MINE EXPLOSION MAY CLAIM 90 LIVES TWO SETS OF BALLOTS READY FOR ELECTION

(By Associated Press)
AUSTIN, Nov. 6.—Attorneys for the anti-Mayfield forces filed a motion before the state Supreme Court this morning to set aside the order of the Dallas Court of Civil Appeals which was entered yesterday dissolving the Groesbeck injunction. The motion was in the form of an application to file mandamus proceedings to compel the Dallas court to set aside the order, and contends that the order of the Dallas court was void because it was entered on Sunday. The motion also attacks the jurisdiction of the Dallas court.

The Supreme Court took the application under advisement and a ruling is expected momentarily.

DALLAS, Nov. 6.—The Fifth Court of Civil Appeals here this morning issued a mandate to the district court at Groesbeck ordering dissolved the temporary restraining order granted at that place by Judge A. M. Blackmon preventing the name of Earl B. Mayfield from going on the ballot. The injunction was dissolved on motion of Attorney General Keeling and Assistant Attorney General Sutton.

It was said that this action left the way open for Mayfield's name to be placed on the ballots as the democratic senatorial candidate, so far as the court at Groesbeck and here are concerned.

The motion of the state's attorneys asking for final order of the court of appeals was based on the representation that up to ten o'clock this morning no writ of error, or notice thereof, had been filed in the state Supreme Court at Austin seeking review of further action on the rulings of the

court of appeals, and also on the grounds that a lack of time would prevent presentation and consideration of such a writ of error before the election.

DALLAS, Nov. 6.—The Fifth Court of Civil Appeals took under advisement arguments and briefs in connection with the contempt of court proceedings filed against Attorney General Keeling and Secretary of State Staples, at the close of the morning session.

Two sets of general election ballots are ready for use in this county. The ballots printed in blank form, or without a name of a candidate for United States senator, were printed last week, and have been delivered to the various election managers in the county. The other set, containing the name of Earl B. Mayfield, are ready and will be delivered to the election managers to be used in lieu of the first set sent out, if an eleventh hour court ruling and instructions from state authorities so instruct.

County Judge Trimmier received a message from Secretary of State Staples early Monday morning, notifying him that the court had dissolved the injunction at Groesbeck, and that the way was open for Mayfield's name to be placed on the ballot. Mr. Trimmier immediately ordered the tickets reprinted, and arrangements were made to deliver them to election managers.

In less than an hour after receiving the first telegram from Secretary of State Staples, Judge Trimmier received another message stating that the anti-Mayfield forces had filed a motion in the Supreme Court at Austin which tied the matter up again, and instructed him to hold up on printing Mayfield's name on the ticket. The matter stands in this shape, but to be safe in any emergency, Mr. Trimmier instructed that another set of ballots be printed with Mayfield's name thereon, and to hold them in readiness for eleventh hour purposes.

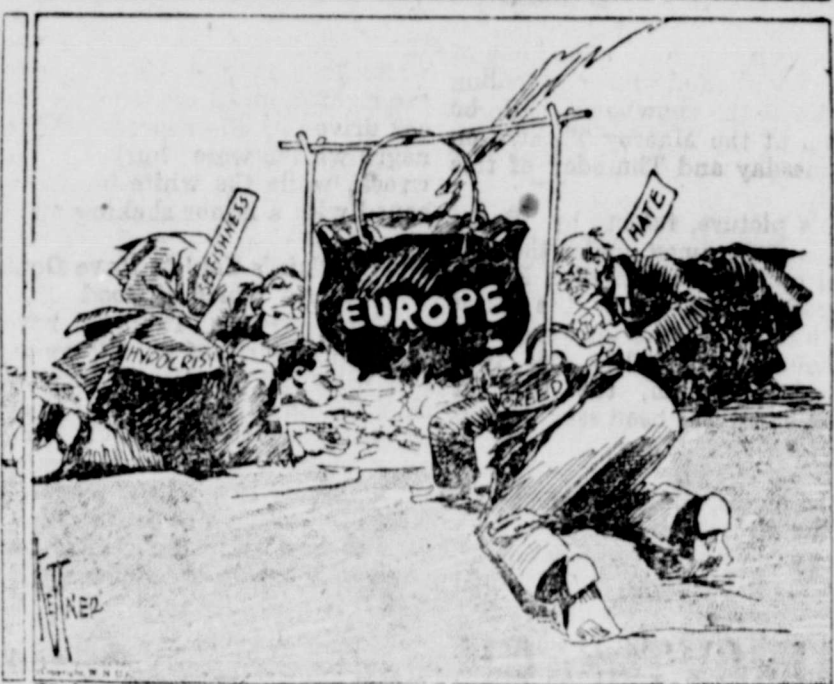

ANGELO KNIGHTS COMING HERE

All members of the Ballinger K. of P. Lodge No. 29, are urged to be present at a meeting tonight, at which time there will be work in the third degree. A strong delegation is coming from San Angelo, and they will assist in conferring the rank of Knight on the new candidates.

The meeting tonight will be held in the hall over the City Drug Store, the K. of P. Lodge have been moved to that building.

BAND TO PLAY FOR LYCEUM

The first attraction of the lyceum course being brought here under the auspices of the Shakespeare Club will be presented Tuesday night when Clyde Wilson McCord, dramatic orator of national fame, will appear at the Carnegie Library. The local band will furnish music, playing a concert preceding the lyceum attraction.

The Shakespeare Club is working hard to build up the High School library, and the entire proceeds of the entertainments, above actual expenses, will go towards improving the school library, and if the library is not kept up and maintained in keeping with the requirements, the school will lose its affiliation.

The Shakespeare Club is bringing four attractions here, another to come later this month, two in December and one in January. The low price of \$1.50 for the four attractions has been set, and the committee is trying to place sufficient season tickets to bring the club out with a good price sufficient season tickets to a cause which should be liberally supported, and the entertainment is high class and patrons

Annual Business Men's Banquet Set for Friday

The two hundred Ballinger citizens who enjoyed last year's civic dinner given by the Young Men's Business League will be glad to hear that all arrangements for the 1922 banquet have been completed, and that an unusually interesting program and feed have been arranged for the night of Friday, November 10th.

The Central Hotel will serve the meal this year, and Mr. Moss states that he is exerting every effort to put on a dinner that will be long remembered by those who attend. Owing to the limited space only 25 tickets can be sold this year, and while the commercial organization regrets this fact sincerely, it will necessarily have to be a case of "first come first served."

The harvest idea is to be carried out in detail. New favors, new jokes, new stunts and new speakers will feature the event. In fact, there will be "an entire change of program." Novel menu cards are being furnished by the Ballinger Printing Co. G. P. Teague of the Ballinger Electric Co. will be on hand with a big

ITALIANS FIGHT OVER POLITICS

(By Associated Press)
ROME, Nov. 6.—The Fascisti and Nationalists clashed today at Taranto, in Southeastern Italy, over the question of local politics. In the fight seven were killed and a number wounded, both sides incurring losses.

Count Sforza, Italian ambassador to France, was the object of the hostile demonstration by the Fascisti when he arrived at Busoleno, in the province of Turin, on the Italian frontier. Sforza was returning to Rome for a conference with the new premier, Benito Mussolini. The Fascisti detached the carriage in which the count was riding from the train, but carabinieri rescued him.

SCORES PEDDY FOR DESERTION

Declaring that George Peddy was a traitor to his party, and that he was being supported by the enemies of the democratic party, Rev. J. Pleasant Taylor addressed a crowd which filled the first floor of the court house auditorium Saturday afternoon. The speaker was applauded time and again when he presented argument showing why every true and loyal democrat would stand by his party and support the nominee.

Rev. Taylor charged that Peddy was making the race against Mayfield on strictly a platform of prejudice, appealing to those who are opposed to the Ku Klux Klan, and charging that Mayfield violated the law in the matter of expending more money than the law allows in his campaign. The speaker referred to the enormous slush being turned loose by the Peddy campaign committee, which he said would exceed what Mayfield spent many times over.

The speaker said that while some good men had been lined up against the democratic nominee, that as a whole those who were fighting the democratic nominee were made up of the same old bunch, which he termed the "Muligan Party," saying that the whole mixture of booze fighters, Mexicans, disgruntles, etc., was seasoned with a little "coon."

Rev. Taylor took the Catholics to task, and compared the oath of the Knights of Columbus with the oath of the Ku Klux Klan. He charged that the Catholics to a man were lined up against Mayfield, and he defended the pledge of the democratic party against the pledge of the Knights of Columbus.

The speaker said that the present campaign was not a campaign against Mayfield, but was a campaign to destroy the democratic party in Texas, and as a democrat he would fight them to the last ditch.

BANKS TO HAVE FOUR MORE HOLIDAYS

The local banks have announced that there will be four holidays this year. The banks will be closed tomorrow (election day), and will observe Armistice Day, Thanksgiving and Christmas.

Customers, and all having business to transact will note the days set aside for suspension of banking business and govern themselves accordingly.

(Associated Press Dispatch)
SPANGLER, Penna., Nov. 6.—Four bodies had been brought from the Reilly coal mine this afternoon, and also four burned miners had been brought up. No report could be had from the eighty-odd other miners who were trapped by the explosion and it is believed that most of them have perished.

SPANGLER, Penna., Nov. 6.—Three bodies were found in the Reilly coal mine here after an explosion this morning, the first rescue to begin following the explosion, reported at noon today. The rescue party expressed fear that some, if not all, of the other ninety entombed men are dead.

The rescue party entered the mine under the direction of the superintendent and had proceeded to the third entry on the right of the main entry, when they came upon the first three bodies recovered. The dead miners were brought to the foot of the shaft, and the party went back for further exploration, and up to a late hour had not returned.

TO SPEND MONTH IN THE EAST

Dr. and Mrs. W. B. Halley, Misses Georgia Singletary and Mary Smith, left Monday afternoon for Washington, D. C.; Baltimore, Md.; New York, Chicago, and other cities in the East, in places of interest.

Dr. and Mrs. Halley will attend the General Grand Chapter of Eastern Star at Washington, and Dr. Halley will spend a while in New York, and the party will make many sight seeing trips, being absent from Ballinger for a month or more.

CALL SHERIFF TO QUELL TROUBLE

Sheriff Flynt was called to the Mann school house Sunday night where a difficulty between J. N. Wells and a man by the name of Poteet threatened to become serious.

The difficulty resulted from family trouble, and created considerable excitement at the Mann school house where the crowd had gathered for church services.

Mr. Wells was in Ballinger Monday afternoon. He stated that he plead guilty to an affray and paid his fine at Winters in the justice court, but learned later that a charge of carrying concealed weapons would be filed against him. He denied that he had a pistol, and said that he was in the act of using the spindle of a Ford car on the man he had the difficulty with, and witnesses, he said, probably thought the spindle was a pistol.

TURKISH EDICT OPENS WAY FOR MORE WAR

(By Associated Press)
CONSTANTINOPLE, Nov. 6.—The Turkish Nationalist government has handed a note to the allied high commission here, to the effect that warships of all nations must ask the Turkish government for authority to pass the Straits of Dardanelles. The correspondent of the Havas News Agency here received this information this morning. The note also notified the allied governments that all nations passing thru the straits must salute the new government of Turkey.

LONDON, Nov. 6.—The peace conference called for Lausanne, Switzerland, on November 13th,

has been postponed, possibly for a fortnight, it was announced today.

This action comes as the result of a new situation created in Constantinople by the demand of Rafet Pasha, head of the new Nationalist government that the allied military occupation in that city cease.

It is stated in authoritative circles that under no circumstances will the British point of view regarding the presence of allied troops in Constantinople be changed. It was said that the British intend to uphold the Mudania armistice agreement and remain in the neutral zone with their troops.

The voters will settle Peddy politics in Texas tomorrow.

After all the pessimist has some advantage over the optimist. He is never disappointed.

The legislature should pass a law fixing a limit on candidates' court costs in Texas.

The man who is thankful 365 days in the year, has more to be thankful for on Thanksgiving.

No, the democratic party in Texas is not going to be destroyed. Peddy politics notwithstanding.

The courts have wasted too much time dabbling in politics, and it is now up to the people to render the final decision Tuesday.

Every patron of the Ballinger schools should buy a season ticket to the lyceum entertainments, or else send in a donation to the school library fund.

Peddy made speeches for Ferguson in the second race. Ferguson is making speeches for Peddy in the third race. We must give Jim credit for paying his political debts.

The most disgusting factor in the campaign is the man who puts in time "cussing" both candidates, and then winds up by saying that he is not going to vote. He has not got the backbone to vote like his conscious dictates.

The annual business men's banquet will be staged at the Central Hotel next Friday night, and the committee announces that covers will be laid for 225. The tickets for this occasion should go like hot cakes. Business without a social feature is a failure, and rubbing elbows with your competitor on this occasion will give you a new grip on business life. Your lack of interest in public affairs might be measured by your absence. Be there.

APPLY SULPHUR TO HEAL UP YOUR SKIN

Broken Out Skin and Itching Eczema Healed Over Night

For unsightly skin eruptions, rash or blotches on face, neck, arms or body, you do not have to wait for relief from torture or embarrassment, declares a noted skin specialist. Apply a little Mentho-Sulphur and improvement shows next day.

Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation. The moment you apply it healing begins. Only those who have had an unsightly skin trouble can know the delight this Mentho-Sulphur brings. Even fiery itching eczema is dried right up.

Get a small jar of Rowles' Mentho-Sulphur from any good druggist and use it like cold cream.

BOX SUPPER AT HATCHEL SCHOOL

There will be a box supper at Hatchel Friday night, Nov. 10th, for the purpose of raising money with which to seat the auditorium of the new school building. There will be fun for all, and a good time guaranteed. Come and bring a box and help in the worthy cause. 6-1d-1w

A Timely Suggestion
This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is almost certain to be needed before the winter is over and results are much more prompt and satisfactory when it is kept at hand and given as soon as the first indication of a cold appears and before it has become settled in the system. There is no danger in giving it to children as it contains no opium or other harmful drug.

ASKED TO RETURN STOLEN CUSHION

C. R. Crews says that he has a pretty good idea who exchanged auto cushions with him Sunday night, but he is not going to take any action in the case until time is given for those doing the dirty work to return his cushion. Mr. Crews says that someone took the cushion—a good one, from his Ford while at church Sunday night, and left in its place an old worn out cushion. "I am going to give them a chance to return it," said Mr. Crews, "because I do not like to cause young fellows any trouble."

MISSOURI JUNIOR RED CROSSEES GIVE CHILD SUNDAY CLOTHES

The Junior Red Cross members of Harrisonville, Mo., are very proud of the fact that they have enabled a little girl to go to Sunday School once more. The child had stayed at home for lack of proper clothes and the Juniors found it out and used some surplus funds which they had earned at a bazaar to purchase her the outfit.

This little girl now is the proud owner of a pink sequined dress, a pink ribbon, a blueingham dress, hose and underwear. The gingham dress was made by one of the Juniors.

The children are enthusiastic over home work and tell the secretary that if ever she needs more help to "join whistler" and they will be right there.

TWELVE-YEAR-OLD GIRL WINS RED CROSS LIFE SAVING CERTIFICATE

Ruth Elberfeld, 12 years old, daughter of "Kid" Elberfeld, manager of the Little Rock (Ark.) Baseball Club, has just received a certificate in the Red Cross Life Saving Course, which is usually issued only to adults. Ruth took the course in a class of girls, but her work was so far ahead of her age that she finally was put in the adult class. One of the extraordinary features in the course was the bringing in of a 100-pound man through the water for a distance of 50 yards, towing him and handling him in four different ways according to the requirements of the course.

FIRST MONDAY TRADING REVIVED

Quite a bunch of livestock was offered for sale and trade on the trades day grounds here Monday. It was first Monday, which in years past was observed as trades day, and which was generally attended by the gathering of quite a crowd of traders here. During the rush of the crop making and harvesting season very little trading in livestock took place here, but now as the crop is out of the way there will be considerable exchange and sale of horses, mules, etc. It is probable that the first Monday in December will bring many people here, as there is some talk of making it Dollar Day, and the merchants will join in featuring the day with dollar bargains in various lines.

NEGROES HURT IN AUTO COLLISION

Two or three negroes were hurt, several white boys had a narrow escape and two cars were demolished in a head-on collision between the two cars on the Ballinger-San Angelo road about four miles from Ballinger Saturday night.

A Dodge car driven by Lee Jones, negro, and a Briscoe car belonging to Lang Iden smashed into each other while both cars were going at a pretty rapid clip on the pike near the Sand Pit. The impact was so great that both cars were smashed and thrown considerable distance from the spot where they crashed together.

The white boys were en route to their homes in the Northern part of the county from Rowena, and the negroes were going towards Rowena. It is alleged that the negro driving the Dodge was on the wrong side of the road, and the marks left by the crashing cars showed that the collision took place on the wrong side of the road, or the side where the white boys had pulled far over to the right in an effort to avoid the car driven by the negroes. Two negro women were hurt in the wreck, while the white boys escaped with a minor shaking up.

LADIES! SECRET TO DARKEN GRAY HAIR

Bring Back its Color and Lustre With Grandma's Sage Tea Recipe.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients a large bottle at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of muss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

"A DIVORCE OF CONVENIENCE" AT FO-TO-SHO

"A Divorce of Convenience," with Owen Moore in the starring role will be the principal photoplay attraction at the Fo-to-sho Theatre today where it will remain for two days. It is a comedy production that teems with farcical situations and scintillates with humor and wit. It has a story with both strength and character.

The plot is based upon the comical situation of a young man being compelled by circumstances to act in the capacity of co-respondent of convenience in a divorce of convenience. There are manifold difficulties connected with just such a job, especially when one has his own girl before whom he wishes to preserve all his dignity, but before the concluding scenes are reached the star manages to run about all the pitfalls that lurk in his path.

How Not to Take Cold

Some persons are subject to frequent colds, while others, seldom, if ever, have a cold. You will find that the latter take good care of themselves. They take a shower or cold sponge bath every day in a warm room, avoid over heated rooms, sleep with a window open or partly open, avoid excesses, over eating, becoming over heated and then getting the feet wet. Then, when they feel the first indication of a cold, they take Chamberlain's Cough Remedy without delay and it is soon over.

PAPER SHORTAGE

Delays on the Frisco have caused a delay in the arrival of state daily papers here for the last two or three days, and with the interest in politics at fever heat the delay has worked disappointment to the readers of daily papers. A large crowd gathered at the station Sunday and waited for the train, which was an hour late, to bring the Sunday supply of papers, and when the train arrived the hungry crowd swamped the news agent, but he had no papers, the papers failing to arrive. The news bunched on the train stated that he had out his supply before he reached Brownwood, and the local news agent suffered a loss in business by not receiving more than 300 daily papers to supply his customers.
