SAVE NEW YORK?

New York City is like the spendthrift who spent all the money he had and all he could borrow. Now he comes to you and begs for more money.

Would you give it to him?

Of course not. Especially not while he still plans on spending more than his income.

If Uncle Sugar were to bail out New York at a cost of six billion dollars, that would average out about twenty-five dollars for every man, woman and child in the U.S., or a hundred dollars for every family of four.

It would give other cities the go ahead to spend and go broke too.

Those who think we ought to help New York should send their checks to the Treasurer of N.Y.C., N.Y., N.Y. But don't take federal money supplied by you and me to prop up the spend-thrift.

Another point to consider is that when a debtor goes bankrupt it isn't the debtor that gets hurt so much as it is his creditors. They can't collect what is due them, so they are the ones that suffer.

If New York City goes bankrupt it's the creditors who will get hurt.

If you invested in N.Y.C. bonds I feel sorry for you. But many people make bad investments.

If we bail out the people who invested in N.Y.C. bonds, why not bail out everyone else who made bad investments?

If New York City is to survive, let it put its financial house in order.

Let it cut its expenses down below its income.

Let it clamp down on the welfare cheaters.

And let it revitalize its business activity.

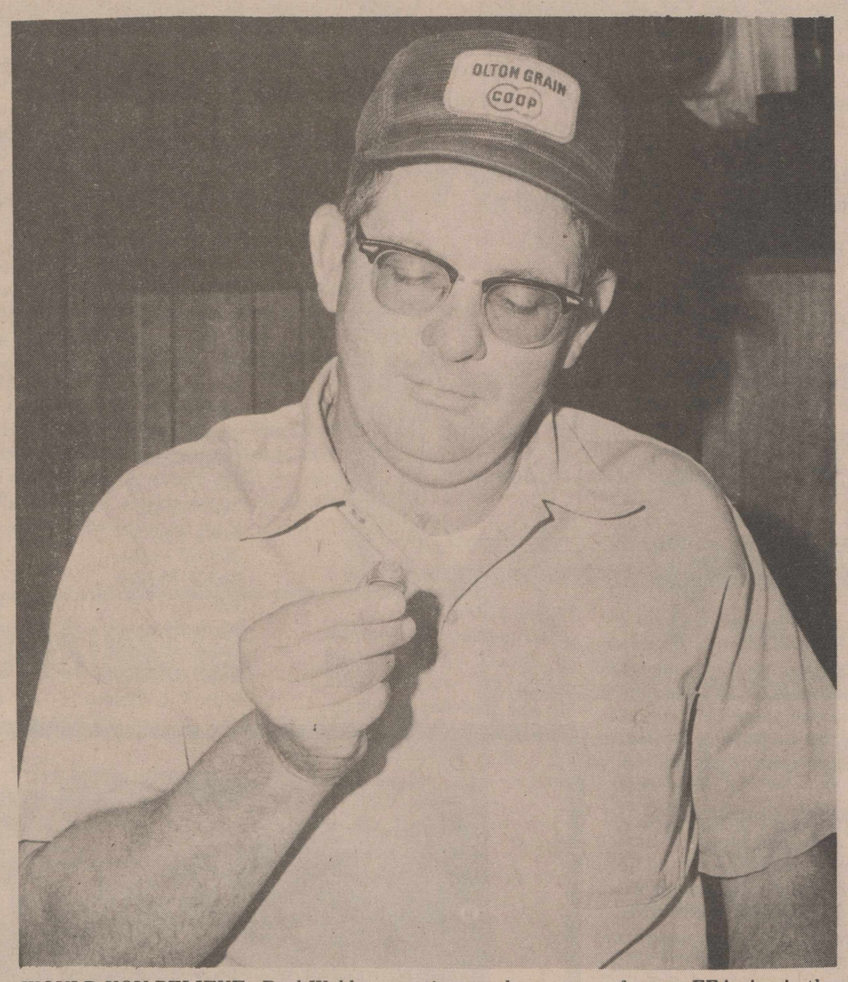

One good place to start is to rescind its rent control laws. They have caused the abandonment of thousands of rental units because the owners couldn't get enough rent to pay taxes and repairs.

Rescinding rent control would create thousands of jobs overnight just repairing and rehabilitating properties that have been abandoned or are about to be abandoned.

More jobs would mean more income. More income would mean more money spent and more taxes collected.

New York has proven socialism doesn't work. Now it can either go under or it can give free enterprise a try.

Either way it will be an example, bad or good, for other cities and the nation.

WOULD YOU BELIEVE - Paul Walden was the proud possessor of a new FFA ring in the year 1945. He had worn the ring only one week when he attended the local movie house and during the flicker lost his ring. This week (thirty years later) he went back to the theatre which is being torn down . . . and he found that ring. (staff photo)

To Olton Community

Historic Gift Offered

Citizens of Olton community have been offered an historic gift.

Arlas Cavett of Andrews and his mother, Mrs. Marshall Cavitt, have recently realized that a small building located on the Cavitt farm, north of Circle Community, is in reality Olton's first school building, sometimes referred to as 'Burro College.'

Cavitt has offered to give the building to Olton's Historical Society if they care to reclaim it.

At a called meeting of Lamb County Historical Committee held Thursday in Community Room of Olton State Bank, V.M. Peterman, chairman, registered an interest in assisting local residents in a reclamation project. He has some funds available to the Lamb County Society until Jan. 1, 1976, and would be glad to work with the local committee in preserving all objects of historical interest.

Originally built as a two room structure the building served as Olton's first educational center. Bill Dickenson, who remembrs the building in its earlier form, states that it is a frame building possibly 12 by 24 feet in size. H.A. Cavitt, brother of the late Marshall Cavitt, is quoted as identifying the structure since he helped move it from its second location on Runningwater Draw north of the city (where it was known as "Struve School") to its present site.

Eldon Franks, chairman of the local historical committee would be interested in determining who in the community would be interested in helping move the building in to some position in the city to restore it as an historical building.

The proffered gift is not only the first school built in Olton . . . . it is the first school in Lamb County. If no action is taken at this time the building will probably be destroyed.

Franks will welcome, cards, letters, phone calls or suggestions indicating what Olton residents feel about the project.

Mrs. Dixie Estes Services Held Friday In Baptist Church

Funeral services were held Friday, Nov. 7, in First Baptist Church for Mrs. Dixie Aileen Estes, 67, longtime resident of the Olton area.

Officiants for the service were the Rev. John Lewis, pastor, and the Rev. Fred Blake of Levelland. Interment was in Olton Cemetery under direction of Parsons Funeral Home.

Mrs. Estes died in her home Thursday morning following a lengthy illness.

Born Sep. 3, 1908 in Potts Camp, Miss., she was married to G.V. Estes in Olton, Dec. 13, 1926. Except for a short absence they have lived in the vicinity since that date. She was a member of First Baptist Church.

Survivors include her husband; one daughter, Mrs. John Brenneis of Amarillo; three sisters, Mrs. Rixie Mae McGowan of Long Beach, Calif., Mrs. Daisy Renfro of Hemet, Calif., and Mrs. Iona Franklin of Wheeler; one brother, F.W. Stone of Henrietta.

Pallbearers were DeWayne Wilks, W.G. Green, Don Franks, Vernon Nixon, J.L. Snider and Denny Barnett.

McClure Still In Lead; Wins In Weekly Contest

Carl McClure held on to the season lead in the Enterprise grid guessing game this week as well as picking up third place money for the weekly contest.

Missing only two games, McClure was nine points off on the tie-breaker. First and second place winners this week missed only one game, the Hereford-Lubbock game. W.E. Thomas edged out Alice Slater however on the tie-breaker, missing by 13 points which Mrs. Slater's guess was 27 points off.

Thomas will receive the check for $5, Mrs. Slater, $3 and McClure, $2.

Several others missed only two games, but the tie-breaker guess put them out of the running. Those missing two included Ricky Smith, off 13 points on the tie-breaker; Bill Johnston, also 13 points off; Jolene Chitwood, 16; Vance Stroebel, 17; Jim Curtsinger, 17; and Cecil Oursbourn, 19.

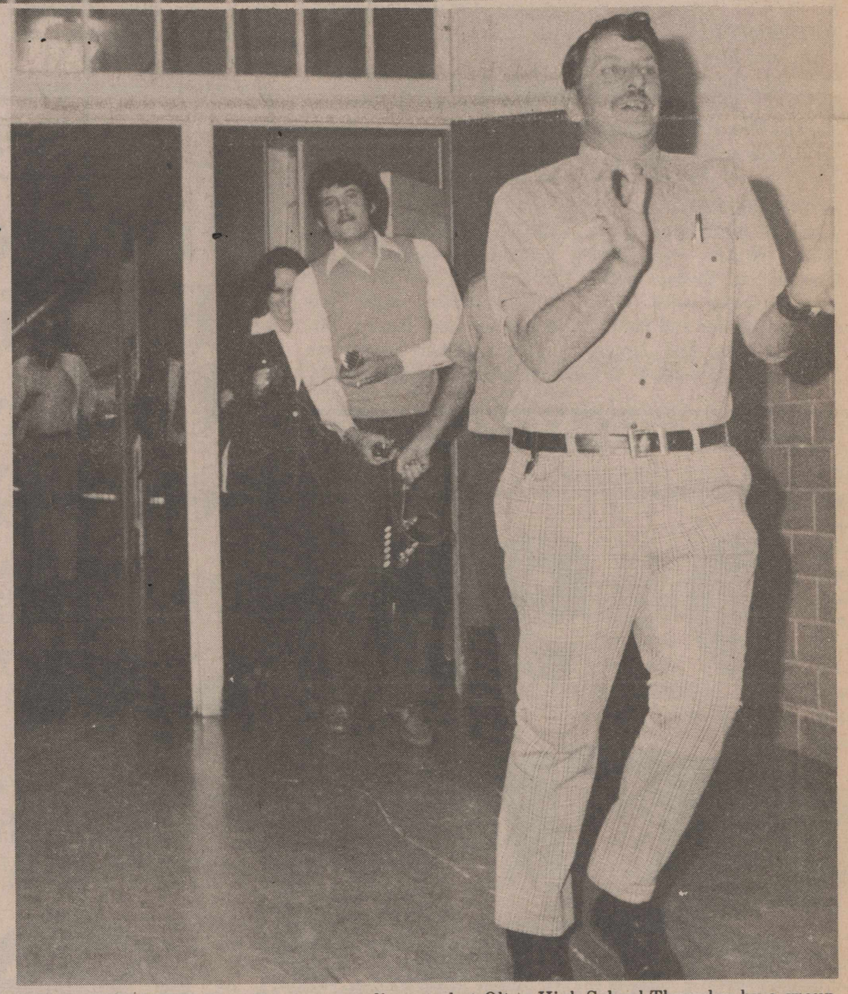

Jim Curtsinger and Caleb McClure are right behind the season's leader with 109 points; W.E. .Thomas has 108; Steve Culwell, 107 and three contestants have 106, W.E. Andrew, Cecil Oursbourn and Alice Slater.

Those with 100 or more total points for the season are listed elsewhere in this issue of the Enterprise.

You can still win the weekly prizes even if you have never entered. And if your name is not on the list that have 100 or more, don't give up. Upsets late in the season or a forgetful contestant could put you on the winners list. So keep trying.

Simply fill out the blank with your name and address, guess the winners of the games that are listed in the merchant's ad and circle that number on the entry form.

Then deposit the entry form in an envelope provided at the place of business of one of the sponsoring merchants. And while you're there, tell him how much you appreciate his sponsoring the contest. After all, it's the merchants who make the contest possible.

You're doing without a Zimmatic center pivot. Saving your hard-earned capital for other improvements. Don't want to borrow right now.

But it's costing you money every year you wait. Two ways. First, you're losing the extra crop production you get under irrigation. Second, inflation is at work. Boosting prices, dropping the value of your dollars.

Why not rent a Zimmatic under our new lease plan? Let the system pay for itself and put some extra money in the bank for yc at the same time.

Our rates are reasonable. You can include freight, installation, pump ... other "above ground" items in one flexible package, tailored to your needs.

Why wait to irrigate? It's just costing you money. Call us today for details on our new lease plan.

MRS. LENOA SCHAEFER

Cook Of The Week

Mr. Lenoa Schaefer says that she has 'lots of time' and she likes to spend it making pretty things - whether they be favorite baked foods or decorative items for her home.

With no great desire to watch television, she listens to her stereo and does crewel embroidery, sew, or makes Christmas tree decorations. She has amassed enough original creations to trim her entire tree and has promised the Enterprise camera a picture during the holiday season.

Mr. and Mrs. Fred Schaefer moved to Olton vicinity in 1934. He was engaged in farming for many years and also operated a chicken business. During those years when she helped tend chickens, she had little time for her loved hobbies.

The Schaefers were parents of one son, Weldon, a graduate of Olton High School, who went on to Texas Tech University, Lehigh University in Bethlehem, Pa., and later completed a doctorate at the University of Denver. He, his wife and one son presently live in Niagara, N.Y. Lenoa visits them annually.

After her husband's death Lenoa moved to the city in 1970. She is very active in affairs of First United Methodist Church as a choir member and member of a small Bible study group. She is currently busy with preparations for the upcoming Bazaar planned by members of her church organization.

The recipe for White Fudge is given especially for readers who have family members who cannot eat chocolate. All recipes would tend to inspire Holiday cookery.

Mr. Rudd, Miss Lively Say Twin Ring Vows

First Baptist Church of Earth was the setting for the recent exchange of wedding vows between Miss Teresa Lively and Larry Rudd. The Rev. David Borum, pastor, officiated the double ring ceremony.

The bride is daughter of Mr. and Mrs. Tom Lively, Earth. Rudd is the son of Mr. and Mrs. Buford Price, Flagg. Mr. and Mrs. Virgle Gray, Earth, and Mr. and Mr. J.D. Lively are grandparents of the bride.

Mrs. Larry Tunnell, organist, provided traditional nuptial selections preceeding the exchange of vows before an archway of tropical greenery accented with bows of deep purple satin.

When presented at the alter by her father, the bride wore a formal length wedding gown of white alencon lace and bridal satin style along Empire lines. The neckline featured a wedding ring ruffled collar with yoke of tucked, sheer organza and appliques of Chantilly lace. Long fitted sleeves of the Empire bodice, terminated in ruffles over the wrists.

The slightly A-line skirt of white satin was edged with a flounce of scalloped Chantilly lace which swept into a chapel length train. The three tiered bridal veil of silk illusion fell to chapel length. It was held in place by a lace headdress enhanced with seed pearls.

The bridal bouquet of white rose buds and purple statice was tied with streamers of white satin ribbons tied in love knots.

For "something old" the bride wore heritage earrings. She carried a "borrowed" white Bible, her bridal attire was "new" and she wore the traditional "blue."

Miss Kelly Wheatley served as maid of honor and Miss Jaton Schellar was bridesmaid. Feminine attendants were attired in identical formal length gowns of purple, styled with mandarin necklines, butterfly sleeves and slightly A-line skirts. Each carried a long stemmed white rose and wore a purple picture hat with deeper purple band.

Terry Lively, brother of the bride, served as best man. Joe Miller was groomsman. Ty Lively, brother of the bride, was ring bearer. Guests were seated by Billy and Todd Lively, brothers of the bride.

Immediately following the ceremony a reception was held in Fellowship Hall of the church. Guests were registered by Teress Lively, sister of the bride.

Laid with a floor length cloth of white lace, the reception table was centered with the bridal bouquet. The traditional three-tiered wedding cake was topped with a miniature bride and groom and bore accents of orchid decor.

Mrs. T.J. Smith, aunt of the bride, and Mrs. Joe Miller, Earth, sister of the groom, presided serving the wedding cake and reception punch using silver and crystal appointments.

For a wedding trip to Oklahoma City, the bride chose a three piece purple pantsuit.

The couple attended Springlake-Earth schools. She was member of Pep Club, FHA and FFA. They are making their home in Earth, where Rudd is employed at Chem-Tex Farm Supply.

Out of town guests for the wedding included Mrs. Vivian Stevens, Hico, grandmother of the bride, and Mrs. H.J. Flake, Levelland, her great-grandmother.

Mustangs Scalp Chiefs

By Freddy Stockdale

After several "questionable calls" by the refs in the third quarter that set up the Friona Chieftan's only touchdown, the Mustangs put together an 80-yard touchdown drive that put the game on ice and guaranteed their 29-6 victory last Friday night.

Late in the third quarter, Bobby Zetzsche scored from 10 yards to bring the Chieftans to within 7 points: 13-6. The Mustangs then got the ball on their own 20 yard line. Glenn Johnson (28 carries for 173 yards) and Leslie combined to bring Olton a first down at the 33.

Two more runs by Johnson, and a long gainer by Jimmy Parker (120 yards on 15 carries) brought the Mustangs into Friona territory at the 30. Parker then kept the ball on the option play and, following a fine block by Mark Stroebel, showed great balance by twisting and turning down to the 9. Then Parker left the rest up to Johnson, who carried it in for the back-breaking touchdown that put the game out of reach.

Parker kicked off to start the contest. The Mustang defense stopped Friona cold on their first two plays. Then on third down, a Chieftan pass attempt was beautifully broken up by Steve Johnson, and the Chieftans were forced to punt.

Steve returned the punt to Olton's 35 yard line. The Mustangs gave up the first turnover of the night when Parker's first pass was intercepted by Friona at their own 21.

But, the Chieftans could only manage to make it to the 39 before Olton's defense, led by Ray Rodriquez, forced another Friona punt.

Coach Ed Miller called for his team to block the punt, and sure enough, they did! It was Glenn Johnson who got a piece of the ball and the Mustangs recovered the ball on Friona's 35 yard line.

Johnson was held to two yards on the first two plays, so Parker took to the air to pick up a first down at the 22. Michael Franks was his target this time. Then Parker broke two tackles and found the end zone for the Mustangs' first score of the night. The PAT attempt run by Parker was no good and with 3:05 left in the first period, the Mustangs were out in front, 6-0.

Friona still could not get untracked and had to punt. Again Miller called for a blocked punt. This time the Friona punter got the punt off, but he hooked it off the side of his foot and the ball went out of bounds at Olton's 31.

The offense looked impressive as they drove toward the Chieftan's goal line, with Johnson picking up most of the yardage. With the ball on the 7 and a first down. Parker tried to hit Mark Stroebel but the pass was behind him.

On second down, Parker tried for Franks but it was incomplete. This made it third down so Parker gave the ball to Johnson who found the goal line to make the score 12-0. Kevin added the extra-point to make it 13-0.

On their next possession, the Mustangs threatened to turn the game into a rout. After starting from their own 15, Olton drove to Friona's 27 with ease. But penalties killed the drive and at halftime, the score still stood 13-0.

With five minutes left in the third quarter, the Mustangs had another chance to put the game out of reach as they began to drive toward the Chieftan's goal. Then came the "questionable calls". On one play, David Johnson fell down and a Chieftan tripped over him. The referee called Johnson for clipping which pushed the Mustangs back 15 yards and the Mustangs faced a passing situation. Parker then threw a pass that a Friona defender caught a few inches off the ground and dropped it. But the refs ruled that he held it long enough and Friona had the ball.

This set the stage for Zetzsche's score, and the furious Mustang 80 yard drive that followed. Glenn Johnson later added another touchdown and the extra points, so the final score was 29-6.

This week the Mustangs had an open date as they prepare for the big showdown with Littlefield.
