IN THE SWINE DIVISION, Linda Sue Dockrey's heavyweight crossbred barrow was chosen Grand Champion during last weekend's 4-H and FFA Stock Show at the County Barn.

A 126 LB. Suffolk, owned by Jana Bruce, won Grand Champion Lamb honors at the 46th Annual Stock Show held January 27, 28 and 29.

KYLE BENSON'S steer, a 1,191 lb. black Chianina-Angus cross called "Mountain Man," was selected Grand Champion during the 4-H and FFA Stock Show held last weekend. (Mike Smith is holding the awards).

Benson, Bruce and Dockrey win Grand Champion honors

The big winners in this year's Mitchell County 4-H and FFA Stock Show were Kyle Benson, Jana Bruce and Linda Sue Dockrey as they showed their animals to Grand Champion honors in the 46th annual staging of the event.

First to be determined, Friday afternoon, was the champion steer, and 10-year old Benson beat out his older sister Shelia, as her steer was chosen reserve champ.

Then the champion lamb was selected as Jana Bruce, with a 126-lb. Suffolk with Oklahoma breeding, beat the finewool lamb shown by Brittany Bridgford, which got reserve.

Saturday was devoted to the swine division and Linda Sue Dockrey's heavyweight crossbred barrow, bred by Jimmy Roemish of Hermleigh, beat out the reserve champ, a Duroc shown by Bonnie Herrington of Loraine. The reserve barrow was also judged best bred in Mitchell County, bred by her father, Mike Herrington, Vocational Agriculture teacher at Loraine.

Benson's steer, a 1,191-lb. black Chianina-Angus cross, is called "Mountain Man" because he was bred by John Johnston of West Virginia. He is about 18 months old and was bought at the National Steer Sale in Lubbock in April. He went back to Lubbock to win reserve status at the National Steer Show in December.

Shelia's reserve steer is called "G. G." for the breeder, George Garretson of Fredericksburg. It is a 1,225-lb. Simmental-Hereford cross.

Kyle said that after getting the steer ready by washing, blowing out, brushing and other necessities, he showed "all right."

"Getting them gentle is the key," he explained, but cautioned against making a pet out of the animals, "because then they won't show good. If you work with them in the summer, then they'll show O. K."

Other prizes in the steer division included Showmanship, which went to Adam Merket of Loraine, and Herdsman, Nikki Holman of Colorado City. Best calf bred in Mitchell County went to Adam Merket with a steer bred by Kent Boyd of Loraine.

Jana Bruce, 17-year old senior at Colorado High School, said that the first time she worked with her medium-wool lamb this year, "he

(Q) What can be done about the low water pressure in the north part of town?

(A) City Manager Rick Crowley responded to this question:

"The low pressure problem in the north part of town was one of the subjects of the water system study that the City had done in November of 1982 by Freese and Nichols.

"The engineers recommended that the solution to the problems involved the installation of a pneumatic pressure system for these low pressure areas which would cost about $70,000. This was one of the immediate needs expressed by the report. The total cost of the immediate needs for the entire system improvement was $1,180,000.

"The report is still under consideration by the City Council. Once the sewer treatment project is underway, the City Council, city staff and city consultants will address the problems outlined in the report."

HUD funds may be available

Hotel being considered for development

The old Baker Hotel at the corner of Walnut and Main Streets may be getting another chance to become a useful part of Colorado City instead of being torn down.

D. M. (Jake) Merritt, president of the Housing Board of Commissioners, announced that Fitch Holderredge Bison & Holcomb, Inc., an architectural firm in Houston, informed the Board that "there will be a fund available in Housing and Urban Development in June for that type of work."

"That type of work" is being the renovation of the hotel so that it can be used as government housing for the elderly.

Merritt said that the Board planned to make application for the funds as soon as possible and is cautiously optimistic about getting the application through.

"One time we nearly had it done," Merritt said of earlier plans to make the Baker Hotel into apartments. "We failed to finance it. We had bonds ready to sell, but when the prime (interest rate) went to 20 percent, we lost the bond mortgage," he continued, because the bonds were at 8 percent.

The Chamber of Commerce voted during their meeting Monday night to sponsor the project, Merritt said, since a sponsor is required by government regulations.

He also stated that he felt that the $10,000 escrow fund that is required would present no obstacle.

Four are charged in Loraine vandalism

Four persons have been arrested in connection with acts of vandalism that occurred in Loraine on November 22 and 23, including the slashing of school bus tires, the breaking of windows and the spray-painting of the Community Sign, Mitchell County Sheriff Wendell Bryant said.

According to Bryant, the one juvenile suspect involved was charged with criminal mischief and released in the custody of a parent.

The other three subjects are Kevin Gene Bailey, age 22, Tommy Ray Graham, age 19, and Sharon Graham, 19. All are Colorado City residents.

Bryant stated that Bailey was arrested on January 26, Graham on January 27 and Mrs. Graham on January 28.

They were charged with criminal mischief and burglary of a building and bond was set by Justice of the Peace Charles Watlington at $10,000 on each charge, Bryant said.

On January 25, three suspects were arrested in connection with a burglary in the Buford Community, Bryant reported.

Roy Rodriguez Gonzalwz, age 21, was charged with burglary of a habitation and burglary of an automobile; Reynaldo Rodriquez, age 27, and Elias Gonzales, age 17, were charged with burglary of a habitation.

Reynaldo Gonzalez and Elias Gonzales were released on $10,000 bond while Roy Gonzalez is still being held in lieu of $10,000 on each charge.

All three are residents of Colorado City.

Bryant added that James Gable Johnson, approximately age 31, of Rotan was arrested in Decatur, Georgia and returned to Mitchell County where he is under indictment for attempted murder in a shooting incident that occurred in November or December.

THE BAKER HOTEL is again being considered as a site for apartments for the elderly. D. M. Merritt, chairman of the Housing Authority Board of Directors, said that HUD funds for such a project will become available in June and the Board plans on applying for them.

Arrests are made in burglary of business

Douglas Wayne Smith and Mitchell Lynn Williams, both 19-year-old residents of Colorado City, have been arrested by the Colorado City Police Department in connection with the burglary of a local business.

Chief of Police Ed Wheat said that the two suspects were picked up Friday, January 28 for questioning concerning a burglary that had occurred at Colorado High School on December 11-12.

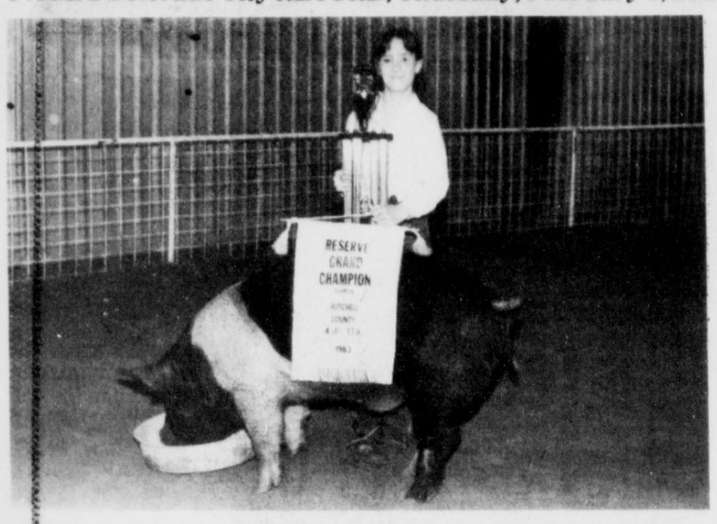

As a result of the questioning, Wheat stated, formal charges were brought against Smith and Williams for burglarizing C C Athletics on more than one occasion. A juvenile now living in Waco was also implicated in the burlgaries.

Wheat noted that some of the merchandise stolen had been recovered.

Justice of the Peace Charles Watlington set bond at $7,500 each and the two men are being held in Mitchell County Jail.

Rain

Rain fell in Mitchell County again Monday morning, leaving behind 1.15 inches in Loraine. Colorado City got .6 inches, Westbrook measured .9 and the Renderbrook-Spade Ranch reported .7.

BONNIE HERRINGTON'S Duroc was selected Reserve Grand Champion in the swine division. It was also judged best bred in Mitchell County.

RESERVE GRAND CHAMPION in the lamb division was bestowed on a finewool lamb shown by Brittany Bridgford during the 4-H and FFA Stock Show.

didn't push real good," but he did Friday afternoon for the show. She said they are planning to take him to Fort Worth next week.

It was a big show for Jana. as she won Showmanship in the Swine division, this being her first year to show in that division, although she has shown sheep for many years.

Also in the sheep division, Bridgett Bridgford, little sister of the reserve champion winner, won Showmanship. Lamb Herdsman went to brothers Tab and Jay Beaty of Loraine. Best bred lamb in Mitchell County, an award that includes the Jimmie Maddox Memorial Trophy, went to Robert Lemons with a finewool lamb bred on the Spade Ranch.

Best pen of three lambs was judged to be Bridgett Bridgford's bunch, shown by herself, Kyle Benson and Blaine Lemons. Reserve pen was Brittany Bridgford's, shown by herself, Pam Beasley and Denise Lowrance. Others showing for the pen of three prize were Fred Dakan, Robert Lemons, Bruce Light and Linda Dockrey.

Linda Dockrey's Hampshire-Duroc cross weighed 249 lbs. and she said he showed fairly well but most of the hogs were pretty tired by the time the championship judging came along shortly before noon Saturday. Dockrey and Herrington also came in champion and reserve for the pen of three honors which was judged in the pens and not in the ring. Other swine prizes went to Miss Bruce, Showmanship; Herdsman, Duane Linam of Loraine and Best bred in the county, already mentioned, went to Herrington.

Concluding the show, the Robert Cooper Memorial Trophy, presented each year to the showman in two or more divisions and considered an overall showmanship award, went to Sherri Webb of Loraine. She had animals in the steer and swine divisions.

Who are these Episcopalians?
What do they believe?
How are they like others who follow Jesus Christ, and how are they different?
Why do they stress the joy & promise of the Gospel instead of dwelling on sin & the sorry state of the world?
Where can you truly become a part of a real church family?

These and many other questions will be answered during the course of an Inquirers' Class to be taught by the Rev. Monte Jones, Vicar of All Saints' Episcopal Church. The class meets at the Vicarage, 1315 Chestnut, each Thursday evening at 7:30 p.m. The Episcopal Church believes in an informed laity, and one can become an Episcopalian only after learning enough about the church to make an intelligent, as well as spiritual, commitment. Every interested person is invited to attend these classes, with no obligation or pressure to join, only a warm welcome.

Jesus Christ is alive and well at All Saints' Episcopal Church. Come and behold Him!

Root Valley Fair Lodge

By PAM JARNAGIN

The ground hog has the spotlight this week at Root Valley Fair. Everyone is hoping he doesn't see his shadow and a warm spring will get an early start; winter fun is nice but the summer sun is better.

Our agenda is full for the warm sunny days ahead. Barbeques, ice cream suppers, picnics, field trips and so forth are already being planned.

Meanwhile, we will have to be satisfied with our weekly bingo, exercise, dominoes, movies, puzzles, Bible study and TV.

A new volunteer group will be playing music every Thursday evening for our residents. We are looking forward to that.

Abraham Lincoln isn't the only great person to have a birthday this month. Lowry House, Mattie Hines, Ruth Jarman and Ewell Smith are on the calendar for a big Happy Birthday party.

Florida McGee has been returned to us from a stay in the hospital. Sure is good to have her back home.

I have to mention Mrs. Mary Rogers, who at 90 years of age is taking typing lessons. She is learning fast and a novel may be on the way. Talk about "True Grit"!

Mary Jane Baker told me of the celebrations they had on Lincoln's birthday–music, speeches and dinners–in years past. She wonders what happened to those times.

I was also told by Mrs. Willie Johnson not to get too excited about the ground hog "If it thunders in February, it will frost in April."

Double check, the IRS says. You may pay less tax by filing Form 1040 because you can claim itemized deductions that cannot be claimed on Form 1040A or 1040EZ. Charitable contributions, interest, certain nonbusiness taxes, medical and dental expenses, certain losses, and other expenses may be itemized as deductions on Schedule A (Form 1040).

Teamwork pays off for Bulldogs

The Loraine Bulldog girls displayed a fine team effort while keeping their playoff hopes alive by defeating the Roscoe Plowgirls 60-55 Friday night in Bulldog gym.

The win ups Loraine's record to 4-3 while Roscoe falls to 5-2. If Roscoe loses to undefeated Highland and Loraine wins their remaining games, it would force a "tiebreaker" contest to see who goes into post season competition as the second place team.

It was a fast-paced contest all the way with Loraine leading throughout the game. At times it looked like the Bulldogs would run away with the game, but Roscoe's sophomore-filled squad hung tough. In fact, the Bulldogs had to hold off a last quarter rally by Roscoe after holding a 47-34 lead going into the final stanza.

But the name of the game was teamwork as the Bulldogs put on their best performance of the year. Leslie Rose tarnished the Roscoe defense as she dominated the game with 32 points and 12 rebounds. Time and time again she outjumped her taller opponents for the ball and turned around to hit her patient turn around jumper. Then there were forwards Julie Wells and Stephanie McAdams who controlled the offensive boards as the duo combined for 20 rebounds and 16 points.

Guard Janie Barrera got back on the "right track." She hit 12 points, most of them from the outside and whenever the Plowgirls drew close, point guard Tency Deloera, who time after time beat the Roscoe press, and passed the ball off inside to Rose for the easy two. Substitutes Shelly Martin and Margie Oliver also did a fine job for the Bulldogs in the final stanza when Rose and DeLoera fouled out. Both girls had calm nerves in a pressure packed situation.

After leading 19-16 after the first quarter, Loraine opened up its largest lead of the game with a three point play by Rose with 4:40 left in the half, the Bulldog lead was 28-19. But the Plowgirls trimmed the lead to 35-28 at the half behind some clutch free throw shooting by Julie Raughton.

During the third quarter it looked like Loraine was going to put the visitors away as the Bulldog press pressured Roscoe into numerous turnovers. Wells' set shot from the middle of the key upped the lead to 43-30, and Raughton's long range jumper right before the buzzer kept the Loraine lead at 47-34.

In the fourth quarter, the Plowgirls slowly whittled away at the Bulldog lead. The 'Dogs held a 56-46 lead when Rose was whistled for her fifth foul with 1:33 remaining in the contest, 28 seconds later DeLoera committed her last foul and the Loraine lead was cut to 56-49. But McAdams iced the game when she drove three-fourths length of the court for a layup, as the Bulldogs hung on for the win.

Others scoring for Loraine were McAdams and Wells with eight points each as the duo grabbed 10 rebounds a piece.

Wolves find going rough lose to Crane, 67-42

The Colorado City Wolves girls varsity started off the second half of district competition on the wrong foot by dropping a 67-42 decision to a "young" Crane Lady Crane ball team.

The Lady Cranes, who have been beset by injuries, started two freshmen, one sophomore, one junior, and one senior. Crane, playing in front of the home crowd was never headed in the contest after jumping to a 17-10 first quarter lead. It wasn't one of the Wolves better performances, and coach George Martin will be the first to admit it. "We didn't play well at all. We put up the shots, but they didn't fall. They intimidated us, and we have to get out of that, but the girls showed good effort. We'll take the plusses from this game and try to work on improving," said Martin.

The Pack shot a dismal 29 percent from the floor, and were burned by Crane forwards Jo Mitchell and Shonda Enos who made 24 and 19 points respectively.

Crane held a 35-21 halftime lead, and a 51-31 lead after three quarters. From there it was a "cakewalk" for the home team.

Laura Baum had another good shooting outing for the Wolves as she sunk seven of 20 from the floor, to end up with 15 points. Others scoring were Tomika Randle six, Traci Blackwell two, Carolyn Green six, Hollie Taplin two, Stacy Hamrick seven and Sonya Mercer four. Hamrick pulled down nine rebounds while Randle added eight.

In the junior varsity game, guards Lynn Scott and Cres Aguilar combined for 35 points in leading the Wolves to a 55-37 victory over Crane. The duo scored 19 and 16 points respectively. Others scoring were Jody Mann two, Sherry Fite four, Denise Jackson ten and Julie Waid two. Jackson patrolled the boards for 12 caroms.

Seventh grade boy hoopsters survive Sweetwater, 28-25

The Middle School seventh grade boys team was the lone C-City team to escape with a victory over Sweetwater in Monday night's basketball action at Wolf Gym.

Coach Mark Merrill's squad kept their hopes for a perfect season alive as they rallied from a 16-8 deficit late in the third quarter to down the Sweetwater Ponies 28-25.

It was a bad first half for the Wolves, as they went scoreless the first quarter and trailed 12-6 at the half. Trailing 16-8 late in the third stanza, the Wolves press led by Eduaro Melendez and Guy Compton rallied for four baskets to knot the game at 16-16 going into the final period.

In the final six minutes, Wolves big man Israel Davilla took charge of things scoring eight of his 18 points, as the Pack took the win. Merrill was happy to escape with the narrow win. "They played good defense. We got the shots but we just didn't hit them. They never improved a lot since we beat them 31-20 earlier in the year," said Merrill.

Others scoring for the Pack were Ken Norman four, Melendez three, and Cary Ritchey three. The seventh graders record stands at 12-0 on the year.

The eighth grade boys saw a second half Pony blitz take victory from them by a score of 30-22.

The Wolves led 9-2 after the first quarter behind the shooting of Clifford Miles and Wylie Dakan. The lead was 13-12 at the half. But after that a tight man to man defense hounded the Wolves as Sweetwater vaulted to the victory. "In the first half we controlled the boards and ran our fast-break well. We played good defense throughout the game, but our offense didn't produce in the second half. I am proud of the boys, they played well," commented coach Ronnie Gainey.

Scoring for the Wolves were Paul Arellano eight, Terry Jackson two, Dakan five, Miles four, Michael Swann two and Scott Dennis one.

The seventh grade girls were defeated 29-11 by Sweetwater. Scoring for the Wolves were Yolanda Salazar six, Mary Ann Davilla two, and Michelle Casey one.

The eighth grade girls were walloped by the Ponies 55-7. Scoring for the Wolves were Robin Edwards three, Holly Hicklin two and Kelly Beights two.

Loraine boys fall to Roscoe Plowboys

The Loraine Bulldog boys saw their playoff hopes all but vanish Friday night in Bulldog Gym as they were downed by the Roscoe Plowboys 62-52 in district 7A action.

The Bulldogs needed this game to force a possible tie for second place between themselves and the Plowboys, but the loss drops Loraine's record to 3-4, while Roscoe remains in second place with a 6-1 slate. The Highland Hornets head the league with a perfect 7-0 mark.

The game was action packed all the way, with the crowd already being "worked up" by an exciting girls game, rocked the gym with their enthusiastic cheering for their respective teams.

But the story of the game was the big Rosco front line, who time after time pounded the boards, getting second shots and hampered all inside shots by the Bulldogs.

The "big three" of 6-5 Danny Richburg, 6-3 Nat Richburg and 6-1 Darren McKnight made life miserable for the Bulldogs as they combined for 36 points, numerous blocked shots and rebounds. The Plowboys had a balanced scoring attack with four men in double figures headed by D. Richburg's 17 points. When the "big three" wasn't getting the points inside, guard Craig Raughton was hitting the outside jumper. He ended up with 13 points.

The first quarter was close with Roscoe holding an 18-14 lead. Loraine's top scorer James Griffin quickly got into foul trouble with three, and coach Ronald James had to use his big man sparingly and the Plowboys started to take control of the contest.

Following a block by D. Richburg, Raughton turned it into a three point play and Roscoe had a 23-14 lead early in the second quarter. From there the Plowboys dominated the boards and played good defense as they pushed their lead to 31-18 with three minutes remaining. To add to the Bulldogs woes, Griffin and guard Ruben Garcia picked up their fourth fouls. By the end of the half, it looked like a Roscoe blow out, as the Plowboys held a 41-23 lead.

The 'Dogs started out terrible in the third quarter. A cold spell left them scoreless for three minutes, and by that time, Roscoe had built up a commanding 47-25 lead.

But that is when Loraine staged one of the guttiest and best comebacks of the year. The Bulldog fullcourt press, headed by Aundra Rose, Griffin, Garcia, Jerry Darnell, Tony Morris, Steve Morris and Adam Merket put quite a scare into the Plowboys. They promptly reeled off six steals which resulted in nine unanswered points until a basket by D. Richburg with three seconds remaining in the quarter ended the Loraine barrage. Griffin promptly passed the ball into Rose, who dribbled to midcourt, and let fly with a bomb that hit the bottom of the nets for two points, and the Roscoe lead was 52-40.

In the fourth quarter the 'Dogs started where they left off, causing turnovers and running up and down the court. Two jumpers by Rose pulled Loraine to 54-46 with 5:14 remaining, but that is as close as they get, as Roscoe escaped with the win.

Scoring for the Bulldogs were Rose 17 , Griffing 16, Garcia 12, Darnell four, Merket two and T. Morris one. Rose had six rebounds while Griffin added five.

Wolves defeated by Crane

The Colorado City Wolves varsity basketball team travelled to Crane last Friday and suffered their first district setback of the year with a 60-50 loss coming at the hands of the Crane Cranes.

Crane remains in sole posession of first place in the first half of district play with a 4-0 slate. The Wolves drop to second with a 3-1 record.

The Cranes started quickly opening up a 10-2 margin in the opening moments, but the Pack narrowed it to 14-9 by the end of the quarter, thanks to three baskets by Stacey Tarter.

S. Tarter, Doug Chitsey and Tom Rees kept the Pack close in the second stanza as each player scored two baskets, to keep C-City within striking distance. The score was 30-25 at the half.

Crane postman Clint Barrett, a 6-3 215 "bruiser" caught fire in the second half and burned the Pack for 18 points, to finish up with 20 for the contest.

Barrett and 6-2 Eddie Jones help the Cranes dominate the boards against the Wolves. "They worked the boards, they beat us bad on the boards," commented Wolf coach Mike Hart. "This wasn't one of our better games, but Crane played better that I saw them play at the Big Lake tournament. They were quicker than I thought they would be, plus we had too many turnovers (24), explained Hart.

Scoring for the Pack were S. Tarter 10, Dennis Rivera six, Tim Beights seven, T. Tarter six, Chris McKinney two, Chitsey 12 and Rees seven.

In the junior varsity game, Crane downed the Wolves 47-36. Yardy Powell led the Wolves with 12 points.

Parks Committee discusses Fisher Park

The contract for the concession at Fisher Park at Lake Champion was one of the matters discussed by the Parks and Recreation Committee when its members met Monday night.

Committee Chairman Woody Anderson explained that in the past, the City had a contract with an individual who supplied a person to work at the Fisher Park concession but that the situation had not been entirely satisfactory.

He said that the committee recommended that the City look at other methods, including the bid process, of taking care of the park.

During the meeting, J. O. Dockrey offered to donate a tract of land along Lone Wolf Creek to the City.

The committee voted to recommend acceptance of the tract to the City Council.

CPR TRAINING–Hospital Administrator Ray Dillard gives a short course on Cardio-Pulmonary Resuscitation to employees at Cosden Implement. The one and one-half hour course was provided to prepare employees in case an emergency arises.

News from....

Loraine High School

By SHELLY MARTIN, DEE ANN PULCHER & MELISSA CLIFTON

Last Friday evening the Loraine Bulldogs hosted the Roscoe Plowboys in the Loraine gym. The first game, the Roscoe girls against the Loraine girls, was an interesting game. The Roscoe girls scored the first points but Loraine didn't give up and later came back to win the game.

The Loraine boys did their best to win, but the Roscoe Plowboys managed to take the win away from them.

As you all know, Valentine's Day is just around the corner and everyone is waiting for the coming events. The Loraine Student Council has planned an exciting dance for February 11th to start off the festivities. On Monday the 14th, the Student Council plans to sell Valentine messages and carnations. These money-making projects are used for the school's benefit.

The Loraine Junior High basketball teams came out with a win over the Hermleigh Cardinals Monday night. This past weekend they participated in the Roscoe tournament and came out with third place.

Taxable income includes unemployment pay

Taxpayers receiving unemployment compensation in 1982 may be required to include some or all of the money they received as income when filing their federal tax return, the Internal Revenue Service says.

Generally, unemployment compensation payments are taxable,in whole or in part, if the total adjusted gross income, including unemployment compensation, exceeds $12,000 for single taxpayers or $18,000 for married taxpayers filing a joint return. Married taxpayers filing separate returns must report all unemployment compensation regardless of their adjusted gross income levels.

Unemployment benefits totaling $10 or more during the calendar year are reported to the IRS by the agency making the payments. The agency should furnish a record of payments made to the taxpayer on Form 1099-UC by the end of January 1983.

Detailed information regarding the computation of the tax on unemployment compensation is contained in IRS Publication 905, Tax Information on Unemployment Compensation, which is available free by using the order blank in the tax package.

Is your heating/ cooling system gobbling up too much money?

If electric bills are taking too big a bite out of your budget, consider equipment with a higher energy-efficiency rating. The higher the rating, the less electricity it takes to heat and cool your home. And using less electricity will help hold down your bill.

High-efficiency equipment costs more, but when the equipment qualifies, Texas Electric will give you a *bonus check* to help pay the difference. So if you're planning to install a room unit, or replace central air conditioning or a year-round heat pump, ask your dealer about equipment that qualifies for a bonus check from Texas Electric.

And put money back in your pocket.

Sick pay included in taxable income

Taxpayers who become sick or injured on the job and receive sick pay benefits from their employers must include the payments as income on their federal tax return, the Internal Revenue Service says.

The payments are taxable whether they were made directly by the employer or from a welfare fund, a state sickness or disability fund or an insurance company, provided the plan was paid for by the employer.

Benefits received under an accident or health insurance policy for which the employee paid the premiums are not considered taxable by the IRS.

More information on sick pay benefits is contained in the free IRS Publication 525, "Taxable and Nontaxable Income," which can be ordered on the handy order form in the tax package.
