First National Bank Building Sold to Rockport Yacht & Supply

Sale of First National Bank's building at Main and Water Streets to Rockport Yacht and Supply Co. for an undisclosed sum has been announced jointly by James H. Sorenson, Jr., bank

president, and Thomas N. Smith, vice president of the local boat building firm. Terms of the sale were approved by directors of the bank at a special meeting last Friday.

Sale of the building, which has been occupied by the bank since 1958, was in preparation for the bank's impending move to its new building which is nearing completion at Austin Street and State Route 35.

Smith said RYSCO's headquarters office will be moved to the newly purchased building as soon as it is vacated by the bank, probably in early June.

The building has a total floor area of 5,800 square feet, including office space now occupied by Glass, Sorenson and McDavid, insurance agency. The insurance firm owns a recently remodeled office building at Laurel and Austin Streets across from the bank's new building, and plans to move to the new location soon. Smith said the space presently occupied by the insurance agency may be available later for rental.

R. E. McBride Rotary President

R. E. McBride was elected president of Rotary Club for the ensuing year at a luncheon meeting of the local civic club at Ramada Inn March 27. Joe Hugenberg was named vice president; Jot Law, secretary-treasurer, and George Peirce, sergeant-at-arms. In addition to the officers who are also directors, L. D. Nuckles, Ray E. Cleveland and James Anderson were elected directors of the club.

The need for immediate and extensive off-shore exploration and production of oil and gas was described by Tom Grover of Portland. He is a petroleum engineer with Baker Oil Co. and a member of the Oil and Gas Committee of the Texas Mid-Continent Oil and Gas Association.

Grover said there are vast petroleum resources awaiting discovery and development along the continental shelf off the east coast and in the Gulf of Mexico. These gas and oil supplies are needed as quickly as possible to help solve the energy crisis.

He pointed out that three quarters of our energy comes from petroleum products and that development of nuclear and solar energy in substantial quantities is still a long way off. Further development of gas and oil is much more promising for the immediate future, he asserted.

Key Allegro Pledges \$5,200 for Dredging

A contribution of \$5,200 toward the cost of dredging and widening the boat channel between Aransas Bay and Little Bay has been pledged to Aransas County Navigation District by Key Allegro Canal Owners Association, Key Allegro Development and Sales Company, and Ken Leth, owner of Key Allegro Marina.

The announcement was made this week by Carl C. Krueger, Jr., head of Key Allegro Development and Sales Company. Krueger said that "while maintenance of the channel is the responsibility of the Navigation District which is tax supported, Key Allegro people had agreed to participate in the cost of dredging to help insure prompt action on improving the channel in the interest of boat owners."

The channel extends approximately 1,800 feet from Aransas Bay to Little Bay and it is planned to dredge it to a depth of eight feet with a 60 to 80 foot width, Krueger said.

First bid received for the project was reported to have been \$34,000, which the Navigation District directors believed was too high. Subsequently, a lower bid was received and the contract was awarded.

Last week, James McCord, president of Canoe Lake Corporation, owner and developer of Harbor Oaks subdivision, announced that Canoe Lake Corporation had offered a contribution of \$1,000 toward the project.

County Commissioners Approve Manpower Training Contract

Aransas County commissioners, after saying they knew nothing about it, March 29 gave County Judge John D. Wendell authority to sign a manpower training program contract with the City of Corpus Christi. "All I knew about it is what I saw in the newspaper this morning," said Commissioner Raymond Owens.

City Election Set for April 6

The city election will be held Saturday, April 6 with voting from 8 a.m. to 7 p.m. in the City Hall.

For mayor, Walter S. Falk, Jr., incumbent is unopposed. For Alderman from Ward 1, the candidates are Joe "Pepe" Zambrano, incumbent, and Joe Lister.

In the race for Alderman from Ward 2, Murray McMillan, incumbent, and Seth Steele oppose each other. Ward 1 is that part of the City of Rockport which is south of North Street. Ward 2 is that portion of the city which is north of North Street.

Easter Sunrise Service April 14

This year on April 14, the traditional annual Easter Sunrise Service on the bayfront sponsored by the Aransas County Ministers' Association, will begin at 6:30 a.m. on the Navigation District Office parking area.

Choirs, musicians and ministers from several area churches will participate in leading the worship, planned with local lay people as advisors.

School Trustee Election April 6

Aransas County Independent School District will hold a school trustee election Saturday, April 6. Voting will be from 8 a.m. to 7 p.m. in the Junior High School Cafeteria.

Candidates for school trustees are as follows: Harold Picton, incumbent and Pete Ramirez, Jr., for trustee from the Rockport area.

W. Dalley Heldenfels, Jr., incumbent, is unopposed as candidate for trustee from the Lamar area.

BUSY DAY FOR POLICE

Chief of Police James Craigmillie advises that last Monday got off to a flying start. In addition to normal routine police business, his men made four arrests before noon.

The cases included the following arrests: one man for being drunk and carrying a pistol, two men for theft from a local business, and one man for possession of marijuana.

In commending the members of the Rockport Police Department, for their good work, Chief Craigmillie stated, "A large amount of paper work is required to make a case after the arrest. If we could do the paper work as fast as the actual arrest, it would make for smoother Monday mornings."

Little League Meeting Thursday

Aransas County Little League will hold a meeting Thursday, April 4 at 7:30 p.m., in the Chamber of Commerce building to finalize plans for the 1974 season. All coaches, commissioners, and interested persons are urged to attend.

MAYOR ON RADIO

Mayor Walter S. Falk, Jr., will be heard on radio programs originating in Sinton, Corpus Christi, Alice and Kingsville during the next few days discussing Rockport on a "State of the Region" program sponsored by Coastal Bend Council of Governments.

Plans are being developed to form a Little Theater group here. The first meeting will be held Tuesday, April 9 in the home of Mrs. Frank Skrobarek, 620 S. Young St., at 2 p.m. Interested persons are invited to attend. It is planned to present a play, written by a local person, at Ramada Inn at a later date. For more information, call Mrs. Skrobarek, 729-2115, Mrs. Clifford Zeisler, 729-0845 or Mrs. John R. Clark, 729-5500.

appeared to be puzzled as Wendell explained that he had taken it upon himself to enter the county into a "tentative agreement" to participate in the multi-jurisdictional project for manpower training programs under the Department of Labor. "I agreed...not you... to a one-year contract," Wendell informed the court. He later commented that part of the contract "already is a month old."

"I don't know anything about it," insisted Owens. He inquired about the county's liability, saying that he gathered there was some dissension in adjoining San Patricio County about this aspect of the contractual agreement.

Wendell said he had called the local school system and "they asked that it be done." He said more money would be forthcoming under the multi-jurisdictional arrangement.

The alternative would be for the county to look to the state for manpower training allotments and a smaller program would result from this route, Corpus Christi manpower representatives have said.

"It either has to be done today or not at all," Wendell said.

In other business at the regular meeting, the court called upon the sheriff's department to crack down on persons dumping garbage and trash along public and private roadways and rights-of-ways.

"You are going to have to fine some of those people," said Owens after sheriff's office deputy Mrs. Theo Johnson told the court how garbage dumping complaints have been handled.

"There is no use in just slapping them on the hands," Owens said.

Mrs. Johnson said innumerable complaints had been received on dumping and trash burning in violation of state laws. "People have just gone mad, dumping trash all over... from Aransas Pass to Holiday Beach," she reported.

She said officers had combed some piles of garbage for identification and when this was found the individuals had been contacted and warned against repeating the act. Owens complained that this treatment had only caused garbage dumpers to change their tactics.

"What's happening is they're wising up real fast," he said. He said he spoke to one person given a warning and asked him if he had learned anything. "He told me yes... that he had learned to go through his trash and remove any identification," Owens said.

Wendell observed that garbage dumping and burning actions are in violation of any one of several state laws providing for fines as high as \$1,000.

The court said dumping along roads and rights-of-way has always been a problem, but that the illegal activity rose sharply after the county negotiated with a San Patricio County man to haul Aransas County garbage to a landfill near Sinton.

Mrs. Johnson said some rural residents are apparently bringing their garbage into the City of Rockport to avoid paying the charges levied for refuse taken to the transfer station.

The city and the county are unable to bury garbage because of the high water table, and cannot burn it because of Texas Air Control Board regulations. --Corpus Christi Caller

This play went to Sinton on March 26 for University Interscholastic League competition. Two cast members won honors - Cindy Moore won All Star Cast and Opal Hesselstine received Honorable Mention.

Public Asked to Stay Away From Fires and Accidents

EDITOR'S NOTE: Chief of Police James Craigmillie submitted the following article in the hope that everyone will read it and follow the suggestions made, in the interest of public safety.

* During recent emergencies and fire calls, a large number of spectators on foot and in

vehicles have appeared on the scene.

Traffic congestion, persons driving over fire hoses, blocking of sidewalks and getting in the way of firemen and police officers have been prevalent.

At a recent fire involving a tank truck at Pearl and Cornwall Streets, the fire department had its hands full fight-

ing a very dangerous situation. To add to their problems large numbers of persons gathered in the area and vehicles crowded the immediate vicinity.

Had an explosion occurred, secondary to the tank truck itself, many persons would have been injured who had no business in the area in the first place.

Our ambulance facilities and medical service is limited as it is during emergencies. And these facilities should be immediately available to those who are at the scene working on the emergency.

The Rockport Police Department is asking all persons who are not involved in an emergency itself to stay out of the area.

Enforcement action will be taken by the police department. The Texas Penal Code spells out clearly the authority for clearing areas to maintain public safety in emergencies.

In addition the Texas Motor Vehicle Laws covers --following of fire apparatus closer than 500 feet, unless on official business or drive into or park a vehicle within the block where the fire apparatus has stopped to answer a fire alarm is an offense.

It is hoped the public will cooperate in doing our community a service by staying away from the scene unless working with the emergency.

It is suggested that those interested persons, read about it in the newspaper. That way you'll get the facts and be a lot safer at the same time.

The police chief added that in his opinion, the Rockport Fire Department is to be commended for their excellent performance.

Band Boosters

Band Boosters meeting will be held in the band hall at 7:30 p.m. on Monday night, April 8. Nominations will be made for the new band officers to be elected in May for the upcoming school term. There will also be candy representatives at this meeting to discuss band candy purchases for the next candy sale.

Easter Cantata

The Choir of the First Baptist Church will present an Easter Cantata entitled "No Greater Love" by John W. Peterson Sunday, April 7, at 7 p.m. The public is cordially invited to attend.

Eighth Grade Student Wins Spelling Bee

Alma Lynn Evans was the winner of the Rockport-Fulton Junior High School Spelling Bee that was held on March 28. Alma, winner over fourteen other finalists, is the daughter of Mr. and Mrs. Lytten Evans of Fulton.

Alma will represent Aransas County in the regional spelling

bee that will be held in Corpus Christi on April 20. The winner of the regional bee will travel to the National Spelling Bee that will be held at Washington D.C. in June.

Other students that participated in the local spelling bee were:

Sixth grade - Lucy Hernandez, Karen Rowland, Toni Maness, Kelly Fine, Diane Gilliam.

Seventh grade - Joan Harris, Susan Mosier, Julie Miller, Mary Ballou, Barbara Strodt. Eighth grade - Vicki Rice, Anna Dominguez, Leah Hill, Kathy Brock.

off-shore wells in the Gulf of Mexico, for 25 years, but there is still much opportunity for exploration and discovery in this area. As for the Atlantic seaboard, he said drilling has yet to start although there are a few producing wells off the east coast of Canada. So far opposition of conservationists and fear of pollution have prevented drilling off the U.S. east coast.

He explained that off-shore drilling is eight to ten times more expensive than drilling on land, and that it often takes three to ten years from exploration to production. A well in relatively shallow water will cost up to \$600,000, while wells in deeper water cost about three times as much. He added that off-shore wells must be equipped with extensive and very sophisticated safety equipment designed to prevent oil spills. Both federal and state agencies supervise installation and maintenance of these devices, Grover said.

He asserted that we can protect the environment and still have increased petroleum production. He said there have been very few breakdowns with serious pollution since offshore drilling started. He claimed that drilling platforms perform the same functions as artificial reefs in stimulating fish production.

Girl's Track Team Fifth

The girls' track team traveled to Port Lavaca to participate in the Bobby Goff Relays Saturday. The girls made a fine showing ranking 5th out of 22 schools. Placing ahead of the Pirates were Port Lavaca, Flour Bluff, Bay City and Clear Creek.

Placing in the events for the Pirates were Becky Bateman, 6th in the triple jump; Mary Laird, 2nd in the high jump and 6th in the hurdles; Nina Green, 2nd in the 60 yard dash and 4th in the 100 yard dash; Melline Harwick, 3rd in the 50 yard dash; and Corina Rivera, 6th in the 220 yard dash. The 440 yard relay finished 2nd, the 380 yard relay was 4th and the mile relay came in 4th.

This Saturday the girls will be idle and on Monday, April 5 the girls will travel to Corpus Christi to participate in the District Meet to be held at Buccaneer Stadium.

Plea for Filing Fees Planned

Two Texas Democratic county chairmen expect to go to the Texas Legislature and ask for a return to the filing fee and assessment system to finance private party primaries.

A U.S. Supreme Court ruling last week in a California case opened the door for what will be a campaign to end the use of taxpayer dollars on political party nominations, said Miss Lola L. Bonner, Aransas County Democratic chairman, and Lem B. Allen, Guadalupe County Democratic chairman.

Democrats Raise Funds for Primary

money to pay for the ingredients that went into the gumbo were James H. Sorenson, Jr., Judge John D. Wendell, Lola L. Bonner, Louise Wilken, Bob Mosler and Freddie Lingner.

A special thanks to L. E. Casterline and Norvell Jackson who donated the peeled, de-veined shrimp for the gumbo and Explorer Scouting Post 49 who helped with the cleaning of the tables.

Over \$1,400 was netted from the sale of tickets, left over gumbo and a cake auction at which one cake sold twice and netted \$75. The proceeds will go to the Democratic Executive Committee of Aransas County to help defray the cost of the Democratic primary.

Lola L. Bonner, President of the Democratic Women acted as Master of Ceremonies and auctioneer.

Those unopposed candidates speaking were Chief Justice Paul W. Nye of the 13th Court of Civil Appeals, Associate Justice Gerald T. Bissett, County Judge John D. Wendell, County Clerk Ruby Hart, District Clerk Agnes A. (Tony) Harden, County Treasurer Ettoll "Duck" Eller and Justice of the Peace for Precinct 1, Lawrence Miller.

The candidates who are in opposed races are incumbent Leroy Wieting and Rab Burgess who are running for the District 41 Legislative post. The seven candidates speaking in the race for Commissioner of Precinct 2 were C. L. "Bubba" Browning, R. J. "Dick" Fox, J. M. Franz, Miss Felicia Gonzales, Carl Hardin, Ernest Harrist and Ray Longino.

Charley L. Hale, the incumbent Commissioner of Precinct 4, was unable to attend because of an illness in his family; the other candidates speaking were Tom D. Brown and J. L. "Larry" Stewart. Candidates for District Judge 156 District attending and speaking were William B. Moser, Jr. and Mrs. Rachel Littlejohn.

Dr. Jeff Bishop and Mrs. Jeaneen McMasters were unscheduled speakers on behalf of gubernatorial candidate Frances "Sissy" Farenthold, with Lola Bonner speaking on behalf of the other gubernatorial candidates.

Special guest was Lem B. Allen of Guadalupe County, State Chairman of Texas Democratic County Chairmen. Guadalupe and Aransas are the only two counties in Texas who are not accepting state tax funds to finance their primaries.

In all respects this was an "old fashioned Stump Night" with all the handshaking, back patting and well-wishing that goes on when any two political candidates encounter a large crowd. It was all done in a spirit of fun and fellowship and enjoyed by all, young and old alike.

A great big thanks to those who helped make this project a real success.

CITY ACCIDENT RATE DOWN

Chief of Police Jim Craig-mille reports that accidents for the first three months of 1974 were cut to one-half compared to 1972 and 1973 figures for the same period of time.

The downward trend appears to have started with lowered state speed limits and less gasoline. Traffic citations have also been on a downward trend for the same period.

Most of the speeding cases involve local persons, who drive through the same area, past speed and school zone signs almost daily. "It is difficult to accept the excuse, 'I didn't see the sign' or 'I don't know what the speed limit is' in these cases," the chief said.

"Whatever is responsible for the reduction in accidents, we of the police department are all for it, and hope it stays around a long time," Craigmille said.

Gopher Clinic Set for April 11

A gopher clinic will be held in Rockport on April 11 at 1 p.m. at the L. David Wright beach home at Fulton. The residence is located on Fulton Beach Road north 1.8 miles from Ramada Inn. A gopher clinic sign will be put up on lot #48.

The clinic is sponsored by the Texas Rodent and Predatory Animal Control Service, Texas A&M University. The public is cordially invited to learn the best, most effective ways to control gophers in pest situations.

Urban Rodent Control Specialist, Ronny Foster and District Field Supervisor, Bob Sims will conduct the demonstration. For additional information Foster can be contacted at Robstown Courthouse or phone 387-5392.

Bank Building Sold— (Continued from Page One)

will be moved to bank building from the present location across Water Street include purchasing, personnel and safety, accounting, engineering and executive. Space vacated will be used for storage, Smith said.

"Our present office facilities have been inadequate to meet the growing needs of our company for some time and we are delighted to obtain a modern headquarters building that is ideally suited to our needs," Smith said. "Also, its location almost next door to our shipyard make it unusually desirable from an efficiency standpoint," he added.

RYSCO, with approximately 125 shipyard and office employees, is reported to be the largest commercial employer in this area. For the first time in its 39-year history, last year's payroll was in excess of one million dollars, Smith reported.

RYSCO was founded in 1935 by the late T. Noah Smith, Sr., whose son, T. Noah Smith, Jr., heads Luling Oil and Gas Co. Inc., of San Antonio of which

Rockport Yacht and Supply Co., is a wholly owned subsidiary. Vice President Smith, a grandson of the founder, is in charge of RYSCO operations. Albert Silchenstedt is vice president in charge of design and production.

For years RYSCO has engaged in repair of all types of vessels, commercial and recreational, and also in construction of wooden vessels of various sizes and designs. About 1950 a vertical lift, turntable and trackage were installed, giving RYSCO modern facilities for handling vessels up to 100 feet in length and 100 tons burden.

In 1960 the company started building 72-foot wooden-hulled boats. From plans for these boats designs were developed for similar ocean-going steel trawlers. Construction of these new

boats began in 1963. Among the first built were four 62-foot versions bought by a Japanese firm for fishing in South American waters.

The first vessel ever specifically developed for deep water royal red shrimp fishery was the "Robert Landon" constructed for R. E. Clegg of Port Lavaca. Similar boats have since been sold throughout the world, including Australia, Korea, Africa, and several South American countries in addition to Japan. Boatmen say distinctive hull and superstructure design make these boats almost immediately identifiable.

At present RYSCO is building its 372nd steel-hulled trawler. There are 17 in various stages of construction in the local shipyard which has a capacity of approximately 30 such boats a year.

DICK FOX, Rockport Representative — 729-2449

To the Voters Of Aransas County

I would like to take this opportunity to let you know that I will be in the running for election to the School Board of Trustees.

I was born here in Rockport, attended our schools and have attended Del Mar College, Water Utility School conducted by Texas A&M University, and have just finished police school at Del Mar Tech's Police Academy, where I finished first in my class. I am employed by Texas Parks & Wildlife and work at Goose Island State Park. I served in the U. S. Air Force 4 years. I am a member of the Veterans of Foreign Wars local post, where I served as Junior Vice Commander for one year.

I am married to the former Gertrude Lopez and we have 3 daughters, Melissa Ann, 15, a freshman in High School, Clarissa Maria, 14, in the 8th grade, and Suzanne Michele, 11, in the 6th grade.

I have always had the youth of our community in mind, having managed a Little League team for about 18 years. I have also been a Scout Master, and am presently Advisor to the Explorer Scouts Post 49. And since my Post is co-ed, my wife is my Associate Advisor to the girls. We enjoy attending all our school functions where our youths participate.

I feel that I would be very much qualified for this position since I have always had the interest and needs of our youths in mind and since I have worked with them so closely for so many years. I ask for your support in th oncoming election on April 6th. Thank you.

Rockport Firemen's Auxiliary Meets

The Rockport Firemen's Auxiliary met March 26 for their social meeting. President Ivala Hinze called the meeting to order with seventeen members answering roll call. Guests present were Elmer and Timmy Redden, Bill Gray, Edward and Janet Truelove, Coy Truelove, Gene and Billy Howland, Ronnie Roberts, Beth and Grady McNutt, Patricia Gurley, Jeanette King, Steve, Pat, Timmy and Christy Frizze, Ronnie and Shelby Redden, Roy Boddie, Mike Swearingen, Eddie Ratliff and Dennis and Iris Jenkins.

The president held a short ceremony prior to the meeting for the children who won the contest for the Cerebral Palsy Telethon. The president presented the prizes to Frances Ramirez for first, Timmy Redden for second and Chris Iles for third.

The poster contest judging was then held with Roy Boddie, Coy Truelove and Mrs. Iris Jenkins as judges. The winners were announced and plans were made for the presentation of prizes.

Betty Boddie, program chairman, then presented the treasure chest furnished by Peggie Hunt and won by Ronnie Redden.

J. C. Gurley and Dennis Jenkins then presented the "Whistling Duet". They were

dressed in big hats with their stomachs painted on like faces. Their performance to a whistling record was enjoyed by all.

Refreshments of punch, coffee, cookies and donuts furnished by Mary Lee Frizze and her committee were served.

Members present were Evalon Redden, Gwynne Howland, Lois Gurley, Sadie Smith, Cleo Truelove, Katherine McLester, Teresa Howland, Joan Truelove, Julia Gray, Ivala Hinze, Mona McNutt, Mary Lee Frizze, Frances Redden, Betty Boddie, Cricket Swearingen, Kathy Ratliff and Terry Roberts.

AIRMAN J. BENAVIDEZ GRADUATES AT KESSLER

BILOXI, Miss. -- Airman First Class Juan G. Benavidez, son of Mr. and Mrs. D. H. Benavidez of Rockport, Texas, has graduated at Keesler AFB, Miss., from the U. S. Air Force ground radio systems equipment repair technician course conducted by the Air Training Command.

The airman, who was trained to supervise maintenance on ground radio equipment, is being assigned to Tinker AFB, Okla., for duty with a unit of the Air Force Communications Service.

Airman Benavidez graduated in 1973 from Rockport-Fulton High School.

CHIEF DEPUTY HONORED

Chief Deputy Sheriff E. A. Stautzenberger was honored on his 60th birthday March 25 at the home of Mr. and Mrs. Melvin Hull. There were approximately fifty-five friends who helped him celebrate.

Bowling Tourney Awards Presented

The Coastal Bend Bowling Tournament awards were presented March 25 at the Palm Restaurant in Aransas Pass. The Coastal Bend Association Tournament was a handicap tournament with a Class A and a Class B category.

Sundown Goldiggers first place team of Class A; Bill Moore and Sons second place; Portland Savings and Loans third.

Kelly's Drive Inn first place team of Class B; Little Bob's second place; Sipe Real Estate third place.

Class A Doubles: First place Margo Moore and March Whitehead; second place Kathy Sullinger and Sherry Miller; third place Hella Westbrook and Sherry Westbrook; fifth place Linda Mastropole and Lillian Chastain.

Class B Doubles: first place Patsy Williams and Rita Young; second place Barbara Graf and Dolly Crawford; third place Sharon L. Jernigan and Sharon F. Jernigan; fourth place David Wier and Ruth Elmore.

Class A Singles: first place Pat Samson; second place K. Armstrong; third place Dorris Haneka; fourth place Jody Haneka; fifth place Inga Galbreath.

Class B Singles: first place Patsy Williams; second place Marilyn Moody; third place Ruth Elmore; fourth place Nita King; fifth place Elizabeth Brown.

All Events Class A: first place Inga Galbreath; second place Kathy Sullinger; third place Hella Westbrook; fourth place Barbara Graf; fifth place Peggy Coble.

All Events Class B: first place Patsy Williams; second place Betty Latham; third place Marilyn Moody; fourth place Ruth Elmore; fifth place Mary Dearsan.

There were eight 200 Club pins presented (to qualify a game of 200 or more must have been bowled during the tournament). The recipients were Dot Barris, Inga Galbreath, June Gregory, Mary Jarvis, Betty Latham, Marilyn Moody, Margo Moore and Patsy Williams.

The Pap test is a painless procedure for detecting uterine cancer. The American Cancer Society urges all adult women to have a Pap test annually. 14,000 women died of uterine cancer last year. The American Cancer Society estimates that most of them could have been saved by early detection and prompt treatment. Guard against uterine cancer; have a Pap test every year.

CEREBRAL PALSY CONTEST WINNERS: Ivala Hinze, president of Rockport Firemen's Auxiliary, is shown presenting the prizes to the contestants collecting for the Cerebral Palsy Telethon held March 16 and 17, sponsored by the auxiliary.

Left to right are Frances Ramirez who placed first with collections of \$165; Chris Iles who placed third with collections of \$54.04; Timmy Redden who placed second with collections of \$56.52; and Ivala Hinze.

The presentations were made March 26 in a short ceremony at the fire station. President Hinze thanked all the children for their hard work collecting donations from door to door for the telethon.

Warden - Srubar Unite

Miss Donna Gail Srubar and John H. Warden, III were married on March 1 in the Crown Room of the Sheraton-Marina Inn in Corpus Christi by the Rev. Arnott A. Ward of the First Presbyterian Church.

Parents of the bride are Mr. and Mrs. Lad Srubar of El Campo. The groom is the son of Mr. and Mrs. J. H. Warden, Rockport.

The bride, given in marriage by her father, wore a gown fashioned of sheer organza and Alencon lace. The empire bodice had a bib front of lace and a high neckline. The full Bishop sleeves ended with a lace cuff. The a-line silhouette featured lace panels to the hemline, and, around the hem and train. Her chapel length mantilla was bordered in matching lace.

Mrs. Bobby Close, sister of the groom, was matron of honor.

Michelle Srubar, sister of the bride, was flower girl.

The best man was Larry Wade of Houston. Usher was Bobby Close, Jr.

A reception and buffet for 25 guests followed the ceremony.

After a wedding trip to New Orleans, the couple are at home at 6010 Elm, Houston.

The bride is a graduate of

El Campo High School. She is employed by Southwestern Casualty Agency, Inc., Houston. He is a Fire Fighter for the Houston Fire Department.

Remarkable Schoolmaster--If Shakespeare were alive today, would he still be regarded as a remarkable man.

Pupil--I'd think so, for he'd be over 300 years old.

Service Comes First---

From its very beginning more than 80 years ago First National Bank has never lost sight of the fact that service—service to its customers and to the community is one of its most important responsibilities.

Throughout its long career the bank has held fast to this principle. It is a fundamental part of its business philosophy. This is just as true today as it was when the bank was founded in 1890.

Through the years, hundreds of operating changes and physical improvements have been put into effect because they provide more efficient and more convenient service for customers

The decision to build a new and more modern home for First National was based in a large degree on a desire to serve customers better.

Among the more important physical improvements made possible by the new building are adequate parking, four drive-in banking windows and a much larger, more convenient banking room.

First National continues to meet its responsibility to customers and the community by providing the most complete, most modern and most convenient banking facilities possible.

Racquet Club Tennis Tourney

First annual Spring Tournament of the Rockport Racquet and Yacht Club will be played this weekend. The tournament is open to all tennis players in the Rockport area and will be played on the club's courts on State Route 35 north of Rockport.

There will be men's and women's singles and doubles, a men's senior singles for players 50 and older and mixed doubles. There also will be consolation rounds for first match losers in the men's and women's singles.

Most of the matches will be played Saturday and Sunday starting at 8 a.m. and finishing with the finals Sunday afternoon. If necessary, some preliminary matches will be scheduled for Friday at 5 p.m.

Trophies will be awarded winners and runners-up in all

categories and in the consolation round. Also there will be rotating trophies for men's and women's singles.

A tournament committee will schedule the matches and will select pairings for men's and women's singles and doubles. Players will arrange their own pairings in the mixed doubles. Members of the committee are George Cone, tournament director and treasurer; Polly Bracht, social director; Joe Hugenberg, trophies; Jim White, photography, and Dewey Lingo, promotion. John Gutzke, club professional, is committee advisor.

There will be a social hour for players and friends Saturday following tournament play, and a dinner Sunday evening when trophies will be awarded. Both events will be in the dining room of the Racquet and Yacht Club Resort.

Tournament entry fees are \$3 per person in singles and \$2.50 per person in doubles.

A can of new balls will be supplied by each singles player in his first match and each team of doubles in its first match. Winners take the new balls and the balls used in the match go to the losers.

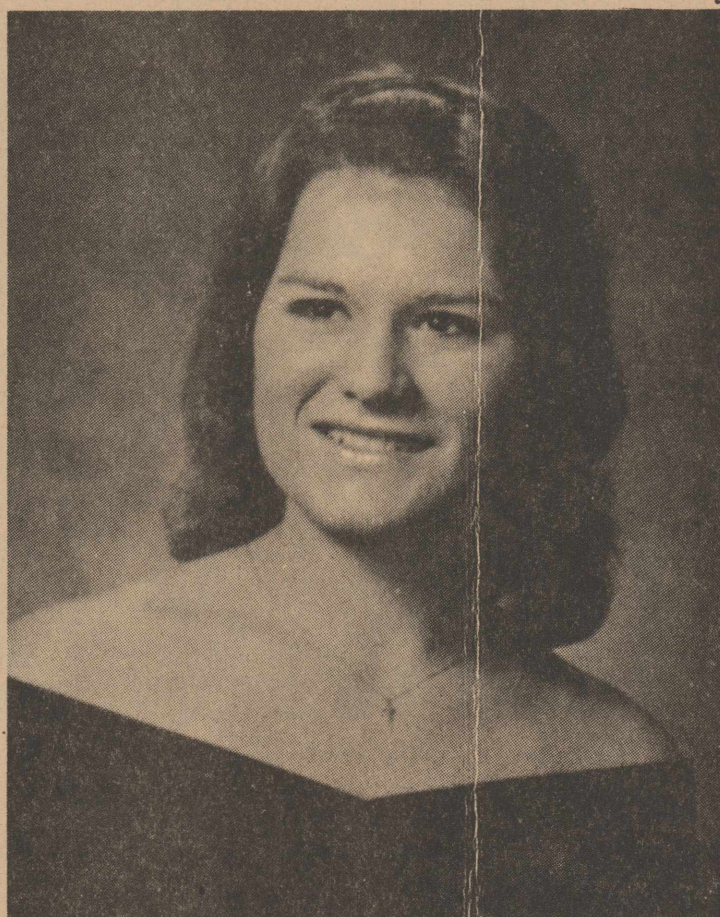

Tournaments for girls and boys of the Rockport area are being planned for early summer, Gutzke said. Also, there will be a club tournament for members, as well as a tournament for beginners later in the summer.

Surprise Shower Honors Mrs. Pettus

Mrs. Jeanie Pettus was the surprise honoree of a baby shower on March 25 when members of the Fulton Firemen's Ladies Auxiliary held their regular meeting.

HOROSCOPE

Week of April 7, 1974

ARIES--The Arian has tremendous drive. He is almost always successful. He is often an over-achiever. Seldom is he a quiet person, talking so much he has few secrets. He likes people and wants them to like him. Best color is red, lucky numbers are 2 and 4 and lucky day is Sunday.

ARIES--March 21 to April 20--You have terrific leadership ability, but you must learn to discipline your tongue if you want to exercise this ability. Think before you speak.

TAURUS--April 21 to May 20--Curb the tendency to act aggressively. Constructive pursuits are the answer to your frustrations.

GEMINI--May 21 to June 20--Join a group or association dedicated to civic improvement. If you take a job on a committee, give it your best.

CANCER--June 21 to July 22--Keep all activities above board. Spend some time with a friend whom you truly enjoy. Set a good example for others.

LEO--July 23 to Aug. 22--There is a time for work and a time for play. Concentrate your efforts this week on work.

VIRGO--Aug. 23 to Sept. 22--Take care that you don't make a thoughtless remark which could be misinterpreted. Keep private matters to yourself.

LIBRA--Sept. 23 to Oct. 22--Stay in circulation this week. A social situation could lead into the beginning of a permanent and beautiful relationship.

SCORPIO--Oct. 23 to Nov. 22--Be aware that young people close to you have problems that are very real to them. Don't be too alarmed that those things which seem logical to you don't strike

them in the same way. **SAGITTARIUS**--Nov. 23 to Dec. 21--The temptation to spend money needlessly is great this week. Instead stay home and get things in order. Mend or repair those things which can be useful.

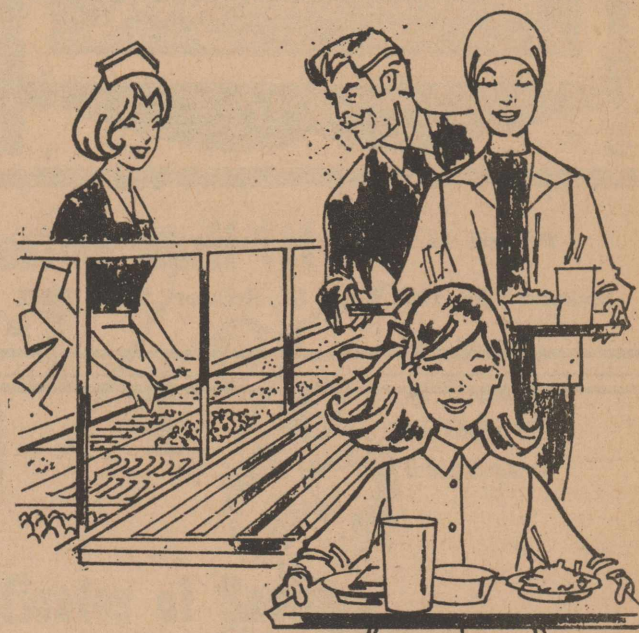

CAPRICORN--Dec. 22 to Jan. 19--Entertain friends. Plan a good menu. Spend some time with children. Don't neglect your spiritual life. Make plans for the future.

AQUARIUS--Jan. 20 to Feb. 18--Think before you speak. If it seems that others are making it hard on you, take a look at yourself. The

fault could lie with you. **PISCES**--Feb. 19 to March 20--You have a lot going for you. You are well liked by your peers.

Fashion
It has been truly said that if we wait long enough all styles come back in fashion. Three of these that are having a come-back are more curves for women's figures, hats and marcel waves for the hair.

Marcel waves used to be put in with electric curling irons but we hear that a steam gadget is used for these new waves.

Chamber Happenings

The following article was brought into the Chamber office by G. D. Waters of Palm Harbor. It is an excerpt from L.M. Boyd's column "The Grab Bag" appearing in the San Francisco Chronicle:

"Rudyard Kipling in one of his poems expressed the notion that just about every man has one place on earth he'd rather live than anywhere else. Kipling's spot was Sussex, England. I'm still narrowing down my list. The Olympic Peninsula in Washington State; the Snake River country in Idaho; Rockport on the Texas Gulf Coast; Switzerland's Lake Lugano, Cape Cod; the horse territories of Kentucky."

The Chamber of Commerce has one new member this past week. Welcome to Gilbert Jr. and Gilbert Sr. of Hill's Maintenance Service, 212 S. Church.

A nice big ad appeared in the San Antonio Express this past weekend advertising Rockport. The ad is just one of many that the Chamber of Commerce plans on running this spring encouraging people to visit the Coast of the Coast for a weekend or a week. It is also stressed that it only takes 10 gallons to reach the ideal vacation spot.

Two bus loads of Oklahomans stopped at the Navigation park for a rest and were given brochures and a welcome by the Chamber secretary-manager. They were invited to come again and spend some time here.

Canoes At Night Need Running Lights

AUSTIN - As far as the law is concerned, being a canoeist on the water at night without a light is worse than being up the creek without a paddle.

Texas Parks and Wildlife Department officials say that canoes have the same lighting requirements as Class A boats if they are operated after dark.

This means the bow of the canoe must have a green light which shows to the starboard and a red light which shows to port.

On the stern, at a slightly higher elevation than the bow lights, there must be a white light which shows an unbroken light over an arc of the horizon of 20 points of the compass.

If you operate your canoe only during daylight hours, you don't have to worry about lighting.

Tuesday Bridge

Mrs. Roy Woods was hostess to the Tuesday Bridge Club at her home last week. Members playing were Mrs. Arlo Hansen, Mrs. R. E. House, Mrs. Chester Johnson, Mrs. Harry Mills, Mrs. John P. Mitchell, Jr., Mrs. L. G. Wood and one guest, Mrs. Roy Burke. Mrs. Mills won high score, Mrs. House second high and Mrs. Burke the consolation prize.

Early detection of uterine cancer pays off, says the American Cancer Society. The Pap test can detect uterine cancer when it is practically 100% curable. Women: Have a Pap test every year.

Skrobarcek-Fairbairn Wedding

Wedding vows uniting Miss Frances Jean Fairbairn and Mr. David Paul Skrobarcek were solemnized February 22 in the Sanctuary of the Church of Most Precious Blood, in Corpus Christi. The Rt. Rev. Msgr. William C. Kinlough, officiated at the double ring ceremony. Young Dwain Edward Skrobarcek served as altar boy.

Parents of the bride are Mrs. Beth Fairbairn of Corpus Christi, and Mr. James R. Fairbairn of Ingleside. The groom is the son of Mr. and Mrs. Frank Skrobarcek of Rockport. Mr. Florencio Lara, organist played the traditional wedding music. Debbie Wheeler and Debbie Sheller, sang and played the guitar of the composition, "The Wedding Song".

The altar was decorated with candlelight and flanked on each side with fans of multicolored flowers. The family pews were decorated with white satin bows and ribbons.

Escorted to the altar and given in marriage by her father the bride wore an empress gown of pale ivory satin organza. Venice lace ribboned with pink satin over silk, with pearls entwined decorated the duchess neckline and bodice, accented with rows of ruffles, with wrist length sleeves and ruffled cuffs. The over silk

formed a chapel train. The lovely veil also edged with Venice lace, fell in three folds, softly surrounding her hands and waist. The illusion veil was embroidered with rosebuds and had pink satin streamers.

Attending the bride as matron of honor was the groom's sister, Mrs. Charles Beshears, her only attendant. She wore a pale blue satin empire gown, accented at the neck and cuffs with ruffles. A royal blue pol de soi sash enhanced the prin-

cess waistline while carrying a blue and yellow bouquet of roses and gladioli, accented with baby's breath and satin streamers. The flower girl, Connie Clifton, niece of the bride, wore a long blue gown of organza, dotted with pink and blue flowers and scalloped hem. The sleeves were belled and scalloped. She carried a ribboned basket of flower petals.

Gregory Skrobarcek served as ring bearer, a nephew of the

groom. Dwain Skrobarcek, brother of the groom served as best man. Ushers were Bobby Dean Skrobarcek and Charles Beshears. Mrs. Beth Fairbairn, mother of the bride was lovely in a off-white jersey dress, accented with silver buttons and belt, wearing a corsage of yellow daisies.

Mrs. Frank Skrobarcek wore a two-piece tunic crepe in emerald green, wearing a corsage of white daisies.

The wedding was most impressive when the bride left her father's side and stepped over to her mother presenting her with a long red rose and kissed her. She then in turn stopped at the groom's mother presenting her a rose and kiss. Very calmly stepping back to her father's side to receive his kiss.

A reception followed in the church social hall. The four tier wedding cake was of off-white frosting with pink roses. The four pillars were outlined with bells. The top decorated with pink flower petals and two doves. The groom's cake was a huge chocolate ball with David's name, to which was added a gold chain. Coffee, punch and champagne were served on tables covered with white organza trimmed with greenery.

The young couple planned a honeymoon at Cloudcroft, New Mexico.

A.A.R.P. Hear Talk On Social Security

One hundred seventeen members and guests of Rockport Chapter #1536, American Association of Retired Persons, were present at V.F.W. Hall Wednesday, March 27, to hear Al Reiz, Assistant District Supervisor, Social Security Administration.

Reiz cited many changes in the benefits of the program through the years since its beginning in 1937, when monthly benefits averaged \$24. Today many persons receive around \$400 to \$500 per month. He informed the group that in the Corpus Christi service area comprising eleven counties, there are sixty thousand beneficiaries receiving a total of \$50,000 annually in benefits.

Business meeting was presided over by President Zollie Glass, following invocation by Paul Hoover.

The next meeting will be April 10, beginning at 9:30 a.m. at V.F.W. Hall. Speaker will be Lynn D. King, a member of the Rockport Chapter who resides in Aransas Pass.

Visitors are welcome.

Glaciers are produced when heavy snows during the winter pile up more than they melt in the spring and summer. Eventually, the snow at about 200 feet deep is compressed into ice.

Why not take massive doses of vitamins? According to the AMA Department of Foods and Nutrition, you can create a drug dependency; stopping can cause a self-induced "deficiency".

Regular maintenance doses of vitamins help supplement a diet that may not be as balanced as you'd like. You'll find what's right for you--and safe--at

JOE (Pepe)

ZAMBRANO

(The Barber)

City Alderman, Ward 1

SATURDAY, APRIL 6, 1974

YOUR VOTE AND SUPPORT APPRECIATED

TO THE CITIZENS OF WARD 1 ROCKPORT

I have tried to contact everyone in Ward 1 in my campaign for your City Alderman. If I missed you, I want to take this opportunity to ask for your vote and support. My business, Pepe's Barber Shop will be closed for business Saturday, April 6, but it will be open to the public, there will be free coffee and do-nuts for everyone. I will be more than glad to have you come by and chat awhile. If you do not have a ride, there will be cars available to take any voter to the Polls.

CALL 729-8668

I want to serve you as your City Alderman for a fourth term and I will serve all the citizens of the city to the best of my ability.

Your vote and support appreciated.

THANK YOU

Fire Prevention Poster Contest Winners Named

The judging of the "Fire Prevention" poster contest was held March 26 at the fire station. The contest for all children in Aransas County schools was sponsored by the Rockport Firemen's Auxiliary.

The winners for the primary level (grades 1 through 4) are: first place to Bill Jennings, fourth grade at Fulton Elementary; second place to Charles Soliz, third grade at Live Oak Elementary; and third place to Alma Dickerson, third grade at Live Oak Elementary.

The winners for the intermediate level (grades 5 through 7) are: first place to Geneva James, fifth grade at Rockport Elementary; second place to

Lisa Rowland, fifth grade at Fulton Elementary; and third place to Travis Jennings, fifth grade at Fulton Elementary.

The judges for the posters were Rockport Fire Chief Roy Boddie, Coy Truelove and Mrs. Iris Jenkins. The prizes for the contest were \$5 for the first, \$3 for second and \$1 for third in each level.

The auxiliary regrets that there were several posters that were oversized and therefore, ineligible to be judged. The state association of firemen require that the posters be exactly 14 by 22 inches. The auxiliary was pleased with the response even though some were ineligible.

The winning posters along with the other eligible posters will be taken to the district meeting in April for judging

there and from there to the state meeting in June for final judging.

Deborah Haigood Is Honored

Miss Deborah Susan Haigood, daughter of Mr. and Mrs. Elvin L. Haigood of Rockport, has been inducted into Abilene Christian College's honor society, Alpha Chi.

Miss Haigood is currently a junior speech pathology major at ACC. She is a 1972 graduate of Rockport-Fulton High School.

To be eligible for induction into Alpha Chi, a student must have at least 66 hours of credit and have a 3.4 grade point average on a 4.0 scale.

Wednesday Bridge

Misses Mabel and Genevieve Bracht were hostesses to the Wednesday Bridge Club at their home last week. Those playing were Mrs. Fred Bracht, Mrs. Fred Christilles, Mrs. Charles Cleveland, Mrs. J. V. Ferguson, Mrs. Fred Hunt, Mrs. Joe Slocum and the hostesses. Mrs. Christilles won high score, Mrs. Cleveland, second high and Mrs. Alma Hunt won the finale prize.

Cub Scout News Pack 49

Cub Scout Pack #49, sponsored by the Rotary Club of Rockport, met Monday at the Live Oak Elementary cafeteria. Call to order was given by John Leslie, Scout Commissioner. The Cub Scout Promise and Law of the Pack was led by two cubs.

Each den presented a skit based on the monthly theme, Communication.

Den 1 - The First Word. Den 2 - Fish Market. Den 3 - Wilfred, the Woody Woodpecker.

Everyone joined in and sang the S-M-I-L-E song. Awards were presented to two cubs. John Longino of Den 1 received his Wolf badge and Alan Vollmering of Den 3 received his Wolf badge.

The newest cub scout is Tommy Lee Barnard who has joined Den 3.

The closing was led by Den 2. It was the Double Circle and Little Grand Howl.

Refreshments were served by Den 3. While enjoying refreshments, a demonstration by Den 2 of string telephones was presented. Den 1 and 2 also had fun deciphering a secret code presented by Den 3.

Candle Power Means Muscle Power

Volunteers from the Future Homemakers of America will give citizens of the Rockport-Fulton area a chance to help them launch the 1974 Smile Project Against Muscular Dystrophy during April 1-6, Smile Week. They'll be selling happy yellow "Smile Candles" for the Muscular Dystrophy Association of America.

Proceeds will go toward funding research in medical institutions in the United States and throughout the world, aimed at finding a cure for MD and related neuromuscular diseases.

Residents of the Rockport-Fulton area are urged to help turn candle power into muscle power by ordering candles from official Smile Project representatives.

L.U.L.A.C. Installs New Officers

Last Sunday, March 31 a luncheon was held at the V. F. W. Hall for the installation of new officers for the Rockport Council #625 of L. U. L. A. C. Mayor Walter S. Falk, Jr. was the main speaker. L. U. L. A. C. State Director Manuel Gonzales from Waco gave a special address and Emilio Gonzales Deputy Director from Robstown was the installing officer.

The master of ceremonies was M. Torres from the Aransas Pass Council No. 626, which had most of its members present on this occasion.

The luncheon was a tremendous success thanks to the ladies of the council who cooked a delicious meal and all the members that helped, including the junior members. Also, special thanks to those persons who donated money and food.

The new officers for Rockport Council No. 625 are: Marcelino Ramirez, president; Innocencio Cruz, Jr., vice-president; Dolly Garcia, vice-president for youth; Rosa Longoria, treasurer; Hillis Dominguez, secretary; Frank Covarrubias, parliamentarian; Manuel Betancourt, sergeant at arms; and Felix Gonzales, chaplain.

Cub Scouts Hold Pinewood Derby

Cub Scout Pack 340 held their sixth consecutive Pinewood Derby, Friday, March 29 at the High School cafeteria. The Pinewood Derby is a Father-Son project and is held yearly. Sixty cars were entered in the races and judging and three trophies were presented.

Winner of the Fastest Car of 1974 trophy was Billy Thomas, son of Mr. and Mrs. Dave Thomas. Bill will go to Sinton to race winners of other derby races in surrounding cities.

Winner of the Most Original Car of 1974 trophy was Jon Shaw, son of Dr. and Mrs. J. Martin Shaw. Jon's car resembled a mouse, complete with ears, tail and whiskers.

Winner of the Most Beautiful and Best Designed Car of 1974 trophy was Bobby Jack, son of Mrs. and Mrs. Martin P. Jack. Bobby's car was styled after a Ford Gran Prix Mark and featured red metal flake paint.

The official derby track was built by Dr. Shaw, who added four more lanes this year, bringing the total lanes to six. The track has a very unique starting gate and is 32' long downhill, all the way to the finish line.

Thanks to the following: Joe Hugenberg, who was the announcer; those who served as judges of the three trophies, Russ Holcomb, Robert Konvick, Ron Levy, and Butch Stevens; starters James Jennings and Buddy Von Heuvel, and all the enthusiastic scouts and their families and friends.

Lady Makes Flowers From Fish Scales

Clara Ann Bozarth of Pampa, Texas is an artist who was not aware of her skills until retirement. Now, while vacationing in Rockport she works with fish scales and sea shells to create beautiful flowers and arrangements.

Imagine the surprise of many fishermen when this lady offered to dress their catch free of charge. Some are still wondering but never knew she wanted the scales for her hobby.

Clara Ann did not take to the old rocking chair at retirement but finds it rewarding to create beautiful things from nature for the enjoyment of others. She feels many could find a hobby and make this the most rewarding time of their lives.

Elbin (BO) Bozarth, whose hobby is fishing, provides family and friends with fish and the fish scales for Clara Ann's creations.

Mrs. Hubert Johnson was admitted to room 319 at Spohn Hospital Monday and has undergone two operations. She expects to be home next week.

Clara Ann Bozarth, a retired lady from Pampa, Texas, is vacationing in Rockport and spending part of her time on an unusual hobby—making beautiful floral arrangements from such unusual materials as fish scales.

Library News

The Aransas County Public Librarian Mrs. A. C. Hamon and Mrs. Alice Moore attended the Texas Library Association Conference in San Antonio last week. A panel discussion on

pornography drew much attention. The panel included Bexar County District Atty. Ted Butler; Rev. Jimmy Allen, pastor of First Baptist Church in San Antonio; Sam Stone, legal counsel for Texas Library Association; Heather Florence, legal counsel of American Publishers Freedom to Read Committee; Raymond Gauer, Director of Citizens for Decency Through Law and Mrs. Judith Krug, American Library Association official.

Mrs. Krug was roundly applauded when she criticized the Supreme Court decision last year which left it up to individual communities to regulate obscene books and materials. She urged librarians to offer material that represents all points of view.

The library gratefully acknowledges gifts of books, donations and memorials from the following: Mrs. Leland Fisher, Mrs. Joe Slocum, Mrs. D. J. Patterson, Mrs. Pat Farnsworth and Emmas Flower Shop.

Mrs. Gene Garcia will conduct story hour Thursday, April 4th at the library from 10:30 to 11 a.m. There will be a display of preschool art, also, a Woodcut display of Easter Rabbits made by Mrs. John Pollis. All preschool children are invited to attend this event.

LUNCHEON MENU

The following lunchroom menu selections will be offered in the schools next week:

Monday, April 8: Baked Ham, Scalloped Potatoes, Tossed Green Salad, Bread-Butter, Pineapple Upside-Down Cake, Milk.

Tuesday, April 9: Beef - Vegetable Soup, Sandwiches, Raw Vegetable Relishes, Cookies, Milk.

NOTE: These menus are subject to change without notice, depending upon availability and delivery of foods.

Rockport-As Others See Us

"Very good police protection". "Clean City". "Kind, very friendly people".

These are the opinions and observations from winter tourists taken from a questionnaire printed by the Chamber of Commerce.

Nine-hundred, fifty-eight tourists registered with the Chamber from November 1, 1973 through March 29, 1974. Questionnaires were given to the visitors in an effort to better serve tourists. One-half of the completed forms state that prices are the same in Rockport as in their hometowns. One-fifth say prices are lower in Rockport. Remaining state prices are lower in areas represented by the tourists.

All tourists did not answer all questions or return all forms to the Chamber. However, the following areas reported:

Lower prices in Rockport than Baton Rouge, La., Dallas, Richardson, Arlington, Texas,

Two Harbors, Minn. and New York.

Higher prices in Rockport than Kansas, Illinois (some areas), New Mexico, Wisconsin, Arkansas, Kansas (some areas), Iowa, Colorado, Michigan, Minnesota (selective areas), Houston, San Antonio, Gardner, Texas.

Same prices in Rockport as Kilgore, Temple, Austin, La Porte, Texas; Kansas (some areas), Oklahoma (some areas), Nebraska, Iowa (some areas), New Hampshire, California, Minnesota (some areas) and Indiana. This is not an official report, only a public poll.

Suggestions for improvement: #1 - Give more tropical look that Rockport deserves.

#2 - More policing in ski basin combined with dredging of basin. #3 - Clean up surrounding roads. (This project is off to good start with AARP taking first step in cleaning Fulton Beach area). #4 - Get rid of

stray dogs. #5 - More bulkhead, sea wall fishing open to public. #6 - Improved area map. #7 - Public golf course. #8 - Radio station. #9 - Sears Department Store. #10 - Public fishing pier.

Sixty percent of questionnaires say visitors came to Rockport through friend's recommendations, then writing Chamber of Commerce for literature. Others report "passing through"; "Lucky I guess"; "Water and trees aroused curiosity"; "Corpus Christi Chamber of Commerce and AAA literature". One mentioned ad in Minnesota paper and an article in Peterson "Birds of Texas" about the late Connie Hagar.

Ninety-eight percent list good to excellent in accommodations, quality and service to people. Very, very friendly, relaxed atmosphere. Mr. and Mrs. Elmer Nicholson, St. Ansgar, Iowa state, "We meet plenty of people, they have been all friendly, courteous and helpful. That leaves all that a person would wish for". Two-percent state we are "fair and need improvement".

"Perfection is a high goal - but we continue to work toward it," stated Mrs. Lee (J.W.) Wideman of the Chamber of Commerce.

Cancelled Postage Stamps to Be Used By Future Homemakers

Future Homemakers of America have been actively involved in a drive to collect cancelled postage stamps.

The stamps collected by the local FHA Chapter will be sent to Norway, where they will be sold, to aid in research against tuberculosis.

Anyone wishing to contribute cancelled stamps may contact a local FHA member, who will be happy to receive them.

The chapter is grateful to all who have contributed to the project thus far.

Early Bird League

High game was bowled by Marvyn Wix with a 203.

The splits picked up were 3-6-7 and 5-8-10 by Fern Temple; 5-6 by Maxine Villalobos; 5-10 by Jerry Lou Nix. The 3-10 split is getting to be a "snap" for the Early Birds and Joyce Arthur "cleared-it-off" twice just to prove the point; Julia Mathews and Joyce Close each took a turn, too.

Deaths and Funerals

MRS. MINNIE MCGILL

Mrs. Minnie McGill, 50, died March 30 in a Corpus Christi hospital after a short illness. Born in Hext, she had lived here for about a year after moving from Corpus Christi. She was a member of the Calvary Baptist Church in Rockport.

Among survivors are three sons, Allen McGill, Jerry Gollnick and Brian Pridge; and one daughter, Mrs. Carolyn Montemurro, all of Corpus Christi.

Other survivors include, two other sons, Roy Thomas McGill of Houston, and Billy McGill of Aransas Pass; one other daughter, Mrs. Nancy Whitehead of Houston; two brothers, Dallas and Billy Bradshaw, both of Aransas Pass; four sisters, Mrs. Rosa Mae Brooks of Aransas Pass, Mrs. Dez Fleming of Rockport, Mrs. Laura Kimmon of Big Springs, and Mrs. Emma Nixon of Devine; and 13 grandchildren.

Funeral services were held Tuesday at Marshall Funeral Home Chapel, with burial in Rockport Cemetery.

MRS. RICHARD T. GULLICK

Mrs. Richard Thomas (Edith) Gullick, 47, died March 27 in an Aransas Pass convalescent home after a long illness.

A native of Mason, she lived in Aransas Pass most of her life. She moved to Rockport a year ago.

Surviving are her husband; one son, Charles Bubba Parker of Aransas Pass; one daughter,

Mrs. Edythe Hathcock of Rockport; two brothers, Ollie Boyd Jr. of Port Lavaca and John B. Boyd of Aransas Pass; two sisters, Mrs. Agnes Auillard and Mrs. Mildred Bennett, both of Aransas Pass; and four grandchildren.

Marshall Funeral Home of Aransas Pass was in charge of funeral arrangements.

Services were held March 29 at 2 p.m. in the Chapel and burial was in Prairie View Cemetery.

MRS. RUBY BIGGER

Mrs. Ruby Bigger, 58, died March 27 at her Fulton residence.

She was a member of the Fulton Baptist Church.

Survivors include one daughter, Mrs. Ollie Mundine of Fulton; one son, Jackie Lynn DeForrest of Galveston; two sisters, Mrs. Edna Box of Odessa and Mrs. Ethel Kirkpatrick of Gunter, Texas; and four grandchildren.

Funeral services were held March 29 at the Marshall Funeral Home Chapel in Rockport. Interment was in the Fulton Cemetery under the direction of Marshall Funeral Home.

Woman's Club of Aransas County

The annual spring luncheon for Woman's Club members will be held at the Ramada Inn April 9 at 12 noon for installation of 1974-75 officers. There will be a drawing for several door prizes followed by bridge and canasta. Reservations may be made by calling 729-0104, 729-7192 or 729-7153.

Members are reminded that dues are payable at the luncheon and must be paid by April 30 for their names to be included in the yearbook.

Mary Barton Durfor Receives Honor

Mrs. Mary Barton Durfor of Austin, daughter of the Rev. and Mrs. Josef A. Barton of Rockport, will be inducted into Sigma Theta Tau at the University of Texas School of Nursing on May 3 in the Lila B. Etter Alumnae Center in Austin.

Sigma Theta Tau is the only national scholarship society of nursing in the United States. Eligibility for membership is based on evidence of superior scholastic achievement, professional leadership potential, and desirable personal qualifications. The Alpha Delta Chapter at the University of Texas was granted a charter in 1963.

Mrs. Durfor, a 1970 honor graduate of Taylor High School, will receive her bachelor of science degree in nursing from the University of Texas School of Nursing on May 11. Her husband, William W. Durfor, is also a student at the University of Texas.

Mobile Inn News

Beauty Pageant Set for May 10

Every young girl dreams of becoming Miss America. The girl who is selected Miss Rockport-Fulton Pageant queen could be the next Miss America.

Now is the time to decide for any young lady in the Aransas County area who qualifies, Lois Gurley, pageant general chairman, said in calling for candidates to enter the pageant which will be conducted May 10 and 11, 8 to 11 p.m. at the High School Auditorium.

She called for civic and social organizations in the area to sponsor candidates and she called for individual young ladies to submit their own names as entries. Applications can be obtained from Mrs. Polly Bergman, Contestants Chairman, 729-0801.

To qualify, a young lady must be between the ages of 18 and 28 on the Labor Day holiday, must be a high school graduate and must never have been married, also a resident of Aransas County.

Talent will be considered in the judging and each contestant should possess some quality of talent, either trained or potential. The range of talent is varied and no girl must necessarily be trained in any specific field.

In almost every national Miss

America Pageant conducted at Atlantic City, N. J., there have been state queens who have presented dramatic readings or comedy monologues as their talent presentations before a panel of nationally prominent judges.

In urging civic and social organizations to sponsor candidates, Mrs. Gurley said each member of the organization should consider the young ladies they know personally, relatives or daughters of friends, and should encourage the girls to enter the pageant.

Judging of the candidates will be based on the same values as considered at the Texas State Pageant and at the national Miss America Pageant.

The new Miss Rockport-Fulton queen of grace, beauty and talent will be awarded a \$250 scholarship. She will also gain the right to represent Rockport-Fulton in the Miss Texas State Pageant and the opportunity to seek the \$1,500 scholarship awarded to the state queen.

Police Course Is Completed

Twenty-two persons received certificates for the completion of a 40-hour course on arrest, search and seizure, held in Rockport by Del Mar College.

Agencies represented were: Aransas County Sheriff's Department, Rockport Police Department, Ingleside Police Department, Portland Police Department, Nueces County Sheriff's office, Taft Police Department and Texas Parks and Wildlife.

Elton Edwards of Del Mar presented the course. Also appearing as a guest was Ellis Clark, County Attorney for Aransas County.

PUBLIC NOTICES BECAUSE THE PEOPLE MUST KNOW

Editor's Note: Public Notice advertising plays a unique role both in American history and in the process by which this country's democracy is preserved. Its one premise is that people must be informed if they are to govern themselves competently. Public Notice advertising first came into being with the Congress of 1792. Their body, recognizing its responsibility to the people, required the Postmaster General to advertise for bids for the construction of new post offices. From that inauspicious beginning to the complex publication requirements in federal, state and local laws today, government officials have come more and more to understand their obligations to inform the public through Public Notice advertising. Newspapers over the years have been the vehicle by which these obligations have been fulfilled. They will continue to be as long as the public demands that it be informed frequently and by the best means possible.

THE STATE OF TEXAS

TO: John F. Marberry, Defendant, Greeting:

You are hereby commanded to appear before the Honorable 36th District Court of Aransas County at the Court House thereof, in Rockport, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 10th day of May A.D. 1974, then and there to answer Plaintiff's petition filed in said Court, on the 28th day of March A.D. 1974, in this cause, numbered 4980 on the docket of said court and styled Inter-

state Securities Co. of Texas, Inc. Plaintiff, vs. John F. Marberry Defendant.

A brief statement of the nature of this suit is as follows, to wit:

TO THE HONORABLE JUDGE OF SAID COURT:

NOW COMES Interstate Securities Co. of Texas, Inc. hereinafter called Plaintiff, complaining of John F. Marberry hereinafter called Defendant, and for cause of action would show the Court the following:

I. Plaintiff is a corporation organized under the laws of the State of Texas. The Defendant's whereabouts are unknown but was last known to

be living in Stevens County, Texas. Plaintiff would request citation by publication on said Defendant.

II. Plaintiff is the owner in fee simple that is entitled to possession of the following described land located in Aransas County, Texas, to wit:

Lots Two (2), Three (3), Ten (10), and Eleven (11), Block Three-Hundred Sixty-Five (365), MANNING ADDITION, Rockport, Aransas County, Texas, according to the map or plat thereof, recorded in Volume 1, Page 7, Map and Plat Records, Aransas County, Texas

III. That the Plaintiff purchased said property at Trustee's Sale at Public Auction at the Courthouse door of Aransas County, Texas on December 6, 1966 from Substitute Trustee, Dwain Skrobarcek. That Plaintiff from said date has been in possession of said described land by virtue of the Statute of Limitation of three and five years and that said Plaintiff has held peaceable, continuous and adverse possession of land.

IV. That the Defendant is asserting an ungrounded claim of title adverse to Plaintiff's said title to the above described property, casting clouds upon Plaintiff's said title, thereby interfering with the exercise by Plaintiff of acts of domain over said property and depreciating the value thereof, causing Plaintiff injury. Defendant has publicly asserted and filed various instruments of record asserting such claim of title adverse to Plaintiff's title to said property.

WHEREFORE PREMISES CONSIDERED, Plaintiff prays that the Defendant be cited to appear herein; that upon final hearing Plaintiff have judgment for the title and possession of said property and that Plaintiff be quieted in his title there-against any and all claims

of every kind, character of the Defendant and that the clouds cast by the claims of the Defendant and any instrument evidencing same and the records thereof be removed from Plaintiff's title to said property; that Plaintiff recover his costs and such other and further relief, both general and special, at law and in equity, to which Plaintiff may be justly entitled.

s/ Jack P. Kelso
Attorney for Plaintiff
First Savings Building
1662 So. Staples Street

as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Rockport, Texas this 28th day of March A.D. 1974.

Questions And Answers to Veterans Benefits

Q: My husband, a World War II veteran, named his mother as beneficiary on his \$10,000 GI insurance. Can the Veterans Administration designate me as beneficiary if I request it?

A: No. Only the veteran may change his beneficiary.

Q: I'm due to get my degree next January, but my GI Bill entitlement expires next November. Will the Veterans Administration discontinue my payments after November?

A: No. Since your entitlement expires after the semester has begun, VA will continue payments until the end of the semester.

Q: I plan to move next month. What should I do to make sure I get my VA pension check at my new address?

A: You should notify the VA regional office where your records are filed, giving your claim number and your old and new address. You should also notify your post office, but not the Treasury Department.

Q: Am I eligible for GI Bill education benefits from the Veterans Administration for service in the Army from 1951 to 1954.

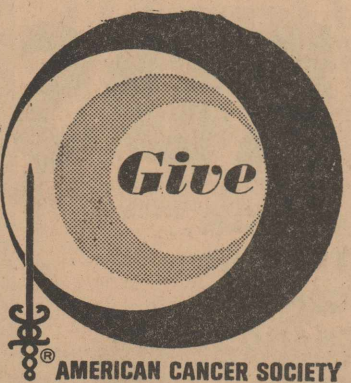

A: No. Education benefits for veterans discharged before February 1, 1955, have expired.

Q: As a widow drawing pension from the Veterans Administration, will recently awarded benefits from State Welfare reduce my pension?

A: No. This type of assistance from public or welfare organizations is not considered income for pension purposes.

Q: Are children of deceased veterans eligible for GI home loans from the Veterans Administration?

A: No. While widows of servicemen killed during active duty or widows of veterans who died from service connected disabilities are eligible for this benefit, children are not.

Archeological Work Scheduled for State Historic Sites

AUSTIN -- Three major archeological investigations of state historic sites are planned for 1974 by the Parks and Wildlife Department's Historic Sites and Restoration Branch.

Beginning in Mid-March, six or seven weeks of excavations will be conducted at the Mission Rosario Unit of Goliad State Park. Mission Rosario was originally excavated by WPA workmen in 1940 and 1941.

This month, an eight-person crew under the direction of Dr. Kathleen Gilmore of Dallas will work to seek wall lines of the old mission and other architectural features.

Rosario Mission grounds are closed to the public but exhibits and other interpretative materials pertaining to the mission are displayed at nearby Mission Esprit Santo at Goliad State Park.

Rosario was founded in 1754 as a sister church-mission complex to Esprit Santo.

In West Texas, near Ozona, four weeks of excavations will be conducted at Fort Lancaster Historic Site in April by Parks and Wildlife Department staff archeologist Wayne Roberson and a six-member crew. Fort Lancaster is in a state of ruin and no buildings remain standing.

Lancaster was established in 1855 by the U. S. Army and abandoned at the outbreak of the Civil War. Confederate troops occupied the fort for a short while in 1862 but also left.

The park is open to the public and visitors may observe the archeological excavations in progress.

At Fort McKavett Historic Site in Menard County, four weeks of excavations are scheduled for June directed by department archeologist David Ing with a crew of five.

Many of the old fort structures are still standing, some of them are on park property and some are private residences.

The buildings on park property are open to the public, as is also a small interpretative center.

Fort McKavett was established in 1852 by the Army and abandoned in 1859.

It was re-established in 1868 and finally abandoned in 1883.

Visitors can observe the archeological excavations in progress.

During the last week of February, work was done at the Sabine Pass Battleground Historic Site in Jefferson County.

Despite extensive excavation in the area, no remains of the fort or artifacts could be found.

It was concluded that the old mud fort has washed into the pass. Over the past century, especially during the last 80 years of channelization, the bank where the park is located has lost 300 feet to erosion. The spit of land where the fort stood evidently has been obliterated.

Fort Griffin at Sabine Pass, established by the Confederacy, in 1863, was the scene of the "battle" of Sabine Pass in September, 1863.

The earthenwork fort armed with six guns under the command of Dick Dowling repelled an attack from two Federal gunboats. Within an hour's battle, both gunboats were severely damaged and run aground, and both surrendered.

This was the only attempt by Union forces to invade Texas via Sabine Pass.

Fix-It Tip

A toilet that doesn't operate properly is noisy and wastes water. But repairs are easy for the average person.

If it fails to flush when handle is depressed, the lift rod has become disconnected from the rubber tank ball. The metal rod is threaded into the top of the ball. It passes through several metal guides first. Make certain it is properly lined up.

If water continues to flow into bowl, the tank ball is not seating properly. The tank ball wears out in time. Replace it. Turn off the water first or close the inlet valve by supporting the float with a piece of string tied to a stick across the top of the tank. Sometimes the guide rod might need adjusting. The lift rod passes through it. It is fastened to the overflow tube. Loosen the set screw that holds it and move it back or forth until the lift rod goes up and down in a straight line.
