In Downtown Area

Revitalization Discussed

Downtown revitalization was the subject of a series of talks brought Tuesday by Paula Peters, a consultant to both the Texas Main Street program and Texas Historical Commission.

Directing her remarks to the noon meeting of the Kiwanis Club in Colorado City, Ms. Peters also spoke to the press and other news media and made a tour of the downtown area before returning to Austin.

"This is not a give-away program. There is no sugar daddy," she said in discussing the Main Street program which provides technical assistance but no money for renewing downtown areas.

The program she told about was in Hillsboro, a town of 7,000 which was on the decline but which has shown a remarkable turnaround since January, 1981 when Ms. Peters was made project director of the Main Street pilot program there.

"The town saw an eleven to one return on its investment," she said. "The only money the city spent was on my salary and office expenses."

During the one and one-half years she served as project director, she said the town saw these improvements:

–22 percent increase in sales tax revenues.

–Drop in the vacancy rate in the downtown area from 22 percent down to six percent.

–25 new jobs created in the downtown area.

–12 new businesses downtown.

"Small town population has increased ten percent in the past ten years," she said. "They

Paint Day Planned

Volunteers from the Kiwanis Club will meet at Dell Barber Kiwanis Park Saturday afternoon to help prepare the gazebo for a paint job. If you have the time and elbow grease to spare, Kiwanis President Robert Hoback asks for your help.

Fund Drive Underway

A Boy Scout fund drive is currently underway in Colorado City.

Donations may be made to any Kiwanian as it is the Kiwanis Club which has the Boy Scout program in Colorado City.

Phil Corbin, Boy Scout executive who lives in Sand Springs, was in the city Tuesday to encourage everyone to help support the Boy Scout program through donation pledge cards.

Storyhour Set Today

Today's Storyhour at the Mitchell County Library will be at the regular 10-11 a.m. time slot. Linda Stewart will be reading old and new favorites each week throughout the summer.

Mothers Game Is Set

Jack Phariss, president of the Minor and Freshman League baseball clubs wants to remind everyone of the mothers game and the all-star game Saturday. The mothers will play at 6 p.m. A cake sale will be held after that game and then the all-stars will play at 8. Phariss also expresses his thanks to everyone for their help with the Leagues this year.

All-Stars To Compete

The UGSA All-Stars Divisions I and II will be participating in a double-elimination tourney in Sweetwater this weekend. According to Sheryl Lamb, the girls will be playing sometime in the afternoon. The exact times are not known at the time of publication. Everyone is encouraged to travel to Sweetwater and support these girls.

Roundup Scheduled

The Annual Railhead Arts and Crafts Roundup sponsored by Colorado City is scheduled for October 2-3. All craftsmen and artists interested in displaying and selling their wares are invited to write now for information or advance reservations.

Deadline for booth reservations is August 31 and applications are already being taken at Roundup Headquarters, P.O. Box 236, Colorado City, Tx 79512.

One-Day Course Offered

A one-day basic Micro-Computer course, taught by Dr. Gene McClurg of Western Texas College, will be offered at the Wallace Center Saturday, July 17, from 9 a.m., to 4 p.m.

The fee for the course is $25 and pre-registration must be completed by July 16.

For more information, phone 728-2392.

Driving Course Slated

A Defensive Driving course, sponsored through Western Texas College, will be offered July 28 and 29 at the Wallace Center. The two sessions will last from 6 p.m. to 10 p.m. each night.

After completion of the course, the participant will be eligible for reduction of insurance premiums.

A fee of $25 is charged for the course, with a special Senior Citizens' fee of $10 for those 65 and older.

Phone 728-2392 for more information.

Stretch&Sew Class Set

The Stretch & Sew Class at Wallace Center, taught by Ann Nobles, will begin July 21. Each of the four Wednesday sessions will last from 2 p.m. to 4 p.m. Class members should bring a pencil and notebook and fabrics, patterns, and notions are available for sale.

The fee for the workshop is $22 and pre-registration must be completed by July 16.

Please phone the Wallace Center, 728-2392, for more information.

City Manager Reports About Storm Damage

City Manager Rick Crowley reported to the Colorado City Council Tuesday night that recent wind and hail storms had damaged city buildings to the tune of $31,413.26. The city will pay insurance deductibles of $1,845 and insurance will cover the rest, Crowley said.

The council voted to allow him to take bids on major damage repair, perhaps to a single company and to spread out work on some of the houses to local roofers.

The council heard a request from Melba Beavers, owner of Melba's Cafe, for more time to dispose of twenty hogs being kept behind the cafe. Complaints from residents in the area had caused the city to order the animals removed. She told the council that she was waiting for a son to come to Colorado City to help her move or sell the animals, but that it might take a few days.

The council gave her thirty days, contingent on agreement by City Health Officer Dr. Thomas Aguillon, to dispose of the pigs.

Mrs. Beavers also told the council that she had 200 chickens at the site, and hoped to keep them.

In other business, the council:

CISD Approves Bid For Air Conditioning

Bids for an air conditioning-heating system for the Middle School Library and cafeteria and for a truck to haul commodities and other equipment were opened at the CISD Board meeting Monday night. The lowest bid received for the air conditioning-heating system was from Armstrong Mechanical of Lubbock, which was $35,862. Foam-Tex, of Colorado City, had the low bid on the truck, a 1980 Ford for $10,000.

Three school buses were sold to Manuel Del Real, who offered a total of $3,450 for the vehicles.

The budget workshop sessions for the Colorado Independent School District were set for August 3 and 5.

Resignations accepted by the Board were those of Gayle Young, 6th grade math teacher, Andrea Mason, 5th grade migrant teacher, Martha Matthews, high school homemaking-HECE teacher, and a maternity leave of absence for Melody Stubblefield. The resignation of Laura Wiley, social studies and tennis teacher, was not accepted at this time because she had turned it in too late and no substitute could be found.

New teachers appointed were: Susan Anderson, physical education at Hutchinson Elementary; Linda Lou Froneberger, 7th and 8th grade science; Donna Pemberton, music at Hutchinson Elementary; Nancy Moore, 5th grade; Mary Louise Petty, school nurse for one year only; Margaret Latimer, homemaking-HECE at high school.

City To Celebrate 101-Year Anniversary

Chamber officials gave approval Monday night for a 101 year county-wide celebration in their regular monthly meeting. During the meeting, Jim Baum gave a report on ideas for the event.

The celebration committee, headed by Chairman Jim Baum consists of Virginia Fuller, Woody Anderson, Tony Turner, Robert Hoback, Mac Perkins and Monte Jones. They met Monday in a meeting to discuss and form ideas for the celebration.

The tentative date set for the celebration is Saturday, August 28 at Ruddick Park. Baum gave a sketch of some of the activites which could and might be held during the day. Many game ideas were presented by Baum such as horseshoe pitching, cow and hog calling contests, tobacco spitting contest, sack races and washer pitching.

MORE RAIN FELL this weekend as Mitchell County continued to get more than its share of rain. This picture of a recent storm shows Colorado City's skyline lit up by the severe lightning which has accompanied these storms. (Photo by David Feaster).

PAULA PETERS, currently a consultant with the Texas Historical Commission and formerly director of the Main Street downtown revitalization program in Hillsboro, brought challenging facts and figures about the project to a noon meeting of the Kiwanis club in Colorado City Tuesday.

Loraine Officer Resigns Post

Tommy Hedrick, Loraine police officer, presented his resignation, effective immediately, to the Loraine City Council in Tuesday night's meeting.

Hedrick said that he felt the Council was dissatisfied with his work because he had heard several rumors to that effect and wished to submit his resignation because he had never been fired from a job and wished "to keep this record clean." Members of the Council denied making any such statements but expressed the opinion that if Hedrick wanted to believe the rumors, he would be happier elsewhere. The resignation was accepted with only Tommy Green dissenting.

In a related matter, Hedrick told the Council he would pay for certain items that he had charged to the city.

W. A. Walker, Coordinator of the Nutritional Program for the elderly requested that the city continue its practice of not charging the Senior Citizens Center for water, sewer, and garbage service. Frank Conard, Jr., lawyer for the city, informed Walker that regulations did not permit any person, business, or corporation to be exempted from pay-

Budget Workshop Date Set

At the Mitchell County Commissioners meeting Monday, it was decided that the workshop for the 1983 budget would be held Tuesday, July 20, at 1 p.m. The budget from the Mitchell County Appraisal District was presented and approved.

Bids for two tractors and a typewriter were opened. The tractor bids accepted were for a 1974 Ford tractor for Precinct 4, $11,800, from Costin Implement Co., and a 1982 Ford tractor for Precinct 2, $24,800, also from Costin Implement Co. IBM presented the lowest bid for a typewriter for the MH-MR Center, $828 for an IBM Selectric III.

The vacancy in the Justice of the Peace Precinct 1 office was also discussed. There are already six applicants for the position and the Commissioners Court will continue to take applications until July 23. Interviews will be conducted on July 27 and a decision made, pending approval of the party. It was noted that Joan Merket had been taking care of the routine matters of that office and would be reimbursed for travel expenses.

Election judges appointed for both the bingo election on August 14 and the general election on November 2 are: Precinct 1, Murrell Blassingame, no alternate; Precinct 2, Doug Barber, Keith Williamson, alternate; Precinct 3, J. M. Munoz, Jr., Bitsy Humphries, alternate; Precinct 4, Mrs. Royce Beights, Opal Blair, alternate; Precinct 7, Billie Ruffin, Juanita Vest, alternate; absentee, Bob Ratliff, Bob

Past Weekend Brings County More Rainfall

Colorado City received more rainfall this past weekend, bringing the yearly total to date to 15.02 inches, compared to 15 inches recorded last year through July 31. In 1981, a total of 24 inches was recorded for the entire year.

Lake levels have stayed pretty much the same after the light rains Sunday. Lake Colorado City's level is 2068.50, short .8 of a foot from the full mark and Lake Champion is still running over with a level reading of 2084.20.

Rains recorded Saturday throughout Mitchell County are as follows:

Loraine	1.2
Westbrook	1.0
Buford	.8
Colorado City	1.1
Lake Colorado City	.9
Cuthbert	2.5
Dorn	.9
Fairview	1.12
Iatan	.7
Lake Champion	1.5
China Grove	1.4
Rogers	.9
Seven Wells	.7
Spade	.5
Looney	.8
Silver	1.3
Conaway	1.1
Longfellow	.6
Plainview	.8
Cooper's Cove	.8

Only a trace was recorded Monday in the county.

Celebration

From Page 1

Baum also suggested to the board an idea to invite county clubs to set up booths at the event selling snow-cones, popcorn, hotdogs and other refreshments. Along with this, Baum suggested roping off an area of Ruddick Park for a combined flea market-garage sale where individuals could set up their own booths to make money for themselves.

Other ideas proposed by Baum was giving away bumper stickers, having a rifle or television raffle, holding a worlds record championship softball throw contest, a square dance presentation, a possible Jay Boy Adams concert and local band concerts.

Baum also presented the board with the possibility of having hot air balloon rides that day. This Baum said, would attract a lot of people because "most people haven't ever even seen one." Baum had already gotten in touch with a balloon specialist and talked terms with him and the man agreed to come to Colorado City.

Another big event of the celebration would be the Miss Mitchell County Pageant the night before. The girls who entered would be judged on an evening gown, talent and their poise. The judging would be held Friday night so the winner could reign as Miss Mitchell County over the celebration Saturday.

Baum concluded, "It could be like Boomtown (Revue) revisited."

In other chamber business, the board heard reports from Squirrely Northcutt and Linda McCombs on the success of the rodeo. Mrs. McComb's reported that the Chamber's net profit without paying the electricity and water bill was approximately $6,300.

The board also touched on the job of hiring a new Chamber manager but went into a closed discussion on the matter.

The chamber members resolved to present Squirrely Northcutt with a $200 gift certificate for his help in the success of the rodeo. Joe Kirschbaum, board member, also moved and the board approved to give Linda McComb's, chamber secretary, an additional weeks paid vacation for her help during the rodeo.

The board also took time out to express their "thank yous" to the B&PW, to Jimmy Harrison for painting the stands and announcer's booth and to all concession, gate and all other rodeo workers.

Hobby To Visit C-City

Paul W. Hobby, son of Lt. Gov. and Mrs. Bill Hobby will visit Colorado City on Friday, July 23, on a campaign tour for his father.

Hobby, 21, said he plans to travel across the state this summer and fall campaigning for his father's re-election bid. A recent graduate of the University of Virginia, Hobby said that Texas will need the experience and leadership of Lieutenant Governor Hobby to face the unparalleled growth that is expected to continue throughout the 1980s.

"The lieutenant governor sits at the head of the budgeting process and only his strong guidance can guarantee fiscal responsibility in state government," Hobby said. "That fiscal responsibility, however, has not made Bill Hobby unresponsive to the varied needs within our state."

The younger Hobby said that education and highway reforms initiated by his father have readied Texas for the challenge of the years ahead. In addition, during his ten years in office, Lieutenant Governor Hobby has preserved and enhanced the state's capacity to attract investment that has spawned a rate of growth unparalleled in the nation, he said.

"Texas has maintained a fiscally sound state government throughout the 1970s in spite of experiencing some of the most explosive population growth in the nation," Hobby said. "The fact is that growth of state government has been kept within reasonable bounds by Bill Hobby's affirmative policy of fiscal responsibility."

With a background of experience in newspaper and broadcast media, Paul plans to explore work in other areas of communication, particularly media affairs. He will attend the University of Texas School of Law in the fall of 1983.

He was graduated from the University of Virginia in Charlottesville this spring with a Bachelor of Arts in history.

Plans were discussed for Nell Holman, 5th grade teacher at Hutchinson Elementary, to be relieved of regular classroom duties so she can devote her time to working with bilingual students and gifted and talented children. The problem of lack of space for a classroom for the gifted and talented group was brought up, but not resolved.

Jerry Reynolds, high school principal, presented the annual evaluation of the TEA Five Year Priorities Plan. He pointed out that in math, which was the priority area, Colorado City students in grades 2-5, attained or exceeded the annual objective. He also informed the board that they were now using the California Test of Basic Skills rather than the Metropolitan Achievement Test, which had proven to be very unsatisfactory.

During the discussion of the storm damage, Dr. B. B. Bridgford commented that the new bus barn had probably paid for itself by the protection it offered the buses during the June 18 hail storm.

Superintendent Charles Uselton informed the Board that he was working with Abilene Christian University to have two graduate courses offered in Colorado City for those wishing to work toward their Masters'.

Board members present were S. L. (Mac) Morris, Eddie Piland, Edward Roach, Billy B. Bridgford, Monte Jones, Joe Kirschbaum and Pat Thomas.

ing for these services.

Mayor Royce Beights also informed that he had received a check for $500 from attorney Pete McKinney on behalf of the Senior Citizens Center for a lot behind their building. The Council voted to return the check as no apparent purpose would be served by selling them the lot.

Housing authority representative Gus Armstrong stated that HUD required him to request assistance from the City Council in the repair of the Loraine housing units before they would consider stepping in. The Council told Armstrong that no financial help was available and offered to write a letter to the HUD office on the subject.

Byron Swank of Lone Star Gas presented the Council with plans to raise gas rates in Loraine, effective August 11, 1982. The proposed raise would cause the average residential customer's bill to go up about $3.75 and the average commercial bill to rise about $7.00. Also, the no consumption–no charge practice would be dropped. The Council requested to meet with a representative of Lone Star Gas and the date set for this workshop is August 10, at the next regular Loraine City Council meeting.

Texas Electric Service Company requested by letter that the Council adopt a resolution to suspend their application to revise the fuel adjustment until the actual amount they would be allowed to charge was approved by the courts. The Council approved the resolution.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective July 27, 1982, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 13.4 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

Notice to El Paso Area Customers

Effective January 1, 1982, Southwestern Bell adopted the Mountain States tariffs in effect for El Paso County. Southwestern Bell proposes to merge the separate El Paso tariffs with its tariffs applicable to the rest of Texas. The resulting new rate schedule is on file with the PUC and the El Paso area municipalities served by Southwestern Bell, and is available for inspection at our El Paso business office.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs. While Southwestern Bell has proposed no increase in long distance rates, any change in those rates would also affect customers of other telephone companies.

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 27 de julio, 1982, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 13.4 por ciento en los ingresos intraestatales de la compañía.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública. En el pasado, la Comisión ha sostenido que toda tarifa está sujeta a cambios que resulten de la manera en la cual Southwestern Bell aplique sus tarifas.

Aviso a Clientes en la Región de El Paso

Con vigencia a partir del 1o de enero de 1982, Southwestern Bell ha adoptado las tarifas de Mountain States efectivas en el condado de El Paso. Southwestern Bell propone unir las tarifas de El Paso con sus otras tarifas que se aplican al resto de Texas. El nuevo arancel que resulta de ésta union se ha archivado en la Comisión de Servicios Públicos (Public Utility Commission), al igual que en las municipalidades de la región de El Paso servidas por Southwestern Bell, y está disponible para inspección pública en nuestras oficinas de El Paso.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio tambien afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell. Aunque Southwestern Bell no ha propuesto un aumento en las tarifas para larga distancia, cualquier cambio en las mismas tambien afectaría a los clientes de otras compañías de teléfono.

Ball Wins Afghan

The afghan drawing conducted by the Mitchell County Girls' Division II Softball All-Star team grossed approximately $349 for raffle ticket sales.

Rose Ella Ball won the afghan at the drawing held Tuesday afternoon. The blue and gray afghan, donated by Mrs. Delores Gilstrap, depicts the Dallas Cowboys. The players names were also crocheted on the afghan.

The girls would like to express their thanks to Mrs. Gilstrap and for all the support of the Mitchell County people. They would also like to thank Britton's Furniture & Accessories, Safeway, Fullers, E-Z Way and The City National Bank.

Colts, Mets Play Close To Finish

Rangers Stop The Dodgers

Rangers 19, Dodgers 5
The Dodgers' looked as if they would prove a match for the Rangers as they scored three times to the Rangers' once in the first inning. The Rangers outscored and out played the Pirates in every following inning.

The Rangers had 17 singles, six doubles and eight walks, compared to three singles, one double and eight walks for the Pirates.

The Rangers pitcher, Mark Molina, struck out eight Pirates while giving up only four hits and four errors.

Indians 12, Pirates 9
The Indians went ahead of the Pirates in the second inning when the Pirates could not score.

After the top of the third inning, the score was tied 6-6. The Indians came to bat and made the score 7-6 at the end of the third. Both teams scored once in the fourth. In the fifth, the Indians kept the Pirates scoreless while bringing in three runs themselves. The last inning showed the Pirates trying to pull ahead by scoring twice and the Indians pulled out another point.

Blue Sox 23, Lions 11
Spencer Taylor was the hero for the Blue Sox. He batted five times, three of those for home runs, one for a single on which he scored later, and one for a strike out. Espinoza was right behind with two home runs, a single, a walk and a strike out.

The rest of the Blue Sox's runs came on continuous walks given up by the Lions' pitcher.

Colts 16, Mets 15
The Colts ended the season in style with an impressive win over the Mets in a game which might have been anyone's.

The Colts, outscored in the first inning, tied things up 7-7 in the second inning. The Colts then went ahead by one in the third. The fourth inning gave the Mets a 9-8 advantage. At the end of the fifth inning, the score was dead locked 13-13. At last bat, the Colts scored three points the Mets were up and could only score twice to lose a close one 16-15.

Loraine Board Votes To Close School Grounds

Loraine school board members voted unanamiously Monday night to close the campus to students during school hours for the upcoming year. Superintendent Glenn Sanders made the recommendation to board members and cited several incidents that happened last year as reasons the campus should be closed.

"We had a few minor accidents, problems with speeding and reckless driving in front of the school last year and I feel we should close the campus before something serious happens," Sanders said. He went on to say that when students arrive at school each morning in their car, they will not be permitted to leave the campus and drive around town.

Students that must leave the campus will still be permitted to do so as long as it pertains to school policy, Sanders added.

In other action, board members voted in favor of hiring an attorney to help collect delinquent school taxes. The delinquent tax roll for 1981 totaled $22,363.42.

Board members also voted to set August 9th as the date for a budget hearing on the 1982-83 school budget. The meeting will begin at 7 p.m.

In other action:

–A contract was awarded to Bud Hill of Loraine for the construction of a skeleton metal building with a concrete slab at a bid price of $5,096.00. The building will be the concession stand and restrooms at Johnson Field.

–Members approved the purchasing of new classroom furniture at a cost of $2,896. The purchase will include: 45 desks, 35 chairs, and four teachers desks and chairs.

–Royce Beights was appointed as a delegate to TASB-TASA Convention in San Antonio, October 2-4.

Ronald Bruce was appointed as alternate.

–Members agreed to put new asphalt roofs on the four houses owned by the school. Supt. Glenn Sanders will be responsible for hiring roofers at the most reasonable cost.

–Resignations were accepted from Ted Wiley, head football coach, and Mrs. Margaret Latimer, Home Economics teacher.

–Terry Ellison of Dimmitt, Texas was interviewed and offered a contract for the principal's job. Ellison's decision to accept or decline should be known sometime later this week.

–Former assistant coach Jimmy Fine was elevated to head football coach. Debbie Wiechman of Rantoul, Illinois was hired as band director. See relative stories in today's RECORD.

HAIL Damage -- Recent hail storms riddled the vinyl siding on many homes in this area as well as damaging other types of home exterior products. Home owners looking for a more substantial and durable replacement material should look into today's quality vinyl-clad steel siding and trim covers. Today's steel siding carries a 40-year limited warranty with the first three years of both LABOR and MATERIAL covered **100%**. If you desire more information write: Energy Products Div., P.O. Box 755, Lubbock, TX 79408 or you may phone 806-747-4436.

Police Report

8:43 a.m., July 12

A woman reported to the police department that her house had possibly been broken into– the back door was open. Chief Ed Wheat investigated, there were no signs of a break-in.

8:49 a.m., July 12

Chief Ed Wheat advised of a stop sign down at 3rd and Chestnut Streets.

4:05 p.m., July 12

A woman advised there "was a skunk in her garage." Her dog was barking at it and she was afraid he'd get sprayed.

8:03 p.m., July 12

A woman advised that some juveniles had turned a stop sign around at the corner of 15th and Hickory. City Barn was advised the next morning.

7:02 p.m., July 12

A woman advised that her daughter was missing. The woman described her to the dispatcher. All units were notified and the child was located.

10:31 p.m., July 12

A woman complained of a loud noise (playing music) at the residence of 1944 Locust. An officer talked to the subjects and the noise was put under control.

Elma Torrez Receives Scholarship

Elma Torrez of Colorado City, has been awarded a $200 West Texas State University Student Foundation Honor Scholarship for the 1982-83 academic year.

Torrez, of 1404 Cypress, is a graduate of Western Texas College in Snyder.

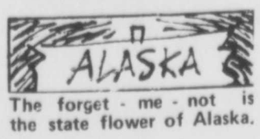

The scholarships are made available through funds collected during the annual October phone campaign hosted by members of the WTSU Student Foundation. The WTSU Student Foundation provided an endowment of more than $2,000 and a fund of more than $6,000 to provide the scholarships.

Scholarships are awarded to graduates of accredited two-year community or junior colleges with Associate of Arts or Associate of Science degrees who plan to enter WTSU. They also must be members of Phi Theta Kappa, a national honorary scholastic fraternity for community and junior college students.

This is the second year for the WTSU Student Foundation Honor Scholarship to be awarded.

Recipients who maintain a 3.0 or better grade point average on a 4.0 scale are eligible to renew the scholarships during their second year at WTSU.

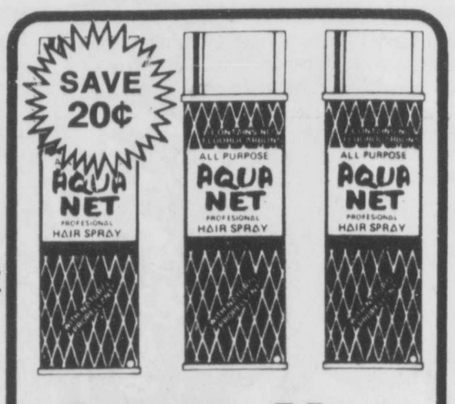

Students may apply through the WTSU Development Office, P.O. Box 909, WT Station, Canyon, Texas, 79016.

Public Library Offers Free Films Saturday

Mitchell County Public Library will be showing the following films beginning at 2 p.m., Saturday.

"The Ransom of Red Chief" is a 27 minute color sound film. It is about Sam and Bill, a couple of inept con men, who figure that kidnapping the banker's son and holding him for ransom will be easy money. But far from being intimidated by his captors, Johnny proceeds to make life a nightmare for his kidnappers. Based on the famous O. Henry short story, the film captures the atmosphere of the 1920's in its setting and musical score.

"Adventures Of A Baby Fox: A Story In Rhyme," is a 13 minute black and white sound film. It follows, with rhymed commentary, the antics of a small fox in his natural forest surroundings, showing his contacts with the insect, plant, bird, and animal inhabitants, of wood and lakeside. Designed to serve as a basis for creative writing and discussion.

"Runt Of The Litter," is a 12 minute color sound film. The film is about a little girl named Fern, who loved a little pig named Wilbur. Saved from her father's ax, Wilbur became Fern's pet, cuddled and coddled and played with until he was sold to Farmer Zimmerman. In his new surroundings Wilbur moped, feeling unloved and alone. But he was cheered when, at the height of his despair, a beautiful gray spider introduced herself as Charlotte and offered to be his friend. Based on E. B. White's "Charlotte's Web."

Letter To The Editor

Letter To The Editor:
To the Disaster Team,
Tough Luck

Farmers were called the backbone of the nation,
We are people who love our occupation
Now some are in a peculiar situation
Which is being controlled by Washington politicians.
They came and looked at the crops
Made some airplane whistle stops
They gave us assurance
That if we had insurance
We would be alright
Now we are in a tight
It's gonna be an uphill fight
To keep most of us afloat
Because of our outstanding notes.
We were ruined by the hail and wind
The crops won't make much if we plant again
Today is July 7 and it rained an inch and three tenths
And water is standing fence to fence.
We farm the land our fathers and grandfathers did
And we're hoping to leave it to our kids
But with water standing all around
With not a dry spot to be found
We'll probably have a failure this year
That makes my eyes fill with tears.
So it is my belief
That we need some disaster relief
It may not be the politically popular thing to do
But it would help me
And in the long run, you.

Latimer Returns To CISD To Teach

Loraine students will miss a long-time teacher and friend after 13 years in their school system, as Mrs. Margaret T. Latimer has accepted a position with the CISD system.

Margaret Latimer

Mrs. Latimer announced her resignation as homemaking teacher at the LISD board meeting Monday night to accept a position as HECE (Home Economics Cooperative Education) supervisor at CHS, replacing Martha Matthews.

Mrs. Latimer said, "It is very emotional and also tramatic, because I really love those people," referring to the Loraine teachers and students. "They have been so kind and so generous and genuine with me, but it's also a thrill to come back to Colorado City where I first started my teaching career," she said.

She first began teaching at CMS as the homemaking teacher in 1941 after she graduated from Texas Women's University. Mrs. Latimer said she and her husband, Curtis E. moved away but returned shortly after the war in 1945. At that time, she resumed her duties at CHS.

She again resigned her position at the birth of her third son in 1960 and did not resume her career until 1969, when she accepted a job with LISD as homemaking teacher.

Mrs. Latimer said the reason for her decision to return to Colorado City to teach, for one, was to be closer to home and also to work in the HECE program. "I love home economics and it is very important to me. I will be putting young people to work and it will be on the job training. I will be their supervisor in this program after the classroom instruction is completed," Mrs. Latimer said.

"Both the federal and state programs are emphasizing the employment and job training programs and I am enthusiastic about working with these young people," she added.

"I would like to claim some amount of credit for some highly successful personal stories of many of my students I have taught at LHS and it gives me great satisfaction, because this is what teachers strive for. I feel very fortunate to have been a help to my students," she said.

She and her husband have been in the farming and ranching business since they returned to Colorado City and are members of the First Christian Church. They have three sons, Dan, Don and John.

Both she and her family have been very active in civic life in Colorado City, being involved in the church, scouting and many other activities.

Corps Takes Honors

The Colorado High School 1982-83 Flag Corps line recently attended a camp offered by Howard Payne University July 6-9. The camp, held under the superivision of George Strickland, was instructed by Ruth Ann of Indiana. Doyle G. Combs served as camp coordinator.

The line includes the following girls: Kristy Frizzell, captain; Janice Glasscock, lieutenant; Becky Albin, Sonja Mercer, Rachael Heredia, Jody Mann, Melissa Raschke and Rhonda Clary.

The girls were taught techniques and drills through the four days of the camp and then on the last night competed with 12 other groups from across Texas for the Honor trophy by presenting their own routine.

The girls came away from the contest with two superior and two excellent ratings. For the fourth year in a row, the girls walked away with Honor-Corps trophy. The highlight of the camp was the girls winning the prized outstanding flag corps line trophy.

Mrs. Kitten Arthur, their sponsor, commented, "I'm just thrilled the girls walked away with everything again this year. I'm very proud to be their sponsor."

This same flag corps will be the one seen marching performing with the Wolf Band at halftime when Wolf football season rolls around.

Wiechman Will Lead LHS Band

Loraine schools will have a new band director for the 1982-83 school year. At the regularly scheduled meeting of the Loraine School Board, Debbie Wiechman of Rantoul, Illinois, was hired to fill the vacancy left by Kerman Bond.

Wiechman will assume her duties August 1.

Miss Wiechman received a Bahcelor of Science degree from the University of Illinois. Her major was music with a minor in mathematics.

Wiechman is active in several music-related organizations, including Mu Phi Epsilon, Association for the Development of Computer Instrument Systems, International Trumpet Guild, and American Choral Directors Association.

Miss Wiechman's duties will include drilling the band for Friday night half-time performances. When contacted by phone, Miss Wiechman said, "I also hope to enter some parade marching contests around the end of October."

Local Cowboys To Compete

Seven cowboys from the Spade Ranch will tussle with ranch hands from twelve of Texas' largest spreads for braggin' rights as "the best ranch in Texas" during the second Texas Ranch Roundup.

It is set for August 19-21 in Wichita Falls.

"We're going to win it this year," said Bobby Northcutt. Others on the team are David Northcutt, Bubba Swann, Roy Wilson, Tooter Jameson, Rudy Gabaldon and Ronnie Clark.

The Spade cowboys were second last year behind Clarendon's Lewis Ranches. Other participating ranches include the R. A. Brown Ranch, Cowan & Son Circle Bar Ranch, Pitchfork Land & Cattle Company, Scharbauer Cattle Co., Swenson Ranches, Tongue River Ranch, U Lazy S Ranch, UU Hereford Ranch and W. T. Waggoner Estate. Also, Tom Moorehouse of the Moorehouse Ranch is expected to try to hold his Best All-Round Hand title for a second year.

In combination, these ranches sprawl over nearly two million acres of cattle country, nearly triple the area of Rhode Island.

Texas grit and gumption will be the mainstay of the rodeo-style competition which spotlights working ranch skills in such events as wild cow milking and team branding.

North Texas Rehabilitation Center at Wichita Falls is co-sponsoring the event with Budweiser.

However, the "best ranch in Texas" battle isn't fought in the rodeo arena alone. A ranch queen contest, a talent contest, and this year, a ranch cookoff, all mean additional points for ranches winning these events and additional colorful Texana for spectators.

In addition, the best hitch in the horse world, the Anheuser-Busch Clydesdales, will make special appearances during the grand entry preceding each evening's roundup performance.

Dances both evenings cap off the Texas Ranch Roundup.

Festivities begin Thursday, August 19, with an invitation-only auction of work by more than 20 outstanding western artists.

The roundup opens Friday evening, August 20, with the first rodeo performance at 7:30 p.m. Teams of cowboys from each ranch will compete in team roping, saddle bronc riding, team penning, team branding and wild cow milking. A wild horse race will be a bonus event. The dance at 9 p.m. features Mountain Smoke.

COWBOY TEAM strategy is being discussed here by, from left, David Northcutt, Bobby Northcutt, Roy Wilson and Tooter Jameson, as they prepare to win the bronc riding event in this year's Texas Ranch Roundup to be held at Wichita Falls in August.

NOTICE OF CALCULATION OF EFFECTIVE TAX RATE AND PUBLICATION OF ESTIMATED UNENCUMBERED FUND BALANCES

I, Alvah Ruth Hollis, Tax Collector for the Westbrook Independent School District in accordance with the provisions of Sec. 26.04 of the Property Tax Code, have calculated the tax rate which may not be exceeded by more than three percent by the governing body of the Westbrook Independent School District without holding a public hearing as required by the code. That rate is as follows: $.2926 per $100 of value.
The estimated unencumbered balances for Maintenance & Operating Fund $10,000.
The estimated unencumbered balances for Interest & Sinking Fund $70,000.

Construction Begins At Westbrook

Things are buzzing around the Westbrook Independent School District grounds with plans for two tennis courts and a new ag building soon to become a reality.

Tilley and George of Big Spring have contracted the job for a total cost of $205,000 to the school for the construction of the courts and new building.

Construction began Tuesday on the 150 day contracted project. They are shooting for completion in the first week of January, 1983.

The two new tennis courts will be located north of the old ag building, that will be used for storage purposes after the new building is completed.

The new ag building will be located west of the school.

L. M. Dawson, superintendent, said they were excited about the projects, because their last building project was in 1975, when they built the auditorium.

Let's talk.

Information about your changing telephone service from Jim West, Community Relations Manager.

Industry changes will affect us all

This is a time of significant change for Southwestern Bell and for the entire telecommunications industry. Decisions are being made as to how we are organized; in how we price and market our services; and in the policies that govern our industry.

These changes will touch everyone--customers, shareowners and our employees. They involve new concepts in home and business communications, and new ways of obtaining and using telecommunications products and services.

Keeping Pace with Change and Its Impact on You

As the company restructures itself and adapts to these changes, you will want to know their impact on you and your telephone service. That's part of my job: keeping you informed about our plans. My duties also include recommending areas for service improvements, monitoring service problems and serving as the company's representative to the community.

Naturally, you'll continue to call the Business Office with questions about your bill or our Repair Bureau to get your telephone line fixed. But I'll try to keep you posted about changes that might affect your service.

While I've had the opportunity to visit with some of you about these telephone issues, it's impossible for me to speak personally to everyone. That's why I will be using this column to communicate with you. My address is listed at the end of the column. Please feel free to drop me a note anytime. I'll be glad to hear from you.

I can't guarantee that I will have all the answers or instant solutions. But, I can promise that I will listen and help you in whatever way I can.

Most importantly, I will keep you posted on changes--local and national--that affect your telephone service.

Company Files Application for Increase in Rates

Unless you've been out of the state the past few weeks, I'm sure you know by now we've filed with the Texas Public Utility Commission an application to increase rates. We are well aware this is not the way to win a popularity contest. It's unfortunate, but it's necessary.

The $471.5 million we are seeking is more money than I can imagine, but so is the $1.5 billion we've budgeted this year to expand and improve service in Texas. Incidentally, this is the fifth straight year we have committed more than $1 billion in the state.

Almost a third of the total we've asked for is the result of rules the Federal Communications Commission recently adopted, requiring faster recovery of expenses for depreciation and other capital costs. The FCC's action was taken because competitive and technological developments have resulted in shorter service life for telephone equipment. It's a simple, but costly, fact.

Remember, if you have something to talk about, don't hesitate to drop me a line. Here's my address:

Jimmy Fine Receives Head Coach Position

Jimmy Fine, assistant coach at Loraine for the past two years, will be the new head football coach for the coming year.

Fine was also girls basketball coach and will continue in that position.

Decision to give the head football job to Fine was made by Loraine school board in a regular monthly meeting Monday night. Members of the board include Ronald Bruce, president; Dean Oliver, vice president; Stanley Moore, secretary; Royce Beights, Danny Butler, James Clifton and Eugene Smith.

Ted Wiley submitted his resignation to the board as head football and boys basketball coach.

Fine, a native of Winters, attended the University of Arlington and then taught for three years at Aubrey prior to moving to Loraine.

He and his wife, Joyce, a registered nurse, have two children, a boy and a girl.

In addition to his coaching duties, Fine also teaches social studies at Loraine High School.

Loraine Superintendent Glenn Sanders said that the school district now needs to hire an assistant football coach who could also coach the boys basketball sport and teach social studies.

Mrs. Porter Hosts Ruth Class Meeting

Mrs. Frances Porter was hostess for the July meeting of the Ruth Sunday School Class of First Baptist Church in Loraine. The meeting was held at 2:30 p.m., Thursday.

Presiding was Mrs. Clara Butler, president, who also gave the opening prayer.

Mrs. Pauline Smiley read II Corinthians 5 in bringing the devotional.

Mrs. Ethel Mearse read the minutes of the last meeting and Mrs. Vada Preston and Mrs. Teance Hays gave the group leaders reports. The class voted to give $10 to the Edward Beaty fund; their home was badly damaged from fire caused by lightning.

Mrs. Butler directed a quiz game and the hostess served pound cake, ice cream and punch.

The Happy Birthday song was sung to those having June birthdays. The meeting was closed with the group singing "Blest Be The Tie That Binds."

Present were Mmes. Butler, Charlie Harris, Harvey Leach, Preston, Hays, Mearse, Smiley, Ida Baird and the hostess.

Richardsons' Anniversary Party Held

A group had a surprise get-to-gether honoring Mr. and Mrs. Moody Richardson on their 57th wedding anniversary Sunday, July 11th. They served homemade ice cream and cookies.

Those from out-of-town were Lowell Richardson of Lubbock, Mr. and Mrs. Joe Glass of Stanton, Mr. and Mrs. Ed Wilman of Monahans, Mr. and Mrs. Buddy Blair of Colorado City and those from Loraine were Ruth Blair, Lola Jeans, Pearl Preston, Mr. and Mrs. Lanny Blair, Christi and Amber and Mr. and Mrs. Dual Blair.

Hayes Hosted Meeting

The Baumann Club met Tuesday, July 6th in the home of Mrs. Teance Hayes and quilted a quilt of which different club members pieced the blocks.

Mrs. Harvey Leach and Bernice Hallmark set it together and Mrs. Butler made the lining. Mrs. Lynn Compton and Mrs. Butler put it in the frame.

All the club members that could quilt, quilted and the rest served lunch.

Each member brought a covered dish. The quilt was finished up on time.

Adell Thompson carried it home and hemmed it. The quilt will be put in the fair in the fall.

Class Honors Lee

The Ready Sunday School Class met in the fellowship hall for a salad supper and a farewell party for Mildred Lee Monday night July 12th. Alta Miles led the prayer.

A poem titled "Love" was read by Estelle Lee and she also presented her a gift from the class. Allie Ruth Wiggens also read a poem, "Golden Chain."

The closing prayer was led by Mrs. Wiggins.

The business meeting consisted of Mrs. Virgil Parnell reading the minutes and Mrs. Kenneth Butler giving the finance report.

Those attending were Iva Armstrong, Allie Ruth Wiggins, Alta Miles, Christene Mearse, Ruby Lee Small, Billie Shnoeder, Wanace Butler, Bertha Faye Snyder, Geraldine Parnell, Mildred Little, Margaret Brame, Rosie Hamrick and Mable Graham. Guests were Inez Thomas, Pat, Christie and Scott McNary.

Your electricity is costing more in 1982 mainly because the fuel to make it is costing more.

This year, we're paying more for fuels we use to make your electricity. This is partly because another low-cost natural gas contract has expired. But mainly it's because the price of *all* fuels keeps rising.

We don't make a profit on fuel; we charge our customers *exactly* what we have to pay for fuel. And we show the amount for "fuel" on your bill each month. The chart below shows an approximate increase in your bill this year compared to last year as a result of increasing fuel costs.

If you use (Kilowatt Hours Per Month)	Then your bill will increase about
500 KWH	$ 5.00
750 KWH	$ 7.50
1000 KWH	$10.00
1250 KWH	$12.50

At Texas Electric, we're trying to hold down fuel costs by using lignite coal — a cheaper fuel. And we're building a plant to use uranium, the lowest priced fuel available to us.

You can help hold down your bill by conserving at home. To learn how, please call us.

Angeline Autry & Howard Stovall

Couple To Wed

Mr. and Mrs. J. B. Autry have announced the engagement and approaching marriage of their daughter, Angeline, to Howard Stovall. He is the son of Mr. and Mrs. Bruce Stovall of Cisco.

The couple will exchange wedding vows in a garden ceremony at 11 a.m., July 31 at the home of Mr. and Mrs. Gerald Winnett of Cisco.

The bride-elect is a 1977 graduate of Ira High School and is an accounting major at Tarleton State University.

The future groom is a 1976 graduate of Meadow High School and a 1982 graduate of Howard Payne University. He holds a degree in general business and is self employed.

The couple will reside in Cross Plains. They extend an invitation to family and friends to attend the ceremony.

Stenholm Comments On Beirut Situation

When contacted by phone about the possibility of American troops being sent to Beirut, Congressman Charles Stenholm said, "Under current circumstances, that is not a good act," adding that he hoped "the president would reconsider his actions."

The Associated Press broke the news Tuesday that "Israel radio said President Reagan agreed to send 1,600 Marines" to Beirut to evacuate PLO troops there. Although the president said he "agreed in principle" to sending military aid, no definite official actions have been taken.

Stenholm commented that his knowledge of the circumstances was sketchy because he was on the road, but it was his understanding that the fact that three U.S. Navy amphibious ships set sail from Taranto, Italy Monday was not really significant.

Janitor Appointed

Westbrook Independent School Board of trustees met for a brief board meeting Monday with only a couple of items confronting them.

The board paid the bills and agreed to let the school janitor tear down the old building on the grounds.

According to Superintendent L. M. Dawson, their next meeting will be August 9.

Defendants, Greeting:
You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 2nd day of August 1982, at or before ten o'clock A.M. before the Honorable District Court of Mitchell County, Texas, at the Court House of said County in Colorado City, Texas.
Said Plaintiff's Petition was filed in said court, on the 18th day of June A.D. 1982, in this cause, numbered 10,276 on the docket of said court, and styled, Loraine Sr. Citizens, Inc., Plaintiff, vs. W. T. White, et al Defendants.
The names of the parties to the cause are as follows:
Loraine Sr. Citizens, Inc. is Plaintiff and W. T. White, J. W. Fairbairn, J. T. Ledbetter, and O. I. Griffin, if they be living, and if dead, the living representatives of said named Defendants; and the unknown heirs of the unknown heirs of each of said named Defendants are Defendants.
A brief statement of the nature of this suit is as follows, to wit:
A trespass to try title suit in which Plaintiff, for cause of action would respectfully show the court the following, to-wit: That on or about the 27th of May, 1982, it was lawfully seized and possessed of the following described land and premises situated in Mitchell County, Texas, holding and claiming the same in fee simple, to-wit: Lot 22, Block Four (4), White's Business Addition to the City of Loraine, Mitchell County, Texas; that Defendants unlawfully entered upon said premises and ejected Plaintiff therefrom and unlawfully withheld from it the possession thereof to its damage. Plaintiff prays for judgement for title and for possession of said land and other and further relief to which it is entitled, as is more fully shown by Plaintiff's Petition on file in this suit.
If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.
Issued and given under my hand and the Seal of said Court, at office in Colorado City, Texas, this the 18th day of June A.D. 1982.
Attest:
B. H. Erwin Clerk, District Court, Mitchell County, Texas

THE STATE OF TEXAS
To: W. T. White, J. W. Fairbairn, J. T. Ledbetter, and O. I. Griffin, if they be living, and if dead, the living representatives of said named Defendants; and the unknown heirs of the unknown heirs of each of said named Defendants;
Defendants, Greeting:
You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 2nd day of August 1982, at or before ten o'clock A.M. before the Honorable District Court of Mitchell County, Texas, at the Court House of said County in Colorado City, Texas.
Said Plaintiff's Petition was filed in said court, on the 18th day of June A.D., 1982, in this cause, numbered 10,278 on the docket of said court, and styled, Loraine Sr. Citizens, Inc., Plaintiff, vs. W. T. White, et al Defendant.
The names of the parties to the cause are as follows: Loraine Sr. Citizens, Inc. is Plaintiff and W. T. White, J. W. Fairbairn, J. T. Ledbetter, and O. I. Griffin, if they be living, and if dead, the living representatives of said named Defendants; and the unknown heirs of the unknown heirs of each of said named Defendants are Defendants.
A brief statement of the nature of this suit is as follows, to wit:
A trespass to try title suit in which Plaintiff, for cause of action would respectfully show the Court the following, to-wit: That on or about the 5th day of May, 1982, it was lawfully seized and possessed of the following described land and premises situated in Mitchell County, Texas, holding and claiming the same in fee simple, to-wit: The South eighteen feet (18') of Lot Two (2) and all of Lot Fifteen (15), Block Six (6), White's Business Addition to the City of Loraine, Mitchell County, Texas; that Defendants unlawfully entered upon said premises and ejected Plaintiff therefrom and unlawfully withheld from it the possession thereof to its damage. Plaintiff prays for judgment for title and for possession of said land and other and further relief to which it is entitled as is more fully shown by Plaintiff's Petition on file in this suit.
If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.
Issued and given under my hand and the Seal of said Court, at office in Colorado City, Texas, this the 18th day of June A.D. 1982.

come because of quality of life but sometimes all that the new people are seeing in the downtowns is just a faded image of a forgotten past."

The Taylor native was part-owner of the historic Nutt House in Granbury and has earned the Masters degree in historic preservation from Columbia University.

Gene Rowe introduced Ms. Peters to the Kiwanis group, saying that she had flown to Abilene from Austin Tuesday morning and then rented a car for the drive to Colorado City in time for the luncheon meeting. A film produced by National Trust for Historic Preservation preceeded her remarks.

Galesburg, Illinois was in the throes of a small town crisis when a new suburban shopping mall stole customers away from the downtown area. Rather than turn up its toes and expire quietly, the merchants and other businessmen banded together to organize a Main Street committee and turn the tide away from stagnation toward revitalization.

Many consultants were instrumental in the successful effort, including people versed in organization, promotion, advertising and design.

"People are available to you for technical help, but money is not handed out anymore," she said.

Steps toward such a program locally would be committment of support, "not so much with money as through activities and active backing," she said, adding that then a committee to head the effort would be organized and an application filled out through the city, seeking one of the five slots in the Main Street Program for this year.

There were five cities in the pilot project, five selected from 12 applicants for the next year's list and there will be about 25 cities seeking one of the five slots which will be selected this September.

Some of the studies involved, with advisors to help with them, would be a marketing survey seeking to find out: what do people want to buy in Colorado City and why don't they buy those items here? Also, how can we hold the dollars here? Another survey would identify the local work force.

Although the meeting went past its usual hour duration, some of the local businessmen stayed to talk over the ideas presented by Ms. Peters and discuss the possibility of starting a similiar project here.
