Special city election eyed

The Colorado City Council Tuesday, during its regular meeting, is expected to approve an ordinance calling for a special election on Jan. 19 to fill two vacancies on the council.

During a special meeting Thursday, the council accepted the resignation of Eric White who is moving to Quitman in East Texas. White's resignation leaves the council with two vacancies. Dee Hearn had already submitted her resignation.

Because there are two vacancies on the council, the city is required by charter to fill them by special election. Those choosing to run for the two spots will be running for unexpired terms and will have to run again next May.

Because the city is also in the process of converting to single member voting districts, the council made assignments to the six proposed voting districts. The redistricting plan is the result of a lawsuit filed against the city by the League of United Latin American Citizens (LULAC) which said that the current at-large method of electing council members discriminates against minorities. The city and LULAC reached a settlement and the redistricting plan has been approved by the U.S.

Justice Department. The plan is awaiting final approval from the judge in the case.

In addition to assigning districts, a drawing was conducted to see which of the three council positions would be one-year terms and which three would be two-year terms in next May's election.

Council places 1, 2 and 5 will be two-year terms and numbers 3, 4 and 6 will be for one-year terms in the May election.

Dee Hearn was assigned to District 1, Rex Thackerson to number 2, Gary Redwine, number 3; Brian Bassham, number 4; Bob Reily, number 5; and Eric White, number 6.

The mayor's position will remain an at-large position.

The special election in January will be for districts number 1 and number 6. The winners will have to run again in May.

Applications for the council seats will not be taken until after Tuesday night's regular meeting at which time the special election ordinance will be approved.

Only persons residing in voting districts 1 and 6 will be eligible to file for the special election. A map of the voting districts can be seen at city hall.

CONGRESSIONAL VISIT - Cong. Charles Stenholm visits with Colorado High School students following a school assembly Thursday morning. Stenholm gave an update on issues facing the nation before answering questions from the student body.

Stenholm: Mideast crisis won't turn into another Vietnam for U.S.

U.S. Rep Charles Stenholm (D-Texas) said here Thursday that he doesn't believe the conflict in the Mideast will ever turn into another Vietnam.

Stenholm, who represents the 17th Congressional District of Texas, made the remarks during an assembly at Colorado High School Thursday morning.

"We're moving two or more more battalions out of Europe into Saudi Arabia," he said. "I don't know what's going to happen. If Hussein starts shooting at us, he's history."

"If we get into a shooting war,

it won't be a very pleasant situation for a long, long time to come," he said.

He said because of a bad energy policy, the United States must protect its interest in the Mideast.

"What would your life be like if gas started costing \$10 a gallon?" he asked. "Half of what we burn in the United States comes from that region. Because of a bad energy policy, we have become dependent on that oil."

When asked by a student if he thinks the Mideast crisis will evolve into another Vietnam situation for the United States,

Stenholm said no, explaining that the United States is not on the front lines in the Mideast. "The Egyptians and Syrians are on the front line," he said. "They'll get shot at first."

During remarks before a question and answer session, Stenholm said that the world is undergoing tremendous change and will hold brighter opportunities in the years to come.

"Many believe that in the next two years, there won't be a Soviet Union," he said. "There will be a

Muddy arena forces officials to cancel cutting horse show

Saturday's cutting horse event sponsored by the Colorado City Area Chamber of Commerce was canceled because the arena was too muddy due to the recent rains.

Chamber officials hope the event can be re-scheduled next spring.

About 100 participants were expected for the event.

ROTARY PROGRAM - Karin Larsen, third from right, presents a banner for the Colorado City Rotary Club banner to president Don Wood Wednesday. Larsen is a Rotary Exchange Student from Denmark and presented a slide program for the Rotarians and their guests. At right are Robert and Lanette Ramage, Larsen's host family. From left are Lynn Hargrove, president-elect of the Rotary Club and program chairman, and Leada Wood, wife of Don Wood.

Exchange student from Denmark shares rich heritage of homeland

Karin Larsen, a Rotary Exchange Student from Denmark, showed slides of her homeland to members of the Colorado City Rotary Club Wednesday and told some of the history of her country.

Larsen, 16, is staying with the Robert Ramage family and is attending Colorado High School.

"Denmark has the oldest monarchy in the world - 1,000 years old," she said as she began her slide program.

Many of the buildings are old and the slides revealed beautiful settings. There are many castles in the country including one where Shakespeare wrote Hamlet.

She said most of the churches are usually white with black roofs.

"Around every church, there is a cemetery and a house for the preacher," she said, noting that the church where she lives was built in the 14th century.

She also slides of a unique amusement park called Lego Land. "Everything is made of lego toys," she said. She showed slides of a replica of the Statue of Liberty and of Sitting Bull, made entirely out of lego blocks.

"Sitting Bull is the biggest exhibit they have," she said.

Larsen has a twin brother who is attending business school in Denmark. Her father owns an automobile dealership specializing in General Motor cars from the United States and Isuzu cars from Japan.

Lawmakers to hear forum of hazardous waste experts

Senator Chet Brooks and Rep. Robert Saunders, co-chairmen of the 1990 Joint Task Force on Waste Management Policy, have invited experts on the importation of municipal solid waste and hazardous waste disposal to meet with a group of legislators in Sweetwater on Tuesday, Nov. 20.

Senators Steve Carriker (D-Roby), Temple Dickson (D-Sweetwater) and Bill Sims (D-San Angelo) will be joined on the panel by State Representatives David

Counts (D-Knox City), Rob Junell (D-San Angelo) and Robert Hunter (D-Abilene) to receive testimony from several experts.

The public forum will begin at 1 p.m. in the District Courtroom of the Nolan County Courthouse, 101 East Broadway in Sweetwater.

Proposals for a hazardous waste landfill and incinerator in Mitchell and Lubbock counties have generated a great deal of concern in

Blood drive slated Wednesday

The Tumbleweed Lioness Club will sponsor its last blood drive of the year from 1:30-7:30 p.m. Wednesday, Nov. 14 at the Civic Center.

The club reminds everyone how very important every blood drive is. The club works hard to encourage people to donate because of the many ways a unit of blood can save a life.

"Our goal has been 75 units which we have not met, so let's pull together as a community and meet our goal," said Connie Simpson. "It takes so little time and can mean so much."

Local merchants have donated a number of prizes to be given away during the blood drive, including:

Local Scouts plan annual Scouting for Food project

Mitchell County Scouts will be participating in the annual Boy Scouts of America Scouting for Food project on Saturday, Sept. 17.

The Scouts will be going from door-to-door in Colorado City, Westbrook and Loraine collecting canned food to give to the needy in this area.

A special plastic bag will be placed in the Thursday, Nov. 15

issue of the Colorado City Record in which residents may place the canned goods. Residents are asked to place the bags outside their front doors by 9 a.m. on Saturday morning, Nov. 17, for Scout pick-up.

Stenholm to lead group to Taiwan

Congressman and Mrs. Charles Stenholm (D-TX) are leading a small group of Congressional representatives on a parliamentary exchange with the Republic of China on Taiwan in an effort to learn more about current and future import and export trade opportunities.

The group will spend Nov. 14-20 meeting with the President of Taiwan, the Premier, the Ministers of Economic Affairs, Foreign Affairs, Agriculture and Defense as well as visit with some of the business entities that trade with the United States.

Taiwan is an island of almost 14,000 square miles with a population of about 17 million. The primary languages are Chinese and Formosan.

"Taiwan is a major trading partner and our trip will afford us an opportunity to look, listen, ask questions and quite frankly, look for opportunities where we can increase our agriculture trade as well as any other exports from the 17th District and the rest of the United States," said Stenholm. "We have a lot of energy opportunities, for example, that I believe the people of Taiwan might be interested in."

According to the United States Department of Agriculture, 33 percent of all agricultural products exported out of Taiwan come to the United States. Twenty-two percent of all their agricultural imports come from the United States.

In 1990, Taiwan will spend an estimated \$1.6 billion on agricultural imports from the United States. The products include cotton, beef, wheat, feed grains, fruit, nuts, vegetables and tobacco.

This year the county has purchased 60,000 tons of cotton and 7,000 tons of beef from the U.S.

"This trip is at the invitation of the Chinese National Association of Industry and Commerce at not cost to the U.S. taxpayer," said Stenholm. "It's also in response to the many visits we've had from their parliamentarians who have been in my office. This is a chance to learn more about international trade, particularly in the Pacific Rim where our future export growth really lies. The added knowledge should help us."

While in Taiwan, the group will meet with commercial cotton buyers and also tour textile factories

to see how U.S. cotton is being utilized and if there is a way to increase current exports.

Letter to the Editor

TO THE EDITOR: The Colorado City Garden Club would like to thank the following businesses for making our District 8 Fall Convention a success on Nov. 2:

City National Bank, Budget Inn, Colorado City Chamber of Commerce, Hutchins Ford, Merle Norman Cosmetic Studio, Robert Junell, Representative.

Wolves lose to Greenwood, 29-20, to end 1990 season

During a cool, brisk evening, the Colorado City Wolves went head to head with the Greenwood Rangers on Friday, November 9.

For the seniors, their last football game at the "Wolfhome," while others will be back to keep and make the Wolf mystique grow. With one more brief read of the scoreboard, Greenwood handed the Wolves their third district loss by a score of 29-20.

The mighty Wolves got on the scoreboard early on a great hustle by the punt team. As the ball flew into the air, off the foot of Robbie Smith, a Wolf caused a Ranger to fumble while Jeff Potter made the recovery at the Greenwood 10.

The drive was completed on a pass from QB R. Smith to TE Jason Lawson. The PAT was good for a 7-0 lead with 6:59 remaining. Greenwood began their first

drive from their own 19. As the Rangers have done all season long, the wish-bone attack went to work picking up 3 and 4 yards a shot.

Working the clock, Greenwood moved the ball to the 3 yard line. FB Shan Cumba took a hand up the middle for the score. On the PAT, Quincy Carlisle "psyched" the Wolf defense and passed to Jerry Gay for the 2-point conversion and a 8-7 lead with 1:54 to go in the first quarter.

The second quarter hosted several turnovers, and the first being on another fumble by Greenwood. The hit was put on by Kevin Green while Mark Monroe got the recovery, but the Wolf offense could not get any points.

The second turnover of the quarter came on another great defensive play. This time, DB Greg Parker came up with the

interception.

The Wolf offense took over, but again could do nothing. On fourth down, R. Smith put just enough foot into the "pigskin" to set the Rangers at their own 2 yard line.

Again... the Wolf defense came up with yet another turnover. K. Green came up with the big hit while G. Ramsey jumped on the loose ball but turned the ball right back over on an interception.

With 5:10 before the half, Greenwood got rolling by steadily running the ball. The Rangers had momentum with 2:28 left, but the defense held their ground as Greenwood ran out of downs... a big mistake.

The Wolf offense went 75 yards in four plays. The first big play came on a 16 yard run by FB Mark Smith. Brother R. Smith passed to Jeremy Strain who got 36 yards on

the completion. The last of the big plays came on a 29 yard TD run by M. Smith with 1:21 to go in the half. The PAT failed for a 13-8 score.

The Rangers had one chance left before going into the half, but what does one suppose happened? An interception by K. Green to help run out the clock.

Although doing well in the first half, the Wolves had a little bit more trouble with Greenwood in the last two quarters.

Both offenses punted the ball a couple of times during most of the third, but the Ranger defense came up with another turnover with 1:46 to go in the third.

Beginning at the Wolf 30, the Rangers carried the drive into the fourth. With 10:25 left, FB Joe Kilgore took a run 2 yards for the score. On the 2 point conversion,

QB Cody Mebane ran it in for the 16-13 lead.

On the Wolves next possession, the Wolves suffered an interception to give Greenwood the ball at the 36.

Bringing in new runningbacks,

the Ranger offense scored seven plays later consuming 3:16 of the clock to score from 1 yard out. The honor went to Mike Bradford as the PAT was no good, 22-13.

CMS teams lose Greenwood matches

The Colorado Middle School Wolves football clubs ended the 1990 season against the Greenwood Rangers on Thursday, November 8.

In the first half of the seventh grade competition, the Wolves scored with 5:49 to go in the half.

Joey Sosa capped off a 52 yard drive on a run which covered 48 yards for a touchdown. The PAT was good for a 8-0 lead.

The Rangers got on the board with :13 seconds left in the half on a pass for 4 yards. The PAT failed, and the Wolves led 8-6 at half.

The Wolves suffered an early turnover in the third on the immediate kick-off. Greenwood recovered the ball at the Wolf 19.

A Ranger running back then

carried the ball on a nice cut-back run for the 12-8 lead.

Moving into the fourth, the Wolves had less than 3:47 to try to regain the lead.

On fourth down, Frank Espinoza dropped back to pass where he was flushed from the pocket. He then made a good effort to get the first down and keep the drive alive.

Three plays later, the Wolves faced yet another fourth down. Espinoza managed to get the pass off, but the ball was intercepted to seal the victory for the Rangers, 12-8.

The leading ground gainers for the Wolves were Sosa who rushed for 58 yards on 7 carries good for a

TD, Stephen Payne, who had a tremendous effort on the ground, had 5 rushes for 58 yards, while Espinoza carried the ball 8 times for 26 yards.

The eighth grade Wolves played a fantastic game although coming up just a few seconds too late as the Rangers won, 24-18.

The Pack got on the scoreboard early in the first with 4:30 remaining.

Starting at the Ranger 20, Brady Robinette had a run of 14 yards to help the Wolves get to the 2 yardline. Robinette then scored for the 6-0 score.

In the second quarter, the

Wolves had a great defense stance stopping Greenwood at the 3. What was good for the defense, hurt the offense as the Wolves were forced to punt from the end-zone.

The punt went to the 14, and the Rangers were in business in scoring three plays. The PAT was good for the 8-6 score.

On the first play of the next series for Colorado City, Eddy Martinez outran the pursuit of the Greenwood defense for a 63 yard TD. The Wolves led 12-8 at half.

Having the momentum carry over from the first half, the Wolves started at their own 38 where Brad Hartman connected with DJ Brown for a 17 yard pick up.

Behind great up front blocking, the legs of Martinez did it again for a 46 yard score to bring the third quarter to a close.

Early in the fourth, the Rangers put together a strong running game to get the score and cut the lead to 16-18.

The time was on the side of the Wolves, but a fumble by the Pack was recovered by Greenwood which increased tension.

With 1:08 left in the contest, the Rangers punched the ball in for a 24-18 score.

As the Wolves started their last drive at their own 33, Martinez put a scare on Greenwood as he picked up 26 yards.

Crossing midfield, the Wolves ran a reverse to Martinez who got the Wolves to the 14.

With :26 to go, the Wolves ran out of plays and time to loss in a great effort, 24-18.

Martinez had 144 yards rushing on 8 carries good for 2 touchdowns. Robinette had 6 carries for 20 yards and a score while Heath Mann had 4 rushes for 30 yards.

Freshmen beat Rangers

To finish the 1990 football season, the Colorado City Freshmen Wolves defeated the Greenwood Rangers by a score of 20-6 on Thursday, November 8.

The Rangers got into the end-zone first in the first period with 3:31 remaining. The PAT was successful for a 8-0 lead.

Richard Gomez got things going for the Wolves in the second with 4:03 to go in the half. The PAT was no good as the Pack was trailing 8-6 at the half-way mark.

In the third, Gomez again struck paydirt scoring on a 62 yard scamper. The PAT was good by Shane Jones for a 14-8 score.

After Gomez' long run, Marcus Aguilar wanted in on the action and scored from 55 yards away to put the final blow on the Rangers.

"This was probably the best job all year by the kids," commented an excited Coach Larry Hartwick. "Overall, it was a great season," said the first year Wolf coach.

The freshmen will take a winning season into next years reign as their mark was 6-3.

WOLVES

From Page 5

Each team then gave the ball back to the other until the Wolves began at their own 27.

With 2:46 left in regulation, Coach Tom Ramsey went back into the last page of his playbook for the old "hook and lateral."

As R. Smith dropped back to pass, he hit G. Ramsey on a 6 yard out. G. Ramsey then pitched the ball to K. Green. The play covered 74 yards and seven points with the good PAT by R. Smith.

The Pack's only hope was to try on onside kick. They did but to no avail.

Greenwood took advantage of the field position and drove the ball 51 yards for the score. RB Shan Cumba punched it in from the 10 yardline for the 29-20 lead with a successful PAT.

The Wolves had less than two minutes to get two scores and just could not move the ball well enough against a stingy Ranger defense who only gave up a total of 87 yards on the ground.

Greenwood, with the 29-20 victory, improves to 3-2 in district while the Wolf Pack fall to 2-3 to end the season.

M. Smith had 71 yards rushing on 7 carries and 1 TD while brother R. Smith passed for 192 yards on 7-20-2. Strain also had a solid night catching 2 passes for 60 yards.

Senior homeowners can pay in installments

AUSTIN -- Homeowners 65 or older may now pay the taxes on their current homesteads in four installments. Most elderly homeowners received their home tax bills this month.

Leon Willhite, executive director of the State Property Tax Board, explained the purpose of the new installment payment option authorized by state law beginning this September.

"In past years, older homeowners had to pay their entire home tax bill before the normal February 1 delinquency date or pay a penalty and interest on the unpaid amount. This was a hardship for many elderly homeowners with fixed incomes," Willhite said. "This new provision gives them the option of spreading out that payment," he said.

To set up installment payments, 65-or-older homeowners must pay at least one-fourth of their 1990 residence homestead taxes before the February 1 delinquency date. Then, three equal installments are due before April 1, June 1, and August 1.

If all installments are paid on time, homeowners will not be charged penalty or interest for late payment, Willhite said. However, those who fail to pay an installment on time must pay penalty and interest on that installment.

Homeowners 65 or over who are interested in arranging installments need to contact the tax collection office for each taxing unit -- county, city, school, or special district -- at the address on their tax bills.
