## ROBERT LOVELACE INJURED IN CRASH THIS MORNING

Robert Lovelace, son of Mr. and Mrs. Boyd Lovelace, suffered two broken ribs and possible internal injuries about 2 o'clock this morning when the car which he was driving ran into the rear of a truck loaded with scrap iron. The accident hapened about five miles south of Eldorado. Both vehicles were travelling south.

Lovelace was taken to the Eldorado clinic for treatment. The driver said he did not know he had been run into. He heard a noise and thought it was a blow-out. When he stopped his truck he found he had been dragging Lovelace's car.

E. Ratliff, Jr., Edgar Reese, Baldemar Reyna, Hector Reyna, Adan Reyes, Guillermo Reyes, Manuel Reyes, Glen Richardson, O. L. Richardson, Jr., D. W. Reiley, Cloma Roberts, Scott Roberts, Volney Roberts, Jose Rodriguez, Pablo Rodriguez, L. M. Roueche, Jr., Vincent Roueche, LeRoy Russell.

Yanez, Juan P. Yariez.

## Hospital Directors Vote \$27,423 For Additions And Improvements

The directors of the Lillian M. Hudspeth Memorial Hospital, meeting Monday afternoon, voted to spend \$27,423.28 for twenty-four additions and improvements recommended by Tol Terrell, hospital consultant, L. G. Kneppshield, building superintendent, Bill Warner, general contractor and John G. Becker, architect.

Main items included in the expenditure are \$3,437.50 for a water pressure system, \$10,138.76 for a steam plant, and \$2,685.70 for terrazzo base around the walls instead of metal base.

The other improvements include mainly moving of walls to give more room in the nursery, X-ray room and other rooms, installation of adjustable shelving in all storerooms, installation of an oxygen system which will simplify the use of oxygen bottles and insure a constant supply of oxygen to all patient rooms, installation of five ice water fountains, and other minor additions designed to give patients more comfort and better service.

The making of these changes will probably increase the working days required for the building by about three months, moving the opening date up to about March 15.

## Line Play In 3rd Quarter Wins Over Owls 28-6

By Bobby Joe Granger

The Sonora Broncos opened their bid for the District 10-B championship Friday night in Bronco Stadium by defeating a stubborn flock of Reagan Owls 28-6. The bewildered Broncos, trailing 6-0 at halftime, came battling back in the third quarter to amass a total of 28 points with Gene Henderson, the versatile Bronco right halfback, doing all of the scoring.

The Broncos opened a vicious ground attack in the second half that ate up a total of 191 yards compared to 61 in the first half. The Sonora lineplay during the second half contributed mainly to the victory the locals managed to salvage in running their string to five straight triumphs over the Owls. The Owls have never defeated the Broncos.

During the first half, the Owls looked like the team to win by outplaying the locals in every department. The Bronco line could never seem to get on to the fine ball handling in the Reagan backfield during the first half. The Reagan backs broke through for several nice gains to carry the ball to the Bronco 25 yard line. After three running plays had failed, Barber pitched a 25 yard scoring pass to Wade on fourth

down to score the lone Owl tally. Up until a few minutes before the first half ended, the Broncos could never seem to launch a ground attack. They had their backs up against the wall on their own 8 yard line when Gonzales, the fleet-footed Bronco halfback, took a handoff from B. Baldwin and raced 92 yards to pay dirt only to have the play called back on a penalty. This action seemed to arouse the Broncos who in turn started their ground attack rolling and were driving for a tally when the half ended.

The Broncos lost no time in the third quarter in starting toward a victory. The first play from scrimmage for the Broncos sent Henderson over right tackle for 48 yards and pay dirt. A short time later, Henderson intercepted a short Reagan pass on the 50 yard line and raced to another score behind fine blocking. Henderson, still not satisfied with his feats for the night, rambled off his right tackle again for 78 yards and the third Bronco tally.

Shortly before the quarter ended, Henderson, behind the fine blocking of the right side of the Bronco line, went over from his own 9 yard line to score the final touchdown. All of Henderson's conversions were good.

Next Week Is Fire Prevention Week. Be Careful!!

down to score the lone Owl tally. Up until a few minutes before the first half ended, the Broncos could never seem to launch a ground attack. They had their backs up against the wall on their own 8 yard line when Gonzales, the fleet-footed Bronco halfback, took a handoff from B. Baldwin and raced 92 yards to pay dirt only to have the play called back on a penalty. This action seemed to arouse the Broncos who in turn started their ground attack rolling and were driving for a tally when the half ended.

## Robert Johnson, Early Settler, Buried Thursday

Funeral services for Robert Johnson, 89, Sutton County ranchman, were held at 3 o'clock Thursday afternoon from the First Baptist Church, with the Rev. J. E. Eldridge officiating. Burial was in Sonora Cemetery.

Mr. Johnson, who was born in Fannin County and came to Sutton County in 1911, died Tuesday afternoon in a San Antonio hospital. He had been seriously ill about two weeks.

His wife preceded him in death several years ago.

Surviving Mr. Johnson are three sons, Alvis and Elmo of Sonora, and Sam of San Antonio; five grandchildren, Dr. Alvis Johnson, Jr. of Greenville, W. R. Johnson, senior medical student at Baylor Medical School in Houston, Major R. D. Johnson of Scott AFB, Ill.; two granddaughters, Mrs. E. G. Ashley of San Antonio, and Mrs. A. C. Smith of Greenville; and nine great-grandchildren.

Pallbearers were Bill Fields, John Fields, Herbert Fields, Joe Berger, Jack Ellingson and Cashes Taylor.

Next Week Is Fire Prevention Week. Be Careful!!

## Fall Race Meet Opens Here Today

The Sonora Park Association's Fall Race Meet gets underway this afternoon at 2 o'clock when R. M. McCarver, official starter, pulls the wire on eight three year olds and up in the 440-yard first race of the three day meet consisting of 18 races.

By Tuesday night the stalls at the racetrack were full and about 40 more horses were expected. Local fans will get to see some of the better horses in Sonora's second meet of the year, including Rags, Reina, Flying Dutchman, Rag Man, Barbara L. Patriotic L., and Salty Star.

The Sonora High School Band will furnish music between races and the Band Parents Club will be in charge of the concession stand, where soft drinks, hot dogs and sandwiches may be bought. Officials for the meet are B.

W. Hutcherson, final judge, and Dan Cauthorn and W. B. McMillan, judges. Timekeepers are Stanley Mayfield, Cashes Taylor, and John Fields. Foul judges are S. M. Loeffler and L. E. Johnson. Howard Espy is pony boy. James D. Trainer and Lin Turney are in charge of the paddock, and R. M. McCarver will be starter, assisted by Bobby McCarver, Clayton Tolliver, Forrest Guest, L. P. Bloodworth and J. C. Berry.

In the ropings which will be held tonight, Saturday night and Sunday afternoon, Kay Black has replaced Walton Poage, who is appearing in Madison Square Garden with Toots Mansfield. Black and Powers will rope against Clifton Lowrey and James Leonard of Del Rio in a three-day matched roping.

## Sonora Host City To Sixth District Federation Music Clubs

The 24th annual convention of the Sixth District Texas Federation of Music Clubs, which will be held in Sonora October 12, 13, and 14 will open with a supper and board meeting at the home of Mrs. E. S. Mayer. The following committee chairmen will be in charge of this supper: Mmes. Louie Trainer, E. D. Shurley, G. H. Davis, Dave Locklin, James Wilson, Rip Ward, S. M. Loeffler, M. E. Genrich, C. E. Scott, and B. H. Cusenbary.

The business sessions will be held in the Elementary school auditorium. Following is the complete program:

Thursday, Oct. 12 - 7:00 PM - Supper and Board Meeting - Home of Mrs. E. S. Mayer.

Friday, Oct. 13 - 9:00 AM - Coffee

9:30 AM - Registration - Meeting of all District Officers and Chairmen.

10:00 AM - Formal Opening. Business Meeting.

11:30 AM - Memorial Service.

1:00 PM - Luncheon Honoring State and District Presidents.

2:00 PM - Business Meeting.

5:00 PM - Tea - at home of Mrs. J. M. Vander Stucken.

8:00 PM - Fine Arts Program.

10:00 PM - Buffet Supper and Stunt Night.

Saturday, Oct. 14 - Junior Day.

9:00 AM - Meeting of Club Presidents and Counselors.

9:30 AM - Registration.

10:00 AM - Greetings, State President, Mrs. J. V. Chandler, Kingsville.

12:00 AM - Luncheon.

1:00 PM - Musical Program. Mass Chorus of all Clubs.

2:00 PM - Frolic - Visitors and Clubs.

3:00 PM - Board Meeting.

Registration fees for the convention are \$1.00 for Senior delegates and Club presidents and 25 cents for Juniors. There is no fee for visitors. Luncheon tickets are \$1.50 for the Senior Luncheon and \$1.00 for the Junior Luncheon and reservations may be made at the time of registration or by calling Mrs. G. H. Davis. The public is cordially invited to the Fine Arts Program for which there will be no charge.

## Colts Defeat Reagan Owlets By 31-0 Score

A strong passing attack in the first gave the Sonora Colts a 31-0 victory over the Reagan Owlets last night in Bronco stadium. Wright's passes to Skinner and Chalk and Griffin and Crites' running were dominant factors in first half play and the Owlets were never able to threaten the Colts' goal.

Most of the second half was played on even terms with the outclassed team playing a much better brand of football than it did in the first two stanzas.

The Reagan boys had plenty of bad luck with injuries. Hale Armstrong, tackle, suffered a broken leg when he made a tackle toward the close of the game. Don Winchester, guard, played the entire game with a broken arm, but neglected to tell his coach until the game was over. Ronnie Bennett, end, suffered a badly bruised rib. All were treated at a local physician's office and sent home.

Through the efforts of the Ozona Lions Club, one of the nation's top "big name" dance bands, Orrin Tucker's "Danciest Band in the Land," will play for dancers. Of Ozona and the surrounding territory at the annual Lions Club dance to be staged October 9 at the Ozona Country Club.

## Firemen Elect New Officers

Mat Adams was named president of the Sonora Fire Department Wednesday night at the annual election of officers and presentation of awards. Elected vice president was Jack Hite. Other officers chosen include Tom Womack, secretary - treasurer, the Rev. Stanley F. Hauser, chaplain, Lee Patrick, Chief, John A. Martin, Jr., and Allen H. Adkins, assistant chiefs, and Mat Adams, Lee Patrick, Tom Womack, Cashes Taylor and John A. Martin, Jr., directors.

Mrs. Katie Brasher was elected Fire Mother for life several years ago.

George Barrow was awarded a cash prize of \$10 for having answered the most fire calls during the past year. Barrow answered 38 out of 43. Ervin Willman was second with 37, Lee Patrick was third with 36, Scott Roberts was fourth with 35 and Gomer Minnick, Martin, and Womack answered 34 each.

Patrick, Willman and Minnick were tied for drill attendance and will divide a \$25 cash prize. All had perfect records and this was the fifth consecutive year that Patrick has had perfect attendance at drills.

A barbecue supper was served after the election.

Firemen answered two calls this week -- at 4:45 o'clock Thursday afternoon, when an unidentified car caught fire in the vicinity of the L. W. Elliott School. Defective wiring was given as the cause. Second call was Friday morning when some wiring at Amador Castillo's house caught fire.

## Bank Deposits Now Insured For \$10,000

The First National Bank has announced that each depositor's account is now insured for a maximum of \$10,000 by the Federal Deposit Insurance Corporation.

The maximum amount previously covered by this insurance was \$5,000. The increase in coverage is made possible largely by the excellent safety record of banks since the FDIC was formed in 1933.

The word "federal" in the name of the insurance corporation leads some to believe mistakenly that the Federal Government pays for the deposit insurance. Actually the First National Bank of Sonora and other insured banks pay the full cost of such insurance. Each member bank pays insurance premiums in the form of assessments on deposits. Federal Deposit Insurance is really, therefore, another bank service, supplied at bank expense, for the protection of money deposited.

## Orrin Tucker's Band To Play

Through the efforts of the Ozona Lions Club, one of the nation's top "big name" dance bands, Orrin Tucker's "Danciest Band in the Land," will play for dancers. Of Ozona and the surrounding territory at the annual Lions Club dance to be staged October 9 at the Ozona Country Club.

Texas retail sales for August 1950 climbed 22 percent from a year earlier, the Texas Bureau of Business Research reported.

Preliminary tabulations placed August sales at an estimated \$570 million, or 4 percent below the all-time peak reached in July 1950.

August sales of durable goods stores fell 10 percent from the previous month, while nondurable goods stores registered a 5-percent gain. From the same month a year ago, durable sales were up 32 percent to outdistance the 11-percent increase for nondurable goods stores.

Household and appliance stores presented a 23-percent reduction in August sales from the previous month. Sales of motor vehicles dealers were off 16 percent; farm implement dealers, 12 percent; and hardware stores, 7 percent.

Counter to the over-all monthly decline for durable goods stores, jewelry sales jumped 21 percent from July. Lumber and building material dealers and furniture stores turned in smaller increases of 6 and 3 percent, respectively.

Women's speciality shops, with a 19-percent gain, tallied the biggest July-to-August advance in the nondurable goods stores category. Florists and office, store, and school supply dealers showed increases of 18 percent, and shoe stores reported a 15-percent upturn in their August sales. Smaller gains ranged from 2 to 12 percent.

On the other hand, August sales of filling stations decreased 12 percent from July; men's and boys' clothing stores, 7 percent; country general stores, 3 percent; stores without meats, 1 percent; and combination grocery stores reported a fractional decline.

Increases over August 1949 sales for nondurable goods stores varied from a 3-percent gain for women's speciality shops to a 20-percent climb for shoe stores.

**Better Buy Buick!**

PERHAPS you've noticed that there seem to be a lot of these brawny beauties running around on America's highways — and it isn't just that boldly gleaming fore-front that spreads this impression. It isn't just the fact that folks who own a Buick get such a bang out of it that they do a lot of driving.

Back of all this is another fact. It's a fact that contains a broad hint to anyone who'd like to know what's what in motorcar buys. 1950 Buicks are breaking all past popularity records, as registered in sales.

So we suggest that you do some personal investigating. Find out, for example, how mas-

terful you feel, with Fireball power purring away the miles, at a polite touch of your toe on the gas treadle.

Find out how the jolts and jars seem to disappear, when you have big soft coil springs on all four wheels, and fat low-pressure tires on wide Safety-Ride rims.

Then there's Dynaflo Drive,\* which Buick owners vote the biggest automotive hit that has come along in years.

With all this, there's room, and comfort, and road-hugging heft combined with a light and willing response to your hand on the

wheel — and prices that start down with the sixes.

Seems like almost everyone wants to own one of these Buicks — and most people can. How about you? Isn't it a smart idea to see your Buick dealer now and get your name on his list?

**Only BUICK has Dynaflo — and with it goes: HIGHER-COMPRESSION** Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • **NEW-PATTERN STYLING**, with MULTI-GUARD forehead, taper-through fenders • **TRAFFIC-HANDY SIZE**, less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE**, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steading torque-tube

\*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

 Members of the Women's Missionary Union of the Baptist Church met Wednesday for their circle meetings. Circle "Bolton" met with Mrs. J. E. Eldridge. The devotional was given by Mrs. W. A. McCoy. Officers for the coming year were appointed. Refreshments were served to 12 members.  
 The "Yearwood" circle met with Mrs. J. P. Smith. Mrs. T. F. Kenemer gave the devotional. Officers were appointed and refreshments served to 11 members.

**MAX MURRAY APPOINTED MIDSHIPMAN AT UNIVERSITY**  
 Max D. Murray, son of Otis Murray and grandson of Mrs. B. C. McGilvray of Sonora, has been accepted for enrollment in The University of Texas Naval ROTC Unit, Captain Robert A. Knapp, Professor of Naval Science, announced.  
 Midshipman Murray, who graduated from Ball High School, Galveston and attended local schools, will receive a commission as an ensign in the U. S. Naval Reserve or second lieutenant in the U. S. Marine Corps Reserve upon completing his four-year naval science course and obtaining a degree at the University.

The purpose of the Naval ROTC is not only to supplement the officer ranks of the Navy and Marine Corps, but also to introduce into the naval service officers of liberal education.  
 The navy believes that a combination of Naval Academy graduates with technical educations, and Naval ROTC graduates with liberal educations, will result in a well-rounded officer corps. Murray will study education at the University.

Enjoy that football game or boat ride with a "Grandstander," the easy-back cushioned chair. G. E. Ellis, your sporting goods dealer. 1tc51  
 Livestock premiums for the 1950 State Fair of Texas, October 7-22 total \$72,659, largest in the history of the State Fair.  
 Mrs. Ella Wallace is in Uvalde visiting Mrs. W. C. Bryson.

**SADLER'S WELLS BALLET TO SHOW IN DALLAS**

Mail orders are now being accepted for tickets for the Sadler's Wells Ballet at the State Fair Auditorium in Dallas November 25-27. Four performances, including a Sunday matinee, will be the only Southwest appearance of the internationally-famed British ballet company, now on its second tour of the United States.

The company, headed by Margot Fonteyn, includes Moirira Shearer and Robert Hellmann, stars of "Red Shoes," Frederick Ashton and Michael Somes.

The performances will be: Saturday evening, Nov. 25, "Swan Lake" by Tchaikovsky. Sunday afternoon, Nov. 26, "Swan Lake." Sunday evening, Nov. 26, "Wedding Bouquet" by Frederick Ashton; "Les Patineurs" by Ashton; the Rose Adagio from "Sleeping Beauty" by Tchaikovsky, and "Facade" with Ashton's choreography to William Walton music. Monday evening, Nov. 27, "Checkmate" by Ninette de Valois; the Aurora Pas de Deux from "Sleeping Beauty," "Facade," and "Dante Sonata."

Prices, including tax, are \$4.80 and \$4.20, lower floor; \$3.90, \$2.80, \$2.10 and \$1.20, balcony. Ticket orders should be addressed to the State Fair Auditorium, Dallas, and should be accompanied by a self-addressed stamped envelope.

Rural Youth Day on opening day of the 1950 State Fair of Texas, October 7-22, will bring 100,000 farm and ranch youngsters to the Fair.

 Drive safely! Observe stop signs.

**Fund Lack Slows Economy Group, Governor Reports**

By ALLAN SHIVERS  
 Governor of Texas  
 (Editor's Note: This is the last in a series of five articles on the Texas Economy Commission.)

Just as the housewife engages in "spring housecleaning," state government needs to clean house now and then.

If unneeded or overlapping services have accumulated, they must be eliminated. Only by doing so can we make sure that necessary state services will be provided efficiently and economically.

The Texas Economy Commission is undertaking to provide financial support for the necessary research upon which to base a sound, progressive reorganization program.

HUNDREDS of Texas citizens have accepted appointment to this commission, which is purely a people's project. It has no connection with state government, except that appointments to the commission were made by the Governor.

We hope for and expect the Texas Economy Commission to grow into a real grass-roots movement for good government. Everyone is for economy in general. Most of us like to talk about it—but taking action is a different matter.

I hope that the Texas Economy Commission will soon get beyond the talking stage.

When will this commission have something to report? That question is not easy to answer.

When the commission was originally started last March, I had hopes that it would be able to start its work promptly and have at least a preliminary report ready by January, 1951, when the 52nd Legislature will meet.

THERE HAVE BEEN inevitable delays, however, in the organization process. As might be expected, most of our problems are financial in nature. No state funds are available for this program, which will require a minimum of \$75,000 for proper development.

Capable personnel must be acquired for the research staff, and persons of the desired qualifications are not easy to find.

They are already gainfully employed elsewhere; they are not eager to accept assignments with this new organization until the money is in the bank.

Thus the actual research program of the TEC has had to wait on completion of the drive for a \$75,000 operating fund. About 20 per cent of the commission's first-year budget has been deposited. Efforts are being pushed to raise the balance.

Meanwhile, county organizations have been perfected in about 50 counties. Fund-raising is in progress in other counties as well. The money will be subscribed, I am confident.

THUS THE TIMETABLE of the Texas Economy Commission has had to be revised. It is unlikely that a report can be made that will be helpful to the Governor and the Legislature during the forthcoming session.

This delay is to be regretted, but it will not be fatal.

The field in which the Texas Economy Commission will operate is broad and complicated. A careful study and report somewhat delayed would be eminently preferable to a hasty and incomplete one.

I am convinced that the Texas Economy Commission is in position to do a great deal for economy and efficiency in state government—and that it will do so.

**SW Conference Play Opens With Arkansas Vs. TCU**

The Southwest sets its inter-sectional record against the Big Seven and Southeast Conferences Saturday, besides having its own first league game of the year. Radio reports of this action will fill Humble Oil & Refining Company's football broadcast schedule this week.

From the Big Seven, Oklahoma U. faces Texas A&M and Missouri tries SMU. The Southeast sends LSU against Rice and Mississippi State to meet Baylor. Meanwhile, Arkansas and TCU will play the first Southwest Conference game of the year.

Kern Tips and Alec Chesser will report the Aggies' invasion of Oklahoma, from Norman, Okla., with the broadcast beginning at 1:50 o'clock over KFJZ, Fort Worth; WRR, Dallas; KGKL, San Angelo; KNOW, Austin; KABC, San Antonio.

The SMU-Missouri meeting, at Columbia, Mo., will be described by Ves Box and Dave Russell, starting at 1:50 o'clock over stations WFAA-WBAP-570, Dallas - Ft. Worth; KTSA, San Antonio; KTBC, Austin.

The other three are night games. The Rice-LSU contest will have Bill Michaels and Bob Walker in Houston for the broadcast beginning at 8:05 o'clock. It will be

heard on KTRH, Houston; WFAA-WBAP-570, Dallas - Ft. Worth; KABC, San Antonio.

Baylor and Mississippi State, playing in Shreveport's new stadium, will have an 8 o'clock starting time. Eddie Barker and Buddy Bostick will cover the game on stations WRR, Dallas; KLYZ, Houston; KCOR, San Antonio.

For the 1950's first Conference game, it will be Charlie Jordan and Jerry Doggett at TCU stadium, starting at 8 o'clock. The Frog-Razorback game story may be heard on KFJZ, Ft. Worth; KGKL, San Angelo; KNOW, Austin; KMAC, San Antonio.

Mr. and Mrs. Frank Bond returned Sunday afternoon from Austin, where they visited their son, Frankie, who is a student at the University of Texas.

Ammunition for every make of gun at your sporting goods dealer, G. E. Ellis. 1tc51

Pvt. W. F. Bradford, son of L. R. Bradford of Sonora, has begun a course of indoctrination training at Lackland Air Force Base near San Antonio.

Three big horse shows will be held on the three weekends of the 1950 State Fair of Texas Mid-Century Livestock Exposition October 7-22.

# - SOCIETY NOTES -

Sonora, Texas, Friday, October 6, 1950 THE DEVIL'S RIVER NEWS

Mrs. J. Franklin Howell attended a meeting of the Women's Auxiliary of the Tom Green Eight County Medical Society in San Angelo Tuesday. The meeting was in the form of a luncheon which was held in the Virginia room of the San Angelus Hotel.

## FORTY-TWO CLUB MEETS WITH MRS. LABENSKÉ

Mrs. Lee Labenske was hostess for the Thursday Forty-Two Club at her home last week.

High score for members was held by Mrs. O. G. Babcock, and for high guest by Mrs. B. C. McGilvray.

Playing were Mmes. Babcock, John Bunnell, Joe Berger, R. V. Cook, Robert Kelley, Lawrence Nichols, Robert Rees, J. W. Trainor, Rose Thorp, Ella Wallace, Sim Glasscock and McGilvray.

## Guild Bazaar November 15

Date for the annual bazaar held by the Young Women's Guild of St. John's Church was set at the meeting of the guild Wednesday afternoon at the church parish house. The bazaar is to be held November 15, and booths are to be set up on the street. Luncheon will be served for the public at the parish house.

Plans were made and a committee appointed for a church supper to be held October 10. Mrs. Duke Wilson was in charge of the meeting and the report on the bazaar was given by Miss Alice Karnes.

Guests of the guild were Mmes. Jim Willoughby, Thad Thompson, Stanley Gaynor, Forest Runge and Charley Parker, all of Eldorado.

Edwin Mayer, Jr. is planning on planting his West Headquarters Field, at the Upper Ranch, to Madrid clover as soon as the ground is dry enough.

Next Week Is Fire Prevention Week. Be Careful!!

Josh Wheeler

## Josh Wheeler To Sing In Ozona

Ozona and its surrounding territory joins the ranks of the great concert centers of the nation on Monday night, October 16, 1950 when Josh Wheeler, baritone star of the concert stage, appears in Ozona in person to perform for the membership of the Ozona Municipal Concert Association.

To New York, Chicago and Los Angeles this Fall has brought the opening of their annual concert season and Ozona now becomes a part of that great circuit across the country which this season and for many seasons to come will enjoy the performances of outstanding and brilliant artists.

Wheeler, who opens this auspicious season, brings with him all the enthusiasm and vigor that have made his name a by-word in the nation's concert circles. Known for his audience appeal as well as his powerful and beautiful voice, Josh Wheeler has designed a program fully intended to capture the magic of an "opening night", and concert goers may well look forward to an unforgettable evening.

The Wheeler concert is a presentation of the Ozona Municipal Concert Association, and admission to the performance may be gained by members only. Curtain time at the Ozona High School Auditorium is promptly at 8 o'clock.

## MRS. EDWIN SAWYER HOSTESS TO JUST US CLUB TUESDAY

Mrs. Edwin Sawyer was hostess to members and guests of the Just Us Club when she entertained with a luncheon at her home Tuesday. Chrysanthemums were used for decorations.

High score for members was held by Mrs. Rip Ward, high for guests by Mrs. Sterling Baker, slam by Mrs. Harold Friess and bingo by Mrs. R. A. Halbert.

Playing were Mmes. G. H. Davis, E. E. Sawyer, C. T. Jones, Jr., C. A. Tyler, G. H. Hall, Ward, Halbert, Baker, Tom Ratliff, W. H. Dameron, W. R. Cusenbary, E. A. Brodhead, Ben H. Cusenbary, Joe B. Ross, Friess and R. C. Vicars.

## Tea Honors Recent Bride

Mrs. Allen Owens, recent bride, was honored with a shower at the Sonora Woman's Club Wednesday night. Hostesses for the occasion were Mmes. R. A. Halbert and R. C. Vicars.

The bride's chosen colors of pink and white were used in floral decorations and refreshments. The serving table was laid with a lace cloth over pink and centered with an arrangement of pink carnations and white gladioli. Members of the house party wore pink and white carnation corsages.

In the receiving line were the honoree, hostesses and Mrs. G. Humphrey, James Williams, Carrol W. Archer, grandmother of the bride. Serving the first hour were Mrs. L. E. Johnson and Mrs. Francis Archer, and the second hour, Mrs. Lester Archer and Mrs. T. E. Glasscock. Mrs. Wallace Renfroe was the guest register the first hour and Miss Lois B. Hill the second hour. Miss Johnnie Johnson and Miss Betty Rankhorn were other members of the house party.

About 75 guests called during the two hour period.

## P-TA Holds Day Of Instruction

Members of the Eldorado and West Ward Parent-Teacher Association units were included as guests at the day of instruction held by the Sonora P-TA last week.

Mrs. Edwin Jackson of Eldorado, district president, was guest speaker and Mrs. Frank Potmesil, vice president of Sutton and Schleicher Counties, presided. The program included a discussion of highlights of the P-TA manual.

Among the 27 present were Mmes. John Williams, Gus Love, Jess Walston, G. J. King, W. J. Humphrey, James Williams, Carrol Ratliff, all of Eldorado, Mrs. Ben Castillo and Mrs. Lalla Morales of the L. W. Elliott School.

## Mrs. Lowe Feted At Tea Thursday

Mrs. Rex Lowe, the former Miss Edith Eldridge, was honored last Thursday with a gift tea in the Sonora Woman's Club.

Hostesses were Mmes. Howard Millican, Rip Ward, and Jim Cauthorn. In the receiving line with the honoree were her mother, Mrs. J. E. Eldridge, and the hostesses. At the guest book was Mrs. Duane Prater and alternating at the tea table were Mmes. Ben Mittel, M. C. Scott, Katie Brasher and R. G. Nance.

Miss Marilyn Mittel and Mrs. E. D. Shurley played piano selections and Miss Peggy Sue Reiley, soloist, and Mrs. A. E. Prugel, violinist, were accompanied at the piano by Mrs. James Wilson. Mrs. Jack Ellingson also sang several numbers, accompanied at the piano by Mrs. S. M. Loeffler.

A bronze and green color scheme was used in decorations. The centerpiece, an arrangement of bronze chrysanthemums flanked with green candles, was in front of two hearts inscribed with the names, "Edith and Rex." About 65 guests attended.

Attend SOME Church Sunday.

# DOUBLE AGEING

## MAKES A DIFFERENCE

1. Lone Star is first aged in these primary ageing tanks at slightly higher temperatures.

2. Lone Star then goes to these secondary ageing cellars where the double-ageing process is completed.

3. Every step in brewing Lone Star is carefully tested and controlled by more than 40 separate laboratory checks.

Brewed without added sugars or fattening syrups, Lone Star is a light, natural, all-grain beer. But it is double ageing that fully develops Lone Star's double-mellow flavor.

1. To work the yeast out of the brew, Lone Star is first aged at slightly higher temperatures as shown in Fig. 1 at the left.

2. Lone Star is then pumped into other tanks (Fig. 2) where, at somewhat lower temperatures, the second ageing period is completed. This patient, double-ageing process, used only in the costliest beers, makes a difference that makes Lone Star, Texas' fine, light beer.

Smith - Baker Rites Read Friday

Mrs. Dorothy Baker, daughter of Mr. and Mrs. Tate Jarvis of Sonora, was married Friday night to Burl J. Smith, son of Mr. and Mrs. J. P. Smith of Knoxville, Arkansas. The ceremony was performed in the Church of Christ parsonage by the Rev. Bomer Gist.

The couple was attended by Mr. and Mrs. Jack L. Jarvis, brother and sister-in-law of the bride. The bride wore a brown and green checked sharkskin suit and a corsage of bronze mums.

Mr. Smith is employed by the Texas - New Mexico Pipeline Company.

To Attend Training School

Jack Mackey of Sonora is to attend an Episcopal laymen's training school being held at Camp Capers, Waring, Texas, Saturday and Sunday.

Charles M. McCrae of Oklahoma City, Oklahoma is the leader. He is one of 30 churchmen who have received special instruction to train laymen so that they may carry the story of the Church's program to the people of the Church.

Congratulations To These New Parents

Mr. and Mrs. Leo Berry are parents of a daughter born September, 23. The baby has been named Judy Beth and weighed eight pounds and four ounces.

Grandparents are Mr. and Mrs. Ben Berry of Sonora and Mr. Luxton of Uvalde.

Mr. and Mrs. Edwin Mayer, Jr. are parents of a son born in a San Angelo hospital, September 28. The baby weighed 7 pounds, 4 ounces, and has been named Stephen Kent.

Grandparents are Mr. and Mrs. Edwin Mayer of Sonora and Mr. and Mrs. J. B. Blackburn of Seymour. Great-grandparents are Mr. and Mrs. Sol Mayer of San Angelo and Mr. and Mrs. Couch of Seymour.

CARD OF THANKS

For the many kind acts and for the beautiful flowers we shall be eternally grateful.

The Family of Robert Johnson.

WANTED: Coats or jackets for two little boys aged 9 and 12, small for age. Please call Mrs. C. F. Bode at 27022. 1tp51.

JANIE LETSINGER GIVEN PARTY ON BIRTHDAY

Mrs. Ted Letsinger honored her daughter, Janie, with a party Sunday on her third birthday. Balloons were given the children as favors, and cake, punch and ice cream was served. Mrs. Letsinger was assisted by Mrs. W. O. Crites.

Present were Virginia Ann Gist, Gary McGilvray, Sue Fisher, Donnie Hay, Caddy Lyles, Delaney Cook and Al Letsinger.

Also mes. Pat Lyles, E. R. Foster and Bill McGilvray.

BARROWS - DICKENS RITES READ IN ELDORADO

Miss Jonnie Lee Dickens, daughter of Mr. and Mrs. Reuben Dickens of Eldorado, became the bride of John Lee Barrows, son of Mr. and Mrs. J. E. Barrows of Sonora, in a ceremony performed at 10 o'clock Wednesday morning in the First Methodist Church parsonage of Eldorado. The Rev. Roy Schilling, pastor, officiated at the single ring rites.

The bride wore a hunter green suit with black and gold accessories and a white camellia corsage. Her attendants were her sister, Miss Carol Lynn Dickens of Eldorado, and Mrs. James Cook of Sonora. Both wore gray suits with black and gray accessories and white carnation corsages. James Cook attended the groom as best man.

Following a short wedding trip to Monterrey, Mexico, the couple will at home in San Angelo. A 1950 graduate of the Eldorado High School, Mrs. Barrows was valedictorian of her class and Eldorado DAR representative.

ed out that the group should work closely with the farm youth organizations of the state.

Ralph Johnston, president of the Houston Farm and Ranch Club, said that the organization would provide an ideal way for the business men of the state to cooperate with the farmers and ranchmen.

The organization provides three types of memberships. Dues for the individual will be \$10, \$25 for businesses, and an open contributing membership.

Better Texas Pastures, Inc., will have a state committee made up of five members from each of the federal crop-reporting districts, district committees made up of three members from each county, and county committees elected by the membership.

An outline of the full program will be announced soon.

Names of 158 students who made all "A" records this summer.

Barrows attended the Sonora schools and served four years in the U. S. Navy.

What's going on in Sonora

HERE AND THERE

Pfc. Fortuna Sanchez, son of Mr. and Mrs. Mike Sanchez, has written home from a hospital in Japan where he was sent after being wounded in the battle for Seoul. Sanchez, who was serving with the First Marine Division, was wounded five times by a mortar shell, but is recovering. His buddy, who was nearly, lost both legs in the same explosion, Sanchez said . . . S/Sgt. John Bell, Texas Highway Dept. employee here, received his orders Tuesday to report to Ft. Dix, New Jersey, for induction into the Air Force. Bell has been called back for one year's duty and will be stationed at Pittsburgh Airport, where he will be an aircraft welder. He reports October 21 . . . Cpl. Raymond Cooper, son of Mr. and Mrs. Alfred Cooper, will report October 19 to Camp Pendleton, Calif. for duty with the Marine Corps. He is a reserve . . . Cpl. Dan Turman, another Sonora reserve, will report to the Army October 14 for duty . . . Gene Wallace underwent a major operation Tuesday in a San Antonio hospital and is reported improving . . . Mr. and Mrs. Hugh Shaw and family were in Dallas Tuesday to attend the funeral of his step-father, Oscar Harton, 72, of Rockwall . . . Dr. Joe B. Logan was one of those receiving a "Spanish Prisoner" letter. Reported in San Antonio and San Angelo newspapers as having received like letters were a San Antonio and a San Angelo dentist. The letter, the opening move in one of the oldest confidence games in this country, is written by one who claims to be in prison in Mexico but who has a large amount in money hidden somewhere. The sucker is supposed to finance the prisoner's "escape" and then receive part of the money. Dr. Logan is keeping the letter as a souvenir . . . The Rev. Ralph Bates, Church of the Nazarene, is conducting a revival at the Eldorado Memorial Building from Sunday, October 8 to Oct. 23 at 7:30 o'clock each evening. . . . The Carl Cahills are building on the old US 290 and have the walls of their new home up . . . Dr. and Mrs. Charles F. Browne are building a store room and plan to glass in the porch adjoining their swimming pool . . . The Shelly Lowes are building on US 290 near their present home.

mer at the University of Michigan included that of Mrs. Lester Chastant, daughter of Mr. and Mrs. Joe Brown Ross . . . A daughter, Linda, weighing 6 pounds, was born to the Jesse Villarreal here Sunday . . . A letter from A. E. (Poly) Wells, former school superintendent here states that the Abilene Reporter News is not giving Sonora the type of recognition she deserves and requests a Devil be forwarded to Abilene each week.

If our boys are on the field have enough faith in them to say they did their best, for they have tried. Honest now -- could you have played better?"

Since the letter was mailed to this office, we assume the writer desires comment. Our answers, therefore, are: 1. Nothing. 2. It certainly does. 3. Maybe they have and maybe they haven't. 4. No, we definitely could not have done better. At our age, we are doing

well to make it up to Row 12, Section C.

I may still have the gun you want at a price you can afford to pay. G. E. Ellis, your sporting goods dealer. 1te51

LET US PRAY

A preacher, at the close of one of his sermons, said: "Let all in the house who are paying their debts stand up." Presently every man, woman and child, with one exception, rose to their feet.

The preacher seated them and said: "Now let every man not paying his debts stand up." The exception, a careworn, hungry-looking individual clothed in last summer's suit, slowly assumed the perpendicular position.

"How is it, my friend," asked the minister, "that you are the only one not able to meet his obligations?"

"I run a newspaper," he answered meekly, "and the brethren here who stood up are my subscribers and . . ."

"Let us pray," exclaimed the minister.

Pasture Improvement Program Organized For 10-Year Period

A ten-year pasture improvement program backed by Governor Allan Shivers was organized in Austin September 7 at a meeting of the Texas Pasture Improvement Committee.

Called to Austin by the Governor, the committee voted to organize Better Texas Pastures, Inc., and raised an initial \$50,000 for organization, and named Claude W. Voyles of Austin and a Blanco County ranchman chairman.

The idea, which originated with a resolution passed by the agricultural committee of the Houston Chamber of Commerce early this year requesting the Governor to declare a pasture improvement decade from 1950 to 1960, is now to organize each of Texas 254 counties in a close-knit research and better-pasture-practices program in cooperation with already established agencies.

Other officers named were Tommy Brook of Camp San Saba, Vice-Chairman; Dr. Bruce McMullan of Overton, Secretary; and

E. L. Boston of Angleton, Treasurer.

The group will appoint a full-time executive secretary. W. O. Cox, manager of the agriculture department of the Houston Chamber of Commerce, is acting as temporary secretary.

It is contemplated that the organization when in full swing will operate under a much larger budget than that initially adopted.

Leading farmers and ranchmen from practically every part of the state attended the organizational meeting and declared that they were behind the program.

Bob Kleberg of the famed King Ranch urged the organization to place emphasis on research to provide better pastures in Texas' widely-varied climate. He and other speakers noted advances that were being made in other Southern states and pointed out that Texas should lead in the livestock industry with its pasture development.

Don't Be Satisfied With Symptomatic Relief!

HADACOL NOW MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition When due to lack of Vitamins B1, B2, Iron and Niacin in your system!

Read How These Folks Benefited Who Had Such Deficiencies

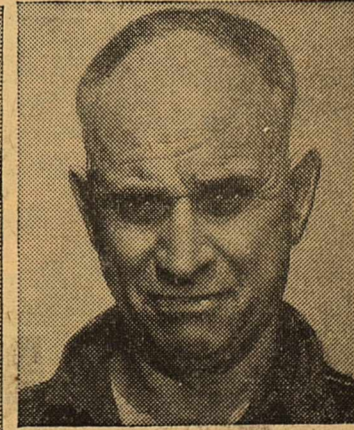

Mr. Anthamatten, 4731 South 32nd West Ave., Tulsa 7, Oklahoma, suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the \$3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful results because it actually relieves the REAL CAUSE of stomach distress [gas pains, heartburn, indigestion after eating] due to such deficiencies. And continued use of this great HADACOL helps prevent such distress from returning.)

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio. "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the REAL CAUSE of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa, writes: "My daughter, Marilyn Sue, is 5 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results . . . she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great "builder-upper" for sick, nervous, puny kids whose systems lack precious Vitamins B1, B2, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

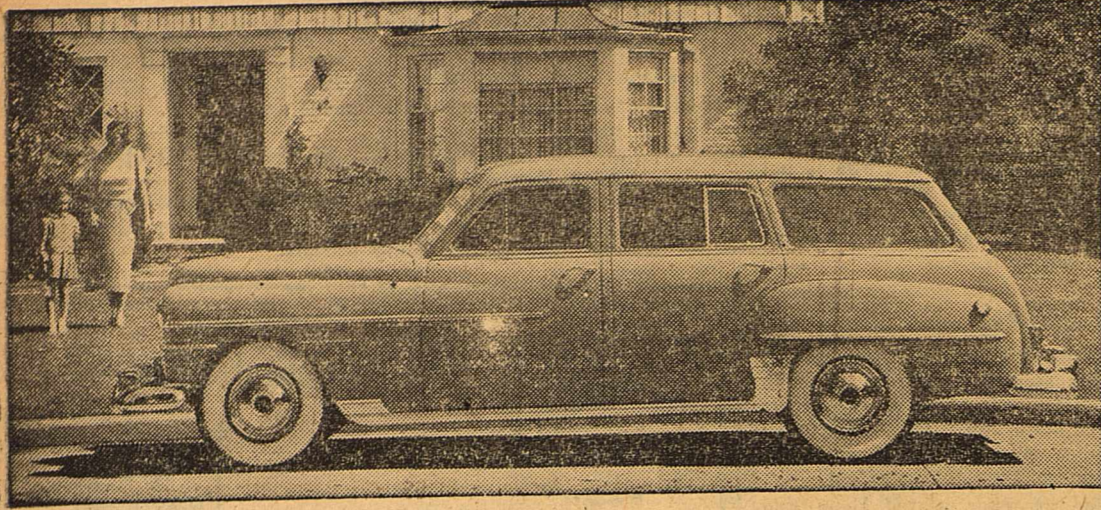

Mr. Henry Angel, RD No. 1, Springfield, Ohio. "I used to suffer great pain from neuritis aches in all parts of my body, especially in my legs, arms and shoulders. I never got any real relief until I tried HADACOL. After taking several bottles, my pain is all gone. And I'm working every day." (Now there's a smart man! Mr. Angel took HADACOL and relieved the REAL CAUSE of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands upon thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help you? Start taking it today!)

IMPORTANT! Why don't you get that wonderful HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief — because now it's possible to relieve the cause of such deficiency sickness with that wonderful new HADACOL. HADACOL not only supplies deficient systems with extra quantities of

Vitamins B1, B2, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese — vital elements every human being must have to maintain good health. You owe it to yourself to give HADACOL a fair trial. Many doctors recommend this great new HADACOL. It's sold on a strict money-back guarantee. Trial size, \$1.25. Large family or hospital size, \$3.50. © 1950, The LeBlanc Corporation

TOWN AND COUNTRY WAGON

All-steel body and luxurious interior trim are highlighted in the new Town and Country Wagon, just added to the Chrysler line. A unique combination of utility and luxury, the newest Chrysler four door six passenger station wagon has a fold-down rear seat arrangement that provides up to nearly ten feet of cargo space behind the front seat. The interior is richly trimmed in a fashionable but durable leather-like plastic for upholstery, headlining, and side panels. Extra-wide rear window can be rolled down completely into tailgate.

Predatory Animal Control Seen As Growing Problem In Texas

That predatory animals control is a big problem in Texas is indicated by the annual report on the predatory animal control operations of the U. S. Fish and Wildlife Service. The report reveals that 30,395 predatory animals were taken during the control year 1949-50 by their hunters.

During the past year, predatory animal control work was carried on in 1905 counties in the State by an average force of 130 hunters. In addition to this work, a few ranchers employed their own hunters, and game associations and county governments paid bounties for trapping the animals.

Of the 30,395 animals taken last year, 27,176 were coyotes. An important part of this catch included a total of 1,105 coyote pups which were taken from dens, mostly in the Lubbock area. A new record was set in taking a total of 2,829 bobcats in Texas last year. Since very few bobcats are caught accidentally while trapping coyotes, the number taken was primarily the result of a special effort toward bobcat control with steel traps.

Widespread control action in wolf country resulted in a total of 356 red wolves being taken last year, an increase of 50 percent over the number taken in 1949-50. Although no specific full-time projects are directed toward mountain lion control, 18 of these

animals were caught by the hunters in addition to their other predator control activities.

R. E. Callender, wildlife conservation specialist of the Texas A&M College Extension Service, reports that county agricultural agents estimate the damage from loss of livestock and poultry by predators to be more than \$1,000,000, annually.

Examples of the damage caused by predators are given in reports from federal field assistants and government hunters. Field assistants Darwin Ivy of Marfa reports that from June 10 to June 22, a female coyote is known to have killed a total of 12 sheep on the Frank Newman ranch, located 15 miles southeast of Marfa in Presidio County.

In May, Hunter Jim Hhely was sent to the Briscoe ranch in the northern part of Uvalde County, to catch a coyote which was killing lambs and kids. About 70 lambs and kids were reported killed by this one coyote on the Briscoe and Joe Roberts ranches. Shely took the coyote in a few days.

An incident is reported by Hunter Teodoro Perez in which a coyote had been destroying watermelons. In one night, this coyote bit into six watermelons which were just pinking. Since these melons averaged 30 pounds each and were worth five cents a pound this was a loss of \$9 in a single

YOUR HEALTH

31 Years Ago

A new service has been established within the Bureau of Sanitary Engineering at the State Department of Health to handle the thousands of radiation hazards an atomic bomb burst would bring, State Health Officer George W. Cox has disclosed.

It will perform six vital functions, all dealing with finding and decontaminating dangerous radioactive areas, Dr. Cox said. He listed those functions as:

1. - Pre-disaster training program. Men and women will have to be trained in the use and interpretation of radioactivity detection instruments. Of course the training program will have to be started immediately, so they will be ready to handle their jobs if and when an atomic bomb is dropped anywhere in Texas.

2. - Detection device distribution. Those men and women will naturally need instruments to detect radioactivity and to detect themselves. Getting such items as Geiger counters, ionization chambers, ocket chambers, and film badges -- all radioactivity detection instruments -- will be the job.

3. - Monitoring crews, rescue workers, doctors, and nurses will have to have protective clothing such as hoods, gloves, respirators, and coveralls before they can safely go into contaminated areas. Clothing for this work must be secured.

4. - Field monitoring Teams of radiation experts will locate areas of residual radioactivity. Geiger counters and the other detection devices can seek out the odorless, tasteless, and colorless radioactive particles that can burn and destroy human tissue and cause changes in body cell structure. Experts will check buildings, streams, medical supplies, food and so forth, that might have been contaminated. Danger zones will be marked so that people can keep out of them.

night.

According to J. E. Poore, assistant leader for the Texas Predatory Animal Control District, Texas A&M College, predatory animal control work is conducted on a cooperative basis, a portion of the cost being paid from federal funds appropriated for this purpose and a portion being paid by the local cooperator, which consists of an individual, a group of individual, or counties. Hunters are employed on a monthly basis. Poore suggests that stockmen who need this service write to C. R. Landon, Box 1941, San Antonio.

A most enjoyable shower was given for Mrs. Heber Wyatt by Mrs. T. L. Miller and Miss Edith Trainer at the home of Mrs. R. K. James.

Refreshments of chocolate and cake were served in the dining room which was decorated with white and blue crepe paper with blue birds. Miss Rae Davis delivered a toast at the table.

After refreshments were served, the bride was issued into a room which was decorated in autumn colors and where an old fashioned well was arranged. From the rope the bride drew out many handsome and beautiful presents, the last of which was a bucket of water.

A number of friends attended.

Jewell Matthews, superintendent of the Sonora schools, attended the Texas State Teachers Association meeting at Houston last week. Representative men and women from all the leading educational institutions in the State were present and Dr. Vinson of the University of Texas was elected president. Superintendent Matthews in not overlooking any opportunity to advance the interests of the Sonora school for which he is to be commended.

Ed Robbins and brother-in-law, Lee Morris, were in town Monday from the ranch in the eastern part of the county.

Mr. and Mrs. J. B. Blakeney and daughter, Marion, were over from Ozona Sunday the guests of Mrs. Will Wilkinson.

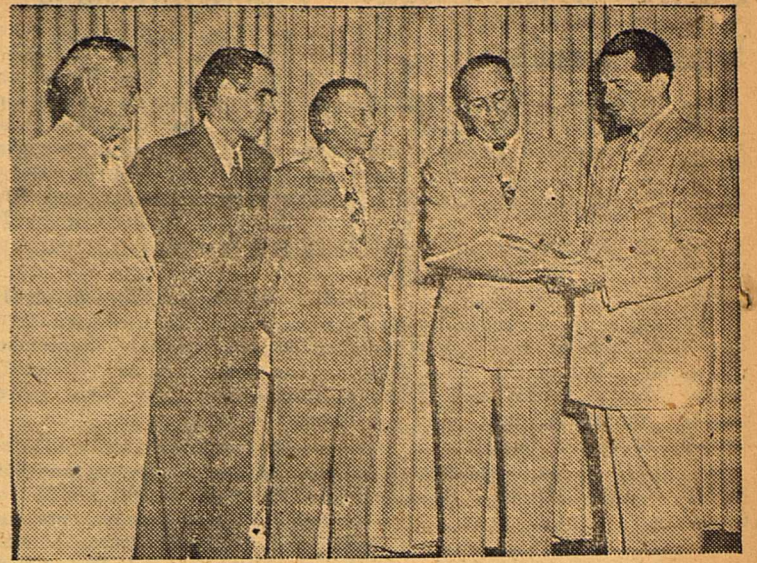

Mrs. L. P. Bloodworth, who has been visiting here mother, Mrs. B. M. Halbert, at Angelo the past

few weeks, is moving from Fort Worth to Fort Smith, Ark.

Clayton Puckett and sister, Miss Winnoa Puckett, visited friends in Angelo last week.

5. - Decontamination. Radioactivity will be destroyed by scrubbing, sand-blasting, burying, and isolating the objects or areas found to be contaminated with the tricky gamma rays, and Alpha and Beta particles. Monitoring squads and rescue workers will have to be cleansed when they come in from the field.

6. - Exposure histories. The radioactivity to which emergency workers have been exposed will have to be recorded. This can be told from readings on film badges and pocket chambers. If workers get more than their "maximum allowable lifetime dose" of radioactivity, they will have to be kept from getting any more or it could be fatal to them, Dr. Cox said.

Newly elected officers of Better Texas Pastures, Incorporated, receive files of the organization from Governor Allan Shivers, far right, who recently proclaimed a pasture decade for Texas and appointed a state wide pasture committee which formed the new club. The officers are, left to right, E. L. Boston of Angleton, Treasurer; Dr. Bruce McMillian of Overton, Secretary; Tommie Brooks of Camp San Saba, Vice-chairman; Clyde W. Voyles of Austin, Chairman; and Governor Shivers. Purpose of the newly organized group is to assist all agricultural efforts in improving Texas pastures.

Galindo In Korea

Pfc. Braulio M. Galindo, son of Pedro Galindo, of Sonora, has recently been assigned to a 5th Air Force Tactical Support Wing at an advanced Air Base in Korea as a clerk typist.

From this advanced air base, daily sorties are made by F-51 "Mustang" fighter-bombers against North Korean troops in close support of United Nations troops.

Pfc. Galindo enlisted in the U. S. Air Force at Big Spring, Texas, September 2, 1949. At the time of his transfer to Korea, Pfc. Galindo was serving with the Occupation of Japan.

The 1951 show now is in rehearsal in London where the 1950 exhibition is completing a record three-month engagement.

Holds Everything...on any hill!

No matter how steep the grade... you can park your Chrysler and it won't roll. With Chrysler's new "Easi-Lock" Parking Brake you have three times ordinary braking power. Yet only one-third the effort is required to pull it on with your finger tips. Nothing you've ever used equals its ease and sureness. No straining—yet once it's on, nothing can budge your car. It's just

one more new advantage that puts Chrysler still further ahead in safety! Just one more good example of the built-in value all the way through that we believe will make you a Chrysler buyer for life. Come in today for the demonstration that will prove you can't beat Chrysler for extra money's worth through and through.

New Easi-Lock Parking Brake  
...with 3 times ordinary braking power!

Amazing Chrysler engineering development. Only 1/3 the hand pull required. New internal expanding parking brake is self-energized to multiply effective braking power. Completely enclosed. Mounted on propeller shaft—Independent of wheel brakes—the safest, surest brake you've ever used.

See it—drive it...  
there's built-in value  
all the way through!

Chrysler Driving Advantages:

Fluid Drive... automatic gear shifting with exclusive car control High Compression Spifire Engine... extra power at all speeds. Superfinished parts for longer life. Chemically treated cylinder walls for greater wear! Waterproof Ignition System... prevents stalling in flood or storm. Full Flow Oil Filter keeps oil clean longer.

Chrysler Comfort Advantages:

Chair Height Seats... no crouching on the floor... Functional Design... room for your head, legs, shoulders. Easy to enter and leave. Center-arm Steering... minimizes road shock, wheel fight. Rubber Body Mountings... Floating Power... eliminate vibration, help give softest, smoothest ride in history.

Chrysler Safety Advantages:

"Easi-Lock" Hand Brake... holds car parked on any hill. Safety Rim Wheels... won't throw tires after blowouts at normal speeds. Constant Speed Windshield Wipers... electrically operated—won't slow down when you step on gas. Safe Guard Hydraulic Brakes... exclusive balanced brake power, smoother stops, less pedal pressure.

The Beautiful **CHRYSLER** with Fluid Drive

**How about this "Net" for you and the family?**

It's NEVER A DAY too soon to start saving automatically with U. S. Savings Bonds.  
They net you \$4 for every \$3 you invest—after 10 years. They form the perfect protection for the family and yourself.  
Join the Payroll Savings Plan where you work. Or, if you're not on salary, ask at your bank about the equally convenient, equally profitable Bond-A-Month Plan!

**Automatic saving is sure saving— U. S. Savings Bonds**

SERVING SUTTON COUNTY 50 YEARS

**40 MILLION STRONG and still growing!**

The United States has 40 million telephones—more than the rest of the world put together. And American telephone service is still growing! Working free of monopoly—with governmental regulations only in the public interest—the telephone industry has been free to grow—giving the American people service that is unmatched for efficiency, convenience and value.
