding a fatal shooting which occurred in Mitchell County on Sunday, May 19.

According to Bryant, on Sunday morning, at approximately 3:45 a.m., the jailer on duty at the department answered a telephone call from an individual who said there had been a shooting in Loraine.

The caller, according to sheriff's department records, allegedly said that he had been involved in the shooting, and requested that

deputies meet him at a location he specified, three or four miles southeast of Colorado City.

When deputies arrived at that location, Bryant said, they found Eddie M. Martinez, 40, of Colorado City. Deputies seized a .22-caliber rifle at that location as possible evidence, and Martinez then directed and accompanied them to the home of Florentino Sanchez Jr., 31, in Loraine.

There they found the body of Sanchez. He was pronounced dead, at 4:20 a.m., by Justice of the Peace Glenda Haltom.

The cause of his death appeared to be numerous wounds from a small caliber gun, possibly a .22-caliber rifle, according to Bryant.

Sanchez was employed at Corky's True Value Hardware in Colorado City.

Martinez, a farm worker, was arrested on suspicion of murder, and is currently lodged in the Mitchell County Jail. He has made a statement to sheriff's department officials regarding the incident, and has spoken with legal counsel.

Ms. Haltom has set bond at \$50,000.

Bryant says a possible motive for the shooting has been determined, but that the investigation still continues.

He said that so far no witnesses to the shooting incident have come forward.

The case will be presented at the next convening of the Mitchell County Grand Jury, which is scheduled to take place on Friday, May 31.

A mass was said for Sanchez at 10 a.m. on Wednesday, May 22 at St. Joseph's Catholic Church in Loraine. Burial followed in Loraine Cemetery.

Florentino Sanchez Jr.

Board members hear cost-saving proposals

Mitchell County Hospital Board members considered several potential cost-saving measures at Tuesday night's regular meeting.

Among those potential measures were a contracted housekeeping service, a contracted linen service, an alternative plan to workers' compensation, the purchase of a fetal heart monitor, the contracting with Hospital Administrator Wendell Alford as pharmacy consultant, and the possibility of reinstating kitchen facilities at Valley Fair Lodge.

Alford explained to the board that, according to his estimates, the potential exists to save well over \$240,000 per year if those measures are adopted.

Discussion on these matters began after Mitchell County Judge Ray Mayo administered the oath of office to recently re-elected board members Marion Bassham, Sybil Stevens, and A.K. McCauley Jr. Elections were then held, and all board officers maintained their previous positions.

Board members heard a proposal from Ed Golden, owner of Brownwood-based Commercial Janitorial Services, offering to take care of janitorial and housekeeping services, including labor, supplies, and yardwork, for both Valley Fair Lodge and the hospital for approximately \$163,000 per year. Currently the hospital pays

See HOSPITAL, page 2

Police called to juvenile disturbance

Colorado City Police were called to the scene of a disturbance at approximately 1 a.m. on Sunday morning, May 19 in the vicinity of 10th and Locust Streets.

According to Acting Chief of Police Pat Taylor, officers were notified of the disturbance by a resident of the neighborhood.

When they arrived, they took into custody approximately two dozen juveniles, ranging in age from 13 to 15, who were held at the police station until they could be released into the custody of their parents.

The cases will be turned over to juvenile authorities and the county attorney for disposition.

Literacy Rally slated for Saturday, June 1

Juliana Kimball, who is walking across America for the promotion of literacy, will be visiting Mitchell County on Saturday, June 1.

Ms. Kimball has begun a cross-country trek which she calls "On the Road for Reading."

Starting in San Diego, Ms. Kimball is walking all the way to Washington, DC to focus attention on the problem of illiteracy in the United States, and to raise funds for that cause.

On June 1, she will be in Colorado City for a day-long seminar and rally, sponsored by Mitchell County Literacy Volunteers, to be held at First Baptist Church. This is the only stop she will make in the West Texas area.

Ms. Kimball also hopes to help the Mitchell County Literacy Council locate a funding source to continue the literacy efforts now being made in Mitchell County.

Local pilot J.O. Dockrey will pick Ms. Kimball up near Sonora and transport her to Colorado City for the rally in his private plane. He will then return her to the area where he picked her up, in order that she might continue her trek.

Ms. Kimball was considered a functional illiterate until four years ago, even though she ran a thriving

business of her own. She was even unable to read stories about her successful enterprise which were printed in the newspaper.

When she finally admitted to herself that she needed help, she went to Literacy Volunteers of Maricopa County in Phoenix, Arizona.

Since then her life has changed. She says she reads books "six at a time," to make up for all the wasted time. And now she is able to read those newspaper stories, which are currently more frequent than ever.

A member of Toastmasters International and the National Speakers Association, she travels the country giving speeches and telling her own story to interested groups, for the promotion of literacy.

Her rally and seminar on Saturday, June 1 at Colorado City will begin with a reception at 1 p.m., which will be open to tutors, prospective tutors, Literacy Council board members, prospective board members, corporations, businesses, and all interested persons.

At 3 p.m., there will be a special meeting for present and former literacy students of the area, and at 5 p.m., there will be a spaghetti supper, co-sponsored by the Home Extension Office and

See RALLY, page 2

Project Celebration Friday

Project Celebration will be held this Friday night, May 24, at the Mitchell County Ag Barn from 10 p.m. until 4 a.m.

This is the all-night, drug-free, alcohol-free graduation party for all Mitchell County High School students. Only students who have pre-registered will be allowed to enter.

Pre-registration will be continuing until 4 p.m. on Thursday, May 23, at each high school.

Decorating is still underway, and lots of help is needed on Friday to blow up balloons and do the finishing touches.

Anyone who would like to come out and see the transformation at the Ag Barn is welcome to come and look on Thursday evening and all day Friday until 6 p.m.

After 6 p.m. on Friday, only workers will be allowed in the barn until 10 p.m. At 10 p.m. the barn opens for the registered students.

No one under high school age will be admitted to the barn that night.

At 11 p.m. the gate will be closed, and no other students will be admitted.

A record will be kept at the gate of all students who enter, and what time each student leaves. Parents of

each student will be sent a card telling them when their student left.

The seniors have worked really hard this year to make Project Celebration a big success, and the entire community has supported them.

RC&D wants your suggestions

Elmer Martin, chairman of the Mitchell County Board of Economic Development, says he and others involved with the newly authorized Big Country Resource Conservation and Development area are pleased with the number of project proposals which are being submitted to the RC&D. However, he says, the number of proposals which can be accepted is limitless.

To propose a project, a citizen or organization must simply obtain and fill out a project proposal form.

This form, although a government document, is surprisingly uncomplicated, and is complete on one single page.

Forms can be obtained from Kevin Wright at the Mitchell County offices of the Soil Conservation Service, in the G-Kell Building.

Proposed projects can be as diversified as establishing job opportunities, improving rural fire departments, controlling erosion, expanding a city park, and

improving low income housing.

Some of the proposals which have been implemented in other areas of the country in which RC&D's are in operation are dry hydrants and microbial rock reef filter systems.

Dry hydrants are simple water retrieval systems consisting of six-inch pipe sections. One section of pipe is sunk into the ground near a body of water, such as a lake, and the other section, connected by an

See RC&D, page 2

Grant received for Head Start

People for Progress, Inc. has recently received a \$301,000.00 grant from the U.S. Department of Health and Human Services for the start-up and operation of the Head Start program for Mitchell, Scurry, Nolan, and Fisher counties. Head Start will begin operation in August, 1991, with one or two classrooms being provided for each county. This program will be provided at no cost to the participants.

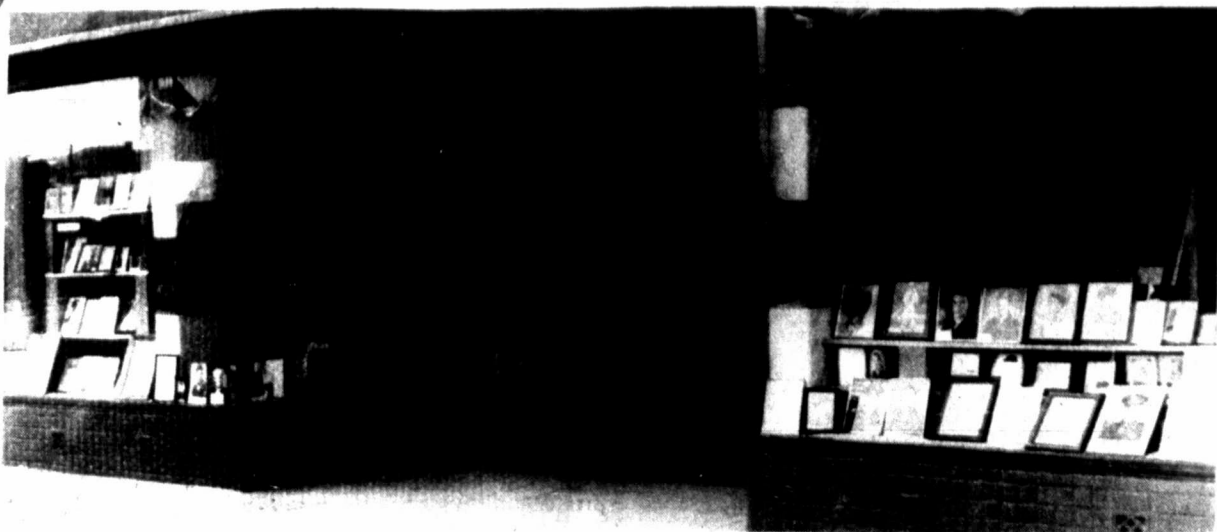

The purpose of Head Start is to provide children from ages 3 to 5 years of age with a comprehensive program to meet their emotional, social, health, nutritional, and psychological needs to prepare them for entrance to public schools.

Children receive a complete examination, including vision and hearing tests, identification of handicapping conditions, immunizations, and a dental exam. Follow-up treatment is provided for

identified health problems. Head Start children will attend class for 6 to 8 hours per day and will be provided with breakfast, lunch, and two snacks per day.

Head Start children score higher than comparable non-Head Start children in preschool achievement tests. The studies also show that Head Start children perform equal to or better than their peers when entering a regular school and there

See GRANT, page 2

Red Cross volunteers are delighted with the number of veterans' pictures they have received for placement in the Marshall's Department Store window. But they need more! They need one of every single veteran in any way connected with Mitchell County. Now that will be quite a display! Help them out! Bring pictures! We know you have them.

RC&D

elbow at a 90 or 45 degree angle, is extended out into the water.

When the need arises, for rural fire fighting purposes or for county road work, for example, the dry hydrant can be tapped to provide a source of untreated water, thereby eliminating the need to tap the treated drinking water supply.

Dry hydrants used around lake front communities provide a number of benefits, not the least of which is the potential lowering of the communities' fire insurance rates.

The microbial rock reed filter system is an inexpensive, low-maintenance, self-contained system of sewage treatment which has the added benefits of being aesthetically

pleasing and environmentally beneficial.

Kevin Wright, of the Mitchell County Soil Conservation Service, is available to explain the two systems mentioned, as well as to explain the workings of the RC&D, and to help at any time with any other project proposal.

Project proposals for the RC&D can be turned in at any time, but the first batch of proposals will be submitted on June 1.

The Big Country RC&D covers 12 counties: Garza, Kent, Borden, Scurry, Fisher, Jones, Howard, Mitchell, Nolan, Taylor, Glasscock, and Sterling, for a total of 6,988,615 acres.

Its purpose is to receive and evaluate local input from local private citizens, organizations, governmental entities, and businesses, concerning projects which may be beneficial to the area, and then to use its influence to help get as many of those projects enacted as possible. Any suggestions are welcome.

All suggestions will be reviewed and prioritized by the local RC&D committee, presently composed of a representative of the County Court, a representative of the Board of Economic Development, and a representative of the Soil and Water Conservation District. Other organizational representatives can be added to the committee at a future date.

Once local suggestions are prioritized, they will be taken to the RC&D Board, composed of one representative from each of the member counties. That board will prioritize suggestions from all twelve counties and turn them over to Jimmy Apel, Sweetwater-based RC&D federal coordinator, whose function is to offer technical and financial assistance for the accomplishment of the projects. He will also help obtain grants and funding from federal, state, local, and individual sources.

The process of prioritization is far different from the process of elimination. No project which is submitted will be eliminated, and all will be considered at every level. The purpose of the reviews of those projects is only to place them in order of desirability and feasibility, according to committee and board members.

Wright said that the RC&D is a local program, run by local people. He urged anyone who has any idea at all which might benefit the area in any way to call him at 728-3473.

HOSPITAL

approximately \$220,000 per year for the services, exclusive of supplies, performed by its in-house employees.

Sammy Contreras, 21-year employee of Valley Fair Lodge, addressed the board with a proposal of his own, in which the current housekeeping staff would be voluntarily cut back by such means as retirement and lateral promotion.

His plan, which did not separate figures between the housekeeping and grounds service and the laundry service, would save over \$79,000, he explained.

In Contreras' plan, the supplies would be an extra expense, but he presented figures from a different supply source from that currently used by the hospital, which were lower than what is now being paid.

Contreras' plan would allow those in the areas named, who wished to remain hospital employees, to do so.

Golden said that his plans, if his proposal is accepted, are to re-hire all of the current employees he possibly can.

He said he would evaluate them, even re-train them if necessary, in an effort to maintain continuity.

Golden offered a two-year contract to begin, with a short trial period, during which time either his firm or the hospital could cancel the agreement.

Alford presented the board with a proposal from Pioneer Maintenance as well on Tuesday night, which would cost \$149,000 per year for janitorial services and supplies alone, with yard work not included.

Board members will consider the three janitorial service proposals and make a decision on Tuesday, May 28, at a called meeting.

At that meeting they will also make a final determination on the alternative plan to workers' compensation.

Alford presented a proposal from National Linen Service for the contract service of linen for both the hospital and Valley Fair Lodge.

National Linen Service's charge would be \$4,772.31 per month, and the service would provide the linens.

Currently the hospital must purchase its own linens, and its in-house linen service costs over \$9,000 per month.

Board members voted to accept National Linen Service's proposal. Alford proposed that the hospital purchase a fetal heart monitor, along with a service contract. The hospital's cost for renting a monitor has just risen to \$605.60 per month. The cost of purchasing one would be \$572 per month, with the service contract extra.

The board voted to purchase the monitor.

The administrator also presented his proposal on Tuesday for his pharmacy consultancy.

His figures show that the hospital will save a minimum of \$45,000 per year compared to the previous pharmacy management contract.

The board accepted his proposal.

Board members discussed, with Valley Fair Lodge Administrator Marsha Rickard, the possibility of reinstating the kitchen facilities in the Lodge.

The cost to the Lodge per patient meal has just risen to \$3, and it was suggested that on-site kitchen facilities would save money, as well as provide convenience for residents and staff of the Lodge.

The proposal will be studied and considered.

Board members learned that a construction firm, Green, Harvey, and Associates, has indicated an interest in offering recommendations for possible structural improvements for the hospital.

Alford said that representatives from the firm would be touring the hospital within the next few days to offer those recommendations, and that they would do so free of charge.

Board members agreed to begin work toward the implementation, in approximately six months, of a no smoking policy for the entire hospital.

Clarification

In a story in Sunday's *Colorado City Record*, Glenda Wallace's grandparents were referred to as "the late Henry Wallace and Edith Wallace."

The sentence should have read "Edith Wallace and the late Henry Wallace."

The *Record* regrets the error.

FROM PAGE 1

In other business, Dr. Dee Roach reported that discussion at the hospital staff meeting earlier in the day had centered around the need for a forum, or a round-table discussion, including members of the community, hospital staff members, and board members, during which questions could be asked and answered, and the workings of the hospital could be explained.

He said that he believes there are many misconceptions about the hospital, and that there are many interesting aspects of each hospital department which people would be interested in learning.

Roach said the forum would be very good for public relations, and for the image of the hospital in the community.

Board members agreed to implement plans for such a forum immediately.

Dorn Homecoming

Make plans now to come home for the Dorn Homecoming, Sunday, August 11.

We will be celebrating the 100th anniversary of the Dorn Chapel.

Everyone is invited to participate in this memorable occasion.

GRANT

are fewer grade retentions and special placements.

Handicapped children and their families can receive Head Start Developmental Services, also. In addition, Head Start members work closely with community agencies to provide services to meet the special needs of the handicapped child. Classes and workshops on child development are offered to help parents learn about the needs of their children and about educational activities that can be carried into the home.

Applications for children age 4 will be taken on Thursday, May 23, 1991 from 9:00-12:00 and 3:00-5:00 at Mitchell County Daycare, 1014 E. 10th. Applicants should contact Ginny Rivera at 728-5897 for applications.

Retired teachers install new officers May 14th

The Mitchell County Retired Teachers' Association met at noon on Tuesday, May 14 for its regular Dutch treat luncheon at the Villa Inn.

Those attending included Eddie and Walter Spence of Odessa, Earline Sellier, Eddie Barclay, Lonie Pruitt, Tom Moore, Minnie Lee Moore, Mamie Lou New, Nadine Gordon, Mary Ellis, Fern Coon, Peggy Ratliff, Frances Cooper, Betsy Aycock, Marian Craddock, Alma Smith, Clorine Wiman, Dawn Shaw, Swan Cramer, and P.T. Fowler.

District President Eddie Spence presented awards to Peggy Ratliff, Mary Ellis, Frances Godwin, Clorine Wiman, Lucy Thomas, KVMC-KAUM Radio Station, and the Colorado City Record.

Ms. Spence also installed the following officers:

Peggy Ratliff, president; Alma Smith, first vice president; Fern Coon, second vice president; Minnie Lee Moore, secretary; Mary Ellis, treasurer; Mable Merritt, reporter.

The District meeting was held on Tuesday, April 30, at which time Peggy Ratliff was elected second vice president of District 18. Reports of the State meeting and the District meeting were given by Eddie Spence, Peggy Ratliff, Earline Sellier, and Betsy Aycock.

The association's next meeting will be held on Tuesday, September 10.

Employees and families of T.U. Electric, from both the downtown offices and the Morgan Creek Power Plant, took time to "Paint the Town" on Saturday. Colorado City Kiwanians joined in the work and provided sustenance to the workers as well. When the job was finished, the old paint had been scraped, and the house had a brand new springtime coat of paint. This is the fourth annual "Paint the Town" for the group. Each year a house, usually belonging to an elderly citizen or one on limited income, is chosen for the honor, and members of the painting crew get to enjoy a day of camaraderie, out in the sunshine, and the satisfaction of a job well done. This year the group added three metal handrails to the porch steps for the safety of the resident.

Ladies Auxiliary meets

The Ladies' Auxiliary to VFW Post # 9178 met recently at the post home, with President Lyn Hardy presiding.

The meeting opened with a prayer and the Pledge of Allegiance. Members present included Bonnie Story, Alene Hill, JoAnn Huff, Donna Guelker, Audrey

Wilson, Dorothy Clark, Lou Hearin, Lou Williams, Estella Rivera, and Nellie Bunch.

A check was sent to the VA Hospital in Big Spring for the birthday fund and the morning coffee fund.

Nellie Bunch received a certificate from the hospital in honor of her past volunteer service.

Two cakes, ice cream, and sherbet were taken to the Martin Personal Home Care for the DAV family.

A Love Gift was sent to Laura Wilson, and one to Audrey Wilson. Dorothy Clark is receiving eye treatment in Fort Worth, and sent a thank you note to the club.

The State Convention will be held in Dallas from June 26 through 30. Members were encouraged to make plans to attend.

Those attending the recent District 8 Convention at Post

#8231 in Snyder included Mr. and Mrs. Frelon Huff, Mr. and Mrs. Andrew Rivera, Mrs. Audrey Wilson, and Tommie Wilson.

Andrew Rivera was elected junior vice president for District 8.

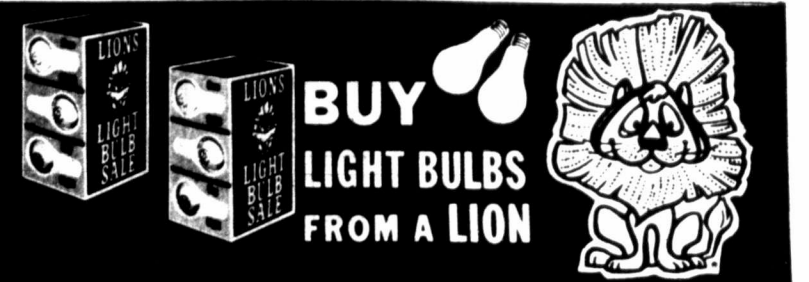

Post 9178 Auxiliary officers for 1991-92 were installed by Audrey Wilson. They are:

Estella Rivera, president; Audrey Wilson, senior vice president; Nellie Bunch, junior vice president;

Alene Hill, treasurer; Bonnie Story, conductress; Lyn Hardy, guard; and Lou Williams, chaplain.

JoAnn Huff was honored as a three-year trustee; Donna Guelker was honored as a two-year trustee; and Dorothy Clark was honored as a one-year trustee.

The next meeting will be held at 8 p.m. on Thursday, May 23.

Obituaries

Melvin Barron

Melvin Barron, 69, of Colorado City, died on Saturday, May 18, 1991, in Mitchell County Hospital.

Graveside services were held on Monday, May 20 at 4 p.m. at Mitchell County Cemetery under the direction of Kiker-Seale Funeral Home, with the Reverend Leon Green presiding.

Barron was born on Friday, January 27, 1922 in Alabama to Oscar and Lizzie Barron, both now deceased.

A Baptist, he was a veteran of the U.S. Army, and an oil field worker.

He is survived by four daughters: Elaine Black of Midland; Janice Clark and Elizabeth Taylor, both of Weptumpka, Alabama; and Sandy Hall of Callapoosa, Alabama; 10 grandchildren; and one great-grandchild.

Cecil L. Schafer

Cecil L. Schafer, 79, of Colorado City, died on Friday, May 17, 1991, in Mitchell County Hospital.

Services were held at 2 p.m. on Sunday, May 19 at Calvary Baptist Church, under the direction of Kiker-Seale Funeral Home, with Dr. Travis Monday presiding. Burial followed in Colorado City Cemetery.

Schafer was born on Sunday, January 21, 1912 in Dallas to John B. and Carmen Schafer, both now deceased. He married Vera E. Jackson Schafer on November 10, 1934.

A Southern Baptist, he was a member of Calvary Baptist Church. He was a retired farmer and carpenter.

Schafer is survived by his wife, Vera E. Schafer of Colorado City; one daughter, Billie Ruffin of Colorado City; one sister, Clara Henderson of Westbrook; two brothers, Junior L. Schafer of Seagoville and Louis Schafer of Colorado City; three grandchildren and three great grandchildren, also of Colorado City.

Florentino Sanchez Jr.

Florentino Sanchez Jr., 31, of Loraine, died on Sunday, May 19, 1991 at his residence.

Services were held at 10 a.m. on Wednesday, May 22, at St. Joseph's Catholic Church in Loraine, under the direction of Kiker-Seale Funeral Home, with Father John Busch presiding. Burial followed in Loraine Cemetery.

Sanchez was born on Monday, May 9, 1960 in Loraine to Florentino Sanchez Sr. and Manuela Sanchez, both of Loraine.

A Catholic, he was a member of St. Joseph's Catholic Church, and was employed as a clerk at Corky's True Value Hardware in Colorado City.

He is survived by his parents; one sister, Gloria Sanchez; and four brothers, Bobby Sanchez; Frank Sanchez; Isidro Sanchez; and Joe Sanchez, all of Loraine.

Vera Ocie Shafer

Vera Ocie Shafer, 75, of Colorado City, died on Tuesday, May 21, 1991.

Graveside services were held at 2 p.m. on Wednesday, May 22, in Westbrook Cemetery, under the direction of Kiker-Seale Funeral Home, with the Reverend Jon Farris officiating.

She was born on August 31, 1914, in Soper, Oklahoma, to Mr. and Mrs. Charles Franklin Davenport.

A widow, she was married to Beuman L. Shafer, who died on December 26, 1984. She was a Methodist.

She is survived by two sisters: Ida Stokes of Snyder and Dolly Childers of Colorado City; and three brothers, Dave Davenport and Red Davenport of Colorado City, and Angelo Davenport of Stanton.

Donations for Parade

Donations are being accepted from individuals, groups, or merchants for the Mitchell County Salute to Veterans' Parade scheduled for the Fourth of July.

Bring your donation to the Chamber of Commerce, in the Civic Center building in Colorado City.

Mobile Detection Unit

The Breast Cancer Mobile Detection Unit will be at Mitchell County Hospital on Thursday, May 30, offering breast cancer screenings for \$65.

To make your appointment, call 728-3431, extension 222.

PAM BUTLER

Butler receives degree

Pam Butler, public health nurse at the Colorado City offices of the Texas Department of Health, was graduated recently as an advanced pediatric nurse practitioner.

She was awarded that degree on May 4, 1991, from Texas Women's University, Dallas, after completing 12 semester hours of didactic study with a grade point of 4.0, and over 800 hours of experience in the role of a pediatric nurse practitioner.

This title designates a registered professional nurse, currently licensed in Texas, who is prepared for advanced nursing practice by virtue of knowledge and skills obtained through a post-basic or advanced educational program of study acceptable to a review board.

The advanced nurse practitioner is prepared to practice in an expanded role to provide health care to individuals, families, and other groups in a variety of settings, including but not limited to homes, hospitals, institutions, offices, industry, schools, community agencies, public and private clinics, and private practice.

She functions in a collegial relationship with physicians and other health professionals, making independent decisions about nursing needs, interdependent decisions with physicians regarding health regimens, and assuming dependent responsibilities in carrying out delegated medical acts.

Ms. Butler is a 1971 graduate of Carlsbad High School in New Mexico, and a 1974 graduate of Mary Meek School of Nursing in Abilene.

She is the daughter of Marion and Verna Hughes of Carlsbad and the daughter-in-law of Kenneth and Juanice Butler of Loraine.

She is married to Danny Butler, a Loraine farmer and rural mail carrier, and the couple have three children in Loraine School...Dawn, Krystal, and Brian.

The offices of the Texas Department of Health where Ms. Butler is employed offer prenatal care, child and adult health clinics, a tuberculosis clinic, and they offer immunizations and epidemiology on communicable diseases.

TDH also supervises the WIC, (Women, Infants, and Children), nutrition program, and offers social work services, a physician, and a nutritionist.

Sheriff's Posse

The Sheriff's Posse will have its second meeting at 7:30 p.m. on Monday, June 10 at the arena.

Further plans will be made for participation in the upcoming July 4 parade.

Anyone who is still interested in joining is welcome to attend.

For more information, call Scooter McGaha at 728-8815, Mary Lou Costabile at 728-2186, or Julie Atkins at 728-3782.

VFW & Auxiliary

VFW Post 9178 and Ladies' Auxiliary will meet on Thursday, May 23 at 8 p.m.

Easy-to-prepare pizza wins Texas Beef Cook-Off

An easy-to-prepare pizza made with one pound of sirloin steak won the 1991 Texas Beef Cook-Off April 26 at Kerrville, Texas, for Mary Meyers of Mexia.

She created the recipe she calls "Beef Eaters' Pizza" specifically for the Texas Beef Cook-Off. Her goal was to combine flavorful ingredients in a single dish that would appeal to large families. She and her husband, Allen, a 1990 Texas Beef Cook-Off finalist, have four children and 12 grandchildren.

"I wanted to enter a recipe that was easy to prepare, and something the whole family could enjoy," Meyers said. "We like steaks and roasts, but a big family often has to look toward less expensive cuts and make them stretch farther. This recipe does that and gives them plenty of meat."

The recipe calls for marinating the sirloin for one hour. While it is marinating, fresh vegetables are prepared and the ingredients are combined on top of a packaged pizza shell. The cooking time is 10 minutes.

She said a key ingredient that complements the sirloin in her pizza is two ounces of crumbled Roquefort cheese. She borrowed the idea from recipes for more expensive cuts like beef tenderloin that include a side sauce made from Roquefort cheese.

Meyers' first prize dish won her \$3,000 and the honor of representing Texas in the National Beef Cook-Off Sept. 22-24 in Colorado Springs, Colo.

Second place and \$2,000 in the Texas Beef Cook-Off went to Gina Romero-Jimenez of Austin for her "Marinated Beef with Tomato-Jicama Chutney." The recipe calls for four-ounce marinated filets that

are butterfly cut, topped with the tomato-jicama chutney, and served on a bed of red cabbage.

Third place went to Beverly Sebastian of Fort Worth. Her recipe, "Jalapeno-Glazed Beef Sirloin," combines top sirloin with jalapeno jelly, brown sugar, lime juice and spices. Sebastian won \$1,000 for her entry.

The 1991 panel of judges, each experienced with past beef cook-offs, rated this year's final 10

entries as the "best group of finalists in years." For copies of Texas' top 10 beef recipes in 1991, send a stamped, self-addressed envelope to Beef Cookoff Recipes,

Texas Beef Industry Council, 8310 Capital of Texas Hwy. N., Ste. 440, Austin, TX 78731.

The Texas Beef Cook-Off was sponsored by Texas Cattle Women in cooperation with the Texas Beef Industry Council.

BEEF EATERS' PIZZA

- 1 Pound sirloin, cut 1/8" x 2" pieces
- 1/4 teaspoon salt
- 1/4 teaspoon freshly ground pepper
- 1 tablespoon vegetable oil
- 1 tablespoon peanut oil, for searing
- 2 garlic pods, crushed
- 1 Roma tomato, thinly sliced
- 6 ounces fresh mushrooms, sliced
- 2 scallions, thinly sliced
- 1 small green, red or yellow pepper, seeded and thinly sliced
- 1/4 cup beef bouillon
- 3 tablespoons dry Madeira wine
- 2 ounces creamy Roquefort cheese
- 4 tablespoons unsalted butter
- 1 tablespoon fresh parsley, chopped
- 12" thick pizza shell (can use ready-to-eat shell, like "Baboli")

Combine salt, pepper, vegetable oil and marinate sirloin for one hour. Heat peanut oil in heavy skillet, brown crushed garlic and remove. Sear meat and vegetables in garlic flavored oil. Remove and reserve. Deglaze skillet with bouillon and madeira, reduce to half and remove from heat. Return meat and vegetables to liquid and combine and allow to soak. Beat Roquefort cheese and butter in small bowl until smooth. Spread half over pizza shell. Spoon meat and vegetable mixture over bottom of pizza and cover with remaining cheese and butter mixture. Bake according to pizza shell instructions. 4 servings.

Preparation time: 1 hour including marinating
Cooking time: 10 minutes

Westbrook Association

The Westbrook Association will hold its annual meeting on Monday, May 27 at 11 a.m. in the Westbrook Golden Age Club Building.

We sincerely appreciate your contributions that make it possible to maintain the cemetery.

Please bring a covered dish and join us for our business meeting and Memorial Day Service.

Childhood Screening

Early childhood screening tests for 3, 4, and 5 year old children will be conducted June 6 and 7.

If your child may need to have these special education services, please call 728-3217 or 728-3471 to set up an appointment.

Softball Tournament

A softball tournament will be held to benefit Mitchell County's Boxing Club.

The tournament will take place Saturday and Sunday, May 25 and 26, at a cost of \$100 per team.

For more information, call Vince Gaona, 728-8907, or 728-8612.

Reynolds' Reception

There will be an open house reception for retiring Colorado High School principal Jerry Reynolds between 2 p.m. and 4 p.m. on Sunday, May 26 at the CHS cafeteria.

Everyone is invited.

Broom & Mop Sale

The Colorado City Sundown Lions' Club is having its broom and mop sale on Saturday, May 25 at Fuller's Food Store, beginning at 8 a.m.

All articles are made by the blind, and are guaranteed high quality.

There will be brooms, mops, brushes, and many other cleaning aids for home, business, or industry.

Literacy Rally

Juliana Kimball's Literacy Rally, sponsored by the Mitchell County Literacy Volunteers, begins at 1 p.m. on Saturday, June 1 at Colorado City's First Baptist Church.

There will be several events throughout the day, including a reception, which will begin at 1 p.m., and a spaghetti supper, which will cost \$3 for adults and \$1 for students.

Ms. Kimball will speak from 7 p.m. until 8 p.m., and a reception in her honor will follow.

For further information, or to purchase a ticket, call 728-3088 or 728-5353.

Tickets are available at the Civic Center and from all local banks, from the Home Extension Office, and from the Loraine Senior Citizens' Center. Or call 728-3088 or 728-5353 and leave a message.

Yard of the Month

If you would like to enter or nominate a yard for the Yard of the Month, call Marsha Burrus at 728-5254, or the Chamber Office at 728-3403.

Overnight Hosts

On Friday, July 19, a bus load of approximately 50 foreign exchange students will be stopping in Colorado City for one night's stay. They will be back on the road bright and early on Saturday morning.

Colorado City Rotary Club members are trying to help find lodging for those students.

The students will be in the middle of a three-week road trip, and will have several suitcases each, will probably need the services of a good, sturdy washing machine, and would appreciate a homecooked meal.

In exchange, the students will bring into your home, for one night, a window on the world.

If you would like to offer lodging to one of these bright, friendly youngsters, or two, or three, or four, please call Robert Ramage at 728-2160.

Gospel group to perform here

The Anchor Brothers Band will be performing at Colorado City's Christian Temple on Sunday, May 26, beginning at 10 a.m.

The gospel group got its start

12 years ago. In that time the members, who make their home in Sudan, Texas, have travelled extensively over a five-state area.

Kenneth Richards plays lead

guitar for the band and performs lead vocals; Reydon Stanford performs bass vocals and plays keyboard; Dean Richards performs vocals and plays bass guitar and keyboard; and Mike Huffman performs vocals and plays drums.

The band averages 80 concerts a year, singing at churches, banquets, civic meetings, fairs, area-wide crusades, and all types of special singings.

The group has performed on the Boys' Ranch Telethon and the Jerry Lewis Telethon; at the South Plains Fair for the past six years; at the Oklahoma Convention for Fair Managers; at the Fort Worth Music

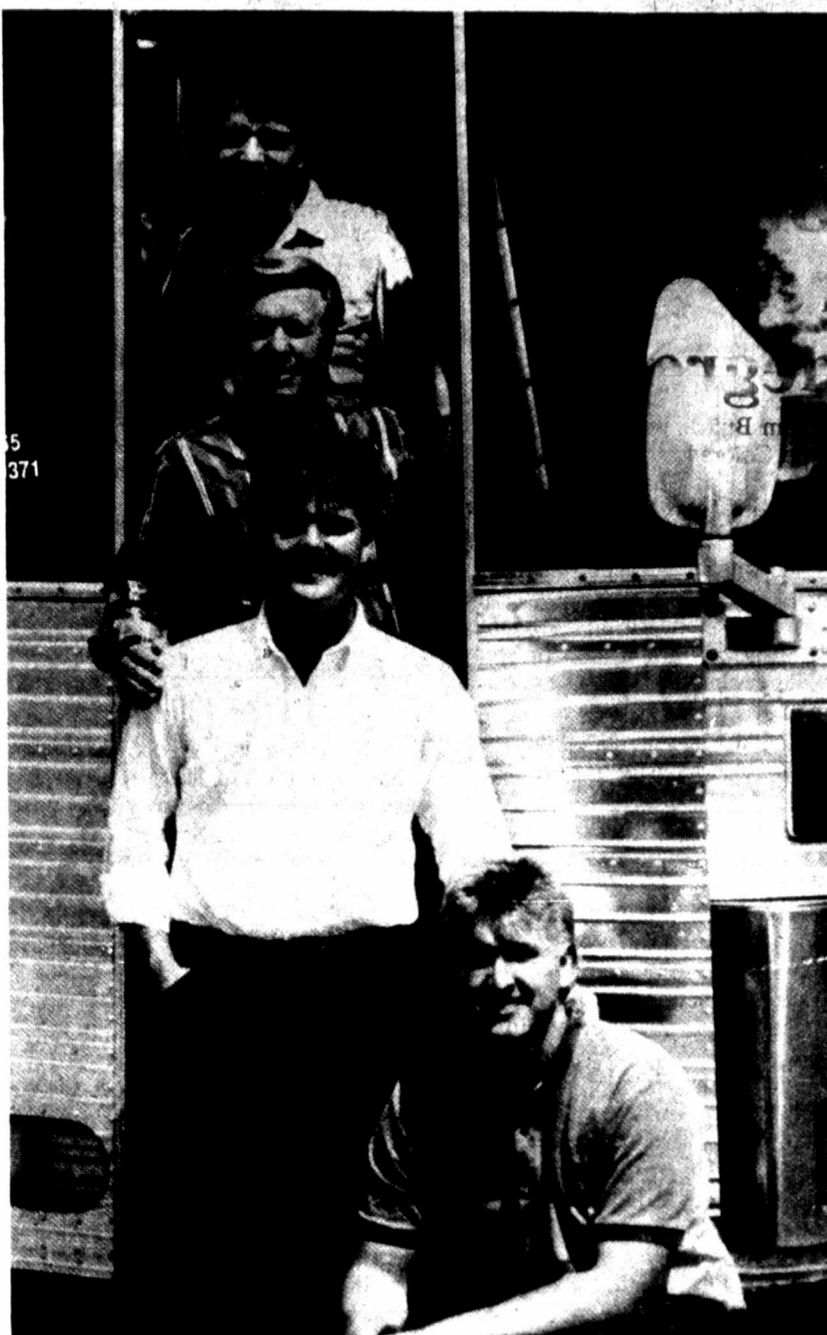

Review; and at the West Texas Opry.

Members have also hosted several talent shows.

At the present time, the Anchor Brothers Band has a 30 minute weekly TV program featuring music and gospel.

The group has recorded 11 albums. Some of the songs on the albums are old favorites, and some have been written by band members, who together have written over 80 songs.

The Anchor Brothers Band has been nominated for two straight years as the gospel group of West Texas.

Wildcats fall short in playoff game

Due to several errors and several runners allowed on base due to walks, the Westbrook Wildcats fell a little short in the bi-district game against the Baird Bears on Monday, May 20, by a score of 4-13.

The Wildcats jumped out to a quick start in the top of first as Kendall Beasley earned a single to start a spark for Westbrook. Bubba Botts then reached base as he was hit by a wild pitch. Terry Simon had the big stick of the inning as he sent a line drive double into left-

center field to score Beasley. Botts would also score on a throwing error by the pitcher, 2-0.

As the Bears came in to bat, Baird picked up three runs of their own on a single, a wild pitch, and an error, 2-3.

In the second inning, Westbrook scored on a BB, two passed balls, a single by Spencer Cannon to go ahead 4-3, but that would be all the runs the Wildcats could muster for the remainder of the game.

Pitcher Doug Koch got into trouble in the second as he walked the first four batters. On three errors in the inning, four runs would eventually come in to score, 4-8.

In the bottom of the fifth, the Bears did not stop their assault as

Baird scored four runs on one single and a couple of errors. The final run of the game came in the sixth on three errors committed by the Wildcats, 4-13.

Westbrook earned six base hits to the Bears' seven, but the difference was in the error department as the 'Cats committed nine to Baird's two.

"The walks and errors hurt us," said Wildcat head coach Jim Hill. "I don't think they were better than us, they just played better defense."

The Wildcats closed out the 1991 season with a 10-11-1 record while claiming the District 3-A Championship.

"The kids did the best they could do," said Hill, "I'm proud of them

for going out winning the district championship and the making it to the play-offs."

Wetlands regulations changed

The wetland regulations of the 1990 Farm Bill include several changes which could affect producers.

As of November 28, 1990, when a person converts a wetland for the production of an agricultural commodity, that person would be subject to loss of program benefits. To regain benefits, the producer would have to restore the wetland back to its original condition.

Producers may convert a wetland for non-agricultural uses if prior approval is obtained. Non-agricultural uses include such things as roads and building construction.

Prior approval involves completing an AD-1026 form at the ASCS and allowing the SCS to make a field check prior to starting the construction.

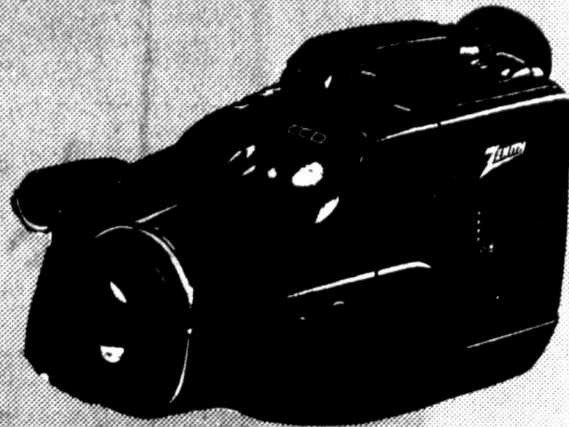

If any new construction is planned in a wetland area, contact must be made with the ASCS office prior to starting.

Boyd returns to Dallas after Desert Storm

Thomas Edwin Boyd, the son of Mr. and Mrs. J.E. Boyd of Colorado City, has returned to his present home near Dallas from the Persian Gulf.

Boyd, a commander in the Naval Reserve, was born and raised in Mitchell County, is a 1971 graduate of Colorado High School, and a 1975 graduate of the U.S. Naval Academy. He served five years in the Navy after graduation.

A projects manager for T.U. Electric in Dallas, Boyd is glad to be home. He said he especially appreciated the support and backing he and his wife Jean received from his employer while he was deployed to the Gulf.

Thomas Edwin Boyd

Aboard the USS Blue Ridge in the Bahrain Sea, Boyd participated in the rescue of a downed pilot, tracked ship movements, managed a 200-ship battle plan, assisted in choosing targets for coalition air strikes, and stood battle watch in the ship's Tactical Fleet Command Center.

Boyd said that the state-of-the-art, 17,000-ton ship used sophisticated equipment for communication with Riyadh, the Pentagon, individual units and even individual fighter pilots. It also coordinated air cover for advancing troops.

Loraine Personals

by Lois Phillips

I ran across this little thought for the day in the Abilene Reporter News. I thought you might enjoy it, "Every man in the world is better than someone else. And not as good as someone else," by William Saroyan, American Author. Think about it, kinda makes all of us kinda ordinary doesn't it.

We went in to Dairy Queen last week and saw a couple of old friends, Boadie & Danny Cain, they both looked good. I guess all of you knew Danny & Charla's house burned week before last. We are real sorry about that.

Saw Wilma Wells doing some shopping, also Cherry Hoyle was checking out a store to see if she could find what she needed.

Nannie Hallmark called to say Mr. Yarbrough from Nolan, Texas visited the nursing home last week.

I had a nice visit on a downtown sidewalk last week with Bithel Jones. I always enjoy talking to her.

Aunt Willie Preston was buried here last week. All of us who have always lived here knew her and loved her. She was a friend to everybody and enjoyed visiting with everyone. She will certainly be missed.

She was married to Ham Preston and they had two sons, but they are all deceased now.

Mr. and Mrs. John Hauplif of Midland spent Friday & Saturday with her mother, Gladys Payne.

Jess Smith was buried here on Sunday. He lived south of town for years. After his marriage to Elva Yarbrough they moved to the Roscoe area where they raised their family. We are sorry about this. He will be missed.

Rev. & Mrs. James McLeod moved to our town last Saturday. He will begin his ministry at the First Baptist Church. They have a little daughter and we are glad to have them with us. Welcome to Loraine.

Joe Millsap of Dallas, husband of the late Ruth Ann Hall, visited our cemetery to see about Ruth's

grave. He stopped to visit his sister-in-law Chrystene Hall and her sister Iris Preston. He then went to Colorado City to visit another sister-in-law, Dall Hall Greer.

Did you see our lovely senior girls on the front page of the Colorado City Record? Brooke Moore Cooper is valedictorian of our senior class and Machel McAdams is salutatorian. Congratulations to both girls. We are very proud of you.

Kevin & Trish Compton and children will be moving to Waco later this month so we will wait until then to tell you more about them.

Stacey Beaty was chosen as one of the boys of the month club by the Breakfast Optimist Club in Abilene. They usually choose one from each middle school for this honor which includes grades, character, extra sports and other activities. Congratulations Stacy. He is the grandson of Elba Mae Evans & Earl & Lois, and an eighth grade student at Mann Junior High.

The Baylor religious hour will sing in New York City on May 19 thru the 28. I don't know if its every day or not. Our oldest grandson Curtis Beaty is a member of this group and we are proud of him also. He did his freshman year at Baylor but will transfer to Texas A & M for his next 3 years. He will work at a Baylor church camp near Van Texas this summer. Congratulations from Granny Elba & Lois and gramps Earl.

Our school has had lots of honor award banquets lately. I have not been able to get a copy of all who received awards as yet but I will try again next week to get them. I always like for grandparents to see their child's name in the paper for an award they have won.

Glenn & Shirlene were in Alpine last week-end to see their son, Phillip, graduate from Sul Ross and to visit their young granddaughter in the hospital in Odessa. She is better, but not out of the woods yet. She has to have

a new set of tests every two weeks to see if she is progressing as she should or if something else needs to be done for her. Pray for them.

Our band director sent me this award deal about his band kids and I was real pleased to get it. He says "I would like to announce that the 6th grade band won a first place trophy at the Roscoe Band Festival on Saturday of last week."

Also, Bear Cooper, Adam Loy, Jessie Lemones & Raymond Lemones won first place medals for their ensemble. Receiving second place honors were Tricia Troutt, Anthony Aguilar, T.J. Munoz, Nikki Chavez and Teresa Rico.

Your Band Director,
Hubert Teale

We have a lot of sick folks around our town. They say we had almost a dozen cases of chicken pox in the first grade last week, so they called off the little track meet they had planned for that time. I hear of lots of sore throats and such things that make folks feel bad. Hope everyone is soon better.

It sure is nice to see the kidney transplant people up & doing well. We know miss Jennifer Graham and we are real pleased that she and her mother are fine. Miracles never fail, do they?

I'll warn you gardeners and fruit and nut growers, they say it's time to spray for bug & worms etc, as well as pull grassburrs. I hope I don't have as many as we did last year.

Saw George and Geory Marti eating supper in town Friday night. I asked about Brenda and was told a daughter and son-in-law were moving to Dyess which would be a three hour drive closer to them. George was pleased to have Brenda go and help get ready to move.

Donnie, Sandy & Chris Phillips spent the weekend with her mother, Reba Gross at Lake Buchanan.

All you kids, big and little, I will try to get a list of award winners for you if you did win one or more you deserve to be mentioned and I'll try for you!

Card of Thanks
With humble hearts we express our gratitude for the many acts of loving kindness shown us. Our sorrow was eased by your prayers, your calls, the beautiful floral offerings, the cards, memorials, the food so thoughtfully prepared and served, the gentle handshakes and every other expression of compassion.
To the nursing staff and doctors at Mitchell County Hospital, our gratitude for your tender care and concern. You are always the best.
To the First Baptist Church of Colorado City our appreciation for the use of your beautiful building, sanctuary.
God Bless!
The Family of Rex McKenney

Chris and April Chambers

LEGAL

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:
On or about June 10, 1991, the above named City of Lorraine will request the Texas Department of Commerce to release Federal funds under Title I of the Housing and Community Development Act of 1974 as amended, to be used for the following project: **AGRICULTURAL TEXAS COMMUNITY DEVELOPMENT PROGRAM** Water System Improvements Contract No. 700911. Project to be located in the city limits of Lorraine, Mitchell County, Texas. A more detailed description of the project and a map showing the specific locations of the proposed improvements are available for public examination at City Hall, 201 Main Street.
Finding of No Significant Impact
It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly the above named City of Lorraine has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969. The reasons for such decision not to prepare such Statement are as follows: 1. There will be no negative impacts on the environment as a result of the proposed project. 2. Temporary increase in noise, dust, or other nuisance that will occur during construction will be of short duration and low intensity and will cease on the completion of the construction. 3. The project to be undertaken will not affect any known local, state or national historic, architectural or archeological resource presently listed or potentially eligible for listing in the national register of historical places or in any state or local registry. 4. The project will not be affected by nor will it affect the 100 year flood plain. 5. No effect is expected on protected or endangered wildlife or vegetation. An Environmental Assessment respecting the within project has been made by the above named City of Lorraine which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Assessment is on file at the above address and is available for public examination and copying upon request in the office of the City Secretary between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.
Public Comments on Finding
All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the City of Lorraine, to the office of the undersigned. Such written comments should be received at City Hall on or before June 7, 1991. All such comments so received will be considered and the City of Lorraine will not request the re-

lease of Federal funds or take any administrative action on the within project prior to the date specified in the preceding sentence.
Release of Funds
The City of Lorraine will undertake the project described above with Community Development funds from the Texas Department of Commerce under Title I of the Housing and Community Development Act of 1974. The City of Lorraine is certifying to TDOC that the City of Lorraine and Catrino Martinez, Jr., in his official capacity as Mayor, consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental assessments, decision making and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, the City of Lorraine may use the Texas Community Development Program funds and TDOC will have satisfied its responsibilities under the National Environmental Policy Act of 1969.
Objections to State Release of Funds
Texas Department of Commerce will accept an objection to its approval only if it is on one of the following bases: (a) that the certification was not in fact executed by the certifying officer or other officer of applicant approved by TDOC; or (b) that applicant's environmental review record for the project indicates omission of a required decision finding or step applicable to the project in the environmental review process.

LEGAL

Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58.75) and may be addressed to Texas Community Development Program, Texas Department of Commerce, P.O. Box 12728, Capitol Station, Austin, Texas 78711. Objections to the release of funds on a basis other than those stated above will not be considered by TDOC. No objection received after June 27, 1991 will be considered by TDOC. The Chief Executive Officer of the City of Lorraine is Catrino Martinez, Jr.

Westbrook Wanderings

By Debra Miller

Rich to be honored

Mr. and Mrs. Warren Zant have been entertaining a very special guest lately. Mrs. Flo Davis from Poplar Bluff, Missouri. Mrs. Davis is Ann's mother. From here, Mrs. Davis will travel to St. Louis Missouri to visit her brother.

Sunday evening the Westbrook First Baptist Church held a recognition ceremony honoring this year's G.A.'s and Acteens. A slide show was presented and the G.A.'s

and Acteens sang. There were four acteen girls to receive their coronation, the girls achieved their crown by doing work in the community such as visiting shut-ins and carrying fruit, cupcakes, and cards to the rest homes. The girls also had to complete a mission study program. Several G.A. girls were also awarded their next step badge.

Mr. and Mrs. Roy Petty were

visited last week by Bob Petty and a friend from Dallas. Mr. and Mrs. Petty went to Artesia, New Mexico to visit Melvin Pearson later in the week.

Thanks, Marcy, for the great milkshakes. Marcy, at the Country Store, has been very busy this past week. She has put in a new milk shake machine at the Country Store.

Mary and Jane Miller were in Odessa over the weekend to take Lila Golden for a medical check up and to visit with family and friends.

Recently Mr. and Mrs. David Parker and Kris spent the weekend with Mrs. Georgia Lankford.

Mrs. Georgia Lankford and Mr. and Mrs. Herman Moody went to Big Spring to visit Eula Armstrong and Nell and Leo Parker.

AMANDA RICH

certificates of distinction at the ceremony. The highest scores will also receive summer program scholarships and books.

TIP conducts recognition ceremonies in each of the 16 states it serves in the Southeast, Midwest, and Southwest. Over 57,000 mathematically and verbally able seventh graders were identified by the program this year. TIP offers additional educational opportunities for gifted students in seventh through tenth grades.

TIP is a non-profit educational organization established in 1980 with a five year grant from The Duke Endowment. The program receives continuing support from student fees, individuals, corporations and foundations.

Summer fruits, vegetables have started appearing

COLLEGE STATION -- Summer fruits and vegetables will make their first appearance at Texas supermarkets in May, with some prices discounted as supplies increase.

Expect lower prices for green beans, yellow squash, green peas, bell peppers, okra and tomatoes, said Dr. Dick Edwards, a food marketing expert with the Texas Agricultural Extension Service.

"Good prices will be found on strawberries, cantaloupes and sweet onions, and prices will be dropping during the month on table grapes, mangos, pineapples and sweet corn."

Watermelon supplies will increase in May, he said, but prices will continue high compared to expected July price levels.

Edwards said both beef and pork prices historically rise as the demand increases for cuts that can be grilled outside.

"Such cuts generally are the more expensive ones," he added, "and the overall result causes prices to rise."

He said some pork and beef items will be on sale, but the prices may not be as low as they were last year.

"For example," he said, "if sirloin were on sale last May for \$2.29 a pound, the lowest a consumer is likely to see this May is \$2.59 a pound."

Beef on sale in May includes round steak, hamburger, sirloin and chuck steak and fresh brisket. Pork items to be discounted will include

chops, loin and spare ribs.

Best buys on poultry items will include whole birds and leg and thigh cuts. Cookout favorites, such as boneless or bone-in breast cuts, will trend upward during the next four months, Edwards predicted.

Sales of fish and other seafoods will remain virtually unchanged from recent months except for catfish, he said.

"Catfish production will increase with warmer weather, and everything from whole fish to nuggets will be on sale."

He said medium shrimp will be an excellent buy when it can be found for \$3.50 to \$3.75 per pound.

"Other varieties that will be discounted include orange roughy, flounder, shark and sea scallops,"

Edwards said.

Look for discounts on foods promoting celebrations for Cinco de Mayo on May 5, Mother's Day on May 12, Armed Forces Day on May 18 and for Memorial Day May 27, he suggested.

Increasing daylight hours and warmer weather also means an increased consumption in snack items by youngsters in families.

"To fill this need, supermarkets will promote ice cream novelty items, cookies, snack packs, raisins and nuts," Edwards said.

May promotions directed to older family members will include tanning creams, sun glasses, tea for iced drinks, charcoal for grilling and gardening accessories for lawn beautification.

Key awarded plaque for grade average

The Wilson Jr. High awards ceremony was held May 16 at Coronado High School in Lubbock.

Shawn Key was awarded a plaque for highest grade point average. He received the presidential award for Honor Roll for the past three years. He also received certificates for outstanding student in Computer and English. Shawn's name has been inducted in the hall of fame for best all around student.

Shawn is the son of Mr. and Mrs. Steve M. Key of Lubbock. Grandparents are Mr. and Mrs. James T. Green, Jr. of Loraine and Mr. and Mrs. Mack M. Key of Big Spring.

CHARLA CAIN

Cain receives masters degree from ACU

Charla (Mrs. Danny) Cain received her master of science degree in management and human relations on Saturday, May 11, 1991 from Abilene Christian University.

The daughter of Harris and Blondie Hamilton of Loraine, Mrs. Cain is a 1964 graduate of Loraine High School, and received her bachelor of science degree in nursing from Baylor University in 1968.

During the Vietnam War she served as a Navy nurse.

A registered nurse, Mrs. Cain is chairman of the nursing department at Texas State Technical Institute in Sweetwater.

Births

Rosemary Garcia and Robert Martinez of Loraine would like to announce the birth of their daughter, Krystal Marie Martinez, born on May 13, 1991 at 9:57 a.m. at Mitchell County Hospital. She weighed 4 lbs. 10 oz. and was 16 inches long.
