

(Opinions expressed in this column are the views of the writer and should be so interpreted).

MAYBE YOU CAN PROVIDE this column with the correct answer to the problem which presented itself to the people of Martin County, when the snow visited the county Sunday, January 9th. Most of the day was consumed by the fall of this snow.

So many folks have answers to the problem of naming the year when Martin County had been visited by such a big snow, etc.

One farmer said he came to Martin County in 1929 and that year the county was visited by equally as good snow as the one which fell Sunday, January 9th. Another resident said it was the year 1939 we had a snow like the late one, while another citizen proclaimed we had as good snows in 1949.

Then we had the old timer who counted his continuous residence in Martin County of over 40 years, who crippled out from his shell, reminding one more of the Rip Van Winkle type, who still clung to his optimistic views of the greatness of the country in which he made his home. He expressed an emphatic answer to this problem, when he said not in the history of Martin County had such a fine snow visited it. He enumerated the superior points the late snow had over previous ones... nearer seven inches... the level spread over the ground greater... the general fall over the county... its superior moisture content... the best snow that had visited the county in its history.

Be that as it may, those who recorded their various answers, all were unanimous in their views that the recent six or seven-inch snow was the wettest, and will provide the farm lands and the ranch lands with a more deep-seated moisture and with better beneficial results the county has experienced in many years at this season of the year.

★
COULD HARDLY AFFORD TO let this story pass. Though we haven't any Indians, we have some white folks who the way they drive a car, would pass as Indians.

An automobile dealer sold two cars to the same man in the same day. His customer was an Indian suddenly rich from oil. The Indian bought a high-powered car, and with a gallon of gin in the front seat, fared forth to see the world. In about an hour he came back, bleeding and bruised, ready to buy another car.

"For heaven sake, what happened?" the dealer inquired.

"Down the road a piece," said the red man, "fences come fast. Telephone poles come fast. Soon bridges come down the road and I turn out to let go by. Need new car."

★
THE PRICE PAID FOR A HUMAN life has slumped to a low price of value when it brings only \$3.75. This was the price paid by one of the contestants involved in a dispute over \$3.75 taking place in a nearby city. The victim was killed by a blast in the back from a shotgun.

★
DON HIGHTOWER, LEFT THE employee of The Stanton Reporter last week, to enroll in Sul Ross College, Alpine, as a student in Business Administration. He has been employed, off and on, in the mechanical department of The Reporter for the past seven years. He came to The Reporter as a "raw recruit" in the printing business seven years ago. Due to his unlimited energy and ambition to learn the printing trade, Don has done a fine job of work in all the departments of the mechanical end.

Along with his studies at Sul Ross, Don will be employed on the Alpine Avalanche. And this column feels it's safe in assuring the Avalanche management it will find in Don Hightower a willing and fine workman in all branches of the mechanical department.

3 Prison Terms Are Assessed

The Dimes Are Marching In

The March of Dimes Marches On!

And, it is marching in Martin County, with the first guns of the campaign garnering in the dimes and the dollars in a great way.

The Telethon at Midland Saturday night, in which Stanton talent and Stanton boosters and friends almost stole the spotlight, netted \$630 for the fund and various events over the county Tuesday night added some \$400 or more to the fund with the big guns coming up.

Game night and the auction Tuesday night at Grady school at Lenora brought in \$347.73 in contributions with more coming in. Mrs. Bob Thrallkill, Grady

chairman, said Wednesday morning that several have called her to indicate they wanted to add to the total.

At Grady School

The Tuesday night event at Grady school was well attended, sponsored by the P-TA, and the school and community. Games were played, and it was a real community social event. Baked goods were sold at auction with James Bullard as auctioneer. Some who bought at auction donated the item back and it was resold. All in all, the event was a big success, and Mrs. Thrallkill asked The Reporter to thank all those who had made the March of Dimes at Grady school such a success.

"They really went to town," is the way County Chairman Philip White summed up the success of the event at Grady school. "The folks at Grady school really responded, and the committee appreciates the way they are pushing the March of Dimes campaign," White said.

Other communities had March of Dimes events either Tuesday or during the week, but The Reporter has not had a report of them as yet.

Stanton Getting Ready

Stanton is getting ready for its big participation in the March of Dimes campaign, pointing toward the concert the night of January 31 by the Howard County Junior College choir. This event will be the big show, Chairman White believes, and he feels it will go over in a big way. Various civic organizations are joining to push it, including the Lions Club, Rotary Club, American Legion and Music Club. The concert will be held at the school gym, and the musical program will be over two hours duration.

Separate committees are out working for the campaign, some calling personally at homes, and others phoning. With every contribution to the March of Dimes goes one ticket to the concert January 31, and it is expected the event will be the climax to the campaign.

A close ball contest will be held Sunday, January 23, at the Stanton country club for the March of Dimes. Three shots for one dollar are offered, with all proceeds going to the MOD. Prizes will be awarded.

Stanton Third In Stock Judging

The Stanton FFA boys placed third in the invitational livestock judging competition held here Saturday under the sponsorship of Lamesa placed first and Odessa second in the competition which attracted almost 100 FFA and 4-H club boys from as far as Rankin.

The day was cold and wet and meant to get out in, but the boys entering the competition, the officials and the sponsors all had a fine time, and the event was a success.

Lamesa FFA won with a total of 2,599 points, followed by Odessa FFA with 2,569, Stanton FFA with 2,480, Garden City FFA 2,443, Flower Grove FFA 2,419, Upton County 4-H club 2,376, and Ackerly FFA 1,326 points.

The Flower Grove FFA was first in the swine judging with 671 points, Stanton second with 662, and Upton County 4-H club third with 651. Richard Cross of Stanton was the highest individual in swine judging with 179 points.

Vocational agriculture instructors served as group supervisors. They included Carl Maddoux of Odessa, Marion Barber of Garden City, A. H. Smith of Ackerly, Truett Vines and Roland Baumhardt of Big Spring, Earl Maddox of Courtney, Clemon Montgomery of Lamesa, Robert Beck-

See STOCK JUDGING, Pg. 8

Arrangements Are Completed For Junior Livestock Show

Final arrangements were being made Wednesday in preparation for the annual Martin County Junior Livestock Show which will be held Thursday and Friday of this week at the county barn.

Entries of 50 barrows, 15 gilts, 12 pens of broilers, 15 lambs, and 9 steers are assured, County Agent Ralph Jones said Wednesday. The entries will be weighed and tagged starting at 1 o'clock Thursday, and will be completed by 6 p.m.

There will be only one class of steers, and they will be judged for the first eight places, with \$64.50 in prize money offered.

Two classes of barrows are provided, divided equally by weight at time of arrival. \$31 in prizes are offered in each class. Awards in each class will be first through sixth.

One class of fat gilts is provided for, with \$31 in prizes going to awards of first through sixth. A grand champion and reserve champion trophy are provided for in this competition.

There will be one class of op-

en gilts and one class of bred gilts. These gilts will not be sold through the auction, and they will not compete for trophies. Premiums totalling \$29 are offered in these classifications.

Broilers will be shown in groups of five, and premiums totalling \$15 are offered, with grand champion and reserve grand champion trophies also offered.

Only one class of lambs are provided for, with premiums totalling \$21 offered, with grand champion and reserve grand champion trophies offered. Judging will be held Friday morning, L. M. Hargraves of Texas Tech judging steers and swine, George Riley of Larro Feeds, Lubbock, judging the poultry, and Fred Wilkinson, agent of Crane county, judging the lambs. Showmanship judges are Oscar Lawson, R. C. Vest, Jr., and L. M. Hargraves. Jay Poyner of Odessa is auctioneer.

An additional feature of the show will be the pony wheel, with Owen Kelly bringing in six shetland ponies for the rides.

RANCH GIRLS' BARREL RACE—The Ranch Girls invitational barrel race will be a new feature of the rodeo of the Southwestern Exposition and Fat Stock Show in Fort Worth, January 28 through February 6. Beautiful girls, representing cities or ranches, will race against time in an exciting display of horsemanship. Shown here is Pat McDaniel of Abilene.

Football Boys Are Honored

"You learn something from football that you will carry throughout the years of your life," L. R. (Dutch) Meyer, athletic director of Texas Christian University of Fort Worth, told the Stanton Buffalo football quad, their guests, and a capacity crowd of 200 persons Monday night at the annual football banquet.

Meyer, who has been associated with TCU for the past 30 years said, "It isn't how you are knocked down, but how you get up that counts," in his address at the Stanton High School gymnasium. He went on to say, "You may be defeated, but there is no reason to remain that way."

The famed ex-coach of the Horned Frogs, who is now director of athletics, was brought here

through the efforts of the various civic and veteran's organizations of Stanton to be principal speaker at the banquet honoring the 1954 football team and their coaches, Melvin Robertson and Larry Wartes.

Team Introduced

Coach Robertson introduced the team members, who in turn introduced their guests. Afterwards, Superintendent of Schools J. W. Winstead introduced the speaker.

Gordon (Dogie) Stone served as toastmaster.

A barbecue lunch was served by the Odessa Chuck Wagon Gang, followed by dinner music by Miss Ima Joy Williamson at the piano. Other entertainment included Misses Jan Nichols and Mary Beth Ory singing a duet, accompanied by Miss Williamson.

In his address Meyer emphasized the importance of teamwork, and said that in any organization the secret was in cooperation. He urged parents and youth leaders to note the emphasis that today's schools are putting on teamwork.

Supt. Winstead, in his introduction of the speaker said that Stanton was extremely fortunate to have such an honored guest present. He pointed out that for 11 years Meyer was freshman coach at TCU, and for 19 years head coach. Recently, after retirement from active coaching, he was appointed athletic director. During his coaching career, TCU was three times champions in the Southwest Conference, which as Mr. Winstead put it, "Was no little accomplishment."

Buffaloes Did Well

The banquet, which honored the Buffaloes, who were defeated only by Sundown in district play, was made possible through the cooperation of many individuals and organizations. Included among the sponsors were the Lions and Rotary Clubs, the American Legion, Chamber of Commerce, Booster Club, and others. Mrs. Hila Weathers and Cecil Bridges were in charge of the program committee, and both agreed that the affair was a great success, as did the members of the Buffalo squad.

Vavra Promoted To Area Duties

Martin Vavra, for more than five years stationed at Stanton in the soil conservation work, and lately as soil conservationist, took up his new duties Monday as engineer over quite a large area, with headquarters at San Angelo. Roy Adams, who assisted Vavra in the office here, is serving as soil conservationist until someone is named.

As an engineer at San Angelo, Vavra will direct his particular work in approximately 35 counties, but not including Martin County.

Murr Funeral Is Held In Midland

Funeral services for Art Murr, prominent Stanton business man who died suddenly last Wednesday afternoon, were held Thursday at 4 p. m. at the Newline W. Ellis funeral chapel in Midland.

Mr. Murr had died suddenly in the Martin County Memorial Hospital shortly after he was admitted.

Rev. E. B. Coon, pastor of the Stanton First Baptist Church, and Rev. Jim Goins, Bellview Baptist minister, officiated. Interment was made in Resthaven Memorial Park in Midland.

Assault Case To Jury Late Wednesday

OIL NEWS:

New Producer In Germania Field

By JAMES C. WATSON

Murphy Corporation and Husky Oil Company have completed another Grayburg producer in the Germania field area of Northeast Midland County six miles southwest of Stanton and announced location for a new test in the same field.

Their No. 3 Andrew Fasken was completed for a daily flowing potential of 71.20 barrels of 2-gravity oil and no water through 26/64-inch choke. Gas-oil ratio was 110-1. Pay was fractured with 3,000 gallons of acid.

Total depth is 3,965 feet with even-inch casing set at 3,961 feet.

Location is 330 feet from south and east lines of west half of northeast quarter of section 14, block 37, T-2-S, J. V. Stokes survey.

The new project is No. 7 Andrew Fasken, 350 feet from south and east lines of section 14, block 37, J. V. Stokes survey. It is slated for a 4,000-foot bottom.

Duncan Drilling Company No. 1 Robb, wildcat in Southwest Howard County adjacent to the east line of Martin County, has been plugged at 3,725 feet. It was 2,310 feet from south and 1,650 feet from west lines of section 26, block 35, T-1-S, T&P survey.

In Northwest Glascock County, Ray Morris Drilling Company No. 1 Winnie P. Cooper is a dry wildcat at 3,460 feet in lime.

Location was nine miles northwest of Garden City and 330 feet from south and west lines of section 36, block 35, T-2-S, T&P survey.

Southland Royalty Company No. 2 Ethel Bronaugh, project in the Moore field of West Howard County, was completed for a 24-hour pumping potential of 96 barrels of 28.5-gravity oil through perforations from 3,122 to 3,167 feet.

Location is 330 feet from north and west lines of section 29, block 33, T-1-S, T&P survey.

Cage Squad Wins From O'Donnell

The Stanton cage squad won from O'Donnell Tuesday night 57 to 51 to make it two wins and one loss in district play.

Jimmy Henson was high scorer, getting 20 points, with Mike Baulch 13, and Burley Polk and Reggie Myrick 14 each. Harold Sanders of O'Donnell did pretty good, too, getting 20 points.

The Stanton boys lost 53 to 49, with Joyce Overby scoring 22 points, while B. Rogers of O'Donnell was gathering in 25 points.

Stanton won third place in the Seagraves invitational basketball tournament last week. The Buffaloes beat Morton 72 to 29 in the first game Friday afternoon, then Meadow beat the Buffaloes Saturday 54 to 47. Then the Buffaloes beat Seagraves Saturday night 63 to 57.

The Stanton Buffaloes will play next Tuesday night against Seagraves in another district game.

Terms totalling ten years in prison were assessed three persons in district court this week when the January term of the criminal docket got under way starting Monday.

In another case, the fate of Hayman Young, Greenville negro, was being decided by the jury late Wednesday afternoon after his case came up before Judge Charlie Sullivan. He is charged under an indictment with assault with intent to murder following his alleged assault on Clyde Bloodworth October 24 last year, near Ackerly.

A jury of two women and ten men were deliberating his fate. Members of the jury are: Mrs. Hila Weathers, Mrs. Leo Turner, Clayton Reynolds, Curtis Powell, J. D. Poe, Billy Mims, Gene Clements, Edward Smith, Elmer Nichols, Joe McReynolds, Glenn Holloway, and Marshall Louder.

History was made in Martin County again this week when three women were selected to serve on the first criminal trial of this session of court. They were Mrs. Ruby Nell Greenhaw, Mrs. Leo Turner, and Hila Weathers.

The case tried was that of Joseph C. Stephens of Mineral Wells, charged with second offense driving an automobile while intoxicated. The final result of the trial was conviction and the assessment of a four-year penitentiary term, suspended.

But, the three women on the jury were selected, along with eight white men and one negro. The eight white men were: George Pribyla, Raymond Pribyla, J. D. Poe, Billy Avery, Curtis Powell, V. R. Hughes, and Lloyd Williams. The negro on the jury was Roosevelt Williams.

When the end of the day came Monday, trial of the case had not been completed, and that gave Sheriff Dan Saunders a problem, and one he was not looking for as it turned out.

Martin County has made arrangements for separate quarters for women jurors, and the sheriff planned to take care of his jury in the new quarters. But, it was discovered the plumbing had not been connected. No motel or hotel here had facilities to handle that many, so finally the hospitality of Howard County was accepted, and the jury bedded down in the Big Spring courthouse.

And, Tuesday the trial was completed, and the jury arrived at a verdict, and the sheriff did not have to work as hard.

In another case before the Martin County district court this week, Ray Jennings was sentenced to five years in the state penitentiary on his plea of guilty to a charge of forgery. He was sentenced by District Judge Charlie Sullivan.

Carl Hunter of Ft. Worth entered a plea of guilty on a charge of second offense of driving while intoxicated, and was sentenced to one year in the penitentiary by Judge Sullivan. Hunter was brought to Stanton by Sheriff Saunders from Ft. Worth for the trial, and will be returned there to face other charges.

INFANT DIES

Funeral services for Mary Jane Rogers, infant daughter of Mr. and Mrs. James A. Rogers, who died soon after birth, were held here at 3 p. m. Saturday, with Arrington's in charge. Interment was made in Evergreen cemetery.

Congratulations, 4-H And FFA Boys, On Your Livestock Show

Sometimes The Past Presages The Future

One Hundred and Forty-three years ago is quite a number of years ago. There lived a man in that time by the name of Oliver Evans in Philadelphia, Pa. He predicted we would see in the future the growth of improvements pretty much as we are enjoying them in this day and time.

The prophecy of Evans was made in 1812, and it had to do with the improvement of transportation facilities, naming specifically, the "Magic of the Rails."

Here is the prediction as was made in 1812:

"The time will come when people will travel by stages moved by steam engines—from one city to another—almost as fast as birds fly, fifteen or twenty miles an hour. A carriage will set off from Washington in the morning, the passengers will breakfast in Baltimore, dine in Philadelphia, and sup in New York the same day. To accomplish this, sets of railways—made of wood or iron—will be laid."

The encyclopedia observed:

"Before the coming of the steam railroad, people living outside cities drove their horse-teams many miles to have a few bushels of wheat ground into flour or to exchange the products of their toil for tea, salt, thread, calico, nails, tools, glass, gunpowder, and other necessities."

That feature of the encyclopedia's observance stirred up a remembrance in the mind of their writer at his early age in the 1880's—when that mode of exchange was very much in evidence. A little way down the running stream from my farm home was a grist mill, equipped to grind wheat into flour and Indian corn into corn meal. A large water wheel at a little waterfall provided the power for the mill. Enough raw wheat and corn was taken to the mill to pay the miller his toll after providing us with our quota of flour and meal. The farmer's housewife exchanged butter and eggs with the country merchant for dress material, thread and a skein of yarn, etc.

Even the newspapers published in my boyhood time carried on a system of exchange of commodities for which no cash money was seen to change hands. Good wood was swapped for a year's subscription to the paper. The editor swapped advertising space in his paper for a meal ticket at the restaurant, or exchanged ad space with the merchant for groceries, a suit of clothes, pair of shoes, etc. Very little cash money was seen in evidence during the many transactions.

The things mentioned in the 1812 prophecy have all come true until the improvement in the transportation facilities finds the country gliding along at a rapid pace. The wooden rails and the wood burning locomotives on the railroads then traveling at 10 and 15 miles per hour, have sidestepped for the streamlined more than a mile an hour minute trains drawn by Diesel engines. Passengers breakfast in New York City and eat supper in London through the facilities offered by air transportation. A round the-world trip using the same mode of transportation is made in two or three days.

And the newspapers have risen from their G. Washington hand press days turning out 500 copies a day working 10 hours a day, to the present day perfecting presses printing several thousand copies of the paper an hour. Making a clean sweep of the bartering days of newspapering when cord wood, butter and eggs for a year's subscription to the paper and a swapping medium with the merchant for advertising for a suit of clothes, groceries, and a meal ticket exchange with the restaurant keeper.

Now they are talking in this day and time of radar and atom bombs when folks will be able to make a visit to the moon, and as a means of protection against a war conflict with an enemy be in position to drop an explosive that will wipe out all traces of civilization.

Congratulations . . .

Philosopher Has Sympathy For Siate Legislators

Dear editor:

When you get right down to it, the other fellow's problems aren't much different from your own. The man who is trying to figure out how he can buy a new washing machine is offset on one side by the man who is trying to figure out how he can buy a second automobile or, in a higher bracket, a new office building, and I got to thinking about this after reading about the opening of the Texas Legislature last week in Austin.

After reading fourteen columns of type on the Legislature in three different newspapers which turned up out here with the help of a strong north wind, I have come to the conclusion that the average lawmaker's problem is about the same as yours and mine; he's either got to cut expenses or bring in more revenue, and either course ain't gonna result in universal happiness.

And figuring out how to do either is about as hard in the Legislature as it is at home, although of the two I believe I'd rather just have the problem at home, as I figure most Legislators are under double jeopardy, they've not only got the problem at home but in the Legislature as well.

And also, the job in Austin is a little more complicated. At home, if you decide to cut expenses, you don't make over three or four people mad at the most, and half of them stay half-mad at you anyway. But in the Legislature, you cut expenses and you're liable to make two-thirds of the people in your district mad.

Or, if you decide to increase your income at home, it mostly means working harder yourself, but in the Legislature, it means voting for somebody else to work harder, which is one of the poorest ways ever devised to stay in office. You vote for two-thirds of the people in your district to work harder by paying more taxes, and it's almost

Long War for the Next Course

BIBLE COMMENT:

Common Sense Is Needed In Christian Life

The Christian way of life and in their demands and judgments conduct, if one accepts and proposes to follow it, ought to be simply and easily defined. Is it not to love God with all the heart, strength and soul and mind, and to love one's neighbor as one's self?

It is obvious in the pages of the New Testament and in the religious life of all times, including our own, that religious people have been deeply concerned about the problems of daily conduct. They have differed widely about questions of right and wrong and have often been harsh

is effective as firing yourself at the next election.

Personally, I'm glad my only problem is worrying about the finances of this Johnson grass farm, without taking on the whole state of Texas. I know my limitations, even if some Legislators can't say the same for themselves.

However, I've noticed that the state, like the average family, keeps on getting by, one way or another, although personally I don't see how.

Yours faithfully,
J.A.

What Was The News Of Note?—Twenty-Five Years Ago—

The following items were taken from the files of The Stanton Reporter of January 17, 1930.

Candidates announcing for county offices are: Milt Yater and J. H. Zimmerman for sheriff; Earl Douglas for county treasurer.

Citizens of Stanton and trade territory attended the Business Men's luncheon at Big Spring. Following the luncheon a business meeting was held to discuss and plan a road from Andrews to Stanton. The Big Spring Chamber of Commerce proposes to help the Martin County Chamber of Commerce to get the right of way and finance the project. The two chambers of commerce will try to get Andrews to build a road to the New Mexico line. From that point the New Mexico Highway Department will be contacted to build the road to connect the Del Paso Highway thus giving us a direct route to the Carlsbad Caverns.

Farmers are invited to meet Saturday, January 18, to discuss going before the Legislature to ask for a compensation on the fumigation of cotton and seed for destroying the pink boll worm.

The annual Banquet of the Martin County Chamber of Commerce was held Tuesday night, in the basement of the new Methodist Church.

J. S. Lamar was toastmaster. The short talk and poem recited by Mrs. John F. Priddy, drew much cheering.

Paul T. Vickers, manager of the Midland Chamber of Commerce, gave a short talk. He

said "We want Stanton to grow more than any other city outside of Midland, as we know if Stanton makes a metropolis that some of the trade is bound to 'slop' over to Midland for our good. Every time anything happens in West Texas for the good of any part, it helps the entire Western part of Texas and each city in it to a certain extent."

Secretary Watson of the Big Spring Chamber of Commerce gave a short talk.

Dr. E. O. Ellington, president of the Big Spring Chamber of Commerce was among a Big Spring delegation attending the banquet.

Robert W. Hamilton, county attorney, was elected president of the Martin County Chamber of Commerce.

The report of the condition of The Home National Bank of Stanton, at the close of business December 31, 1929, showed its demand deposits were \$131,061.60 and its loans and discounts \$119,322.28. Capital stock \$25,000, surplus \$5,000. A. M. Turner, cashier; I. T. Graves, S. D. McWhorter, J. R. Vance, directors.

The Stanton basketball team defeated the Big Spring team by a score of 16 to 3.

Fore and Aft- and Curbside, too-

It's the style hit of the year!

YOU can take our word for it when we tell you this:

The first time we put eyes on the 1955 Buicks, we really raised a cheer. To top the looks of last year's Buick—the car that moved Buick into the top three of the nation's best sellers—that was something.

That gave us two hits in a row, we figured—and it seems we figured right. For with these stunning new 1955 Buicks, we're getting even more noses pressed against our showroom windows than last year—and more folks coming in to look and study and drive and buy.

But bold new styling, of course, is just one reason for the sensational success of these great cars.

New power is part of the picture—robust new V8 power in record might—236 hp in the CENTURY, SUPER and ROADMASTER—188 hp in the low-priced SPECIAL.

New performance, too—from the dynamic action of Buick's Variable Pitch Dynaflo* that gives you far better gas mileage in all normal driving and cruising—and full-power

getaway or safety-surge acceleration, but instantly, and with infinite smoothness.

So you can see that just looking isn't enough.

You have to take that wheel, try that power, feel that Dynaflo take-hold surge, sample that Million Dollar Ride—and check the hard-to-pass-up prices we're quoting.

We'll gladly help you do all that. Why not come in this week?

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

LaRue Angel Is Honoree At Bridal Shower Saturday Evening At Courtney

By KATHLEEN LEWIS

LaRue Angel, bride-elect of Charles Pierce, was honoree at a bridal shower hosted in the home of Mrs. Harry Echols Saturday evening.

The couple will be married January 21 in the Courtney Baptist Church, at 6:30 p.m.

Hostesses with Mrs. Echols were: Misses Lilly Harvard, Glenn L. Brown, R. S. Lewis, June Graham, Hoyt Britton, Jr., Myrtle, Jesse Burns, Ed Williamson, O. L. Snodgrass, Sr., Sid Cross, Kyle Shoemaker, Lila Flanagan, Flora Rogers, Curtis Powell, and Joe Stewart.

Other houseparty members were Margaret Pierce, Lorene Burns, Barbara Clements, Edwina Shain, Janice Jagers, Larie Fisher, Ima Joy Williamson, Linda Bess Bryan, Alice Stewart, Barbara Stewart and Elaine Hazlewood.

The refreshment table was lace-covered with a centerpiece featuring a miniature bridal couple and miniature gifts displayed on pink angel hair. Cake and punch were served by members of the houseparty.

Margaret Pierce, sister of the groom-to-be, presided at the registry.

For the affair Miss Angel wore a street dress of black velvet featuring a full skirt, and the bodice trimmed in lace and rhinestone buttons. Her corsage was pink rosebuds.

Approximately 55 guests attended.

Miss Meredith Nipp was hostess Sunday afternoon from 3-5 when LaRue Angel was honored with a kitchen shower in the Nipp home in Midland.

The lace-covered table was centered with a floral arrangement flanked by candles held in chore-girl holders. Favors were plastic forks with attached napkins bearing the name of the bride and groom.

Refreshments of hot chocolate, cookies and nuts were served to approximately 20 guests. Guests were members of the Order of the Rainbow for Girls of which Miss Angel has held the office of Worthy Associate Advisor.

Mr. and Mrs. Dewey Anderson and Dewey Wayne have recently moved to this community from the Badgett community. They are living on the farm formerly occupied by Mr. and Mrs. Thearl Creech and son. Mr. and Mrs. Creech moved this week to the L. S. Lamar farm.

Mr. and Mrs. Tommy Ledbetter and Rodney moved recently from Courtney to Midland where they will make their home. They have lived for several years on the farm of Mrs. Ledbetter's mother, Mrs. Elmer Hull. Mr. and Mrs. Homer Lee Hull have moved there.

Mr. and Mrs. Richard Thomas and sons have recently moved to the house moved in and re-done on the Dr. Clyde Thomas, Jr., farm. They formerly lived on the Alcorn place which is now occupied by Mr. and Mrs. Darrell Payne.

Mrs. J. W. Fields who has been quite ill for the past several days is home from the hospital and reported greatly improved.

Mr. and Mrs. Les Hull, Carroll and Donnie, and Mr. and Mrs. Johnny Murdock and son are visiting relatives in California this week.

Mr. and Mrs. Henry Rayford returned this week from California where they had been the past month visiting their daughters and families, Major and Mrs. Pat N. Howard and Mr. and Mrs. Don Lawyer. Mr. Rayford said it snowed in California, also, as much as two inches in the desert.

Mr. and Mrs. George Powell and family are leaving this week to make their home in LaPryor, Texas. Mr. and Mrs. Powell have lived in this community for several years. Their son, Leon, who is a senior student at Courtney, will remain here until school is out.

Mrs. Levy Hasting, mother of Loyd Hasting, was medical patient in a Big Spring hospital last week. She is reported improved, and returned home Saturday.

Mr. and Mrs. Roy Mitchell and Angela of Odessa, visited this week in the home of her parents, Mr. and Mrs. M. I. Yell and Shirlen.

Mrs. Nell White and Myrtle Lynn, accompanied by Mr. and Mrs. Hay Prickett and family, visited Sunday in Jal, N. M. with Mr. and Mrs. James Stringer and sons.

Mrs. Owen Kelly is in Cisco where she is undergoing medical treatment.

Courtney HD Club In January Meet

Mrs. Walter Kelly was hostess when the Courtney Home Demonstration Club met Wednesday, January 12, in the home demonstration agent's office.

Year books were filled out for the year and names were drawn for secret pals. Mrs. Chalmers Wren was elected reporter during the business meeting.

Mrs. Mildred Elland, home demonstration agent, gave a demonstration on clothing construction. She discussed designs and fabrics. The club will be sewing and studying clothing construction for the next two months.

Refreshments were served by Mrs. Walter Kelly to Mrs. Ohmer Kelly, Mrs. Joe Stewart, Mrs. J. B. Harvard, Mrs. Claude Davis, Mrs. C. L. Howard, Mrs. Billy Smith, Mrs. J. P. Stroud, Mrs. Charlie Matthews, Mrs. Flora Rogers, Mrs. Chalmers Wren, Mrs. Henry Rayford, Mrs. Jim Franklin and Mrs. Elland.

On Oct. 3, 1941, Hitler announced that Russia was defeated, never to rise again.

—Personals—

Mrs. W. P. Reid of Stephenville is visiting in the home of Mr. and Mrs. Stanley Reid and family. Mrs. Reid is the mother of Stanley Reid and is a former resident of the Valley View community.

Mr. and Mrs. Jay Hooks and Sharon and Elaine have returned to their home here after living in Odessa, where Mr. Hooks was employed.

Visitors over the weekend in home of Mr. and Mrs. John Holder were Mr. and Mrs. N. E. Gris-ham and children, Bob and Ann, of Irving and Janice Holder of Cisco.

Mr. and Mrs. Arthur Wilson attended the opera "Carmen," while in Fort Worth, where Mrs. Wilson had gone for a medical checkup.

Mrs. Hazel Hamm has returned from Oklahoma City where she attended a Gold Cup ban-

quet. She accompanied a group of other women from surrounding areas including Mrs. Jo Justiss and daughter, Julia, of Midland, former residents of Stanton.

Mrs. Graham High With Bridge Score

Mrs. June Graham was hostess when the Thursday Bridge-Luncheon Club met Thursday.

High score for the day was won by Mrs. Graham and Mrs. Ralph Jones was second high.

Present were Mrs. J. C. Green-haw, Mrs. Jim Tom, Mrs. R. K.

Making Clothing Topic At HD Club

"Clothing Construction" was the topic of Mrs. Mildred Elland's discussion when the Stanton Home Demonstration Club met recently in the home of Mrs. Clark Hamilton.

Mrs. Elland discussed choosing and fitting patterns and selecting materials. The group will continue its study of clothing construction during the next two months.

Spiced tea and cookies were

served to Mrs. Sam Wilkinson, Mrs. Woodford Sale, Mrs. Walter Graves, Mrs. Pearl Ory and Mrs. Stanley Reid, new members; and Mrs. Morgan Hall, Mrs. W. T. Wells, Mrs. Martin Vavra, Mrs. Roy Linney, Mrs. Bill Wilson, Mrs. L. H. Alexander, Mrs. Min-

WHEN THERE'S A **Change** IN THE WEATHER... you'll be comfortable under **ELECTRIC BEDCOVERING**

Even though the night gets suddenly colder, you will be sure to enjoy sleeping comfort by using an electric bedcover... a soft, cozy electric blanket or electric sheet keeps you relaxed and comfortable through any change in the weather. Just a flip of the control adjusts your electric bedcover to temperature changes. Give your family all the good nights' sleep they deserve during the winter months. Spread each bed in your house with warm, sleep-making electric bedcovering with either single or dual control.

See your favorite store or electric appliance dealer for the wonderful electric bedcovering that helps you sleep like a kitten through every winter night.

TEXAS ELECTRIC SERVICE COMPANY
CECIL BRIDGES, Manager Phone 4-3371

Styling that's stealing the thunder from the high-priced cars!

It costs no more to form a sheet of steel into a graceful shape than it does an awkward one—so price has nothing to do with styling. Only the talent of its designers determines whether a car is a delight to the eye or it isn't.

You couldn't find more pointed proof of this than the 1955 Chevrolet—for here is a low-priced car that has snatched the styling spotlight, overshadowing even the highest-priced creations with its subtle sweep of line, the bold rake of its deep-curved windshield.

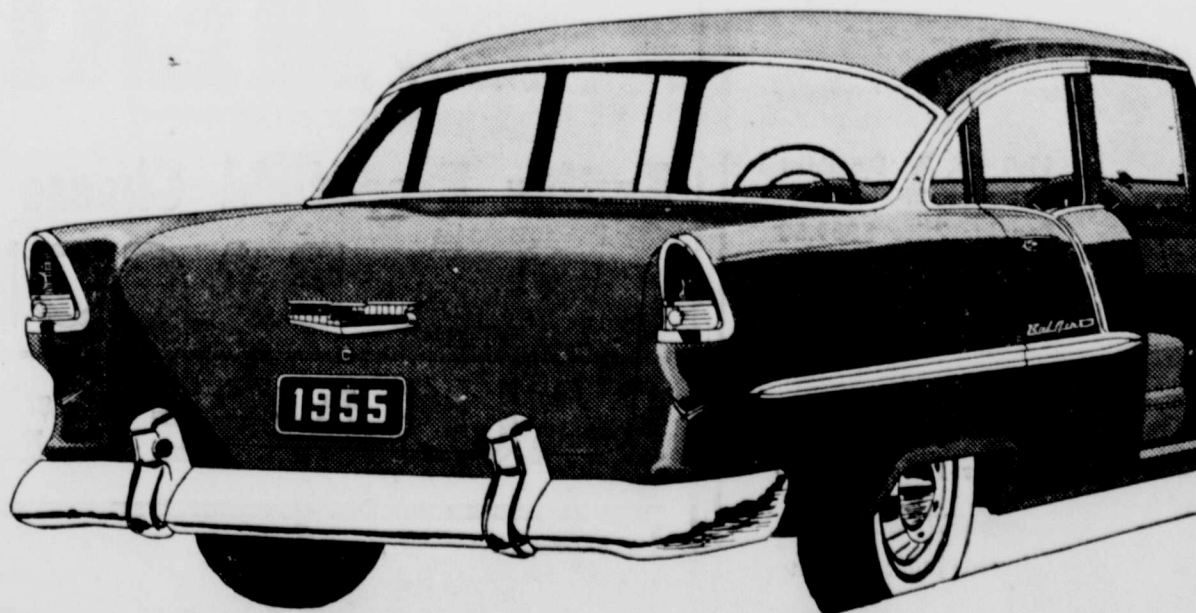

New V8 and two new 6's

But the Motoramic Chevrolet has advances in engineering that even surpass its styling. There are three ultra-efficient new engines—the 162-h.p. "Turbo-Fire V8" and two "Blue-Flame" 6's. There is a whole new chassis design, with spheri-

cal-joint front suspension that spurns bumps like a swallow skimming a lake, and Anti-Dive braking control to check that sharp "nosing down" of the front end.

There are three new drives—sturdier Synchro-Mesh and, optional at extra cost, a silkier Power-glide automatic transmission or the flexibility of Touch-Down Overdrive... plus all the power helpers you could wish. Try a 1955 Chevrolet—now—and find out why it is stealing the thunder from the high-priced cars.

MORE THAN A NEW CAR... A NEW CONCEPT OF LOW-COST MOTORING

The Bel Air 4-Door Sedan. You'll find your favorite model among Chevrolet's complete line of Fisher Body beauties.

It's a perfect gem to look at!

And it's powered to run rings around the rest!

Everything's new in the motoramic CHEVROLET

Our Best Wishes . . .

Ronald Gilbreath Claims Dallas Girl As Bride In Ceremony At Lueders

Mary Lou Bland of Dallas became the bride of Ronald D. Gilbreath in a candle light ceremony at 5 p. m. January 8 in the

First Methodist Church in Lueders. The Rev. C. B. Melton read the double ring ceremony.

Couple Observes Golden Wedding

Mr. and Mrs. W. A. Cornelius of Stanton observed their golden wedding anniversary Tuesday, January 18.

Mr. and Mrs. Cornelius were married January 18, 1905, in the Big Spring courthouse. They moved from Big Spring in December, 1905 to the Courtney community, where they resided until May, 1950 when they moved into Stanton. Mrs. Cornelius was the former Ellen Fletcher of Stanton before her marriage and Mr. Cornelius' home was in Big Spring.

Mr. Cornelius is now in the Payton Nursing home in Stanton. He has been there several months.

The couple has three children, George Cornelius and Mrs. Ora Kelly of Stanton, and Mrs. Alva Ball of Midland. They also have 11 grandchildren and 2 great-grandchildren.

O.E.S. INITIATES ONE

Mrs. Margaret Henderson was initiated into the Order of the Eastern Star at a recent meeting.

All officers were present and refreshments were served.

Rosalie Webber, of Odessa, district deputy, will be an honored guest at the meeting February 1.

The bride is the daughter of Mr. and Mrs. O. W. Bland of Lueders. She is a 1953 graduate of Albany High School and was employed as a secretary in Dallas.

The bridegroom is the son of Mr. and Mrs. H. H. Gilbreath of Stanton. He is a 1953 graduate of Stanton High School and is a graduate of Dallas Institute of Mortuary Science.

Pink and white gladioli and carnations were used to decorate the church.

Mrs. C. B. Melton, soloist, sang "Always" and "The Lord's Prayer," accompanied by Mrs. Ruby Nance, organist, who also played the traditional wedding music.

Given in marriage by her father, the bride wore a white suit and hat. She also wore black suede accessories and carried a pink carnation hand corsage with white streamers.

Betty Sue Bland of Dallas, twin sister of the bride, was maid of honor. She wore an ice blue dress with black suede accessories. She carried a white carnation hand corsage.

H. H. Gilbreath, father of the bridegroom, was best man.

Following the ceremony a reception was held in the home of the bride's parents.

For traveling the bride chose a green suit and black accessories.

After a trip to Dallas they are making their home in Stanton where the bridegroom is employed at Arrington Funeral Home.

Miss Katherine Lancaster

Stantonite To Wed Girl In Detroit

Mr. and Mrs. James Emmett Lancaster of Detroit, Michigan, have announced the engagement of their daughter, Katherine, to Earl Koonce, son of Mr. and Mrs. M. L. Koonce of Stanton.

Miss Lancaster is a junior at Wayne University in Detroit and Earl will graduate from Sul Ross State College in Alpine in May.

The couple met as students at Graceland Junior College in Iowa.

An early summer wedding is planned.

Newlyweds Hold Open House Here

Mr. and Mrs. Ronald Cross held open house for friends and relatives Saturday afternoon and evening, January 15, at their home at 505 N. St. Benedict.

Cake and punch were served to a large number of guests who attended.

Mr. and Mrs. Cross were married December 30, 1954 in the home of Mrs. Cross' aunt, Miss Mamie McLurmon, in Stanton.

Mrs. Cross is the daughter of Mr. and Mrs. D. B. Cross of Stanton and Mr. Cross is the son of Mr. and Mrs. J. G. Cross, also of Stanton.

Mrs. Johncal Woody Is Honored With Bridal Shower By Friends In Stanton

Mrs. Johncal Woody was honored with a bridal shower, Tuesday, January 11, in the home of Mrs. O. B. Bryan. Mrs. Woody is the former Irma Hunt of Midland.

Co-hostesses were Mrs. Flora Morris, Mrs. M. S. Estes, Mrs. Morgan Hall, Mrs. Dee Rogers, Mrs. L. C. Hazlewood, Mrs. Hoyt Gilbreath, Mrs. Flora Rogers, and Mrs. J. C. Sale.

The honoree wore a light blue semi-formal dress trimmed in pink. It was fashioned with a low neck and full skirt. She wore a pink carnation corsage tied with silver and pink ribbon.

Mrs. Inez Woody, mother of bridegroom, wore a black crepe dress and a white carnation corsage tied with black and silver ribbon.

Mrs. J. C. Sale and Mrs. Houston Woody poured spiced tea from the silver service. A centerpiece of yellow roses and green candles in silver candleabra were used. Colors of silver and white were carried out in the decorations.

The houseparty included Trinia Stanley of Midland, Angie Chessier, Shirley Wilkerson, Elaine Hazlewood, Linda Bess Bryan and Annie Jo Estes of Lamesa.

Organ music was provided during the hours by Mrs. James Jones, Shirley Shoemaker, Lorraine Burns and Ima Joy Williams.

Gifts were sent from Midland, Lamesa, Colorado City, Fort Worth and Hico.

Sarah Lou Standefer Is Bride Of Jerry Lands In Church Ceremony In Stanton

Sarah Lou Standefer became the bride of Jerry Lands of Midland January 7 in the Reorganized Church of Jesus Christ of the Latter Day Saints in Stanton. Elder Douglas Church read the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Hyrum Standefer of Stanton. She is a graduate of Stanton High School and attended Texas Tech.

The bridegroom is the son of Mr. and Mrs. Roy Lands of Midland. He is a graduate of Midland High School and attended Texas Tech.

Baskets of pink gladioli were used on each side of the altar.

Mrs. Hubert Bratcher of Midland sang "Because" and "The Lord's Prayer" accompanied on the organ by Mrs. Hoot Lenard of Midland.

The bride, given in marriage by her father, wore a navy blue suit, a white hat and avocado green accessories. Her flowers were white carnations carried on a white Bible.

Freeda Standefer, sister of the

VISIT WITH BLOCKERS

Mrs. Russell Sadler, Gregg and Joyce visited with Mr. and Mrs. John Blocker Saturday.

Yells To Observe 50th Anniversary

Mr. and Mrs. Jim Yell of Stanton will celebrate their fiftieth wedding anniversary Sunday, January 23, from 2 to 5 p. m. with open house in their home.

Mr. and Mrs. Yell were married January 21, 1905, in Dallas. Mrs. Yell's home was at Lancaster and Mr. Yell's home was in Ellis County.

They moved to Howard County

in 1905 from Dallas and from here they moved to Martin County in 1933.

Mr. Yell has been manager of the Guita Gin in Stanton for seven years.

Everyone is invited to attend the open house.

RETURN FROM NEW MEXICO

Mrs. Annie Thomason was returned home from a week's visit with her daughter and family, Mr. and Mrs. E. E. Alford, in Roswell, N. M. Mr. and Mrs. Alford returned home with Mrs. Thomason and spent the weekend.

Spring Is In Air At Deavenport's

With all the snow and slush around here just a little while ago, it might seem odd to be showing June styles, yet that is what Deavenport's is doing.

The store has just received a shipment of Toni Todd originals and Vicky Vaughn Juniors, and have placed them on display.

So, before we know it, it will be spring.

Attend the
Annual Junior Livestock Show
Friday and Saturday

Farm & Ranch Review

By JAMES E. KELLY

A special county Farm Bureau president's conference to give the local leaders an opportunity to express their opinions on what Farm Bureau should do will be held Jan. 24-26 in Waco.

President J. Walter Hammond, president of the Texas Farm Bureau, in a letter inviting the county leaders to the meeting said: "With your help and cooperation this can well be the most important and far-reaching meeting of the year for furthering the development and growth of the Texas Farm Bureau."

From this vantage point and this early in the week, indications are excellent that the Martin County Stock Show, being held today (Thursday) and Friday, will be host to a large gathering. More than \$400 in cash prizes will be awarded winners in addition to trophies and ribbons. Auction sale will be held at 2 p.m., Saturday.

The Texas Longhorn is making his comeback but not in

Texas where he got his name and became famous, the Interior Department's Fish and Wildlife Service has reported.

The rangy, leggy animals with keen horns, and aggressive dispositions, rapidly dwindled until they had all but vanished 25 years ago.

The largest herd, 376, is maintained at the Wichita Mountains Refuge near Fort Sill, Okla.

Under the present farm program, wheat grown must be supported by parity between 82.5 and 90 per cent. The national support level for the 1954 crop was \$2.24 a bushel. The support this year cannot go below \$2.06 per bushel.

John G. McHaney, extension farm economist, says total wheat supplies for the current year will approach 1,884,000,000 bushels, the largest in history.

Last year 3,974,451 acres of grassland in Texas were involved in demonstrations supervised by county agricultural agents. A. H. Walker, extension range special-

ist, estimates that improvements made under the demonstrations added \$1,767,415 to the income of the participating ranch operators.

Creep feeding home grown grain supplemented with a protein — cottonseed meal — has earned a firm place in the farming practices of a veteran Zavala county livestock raiser. W. R. Parsons figures the \$7.50 feed bill per head of 50 calves gave him an additional \$20 per calf at the market.

W. B. Camp, chairman of the Agricultural Committee of the Chamber of Commerce of the United States, has predicted the time will come when "all the better farmers across the country will accept irrigation as readily as they accept tractors and electricity today."

The American National Cattle-men's Association, just closing its meeting at Reno, Nevada, urged present tariff bearers on livestock and a careful watch on Mexican cattle now coming into the United States.

Resolution passed commending Agricultural Secretary Benson for what the ANCA termed "his every effort to pull agriculture away from government support and put it back on a self-determination basis."

Jay Taylor of Amarillo, re-elected president; Hays Mitchell of Marfa, named a second vice-president.

A special communication coming from the poultry yard on the ground of the Texas Tech college, brought the information that an unidentified White Rock hen had a whale of a lot to cackle about the other day. She laid a five and one-half ounce egg, believed to be a world record.

Scouts Sell Tickets To Annual Circus

Local Boy Scout and Cub Scout leaders will attend the Buffalo Trail Council Boy Scouts of America 32nd. annual meeting and banquet January 21 in Big Spring.

W. J. Murray, member of the railroad commission, will be the principal speaker. Representatives from 14 counties are expected to attend.

Farewell Party For Fern Weaver Given By Junior And Senior Girls At Ackerly

By Dorothy Baker

A surprise farewell party in honor of Fern Weaver was given Friday night, Jan. 14 by junior and senior girls in the high school home economics room. Games were played and refreshments were served to about 35 guests. The honoree received many nice and useful gifts.

Fern and her mother, Mrs. Milton Weaver, are moving to Lamesa from their farm east of Ackerly. Fern is a junior and she will attend Lamesa High School. Her brother, Ray, who is a senior at Ackerly will finish school there.

Mr. and Mrs. L. D. Seeley left Sunday for his base at Fort Bragg, N. C., after visiting here with his parents, Mr. and Mrs. Dee Seeley and with relatives in Lamesa. He was here on a 12-day leave and has three more months to serve in the army.

Mr. and Mrs. Ralph Jones recently visited her parents, Mr. and Mrs. Gaston Martin. They have moved from Jal. N. M. to Lubbock where Jones is attending Texas Tech.

Mr. and Mrs. J. T. Cook recently visited in Post with his brother and family. Mr. and Mrs. Dick Cook.

Visitors recently in the home

of Mr. and Mrs. J. E. Hollingsworth were Mr. and Mrs. Burt Hollingsworth of Seminole, Mr. and Mrs. John Baily and family of Big Spring and Mr. and Mrs. Mike Davidson and family of the Brown community.

Mr. and Mrs. Boyd North and family of Andrews were here Sunday visiting with the Rev. and Mrs. J. Roy Haynes and family.

Mr. and Mrs. Gale Batson are back in Ackerly to make their home. They will live on the farm of Mrs. Boss Mann. Batson recently received his discharge from the army at Camp Hood.

Mr. and Mrs. R. L. Williams of Abilene have been visiting here with Mrs. R. N. Adams and Paul Adams.

Mrs. Bruce Crain has returned home after spending several days visiting her brother and his wife in Hollis, Okla.

Mr. and Mrs. Jerry Tom Belt are the parents of a son born January 10 at a Lamesa hospital. The little boy was named Donald Craig. Grandparents are Mr. and Mrs. Herman Pettaway of Key community and Mr. and Mrs. Jimmy Belt of Ackerly.

Mrs. Kenneth Baggett and Kennie Joe of Big Spring were

recent guests of Mr. and Mrs. Lester Brown and Judy Kay. Mr. and Mrs. O. F. Rhea, Jr., and Royce of O'Donnell were weekend visitors of Mr. and Mrs. O. F. Rhea, Sr.

Mr. and Mrs. Mike Davidson and family visited Mr. and Mrs. John Laddy and Mrs. R. N. Jones

at Westbrook recently. Mr. and Mrs. John Wagner and Glenda spent Sunday visiting in Midland.

The community was sorry to hear of the death of O. J. (Otto) Watts of Big Spring. Mr. Watts was a former resident of Ackerly. He was the son-in-law of Mr. and Mrs. Jay Archer of Ackerly.

From where I sit... by Joe Marsh

A Pretty "Snappy" Menu

Cuff Taylor had a near riot in his hen yard last week. Seems the hens were scratching around the cold ground when they found a piece of rubber band frozen in the ice.

"One hen pecked at it," says Cuff, "and it snapped right back. She backed off clucking while another hen tried it, and another. And the 'form' kept right on snapping back. They all got their feathers ruffled. You never heard such a racket!"

"I finally had to break up the kee with an ax before those hens

would get back to business and start laying eggs again."

From where I sit, some people raise a pretty big fuss over nothing, too. Take the fellow who would deny me a temperate glass of beer with my game of checkers. Maybe he'd rather have coffee! Well, that's all right. He has a right to his own preference. But so do I. And there's no point in his "snapping" at me just because his choice isn't the same as mine.

NEWS FROM FLOWER GROVE

By MRS. C. A. WEBB

The Young People's Training Union group and their leader, the Rev. Clyde Arender, had a winter roast in the E. C. Butcher recently. Twenty-three attended and a good time was reported by all.

Forty-three attended Sunday School and church Sunday, January 9. Services were not held Sunday night because of bad weather.

From 4 to 6 inches of snow fell in this community Sunday, January 9.

Mrs. D. L. Langham, who has been visiting her daughter, Mrs. R. Webb and family in Midland, has returned home. She also visited her son, Bill Poe and wife of Midland. They brought her home and visited a daughter, Mrs. Irvin Ray, in Lamesa.

W. C. Landreth of Odessa and Gladys Ruth Webb of Midland were recent visitors of Mr. and Mrs. C. A. Webb and Billie Joe. Dawson and Flower Grove played basketball at Flower Grove Wednesday night. The Flower Grove girls defeated the Dawson girls by one point and

the Dawson boys defeated the Flower Grove boys by eleven points.

Mr. and Mrs. A. E. Berger and children, the Rev. Clyde Arender, Mr. and Mrs. J. G. Butcher and Mr. and Mrs. C. A. Webb attended a Workers' Conference at the Baptist church in Ackerly recently.

Visitors Thursday in Lamesa included Mr. and Mrs. Lee Hanson and Bobby, Mr. and Mrs. C. A. Webb, Mr. and Mrs. Glenn Lillard, and Mr. and Mrs. Elmer Dyer.

The Flower Grove grade school teams played a tournament at Greenwood School over the weekend.

WINSTEAD VISITORS

Mr. and Mrs. Bill Wise and children of Snyder visited Friday in the home of Mr. and Mrs. O. W. Winstead. Mr. Wise is the state vice-president of Jaycees, and was on his way to Midland to attend a Jaycee meeting. The Wises and Winsteads are old friends.

STANTON, TEXAS

Snooter

Continued from Pg. 1

AT THE STATE MEETING OF the Texas Federation of Women's Clubs, held November of last year, resolutions were passed to obtain public support for legislation that will provide permanent revenue for a sound driver education program in all public schools in the State of Texas.

The resolution stated that "in Texas in 1953 there were 2,368 persons killed and over 110,000 persons were injured in motor vehicle traffic accidents. The economic loss due to traffic accidents exceeded 149 millions of dollars."

This column is an ardent supporter of a law that will require all public schools to add a department for educating the students how to drive a motor vehicle. That at the end of the educational term, students who pass the examination be given a certificate attesting to his ability and qualifications for driving a car. This certificate be presented at the time he graduates and makes application for a driver's license. No student be provided a certificate to drive a car who is under 16 years of age. Then and not until the applicant for a driver's license first demonstrates to the license officer by driving a car and answering all the questions correctly relative to traffic lights, traffic laws, his familiarity with all the safety methods to employ while driving a motor vehicle, etc.

TWO EX-NEWSPAPERMEN OF

West Texas, slumped down under an avalanche of ballots cast recently, by the voters for State Representative in the Legislature from the 86th district.

The ex-newsmen were Bowen Hope, former publisher of the Hamlin Herald and Cleburne Hutson, former publisher of the Stamford American. The two others of the four candidates in the race were Onis M. Crawford, manager of the Stamford Chamber of Commerce, and Moyne Kelly of Dickens County, who was the winner in the contest.

A 5-inch snow falling in Dickens County, delayed the appearance of Kelly at the state capital to be sworn in as a member of the law body on the opening day of the session.

Kelly is former superintendent of Corsicana State Home in 1949-1951; served as executive director of state hospitals and special schools. He grew up in the Corsicana home, along with Robert W. Calvert of Hillsboro, now on the Texas Supreme Court.

ROBERT S. CALVERT, State Comptroller, struck the members of the State Legislature a solar plexus blow on the opening day of the session. He informed the law body it would have to dig up \$26,000,000 more, presumably in taxes, to keep the state's business operating. The salary of the state lawman has been increased to \$25 per day and must get the job done in 120 days or no pay. These checks for payment may come in the form of "cold checks"—marked to hold until sufficient funds, and cash them at a discount.

ATTEND FUNERAL OF SISTER

The Rev. and Mrs. E. B. Coon attended the funeral of Mrs. Coon's only sister, Mrs. E. C. West, Wednesday, January 12, in Fort Worth. Mrs. West, who was a resident of Forrest Hills, Fort Worth, died Monday.

NELSON HOLT PRIDDY AMONG CANDIDATES

From the University of Texas News Service, Austin, comes the announcement to The Stanton Reporter, that Holt Priddy, son of Mr. and Mrs. John F. Priddy of Stanton, is among 163 candidates for bachelors' degrees January 29, end of the present semester.

FIRST BABY NAMED

The first baby born in 1955 in Martin County to citizens of Martin County has been named Richard Allan Gossett. He is the son of Mr. and Mrs. L. B. Gossett of 601 College Street. The

Music Club In Study Of Mozart

The Stanton Music Club met recently in the Motel Belvue with Mrs. Morgan Hall as hostess.

Mrs. Curtis Erwin, president, opened the meeting. Members voted to help with the March of Dimes and to assist the Lions' Club in presenting the Howard County Junior Choir.

Mrs. John Wood, program chairman, presented an entertaining and educational program on the "Life of Mozart." She said that by the time he had reached the age of 6 he had written several compositions and had traveled through many countries. Although he died at the age of 36 he had gone through many hardships and had accomplished much. Among his great operas is "Marriage of Figaro."

Mrs. Paul Moss, president of Texas Federation of Music Clubs, was an honored guest. She spoke to the group informally. "Music is part of the American way of life," she said. "And the purpose of the Stanton Music Club is to promote good music in Stanton."

Attending were Mrs. B. F. Smith, Mrs. Floyd Smith, Mrs. John Priddy, Mrs. Jim Tom, Mrs. Glenn L. Brown, Mrs. Curtis Erwin, Mrs. John Wood, Mrs. Bill Lively, Miss Marie Vandever, Mrs. R. M. Henderson, Mrs. George Dawson, Mrs. Edmund Tom, Mrs. Paul Jones, Mrs. Morgan Hall and guests Mrs. J. B. Harvard, Mrs. Bernard Houston, Mrs. Yuel Winslow and Catherine Anne Dawson.

Mr. and Mrs. F. O. Rhodes, Mrs. Margaret Moffett and Mrs. Hila Weathers attended the annual banquet of the Andrews chamber of commerce Friday night.

Holidays For Year Being Determined

Just what days to declare regular holidays in 1955 is being determined in the mail ballot being conducted by the Martin County chamber of commerce. Merchants who are members of the chamber of commerce are being asked to vote on the various days, and the majority will rule in declaring which days will be regular closing holidays.

The following usual dates are being voted on: Monday, May 30, Memorial Day; Monday, July 4, Independence Day; Monday, September 5, Labor Day; Friday, November 11, Veteran's Day; Thursday, November 24, Thanksgiving Day; Monday, December 26, Christmas Day; Monday, January 2, New Year's Day.

Teen Canteen Is Proving Popular

The Teen Canteen is proving a good means of enjoyment to teenagers in Stanton and nearby, according to June Graham, who with Mrs. Graham is director of the club. The Canteen is located in the old Rite Way Cafe building in West Stanton, just off West Highway 80.

The club was organized because a number of parents decided their children needed a recreation hall where the youngsters could go and enjoy games and sociability under proper supervision. Some 30 to 60 attend at various times.

"There's always something to do at the club and something we need," Graham said, and urged parents or others who have chairs, tables, or things the club can use to supply them. Right now some painting and redecorating is going on, and the club fixed up otherwise.

500 Poll Taxes Paid To Date

With 500 poll taxes paid up to Tuesday afternoon, there is still many to go, and Tax Collector Dan Saunders is urging citizens of Martin county to pay them early. So, pay your poll tax so you can vote, and pay it before midnight January 31.

The Tax Assessor-collector's office urged everyone that has not done so to come in to the tax office and render their property, both personal and real for taxation purposes. The assessor-collector pointed out that it is the duty of each tax payer by law, and not the tax assessor to see that their property is rendered.

The tax office is now preparing a "trial" tax roll to be used in making up the regular roll for 1955. If you own property the 1st day of January then it is your obligation to render that property for the coming year and it is your obligation by law to pay the taxes the end of the year. This applies even if you sold the property on the 2nd day of January. You were the legal owner the 1st day of January.

Winstead Speaks At P-TA Meeting

School Supt. O. W. Winstead was the guest speaker when the P-TA met Tuesday afternoon at the school. He spoke on "The Re-Evaluation of Our Public School System."

The opening prayer was offered by Mrs. O. B. Bryan, after which the group joined in singing "America" and "Texas, Our Texas." Miss Mary Beth Ory sang a solo, "Sister," accompanied by Miss Patricia Henderson. The first grade room of Mrs. O. W. Winstead and the 5th-6th grade room of Miss Alice Bryson tied for attendance honors.

Personals

Mr. and Mrs. Carson McKasle and Lyndel and Mr. and Mrs. Ezell McKasle visited Sunday in Van Horn.

Mrs. Morris Zimmerman and Betty Sue Houston of Monahans visited over the weekend in Stanton.

Roscoe Thomases Honored At Shower

Mr. and Mrs. Roscoe Thomas were honored with a bridal shower Friday, January 14, in the home of Mrs. Eugene Baugh. Co-hostesses were Mrs. Edna Davidson, Mrs. Bill Williams, Mrs. Walter Dickson, Loveta Hull, Mrs. Alice Angel, Mrs. Glenn L. Brown, Jo Ann Hayes, and Mrs. Eugene Baugh.

Loveta Hull and Jo Ann Hayes served spiced tea and cake from the refreshment table which was covered with lace over green. A centerpiece made of a miniature bride and her gifts and a miniature net umbrella was used on the table. Mrs. Glenn L. Brown played piano selections.

Approximately 25 guests attended.

Jim McCreless has returned home from Martin County Memorial Hospital where he spent eight days.

Mrs. Artie Culp of Sudan is visiting her parents, Mr. and Mrs. J. W. McNeese.

Flower Grove 4-H Girls Name Aids

The Flower Grove Girls' 4-H club met for the third time this school term January 12.

Betty Hill, president, was in charge of the meeting and sponsors were elected. They were Mrs. Freddy Beckmyer, Mrs. Jim Mayne and Mrs. Belton Hill.

Following the election of the sponsors the president turned the meeting over to Mrs. Hill.

Mrs. Hill discussed the new spring fashions. She demonstrated a new miracle fabric which is used to make the fashionable stand-out skirts. Members were given record books in which to keep an account of their sewing and cooking activities.

Methodist Society Studies Pakistan

The Women's Society of Christian Service of the First Methodist Church met Monday in the church parlor.

Mrs. H. H. Hunt conducted the first lesson in the study "Under Three Flags" by Stephen Neill. This is a study of Pakistan, Ceylon and India and will be continued through six lessons.

Attending were Mrs. Cecil Bridges, Mrs. O. B. Bryan, Mrs. James Biggs, Mrs. Martin Gibson, Mrs. H. H. Hunt, Mrs. H. M. McReynolds, Mrs. B. F. Smith, Mrs. Floyd Smith, Mrs. Edmund Morrow, Mrs. John Poe, Mrs. Morgan Hall, Mrs. James Jones, and Mrs. Calvin Jones.

Midget Evangelist Speaker At Brown

Myrtle Trobaugh, a midget evangelist, will do the preaching at a meeting to start Sunday at the Assembly of God Church in the Brown community. Services are being held nightly at 7:30.

Barbara Puckett visited Friday night in the home of Mr. and Mrs. Clarence Cox in Spraberry.

STOCK JUDGING—Continued from Pg. 1

er of Flower Grove, Elbert Steele of Stanton, and Lester Buford of Big Spring, who is area supervisor of vocational agriculture over this West Texas area.

A sack lunch was served at noon to contestants and officials by the A. and M. Club.

TRACTOR & PASSENGER CAR TIRE REPAIRS!

FARMERS! -- For Tractor Tires ... You Can't Beat GULF!

THE TIRE WITH THE NEW DEEP CLEAT!

Ask about GULF'S revolutionary new TUBELESS TIRES—one of the greatest road safety developments in the last 50 YEARS. Look at a few of the advantages: They will...

• Avoid Wheel-Wrenching Blowouts!

The Tubeless Tire has no inner tube to blow out. In case of a bruise break in the tire fabric, the tire's flexing action eventually causes a slow leak through the inner lining.

• Seals Its Own Punctures!

In test after test, Gulf Tubeless Tires have been driven over three-inch spikes. They did not lose a single pound of air!

• Defy Skidding With New Grip-Block Tread!

The Grip-Blocks perform a "wiping action" on the road when the brakes are applied. This removing of the water accounts for the greatly superior performance of the Tubeless Tire in stopping tests.

• Fit All Standard Rims!

GET B&B STAMPS—THEY'RE WORTH MORE!
