Malpractice Insurance Problem Hits Here

Malpractice insurance for Root Memorial Hospital has increased in price by almost four times as much as was paid for the same insurance last year.

Bids for the insurance were opened at Tuesday night's meeting of the Mitchell County

Hospital Board. Bob Ratliff Insurance had the low bid for the malpractice insurance as well as for workmen's compensation insurance. The workmen's compensation will cost \$11,021 for the coming year.

Hospital administrator Charles Root said it was feared that

a company couldn't be found to get the malpractice insurance from due to the current problems throughout the state and the nation regarding malpractice insurance.

Only two companies could be found who would issue the insurance, the cost of which will

be \$15,291 as compared to \$4,170 last year. That gives the hospital coverage for \$100,000 per incident with total coverage at \$300,000.

In addition to the discussion on insurance, the board also approved a budget of \$1,730,745 for the coming fiscal

year starting Oct. 1, an increase of about \$250,000 over last year.

Hospital administrators expect the increased expenditures to be covered by new revenue brought in by services that are constantly being added as well as the increased number of

beds now available at the hospital with the opening in July of the Dee Bassham Wing.

The budget covers operating expense for the hospital and lodge and debt retirement. No increase in taxes will be required to cover the budget for the county medical facility.

The board also authorized the hiring of a second physician's assistant, Charles Clark, 28, of Richmond, Va. He received his BA from Old Dominion University in Norfolk, Va., and trained at Duke University. He served as a senior hospital corpsman in the Army.

Clark is to begin work at Root Memorial Hospital Oct. 15.

Earlier this year, the hospital hired John McElligott as a PA at the hospital. Since that time, everyone locally including doctors have discovered how much help a PA can be in working with patients and helping doctors, Root said.

Root also reported to the board about the new Texas Health Facilities Commission which was recently established. Now every time the hospital wants to buy any new piece of equipment, it must be cleared by the Commission and a certificate of need must be issued before the equipment can be purchased and put into use.

City Needs New Treatment Plant

Colorado City needs a new sewage treatment plant that will cost a minimum of \$500,000 to build, City Manager James Campbell told the City Council Tuesday night.

As much as 75 per cent of the cost of building a new sewage treatment plant could be obtained through state and federal grants but that will take at least three years and possibly as many as five years, because of paperwork, getting on a priority list for grants and because of the way grants are doled out in three stages, Campbell said.

The existing sewage treatment plant has not been properly maintained, the city manager added, plus it is 30 years old and it was purchased used in 1946 when it was installed. The discussion was part of an overall look at the needs for the city on a proposed capital improvements program that is now being planned.

Campbell pointed out that the city still has \$100,000 in bonds that were not sold from the 1949 bond program that could be sold to help finance a new sewer plant.

Prior to the council meeting, the council took an 1 1/2 hour first hand look at the city water treatment plant in order to see what is needed at that facility.

Water superintendent Buzz Rich showed the council how several improvements could improve the capability of the treatment plant. Some of those improvements include the addition of a rapid mix basin for raw water, a new liquid chlorine system and replacement of the sand and gravel in the filters.

Campbell also pointed out that there is a most urgent need to replace a number of gauges that are inoperable at the water treatment plant.

The council also discussed street and park improvements as well as the need to work on the city's water towers.

In other business, the council approved paying a bill of \$4,450 for concrete work at the low water crossing in Ruddick Park. The crossing was damaged by a heavy water flow due to the water runoff in recent rains.

The council also spoke out and directed city officials to shut down garage sales that are being illegally operated on a continuing basis. According to law, anyone is allowed to have four garage sales a year, none of which are to last more than three days.

A zoning and subdivision regulation ordinance was also discussed with members of the council examining a preliminary map of zoning of the city. The zoning would consist of six zones, single family, multi-family, local retail and central business commercial zones, light industry and heavy industry.

The new ordinance will be on the next council agenda for Oct. 14 for council approval. Also at the next council meeting, the council is to meet two hours before the session is to begin in order to take a look at the sewage treatment plant and

facilities at the city barn.

Campbell also told the council that Southwestern Bell Telephone will be coming to the council at the next meeting to request a rate increase. He noted that Snyder's rates are now below what Colorado City residents pay and if the new rate is approved in both cities, Snyder will be paying more.

Campbell and Councilman J. O. Dockrey also pointed out that efforts are still being made to arrange for rest room facilities at the city airport.

It was also mentioned that the city is still seeking a dog catcher.

Playday Sunday

Western Riding Club has scheduled a Playday Sunday afternoon, with competition in four events.

Registration begins at the club arena at Mitchell County Fairgrounds at 1 p.m., with competition starting at 2 o'clock. The concession stand will be open during the riding events.

Entry fee for beginning riders is 50 cents per event and for the other age groups is set at \$1 per event. Age groups include: Beginners, 10-12; 13-15 and 16 and Over.

Competition will be held in four events:

- Barrel Race.
- Pole Bending.
- Flag Race.
- Goat Scramble.

Wolves Face Strong Post Team Here

The Colorado City Wolves will face one of the best quarterbacks in West Texas when they take on the Post Antelopes Friday in Wolf Stadium.

Kick-off is set for 8 p.m.

The Post quarterback is an outstanding player, both passing and running and is already being sought out by colleges. He stands 6-foot, 4-inches and passes to a 6-foot, 7-inch tight end.

He has two good running backs behind him featuring a real fast tailback running out of the Power I and another good blocking back who can also run with the ball, said Colorado City Coach Mike Farda.

Post last week upset the No. 9 ranked team in the state, Floydada 17-13. Post has only played two games winning both, so far this year as they had an open date Sept. 5. The Wolves have won two and lost one game.

The Colorado City team has had two good workouts this week, said Farda. However, a number of players are not yet full speed due to injuries suffered in the Big Lake game.

Kevin He m is lost for the Post game with a pinched nerve and others who have not yet recovered from injuries are Jackie Ellis, Bill Everett, Manuel Arellano, Pete Parham and Steve Belvin.

Ed Adams, a sophomore, will go into the starting line-up to replace Herm, Farda said.

The Wolves are a 16 point underdog in the game but Farda said he expects everyone who comes out will see a good contest.

PCA Meeting Friday

The annual stockholders meeting for members and guests of Sweetwater Production Credit Association is scheduled to begin at 10:30 a.m. Friday in the Nolan County Coliseum annex in Sweetwater.

A barbecue luncheon will follow the business session and keynote address delivered by W. N. Stokes Jr.

Volleyball Teams To Play

Colorado City volleyball teams will meet Sweetwater here today, Junior Varsity at 6:30 and Varsity at 7:30 in Wolves Gym.

Both teams lost their last outing with Snyder Tuesday but coach Susan Anderson said the teamwork was good.

Varsity score was 14-16, 16-14 and 8-15 with Jaime Pawkett's spikes and Leslie Greenlee's serves aiding the team effort.

Junior Varsity score was close, aided by the good serves of Tina Williams and sets by Martha Aguilar.

The Varsity team is entered in the Key City Tournament in Abilene this weekend, playing their first game 2 p.m. Friday.

Safety School Being Planned

Mitchell County game warden Ronnie Aston says that a Hunter Safety School will be held in Snyder this year and not in Colorado City as last year.

Anyone interested in more information about the school, which is required of anyone born after Jan. 1, 1949 for hunters going to Colorado to hunt, may contact Aston or phone 728-5430.

He said the date and place has not been determined yet but persons interested in attending may contact him and he will keep them informed.

Bank Fund Started For Lamb Baby

A special account has been opened at City National Bank to take donations to benefit Krishna Nicole Lamb, 10-month-old daughter of Benny and Darlene Lamb of Colorado City.

Krishna was born with a small knot near her spine and specialists recently determined that it was growing around the spinal column. She underwent surgery Tuesday in Methodist Hospital in Lubbock and doctors removed a benign mass from the spine.

Medical expenses have mounted for the young family, which includes 3-year old Kevin, and the fund has been started to help with the expenses.

SPAGHETTI'S SIMMERING as Colorado High School homemakers prepare for the pre-game supper Friday night that is being sponsored by the Homemaking Dept. and both Junior and Senior FHA chapters. Serving begins at 5:30 and continues through 7 p.m. in the CHS cafeteria. Tickets are available from chapter and class members for \$1.75 adults and \$1 children under 12. Pictured from left overseeing preparations are Rhonda Free, Marla Bodine (president of the Senior FHA chapter) and Alice Pineda.

Voters Must Re-Register, Harkins Informs County

Information and discussion about the new Voter Registration Act which becomes effective following the special Constitutional election November 4 and also discussion of proposed regulations at Lake Colorado City highlighted the Tuesday morning workshop session of county commissioners court.

Effective Nov. 5, the day after the Constitutional election, all permanent voter registrations will be thrown out and it will all have to be done over, according to county Tax Assessor-Collector C. G. (Skeet) Harkins.

The reason for the change is an act passed by the 64th legislature which will compile a statewide computer bank of voter registration lists and all the old information is to be set for the computer system.

Harkins and clerks from the tax office met with commissioners to explain the new requirements, as well as District Clerk Bill Erwin, who uses the voter list in compiling the jury wheel. A representative of Western Data Services Inc. of Waxahatchie, Ralph Roberts, also attended the session and presented a plan that his company offers to counties that will save them time and money in compiling the new data.

At a cost of 18 cents per voter, the company will pre-mail voter information forms to all persons now on the county's list. When the new information comes back, it will be checked over and all who were not contacted will be dropped from the list and have to register again.

By March 1, 1976, the new voter lists are supposed to be completed. If the county had decided not to take advantage of Western Data's services, the cost to the county would still be high, Harkins said, pointing out that supplies and time involved would mount up, plus the cost of programming the information for the centralized computer would have to be paid by the county, anyway.

The total cost, about \$810 based on 4,500 voters in the county, plus \$60 for the jury wheel cards, was thought by the commissioners to be a

saving in both time and money and the agreement was reached with the data service company.

New applications for the permanent voter registration will be taken from Nov. 5, 1975 until March, 1976 and all persons in the state must again register to vote, but with the mail-out form, the commissioners thought Mitchell County voters could keep their voter registration intact with a minimum of fuss and confusion.

In return for their money, the data company will not only supply a master list and 12 copies of each precinct list, but also do the jury wheel and computerizing and supply any supplemental lists of subsequent voters who register 30 days before an election, thus enabling them to vote in that election.

Both Roberts and Harkins pointed out that the new law requires more complete information than previously, for example, a woman must list her maiden name as well as married name, and the forms include a place for Social Security number.

Sheriff Bill McGuire met

briefly with the court, explaining his request for uniform money. The court had agreed to spend \$200 per deputy yearly

Voting Reminder

All county residents are reminded that in order to vote in the forthcoming Constitutional election Nov. 4, registration must be completed 30 days before the election.

Anyone voting in any election during the past three years is eligible to vote as a permanent voter.

Anyone in Precinct Three who wishes to cast a ballot in the special local option election which will be set soon, should also make sure that permanent registration is intact or register at least 30 days before the election in the county tax office.

for uniforms and McGuire pointed out that the old uniforms are worn but still good and this year's money will be used for winter uniforms, thus saving the summer uniforms for some wear next year. He said that by having the money at hand, he could get a cash discount from a Fort Worth firm and the court agreed to let him work out details of the purchase with county auditor Dwayne Feaster.

In leaving, McGuire said that the Sheriff's office would accept the challenge and responsibility of enforcing any regulations the court might impose at Lake Colorado City without any additional personnel, but that additional equipment might be needed.

The commissioners then read over an extensive list of safety See RE-REGISTER, Page 12

CAUGHT IN THE ACT of making a steal during the Wolves vs. Owls game last week, Wayne McKee (No. 10) made an interception in the game's opening minutes deep in Big Lake territory but a penalty and officiating error nullified the Wolves drive, final score 43-6 in Big Lake's favor. The Wolves take on the Post Antelopes at 8 p.m. Friday in Wolf Stadium, the Post team directed by one of the area's finest quarterbacks, Brian Davis. Wolf coach Mike Farda says the team is ready for them and spirit is expected to be high at the Friday morning pep rally at Colorado High School, set for 10:45 in the gym because of 6-weeks tests.

Couple Pledges Double Ring Vows In Abilene Ceremony

Miss Elizabeth Rozanne Rossi and James William Light pledged double ring wedding vows August 28 in the Elm-Wood West United Methodist Church in Abilene.

The bride is the daughter of Mrs. Oden M. Phillips of Maineres, Belgium and John J. Rossi of Bradyville, Maryland.

Light is the son of Mr. and Mrs. Leon Light of 1438 Oak Street.

Rev. Richard Payne of Shamrock read the vows during a 7 p.m. ceremony.

A fan-shaped candelabra holding white candles and entwined with greenery backed the scene of the marriage and the altar rail was decorated with white mums nestled in greenery.

Mrs. Helen Gresham of Dallas, organist, presented traditional wedding music and accompanied Mrs. Bob Watson, soloist, as she sang "The Wedding Song" and "The Lord's Prayer."

The bride was escorted down the aisle by her grandfather, W. D. Castleman, and she was attired in a formal fashion designed of organza chiffon. Lace appliques covered the entire bodice and stand-up collar and cuffed the full sheer sleeves. Scattered lace appliques dotted the sleeves and the skirt.

Her chapel-length train and full-length veil were attached to a Juliet cap and she carried a bouquet consisting of white daisies.

Miss Kay Bedingfield of Abilene stood by the bride as her maid of honor. She was dressed in a yellow floral lace dress featuring a stand-up collar and leg-of-mutton sleeves. Hemline of the dress was encircled with a ruffle.

She carried a bouquet of yellow daisies.

Best man was Russell Golden of Colorado City and candle

lighter was John Rossi, brother of the bride, of Abilene. Ushers were Scott Howard of Abilene, Curt Gemberling of Abilene and John Rossi.

A reception was in the Fellowship Hall following the wedding ceremony.

The bride's table was covered with a green satin cloth overlaid in white net. Green bows were scattered over the skirt of the cloth and the table was centered with an arrangement of yellow daisies and yellow candles.

A white satin cloth covered the groom's table from which chocolate cake and coffee were served from a brown pottery service.

Presiding at the bride's table were Mrs. Charles Light, sister-in-law of the groom, of Colorado City and Mrs. Bill Franklin, sister of the groom, of Lamesa.

Miss Patricia Light and Miss Janet Light, both sisters of the groom from Colorado City, served at the groom's table.

Pianist for the reception was Mrs. Carl Mayberry and Shawn Korman and Alicia Fisher handed out rice bags.

Other members of the house-party were Miss Gail Hardin of Seagraves and Mrs. Don Frank of Andrews, and Mrs. M. A. Walker, Mrs. D. F. Morris, Mrs. Charles Fisher, Mrs. Jim Gemberling, Mrs. Rickey Paris, Mrs. Dorothy Bedingfield, Mrs. Dixie Wood and Mrs. Delbert Dunn, all of Abilene.

An ensemble consisting of a tan two-piece jacket with a short, long-sleeved jacket was chosen by the bride to wear away for a honeymoon trip to Dallas. Her costume was accented by brown accessories.

The couple will make their home at 4043 South 7th, Apt. 1, Abilene.

The bride is a graduate of Cooper High School in Abilene and the groom is a 1973 graduate of Colorado High School and a 1975 graduate of Western Texas College where he received a degree, Associate in Applied Science. He is employed by Super Super Grocery in Abilene.

Out-of-town guests were present from Seagraves, Lamesa, Colorado City, Amarillo, Tabor and Clyde.

HD Clubs Have Joint Meeting

The Looney and North Lorraine Home Demonstration Clubs met recently for a joint meeting.

Plans were made to attend the state convention which is taking place in Abilene Tuesday through today.

Mrs. Janis Choate, county extension agent, presented a program on "The Metrics Are Coming!" She was assisted by several groups giving skits on the metric system.

The hostesses were Mrs.

Bruce Byrne and Mrs. Buck Taylor.

Members attending from the Looney club were Mmes. Ruthie Lindley, N. O. Brown, Maggie Hamrick, J. D. Gibson, Bill Claxton, Fred Smith, Parker Jarman, Henry McGuire, Charles Williams, Sidney Compton and Bruce Byrne.

Attending from the North Lorraine club were Mmes. T. L. Holman, Raymond Wheeler, Buck Taylor, Jack Linam, Roy Wells, Victor Galvan and Bud Shepherd.

Middle School Chatter

If you notice our new title, you will see we've changed our name. This is because we now have the 6th, 7th and 8th grades and are a middle school. We are rather crowded here at Jr. High and all are eagerly awaiting moving into the old High School.

Regular reporters for the paper this year are: Band and Twirlers, Jill Davis; Jamborees and Cheerleaders, Dee Ann Griffith; Honor Society, Lydia Mendoza; Choral, Gay Tarter; Intramural, Marji Maddox; Annual, Freddie Alvarez; Football, 7, Mark Carter; Football, 8, Charles Jackson; Library, Chuck Claxton; Stage Band, Anne Marcom; House of Representatives, Vicky Franco.

We will also have guest reporters from the 6th grade and newspaper sponsor is Mrs. Ena Patillo. Our typist this year will be our secretary, Mrs. Nancy Hanks.

Colorado Middle School had its first pep rally last Thursday. This was the first pep rally that the 6th graders and 7th graders had attended.

They helped not only in spirit but noise. All of the cheerleaders and Jamborees were at the pep rally and the game also.

The band also attended both and that was a big help. We had a good pep rally and a good game. We hope more people will come and be a part of this. This is another way that we can say that We Are Backing You, Wolves!

In its first football game of the season the 7th grade lost 18 to 2 to Ballinger. The defense did a good job but the offense needs a little work. Four fumbles hurt the C-City effort and one pass interception added another six points for Ballinger.

Playing good on defense was Frank Norris, Mark Piland, Arthur Reyes, Danny Rivera, Sam Houston, and Ruben Garcia. Doug Johnson tackled a Bearcat in the end zone for the safety.

JoJo Bisnette recovered one fumble and Steven Light blocked a punt. The 7th grade Wolves travel to Winters today to play the Blizzards. Game time is 6 p.m. Follow us and give us the backing we need!

Last Thursday, the Colorado City 8th grade played their first game in Wolf Stadium against the Ballinger Bearcats.

The first quarter was an uproar as the Wolves held the Bearcats on defense. The Bearcats could not make a first down, so they had to kick. The Wolves got the ball on the 30 yardline. They moved the ball down field aggressively.

The game was tied for the first and second quarters.

After the half time was over, the Bearcats came out of their dressing room all fired up. The Wolves still had fire but just not enough.

The Wolves made a touchdown but it was called back because of an illegal man in the back field. The Bearcats finally

got the ball, and the Wolves raced the Bearcats back into the end zone.

The score stood in the third quarter 7 to 0.

The Wolves received the ball and again were forced to turn over the ball; the Bearcats got the ball and made another touchdown.

The Wolves backs would not give up as Rudy Garcia raced into the end zone for a touchdown.

At the end of the game the score was 20 to 6 in the Bearcats favor.

Our next game will be in Winters today at 7:30 p.m. We hope a number of fans will follow us to Winters to BACK THE WOLVES!

We have a good band this year. We have two drum majors: Dianne Kelly and Elma Torrez.

The twirlers are Elinda Fuller, Rane Grisham, Laurie Kay Wilkinson, Lori Long, Marty Callaway and Anne Marcom, Head.

Our band officers are Mary Holder, Captain; 1st Lieutenant Jerry Don Lewis; 2nd Lieutenant, Becky Corbell and Secretary-Treasurer, Hollie Neff.

The officers are elected by the band, and they can only be eighth graders. The drum majors are only eighth graders, but they have to tryout; however, the twirlers are seventh and eighth graders. They also See CHATTER Page 5

Happy Days

By Ann Randle Davis

Listened to our Pep Rally being broadcast over the radio and what a thrill it was! There have been so many things added this year—skits and talks.

I was especially moved by Caddo Matthews' talk. He spoke some words that meant much to many of us.

Can remember back when there was nothing but yells. This is but another feature of our changing times.

We all know what a wonderful job Mike Farida has done with football and Kent Holder should be commended for such a wonderful band. Wishes go to both the football team and the band for the best season ever. We all know they're doing one tremendous job!

"You never miss the water 'til the well runs dry" is so true in many ways and during these days of very high prices, believe we are all more aware of it.

Just one of my appliances broke down (and I'm certainly not bragging when I use the word "one") and after finding out it would be several days before a repairman could get to it, decided maybe I could repair it myself and, sure enough, with a little knowledge gained from my son, Preston, it started again!

Stop and consider the number of man made items you depend upon and try to imagine what you could do without. Scary ain't it?

Have seen so many of our nice C. Citizens of late, couldn't possibly name them all.

Did see Lyndie Merket conversing with someone at the bank parking lot...spied the nice Francis Winn driving up the street...also saw the talented Sonny Pawkett edging their lovely lawn, passed by later and the entire yard had been mowed and edged.

Only got to wave at Mrs. Marie Boyd as she was walking to her office at the court house...saw our very fine Bobby Lemons at work. Had a short, short talk with Warren

Costin, but didn't have time to ask about his sweet wife, Margaret.

It was such a pleasure to see David Myers. You know he was his usual kind self and helped me buy two of those cute caps the Wolf Boosters are selling. Bob Chalker was on long distance but he got finished and helped us.

Saw the talented Dale (Mrs. Bob) Creighton...got a chance to speak to the very nice Virgil Stone walking down the street. Have seen his sweet wife several times in the car in our coming and goings...also got to wave at Harold Maniss driving up Walnut Street.

Spied the very nice Joy (Mrs. A.W.) Bratcher, who's another one of our hardworking Band

Boosters. She's the mother of dear, sweet Brenda...have seen Bryce Webb a couple of times lately...have also seen the very energetic Mrs. Jill Groff of late. She's the mother of two dear children and the daughter of our Mr. and Mrs. Lloyd Richards...the very sweet Mrs. Eva Fuller was downtown the other day.

Attended our football game versus Ballinger Thursday night and saw many of our wonderful fans.

Sat by Esther (Mrs. J. H.) Guelker and Mrs. Lena (Buddy) Marcom, both of who had good looking daughters running around. Lena's daughter, Anne, is one of our cute Middle School twirlers!

HAVE A HAPPY DAY!!

Tim Leifeste Named Head Parks, Wildlife I&E Division

Tim Leifeste, 30, has been named to head the newly authorized Texas Parks and

Wildlife Department's Information and Education (I&E) Division field office in San Angelo. Formerly assistant editor of the Texas Parks & Wildlife magazine, Leifeste was promoted to his new position September 1.

Since his appointment he has been setting up his new office, located at San Angelo Fish Hatchery No. 1 and familiarizing himself with his district and with the many programs and projects the department has going in the area.

He is a 1970 graduate of Angelo State University with a B.A. degree in journalism and was a sportswriter, sports columnist and wire editor for the San Angelo Standard-Times. He joined the Parks and Wildlife Department in 1973.

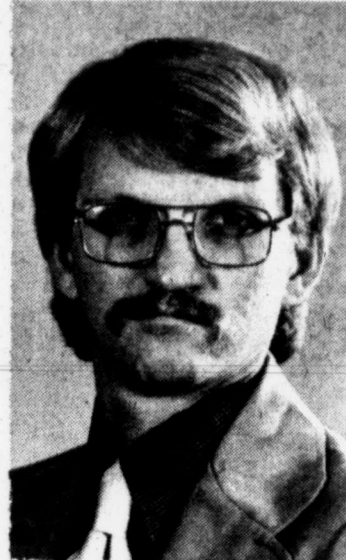

His newly established district encompasses 36 counties, which will include Mitchell Co-

unity and other surrounding counties, which includes seven state parks, two fish hatcheries, regional law enforcement offices and numerous wildlife and fisheries projects.

In addition to the new office in San Angelo, I&E maintains field information officers in 11 other Texas cities.

The I&E Division is charged with relating the story of the Texas Parks and Wildlife Department through news and magazine stories, motion and still pictures, radio and television spots and personal appearances before citizens' groups.

Field information officers serve as one-man I&E branches and must be proficient in news and magazine writing, still photography and public speaking and be thoroughly familiar with department projects statewide and in their respective districts.

St. Luke To Have Lay Witness Mission

ST. Luke Methodist Church is having a Lay Witness Mission Friday, Saturday and Sunday.

Dick Cade of Slaton, will be the co-ordinator with Willie Garner serving as associate co-ordinator.

There will be 34 persons coming from here in Texas and New Mexico and they will be husband and wives and youth coming to share with the church and all interested persons.

The Lay Witness Mission is "people meeting people to share the good news of the gospel of Jesus Christ, people sharing what Christ has done in their lives and what he continues to do, people searching for new ways to live the Christian life in our complex society, people taking time to listen to others and to demonstrate the love God has poured into their hearts

through the Holy Spirit, and people sharing with other people the joys, the sorrows, the discoveries of their lives," a spokesman said.

The mission begins on Friday evening at 7:30 p.m. and will last through Sunday worship service.

* CHATTER From Page 4 have to tryout. Under these conditions you know they have to be good and have a strong band behind them.

In Mrs. Powell's 6th grade math class we've been doing addition the long way. It's pretty hard for most of us kids.

We also have some flashcards entitled "Around the World." It is fun to watch the kids play. Sometimes it looks as if they were going to have a race. I think Mrs. Powell is a very nice teacher or she wouldn't let us do these things.

Thornton's Department Store

Pat Foy-Manager

Conveniently located at 606 East Broadway in Sweetwater, phone 235-8475, this firm bears the name which is both familiar and popular with the people and is a place where you can

feel at home while you are shopping. Its friendly atmosphere which predominates at all times has placed this store in an individual class by itself and can well be termed "Shopping

Headquarters for this entire area." That much discussed word, "Service," finds true expression in the friendly atmosphere that envelops every customer of this popular store. They feature such items as men's shoes by Florsheim, Hush Puppies & Acme, ladies' shoes by Miss Wonderful & Beverly and children's shoes.

Each department is superintended by well trained personnel and the merchandise is well handled so that all goods will be the latest quality that the market affords in style, design, material and quality.

This 1975 Consumer's Message and its editors, suggests that you do business with Thornton's Department Store which has the interest of every customer at heart.

Adkins Chevrolet Company

Bob Adkins-Owner

In this day and age when every car maker has such a wide selection of models to choose from, it is really difficult for you to decide where to go for a new car. All the companies advertise that their cars are the best, but who is to say which car really is. Obviously all the cars on the market today must have their good points or they wouldn't have survived the ups and downs of the business. We therefore can conclude that the real difference in buying a car is the dealer you buy it from.

The ideal dealer to buy a car from offers a fair price on the new unit as well as an honest

dollar for the car you trade in. However, the most important factor is the service that you receive on your new car year after year.

The writers of this 1975 Consumer's Message would like to point out a dealer that considers the most important part of selling a car the quality service he can offer you after the sale. We are talking about Adkins Chevrolet Company at 805 West Broadway in Sweetwater, phone 236-6844, dealers for the famous Chevrolet automobiles. See them today for a new or quality used car, and you'll see why we say "Customer Consideration" is their byword.

and remember they give S&H Green Stamps.

Nolan County Motors

Paul Stevens - Owner

For many years, automobile dealers considered "used cars" as a sideline to the business of selling new models.

Things have changed in recent years and one of the big reasons is the kind of business operated by the Nolan County Motors. They believe that the used car buyer is just as important as the new car buyer. They are determined to give each customer the finest quality, and the best possible price. They have a large "family" of customers who return

because they know that integrity, service and assurance of quality are passwords here. The safe way to buy a used car is at the Nolan County Motors located at 1912 East Broadway in Sweetwater, phone 235-9791.

They take personal pride in every used car they sell. As businessmen who appreciate an ethical, honest firm, we the editors of this 1975 Consumers Message give our highest commendation to this company.

Gas Priced Like Apples*

"How much are your apples?" only 29 cents, too." Which is a long way, perhaps, of getting around to the point. Natural gas in Texas sells for up to \$1.90 per 1,000 cubic feet. And Texans have gas. But in non-producing states, where the price of imported gas is controlled at 51 cents per 1,000 cubic feet, there is no new gas to be bought. If we didn't have gas, our price would be 51 cents, too. But we couldn't buy gas either.

"He doesn't have any apples," she says. "If I didn't have any apples," if a grocer explodes, "mine would be

asks the housewife of the grocer, so goes the story. "Forty-nine cents a pound," the grocer replies. The housewife registers surprise and exclaims: "Henry's apples are only 29 cents." "Why don't you buy your apples from Henry?" responds the merchant. "He doesn't have any apples," she says. "If I didn't have any apples," if a grocer explodes, "mine would be

Lap Robes Class Project

By MRS. ALTIS CLEMMER
Record Correspondent
WESTBROOK - Members of the Homemakers class of the First Baptist church of Westbrook met in the Fellowship Hall for their quarterly meeting.

Mrs. A. G. Anderson, class president, brought the devotion from Psalms 23.

For a project, the class will make lap robes for the rest homes and "Secret Pals" were

revealed. Also, during the meeting drapes were hung in their classroom with assistance from A. G. Anderson and Rev. Bob Manning.

Refreshments were served to Mrs. P. E. Clawson, Mrs. Kay Morris, Mrs. Anderson, Mrs. Paul Byrd, Mrs. Jewell Smith and Mrs. H. M. Rice.

Mrs. Morris and Mrs. Byrd are teacher for the class. Mrs. Clawson worded the closing prayer.

"Sweet William's Rock Shop"

Making Jewelry Starts As Hobby

SWI Billy Wood's off-duty hours are spent creating silver jewelry.

Two years ago he took up the hobby as a way to make extra money, to escape the everyday pressures and because he simply enjoys transforming a "rock" into something beautiful.

The first step, after obtaining the semi-precious stone, is to slice it into 3/16-inch slabs using a 14-inch diamond saw.

Using a template for sizing, he takes an eighth-inch diamond saw and removes the excess material. The final three steps involve grinding, sanding and polishing wheel.

Following an initial \$800 investment in tools and supplies for a "home" shop, the hobby turned into a small, successful business culminating in the opening of "Sweet William's Rock Shop."

Petty Officer Wood's success could be attributed to the "tricks of the trade" he learned from Jim Red Fea-

ther, an American Indian and silversmith of the Santo Domingo Tribe in New Mexico.

Whenever Petty Officer Wood is in homeport, he and his wife travel extensively throughout Mississippi, Louisiana and Alabama, displaying his works of arts and crafts festivals.

One of their favorite showcases is the Flea Market in New Orleans, Louisiana. SWI Wood attributed over half of the success of any sale he makes on a road trip to his wife.

Mrs. Wood, the former Annelore Bober, is a native of West Berlin, Germany. The Wood's currently reside in Long Beach, Ms. with their three daughter's Jacqueline, 14; Deborah, 12 and Patricia, 6.

Wood is the son of Mr. and Mrs. Otis Wood of 1210 College Street and has been in the service 14 years serving four years in the regular Navy and 10 years in the Seabees, a branch of the Navy.

Mrs. Kayser Talks To Local Unit Of TSTA

The Mitchell County unit of Texas State Teachers Association met September 15 in the Charles C. Thompson Room of the City National Bank Annex with president, Peggy Ratliff, presiding. The invocation was given by Lloyd McKee.

Two new officers were elected during the meeting. They are Claude Woolsey, vice-president and Dovie Brownfield, treasurer.

Also a committee was appointed to work on a project of unification with the National Educational Association.

Door prizes were awarded to A. O. Parker, Preston Lightfoot and Dorothy Fowler.

Also on the agenda for the session was recognition of committee chairpersons. They are: Donna Finch, Membership Committee; Linda Perkins, Legislative Committee; L. M. Dawson, Public Relations; Bo Merket, TEPS Committee; Arnold Parker, Profes-

sional Rights and Responsibilities Committee; Frank Brownfield, Teacher Personal Services Committee.

Also Molly Phillips, Human Relations Committee; Judy Chitney, Instructional Services Committee; Margaret Sparks, Faculty Representative Coordinator.

Five delegates were elected to attend the District XIV meeting in Snyder during the month of October. The delegates are Peggy Ratliff, Frank Brownfield, Linda Perkins, Molly Phillips and Juan Espinosa.

Alternates for the meeting were T. P. Fowler, Janie Brady, Marion Craddock, Arnold Parker and L. R. Dunn.

Speaker for the meeting was Mrs. Dorothy Kayser, District XIV president. She spoke to the group on the subject of "Why Join TSTA?" Following the presentation of her speech, the meeting was adjourned.

Your cost for electricity is below the national average.

And the gap is widening.

Today your electric bill is much lower than it would be in most other parts of the country. And while electricity costs are rising everywhere, your cost isn't rising as fast.

That's because Texas Electric is doing everything possible to keep the price of electricity down. For one thing, we're using the supplies of low-cost natural gas we acquired many years ago for fuel. And as our cost for gas goes up, we're building power plants to use cheaper lignite and nuclear fuels.

At Texas Electric, we're working to supply the electricity you need — at the lowest possible cost.

Loraine Area News

By IDA BAIRD
Record Correspondent

LORLAINE - Mrs. Clarence Cain has returned from Alaska where she spent four weeks visiting and sightseeing.

She traveled from home to Colorado Springs, Colorado and was joined by a daughter and son-in-law, Mr. and Mrs. Jack Ames and the group flew by plane to Anchorage, Alaska where they visited the Ames' son, Lee Ames and their daughter and family, Mr. and Mrs. Don C. Bradford.

Their other daughter, Mrs. Mary Dopps and little son from Davenport, Iowa joined them there for a visit and tour. They traveled by car and

ferry and camped out in the wilderness, several nights.

Supt. L. R. Dunn attended a Personnel Evaluation Seminar in Abilene Monday and Dr. Bolton from Washington State University conducted the seminar.

Loraine principals, C. T. Hudson and T. P. Henderson attended the second session of the seminar on Tuesday.

Billy Mayes returned home Saturday from Hogan-Malone hospital in Big Spring where he underwent surgery last Thursday.

Mrs. J. D. Norman and Mrs. Cullen Payne left last Tuesday

for Waco where Mrs. Norman is visiting in the home of a daughter, Mr. and Mrs. Rodney Lee and Mrs. Payne is visiting a sister and brother-in-law, Mr. and Mrs. Lester Payne.

Payne is a patient in a Waco hospital.

Visiting Mrs. Payne last Monday were Colleen Payne and Mrs. Zora Miller from Coahoma who were enroute to Waco to see his brother.

Rev. and Mrs. Jimmy Roberts and Mary had as their guests last weekend his parents, Mr. and Mrs. A. I. Roberts from Houston.

Jack Brewer entered the Methodist Hospital in Lubbock Saturday and underwent vascular surgery the first part of last week.

Descendants of the late Mr. and Mrs. J. H. Hubbard gathered for a four-day reunion in Brownwood recently.

Children of the late couple present were Mrs. Bud Shepherd, Loraine, and Fred Hubbard, Cotton Center, Matt Hubbard, Lamesa and W. L. Hubbard, New Boston.

Other relatives were present from Houston, Arlington, Austin, Odessa, Dallas and Brownwood.

Rev. and Mrs. Duane Roever had as their guests last weekend his brother and family, Mr. and Mrs. Leroy Roever from Wichita Falls. They were here to attend the Bulldog football game last Saturday. Their nephew, Herb Roever, is a member of the team.

Mr. and Mrs. Charles Williams and daughters, Tonya and April from Dallas, were guests last weekend of her parents, Mr. and Mrs. T. J. Blair.

DRUM MAJORETTE and leading the 1975-76 Loraine High School Bulldog Band is Maria Meadows a senior student at Loraine High School.

Atheneum Club Has First Meeting

The Atheneum Study Club of Loraine had their first meeting for 1975-76 in the home of Mrs. Doyle Hester on September 16. Mrs. Raymond Wheeler was program leader.

Mrs. S. E. Meadows gave a history of the club's activities for the past year, and Mrs. C. H. Martin presented the new yearbooks.

Mrs. Jim Johnson spoke on, "The Bicentennial Begins."

"On April 19, 1775, the struggle for American Independence was set in motion," Mrs. Johnson said.

"On the night before, Paul Revere and other riders set out to warn the populace of the coming attack. Next morning a few farmers met the British on Lexington Green where the first shots of the American Revolution were fired," she continued.

"Lexington and Concord have never missed a celebra-

tion of these events and what started as skirmish, ended as the War of the Revolution and the birth of a nation.

"The purpose of the Bicentennial celebration is to establish contact with our past. That is what the celebration is all about. The point is, to recapture the spirit of Democracy that existed with our founding father."

"Some 4800 communities from Maine to California, will participate in this Bicentennial celebration and thousands of visitors from afar will be touring the USA during this time," she concluded.

The hostesses served refreshments to members present. They were Mrs. R. H. Bennett, Mrs. Lily Bennett, Mrs. Percy Bond, Mrs. Glen Coon, Mrs. C. R. Green, Mrs. Bruce Johnson, Mrs. Harold Martin, Mrs. S. E. Meadows, Mrs. Woodrow Pratt, Mrs. W. A. Taylor, Mrs. Raymond Wheeler and Mrs. Clifton Henderson.

Baptist Women Have Program

"See the Multitudes in Texas," was the theme for the Week of Prayer for State Missions, when Baptist Women throughout the state met for this special emphasis on missions.

Loraine Baptist Women met with other women from Mitchell-Scurry Association at the First Baptist Church in Colorado City for the opening program on Monday, Sept. 15.

Mrs. J. J. Hall of Ira gave the call to prayer and was tour director for the program. Loraine women Mrs. Clara Butler, Mrs. Lynne Compton and Mrs. Harvey Leach presented a skit.

Mrs. Wirt Holsinger of Snyder was the main speaker for the day. Others on the program included Mrs. Roy Taylor and Mrs. H. B. Graves.

Mrs. Holsinger presented a message in which she protested the X rated movies, liquor on airplanes and others and challenged Christians to stand up and be counted for Christ.

Others attending from Loraine were Mrs. L. E. Crutcher, Mrs. Buck Taylor, Mrs. Hal Bennett and Rev. and Mrs. Jimmy Roberts.

Halls Host To Loraine CB Club

The Loraine Citizens Band Radio Club had their meeting last Thursday in the home of J. C. Hall, Jr.

Twenty-seven members were present with two new members being voted into the club making the club enrollment number 41 members.

Refreshments of home-made ice cream and cake were served.

The next meeting will be Oct. 7 at 8 p.m.

Loraine Jr.s

Meet Sands

Loraine's Junior High football team meets Sands at 6:30 p.m. today in Loraine.

They played Hawley last Thursday and lost 8-6 in a game that was close but saw two Loraine touchdowns called back because of penalties.

A David Finley to Eddie Lujan pass play was good for a TD and coach Ken Lightfoot said both Finley and Kino Galvan, along with Tommy Darnell, were outstanding on offense. Finley and Galvan also shone in the defensive ranks, along with Tommy Graham.

--Pet Show Dept., chairman Caddo Matthews.

--Men's Dept., chairman Mrs. Charles Goodlett.

--Ex officio officials include county extension agents Bob Benson and Janis Choate; Brownfield, Mayfield and Schlee, vocational agriculture teachers at Colorado City, Loraine and Westbrook; Mrs. J. S. Craddock Jr. and Mrs. Caddo Matthews, Colorado City, Mrs. Curtis Latimer, Loraine and Mrs. Mary Ellis, Westbrook, all home economics teachers in the school systems listed.

regulations that County Judge Bill Carter had compiled since the last meeting after first contacting lakes in Brownwood, San Angelo and Abilene.

Although not officially adopted, as it was a workshop session only, the rules and regulations include a provision limiting skiing on the lake to the main body, reserving both Morgan and Cherry Creeks for swimming and fishing activities, a request that has been presented by a group of lake residents to first the city, then Parks & Wildlife Dept., and finally the county.

The regulations include a provision against excessive noise generated by speed boats and also requires that boats be equipped with standard mufflers and exhaust systems, thus prohibiting above-transom exhausts.

Judge Carter said that he had consulted with county attorney Perry Barber about the legality of all rules and that Barber said the new law passed by the 64th legislature specifically grants the county power to pass orders affecting lakes in their jurisdiction.

The list of regulations would make a violation a misdemeanor if convicted and subject to a fine not exceeding \$100.

Judge Carter proposed publishing a booklet which would list all of the rules for the lake and have it available for anyone going to the lake.

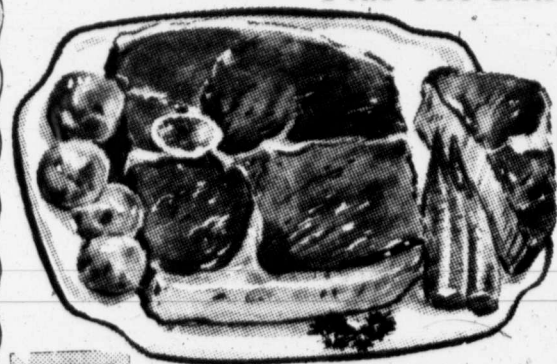

In other discussion, commissioner Paul Hunter again discussed the Mitchell County Ambulance Service. He is the county's representative on the ambulance board, working with representatives from the hospital district and city.

He said that it might be better to let the city handle the county's share of the ambulance driving, as an informal discussion with City Police Chief Jesse Browning revealed that the city policemen like to drive the ambulance as it gives them a chance to make additional money.

The court gave him the go-ahead to make any arrangements he thinks necessary to improve ambulance service.
