ROAMING THRU RANGER WITH RON...

By Ronald Waters

COLLEGE TIME AGAIN . . . Registration is underway for the second day at Ranger College. And it's back to school —again—for many students tomorrow.

The time spent in college is probably one of the happiest and best remembered in any individual's life.

Also a word of warning and advice—it's the best time to get married. So—girls make the best of your opportunity, now, or you may end up an old spinster!

Boys—put on your track shoes to run fast. I forsee hectic days ahead!

Only snd note is that Ranger will be losing some of its outstanding young citizens.

TO HARDIN SIMMONS U. go Wayne Jowers, and Ann Robinson (with perhaps some others). They will probably see Jerry Price at Draughan's Business School, and Carene Sutton at Hendricks Nursing School.

AT ACC — will be Betty Gardenhire, Patsy Halliday, Mary Haltom and possibly some others.

RANGER COLLEGE — will receive a good number of local students, including Freddie Cooper, Dale Cozart, Jimmy Hagar, Jack Lindsey, Jimmie Mae Miller, Carol Sanders, Maxine Vandergriff, Robert Veale, Glenda Webb, Phyllis Williams, Ruth Miller and Boone Yarbrough.

In their second year at the college will be several students who worked in Ranger this summer, including Roger Kelley, Wylie Wyman, Dick Maxwell, Jerry Cantrell, Barbara Mauldin, Barbara Rogers and others.

The Community Chest is ready to launch their drive next month Don't need to tell you how important it is to give to this cause

HOOLA HOOPS are here to stay. They're the latest rage, appealing to adults as well as the children. Just a simple hoop, nine-tenths hole (at least) nothing more and nothing less.

Some seem to think that rolling an old tire downhill at full steam—with a horned toad running inside—is more fun.

But I doubt if the toad enjoyed it.

Children have certainly caught on to the new fad fast, and they seem relatively safe and enjoyable. And when no one's lookin'—I bet their parents enjoy them as well!

Mrs. Carrie Henry, who died Tuesday and was buried here Thursday, was an active chart-

(Continued on Page Four)

Total Request of Agencies Was $6787

Community Chest Board of Directors adopted a budget in the amount of $5,643, including a 10-percent reserve, for the coming year at a meeting of the group held in the Chamber of Commerce office Monday night.

Requests came in from the seven participating agencies, asking for a total of $6,787, including the reserve as an emergency fund, but this amount was cut down to $5,130 plus $513 reserve.

Roscoe Hopper, newly elected president, presided over the meeting.

In a meeting of the group last year, requests amounted to $8,137 and the budget was adopted at $4,840.

Here is a break-down of the funds asked and the budgets alloted:

	Asked	Rec'd.
Salvation Army	$ 680	$ 680
Red Cross	$1500	$1200
Camp Fire Girls	$ 100	$ 100
Boy Scouts	$1540	$ 800
Child Welfare	$ 500	$ 500
Library	$ 650	$ 650
Teen Town	$1200	$1200

Adopted in a unit were the requests from the Salvation Army, Child Welfare, Camp Fire Girls, and Library. Requests from other agencies came up for discussion.

Representatives making reports included Charles Brannen, national representative of the Salvation Army; Mrs. Kenneth Jameson, Red Cross; Mrs. A. W. Brazda, Child Welfare; Arthur Deffebach, Boy Scouts; Mrs. Glenn Covington, Camp Fire Girls; Mrs. Frances Jameson, Library; and David Pickrell, Teen Town.

Requests were read from two organizations asking to be included in the Chest for the coming year. A request from the Texas Rehabilitation Center in Gonzales was tabled by the directors for further consideration next year and a request from the Texas United Defense Fund Committee (USO) was turned down.

Brannen explained, in his report, that the Salvation Army was requesting funds representing about 17-cents per capita. Also representing the group were Miss Helen Dawley and Mrs. P. M. Kuykendall.

In the Red Cross report, it was pointed out that Eastland County's quota for the year is $5,879. About 118 families a year in Ranger are receiving assistance through the Red Cross, Mrs. Kenneth Jameson said.

A letter from Mrs. James Ratliff stating the request of the Childs Welfare was read. The $500 budget was alloted.

Deffebach pointed out, in his report, that Ranger is part of the eight-county Comanche Trail Council of Boy Scouts, made up of three professional scouters. Locally, Ranger has one cub pack, two troops and an Explorer post, he added. At the same time he pointed out that Eastland had contributed $1,800 and Breckenridge $3,000 toward the Boy Scout work.

After the budget was set at $800 for the Boy Scouts, the same amount received last year, considerable discussion followed. Some directors questioned the consistency of the Board. Finally, after it was determined that excess funds—if any—could only be alloted to all participating agencies, the matter was settled when an approved motion gave the organization $400 from the present funds.

David Pickrell, making the Teen

Baptists Set Annual Session Next Thursday

The seventy-fourth annual session of the Cisco Baptist Association will convene in the First Baptist Church, Thursday evening, Sept. 18th, at 7 p.m. with Moderator Ralph E. Perkins presiding.

Sessions will include both Friday morning and afternoon.

Thursday evening, H. L. Tapscot, secretary of the Brotherhood of the Baptist General Convention of Texas, will bring the denominational message. Missionary Paul Bell—of Guatamala City, Guatemala, in Central America—will bring the Missionary Sermon.

Other reports will include the Children's Homes, by Dr. J. M. Lunsford of Beeville and The Baptist Standard report by Dr. Odis Rainer of Austin.

Friday morning reports will include: hospitals, Luebers Encampment, relief and annuity, missions, and In Memoriam.

Rev. Ralph E. Perkins, of Ranger First Church, will preach the annual sermon. Rev. Perkins has served as pastor in Ranger for the

(Continued on Page Four)

Merchants Will Hold Meeting Thursday Night

Plans and preparations for promotions, to be used in the current fall campaign of Ranger merchants, will be made in a second general meeting of merchants next Thursday night at 7:30 in the Chamber of Commerce office.

Morris Newnham, chairman of the trade extension committee of the Chamber, urges all local merchants to be present for this meeting.

In an earlier meeting of the group, plans were discussed for four promotions — including the arrival of Santa Clause here and a turkey give-away. A "Treasure Hunt" was also discussed.

Merchants decided to fill up the downtown windows with merchandise and displays, during their last meeting, but this had not been accomplished at last report.

MYSTERY FARM—Actually this week's mystery farm isn't a farm, but it shouldn't be hard to identify. This is the 21st in a series of aerial photos of Eastland County farms. The names of all persons correctly identifying the farm will go into a hat and one name will be drawn out. Two free passes to the Majestic Theatre will go to that person. Owner of the farm will receive a free enlargement of the aerial photo if he calls for it at the newspaper office.

Meter Heads Removed; Election Called Oct. 20

Parking meter heads were removed by City employes Saturday, following a meeting of the City Commissioners Friday night at which time an election on the parking meter issue was called.

An election on whether or not the city ordinance legalizing the use of parking meters in Ranger should be repealed was called for Monday, Oct. 20, in the Friday night meeting.

The issue has seemingly split Ranger citizens into two sides; those for the meters and those against. When they go to the City Hall to vote next month, the issue will be settled. (Ranger's voting precinct at Young School was abolished earlier by the County Commissioners.)

Signing affidavits stating that they had circulated the petitions calling for the election were G. A. Townzen, A. E. Crawley, A. H. Powell, Jack Donowho, P. T. Smith and B. H. Peacock.

Petitions, bearing 201 signatures were presented Friday under the direction of an initiating or referring committee.

Calling the election within 40 days from the time the petitions were received, the City Commission will appoint an election judge and make other arrangements for the Oct. 20 polls .

It was noted, by the commissioners, that a good number of petition signers had not owned an automobile for years. They thought this was unusual since these signers would seemingly have little or no parking problems.

In the meantime, Ranger citizens will have a chance to see what it will be like to not have parking meters for awhile.

Bill Robertson, meter man for the Ranger Police Department, has been laid off—according to a statement made by Les Crossley, city manager. Crossley said the move was made due to the removal of the meters .

Reaction to the removal of the meter heads was expressed in surprise by some people. Others predicted a mass parking on Main St., making it difficult to find parking places, and others were glad to note their absence.

Six Pecan Orchards Set To Be Toured

Six orchards will be visited on the third annual tour of the Eastland County Pecan Growers Association, Sept. 29, Oscar Schaefer, Cook, president of the group announced today .

The J. W. Sitton orchard at Scranton, the R. H. Dunning and Lee Lieske orchards at Nimrod and the J. D. Inabnet orchard at Pioneer will be inspected that morning prior to lunch at Sadies Cafe in Rising Star.

The group will assemble and leave from the Petsick Fruit Stand on Highway 80 West of Cisco, at 9 o'clock on the above date according to County Agricultural Agent J. M. Cooper, who assisted the committee in planning the tour.

A short program and business session will follow the lunch at Rising Star, Schaefer said. Randolph Terrell, Gold Kist Pecan Cooperative, Seguin, Texas will be on the program as well as others. Several committees are to be appointed to work on plans for the annual pecan show to be held in December.

The J. F. Petsick orchard near Rising Star and the Earl Conner orchard, Flatwoods will be visited during the afternoon session of the tour.

The tour planning committee was composed of Hank Sims and Guy Parker, Eastland and W. D. Thurman, Cisco.

As a general rule the planted orchard on the deep sandy soil over the county have a fair to good crop growers have told Schaefer in recent weeks. A light crop of seedlings on the Leon River has been indicated.

PAGE ONE MUST

A junior high school football game with Mineral Wells set tonight in Bulldog Stadium, has been called off by Coach Frank Bevers due to a muddy field.

The Young School P-TA will meet tonight at 7:30 in the school auditorium.

Explorer Post 16 will hold a merit badge review tonight at 7:30 in the Scout Cabin. All explorers up for badges are urged to be present .

Registration for evening classes at Ranger College set tonight from 6 to 8 following final registration for regular classes today.

A party is set tonight at the Student Union Building, from at 7 p.m., at which time cheer leaders will be elected.

Two Bulldogs Out With Injuries

Preparing for their first home game of the season, the Ranger Bulldogs will go into their game next Friday night—against the Diamond Hill Eagles of Fort Worth—with two starters out with injuries.

Out of the game will be Lee King, quarterback, who made an impressive showing against the Gatesville Hornets, and Jake Basham, fullback, who was also outstanding in the first game.

Both players are out of the Bulldog lineup indefinitely. Basham was injured in the first play of the Mineral Wells game, Friday night.

Also injured are "Chuck" Garrett with an injured knee, Billy Joe Johnson, with a fractured arm; and Alex Eakin, with an arm injury.

Paris Team Fails To Make Penetration

Ranger College Rangers pulled a surprise up-set out of the hat Saturday night by beating the highly-regarded Paris Dragons 15-0 in the opening football game of the season.

It was the first game for the Rangers in the Texas Junior College Conference and for the Paris Dragons in the newly organized Texas Eastern Conference. Paris formerly played in the Texas Junior College Conference.

Playing their first game under the direction of Head Coach David Slaughter and Assistant Jim Puryear, the Rangers played outstanding ball all the way. They kept the Paris team from advancing any farther than the 29-yard line and allowed no penetrations.

Game At A Glance

Ranger		Paris
12	First Downs	7
167	Yards Rushing	124
52	Yards Passing	12
6	Passes Attempted	5
3	Passes Completed	2
0	Passes Intercepted by	0
6 for 30	Punts	5 for 29
3	Fumbles Recovered	0
6 for 90	Penalties	9 for 90

The first half of the game saw neither team crossing the goal line, but the Rangers came back to score in the third and fourth quarters and to earn a total of three extra points.

With Dick Maxwell, quarterback, at the controls and Halfbacks Marvin "Buttons" Crawford and George "Buzz" Boynton providing the steam and Fullback Jerry Blakley the power—together they dented a stiff Paris defense often enough to score twice. (According to a statement made by Bill Thompson, sports editor of the Paris News.)

The Dragon offense worked in spurts, Thompson said, but never could go consistently. After the second quarter, they never seriously threatened again.

Paris' first drive got underway with John Stinson and John Moyers, halfbacks, carrying the ball, but they were stopped on the Ranger 29.

Ranger penetrated to the 10-yard line midway in the second quarter, but a stiff Paris line halted the drive.

Minutes after the first Paris drive, the Dragons had another golden opportunity when End Gerald Keith blocked a Ranger punt on the Ranger 30, but a 15-yard holding penalty forced the Dragons to punt.

First score was made in the third quarter after Wylie Wyman, left tackle, pounced on a Paris fumble on the Dragon 20 to start the drive. Boynton ran for six and Blakeley got six more for the first down on the 9 .From there, Boynton dashed around left end to score. His extra point kick was good for a 7-0 lead.

The Dragons fought bitterly to get back into the game, but Ranger iced it midway in the fourth quarter. Once again, a Paris fumble started the Rangers down field from the Paris 47. Chopping away four and five yards at a time, the Rangers advanced until they ran into a fourth-and-five-yards-to-go situation at the 22.

Choosing to try a field goal; the Rangers fumbled, but Doug Davis picked up the fumble and ran six yards, giving the locals a first down and a fresh start.

Four plays later, Blakely ripped through the right tackle from the

(Continued On Page Four)

Registration Winds Up Tonite At The College

Registration for regular fall classes at Ranger College wound up at 3 p.m. today. Night school registration is set from 6 to 8 tonight.

Classes start tomorrow at 8 a.m. and will continue, Monday through Friday, through May 28 1959. First Holiday falls at noon on Nov. 26.

Students came in from all over the state, with several from out of the state, for the first day of registration, Monday.

The second informal "get acquainted" party is set tonight at 7 p.m. in the student Union Building. Cheerleaders will be elected at that time. Al Lotspeich is in charge of arrangements.

From all indications Monday, a good enrollment was expected for the fall term.

Students Off To Different State Colleges

They're off!

College students started leaving Ranger this weekend in preparation for their first year of college.

At the same time, students started arriving in Ranger, from all over the state, to register at Ranger College.

Leaving Sunday to attend the University of Texas were Jackie Neeley, son of Mr. and Mrs. C. R. Neeley; Don Deffebach, son of Mr. and Mrs. Arthur Deffebach; Bill Creager ,son of Mr. and Mrs. W. F. Creager; and Frankie Landtroop, son of Mr. and Mrs. Lloyd Landtroop.

Also attending school in Austin will be Ray Falk and Sandy Presslar II.

Lanny Smith, son of Mr. and Mrs. J. L. Smith, left Monday to attend school at North Texas State College in Denton, where he will be a sophomore.

Attending Hardin-Simmons University will be Wayne Jowers (a former Rangerite) and Ann Robinson. At Abilene Christian College

(Continued On Page Four)

Annual Staff Members Named

By Mike Herrington

Annual staff members of "The Bulldogs" were announced last week at the high school.

Editor is Annabeth Deffebach, a senior. Mary Kay Rush is assistant editor. Art editor is Mollie Mitchell. Other editors are Tommy Warford and John Tibbels, sports editors; Mignon Rhode, feature editor (assisted by Lydia Mendoza; Norma Gayle Emfinger, business manager, assisted by Barbara Crabb; Lloyd Capps, snapshot editor.

Assisting staff and salesmen are David Webb, Ronnie Daskevich, Dawn Loper, Mike Herrington, Marinell Shockey, Charles Wolford, Curtis Stephens, Alfred Rogers, Sue Cantwell, Kay Hopper, Pat Graham and Sam Owens.

More than 50 students applied for a position on the staff. Selection was made on the basis of good grades, ability to work and interest in journalism.

Final decisions were made by Mrs. Helen Hagaman, sponsor; Charles Garrett, principal; Boone Yarbrough, assistant principal; and G. B. Rush, superintendent.

District Scoring Race Is Tight; DeBusk Is On Top

Pat DeBusk of Coleman climbed from third place to the top of the list in the District 7-AA scoring race this week with an eight point performance against Comanche.

DeBusk now has scored 22 points for the year. Randall Hess of Cisco dropped from first to second with 20 points and Clint Humphrey of Eastland jumped from a tie for sixth place to third with 19 points. Jake Basham, second a week ago, is now in fourth place with 18 points.

Hess and Basham didn't have an opportunity to protect their lead last week. Cisco had an open date to keep Hess from scoring, and Basham was injured on the first play of the Ranger-Mineral Wells game.

Only Ballinger, one of the favorites in the district, is now winless in the district. Ballinger has gone up against two of the state's toughest teams, Brady and Stamford, and lost to both. That doesn't mean they do not have a tough club however.

Coleman has the best record, holding wins over Anson and Comanche. Cisco is the only other undefeated club, having a 1-0 record with Dublin as their conquest.

Eastland, Ranger and Winters each have won one and lost one. Eastland beat Dublin Friday night after being edged by Hamlin in their season opener and the Blizzards dumped Anson after losing to Crane in their first tilt. Ranger, without the services of both Basham and their ace quarterback, Lee King, lost to triple-A Mineral Wells. They hold a win over Gatesville.

This week Colorado City will be at Ballinger, Cisco goes to Comanche, Coleman plays at Stephenville, Eastland hosts DeLeon, Diamond Hill will be at Ranger and Winters will entertain Brady.

For the year district teams hold six wins and five losses.

DISTRICT 7-AA
Individual Scoring

Player	Team	Points
Pat DeBusk	Coleman	22
Randall Hess	Cisco	20

Two Vacant Buildings To Be Occupied Here

Two vacant buildings in downtown Ranger will soon be occupied by Ranger merchants, and reports have indicated that two more will be filled at a later date.

A wholesale and retail fresh fruit and vegetable house will occupy the two-story Garza Building, formerly occupied by the Ranger Boat Shop, on Main St. Mr. and Mrs. H. H. Hamilton, owners of Hamilton's Fruit Stand on Highway 80 west, have purchased the building from C. B. Pruet and plan to open in about two weeks.

The Hamiltons have lived in Ranger for four years this next February, operating the Hamilton Fruit Market. Prior to that time, Hamilton was in the wholesale produce business for 15 years in Fort Worth.

They will service cafe and grocery outlets in this area.

Mathena's Flower Shop, owned Mr. and Mrs. R. V. Mathena will move to their new location on Main St., formerly occupied by B. F. Goodrich Store, and open for business within the next few weeks.

Located between Sweetbriar and Tony's Barber Shop, shelves and display space will be readied in redecorating the building.

Mrs. Mathena has been connected with the floral business for about 20 years. She has operated Mathena's Flower Shop in Ranger for the past eight years.

The building was purchased from Joe Harnden of Ranger.

Kidney Slow-Down May Bring Restless Nights

When kidney function slows down, many folks complain of nagging backache, headaches, dizziness and loss of pep and energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Stop pain of piles today at home —or money back!

25 doctor's tests, amazing new Stainless Pazo* instantly relieved piles' torture! Gave internal and external relief! 6 medically-proved ingredients including Triolyte, relieve pain, itching *instantly!* Reduce swelling. Promote healing. You sit, walk in comfort! "CONSTITUTION WEEK" SIGNIFICANT

The week of September 17-23 has been designated as "Constitution Week". Each year an observance is scheduled throughout the nation in recognition of the importance of the federal constitution, which forms the basis of our national government. It insures a stable balance of powers between the legislative, executive and judicial branches of government by providing curbs upon the authority of each.

For instance, mighty as our Congress is, the Constitution does not give it certain powers:

1. Neither Congress nor anybody else can suspend the writ of habeas corpus (unless the public safety demands it during rebellion or invasion.) All officers or others must obey a court and bring in anyone in their custody to see whether he is held lawfully.

2. Congress cannot pass "bills of attainder," special acts to punish someone. Congress cannot bypass the courts.

3. Congress cannot pass an ex post facto law a law which makes an act a crime which was not one when done, or which punishes the offender more than called for when done.

4. Congress cannot tax exports from any state nor by regulation favor one state's ports over another's, nor make one state's vessels clear or pay duties to another state in order to enter.

Besides these denials from within ,the constitution curbs Congress and the executive and judiciary in the amendments, especially the first ten.

Among other things, Congress cannot make a law respecting establishment of religion or prohibiting its free exercise, or abridging the freedom of speech, of the press or the right of the people peaceable to assembly and to petition the government for a redress of grievances.

The constitution also curbs the courts (for example, they cannot deny a person a fair hearing duly represented by counsel.) It curbs the executive (he cannot, for example, take private property for public use without just compensation.)

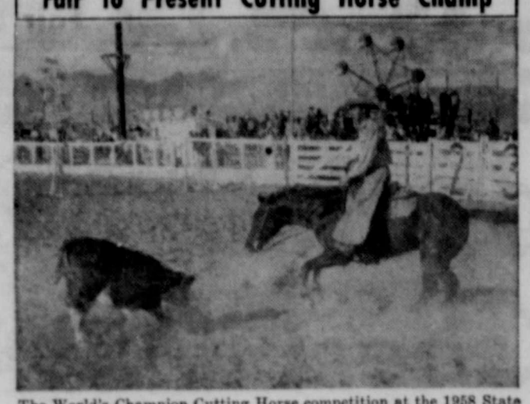

The constitution, which divides the work of the three branches of government, winds up by telling where the rest of the power rests —just in case anybody gets any fancy ideas of dictatorship. There are things no state can do, for instance, "make or enforce any law which shall abridge the privileges or immunities of citizens of the United States."

If there are any powers not given to the United States government or reserved to the states, they belong to the people. The consitution does not seem to limit the people.

(This column, prepared by the State Bar of Texas, is written to inform — not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.

No Free Lunch

There is no such thing as a free lunch . . . not even when the Government provides it. Every lunch has to be paid for . . . by somebody. The same is true of Government aids, benefits and services.

They are not free. All of these things have to be paid for by somebody, and that somebody is we . . . the people.

There is no such thing as "federal funds." That term is a wolf dressed up in sheep's clothing, and it deceives a lot of us into feeling that whatever we get from the Government is free. Congress does not possess an Aladdin's lamp or a financial wishing well. Neither does the Administration in Washington.

Every dollar the Congress appropriates, and every dollar the Government spends, must come out of the earnings of we . . . the people. There is no one else to pay the bills.

The more the Government spends for free school lunches, for free inland waterways, for free airport terminal and airway services, for free hospital and medical services, for free slum clearance projects, for free farm price support programs, the more the Government must tax us. And that means that each of us has less to spend . . . or to save. Not all taxes are visible. Most of them are not. We see the withholding and excise taxes. But we do not see the multitude of taxes hidden in the price of everything we buy.

The Government has only *one* source of income. And that source is we . . . the people . . . all of us. The Government does not produce wealth. Only the people do that. The Government consumes wealth. If the Congress appropriates and appropriates, and the Government spends and spends, then all of us are going to be taxed and taxed and taxed. And so will future generations.

If we demand "free lunches" and "free Government aids and benefits and services," we must pay the Provider "in taxes."

AND THIS APPLIES, ALSO, IN THE 49 STATES.

That's the only way it can be done.

He is on leave of absence from Shell Oil Company, where he is employed.

For the Men Who Succeed—

. . . . and for those who will some day succeed them, our suggestion is that they invest part of their earning in real estate. Wise investments in real properties have yielded fortunes to many people. And those who succeed in this venture never gamble on the title. They buy only quality abstracts made by those who have themselves invested wisely—in their title plant—in their personnel—and in their responsibility to the public.

Ranger Garden Club to Meet Friday Morning

The Ranger Garden Club will meet Friday, September 19, at 9:30 a.m. in the home of Mrs. John T. Roberson for brunch. Reservations for members and guests must be made by Thursday afternoon at 5:00. Members are asked to call Mrs. A. W. Brazda or Mrs. L. L. Bruce.

Mrs. Brazda will present the program, "What to Grow Now." There will be a yearbook forecast given by Mrs. Charles Milliken and Mrs. Bill Clem.

Shrinks Hemorrhoids Without Surgery
Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne*)—discovery of a world-famous research institute. This substance is now available in *suppository or ointment form* called *Preparation H.** At all drug counters—money back guarantee. *Ⓑ

Ranger Fights Crickets In Second Battle

Ranger braced itself for a second cricket "invasion" this weekend by turning out the street lights Saturday and Sunday nights to discourage the visiting insects.

Merchants went to work, again, in an effort to get rid of the crickets, by using insecticides and other chemicals.

Monday ,the crickets were less apparent on Ranger's Main streets, however light swere out Monday night.

Rangers–

past eight years, and as moderator of the association for four years.

Friday afternoon the session will include reports from colleges, election of officers ,and the Doctrinal Sermon by Rev. H. K. Neely, Jr. pastor at the Necessity Baptist Church. Rev. Neely has served as pastor at Necessity for several years and has led his church in earning the "Rural Achievement Award" for the second time.

Rev. L. L. Trott, district Mission Secretary, will bring his report on Friday morning along with Rev. Tex Culp, who will represent TANE, from Dallas. Rev. B. L. Davis, pastor of the East Cisco Baptist Church, is the newly elected moterator, and will take office at the close of the last session.

VISIT IN CARBON

Mr. and Mrs. M. J. Winiger visited friends in Carbon over the weekend.

Services Held Today For Lee A. Mitchell

Funeral services for Lee A. Mitchell, 77, who died at 10:45 p.m. Saturday in Ranger General Hospital, were held Tuesday at 10 a.m. in the First Christian Church of Eastland ,with Rev. Ray Heckendorn officiating.

Mr. Mitchell was a retired tool dresser.

Burial was to be in Eastland Cemetery under direction of Killingsworth Funeral Home.

Born Feb. 14, 1881, in Williamson County, Ill., Mitchell had lived in Eastland the last few years. He was unmarried.

Survivors include one sister, Zorie Nelson of Carterville, Ill., and one half-sister, Leafie Mitchell of Carterville, Ill.

Courthouse Bond Purchase Made By Commission

Eastland County Commissioners Monday morning approved the purchase of $17,000 worth of courthouse bonds which would have matured in 1960.

Purchase of the bonds means that the county now owes just $15,000 on the courthouse. That payment will not come due until March 16, 1961. A check reveals that $5000 is still left in the courthouse bond interest and sinking funds.

The courthouse was built in 1928 at a cost of $314,000. Recently it was estimated it would cost $1,250,000 to replace the building now.

WEEKEND VISITOR

Charles Prater of Fort Worth was a weekend visitor in the home of Mr. and Mrs. Loyd Landtroop.

GIVE YOUR HOME
Light for Living

Enjoy added charm and beauty
Light is the life-giving ingredient that brings out colors and texture that are so important to the decorative scheme in your home. Good lighting fills your home with cheerfulness...eliminates gloom and harsh shadows...adds an atmosphere of warmth and friendly hospitality. With attractive lamps and fixtures properly placed, it's easy to light your home for beauty as well as eye comfort. Your favorite dealer will gladly help you select the lighting equipment you need to enjoy beautiful, efficient "Light for Living." See him about it soon.

End table lamps should be the right height for easy seeing — 29 to 42 inches from the floor to bottom of shade. Use a 150-watt or 50-100-150 watt bulb.

Light adds glamour and spaciousness to rooms. A lighted valance like this provides indirect light on ceiling plus dramatic downlight on drapes and wall.

Accent lighting with recessed or ceiling-mounted spotlights brings out focal points of beauty. Lighted wall brackets may be used for the same purpose.
Light for Living is a feature of all "Live Better Electrically" Medallion Homes
