Ruth Conger, grandmother of Courtney Lynn Clayton, the 7-year old Stamford girl, who had been missing since last September, said it has been a long hard eight months for the entire family. Courtney's body was found in Shackelford County the last week of March. Her funeral was held in Stamford Wednesday, and burial followed in Cisco Oaklawn Cemetery.

Sheila Conger, her aunt, who also lives in Cisco, said the family knows now where Courtney is and they know that she didn't suffer for all those many months. She said the prayers of others kept them going. She said they don't have to worry about her anymore.

Heard a report that Lisa Cisler, Cisco High School teacher was given a surprise personal shower last Tuesday evening by the First Christian Church Baptist Young Women's group. Lisa is engaged to marry Van Reynolds, on June 10.

Lisa teaches biology, chemistry and physics at CHS. Heard she received some very pretty presents.

The first district game of the Cisco High School Lobo baseball team will be played in Cisco, on Friday, April 14, when the Lobos go against Eastland at 4:30. Everyone

is urged to attend the game and support the Lobos.

There will be a reception honoring Ollie Burnam, of Putnam on her 86th birthday, Saturday, April 22, from 2-4 p.m., at the Putnam Community Center.

Everyone is invited to help celebrate the day and family members said all she wants is to see her friends and relatives there. She said no gifts, please, just your attendance to make the day perfect.

The Cisco High School One Act Play U.I.L. team, travelled to Waco last weekend for the Area Contest. They did not advance, unfortunately they were disqualified for going over the time limit. But the students all worked very hard and gave a very moving performance, of the play "I Never Saw Another Butterfly." There is a place in the Cisco High School trophy case to display the beautiful plaque they won at the Eastland District U.I.L. Contest, March 30.

Students at CHS were busy with achievement tests on Tuesday.

Noticed the stores on Conrad Hilton filling up? There will be announcements in the next issue of The Press.

RITA CLEMENTS

Rita Clements To Award Prizes In Cisco T-Shirt Logo Contest

A panel of judges will pick the winners in the "Just Say No" T-shirt logo contest this Sunday, April 16, at the Cisco High School Library. Rita Clements, First Lady of Texas, will award prizes on Wednesday to these winners. Poster boards with the "logo" drawings should be turned into business offices at the Cisco High School, Cisco Elementary or The Cisco Press, by 12 noon on Friday, April 14, so that they can be judged in the contest.

Rita Clements, wife of Texas Governor William P. Clements Jr., will be in Cisco Wednesday, April 19, to present four cash prizes to the top winners. A special ceremony will be held at 2:30 p.m., in the Cisco High School auditorium on Wednesday.

Texas First Lady, Rita Clements is very interested in the education of the youth of Texas, and will be enjoying giving these awards to the logo winners.

Mrs. Clements has won several awards herself in education. She graduated from Hockaday School in Dallas in 1949, was president of Student Council, member of Cum Laude Society and Valedictorian of her class. She attended Wellesley College, Boston, Massachusetts and then graduated Cum Laude from the University of Texas in 1953 with a major in Spanish and minors in history and government. She was also the treasurer of Pi Beta Phi Sorority.

She has been given the Pi Beta Phi Community Service Award, the Flora Award, and was honored by having her name placed on the Rita Crocker Clements Hall at Texas A&M University and the Rita Crocker Clements Lecture Hall at Hockaday School.

She was born in Newton, Kansas, where she lived on a ranch in Flint Hill region of Kansas. Her family moved to Brady, Texas in 1941, where her father, H. Mason Crocker, also engaged in ranching operations in the Hill Country.

She and her husband, Gov. William Clements, have four children, Dan, 33, Bonnie 31, Barbara 31, and Jim 30. Her mother, Florabel, lives in Brady. She has a brother, Byron, an Episcopal Minister in Beaumont.

During Wednesday's ceremony Mrs. Clements will give each first place winner, (\$50.00) in each division, Elementary School age, High School age, and general public. An overall winner will be awarded another \$50.00 prize so that the top winning logo entry will receive a \$100.00 cash prize.

The winning logo will be used as the official logo to be placed on Cisco "Just Say No Club" T-shirts that members wear. These T-shirts will be worn so that members can show their support in fighting the drug problem in this area.

Special Showing Of HOOS-GOW Tape

Citizens of Eastland, Cisco and Ranger can watch a special presentation of a film concerning the why's and wherefore's of a state prison for Eastland County on Cable Channel 32 on Monday, April 17 at 7 p.m.

This program features a lecture by Dr. Charles Barnes, Hoos-Gow manager to the Morton Valley Home Demonstration Club.

It describes the prison and benefits which would occur to the county if a 2,250 bed

Man Arrested In Cisco Wed. For No Front License Plates Wanted In Waco Burglaries

Two people passing through Cisco, from Waco were arrested near the 333 mile marker at I-20, at 4:15 a.m., Wednesday morning, April 5, and charged with possession of a controlled substance, possession of marijuana, and possession of stolen property when Cisco police officer Larry Weikel, stopped their 1976 Olds Cutlass, on a routine call for not having a front license plate.

When the back license plate number was radioed in to Eastland County dispatch it was found to be fictitious. There were also other sets of license plates in the front seats and a large amount of merchandise that could not be explained to the officers. Officer Kenneth Preston was called in to assist in the arrest.

Jimmy Douglas Lee, 27, and Christy Elise Smith, 29, both of Waco, were taken to Eastland County Jail but have since been picked up by Waco Police officers. Lee had outstanding warrants out in his name for burglary of habitations in Waco.

Waco and Freestone County law enforcement investigators said they suspect that the man may have removed \$30,000-\$40,000 worth of merchandise out of recent home burglaries in that area.

In other reports, on April 3, Cisco officer Preston filed charges on a 23-year old white male for reportedly dumping personal trash at a Cisco business. The man's name was found on an envelope inside the trash.

Later that day, at 4:30 p.m., officer Preston arrested a 12-year old white juvenile for shoplifting when he reportedly took some ball

point pens, from Thrift Mart Grocery Store without paying. The youth was turned over to his parents.

And at 7:30 p.m., that day Officer Preston arrested a 52-year old white female for intoxication in the 1000 block of Avenue J.

Officer Larry Weikel arrested a 22-year old white male for disorderly conduct at Cisco Junior College, at 3:05 p.m., on April 6. He was taken to Eastland County jail where he paid his fine and was released.

Officer Weikel arrested a 22-year old white male on April 6, at 10th Street and Conrad Hilton for traffic warrants out of Eastland County Sheriff's Office. He was booked in the jail and charged with driving while license suspended, speeding, and control of drug paraphernalia.

Officer Darrell Shipman arrested a 17-year old white male, at 5:30 p.m., on April 7, for theft under \$20.00 at Thrift Mart. He was taken to the Cisco Police Department for this charge and after a pat-down, it appeared that he also had marijuana in his pocket. He was then arrested on that charge.

Officer Shipman arrested a 23-year old white male, at 7:30 p.m., in the 300 block of Avenue J, on April 8, for warrants out of city court on intoxication charges and outstanding traffic warrants. He paid his fines and was released.

On April 9, officer Shipman investigated a report of a theft over \$750, from a 41-year old white male. The man said that taken in the theft were \$150 in change, two knife cases, a Colt 32 revolver, with a total value of \$14,000.

Donations Needed For 1989 Project Graduation Needed

The 1989 Project Graduation celebration will be held on June 2nd at Cisco Junior College. This is a chemical- and alcohol-free party developed for high school students. It began in Maine after seven students were killed in alcohol-related crashes after graduation. This program is endorsed by many national and state organizations, such as the State Department of Highways, the Texas Department of Health and Texas's War on Drugs.

Project Graduation has become a tradition in Cisco since 1987, when it was first introduced to the seniors in this area. Seniors have participated from Cisco, Eastland, Ranger, Cross Plains, DeLeon and Gorman. All area schools have been invited to attend this year. To date, DeLeon, Ranger, Eastland and Cisco have registered to attend. There will be movies, bowling, pool, pin ball games and an all-night D.J., in addition to a large buffet. We hope to have a large number of drawings through out the evening for prizes, cash awards, and scholarships. Each senior may bring one guest.

Also, Mr. and Mrs. Garland Hawkins, Southwest Emblem Co., Brenda 'n Friends, Stovall Roustabout, King Insurance Agency, Eastland County Newspapers, Mr. and Mrs. Ray Saunders, Peoples State Bank of Moran, Mr. and Mrs. Bill Hounshell, Mr. and Mrs. Elmer Escobedo, Jr., Tri-Tex Energy, Mr. and Mrs. Mike Pittman, Mr. and Mrs. Richard Ingram, Mr. and Mrs. Lonnie Abbott, Joe Cooper, CPA.

Also, Dr. Tim Boersma, Barton Construction and Insulation, Thrift Mart Food Stores, Civic League, Mr. and Mrs. Jerry Lambeth, First National Bank of Cisco, Eastland National Bank, First State Bank of Ranger, Burgess-Manning, and Traditions Restaurant.

If you can contribute a doorprize, or any financial contribution, no matter how small, it would be greatly appreciated. Donations may be sent to: Kay Roark, Treasurer, PO Box 70, Cisco, Texas 76437.

Nancy Bidwell, a dog trainer for K-9 Police Drug Dogs, will give a demonstration of one of these intelligent animals at 12:15 p.m., Wednesday, April 12, just before the Cisco Lions Club meeting, at Tradition's Restaurant, and at 12:15 p.m., Thursday, just before the Cisco Rotary Club

meeting at Tradition's. The public is invited to attend each one of these demonstrations.

Nancy, who trains these K-9 Police Drug Dogs is from Jasper, Texas. She will bring in one of her prize K-9 Patrol Dogs for this demonstration.

The animal will be brought into the restaurant through the back door and will perform in the meeting room at Tradition's. (All lunches will be served as usual, so everyone can eat and still see the demonstration.) If there is a large crowd, the demonstration will be held outside.

All Cisco church members, civic club members, organizational members and school children are urged to attend this demonstration.

A project to raise money to buy a K-9 Police Drug Dog for this area, was delayed due to inadvertently situations. The K-9 Canine Drug Dog will help the local police combat an epidemic problem of drug dealing and drug abuse in this area.

USE THE
CLASSIFIEDS

CHS Class Of 1939 To Meet April 21-22

The Cisco High School Class of 1939, will meet for their 50th reunion on Friday and Saturday, April 21-22, in the community room of the First National Bank.

The reunion will begin at 2:00 p.m., Friday, with registration and visiting. Reservations for Saturday's Bar-B-Que dinner will also be made at that time. A business meeting and social hour will begin later that day at 7 p.m.

On Saturday, the reunion will begin at 9 a.m. in the community room, for coffee and donuts. After the Folk Life Festival parade and activities, there will be free time to visit and enjoy the Festival.

Everyone will meet at the Corral Room at 6 p.m., Saturday, with Morris White, welcoming everyone. The Bar-B-Que dinner will begin at 6:30 p.m., and afterwards, "Nostalgia" will be presented by Inka Sherman Stroud.

Each graduate who attends the reunion will receive a keepsake memorial, that was fashioned together by Gladys French Hart, 1989 reunion chairperson. The packet will include a small atlas, a Cisco brochure, Hilton brochure and a booklet with copies of newspaper stories concerning the Cisco area, the world, and Cisco High School in 1939. Mrs. Hart said in 1939, they did not have a high school annual, so this book will be able to bring back some the memories of that wonderful year.

If any other Cisco class is meeting for their reunion and would like to attend the Bar-B-Que dinner at the Corral Room, on Saturday, they are urged to call Morris White at 442-3533, and make reservations.

Applications For Scholarships Now

Being Accepted

The Cisco Service Club is now taking applications for their annual Sue Witzsche Memorial Scholarship. The scholarship is available to any female resident of Cisco who has lived here for one year or more, and who would like to have some financial aid for her pursuit of technical or vocational training.

The Cisco Service Club voted to dedicate their scholarship program in memory of Sue Witzsche in 1977. Mrs. Witzsche was a devoted club member and an active community worker.

Applicants need not be presently in school, nor is the scholarship limited to college-age students. The scholarship is designed to help those in need of financial aid for books, fees, tuition.

PROCLAMATION--Mayor Joe Wheatley is shown in the above photo signing a Proclamation designating the week of April 17th thru April 23, as "Folklife Festival Week" of Cisco. This is the Cisco Civic League's 16th Annual Folklife Festival in Cisco. Monies made from this annual event of education and entertainment is used to fund community improvement projects. Shown in the above photo are (left to right) Arlene Fry, president of the Civic League, Mayor Wheatley and Lisa Moore, chairman of this year's Festival. (Staff Photo)

House Bill On South Eastland County Hospital District Restated

A copy of restated House Bill 1841 and a cover letter from Legislative Aide Sharon McCord came from the office of Representative Jim Parker Monday.

House Bill 1841 concerns the dissolution of the South Eastland County Hospital District. It was introduced in the House on March 6 by Rep. Parker, and the measure is now in Committee. It was revised last week at the direction of Parker.

The cover letter says, in part:

"In reading the revised Legislation, you may realize that it does not seem to be much different than the original Bill. However, there are several very important things to keep in mind.

"First, the United States Bankruptcy Court that is involved in the hospital suit determined that the debt must be paid off. It prescribed all the guidelines for paying off the debt, including the amount of time the district has to pay off the debt.

"The district, according to that federal bankruptcy court order, must pay the debt by sometime in late 1990 or early 1991. We, however, have tried to completely ensure that there will be no debt remaining when the obligations transfer to the county after Dec. 31, 1991, by extending the bankruptcy court's time limitations about a year.

"Although federal bankruptcy court rulings supercede Texas Legislation, we simply want to "play it safe" by giving the district plenty of time to pay off the debt.

"The reason the assets and obligations must transfer to the county is that Texas law (and common sense) provide that, if there are any debts or assets, someone must inherit them. The county is the most appropriate governmental entity to assume these obligations once the district is dissolved."

After discussing a possible election in the district, Sharon McCord's letter concludes with the hopes that she has clarified the circumstances under which the Bill was drafted and filed. "Our intention all along has been only to provide a vehicle under which the debt could be paid and to release the district from indi-

gent health care obligations," she says.

In looking over the revised bill, some differences are apparent. The role of the United States Bankruptcy Court is stated clearly. If the Bill passes in the state Legislature, the Board of Directors for the district may order an election on the question of dissolving the district, and disposing of the district's obligations according to any applicable plan of adjustment approved by a United States Bankruptcy Court, and transferring any assets and obligations to Eastland County.

If the voters in the Hospital District approve the dissolution, the Bill provides for a transfer of the district's as-

sets to the county and states that at this time "Eastland County assumes all debts and bond obligations of the district that remain unsatisfied or not discharged in bankruptcy. At the time of dissolution, Eastland County assumes the duty or provide indigent health care... (to South Eastland County Hospital District)."

The Bill further states: "The Board may continue in existence after a vote to dissolve the district only for the purpose of collecting taxes due on or before Dec. 31, 1991, and for the purpose of paying creditors under its approved plan of adjustment in the United States Bankruptcy Court."

Opportunities Unlimited Offered At Band-Senior Center- AARP

By JUANITA ROBERSON

We go to the mail box, reach in, get the mail, among the mail on Wednesdays and Saturdays we get The Cisco Press, open the paper and on the front page we see some school activities and we are so proud of our youth of our town and our schools in Cisco.

There, too, are reports on county developments, city activities and police reports of bad things that have happened in our town. But how often do you see in The Cisco Press or other papers just what is going on with our Senior Citizens? They deserve a little recognition.

We would like to take a stroll down Hilton Avenue to the Corral Room. There at 7 a.m. we find Ruth Cartee, the director of the Senior Center, Retta Jackson, the head cook, the custodian and van driver, Jessie Rose, busy getting things ready to go for that day.

At 8 a.m. Thelma Tickner, the telephone chairman, begins her day by taking reservations. The other kitchen helpers, Elva Notgrass, Virginia Rich, Nancy Speegle and Helen Kilgore, arrive to help prepare the meal and get other things ready. Another kitchen substitute helper, Rozelle Gish, tries to be available when needed.

The Senior Citizens begin to arrive to meet together to play their favorite games or just have a cup of coffee or juice and visit with each other.

There is a time of exercise led by Winnie Pippen, a time for gospel singing by the

choir, led by Jack Roberson with pianists Lois Holder or Mildred Johnston.

Johnie Webb has charge of the ceramic classes on Monday mornings. The group makes ceramics for themselves and the center. They have all kinds of creations for sale. We invite you to make a reservation for lunch. Come, visit the center and look over the work of the ceramic class. You might find just the gift you need for a friend.

For reservations call Thelma Tickner at 442-1557.

Dinner music is furnished by a group of talented people: Lois Holder, Mildred Johnston, Richard Parker, Ima Thompson, Gerald Parks, Bob Bevers and Lydia Krauskopf.

On Wednesdays, the Senior Citizens Rhythm band has a time of practice to play for those who like to linger awhile after lunch. The members of the Rhythm Band are never idle. There are always residents in the rest homes who need some kind words, a smile or a little entertainment. The band can do just these things.

On January 31, the band went to the Crazy Water Hotel Retirement Home in Mineral Wells. They arrived to find a large crowd waiting. After the band had a delicious lunch which was served to them by the home, they performed for the group.

The Senior Center in Mineral Wells invited the band to play for them on March 2nd. After their per-

ion, clothing or room and board. Women who graduated earlier in their life and are now wanting to continue their education are encouraged to pick up an application.

Applications may now be picked up at the Cisco High School, Cisco Junior College Financial Aid office or at Dean Drug, 618 Conrad Hilton. The deadline to turn in the application will be Monday, May 1, 1989.

Each applicant will be interviewed by a scholarship board of directors. Interviews will be informal and the results will be the basis for selection of the recipient.

For more information call Betty McGrew at 442-2155, or 442-1051, or Sue Lacy at 442-2346.

Attention Class Of 1959

The graduating class of Cisco High School 1959 will be having their 30th class reunion on Saturday, April 22, 1989.

Anyone who wants to be in the Folklife Festival parade will need to come to the Conrad Hilton and find our trailer.

Registration will be immediately after the parade at the White Elephant in the meeting room. We will visit and get ready for lunch, which will be served at 2 p.m. Oscar's Bar-B-Q will be serving the meal. If you plan

CLASS MEETING

The Dorcas Sunday School Class of the First Baptist Church met in the home of Mrs. Jean Tabor last Tuesday for the regular monthly meeting with Mrs. Maezell Crocker as co-hostess. After the class song, "Have Faith in God," was sung, Mrs. Ralph Snyder gave the opening prayer.

Mrs. Paul Harper brought the devotional using the theme "Love, Foundation of the Home," with scripture taken from Matthew 7:24-27.

Mrs. Dale Phippen, president, presided over the business session. Plans were made for the Mothers Day Luncheon. Mrs. Kenneth McKinney gave the ministry report.

Mrs. Jack Dennis had

charge of the social hour. Mrs. Phippen gave the closing prayer.

Others present were Mrs. Boyd Tabor, Mrs. James T. Matthews, Mrs. Elaine Shelton and Mrs. Dary Edwards.

Margaret Schooler visited with her brother, Harold Gardner, in the Veterans Hospital in Dallas over the weekend.

Hubert Brewster, Roscoe Miller and Maurice Newton represented the Ernest F. Pettit Post, No. 343, at the spring Legionaires Convention in Breckenridge over the weekend.

An account has been opened at the Peoples State Bank in Moran for the Matthew Seay family to help cover the many expenses of extended trips to Abilene hospital for chemotherapy treatments for Matthew, a 27-year-old cancer victim with a wife and two children. Any amount of gift will be appreciated.

Guy Steen was greeting friends in Moran last Thursday.

Mrs. L.L. Walker is at home after having surgery on her arm in Harris Hospital, Fort Worth, and would enjoy visits and telephone calls from friends.

Mr. and Mrs. Dale Tollefson spent the weekend in San Antonio with their children, Mrs. Terry Hawkins, Mr. Hawkins and baby daughter and with Dean Tollefson. They helped their granddaughter, Joanna, celebrate her first birthday.

Mrs. Frances Green and Mrs. Mattie Arnold spent the weekend in De Soto with their daughter and granddaughter, Mrs. Jerry Mcoughton, and family.

Lucion Brooks received treatment in Graham Hospital, Cisco, Sunday and Monday. He will go to Dallas for a checkup on Wednesday.

A number of people were gardening last week and one could hear lawn mowers going, but today (Monday) was cold and everyone was in the house by the fire. That is Texas weather. A good rain

Linda Cozart Is Promoted At Moran Bank

Linda Cozart of Cisco has been promoted to assistant cashier at the People State Bank of Moran, effective March 14, 1989.

January, 1989, marked Mrs. Cozart's second year of employment with the Moran financial institution. When she began working for the bank, she was doing "research work and getting files together."

"I enjoy working for Peoples State Bank, and I am proud they wanted me to be assistant cashier," she said.

She has been working as a secretary for Steve Waller, and will continue to do that work, in addition to anything else that is required of her.

Mrs. Cozart, who graduated from Moran High School as Linda Moore, is the daughter of Christine Langford of Cisco and W.L. Moore of Evadale. Both of her grandparents still live in Moran.

She and her husband, Steve, a self-employed contractor, live in Cisco. Their three children all attend Cisco schools - Wade, a senior; Kelly, a freshman; and Christy, a fifth grader.

is very badly needed, so the gardens and grass will continue to grow.

Make plans now to attend the Fajita Cook-off in Moran on Saturday, May 20. Plans are being made to make the cook-off better than it has been. More information and plans will be given later.

Mrs. Jack Moore visited with relatives in Dallas and Godley last week. Her daughter, Mrs. Alvin Finn of Hempstead, visited with her the last of the week.

Ezra Weir and Kamber Knowles attended the funeral for Mr. Weir's uncle in Hamilton Saturday.

formance and a good lunch served them by the center, the band went back to the Crazy Water Hotel Retirement Home to perform for the group again.

The band members enjoyed their trips to Mineral Wells.

The Rhythm Band has been invited to play for the Senior Center in Cross Plains April 27th and to play for the Abilene Health Fair May 23rd.

The band played at the Health Fair in Abilene last year. The people from

Abilene and the surrounding area enjoyed the music by the band.

The band has been invited to participate in parades in the county, and will be in the Cisco parade and will perform at the Cisco Folklife Festival at 3:30 p.m. April 22nd.

The band members would like to express their appreciation publicly to Linton Batteas and Joyce and Ralph Berry for the use of their trailers so they could have a float in the parades.

Edwin Carlisle, a friend of the band members, has offered to build a trailer for them if he had wheels and axles and a frame.

If there is anyone in the area that would like to donate these items the band would certainly appreciate

it. This way they could have their float ready and stored for the next parade.

The Rhythm Band would like everyone to know that they furnish their own ways to out of town performances. Each driver is paid a small gasoline fee from the money that is received from each member's monthly dues of one dollar.

We hope you have enjoyed a little news about the Senior Citizens of Cisco.

There is also held at the Corral Room every third Thursday evening at 6 p.m. an American Association of Retired Persons monthly meeting. There is a covered dish supper and business meeting.

This includes persons that have reached their 50th birthday and are members of the National American Association of Retired Per-

sons. They pay \$5.00 a year or \$12.50 for three years. The local dues are \$1.00 a year.

The local AARP would like to urge you as citizens of Cisco to join the group and have a voice in some of the governmental ideas.

The local AARP will meet at 6 p.m. April 20th. Program chairman Jasper Cook reports that the program for this month will be presented by a group of people from the First Baptist Church. Come bring a covered dish and a friend and join in the fun.

Good news: Viennese researchers have developed antibodies against 28 viruses that cause colds. The bad news: there are 272 more viruses that can give you the same symptoms.

The depression associated with menopause is rarely caused by change-of-life, the Massachusetts Women's Healthy Study reports. Rather, say doctors at the New England Research Institute in Watertown, family problems and previous depression are to blame.

A "cure" for migraine headaches? Northern California Headache Clinic in Mountain View prescribed 20 minutes of exercise, four times a week, plus other relaxing activities to hard-driving sufferers. Incidence of headaches was cut in half, said participants.

Breast cancer surgery by carbon dioxide laser is now being done by a surgical oncologist in Great Neck, New York. Advantages: blood vessels are sealed so there's less bleeding and drainage, and there's no damage to surrounding tissues.

RISEING STAR

A brisket supper will be held at the Sipe Springs Community Center at 7 p.m. Friday, April 14 to raise funds for the newly organized Sipe Springs Volunteer Fire Department. The meal includes \$2 a plate for those under 12 yrs. old, and \$4 a plate for persons over 12. The price includes all you can eat of brisket, red beans, potato salad, cole slaw, cornbread, cobbler, tea and coffee. The Sipe Springs Volunteer Firemen are setting up equipment, and funds are appreciated. The firefighting equipment is currently kept at the Rocky Reischer home.

Tax aid for Senior Citizens is available Mondays by appointment at the Senior Citizens Center in Rising Star. The AARP sponsors this service.

CISCO

Dr. Charles Barnes, Project Hoosgow coordinator, and Don Shephard, President of the Eastland County Economic Development, led a group of citizens to a legislative breakfast in Austin last Thursday. One purpose of the visit was to meet with Senator Bob Glasgow and Rep. Jim Parker and discuss the locating of a prison in Eastland County. Another Austin visit by a county delegation is planned on May 8, when legislators will be attending a bi-monthly meeting of the Texas Board of Corrections. This Board will make the final decision on any site for a state prison.

The Texas Circuit Literary Festival will be held in Cisco on Friday and Saturday, May 5-6. A number of writers and editors from Texas and around the area plan to be present, and an interesting program is planned. The Festival is sponsored by Cisco Junior College and the Cisco Writer's Club, and will be hosted by Drs. Monte Lewis, Ken Hammes and Cleatus Rattan, Resident Editors of "The Cross Timbers Review." There will be speakers, book displays, reading of prose and poetry and other events. The program will begin at 1:30 p.m. Friday, continue through the evening and most of the day Saturday. Two meals will be served: An Oscar's Barbecue dinner at 6 p.m. Friday and a luncheon at 12 noon

Saturday. The meals are \$7.50 each, and reservations must be made by calling Cisco Junior College at 442-2567. Students can attend the meetings free. Others who do not wish to stay for a meal may walk in for a \$1 fee.

Patrons of Cisco Junior College's upcoming dinner theatre production of "My Three Angels" have a special treat on April 13, 14 and 15. Robert and Donna DeLuca of Eastland will perform selections from "The Sound of Music." Dr. DeLuca has been cast as Captain Von Trapp and Mrs. DeLuca will appear as Maria Ramer in this favorite. Audiences attending April 13, 14 and 15 will also two of the performers from "Oliver." Season tickets will be available through the entire run of "My Three Angels" for only \$35. June's production is "The Sound of Music," July's is "Barefoot in the Park," and "Oliver" finishes the season in August.

A large Memorial Day Ceremony will be held in the Oakwood Cemetery on May 29. There will be guest speakers, veteran's Memorial Wreaths, the Dyess Air Force Honor Guard Team, and a

21-gun salute to the United States Veterans who are buried in the Cemetery. Gold Star Mothers and Sisters will be honored during one part of the program. The ceremony will be held at the flag pole, which is located in the center of the Cemetery. Anyone or any Civic group or organization who wishes to donate a wreath in memory of a Veteran should contact Louise Nelms at 442-1907 by Friday, May 26. Mrs. Nelms would like to know of any relatives who now live out of Cisco, but have Veteran family members who are buried at Oakwood. She said they can call her at the above phone number for more information on the Memorial Day Ceremony.

The Cisco Country Club began its weekly golf scramble on Tuesday, April 11. Nine-hole scrambles will be held each Tuesday at 5:45 p.m., and will continue until further notice. The cost will be \$4, with \$1 for closest to the pin. Any non-member will pay an additional \$3 green fees. Everyone is invited to participate in the golf scrambles.

On Friday, April 21 a well-

ness couple will be roaming the streets of Cisco in hopes of giving away some Festival currency for persons dressed in the spirit of the Festival, and for attractive show windows. Clothes that qualify are pioneer type dresses or calico skirt or blouse, or denim jeans and western shirts. Granny bonnets are a cute addition for the ladies, as are bandannas for the men. Store windows need to be decorated with pioneer items. The Festival begins after the 10 a.m. Parade on Saturday, April 22, and continues through Sunday, April 23.

RANGER

The 1989 Memorial Day Service in Ranger has been scheduled for Sunday, May 28 at 2:30 p.m. in Memorial Park. This year the Memorial Day Committee plans to dedicate a Memorial Plaque

to all Ranger Veterans on this day. The Committee is currently asking for donations to this cause. They need a total of \$325 to order the bronze Plaque, which will be sculpted by Dale Stewart Studios. If you would like to donate to this fund, please contact Arthur Camacho, Stan Harper or Patti Cozart. This is an opportunity to honor the Veterans with a beautiful and lasting memorial.

The Ranger General Hospital Ladies Auxiliary will be sponsoring a Blood Drive on Wednesday, April 12 from 1 p.m. until 6 p.m. at the Hospital. The public is encouraged to come out and give blood, which will be kept and made available at Carter Blood Center. The blood you give could save someone's life.

The Ranger Independent School District Trustees has

voted to buy ten more Band uniforms for next year adding to the 55 new uniforms they had already voted to purchase. There is an unexpected number of students wishing to be in the Band next year, causing the need for the additional uniforms.

Athletic competitions are continuing, and the Ranger Bulldogs are excelling in most of them. The Tennis Team is currently in competition at the District matches, with the Bulldogs in the semi-finals. The Track Team has one more meet until District, and that is in Gorman this Saturday. District competition begins April 13-14 at Tarleton in Stephenville.

EASTLAND

There will be a Stress Seminar at the Eastland Memorial Hospital Conference Room, beginning Thursday, April 13 at 7 p.m. Each session will be two hours (7-9 p.m.) for six consecutive Thursdays. There will be a \$30 fee for materials. Due to limited space, reservations need to be made in advance. You may call the hospital at

629-2601 between 8 a.m. - 5 p.m. weekdays, and ask for Janice. W.K. Boyce will conduct the Seminar. His training includes a Master of Marriage and Family Ther-

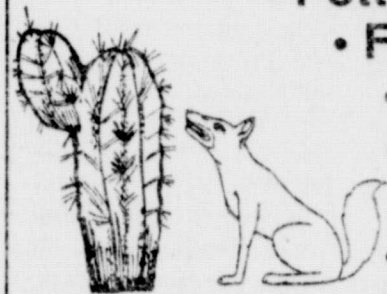

apy from ACU, Bachelor of Arts from David Lipscomb, and Associate of Arts from Ft. Worth Christian.

Safe Driving Tips from Rhonda

Avoid distractions during driving. It has been surveyed that only 17-20% of our attention is focused on driving. Women apply their make-up, curl their hair, tend children, eat or read a book while driving. Men are just as guilty. Men read magazines, maps, shave, put on neckties, eat or talk on the mobile telephone. Learn to realize the inherent danger in driving. Since driving an automobile is the most dangerous thing most of us do in a lifetime, it demands our full attention. Keep the "main thing" the main thing.

Letters To The Editor

Dear Editor,
The Parker County 4-H Parents/Leaders Association is sponsoring a Youth Rodeo May 5, and 6, 1989 at the Parker County Sheriffs Posse arena in Weatherford, Texas.

Our Association is using the rodeo as a money making project to help support our 4-H youth in our county.

As parents and leaders of 4-H, we would appreciate your help in letting your area youth know about our upcoming rodeo. The attached entry form should give you the specific details about the date, time and events.

EDITOR

I would like to comment on the (proposed) hospital district tax (for Eastland):

What good does it do? Gorman had one and they went broke. Cisco has one and they are going broke.

EDITOR

I would like to take this time to personally thank you

for your contribution to the Eastland County Livestock

Dear Sirs

I am gathering up family material for my children. I would like to get in touch with any of Uncle John Norton family. He was the gardener at the old courthouse

Stress Seminar To Be Held Thurs., April 13

Stress is one of the major problems in America today. It is a fact of life - how you deal with it is your decision. You can 'pop pills', deny it is a problem, expect others to make exceptions because you are having a bad day, or you can learn to deal with it. For those who choose to learn to deal with it there will be a seminar, in Eastland Memorial Hospital conference room, starting Thursday, April 13, at 7 p.m. Each session will be two hours (7 - 9 p.m.) for six consecutive Thursdays. There will be a \$30.00 fee, for materials, and due to limited space, reservations need to be made in advance. You may call the hospital (629-2601) between 8 and 5 weekdays, ask for Janice.

W.K. Boyce, an experienced stress counselor, whose training includes a Master of Marriage and Family Therapy from ACU, Bachelor of Arts from David Lipscomb and Associate of Arts from Ft. Worth Christian will conduct the seminar.

Pecan trees have budded and the young leaves are at the optimum stage for zinc applications. Beautiful pecan trees and regular harvests of high quality pecans begin each spring with frequent zinc sprays. Zinc is a nutrient required by pecan trees. The pecan tree is unable to get enough zinc through the root system to meet its requirements. Therefore the foliage spray is the best method of feeding the tree zinc. The younger the leaves, the better they absorb the zinc.

There are two main types of zinc which can be used, zinc sulfate and NZN. Both are effective. Zinc Sulfate is a wettable powder and should be mixed with water at the rate of 2 pounds per 100 gallons or two teaspoons per gallon. NZN is a liquid and is mixed with water at the rate of 1 quart per 100 gallons or two teaspoons per gallon. The NZN contains Nitrogen and Zinc. Some manufacturers add other elements such as phosphorus and sulfur. These may be listed as NZNP or NZNPS. Zinc nitrate is another form of zinc that is being used.

Home owners may prefer NZN, NZNP or NZNPS because it is liquid, less toxic to other vegetation and readily available. Elemental Zinc such as Zinc sulfate is toxic to most plants other than pecans and grapes; therefore avoid drift to protect from phytotoxicity. Do not use any zinc product at higher than labeled rates since foliage burn can result. When spraying young growing trees, it is best to spray every 2 weeks with one-half the rate of zinc. Mature pecan trees can have double the amount of foliage with three for four zinc sprays in April and May.

A new booklet entitled Lawn and Sports Turf Benefits describes the impact of

turf on the environment, the community, and individual. It contains extensive facts about turf and its use in our society. The following are excerpts from the booklet:

The extensive mass of plant material, much of which is not readily visible, and the intensive dynamics of turf development significantly affects the environment as follows:

- One single grass plant can have 387 miles of roots.

- A lawn has over 850 plants per square foot or over eight million plants per 10,000 square feet. This extensive plant population has significant effects on the environment.

- Healthy lawns absorb rainfall 6 times more effectively than a wheat field and 4 times better than a hay field. An acre of such turfs increase ground water recharge by an average of 600,000 gallons per year.

- Lawns are important in reducing temperatures and can be 30° F cooler than asphalt and 10-14° cooler than bare soil.

- Grasses tap much of an estimated 12 million tons of dust and dirt released annually into the atmosphere, and an acre of grass will absorb

hundreds of pounds of sulfur dioxide during a year.

- A turf area 50'x50' produces enough oxygen to meet the needs of a family of four.

- Undesirable noise levels can be reduced 20-30% by grassed areas which absorb sounds.

- Finally, there are times when the use of approved chemicals (fertilizers and pesticides) are needed to maintain turf health and vigor. Turf pesticides are generally not mobile nor persistent and consequently, break down into harmless materials. A recent study showed no cumulative chemical build-up in an area that was treated consistently with pesticides for 17 years

According to the National Gardening Association, gardening is the number one outdoor leisure activity in the U.S. and lawn management is the most popular gardening pursuit. Lawns occupy an estimated 50,000 square miles, or an area the size of five New England states.

Winter's Hard Freeze Means Fewer Insects, Says TCU Entomologist

The arctic freeze which blanketed Texas this winter will mean fewer insects in the lawn and garden this spring. Although ice and snow halted traffic in many parts of the state, Texas Christian University entomologist Dr. Nick Wilson said there was at least one beneficial outcome—fewer outdoor pests.

"Over-wintering insects which affect fruit, vegetable and field crops will be reduced because of the extended cold weather we've experienced this winter," said Wilson. "The same will be

true for livestock pests that over-winter in the soil."

This year is the first extended freeze for Texas in several years, according to Wilson. The mild weather of the last two years has meant an increase in many insect populations. Unfortunately, the cold weather will have little impact on household pests.

"Household pests such as fleas, ticks and cockroaches are not as affected as outdoor insects because they tend to stay in the warmer, more humid environment in your

home," explained Wilson. "While there may be some decrease, it won't be as great as for over-wintering insects." Another benefit of this winter's weather is the addition of much needed rainfall, Wilson noted.

"From conversations I've had around the state, things are in much better condition this spring than they were a year ago," he said. "In most areas there has been a good soaking rain and even a little run-off water for the lakes and ponds."

Representative From Bob Bullock's To Be In Eastland Thurs., April 20

AUSTIN—State Comptroller Bob Bullock said Monday that a representative from his agency will be in Eastland on Thursday, April 20 to answer questions about Texas taxes and assist taxpayers with paperwork and problems.

"I don't want to see state taxes turn into a burden for folks who can't get to a field office. Or visitors are a serve we're happy to provide to Texas taxpayers," Bullock said.

B.J. Bonham, enforcement officer in the Abilene office, will be at the Eastland County Courthouse, Room B-10 (Social Security Room) from 1:00 p.m. to 3:00 p.m. The public is welcome and there is no charge.

"I'm sending my employees out to help people with questions, filling out forms, and working out problems on a local, one-on-one basis.

There's some things you just can't do as well over the phone or through the mail," Bullock said.

Big Country area taxpayers who can't attend the courthouse workshop can still get individual tax assistance by calling the Comptroller's toll-free telephone number, 1-800-252-5555, from anywhere in Texas.

The Abilene office, headed by James Martin, serves Brown, Callahan, Coleman, Comanche, Concho, Eastland, Erath, Fisher, Haskell, Jones, Mason, McCullough, Menard, Mills, Nolan, Runnels, San Saba, Shackelford, Stephens, Stonewall, Taylor and Throckmorton counties.

The Next Best Thing -

...to a clear conscience and a good night's sleep is the feeling of security in owning your own home with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then comes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

Letter To The Editor

Dear Editor,

Four years ago Eastland County Soccer Association was founded in Cisco. We had teams from Rising Star, Cisco, Eastland and Ranger all playing together, over 400 kids. Then we moved to Eastland because of land donated for our use. I had hoped the program would get bigger and better. Instead people started dropping out. I've had parents tell me they don't want to take their kids to Eastland on

Saturday, but those same parents go to Walmart once or twice a week. Other parents say there are too many things going on in the spring like Little League and basketball. So, ECSA is going to have a fall season only and play 8 to 10 games with no spring season at all.

Some parents don't want their girls playing with boys, so ECSA is having all girls teams, if we can get the girls to sign up.

ECSA is the only

association where the kids play other towns at a young age. I have met people from Gorman, Rising Star, Cisco, Eastland, Ranger and Strawn through this program. The kids make new friends, people they would not have otherwise.

I don't want to see this organization fold. Last year we lost our help from Rising Star and they are not playing anymore. I hope with the changes we have made that they will return. Cisco people started this association. They have put a lot of time and effort into it and now we are losing the most important of them. I'm afraid Cisco is going to drop out altogether. Two years ago we had 12 teams from Cisco, now we have six. I'm sure a lot of parents think that soccer is not important but if one starts a child of four years old playing soccer it's going to make him better at other sports.

If everyone from Cisco drops out Eastland will continue to play soccer, and from now on we will be reading Eastland wins and Cisco defeated by... As it stand in soccer Cisco gets first place, Ranger gets first place, and Eastland sometimes, it changes every year. Strawn just started playing this year and they have only lost one game.

I urge all the parents in Eastland County to please sign your kids up for soccer if they want to play. Don't let 10 miles stop you.

Thank you, Carla Blackwell

Volunteers

National Volunteer Recognition Week, April 9 to 15 affords us a chance to honor the many volunteers, who gave so generously and unselfishly of their time.

Volunteers are an absolute necessity in institutional life. Nothing can replace the great feeling of being cared about, when financial return is not a motivating factor.

Every person needs to know that some of their valuable relationship occur simply because people care.

The volunteers are important links to residents, facility and community, provides residents with a sense of caring for others, give the community a more accurate picture of nursing home residents and nursing home life, provides residents with programs and leadership that might otherwise not be available to them.

Volunteers motivates staff and residents by their attitude, spirit and enthusiasm; provides the community with daily examples of courage and positive living despite multiple hardships and drawbacks.

Day-Care Costs Taking Big Bite Out Of Family Budget

COLLEGE STATION—The cost of child care outside the home hanged little over the past decade—but it is still a major budget outlay for many American families.

"Child Care is one of the major expenses facing working parents," said Nancy Granovsky, a family economics specialist with the Texas Agricultural Extension Service. "Parents want quality and convenience in child-care services."

According to the Urban Institute, child-care costs consume about 10 percent of the average family's income. "While the 10 percent is an average, there is a wide variation in what families spend on child-care costs," Granovsky said. "Wealthier parents may spend only 5 per-

cent of their income on child-care while families that are less well off financially may spend as much as 20 to 26 percent."

"These costs are a big budget item, comparable to housing costs in many cases," said the specialist.

Parents should pay close attention to how they spend their money, Granovsky said. They need to be aware of how much of the family budget goes to child-care services and of the level of quality and convenience of those services. But they also need to be aware of where the rest of the money goes, too.

Families needing child-care services have a number of options, including family day home-care providers and

day-care centers.

"Family day home-care providers and day-care centers offer a wide range of services at varying costs," Granovsky said. "Interestingly, the costs of these two types of day care changed very little between 1975 and 1985."

An Urban Institute analysis found that expenditures on day care did not rise at all and that family home-care costs had risen only slightly. But, the analysis showed that the hourly cost of care by a relative or sitter in the home had risen dramatically, Granovsky said.

WORD of GOD

Thank the Lord!

Then they took away the stone from the place where the dead was laid. And Jesus lifted up his eyes, and said, Father, I thank thee that thou hast heard me.

And I knew that thou hearest me always: but because of the people which stand by I said it, that they may believe that thou hast sent me.

Sheriff's Dept. News

Due to its success in other areas, Sheriff Dee Hogan plans to introduce the Crime Stoppers program to Eastland county. The Granbury Administrator of the program is willing to sponsor Eastland County and help get the program started here. But first a group of civic and business leaders will be invited to a meeting. If they endorse the program and elect directors, it will be started here. Some donations, and maybe a grant, will be needed at first, but later the program tends to be self-supporting.

Two men who were brought back to Eastland from state hospitals for trial were found to be not guilty due to insanity.

On April 5 at 8:50 p.m., there was a report of two 12 year old boys fighting at the Quickway store in Rising Star. One boy received a bloody nose due to a blow from the other, who also had a knife.

A man was arrested on March 28 for public intoxication. Officers reported that he was choking and fighting his wife.

A verbal assault was reported on March 29 at the Pernell Peanut Assoc. property in Gorman at 3 p.m. A suspect was said to have threatened an employee.

The shooting of a dog in Olden on March 26 at 2:15 p.m. with a .22 rifle was reported. The dog was found to have been chasing and biting a neighbor's livestock.

Four feeders were reported to have been stolen from the Wood's Ranch south of Strawn before April 10. An identification number was on some.

Between March 15 at 7 p.m. and March 18 at 10 a.m., a

building south of I-20 at Olden was reported to have been burglarized. Someone entered

the barn through an unlocked door and carried items to the road. Taken were an M.L. Leddy 15" brown with white, padded seat saddle with a roping horn; a 14" dark brown saddle with some pink paint on the horn and right stirrup; 3 lead ropes; 3 bridles; a halter; 2 girths; and a chest strap.

At the Roper home southeast of Cisco on March 20 at 9 a.m. a prowler was reported. It appeared to be about a 15 year old girl with brown hair and a red shirt and shorts. She replied to a shouted question and then ran.

A man served 4 days for criminal mischief and was released, a man was being held for theft and motion to revoke, a woman was released after serving time for illegal alcoholic beverage sales, a man held for DWI-3rd offense was released on bond, a man held for drug possession was released on bond, a man held for seat belt violation and failure to appear was released with time served, a man served time for P.I. and was released, a woman served time for P.I. and was released, a woman held for securing execution of a document by deception was released on bond, a man held for DWI-2nd offense was released on bond, a man was being held on possession of drugs, a man served his time on a bad check charge, a man served his time on Ranger traffic warrants, a woman held for possession of drugs was released on bond, and a man held for possession of drug paraphernalia, no license, and no insurance was released to City of Cisco.

Fishing Outdoors

By Terry Wilson

The Zebco FL44 flippin' & pitchin' reel. Buy one! This little jewel can produce some excellent results folks. I truly believe the FL44 can actually improve your catching, not just your fishing, but the actual catching of fish. I know this sounds a little fishy but let me explain.

Picture a typical spinning bail type reel. Remove the bail and enclose the face much like your Zebco 33. Now add a fingertip line release trigger and turn it upside down. What you end up with a simple one hand cast, flip pitch, or doodle reel. With simple under hand swings of your lure you can present the bait quicker, and more accurately. And for those of you who like myself have a hard time worm fishing, this little jewel will help. The simplicity of the FL44 allows for you to concentrate more on your lure and less on your equipment.

And as a special feature for all you flippers a doodle rockers, a flipping dead set drag for those tight quarters when you can't let those lunkers have an inch. But with the simple flick of a handy switch your reel will return to a pre-set drag for those situation when you need to finesse those lunkers on lighter line.

I know many anglers are having problems fishing the Gitzit rigs that are so popular. Light line and light baits are the keys. Simply spool the FL44 up with some 6-10 pound Tri-Max and take off. But don't forget to back your drag off. The under hand flip makes it ideal for these little baits, especially around those boat houses that always seem to jump up and get in front or under your cast with conventional tackle.

As I stated earlier the FL44 "Believe" will help you catch more fish due to its easy and smooth operation, so pick one up and head for the water, cause those lunkers are ready, but are you?

April 15 and 16, The Brownwood Chamber of Commerce will be hosting the Miller Lite Open on Lake Brownwood. This event will headquarters at Sandy Beach Park again this year.

\$1,500.00 is guaranteed for first place.

April 23, at Lake Leon will be the date for the E.C.B.C. Open Jackpot event. Payback will be based on the number of entries. April 30 also at Lake Leon the Eastland Volunteer Fire Dept. will be hosting its first Invitational. \$1,000.00 is guaranteed for first place with some excellent prizes to be given away.

For more information on these or other events upcoming please feel free to phone me at 629-3255.

And the fishing at Lake Leon is still hot folks, anglers are reporting large numbers of fish being. Most are hard to get to bit, but tube baits, black lizards and Pop-R's seem to be working best. Most of the sow's are holding in 2 foot to 6 feet of water. North sloughs are still the hottest, with some protected south side spots producing well.

Color, does it make a difference? I, along with an increasing number of anglers do feel the color of your offering can make a difference. Perhaps not always but enough so to read and study this subject when possible. Right now with the sow's on the bed's any lure you throw them should have a touch of red.

And I understand Professional Angler Harold Allen is trying out a secret new lure designed especially for those big sow bass at Lake Mead this week. I had the opportunity to see one of these little jewels up close, and they should draw some hard strikes. I feel a heavy weight might work better in our area. If you see Harold's name at the winners list from mead, we will all know where these baits can be found soon.

Wilson Wins

Brownwood Tourney

Lake Brownwood was the lake chosen by the Eastland County Bass club for their April tournament. Ten members were on hand for some cooler and windy fishing. The state park ramp was headquarters, with starting time being at 7:00 a.m.

At the 4:00 p.m. weigh-in

th. totals were:

- 1st Telry Wilson 5 fish 10.56 pounds
- 2nd Rick Browder 3 fish 6.76 pounds
- 3rd Rick Glenn 2 fish 3.75 pounds
- 4th Tommy Maynard 2 fish 3.57 pounds
- 5th Butch Willingham 2 fish 3.44 pounds
- 6th Sherry Johnson 1 fish 2.28 pounds.

Rick Browder won Big Bass honors with a nice 3.10 pound largemouth. Most of the fish were reported on jigs and worms, with Rat-L-Trap and crankbaits also being productive.

A total of 15 fish were weighed and 15 were released alive for a total poundage of 30.36. Just a hair over a 2 pound average per fish.

With the excellent fishing going on at Lake Brownwood the stage should be set for the upcoming Brownwood Chamber of Commerce Open. April 15 and 16 will be the tournament days and a 1st guarantee of \$1,500 looks inviting. This years open division entry fee will be \$40.00. Also once again there will be a 13 years and under, no entry fee division for youths fishing with a paid contestant.

Also a new entry into the April tournament is the Brown County Bass Club Open. Headquarters will be at Sandy Beach Park on Lake Brownwood. First place is guaranteed \$1,000 for a \$20.00 entry fee. There will also be a \$5.00 big bass pot optional. This event will feature a free youth division. Plus for your lady's on the lakes a women's division of \$15.00 plus \$5.00 optional big bass. This event will be held April 23.

Also for April 23 a little closer to home the Eastland County Bass Club will be holding an open jackpot tournament at Lake Leon. Headquarters will be at Chock-O-Block and all entrants must be registered prior to 6:30 a.m. The entry fee for this event will be \$15.00 with an optional \$5.00 big bass pot. For more information you may contact Rick Browder at 629-2203.

The 26 day of April is an

important one to anglers across the state. Because at 12:01 a.m. anyone who plans

to fish the Eastland Volunteer Fire Departments 1st annual open bass tournament will not be able to fish the waters of Lake Leon until April 30, 1989 at 6:00 p.m.

Sponsors donating prizes for this years event include: Bomber baits, Uniden LCD Graphs, Zebco/Quantum, Mann's Bait Company, Fishing Outdoors, Dry Rind/Fred Arbogast Co., Keeper Bait Co., Cotton Cordell Tackle Co., and Shimano.

The largest string of 3 black bass 14" or larger will be awarded \$1,000.00 2nd thru 15th will be based on the number of entries. Entry fee for this event will be \$25.00 per contestant, with an optional \$5.00 big bass pot. For further information, you may contact Ray Neal Little at 629-3030 or Rick Browder at 629-2203. Hope to see you all in weigh-in line.

Assembly Of God To Hold Revival Services

The Assembly of God church at 1608 W. Commerce of Eastland where the Rev. Frank Saylor is pastor, wishes to extend a cordial invitation to all to join them in a time of revival; beginning Sun., April 16 and going through Fri., April 21 each evening at 7:00 p.m. except Sunday, at 6 p.m.

Evangelist G. Wayne Kirk from Frisco, Texas will be preaching the unchanging and uncompromising Word of God in each service. Rev. Kirk was in the plumbing and heat & air conditioning business before feeling God's call to the ministry. Since closing down a profitable business, he has had the privilege of pastoring two churches in the North Texas area, as well as, traveling in most of the central United States holding

revivals for the past several years.

You wouldn't want to miss a single service of this old-fashioned Holy Ghost anointed preaching; where God, by His power, moves and anoints people in each service.

We will gladly pray for the sick, believing that God is well able to heal sick bodies according to His Holy Word.

Come and see what God can do for you as you make yourself available to receive God's blessing from this servant of God, preaching the end time message to this end time generation.

County Commissioners Pass Resolution On HB 1841

Eastland County Commissioners passed a resolution Monday stating that they had no objection to the dissolution to the South Eastland County Hospital District, (Gorman area) with the understanding that the County assume no debts of the district.

This Resolution was in regards to House Bill 1841, which has been introduced to the Texas State Legislature by Representative Jim Parker. The Bill, which was restated last week, outlines certain steps for dissolving the bankrupt district.

Hershell Cordell of Gorman, acting administrator of the district, met with Commissioners and requested that they furnish a Letter of Resolution on the Bill - either of support or that they had no objection.

He said that if the Bill passed in the State Legislature the assumption of the district by Eastland County was subject to the district being debt-free.

The 1989 taxes should pay off the debt, Cordell said. He also told the Commissioners that the District had been offered \$50,000 for the hospital building and the three acres on which it stands. This would be applied to the indebtedness.

If the district is dissolved, its assets and obligations would be transferred to Eastland County after Dec. 31, 1991. Eastland County would assume indigent health care costs for the part of the county in the district.

In other business, a majority of the Commissioners approved a re-drafted Jail Contract to be used with cities wishing to keep prisoners in the county jail.

District Attorney Emory Walton, who worked with the contract revision, stated that this contract had the same basic provision as others that persons arrested by law enforcement officers in cities were city prisoners until such time as the police filed appropriate charges against them.

Walton also said that he had placed a couple of new stipulations in the contract: that the cities be liable for damages to the jail by any city prisoners, and that in cases of overcrowding in the county jail the cities would have to store prisoners elsewhere.

Richard Robinson, Comm. of Pct. 1, said he still had problems with the definition of city and county prisoners in the Contract. He said that he believed persons arrested

in the cities on felonies should be considered county prisoners from the time of arrest, with the towns not billed for the interim time until the prisoners were formally charged.

All agreed that formal charges should be lodged as soon as possible. Sheriff Dee Hogan said that it was a Federal offense to hold a prisoner past 72 hrs. without charges, and he did not intend to hold them longer than that.

Emory Walton said the Jail Contract was not "his" contract, but he felt a moral and legal responsibility to look after the county's finances.

The contract will be signed and sent to the City of Cisco for their approval.

On other jail matters, Commissioner Billy Bacon, Pct. 4, said that 20 prisoners were in the county jail, and nine of them belonged to T.D.C. Several of the Commissioners remarked about how the county had to pay for feeding these state prisoners, and there would never be any reimbursement.

On other agenda items, the Commissioners heard a discussion on computer equipment by Bill Miers, and received a report from Computer Consultant Harley Gwyn, who services the county systems. Approval was given for the application of a grant suggested by Miers. This would reportedly update the equipment, beginning with the District Clerk's office.

Harley Gwyn said that applying for grants was great - if the Commissioners could afford to match the grant money. But he suggested that the County go "slow and easy" on new equipment until it was found useful and compatible.

On other agenda matters, Glenna Sue Westmoreland, a property owner near Ellison Springs, told of her difficulties with a gas pipeline on her land.

She stated that this line was placed across a county road and on to her property by Comanche Pipeline Inc. several years ago. The Company has since changed its name and she is unable to contact anyone who will be responsible.

The line was apparently placed under the road properly, she stated. But as it goes across her land it is not buried properly, and is impeding the watershed across a field.

The Commissioners said they could not help her on the matter, since the improperly buried part of the pipeline was

not a county easement. They suggested that she contact a lawyer on the matter, and also the Soil Conservation Service on the watershed impediment.

First Industrial Arts Club Holds Meet April 6

The First Industrial Arts Club held its bi-monthly meeting Thursday, April 6, 1989, at the Women's Club House. President Evelyn Fry presided. Hostess and program leader, Velma Williams, lead the club collect and pledges to the U.S. and Texas flags. Refreshments were then served to the members and guests.

Mrs. Williams introduced Mrs. Mildred Smith of Moran, who presented a series of color slides she made in and around Newport, Rhode Island, which is famous for its well preserved colonial houses, churches, and buildings. Many of the picturesque old homes, especially those in Newport and Providence, were built by the wealthy shipping executives of early days. The estates along Ocean Drive at Newport, built in the 1800's, are also famous for their handsome houses and picturesque gardens. Mrs. Smith said the furnishings of the historical houses were those of the original owners and were very elaborate and still in good condition. These and the landscaping of these historical homes were breathtaking.

Other guests at the meeting were Mrs. Rena Brooks of Breckenridge and Mrs. Bob Greer of Cisco.

The club members discussed several items of business then adjourned.

News From Canterbury Villa

By MAE GREEN, S.A.D.

Sunday morning at 8:30 a.m. the residents were led in a Bible study by the Church of Christ. Sunday afternoon church services were as follows: Al Gary Pettigrew, Nazarene; Ronnie Shackelford, Calvary Baptist; Ken Diehm, United Methodist; and John Clinton, Evangelical Methodist. The youth of the Evangelical Methodist conducted a puppet show for the residents.

Along with daily activities for the month of March, the residents were treated to a family night which was a great success. Our next family night is scheduled for Tuesday, April 18, at 5:30 p.m. All family members are invited to attend. We ask that each family bring one or two covered dishes of their choice.

The monthly birthday party was hosted by the Pleasant Hill Club.

Birthday honorees were: Era Hale, Ural Kingsbury, Beatrice Cline, Lula Lieske, and Nora Hubbard. The Pleasant Hill Club also brought gowns and bibs, which they had made for the residents. Gowns and bibs are always a needed item at the nursing home and our appreciation is great.

The Volunteer Council hosted a party for the residents on St. Patrick's Day. The Volunteer Council and family members made it possible for the nursing home to host our Annual Easter Egg Hunt for the Child Care Center. Our residents look forward to coloring the eggs for the hunt. After the hunt the children were given a tour of the nursing home.

It has been brought to my attention that I failed to mention Corinth Baptist

Church in our newsletter. I deeply apologize for the oversight. On Thursday evenings the Corinth Baptist Church, headed by Bennie Thompson and Marie Kurkin, conduct church services for the residents.

The last Tuesday night of each month the Mountain

Top Pentecostal Church provides a sing-a-long for the residents.

If you have been visiting the home on the last Friday of the month you have noticed somewhat of a change on that day. It is Dress Down Day for the employees, so very few are in their normal

department uniforms and colors. This is really a treat to come as you want for the employees.

Bible Verse of the Month: I will feed my flock, and I will cause them to lie down, saith the Lord God. Ezekiel 35:15

EASTER EGG HUNT-- Residents of Canterbury Villa are shown with colored Easter eggs they prepared for the annual Easter egg hunt they host for Cisco Child Care Center. Shown standing, left to right, are Beulah Brooks, Clara Horton and Neomi Hutton. Seated are Ruby Tullos, Velma Holdridge and Lena Dobbins.

PLEASANT HILL CLUB hosted the Marth birthday party at Canterbury Villa. The club members made gowns and bibs which they presented to the residents of Canterbury Villa.

Second Generation Funeral Directors

CLIFFORD **BURAL**

WHO CAN HELP ME PLAN MY FUNERAL?

"I am alone. No family members live near me and I'd like to talk to someone about making plans for my funeral."

There is help available to you! Our city is fortunate in having fine, thoughtful funeral directors who are prepared to consult with you about planning a funeral in advance.

This service is called "pre-planning a funeral." Here at our funeral home, we can serve as your personal consultant and will inform you completely about all the services and costs. After you set your own price range, we will discuss music, clergyman, and scripture readings, things which are most meaningful to you.

Because of our highly mobile society today, pre-planning of funerals is a request we hear more and more often. Feel free to contact us about this very personal service at no charge to you and without obligation.
