Friday Final Day to Buy Vehicle Tags

Just over a week remains to register motor vehicles, Mrs. Rita Owens, tax assessor-collector, reminded this week.

So far, approximately 1299 vehicles have been registered, Mrs. Owens said. About 2800 should be registered by the end of March.

The deadline is April 1, but since that date falls on Saturday this year, the deadline was upped one day to Friday, March 31.

For the 12-month period beginning March 1971, some 4510 vehicles were registered in the county tax office. That represents all cars, trucks, trailers, motorcycles and other vehicles.

"We want to remind these people who haven't registered their vehicles to bring with them the three-part renewal form that was mailed to them from Austin," Mrs. Owens said. "Bring it in full. Do not tear any portion of it off."

If a person did not receive a renewal form from Austin, he must present the title of the vehicle and last year's registration receipt.

Jerry Cannon Dies in Gruver Car Accident

Jerry M. Cannon, Jr., 63, of 400 Arlington Street died in a one-car accident which occurred Thursday night, March 16, about 17 miles southeast of Gruver.

Mrs. Cannon, who was injured, was taken to Dumas Memorial Hospital and later transferred to Collingsworth General Hospital.

Investigating officers said Mr. Cannon was driving west on a paved county road when his car crashed into a dirt embankment at the road's intersection with Texas 1573.

Mr. and Mrs. Cannon moved here in 1971, although he had previously lived here a number of years ago. He was retired.

Born at Nugent on May 25, 1908, he was the son of Mary Ann and Jerry M. Cannon, Sr. He was a veteran of World War II.

Original Bank Stockholders Featured in New Picture

Mrs. Lenora Stall Greenhaw, a Memphis business woman who grew up at Wellington, has presented to the Board of Directors of the Wellington State Bank a panel picture of the first fourteen stockholders of the bank.

The presentation was made in an informal ceremony Wednesday, March 15, with C.T. Hubbard, president, accepting on behalf of the board.

The picture bears this inscription: "With a vision of forming a bank to serve the farming and ranching area of Collingsworth County, these fourteen men strived to secure funds for a bank in Wellington, Texas. In the year 1905 their vision was no longer a dream. \$25,000 was raised and the charter granted. This was the beginning of the Wellington State Bank."

These are the 14 stockholders pictured. Some have children and grandchildren still living here.

A panel picture, which includes the 14 original stockholders of the Wellington State Bank, was presented by Mrs. Lenora Stall Greenhaw of Memphis, front right, to directors of the

bank. These are, from left, James Sullivan, chairman of the board, John Holton, D Arce McDowell, Fred Cox, Dr. J. M. Orr, C. T. Hubbard, president, and Earl Hunter.

Candidate Speaking on Court House Lawn Slated

The Frank King Post of the American Legion is sponsoring a candidate speaking Saturday, March 25, at 2:00 p.m. on the court house lawn.

If the weather is bad, the speaking will be moved to the American Legion Hall at the corner of Amarillo and 10th Streets.

Troy Gardner is in charge of arrangements for the Legion.

"In either case, after the speaking, open house will be held at the Legion Hall. Candidates and the people are invited to come to visit and get better acquainted," he said.

"Mayor John Coleman will welcome our people and candidates. We are inviting candidates running for school trustee, city council, tax assessor-collector, county attorney, sheriff, commissioner of precincts 1 and 3, district attorney and district judge.

Even though some have no opponent they are invited to have their say. If the people become tired due to no sitting accommodations at the court house, we can move to the Legion Hall at any time, Mr. Gardner declared. Candidates for higher offices who would like to come are invited," he added.

Due to the number of candidates who will be involved, speeches will be limited to three

minutes each, but candidates will have unlimited visiting time at the Legion Hall open house later, it was pointed out.

"We ask every candidate to take part in this, also every person in our county and city regardless of age, color or creed," said Mr. Gardner.

At the open house, coffee, pie and pop will be sold by the

Legion, with the money to be used to finance improvement of the building, which the post now has under way.

Services for E. S. Copeland Set Thursday

E.S. Copeland, 82, of 711 El Paso Street, died in Hollis Memorial Hospital at Hollis at 6:05 p.m. Tuesday, March 21, after a lengthy period of ill health. A prominent retired farmer of the Loco community, he came to the area 47 years ago. He moved to Wellington about 12 years ago, but continued his farming activities until he became ill.

Funeral services will be conducted at 10:00 a.m. Thursday at First Baptist Church, with the Rev. Roy Collins, pastor, and the Rev. Jim Wilcox, pastor of First Baptist Church at Hollis, officiating. Burial will be in Memorial Gardens under the direction of Kelso Funeral Home. There will be Masonic graveside rites.

Edgar S. Copeland was born February 6, 1890, in Hill County, the son of James B. and Angelina Jolly Copeland. He was married to Miss Sidney M. Seay at January 2, 1918. She preceded him in death February 15, 1962.

Mr. Copeland was active in his community, working for educational opportunities for all children, and encouraging his own as the three of them made careers in the teaching profession. He worked also for a strengthening of religious and community life as long as he lived there.

He was a veteran of World War I and a member of the Baptist Church, Masonic Lodge and American Legion.

Holy Week Services Begin Palm Sunday

The schedule of ceremonies for Holy Week at the Catholic Church was released by the Parish Priest, Father Pat Burke, recently.

Holy Week, commemorating the last week in the earthly life of Jesus, begins with Palm Sunday, March 26. During the 9 a.m. Mass, the story of the Sufferings and Death of Jesus will be read by three of the young people; George Brewer, Lucinda Aguilar, and Ann Sosa. At the end of Mass, Father Pat

will give small palm-crosses to all present, representing the palms welcome given to Jesus on his last entry into Jerusalem.

Thursday of that week will be Holy Thursday, the day when Catholics remember the Last Supper, and the institution of the Holy Sacrifice of the Mass, with the words of Jesus ordering to "do this in memory of Me." There will be a special Mass at 8 p.m.

City Lets Contracts for Water Wells, Pipeline to Wellington

Contracts for drilling municipal water wells and construction of the 7-mile pipe line into Wellington were let by the City Council in a regular meeting Monday night, March 20.

The pipeline contract was awarded to Foran Construction Company of Amarillo on a low bid of \$264,592.42, Mayor John Coleman announced.

The contract for drilling two wells and installing pumps and other equipment went to Water Industries, Inc., of Hereford, which submitted the lower bid of \$35,450., the mayor said.

The \$300,042.42, total for these two contracts is considerably under what the City Council had expected, Mr. Coleman indicated. Added to it, however, will be the engineer's fee and legal advisor's fee, which will raise the overall total somewhat.

Eight bids were received on the pipe line, ranging from the low bid which was accepted up to a high of \$340,000. There were two bids for drilling the wells, the other being for \$37,475.

Mayor Coleman said that Foran Construction Company has 120 days to complete the 14-inch pipe line from the water farm into Wellington, install the 8-inch loop and do other work relating to its installation.

However, a spokesman for the company told the Mayor and Council Monday night, they can get the pipeline laid in 21 working days from the time that the performance bond is made and other paper work carried out. This should be in about 10 days.

The contract with Water Industries, Inc. calls for the drilling of two wells, in addition to the one well already drilled for test purposes, and the installation of three 30 hp motors. Only two wells will be needed at any time and the third will be used for an auxiliary well,

the mayor said.

A company representative said after the contract was signed that he believed the work could be started within two weeks and completed within a month after that.

Mayor Coleman said that all materials used in the construction project will be of No. 1 quality. He also said that both companies were requested to use as much local labor as possible.

Wellington voters approved the \$350,000 water bond issue by a vote of 300 to 116 on February 19. These revenue bonds were sold to Columbian Securities Corporation of Texas on February 28.

Miss Wellington Pageant Set for Saturday Night

Miss Wellington of 1972 will be chosen Saturday night, March 25, to represent not only her school but the community as well in a number of events across the Panhandle in the

year ahead. The pageant, in which more than 50 girls will be participating, will begin at 8:00 p.m. in the high school auditorium. The new Miss Wellington,

chosen by a panel of out-of-town judges, will be crowned by Sandra McGill, Miss Wellington First Runner-up for 1971, who will return from Dallas for the festivities.

Escorting the top five contestants will be Denny Carter, Dale Thomas, Charlie Taylor, Johnny Holton and Allen Havens.

The annual Miss Wellington pageant is sponsored by the WHS senior class, whose members are now conducting a ticket sale.

The contestants and the Wellington firms who are sponsoring them are:

Annabelle Harris, Sears Catalog Store; Jenny Bouchelle, West Texas Engine Co.; Jan McGill, Hartman Electric; Ann Smith, City Grocery; Pam Patterson, Bub Norman's Automotive; Esther Mejia, Davis Laundry and Dry Cleaners; Nancy Graham, Howell Grocery of Dodson; Renee Mitchell, Maxwell Garage;

Game Tourney to Be Fun Evening

An evening of fun is promised by Garden Club Members at their game tournament Friday night, March 24.

Only a few tickets remain, said Mrs. Howard Riggs, finance chairman and head of the game tournament committee.

The event will be in Bura Handley Community Center, beginning at 7:00 p.m. There will be games of bridge and 42 through the evening.

Proceeds from the event will go toward the Garden Club projects, improvement of the three Wellington Cemeteries, Ellison Park and the patio of Collingsworth General Hospital.

Wellington - Quail Lions Slate Games

Wellington and Quail Lions Clubs basketball teams will meet in a pair of benefit games, which will not only help to finance the projects of both clubs

but will also provide two more fun-filled evenings for basketball fans. Game time is 7:30 p.m.

First of these games will be played Friday, March 24, in Skyrocket Gym, Wellington, and the return game will be at Quail Gym Friday evening, March 31.

In conjunction with the game here, there will be exhibition play by sixth grade students before the Lions game and at halftime.

John Masten, Quail Boss Lion, has put together a team that is not only made up of club members, but also includes some of the better players that school produced. In a period from 10 to 25 years ago, as well as fresh talent from other towns.

These include Coach Bill Wilson, John Masten, Donald Langley, Lloyd Langley, James Stavenhagen, David Knox, Dan Guthrie, Roy Canada,

Steve Owens Buys Top Pan-Tech Angus

Steve Owens was purchaser of the highest ranking Angus Bull offered at the 1972 Pan Tech Performance Bull Test sale in Amarillo Thursday, March 15. He followed this successful bid with the purchase of two more Angus bulls, before the sale ended.

The three were consigned by Milford Duane Jenkins of Higgins. They have been brought to Mr. Owens' ranch 17 miles southeast of Wellington. The purchase price of the top bull was \$485.

The sale at the Texas Tech University Center at Pantex climaxed the first annual two-day Southwestern Beef Industry Conference.

Mr. Owens said he is going into a cross-breeding program, using his present herd of Hereford cows. It is the first time he has used crosses, but he added he thinks it will work for faster growing calves.

"The feed lot boys are looking for that kind... prime finish quicker," he added. Beef Bull Testing at the Texas Tech University Center and the sale is sponsored by a group of co-operators. The Thursday morning field day program included talks by Keith R. Hansen, now of the department of animal science at the University of Nebraska, but who had supervised the testing program for four and one half years at Pantex; Paul Marion, superintendent of the Texas A&M Research station at

Spur; and Dr. R. Hollis Klett, superintendent of the Tech Center at Amarillo. An estimated 300 people participated in the conference, which was considered so highly successful that plans will be made to continue the program on an annual basis.

The 48 head sold at auction was the top indexing group from among 73 head which finished the 1971-72 testing program, which for the first time in its 21-year history included fat measurements in index rating.

First Christian To Hold Revival

Revival services will be held at First Christian Church immediately preceding Easter, beginning Sunday, March 26, and continuing through Friday, March 31.

The evangelist will be Billy Stewart, minister of the Christian Church of Midland.

Services will be at 7:30 each evening and Sunday services at the regular hours.

Preceding the revival, a series of cottage prayer meetings are being held this week, at 7:30 p.m.

A series of special nights are planned during the revival, according to Sandy Parsons, chairman of the evangelism committee

Dodson Masonic Hall Burglarized

Burglary of the Dodson Masonic Hall, which occurred some time within the last month, was reported recently to the Sheriff's office.

A large number of items pertaining to the ceremonies of the Masons and the Eastern Star were taken, including cords, badges, a crown, silver cup, two scepters and two swords with sheaths. Deputy Sheriff Alvin Minatrea was told.

Sheriff John Rainey said that the burglary occurred after the February 14 meeting of the lodge and the March meeting held last week. The loss was discovered by Mrs. A.V. Lowrie, Eastern Star member, as she prepared to clean the building, Sheriff Rainey said.

He added that entry was apparently gained through the door to the Masonic Hall.

SRO Crowd on Hand At Junior Talent Show

A standing room only crowd was on hand for the annual Junior Class talent show Tuesday evening, March 14, to see some of the great variety that makes up Wellington's talent.

Much of it was musical, and again there was variety. Youngest to appear were the Kindergarten youngsters, and in age the participants ranged upward to young adults.

Alton Belew, junior class president, and Gary Wright, vice president, shared MC duties.

The first series of youngsters to appear were singing groups. Opening the program was the second grade with "Yankee Doodle Dandy", "You're a Grand Old Flag", "This is My Country", "Battle Hymn of the Republic", and "America the Beautiful".

Mrs. Ralph Word's sixth grade sang "There's No Business Like Show Business", "Happiness", "Meet Me in St. Louis", and "Give My Regards to Broadway". Mrs. Chester White's sixth grade added "Press Along", "Banana Boat Loader", and "Zum-Ja-Di-Ya".

A song with a name larger than the singers, "Supercalifragilisticexpialidocious," was presented

by First Baptist Church Kindergarten, directed by Mrs. Don Van Pelt and Mrs. Harvey Isaacs. They then sang "Coming Round the Mountain".

Pre-schoolers Lori Lacy and Dwanna Barton and Linda Lacy danced to "Simple Simon Says"; a twirling number to the tune of Georgy Girl was given by Lisa Hartman and Danna Jameson; and Neil Van Pelt pantomimed "I've Been Working on the Railroad".

Other number included: Piano duet, "March of the Wee Folk" and "Chop-sticks", Valerie Van Pelt and Kathleen Reeves; "Capt. Weir" from the Andy Williams Show, Jim Bob Collins and Chaney Wood; tap dance, "Five Foot Two, Eyes of Blue," Melanie Watts, Patty Gray, Jennifer Pendleton, and Karen Goforth; dance routine, Kandi Ford and Barbara Canada;

Piano solos: "Argonaise", Kloeette Camp, and "Yakima", Jeffrey Camp; a song, "Brand New Key", Debra Wood and Vanda Wood; poem and dance, Toni Isaacs; a dance, "Engine No. 9", John Henry Cooley; piano solo, "Charmante", Susan Kimbro;

Opening the second division of the talent show was Raymond Aguirre with guitar and singing, "Pilgrim" and "Teach Your Children", followed by a reading "Boy and his Boxcar", by Jan McGill; a dance routine by James Davis and Mary Young;

The Merciful Singers, directed by Coach Lester Guesby, sang "Elijah Rock" with Mary Young as soloist, "O Happy Day" with Dorothy Massey, soloist, and "Pass Me Not", with Mary Thomas in the solo part.

The Here It Is Group, a Rocket Combo, presented "25 or 6 to 4"; a group from Dodson appeared next, followed by The Ray, a Samnorwood Combo.

Those who assisted the juniors in presenting the talent show were Mrs. Walter Camp, Mrs. Charles Floyd, Mrs. Dick Pendleton, Mrs. Chester White, Mrs. Farris Wood, Mrs. Don Van Pelt, Mrs. Harvey Isaacs, Mrs. Don Lacy, Mrs. Duggie Jameson, Mrs. Roy Collins, Mrs. Bill Long, Charles Floyd and Rodney Myrick.

Groves Soloist In WT Concert

David Groves was one of two trumpet soloists appearing with the West Texas State University Orchestra in its concert Sunday, March 19.

They appeared in Petronio Franceschini's Concerto in D for Two Trumpets.

Mr. and Mrs. Claude Groves parents of the young musician, attended the concert. They also went to the WT Stage Band concert Tuesday night, March 14.

Junior Track Team Goes to Irish Meet

The Wellington Junior High Track Team will participate in the Shamrock meet Saturday, March 25, with entries in 12 events.

Coach Carroll Nunneley said this is one of the better junior high track meets of the season, with approximately 20 teams taking part.

"In the last two weeks we have worked out with Shamrock and McLean and again with Shamrock. We didn't keep points, but Wellington ran away with both of them, so I am real enthusiastic with our prospects. We don't have much speed, but we have lots of depth and determination," Coach Nunneley declared.

Late Filers Have Most Mistakes

(Dallas, Texas) -- Last-minute income tax filers should double check their returns, since those filed just before the deadline are much more likely to contain errors, Ellis Campbell, Jr., Internal Revenue Service District Director for North Texas, said today.

Errors on returns delay processing and any refund that may be due. Missing information accounts for many of the errors Mr. Campbell said. This type of error could be a return received without a required signature, Social Security number or W-2 statement.

Taxpayers who use the tax form they received in the mail can avoid Social Security number problems, Mr. Campbell said. These forms have pre-addressed labels that show the taxpayer's name, Social Security number and address just as they appear in IRS files.

The label can be lifted off the form it came on a placed on the Form 1040 that you file.

Mr. Campbell advised taxpayers who have someone help them with their return to be sure their pre-addressed label is on the form they file.

ONE-STITCH COTTON SWEATERS — If you can master one simple big stitch, you can create all kinds of clever tops. Knitted from cotton rug yarn, these are ideal for pulling over a swimsuit when the sun sets. To make them, you use a garter stitch and

just keep on knitting rectangles. Then sew rectangles together to form sleeves, yokes, or hoods. Conso's cotton ball fringe adds dash to the sweater at left, while embroidered flower trim customizes the other.

Recent Church of Christ Vows Unite Miss Maudine Reed, Max Paschall

The Church of Christ was the setting for the wedding of Miss Maudine Reed and Max Paschall on Saturday evening, March 26, with Dr. Donald Green of Edmund, Oklahoma, uncle of the bridegroom, officiating.

The bride is the daughter of Mr. and Mrs. Grady Reed, 206 El Paso Street, while the bridegroom's parents are Mr. and Mrs. W.M. Paschall of the Lutie Community.

The couple recited their vows before an arrangement of candelabras holding lighted tapers, with baskets of greenery at the sides.

Wedding selections were sung a capella by Mrs. Elaine White, Mrs. B.M. Sims and Mrs. John Alf Thomas.

The bride chose for her wedding a floor-length white crepe dress with a lace overskirt. The bodice was fashioned with a rounded neckline and full sleeves gathered at the cuff. A coronet held her shoulder length veil, and she carried a bouquet of white carnations on a white Bible.

Miss Crissie Paschall, sister of the bridegroom, was maid of honor, and the bridesmaids were Mrs. Frankie Green and Miss Betsy Bryant and Miss Patsy Bryant of Slaton.

They wore pink satin street length dresses, fashioned with full skirts and short sleeves, complimented by long white gloves. Their headpieces were bows, and each carried a single pink carnation.

Grady Reed, Jr., the bride's brother, was the best man, while groomsmen were Frankie Green, Freddy Paschall of Borger and Tony Paschall of Kermit. Guests were seated by Tommy Adams of Amarillo and Jimmy Paschall of Slaton.

Following the ceremony, a reception was held at the minister's home to honor the couple.

The bride's table was covered with a floor-length lace cloth, and centered with an arrangement of pink roses. Cry-

Mr. and Mrs. Nat Holton at Home in Kansas City After Saturday Wedding

Miss Patricia Diane Smothermon of Lubbock and Nat Hamilton Holton of Kansas City, Missouri, formerly of Wellington, were married in a double ring ceremony at the Smith Lawn Church of Christ in Lubbock Saturday morning, March 18. Minister Duane Johnson officiated.

The bride is the daughter of Mr. and Mrs. Frank Smothermon and the granddaughter of W.H. Griffin, all of Childress. Parents of the bridegroom are Mr. and Mrs. Lawson Hamilton Holton of Hollis, formerly of Wellington. He is also the grandson of Mrs. Judge Holton and of Mrs. George Clark, now of Long Beach Calif., and of Mr. and Mrs. Carrol Blevins of Quail.

Altar decorations were centered with an arrangement of white gladioli and yellow and white daisies. Candelabras were at each side.

A choral group from the church presented a capella selections.

For her wedding, the bride chose a short white linen dress, designed with a lace bodice and long sleeves. A seed pearl coronet held her shoulder veil, and she carried a bouquet of yellow roses.

The bride was attended by Miss Cindy McBrayer of Lubbock, who was dressed in yellow and carried a single long-stemmed yellow rose. George Alex Kopp was the best man.

After the ceremony, a reception honored the couple in the church fellowship hall.

The bride was graduated from Childress High School in 1970 and at the time of her wedding was attending Draughon's Business College in Lubbock.

Mr. Holton, a graduate of Wellington High School in 1968, attended Midwestern University

Mrs. Wilkins

Her discussion was "Family Life and American Heritage." Following this, Mrs. Herb Redeker told of the legend of Shamrock in keeping with St. Patrick's Day.

Mrs. C.E. Hightower presided at the meeting while Mrs. Wayne Reynolds gave the Home Demonstration Council report. Members named their favorite book of the Bible in answering roll call.

Refreshments were served to Mrs. Purl Tippie, Mrs. Redeker, Mrs. Truett Holland, Mrs. Dennis Holland, Mrs. Hightower, Mrs. Reynolds, Mrs. Gilbert Hunt, Mrs. T.J. Bowling and Mrs. Crownover.

The next meeting will be April 11 with Mrs. Dennis Holland as hostess.

Here during the week end was Miss Monisa Ashley a student at Texas Tech, visiting Miss Linda Uddstrom of Hay Camp.

COTTON CONQUERS PROBLEM WINDOWS—Here's an idea for turning an almost all-window room into a compact bed-study room for a young boy. Frame windows with curtains in a colorful cotton plaid, and hang up white textured shades bordered in the same fabric. The window treatment unifies the room, and provides controlled light and privacy at the same time.

Visiting in the G.T. Austin home last week were the Rev. Tommy Austin and son, Tim, who returned recently from Viet Nam. They live at Houston.

Mrs. Martha Reeves, who has been a patient in a Shamrock nursing home, returned to Wellington Monday and is a patient in Thomas Nursing Home.

DAR Group to Hear Amarillo Woman Friday

Prospective members of the Daughters of the American Revolution will hear Mrs. John Glenn Eckel, member of one of the Amarillo Chapters, in an informational meeting here Friday, March 24. It will be held at Corky's Flower and Gift Shop beginning at 1:30 p.m.

Mrs. Eckel's talk will cover additional information on making application for DAR membership. There will be plenty of opportunity for those interested to ask questions, said Mrs. Hubert Bowen, who heads the work to secure a chapter here.

Approximately a dozen and a half area women have attended past meetings or indicated an interest in applying for membership.

The meeting is open to the public and anyone interested is invited, said Mrs. Bowen.

B&PW Hears President-Elect

Members of the Wellington Business and Professional Women's Club were guests of the Childress B&PW for an inter-club meeting recently, when the guest of honor was Jo Ann Clements, president-elect of the Texas Federation, B&PW.

Lions Clubs Support Eye Bank Donor Drive

To the thousands of blind individuals in America today, the best thing that life could offer is the ability to see again. Would you mind, if, after your death, your eyes were used to give some totally blind person the precious gift of sight. . . making it possible for one or more persons to emerge from constant darkness?

With this in mind, the Lions Clubs of Collingsworth County Wellington, Quail, and Samnorwood - actively support the Hi-Plains Eye Bank, Inc., in Amarillo, said Dan Henard, president of the Wellington Club.

LEIGH NALL

Leigh Nall Finalist for All-Star Queen

Leigh Nall, representing Wellington, is one of 10 finalists for All-Star Basketball Queen, to be picked Saturday night, March 25, in Amarillo.

This contest is a part of festivities attending the girls All-Star Basketball game to be played in the Civic Center Coliseum that evening. Mary Saied is a member of the team.

The queen contestants have been interviewed, and the finalists were chosen from a group of 43 Panhandle girls entered.

Miss Nall is the daughter of Mr. and Mrs. Richard Nall.

Men in Service

FT. POLK, La. - Army private James V. King Jr., 17, whose parents live at 202 Eighth St., Wellington, Tex., completed today eight weeks of basic training at the U.S. Army Training Center, Infantry, Ft. Polk, La.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and Army History and Traditions.

Pvt. King received his training with Company B, 1st Battalion of the 5th Brigade.

The Wellington Club has announced all-out participation in the Eye Bank Telethon on KGNC-TV Sunday, March 26. Mayor John Coleman has issued a proclamation designating March as National Eye Bank Month and Sunday March 26 as Eye Bank Day in Wellington, calling to the attention of all citizens the progress of the eye bank program and the service it is performing.

W.R. Breeding of the Samnorwood Club is one of the directors of the Hi-Plains Eye Bank, and a number of members of that club have already willed their eyes to it.

The success of a drive now being inaugurated by the Hi-Plains Eye Bank Incorporated and the Lions Clubs in District 1-T1 will determine whether many of our blind, or nearly blind residents, now and in the future will have the opportunity to regain their eyesight.

This is not a drive for financial donations. The Hi-Plains Eye Bank is sponsored and supported by the 81 Lions Clubs in the District. It is a drive to sign up eye donors - individuals who are willing to pledge their eyes - upon death - for use in sight restoring operations.

Individuals whose blindness has been caused by damaged or diseased corneas can often be given restored sight through the transplanting of human eye tissue, which has been donated by some generous person - to be used at his death. There is no other way in which such people can be helped, thus pointing up the need for public co-operation in this sight saving work.

The quality of your vision makes no difference whatsoever. If the cornea, sclera and vitreous are not diseased, the tissue can be used.

Actually six people can be helped by one pair of eyes. Two corneal transplants can be given, two sclera (white part of the eye) can be used for ruptures, and vitreous (fluid in the eye) can be used for two vitreous implants.

It is not possible to buy or sell eyes. They are furnished to the ophthalmologist and his patient free. Of course there is the usual hospital charges, and the surgeon will charge his usual fee.

Those who are willing to co-operate in this humanitarian project are asked to contact any of the three clubs, or the Eye Bank Office in Amarillo for pledge cards or for further information.

Masten Attends TSTA Meeting

Apply Now for Work-Study Jobs, Students Told

Students now in college or who will attend next year, and who are interested in the immediate future, Don Van Pelt, county school counselor reminded this week.

The application for this program is worked up by Mr. Van Pelt, but is arranged through the college which the student will attend.

This source of funding is open both to students presently enrolled in college, and those who will attend for the first time next fall, he pointed out.

There are several kinds of financial aid, Mr. Van Pelt said, including the work-study programs, various grants and scholarships, and as counselor he can assist the students with these.

He may be contacted at his office at Wellington High School, or at Samnorwood or Quail.

Students See New Drug Film

Wellington Junior and Senior High Schools watched a drug film on Wednesday March 15, which told a story of Marijuana. The title was "The Ballad Of Mary Jane."

Mary Jane (marijuana) tells "her own story" to Jim, a teenager who is trying his first marijuana cigarette. Mary Jane briefly relates her historical background, tells how she grows and how she affects her user's central nervous system. She explains how she becomes involved in the underground and why she is sometimes impure. Psychologically, Mary Jane says, she is habit forming. "I'm a 'put-on' because I dull your mind and waste your precious time." Mary Jane leaves Jim by asking if he's going to make her an important part of his life.

Marijuana users interject into the narration their personal experiences with the drug.

This part of the continuing drug education program now mandatory in Texas Public Schools.

THE LAW AND OUR CHANGING TIMES

All over America today we see so much lawlessness. Where does it stem from? How did it come about? These are good questions and many parents know they have failed their children and don't want to admit it and are the result of it.

All laws stem from the one law that God gave for man. Every law derives its purpose from this one law:

"Love thy neighbor as thyself."

Children are to obey their parents. Of course this law is only carried out by born-again believers. John 3:3 and Eph. 6:1, 2. Not only are they to obey but also honor their Father and Mother.

Can a child honor a drunkard? Eph. 6:4. Parent are to bring up their children in the nurture and admonition of the Lord. Have you?

How about our civil laws. "Render unto Caesar the things that are Caesars." This not only proves separation of Church and State but we are to abide by civil laws also.

We as Christians are to pray for those in authority over us. So many today hate all rule and authority. Why? Because parents have not trained their children in the things of God. Any fool can criticize. But wonder how many so-called Christians pray for our Mayor, City Council, and Officer King. I wonder how many pray for our President and Governors and Senators.

We are commanded to do so in the Word of God. I thank God for honest officers such as Mr. King.

P.S. No, he does not attend our church and neither do any of the others, but they are always Welcome, just like you are.

PEP Plans Fall Stocker-Feeder Seminar Here

The Panhandle Economic Program (PEP) has selected Wellington as the site of a stocker and feeder cattle seminar to be held next fall, County Agent Don Reeves reported following the annual meeting of PEP in Amarillo Friday, March 17. He is a director, and other county directors attending with him were Louis Allred and County Judge Zook Thomas.

The seminar will be for cattle men in several counties, and the date will be announced later. It is one of several seminars that will be held over the Panhandle during the coming year, with one on pasture improvement also slated somewhere in the general area.

Since PEP was founded in 1965, an additional \$270 million in agricultural income has been generated in the area

it serves, delegates were told by Dr. John E. Hutchinson, director of the Texas Agricultural Extension Service from Texas A&M University.

The Panhandle Economic Program was formed by governmental sub-divisions, civic groups such as chambers of commerce and agriculture and extension services to improve the economy of the area served through planning to achieve maximum use of natural, human and capital resources.

The effort is promoting use of things in the most efficient manner possible to meet present and future needs for continued growth of the area, Dr. Hutchinson said.

PEP is one of six similar units in Texas and includes all the Panhandle counties from Hall westward through Parmer, with the exception of Childress.

Dr. Hutchinson said the PEP has produced a faster increase in gross income than the other area development groups.

Tree Planting Time at Hand

Late winter and early spring are good times to set out new trees in your home or community landscape.

County Agent Don Reeves points out that planting trees demonstrates a feeling of continuity with the past and anticipation for the future.

"Trees are probably one of the biggest bargains in our environment," says Reeves. "Varieties should be planted that are adapted to the area and that will meet specific needs. Trees can provide lasting beauty if cared for properly."

In addition to aesthetic reasons for planting trees, there are many other bonuses, notes the horticulturist.

1. Trees reduce smog and purify the air by acting as dust and pollution filters and by releasing life-giving oxygen into the air.
 2. Trees moderate the climate by protecting from extremes in wind, heat, cold and drought.
 3. Trees provide food and shelter for many bird and animal species.
 4. Planting good trees increases the value and sales appeal of homes. Beautiful, well-placed trees are a prime selling factor, especially in older homes.
- For information on selecting trees for your home or community, consult your county Extension agent or local nurseryman, adds Reeves.

Deductible on Medicare Up

Starting January 1, 1972, the deductible under the Medicare hospital insurance program rose to \$68, according to Travis C. Briggs, social security district manager in Amarillo.

This means that the Medicare patient admitted to the hospital now is responsible for the first \$68 of the hospital bill. The deductible formerly was \$60.

"The \$8 increase in the deductible is the result of a review of hospital costs during 1970," Briggs said.

Under the Medicare law, the deductible must be adjusted to keep the amount in line with the average cost of one day's stay in the hospital.

Because of the increase in hospital costs, three other in-

creases in the amount patients pay under the Medicare hospital insurance program also increase.

For hospital stays of more than 60 days, the Medicare patient will pay \$17 a day, instead of \$15, for the 61st through the 90th day.

For a post-hospital stay of more than 20 days in an extended care facility, the patient will pay \$8.50 a day, instead of \$7.50, for the 21st through the 100th day.

For "lifetime reserve" days, the patient will pay \$34 instead of \$30, for each day used.

The 1971 rates will remain in effect for people whose benefit periods under Medicare started before the end of this year. Among other factors, the beginning of a benefit period depends on when a Medicare patient was first admitted to the hospital. There's more information about benefit periods in "Your Medicare Handbook."

More Groups Needed to Help Beautify Wellington

We speak of man hours of labor, but much of the beautification of public areas in Wellington comes from woman-hours of hard work and planning, principally from the Garden Club.

It does not take a long memory to recall the weed-patches that once were the two older cemeteries and Ellison Park. It has been a joint improvement work with the Cemetery Association, the city and a number of individuals, but to the women of the Garden Club goes much credit for the consistency of the work.

And why not?

There are a number of areas for beautification projects without involving private property rights or with owner permission. And again let it be said, that the face we present along Highway 83 is the only part of Wellington many people ever see.

We have clubs for all ages. We have resource material from the Texas Highway Department, Texas Parks and Wildlife Commission, the Extension Service and many talented Wellington individuals, all with ideas that can beautify without requiring mowing and watering.

The Garden Club should no longer have to carry the program of beautification alone.

Other Editors Say . . .

Hard to Do Business

Ever notice how much business individual citizens must transact with government bodies — and how difficult it is to do so?

Except for fire departments and police, "servants of the public" enjoy more closed office hours than any other segment of the work-a-day world.

Government offices are seldom open on the weekend, even on Saturday mornings. A call to anybody in federal offices after 4 p.m. week days will generally leave you stranded with a telephone operator saying she is sorry, but . . . School doors are locked at 4 p.m. The list is endless for people wishing to pay taxes, buy license plates, record deeds, mail a package, obtain a driver's license, or check out a book.

Some business can be accomplished by correspondence, although not all agencies will accept money through the mail. Perhaps the kindest thing to be said about the Internal Revenue Service is that it will take your personal check.

For some weeks, a Washington, D.C. television station has been waging a lonely campaign to get government agencies to keep office hours that are convenient for the public. Norman Davis, editorial director of WTOP-TV, pointed out that libraries and driver's license agencies for the most part are open for business at hours which suit themselves. "The public preferences don't count very much," he said, "which is quite ironic since the public is the employer."

The WTOP-TV campaign has brought one of the biggest public responses in the station's history. Obviously a lot of people believe government exists to serve the public. But at the agencies old habits die hard, and Davis concedes that so far his struggle "isn't making a lot of headway."

Amarillo Daily News

Not Easily Discouraged

There was a man who failed in business in '31; was defeated for the legislature in '32; failed again in business in '34; lost his sweetheart by death in '35; had a nervous breakdown in '36; was defeated again for election in '40; lost a congressional election in '43; same in '46; again in '48; then lost a Senate race in '58.

No doubt he, too was discouraged, but he kept on trying.

Maybe you've heard about the man we are talking about. . . his name was Abraham Lincoln.

— The Wellington (Ohio) Enterprise.

AUSTIN, Tex. -- Texas voters will get a chance to express themselves at the May 6 polls on the explosive issue of forced busing referendum on the ballot to encourage voter turnout and demonstrate Texas sentiments to federal authorities. Both ballot items ask Texans to state whether they want a federal constitutional amendment to outlaw forced busing. Republicans adopted their required new rules routinely, but reform regulations went down hard for the Democrats.

VERDICT SHAKES POLITICS -- Conviction of House Speaker Gus Mutscher and two aides on bribery conspiracy charges left many political figures wondering about effect of fallout on their own futures.

Sharpstown Bank stock-loan scandals already were a major issue in some campaigns. Conviction of Mutscher is expected to increase the chorus of I-told-you-so's, and some incumbent officials fear outcries may increase for removal of everybody who had anything to do with the Sharpstown Bank bills of 1969.

First direct political effect of the trial likely will be felt in the House of Representatives soon. Heading the order of business there -- if Mutscher declines to yield his office voluntarily -- will be choice of a replacement for the speaker.

Other speakership candidates except Rep. Rayford Price of Palestine appear ready to join in a move for election of an interim speaker (possibly veteran Rep. L. DeWitt Hale of Corpus Christi) who will agree not to seek the job next year. Price, who claims a majority of House votes, wants the speakership himself at the first opportunity. He doesn't care to turn it over to somebody else for safekeeping.

AG OPINIONS -- Retired judges are eligible to receive the benefit of limited state participation in payment of insurance premiums under state group programs, Atty. Gen. Crawford Martin held.

In other recent opinions the Attorney General concluded:

* Blood donors between 18 and 21 can receive no compensation or blood bank credit.

* A Housing Authority tenant is prohibited from serving as a commissioner of that authority.

* County court at law of Bell County exercises concurrent jurisdiction with district courts in civil cases where the amount in controversy is between \$500 and \$5,000 exclusive of interest.

* Angelina County court at law is a court of record, and its judge on demand of a litigant must furnish a competent stenographer paid out of court costs. An official court reporter is not required to be appointed on a fulltime basis.

Life! we've been long together
Through pleasant and through cloudy weather;
'T is hard to part when friends are dear, —
Perhaps 't will cost a sigh, a tear;
Then steal away, give little warning,
Choose thine own time;
Say not "Good night," but in some brighter clime
Bid me "Good morning."

tionality of the death penalty has been upheld by the Texas Court of Criminal Appeals.

Judge Truman Roberts concluded in the divided opinion that execution for a crime is not cruel or unusual punishment forbidden by the U.S. Constitution. The issue is now before the U.S. Supreme Court.

Texas Supreme Court blocked a last effort by The University of Texas at Austin to obtain an Austin house deeded to it by a late professor. Low-

er courts found "unique influence" had been used by UT officials on the aged professor to get his property.

The Supreme Court refused to hear an appeal of an insurance company from a lower court order that an Hidalgo County man's suit to recover for loss of a 3.19 carat diamond ring must be tried on its merits. SCHOOL ASSIGNMENT SET -- State Board of Education set \$265 million as local school

districts' share of the Texas public school program cost for the next school year.

This is calculated at about 20 per cent of a district's total operating outlays.

The Board also adopted an economic index determining just how much each district contributes. The state's system of financing public school education already has been found illegal by a federal court -- but the legislature has been given one

more chance to come up with a formula suitable to the court.

SHORT SNORTS -- First draft call for 500- to- 600 young Texans under a new uniform national procedure has been received -- for April and May -- by Texas Selective Service headquarters. . . . The state earned \$15.2 million from its funds on deposit with Texas banks last year, Treasurer Jesse James reported.

Short Takes

Early Civilizations

When European explorers first arrived in Central and South America, the established Indian civilizations were the Incas in the highlands of Peru, Bolivia, Ecuador and northern Chile; the Chibchas in the highlands of Colombia; the Mayas of Guatemala and Yucatan; and the Aztecs of Mexico.

Migrators

The best known migrators besides birds are probably the lemmings of Scandinavia, which, at intervals, travel toward the Atlantic Ocean, sometimes even plunging into the sea. Several of the common bats, also, undertake a true migration in the autumn.

Two Bits

The expression, "two bits," for a quarter-dollar comes from the days when the Spanish dollar was often used as currency in the American colonies. When small change was needed, the dollar was cut. The coin could be divided into eight pieces, or bits.

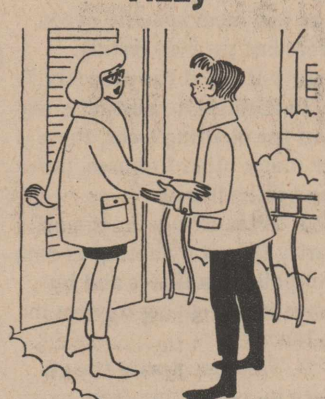

Admitted Most States

The largest number of states admitted to the Union under one president consisted of six admitted during the administration of President Benjamin Harrison. The states were North Dakota, South Dakota, Montana, Washington, Idaho and Wyoming.

Not Irish-born

St. Patrick, the patron saint of Ireland, was not born in that country. He was born in Bannavem, which may have been in England or Scotland.

Tizzy

CROSSROADS REPORT

Dear Editor:

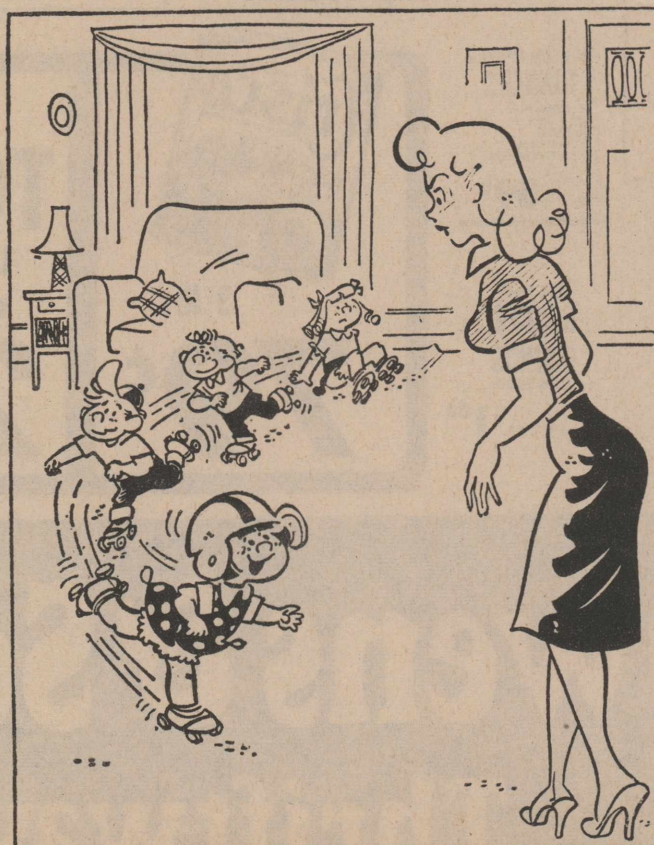

I see where a citizen wrote a letter to Preacher Billy Graham a while back to report that he doesn't believe there is any God because nobody has ever seen Him.

Which you might say is very solid thinking by an individual who is not fixing to buy any bill of goods on hearsay evidence.

And who probably doesn't believe in TV, either, because nobody has ever seen one of the millions of pictures that fill the air around us unless he had enough faith to turn on his receiver.

City Housing Authority Has Annual Meet

The annual meeting of the Housing Authority of the City of Wellington was held Tuesday, March 14, with members of the City Council as guests. This was a dinner meeting.

Mayor John L. Coleman announced the reappointment of Jack Neeley, Billy L. Langford and George Shadid to the board of directors for two-year terms. Mr. Neeley is the present chairman.

The amount invested in land, structures in the Housing Authority's low-rent housing units amounts to \$369,170.71, Mrs. Margaret Vines, executive director, reported.

Since 1959 when the 30 units were opened 236 families have been served, with a total of 792 persons, Mrs. Vines said.

Special guests were Mr. and Mrs. Joe Terry. He served on the Housing Authority Board from the time of its organization until he retired a year ago.

Attending the dinner were Mr. and Mrs. Terry, Mayor and Mrs. Coleman, Mr. and Mrs. Bob McAlister, and Mr. and Mrs. Glenn Warrick, of the City Council; and these board members and guests: Mr. and Mrs. Neeley, George Shadid, Miss Marie Shadid, Miss Rose Shadid, Mr. and Mrs. J.B. Ony, Mr. and Mrs. Raymond Horton, and Mr. and Mrs. Lloyd Vines.

Quail Team High in FFA Judging Event

The Quail Future Farmers dairy products judging team placed sixth in the Sweetwater Invitational Judging Saturday, March 18.

One team member, Terry Canada, was fourth high individual in the contest, in which approximately 100 boys were competing.

Other Quail members were Joel Ross and Jerry Alston. Doyle Messer, vocational ag instructor, was their coach.

The Hedley judging team, also coached by Mr. Messer, placed second. Members were Leon Freeman, Jack Wilson, Lyndon Messer and David Drum.

Altogether about 30 teams were in this contest.

The Quail FFA farm mechanics team will enter the judging contest at Canadian Monday, March 27. Members will be selected later this week.

CAC Receives Grant to Fund Head Start

Governor Preston Smith today announced his approval during the past week of an office of Child Development grant of \$28,257 in new federal funds to Texas Panhandle Community Action Corporation in Amarillo for Full Year (Part Day) Head Start.

The grant, funded under Title II of the Economic Opportunity Act, also involves \$1,855 in unexpended funds making a total of \$30,112, and is effective Dec. 1, 1971, through May 31, 1972.

PESO Education Service Center is the delegate agency which will conduct three classes in one center five days a week, six to seven hours a day, and will serve 60 children age 5. Staff includes three teachers, three other professionals, eight nonprofessionals and 14 volunteers.

TEXAS INDIAN ENTERPRISE

The East Texas Alabama-Coushatta Indian Tribes are taking another great stride toward self-sufficiency. On March 25 at 10 a.m. Federal, State and Tribal officials will dedicate the new "Inn of the 12 Clans" and the "Big Thicket Reptile Garden". Standing front of the Inn is Chief Fulton Battise.

School Changes Due By Court Decision

"We don't have to stretch our conscience much to see merit in the federal court decision holding the ad valorem tax for school financing unconstitutional. And we do not have to stretch our imagination much to see that local control of schools as we know it is a thing of the past," Wellington classroom teachers were told at their annual banquet Monday evening, March 20.

John T. Forbis, Wellington-reared Childress attorney and school board member, then moved into the changes in Texas schools that may result in the court decision, first noting, however, that there is not now equality between oil rich districts and poorer districts like Wellington and Childress.

"We can predict the ad valorem in curriculum, he said, more nearly equalizing the curriculum for college entrance and that for vocational study. "I think it will increase the offerings (in subject matter) of Wellington and Childress," he added.

But costs will have to be cut, and what this may do to the size of classes is another matter. Mr. Forbis forseees class loads of 36 students or more.

Salaries of classroom teachers will be little effected, he believes, except where local increases are involved. Cuts

Girl Scout Cookie Money To Buy Tents

"Girl Scout Cookie profits will buy tents for Camp Cibola this spring. As the Quivira Girl Scout Council Cookie Sale swings into its second week, the progress is good," according to Celia Fowler, Council Executive Director. Brownies and Junior Scouts in Wellington are participating in the sale.

"Girl Scouting depends upon cookie money for camp maintenance and development. Just as we depend upon the United Fund and Independent Fund Drives for operation of the council, we utilize cookie money at our two camps," said Miss Fowler.

Ten years of cookie sales provided the council with funds to purchase Camp Cibola north of Clarendon, in 1970. In 1971, a successful cookie sale paid for the filtering of the swimming pool at Camp Cibola.

"Cookie sale proceeds directly benefit the 1700 Girl Scouts of our Council through improved camping opportunities," said Pat Rion, Camping Committee Chairman. "Community support of this year's sale will make these plans for better opportunities in camping become a reality," he continued.

"I Did It" patches will be awarded to all Brownies selling 6 boxes of cookies, and all Juniors, Cadettes and Seniors selling 24 boxes of cookies. The patch features a covered wagon, the tent frame and design chosen by the camp development and Camping Committees to be used on a unit site at Camp Cibola. Girl Scouts selling over three cases of cookies can earn credit on established Camp fees.

will be most noticeable among administrators, coaches, science and math teachers, he believes.

But the most immediate effect is consolidation. The court decision, he predicts, was the death knell tolled for smaller schools. "And who knows, he added. We may all one day meet at our common high school somewhere on the Craven Ranch.

Earlier Mr. Forbis indulged in a few tongue-in-cheek reminiscences, comparing today's breakdown in discipline with the boyish pranks of his own years. Then in a serious mood, he wondered if there is any other rural county that can match the output of Collingsworth in the scholars produced.

Entertainment for the banquet was provided by a chorus of sixth grade girls, in Gibson Girl dress, directed by Mrs. Dick Pendleton.

Mrs. Chester White, president of the Wellington Classroom Teachers Association, presided at the banquet, while Rufus Sweat gave the invocation. Mrs. Bob McAlister introduced the guests and the speaker.

Joyce Shipp to Judge Favorite Food Show Sat.

Plans are complete for the annual 4-H Club girls Favorite Food Show, which will be held Saturday, March 25, Mrs. Billy Colson has announced.

The show will be in the Hospitality room of the Farm Bureau building, with judging to begin at 9:00 a.m.

Judging the show will be Mrs. Joyce Shipp, assistant county home demonstration agent at Hereford. A former county girl, she will be remembered as Joyce Alexander. Mrs. Shipp will bring a 4-H Club leader from Hereford to help with the judging.

Winners will be named in the four food classes, milk products, fruit and vegetables, meat and bread and cereal, in both junior and senior divisions.

Two junior and two senior winners will represent the county at the District I 4-H Food Show at Amarillo in early April, Mrs. Colson said.

All interested women and girls are invited to attend the Favorite Food Show.

Teachers at Small Schools Inservice Meet

The faculties of Samnorwood and Quail Schools were in Wheeler Monday, March 13, to attend an Inservice workshop of the Region 16 Small Schools one of several held during the year.

Mrs. Joe Henard, Samnorwood High School English instructor, was one of the speakers, presenting a program on motivation.

In the bus sessions, Rex Peeples, Samnorwood superintendent, was leader for the language arts group and James Stavenhagen, Quail superintendent, of the mathematics section. Each teacher attended sessions relating to their grades or subjects.

Consultants were Dr. Jim Kidd, head of the Department of Secondary and Higher Education, West Texas State University, and Mrs. Allegra Bush, elementary coordinator for PESO Education Service Center.

Attending from Quail were Mr. Stavenhagen, Mrs. Lewis Morris, Mrs. Woodrow Wilson, John Masten, Doyle Messer, Bill Wilson, Mrs. Sue Shields, Mrs. Sue Pride, Mrs. Jim Lowe, Mrs. Patsy Bowen, Mrs. Glenn Thomas, and David Knox.

Samnorwood teachers present were Mr. Peeples, Mrs. Henard, Kenneth Martindale, Jim Brown, Miss Rama Camp, Mrs. Velma Hiett, Mrs. Jack Lowry, Mrs. Judy Oren, John Thomas, Paul Schaub and Zeldon Jenkins.

Don Van Pelt, county school counselor, also attended.

Benson Girl in Omaha Hospital

Vera Dean Benson, 11 year old daughter of Mr. and Mrs. Odas Benson of Hershey, Nebraska, is critically ill in University Hospital of the University of Nebraska Medical College, Omaha, friends here have learned.

At the last report received here, tests were still being made to determine the nature of her illness.

Verna Dean had lived here all her life until the family moved to Nebraska last year.

Deck's DIDACTICS

—by Deskins Wells

NOW THAT beef is a good price from the producers standpoint, the usual protests are being heard from the professional representatives of the consumers. Giant Foods, a grocery chain in Maryland, Virginia, and Washington, D.C. is publishing ads urging people not to buy beef and use protein alternatives such as fish, fowl, cheese, etc.

THE CAMPAIGN is directed by Mrs. Esther Peterson one-time consumer advisor to President Lyndon Johnson. The use of beef substitutes is perfectly legitimate and is practiced every week by the housewives. To confuse the price of beef or pork in the store with the price on the hoof is misleading. The same might be said of the price of fish at the wharf and at some inland food store.

THE DIFFERENCE is not as astonishing; but it follows the same economic pattern as the difference in the price of a loaf of bread and what the farmer gets for the wheat that goes to make the loaf. There is transportation, labor, processing, wholesale and retail markups and a whole series of costs between the price the grower receives and the housewife pays.

THE SPREAD in cost is not too hard to explain in an agricultural community such as ours where we are at the source of supply of several essential commodities. It becomes more difficult to explain it to the average city dweller. It requires fewer minutes work to buy a pound of beef now than it did in 1920 or 1940.

SOMETIMES I become bored listening to President Nixon on TV and at other times I am disappointed in reading of his decisions and actions in the newspapers. But when I look at what the Democrats are offering, Muskie, Humphrey, McGovern, etc., I become much better pacified with President Nixon.

JAMES MORGAN is one of the many people wondering about the chance for a fruit crop in 1972. The weather has been warmer than usual in February and March and the fruit trees bloomed early and peaches and some other fruits are in an advanced stage of growth. Wait until about April 15 and you will have a better idea. Of course if the temperature drops below 20 degrees and stays there for a few hours, the great fruit debate will be over.

LOUISE has been on the side of the pessimists for three weeks and Jimmie Bowen agrees with her. I am always on the side of the optimists until disaster has struck. Right now I am watering my young trees as if it were the middle of June. It will be good for the root growth next fall and winter.

MRS. EVERETT FAIN was in Wellington the other day buying tomato plants and I saw another lady carry off a whole box full from Gibson's. That is carrying optimism pretty far.

MONTE MITCHELL plans to take me on a trip to inspect the irrigation wells in the Marel community. He says there are sixteen new ones out there this spring. I still contend it takes a long dry spell to bring forth more wells.

DR. ZHIVAGO is showing at The Ritz next Sunday through Wednesday. If you have not seen it, this picture is a must. I think I will see it a second time. The beautiful music is familiar to you; but the furs, the women, the scenery are memorable. It is a great story and a wonderful show.

Ozell Byrd of Wolf City spent the week end with Mr. and Mrs. John Eron Forbis. He formerly lived here.

Mr. and Mrs. Herschel Richards of Amarillo visited recently with relatives and friends here.

AT THE RITZ, STARTING SUNDAY

Yuri Zhivago (Omar Sharif) and Lara (Julie Christie) find themselves desperately in love in this scene from David Lean's film of Boris Pasternak's "Doctor Zhivago." Also starred in the MGM picture, winner of six Academy Awards, are Geraldine Chaplin, Tom Courtenay, Alec Guinness, Siobhan McKenna, Ralph Richardson, Rod Steiger and Rita Tushingham.

Two-Day Drivers License School Set

A drivers license school is slated in Wellington Wednesday and Thursday, March 29 and 30 to be held from 7:30 to 9:30 each evening in the Community Action Center.

It is sponsored by the Department of Public Safety and the county Community Action Program, and is designed for all persons, even those who have difficulty reading and writing. Hand books will be available in both English and Spanish.

Chester E. Fant, safety officer for the DPS, will conduct the school and will cover all questions that will be asked on any driver license examination including rules and signs. "It is not our purpose to find out who does not have a license, but to assist those who need help

in obtaining a license," said Mr. Fant.

The course is free of charge and open to anyone in the area who is interested.

According to a spokesman of the Department of Public Safety, written examinations of some type will be given shortly for the renewal of all drivers licenses.

"A school of this type will be an excellent way to brush up on rules and signs," said Mr. Edward Aguilar of the Community Action Center, who is helping with arrangements.

Two such schools have been held in Wellington in the past, and approximately 75% of those taking the course were able to obtain a drivers license upon their completion.

The Wellington Lions now have behind them two games and many sore muscles, and are well seasoned as far as this kind of play is concerned.

Team members probably will be Boss Lion Dan Henard, Jr., Joe Henard, Dan Hiett, Bill Lindsey, John Coffee, Joe Montgomery, Joe Hooper, Billy Colson and Steve Schmidley.

Proceeds will be used for such projects as the High Plains Eye Bank, in which both teams participate, and to send their club sweethearts to the District 21-1 Lions Sweetheart Contest in Dalhart May 3, 4, and 5. Sherry Canada will represent Quail and Landi White Wellington.

Tiny Tot Revue March 28 to Feature 75 Area Youngsters

Approximately 75 of Wellington's youngest generation will appear on-stage at the Tiny Tot Revue Tuesday, March 28, in the annual event where they will model their Easter clothes.

The revue will begin at 7:30 p.m. and will be in Wellington High School Auditorium, sponsored by the 1954 Study Club.

This is for pre-school children Mrs. Leon Hartman said, and there will be three divisions of youngsters who will model. These will be for one and two year olds, children three and four years of age, while the oldest group will be for five and six year old youngsters who have not started to school.

In addition, infants under

one year will be brought on-stage by their parents, but they will not compete for prizes.

The winning boy and girl in each of the other three groups will be chosen by a panel of judges and each of these six will receive a gift.

Children may be entered in the Tiny Tot contest any time up to the hour of rehearsal, 4:00 p.m. Monday, March

27, Mrs. Hartman said.

Tickets may be purchased from any member of the club, and proceeds will go to finance its projects, which included a monthly contribution to the Satellite Training and Work Center.

L.E. Gribble and the late Estelita Coker, was a farmer and later operated a hardware business.

K.M. Godfrey, the father of Mrs. Joe Baumgardner, was in real estate.

J.W. Wells, father of Percy Wells, was a landowner.

John Williamson was a farmer.

J.B. Curtner, father of Mrs. Ruby Ball and of Mrs. Callie Bevan of Dallas and Ruel Curtner of Ft. Worth, was a farmer and druggist, and also a contractor and carpenter who built the first school.

A.C. Gray, banker and landowner, whose children all live in this area, and are Mrs. Louise Templeton, Mrs. Olan Farris of Dodson, Mrs. R.C. Patrick, Mrs. Wayne Parker and Henard Gray of Childress.

Mrs. Greenhaw said she became interested in this project in May 1971, when she read The Wellington Leader account of the Wellington State Bank history at the time it moved into its new home.

It took her six months to gather these pictures and complete the work. She did this with enthusiasm and a deep interest in preserving for the future generations this information which is a vital part of the county's history.

"This was a struggle for these men for there was very little money in those days and \$25, 000 was a LOT of money!" she commented.

Children and grandchildren of these founding stockholders joined her enthusiastically. But not all were easily found. All trace of the John Williamson family had gone, and there was no known picture of him in Wellington.

Mrs. Clyde Drake, located by chance a picture of Mrs. C.C. Small, the former Zoe O'Neil, and a Williamson girl. She was contacted at her home in Austin, thought the family went to Lubbock and referred Mrs. Greenhaw to her brother, Lee O'Neil.

Yes, Mr. O'Neil reported, a daughter of John Williamson had lived in Lubbock, but is dead. Her daughter lived in Oklahoma City. He did not know her name.

Quail Class of 1947 Plans Reunion April 1

The Quail graduating class of 1947 will hold its 25th anniversary reunion Saturday, April 1, in conjunction with the annual ex-students reunion and banquet.

The 1947 graduates will gather at the school at 5:30 p.m., or earlier if they wish, for visiting before going in a body to the banquet at 7:00 p.m.

Heading the arrangements is Mrs. Delbert White, whose husband was a member of that class.

She reminded all those planning to attend the reunion both 1947 graduates and those of other classes, to send their reservations as early as possible. These may be addressed to Delbert White, Route 1, Quail, to officers of the ex-students association or to the school.

An effort is being made to contact all of the 20 living members of the class, although several have dropped from sight. Anyone knowing the addresses of out of county members is asked to contact Mr. or Mrs. White.

She reminded, however, that silver anniversary reunion of this class is to include not only members, but their husbands or wives, anyone who was a member of the class during the 12 years of school, or other who would especially like to visit with an ex-student.

Members of this class were Ernestene Gosnell, James David Shanks, Willa Jean Leathers, Winfred Dollar, Hoyt Langley, Billy Fred Thomas, (deceased), Bobby Ted Thomas, Arlice Tow, Sam Adams, Dorothy Thomas, Billy Langford, David LeRoy Browning, Charles Wayne Sullivan, Delbert Clayton White, Billy Watkins, Billy Gene Tate (deceased), Roy Canada, Betty Blevins, San Dick Morgan, Faye Neeley, Raymond Neeley, Jack Maloney and Eloise Bishop.

the Way of the Cross will be followed for the last time this Lent at 8 p.m.

On Holy Saturday, midnight Mass will be celebrated in St. Patrick's in Shamrock this year, with Easter confessions here in Wellington from 7:30 to 8:30 p.m.

Then the joyful Easter Mass, celebrating the Resurrection of Jesus from the dead, will be Easter Sunday morning at 9 o'clock.

"Everyone is welcome to these beautiful ceremonies," says Father Pat. "That first Holy Week was the most important week in human history, and that's why we make such a fuss about it every year."

DIAL 447-2520 911 West Avenue
WELLINGTON, TEXAS

"Dependable Insurance"

Mrs. Greenhaw placed an add in an Oklahoma City paper hunting this unknown woman, who responded! She, too, joined the project, although it took approximately two months for her to locate a picture of her grandfather.

The picture panel presented by Mrs. Greenhaw now hangs in the lobby of the Wellington State Bank for the public to view and will later find its place in the Heritage Room of the bank.

Sell it with a Classified Ad.

#5—continued from page 1

Survivors are two daughters, Mrs. C.B. (Edith) Carter and Mrs. Sam (Edna) Crow of Hollis; a son, Bob Copeland of Childress; a brother, A.L. Copeland of Graham; a sister Mrs. E.B. Love of Arlington; six grandchildren and two great grandchildren.

Miss Mattie Maddox, who has been living in Amarillo, has returned and is making her home at her farm near Wellington.
