Owlettes Advance Into State Playoffs

Silverton's Owlettes have won a state playoff berth as the runner-up team in their district, and will advance to the Bi-District game with Nazareth at 6:00 p.m. Friday at Hutcherson Gymnasium on the campus of Wayland Baptist University in Plainview. It is hoped that a large crowd will follow the team to this important game.

There will be a pep rally in the school gym Friday afternoon, and everyone is urged to attend.

The Owlettes lost a warm-up game to Groom Monday night, 51-45, after having led at the end of the second and third quarters of play. Score by quarters (with Silverton's score first) was 10-10, 16-14, 32-27 and 45-51.

Penni Fogerson led the scoring by tossing in 18 points, closely followed by Julie Graham with 17 points. Aimee Francis caged six, while Tracy Tomlin and Amy Ramsey rang up a pair of points each.

In their last games of the regular season, the Owlettes defeated Samnorwood 47-41, and took a big 58-10 victory over Lakeview. They narrowly defeated Valley 58-57 and rolled over McLean 37-34 in the last home game.

Scoring for the Owlettes in the game with Samnorwood were Julie Graham, 16; Aimee Francis, 15; Penni Fogerson, eight; Amy Ramsey and Tracy Tomlin, four points each.

Against Lakeview, Aimee Francis led the offense with 18 points, while Penni Fogerson put 16 points on the board and Julie Graham rang up 13. Tracy Tomlin put up eight points and Monica Arnold added two points to the score.

At Valley, Penni Fogerson led the scoring with 21 big points, closely followed by Julie Graham, with 20 big points. Adding to the score were Tracy Tomlin and Aimee Francis, with seven points each, and Amy Ramsey with three.

In the last home game, Julie Graham and Penni Fogerson scored 15 and 13 respectively, while Aimee Francis put in six points and Tracy Tomlin added three.

While the Owlettes were ending their regular schedule in spectacular fashion, the Owls blew their chance to go into the playoffs with losses to Lakeview and Valley, and finished with a loss to McLean in which all players saw action.

The Owls beat Samnorwood 78-35 in a game which the Owls led all the way, extending their lead throughout. Scoring leader was Teddy Hubbard who dropped in 22 big points. Frank Ramirez, jr. and Brian Martin also caged in double figures with 10 points each. Other scoring was

See OWLETTES — Continued on Page Two

School Attendance is Vital During Accounting Period

The four weeks encompassed by February 19 - March 23, excluding the week of Spring Break, comprise one of the most important months of the year for the Silverton Schools because school officials will be keeping an even closer-than-usual eye on attendance figures.

It is those figures that will determine how much in state funding the Silverton Schools will receive.

Beginning Monday, February 19, and for the next four weeks of school, Principal Stan Fogerson and teachers in the school system will do everything they can to make sure every student is in class during those crucial weeks when the average daily attendance (ADA) figures are taken to be submitted to the Texas Education Agency.

As part of the educational reforms passed a few years ago, the state funding formula for public schools was changed and is now based on the ADA of each school district for one month each semester.

"We want to make sure that parents understand how important it is that the kids be in school every day during this period," Principal Fogerson said. "Please do not take students out of school for doctor or dental appointments before 10:00 a.m. during this time."

The principal continued, "Every school will be encouraging the kids to be in school, but we'll need the help of all parents, too. Records will be kept as of second period each day through March 23. We would appreciate your making every effort possible to have your children in school during this time."

Pep Rally Planned Friday Afternoon

There will be a pep rally Friday afternoon, February 16, in the school gym for the girls basketball team.

The girls are advancing into the state playoffs and will meet Nazareth Friday at 6:00 p.m. at Hutcherson Center in Plainview for the Bi-District championship.

Everyone is urged to attend the pep rally.

Juniors to Sponsor Volleyball Tourney

The Junior Class of Silverton High School will be sponsoring an Outsiders' Volleyball Tournament February 22-23-24. This will be a double elimination tournament with brackets for women's teams, men's teams and mixed teams.

Prizes will be awarded for first, second and third places.

Entry fee will be $35.00 per team.

Deadline for entries will be February 16. If you wish to enter a team, please contact Jack or Annette Shely, 806-823-2563.

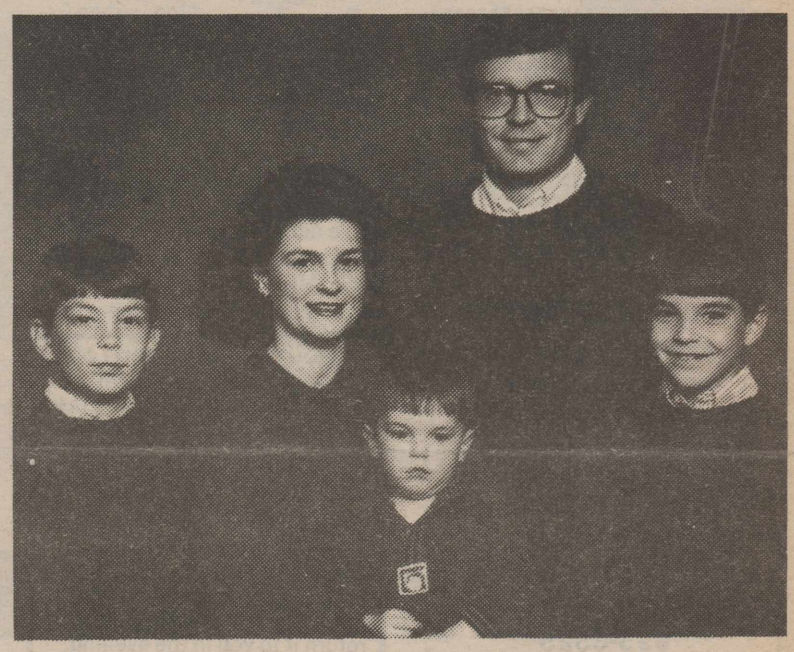

Mr. and Mrs. J. D. Nance attended a wedding shower in Canyon Saturday night for Kelly and Catina Walker. Mrs. Walker is a niece of the Nances.

Church Youth to Have Lasagna Restaurant Feb. 19

The youth planning to go skiing with First Baptist Church will be having a Lasagna Restaurant Monday, February 19, at 7:00 p.m., in the Fellowship Hall of the church.

This will be a fund-raiser and the cost will be whatever you would like to donate toward their trip.

Everyone is invited to come enjoy the good food and fellowship.

The Bryan Donahoo Family— David, Diane, Seth, Bryan and Paul

Rev. Donahoo Is New Baptist Pastor

Rev. Bryan Donahoo is the new pastor of First Baptist Church in Silverton, and will be moving here with his family later this month.

Rev. Donahoo is a native of San Angelo and was graduated from Central High School there in 1975. He attended Howard Payne University and was graduated in 1980 with a bachelor of arts degree in Bible and minor in Greek. He recently was graduated from Southwestern Baptist Theological Seminary in Fort Worth with the master of divinity degree. Included in his future plans is work on a doctor of ministery degree from Southwest Seminary.

His wife is the former Diane Dickson, a native of Longview. They were married July 1, 1978. They are parents of three sons, David, who is in the third grade; Paul, who is in second grade, and Seth, who is two years old.

Mrs. Donahoo was graduated from Longview High School in 1977 and received a bachelors degree in education from Howard Payne University. She taught kindergarten one year in Early, Texas, and for the past 4½ years has taught kindergarten in the Blum Elementary School.

Rev. Donahoo was pastor of Concord Baptist Church in Bangs from October 1978 to October 1984, and since that time has been pastor of the First Baptist Church in Blum.

Rev. Donahoo states that his family is looking forward to being part of the Silverton community. "We were impressed by the friendly atmosphere and have already been made to feel welcome by the people we have met. We hope that through our ministry at First Baptist Church and by involvement in community life we will be an asset to the town and its people," he added.

CONGRATULATIONS OWLETTES!

OBITUARIES

STELLA M. McJIMSEY

Funeral services for Stella Mae McJimsey, 92, were conducted at 2:00 p.m. Thursday, February 8, at the First Baptist Church in Silverton. Officiating was a former pastor, Rev. Royce Denton, now pastor of First Baptist Church in Clovis, New Mexico.

Burial was in the Silverton Cemetery, with arrangements made by Schooler-Gordon Funeral Directors.

Mrs. McJimsey died February 5 at St. Anthony's Hospital in Amarillo where she was taken following a fall in which she broke her hip.

Born January 22, 1898 in Arkansas, she was a resident of Silverton most of her life. She was a housewife and a member of First Baptist Church in Silverton.

She is survived by a son, Harvey McJimsey of Silverton, and a daughter, Helen Strickland of Lubbock; a stepdaughter, Elbia Mize of Noble, Oklahoma; three grandchildren; two great-grandchildren; 11 step-grandchildren; 29 step-great-grandchildren; 12 step-great-great-grandchildren; one brother, Ernest Noblett of Duncan, Oklahoma; two sisters, Delia Couch of Tracy, California and Dovie Freeman of Muldrow, Oklahoma.

Active pallbearers were Roy Mack Walker, Dwain Henderson, Bud Couch, Walter Bean, Duane Reynolds and Stan Couch.

Honorary pallbearers were Freeman Tate, Fred Strange, Johnnie Burson, Jack Strange, Paul Ledbetter and Rex Holt.

OWLETTES –

Continued From Page One

by Casey Frizzell and Joey Leal, eight points each; Kirk Couch, six; Denny Hill and Bradley Brunson, four each; Langdon Reagan, Wayne Henderson and Bryan Breedlove, two points each.

The Owls led in the early going in their game with Lakeview, but had fallen behind 31-26 by halftime. They regained the 42-41 lead at the end of the third period, but went on to finish behind in the 62-54 finale.

Brunson led the offense with 20 points, while Hubbard rang up 14 and Henderson tossed in 13 points. Couch scored seven points.

At Valley, the Owls led 12-10 at the end of the first period, but trailed 25-21 at halftime. They were behind 33-28 at the end of three and finished on the short end of the 54-46 score. Hubbard led the offense with 14 points followed by Brunson with 11. Ramirez got eight; Henderson, five; Couch, three; Hill, four. Their former teammate, Jon Pigg, burned the baskets with 24 points for Valley in the game.

The Owls jumped off to a fast start in their last home game with McLean and led 16-12 at the end of the first quarter. They had fallen into a 38-38 tie by halftime, and trailed 56-43 at the end of the third quarter. The final score was 77-60. Brunson was the top scorer with 16 and Ramirez got 15. Other scoring was by Henderson and Couch, nine points each; Hill, five; Martin, Brian West and Leal, two points each.

Swimming Pool Dues May Be Prepaid

Anyone wishing to pre-pay swimming pool dues may do so by contacting Jo Ann McFall.

Payments on the dues can be made now so that the entire amount of the dues will be paid by pool opening time.

FRIZZELL JOINS AIRBORNE

Jamie Frizzell recently has volunteered for military service and is taking his basic training at Fort Benning, Georgia. These next few weeks will be tough ones, and he will appreciate hearing from home.

His address is Pvt. Jamie L. Frizzell #203 Company A, 1st Battalion, 50th Infantry, P. O. Box 55650, Fort Benning, Georgia 31905-5650.

Cotton Briefs

More Americans are recognizing the Cotton Seal...

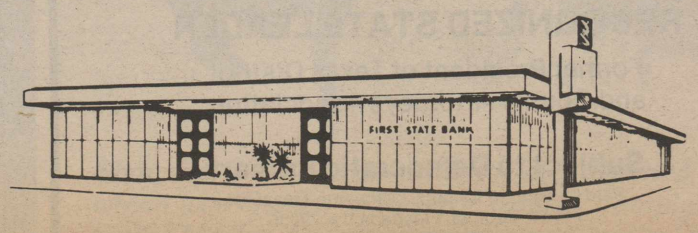

The Seal of Cotton has become a familiar symbol to American consumers since it was introduced in 1973. It is also a guarantee to the U.S. cotton grower. The Seal only appears on products made in America of 60 percent or more U.S. Upland cotton. Today, the Seal appears by the millions on hangtags, labels and wrappers put on thousands of apparel and home furnishings products by hundreds of manufacturers and retailers. National consumer recognition has been conducted annually to evaluate the penetration of cotton's registered trademark. These yearly studies reveal that awareness of the Seal of Cotton has increased each year since its introduction. In 1988, consumer recognition of the Seal attained an all-time high, reaching 73 percent. The Cotton Seal ranked third in consumer awareness in 1988, above CBS, Shell and Bell Telephone. Consumers consider the Seal a mark of quality. It's a guarantee that items which carry the Seal were made in America from American-grown Upland cotton.

Annual Miss Mackenzie Pageant Slated Here March 17

L. O. A. Junior Study Club of Silverton will be sponsoring the sixteenth annual Miss Mackenzie Pageant at 8:00 p.m. Saturday, March 17, in the Silverton School Auditorium.

Purpose of the pageant is to achieve unity between the four towns in the Mackenzie Municipal Water Authority, and to promote Lake Mackenzie.

A get-acquainted party will be held at 4:00 p.m. March 17 in the Pioneer Room at First State Bank in Silverton. The Coke Party will be hosted by the Progressive Extension Homemakers of Silverton, and at this time the contestants will be interviewed by the judges.

Contestants will be judged on appearance, poise and personality. Each is asked to submit a photograph of herself with her entry form.

Contestants must be 16-18 years of age, single and never have been married, and American citizens. They must be of good character and possess poise and be sponsored by a civic organization, club or business. They will be asked to appear in formalwear and sportswear during the pageant. They must be attending school in Lockney, Tulia, Floydada or Silverton. Miss Mackenzie is expected to advertise and promote Lake Mackenzie.

Deadline for entering is March 9, 1990, and the girls must have their entry forms in by that date. Entries are to be mailed to Jealeta Baird, Box 462, Silverton, Texas 79257, or to Kim Mayfield, Box 438, Silverton, Texas 79257. For further information, call 823-2127.

Rehearsal will be Tuesday, March 13, at 6:00 p.m. in the Silverton School Auditorium.

Entry forms may be picked up at the local newspaper offices and at the high school offices. The sponsor must pay a $15.00 fee which is to accompany the entry form.

Important PTA Meeting is Tues.

Due to weather conditions, the January regular meeting of Silverton PTA had to be cancelled. The program was postponed until the February meeting, which will be held Tuesday, February 20, at 7:00 p.m. in the school cafeteria.

The new National PTA project, using a kit entitled "Math Matters—Kids Are Counting on You," will be introduced and discussed at this month's meeting of Silverton PTA. Michelle Francis will lead the discussion, and everyone is invited to join PTA for this program.

Also on the agenda is the future of the Silverton PTA. New goals and old projects will be discussed and a nominating committee will be elected to form a list of prospective 1990-91 officers for consideration during the March meeting.

If you are interested in PTA, the local school, and your children, please join PTA Tuesday night.

L.O.A. Members Enjoy Tour of Twig Collection

Members of L. O. A. Junior Study Club traveled to Plainview for a recent meeting, and enjoyed a guided tour of the Twig Collection. For information about this, you may call 293-4827.

They enjoyed a pizza dinner, during which plans were made for the Miss Mackenzie Pageant. Kim Mayfield brought everyone up to date on the selection of judges, entertainment and other facets of the pageant.

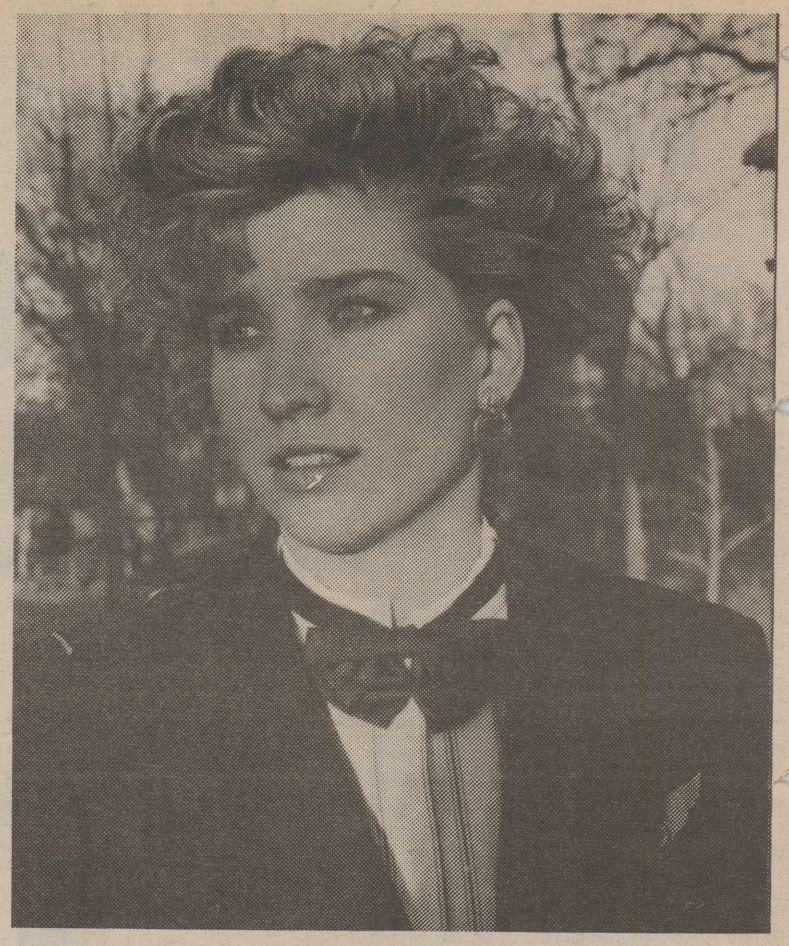

Members enjoyed a movie following supper and the business meeting.

LEADERSHIP AT WORK® JOHN DEERE

Little Dribblers To Re-Organize

An organizational meeting for Little Dribblers will be held at 7:00 p.m. Monday, February 19, in the Silverton School Cafeteria.

All parents and prospective coaches are urged to be present to help organize and plan the season.

If you have questions, contact Gail Wyatt.

Senior Citizens to Have Luncheon Fri.

Silverton Senior Citizens will have their monthly business meeting and luncheon Friday, February 16, at the center.

The Methodist women will be hostesses for the luncheon.

Spring Break Is Approaching

Spring Break will be enjoyed by Silverton students and faculty members February 28 through March 2.

School will dismiss early on Tuesday, February 27.

Other spring holidays include the Easter Break, April 13-16, and the May Break, which is May 4-7.

April 16 and May 7 are bad weather makeup days, and will be holidays if the school doesn't have to dismiss for bad weather before the end of the term.

Census Bureau Testing Potential Employees

The Bureau of Census, Department of Commerce, is testing potential employees Monday, February 19, from 10:00 a.m. until 1:00 p.m. at the City Hall in Silverton.

Each one tested must have a drivers license or passport and social security card.

Bureau of Census is an equal opportunity employer.

Latest Jamboree Was One of the Best

The latest Caprock Jamboree, held at the Briscoe County Showbarn on Saturday night, February 3, was one of the best ever. The entertainment was fantastic, according to those who attended.

In all, about 400 persons were in attendance, with 19 towns represented.

The next Caprock Jamboree will be March 3 at the Showbarn in Silverton. Make plans now to attend. If you would like to be a part of the show, you should call John or Maebelle Francis before noon Friday, March 2.

Public Hearing Held at School Board Meeting

A public hearing was held on taxation of tangible property at the regular board of trustees meeting on Thursday. It was explained to taxpayers present that nothing will be taxed in 1990 that has not been taxed before. A new law simply requires the taxing entity to publish and hold a public hearing before approving a resolution to tax tangible property such as automobiles, boats and recreational vehicles. Feel free to contact the Superintendent of Schools if you have any questions. A resolution to tax tangible property was approved by the board.

The school board election was called for Saturday, May 5, 1990. Applications for a place on the ballot may be filed in the superintendent's office as early as February 19, 1990, but no later than 5:00 p.m. March 21, 1990. There will be two places on the ballot for a three-year term and one place on the ballot for a two-year (unexpired) term. Each candidate must indicate his/her term preference.

The board approved a waiver request to maintain one teacher and aide in the second grade. Update 35 was adopted which included policies written to meet the requirements of all new laws enacted by the 71st Legislature. A calendar, very similar to the 89-90 calendar, was adopted for 1990-91. The first day of school will be August 27, 1990, and the last day will be May 24, 1991. Contracts for the business manager and principal were renewed, other regular business was attended, and the meeting was adjourned.

Appreciation Expressed to Silverton's Blood Donors

Lou Younger, chairman of the Silverton blood drives, has received a letter commending the 28 people who were donors at the most recent blood drive.

Bobby Thomas, community relations manager for Coffee Memorial Blood Center in Amarillo, wrote: "One hundred times a day I remind myself that my personal and professional life depends on the fruit of the work of other men, living and dead, and that I should make every effort to give in the same measure in which I have received and am receiving,' Albert Einstein.

"Everyday some 75 to 100 pints of lifesaving blood will be used by a grandfather, grandmother, mother, father, son or daughter in one of the 20 area hospitals Coffee Memorial Blood Center serves. All of these precious 'links to life' come from volunteer donors who unselfishly give of themselves 'without asking anything in return'.

"In a very important sense, 'we are our brothers' keeper'. As we perform our work each day and begin to give thanks for our own good health and the many blessings we receive daily, please stop and give some thought to those less fortunate than ourselves.

"Our center appreciates you and needs your community's continued support of this special campaign for life," Thomas concluded.

Mrs. Younger asked that appreciation be expressed to the City of Silverton and its employees and to Lallie Patton for the cookies, in addition to those who were blood donors.

Those who have given 10 pints of blood or more during the period from January 1974 to January 1990 are being recognized:

10 Pints: Wayland Fitzgerald, Terry Grimland, Ramona Martin, Wayne Stephens, Lou Younger

11 Pints: John Burson, Elton Cantwell, Bena Hester

12 Pints: Jimmy Burson, Stanley Couch, Barbara Edwards, Frances Kellum, Sam Lewis, Dana Martin, Robert McPherson, Jack McFall, Loyd Stephens

13 Pints: Perry Brunson, Kent Holt, Bailey Hill, Sandi Tomlin

14 Pints: Alvie Francis, Rex Holt, Thomas Perkins

15 Pints: John Schott, Rick Minyard, Glenda Couch, G. W. Chappell, Leon Lavy

16 Pints: Tommy Burson, James Edwards, Buck Hardin

17 Pints: Stanley Fogerson, Danny Francis, Theda Holt

18 Pints: Donald Perkins, Zobie Self, R. D. Reynolds

19 Pints: David Johnston, Jimmy Myers

20 Pints: Steve Jarnagin

21 Pints: Jerry Patton, Emmett Tomlin

23 Pints: Carl Minyard

24 Pints: John Francis, Wayne Nance, Lynda Fogerson

25 Pints: Lynn Frizzell, Anthony Kingery, O. C. Rampley

26 Pints: Virgal Minyard

28 Pints: Doug Bradford

Brooks, Reagan to Scramble In Houston Rodeo Event

Josh Brooks and Langdon Reagan, both 15-year-old Briscoe County 4-H members from Silverton, will compete in the 1990 Houston Rodeo calf scramble on February 24 in the Astrodome.

The calf scramble is an exciting part of Houston rodeo action, featuring Rodney Crowell and Restless Heart as part of that matinee performance.

Brooks, son of Bill and Janinne Brooks of Silverton, and Reagan, son of Bennie Reagan of Quitaque and Carolyn Reagan of Silverton, will compete for one of 252 calves to be awarded at the 1990 show.

Additionally, as many as two youngsters from each of the 18 rodeo performances will be awarded "hard luck" certificates for their hearty efforts in attempting to catch a calf, resulting in 36 more certificates actually given.

An entertaining event whose net proceeds provide educational contributions to Texas schools, the Houston Livestock Show and Rodeo ranks as the nation's largest donor of agricultural scholarships. Currently, more than 1,000 students are on Show-sponsored scholarships with more than 30 agricultural research projects funded by the Show.

Equally important is the Show's commitment to youngsters competing at the event itself. The calf scramble is one of the Show's major programs benefiting youth, requiring a year-long commitment from the winner to the animal project.

Beginning with athletic competition in the Astrodome, the program ends 12 months later with top-notch competition in the Astrohall showring.

The actual calf scramble event involves 28 energetic youngsters pitted against 14 vigorous calves. Each youngster is committed to capturing a calf, haltering and bringing it to the finish line—but only the successful ones receive an $800 calf purchase certificate.

The certificate, donated by a generous sponsoring firm or individual, is used to purchase a purebred registered beef or dairy heifer. This year, several companies have strengthened their commitment to the calf scramble program by sponsoring a calf for each of the 18 rodeo performances.

The calf is raised by the winner for special showring competition in the Astrohall at the following year's Show. The year-long project is closely supervised by the appropriate county extension agent or agriculture science teacher.

Additionally, the winners are required to submit financial records, photographs and a scrapbook to the calf scramble office to detail the progress of the venture. The youngsters are encouraged to provide updated reports to their sponsors as well.

Proper livestock evaluation techniques, efficient cattle feeding and production methods, principles in economics and money management are all realistic learning experiences for the youngster who manages to get a firm hold on a calf.

To date, the Houston Livestock Show and Rodeo calf scramble has put 11,483 animals valued at more than $2.4 million into the hands of Texas youth.

PTA Update

National PTA Founders Day is February 17.

*

Nurturing the "whole child" and educating parents has been a concern of the National PTA since its birth February 17, 1897.

Looking back in history the first meeting of the National Congress of Mothers was held in Washington, D. C. with 2,000 individuals in attendance. The meeting was led by Alice McLellan Birney, President and Founder, and Phoebe Apperson Hearst, Vice President and Co-Founder.

In 1908 the name was changed to National Congress of Mothers and Parent-Teacher Associations to emphasize the working relationship of parent-teacher.

In 1922 the oak tree was adopted as the official symbol of the National PTA.

In 1924 the name was changed to the National Congress of Parents and Teachers.

In 1970 the National PTA united with the National Congress of Colored Parents and Teachers to serve the needs of **all American children.**

The accomplishments range over decades from working for child labor laws, school lunch programs, AIDS education, fighting drug and alcohol abuse, Reflections - cultural arts program.

Founders Day 1990—PTA—Leading the Way" gives you a chance to reaffirm your commitment to ensure the welfare of all children.

STRESS CONTROL

If stress from daily problems is controlling your life and affecting your health, it's time for you to take control.

It's not what happens TO you but how you react to it that causes stress. One of the first steps in managing stress is to recognize the situations that make you feel stressed and tense. When you can identify your particular sources of stress, you have taken a first step in being able to take control.

Stressors usually are of three types—psychological, physical and external. Psychological stressors are chronic worrying, repressing feelings, low self-esteem, strong emotions and excessive competitiveness.

An individual's own high expectations can be a major source of psychological stress. When unrealistically high goals are set, a feeling of failure or guilt can result when the goals are not met. The "Supermom" syndrome experienced by many employed mothers is an example of this type of stress. Children and teens can also experience stress from overly high expectations from parents.

To control these psychological stressors, recognize your time and energy limitations and accept that your BEST is good enough. Talk to friends or family about your concerns. If you are a chronic worrier, you might be interested to know that 95% of what we worry about never happens. Most of what does happen, is beyond our control.

Physical stressors are lack of sleep, poor nutrition, smoking, alcohol abuse, and significant weight gain or loss. These are areas over which we have control. Improving nutrition, eliminating smoking and alcohol, and beginning an exercise program can reduce these stressors. Deep breathing and relaxation techniques also help.

External stressors are caused by job changes, death in the family, moving, excessive demands on your time at work or at home, or financial difficulties. These stressors are more difficult to handle, but the key is to feel that YOU ARE IN CONTROL. Improve your time and money management. These are skills you can learn. Seek help from professionals in managing grief and loss if you are having difficulty dealing with death or divorce.

Simply learning to recognize that there are some situations beyond our control can help tremendously in reducing the stress overload.

If all these methods fail and you feel like your problems are overwhelming you, look around you to those with more problems than you have. We have families in our county who are coping with severe illnesses, financial problems, alcoholism, and family crises.

Briscoe County Exhibitors Entered in Houston Stock Show

Five Future Farmer of America students from Silverton and sixteen Briscoe County 4-H members will be joining youth from throughout the state for showring competition at the upcoming Houston Livestock Show February 17 through March 4 at the Astrohall.

These FFA and 4-H exhibitors compete in one of two divisions of the Houston Livestock Show—the junior show division. The other division, the open show, attracts its exhibitors from the world's agricultural industry, primarily professional breeders and ranchers.

Entries in both the open and junior shows combine with horse show entries to make the Houston Livestock Show the world's largest.

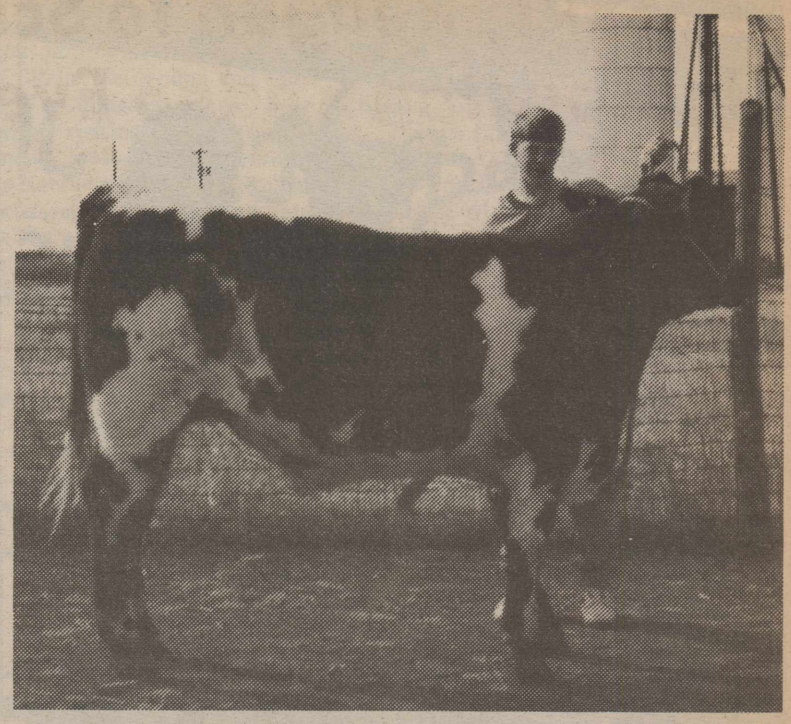

Representing the Silverton FFA and each showing a market barrow will be Wil Bomar, Lance Bradford, Josh Brooks, Carrie Ann Grabbe and Langdon Reagan.

Representing Briscoe County 4-H and scheduled to show market lambs are Lance Bradford, Jamie Fuston, P. J. Merrell and Christa Tucker. Langdon Reagan is to show a 4-H market steer. 4-H'ers who will be taking market barrows are Russ Baird, Jeremiah Brooks, Molly Brooks, Kenzie Burson, Penni Fogerson, Julie Graham, P. J. Merrell, George Pigg, Briana Sperry, Will Sperry, Christina Stephens and Leland Wood.

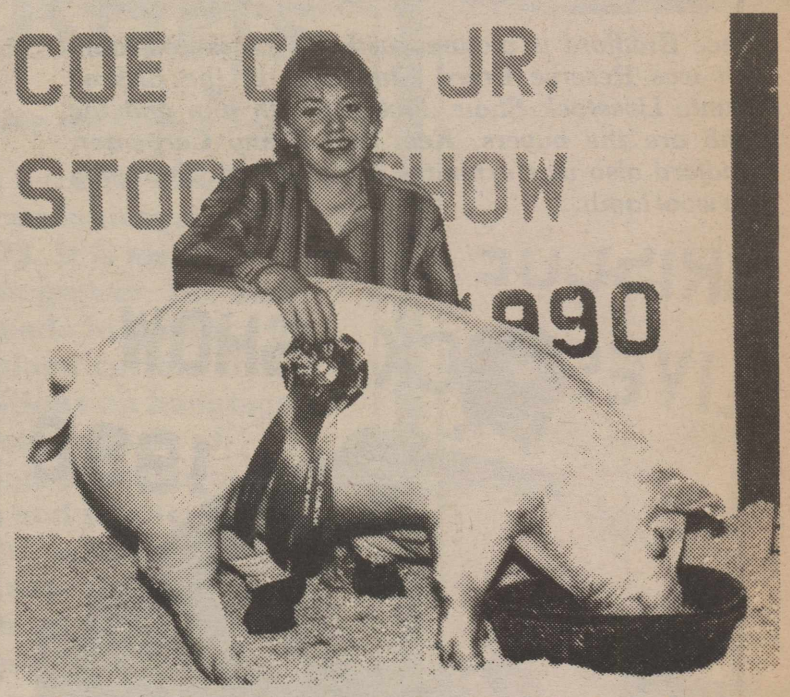

Representing 841 Texas 4-H clubs and FFA chapters, the junior show is expected to exceed 12,000 entries this year. A variety of animals are shown in the junior show division: market steers, market swine, market sheep, market poultry, beef and dairy heifers, breeding sheep, goats, commercial steers and breeding rabbits.

The four market animal categories represent animals raised by the exhibitor as food sources. Top animals in each of these categories are eligible for their individual market auctions. Total money paid in 1989 at the four junior show auctions exceeded $4.5 million.

Go Owlettes!

Langdon Reagan and his steer which was chosen as Reserve Grand Champion at the Briscoe County Livestock Show.

Carrie Ann Grabbe is shown with her Breed Champion Chester White that was exhibited in the Swine Prospect Show of the Briscoe County Livestock Show. She also was exhibitor of the Breed Champion Chester White in the Swine Market Show.

Shannon Weaver was exhibitor of a Spotted Poland which was chosen as Reserve Breed Champion of the Swine Market Show at the Briscoe County Livestock Show.

Lance Bradford is pictured with his crossbred lamb that was Reserve Breed Champion of the Briscoe County Livestock Show. Pictured with him and the lamb are the buyers, Kent and Penny Carpenter. Bradford also was exhibitor of the Breed Champion fine wool lamb.

Miles Comer was pictured with his Spotted Poland which was Breed Champion of the Swine Market Show at the Briscoe County Livestock Show.

David Gamble was exhibitor of the Reserve Breed Champion Chester White in the Swine Prospect Show at the Briscoe County Livestock Show.

Jeremiah Brooks was owner of the Yorkshire Breed Champion of the Swine Prospect Show at the Briscoe County Livestock Show.

Agriculture Secretary Clayton Yeutter February 6 released a 147-page document setting forth the Bush Administration's 1990 farm bill proposals. Included was a recommendation that the current federal crop insurance program be replaced by a "standing" disaster payment program administered through the Agricultural Stabilization and Conservation Service.

Ironically, the proposal to eliminate federal crop insurance came on the same day a Senate subcommittee opened hearings on crop insurance and not long after Representative Glenn English (D-OK) vowed that the House subcommittee he chairs would overhaul the insurance program and "make sure it works."

Donald Johnson, Executive Vice President of Lubbock-based Plains Cotton Growers, Inc., noting that unavoidable crop loss is probably the number one threat to survival in agriculture on the High Plains, said "We'll be taking a hard look at the Administration proposal as well as any others with the potential to provide the protection we need, including those involving federal crop insurance."

From information supplied by the office of Lubbock Congressman Larry Combest, major features of the Administration plan are:

All crops currently covered by federal crop insurance, plus forage and hay, would be eligible;

Disaster payments would be available to producers of crops in counties where actual county average harvested yields fall below 65 percent of normal county average yields;

Individual farmers in eligible counties would receive payments for any shortfall in their harvested yield below 60 percent of the county average yield;

Payments for reduced yield and failed acreage would be based on 65 percent of the three-year average market price for each eligible commodity;

Payments for prevented planting would be based on 33 percent of the three-year average market price, and

All payments would be subject to a $100,000 payment limitation.

Johnson, recalling that PCG was the prime mover behind popular disaster provisions in farm law from 1974 through 1980, applauds the "idea" of a standing disaster program. But on first reading he finds fault with the Administration proposal, primarily on two counts.

First, he says, the requirement that an entire county must experience more than a 35 percent loss before any producer becomes eligible for disaster payments provides no protection for individuals who may suffer irreparable losses in a county where most producers have normal production.

Second, he continues, basing all payments on individual losses above 40 percent of county average yields means a producer with a 900-pound actual average yield, in a county with a 450-pound average, would have to produce less than 270 pounds (60 percent of 450) to be eligible for payments, and even if he had a total loss he'd be compensated for only 30 percent of his normal production.

A Talk With God

This is a very special moment in Kenny's day. He is about to have his talk with God.

Kenny has these talks with God every day. He knows they are important . . . to God as well as Kenny.

Have there been any very special moments in your day lately? Have you thought about having a talk with God?

It was Jesus who pointed to a child's humble faith as an example for all Christians.

Learn how important a talk with God is to you Both. Make prayer a vital part of every day.

Kenny has!

Cards of Thanks

To all my friends and neighbors in Silverton and around, I would just like to say how grateful I am for all your gifts of love and all that you have done for me and my family since I've been in the hospital in Houston. I have had one surgery done on my right lung and I am waiting to have surgery on my left lung. I have loved hearing from all my friends from First Baptist Church. Their letters have really helped me a lot, especially for all the prayers.

May God bless each and every one of you for your support and prayers.

I would love hearing from some of my friends back home. This is my address in Houston: 1221 Manor, Houston, Texas 77015.

Your friend,
Frank Ramirez

Thanks so very much for the quick response to our call for help to Ted, James, Janice and Fay. So sorry you had to be detained so long.

Thanks so much for the delicious food, visits, calls, cards and especially for the prayers.

Love,
Nelle and Anne

We would like to express our appreciation for all the prayers, calls, visits, food, cards, memorials and other acts of love and concern shown us at the death of our mother, grandmother and great-grandmother.

Harvey McJimsey and family
Helen Strickland and family

Once again the fire department has proven how valuable they are to our community. Because of the quick action taken, we still have our home! Thank you, guys! We would also like to thank Venita Chappell for reporting the fire, and a thank you goes out to all those who came by or called.

We deeply appreciate you.
Lynn, Connie and family

I have found out that I have a secret pal, because they left me a lovely surprise Valentine gift at my house. Thank you very much.

Love,
Thada

Good Luck Owlettes!

GARLIC OIL
With Parsley and Chlorophyll

Garlic contains potassium, phosphorous, a significant amount of B and C vitamins, as well as calcium and protein. It's generally accepted that garlic acts as a diuretic, stimulant, expectorant, and sweat promoter. For centuries, it has been a common European remedy for colds, coughs and sore throats. European physicians have reported that garlic has two outstanding medical properties. One is that it tends to open up blood vessels and reduce blood pressure in hypertensive patients. The other property is antibiotic, and several researchers have found that garlic in large amounts can be effective against bacteria that may be resistant to other antibiotics. The addition of parsley and chlorophyll helps remove the aroma of this natural herb wonder, leaving no after-taste or bad breath. Contains no preservatives, no artificial color or flavor, no sugar and no starch.

120 Softgels $4.69
