

For Paving

Bids Opened

Bids for the city's water project were opened Thursday evening in a called meeting of the city commission. The water improvements project was made possible earlier this year when the city was given a grant and loan for the needed improvements.

Kenneth Pruitt of the Dimmitt FHA office, met with the commission along with city engineer Bud Buie of McMories and Associates.

Bids were received from Tank Builders and Cooper Scott for the storage facilities. The commission accepted the

\$47,778 bid of Tank Builders with a 180 working day contract. Cooper Scott's bid was \$52,000.

Bids on the water lines were made by Panhandle Construction, \$42,805.20; Western Ag Sales, \$35,750.41; Novak Construction, \$35,330; Wes Tex Construction, \$33,505 and Irrigation Incorporated of Littlefield, \$32,689.70. The Littlefield firm's bid was accepted.

Contracts will be drawn and signed at a later date.

Meeting in regular session Monday evening, commission

members passed four ordinances dealing with the paving project. Ordinance #62 concerns the necessity of paving; #63 approves plans and specifications; #64 concerns the appropriation of funds and approval of supplementary contracts; and #65 calls for a public hearing. Date set for the hearing is Oct. 30 at 7 p.m. in the community room of Farmers State Bank.

Attending the meeting with Mayor Frank Barnes, Commissioners W.T. King and Bob Bowden and City Secretary Virginia Reed was Tom Moore, paving attorney.

Turn-Over Hurts Two

A one-car accident Sunday night sent two young Hart men to Plains Memorial Hospital for treatment and observation.

Bill Warren, son of Mr. and Mrs. Lyndall Warren, and Phil Foster, son of Mr. and Mrs. Wamon Foster, were taken by car to the Dimmitt hospital.

A passing motorist brought the two into Hart Sunday evening. They were driven to the hospital by Warren's parents. Warren was released Monday afternoon while young Foster remained for x-rays and further observation.

Ocurring at approximately 8:45 p.m., the accident was investigated by Texas Highway patrolmen Dyrle Maples and Jackie Gunnels.

Warren was the driver of the 1962 Volkswagen which overturned about 2.4 miles south of Nazareth on FM 168. Traveling north, Warren apparently lost control of his vehicle when he ran off the roadway and jerked the steering wheel back. The

car crossed the highway and overturned in the bar ditch on the west side of the highway.

Escaping seious injuries, Warren suffered a broken nose,

bruises and cuts on the forehead, chin and leg. Foster was to undergo x-rays to determine if he suffered kidney injuries in addition to bruises.

Cary McLain Takes Win In Four Way Deadlock

Misses were the rule again last week for contestants in the Hart Beat football contest. Multiple upsets of favorite teams resulted in contestants finding themselves wrong on four or more games. Many missed as many as eight games.

Four contestants however posted just four misses and the tie-breaker was brought in to determine the week's winners. Cary McLain was the nearest to the actual score of the Longhorns and Swifts. Off eight points with a 20-13 prediction, he claims first place.

Second and third place winnings will be equally

divided by William P. Holland of Olton and Kathy Moore who were off 15 points each with 22-6 and 7-21 predictions, respectively. Shirley Tucker of Plainview was the fourth contestant to miss just four games but was out of the money with her tie-breaker prediction of 38-7, 30 points off the actual 13-12 Horn victory.

Mrs. Tucker is joined by Ted Averitt and Everette Heller in first place for the season. The trio has 34 correct picks each. Close back are a large number of contestants who could hold that lead next week.

ENOUGH ALREADY - Three-year-old Della Rhynes, daughter of Mr. and Mrs. Lonny Rhynes, shares the same "weather weariness" as grown ups in this agricultural area when skies continued to weap into the early part of this week. Note the same tired reaction of Della's little black pet.

Vegetable Growers Form Promotion Organization

Vegetable growers and shippers of the Texas High Plains have formed a new organization to promote the commercial vegetable industry of the region. It is the High Plains Vegetable Growers and Shippers Council, Inc.

The High Plains vegetable industry spans a region extending from Northwest Texas through Eastern New Mexico. Over 200 major growers and shippers produce and market vegetables from more than 50,000 irrigated acres. Potatoes, onions, carrots, bell peppers and lettuce head a

list of 15 vegetables with a farm value of over \$70 million.

The council will collaborate with people in research and education, guide industry and public policy, and cooperate with agribusiness interests, said Charles Schlabs of Hereford, council president. Council directors will appropriate funds to sponsor research and educational programs designed to solve problems and encourage the exchange of scientific and practical knowledge relating to production, marketing and consumption of

Farmers Say 'Enough,' Ready For Sunshine

Local farmers have reached the point of crying "Uncle" to Mother Nature as rainy skies continue to bless unharvested crops with moisture.

The official rainfall reading for the city, recorded at Farmers Grain, is 1.91 while amounts grew heavier in all directions.

Deryl Clevenger, east of town, has received between two and two and a half inches

with corn harvesting just started. Just as everyone else, his request is for sunshine.

E.E. Davis reports about four inches at his place 10 miles northeast but adds that his corn harvesting is complete. Milo, he says, is ready for harvesting and he's ready for sunshine.

Just south of town, Mrs. Cecil Ray Jones reports that more than two inches had fallen prior to Monday's slow drizzles.

Program On 'Heritage' Given At Xi Mu Iota

"Heritage" was the program topic used Thursday evening by Mmes. Charles Black and Bob Reed. Members of Xi Mu Iota chapter of Beta Sigma Phi heard taped interviews of local residents on what heritage meant to them.

The program leaders incorporated a family tree of the Kennedy family of Hart.

Ritual of the Jewels was given Mrs. Lanny Tucker and Mrs. Lanny Wheeler.

Plans were made for a Mexican food supper Friday, Oct. 20 in the school cafeteria.

Centered with a dried autumn arrangement, the party table offered refreshments of homemade goodies, tea and coffee.

Attending were Mmes. Wheeler, Tucker, Black, Reed, Weldon Jones, David Smith, Frank Barnes, Robert Lowery, Jerry Allen, Theron Morrison, James Campbell, James Jackson, J.D. Myrick, Ted Averitt and Bill Brantley.

Hostesses for the meeting held in the community room of Farmers State Bank were Mmes. Averitt and Brantley.

Bridal Courtesy Fetes Mrs. Greg Couch Recently

Mrs. Greg Couch, nee Tammye Hill, was complimented recently with a bridal courtesy in the home of Mrs. DeWayne Brown.

Special guests were Mmes. Evelyn Hill of Lubbock and Charles Couch of Anton, mothers of the newlyweds, and Mrs. Lucille Couch of Olton.

ENERGY SAVING

Energy use and heat output of a small toaster oven is very small compared to that of a conventional range, reports Linda McCormack, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

NEPHEW VISITS

Leon and Mozell Monk of Ft. Worth visited recently with his uncle, Mr. and Mrs. Earnest Martin.

WEEKEND GUESTS

Wayne English and Mike Elkins of Hale Center visited over the weekend with Mr. and Mrs. Earnest Martin.

grandmother of the bridegroom.

Guests were registered by Mrs. Bill Rich.

The party table was laid with an ecru linen cloth with earth toned silk flowers for decor. Miniature cakes and punch were served from brass appointments. Presiding were Mmes. Bob Berry, Wister Clevenger, Jim Werner and Miss Kay Berry.

Hostesses presented the honoree with a brass tea service and stainless flatware.

Assisting with hostess duties were Mmes. Berry, Werner, Cleverter, Rich, Ted Averitt, Joe Percy Hart, Weldon Jones, Newlon Rowland, Joe Ed Carson, Tom McLain, Jack George, Bill Brantley, Glen Reed, Jerry Allen, Cecil Ray Jones, Theron Morrison, Ed Bennett, Jack Dyer, Mack Davis, Daryl Davis, Randy Griffith and Carl Rambo.

IN CLOVIS

Mrs. Earnest Martin and Mrs. Bessie Mae Cox were in Clovis recently.

Sorority Meets Thursday Night

Fellowship hall of First United Methodist Church was the setting Thursday evening for a meeting of Chi Psi chapter of Beta Sigma Phi.

Mrs. Carl Neinast presented a program on "Living." "Growing Up" was the topic led by Mrs. Gale Long.

Members voted to sell family portraits.

Attending were Mmes. Steve Cox, Greg Crosby, Lonnie Davis, Ronnie Griffith, Ricky Farris, Quincy Hawkins, Gene Huntsinger, Gayla McClenny, Don Moore, Danny Rice, Charles Richmond, Don Sanders, Mack Steffey, Sue Summers, Monty Upton, Mike Wall, Neinast and Long.

Vegetables

Continued from page 1

vegetables and other agricultural products.

Immediate high priority will be placed on developing adapted potato varieties, reducing potato disease losses, mechanizing onion planting and harvest, and improving the quality of the High Plains vegetables delivered to distant markets.

Officers, in addition to Schlabs, are Jerry Allen of Hart, vice president; Ray Frye of Hereford, secretary-treasurer, and directors Cameron Gault and Bill Reinauer of Hereford, Preston Walker of Plainview, and David Smith of Hart.

The council is actively seeking membership from interested growers and shippers, as well as from agribusinesses allied with the vegetable industry. Persons interested should write the High Plains Vegetable Growers and Shippers Council, Secretary Ray Frye, P.O. Box 226, Hereford, Texas 79045.

FROM AMARILLO

Mr. and Mrs. Bill Tucker of Amarillo visited her parents, Mr. and Mrs. E.E. Foster Sunday.

DINNER GUESTS

Sunday dinner guests of Mr. and Mrs. Jim Dalton were their children and grandchildren, Mr. and Mrs. Aubrey Myers and Karen, Lynn Myers, Mr. and Mrs. J.C. Miller and Laura and Mr. and Mrs. David Dalton and children of Dimmitt. Mrs. Lucille Myers was also a guest.

ATTEND FAIR

Mr. and Mrs. Mike Wall and David attended the Panhandle South Plains Fair Saturday in Lubbock.

Be a smart shopper and compare auto loan rates. They vary from lender to lender, explains Linda McCormack, family resource management specialist with the Texas Agricultural Extension Service, The Texas A & M University System.

Lions District Governor Speaks To Local Club

Al Trimble of Dumas, District Governor of Lions 2T1, brought greetings to the local club at their regular luncheon meeting Monday.

Other guests were Jim Witt, Lanny Witt, Lynn Myers, Ernest Holtz of Broken Arrow, Okla., Sweetheart Stacy Averitt and Mozelle Trotter.

Lion Boss Bob Bowden read thank you letters from South Plains Blood Services and Keith Reed. Son of Mr. and Mrs. Bob Reed, Keith was chosen as the recipient of the club's college scholarship. The \$200 scholarship is given \$100 per semester.

Announcement was made for members to be planning for the produce gift to Girlstown. The club will deliver gifts of potatoes and carrots to the home. Persons interested in giving grain to be used for livestock feeding at the home

are asked to notify a member of the club or Farmers Grain.

Trimble spoke to the club of visits to Detroit, Mich., and Little Rock, Ark., and noting work by Lions in those states with projects for the blind.

He also spoke of Texas Lions' work with Girlstown and the crippled children's camp and expressed appreciation of the work being done by the local club.

Miss Robertson Is Honored

Mrs. Bill Brantley hosted a bridesmaid luncheon Saturday honoring her niece, Jeniece Robertson, bride-elect of Bobby Giles. The party was held in "Something Special" in Dimmitt.

Honor guests were mothers of the couple, Bertie Mae Robertson and Lula Giles, and a grandmother, Maye Lamb.

Favors were hand painted bells.

Luncheon was prepared and served by Mrs. Bud Hill.

Attending were Miss Robertson's bridal attendants, Jenell Massey, Harla Brown, Connie Smith and Vickie Milliken, all of Lubbock; Rita Altman of Ft. Worth; Robin Webster of Abilene; Roxie Kidd of Winchester, Va., and Billie Joe Brantley.

SUFFERS BURNS

Chris Rodgers, son of Mr. and Mrs. J.D. Rodgers, suffered burns on his legs when he fell on a grate. He missed two weeks of school. His brother, Roy, had two fingers fractured while playing ball at Nazareth.

FROM SPUR

Mrs. Dean Parsons and Skinny Robinson, both of Spur, visited in the home of Mr. and Mrs. J.D. Rodgers this summer and helped Mrs. Rodgers can 1,000 jars of food for the Rodgers' family and the students of Lubbock State School.

VISIT SON

Mr. and Mrs. R.A. Futtrell spent Thursday night with their son and daughter-in-law, Mr. and Mrs. Weston Futtrell in Dumas. A grandson, Brent Futtrell, visited them there.

CLUB TO MEET

Mrs. Kenneth Lambert will be hostess Tuesday for the Good Neighbors Club. The annual penny auction will be held.

Card Of Thanks

Miles joins me in saying thank you for all the nice and kind things you did for me while I was in the hospital.

The prayers, the cards, letters, food, visits and every thing you did.

The people of Hart are just wonderful.

Ted & Miles Cox

We want to say thank you to everyone who helped in providing our new home at the J.D. Rodgers' farm. For every gift, we are sincerely grateful. May God bless you.

Jay Clay, Joe Turner, David Boaz, Danny Boaz and David Sadler, students of Lubbock State School

MRS. BUDDY PIERCE

Cook of the Week

Moving to Hart from Houston this summer was "All to the good!" exclaims Mrs. Buddy Pierce. A third grade teacher in Hart Elementary School, Patsy says her family is happy to be settled in a small, friendly community instead of the big city.

Buddy is the new head football coach and athletic director.

The Pierces have three daughters. Penny is a sophomore at Hart High School; Jana, a seventh grader and Joni, a first grader. The family attends the Church of Christ.

Patsy and Buddy grew up in neighboring towns in East Texas and dated in high school. They were married while working on their college degrees. Patsy chose Stephen F. Austin University; Buddy went to Lamar.

Combining teaching and homemaking, Patsy finds there's little time for hobbies. Spare time is filled with activities in which their daughters are involved and being ardent Longhorn fans.

FRIED STRING BEANS

1 can string beans (long beans are better)
3 T corn meal
1/4 c flour
1/2 t salt
pepper
1 c Crisco Oil

Drain string beans. Add meal, flour, salt and pepper. Coat beans in mixture very well. Fry in Crisco until lightly brown. Don't crowd them in pan, they fry and taste better.

PORK CHOPS & DIRTY RICE

6-8 pork chops
1 c rice

2/3 c chopped green onions
1/2 c chopped celery
1 t salt

Layette Courtesy Fetes Mrs. Wayne Ethridge

Mrs. Wayne Ethridge was feted Monday afternoon with a layette courtesy in the home of Mrs. Audelio Sarabia.

Laid with a white lace cloth, the party table was graced with

a floral arrangement in yellow and white. Cookies and punch were served from crystal appointments by Mmes. Steve Cox and Lonnie Davis.

Gifts were registered by Mrs. Clinton Holiman.

Hostesses presented the honoree with a corsage designed of yellow baby socks and a diaper bag, car seat, baby book and swing.

Assisting with hostess duties were Mmes. Cox, Davis, Holiman, Stanley Dyer, Lester Aven, Ed Bennett, F.A. Smith, Eddie Price, Bob Lowrey, Barry George, Kent Irons, Don Sanders and Calvin Alexander.

Hill-Couch

Vows Pledged

Tammye Jean Hill and Gregory Lance Couch were married in an 8 p.m. ceremony Wednesday in the home of the groom's parents, Mr. and Mrs. Charles Couch of Anton.

Parents of the bride are Mrs. Evelyn Hill of Lubbock and Bill Hill of Hart.

The bride attended Monterrey High School in Lubbock. The groom is a graduate of Anton High School.

Following a wedding trip to Ruidoso, N.M., the couple will live in Anton where the groom is engaged in farmir

CAMPUS CRACKS

By Tracy Rich & Mark Werner

Steven B.: If you had three clams and gave one away, then I took two, what would you have?

Kelly J.: A worthless reason for being in business.

B.J.B.: What is a tree?

Stacy A.: A tree is a bush that made it.

Mark, world renown philosopher says: Rain is always followed by sunshine, however, sunshine is always followed by rain so use your own judgement.

BRAIN TWISTER

By Dana Cobb and Lucia Berumen

The following people were asked what they would do if they encountered a YLANG-YLANG:

Abel Reyna: Say "You got a weird name."

Miss Criswell: "I have about 25 of them in each class."

Lori Barnes: Give it to the Texas Tech Red Raiders

Coach Vandiver: Run like heck

LaGlenda Wilson: Send it to China

B.J. Brantley: Kill it
A YLANG-YLANG is a tropical Asian tree.

TEACHER PROFILE

By Cindy Brooks

The new teacher presented this week is Coach Bert Vandiver. He was born and reared at Dalhart and graduated with a Bachelor of Science in 1974 from West Texas. After graduation he taught four years in Pampa where he met and married his wife, Vicki. While he coached there, Pampa won two district championships in football, nine individual district championships in track and two overall district team championships in track.

At Hart he is first assistant football coach and also teaches Health and Drivers Ed. His hobbies include fishing and hunting and says his pet peeve is "carrying out the trash". He also enjoys the show M*A*S*H and when asked what he thought of Hart, Coach Vandiver replied, "It's a nice little town."

Horns Win 13-12**'It Was A Barn Burner'**

By Monty Upton

It was a barn burner as cross-country rivals Hart and Nazareth got together in Longhorn Stadium Friday night.

Hart kicked off to the Swifts who drove to the Hart 40 before having to punt. Dwayne Acker's kick went into the end zone so Hart got the ball on their own 20. On the Horn's first play, QB Ricky Rowland set the Hart pattern of the evening as he hit TE Pat Ritter drifting across the middle. When the Swift defender stumbled, Ritter hooked it down field to

pay dirt on the 80 yard play. With 8:49 left in the first, Kelly Jones' PAT kick was low.

The next two Nazareth drives were stopped by fumbles. Neal Wilhelm bobbled the first and Hart's Scott Jones fell on it at the Swifts 34 but the Horns were unable to capitalize thanks to a 15 yard penalty. Ricky Rowland came up with the next Swift fumble at the Hart 33. Again the Horns were unsuccessful at driving the ball.

The second quarter opened with Nazareth in possession at their own 32. Using eleven plays, they moved to the 1

where, on a third down, Dwayne Heck dove in for the score. Dwayne Acker's PAT kick was wide with 8:19 left.

After an exchange of punts, Nazareth's D. Acker's being a 59 yard boomer, Hart moved 50 yards to the Swift 30 on Rowland's runs (6 for 29 on the series) and an 11 yard Rowland to Ritter pass before being turned by a 20 yard penalty (point of infraction).

After three incomplete Swift passes play ended with the score knotted 6-6.

Following intermission, Hart's QB Rowland had a pass

picked off by Acker giving Nazareth ownership at the Hart 27. The Swifts rapidly drove to the Hart 1 before a 15 yard penalty pushed them back. Hart's defense tightened as guard Danny Rodriguez, backer Daniel Higgins, and monster Nathan Ingram, among others, held the Swifts to 8 yards and forced Acker to attempt a field goal. However, it was wide so the score remained knotted.

Hart then had the ball only two plays before Rowland coughed it up at Horn 11. Three plays later, QB Chris Hatla got the go ahead score from 1 yard out with 5:44 left. PAT kick failed.

Ingram returned the kickoff into Nazareth territory at the 49. Rowland, FB Chad Black, and HB Isaias Ponce running behind blocks of men like Marlin Marble and Benny McClain drove to the Swift 20 before giving up the ball on downs.

Following the Swifts forced punt, Rowland was again intercepted at the 50 by Bryan Huseman on the second play of final quarter who returned it to the 29. A Hart penalty tacked on another 15 to the Horn 14. Hatla got 10 yards, Heck got one, and Acker caught up the ball with freshman defensive tackle Roy Martinez scooping it in at the 3 to make his first varsity game very special.

Neither team moved the ball on their next possession but Ponce dribbled it on Hart's third series and Randy Huseman captured it on the Horn 35. The Swifts were unable to move the ball under pressure from Scott Jones and freshman Melvin Washington who got the QB Hatla for a 4 yard sack. Unable to complete a pass all night because of defensive pressure, the Swifts gave up the ball at the Hart 25.

Finally developing an offensive drive as time was running out, the Horns used Ponce runs and Rowland completions to

Ritter and slot back Steven Brantley as well as a Swift interference call to move to the 30. From there, Rowland hit Ritter again to go the final yards for the TD. With only 2:09 showing and the score tied at 12 each, PAT kicker Kelly Jones was certainly under pressure but he took it like a pro and booted to go ahead point.

Nazareth had the ball for one last series with enough time to be a real threat. However, Ponce intercepted a Hatla pass at the Horn 48 and returned it to the Swift 46. Hart, using Jesse Gonzales alternating as he had all night at slotback, ran out the clock.

Ricky Rowland ended the night with 56% completions and 148 yards, seven of those to end Pat Ritter for 141 yards. Rowland was also Hart's leading rusher with 48 yards.

Hart takes on the tough Petersburg Buffaloes next week at their place.

DAUGHTERS VISIT

Jean Foster of Lubbock and Karen Foster and her fiancée Art Owen of WTSU, Canyon, visited their parents, Mr. and Mrs. Wamon Foster, Phil and Kim over the weekend.

Every farm has a different irrigation need. Custom-designing an irrigation system for your farm can save you money now and in the future.

Your Lindsay dealer can now integrate several different pipe sizes into one Zimmatic, custom tailoring the system to the application needs of your farm.

Lindsay's system design approach offers total flexibility for every size farm. All Zimmatic models, spans and components are designed to be compatible with each other.

Lindsay's several pipe sizes offer custom design flexibility that takes into account such factors as length of

system, friction loss, gallons per minute, pump horsepower, hours of operation and soil conditions. This unique flexibility allows minimum friction loss and pressure requirements while reducing the pipe size to handle the lower G.P.M. being pumped through the last half of the system. Your Lindsay dealer is professionally trained to incorporate these variables into a system design most cost efficient for your farming needs.

If you are in an area where you need supplemental moisture for an excellent crop, you might consider a custom-designed Zimmatic system utilizing all 510 or 507 spans. The 510 and 507, newest of the Zimmatic family, utilize proven Zimmatic parts with a new, smaller diameter pipe size that reduces irrigation installation cost per acre. They are ideal systems to supplement moisture needed for your crops. And you can still count on Zimmatic 510 and 507 to provide center pivot uniformity and reliability.

If your fields are small but you still need the benefits of center pivot irrigation, consider the Zimmatic Mobile Pivot. It supplements crop

moisture needs on a smaller scale. It's a compact irrigation system that combines all the advantages of rugged center pivot design with the required flexibility for supplemental irrigators.

It's only natural for an evolutionary systems approach of engineering like this to come from Lindsay. Lindsay pioneered full section systems, low pressure spray and long span systems. And only a professional dealer-network like Lindsay's could handle such a unique service.

See your Lindsay dealer today and let him demonstrate the design flexibility of the new Zimmatic systems. With a custom-designed Zimmatic you'll get maximum application with energy efficiency while minimizing your investment. Your new Zimmatic will provide you with years of dependable service under the most rugged conditions. All Zimmatics are backed by the most extensive warranties in the business and you can count on full-time factory trained dealer service-men that know their business and yours.

Invest in the best irrigation system at the lowest possible cost... a tailor-made Zimmatic.

Know how.

Having a little know how can go a long way these days.

Like knowing the ins and outs of buying a home. The do's and don'ts of saving energy. The ups and downs of investing.

So that's why the Consumer Information Center of the U.S. Government put together this helpful little catalog. The Consumer Information Catalog.

It lists more than two hundred federal publications you can send for. All of which can help put you in the know. About your car, your home, your health, your finances, your plumbing, you name it.

Better yet, the catalog is free. And more than half the publications in it are, too.

Want to know how to get hold of a copy?

Simply write to:

Grocery's Best Buys Told By Extensionist

Best buys at Texas grocery markets this week include fryer chickens, turkey parts, eggs, frozen orange juice, cooking greens and dry yellow onions, Mrs. Gwendolyn Clyatt reports.

Also, brown sugar and confectioner's sugar has sale prices -- with an eye on upcoming holidays, she says.

Mrs. Clyatt is a consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

This week's price-quality trends include the following:

POULTRY - Both whole fryer chickens and mixed parts are bargains, and turkey parts have low prices in some markets. Medium-size eggs usually are the best buy currently.

FRESH VEGETABLES - Dry yellow onions in heavy supply have attractive prices in many markets. Cooking greens - mustard, collards and turnips - and others from local truck farms have excellent quality at reasonable prices.

Other economical items are cabbage, carrots, corn, bell peppers, squash and potatoes. Buy only small amounts of sweet potatoes, since current supplies are not cured. Late fall and winter supplies will be cured, and they will keep

longer.

More attractive prices appear on eggplant, broccoli and cauliflower.

FRESH FRUITS - Most economical items are bananas, plums, cantaloupe and honeydew melons. Some grape varieties have lower prices. Soft summer fruit supplies are dwindling. New-crop apples and pears have larger supplies, but prices are high.

DAIRY - Look for features on chocolate milk, sour cream, yogurt and cheeses.

BEEF - "Specials" are fewer. Most economical choices are chuck roasts and steaks, boneless roasts, round steaks, liver, ground beef - and ground beef with soy protein.

PORK - Supplies are larger, but prices remain on the high side. Check prices on Boston butt and fresh picnic roasts and quarter loin sliced.

CONSUMER WATCH-WORDS: Nonfat dry milk is in unusually heavy supply.

MOTHER VISITS

Mrs. Jud Davis of Heritage Home in Plainview visited Sunday in the home of her daughter, Mr. and Mrs. Jerry Kittrell, Theresa, Melissa and Gayla. Other guests were Mr. Davis, Mrs. Tom McLain and Mrs. Ronnie Truelock and Robyn.

Irene's Ideas

By Irene Keating

Harvest season is here and everyone is busy contributing in his or her own way. Many farm wives are busy helping and need to prepare quick meals or plan foods that can be prepared by the children. Here are several recipes that are fairly quick, yet offer good nutrition.

MAKE-A-MEAL SOUP

- 1 lb smoked sausage, thinly sliced
- 1 onion, chopped
- 1 T vegetable oil
- 3 c water
- 2 chicken bouillon cubes
- 1 t salt
- 1/4 t pepper
- 1 bay leaf
- 1/2 t thyme
- 3 each, carrots & celery stalks
- 1/4 head cabbage, cut in 1-inch chunks
- 2 T uncooked rice
- 1 18-oz can tomato sauce
- 1 15-oz can kidney beans
- 1 28-oz can whole tomatoes

In large saucepan brown onion in oil until tender. Add remaining ingredients. Cover and simmer 30 minutes. Makes 6-8 main dish servings.

SCHOOL DAY CHOWDER

- 1/2 lb franks, sliced
- 1 c celery, sliced

- 1/2 c carrots, sliced
- 1/2 c green pepper, chopped
- 1/4 c onion, chopped
- 1/4 c margarine
- 1/4 c flour
- dash of pepper
- 2 1/2 c milk
- 2 c (8 oz) shredded sharp cheddar cheese

Saute franks and vegetables in margarine. Blend in flour and pepper. Gradually add milk. Cook, stirring constantly, until thickened. Add cheese and stir until melted. Makes 6 servings.

To go along with your soup, make a good quick bread like the unusual biscuits.

GEORGIA BREAKFAST BISCUITS

- 2/3 c water
 - 1/4 c butter or margarine, melted
 - 2 1/4 c buttermilk pancake and waffle mix
 - 1 c oats (quick or old fashioned, uncooked)
 - 1/4 c sugar
 - 1/2 t cinnamon
 - 1/2 c coarsely chopped peanuts
- Add water and butter to combine dry ingredients, mixing just until dry ingredients are moistened. Stir in peanuts. Drop by heaping tablespoon-fuls onto lightly greased cookie sheet. Bake in preheated hot oven (425°) 12 to 14 minutes or until light golden brown. Serve with jelly or preserves, if desired. Makes 10 to 12 biscuits.

Booster Club Needs 'Boost'

Booster Club president Bill Ritter this week bemoaned the poor attendance and support of parents at the organization's Tuesday evening meetings.

"Our kids are tremendous. They're putting forth 110 percent while we're just giving about five percent," he said. "These kids are super and we need to give them our support. Maybe they aren't a championship team but they're tops and we owe them our support."

Booster Club meetings are held each Tuesday in the field house and are open to all supporters of the athletic programs in Hart schools. Ritter asks that parents, in particular, attend the meetings.

Last Tuesday's program was the viewing of the Longhorns-Mustangs game with comments from Coach Buddy Pierce.

CREDIT SEEKER

When shopping for credit, keep in mind that banks are less expensive, but they may require security and are more selective.

On the other hand, finance companied generally charge more and have higher penalties but will take more of a risk, says Claudia Kerbel, consumer information specialist with the Texas Agricultural Extension Service, The Texas A & M University System.

Ever Popular 'Hot Dog' Economical & Tasty

Hot dog lovers can say "hot dog!" with complete enthusiasm, according to a foods and nutrition specialist.

Hot dogs, wieners or franks, are a nutritious, economical and convenient food, says Marilyn Haggard.

Miss Haggard is with the Texas Agricultural Extension Service, The Texas A&M University System.

Taste and variety are other factors in the hot dog's popularity -- as proven by the 14 billion hot dogs that Americans eat every year, the specialist says.

Whether the franks are beef and pork, all beef or chicken, each one provides as much protein as an egg. Calorie-wise, one frank has 150.

And even more taste is available in the newest type -- coarsely ground wieners, Miss Haggard adds.

Wieners are a good buy since there is little loss during cooking, she says.

To cook wieners, cover them with boiling water and let them stand just long enough to heat them thoroughly -- or eat them right from the package since they are fully cooked by the manufacturer.

Of their content, Miss Haggard says wieners are about 85 percent meat, 5-10 percent added water and about 5 percent seasonings and cure.

By law, they can be 30 percent fat -- an amount slightly less than that in a broiled T-bone steak.

BIRD WATCHING JUST ISN'T THE SAME ANYMORE.

Junior High Grid Teams Take Wins Over Nazareth

By Coach McBroom

The 8th Grade Shorthorns soundly defeated Nazareth 36-0 last Thursday. Over 200 yards in total offense was collected by the Offense. We scored 6 TD's but one was called back because of a pushing penalty.

Leonard Washington, quarterback, led all scorers with 3 TD's. Bobby Valadez had one, Alex Carrasco added another.

Offensively, we were able to move the ball anywhere on the field against a weak Nazareth defense. We could have possibly scored at least two more times but not wanting to run the score up we began to substitute as many players as possible. Everyone played in the game.

Defensively we held Nazareth to about 50 yards total offense. Nazareth never did make a serious scoring threat because of our stingy defense. Outstanding players - The Entire Team.

Seventh Grade

Seventh grade footballers took a 30-0 victory over Nazareth last week on the 7th grade Swifts' home grounds.

Robert Martinez scored three touchdowns and a pair of two-point conversions. His TD

SERVE ICY

Serve frozen fruits slightly icy for firmness and immediately after defrosting, suggest Marilyn Haggard, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

FROM LEVELLAND

Ruth Townsend of Levelland visited recently with Mrs. Lucille Myers.

runs came on 40, 40 and 20 yard scampers. Martinez also intercepted a Nazareth aerial.

A 50 yard run by Robert Gonzales added another six points to the Shorthorn score. Arthur Finch trapped a Nazareth runner for a safety and two points.

Arnie Garza recovered a Nazareth fumble.

"Although Hart's offense laced smoothness in execution," said their coach, "it managed to score four touchdowns. It (defense) needs much work."

"Defensively, Robert Martinez, Robert Gonzales and Arnie Garza played very well. Gonzales at his defensive end position contained the run extremely well."

The Hart crew netted some 180 yards rushing.

LIGHTNING STRIKES

Lightning struck the Cecil Ray Jones home Tuesday and knocked out a two-way radio and damaged television sets.

MARK AMOUNT

Before storing a partly used can of paint, paint a thin line on the outside of the can at the level of the leftover paint, suggests Glenda Moore, housing and home furnishings specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

ACCEPT EQUALITY

Younger persons generally accept sexual equality, says Debby Johnson, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System. Persons ages 18-29 are more likely than ages 30-44 to share wage-earning and child care responsibilities, the specialist says.

What's Cooking At School

October 2 - 5

BREAKFAST

MONDAY - Pig in a flap-jacket, jelly, juice and milk.

TUESDAY - Hot cereal, buttered toast and milk.

WEDNESDAY - Cold cereal, fruit and milk.

THURSDAY - Honey bun, juice and milk.

FRIDAY - No school - In Service Day.

LUNCH

MONDAY - Barbeque beef on home made bun, cabbage slaw, ranch style beans, peanut butter cookies and milk.

TUESDAY - Enchilida caserole, tortillas, tossed salad, mex-hominy, cake and milk.

WEDNESDAY - Cheeseburgers on home made bun, potato chips, lettuce, tomatoes, onions, pickles, fruit and milk.

THURSDAY - Roast beef, hot rolls, green beans, whipped potatoes, apple cobbler and milk.

FRIDAY - No School

Sheltered Living Home Holds Open House

"Open House" at the Lubbock State School Sheltered Living Project at the J.D. Rodgers' farm was well attended Sept. 17 with some 150 persons registering. Persons attended from Dimmitt, Cotton Center, Lubbock, Olton, Spur, Tulia and Hart.

Mrs. Lynette Whitley, director of community residential services for the State School, attended with her family.

There are approximately 50 sheltered living homes throughout the Lubbock area, Mrs. Whitley noted.

The local project was seriously threatened in the summer when the house in which the five young men lived burned to the ground. Local people, with the help of others, came to the aid and the old

Percy Merritt home between Hart and Dimmitt was purchased and moved to the Rodgers' farm.

Gifts of materials needed for the remodeling, refinishing and repainting helped restore the sheltered living home in just two months. Furniture, appliances, food and clothing were given too.

In addition to holding down their daily jobs, the five young men helped Mrs. Rodgers and her mother, Mrs. Dean Parsons and "Skinny" Robinson of Spur in canning 1,000 jars of food for future meals for the five and the Rodgers' family. Produce gifts also included peas from Mr. and Mrs. Howard Mitchell, grapes from Mamie McLain and apples from Mr. Robinson.

Jay Clay, Joe Turner, David Boaz, Danny Boaz and David Sadler are the five students living at the Rodgers' farm.

CHLORINE BLEACH

Used properly, chlorine bleach whitens, brightens, cleans and disinfects laundry items. While chlorine bleach cannot be used on all products, it is safe on many, says Beverly Rhoades, clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System. Read bottle instructions for correct usage and list of inappropriate fabrics, she recommends.

ACCIDENT CONTROL

Farm accident surveys show that many farm and ranch work injuries could be prevented or made less severe with the use of appropriate personal protective equipment. This means the proper use of hard hats or bump caps, protective eye glasses or goggles, ear protectors, respirators and steel toe shoes, says the Texas Agricultural Extension Service.

Everybody's Market Place CLASSIFIED ADS
