Stevenson -- Southerner Ticket Expected by Demos

TEXAS RIVALS SOUND OFF

John D. Cofer (right), of Austin, Tex., clenches his fist to emphasize his statement before the Democratic credentials committee in Chicago, Ill., as Wright Morrow (left) listens. Cofer speaks for the pro-Truman Texas faction; Morrow for the anti-Truman group.

General Seizes Cairo, Egyptian Premier Quits

CAIRO, July 23 (AP) — Egyptian Gen. Mohammed Naguib took control of Cairo in a military coup today and Premier Ahmed Naguib Hilaly Pasha resigned.

CAIRO, July 23 (AP)—An Egyptian general staged a military coup in Cairo today, surrounded the Royal Palace and government buildings with tanks and armored cars and announced a drive against corrupt elements.

Gen. Mohammed Naguib, whose appointment as war minister was vetoed last week end by King Farouk, announced he was taking over command of the Egyptian Army.

In a broadcast, Naguib said Egyptian police were "co-operating with us against bad elements."

(London sources regarded the coup as a direct challenge to King Farouk. Naguib's broadcast, as heard in London, said the nation had been "purged" of persons who took bribes during the Palestine and of "traitors who plotted" war against the Army after the Palestine War." Naguib, a thrice-wounded hero of that war, promised safety to foreigners. Shortly after the Naguib announcement, the Cairo radio went off the air.)

The Naguib coup first was announced by the Egyptian State Broadcasting Co. as Gen. Naguib was making his announcement, tanks and armored cars were converging on the Adin Palace and the principal government buildings, banks and business houses.

Cairo has been in a state of nervous tension since January when disastrous riots engulfed the capital. King Farouk ousted the Wafdist Party government at that time. Many observers considered that the Wafd had whipped up anti-British sentiment deliberately to counter rising charges of corruption among Wafd Party leaders.

Naguib's sudden move, which apparently was begun last night, came only a few hours after the independent leader, Ahmed Naguib Hilaly Pasha also had declared himself the enemy of political corruption.

Gen. Naguib broadcast that the army was "in full control of the situation" in Cairo 9½ hours after the coup. He proclaimed himself Army commander-in-chief and pledged a drive against political corruption.

At Naguib's orders, officers arrested 12 generals known to be followers of Gen. Mohammed Haidar Pasha, from whom Naguib wrested the Army control.

At Alexandria, the chief of the Cabinet, Afifi Pasha, told reporters King Farouk accepted Hilaly's resignation and asked Aly Maher Pasha to form a new cabinet.

Troops with machine guns moved into the heart of Cairo. Tanks and armored cars surrounded main business buildings, government structures and the Abdin Royal Palace as Naguib, whose appointment as war minister was vetoed by Farouk last week, announced he was taking command of the army.

NW Mitchell Wildcat Fails

Hunt Oil Co. has plugged and abandoned its No. 1 Lucy K. Hodnett, wildcat in extreme Northwest Mitchell County.

The project was drilled to a total depth of 8,008 feet in lower Pennsylvanian lime and shale. It had slight shows of oil with salt water on tests.

The No. 1 Hodnett was about 12 miles southwest of Westbrook and one mile south of the Scurry County line of section 89-97-H&TC. It was started to drill to 8,000 feet.

DRILLING DEPTHS

V. A. Brill No. 1 Good, Borden prospector, is drilling below 3,885 feet in lime.

Ashmun & Hilliard No. 1-C Long, Borden wildcat southeast of Gail, is drilling in lime and shale below 7,275 feet.

In Northeast Borden County, Superior Oil No. 1 Florence Dublin is drilling in lime below 4,444 feet. Superior No. 1 Laws, Scurry wildcat in the same vicinity, is coring below 8,301 feet in lime and chert.

EISENHOWER VS. STEVENSON?

Two Sons of the West May Face Each Other in Race

CHICAGO (AP) — Suppose it is Adlai Stevenson vs. Dwight D. Eisenhower in the finals for the presidency?

The prospect that the Democats will nominate Stevenson is now being taken almost as a foregone conclusion in Chicago.

And there is talk that the three other principal candidates — Sen. Estes Kefauver, Sen. Richard Russell and Averell Harriman — are adding columns of delegates to see what their combined total might be.

In short, this "wide-open race" of three days ago now looks like a runaway.

If Stevenson opposes Eisenhower, when all this conventioneering is done, the American voter will be called upon to choose between two men who are very much alike in some ways, totally different in others.

Both are of the West by birth—Eisenhower in Texas, Stevenson in California—and of the great plains by residence—Eisenhower in Kansas. Stevenson in Illinois.

Stevenon is 52. Eisenhower will be 62 in October.

They are both of average stature, stocky, and partly bald. Each has more than an average share of that rare quality that quickly wins over people, all types of people.

Each has a famous smile, a quick, springy step, electric gestures. They are both great and tireless conversationalists, and they have, in common, instant animation when an idea strikes fire.

Stevenson's background is crowded with well-to-do people, many of them distinguished, many of them public servants. One was a vice presiden of the United States. One was an adviser to Lincoln.

Eisenhower's forebearers were century of American expansion and simple people, strong, hard-bitten, pioneers, in spirit, people who answered the call of the West in the building.

Thus, in his speech, Eisenhower uses the figures and anecdotes of the plains states and the farms. Stevenson, the scholar, quotes from Tacitus and St. Francis.

The governor works hard over a speech, writes innumerable drafts, comes to the platform, finally with a polished text — and then embroiders it with extemporaneous

Eisenhower is best when he is gems as he goes along.

Neither is a professional politi- speaking off the cuff.

cian. Neither came up from the grass roots, through the ranks, to the apex of the party.

Stevenson is serving the first term of his first elective office. plunge toward an office.

Biggest Shell-Making Factory Is Closed For Lack of Steel

WASHINGTON (AP) — A shutdown of the Army's largest shell-making factory emphasized today the developing crisis in defense production resulting from the steel strike, now in its eighth week.

Secretary of the Army Frank Pace announced yesterday that a shortage of steel has forced the closing of the Chevrolet plant in St. Louis, which makes about half the Army's 105-millimeter artillery shell casings.

Pace said the shutdown will "seriously affect the production of finished shells by next month" when the impact begins to reach the shell loading plants.

"Of necessity," he said, "it will continue to affect the production of finished shells for several months thereafter."

The plant, employing 2,600 workers, is operated by the Chevrolet Division of General Motors.

Already, the strike over wage-boosts and a compulsory union shop demanded by the 650,000 members of the CIO United Steelworkers union had curtailed production of aircraft and automotive parts vital to the defense program.

With no end to the 52-day old dispute in sight, Presidential Assistant John R. Steelman continued telephone conversations with union and industry spokesmen. He hoped to find some basis for calling for new negotiations.

Meanwhil a government-named task force of five steel industry executives proposed a formula for getting industrial production under way when the strike ends. Priority will be given defense orders.

The six-point formula, announced by the National Production Authority (NPA) and expected to be adopted with little change, calls for:

1. All military orders accepted for delivery through November to be filled by Nov. 30, if the strike ends in time.

2. Military orders on which delivery is needed by Oct. 1 to be pushed under mandatory priority directives to the mills.

3. NPA to require each mill, starting Oct. 1, to earmark a specific tonnage of its output solely for the military and atomic energy programs to prevent overloading of a few mills with defense orders and creating local shortages for civilian use.

4. Tightening of inventory controls to prevent any hording of steel.

5. No change in the programmed allocations of steel for the fourth quarter of this year, but adjustments to be made in the January, March quarter of 1953 for those who cannot get the allotment tickets honored this year because of the shortage of metal.

6. Allotments of steel for fourth-quarter delivery to be made valid for delivery as late as January or February next year.

Park Trustees Pick Site For Pool, Courts

Locations for park facilties in Towle Memorial Park were discussed yesterday at a brief meeting of the Chamber of Commerce park committee.

Malven Stevenson, chairman of the board, presided at the meeting. Other board members present were Mrs. Harold Brown, E. J. Mills, Reid Estes, Ralph Geisenhoner, Herman Doak and H. A. Johnson. Edgar Taylor county judge, also attended.

Estes presented to the board a contour map of the park area, which lies south and east of the new Snyder High School. East to west, the park will be one mile, with provision for an east entrance from the Big Spring-highway just south of the Canyon Drive-in Theater. Other entrances will be on the north side.

The consensus of the board was that it would be more satisfactory to locate the swimming pool, splash pool, tennis courts and ball fields in the west end of the park area. The exhibit building would be constructed in the east end of the park, leaving the remainder of the park for the barbecue pits and tables and connecting roads. It was suggested that for sanitary reasons a tank now in the park area be drained.

Board members agreed that the one ball field to be lighted should be lighted to comply with hard ball regulations. This system of lighting would be suitable for either hard or soft ball, whereas lighting the field specifically for soft ball would prevent its use for hard ball.

Estes will present the recommendations of the park board to Butler & Brasher, Lubbock engineering firm now studying plans for construction of the swimming pool. The company had asked further clarification of the type of exhibit building to be constructed before proceeding further with plans for it.

Election Results Will Be Posted on Board In Courthouse Square

A center of attraction Saturday night in Scurry County will be an election returns board the Junior Chamber of Commerce is planning to operate on the south side of the square, Clyde Willbern, president, said.

All unofficial election returns of precinct and county races will be posted on the board as fast as they come in to the court house, Willbern said.

The run-a-round at the court house will be roped off late Saturday afternoon and no cars will be allowed in the area that night but the Jaycees expect the area to be jam-packed with interested spectators.

North-South Democratic Split Unlikely; Harmony Restored

CHICAGO (AP) — A North-South compromise on a loyalty pledge—drafted reportedly on direct orders from the White House—put the damper today on the hottest threat to Democratic unity: a 1948-type party split at this convention.

The compromise, approved by the Convention Credentials Committee last midnight, goes to the convention floor today. There was only the slimmest possibility of opposition there.

The deal for party harmony seemed to have taken much of the sting out of Dixie's defeat Monday night on the loyalty pledge issue. The convention then adopted a rule requiring delegates to promise they would do their utmost to place the convention's nominees on their home-state ballots.

HE NOT AGAINST LAW

The compromise was a proviso added to the pledge saying no delegate would be forced to sign the promise if it went against state laws or state party rules.

The pledge rule—with the old party-splitting issue of civil rights at its core—was rammed through the convention over loud Southern protests. Chief ramrods were Michigan's Sen. Blair Moody and New York's Rep. Franklin D. Roosevelt Jr.

Early today Moody told a reporter how the compromise proviso came into being. Moody said he got a telephone call from Washington, from Charles Murphy, legal adviser to President Truman. The President reportedly was kept up to the minute on what was taking place.

Moody said Murphy suggested "clarifying" the pledge rule by tacking onto it some of the explanations offered Monday night by Roosevelt and Moody.

These two had said then that the pledge would not force any delegates to go against state laws or state party rules—the main argument advanced by the rebellious Southern states.

"That's what we did in the proviso," Moody said.

"The amendment in no wise weakens the Moody resolution. It merely states the obvious. The additional wordage does not in any way let anyone off the book who planned to walk away from the convention and run out on the candidates.

"If he does, he's a dishonorable man because he's violating his pledge."

SOUTH HAPPY

Key Southerners, for the most part, indicate satisfaction with the pledge - plus - proviso. There was only one public reservation. Sen. John Stennis said he was not sure Mississippi would go along.

OLD AND NEW SCHOOL BUDGETS COMPAREL

Description	1951-52	1952-53	Percentage of 1952-53 Budget
Administration	$ 61,518	$ 73,600	7.5
Instructional Service	501,649	700,545	71.2
Operation of Plant	50,446	55,173	5.6
Maintenance of Plant	10,700	22,000	2.2
Auxiliary Services	56,195	75,540	7.7
Fixed Charges	23,584	26,110	2.7
Capital Outlay	10,000	17,500	1.8
Payment, Short-term Loans	17,000	13;000	1.3
Deficit Retirement	75,000	80,583	100
Total Maintenance Needs	$806,092	$1,064,051	
Bond Retirement	350,550	400,000	
Grand Total	$1,156,642	$1,464,051	

$1,464,051 School Budget Is Adopted

The school board last night eliminated $100,000 from the district's proposed budget of $1,564,051 and adopted it in a public hearing attended by more than a dozen tax representatives of oil companies.

The budget adopted will clear a deficit of more than $80,000, putting the system "in the black" for the first time in the last few years.

The amount elimnated was a surplus anticipated by the school board for exercising of a 10-year option in retirement of bonded indebtedness which will otherwise require 15 years. The board had anticipated providing more money than was actually needed each year in the system's interest and sinking fund in order to retire the bonds at the end of 10 years.

OPPOSITION STATED

After many of the visiting tax consultants expressed opposition to the collection of $100,000 more for the interest and sinking fund than the 1952-53 fiscal year's demands, board members present voted 4 to 1 to eliminate the figure.

Those voting to eliminate it were J. B. Turner, Paul Keaton, Bob Dupree, and E. J. Mills. Wayne Boren opposed the elimination, saying that "the best time to pay debts is when we have the money." One member, E. H. Williamson was not present. The board president and chairman, Lee Stinson, moderated in the session and did not vote.

Most of the company representatives contended that the law did not allow intentional accumulation of surplus by collection of taxes and therefore that the school system should not anticipate collection of more than was needed from year to year to retire the bonds according to the 15-year schedule.

POLICY CHANGED

It was then explained by trustees that the board had not intended merely to accumulate the extra money for early retirement but to pay it on retirement as it was collected. After discussion of the option provisions, however, it was agreed generally that no more than the schedule allowed each year could be paid until after the tenth year.

V. R. Shurmon of the tax consulting firm of Shurmon & Kirkwood, Fort Worth, said that a school system would injure its reputation and hurt itself in obtaining low interest rates in future bond issues if the bonds were retired ahead of schedule.

Boren asked why a 10-year option had been included in the bond sales if it were illegal or unwise to exercise it. Shurmon replied that such an option was included primarily for emergencies that might confront the district 10 years from the date of issue, such as school needs creating a demand for large addition bond issues, and great reduction in valuation. He said that in event of either, the district could retire the bonds at the end of 10 years even if doing so by refinancing them with another bond issue. He also said that the system might be able to sell bonds at much lower interest rates at the end of 10 years and could then retire the ones at higher rates by refinancing.

OPINION GENERAL

All company representatives who expressed themselves were of the same opinion. The board in general expressed itself as having understood that the option on bonds retirable in the last five years of the 15-year schedule could be retired at any time, so long as the first 10 years' bonds were retired on schedule. After discussion of the fact the last five years could not be retired until after full retirement of the first 10 years, several of the trustees agreed there had been an error in writing of the bonds.

Several of the tax consultants commented they had no objection to anything else proposed in the entire budget. Most of them mentioned specifically an item of $80,583 proposed to clear the system's deficit and another $20,000 contingency set up under instructional service. The contingency is not to be used unless needed in emergency, according to Cecil Yarbrough, superintendent, who explained that the system could not be sure that a big unforeseen increase in enrollment would not occur.

After the business session, the group ate watermelon furnished by Carlton Meredith, Jr., of Dallas, representing several oil companies. Other company representatives present included S. M. Witt and E. L. Clements of Tulsa, Sunray Oil Corp.; H. F. Harrington and D. H. Tulloch, Houston, Texas Co.; R. T. Conner of Houston, Humble Oil & Refining Co.; H. G. Shields, Houston, Ohio Oil Co.; Al Whitlock, Fort Worth, Pure Oil Co.; G. R. Alexander, Dallas, Magnolia Oil Co.; R. E. McBride of Houston, Standard Oil Co. of Texas; Charles D. Freeman, Sun Oil Co.; and W. J. Darby, Fort Worth, Shurmon & Kirkwood Tax Consultants.

Scurry Absentee Vote Total Now Is 287

The total count of absentee ballots cast for Saturday's primary election stood at 287 at noon today, several having been received in the mail this morning. The total count when all ballots have been received will probably be close to 375.

A total of 381 persons applied for absentee ballots, but 94 of them had not yet been returned by noon. Ballots postmarked before the deadline last night at midnight are valid. Some of the ballots were requested by persons temporarily out of the state, and some were even overseas.

97-Degree Maximum

The mercury climbed a little nearer the hundred - degree mark in Snyder yesterday, with a high reading of 97 degrees, Mrs. D.P. Strayhorn, weather observer, reported. Low yesterday was 73 and the temperature at 7:30 this morning was 75.

Russell Appears First Choice as Running Mate

CONVENTION HALL, Chicago, July 23 (AP)—The Democratic Convention achieved a new air of harmony today under White House signal calling and party veterans pressed for a Stevenson-southerner ticket which could seal a North-South union for the November election.

Intervention by President Truman's staff had calmed the once raging North-South battle over a "loyalty pledge."

There were signs, too, that Truman might give his open blessing to Gov. Adlai Stevenson for the presidential nomination before the convention gets around tonight to calling the roll of states for nominees.

Interior Secretary Oscar Chapman, who has been a Truman emissary at the convention, had a breakfast conference with the Illionis governor.

They met in the apartment of Edward McDougal, a friend of the governor.

It was learned that Chapman proposed the meeting.

As to the convention machinery, it was clear the party wheelhorses were back in the driver's seat and out to name the ticket.

They were talking first of all of Sen. Richard B. Russell of Georgia as a running mate for Stevenson.

Russell, in bidding for the top post, has said repeatedly he didn't want the vice presidential nomination.

SPARKMANN, TOO

If he stuck by that attitude—and party veterans had their way on their proposed Stevenson-Southerner ticket—the second place might go either to Sen. John Sparkmann, Alabama, or Sen. William Fulbright, Arkansas.

Backers of Sen. Estes Kefauver, Tennessee, and Averell Harriman, other aspirants for the presidential nomination, were not giving up their fights.

There were reports they were jointly planning strategy but James Roosevelt, a Kefauver supporter, denied to a news conference that the Kefauver and Harriman forces had teamed up in a "stop-Stevenson" movement.

Kefauver himself spoke out against what he called a "synthetic draft."

Most of the heat apparently had gone out of the North-South scrap over a "loyalty pledge" as a result of a compromise drafted last night in line with suggestions telephoned by Charles Murphy, personal counsel for President Truman.

PLEDGE'S FORCE

In effect, the compromise says no delegate would have to pledge his support to put the convention's nominees on his state's ticket as the rightful Democratic nominees if such a pledge would contravene state laws or state party rules.

Delegates from South Carolina, Louisiana, Georgia and Virginia had balked at signing an out-and-out pledge demanded by Northern Democrats with a rule they jammed through the convention early yesterday.

Members of the Louisiana delegation formally notified the Credentials Committee that under their state laws and rules they could not take this pledge. This cleared the way, under the compromise, for them to sit as delegates without taking it.

Members of the delegation said they understood that similar action was being taken by Georgia, South Carolina and Virginia.

The compromise represented a sharp set-back to the Northern Democrats, who like to style themselves "liberals," and had wanted an iron-clad pledge.

The Northerners lost more ground when the convention's Credentials Committee voted 36 to 18 to seat a Texas delegation and 33 to 17 to seat a Mississippi group which had carried anti-Truman labels into the convention.

NORTH LOSES

The Northern coalition lost the ball on downs when convention platform drafters came up with a compromise version of a civil rights plank — not yet spelled out publicly.

They could regain the initiative only by a floor fight which looked unpromising. This fight would come on expected convention action today on the platform.

The upshot of all the back-stage maneuvering seemed to indicate that hard - headed party wheelhorses such as Jacob M. Arvey of Illinois and David L. Lawrence of Pennsylvania had won a gigantic game of bluff.

This game, played through the traditional smoke-filled hotel rooms and the crudely partitioned offices of this Convention Hall, involved an effort by a Northern coalition of the party's bright and mostly young men to force through an all-out "Fair Deal" candidate and platform.

This group included Sen. Estes Kefauver of Tennessee, Sen. Hubert Humphrey of Minnesota, Averrell Harriman and Rep. Franklin D. Roosevelt Jr. of New York and Gov. G. Mennen Williams and Sen. Blair Moody of Michigan.

They bluffed that they were willing to have Southern delegations take a walk — with all the general election trouble that could cause — to get what they call a "liberal" candidate and platform.

But with the help of the Southern delegations who refused any advance loyalty pledge until they could see the nominee and the platform, the Arveys and the Lawrences seemed to have convinced most delegates that the only way the Democrats can win is to keep the South solid in the party column.

Strangely enough, their victory seemed to have been accomplished through the indirect intervention of President Truman, who has been calling for all-out endorsement of his "Fair Deal" program and for a strong civil rights plank.

TRUMAN'S HAND SEEN

Moody told a reporter that as as a result of a telephone call from Charles Murphy, the President's legal counsel, he had agreed to add a proviso to the loyalty rule adopted by the convention in a voice vote at a stormy after-midnight session yesterday.

This rule provided that delegation chairmen must certify that their members would work toward getting the names of the convention's presidential and vice presidential nominees on the November ballots in their states.

WEATHER

EAST TEXAS AND SOUTH CENTRAL TEXAS: Partly cloudy Wednesday, Wednesday night and Thursday. Widely scattered afternoon showers near the coast. Not much change in temperatures. Moderate to occasionally fresh southeast to south winds on the coast.

WEST TEXAS: Clear to partly cloudy Wednesday, Wednesday night and Thursday. Not much change in temperatures.

WEST TEXAS: Clear topartly cloudy Wednesday, Wednesday night and Thursday. Widely scattered afternoon thundershowers west of Pecos Valley and in Panhandle Not much change in temperatures.

Eleanor Reads Last Message By FDR, Gets Frenzied Ovation

CONVENTION HALL, Chicago, July 23 (AP)—When the last dented campaign button has been swept up, when the fervor and sweat of the national conventions are only blurred echoes, two events will stand out in the memory of those who saw both gatherings of the political clans:

Herbert Hoover, 74, fighting back tears, getting the ovation of his life from the party he led to victory almost a quarter-century ago.

And Mrs. Franklin D. Roosevelt, 67, a little moisture in her eyes, too, bearing the other party a message from her late husband—he who led the Democrats to victory over Hoover and three successive other Republicans in the most turbulent years of our century.

Last night it was Eleanor Roosevelts turn.

Mrs. Roosevelt brought a serious message — as did Herbert Hoover to the Republicans two weeks ago.

They got the same sort of reception. Spontaneous. Affectionate. Frenzied.

But the messages they brought, this patriarch and this matriarch of the political tribes, were just about as far apart as they could be.

Hoover's advice has been reported before: Don't go overboard on aid to other countries. Concentrate on a big Air Force capable of striking back like a rattlesnake if the United States is attacked. Don't bankrupt the country with big spending and ruinous taxes.

Mrs. Roosevelt might have written her speech as a point-by-point answer:

"There is a . . . minority in this country which advocates changing our national symbol which is the eagle to that of the ostrich and withdrawing from the United Nations."

"Our men are fighting in Korea so that they will not have to fight in their own main streets."

"The cost of supporting the U. N. each man woman and child in and its specialized agencies for the U. S. is 77 cents a year. The price of World War II was $1,708 for every person there alive.

Mrs. Roosevelt saved her heaviest ammunition until last.

She told the delegates — who automatically and nostagically cheer at the name of Roosevelt — she was going to read them the last message FDR ever sent his countrymen.

It was prepared for the Jefferson Day dinner in Washington April 13, 1945.

Roosevelt never delivered it. He died just 24 hours before. So his wife read the message last night:

"Let me assure you that my hand is the steadier for the work that is to be done, that I move more firmly into the task, knowing that you — millions and millions of you — are joined with me in the resolve to make this work endure.

"The work, my friends, is peace, more than an end of this war — an end to the beginning of all wars, yes, an end, forever, to this impractical, unrealistic settlement of the differences between governments by the mass killings of peoples.

"Today as we move against the terrible scourge of war — as we go forward toward the greatest contribution that any generation of human beings can make in this world — the contribution of lasting peace, I ask you to keep your faith. I measure the sound, solid achievement that can be made at this time by the straight edge of your confidence and your resolve. And to you, and to all Americans who dedicate themselves with us to the making of an abiding peace, I say:

"The only limit to our realization of tomorrow will be our doubts of today. Let us move forward with strong and active faith."

Greatest fans of the Little League payers are the mothers, who take turns cheering for the sons and selling drinks and hot dogs at concession stands. Mrs. Stanley Kerbow, far left, is president of the League mothers. Others shown are Mrs. Fla Joyce, treasurer; Mrs. Craven Martin and Mrs. Harold Brown, publicity chairman. One of the league players gets a thirst quencher from Mrs. Brown preceding the game. (Joe Dave Scott photograph.)

TALK OF THE TOWN

By SUE HOLMES

Another boom hit Snyder in the form of the Little League ball games. Vacations are being postponed and other family activities have been altered to conform with Little League schedules.

A driving force behind all the Little League activity is the players' mothers, who have organized and handled concession stands at each game.

Mrs. STANLEY KERBOW is president of the group, and Mrs. J. W. ROBERTS is vice president. Mrs. HOMER RAY is secretary (and chief peanut sacker!) and Mrs. FLA JOYCE is treasurer. Publicity chairman is Mrs. HAROLD BROWN.

* * *

Times like last night when the teams have scheduled double-headers, the mothers work in shifts so that they may see their own sons play ball. All the concession food—candy, peanuts, hot dogs, gum—and even onions and mustard must be kept stocked. Mrs. HARRY WARD is the mother who is chief "purchasing agent."

Asked how long it took her to learn the right amounts of food to buy, Mrs. Ward replied, "Three weeks and 10 pounds!" Mrs. E.N. BAKER, whose son, RONNIE, almost pitched a shut-out game for the Yanks last night, takes complete charge of the cold drinks and sees that they are iced down each night.

Not long ago Ronnie's sister, Connie, dedicated a song to the Little League mothers. It was "Feudin, Fussin' and a Fightin," which describes the League mothers in a slightly exaggerated way.

Matter of fact, friendly competition reaches a peak at the games each night. Some of the mothers of the Whiteway Yanks coaxed MUTT HEROD, of the Lions Cub team, to buy a hot dog. Jovial Mutt unwrapped the hot dog only to find a paring knife neatly placed inside the mustard - covered bun.

* * *

Fans are staunch, too, else they would seek places of amusement where the seats are soft. This year the spectators either take their own chairs, sit on blankets on the dirt mounds or stay in parked cars. Few of the League mothers, however, can stand to stay in a car when son is playing.

Wives of the team managers, whether or not they have sons, help with the concessions. Mrs Joyce, the groun's treasurer, dons a baseball cap like the other women, and is one of the most regular fans of the Yanks, the team her husband works with. Mrs. J. C. MORGAN, Mrs. REX MILLER and others are workers, too.

Each of the six teams has mother to act as chairman of concession activities. They are Mrs. R. M. PHILLIPS, Whiteway Yanks; Mrs. SPEEDY MOFFETT, Optimist Cardinals; Mrs. PAT JOHNSON, Lions Cubs; Mrs. W. S. HATCHETT, Quarterback Giants; Mrs. VIRGIL FLEMING, Kiwanis Braves, and Mrs. MARSH SPRINGER, Holder Indians.

* * *

Mrs. Kerbow says the mothers do not hold regular meetings, but have called meetings when needed. One of the recent activities was working on the Little League float for the rodeo parade. Mrs. C. M. WILEY was committee chairman, and her workers were Mrs. H. G. COURTNEY, Mrs. J. H. MARTIN, Jr., Mrs. RAY, Mrs. ROBERTS and Mrs. JOYCE.

Just as the team managers and coaches, umpires and announcers are all businessmen, who manage to make time to work with the League boys, the mothers have to plan home schedules to allow time for the League. Many of the mothers live out of town, have small children or are allergic to the dust flying occasionally at the ball park but Mrs. Kerbow says they are extremely cooperative when called upon to help. A bucket is passed at each game to collect money for team maintenance. It is hoped that next year the League will have a permanent field.

Back to the game last night—the Yanks went in fighting mad because of errors published in scores. The team has been on top some five weeks, but through an error, credit was not given. We're certainly not underrating pitcher Baker's talent, but perhaps he was more determined than usual about the lack of credit for his team. Anyway, he put 16 men out with his pitching, and assisted in the other two outs needed in the six inning game. The Yanks ended up edging the Cardinals 2-1. In the preceding game the Kiwanis Braves scored 6 to the Holder Indains 5.

If you haven't tried yelling for one of the teams, no matter which one—you're in for an evening of good sportsmanship. One warning: If you're sitting near one of the mothers, you'd better discover which team her son's on, and yell accordingly!

* * *

At the breakfast yesterday morning announcing her engagement, Miss DURELLE STOKES was the center of attention in her celestial blue taffetized pure silk dress. The dress featured a permanently pleated skirt, with a scalloped design pressed into the pleats. The bodice had a low, scooped neckline and was fastened with pearl and rhinestone buttons. Mrs. ROY STOKES, the bride-to-be's mother, wore a white sheath-type dress with all - over black embroidery perfectly complementing her dark hair.

Mrs. J. S. GORMAN, mother of JACK GORMAN, the bridegroom-to-be, wore a moss green dress. Among the members of the house-party were Miss MARY EDITH SCARBOROUGH in an orchid cotton satin dress and matching shoes ... Miss MARIANNE RANDALS in red, navy and white attire, even to bare red and navy high-heeled pumps ... Mrs. RALPH MILLER in a predominately green dress, the blouse trimmed in gold braid in a Greek key design ... little HELEN JOYCE in fluffy white organdy embroidered and appliqued with navy and white flowers ... dark-haired LESA BOWDEN, who with Helen will be a flower girl in the wedding Aug. 22, in brown and white checked dress.

Chatting about the coming wedding was Mrs. BILLY T DEFFEBACH, a recent bride herself, who was wearing a black summer suit and white hat of shell - like designed straw thread ..... Mrs. GERALD HEINZELMANN, whose son is to be an usher in the wedding, wore a white skirt, patterned and quilted. Her accessories were green ... Mrs. SAM JOYCE, who was a hostess with her sister, Mrs. J. SCOTT CASEY and their mother, Mrs. WADE WINSTON wore fresh - looking brown and white checked attire with yellow daisies at the neckline .... Soft green and white was Mrs. Casey's choice for her dress with chalk-white and rhinestone jewelry. ... Mrs. Winston, in whose home the party was given, wore a tan silk chambray dress trimmed with white daisies and centered with rhinestones.

* * *

Re-reading one of William Howard Taft's quips on politics, we're wondering about tenses. No pun on tense situations intended, but W. H. Taft says: "Politics are a business..."

Maybe this is a singular situation. Evidently all Tafts are out of style anyway by now.

Mrs. Soules Hostess To Pyron H-D Club

Plans for a picnic in August were discussed by the Pyron Home Demonstration Club at a recent meeting. Mrs. Theo Soules was hostess.

Roll call was answered by each member with the name of some labor-saving device recently added to her home. Mrs. Lowell Light reported on the county council meeting, and Mrs. Ernest Schattel read several articles discussing accessories.

It was announced that Mrs. Hy Coldewey will be hostess for the next club meeting in September.

Those present for the meeting were Mrs. Herman Stahl, Mrs. Coldewey, Mrs. Buford Light, Mrs. Dale Hess, Mrs. Darwin Bollinger, Mrs. Schattel, Mrs. Light, Mrs. Billy Joe Clifton and one guest.

Mr. and Mrs. Art Wadman and children, Susan and Eric, Sunray Production Camp, returned Sunday from a vacation trip to Albuquerque where they visited friends. They also visited Carlsbad Caverns.

Borden H-D Has Lesson On Leather

The Borden County courtroom was the scene yesterday of an unusual amount of activity—not at all of a judicial nature.

County Judge C. S. Harris was there all right, but he was looking over the shoulder of George Sealy, county agricultural agent, to make sure Sealy was getting the design righ on the belt he was making.

TOO BUSY TO EAT!

The leathercraft school sponsored by the County Home Demonstration Club women attracted about 60 eager students, so engrossed in chiseling their names on belts or floral designs on bill folds that they hardly took time out for lunch.

And lunch according to Mrs. Edith Hughes, county home demonstration agent, was something worth taking time out for. All the scholars contributed to a picnic lunch spread under the elm trees behind the courthouse.

The one-day school was taught by Mr. and Mrs. Jack T. Boles, who operate a leather craft store in Lubbock. Students bought their leather from the Boleses and worked under their supervision.

Six-year-old Taylor Rudd, son of Mr. and Mrs. Joe Rudd, was so absorbed in marking his belt with "Taylor" that he scarcely had time to look up at Mrs. Hughes when she paused to inspect his work.

RODEO PRIZE

Sadie Smith, who won a sivler belt buckle in the Tulia rodeo, was making a belt at ... Barbara and Shirley Miller, who have attended Snyder High School, were making belts too.

Although the sponsoring home demonstration women were not the only ones taking part in the school, they were well represented. Mrs. Ben Weathers, county council chairman and president of the Murphy club, was a student, as were Mrs. Roy Reeder, secretary of the Cedar Crest club, and Mrs. Bill Stephens from Mesquite.

Dulaney Home Scene Of Shower Monday

Mrs. Gene Dulaney was hostess for a shower Monday honoring Mrs. Keith Merrick. Gifts were presented to the honor guest for her newly-adopted son, John Keith.

Punch and cake were served to Mrs. Ross Hemphill, Mrs. Clyde Willbern, Mrs. James Rosser, Mrs. Renal Rosson, Mrs. Kenneth Wilson, Mrs. Robert Hargrove, Mrs. Pat Beene, Mrs. H. F. Clark, Jr., Mrs. O. S. Clark, Mrs. J. C. Evans, Mrs. F. G. Hoefer, and Mrs. James Kincaid.

Mr. and Mrs. James Robinson of Dallas visited over the week end with his parents, Mr. and Mrs. J. L. Robinson, 3100 Avenue U. Their son, Jimmy, remained for a visit with his grandparents and other relatives.

New French Hats Drape and Ripple

By NADEANE WALKER

PARIS (AP) — French fashion's new winter hats look as if they've been designed for the lady who's decided to de-poodle her hair. Just the thing to cover the straggling ends while a short haircut is growing in again.

The Paris designers are turning out new hats that drape or ripple low behind. "Batbacks," they call them.

As to materials, next to the perennial black velvet the No. 1 favorites are furry or satiny felts, in a new color range of soft luscious fruit, vegetable and metal tints.

Marie-Christine, in her opening, followed the trend toward soft, unlined hats that can be crushed like a handkerchief with no ill effects.

There's an exotic Oriental influence creeping in too. Svend, the young Danish designer, last night showed three basic types — cloche, turban and fez.

Many of his cloches sported long, thin sword feathers, jutting out behind to poke the unwary in the eye. Some followed the low-behind line. Others went into deep side-wise dives. Devil red, which looks just as it sounds, is the new Svend trademark color.

The Danish lad perched a pom-pom bigger than the hat on one chapeau. Another dangled diamond icicles. With a third comes a gold rosebud, opening out at the touch of a finger to a full-blown flower with diamond pollen.

New Pleat Treatment

New skirt interest is developed in this junior-size dress—via deep back pleat, a trio of soft unpressed pleats in front. But it's still easy-to-make from either yard goods or feed bags!

No. 2579 is cut in sizes 9, 11, 13, 15 and 17. Size 13, 3 yds. 39-in. (or 3 100-lb. feed bags) ¾ yd. contrast.

Miss Royce Durelle Stokes

Miss Stokes' Wedding Plans Are Told At Tea

Mr. and Mrs. Roy Stokes, 2912 Avenue N, have announced the engagement and approaching marriage of their daughter, Miss Royce Durelle Stokes, to Jack Streety Gorman, son of Mrs. J. S. Gorman, 2908 Avenue S.

Wedding plans were revealed yesterday morning at a breakfast given by Mrs. Wade Winston, aunt of the bride-to-be. Mrs. Sam Joyce and Mrs. J. Scott Casey, Mrs. Winston's daughters, were also hostesses.

WEDDING DATE

Miniature hand - painted bride's books contained the wedding date, Aug. 22, and the names of the attendants. Miss Mary Edith Scarborough has been named maid of honor, and Mrs. D. M. Cogdell, Jr., will be matron of honor. Bridesmaids are to be Mrs. Ralph Miller, Miss Marianne Randals, Mrs Bill Humphrey of Abilene, and Mrs. Brooks Allen of Rotan.

Helen Joyce, daughter of Mr and Mrs. Sam Joyce, and Lesa Bowden, daughter of Mr. and Mrs Jack Bowden, were named as flower girls.

Murray Bowden will be ring bearer. Attending the bridegroom will be Marvin Sentell, best man. Ushers are to be Billy T. Deffebach, Gerald Heinzelman, Alvin Hall, Theron Higginbotham and Billy Dick Stokes, brother of the bride - to - be.

In the receiving line with Miss Stokes were her mother; her grandmother, Mrs. W. W. Gross; an aunt, Mrs. Neil Gross of Sweetwater; Mrs. Gorman and Mrs. Harry Lester of Big Spring, aunt of the prospective bridegroom.

Miss Scarborough served coffee from the lace-covered table centered with an inverted watermelon spiked with vari-colored melon balls on tooth picks. Miss Randals also assisted in serving. Helen Joyce and Lesa Bowden distributed favors to guests, and other wedding attendants were members of the houseparty.

AUNTS ASSIST

Mrs. Warren Dodson, Mrs. Aubry Stokes and Mrs. Maurice Brownfield, aunts of the bride-to-be, assisted in hospitalities.

Focal point in decorations was the fan arrangement of gladioli on the living room mantel. The flowers were arranged in a container matching the gold leaf frame of the mantel mirror. Perennial sweet-peas and roses also were used throughout the house.

About 50 guests attended.

25 Snyderites Attend Miller Family Reunion

Forty - nine persons, most of them from Snyder, attended the annual Miller family reunion in Big Spring Sunday.

The reunion first was started several years ago and is being carried on by the descendants of the late Mr. and Mrs. P. A. Miller of Snyder.

Attending from here were Mr. and Mrs. Fred Miller and daughter, Lavern; Mr. and Mrs. Owen Miller; Mr. and Mrs. P. L. Price and daughters, Mary Alice and Debbie Lynn; Mr. and Mrs. Albert Miller; Mr. and Mrs. Jess Green; Mr. and Mrs. Edgar Taylor; Mr. and Mrs. Rea Falls and daughter, Ann; Mr. and Mrs. Wilson Howell; Mr. and Mrs. Phillip Fisher and daughters Marsha, Margaret and Jean.

Other guests were from Kermit, Pyote, Odessa, Stanton, Abilene and San Angelo.

Jimmy Duane Gist, 9-year-old son of Mrs. E. M. Cody of Snyder, has been admitted to the Scottish Rite Hospital in Dallas.

EVENTS OF THE WEEK

THURSDAY

Hi-Lo Canasta Club, 1 p.m., with Mrs. S. L. Surratt, Pan American Camp.

Pioneer Bridge Club, 1:30 p.m., the Village, with Mrs. Bob Bickerstaff, hostess.

Friendly Fellows Forty - two Club, 7:30 p.m., with Mr. and Mrs. Joe Stinson.

Call meeting Masonic Lodge, 7 p.m., work in the M. M. degree.

Duce Bridge Club, 7:45 p.m., with Mrs. R. M. Phillips.

FRIDAY

Women's Golf Association, noon luncheon, Country Club.

Stumble and Fall Square Dance Club, 8 p.m., rodeo pavilion.

Call meeting, Masonic Lodge, 7 p.m., work in F. C. degree.

Democratic Primary.

Progressive Bridge Club, 7:30 p.m., with Mr. and Mrs. J. E. Bucy, Lion Oil Camp.

Mrs. Robert Dawson and son, Dale, Peach Street, have returned from a week's visit with her parents, Mr. and Mrs. Homer Pharr, in Lubbock.

Miss Bobbie Jordan of Jacksonville, Tex., is visiting Mr. and Mrs. B. A. Underwood, 1902 Coleman Street.

Text of Demo Loyalty Oath

CHICAGO (AP)—Following is the complete text of the compromise loyalty pledge provision which will be presented to the Democratic National Convention today for inclusion in the permanent convention rules:

"Be it further resolved, that this convention believes in the great American principles of majority rule. No delegate shall be seated unless he shall give assurance to the Credentials Committee of the convention that he will exert every honorable means available to him in any official capacity he may have, to provide that the nominees of the convention for President and vice president, through their names or those of electors pledged to them, appear on the election ballot under the heading, names or designation of the Democratic party. Such assurance shall be given by the chairman of each delegation, and shall not be binding upon those delegates who shall so signify to the Credentials Committee of the convention prior to its report to this convention, and for this convention only such assurance shall not be in contravention of existing law of the state or of the instructions of the state Democratic governing body."

Joe Murphree, route No. 2, who has been critically ill is reported to be slightly improved in a Lubbock Hospital.

Courtesy by Police Officers Stressed In Attorney's Talk

Courtesy was stressed in a meeting of the city police department in a talk by W. W. Park, city attorney, at 5 o'clock yesterday afternoon.

"The traffic department of any police force is its closest contact to the people of the community, and it is the department which can give the whole force a black eye quickest of any if all officers are not courteous, both to violators of driving regulations and to drivers who obey all driving laws," Park said.

Park talked to the 13-man department for about 45 minutes. Other similar meetings are planned, but the dates are not set.

Park also stressed the importance of the role of a police officer who investigates collisions, and said that role has become much more imporant since the driver liability laws have been put into effect in Texas.

Wreckage of Missing Canadian Plane Found

WINNIPEG, Manitoba (AP) — Wreckage of a plane missing since Monday with seven Manitoba provincial government employes aboard was believed found last night in isolated swamp country 200 miles north of Winnipeg.

Air searchers who sighted the wreckage said it appeared to be that of the missing craft, but heavy fog and darkness prevented positive identification.

Snyder Banks Handle Average Of 10,000 Checks Every Day

"Pay by check" is a slogan that millions of people have taken so literally that according to Ralph Geisenhoner, vice president of the Snyder National Bank, there has been a definite decrease in exchange of the "long green."

Especially is this true of business transactions, 98 per cent of which are carried on through checks. But it's true of the private citizen, too, for as Geisenhoner said many workers deposit their whole pay checks, then start checking on them immediately to pay their bills.

Approximately 10,000 checks go through Snyder's banks on an average day, bank officials estimated. The daily figure is at an all-year low now, but usually reaches its peak in the fall.

Snyder banking business has increased so much in the last several years that it is almost impossible to say how much of the increase is due to the new pay-by-check movement. Officials at both banks agree, however, that more employes and more posting machines are needed because more checks are written.

More checks mean more headaches to cashiers, especially when amounts are illegible or signatures are carelessly written.

Banking officials suggested the following good check-writing habits:

1. Use pen and ink, and write plainly and clearly.
2. Fill out the stub first, to be sure your own records are kept straight.
3. Be sure to write the name of the person or company to whom the sum is to be paid, and spell it correctly.
4. Write the amount in words close enough to the left so that no one can insert words before it.
5. Be sure the amount in figures and the amount in words are the same. If they are different, the amount in words determines the amount paid.
6. Write your signature last of all, and be sure it closely resembles the sample signature on file with the bank.

Governor Gives All For Democratic Party

CHICAGO (AP) — Gov. Paul A. Dever lost his voice but won a resolution of praise.

The Massachusetts executive, keynote speaker and temporary chairman of the Democratic National Convention, was praised last night for having given his all, including the temporary loss of his voice, for his party.

Sen. William Benton of Connecticut offered a resolution praising Dever's "powerful, inspiring and statesmanlike" keynote speech.

"The resolution," Dever said hoarsely, "will be referred to the Rules and Resolutions Committee."

It was adopted.

Convention Program

CHICAGO (AP) — The tentative program for today's session of the Democratic National Convention (all times are Eastern Standard):

12 noon: Gov. Paul A. Dever of Massachusetts, temporary chairman, opens the session.

Invocation: Dr. W. Alfred Diman, executive secretary, Chicago Baptist Association.

Resolutions: Reports of Committee on Credentials (Calvin Rawlings of Utah, chairman); of Committee on Rules and Order of Business (Sen. Blair Moody of Michigan, chairman), and of Committee on Permanent Organization (Gov. Johnston Murray of Oklahoma, chairman).

Election of permanent chairman (House Speaker Sam Rayburn of Texas) and other permanent officers.

Recess.

Evening session, 8 p.m.

Gov. Dever opens the session.

Installation of the permanent chairman.

Addresses: Speaker Rayburn, permanent chairman; Vice President Alben W. Barkley.

Resolutions: Report of Committee on Platform and Resolutions.

Roll call by states for speeches placing in nomination candidates for President.

Gen. Grow, Diarist, Goes on Trial Today

FT. MEADE, Md. (AP)—Maj. Gen. Robert W. Grow, former military attache at the U. S. Embassy in Moscow, went on trial before eight generals today on charges of improperly writing classified information in private records and failing to safeguard such data.

The 56-year-old general's diary, reportedly was photographed by Russian agents while Grow was in Frankfurt, Germany, in March, 1951.

The Russians put alleged excerpts into wide circulation for propaganda purposes. They quoted his dairy as containing such statements as:

"War! As soon as possilb! Now!

"We must learn that in this war it is fair to hit below the belt."

14 Snyder Men Sign Up with Draft Board

A total of 31 young men from Scurry, Nolan, and Fisher Counties registered with the three-county selective service board during June after reaching their eighteenth birthdays, Mrs. Inez Green clerk of the board, said.

Fourteen of these men were from Snyder, with another Scurry County man, James Allen Maupin of Ira, also included in the total.

Snyder registrants were James Lowell Bynum 2703 Avenue V; Calvin Kay Tate, 605 Twenty-eighth Street; Ernest Trevino Perez, general delivery; Autris Junior Thompson, route No. 2; Alvin Lee Selmon, general delivery; Bobby Dean Shipley, Post highway; Billy Don Huddleston, route No. 1.

Jackie Don L. Ramsey, route No. 1; Louis Dela Garza, 701 Twenty-third Street; Houston Dale Williamson, route No. 1; Irving Dwayne Clawson, 608 Thirty - second Street; J. E. Johnson, 2511 Avenue Y; Ronald Leroy Weber, route No. 2; and Jimmy Goss Thomas, Box 654.

Guests in the home of Mr. and Mrs. J. G. Lockhart, 2507 Avenue V, have been Mr. and Mrs. T.W. Lockhart, their son, Jimmy Lockhart, and Jimmy Johnson, all of Lubbock. Jimmy Lockhart was home on leave from Portsmouth, Va., where he is stationed on the U.S.S. Midway.

Hiss Bid For New Trial Is Turned Down

NEW YORK (AP) — Alger Hiss' appeal for a third trial — based largely on his contention that he was a victim of forgery by typewriter — was denied yesterday in Federal District Court.

Of the convicted perjurer's motion, Federal Judge Henry W. Goddard wrote in his opinion:

"There is no newly discovered evidence which would justify the conclusion that, if it were presented to a jury, it would probably result in a verdict of acquittal."

Hiss, 47, one-time high State Department official, was convicted at his second trial in January, 1950. An initial trial the previous year ended with the jury deadlocked. He now is serving a five-year term at Lewisburg, Pa., Federal Prison.

The indictment against Hiss said he lied to a federal grand jury when he testified he never gave State Department secrets to Whittaker Chambers, a former Communist spy ring courier, before World War II.

At his sentencing 2½ years ago, Hiss told Goddard that he was "confident that in the future all the facts will be brought out to show how Whittaker Chambers was able to carry out forgery by typewriter."

Last January, months after Hiss had gone to prison and the U. S. Supreme Court had declined to review the case, Hiss' attorneys made the bid for the new trial on grounds of the allegedly faked typewriter and other "new evidence."

Goddard said yesterday that the Hiss attorneys had submitted no proof to support the "defendant's supposition . . . that Chambers constructed the alleged duplicate typewriter from the typewritten characters in the Hiss letters, or that it was done for him by some Communist friends."

The typewriter was entered as evidence at the two trials. Chambers produced documents and testified they were copies of government papers made for the Soviet spy ring on the typewriter by Hiss and his wife.

Chester T. Lane, Hiss' attorney, said he would decide whether to appeal Goddard's decision after reading the opinion.

Mr. and Mrs. E. B. Wooldridge and children, Janice and Mickey, of Tyler visited Mr. and Mrs. O. N. Wooldridge, 392 Twenty-third Street, recently.

E. Allen of Arcadia, Calif., visited recently with her daughter Mrs. W. H. Seeker, Jr., Mr. Seeker and two children, 905 Twenty - eighth Street.

I got Conoco's NEW 1-2-3
"50,000 Miles No Wear" Service!
Thousands of other car owners are discovering what this smart motorist knows: the way to help your engine perform better, last longer, use *less* gasoline and oil is to get Conoco's great new "50,000 Miles—No Wear" Service!
It's exactly the *same* service that kept test cars *new* in Conoco's spectacular "50,000 Miles—No Wear" road test!
In that famous 50,000-mile test, with 1,000-mile drains and proper filter service, test car engines showed *no wear of any consequence:* in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Gasoline mileage for the *last* 5,000 miles was actually 99.77% as good as for the *first* 5,000.
Now you can get this same 1-2-3 "50,000 Miles—No Wear" Service, at your Conoco Mileage Merchant's, today!
Here's the Famous "50,000 Miles—No Wear" Service!

1 Your Conoco Mileage Merchant Will Drain Out Grit and Sludge, preferably while engine is hot! "Hot-oil" drains every 1,000 miles flush out grit, dirt, acid and contamination—leave your engine sparkling clean!

2 He'll Recondition Air and Oil Filters! He'll clean filter elements, replace dirty cartridges, record mileage. Every time hood is lifted, he'll check mileage to be sure filters have been serviced at proper intervals.

3 He'll refill with great Conoco Super Motor Oil! Conoco Super is fortified with additives that curb dangerous accumulation of dirt and contamination—protect metal surfaces from corrosive combustion acids—fight rust—OIL-PLATE against wear.

©1952—CONTINENTAL OIL COMPANY

Elect Glenn R. Lewis To The Supreme Court—

Glenn R. Lewis of San Angelo is a candidate for Place No. 1 on the Texas Supreme Court. He is a practicing attorney from a small town offering himself for a place on Texas' highest court.

Houston, Dallas, and Ft. Worth now have members on the Supreme Court. It is natural to assume those now standing for re-election will be returned to the court.

Glenn R. Lewis is a well-rounded, experienced lawyer. He has been city attorney, district attorney, and not just another assistant Attorney General, but AN ASSISTANT to Attorney General Gerald C. Mann.

Glenn R. Lewis comes from a section of the state that has experienced all types of oil litigation. He has dealt with all phases of questions pertinent to the oil industry.

Glenn R. Lewis wants your vote for Place No. 1, The Supreme Court of Texas.

Glenn R. Lewis was born in Limestone County in 1902. He attended the Public Schools at Quitaque, Briscoe County, and was graduated from Clarendon College, Clarendon, Tex., in 1921.

He received his A. B. Degree from Trinity University in 1922. He taught physics in Waxahachie High School while attending Trinity.

He was graduated from the Law School of the University of Texas in 1925, going immediately to San Angelo as an attorney in the firm of Wright & Gibbs.

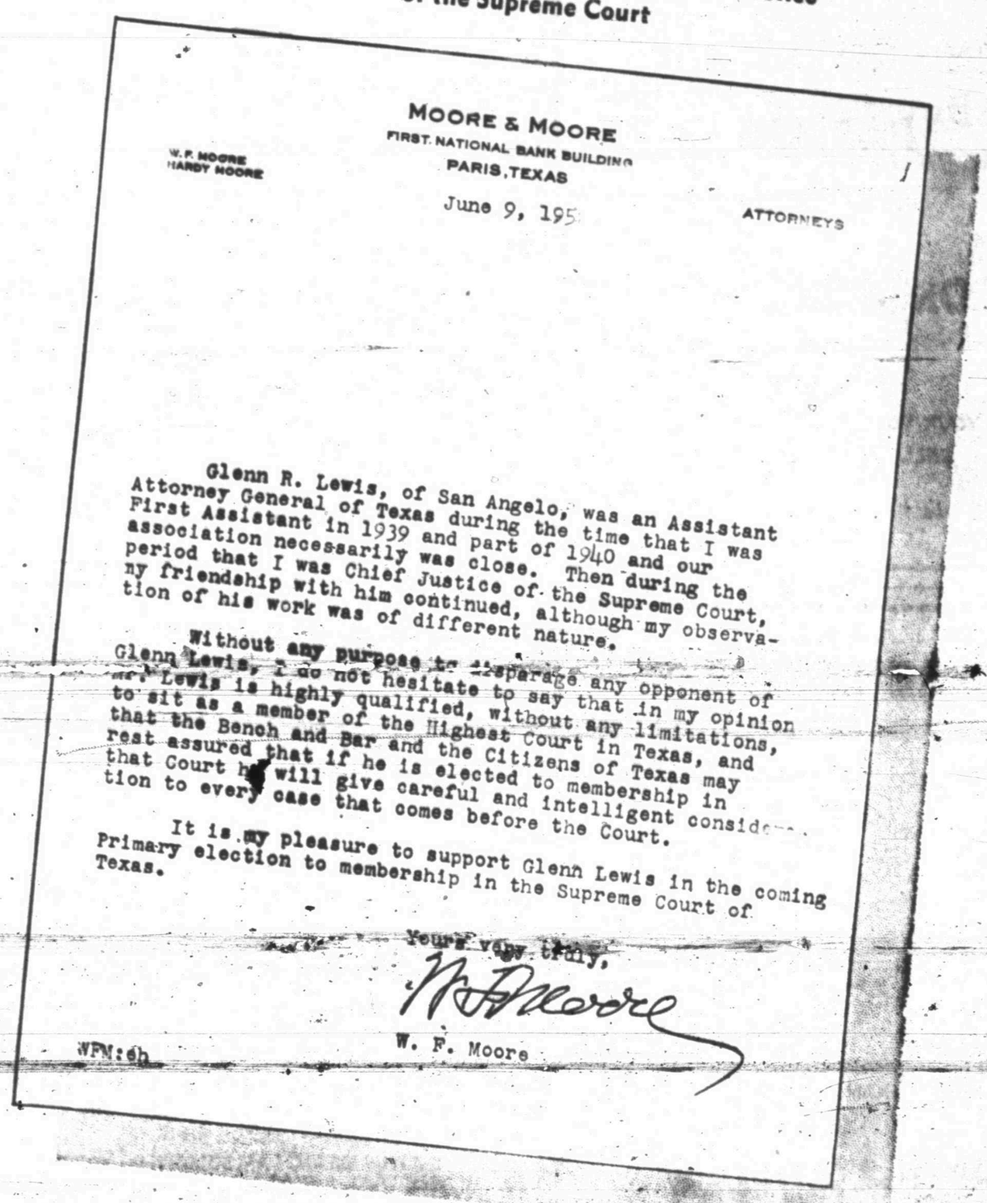

He married Miss Jewel-Raven of Victoria, Tex. They have three children.

He was elected District Attorney of the 51st Judicial district and was re-elected for two additional terms. He was appointed as Assistant Attorney General in 1939, heading a division handling an important part of the Attorney General's legal business.

He resigned on June 1, 1942 to join the navy. He was discharged in 1945.

Upon returning to San Angelo, he joined Robert T. Neill in a partnership. He served as City Attorney on a part time basis, handling civil matters only, from 1946 to 1950.

MOORE & MOORE
FIRST NATIONAL BANK BUILDING
PARIS, TEXAS
W. F. MOORE
HARDY MOORE
ATTORNEYS

June 9, 195

Glenn R. Lewis, of San Angelo, was an Assistant Attorney General of Texas during the time that I was First Assistant in 1939 and part of 1940 and our association necessarily was close. Then during the period that I was Chief Justice of the Supreme Court, my friendship with him continued, although my observation of his work was of different nature.

Without any purpose to disparage any opponent of Glenn Lewis, I do not hesitate to say that in my opinion Mr. Lewis is highly qualified, without any limitations, to sit as a member of the Highest Court in Texas, and that the Bench and Bar and the Citizens of Texas may rest assured that if he is elected to membership in that Court he will give careful and intelligent consideration to every case that comes before the Court.

It is my pleasure to support Glenn Lewis in the coming Primary election to membership in the Supreme Court of Texas.

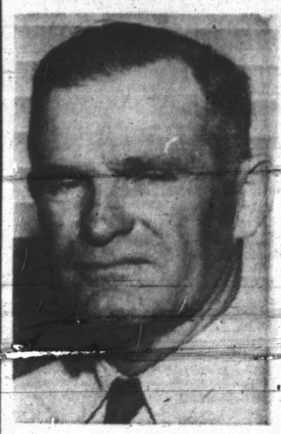

Yours very truly,
W. F. Moore

I Will Enforce the Laws of this County to the Best of My Ability.

"I stand for what is right" and will try to make you the best Sheriff Scurry County has ever had.
I am a Veteran.

YOUR VOTE AND INFLUENCE APPRECIATED!

(Pol. Adv. Paid for By George Lloyd)

The old idea of voting for a candidate because he needs the job is Out of Date. The question Does the office need the man? Or is the man qualifiied for the office?

Absolute honesty is the first Requisite but Education and Business Ability are also Essential qualifications for a good commissioner.

If you want only a figure-head or a yes-man, or a "you sign here" type I'm not the man. I want to earn my pay and be of service to my precinct and my county.

On these premises I solicit and will appreciate your support.

Four Women Break Olympics Record

HELSINKI (AP)—Another Olympic record fell today as the fourth day of track and field competition began in the big Olympic Stadium with qualifying trials in three events.

The women's broad jump mark of 5.69 meters (18 feet, 8.02 inches) was subjected to a mass assault and was smashed by four girls, one an American, within a short time after competition started.

NEW ZEALAND

Yvette Williams of New Zealand got off the best jump of the early trials, clearing 6.16 meters (20 feet, 2.52 inches), nearly two feet beyond the old Olympic standard, established in 1948 by Olga Gyramati of Hungary.

Right behind Miss Williams in the qualifying for this afternoon's final came Mabel Landry of Chicago with a jump of 19 feet, 3.50 inches. Two Russian girls, Aleksandra Chudina and Nina Otjerkina, also exceeded the former record.

American men, who have been setting the pace in this unprecedented record-breaking carnival, contented themselves with ordinary performances as they had to attain only comparatively easy qualifying distances.

All three American entries qualified for the javelin throw final without removing their sweat suits, which served as protection against raw, cold weather.

Franklin (Bud) Held of Lakeside, Calif., former Stanford athlete, got off the best American toss. 225 feet, 1.63 inches. Cy Young of Modesto, Calif., did 220 feet, 8.03 inches on his second try after missing on his first and Bill Miller of Phoenix, Ariz., threw 212 feet, 7.62 inches. The minimum qualifying distance was 209 feet, 11.74 inches.

SAN ANTONIO BOY

Walter Ashbaugh, Cornell Universtity athlete from East Liverpool, O., and Jim Gerhardt of San Antonio, Tex., qualified for American heavyweight wrestler, the final of the hop, step and jump in the first half of the field.

Bill Kerslake of Euclid, O., was eliminated right at the start of the final day of mat competition. Kerslake, starting with three demerits, lost decision to Bertil Andersson of Sweden.

The defending light heavyweight champion, Henry Wittenberg of New York, was given one demerit when he defeated August Englas of Russia but failed to score a fall. Neither was eliminated, but Wittenberg now has four demerits. Five mean elimination.

More than 20,000 spectators turned out for the morning session despite rainy weather and for the first time since the opening ceremonies the 70,000-seat stadium was sold out for the afternoon events.

The big drawing card was the javelin throw. This strenuous and often dangerous exercise, which has been banned from many American high school track meets, is a national sport of this small country.

Toivo Hyytiainen is the Finish champion. He and his team mates, Soini Nikkimen and Eino Leppanen, all threw the spear more than 70 meters (about 230 feet) in the Olympic trials.

Today's track finals also include the 200-meter dash, which should be another American triumph, and the hop, step and jump with Brazilian Abhemar F. da Silva favored.

Russia is leading the unofficial Olympic scoring parade with the United States in second place after three days of competition.

Due to strength in the gymnastic competition, the Soviet's athletes have piled up 136.5 poins. The United States with eight firsts in track and field has scored 115.

Records have been broken so often in the first three days track and field — eight out of the first 12 events — that the crowds have come to regard anything less than a record as a pretty poor show.

Three more new marks went into the books yesterday. Sim Iness of Los Angeles pulled a real surprise by out-throwing Defending Champion Adolfo Consolini in the discus with a record 55.03 meters (180 feet, 5.86 inches). Consolini, who finished second, also bettered the previous record which he set at London four years ago.

VAULTING RECORD

Bob Richards of Laverne, Calif., raised the pole vault record to within a fraction of 15 feet when he cleared 4.55 meters.

And Herbert Schade, an effortless runner from West Germany, chopped three full seconds off the 5,000-meter record when he won his heat in 14:15.4.

Diamond M Is Loser; Pasotex In First Place

Diamond M dropped from first to third place in the Snyder Fast Ball League when they lost a 6-4 decision to Humble last night, and Pasotex moved into undisputed first position when they edged Hermleigh 3 to 1.

Clay Fagan, Humble's winning hurler, allowed only four hits to the Diamond M nine. Fagan was backed by good fielding, only two errors made by his team, and good hitting, two homers by his teammates.

Long-hitters for Humble were Leroy Williams, and Curits Stanford.

Leroy Leard was Diamond M's losing pitcher. He gave up seven hits. Diamond M committed three fielding errors and made no home runs.

In the second game Pasotex moved into league leadership when Eddie Hight held Hermleigh to one run on two hits.

Charlie White was the loser for Hermleigh. He gave up three hits.

Fielding probably made the difference in the second game. Pasotex committed only one error compared to three for the losing team.

In the close race for top spot in the league, Humble maintained their second place, and the one game lost last night moved Diamond M down from a tie for first place to third place.

Tonight's games feature the West Texas State Bank vs. Pan American in the 7 o'clock tilt, and Texaco vs. the American Legion at 9.

American Legion is in fourth place in the league and Sunray is tied with Pan American for fifth place.

Trucks Gives One Hit to Washington

By JOE REICHLER
Associated Press Sports Writer

Baseball fans looked back to last night's thrill-packed action and cracked, "What, no no-hitter?"

That's about the only thing that didn't occur in the major leagues. And that, too, came within one pitch of being accomplished.

The star, (or is it victim?) of that pitching feat was Virgil Trucks, already the author of the American League's sole no-hitter of the 1952 season. The Detroit Tiger righthander gave up just one hit, a single by Eddie Yost, in hurling the Tigers to a 1-0 victory over the Washington Senators.

Yost's hit came on Trucks' first pitch of the game.

The New York Yankees swept a doubleheader from the vanishing Indians in Cleveland, 7-3 and 8-1, to increase their first-place margin over Boston's Red Sox to five games. The Yanks got 30 hits in the two games.

Bobby Shantz continued on his way to his 30-victory goal, pitching the Philadelphia Athletics to a 3-2 win over the St. Louis Browns. Shantz yielded eight blows for his 17 triumph against three losses. Billy Hitchcock drove in the winning run in the ninth.

Dave Koslo registered his fifth straight success over the St. Louis Cardinals this season, his 12th in a row over them in three years as the New York Giants earned a 3-2 triumph on Hank Thompson's two-run homer in the sixth.

Brooklyn's Dodgers met a four-run 10th inning by Cincinnati with a five-run outburst of their own to nip the Reds, 7-6, and retain their 7½-game bulge over the Giants in the National League race. Ken Raffensberger, third Cincy pitcher of the inning, hit Rube Walker with a pitched ball to force over the winning run.

Vern Bickford and the Boston Braves spotted the Chicago Cubs a 4-0 lead on Dee Fondy's grand slam homer and roared back to win, 6-4.

The Philadelphia Phils climbed to the .500 mark with a double win over Pittsburgh, 14-4 and 8-1.

Rookie Dick Gernert rapped a two-run homer in the 13th to give Boston a 4-2 triumph over the Chicago White Sox.

Janet Eastus, daughter of Mr. and Mrs. Robert N. Eastus, Jr., 1102 Twenty - sixth Street, is visiting her grandparents, Mr. and Mrs. Robert N. Eastus, Sr., in Abilene. Mr. Eastus, who is field executive of the Scurry, Mitchell, and Kent County Boy Scout district, is at the Boy Scout Ranch in the Davis Mountain. His wife expects him to return sometime Friday.

STERLING WILLIAMS

CANDIDATE FOR

District Judge

SCURRY and BORDEN COUNTIES

As County Judge of Scurry County I presided at the trial of more than 400 cases, many of which were appealed to the Court of Criminal Appeals at Austin or to the Court of Civil Appeals at Eastland. Of those cases appealed only three were reversed. Few Judges on any bench can cite a better record.

I Submit My Record . .

- I am Forty-seven years old.
- I have practiced law in this district more than 19 years.
- I was County Attorney of Scurry County one term.
- I was County Judge of Scurry County three terms.
- I am serving my fourth term in the State Legislature. (Scurry, Borden, Garza, Kent, Dickens and Stonewall Counties)
- I am not on the retainer of any Individual, Firm or Corporation.
- I have made no promises or commitments of any kind to any one.
- I am not obligated to any special group.
- If elected District Judge I will be open minded, fair and impartial.

I HAVE NEVER VIOLATED A PUBLIC TRUST

SNYDER'S OLDEST APPLIANCE DEALER
1914 25TH STREET — PHONE 3-3102

New GMC Model 470—powered by the sensational new "302" gasoline valve-in-head 145 h.p. engine. Also available as cab-over-engine.

GASOLINE ½ TO 30 TONS
DIESEL 2½ TO 35 TONS

TOPS IN PAY LOAD!

If you use gasoline-powered tractors in the 45,000 GCW class, here's big news. This new GMC Series 470 will haul more pay load than any other vehicle of its rating with comparable standard equipment—*up to more than a half-ton than some!*

That's because GMC has found new ways to take dead weight out of truck design by advanced engineering.

One example is GMC's sensational new "302" valve-in-head engine that delivers 145 h.p. at 3200 r.p.m. It weighs less than other engines of equal power by as much as 500 lbs. Yet it's the highest-compression gasoline truck engine ever built—*gives you extra mileage from regular fuel!*

Come in. Compare them—in power, in pay load, in rugged long-life construction—against all the rest!

Then check the price and you'll agree: *nowhere else will so little buy so much in a 3- to 4½-ton truck.*

HERE'S YOUR PAY-OFF ON A GMC 470

Same weight-saving in cab-over-engine model

Get a real truck!

R. B. Sears Motor Company
312 EAST HIGHWAY — PHONE 3-3181
You'll do better on a used truck with your GMC dealer

Teacher Who Sued Trustee Held in Jail

FAIRMONT, W. Va. (AP) — Dr. Luella R. Mundel, former art instructor who recently lost a $100,000 slander suit against a West Virginia State Board of Education member, was in jail today on assault and lunacy warrants. She is scheduled for a hearing Thursday before the Marion County Mental Hygiene Commission.

The lunacy warrant was issued on petition of Mrs. Eric Barnitz, wife of the resigned head of the Sociology Department of Fairmont State College, where Dr. Mundel taught until she was dismissed.

Dr. Mundel '38, brought a damage suit against Mrs. Thelma B. Loudin of the Board of Education, contending Mrs. Loudin slandered her and influenced the board to dismiss her.

A Circuit Court jury found Mrs. Loudin innocent about two weeks ago.

Mrs. Barnitz also swore out an assault warrant against Dr. Mundel after telling Police Chief John Austin the art instructor had attacked her with a letter opener Monday night while in a nervous and excitable condition.

Tusca Morris of Fairmont, Dr. Mundel's attorney, said he felt certain the lunacy warrant would be dismissed before the hearing.

He termed the warrant "a misjudgment on the part of her friends, attempting to keep her from hurting herself."

Nation to Watch How Rayburn Runs

(EDITOR'S NOTE: This is the seventh in a series on candidates for major office in Saturday's Texas Democratic primary. Tomorrow: hottest congressional race in West Texas is in Rep. Omar Burleson's 17th district.)

By TIM PARKER
Associated Press Staff

Unless lightning strikes here at Chicago, Sam Rayburn's political future again will be in the hands of a relatively few Texans Saturday.

The reference, of course, is to political lightning—the much-discussed possibility that the Democrats will make the Texan their presidential or vice presidential nominee.

If that doesn't happen, this important man's hopes depend on his winning his 20th consecutive term in Congress from Texas' fourth district. The Northeast Texas District comprises Grayson, Fannin, Collin, Hunt, Kaufman and Rockwall counties. His opponent is Reagan Brown, 31, Terrell, a newcomer to politics but a hard campaigner.

National attention will be on the Rayburn-Brown race. Here are the candidates in that district and in four others:

Fourth District—

Sam Rayburn, 70, Bonham. Born Jan. 6, 1882 in Roane County, Tenn. came to Texas as a boy, studied law at the University of Texas, became a practicing lawyer. After six years in the Texas Legislature (the last two as House speaker), Rayburn was elected to Congress in 1913 and has been re-elected, usually by lopsided majorities, ever since. He has become a high chieftain of the Democratic Party, having served as majority leader. He is now speaker of the House and has held that post longer than anyone in history. Rayburn was minority leader during the Republicans' brief control of Congress in the 1940's. Quiet and not a spectacular speaker, Rayburn has campaigned less than his opponent. He has said he does not seek the presidential nomination but, if a deadlock ensues and his party needs him, he would be a "good soldier" and accept. Rayburn is a bachelor.

Reagan Brown, 31, Terrell. Born and reared on farm near Henderson, worked his way through high school there with athletic and scholastic honors. Worked his way through Texas A&M (selling peanuts) and then served 3½ years in World War II. Wounded in the Battle of the Bulge, Brown was hospitalized six weeks for treatment of machine-gun wounds in the shoulder and back, returned to duty and was among the first to meet the Russians at Torgau, Germany. On discharge, operated a grocery and feed store at Henderson, then became assistant Hunt County agent at Greenville, in eight months was promoted to Kaufman County agent at Terrell, a post he has held four years. Has distinguished himself as a Methodist lay leader, in Farm Bureau and American Legion work, 4-H Club activities. Descendant of Veasy Brown, whose name is on the San Jacinto Monument, Brown has campaigned in every town in the district. He speaks of socialism, graft and dishonesty in government, pro-Communists in high places, the "need for more young men in politics." Calls himself a Jeffersonian Democrat, wants fewer controls over the individual, more "men of Christian faith in Washington."

First District—

Wright Patman, 58, Texarkana lawyer, [illegible] in Cass County and a graduate of Cumberland University Law School, was one of first to advocate a veterans' bonus. Has brought many government projects to Northeast Texas, is recognized for his work in behalf of small business.

Joe McCasland, 45, Jefferson lawyer, a former county attorney, county judge, district judge and district attorney. McCasland has campaigned hard, calling Patman a New Dealer, demanding a reduction in the federal budget, ejection of pro-Communists in government, elimination of waste and graft, an end to "socialistic trends."

Ninth District—

Clark W. Thompson, 55, Galveston merchant and incumbent. Asking his third full term, Thompson served one term in the 1930's, part of a term in the 40's, and won another part term in a 1947 special election. Denies his opponents' charge he is a New Dealer and calls himself a middle-of-the-roader. Supports administration foreign policy, most domestic policies.

James B. (Jimmy) Pattison, Pattison plantation owner. A member of the Texas House of Representatives, Pattison calls himself a conservative, Thompson a liberal. He thinks the issue is "the New Deal versus conservatism" and calls attention to his votes against state legislation asked by labor unions. Pattison also wants federal taxes on personal incomes limited to 25 per cent.

Deadline for Transfer Of School Districts Will Be August 1

Parents who want their children to attend schools outside the districts in which they live must make application for transfer by Aug. 1, Forrest Beavers, county superintendent, said.

Formal application for transfer must be made through the county superintendent's office every year, regardless of whether the transfer has been approved in previous years, Beavers said.

Eisenhower Plans Campaign Strategy At Mountain Retreat

DENVER (AP) — Gen. Dwight D. Eisenhower arranged to talk campaign strategy today with three key supporters at his vacation ranch in the Rocky Mountains.

And the three may join the Republican presidential nominee in a bit of trout fishing after the conference.

They are Sen. James H. Duff of Pennsylvania; Ralph Cake, GOP national committeeman from Oregon; and Gov. Dan Thornton of Colorado.

Palmer Hoyt, editor and publisher of the Denver Post, was accompanying the trio to the cattle ranch near Fraser, Colo., where Eisenhower has been vacationing since last Thursday. The party planned to drive from Denver, 72 miles east of Fraser, arriving in time for breakfast.

Superintendent Tells Club Of Schools' Role

Cecil Yarbrough, who was appointed superintendent of Snyder schools this summer, talked briefly to the Lion's Club yesterday on the "Fundementals of Educational Planning."

"You, the people, have forced the schools to work out a school curriculum, that includes a number of basic requirements that the schools must contribute to the education of every child," Yarbrough said.

Among those requirements for an educational program now are citizenship, the problem of living together, health, making a living, and appreciation of all things, Yarbrough stated.

The school must keep all these things in mind when planning an educational program, he said.

In the field of education there are no miracle drugs as penicillin is to the medical field, he added.

"We must treat each educational problem with the slow and painstaking methods which you, the people, have demanded of the educational facilties," he stated.

"Two basic theories which the educational world has learned recently from the people of this country are that all children are different, and that the entire child, not just a part of him, learns and the entire child, not just his mind, must be taught," he said.

W. W. Adcock, president, announced that a meeting of the board of directors of the club will be held at 6:30 o'clock Friday morning in the Manhattan Coffee Shop.

Stanotex Will Drill In Borden Hobo Field

Standard Oil of Texas has filed application to drill the No. 15-6-B T. L. Griffin in the Hobo field of South Borden County.

Location is 1,226 feet from east and 467 feet from north lines of section 39-25-H&TC, six miles northwest of Vincent. Contract depth is 7,500 feet.

State Aid To City Schools Up $15,156

Two factors have increased the amount of money Snyder's school system will receive for the 1952-53 fiscal year in per capita apportionment from the state.

Most of the increase, amounting to $15,156, is due to the raising of the per capita apportionment from $62 last year to $65 for the coming school year. The remainder of the increase is the result of a slightly higher figure on the school census for the next term.

Rather than basing the apportionment total allowance on the actual enrollment each year the state bases it on the school census, which has increased here from 3,687 last year to 3,750.

Last year, the system was paid $228,594 at $62 for each of the 3,687 students counted in the census. With 63 more persons on the school census, the total would have been increased $3,906 over if the per capita apportionment had not been raised. But with its increase of $3 per student, another $11,250 was added to the increase here, making the total to be received here for the coming term $243,750.

Per capita apportionment is profit from state owned land set aside for the state's public school systems. The profit each year from the lands—coming from leases, oil rentals, etc.—is divided by the total number of scholastics reported in census figures of the systems over the state. For this reason, the figure varies from year to year. The money paid schools from this source can be used only for payment of teacher salaries. The system here supplements the salaries paid by the state through per capita apportionment.

Cisco Sand Producer Pumps 132 Barrels

Standard Oil Co. of Texas No. 1-S-14 Mrs. Jessie W. Brown has been completed as a new producer from the Cisco sand in the Kelley-Snyder field.

The well pumped 21 hours for a calculated potential of 132 barrels of 42 gravity oil with no water. Pay was topped at 6,326 feet, with seven-inch casing set at 6,308 feet. Total depth is 6,354 feet.

The No. 1-S-14 Brown is 567 feet from south and 660 feet from east lines of section 496-97-H&TC.

HOSPITAL NOTES

Herman Shull, route No. 3, Snyder, and Janet Barker of Snyder, 15 years old, are medical patients admitted yesterday to Battenfield Hospital.

W. J. Ramsey, 2511 Avenue W, and Mrs. C. L. Walton, Snyder have been dismissed from the hospital.

Sheriff Says County Court Fines Total $228,500 in 2 1-2 Years

A total of $228,600 was paid in county court fines in the last two and one-half years, Lloyd H. Merrit, sheriff, told voters at a political rally in Ira Monday night. In an account of the rally in yesterday's Daily News erroneously quoted Merritt as saying that sum has been paid in only one year.

A complete tabulation of fines was published in an advertisement Merritt inserted in the Sunday Daily News.

On Percentage Basis, 4,400 Should Vote

About 4,400 persons will vote in the Democratic primary here Saturday if the same percentage of eligible voters poll on election day as did in 1950.

In the last Democratic primary approximately 3,000 Scurry County voters participated, and there were 4,985 poll tax receipts and exemption certificates issued. That is roughly 60 per cent turn-out. In addition to the known eligible voters, there were some exempt who were not required to obtain exemption certificates.

This year, however, the number of persons not required to obtain certificates of exemption is less because of increased population. Exempt persons in cities of 10,000 population or more must have them.

For voting this year, the county has issued 7,300 poll tax receipts and exemption certificates. Sixty per cent of that figure is 4,380. The increase in number of tax receipts obtained indicates an increase in political interest.

A recent visitor in the home of Mr. and Mrs. Robert Dean and family, 1913 Coleman, was her mother, Mrs. F. L. Nebrig, of Wichita Falls.
