Representative Said At Closed Meet Of Reds

SAN FRANCISCO (AP)—A House Un-American Activities Committee witness testified yesterday that he saw Rep. Robert L. Condon (D-Calif.) at a closed Communist meeting in 1948.

Condon, in New Orleans, said he understood the meeting he sat in on was a trade union affair which he and other Democrats attended in behalf of Democratic Party candidates. He also denied he was a Communist.

Condon, who was barred for security reasons from witnessing a Nevada atomic test last May, denied that he ever was a Communist.

Charles David Blodgett, an admitted ex - Communist, told the committee here he saw Condon at a "closed emergency meeting of Communist party members" at Oakland, Calif., in March or April 1948. The witness testified he did not know whether Condon was a party member, but he had never seen a non-communist at such a meeting.

Condon at the time was a candidate for the Legislature. He won, and last year was elected to Congress.

Condon said he had thought the Oakland meeting was a trade union affair which he and other Democrats attended in behalf of party candidates. Condon added, "I will put my loyalty and affection for my country and my people against any of the members of the staff of this Un-American Activities Committee who have drummed up these fantastic witnesses."

From New Orleans, where he is participating in hearings of a House committee, Condon told a San Francisco Chronicle reporter on the telephone:

"I am not and never have been or ever will be a member of the Communist party."

Condon, invited to appear before the Un-American Activities Committee in rebuttal at any time, asserted "this is a Republican committee touring the country to smear Democrats."

Condon said on the House floor last July his exclusion from the atomic test came about because the Atomic Energy Commission "did not fairly evaluate the information concerning me." He charged the ban stemmed from a "rehash of stale political charges" by his Republican opponents, and "hearsay."

Blodgett, an intense, soft-speaking Chicago salesman of 32, testified he saw Condon at a meeting of the Communists' political affairs committees for Alameda and Contra Costa counties. He said the meeting was called to decide whether the Reds would back a primary candidate against Rep. P. George Miller (D-Calif) to force Miller to take a campaign stand closer to the left.

9,000-Foot Wildcat Set In Borden Co.

Blanco Oil Co. and Newman Brothers Drilling Co. have filed application to drill their No. 2 W. L. Miller as a 9,000-foot wildcat in Southwest Borden County.

Location is 660 feet from south and 1,865 feet from west lines of section 12-33-t4n-T&P, 14 miles southwest of Gail and on a 40-acre lease. The drillsite is one and one-eighth miles southeast of Blanco Oil No. 1 W. L. Miller, a wildcat abandoned on total depth of 8,447 feet in the Pennsylvanian reef lime. It is also three and five-eighth miles north and slightly west of the Good field which produces from the Canyon said at about 8,175 feet.

HOWARD COUNTY

Woodson Oil Co. No. 1 Cole, two miles southwest of the Coronet 2900 field in North Howard County, has been plugged and abandoned on total depth of 8,399 feet in Mississippian chert.

This wildcat was drilled 330 feet from south and east lines of the northeast quarter of section 36-26-H&TC, about 11 miles northest of Coahoma.

SCURRY ACTIVITY

Ohio Oil No. 1 A. R. Turner, stepout to the Kelley-Snyder field, is preparing to drillstem test from 7,013-039 feet.

A three-hour drillstem test was run from 6,987-7,014 feet. Operator used a 500-foot water blanket. Gas surfaced in 45 minutes at a rate estimated to be 4,000 cubic feet per day. Recovery was three barrels of oil and gas-cut water blanket, four barrels of heavily oil and gas-cut mud, and three barrels of heavily gas-cut mud. An additional 300 feet of heavily oil and gas-cut mud was recovered below the circulating sud.

Flowing pressure ranged rom 375-575 pounds, with 15-minute shutin pressure 1,775 pounds. Operator drilled from 7,014-039 feet, recovering shale streaked with lime which had shows of oil.

In West Scurry County, Delta Gulf and others No. 2 H. H. Eiland is preparing to drill below 5,415 feet after a drillstem test from 5,349-415 feet.

The tool was open two and one-half hours. Recovery was 660 feet of slightly gas-cut salt water. Flowing pressure was 0-295 pounds, with 15-minute shutin pressure 1,575 pounds.

Taylor Oil & Gas No. 1 Winston Brothers, two and one-half miles southwest of Snyder.is drilling in lime below 6,817 feet. A one-hour drillstem test was run from 6,706-746 feet. Recovery was three feet of mud, with no pressures.

W. A. Moncrief, Jr., of Fort Worth has staked his No. 10 H. E. Rosser for immediate drilling one mile northwest of Snyder in the Kelley-Snyder field. Location is 467 feet from south and 1,950 feet more or less from east lines of section 178-3-H&GN. Rotary contract is to 7,200 feet.

FISHER FAILURE

Sid Katz Exploration No. 1 J. L. Maberry, East-Central Fisher wildcat, has been plugged and abandoned on total depth of 6,204 feet in Ellenburger dolomite. No formation tops or elevation were reported.

The No. 1 Maberry was 660 feet from south and west lines of the southwest quarter of section 56-1-H&TC, one mile south of McCauley.

DRILLING REPORT

General Crude No. 1-99 Young, Kent wildcat, is drilling in shale and sandy dolomite below 3,468 feet.

Giles & Doss No. 1 A. C. Cairns, four miles southwest of Clairemont in Central Kent, is at plugged-back total depth of 4,200 ft. Operator is waiting for cement to cure after plugging back from 4,600 feet, and is trying to straighten a crooked hole.

Santa Visits Henriann In Hospital Here

Santa Claus paid a visit yesterday afternoon to the bedside of little Henriann Hughes, five-year-old Snyder girl who has leukemia, and her mother reported the girl's condition improved this morning.

She is the daughter of Mr. and Mrs. Henry Hughes, 2505 Twenty-seventh Street.

Mrs. Hughes said that Henriann ate some food yesterday for the first time since last Saturday, and her temperature has been brought down to normal.

She was to have been given a blood transfusion this morning and glucose, Mrs. Hughes said.

Mrs. Hughes said that Santa's visit to Henriann was a real thrill for the little girl. Santa went to Battenfield Hospital to see Henriann after he had paid a visit to Snyder where he greeted hundreds of children at 4:30 o'clock on the square.

Two contributions to the Hughes family today added $77 to the $99 already given by sympathizers.

The Wedding Band Class of the First Methodist Church gave $25, and the Good Neighbor's Club gave $12.

Another $45 was collected at Mack's Used Car Lot, 2307 Avenue S, H. S. McCormick, owner, said.

Of that amount $25 was contributed by the St. Elizabeth's Alter Society, and $20 by individuals.

TURKEY HONORS ATATURK

Throngs of people gathered at this huge mausoleum outside Ankara, Turkey, as the body of Kemal Ataturk was entombed there. Ataturk was considered one of Turkey's great leaders. The ceremony was held on the fifteenth anniversary of his death.

SCS CHANGE ATTACKED, PRAISED IN HEARINGS

WASHINGTON (AP)—Secretary of Agriculture Benson came under new criticism and praise today, touched off by his reorganization of the Soil Conservation Service.

Carrying on the attack before a House government operations subcommittee, the National Assn. of Soil Conservation districts accused Benson of bad faith and demanded jettisoning of the plan pending further study.

The American Farm Bureau Federation approved the "broad plan" of reorganization and expressed "wholehearted" belief that Benson should carry it out.

REVAMPED DEPARTMENT

The House subcommittee called Benson and others before it in hearings starting yesterday to air the controversy over the reorganization, put into effect, Nov. 2 as part of revamping of the Agriculture Department.

Benson's appearance was brief. Asst. Secretary Earl Coke did most of the talking.

Coke declared the plan represented a desirable decentralization of authority that carried soil conservation to the state level where it would be of most help to the farmers.

TEXAN CRITICAL

As the first scheduled witness today, Waters S. Davis Jr. of League City, Tex., president of the National Assn. of Soil Conservation Districts, assailed the Benson reorganization as a "determined effort . . . to make soil conservation a partisan, political issue."

He said Benson's "promise to consult (with the association) was never kept" in its true sense, and that the association was "officially told that we would be shown the plan before it was made public but, if we didn't like it, not to get mad. There was no choice but to rebel."

Davis asserted not a soil conservation committee was among the 24 special advisory committees and conferences called by Benson.

INCOMPLETE FACTS

This, Davis asserted, "leads to only one conclusion: That action was taken based on extreme incomplete facts and serious lack of knowledge about the wishes of those most concerned."

"There is also raised," he said, "the very ugly suspicion that those in charge of reorganization had something to hide."

The association headed by Davis embraces about 2,500 soil conservation districts organized locally throughout the country.

It has levelled its sharpest criticism at Benson's abolition of the seven old regional soil conservation offices.

Conceding Benson has made "great forward strides" in subsequent modifications of the original plan, Davis said the service still "should be returned to the status quo before the Nov. 2 pronouncement by the department."

FARM BUREAU APPROVES

The Farm Bureau Federation voiced approval of Benson's general plan to regroup services and decentralize functions able to be performed at the state level.

George Wilson, a bureau director, said he felt soil conservation technicians could accomplish more in state offices than "under rigid rules laid down by distant regional or national offices."

Saying the plan was "in line with Farm Bureau thinking," Wilson said:

"The membership of the American Farm Bureau Federation..... wholeheartedly believes the secretary of agriculture deserves an opportunity to carry out his plan of decentralization with respect to not only the improvement and conservation of our soil resources, but also with respect to the Department of Agriculture generally."

TWO CHARGES FILED

Reporter Arrested Trying To Cover Police Hearings

BATON ROUGE, La. (AP)—Police booked a reporter yesterday on charges of disorderly conduct and interfering with officers while he was working on a story.

A warrant was served on reporter E. E. (Jersey) Smith at his typewriter in the Morning Advocate city room. He was taken to headquarters and released on his own recognizance.

Arraignment was set for 4 p.m. Monday. Conviction on the disorderly conduct charge carries a maximum fine of $100 or 30 days in jail while interfering with officers carries a maximum fine of $25 or 10 days in jail.

Smith was arrested Tuesday night at fire alarm headquarters where he was checking on an anonymous telephone tip that a police department hearing was being held on the suspension of an officer on a morals charge.

The reporter was taken to the station house and searched after he attempted to interview two women sitting outside the hearing room.

After the arrest, he was released without charge and Police Chief Joe Green ordered an investigation.

"I have a great respect for freedom of the press," he said in a statement, ". . . . but I feel the press should also respect the privacy of investigations being conducted."

A State-Times editorial denounced the arrest as a "hollow mockery" of freedom of the press, and said "things have come to a sorry pass in Baton Rouge" when reporters are subject "to the humiliation of the shakedown and the frisk" while covering stories.

The disorderly conduct count against the reporter said he was 'loud' and boisterous in his conversation, using profanity and continually trying to enter a room he had been told by officers was off limits to him. . . and did enter one room which was closed and attempted to interrogate persons therein."

The charge of interfering with officers said Smith "interfered by worrying officers and making a nuisance of himself in general."

Another Paper Added In New York's Strike

NEW YORK (AP) — The Long Island Star-Journal halted publication today when stereotypers refused to handle advertisements from struck papers in Manhattan.

Stephen Rogers, editor of the Queens afternoon paper, said in a statement, the stereotypers, who make casts for the advertisements, refused to handle the ads, contending it was "struck work."

The Star-Journal thus became the eighth paper in the Metropolitan area to give up publication because of a strike of photoengravers against six Manhattan papers.

Negotiators and a special panel of Federal mediators were due to pitch in again today at 9 a.m. (CST) in efforts to break the deadlock in the week-old photoengravers' strike which has left the city without a major newspaper.

A 2½-hour mediation session recessed early last night. Walter A. Meggiolo, general counsel of the Federal Mediation and Conciliation Service, reported no progress.

The dispute involves wages, hours, welfare benefits and holidays.

The special three-man mediation panel was set up yesterday on orders from Washington. It entered the talks at once.

The strike of 400 photoengaravers has choked off a total newspaper circulation of almost 5½ million and idled about 20,000 employes of six newspapers—the Times, Daily News, Daily Mirror, World-Telegram and The Sun, Journal-American and Post.

Grunewald Gets Out Columbia Jail Today

WASHINGTON (AP)—Henry W. (The Dutchman) Grunewald was released from the District of Columbia jail today after serving a term for contempt of Congress. He got out 10 days ahead of time, for good behavior.

Grunewald, a Washington wirepuller, was given a 90-day suspended sentence June 4 for contempt in refusing to answer questions in a House committee investigation of Internal Revenue Bureau tax scandals in 1951.

In September he was ordered to serve the term because of a parole violation.

Body Of Little Girl Who Wandered Found

MARIANNA, Ark. (AP)—The body of 23-months-old Barbara Sue Jones, who apparently wandered away from home the day before Thanksgiving, was found this morning by her father.

Jimmy Jones and two other men found the child's body in a heavily-wooded section about three miles from her rural home.

A relative, Jack Stanley, said he thought Barbara Sue died from exposure.

Suits Filed On Union To Halt Coastal Pickets

BEAUMONT (AP)—Twelve identical suits to stop picketing and for damages were on file here today against the CIO and union officials.

The suits were filed yesterday by 12 Port Arthur firms. Each suit asked a minimum of $500 daily actual damages and unspecified amounts of punitive damages for picketing the stores, restaurants and hotels claim has continued since the Distributive, Processing and Office Workers of America union withdrew from Port Arthur last week.

Defendants are the CIO and Fred Pieper, assistant to the CIO executive vice-president; Sabine Area Industrial Union Local 1814; L. L. Roberts, president of the Sabine district CIO council, and Mrs. R. Z. Dutton, president of Sabine Area Industrial Union Local 1814.

The petitions said there was no labor dispute with the defendants and the unions and organizations they represent, "yet they are continuing to picket...the plainiff's premiss and businss."

The firms said any disputes Local 85 of the DPOWA might have were settled after dissolution of that local last Friday. A new group, Sabine Industrial Union local 1814, CIO, was organized then.

The petitions contended that "nevertheless, the same pickets that were picketing the plaintiffs' premises before Nov. 27 have continued to picket."

The same signs are being carried by pickets, the plaintiffs contended with "DPOWA" obliterated and "CIO" substituted.

President Arrives In Bermuda For Big Three Talks On World Peace

TUCKER'S TOWN, Bermuda (AP)—President Eisenhower arrived in Bermuda today for the start of a history-making Big Three conference with Prime Minister Churchill and French Premier Laniel.

The Presidential plane Columbine landed at American-leased Kindley Field at 11:12 a.m. Est.

Waiting to greet Eisenhower as he stepped from the plane were Churchill and Laniel, together with British Foreign Secretary Anthony Eden and French Foreign Minister Georges Bidault.

A crowd of about 1,000 was on hand to welcome Eisenhower. Also present was a colorful honor guard made up of Royal Welsh Fusiliers, Bermuda militia and U.S. airmen.

Churchill and Laniel, already in Bermuda, reached the airport about five minutes before the Columbine landed.

The British Prime Minister wore a light gray suit with a white handkerchief protruding from his pocket. He had on the same gray homburg he wore on his arrival here from England Wednesday.

Eisenhower stepped off the plane promptly at 11:15 a.m. and was greeted by Bermuda Gov. Sir Alexander Hood and Mrs. Hood, followed by the commanders of the military units drawn up to receive him.

The President then walked a few steps and was met by Churchill, who gave him a hearty handshake. The crowd of Bermudians and Big Three conference officials cheered.

Like Churchill, Eisenhower wore a soft gray suit and gray hat.

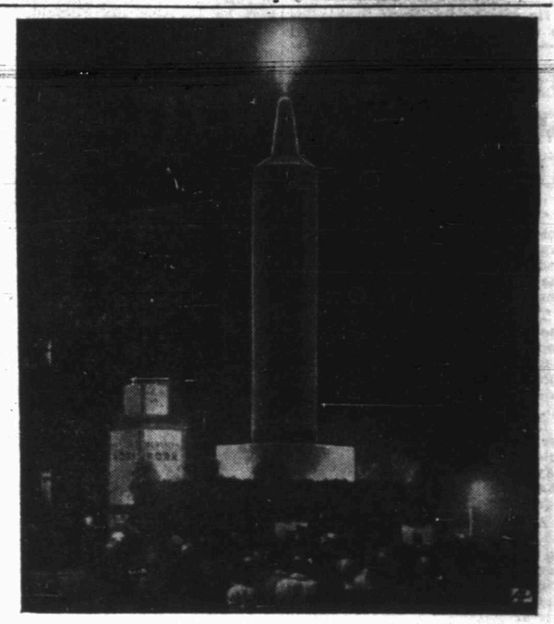

In the Presidential party were Secretary of State Dulles and Lewis Strauss, chairman of the U.S. Atomic Energy Commission. Strauss was added to the party at the last minute this morning.

The flight from Washington took 3 hours 10 minutes.

Dulles, British Foreign Secretary Eden and French Foreign Minister Bidault were scheduled to meet at 3 p.m. to get the formal talks underway, with their chiefs gathering around the table immediately afterward.

The whole group was to dine tonight with Gov. Sir Alexander Hood at Government House.

The colorful reception ceremonies contrasted sharply with the somber questions facing the conference.

BERLINERS REMEMBER

Bystanders in West Berlin's Wittenberg Square paused to view this giant caldue erected there. It is a memorial to German prisoners of World War II who are still held in foreign lands.

1,000 Attend Pancake Affair

About 1,000 persons or more were served last night at the annual Kiwanis Club pancake supper, which was held at the high school cafeteria.

Frank Wilson, president of the club, estimated that about 3,500 pancakes were served to those attending the supper.

Pat Moore, commissioner of precinct No. 3, was judged the person who ate the most pancakes at the supper.

Other entertainment included accordian playing by Mrs. Wyatt Lipscomb, boggie woogie on the piano by Ivan Gatlin, singing by the McCright twins, Margaret Ladell and Mary Janell, who were accompanied by Gloria Shelton; a trio of high school girls, and a barbership quartet of high school boys.

Wilson said that not all reports have yet been turned in but that probably somewhere around $500 was cleared for the club's Christmas fund for underprivileged children.

Ford Caperton, chairman of the club's procurement committee, said this morning the supper required 20 gallons of syrup, 300 pounds of pancake flour, 72 pounds of butter, 210 pounds of bacon, 50 pounds of sausage, 50 gallons of milk, and 24 pounds of coffee.

POWs To Be Freed Jan. 22, Dean Says

PANMUNJOM (AP)—U. S. envoy Arthur H. Dean told the Communists today that unrepatriated war prisoners will be freed Jan. 22 unless a peace conference decides some other course "and no human hand or mind or debate can change it."

"We are never going to agree, under any circumstances, to a change in that date," he declared.

Dean and Communist diplomats huddled for almost three hours on plans for a peace conference while a few miles away 30 more South Korean war prisoners unanimously rejected pleas to return home.

Allied persuaders in three days have talked to 90 South Koreans who chose life under Communists and not one has changed his mind.

ROK officers whisked through 30 interviews before noon today. The U.N. Command asked to interview 40 prisoners Saturday. The repatriation commission said the requests for an extra 10 was filed too late, but there were indications it still would be approved.

The preliminary peace talks are in recess until Monday. Dean asked that a Saturday session be called off because he will be in Seoul for conferences with South Korea's President Syngman Rhee.

He refused to divulge the subject of the talks and would not comment on rumored differences between the U. N. Command the South Korean government over plans for a peace conference.

The spokesman for 17 Allied nations which fought in Korea spelled out their position on unrepatriated prisoners after the Communists heatedly insisted that the POWs could "never be released" until a peace conference decides their fate.

Dean told newsmen "some small progress" was made during the 2 hour 55 minute session. The Communists agreed to incorporate in their plans for a peace conference a clause limiting the debating rights of nonvoting neutral nations.

The Allies have contended that Red insistence on giving neutrals the right of unlimited debate would permit nonbelligerents to tie up the conference indefinitely.

Clear Weather Covers State

By The Associated Press

Texas skies were clear and blue Friday, veiled only by high, thin clouds along the Gulf Coast.

The turbulence that stirred up nine small tornadoes Tuesday night and Wednesday and sent twisters ripping into Louisiana had disappeared.

The weather bureau predicted fair weather over most of the state, with no important changes in temperature through Saturday.

Minimum temperatures early Friday ranged from 22 at Dalhart in the Panhandle to 65 at Brownsville.

Before the cool air mass broke up the rough weather of mid-week, the tornadoes killed two persons and injured 22 in South Central and East Texas, killed eight and injured 20 in Central Louisiana.

WEATHER

NORTH CENTRAL TEXAS: Generally fair through tonight. Saturday mostly cloudy with widely scattered showers and thundershowers in northwest. No important temperature changes.

WEST TEXAS: Increasing cloudiness through tonight. Saturday mostly cloudy with widely scattered showers and thundershowers in Panhandle and South Plains. Warmer this afternoon, cooler in Panhandle and El Paso areas Saturday.

EAST AND SOUTH CENTRAL TEXAS: Generally fair through tonight. Saturday increasing cloudiness. No important temperature changes. Gentle to moderate variable winds on the coast, becoming fresh southerly Saturday.

Statewide Water Saving Plan Proposed By Resources Group

AUSTIN (AP)—The idea of developing a statewide water use and saving plan through existing authorities was adopted today by the Texas Water Resources Committee.

It voted to begin exploring this project by inviting officials of the San Jacinto River Authority to meet with it in January or February for an exchange of information.

Sen. Dorsey Hardeman of San Angelo said it should be made clear that the committee had no idea of telling the various authorities how to run their business, but to ask them to furnish information that can be used by the committee.

The proposal was made by committeeman Marvin Nichols of Fort Worth.

He suggested the Brazos River Authority and the Nueces Conservation and Reclamation districts also be invited to help in exploring the plan for handling the water problem on a basin-wide or watershed basis. Dates for their appearances would be set later.

The committee also:

1. Adopted a work-sheet, or detailed plan of assembling the mountains of information it will need for its job, submitted by N. K. Weitzel, its administrator.

2. Voted unanimously to make public the names of donors who will help finance its study, and the amount of donations. This was on motion of Rep. Jim Paxton of Palestine, a committeeman.

3. Voted to solicit contributions of $60,000 to finance its work on a two-year basis. The committee, authorized by the last Legislature, was given a state appropriation of $10,000.

The committee's work sheet calls for studies in these broad fields:

A water resources inventory including each basin or watershed; an estimate of all types of surface water requirements projected for periods of from five to 50 years; a review of existing water laws and those of states with similar problems; and inventory of ground water resources and an estimate of requirements projected for periods from five to 50 years; a study of pollution.

McCarthy Is Said Planning Foreign Policy Talk With Ike

WASHINGTON (AP)—Sen. McCarthy (R-Wis) was reported today to be planning a personal chat with President Eisenhower soon after the President returns from the Big Three talks in Bermuda.

This report came from a person in a position to know. McCarthy declined to be quoted on the subject, and the White House press office said it hadn't heard anything about such a meeting.

McCarthy yesterday disclaimed any intention to challenge Eisenhower's leadership of the Republican party but he reserved the right to criticize the administration "when I think it is making mistakes."

This was a reply to statements earlier in the week by the President and Secretary of State Dulles rejecting McCarthy's demands for drastic revision of some phases of administration foreign policy.

McCarthy's statement was phrased for the most part in conciliatory tones.

But at the same time he appealed over the President's head, in effect, to the American people on the question of cutting off American aid to any foreign country which trades with Red China so long as any American war prisoners are held by the Communists.

Departing from his prepared statement, McCarthy urged all who share his view that such trade should be stopped to write or wire the President.

This invitation was filmed for television, and news programs from coast to coast carried it last night.

As of 8:30 p.m. last night, the White House said 120 telegrams had come in. Asst. Press Secretary Murray Snyder said "they were not all one way," but said no breakdown had been made.

McCarthy told reporters he ad libbed the appeal "on the spur of the moment."

"Now I think President Eisenhower is an honorable man," he said in this unprepared part of his statement. "I think he will follow the will of the American people if that will is made known to him."

The administration's position is that the British and other Western nations have stopped sending to Red China all goods which could be used to wage war. Such trade as the West is conducting with the Chinese Communists, in the administration's view, is advantageous to the free world.

McCarthy rejected this viewpoint and demanded "we refuse to give any American dollars to any nation shipping any goods to Communist China so long as a single American remains in a Communist blood-stained dungeon."

Sheppard Out Of Governor's Race To Fight Communists

AUSTIN (AP)—Atty. Gen. John Ben Shepperd, considered one of the strongest prospects for governor if Gov. Shivers steps aside in 1954, took himself out of the race yesterday.

Shepperd said he would be better able to fight Communist influences in Texas as attorney general.

The attorney general was a central figure in the state's investigation—beginning at 3 p.m.—of alleged Communist domination on three unions.

UNDER ATTACK

He said he has been "subjected to villification by phone calls and letters" after speeches last week in which he assailed what he said were past and present connections of the unions with Communist members.

"There have been no direct threats on my life, but the abuse that has been heaped on me has made me more determined to fight these elements to the bitter end," said Shepperd. "My personal life or political future is immaterial."

Sheppard's surprise move seemed calculated to take the wind out of charges by some union officials that he is using the Communist issue for political purposes.

WANTED TO WAIT

Shepperd said he had not wanted to reveal his political intentions until Jan. 1.

"The term 'politics' has been rather loosely charged in connection with the investigation of these Communist front organizations," Shepperd said.

"I'm taking the term 'politics' out of it.

"I decided it was going to be a long-time process to eliminate these influences from Texas. It's a clear-cut battle. The only place to fight it is in this office.

MORE POWERFUL

"This office is more powerful than the governor's in this respect.

"In the governor's race, other personalities and other issues would becloud this question."

The question, as submitted to the State Industrial Commission by Shivers, is whether the three unions are Communisted dominated, and if so, what should be done to rid the state of such influences.

The unions are the Distributive, Processing and Officer Workers of America, the Mine, Mill and Smelter Workers, and the International Fur and Leather Workers.

Shepperd has accused them of being in a Communist-inspired plot to infiltrate Texas. Port Arthur, where a DPOWA picketed 22 firms, was the testing ground of a scheme to gain control of Texas oil and main ports, he also has said.

CIO TAKES OVER

The CIO has taken over the Port Arthur local, promising to help combat the taint of Communism.

President O. A. Knight of the CIO Oil Workers Union said the pledge was good only if Shepperd and Shivers "will simply keep out of the way."

Shepperd's withdrawal as a potential candidate made it even more difficult to anticipate the contest for governor.

Shivers, who took the post at the death of Gov. Beauford Jester and who has had two elective terms, has not indicated his plans.

THIRD TERM PRESSURE

Pressure on him to ask a third term is reported increasing from persons anxious to assure continued strong conservative control of the Democratic party machinery in Texas.

House Speaker Reuben Senterfitt of San Saba, a conservative who thinks much like Shivers politically, is the only announced candidate for governor. He might be willing to step aside and bide his time if Shivers runs again.

The list of other possible candidates includes Lt. Gov. Ben Ramsey, San Augustine; Sen. A. M. Aikin Jr., Paris; Ralph Yarborough, Austin attorney; Land Commissioner Bascom Giles; Houston Mayor Roy Hofheinz; Rep. Lloyd Bentsen, McAllen; James Hart, who has resigned as University of Texas chancellor; Justices R. W. Calvert and Will Wilson of the Supreme Court; and Agriculture Commissioner John White.

Dillinger Car Will Be Put On Display Here

The personal automobile of John Dillinger, the notorious Chicago gangland kingpin of two decades ago, will be on display at the northwest corner of the square next Wednesday and Thursday.

There will be no charge to see the car, according to Joe V. Robinson, commander of the American Legion post, which is sponsoring the display, but contributions to the post's welfare fund will be received.

Dillinger's 16-cylinder 1931 Cadillac was considered the most formidable machine for crime in its day. It weighs 9,144 pounds, more than twice the weight of the average present-day car.

Anti-pursuit mechanisms included tear gas and smoke generators on the V-type engine and a device beneath and near the rear of the car which would spray tacks onto the road to puncture tires of pursuers.

The car, with bullet-proof windows one and one-fourth inches thick and with ports through which guns were fired, was reported to have been used in 39 holdups and 13 murders. The body was made of quarter-inch steel. The automobile was captured when abandoned near East St. Louis when it ran out of gasoline during a police chase.

Dillinger was killed by police outside a Chicago theater on a tip from his ex-girl friend, later known as "the lady in red."

Reds Destroy Big Libraries

VIENNA (AP) — Bulgaria's Red rulers, raiding the nation's private bookshelves and public libraries for "waste paper," have destroyed all pre-Communist literature, a Bulgarian newspaper reveals.

The toll includes many valuable old books once the pride of Bulgarian libraries.

The magazine Literaturen Front, for example, announced the waste paper drive was so thorough "the whole contents of the 100-year-old public library in Lom were sent to the paper mill and rammed into bins."

Communist functionaries did a similar job all over the country, according to Literaturen Front. The books and manuscripts collected were shipped to Sofia and sorted by color before being carted to paper mills.

Bulgarian news organs indicate the waste paper drive is only one small part of a bigger movement to regiment the minds of seven million Bulgarians, most of whom are anti-Communist peasants.

Details of the ever-increasing Russification of literature also have been disclosed by Bulgarian newspapers. They show that more than 60 per cent of Bulgaria's literary production now is "of Soviet Bolshevik origin."

In 1944, only 3.4 per cent of books published in Bulgaria were original Soviet works or translations. In 1950, that figure had risen to 35 per cent.

Harvard Sending In Copies Of Paper To Strike-Hit New York

CAMBRIDGE, Mass. (AP)—Editors of the Harvard University Crimson prepared to send "a few thousand" copies of their undergraduate daily newspaper to New York today to help fill the strike-caused news void there.

Crimson Managing Editor George S. Abrams said:

"The thought of a great city like New York without a newspaper can cause only unrest among those interested in the intellectual well-being of the United States. The Crimson, in its small way, could not sit by and see such a situation continue to exist."

Crimson President Michael MacCoby of Mount Vernon, N. Y., said today's edition will feature Associated Press news and "analyses of world and national news by Harvard professors and newspapermen attending Harvard under Nieman Fellowships."

Cigaret Boy Goes To Court For Speeding

WEST LOS ANGELES, Calif. (AP)—Actor Robert Mitchum is scheduled to appear in court today to answer a charge of speeding 70 miles an hour in the city limits.

After his attorney posted $250 bail yesterday, a warrant charging escape and evading arrest was withdrawn.

Motorcycle officer J. N. Ryan said Mitchum suddenly drove off while he was writing out a ticket for speeding Wednesday night.

Ryan said the actor later phoned the police station and explained, "I wasn't sure you were a cop, Dad; I thought you were a bandit, so I went home."

Another Person Thought Dead Is Found Again

WICHITA FALLS (AP)—An attractive young woman planned to fly back today to the Tennessee home she left ten years ago to see parents who thought her dead.

Mrs. Dale Carson, 26, told Otise Maynard last night she was his sister, Lytle, whom the family hadn't seen or heard from since she disappeared from Nashville in 1943.

Maynard tracked his sister down on a tip by the Nashville Tennessean, the same newspaper that exposed the 22 year masquerade of Thomas Buntin and Betty McCuddy, dropped from sight. They were found by the Tennessean after an insurance firm said Buntin was alive. Like Lytle Maynard, Bunton and Miss McCuddy had been pronounced legally dead.

Lytle at first denied her identity, then admitted it.

"I know I never should have done it," she sobbed. "You never can hide your life forever. I had a hard time when I was young, and I just wanted to get out on my own."

Lytle, who has been married twice here, has been working in a cafe. She talked to her parents last night, saying simply, "I am coming home to you."

At her disappearance she was married to David Sartain, who since has secured a divorce.

The Wichita Falls Record News said she had been living here for 10 years.

Mrs. Vic Hart, a cousin, supplied information that led to the brother's finding his sister.

Condition Of Injured Man Changes Little

A. D. Dowing, trucking company employe injured in an accident Saturday, remained in critical condition today at Battenfield Hospital.

Officials at the hospital said this morning that Downing's condition had not changed considerably in the last few days. He was crushed by the bed of a truck which he and other men were loading onto another truck.

D. L. Moffett Dies, Services Set Tomorrow

Funeral services for Douglas Leon Moffett, 36, of Camp Springs, will be held at 3 o'clock tomorrow afternoon in the Hobbs Baptist Church.

Mr. Moffett, a farmer, died yesterday morning while being taken to a Rotan hospital after suffering a heart attack in his home.

Mr. Moffett was born in Waller County, and had lived on the farm near Camp Springs for the last 31 years. He was a veteran of World War I and a member of the American Legion in Snyder. He was married to his wife, the former Neva Ayers, in 1917.

The Rev. O. C. Byrd is to officiate at funeral services. He will be assisted by the Rev. Jim Skiles, pastor of the Midway Baptist Church of which Mr. Moffett was a member. Burial in Camp Springs Cemetery will be directed by Weathersbee Funeral Home of Rotan.

Survivors in addition to the wife include five daughters, Mrs. W. W. Sumruld of Snyder, Wanda Moffett and Zelma Moffett of Abilene and Betty Moffett and Linda Moffett of Camp Springs; five sons, Maj. Roy Moffett, stationed with the Marine Corps in San Diego, Cal., Leo Moffett and Geral Moffett of Fort Worth, Leland Moffett of Hillsboro and Burl Moffett of Abilene; his father, R. W. Moffett of Seguin, four brothers and a sister.

HOSPITAL NOTES

The following admissions and dismissals at Battenfield Hospital are those whose names were released by the hospital.

Dismissals: Mrs. LeRoy W. Nelson and baby, Snyder; Mrs. Obid N Wooldridge and baby, 2806 Avenue U; Mrs. Wendell Autry and baby, 610 Thirty-second Street; Mrs. Victor Guzman and baby, Snyder.

Artificial Insemination Gets New Twist From Experiments In Iowa

IOWA CITY, Iowa (AP) —Three women who have been rendered pregnant by use of frozen semen are scheduled to deliver their babies at University Hospital here during the next three months.

The three expectant mothers are cooperating in an experiment destined to make medical history. It is believed to be the first time frozen semen has been used for artificial insemination in humans, though a similar technique previously had been used in animals.

Dr. R. G. Bunge, who is conducting the experiment, said the first birth is expected in a few weeks. The other babies are to be born in January and February.

He said yesterday all three women are of "high integrity" who failed to achieve motherhood through their marriage. Their names were not disclosed.

The source of the spermatozoa used in the experiment was not divulged but Dr. Bunge said "the source of the conception is valid."

Man Taken To Hospital With Heart Attack

Ray Mills, 57, of Electra, was taken to the Battenfield Hospital about 9 o'clock this morning by a Bell ambulance. Dr. Carl A. Dillaha, Jr., and Dr. Thomas F. Hartley said Mills apparently suffered a coronary heart attack. Diagnosis had not been completed by late morning, however.

Mills was visiting at 2702 Thirty-seventh Street when he became ill.

Student Librarians From Here To Attend Meeting In Brownwood

Four student librarians from Snyder High School left this afternoon for Brownwood where they will attend a district meeting of the Teen Age Library Association.

Mrs. J. P. Nelson, school librarian, accompanied the students, Millie Davis, Shirley Barrett, Myrtle Scott and Genell Scott.

Snyder students have been responsible for the preparation of by-laws for the association this year, Mrs. Nelson said. The by-laws will be presented for approval at this meeting. The students are to return to Snyder tomorrow following the conclusion of the convention.

District meetings of the association are held annually, with state meetings in alternate years. Snyder has asked that the 1954 district meeting be held here, Mrs. Nelson said.

Heavy Snows In Midwest

MINNEAPOLIS (AP)—A storm that dumped more than a foot of snow in some sections of mid-America buffeted the Dakotas and Minnesota today as it swept northward into Canada.

Nebraska, Kansas and eastern Colorado also were hit but the snow had all but ended in these states.

Schools were closed, motorists were stranded and communications knocked out in some areas.

International Falls in Minnesota reported 14 inches of snow. A foot fell in the eastern half of South Dakota. In north-central Nebraska Lexington also had a 12-inch total.

No large-scale traffic tieups were reported in the Dakotas and Minnesota but some telephone lines were severed and driving was hazardous. In eastern South Dakota many schools were closed.

Northwesterly winds caused near-blizzard conditions in parts of Colorado, Nebraska and Kansas yesterday.

Communications were out in the central Nebraska snow area and in northeastern Nebraska, which got freezing rain.

'Rapto' Accusation

AGUASCALIENTES, Mexico (AP) —A 17-year-old boy says an attractive woman kidnaped him, forced him to spend the night with her in a hotel, and then refused to marry him.

The youth, Jose Luis Gonzalez, a carpenter, filed charges in nearby Zacatecas, accusing the woman of "rapto." That is a Mexican legal charge meaning both kidnaping and rape.

Mate Accused Of Killing His Wife In Plot

DENVER (AP)—A young salesman and a co-worker were held today after police said they admitted a holdup-slaying to collect insurance on a pretty red-haired telephone operator.

Detective Capt. Charles Burns described the strangling of Mrs. Evelyn Leick, 26, last Tuesday night as one of the strangest ever investigated by Denver police.

In custody were her husband, Le Roy Leick, 30, and Gene Dukes, 20, employes of the same brokerage firm here.

Detective Capt. William E. Flor said both signed statements admitting a plot to kill Mrs. Leick but each blamed the other for throttling her. They were quoted as saying it took 20 minutes.

Mrs. Leick was found dead in the back seat of the family car 20 minutes after her husband was discovered, bleeding and semiconscious from a beating in a downtown alley. His wife's sister, Miss Vera Monroe, had been pushed out of the car in another alley, also after a beating.

Leick and Miss Monroe told officers then they were clubbed by a man who rose from the back seat of the Leick car as the trio left their apartment house and started to a movie.

Detectives reported yesterday two other men had volunteered the information that Leick, married in 1948, had offered them money to help make the death of his wife look like a holdup slaying. One said this took place in 1951.

"Imagine thinking about it for two years," said Detective Burns, "and never letting on to her what was on his mind."

Officers said their investigation centered on Leick after word of the purported plot and discovery of Mrs. Leick's $7,000 life insurance policy naming her husband as sole beneficiary.

New Pills For Ulcers Tried

By ALTON L. BLAKESLEE
AP Science Reporter

ST. LOUIS (AP)—A six-pay ply pill was described as a new and promising treatment for stomach ulcers in an exhibit shown today to the American Medical Assn.

It combines four different antiacids to counteract excess stomach acids causing or worsening the ulcers. The fifth element is an oatmeal extract which binds the acid-fighters together and releases them slowly for about two hours. The sixth ingredient is a gummy material which forms a protective coating over the lining of the stomach or the duodenum, the first part of the intestine.

These new pills, not yet on the market, have relieved pain within a few days in most of more than 250 patients treated so far, according to the exhibit.

The exhibit is staged by Doctors Leo L. Hardt and Frederick Steigmann, Stritch School of Medicine of Loyola University and Cook County Graduate School of Medicine, and Clarence A. Maaske and Robert Glover of the University of Colorado School of Medicine, Denver.

The pills are known to have helped the healing-over of ulcers in the stomach, Dr. Hardt said. And X-rays of many patients show no ulcer scars in the duodenum, an area which can't be seen by the gastroscope, a tube which takes pictures within the stomach.

The pills combine four anti-acids commonly used for ulcers—calcium carbonate, aluminum hydroxide, magnesium trisilicate and magnesium carbonate.

Used separately, some of these produce undesirable effects, such as constipation or diarrhea, Dr. Hardt said. But the combination so far shows no bad effects. Patients take about 24 pills a day, usually before and after meals, and before bedtime.

Treatment usually is continued for at least a year, with fewer pills in the second six months.

Virus Strikes Dozen Persons During Play

TULSA, Okla. (AP)—A dozen persons watching a high school play, "You Can't Kiss Caroline," developed the same symptoms—sudden nausea. Although none was in serious condition, the play was postponed until tonight. A stomach virus was blamed.

Red Light In Town

CHANDLER, Okla. (AP) — Policeman Hank Albritton promptly arrested a motorist for drunkenness when the driver, holding up traffic for blocks, demanded indignantly, "When's that light going to change?"

The red light he was referring to was part of downtown Chandler's new Christmas decorations.

Geese are used as warning agents in Malay villages threatened by attack from Communist guerrillas.

Santa Claus paid an early visit to Snyder yesterday afternoon and tossed candy to hundreds of children gathered on the south side of the square to get an early view of him. He landed in a plane at Winston field and was brought to town on a fire truck driven by Wayne Glasscock, standing at left. (Lee Watson photograph)

Young Fan Gets Personal Tour Through Autry Home

By BOB THOMAS

HOLLYWOOD (AP)—Nancy Thomas, who is blonde, independent and 5 years old, was supposed to write this story about Gene Autry.

But she is too busy working over her jumbo Western coloring book, so her leg man will have to carry on.

Nancy, you see, just had her tonsils taken out, an awful experience for young or old. Since she came through so admirably—her only real indignation was over getting a shot where she sat down—she deserved a reward. That was tagging along on, or conducting, as it turned out, an interview with one of her TV heroes, Gene Autry.

Gene was absent when we arrived at his large manse on the edge of the San Fernando Valley. We were ushered into the Autry den, where Nancy examined the cowboy relics.

Gene arrived and came in with a big hello for Nancy. "He looks just the way he does on TV," she observed.

He showed her around the place and explained a glass-enclosed tableau of wood-carved cowboy figures: "Now that's the man riding the bucking bronco and that's the owner of the horse and—"

"Where's the villain?" TV-wise Nancy wanted to know.

She admired his red and green cowboy boots and he offered to show her more. So we went upstairs and he displayed a closet full of boots, all kinds and colors. He also showed us enough shirts to clothe a king-size rodeo.

"How old is Champion?" asked Nancy, moving on to other matters.

"Why, he's around 15, honey," Gene replied. "Gettin' pretty old for a horse."

Downstairs, Nancy ordered a cola and sipped on it while Gene and I exchanged man-talk. I wanted to know what was happening to the program Western. That old movie fixture appears to be dying out; Rex Allen is the only cowpoke making a series for theaters now. Gene discontinued them recently, joining Roy Rogers, Johnny Mack Brown, Charles Starrett, Bill Elliott and other stalwarts of the Saturday matinee.

"I have four unreleased pictures under my old Columbia deal," Gene explained. "That's enough to last me until next May. Then I'll decide whether I'll go ahead and make some more.

"The program Western has been hard hit. You see, we used to have the weekend trade to ourselves. But then the big-name stars moved in. There was Jimmy Stewart with 'Bend of the River' and others, and Gary Cooper with 'High Noon,' and Gregory Peck. And John Wayne makes Westerns every once in a while, and Randolph Scott makes two or three a year, and Joel McCrea.

"These pictures naturally cut into our trade. But I think the program Western will come back. Westerns have taken a beating before—I remember it happened just after sound came in. The thing is that you'll have to keep your costs down, because the market is smaller."

Gene added that he was taking a rare rest until Jan. 4, when he starts a musical tour in Duluth, Minn. When we finished talking, he escorted us to the car. He told Nancy that he ate mashed potatoes after he had his tonsils out.

As we drove off, she remarked: "I eat ice cream." Just like a woman, she had the last word.

Helps For Homemakers

Send your questions to "Helps for Homemakers," Snyder Daily News, or call 3-8486.

Do you have a recipe for coffee cake using biscuit mix?

ORANGE COFFEE CAKE

2 cups biscuit mix
1 tablespoon grated orange rind
¼ teaspoon mace
2 tablespoons sugar
¼ cup milk
½ cup fresh orange juice
1 egg (well beaten)
2 tablespoons butter or margarine (melted)
6 large or 12 small lumps of sugar
¼ teaspoon mace
1½ teaspoons grated orange rind
1 tablespoon fresh orange juice

Mix biscuit mix, one tablespoon orange rind, one-fourth teaspoon mace and two tablespoons sugar. Stir in milk, one-half cup orange juice, egg and butter just until dry ingredients are moistened. Spoon into paper baking cups placed in 12 medium-size muffin pans, filling cups two-thirds full. Place one-half large or whole lump of sugar in center of each muffin. Mix one-fourth teaspoon mace, one and one-half teaspoons orange rind and one tablespoon orange juice; dribble one-half teaspoon over each sugar lump. Bake in moderate (375 degrees) oven 20 to 25 minutes.

• • •

Brass can be prevented from tarnishing by rubbing once a week or oftener with a piece of flannel moistened with light sewing machine oil. The metal will gradually assume the color of fine bronze, a far more artistic finish than that of polished brass, and one that can be maintained by the application of oil alone, without polishing.

• • •

Combine leftover cooked ham finely chopped, with cooked macaroni and medium whitesauce; top this with grated cheese. Brown in the oven, and serve with hot biscuits and a mixed green salad with French dressing.

SOCIETY SCRIBBLINGS

Parties, Parades, Supper Put Yule Spirit In Swing

"Christmas isn't here yet, but let's pretend it is," Mrs. WALTER McMILLAN announced to about 35 council leaders of the county home demonstration clubs, who were gathered for a Christmas party yesterday at the county agents' office.

It wasn't hard to pretend, with all the festive Christmas decorations, planned and placed by the Morningside club.

Centering the table several large sprays of evergreens, using small bows of Christmas ribbon as ornaments, had been placed in a cored apple, and at each corner, white candles using apples for holders burned.

Just in case one still didn't have the proper Yuletide spirit, a glance at a tree in one corner, with gayly wrapped gifts piled around the base, was sufficient.

Mrs. C. M. LYONS of the Tri-C Club was in charge of the program in which a prayer was led by Mrs. M. T. POPEJOY and a Scripture was read by Mrs. J. W. COFFEE. Christmas songs were sung by guests with Mrs. McMillan leading, and a reading was given by Miss RUBY BUTTS.

Mrs. HOWARD HOGUE planned the short recreation, after which gifts were exchanged and refreshments of punch, coffee and fruitcake were served.

MORE SPIRIT

Shouts of "Hi, Santa Claus," a lot of laughter—and just a few tears—heralded the arrival of that merry old gentleman in downtown Snyder yesterday.

One adult was heard to exclaim, "It's a madhouse," but to the children crowding around Santa to make known their wants for Christmas, it was one of those thrills of a lifetime, judging from their excited faces. Taking a very serious attitude about the whole affair was two-year old H. B. WALKER, but little VALOREY VALENTINE had adopted quite the opposite viewpoint and was waving and laughing.

Mrs. WELDON KINCAID was observed holding her small daughter above the crowd so she could see.

Santa had a competitor this year in the person of AUNT JEMIMA, who was attracting quite a bit of attention herself. Asked what children usually want to know, she chuckled, and replied, "They just ask most anything." And as if to prove the statement, MARGARET MILLER and JIMMY GILMORE ran up and requested a song.

All in all, if Snyder small-fry didn't have the Christmas spirit before, it is fairly safe to assume that none is lacking after yesterday.

PANCAKES, TOO

One thing we can be sure of and that is the Kiwanis Club pancake supper was even bigger than they had hoped it would be. The mammoth lines waiting to get in didn't thin down until just a few minutes before 9 o'clock.

Highlights of the evening were two local dancing sensations, HAROLD BENNETT and PAT MOORE didn't believe Aunt Jemima knew how to dance, and proceeded to give her instructions in fast foot work. Pat was so invigorated that he went on to win the prize as champion pancake eater. He generously shared his winnings—more pancakes.

WOMEN'S CALENDAR

SATURDAY

Atheneum Club Bridge Benefit, 2 to 5 p.m., Ezell Motor Co. showroom.

Saturday Night Duplicate Club, 8 p.m., with Mr. and Mrs. Wayne Boren, 3112 Avenue X.

Sorority Initiates Two In Ceremony

Rushees and pledges of Beta Sigma Phi were given the ritual of jewels and pledge ceremony at a meeting Wednesday night.

Fall pledges who successfully passed the test and were presented ritual of jewels badges were Mrs. Howard Gray, Miss Sammie Williams, Miss Evelyn Levisay and Miss Joan Lumpkin.

Mrs. Bill Butler directed the service in which two pledges, Miss Mary Margaret Joines and Miss Eloise McDow, were initiated. Assisting Mrs. Butler were Mrs. Mildred Sparks, Mrs. Forest Beavers, Mrs. Arel Favor and Mrs. Hank Henry.

Refreshments of punch and cake were served the 15 members present by the hostess, Mrs. Butler, 3781 Sunset.

Watch What Girls Look Like At Yule

By DOROTHY ROE
AP Woman's Editor

Get a grip on yourself, men. This year the girl may look a lot like a Christmas tree.

I don't know why it is that the yuletide seems to affect some of our most estimable citizens so strangely. They are perfectly sane and reasonable for 11 months of the year and suddenly go shooting off like skyrockets, out of season.

One of the world's most famous beauticians, for instance, ushers in the silly season by advising girls to sprinkle themselves with metallic dust, explaining:

"All the excitement of a season when sparkling things are bound to happen is reflected in this stardusting for eyes, lips, anywhere."

Especially for holiday use, she is merchandising her sparkle dust in gold, silver or multicolor particles, promising a "starry-eyed evening" for the girl who dusts it on over "striking blue" or "striking green" eyeshadow. She also suggests sprinkling your fingernail polish with sequins while it is still wet.

And a bit of sequin dust on your lipstick is recommended.

Certain hair preparations now come packaged with gold or silver dust to be sprinkled on the hair and held 'n place with lacquer.

A girl who wants to go all out for Christmas may buy tiny Christmas bells to wear as earrings—they tinkle like regular jingle bells. Or she may wear small Christmas tree balls strung together for a necklace or made into earrings.

There are tremendous felt skirts this year which are applied with everything from Christmas trees to reindeer, complete with glittering decorations, fringe, bells — everything but electric lights. (Those may come next.)

"Personally, I advocate leaving the tinsel on the Christmas tree, the bells on the sleigh and the whiskers on Santa Claus.

High School Chorus Sings At Rotary Club

A high school chorus under direction of Robert Clinton entertained the Rotary Club yesterday in its weekly luncheon.

Visiting Rotarians were George Leonard, Charles R. Griggs, Fred Wimberley, and Henry Rogers, all of Sweetwater; R. P. Kountz and Jimmy Dean of Big Spring and Ernest Herman of Stamford. Another visitor was Marvin House of Snyder.

More than half a million people visit Carlsbad Caverns every year.

NEWS FROM UNION

By Mrs. J. B. ADAMS

Mr. and Mrs. J. M. Milam and daughter, Mr. and Mrs. Paris McPherson and daughter, Mrs. Edna Carreil and children and Mr. and Mrs. Howard Hogue went to Plainview Thursday to have Thanksgiving dinner with Mr. and Mrs. Fred Gilbert and family. They later attended the Snyder-Plainview football game.

Attending the Baptist Training Union convention in Fort Worth last week were the Rev. and Mrs. L. V. Ratliff, Mr. and Mrs. Ab Williamson, Mr. and Mrs. Claud Hensley, Mrs. Claud King and Mrs. J. P. Crook.

Royce Hogue was home from Texas Tech over the week end.

Thanksgiving visitors of Mr. and Mrs. J. H. Langford were Mr. and Mrs. Ernest Marquis and daughter of Lubbock, Mr. and Mrs. Will Marquis and Mr. and Mrs. Joe Marquis of Aspermont, Mr. and Mrs. H. D. Cotton of Aransas Pass, Mr. and Mrs. C. J. Reynolds and son of Houston, Mrs. R. W. West, Mrs. Amma Harrell, Mr. and Mrs. Robert Langford and daughter and Mr. and Mrs. Semual Birdsong and sons, all of Snyder.

Mr. and Mrs. Gordon Sharp visited Thursday with Mr. and Mrs. Jessie White.

Week-end visitors in the Paris McPherson home were Mrs. L. M. Bynum and Sonny, Mrs. Carolyn Blundy and daughter, Lewis Wineheimmer of San Antonio and Mr. and Mrs. Howard Hogue and Royce of Snyder.

Mrs. Janie Light went to Spur Wednesday to attend the wedding of her grandson, Clyde Bearden, and Miss Wanda May Rhine.

Mr. and Mrs. Thayne Mebane attended the Snyder - Plainview football game Thursday in Plainview.

Mr. and Mrs. E. M. Boles, Donna and Joe Carl, of Lamesa, spent the week end with Mrs. J. B. Adams.

Birds And Bees For Senator In Utah

SALT LAKE CITY (AP) Utah's Legislature is holding a special session to consider a number of school matters, and one of the items up for action is a revision of the state's annual census of school-age children.

"I don't know where all those kids come from, but there sure are a lot of them," said Sen. Luke Clegg during the debate.

Sen. Jaren L. Jones interrupted: "If Sen. Clegg doesn't know where all the kids are coming from, I'll be glad to tell him if he'll step outside for a few minutes."

Scurry Marine Home From Basic Training

Pfc Jerry Reeder of the Marine Corps has arrived home to spend a 20-day leave after completing 10 weeks of basic training in San Diego, Cal.

Reeder is the son of Mr. and Mrs. W. C. Reeder of Fluvanna. His wife is a resident of Ira. Reeder is to return to San Diego Thursday for further assignment.

Production of honey is the least important of the bee's services to man says the National Geographic Society, polination of food and other crops being far more important.

Associated Press Announces All-American Team Selection

NEW YORK (AP)—Notre Dame's John Lattner and Minnesota's Paul Giel, a pair of halfbacks who proved as outstanding in one-platoon football as in the two-platoon era, are the only repeaters on the 1953 Associated Press All America team announced today.

Paul Cameron of UCLA and David (Kosse) Johnson of Rice join the two Midwesterners to form the first team backfield.

Recommendations by regional boards of newspaper and radio experts covering the entire nation formed the basis for the selections.

The line is composed of Capt. Don Dohoney of Michigan State and Sam Morley of Stanford at ends, Stanley Jones of Maryland and Jack Shanafelt of Penn at tackles, J. D. Roberts of Oklahoma and Crawford Mims of Mississippi at guards and Larry Morris of Georgia Tech at center.

The return of limited substitutions, which also brought back the naming of a single first team rather than a 22-man unit by the Associated Press, put added emphasis on the capable all-around players.

Lattner, who played both ways even in the days of specialists, was the "bread and butter" performer for the Irish. A tireless worker and team inspirational leader, he was a driving runner, excellent tackler and a good punter. After he had ripped through the huge Southern California line for four touchdowns Coach Frank Leahy called him "a wonderful competitor" and a "fine clutch player."

"The finest I ever have coached," says Minnesota's Wes Fesler of Giel. Against Michigan he ran for 112 yards and two touchdowns, completed 13 of 18 passes for 169 yards and another score, came up with two leaping interceptions and some important tackles. His three-year total of handling the ball 1,056 times was a national record. He ran and passed for 1,339 yards this year.

Cameron, UCLA's workhorse at tailback in the Bruin single wing, rushed for 672 yards and scored 72 points to lead the Pacific Coast Conference in both departments. He also added 326 yards by passing. His coach, Red Sanders, said, "I don't think we would have reached the Rose Bowl without this all-around player."

The lightest man on the team at 178 pounds, Johnson combined speed and power at fullback for Rice. His 944 net rushing yardage was second highest in Southwest Conference history. He also rated tops as a punter, linebacker and blocker.

The All America line, which averages 203.5 pounds per man, is flanked on one side by Dohoney, a 193-pounder who excels on defense. He personally checked Giel and threw back a Wolverine threat in Michigan State victories over Minnesota and Michigan.

Morley, who caught 45 passes for 594 yards and six touchdowns, was exceptional in his first year of playing defense.

Georgia Tech's Morris, the only junior to go with the otherwise all-senior lineup, was the best linebacker and blocker for the Engineers.

Mims, who stood out in every game, and Roberts, the kingpin of one of the finest lines in the nation, were excellent 200-pound guards. Mims rushed opposing passers and kickers constantly, blocking three punts in two games. Roberts, a defensive specialist in '52, was unsurpassed on offense.

Jones, top-weighted man on the squad at 235, was the bulwark of a defense that held Maryland's opponents to a mere 31 points. Shanafelt was the principal reason Penn made as good a showing as it did on its "suicide" schedule.

FIRST TEAM

End ..... Don Dohoney, Mich. State
Tackle ..... Stanley Jones, Maryland
Guard ..... J. D. Roberts, Oklahoma
Center ..... Larry Morris, Ga. Tech
Guard ..... Crawford Mims, Mississippi
Tackle ..... Jack Shanafelt, Penn
End ..... Sam Morley, Stanford
Back ..... John Lattner, Notre Dame
Back ..... Paul Cameron, UCLA
Back ..... David (Kosse) Johnson, Rice
Back ..... Paul Giel, Minnestota

SECOND TEAM

End ..... Carlton Massey, Texas
Tackle ..... Sidney Fournet, LSU
Guard ..... Milt Bohart, Washington
Center ..... Jerry Hilgenberg, Iowa
Guard ..... Gene Lamone, W. Virginia
Tackle ..... Art Hunter, Notre Dame
End ..... Steve Meilinger, Kentucky
Back ..... Bernie Faloney, Maryland
Back ..... J. C. Caroline, Illinois
Back ..... Bob Garrett, Stanford
Back ..... Bobby Cavazos, Texas Tech

THIRD TEAM

End ..... Gary Knafelc, Colorado
Tackle ..... James Ray Smith, Baylor
Guard ..... Bob Burrows, Duke
Center ..... Steve Korchek, Geo. Wash.
Guard ..... Morgan Williams, TCU
Tackle ..... George Jacoby, Ohio State
End ..... Clyde Bennett, South Carolina
Back ..... Jackie Parker, Miss. State
Back ..... Dick Clasby, Harvard
Back ..... George Shaw, Oregon
Back ..... Alan Ameche, Wisconsin

National Guard And Legion To Clash Saturday

Two teams will try to keep enough men on the field here tomorrow afternoon long enough to hold a football game.

They are the National Guard and American Legion, who will clash at 2:30 o'clock tomorrow afternoon to help raise money for the Kiwanis Club's Christmas fund for underprivileged children.

Each team has barely over the required 11 players and may be playing at some time during the game with less than that number on the field if anyone gets sidelined during the game, according to Acalee Kincaid of the National Guard and Wayne Merritt of the Legion.

The National Guard has the edge on weight and most recent experience, although most players on both teams have high school experience and some have played on the college grid.

Admission will be 75 cents for adults and 25 cents for students. A number of advance tickets have been sold, and more will be sold at the gate tomorrow.

Tiny Moore, 285-pound lineman who has been starring for Abilene Christian College, leads the list of the Guard's roster. Moore will be at tackle. Other linemen will include Wendell Autry, 160; Darrell Black, 170; Denzill Kight, 200; Jerry Smith, 200; Donald Smith, 180; and Bill Houston, 190. Backs include Willie Martin, 165; Kenneth Brotherton, 155; Douglas Chitsey, 160; and Jackie Grimmett, 180.

Jimmy Williams, 160-pound quarterback, is the most experienced of the Legion squad. Williams was a star two years ago for Texas Western College. In the backfield with Williams will be Grady Gafford, 200; Merritt, 160; and Franklin Woods, 160. Linemen for the Legion include Lowell Bearden, 190; Raymond Keller, 190; Bill Bullinger, 185; and Larry Chapman, 180.

The National Guard formerly played the Colorado City guard annually. The last two times the Snyder team won 13-12 and 13-6.

District 6B All-Stars Are Picked At Meet

Coahoma dominated the all-district 6B football team chosen this week by coaches of the district in a meeting at Hermleigh.

The Coahoma team had five boys on the team, while Loraine had three and Hermleigh and Hobbs had two each. Because of a tie in the vote, there were 12 boys selected for the first team and for the second team.

Members of the all-district first teams were: ends, Jack Owens of Coahoma, Neal Wilcox of Hermleigh, and Wesley Wood of Loraine. Tackles, Jerry Springfield of Coahoma and Dan Etheredge of Hobbs. Guards, Davis Williams of Hobbs and Jimmy Miles of Loraine. Center, Bob Garret of Coahoma. Backs, Skeet Williams and Darrell Robinson of Coahoma, Charles Rinehart of Hermleigh, and Ray Johnson of Loraine.

On the second team: ends, Louie Hays of Hobbs and Leon Ford of Ira. Tackles, Alvin Wimmer of Hermleigh, Kenneth Harris of Loraine, and Dudley Arnett of Coahoma. Guards, Franklin Bryant of Ira and Mark Reeves of Coahoma. Center, Harold Henderson of Hobbs. Backs, Jimmy Spears of Coahoma, Wendell Goodman of Hermleigh, Glen Cavitt of Hobbs, and Eddie Galvan of Loraine.

Receiving honorable mention were Lawton Taylor of Ira, tackle; Alvis Tarter of Hermleigh, center; Bob Narrel of Loraine, Sonny Thompson of Ira, and Murphy Woodson of Coahoma.

A conference on alcoholics found the typical Canadian alcoholic is middle class between 35 and 45, a skilled or semiskilled worker, married, owning his own home with two or three children.

Strong Teams Will Be At Tourney Here

Two of the four teams entered in the Canyon Reef Invitation basketball tourney here next week indicate they may be strong when they come here.

Texas Tech, which tied for third in the Border Conference cage race last year, started its season off this week with a 95-56 plastering of McMurry, which is also entered in the event here. Last night the Red Raiders added Tennessee to their list, downing the team 88-71.

North Texas State, which is defending the championship of the Gulf Coast Conference, which it has won the last two years, edged Southwestern Louisiana 79-73 and then fell to Baylor 81-62.

McMurry, besides losing to Tech, was downed by Wayland College 68-53, while Howard Payne was defeated by East Texas State 81-62. Howard Payne is an entrant in the tourney here.

Several games are still on schedule for the teams before they come here for play.

North Texas is participating in the Wayland tournament at Plainview today and tomorrow, while Tech is continuing a road trip east in a match with Sewanee. Howard Payne is scheduled to meet Southwest Texas State tonight.

Tomorrow night, Howard Payne will have a second match with Southwest Texas, McMurry will play Texas Wesleyan College, and Tech will go on the floor against Vanderbilt.

On Dec. 7 and 8, McMurry will play Sul Ross, while North Texas will meet St. Edwards on Dec. 8. None of the schools have any more games scheduled then until the Snyder tourney, which will be held next Friday and Saturday nights.

Two games each night will be played in the tourney here, with the winners of the first night meeting on the second night for championship and the losers matched for consolation.

Jack Dillon of Snyder and Hugh Welch of Abilene will be officials for the game. A committee of officials and coaches will choose an all-tournament team at the end of play. A large trophy for the championship team has been donated by W. A. Holt Sporting Goods Co. of Lubbock.

Jim Reed, 6-6 sophomore from Pine Bluff, Ark., leads the Tech team. He was a standout as a freshman last year. In the McMurry game, Reed tallied 28 points. Following Reed is 6-7 Bob Carpenter of Big Spring. Don Taylor scored 11 points for McMurry in that game. Heading up the North Texas team is 6-7 Elmer Beard of Sentinel, Okla. Marlin Dodd, 6-7 junior from Brownwood is a standout for the Howard Payne five.

The tournament will be held in the school's new 1,500-seat gymnasium. It is being sponsored by the school system with the aid of the Quarterback Club. The tickets cost $1.25 for adults and 50 cents for students. One ticket will cover one night of play, or two games.

The tickets are available at Piggly Wiggly, D & H Super Market, West Texas State Bank, Everybody's Grocery, high school, and the office of Wayland Holt in the courthouse.

AAA All-Star Team Is Picked

Reagan White, end on the Snyder grid team this season, was given honorable mention this week in the Fort Worth Star-Telegram's selection of the Class AAA all-state team.

White, a star on both offense and defense for the Tigers, was chief pass receiver for the team and one of the top scorers this season.

Carlisle Robison, of Big Spring one of the top scorers in the district, was picked for a halfback position on the team, as was Billy Dendy of Breckenridge, who tied with Robison for first in district scoring and ran first in season scoring. One of Dendy's teammates, Norman Noble, was chosen for the first team as a guard.

Others on the first team were Ends Carter Williams of Texarkana and Jose Benavidex of Edinburg. Tackles Jerry Conelison of Temple and Matt Horges of Harlingen. Guard Jack Morgan of Kilgore. Center Hubert Miller of Port Neches. Quarterback Lester Veitman of San Antonio Edison, and Fullback Ray Masters of Brownwood.

Included on the second team were End Roger Hobson of Breckenridge, Tackle Jerry Cramer of Breckenridge, Guard James Ellison of Big Spring, and backs Kenneth Ford of Breckenridge, Angel Olvera of Sweetwater, and J. C. Armistead of Big Spring.

Players from this district receiving honorable mention were Tackle Tom Neely of Vernon, Guard J. W. Thompson of Big Spring, Centers Norman Dudley of Big Spring, John Morris of Sweetwater, and Bill Perryman of Plainview, and Quarterback Lonnie Holland of Plainview.

Darlings Of Ring Bat Each Other Tonight

NEW YORK (AP)—He ought to be in pictures is what the girls say when either Joey Giambra or Jimmy Herring steps into the ring.

Tonight the gals will get a double thrill when blond Jimmy and dark-haired Joey try to mess each other up in the middleweight main event at Madison Square Garden.

They're two of the best-looking fighters in the game.

They'll be seen on coast-to-coast TV (NBC). The 10-rounder also will be broadcast (ABC).

Starting time is 10 p.m., EST.

Giambra, a better puncher and boxer, is a 3-1 favorite. The Buffalo N. Y., 22-year-old is ranked fifth among the 160-pound contenders, has won nine in a row and has a 34-2-1 record. He has scored 20 knockouts and never has been stopped.

Tiger Basketball Team Takes To Court For 1st Time Tonight

By DALE WALTON

The Snyder Tiger cage team will be sporting a new gymnasium when they go into play at 8 o'clock tonight here against the Pampa Harvesters.

Whether the team will sport anything besides a gym remains to be seen as they take a squad pieced together after last year's loss of six of their top nine scorers.

Pampa, defending the Class AA-AA state championship, also lost most of its players, but it still has Jimmy Bond 6-5 all-state forward. Bond continued his pace he set last year Tuesday night when he tallied 23 points in Pampa's 85-42 win over Tulia.

The Harvesters, coached by Clifton McNelly, are undeated in their last 29 games. It was Pampa last year that downed Snyder twice, 98-67 and 85-59. Bond scored 23 points in one of those games and 19 in the other. Snyder finished one game with only four players left to put on the floor.

The Tigers have established a good record over the last three years. In that period of time, they have won 43 and lost 38, scoring 3,524 points to opponents' 3,153. Their district records for the three years total 21-13.

Last year, the Tigers tied with five other teams in District 1-AAA, all but Big Spring, for the championship. After the district had declared all five champions, Vernon won the right in a playoff to enter state competition. The Tigers last year had a 6-4 district record and a 14-12 season record. They tallied 1,467 points to opponents' 1,428.

In the 1951-52 season, the Tigers took the championship of District 5-AA and then lost out of the regional tournament. They held a 9-2 district record and 18-13 season record, scoring 1,323 points to 1,118.

In 1950-51, the team ran third in district play with a 6-4 record. They had an 11-13 season record and scored 734 points to 707.

Only one game will be played tonight, while the Harvesters will remain here for another game tomorrow night. No B team games will be played.

Head cage coach Gene Gibson has listed 12 boys as members of the A squad. Only three are A team lettermen. Included are:

Jimmy Bennett, 6-0 junior, most improved player during the season last year. A one-year letterman, Bennett tallied 115 points to run sixth in scoring for the A squad while he was pacing the B team with 340 points. His free throw record was 50 per cent for the A squad and 55.8 for the B team.

Reagan White, 6-1 senior who ran fourth in A team scoring last year with 143 points and who also made 35 points for the B team. White has lettered one year. His free throw average was 41.9 with the A team and 62.5 with the B squad.

Ray Courtney is the other letterman. A 6-1 senior, Courtney ran ninth in A squad scoring with 73 points last year and tallied the same number of points for the B team. He held 51.7 A team and 56.0 B team free throw records.

Steve Blair, 5-10 junior who had 74 points in B team scoring last year. He held a 61.5 per cent free throw record for that team. He played a few games with the A team.

Alan Snead, who was third in B team scoring last year with 89 points. Snead is a 6-0 sophomore. He had a 40 per cent free throw average for the B team last year. He also saw some action with the A team.

Don McNew, 5-8 junior who tallied 29 points for the B team last year and had 33.3 per cent free throw average. He played some with the A team.

Billy Sellers, 5-9 junior who tallied 27 points for the B team and had a 38.0 free throw average. He saw limited action with the A squad.

Others, all of them experienced from some B team and freshman play include Joel Tankersley, 6-0 junior; Bernie Hagins, 5-7 junior; Jackie Alford, 6-2 sophomore; Wayne Shuffield, 6-2 junior; and Hubert O'Neal, 5-10 junior.

Admission for the games will be 50 cents for adults and 25 cents for students.

New Power! New Economy! New Performance!

NEW CHEVROLET TRUCKS FOR '54

Whatever you haul or deliver . . . whatever the truck model or size you need . . . here's news that's too important for you to miss

Here's news about the most powerful, finest performing, best-looking Advance-Design trucks ever built—completely new Chevrolet trucks for '54.

You'll find that these great new trucks are packed with brand-new features. They're engineered to do your hauling or delivery job faster, more easily, more efficiently.

Come in and see the trucks with the most new features . . . new 1954 Chevrolet trucks.

The big news is in these big new features—

New Engine Power. Bigger "Thriftmaster 235" engine. Rugged, durable "Loadmaster 235" engine. All-new "Jobmaster 261" engine.*

New Comfortmaster Cab. New one-piece curved windshield provides greater visibility. New instrument panel is easier to read and to reach.

New Automatic Transmission.* New truck Hydra-Matic transmission is offered not only on ¾- and ½-ton trucks, but on 1-ton models, too!

New Ride Control Seat.* Seat cushion and back move as a unit to "float" you over bumps. It's the last word in driver comfort!

New Heavy-Duty 3-Speed Transmission.* Brings you the added convenience of a steering column gearshift lever on 1-ton models.

New Chassis Ruggedness. Heavier axle shafts on 2-ton models. More durable clutches on light- and heavy-duty models. All have stronger frames.

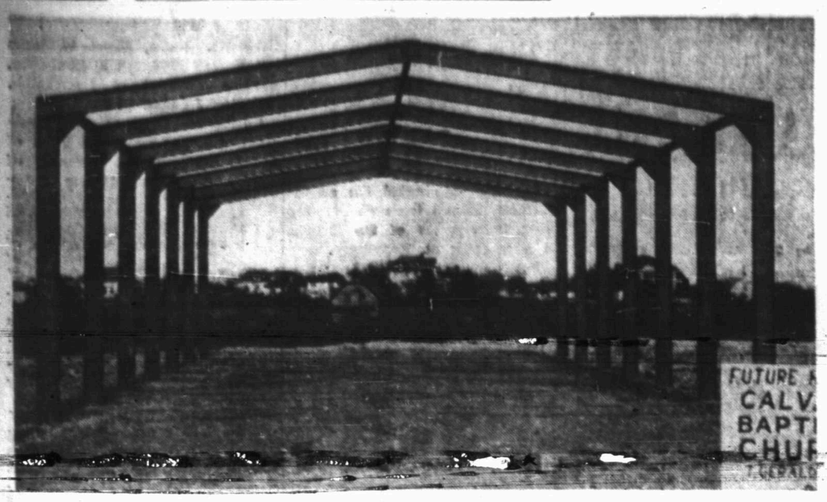

New, Bigger Load Space. New pickup bodies have deeper sides . . . new stake bodies are wider and longer.

New Advance-Design Styling. New front-end is more massive in appearance. New parking lights show the full width of the truck.

*Optional at extra cost. Ride Control Seat is standard on C.O.E. models, available on all other cab models as extra equipment.

STEEL GOES UP AT CHURCH SITE

The steel superstructure (above) for the Calvary Baptist Church being built on Thirty-sixth Street in Southwest Snyder was put up this week. Most of the work on the building so far has been done by members of the church, the Rev. T. Gerald Cates, pastor, said. (Lee Watson photograph)

Evangelist Is Here For Week

The Trinity Methodist Church will begin a week of Christmas season evangelistic services Sunday, the Rev. B. W. Lewis, pastor of the church, has announced.

The Rev. Quay Parmer one of the approved general evangelists of the Methodist Church, will conduct the services. He has just closed a month's campaign in Oklahoma, Mr. Lewis said. Mr. Parmer served as a chaplain during World War II

Earl Ward, who generally assists the evangelist as music director, will accompany him here.

Services will be held at 7:30 each night through Dec. 13 in the Junior High School auditorium.

REV. QUAY PARMER
. . . evangelist

EARL WARD

Dorcas Sunday School Class Meets Yesterday

A Christmas program for members of the Dorcas Sunday school class of the First Baptist Church was held yesterday with Mrs. John Green and Mrs. Bessie Moore hostesses.

The devotional was given by Mrs. B. M. West. Mrs. S. A. Tibbetts presented a Christmas story. Each member attending brought a gift to be sent to the Round Rock Orphans' Home.

Refreshments were served to 20 persons following the program.

In 1952, petroleum and its running-mate, natural gas, supplied 62 per cent of the nation's energy.

WHAT ARE THE MORAL AND SPIRITUAL EFFECTS OF STRONG DRINK?

CHRISTMAS PROGRAM SUNDAY NIGHT

9:00 A.M.—"The Moral & Spiritual Effects Of Strong Drink"—Pastor.

"The Moral and Spiritual Effects of Strong Drink" will be the sermon of the Rev. Woodrow Adcock at the 9 and 10:55 Sunday morning services of the First Methodist Church. A Christmas pageant will be presented by the Woman's Society of Christian Service at the 7 o'clock service Sunday night.

* * *

The Rev. Glenn Ricketts, pastor of the First Christian Church, will speak on "Ray of Hope" at the evening service of the church Sunday. A Woman's Day program will be given at the morning worship service.

* * *

"Divine Pattern (Part 1)" will be the topic for discussion by Warder K. Novak, minister of the Thirty-seventh Street Church of Christ, at the Sunday morning service of the church. At 7 o'clock Sunday night he will continue the same theme with the presentation of part two.

* * *

"God's Power to Heal by His Word" will be the subject of the Rev. James A. Stewart at a street service Saturday night. The service is to start at 6 o'clock.

Evening Services Are Moved Up At First Christian Church

Evening services of the First Christian Church will begin at 5:30 o'clock starting this Sunday, the Rev. Glenn Ricketts, pastor, has announced.

The Christian Youth Fellowship will meet for their study at 6:30, and adults of the church will begin a study of the Bible under the direction of Mr. Ricketts. Other plans are also being made to use Sunday night for church fellowship and growth in churchmanship for the entire family, Mr. Ricketts said.

It is hoped that the new arrangements of evening activities will enable families with young children to attend as well as others, Mr. Ricketts said.

Lutheran Services In Sweetwater Chapel

The Rev. Herman E. Baumann, pastor in the Lutheran Church Missouri Synod, will begin holding Sunday afternoon services at the Johnston Funeral Home chapel in Sweetwater.

The first of these services is scheduled at 3 o'clock Sunday afternoon.

Mr. Baumann graduated from Concordia Theological Seminary in Springfield, Ill., in June, 1952. He now serves as pastor of Our Savior Lutheran Church in Abilene and is student pastor of the colleges of Abilene. He is a member of the department of public relations in the Texas district pastoral advisor of the Lutheran Hour board of his circuit, and pastoral advisor of the Western Zone of the Lutheran Layman's League.

Election Of Directors

Directors to serve the First Baptist Church during the coming year will be elected at a meeting Tuesday night at the church. All members are urged to attend the meeting, the Rev. E. K. Shepherd, pastor of the church, said.

Revival Meeting Is Starting At Church Of Nazarene Monday

The Rev. Ralph C. Gray of Kansas City, Mo., will be evangelist for a revival meeting opening Monday at the Church of the Nazarene.

The church is now meeting temporarily at Twenty-seventh Street and Avenue M, just east of the Junior High School building.

Mrs. Gray will provide special music for the revival. Services will be held at 7:30 each night, with the revival to continue through Dec. 13.

Women's Day Program

Mrs. Bryan Edwards of Lubbock will be the speaker for a Woman's Day program at the 11 o'clock worship service of the First Christian Church Sunday.

Mrs. Edwards is president of the Christian Women's Fellowship of the First Christian Church in Lubbock. Women from the church here will also participate in the program.

Board Hears Talks

Dr. Gordon Bennett and J. Dean Williams, representatives of McMurry College, were speakers Monday night at the First Methodist Church. They spoke before the official board of the church.

'Madonnas Of World' At Women's Fellowship

Mrs. C. C. Miller will lead a dramatic worship program entitled "Madonnas of the World" for the Christian Women's Fellowship general meeting Monday night.

Mrs. Fred Bullard and Mrs. Malven Stevenson will be hostesses for the meeting, to be held at 7 o'clock in the fellowship hall of the First Christian Church.

Mrs. Glenn W. Ricketts will lead the Bible study program Wednesday night at 8 o'clock in the church parlor.

Hannah Class Holds Christmas Program

A Christmas program was presented for members of the Hannah Sunday school class of the First Baptist Church at their meeting Tuesday night.

Mrs. Hubert Mackey was hostess for the meeting. The presentation of the program was preceded by a business meeting. Mrs. B. M. West is teacher of the class.

Refreshments were served 20 members.

Church Of God Holding Revival Through Sunday

The Rev. C. G. Crutcher of Lamesa is now conducting a revival service at the Church of God at Avenue T and Merrill in the Bootheland addition.

The revival was begun last week, and is scheduled to continue through Sunday or longer. Services are held at 7:30 each evening.

Leaders Meeting Set

The official board of the First Christian Church will meet at 8 o'clock Wednesday night at the church. H. A. Johnson, Jr., chairman of the board, will be in charge of the meeting.

ATTENTION YOUTH — A GREAT CAREER!

Ted Norton

From olden times God has used young men. In forming the nation of Israel, God used Joseph in Egypt. When this nation went into captivity, God used another youth, Daniel, in Babylon. The lives of these men show them to have been youths of great spiritual sensitivity and discernment. A youth who would be used of the Lord must allow God to make him into the kind of youth He can use. Joseph and Daniel were from their youth up, men of conviction, courage and character. These attributes depended upon their faithfulness to God.

God uses young women no less than He does young men. Among such women, Ruth is outstanding. The book of Ruth reveals this young lady to be as pure and sweet as the fields of Boaz in which she gleaned. What makes the simple words of her vow (Ruth 1:16, 17) so enduring? In them the two strongest feelings known to men—love and religion—are blended into one mighty emotion. "The cord that draws Ruth is twisted of two strands—love for Naomi and love for Naomi's God."

Her wedding plans were interrupted! Mary, a young woman of charm and marvelous devotion to God, was busy with her dreams and hopes, and preparations for her wedding. Gabriel's announcement ruined everything! To become an unwed mother would shatter all her dreams and blast her good name forever. No wonder "she was troubled at his saying." But after Gabriel's explanation she submitted: "Behold the handmaid of the Lord; be it unto me according to thy word." (Luke 1:38). Note her attitude! What a pattern of faith and unselfishness for young Christians today!

John, "the disciple whom Jesus loved" was thought to be a young man. An early Christian writer, Tertullian, says that John was an adolescent when Jesus called him. View the attachment between the two—Jesus reclining at the table with John in His bosom (John 13:23). The mother of our Lord was entrusted into the care of John (John 19:26, 27). John was with Peter when they ran to the empty tomb. He recognized the Lord at the Sea of Galilee (John 21:7). He stated the purpose of his writing a biography of Christ (John 20:30, 31). Counting his three epistles and the Apocalypse, he wrote five books of the New Testament.

It takes conviction, courage and character to be a Christian; and it pays dividends both in this life and the life hereafter: (1) Conviction—belief that God says what He means and means what He says in His holy word, the Bible; (2) Courage—the confidence that when one does what God says in the right spirit, he has His benedictions and all is well; and, (3) Character—the moral purity and integrity which comes from "walking with God."

The greatest career known to men is to be a devout Christian. No career was ever realized by accident; neither does one serve God that way. It takes Purpose—a willingness to do what God wants us to do; Action—doing what the Lord says in the way He says; and Perseverance—"be thou faithful unto death" (Rev. 2:10). Relate everything you do to the Lord—whether you work or play, be a Christian! Be a faithful Christian! Let neither man nor devil deter you!

Nineteen hundred years ago the church of Christ was established! Today, she has the same name, worship, organization, doctrine and life!

Tune in KSNY on Wednesday at 12:15 (noon) and hear Warder K. Novak.
