

JOLENE THOMPSON

... Quality of Life Award Recipient

For work with American Cancer Society ... Thompson given special recognition

Over two years of work with the Hansford Unit of the American Cancer Society was rewarded for Gruver's Jolene Thompson recently when she was accorded the society's Quality of Life Award -- the highest state individual honor bestowed upon a volunteer worker.

The plaque was presented to Mrs. Thompson at a recent meeting of the Hansford Unit in Spearman with county president Mozelle McClellan making the presentation.

The Gruver volunteer serves as the Hansford Unit's Service Chairman and is in charge of helping cancer victims and their families located and utilize the many services offered through the American Cancer Society.

She, along with co-chairman Clementine Renner in Spearman, are the main conduits through which services are funneled back

into the county as a result of money raised locally for the ACS.

"It was quite an honor to be recognized," she notes. "But I really did very little. There's a lot of people doing a lot of things and we all work together."

That group effort has brought in funds totaling near \$10,000 for the American Cancer Society from Hansford county this past year -- thanks to their efforts and to the generosity of Hansford residents and businesses.

That money comes to the county in the form of educational films and information as well as equipment and supplies for cancer patients in the county.

"There's a great deal of support we can give to help those who are afflicted with cancer," notes Jolene. "We have volunteer transportation, loan equipment and gift items available."

Loan equipment may include such items as beds, siderails, wheelchairs, commode chairs, walkers and crutches.

Gift items include limited ostomy supplies, dressings, bed pads, sheepskins, wigs and a list of other supplies.

In addition, the Hansford Unit of American Cancer Society has such things as patient support available to county residents and can even help in getting overnight room arrangements for family members of the cancer patient while receiving out-of-county treatment for their disease.

"We all work together to make the best out of a bad situation, and to give support where we can," she states.

When talking about the Society's work in Hansford county, the Gruver volunteer speaks from personal experience.

She was introduced to the services offered by the ACS two years ago when her father-in-law was diagnosed with cancer.

"We were needing some of the services they provide, so I called Mozelle," she remembers.

At that time, the Hansford Unit was short a Service Chairman. Mrs. McClellan, a registered nurse, didn't waste a great deal of time in broaching the subject with Jolene.

"I asked her then if she would consider acting as our service chairman," laughs the Hansford Unit president. "She accepted and has been working diligently ever since."

Mrs. Thompson downplays her role in the ACS's efforts. But her experiences as a family member of a cancer patient gives her a special

Lynxette harriers take state bronze

The Spearman Lynxette cross country squad capped a full season of achievements this past weekend by claiming a bronze medal at the state class AA meet held in Georgetown Saturday morning.

Krista Kirkland finished in the top 10 at the Texas state cross country finals to pace the Lynxettes to their third place state finish.

Only eight points separated the top three teams in Saturday's state finals as Nazareth repeated as the state championship squad with 83 points.

Munday was second with 85 and Spearman third with 91. Little Elm placed fourth at state with a 95 and Wall was fifth with a score of 100.

"The girls really ran well," declares coach Richard North of his young charges. "At the regional meet, Nazareth beat us by 40 points, but we came within eight of them Saturday."

Kirkland's seventh place finish was posted in a time of 13:17 for the 2-mile run while Haley Shield-

knight was 21st in a time of 13:43. Heather Murrell's 13:49 claimed 27th while Mechelle Cook was 45th in a time of 14:12. Carly Shield-knight ran 14:13 for 46th.

Laci Lasater was 52nd in a time of 14:28 while teammate Kyla Nelson clocked a 14:38 for 58th place.

PTA hosts program on child stress

A special program on stress in children will be presented by a West Texas State University instructor at a Monday Spearman PTA meeting.

The meeting will be held beginning at 7 o'clock that night in the Spearman Junior High cafeteria.

Gary LeDoux, formerly with the Health Services Department of Northwest Texas Hospital in Amarillo and now an instructor at WTSU, will present the program.

Included in the program will be a 28-point list of stress factors to watch for in children, along with facts about stress in children.

LeDoux will also focus on how to cope and counter negative stress in children in his presentation.

Overcoming first-half jitters for win ...

Lynxettes spear Rangerettes, 42-33

The Spearman Lynxette basketball squad shook off a first-half flurry of opening night jitters to put together a solid offensive and defensive effort enroute to a 42-33 win over the Perryton Rangerettes of district 1-AAA Tuesday evening in the Spearman gym.

Paced by junior forward Londee Bradley who finished the night with a strong overall performance, the Lynxettes managed to calm down a first half free-for-all and settled into a methodical rhythm as they knocked off their 1-AAA counterparts in the season debut for both ball clubs.

Neither squad performed well in the first half of play Tuesday night. Perryton was unable to convert a single free throw those first two quarters and the Lynxettes fared no better, missing on seven straight attempts.

Shots from the field were also susceptible to opening night jitters as the Lynxettes connected on only 6 of 27 attempts for a 22 percent field goal total in the first two frames.

The difference came following halftime as Spearman settled into a methodical picking apart of their Rangerette guests.

The Lynxettes came from a 12-14 first half deficit to pop in 19 third-quarter points and the rout was on.

Bradley finished the night with 19 points on the night and played the field and the boards with equal aplomb as she hauled in five offensive and four defensive rebounds.

Lions club to stage 'hold up'

They may be wearing white hats, but watch them Spearman Lions this Saturday as they stage their annual "hold-up" to help raise funds for the Texas Lions Camp for Handicapped Children.

The "hold-up" will be held at two intersections in Spearman Saturday with members of the Spearman Lions Club "robbing" motorists and pedestrians alike for donations during this Texas Lions Camp Week effort.

Funds raised from the event will go to the handicapped children's camp where diabetics and handicapped children from Spearman and other Texas communities get to spend part of their summer each year.

Of course, the hold up isn't all take and no give -- the Spearman Lions will be handing out rolls of mints as a token of appreciation for each donation received.

In edge-of-the-seat thriller ...

Rangers edge Lynx, 48-46

The Spearman Lynx varsity basketball team unveiled their 1987-88 pressure defense and goal-minded offense in an edge-of-the-seat thriller that saw them come up only two points shy of a potent 1-AAA Perryton Ranger cager crew Tuesday evening in the Spearman gym.

A last-second shot by senior guard Carl Urban failed to find its mark as he hustled in against two Ranger defenders and Perryton claimed a 48-46 decision over their Spearman hosts in the season debut for both ball clubs.

In a closely matched ball game from the opening tip off, both teams got into a see-saw scoring battle through all but the final minutes of play Tuesday night.

OUT OF THE CROWD and up for a shot is Lynxette Krista Kirkland (20, white) while a host of Perryton defenders look on.

Perryton held a 1-point advantage at the end of the first quarter, 10-9, but the Lynx turned in a strong second frame to hold a 28-26 halftime lead.

They maintained that lead on into the final eight minutes of Texas schoolboy basketball play with a 39-37 third quarter score.

It began to appear as if they might have the game in hand when they had pulled to a 6-point lead, 45-39 midway through the final quarter.

The Lynx held a 41-39 lead when Urban hit from underneath and was fouled to bring the score to 43-39.

He missed his free throw and Perryton took the rebound only to

see Keith Benson steal the ball and drive in to score from the far left corner to put the Lynx out in front by that 45-39 count.

But Perryton answered with a pair of buckets of their own, then added a free throw shot to pull up to within a single point of their Spearman hosts, 44-45 with 2:12 left in the game.

Carson Womble hit on the top end of a one-and-one to put the Lynx out in front by a 46-44 count with 2:02 on the scoreboard clock.

Ranger Kirk Hargrove was fouled while making a shot, but managed only one bucket from the grace line to put the score at 46-45 Spearman with 1:26 remaining.

Hansford 4-H youth given special honors

Hansford County 4-H'ers were honored at their annual awards banquet Saturday evening with 10 youth being singled out for special award citations for their work this past year.

Deana Turner received the Achievement award while Karla Kunselman was named as the Food and Nutrition honoree.

In Agriculture, Kevin Williams and Lynette Williams were given recognition while Cinda Turner was named for Fashion Revue.

Gold Star recipient was Laneida Burnam with Brandon Close for Beef, Bonnie Jarvis for Horse, Cameron Kunselman for Bicycle and Miss Burnam for Swine.

A total of 157 youth were recognized for their work in the Hansford County 4-H program with year pins given to 4-H'ers from first year participants to tenth year participants.

Anne Marie Jarvis was noted for 10 years work with the county youth program while Julie Latta and Lynette Williams were recognized for nine years each.

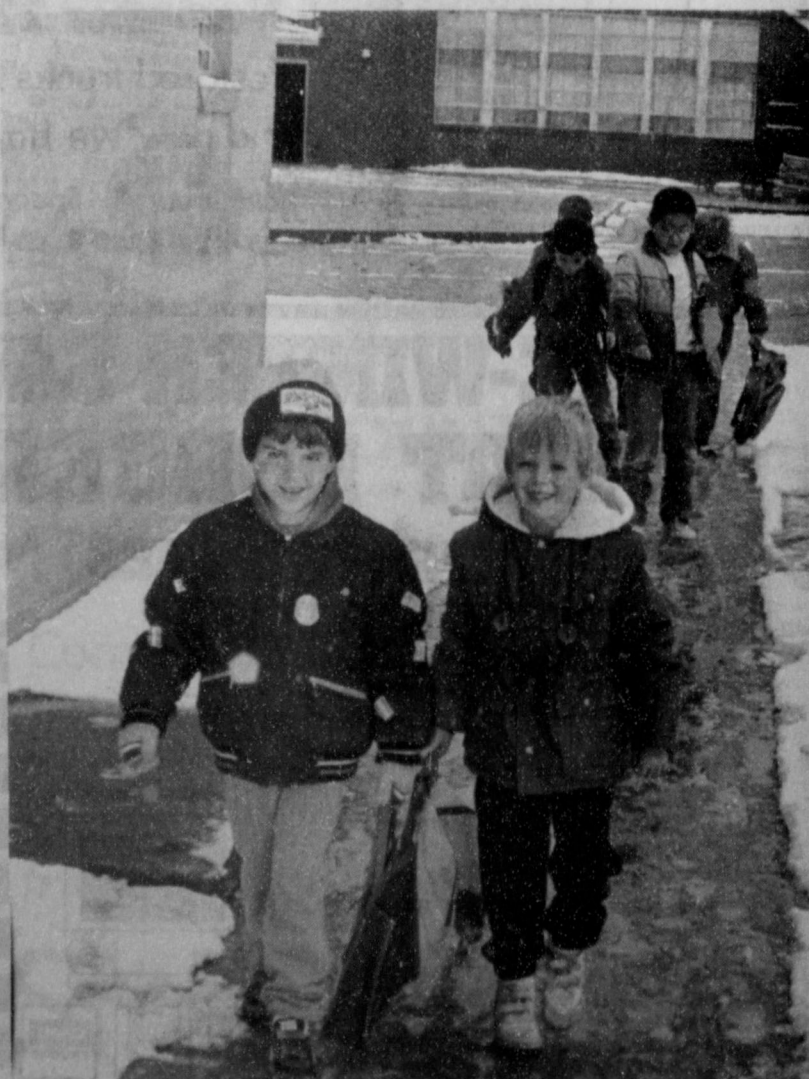

On the adult side of the ledger, Joy Henderson was recognized for 25 years of service to the Hansford County 4-H program.

D.A. Cator received a 14-year pin while Linda Jarvis was noted for 13-years of service.

Britt Jarvis was given a 12-year pin while Linda Latta was honored with a 10 year pin.

A total of 74 adults were presented with year pins for their work in the 4-H program in Hansford County.

The banquet was held Saturday evening in the Gruver gym at Gruver.

a pair of assists and three steals as she paced the Lynxettes to that season opening win.

Junior Heather Murrell also gained the double figure column for Spearman with 10 points. Krista Kirkland and Lisa Cazarez helped to pace the effort from the floor.

Kirkland finished the night with two offensive and four defensive rebounds, one assist and two steals while tipping in eight points.

Cazarez had five assists, one steal and one defensive rebound to help pace the Lynxettes to their win.

Despite their slow start from both the field and the free throw line, Spearman's second half effort atoned for that fact as the Lynxettes hit on 10 of 16 second-half free throws for a 63 percent, and 10 of 18 second half field goals for a 56 percent shooting effort.

Perryton's Audra Wilson was the only Rangerette in double figures with 10 points.

Junior varsity action saw the Spearman girls stage a second-half comeback as they shook off a first half Perryton lead to claim a 27-24 win Tuesday evening in Spearman.

Laci Lasater and Mechelle Cook paced the Spearman JV girls with seven points each.

A see-saw scoring battle in the first half saw Perryton hold a slim

edge, 6-5, at the end of one quarter of play and a 12-10 advantage at halftime.

But the Lynxette JV came back with 13 third quarter points to go out to a 23-18 lead, then they held off their Perryton counterparts for the 27-24 win.

The Spearman girls varsity will go to Plainview Friday to take on the Wayland Queen Bees in a 6:30 p.m. contest there.

insight to the needs of victims and their families.

"It takes many different people working together to make it all happen," she declares. "Nothing would function properly if we weren't all working together."

That pretty well sums up her beliefs and is an underlying and recurring thought she brings out as often as possible in her conversation about the Hansford Unit of the American Cancer Society.

The Hansford Unit is made up of some 20 full-time active members. Those ranks swell during the annual fund raising efforts of the ACS and the group has helped raise between \$9,000 and \$10,000 annually for the benefit of Hansford county residents.

Composed of members from Spearman, Gruver and Morse in Hansford county, the unit meets four times a year, generally in Spearman.

They host a number of activities each year, including the Great American Smoke Out as well as the annual fund raiser.

In addition, this year they will be presenting a special T-shirt to the first male and female babies born in Hansford Hospital from Nov. 19 on.

These two babies will each receive an American Cancer Society T-shirt which reads "I Don't Smoke".

Meanwhile, Jolene Thompson continues to do the work for which she was honored, despite a busy home and business life as well.

Her hobby is painting and she feeds that with weekly painting lessons. In addition, she also takes care of office chores for one of her

husband's businesses, a redi-mix plant in Gruver.

Her husband, Bobby, is also a full-time farmer in addition to the redi-mix operation.

The Gruver couple was two grown children -- Ricky Thompson and his wife, D'Ann, live in Gruver with their two children, while Shonna Dillard and her daughter live in Amarillo.

Jolene is starting her third year of work as the Service Chairman of the Hansford Unit.

And, as the plaque would imply, it's a job she's been doing well.

Services Thursday for Cecil Crawford

Mr. Crawford's body will lie in state from 10 a.m. until 2 p.m. Thursday at the church.

Mr. Crawford is survived by three daughters: Donna Deupree of San Diego, Ca.; Marilyn Gragg of Pismo Beach, Ca.; and Katherine Herring of Denver, Co.

One son, Michael Crawford of Piedmont; 12 grand and six great-grandchildren.

With less than a minute to play, Perryton's Tucker Barnes tied the game at 46-ALL when he hit one of two free throw attempts.

Spearman rebounded, but Perryton's Tucker Barnes tied the game at 46-ALL when he hit one of two free throw attempts.

Spearman rebounded, but Perryton's Terry Wright managed a steal on the Ranger end of the court before the Lynx could break through, and Wright ran in for a layup with 46 seconds left to give the Rangers the lead, 48-46.

Following an exchange of possessions, it looked as if Perryton could salt it away when Mike Blackshear toed the free throw line for a one-and-one attempt with 13 seconds to play.

But a Perryton teammate stepped into the lane, turning the ball over to Spearman and the Lynx eyed the goal, taking the ball from behind their own net to midcourt before calling a last-second time-out.

As time ran off the clock, Urban charged into the lane and a host of Ranger defenders, but the ball bounced off the rim to spoil the Lynx's debut and Perryton gave a sigh of relief as they tucked their 48-46 decision under their belts.

Kevin Nelson and Carl Urban were the only Spearman players in double figures with 11 points each as a combined team effort saw nine Lynx team members gain the scoring column.

Perryton relied on the 18-point effort of Tucker Barnes enroute to their win. Tom Reynolds also made double figures with 10 points.

Junior varsity play saw Perryton roll out to a 53-26 win there Tuesday evening.

The Ranger JV squad jumped out to a quick, 18-5 first quarter lead while Spearman found the scoring sparse throughout the game.

Spearman boys trailed by a 31-9 count at the half and 42-16 at the end of the third frame.

Slaid Jones paced the Lynx JV efforts with nine points.

The varsity boys will host Channing next Tuesday evening in the Lynx gym.

Games will include boys varsity and both girls varsity and junior varsity tilts.

DOC BLAKELY'S POKIN' FUN

Money is a fascinating subject. I've always loved to write about it or home for it.

The only thing I've never quite figured out is what to do with it. It's hard to study something moving through that quick. Sort of like picking up mercury on marble.

I've recently learned that money matters are mostly an attitude. If you think you have enough, that's all that matters. I've decided to develop that attitude to a highly skilled art at about one million.

A fellow went to a banker to pay off a loan. The banker talked him out of it, told his wife, "He just thinks he needs to pay it off early." When he missed a payment, the banker called his wife and wanted to know what her husband was

going to do about it. She replied, "Nothing. He's down at the lawyer's. He just thinks he's bankrupt."

A lady friend of mine has her own checking account, a sign of trust and maturity granted her by her accountant-type husband. At the end of each month, she hands the checkbook to him to balance precisely. After she got the hang of things, she developed the attitude referred to earlier. Everything spent was neatly recorded to the penny. Her husband kept running across the entry "ESP \$39.95 . . . ESP \$42.50 . . . ESP \$27.92." He called her over to the kitchen table

and asked, "Honey, what is this? Is there some dress shop in town that I don't know about?"

She replied, "Oh, that. No, that's just shorthand for 'Error Some Place.'"

Which brings up the story about an insurance salesman who changes money attitudes with logic. When the husband gives the usual objection, "If I leave her a lot of money with this policy, all she'll do is marry again and some other guy will get it." The super salesman always replies in low, confidential tones, "Take a look at her over there across the room . . . Would you marry her again?"

Late rally falls short for Lady Greyhounds

The Spearman 7-8-9-th grade Lynxettes managed to make a clean sweep of season opener roundball games against their Gruver Lady Greyhound counterparts Monday evening in Gruver.

The 7th girls saw Spearman take a 33-11 win while the eighth grade Lady Greyhounds bowed out, 30-22.

The frosh Lynxettes had to hold off a staunch fourth quarter Gruver effort to take a 3-point win, 23-20.

High point for the frosh saw Gruver Marci Roberts with seven points while Spearman's Bonnie Thompson tipped in 12 for the Lynxettes.

In eighth grade play, Gruver trailed by only two points at the end of the first quarter, but a 1-point second frame saw Spearman go out to a 12-5 halftime lead. Cinnamon Martin had seven points to pace Gruver while Spear-

man's Joy Gafford got into double figures with 10 points.

Gruver came back with an 11-point fourth quarter to outscore Spearman there, 11-10, but was unable to make up the difference as the Lynxettes went on to win, 30-22.

Seventh grade action saw Kim Boon and Amy Murry post four points apiece to pace the Lady Greyhounds as Spearman took a 33-11 win there.

Laura Pearson was high point for the Lynxettes with eight points.

Beedy's operate store for 25 years

25 years ago this month Brad and Dodie Beedy opened the Beedy Furniture Company with a great deal of hope and some apprehension. Looking back over the ensuing quarter of century, they have not regretted their decision-overall. Needless to say there have been times when the future looked bleak and they wondered if they had decided wisely, by by and large they would not change their decision.

Both Brad and Dodie were graduates of Texas Tech in 1953 with degrees in Business Administration. Brad was associated with the Spears Furniture Company in Lubbock for several years and understood and liked the retail furniture business.

They wanted to own their own business and in deciding on a location, they felt that a small town offered the most possibilities; not just from a business angle but for the rearing of their family, both had small town back-grounds. She was from Stratford and he was from the Floydada area.

For 15 years they operated the business in Plains Shopping Center. In 1977 they built the spacious quarters they now occupy at 723 West 7th.

Beedy Furniture carries a complete line of medium-priced home furnishings. It was their thinking that the local market would be better served with this type rather than merchandise so cheap that it would not be practical nor so expensive it would be prohibitive. In addition to standard items, they carry smaller items that will add decorative detail to any decor. They strive to keep their inventory moving with sales and promotions in order that the stock will always

be fresh and ultra modern. They stock RCA Electronic Items and Whirlpool appliances and offer service with their sales as well as delivery service.

Beedy Furniture considers their two employees to be very capable and efficient. Ricky Lopez has been with them for four years and Billy Thompson is a more recent employee.

The Beedys are members of the Southwest Home Furnishings Association and stay abreast of new developments and products.

Their three sons all finished high school here and have the same sense of civic responsibility and dependability.

Shine this Christmas with
GTE Custom Calling!

For Spearman Customers

"CALL WAITING sure helps out when you're a teenager like me. Since we got it, our phone is never really busy. My Dad and Mom sure like that! Like if I'm talking for a long time, I'll hear a little beep on the line that means someone's calling our number. So with this CALL WAITING, I just push the switch to click over and see who it is, and the same way to get back to my friend, then get off the phone quick if I have to."

— Sister

"Sometimes I get home from school before everybody else, 'cause Dad and Mom both work. So they got SPEED CALLING and programmed all the code numbers right into the phone's memory. So if there's an emergency or I just need something, I push a couple of buttons to reach the fire department, or the police, or an ambulance, a neighbor, even my grandma and grandpa. SPEED CALLING is pretty nifty, I can even call my Dad and Mom at work."

— Brother

"Holidays are always a special time at our house. But things change as you get older. Mom and Dad are still at home in Pennsylvania, my sister has moved to California, and my family and I are here in Texas. It's hard not being able to go home for the holidays. But with THREE-WAY CALLING,

even when you can't be there, you can still get together. And what would the holidays be without a family get-together?"

— Dad

"This CALL FORWARDING is such a convenience, especially when we all go off together on a weekend or family vacation, or even just out for the evening. I just dial a code number and a friend's or relative's phone number, and all of our calls are transferred to their house. No one knows we're gone and we don't miss any messages either. CALL FORWARDING means real security and peace of mind."

— Mom

Insuring Good Health

In ancient India, the practice of medicine became known as *ayurveda*. It stressed preventing as well as treating illness.

Today, doctors and many health insurance companies stress what the Indians did years ago—prevention. People with good health plans are free from worrying about how they'll pay their medical bills. They can afford to see their doctor before they get sick.

Among the Neighbors

by Helen Fisher

A cheery smile and the name Cecil Crawford have been synonymous in the memories of all the neighbors for many years.

Saturday evening, in Oklahoma City, Cecil Crawford passed away. He was 80 years old and had been a resident of the Central Oklahoma Christian Home in Oklahoma City for several years.

In 1981 he suffered a stroke and had been confined to a wheelchair.

Services are scheduled on Thursday at 2 p.m. in the First Methodist Church in Spearman with interment at Hansford Cemetery.

Cecil and Birdine Crawford came

to Spearman in 1927 and were a vital part of this community for many years while they were raising their family. They farmed just north of Spearman, and he moved to Amarillo in 1974.

He was preceded in death by Birdine in 1974 and a son Mac in 1986.

He is survived by a son, Mike, of Oklahoma City; daughters Donna Deupree, of San Diego; Marilyn Gragg of Oceano, Ca. and Cathy Herring of Denver;

12 grandchildren and six great grandchildren, and other family members -- Maxine Banister of Spearman and Don Bennett of La Habra, Ca.

Sympathy is extended to this family.

Hollie and Earl Riley were honored guests at an anniversary dinner at the Amarillo Club Saturday hosted by Mr. and Mrs. Pat Northcutt.

They returned late Sunday after celebrating Earl's birthday and their anniversary. Earl admits to their 54th anniversary and his 39th birthday.

Recently there was a notice in the Amarillo paper of the upcoming reception on the 50th wedding anniversary of Mr. and Mrs. Gilbert Pendley. This was cancelled when she was taken to the hospital where she died on Novem-

ber 10.

There are many here who remember the Pendleys when they lived here in the late 1950s and early 1960s. Their son Dickie is married to the former Florence Entekin and they live in Rowlette, Tx.

Mrs. Sherry McGinnis with Angela and John came over from Amarillo on Sunday to visit her parents, the Billy Jones. The occasion was to share Mrs. Jones birthday.

Linn Gibner, of Portland, Or. is with his father, Woodrow Gibner, in Amarillo this week. His mother is still seriously ill in ICU in High Plains Baptist Hospital.

Mr. and Mrs. Dwayne Mitchell had an especially enjoyable weekend by having both their daughters here.

One is Shelly Baloglou, who teaches in Ida Lou, and whose husband, Chris, is stationed at the Ft. Lewis Army Base in Washington state.

Their other daughter, Paige, and husband Chris Sultemeier, came from Manhattan, Ks. She is a dietician at Kansas State University and he is stationed at Ft. Riley Kansas Army Base.

Sharing the jubilation and exhilaration with the girls and coaches at the cross-country meet at Georgetown over the weekend were a number of friends and relatives.

Among them were Lois and Marsha Shieldknight with Kelly and Quentin; Mr. and Mrs. Charles Shieldknight with Ashley and Macy; Ron Cook with Stacy and Mary Katherine; Mr. and Mrs. Larry Butts with Mack, Mike and Kelli;

Leann Gillispie, Debbie Stopper, Judy Schaeffer, Mr. and Mrs. Dennis Nelson, Mary Ann Lasater, Sheila Watley, Carla Flowers and Brent Kirkland from Levelland.

Expressions of admiration and amazement came from all sources except from Mrs. Mary Davis, of Hollis, this weekend.

Mrs. Davis for the third year exhibited and sold her handiwork at the Arts and Crafts Show here.

All her quilts, afghans and other handiwork sold quickly. The reason for the amazement? Mrs. Davis is 88-years old.

She is the mother of Mrs. Blant McGee and had spent the week here with them. They took her to Amarillo on Monday where she

TRIVIA QUESTION

How many Interlibrary loan books did Hanford County Library loan to other libraries during the past year?

ANSWER: 241

8th Lynx drop Gruver; 7th, frosh lose games

The eighth grade Lynx rode a 9-point advantage through three quarters of play to post a 25-16 win over their Gruver Greyhound counterparts Monday evening in the season debut for both cager squads at the Spearman gym.

But Gruver proved too much to handle for the seventh and ninth grade Spearman boys basketball teams as they dropped their contests with cross-county rival Gruver.

The frosh Lynx came up on the short end of a 37-23 encounter while the seventh grade Spearman crew was edged out in a 20-19 decision Monday night.

Tim Kizziar hit in double figures for the eighth grade Lynx, one of six players to score for Spearman in the opener.

Gruver ran into trouble in the first quarter where they couldn't score a point while Spearman jumped out to a 7-0 lead.

By halftime, the Lynx had established a 9-point advantage which they rode through the remaining two periods of play, posting a 19-10 third quarter score and setting the final at 25-16.

The second quarter proved the undoing of the Spearman seventh grade Lynx. A close first frame saw Gruver edge out to a 6-4 lead, but the Lynx were unable to put another marker on the scoreboard before halftime as the Greyhounds went out to a 10-4 first half edge.

Spearman matched them point-for-point in the third stanza, then put on a strong fourth-quarter rally which fell one-point shy as Gruver held on to claim the win, 20-19.

Leading scorer for Spearman was Justin Boyd with six points.

A close first half of freshmen basketball action saw Gruver hit for 11 unanswered third quarter points to go out to a 25-15 lead over their Spearman hosts.

And the Greyhounds didn't slow down in the final frame as they outscored Spearman, 12-8, to put the final at 37-23 for Gruver.

Alan Howell and Shawn Tanner each turned in six points apiece to pace the frosh Lynx.

Library News

LITERACY ALERT!

Free tutoring is now available for adults needing to learn how to read. A Spearman woman has recently received certification from the Amarillo Area Literacy Council to teach reading to adults on a one-to-one basis. Any adult needing this service may contact the librarian at 659-2231. The tutoring sessions will be held upstairs at the library, and the times will be arranged between the tutor and student. This is a free service provided by the tutor and your library. This is reading for English-speaking, not reading English as a second language.

ORPHAN LIBRARY CARDS.

What do Shayla Greeson, Tammy Butcher, and Casey Nobles have in common? They all have "orphan" library cards, which they left at the library. They may claim their cards at any time.

SPEARMAN GENEALOGY

Will anyone having information on Thomas Spearman, the man Spearman was named for, please come forth. I have recently received a letter from a man in Florida and a phone call from one in South Carolina requesting information on our local mystery man. He supposedly worked for the Santa Fe Railroad in 1917, and that's all I know about him.

While we're on the subject of Spearman's yesteryears, remember that the library has the entire collection of cassette tapes KRDF's Coy Palmer recorded in 1974. He interviewed many of our local pioneers of Hansford County. Their opinions, remembrances, and wit are all on tape, and the tapes may be checked out.

SCHOOLDAYS

High school students are sprouting up at the library. Spearman High Seniors are doing poetry research for Mr. Mitchell's English class. And if you happen to notice kids leafing through books, counting pages, those are Mr. Benton's English students trying to determine how many books they need to read for book reports for the 500 page minimum each six weeks. Ten easy books, or one fat one? Decisions! Decisions! Mrs. Burman's Gruver High English class has begun depleting our shelves of critical and biographical books on English authors.

STORYTIME

Wednesday mornings are still the busiest times at the Hansford County Library when parents bring their preschoolers for Storytime. Attendance has averaged 25 children at each session, making this the library's most successful Storytime season ever.
