EUROPEAN TRAVELERS RETURN TO MULESHOE—Around 1 a.m. Thursday, a group of tired, fulfilled and hungry world travelers returned from a fast, two-week jaunt all over Europe. They visited several countries while they were gone, and were all in complete agreement about one thing -- they could hardly wait to get back to Muleshoe for a meal at Leal's. Thursday afternoon, most of the group met at Leal's and very quickly ordered their favorite foods to erase the memory of food they didn't really care that much for in Europe. Although they were unanimous in saying their trip was a lot of fun, they were happy to be back home.

Ozark County Express Will Entertain Here For July 4th

The Ozark Country Express is coming to Muleshoe!! This widely acclaimed group will be

CALLING ALL KIDS!!! Beginning Monday, tomorrow, there's an all new Summer Recreation Program for all local youth.

It will be held daily at the Watson Junior High School Gym, 9 a.m.-noon and 7 p.m.-11 p.m. (with times subject to change at a later date.)

This will be a supervised program of recreation, and no Cont. Page 6, Col. 3

entertaining at the Muleshoe City Park on July 4th.

Coordinators of the entertainment for the evening said local talent will take to the stage beginning at 7 p.m., followed by the Ozark Country Express at 3 p.m.

They enthusiastically report, "This group plays everything!! From Country western, to gospel, blue grass, patriotic and mountain music."

Ozark Country Express is termed 'real family entertainment,' from the comedians to the "Elvis" impersonation that is said to leave you feeling like you've seen and heard 'The King' himself.

There's George Strait songs, too -- and many others.

The Muleshoe Chamber of Commerce and Agriculture and the Jennyslippers have joined efforts to bring this very special evening of entertainment to

Muleshoe.

Included in the activities for the evening will be the fireworks at approximately 10 p.m., as usual -- then an added plus.

The Ozark Country Express have agreed to play and entertain for another hour or more if the crowd would like to stay and enjoy a cool evening under the stars, listening to some terrific music.

There'll be food, refreshments and soft-drinks at the park -- and hundreds are expected to make their way to the park following a full day of activities all over Muleshoe.

Be sure to bring your lawn chairs, or quilts to spread on the ground, and be prepared to enjoy the evening.

MAC Miniature Golf Tournament Scheduled Monday

The next MAC miniature golf tournament will be Monday, tomorrow, at the Mule Putt Golf Course, according to the MAC committee. There will be just one division, mixed. Tee off time will be 7:30 p.m.

This tournament will be a Partners Lo-Ball Tournament and entry fee is \$3 per person.

Sign-up will be all day Monday at Ben Franklin and Hagginsbotham. Sign-ups will also be done at the Mule Putt Golf Course from 6:30 p.m. to 7:30 p.m. No sign-ups will be accepted after 7:30 p.m. as partners will be drawn by the MAC Committee at 7:30 p.m., sharp.

Prizes will be given for first, second and third places.

Class Of '78 Reunion Slated

Saturday, July 2nd

The Muleshoe High School graduating class of 1978 will be holding their 10 year class reunion on Saturday, July 2, at 7:30 p.m. at the Muleshoe Fire Department.

Persons wishing to attend, who are not class members, will be charged a \$5 fee at the door, and will be welcome to attend after 9 p.m.

Any class members who have not been contacted are asked to call 272-4351 or 925-6751.

Also, if the addresses of the following: Ana Hernandez, Leon Phillips, Mark Lovelady or Sharla Farmer, are known, please call the above numbers.

Sudan Plans Annual Celebration Saturday

As thoughts start turning to the Fourth of July holiday, Sudan is preparing for their annual celebration, held a week prior to the July 4th celebrations.

On Saturday, June 25, Sudan will hold their annual fete all day and into the evening. Their theme this year is "A Look Back -- As We Go Forward."

They're back in Muleshoe, having arrived around 1 a.m. Thursday, excited and full of excitement about their just-completed European tour -- a group of Muleshoe and Lazbuddie students, accompanied by parents and teachers, who visited several European countries on a whirlwind two-week tour.

The youths had a very 'first' request -- all but one could hardly wait to get back to the United States and Muleshoe -- to eat at Leal's Restaurant -- and that's just what they did at 1 p.m. Thursday afternoon, following a few short hours of sleep.

By the way, the one who didn't indicate he wanted to eat at Leal's apparently handed his mom, Pam Miller, the height of compliments -- Scott Miller wanted some home cooking.

However, Scott joined the rest of his traveling companions at the popular Muleshoe restaurant for lunch.

The thing they liked the least on the tour -- the food. Following in second place was they were glad to be back where they could figure out how to spend 'American' money, instead of European money, according to whatever country they were in at the time.

Teri Young, who accompanied her son, Chris, and the other youth on the trip said they were fed the least expensive food because of group rates for the tour -- they were provided breakfast and dinner, and lunch was eaten infrequently, and on the run.

Breakfast for the group was hard bread (a roll) with jelly. Mrs. Young said there was very little milk to be found and ice was almost non-existent all over Europe.

It was explained to the travelers that water filtration was

very hard to do, just for drinking water, and as ice required extra filtration and was just too hard to make.

Also, food was found to be very expensive -- like a Coke cost \$5.

One night, two of the young people were very hungry, so Mrs. Young, accompanied by another mother, went to a fast-food restaurant to pick them up a snack.

They ordered two hamburgers, two coffees and one tea, along with three pieces of (inedible) cake. The bill for the food was \$50 -- to the shock and dismay of the American visitors.

In Switzerland, the group had 30 minutes to shop and eat at lunch, so decided to go to a deli. In the deli, they were sent to another place to take their bag -- they were told they were in the wrong place and sent to another place.

By this time, they were running out of time, so just sat down and grabbed sandwiches out of the bag and started to eat.

At that point, Mrs. Young said they looked around, and they were in a very expensive and very elite restaurant, complete with silver and crystal, along with fancy foods.

She said the diners were Cont. Page 6, Col. 1

Parade Time, Route Changed For July 4th

Toni Eagle, manager of the Muleshoe Chamber of Commerce and Agriculture, said the coordinators for the July 4th parade have made some changes this year.

According to a Friday afternoon release, the July 4th parade route will be a little different this year.

The parade will start at the Boy Scout grounds as usual. It will then move west down Ave. I to First Street. The parade will then proceed north on First Street to Avenue D.

Turning west on Avenue D, the route will continue to 19th Street and end at the Civic Center.

The CofC manager said the parade time has been changed. Parade line-up will be at 10 a.m. and the parade begins promptly at 11 a.m.

Muleshoe Nursing Home Has Real 'Spark Plug'

(Editor's note: This week, *In Profile* makes a visit to the Muleshoe Nursing Home -- and plans to introduce you to the 'spark plug' of the home. Come along with me to meet -- Lois Ethridge.)

Perhaps most folks have a big misconception about life in a nursing home -- maybe you see only older people in beds, or slumped in wheelchairs. Maybe a nursing home is depressing to you -- it is to a lot of people -- but let's get better acquainted with a lady who keeps things alive at the Muleshoe Nursing Home, not only for the residents, but for the nursing staff, aides, and visitors.

She is very busy, and her sparkling, flashing big blue eyes are constantly moving, searching, for something to do -- someone to help with something -- anything.

When asked why she stays so busy, Lois Ethridge commented, "If I didn't keep busy, I'd go nuts."

Lois Ethridge is very tiny, couldn't weigh over 75-80 pounds but has a heart as big as Texas.

When she first became a resident of the Muleshoe Nursing Home, she was quite ill, and had injured her leg and couldn't walk. But, ever since she has been back on her feet, has gone in a dead run all day, every day.

She especially enjoys caring for her plants in her room, and feels sorry that she doesn't have room for more greenery. Until recently, she did a lot of hand-work, but has given a lot of that up by now.

But, don't think she has given up much. She reads a lot, including newspapers and magazines to keep up with current events, and carefully studies her Sunday School lesson in her Bible.

Her activities are by no means limited to herself -- she also helps the other residents who are not as mobile as she is. Before every meal, she puts out the bibles for the residents and helps them get ready to eat.

Lois brags, "I make he-man coffee." She is up at 4 a.m., seven days a week, and puts the coffee on for the residents and nursing staff. Lois doesn't

believe in making coffee for "sissies or society ladies," she said.

She gets the nurse for any of the residents who are unable to summon the nurse for themselves and has been seen, more than one time, pushing wheelchairs, moving residents from one area of the nursing home to the other.

She did ruefully comment, "The new dining room has a slope up to it, and I can't push the wheelchairs up the slope anymore. That's just a minor irritation to the spry, helpful nursing home resident, though."

Being extra-active, she plays a lot of table games, and says '42' is her favorite. She also likes to play Skip-Bo with the other residents, or with visitors.

She works with ceramics and helps with exercise time, and helps in other activities.

She was asked if it depresses her to be around obviously ill people, she said, "It bothers me to be around the sick, but there's nothing that I can do about it, so I just accept it as it is."

One of Lois Ethridge's great loves is singing. She enjoys

the singing when Clara Lou Jones shows up at the nursing home every Monday morning to play for the residents to sing.

Another plus is that each AARP day, Lois goes to the home of Clara Lou Jones before the AARP meeting to visit and sing, then returns to Mrs. Jones' home after the AARP meeting, for an afternoon relaxing in a home atmosphere.

She also attends Senior Citizen meetings and gets to go to Texline periodically to spend a week or two with her son, Ronnie, and his family. Ronnie has two daughters, and one son, all married, and she is the great-grand mother to four.

Lois Ethridge also has a son, Wayland, who lives south of Muleshoe with his wife, Janet. They are the parents of a son and a daughter.

Lois and her husband, Ralph, along with their two sons, moved to Bailey County to the Longview community in 1944, from Dickens County.

Its' Time For Reminders From ASC Director Noble

In what is a rather slow time for farmers and ranchers, ASC County Executive Director Danny Noble has issued several reminders for this area:

FINAL CERTIFICATION DATE

The final date to certify or request aerial measurement service to all spring seeded crops, conservation use acreage, and ACR, is July 15, 1988.

A complete acreage report must be filed including all program crops, sunflowers, soybeans, alfalfa, vegetables, etc. by the July 15 deadline.

An accurate certification is very important, stresses Noble, so don't guess.

The reported acreage cannot differ from the measured acreage by more than the larger of 1.0 acre or five percent, or the farm could be ineligible for program benefits.

FAILED ACRES

Any program crop that has failed due to rain, hail, or for any other reason beyond the producers control, **MUST** be certified and an ASCS-574 (Disaster Application) filed before the crop is disturbed and/or replanted to a different commodity. All required ACR must be maintained for the failed acres. These requirements must be met for program crops to be eligible for program benefits.

MAINTENANCE OF ACR

Don't forget that ACR requires a cover crop. ACR land **MUST** be free of weeds and maintained in a workmanlike manner throughout the calendar year. Don't jeopardize your program benefits by neglecting to properly farm this acreage.

HAYING AND GRAZING

The non-grazing and non-haying period for ACR and CU for pay acreage is May 15 through October 15. Livestock **MUST NOT** be on this acreage during the five-month period in order for your farm to be in

compliance for program benefits.

ASCS has begun spot checking, so Noble says to be sure your farm is in compliance. They have requested haying and grazing during the five-month period and you will be notified if and when Bailey County is approved.

SODABUSTER AND SWAMPBUSTER PROVISIONS

Under no condition should any producer break out ANY land without first consulting with ASCS and SCS.

Producers that break out highly erodible land are not eligible for any program benefits on that farm or any other farm in which the producer has an interest if a conservation plan has not been established.

INTEREST RATE

The loan interest rate for June is 7.250 percent.

LOAN RATES

The 1988 loan rates for Bailey County have been established for the following commodities - WHEAT-\$2.17 bu. and COTTON -51.85 cents per pound, based on SLM 1-1/16.

The loan rates for other commodities will be announced at a later date.

Special Thanks To A Special Policeman,

Gary Maddox,

For being there when needed. And giving our mother a ride home at 2 a.m. from the bus station and carrying her luggage to the door.

Creative Living

by Sheryl Borden

Three interesting topics will be featured on "Creative Living" on Tuesday, June 21 at 12 noon and repeated on Saturday, June 25 at 2:00 pm on KENW-TV. (All times are Mountain.)

Teresa Farney, Director of Consumer Affairs with the National Turkey Federation in Reston, VA will demonstrate making lean cuisine Turkey Florentine with Orange Sauce. It's fast and easy to make your own frozen entrees—not to mention less expensive. Fresh turkey products are available in the meat counter but for the economical shopper, it is easy to buy and cut up a whole bird. The parts can be used in several different recipes, like the one Ms. Farney will demonstrate.

The braided rug is a revived art and is made up of fabric strips and can be used for utility or for decorative purposes. Dee Stang, owner of Lynn Dee Patterns, Arvada, CO will show just how easy and how much fun it can be to make your own braided calico rug. She will give some tips regarding the selection of different prints to use in the rug.

Although the flavor of butter-milk is not appealing to everyone

as a beverage, it does add a smooth, rich flavor and texture to many dishes when it's used as an ingredient. Susan Howe represents Hidden Valley Ranch, and she's from Pleasanton, CA. Susan will discuss the nutritional value of buttermilk and will prepare a delicious fruit buttermilk and will prepare a delicious fruit buttermilk freeze -- and only you will know it contains buttermilk.

On Tuesday, June 21 at 9:30 pm and on Thursday, June 23 at 12 noon, "Creative Living" will feature information on the principles of organization and a demonstration on preparing a whole bodied turkey.

Principles of organization will be discussed and solutions shown by Dulcie Simonds, Rubbermaid Co. of Wooster, OH. With the effective use of containers and storage units, organization is much easier to accomplish for anyone.

Donna Grant, home economist with The Singer Co. in Portland, OR will show how to do strip or "string" quilting. Also, Mary Jo Bergland, representative of Swift and Co. will prepare a whole-bodied turkey fit for a king. She

will show ways to use the turkey, which used to be reserved for the holiday table, in many daily recipes. Bergland is from Glen Ellyn, IL.

"Creative Living" is produced and hosted by Sheryl Borden. The show airs on more than 100 PBS stations in the United States, Canada, Guam and Puerto Rico and is distributed by Pacific Mountain Network, Denver, CO. Viewers can request copies of printed materials offered on the show by calling on KENW-TV's toll-free telephone lines between 8 am and 5 pm. In New Mexico, the number is 1-800-432-2361, out-of-state: 1-800-545-2359 and Portales and Roosevelt County: 562-2112.

TURKEY FLORENTINE
1 lb. turkey breast.
8 oz. chopped spinach, frozen
1/8 cup evaporated milk
1 Tbsp. flour
1/8 tsp. salt, 2 tsp. grated Parmesan cheese, Pinch nutmeg, Paprika

Slice turkey into 2 oz. slices and layer in baking dish, cover and bake in 400 F. oven 20 minutes. Cook spinach just until thawed; drain well. Heat milk; over low heat until warm but not steaming. Gradually add flour and salt, stirring constantly to prevent lumping. Cook until mixture thickens. Transfer half the sauce to a bowl; stir in Parmesan cheese. Add nutmeg and spinach to remaining sauce; heat through. For each serving, top 1/2 cup spinach mixture with 2 slices turkey and scant 1/2 tablespoons Parmesan sauce; sprinkle with paprika. Yield: 4 servings.

Candlelight Ceremony Unites Miss Shawnda Masten, Wood

Shawnda Danette Masten and David Dan Wood, both of Sudan, exchanged marriage vows Friday night, May 20 in the Sudan First Baptist Church. Truman Johnson of Lubbock read the double ring vows.

Parents of the couple are Donna Masten of Lubbock, Danny Masten of Sudan and Dan and Mary Wood of Sudan.

Vows were exchanged before an altar that was centered with an archway decorated with needle-point ivy, lemon leaf, baby's breath and adorned with flowers in shades of apricot and teal. Highlighting the arch were two candelabras holding apricot candles. Flanking the sides were two spiraling candelabras with matching decor.

Musical selections were provided by Kim Moss, pianist, and Georgeann Rasco, organist. Margaret Williams, vocalist, sang "Endless Love", "To Me", and the "Lord's Prayer". She was accompanied by Kim Moss. The organist played the processional and recessional, the "Wedding March".

Presented in marriage by her brother, Kevan Masten of Corpus Christi, the bride wore a gown of delustered satin. The bodice, encrusted with hand-beaded sequins and pearls on Alencon lace, featured a wedding band neckline and Gibson Girl sleeves, lace cutouts, and a deep basque waistline. The skirt, adorned with beaded motifs of Alencon lace, flowed into a cathedral length train.

To complete her attire, the bride wore a half wreath headpiece fashioned of Alencon lace beaded with pearls and crystals, accented with a pouf and a two-tiered fingertip veil.

She carried a cascading bouquet of bridal white roses, stephanotis, baby's breath and needle-point English Ivy.

Sharla Harrison of Canyon, cousin of the bride, served as maid of honor. Bridesmaid was Lisa Wood, sister of the groom of Sudan. They wore teal floor-length dresses styled with a dropped waistline.

They carried colonial bouquets of white roses, stephanotis, baby's breath and needle-point ivy and wore headpieces of white baby's breath.

Joe Wood, brother of the groom of Littlefield, served as best man and Brad Masten of

Sudan, brother of the bride, was groomsman.

Ushers were Greg Lance, Pete Edwards, and Craig Doty, all of Sudan. Edwards and Lance also served as candlelighters.

For presenting his sister in marriage, Kevan Masten, wore his Navy officers white dress uniform. All of the male members of the wedding party wore charcoal grey tuxedos with white shirts, teal ties and cummerbunds.

Following the wedding ceremony, a reception was held in the church fellowship hall. The bride's table was covered with a white lace cloth. The three-tiered white wedding cake and apricot colored punch were served from silver and crystal appointments.

Jones Family

Reunion Held

Recently

Sixty-nine family members attended the Jones family reunion in the Roosevelt Community Center Saturday night and Sunday of last week.

All nine surviving members of the family of 14 children of the late T.I. Jones family, including Mr. and Mrs. Klyde Krebs of Muleshoe, were present. The Krebs' son and daughter-in-law, Dale and Helen, and their daughter, DaLynn, of Dallas also attended.

The grandchildren served barbecue and ice cream Saturday night. At noon on Sunday a pot luck lunch was served.

The day was spent in fellowship and reminiscing.

Serving at the bride's table were Stephanie Bickett of Levelland, Kim Moss and Sherri Foley, both of Sudan.

The groom's table was covered with a beige linen cloth.

TOPS CLUB

Muleshoe TOPS Club chapter No. 34 met at 6:30 p.m. Thursday, June 16 in the Heritage Thrift Shop. Laverne James, leader, called the meeting to order with a prayer. The TOPS pledge was recited and the fellowship song sung.

Orville Burris, weight recorder, called the roll with 11 members answering with the amount they had lost or gained.

Minutes of the previous meeting were read by Thesia Davis, secretary, and they were approved as read.

Best loser for the week was Evelene Harris. Runners-up were Mary Edmiston, first; and Ernestine Steinbock, second.

It was announced that crowning of the six months best loser will be on Thursday, July 7.

The meeting was closed with the singing of the goodnight song.

Chocolate cake and coffee were served from brass appointments. Lisa Thompson of Amherst, cousin of the bride, served at the groom's table.

Rice bags were passed out to guests by April and Wendy Turner of Idalou.

Members of the houseparty were Mary Powell, Lynette Burns, Patty Miller and Paula Ford.

The bride is a student at Texas Tech University, Lubbock, where she is majoring in Elementary Education, and is employed at the First National Bank at Sudan. Wood is engaged in farming.

The couple will make their home in Sudan.

A rehearsal dinner for members of the wedding party was held Thursday, May 19 at the LaBodega Restaurant in Lubbock. Those attending were the bride and groom, their attendants and their spouses, the bride's mother Donna Masten of Lubbock, and the groom's parents (host and hostess) Dan and Mary Wood.

Country Club Report

By Claudine Elliott

The Muleshoe Women's Country Club Association met Wednesday, June 15th, for their monthly meeting.

We are getting so spoiled with the delicious lunches prepared by Barbara Marlow.

Helen Templeton, our president, presided over the business meeting. She recognized our guest, Shelly Carver. We were real pleased to have her at our meeting.

Our birthday ladies for June are Neats Foster, Cookie Bamert, Shirley Bean, Mary Francis Holt, and Patti Robinson.

All committees made their reports. Analita Haley, our Hi Plains Director, reported that four ladies went to Olton this month for our monthly playday. Argilee Millen, Mary Holt, Helen Templeton and Analita Haley. Argilee Millen won Low Net in her flight. The next Hi Plains Playday is in Hereford, July 13th.

Marlene Martin, our Ways and Means Chairman, made her report and had the drawing for our monthly door prize. Ruby Lee Kerr was the lucky winner of a beautiful hand crocheted doily made and donated by Linda Elder. Our special thanks to Linda for this beautiful work.

Argilee Millen, our Playday Chairman, gave golf awards to the following: May 25th-First on the green, Helen Templeton and Argilee Millen; June 1st. Lowest on all three Pars, Helen Templeton, Analita Haley, Jeanetta Precure, Jo Rempe and Neats Foster.

After the meeting, the ladies divided into teams and played a scramble. Unfortunately, the lightning and clouds ran us inside before we could even finish nine holes. The rest of the afternoon was spent playing cards. It was a fun day!

Those attending our luncheon were: Pamela Miller, Jerry Mayo, Jo Rempe, Melzine Elliott, Dorothy St. Clair, Lisa McElroy, Marlene St. Clair,

Ruby Lee Kerr, Helen Templeton, Shelly Carver, Jeanetta Precure, Shirley Bean, Analita Haley, Mary Holt, Ruby Hart, Laverne Winn, Neats Foster, Marlene Martin, Claudine Elliott, Carlean Hamilton, Darlene Henry, Argilee Millen and Lynn Campbell.

Happy Father's Day!

F is for father, whose day will remind you of what you should learn;

A is for anxiety he would display when you'd given him cause for concern;

T just for teaching you how to succeed, for it helped you in getting along;

H for the honesty taught by your creed to develop a character strong.

E is each act of affection for you ever since your existence began.

R to recall all the homage that's due;

So remember your Dad while you can!

SPECIAL PRESENTATION—Kayna Puckett, daughter of Larry and Sheri Puckett, Brownie Scout, presented Donna Kirk, president of the Jennyslippers, with a plaque in appreciation of the different help they had given the Girl Scouts this past year.

Jennyslippers Present Checks

To Heritage Foundation, CofC

Several donations as well as a special presentation were made during the regular noon meeting of the Jennyslippers Tuesday.

Donna Kirk, Jennyslipper president, presented a check in the amount of \$2,100 to the Muleshoe Chamber of Commerce president, Ron Montgomery, to be used for the purchase of fireworks for the July 4th celebration. This was the proceeds from the Walk-A-Thon sponsored by the Jennyslippers recently. Mrs. Kirk also presented Montgomery with a check in the amount of \$200 to go toward entertainment for the celebration. After accepting the checks, Montgomery stated that in spite of all the rumors floating around town about the Jennyslippers and Chamber of Commerce splitting, he feels that since the Jennyslippers voted to get their own tax number, the chamber and Jennyslippers have worked closer together and on more projects than ever before.

Mrs. Kirk also presented Jenne McVickers with a check in the amount of \$427.31 for the Muleshoe Heritage Foundation. This was the proceeds from the Jennyslipper concession stand at the annual Heritage Auction.

Nelda Merriott and Kayna Puckett presented Mrs. Kirk with a plaque in appreciation of the different things the Jennyslippers had done for the Muleshoe Girl Scouts.

Mrs. Merriott stated that there are now five Girl Scout troops in Muleshoe, and they are planning a three day camp at the Girl Scout Hut this summer.

Mrs. Kirk called the regular business meeting to order and Ellen Ladd read the minutes of the previous meeting. They were approved as read. Norma Bruce gave the treasurer's report.

The Jennyslippers voted to make the necessary changes in their by-laws in order to get their tax number.

Thursie Reid and Sandi Robinson gave a progress report on the float plans, for the July 4th parade. It was also reported that the parade route has been changed.

Due to the afternoon heat, this year the parade will be held in the morning. Entries will line up at the Boy Scout grounds at 10 a.m. and the parade gets underway at 11 a.m.

The Jennyslippers will have a booth at the coliseum and will sell hot dogs, chili dogs, Frito pie, nachos, lemonade and tea as well as inflatable balloons.

Farwell Chamber of Commerce has invited the Jennyslippers to enter a float in the Border Town Days parade set for 11 a.m. July 20. The Jennyslippers voted to let the float committee make a decision on this matter.

A direct challenge was issued by Sandi Robinson to Ron Montgomery and the entire Chamber of Commerce to a miniature golf tournament on July 12, when the Jennyslippers have their annual family fun night. She also issued a direct challenge to the MAC Buck committee.

Another topic of discussion was the "Garden Spot of the Week". Everyone is reminded to call the Chamber of Commerce office by noon on Wednesday to nominate the "Garden Spot of the Week". This garden spot may be either a flowerbed, shrub, tree or an especially nice vegetable plant.

Thursie Reid gave a report on the progress of the Bailey County history book.

Guests present were Mr. and Mrs. Ron Montgomery, Jenne McVicker, Lou Knowles, Audrey Langfitt, Jerry Hailey, and Kayna Puckett, Brownie Scout and the daughter of Larry and Sheryl Puckett.

Most people are afraid to face the complete truth, including you.

MISS PAM WILLIAMS

Bridal Shower Honors

Miss Pam Williams

The fellowship hall of the Trinity Baptist Church was the scene of a bridal shower Sunday, June 12 honoring Pam Williams, bride elect of Justin Helton.

Pam Williams, Gayle Sismore, mother of the bride-elect, and Laura Helton, mother of the prospective groom, greeted the guests between the hours of 3 and 4:30 p.m. Guests were registered by Diane Grumbles.

Zona Gatewood and Diane Evins served thumbprint cookies, cake and punch from crystal and silver appointments. A white lace table cloth with a white underlay covered the serving table which was adorned with a silk floral arrangement in shades of blue and peach. The honoree's corsage consisted of blue and peach silk flowers.

Special guests included Laura Chandler, grandmother of the bride-elect, Theron Eubanks, great aunt of the bride-elect, and Doris Weil, aunt of the prospective groom.

The hostesses gift was a Regina vacuum cleaner and Visions cookware. Hostesses for the occasion included: Lynda Low, Barbara Mills, Ruby Ward, Diane Evins, Kathie Ballard, Diane Grumbles, Louise King, Bonnie Carpenter, Eva Dell Carpenter, Zona Gatewood, Nelda Merriott, and Charlene Farley.

DECIDING TO START A SMALL BUSINESS—Small home businesses, offering everything from homemade jams and country crafts to custom drapery making, day care or accounting services have popped up all over Texas, especially in rural areas. "Economic circumstances are still fragile for many farm families, so anything that can contribute to improving financial security looks attractive," says Bonnie L. Piernot, a consumer economics specialist with the Texas A&M University Agricultural Extension Service. With a national failure rate of 70% for all new businesses, however, Piernot says it's important to consider what it will take to own and manage a home-based business. The specialist suggests assessing skills such as organizing and planning, handling money, selling ideas and products, ability to take risk and to lead and work along, before embarking on a home business. "Not all skills are necessary for every small home business," she notes. "Often you can learn or buy what you need to know. However, be honest with yourself before you decide whether you can spend the time to learn necessary skills for starting a home-based business or whether you can afford to pay for consultants," Piernot says.

Rebekah Lodge News

Terie Snell gave the history of the American flag Tuesday, June 14, at the Muleshoe Rebekah Lodge meeting.

Novella Price conducted the business meeting. Linda Tosh gave the opening prayer and Terie Snell presented the flag.

Several members were reported to be ill. It was announced that the State president, Sue Monk, would be in Lubbock on June 18.

Refreshments were served to 20 members by Lori Tosh and Louise Allen. Happy Birthday was sung to Novella Price and Opal Talley.

ENGAGEMENT ANNOUNCED—Mr. and Mrs. Doyle Carroll of Houston, Mr. and Mrs. W.E. Meyers of Muleshoe and Mr. and Mrs. Leo Watson of Lubbock wish to announce the engagement and approaching marriage of their children, Deborah Carroll and Dennis Watson. Marriage vows will be exchanged on June 25. The bride-elect is a graduate of Galena Park High School, Houston, and the University of Texas Pflugerville I.S.D., Pflugerville, Tex. Watson is a graduate of Muleshoe High School and Texas Tech University at Lubbock with a B.A. degree in business. He is employed as a loan officer for Austin Municipal Federal Credit Union, Austin.

Jim Ingles' Celebrate Anniversary

Mr. and Mrs. Jim Ingle of Sudan were honored with a 25th wedding anniversary dinner Saturday night, May 21 in the home of Mr. and Mrs. Don Stubbs of Littlefield.

The event was hosted by their children, Mr. and Mrs. Kerry Faver of Fieldton, Jamie and TJ Ingle of the home.

Other guests present included

Lucille Friday and Shannon Friday of Littlefield, Holly Stephenson and Raymond Baiza of Lubbock.

Ingle and the former Nell Johnson were married on May 25, 1963, in Sudan.

In this land of the free it's noted that all candidates recommend themselves rather highly.

Words will never be sufficient to express our appreciation for all the many acts of kindness shown to us during my recent by-pass surgery, and convalescence.

Our thanks to all, and God Bless.

looking at them 'brown-bagging' it and had horrified expressions on their faces.

So, they grabbed up their impromptu deli lunch and raced from the restaurant.

In Amsterdam, they were delayed so much after ordering their meal that when it finally arrived, they were starved, but out of time, so had to pay for the lunch, and did not even get a bite of it.

Teri Young said she was probably in better shape than she had been in for years, commenting, "We walked at least 10-15 miles per day."

But, when asked if the effort was worth it all, said "Very definitely yes. I'm ready to go back right now."

During the tour, they traveled by every means possible, including plane, ship, ferry, taxi, boat, and subway (tube).

The group was most impressed with Switzerland, especially Lucerne. Their second favorite country was Germany, followed by London, England.

Traditionally romantic Paris, France brought up the end of the list, and was termed the 'worst' city they visited.

One thing that impressed them greatly was visiting the Notre Dame cathedral while they were celebrating mass. "It was very moving," they said.

In Switzerland, they participated in Swiss Folk Dances, and came away with a couple of prizes. Pat King won a T-shirt and Tona Simmacher won the first prize, a Swiss gold piece.

The group had another unusual experience in Switzerland. They traveled and walked to the peak of Mt. Pilatus. First, they rode a cable car for a long way, then walked up a long stairway to the top to try to see the Swiss Alps.

It was rather foggy, so they couldn't see the Alps too well, so

of Muleshoe was a popular place for young people when the two boys were growing up.

Theirs was also a home filled with music, although Lois does not give herself credit for the musical abilities of her son, Wayland, or any of his family. "He (Wayland) got all that from my mother and father," she grinned.

Lois and Ralph moved to Muleshoe in 1963, and he continued farming until 1978. He died on December 19, 1979, and Lois became temporarily incapacitated soon after that time.

Lois Ethridge maintains a very good outlook on life, and being asked about how she manages, says, "I think I manage everything very well. You can either accept things the way they are, or let it get you down. And I stay busy, and don't let anything get me down."

She is a perfect example of what a person can do, and maintain a better lifestyle in what could be adverse circumstances. We could all take lessons from her part, positive outlook on life.

Anyone would be much better prepared for life's events if they maintained the very 'positive' attitude Lois Ethridge continues to hold on to.

did perhaps the next best thing. They got into a snowball fight, which ended up as a free-for-all snowball fight involving the group from Muleshoe and some 30 or so Swiss people. It was all in fun, but they did get their workout for the day.

They rode a train, on a very steep railway, back down the mountain, and saw Swiss cows with bells around their necks and spectacular scenery.

Kiwanis Club Plans Opening Firework Stand

By R. A. Bradley

Thirteen Kiwanians met Friday morning at the Old Corral. With President Max Crittenden and Vice President Keith Turner both absent, the meeting was called to order by R. A. Bradley.

Hugh Younged the club in the pledge to the lag and Marilyn Neel gave the vocation. J. O. Parker, who has been looking for a friend for two weeks, snowed up Friday morning and gave the friendship coin to Reggie Johnson. While gone to Beaumont, he found someone to trade the Muleshoe coin for Beaumont coin.

The fireworks stand will soon be set up and in business. We would like to invite everyone to come out to the Muleshoe Kiwanis Fireworks stand and buy your fireworks from us every bit of the money we make there will be given back to this community.

Hugh Young had the program Friday morning. His program was a slide presentation on 'Safety.' We all know that we too often take safety for granted.

There are many things that create unsafe conditions, such as stress, anger, tiredness, etc.

We each need to stop and look around us, at home or at work, and see if everything is as safe as we can make it.

Thanks, Hugh, for a very good program.

Keep Replacement Heifers Healthy

Whether buying or raising replacement heifers, health of the beef herd is vital to a successful cattle operation, said Spencer Tanksley county agent with the Texas A&M University Agricultural Extension Service.

Heifers can usually be bought for less than they can be raised. Buying replacements, however, increases the risk of introducing disease into the herd and makes genetic progress difficult. On the other hand, raising and breeding heifers creates an extra group of cattle to be managed.

The beef producer must optimize production while preventing losses due to disease and management problems, and usu-

ally the best program is a balance between the risk of disease and the cost of protection.

It is impossible to separate a good health program from good nutritional and reproductive programs, Tanksley said. So replacement heifers should be chosen for reproductive efficiency, disease resistance and feed conversion efficiency.

Weaning is one of the greatest stresses put on a calf, so other stressful procedures, such as vaccination and parasite control, should precede or follow weaning by at least three weeks.

A vaccination program should be handled properly so a cattleman will not lose money, said Tanksley. Proper vaccination procedures are a must. This

means reading the vaccine label and following instructions completely. Keep vaccines refrigerated, even during use, and keep them out of direct sunlight. Make sure vaccine combinations are compatible. Vaccinate animals at the right age and the right time of year. And do not use disinfectants such as alcohol with

modified live virus vaccines. For specific preventive medicine practices for the beef herd, Tanksley recommended consulting a veterinary practitioner.

Anne Farris Gets Training At Academy

Mrs. Anne Farris, principal of Lubbock Elementary School, is one of 160 selected school principals from throughout Texas who will be trained this summer by the Texas Education Agency at the Academy for Effective School Leadership, in Austin.

These principals are expected to join state accreditation teams for the 1988-89 school year. The academy is the training component of the Texas School Improvement Initiative, established by Commissioner of Education, W. N. Kirby, who says principals are "the keys to education in this state... an extremely important group in our desire to improve education in Texas."

As a member of the state accreditation team, Mrs. Farris will make on-site visits at selected schools during the school year.

Robert Gilman, Assistant Commissioner for Accreditation, said, "Principals will provide feedback to their peers. As they go on-site, observe, and evaluate each other's performance, they will establish a supportive network where they can call each other and exchange information or share common problems."

Mrs. Farris was nominated by Superintendent Joe A. Hall and selected by the screening committee for the Texas School Improvement Initiative (TSII) from hundreds of applications throughout the state.

"HI DADDY"

"Hi Daddy? When are you coming home?"
How happy it would make our Heavenly Father if we responded to His voice in the same joyous manner that this little child has responded to his Daddy's voice.
Enthusiasm for God's Way would turn a greater number of people toward God and His love.
"I was glad when they said unto me, Let us go into the house of the Lord" (Psalms 122:1) would be a joyous response to God's command, "Forsake not the assembling of yourselves together." (Hebrews 10:25)

The Church is God's appointed agency in this world for spreading His knowledge of His love to men and of His demand for men to respond to that love by loving His neighbor. Without His grounding in the love of God, no government or society or way of life will long endure and the freedom which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the well-being of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
