Roby Cubs Suffer Loss In Season Opener

The Roby Cubs lost their season opener, Thursday when they went to Loraine to play the Bulldogs. The Bulldogs scored with a

little over a minute to play in the game and then scored again on the last play of the game to take the 14 to 0 win. Both

teams played about the same with showing a lot of first game jitters. The Loraine team had a problem with penalties, they had 10 in the game. The young Cubs had a problem of hanging on the the ball, they suffered 4 fumbles, a blocked punt, and a couple

of short punts. Even with the problem, the young cubs played a good game and made a good team showing. The Cubs have a host of players this year and each one did a good job Thursday night.

Barrera, Billy Cook, Norris Green, and Rick Onfre. Playing Defensive Back were Jessie and Jerry Carreon, Shawn Morrow, Carter Edmonson, and Shawn Finnehy.

The Cubs have one player injury, Jason Terry. Managers for the Cubs this year are Buddy Williamson, Tony Medina, Jackie Medina, Gerald Toole and Larry Van Liew.

Hustling Around Hobbs

By Joy Walker

Well, another good week, and the weather has been a little cooler which was really nice, but we still could use a good rain. It might not help the cotton, but would sure be good on the pastures; maybe this week it will rain.

Mr. and Mrs. Wayne Jones from Big Spring were here on Sunday and they visited for a short while with Mrs. Opal Phillips.

Congratulations to Mr. and Mrs. Jim Bob Solsbery of Sweetwater. They are the proud parents of a baby boy, born Friday morning in San Angelo. Mrs. Solsbery is the former Jan Kincaid, daughter of Mr. and Mrs. Windle Kincaid of Rotan. Congratulations also to the proud grandparents, Mr. and Mrs. Windle Kincaid and the great grandpar-

ents, Mr. and Mrs. J.D. Kincaid.

Jim and I went to Snyder on Tuesday and Thursday we went to Aspermont to watch the 8th grade play football. Friday we went to Rotan and watched the Rotan-Aspermont Varsity game. Saturday we went to Abilene for the day; went to the Fair and Rodeo, in fact, there weren't enough seats at the rodeo and they had to turn some folks away. Its the biggest crowd I have ever seen at the Coliseum, but everyone tells me there are more people for the concerts they have there. We have never been so don't realize what crowds they get.

Well, not any news this week, not too much anyway, guess everyone has been staying close to home. See you next week.

Card Of Thanks

In times like these we realize afresh and anew, how very much friends mean. We want to express our heart felt thanks to each and everyone who had a part in making our time of grief easier.

Thank you, everyone, who brought food, sent flowers, served, prayed, expressed words of encouragement and a special thanks to Dr. LeBleu, Mac and Doug Weathersbee, Bro Stahl and Monday, the special music and other kindness to numerous to mention at the loss of our Wife and Mother.

VITAL BRIDGE

Living on an island has its problems! Islands are just fine . . . until you run out of bread or need the refrigerator fixed. That's why we built this rustic bridge last summer. It's safer for the children than our old boat, and it links us with our neighbors if we or they need help in a hurry.

There is great need for another bridge these days . . . not of wood or stone, but of understanding between the world's people. "No man is an island . . ." We are all children of God, made in His image.

The Christian Church is the living bridge that seeks to unite people everywhere in the fellowship of Jesus Christ, the Prince of Peace. By supporting your church and striving to live by its teachings, you help to span the gulf of ignorance and fear that still separates us from our brothers and sisters.

Roby Lions Suffer Loss At Hands Of Bronte Longhorns

The Roby Lions went to Bronte Friday night and lost the game to officials, by the score of 22 to 13. 'Sore Loser? NO! A justifiable fact. Those who witnessed this game may or may not agree, but I believe those fans that were there from both Bronte and Roby will agree. It was a great football game, each team played an outstanding game, and the coaching staff for each school was well prepared for the game. It was really a disappointment that the officiating crew for this game were never able to fill the position they had in this game.

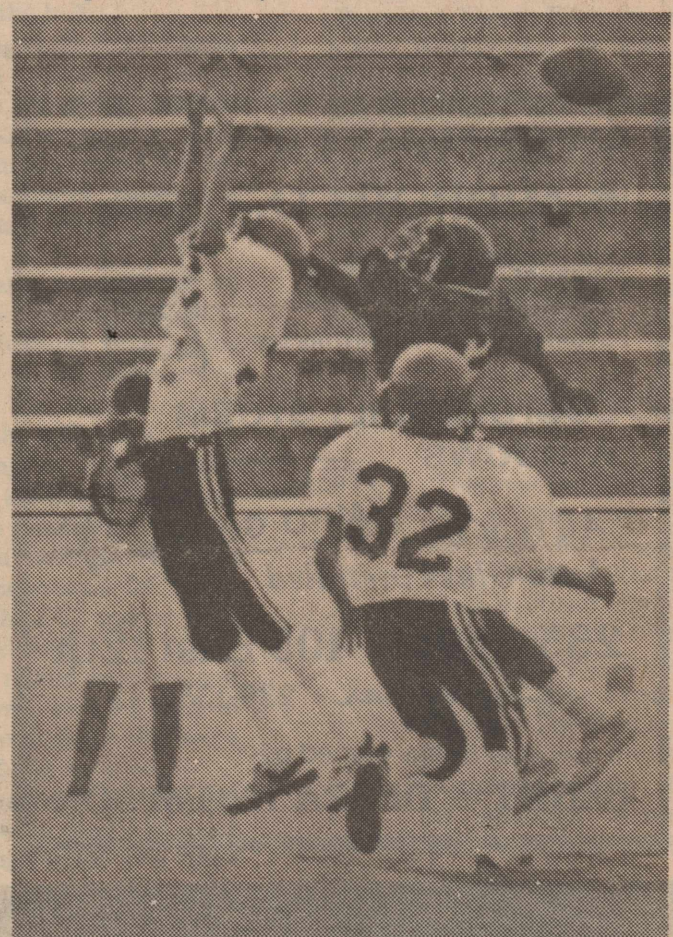

The Lions had the ball first and took it 66 yards in Roby Class 1977 Holding Reunion Sat.

The Roby graduating class of 1977 will be having a class reunion on Saturday, September 24, 1983. Friends, relatives and teachers are invited to visit with us from 1-4 p.m. at the courthouse annex, Roby, Texas.

12 plays for their first score. In the scoring drive the Lion's runners made some good runs, Bennie Putnam ran for a total of 40 yds. in the drive, and 14 yds. of that was for the score. They took the lead with 8 minutes and 14 seconds left in the first quarter, the PAT kick was good and Roby lead 7 to 0. Bronte's first possession ended with a punt on 4th and 9 at their 25 yard line. The Lions ran 3 plays and punted on a 4th and 1 at the 22. On Bronte's next possession they began their drive on their 43 yard line. In 4 plays Bronte moved the ball to the Lions 44 yd. line. On the next 3 plays the Longhorns were penalized and found themselves faced with 2nd and 42 from their 25 yd. line. On the next play, the Longhorns Quarterback found his receiver for a long pass play. The Bronte receiver had jumped high to make the catch, when Roby's Lance Green made a hard hit that knocked the ball loose, making it an incomplete pass, but the Lions were

flagged on the tackle and were penalized 15 yds.,

giving the Longhorn's a first and 10 on the Lions 20

A DEFLECTED PASS: Roby Junior Varsity defensive players, Jeffery Morton in white and Billy Fee #32, team up to deflect a Sweetwater Freshman pass in recent action.

yd. line. The Longhorn's took 3 plays then to score, the score coming on a 17 yd. pass. The PAT was stopped short with 27 seconds left in the 1st quarter, Roby led 7-6.

The Lions started the second quarter in possession of the ball and were moving the ball down the field, when on the 11th play of the drive, Roby lost the play on a fumble at the Longhorn's 15 yd. line. The Longhorn's tried 2 plays for 2 yds. and on 3rd down, they quick kicked. Roby's Frankie Gonzales made a good 15 yd. run back.

Roby took over on the Longhorn's 41 after the quick kick, but were unable to move the ball, then 4th down from the 40, Roby's punter, Chad Terry, tried for the corner and nailed it on the 4 yd. line. Bronte started at their 4, punted on 4th and 7. Roby's Stevie Rivas had a good run back giving the Lions a 1st and 10 at the Longhorn's 23 yd. line.

On the first play of this drive, Frankie Gonzalez made a good run on a reverse that went 23 yds. for a T.D but a flag thrown against the Lions nullified the T.D., so on the next play Roby's Bennie Putnam ran 27 yds. to the Lion's 1 yd. line. Roby's John Etheredge went the yd. on the next play to make the Lions lead 13 to 6. The PAT kick was no good, the clock had 48 seconds left till half. Roby's Bennie Putnam suffered a knee injury on the 27 yd. run.

In the 3rd quarter, Bronte scored twice, both times on pass plays, the first being a 66 yd. drive and the other 99 yd. drive. The Lions got another

good run back on the kick after the first score. The run back was about 42 yds. by Gonzalez. In Roby's only possession of this quarter, another good reverse by Frankie was called back because of a flag. The run was from the 28 yd. line to about the 2 yd. line.

The Lions finally punted on a 4th and 27 from their 49 and again another good

punt for Chad Terry. This one was downed on the 1 yd. line.

In the last quarter, the Lions first possession ended on a fumble, then their 2nd possession they punted. Then on the 3rd possession, the Lions Lance Green made a good run from the 41 yd. line inside the 10 yd. line, but a flag on the play nullified the run. After a couple of plays,

Roby's Joe Carreon made a good 19 yd. run to give the Lions a 1st and 10 on the Longhorn's 25, when Roby suffered its 2nd fumble of the game. The Lions defense pretty well held the Longhorn's in check in the fourth quarter. The final score 22 to 13.

This week is homecoming week with the Lions hosting Spur Bulldogs 8 p.m. Friday.

Card Of Thanks

The Family of Anastacio Ortiz acknowledges with great appreciation everyone's expressions of sympathy. Your kindness is appreciated to those who sent flowers, money, cards, food and phone calls.

We would like to thank everyone who helped in the organization of the garage sale and the Mexican Dinner Sale, and without the kind people of Roby and Rotan it would not have been a success.

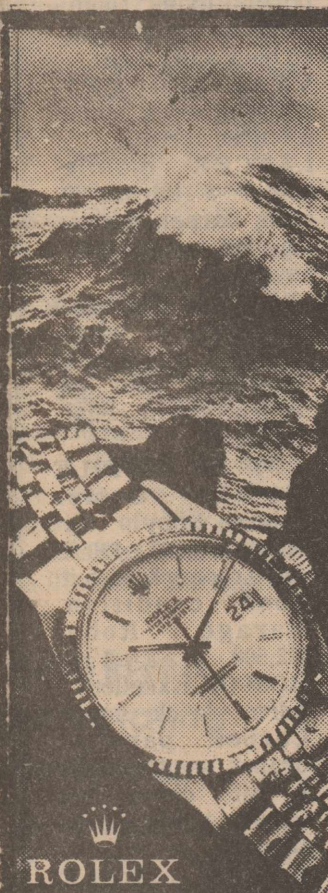

We would like to thank Dr. Maurice and all the nurses and hospital staff for their patience and consolation.

Your thoughtfulness is appreciated to the members of the Altar Society who served the luncheon for the family.

A very special thanks to Father John Hootman and Father Austin Kittridge for officiating the service and their spiritual prayers and support.

May God Bless each one of you.

Roby Junior Varsity

The Roby Jr. Varsity team traveled to Sweetwater last Thursday and played the Sweetwater J.V. Freshman team in a good well balanced match. Both teams played exceptionally well with a tie score of 20-20.

The J.V. Lions won the toss and elected to receive. On their first possession young quarterback Rodney Green handed off to Jeff Morton who gained about 10 yards before being tackled. The Lions were unable to sustain a drive and punted on 4th down.

The Mustangs were powerful and despite a good Lions defense scored their first T.D. making the score 6-0. The Lions now started to move downfield and in four plays scored their first touchdown when Q.B. Rodney Green handed off to John Shipp, who scrambled across the goal line. The PAT was good which made the score 8-6 with John Shipp scoring the two extra points.

The Lions then kicked off to the Mustangs, and they started a long drive, but had it ended by a strong Lion defense and had to give up the ball when they fumbled and Todd Matthies recovered the ball for the Lions. There were some excellent tackles made by Bruce Williams, John Shipp, Joe Acevedo, Jeff Branson, Todd Donham, and Todd Matthies.

Roby then took possession of the ball. In a long drive, good runs were made by Rodney Green and Ruben Rodriguez, Jr. and Green completed a pass to Todd Donham who carried the ball to the five yard line. At this point Rodney Green ran the ball in for the TD making the score 14 to 6 with 10 seconds left in the second quarter.

The PAT was no good. The Mustangs then took the ball after the kick off, but time did not permit them to move the ball and a tackle by Joe Acevedo ended the half.

At the beginning of the third quarter Sweetwater had moved the ball to their 25 yd. line when they fumbled the ball and it was recovered by Todd Donham. Again the Lion defense rallied on these plays before the fumble and made some excellent plays.

Roby then began a long drive down field. Rodney Green took the ball in for a TD but because of a called clipping penalty the touchdown was called back. On the 40 yd line Roby began to move the ball again. With the offense doing an excellent job, the Lions moved the ball to the six yd. line when Green handed off to team mate Wenzel Hardwick for a TD with 1 minute and nine seconds left in the third quarter. The PAT was no good and the Lions led 20-6.

The Mustangs rallied however and made a touchdown with 8:57 left in the third quarter making the score 20-14. The PAT was no good.

Roby had possession of the ball two more times but were unable to score and the Mustangs made one more touchdown in the fourth quarter to tie the game 20-20.

Both teams played excellent football. The J.V. Lion Team is made up of John Shipp, Darry Thomson, Todd Donham, Wenzel Hardwick, Bruce Williams, Marlin Terry, Ruben Rodriguez, Jr., Jeff Green, Todd Matthies, Billy Fee, Rodney Green, Joe Acevedo, Jeff Branson and Jeff Morton.

Angelo State Scholarships

Three Fisher County freshman students are attending Angelo State University on Carr Academic Scholarships.

The three include two from Roby High School, Julie Lynne Branson and Tisa Lynn Lovett, and one from Rotan High School, Jana Beth Smith. Branson and Smith received \$1,500 awards for 1983-84 and Lovett received a \$2,000 award.

The awards are provided by the Robert G. and Nona K. Carr Scholarship Foundation and are based on the students' outstanding academic records and personal achievements.

Lovett was a National Honor Society member and she participated in band and track. Branson was a member of the NHS and participated in student publications, band and drama. Smith was selected to the Society of Distinguished High School Students and participated in band, basketball, track, tennis and drama.

The three Fisher County students

are among approximately 300 distinguished high school students throughout the state and nation who have been selected to receive Carr Academic Scholarships for 1983-84. Another 500 Carr Academic Scholarships have been awarded to currently enrolled undergraduate and graduate students at Angelo State University.

The distinctive scholarship program was created by the late Mr. Carr in 1978 and will provide approximately \$1.2 million in academic scholarships during the 1983-84 school year to assist worthy and deserving students to pursue their education at Angelo State.

Mr. Carr bequeathed to the Board of Regents, Texas State University System, for the use of Angelo State, all his interest in oil, gas and other minerals with the provision that these properties be held in trust for the establishment of the Carr Academic Scholarship Program.

If, upon a finding of necessity by the commissioners court, shall be divided into more than one justice of the peace precinct but not more than four. The amendment provides further, that in any precinct in which there is a city with a population of 18,000 or more, two justices of the peace shall be elected. The amendment allows a justice of the peace, constable or commissioner to continue in office until the expiration of his term, although a change in precinct boundaries results in the officer no longer being a resident of the precinct for which he was elected or appointed and allows a justice of the peace or constable to continue in office until the expiration of his term even though a change in precinct boundaries results in the abolition of the precinct or more than one justice of the peace or constable serving the precinct. Vacancies in the office of justice of the peace or constable that result from a precinct boundary change shall be filled by the commissioners court until the next general election. The amendment would take effect on January 1, 1984, and counties with populations of less than 30,000 and with more than four justice of the peace and constable precincts would have until January 1, 1987 to comply with the amendment.

Yellowhammers Humiliate Hornets, Clyde Test Friday

The Rotan Yellowhammers unleashed their wrath at the expense of the winless Aspermont Hornets last Friday night it was what amounted to a scoring bonanza by the home team. The Yellowhammers scored at will and amassed a total of 76 points to none for Aspermont before the final gun sounded.

Midway through the third period, when the score was 46-0, Head Coach John Smith, with a look of disgust on his face said "We've tried all we could to keep the score down", alluding to the fact that his second team defense and second team offense was on the field. It was apparent that Smith, while pleased that his Yellowhammers were having a "field day", was concerned at the many ramifications of playing a team of the caliber of Aspermont. Smith knew that he had a tough game coming up with Clyde and the Bulldog encounter would not be a "cake-walk".

Last Friday's game began with Charles Williams taking the opening kick-off at the 23 yard line and returning it 77 yards for the score. Williams rambled untouched, through traffic, until he reached the 40 yard line then cut to the right and completed his opening jaunt giving Rotan a 6-0 lead. Tim Carrillo booted the extra point.

Carrillo suffered a broken collar bone in Friday's game. The back-up quarterback and starting defensive player will be out for approximately 6 weeks. He could however, return for some light kicking duties toward the end of the season.

Aspermont ran three plays and had to punt on their first possession. Larry Messick, Rudy Garza and Joe Paul Soliz together with Randy Martinez and Charles Adkins accounted for the key tackles in the first series.

Rotan took over with 10:00 left in the first period for their first offensive series. Williams carried right to the 22 yard line, Greg Gruben executed an option to the 18, then after a busted play and illegal procedure penalty, Gruben lofted a pass to Larry Messick for 6 points from the 23 yard line. The extra point was blocked giving Rotan a 13-0 lead with 8:47 left on the clock in the first period.

Aspermont fumbled on their second possession giving Rotan the opportunity to make their third score of the night. Charles Williams carried 11 yards to the 9 yard line; Sammy Turner pranced to the 4 and Connell Johnson was stopped at the 2 before Greg Gruben found paydirt on a quarterback sneak. A flag nullified the extra point and Rotan jumped to a 19-0 lead with 7:13 left on the clock.

The visiting Hornets ran 3 more offensive plays and punted yielding them a -4 yards on the next series. Charles Williams, Joe Paul Soliz, Louis Santibanez, Adkins and Garza irritated the Aspermont signal-caller like flies swarming to honey. They forced a 4th down needing 14 yards for a first down punt.

In one of the few series that didn't produce points, Rotan's Carrillo punted after three unsuccessful running attempts on the following series.

Chris Duhadaway made a jarring tackle on Aspermont's Glover Miller forcing another Aspermont punt with 3:08 left in the

first period.

Rotan took over a mid-field late in the first period and kept possession into the second quarter. An incomplete pass from Gruben to Sammy Turner on 4th and 4 from the 44 yard line gave the ball back to the Hornets.

The Yellowhammers tried a field goal attempt with 3:58 left in the first half, but Carrillo's boot was inches short of the mark.

Charles Williams put Ro-

tan on the scoring road again with 2:22 left in the half as he dashed 30 yards for a touchdown. Tim Carrillo's extra point gave Rotan a 26-0 lead.

Dion Sepeda's fumble recovery with 1:48 remaining the first half resulted in the final Rotan points on board of the first half.

Sepeda recovered a stray Aspermont ball at the Rotan 24 and three plays later Tim Carrillo arched a 20 yard pass to Charles Williams for the score.

The extra point kick by Carrillo left the first half score 33-0.

Two quick scores in the opening minutes of the second half, both scored by the Rotan defense, killed any remote chance that the half-time talk by Aspermont coaches could inspire Hornet players to even stay close to Rotan on the scoreboard.

Tim Carrillo picked-off and Aspermont pass at the 16 returning it for a touchdown and Charles Adkins batted-down a 4th down

punt attempt on the next series, recovering it in the end zone for a score. In the span of 21/2 minutes, Rotan had increased the score of 46-0.

The Rotan second teams played most of the remaining portion of the game. Sammy Turner, however; did increase the score to 52-0 on his 4 yard plunge with 4:13 left in the third period and a pass to Charles Adkins gave Rotan a 54-0 lead.

Second team running back John Pease, with running partner Randy Martinez, scored from the

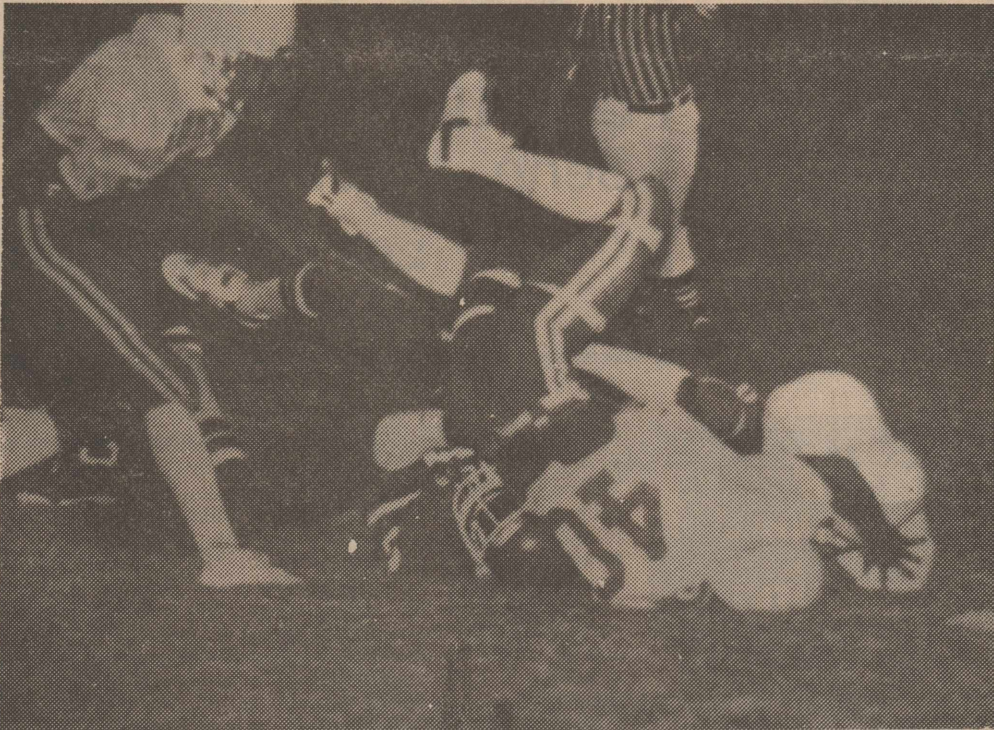

4 yard line with 11:14 left in the final period. Martinez and Pease alternated offensive carries over 41 yards for the score.

Louis Santibanez darted over the end-zone stripe from 4 yards out with 4:12 left in the game and Gruben ran the extra point making the score 68-0.

The final score of the night came when Greg Gruben snagged an Aspermont pass at the 27 yard line and rambled 73 yards for the score. He ran up the near sidelines, cut across-field and scooted down the far side-line to

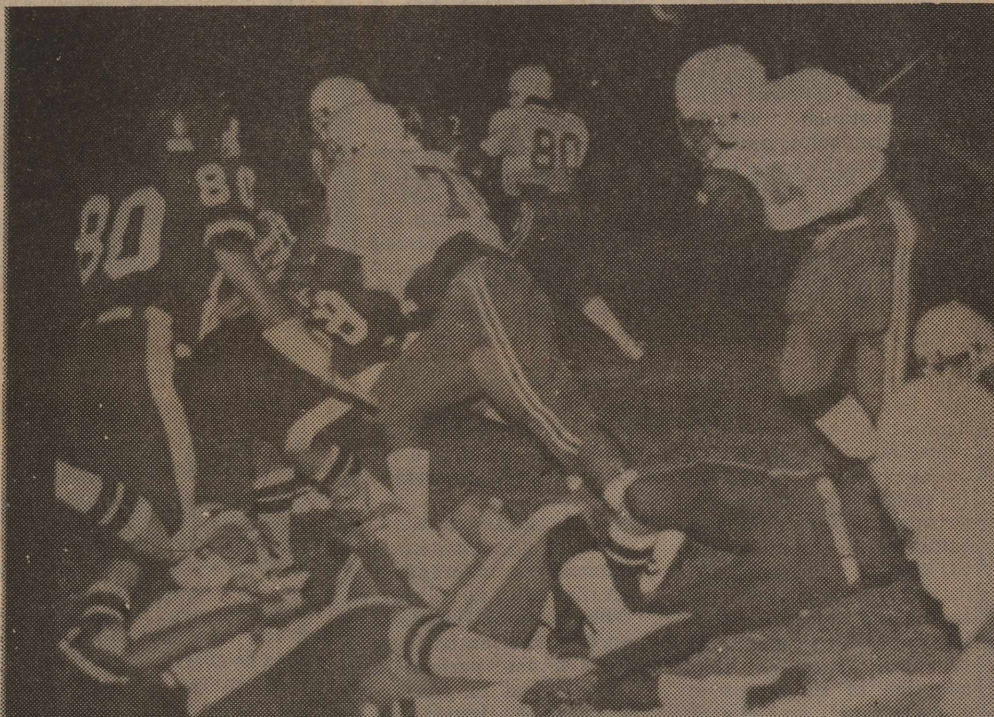

score. With 2:36 left in the game, Gruben hit Gustabo almanza in the end zone with an extra point pass to put the final two points of

the night on the board. The Yellowhammers face a tough test on Friday when they host visiting Clyde at 8:00 p.m.

TOPSY TURVY: Rotan linebacker Rudy Garza, #40, is turned upside down after making a tackle on an Aspermont runner in last week rout when Rotan defeated

the Hornets 76-0. The Yellowhammer defense will get a workout this week when they attempt to stop the big, strong Clyde squad at home.

PICKS UP YARDAGE: Rotan's Sammy Turner, right-#44, picks up yardage against Aspermont as teammates Dion Sepeda, 70 and Charles Adkins, 80

provide blocking. The Yellowhammer offense will have their work cut out for them Friday night as they host a tough Clyde team.

Tax Planning by James Rodgers, CPA

(On Interest & Dividends)

Everyone has waited a long time to find out what Congress would do with the provision in the 1982 Tax Law that required withholding of taxes on interest and dividend payments. Finally, the issue has been settled. The provision requiring financial institutions and corporations to withhold 10% of all interest and dividend payments has been repealed.

"Back-up withholding" at a rate of 20% will be imposed only on those taxpayers who have interest and dividend income and "fail to file" a tax return or who "under-report" such income by a certain amount. The IRS is to identify such noncompliant taxpayers and furnish financial institutions with instructions requiring them to do the back-up withholding.

Any withholding already done by payors of interest and dividends may be returned to the payee. If the payors choose not to make refunds, they must deposit the withheld amounts in accordance with usual deposit rules.

Such withheld amounts are then to be shown on Forms 1099 provided at year's end to payees who will receive credit for these amounts when filing their 1983 returns. Withheld taxes that have already paid to the IRS may be refunded to the taxpayers, and the payors may adjust their subsequent payments of payroll taxes.

The repeal of this provision does not affect required withholding on pensions, annuities, and certain other deferred income.

Taxpayers who reduced their estimated payments for the first two quarters of 1983 to reflect amounts that they expected to have withheld will not be penalized for underpayment of estimated tax for these two quarters. A review of the final two quarters' payments should be done with your tax advisor. You may want to increase your remaining estimated tax payments to compensate for the shortage on the first two payments.
