"WHERE TEXANS ARE TEXANS"

Change Announced In The Dates For Collecting Paper

Lt. Bussell, Pilot, Back After Many War Experiences

Lt. R. C. Bussell, air veteran of the European Theatre of War, is now visiting here on a thirty day furlough, after surviving a crash landing in enemy territory and being liberated from a German hospital.

The young B-24 pilot is the son of Mr. and Mrs. G. S. Bussell of this county and husband of the former Miss Wilma Tabor.

Lt. Bussell spent seven months overseas stationed in England, during which time he saw much action. He was on his 23rd mission when his plane was shot down by an enemy fighter over Brunswick. His crew was returning to their home station on March 31, after having bombed their assigned target, when a German fighter hit his plane. They were within 70 miles of friendly lines, when they were forced to crash land.

Lt. Bussell suffered from a broken jaw and other bruises, and lost his left arm at the time. His injuries were largely due to the fact that the seat of his plane came loose and threw him into the fuselage. The lower part of his body was pinned in by the seat, which is constructed of heavy armor plating, and he remained in this cramped position until the Germans arrived and took an ax and chopped through the fuselage, making a hole large enough for his body to pass through the wreckage.

Upon requesting an ambulance after his rescue from the plane, Lt. Bussell was told by a German who could speak some English that arrangements were being made to get one. Lt. Bussell reported that the ambulance, much to his surprise was a wagon drawn by a horse, and that after being transferred from the wagon to a four cylinder car, he arrived at a German hospital in Hameln near Hanover.

Bussell says that he didn't (Continued On Back Page)

The current waste paper campaign will culminate Monday and Tuesday, June 11 and 12, instead of on Friday and Saturday as was first planned. The change was made necessary because the freight car on which the paper is to be loaded will not arrive in this city in time to complete the drive over this week end.

Boy Scouts of Troop 23, are asking merchants and all local residents to place their collections on the curbs by 9 a. m., Monday morning. It is their plan to make one entire tour of this area Monday morning to complete their work.

To conserve gas and tires, the Boys Scouts are asking you to have your collections out on the curbs by 9 a. m. Monday morning. The organization is hoping to get enough paper to fill the freight car, and to do so they will need 40,000 pounds. Be sure and have your bundles ready for them when they tour the city.

When you glance at a pile of waste paper, do you know its value? When you accumulate an amount equal to 100 pounds, do you realize that the waste paper contained therein would make 20 protective bands for 250 pound bombs or that it would protect seventeen 500 pound bombs or eleven 1000 pound bombs, or that it would make 50 casings for 75 millimeter shells or 100 casings for average shells?

Do you realize that it would provide material for 1100 cartons, each containing fifteen 50 caliber bullets, or 2100 cartons, each containing five 45 caliber bullets?

One hundred pounds of waste paper would provide 1410 boxes for emergency life boat supplies which will be called upon to sustain the lives of American soldiers and sailors adrift at sea, or 650 cartons containing Army K rations which service men have to depend upon for food while they crouch in a fox hole.

The soldiers' problem is to carry the battle—yours is to back him. His efforts are dedicated to action in your interest. Dedicate your efforts to salvage in his behalf, and turn in as many bundles of waste paper as possible.

Irrigators Asked To Use Minimum Amount Of Water

Lamesa residents should use a minimum amount of water for irrigation purposes during the next three weeks period, according to announcement from Mayor Sam Richardson and City Councilman Nelson Cope, who state that three new wells are going to be tied into the present water system during that time.

They request that persons irrigating use the smallest amount of water possible, in order to conserve pressure, and to assure plenty of water in case of emergency fires.

The new set up is expected to improve the present water system. Three new wells will be added to the system, and one of the new wells is reported to be the best of the entire unit.

Mayor Richardson and Councilman Cope state that no water shortage is expected after the new units have been installed.

Rev. Underwood To Preach at First Christian Church

The Rev. Ralph Underwood of Kalispell, Montana, will preach at the local First Christian Church Sunday morning and evening, June 10. The morning message will be delivered at 11 a. m., with the evening sermon announced for 8:30 p. m.

The Rev. Underwood is visiting the church as a prospective pastor, and all members are urgently invited to hear him.

A graduate of Johnson Bible College and with a number of years of successful pastorate work to his credit the Rev. Underwood comes to the local church highly recommended as a very strong gospel preacher.

Rev. Underwood will be accompanied to this city by his wife and small son who is 9, and daughter, who is 3 years of age.

Barlett Club To Meet With Mrs. Stewart

Barlett Home Demonstration Club will meet with Mrs. Charles Stewart Wednesday, June 13.

Better methods of gardening will be the subject for discussion at the meet.

Women will be selected to attend the rural show course to be given at Texas Tech, July 16, 17, and 18, at the Wednesday meeting.

Sergt. W. J. Seely Wounded Twice In Twelve Days

Sgt. William J. Seely son of Mr. and Mrs. C. M. Seely who make their home on Route 2, in this county, is now hospitalized in Germany, having suffered from shrapnel wounds on two occasions since the Rhine River crossings. Sgt. Seely received an arm wound April 17, and suffered leg injuries on April 28. He is reported to be doing fairly well now and believes he will be sent back to his unit soon.

Sgt. Seely is a member of the Infantry, and during the Rhine River crossing knocked out 2 German machine gun nests and then was able to hold up a flank attack with a machine gun until help arrived and the Germans could be pushed from the river edge. He is holder of the Silver Star, having been given this award for bravery in action against the enemy.

The 24 year old sergeant entered the service approximately 2 years ago, and left for overseas duty January 1. Since that time he has been stationed in France, Belgium, and Germany.

Sgt. Seely is a former student of Flower Grove School, and prior to entering the service was employed at the egg plant in this city.

Mike Garvin Gets Navy Discharge

Mike Garvin who has been serving as a seaman second class in the United States Navy received his honorable discharge from service June 5. Garvin is a veteran of the European Theatre of War, having served overseas for a period of two years.

He has been a member of the service for three years, and since December 1, 1944 has had shore duty in New York. His wife, Mrs. Grace Garvin, who has been a teacher in the Lamesa School for a number of years, joined her husband when he was given duty in New York.

They will return to this city where they will make their home. In civilian life, Garvin was a cotton buyer.

Palace Announces Time Change For Sunday and Monday

According to Audrey Cox, the Palace Theatre will observe a change in their opening hours on Sunday and Monday, June 10 and 11. The change has been made necessary because of the length of the picture, "Since You Went Away," which is on the playbill for those two days.

On Sunday the box office will open at 1 p. m., with the first show beginning at 1:10 p. m. The second show will follow at 4:20 and the third show will begin at 7:30 p. m. In order to see the complete film, movie goers must be in their seats by 9:30 p. m., to see the fourth and last showing of "Since You Went Away," on Sunday.

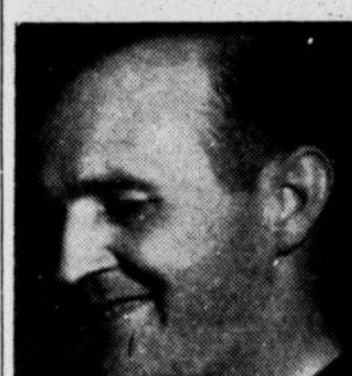

On Monday the box office will open at 6:40 p. m.

Five Lamesans Are Enrolled In Band Course at Texas Tech

A group of Lamesans are attending the band school which is being held in Lubbock for a period of six weeks this summer. The course is being conducted at Texas Technological College, and listed among the instructors for the school is Richard Young, local director.

The group from this city enrolled in the school are Onita Esmond, Doyle Kelley, Walter Curtis Perkins, Jimmie Aldridge, and Ruth Duke.

This is the fourth year that the stamps have been in use.

Mrs. C. T. Isaacs Succumbed Here On Wednesday

Mrs. C. T. Isaacs, who had been confined to her bed for the past 22 months, succumbed Wednesday afternoon, June 6, at 3 p. m. Funeral services are being held this afternoon (Thursday) at 3 p. m., at the Baptist Church with the Rev. Ernest Phillips, pastor of the Klondike Church officiating. Interment will be in Lamesa cemetery.

Mrs. Isaacs was born October 4, 1909 in Fannin County and was 36 years of age when she passed away. Before her marriage on July 9, 1924 to C. T. Isaacs, she was Birdie Irene McCraw.

The Isaacs family have made Dawson County their home most of the time since 1928, when they moved here from Honey Grove. Since coming here, Mr. Isaacs has been engaged in farming, grocery and furniture business.

Mr. and Mrs. Isaacs have two children, Mrs. Mozelle Stanfield and Billie Ruth Isaacs, both of this city. The family makes their home at 806 South Third Street.

Surviving Mrs. Isaacs are her husband, and two children; three sisters, Miss Juanita McCraw of this city, Mrs. Jack Jennings and Mrs. Carrie Parson of Paris, and one brother, Kenneth McCraw whose home is in Dallas, but who is now in the military service stationed in Germany.

Pallbearers at the funeral service will be L. D. Sipes, E. L. Craddock, and James Crumley all of this city, and Matt Farmer, Henry and Jack Smith of the Berry Flat Community.

Plans Completed For Lions Club Carnival That Will Be Held Here From June 14-16

Members of the Lamesa Lions Club will feature their fifth annual carnival in this city Thursday, Friday, and Saturday, June 14, 15, and 16. Plans have been completed for the entertainment, which is held each year to gain funds for the club to carry out its charity work.

Club officials report that they feel it wise to hold one big event each year to raise enough money to carry out their work over a twelve month period. They point out the fact that the carnival furnished wholesome entertainment for the young people as well as for adults. They state that during the past year they were able to distribute 240 pairs of glasses, among various other items with the money they gained in this manner.

This year's carnival will be held on the south side of the square as in past years. Members state that the merchants on that side of the square have cooperated splendidly, and that the street will be closed for the setting up of the carnival. The merchants' cooperation is appreciated very much by members of the club.

The carnival will be open from 7 p. m. until midnight on all three days from June 14 through June 16, and will feature many entertaining activities. Booths will be set up for the event, and carnival rides will be placed on the square.

Serving on the carnival committee are Leonard Scott, Joe Whitlow, and J. P. White, who report that one of the booths will be for bingo. Don Emory is chairman for the bingo booth, and will be assisted by Leonard Scott, Dr. J. M. Harrington, Henry Norris, W. B. Osborn, T. A. Barfield, Gene Barrett and Mack Scoggin, who will serve as speaker.

Supervising the ball games will be P. K. Humes, as chairman, and John Flache, and L. C. Pratt and Boy Scouts will be in charge of the arrow game.

Another feature of the carnival will be the penny pitch activity. Jack Mitchell has been selected as chairman of this division, and S. B. Moore and Randolph East will assist him. Another penny pitch booth will be supervised by C. E. Cameron as chairman, with Seaman Smith, and Lloyd Cotten assisting.

A guess your weight, booth will be another unit of the carnival. O. W. Richardson is chairman of the booth and will be assisted by J. H. Littlefield. Another such booth will be supervised by Earl Williams (Continued On Back Page)

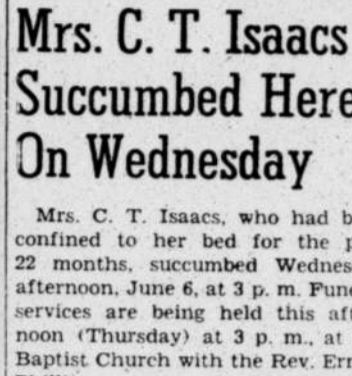

White To Instruct New High School Course Next Year

E. P. White, high school faculty member, has gone to Austin to attend a special course in Trades and Industry Occupations, preparatory to assuming duties as co-ordinator of vocational instruction in the Lamesa High School for the 1945-46 term.

White is a graduate of East Texas Teachers College and has been appointed by the State Board of Vocational Education for the required certificate.

The course which White will instruct will be for seniors only and seventeen pupils have requested admission according to high school principal, H. S. Fitzgerald.

Sgt. Gus Junis of Wichita Falls is visiting here with his wife and other relatives and friends.

Final Rites To Be Held Friday For Alonzo J. Horn

Final rites for Alonzo Jesse Horn will be read at the First Baptist Church in this city Friday, June 8, at 4 p. m., with the Rev. F. Wright and the Rev. Cal C. Wright officiating. Interment will be in Lamesa Cemetery.

Mr. Horn passed away Tuesday at 7:45 p. m.

For the past 20 years Mr. Horn had resided in Dawson County and at the time of his death made his home at 601 North Fifth Street. He was a retired farmer.

Born in April of 1875 in Mississippi, Mr. Horn was 69 years of age at the time of his death. Since he was 15, he had held membership with the Baptist Church.

He is survived by his widow and eight children, including Mrs. Andy O'Neal, Mrs. Raymond Cope, Mrs. I. D. Freeman, Chester Horn, and Erwin Horn all of this city, and Mrs. D. A. Hall of Irvington, California, and Earl Horn of San Angelo. Other survivors are 21 grandchildren, 4 great grandchildren, and three brothers, A. L. Horn of this city, J. E. Horn of Carnegie, Oklahoma, and E. J. Horn of Moss, Mississippi.

Named as pallbearers for the funeral service are Marcus Debnam, Roscoe Holton, Frank Martin, Wayne Borland, Pete Neil, Carl Williams, Jesse Carroll and Earnest Borland.

T. F. Vaughn Has Been Named New City Councilman

An announcement received this week from Sam Richardson, Mayor, reveals that T. F. Vaughn, local business man and long time Lamesa resident, has been named city councilman. He was sworn into office Friday, June 1, at a call meeting.

Councilman Vaughn succeeds John T. Allen Jr., who recently passed away, and will fill the post of councilman in place number one.

The complete roster of councilmen under the recently adapted city charter form of government includes Sam Richardson as mayor, with T. F. Vaughn, Nelson Cope, George D. Norman Sr., and Henry Norris as councilmen.

The group will hold their regular councilmen's meeting Tuesday, June 12 at 8 p. m., in the City Hall. They have regular meetings on the second Tuesday of each month.

Merchants Urged To Display Flags

Coke Stevenson, Governor of Texas has proclaimed next week flag week, and has announced June 14, as national flag day.

The local American Legion post is making an effort to have all merchants put their flags up for the event.

Members of the post state that merchants who do not have flags, can purchase them from the legion. Anyone desiring to get one, is asked to contact R. L. Price.

Sgt. W. L. Marley, Thrice-Wounded, On Furlough Here

Thrice-wounded, twice on Iwo Jima, recently returned veteran of three fierce Pacific campaigns, Marine Sergeant William Lovd Marley, is now on furlough visiting his parents, Mr. and Mrs. J. S. Marley, Star Route 2, in this county, who have four other sons in service.

As a Third Marine Division rifle company squad leader, he saw action in Saipan, Tinian and Iwo Jima during his 17 months overseas. He also served in Roi and Mouri Islands. He was first wounded in the Saipan landing.

Prior to enlisting in June, 1940, he attended Richardson High School to the ninth grade and was employed by his father doing farm and ranch work.

His four brothers in service are Jess, Albert and Alva G., all privates first class in the U. S. Army and Dan B., in the Merchant Marine.

Hugh Pennington Overseas Vet, Is Discharged

Hugh J. Pennington, former technician fifth grade in the Quartermaster Corps, received his honorable discharge through the Army's demobilization plan at the Separation Center at Fort Sam Houston on May 21, 1945.

Pennington, who holds the Asiatic-Pacific Ribbon with 3 Bronze Stars, the Distinguished Unit Badge, the Philippine Liberation Medal with 1 Bronze Star, the American Defense Service Medal and the Good Conduct Medal, is a veteran of three years of foreign service.

He left for overseas duty March 1, 1942, returning to the States May 13, of this year. While overseas he participated in the East Indies and Papuan New Guinea Campaigns.

While in service Pennington was a member of a Quartermaster Company and was a truck driver in that branch of service. He has the basic medal driver's award with one bar.

He entered service March 1, 1941 at Ft. Bliss, prior to which time he was a cotton farmer. He resides on Route 4 in this county.

Local Group Will Attend Conference

Misses Sue Pope, Jean Dyer, and Wilma Jean Jones of the First Christian Church in this city will attend the Young People's Conference for that church, which will be held at Ceta Glen Canyon.

The group will leave Sunday, June 10, for the conference which will extend through June 16.

The Rev. H. G. Gantz, pastor of the First Christian Church, book, will be in charge of the conference.

Four Hundred Thousand Is Raised On War Bond Quota 127 Join One Grand Club

Chairman Ed DuBose stated this week that approximately \$400,000 of the \$750,000 Seventh War Loan Quota had been raised in this county thus far during the campaign. He states that the \$400,000 is divided in this manner: \$245,000 has been raised on the \$450,000 E bond quota with \$155,000 raised through the sale of other denominations of bonds.

Of special interest to Dawson County citizens is the One Grand Club, which was recently organized here in connection with the Mighty Seventh War Loan Drive. Eligible for membership in the One Grand Club are all persons purchasing \$1000.00 worth of bonds or more during the current drive. The goal for the club is to enroll 300 persons on its roster, and thus far 127 persons have been included in the club.

Members of the One Grand Club, according to Chairman DuBose are as follows:

Miss Elizabeth Ann Johnson, Louis B. Reed, H. L. Crouch, V. B. Hohn, Ernest Rhodes, Mrs. Opal Ladd, Carl Rountree, Millard McDowell, J. R. Earnest, Fred Sanders, J. G. Butcher, Ben McQueen, Mrs. Roxie Gaines, J. W. Elam, Joe Alexander, F. M. McLendon, James T. Dunn, Mrs. Edith Mae Wilkes, Ed Griffin, Mrs. Ethel Iris Stafford, Mrs. Lula Butler, Shelby Howell.

John W. Cox, Marv D. McAllister, Etta Masters, E. R. McGregor, M. H. Hamilton, Swanson Hurt, Dr. N. H. Price, Mrs. Asalie Key Price, Joe B. Whitlow, T. E. McAllister, Jack Broyles, A. G. Reville, Mrs. Ella Mae Adcock, D. L. Adcock.

George D. Norman, Dan Y. Davis, N. P. Cochran, Olin Nix, Adelia Turner, Everett Turner, Cecil O'Brien, W. B. Collins, Levenia Estes, H. H. Wright, Dan H. Bartlett, R. O. McCown, Charles C. Cannon, Mrs. Virgie Hodnett Eger, E. J. Burkhead, L. T. Prather, Mrs. Kate Ragan, R. E. Sealey, Clyde H. Edwards.

Ralph A. Stuart, Mrs. Veda Harris, Ural Eugene Cochran, A. W. Davis, W. O. Jones Jr., Mrs. Leona Jones, J. R. Bailey, H. A. Shipp, L. B. Vaughn, Glen T. Jones, M. C. Lindsey, M. B. Smith, J. F. O'Brien, Mrs. Mamie O'Brien, E. R. Marshall, A. Gillespie.

Fred T. Rainey, John A. Tarter, E. R. Yates, Mrs. Annie Smith Yates, Hattie Cantrell, G. W. Cooper, Wisely Walls, Joe M. Peterson, W. F. Bufkin, Lee Hansen, J. W. Entekrin, R. M. Middleton, R. T. Bedwell, T. A. Kellam, Jesse McCasland, W. B. Collins.

Bert Wristen, W. H. Purdue, C. Raymond Jones, Mrs. George Kilgore, Marvin C. Grissom, C. G. Anthony, W. C. Orson, Robert Orton, Ben Dopson, Mrs. Robbie H. Dopson, Hardy Morgan, T. F. Vaughn, A. H. Furlow.

Mrs. Bettie Furlow, L. A. Montgomery, F. J. Mears, Wiley Temple, Miss Geneva Earnest, James R. Dunn, W. S. McNew, Bob Huff, Mrs. Jewel Bias, W. J. Beckham, R. E. Echols, Dr. S. Z. Frazier, Mrs. Lanelle Frazier, E. E. Garland, Ira Rowbotham, Gus Ragsdale, P. O. Hogg, J. H. Barron, A. L. Barnes, O. L. McLendon, Maude L. Barnes, Olan Earnest, J. E. DuBose, and Ruth DuBose.

Each member of the club is being mailed a certificate denoting their cooperation in the drive through the purchase of \$1000 worth or more of bonds.

To bring the membership up to 300 many others need to purchase this amount of bonds.

The Seventh War Loan Drive is slated to continue through the end of the month, and Dawson County still has a lot of work to do in order to complete its quota. If you have not yet purchased your bonds for the drive, do so today and help the county complete its goal.

Two Undefeated Teams Slated To Play Tonight

Robert Kirk, president of the major softball league, reports that more competition is being featured in the present softball matches, and that larger crowds are now attending the events.

As the scores now stand, two teams in the league are undefeated. They are Modern Cleaners and Osborn Drive-Inn's group and they have a match slated to be played tonight (Thursday, June 7) which is expected to be very interesting. In addition to this match, Harmony and Ackerly will also play a game tonight.

President Kirk has submitted a list of the teams standings in the major softball league.

To date Modern Cleaners and Osborn Drive-Inn have each participated in three games, and have lost no games, with a 1000 percent standing.

Harmony has won 2 games and lost 1 with a .666 percentage rating. Welch has won two matches and lost 2 with a 500 percentage rating, and Sparenberg has also won 2 games and lost 2 with a 500 percent standing.

Ackerly has participated in three matches, winning one game and being defeated on two occasions. They have a 333 percent standing. Key has won one game and lost 3 to make them a 250 percent standing. The fire department has been defeated four times, and has not yet won a game.

Local Group Will Attend Conference

Misses Sue Pope, Jean Dyer, and Wilma Jean Jones of the First Christian Church in this city will attend the Young People's Conference for that church, which will be held at Ceta Glen Canyon.

The group will leave Sunday, June 10, for the conference which will extend through June 16.

The Rev. H. G. Gantz, pastor of the First Christian Church, book, will be in charge of the conference.

**Here's why YOU must buy
BIGGER BONDS
—and MORE of them!**

REASON NUMBER ONE. The closer we get to Victory, the greater the need for new guns, new tanks, new planes, material becomes—the higher the war costs soar.

Reason Number Two. This drive is really two drives in one. By this time last year, you had subscribed to two War Loans. Remember, you are part of America's might! Four out your might in the mighty 7th War Loan—for yourself—for your country—for Victory!

THE MIGHTY 7th WAR LOAN

War Bonds are your safest investment. And you can cash them in, 60 days after issue date, on a money market's basis in case of emergency. So let's go, Americans. Buy BIGGER BONDS!

FOUR OUT YOUR MIGHT IN THE MIGHTY 7th WAR LOAN

Feats of T-5 A. F. Fuller's Division Related In Verse

Editor's Note: The following poem entitled "Gentlemen From Hell" was written by T-5 Arnold F. Fuller, the son of Mr. and Mrs. B. F. Fuller who reside on North Fourth and Cactus Streets in this city.

Technician Fuller is now in Germany where he has been attached to the Third Army and has been serving with an Anti-Aircraft division. He has been overseas more than one year. Prior to his entry into the service, Technician Fuller was employed at the Howell Hatchery here:

They were formed in Pennsylvania, Joined by men from every state, With the Keystone for their emblem, They were called the Twenty-eighth.

They hit the beach at Omaha, Crossed the hedges row by row, Where the Jerry learned to hate and fear, The Keystone's ruddy glow.

Fire and movement were their watchwords, As they climbed up Hill 210, Wrote a bloody page for history, In the woods of Compiegne.

A victory march in Paris, Every forward with the dawn, Through Belgium, France, and Luxembourg, The twenty-eighth rolled on.

The Siegfried Line has seen them, All along its mighty wall, From Aachen, south to Alsace, Where they fought at Comers' fall.

There are towns they'll long remember— Vossenack, Schmidt and Komerscheid, And the break through in December, When they slowed the German tide.

With blood and sweat they carved a nick In history's Hall of Fame, With deeds of valor shining bright, And victory was their aim.

In Valhall's Halls their heroes live, Who fell along the way, They're resting now, awaiting call, To march on Judgement Day.

When my last recall is sounded, May I go there to dwell, And march again with the legion, Of the gentlemen from hell.

**S. J. R. No. 8
A JOINT RESOLUTION**
proposing an amendment to the Constitution of the State of Texas providing for a Supreme Court of nine members; prescribing their qualifications; and providing for their election, tenure of office and compensation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 2 of Article 5 of the Constitution of the State of Texas be amended so as hereinafter to read as follows:—

"Article 5. Section 2. The Supreme Court shall consist of a Chief Justice and eight Associate Justices, any five of whom shall constitute a quorum, and the concurrence of five shall be necessary to a decision of a case; provided, that when the business of the court may require, the court may sit in sections as designated by the court to hear arguments of causes and to consider applications for writs of error or other preliminary matters. No person shall be eligible to the office of Chief Justice or Associate Justice of the Supreme Court unless he be, at the time of his election, a citizen of the United States and of this state, and unless he shall have attained the age of thirty-five years, and shall have been a practicing lawyer, or a lawyer and judge of a court of record together at least ten years. Said Justices shall be elected (three of them each two years) by the qualified voters of the state at a general election; shall hold their offices six years, or until their successors are elected and qualified; and shall each receive such compensation as shall be provided by law. In case of a vacancy in the office of any Justice of the Supreme Court, the Governor shall fill the vacancy until the next general election for state officers, and at such general election the vacancy for the unexpired term shall be filled by election by the qualified voters of the state. The Justices of the Supreme Court who may be in office at the time this amendment takes effect shall continue in office until the expiration of their term of office under the present Constitution, and until their successors are elected and qualified. The Judges of the Commission of Appeals who may be in office at the time this amendment takes effect shall become Associate Justices of the Supreme Court and each shall continue in office as such Associate Justice of the Supreme Court until January 1st next preceding the expiration of the term to which he has been appointed and until his successor shall be elected and qualified."

Sec. 2. Said proposed Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State on the fourth Saturday in August, 1945, at which election each voter opposing said proposed amendment shall scratch off the ballot with a pen or pencil the following words printed on said ballot:—

"For the amendment to the State Constitution providing for a Supreme Court of nine members"; and each voter favoring said proposed amendment shall scratch off the ballot in the same manner the following words printed on said ballot:—

"AGAINST the amendment to the State Constitution providing for a Supreme Court of nine members."

If it appears from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the State Constitution.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published and said election held as provided by the Constitution and laws of this State.

Mrs. Roy Brooks and son and Lena Rae Nichols spent Sunday afternoon with Mr. and Mrs. Ted Koen of Lamesa and Juanice Koen returned home with them.

Mr. and Mrs. Luther Lee and children visited relatives at Cisco last week.

Mr. and Mrs. Dewey Hanks and two sons and J. D. Hanks of Vealmore spent the week end with Mr. and Mrs. J. S. Jackson.

Mrs. Tom Barron and sons of Mt. Olive spent Monday afternoon with her parents, Mr. and Mrs. Ed Knox.

Mr. and Mrs. Joe Stringer and children of Kansas are visiting relatives here.

Mr. and Mrs. Lee Clark and children who have been living on the Key ranch moved to Lamesa Saturday.

Loans On Sudan Grass Seeds Have Been Extended

County Agent T. A. Barfield states that the Commodity Credit Corporation has extended loans on the 1944 farm-stored sudan grass seed. He was advised of this fact by the A. & M. College Extension Service which received a statement concerning the action from the War Food Administration.

Barfield reports that about 19 million pounds of this seed is stored under government loan on farms principally in Texas. He states, "The extension is necessary because of shortage of box cars, limited seed cleaning and storage facilities and the movement of wheat and grain sorghums in and from the sudan grass seed area."

He continued, "The statement said that CCC would carry the seed in a past due status until a future date, which has not yet been announced. Prior to this announcement, borrowers who did not redeem their farm-stored sudan grass seed were required to deliver it in May and June, 1945, for cleaning to seed warehouses named by the CCC."

"Under the plan of permitting delayed deliveries of the seed borrowers who do not choose to redeem it, CCC will specify the place and time of delivery as soon as practicable. The statement added that CCC will pay borrowers two cents per hundredweight monthly, or a fraction thereof, as storage from July 1, 1945, to a date not exceeding thirty days from the date delivery is requested."

Service Prices Of Repair Shops Are To Be Filed Now

Only a half dozen of the approximately 300 concerns and individuals in the Lubbock OPA District engaged in jobbing shop operations performed in making metal products and repairing industrial machinery who were supposed to file their service prices, rate and rate-computing reports with the Office of Price Administration before June 1 have done so, District Price Executive J. B. Mooney announced Friday.

Postcard reminders will be sent within a few days to firms that have not reported as required by MPR 581. "However," Mooney pointed out, "failure to receive a special notice does not relieve a firm of full responsibility for filing the statement."

No action will be taken against sellers who are still delinquent in filing their statements until after June 15. Firms failing to file by that time may have their maximum prices fixed by OPA retroactively to March 31, 1945, when the new price regulation became effective.

Pricing statements for industrial services are similar to those that OPA recently has required of firms in other fields and are important because they form the basis for the entire pricing procedure, Mooney stated.

Outcome Of The Soil Conservation Election Is Given

According to an announcement from County Agent T. A. Barfield, the vote cast in the soil conservation election held in the county Saturday, June 2, was 138 for the project with 66 voting against the setting up of a soil conservation district in the county.

The vote will not be considered official until the state soil conservation board makes a canvas of the election.

If the election is approved by the state board, the county will be divided into five sub-districts. Two of the soil conservation district supervisors will be appointed to serve a one year period through petition and they will apply to the secretary of state for a charter of organization, which will give them the right to call elections.

After being granted the right to call elections, they will conduct one in the county for the purpose of electing three more supervisors.

Begin To Prepare Now To Fight The Boll Weevil

Texas cotton growers should get their dusting machines in shape to fight the boll weevil this season. At the same time they should plan to have available at least ten to fifteen pounds of calcium arsenate for each acre planted, says County Agent T. A. Barfield.

According to a statement from the U. S. Department of Agriculture's research administration received by the A. & M. College Extension Service, boll weevils in April were more numerous than for many years.

The statement says that the large number of weevils which developed in the field late in 1944 largely survived because of the mild winter. Weather favored a good food supply for the weevils and they entered hibernation in good condition. As a result, entomologists of the department forecast a probable high survival this Spring.

The situation affects Texas, the statement continues, because boll weevils have been reported in cotton fields in the lower Rio Grande Valley since early March. During the week ending April 14, they were found in 23 of 38 fields examined in Cameron County. In one field, 67 per cent of the squares had been punctured, and in another field 14 per cent were similarly affected.

In a test of survival at Waco, weevils placed in cages in late October and early November showed a substantially larger number active during March than in the corresponding months of the previous five years. Tests in Louisiana and South Carolina gave similar results.

The statement recommends that farmers order their calcium arsenate early in order to be ready for any emergency. Transportation congestion delays deliveries.

To Mechanics and Farmers:—

Pricing statements for industrial services are similar to those that OPA recently has required of firms in other fields and are important because they form the basis for the entire pricing procedure, Mooney stated.

Pink Bollworm Quarantine Area Now Increased

The United States Secretary of Agriculture has amended the pink bollworm quarantine, effective May 23, to add 12 Texas counties and parts of two others not heretofore under quarantine, to the lightly infested regulated area. The counties are Bailey, Borden, Cochran, Coleman, Goliad, McCulloch, Nolan, Runtless, San Saba, Scurry, Taylor, and Victoria and parts of Coke and Jackson.

According to information from the Agricultural Research Administration of the U. S. Department of Agriculture received by County Agent T. A. Barfield, the action was taken because of the discovery of additional infestations.

It was explained that while no bollworms were found in Borden County, it was necessary to include

because there are no gins in the county, and practically all of the ginning of cotton grown there was done at plants located in the infested area. The amendment made no other modifications in the regulations, according to this information.

The pink bollworm quarantine regulates the movement of okra, cotton, and wild cotton, including the plants and all parts of plants from parts of Texas, Arizona, Louisiana, and New Mexico. All forms of unmanufactured cotton fiber, cottonseed, lint, linters, seed cotton, cottonseed hulls, cake and meal along with bagging, containers, and wrappers of cotton and cotton products or any commodities fouled with such products also come under the quarantine regulations.

The area now under regulation comprises 78 Texas counties in the central and western part of the state, the lower Rio Grande Valley and Coastal Bend area; southern and south-central New Mexico and Arizona, and two parishes and part of another in southwest Louisiana.

Specialist Gives
Tips On Storing
Your Woolens

Winter woolens which have not been stored for the warm weather months should have attention at once. The danger period for moth damage increases with warm weather, and in these days of wartime shortages, proper care of woolen garments is increasingly important, says Mrs. Dora Barnes, Clothing Specialist of the Texas A. and M. College Extension Service.
Storing winter garments properly, not only saves them from moth damage, but also helps to prevent mildew, fading and decay. Cleanliness is, of course, the first rule on how to store articles of clothing successfully. All spots and stains should be removed, and all grime and dirt cleaned from the material, with special attention to the dust that might have accumulated in cuffs and pockets. They should be brushed well.
Use flakes, sprays or balls to discourage moths and carpet beetles. If you leave the woolens in a closet make it as airtight as possible so the gas from these moth preventives cannot escape. Since fumes from the flakes and balls go downward, it is advisable to put some of them on a top shelf, or tie them in a cloth sack and hang from a high hook of the ceiling.
Woolens should be stored in a

CARD OF THANKS
We wish to take this means of thanking our many friends for their kindness during the illness and death of Mrs. Ladd.
Especially do we wish to thank you for the beautiful floral offerings and for the many kind words. Mr. and Mrs. Jack Ladd.

CARD OF THANKS
We wish to express our thanks to all who helped in any way during the illness and death of Dorman. Especially do we wish to thank the doctors and nurses who worked so patiently, the ladies who prepared and served the nice lunches and for the lovely floral offerings. May God bless each and every one of our prayers.
Mr. and Mrs. Page Nelson and Bonnie and other relatives.

dry place, as mildew cannot be removed. An electric light helps to eliminate dampness, and sometimes dries the air enough to stop mold growth.
Woolens should also be stored in a dark place, as light tends to fade colors or weaken fabrics. Since clothing bags serve as protection from light as well as dust, they should be used whenever possible, to help make last year's clothes wearable next fall.

The origin of the phrase "dog days" goes back to ancient Egypt.

A MISS IS AS GOOD AS A MILE—OR BETTER
WITH THE ROAF OVERSEAS (AP) — Martin Pederson of Hawarden, Saskatchewan, Canada, attacked a German railway freight yard with his rocket-firing Typhoon seeking eight locomotives, and got a lucky break.
"I flew low to attack eight locomotives and shoot up the main line," he said. "I let loose two rockets. They overshot a bit and hit a 100-foot chimney.
"It toppled over, crushing the locomotives and block the rail-road."

Miss Eager Selected As Princess At Hawaiian Festival

A picture of Miss Ramah Eager appeared recently in "Had News," a newspaper published at Hickam Field on the Hawaiian Islands. Miss Eager, the daughter of Mr. and Mrs. L. E. Eager of this city, was selected as one of the six princess to reign over the Hawaiian May Festival in Depot Village Number 2.

Chosen to represent Lanai Island, Miss Eager was shown with six other girls in the picture.

She serves as supervisor of stock record clerks at Hickam Field, where she has been located since November of 1944.

Mrs. Z. T. Davis spent several days this past week in Edinburg, visiting with her daughter Mrs. Elizabeth Lee Smith.

Miss Patsy Jo Rountree who has been attending Hockaday at Dallas has returned to Lamesa for the summer with her parents, Mr. and Mrs. Carl Rountree.

The collective farms of Russia range from 250 to 2,500 acres.

TOWN and FARM IN WARTIME

CIVILIAN AT WAR

The Government needs and asks its citizens in the 183rd week of the war against Japan to:

1. Plan to spend your vacation at home and leave railroads free for increased through travel and redeployment of men to the Pacific.
2. Serve in your community as a Price Panel Assistant. Volunteers are urgently needed in the job of holding prices down and preventing inflation. See your local rationing board.
3. Make sure of the biggest possible harvest from your victory garden, and store and can for your family's needs. Civilian supplies of canned vegetables will be lower next winter.

CEILING PRICES FOR EARLY APPLES RECEIVED

Country shipping point ceilings for early apples of the 1945 crop have been increased by 68 cents per bushel (from \$2.85 to \$3.53). OPA announced. Under this action, retail ceilings for early apples will be increased by about a cent and a half a pound, OPA said. The increase, effective for the period from May 29 through June 20, 1945, is mandatory under the Stabilization Act, which provides for ceiling increases when yields are substantially reduced by adverse growing conditions. Storage apples of the 1944 crop are not included in this action, OPA added.

CONSUMER PROSPECTS TODAY

Household articles to be produced in the coming months as manpower and materials become available, are the following: Table flatware and hollow ware, aluminum cooking utensils and kitchen ware, water heaters, enamelware, including pails, buckets, tubs, infants bathtubs, dish pans and cooking ware, carpet sweepers, hand clothes wringers, can openers, garments hangers, such items containing metal as bread boxes, canister sets, dust pans and wash boards. WPB may permit limited production of sewing machines in the near future. A slight improvement in the supply of wash tubs and wash boilers is noted. Production of domestic oil burners is being retarded only because of lack of manpower and materials. No great increase in the quantity of farm machinery can be expected for several months because of the time required to step up production, reports WPB. No new tractors are not going to farmers and loggers despite the high production level is that, shipments are going to the Army and Navy. Restrictions on motorcycle production have been lifted.

CONSTRUCTION LIMITATIONS LIFTED

Construction work on certain types of buildings is permitted without WPB authorization of the total cost of work on a unit in one year is not greater than amounts specified, according to an Amended Limitations Order announced by WPB. Categories are somewhat different from those formerly established and cost ceilings have been raised to approximately five times the former amounts. Types of buildings and cost limits follow: (1) One-family house, including a farm house, \$1,000. (2) Two-family house, \$2,000. (3) Three-family house, \$3,000. (4) Four-family house, \$4,000. (5) Five-family house, \$5,000. These limits apply to repair and maintenance work as well as to alterations and new construction. (2) Farm construction exclusive of farmhouses, \$1,000. (3) An irrigation or drainage system serving more than one farm, \$1,000.

JUNE MEAT RATIONING CHANGE SLIGHT

The point value of practically all meats, and oils will remain unchanged for the June rationing period ending Saturday, June 30. Price Administrator Chester Bowles announced. Fatbacks, clear and regular plates were increased 3 points making the new value 8 points a pound, bacon (plate) was upped 3 points a pound, and pork sides, aged and dry-cured, were increased one point making the value 9 points a pound. All other pork cuts, beef, veal, lamb and mutton, and all koshered meat point values are unchanged. The weekly supplies of meats available for civilians during June will be about 7 per cent less than in May, Mr. Bowles added.

MORE CANNING EQUIPMENT FOR HOUSEWIVES

Home canning equipment will be adequate this year for the housewife who plans to can, preserve and pickle the produce of her victory garden and the still uncertain 1945 fruit crop. The War Production Board announced that there will be more pressure canners this year than at any time since the beginning of the war and that in addition considerable supply of tin cans this year may be due to the supply of fruit and sugar more than to containers, it now appears. The War Food Administration, however, will provide information on canning food without sugar. It is still too early to know the size of the fruit crop in all sections of the country, but the Department of Agriculture estimates that fruit, other than citrus fruits and apples, will be about 84 per cent of last year's crop. Housewives, by careful planning, will be able to provide their families minimum winter needs, it is believed. Canning sugar for home use has been limited by OPA to a maximum of 15 pounds per person. Not more than eight persons to a family may obtain this maximum.

Mrs. Sam Richardson and Donnie Louise left Wednesday for Mobile.

Rev. A. C. Hardin Will Preach At Baptist Church Here Sunday

The Rev. A. C. Hardin, State Evangelist with headquarters in Tahoka, will preach at the First Baptist Church in this city Sunday, June 10, according to an announcement received this week from Owen Taylor.

The Rev. Hardin will deliver his morning message at 11 a. m. and the evening sermon at 8:30 p. m. Special music will be a part of the Sunday services. Everyone is extended a cordial invitation to be present to hear the worthwhile messages and to enjoy the fine musical numbers.

J. C. Groves To Open Parts Firm Here

J. C. Groves who moved to this city recently from Asherton, will open an auto, truck and tractor parts firm on North Dallas Street between June 15 and July 1.

Groves, who has the McQuay-Norris Replacment Parts franchise, will operate his firm under the name of Lamesa Motor Mart. Groves has been connected with the McQuay-Norris business for a number of years.

He and his wife are making their home here at 510 North Travis Street. His step daughter, Miss Patricia Vitaw, is now in school in San Antonio.

Mother Of Jack Ladd Passed Away

Funeral services for Mrs. R. G. Ladd, mother of Jack Ladd of this city, were held Monday at 3:30 p. m. at the St. Johns Methodist Church in Stamford, Mrs. Ladd, who was 76, died Sunday at 11 a. m. The Rev. J. O. Quattlebaum, pastor, conducted the services, and burial was made in Highland cemetery near the grave of her late husband who died October 17, 1934.

Mr. and Mrs. Jack Ladd of this city attended the funeral services. Mrs. Ladd was formerly Nancy Rosanna England. She was born February 24, 1869 in Tennessee, and moved to Honey Grove when a child. She later moved to Hunt county and married Robert Gibson Ladd there on Feb. 14, 1886.

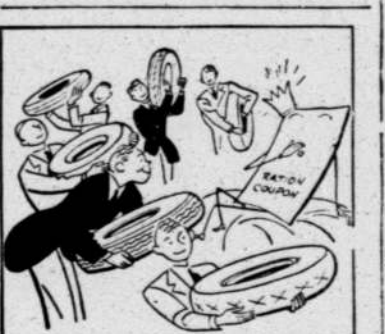

They moved to Baylor county in 1890 and on to Jones county in 1891, living first at Hawley and later Anson. In May, 1917 they moved to Stamford.

Mrs. Ladd is survived by four sons, Jack of this city, A. H. Ladd of Wichita Falls, R. G. Ladd, Jr., and Jim Ladd of Stamford; three daughters, Mrs. Bountin of Shreveport, La., Mrs. Joe Brooks of Canyon and Mrs. Dewey Stubbs of Stamford.

Miss Fulkerson To Represent Seminole At Midland Rodeo

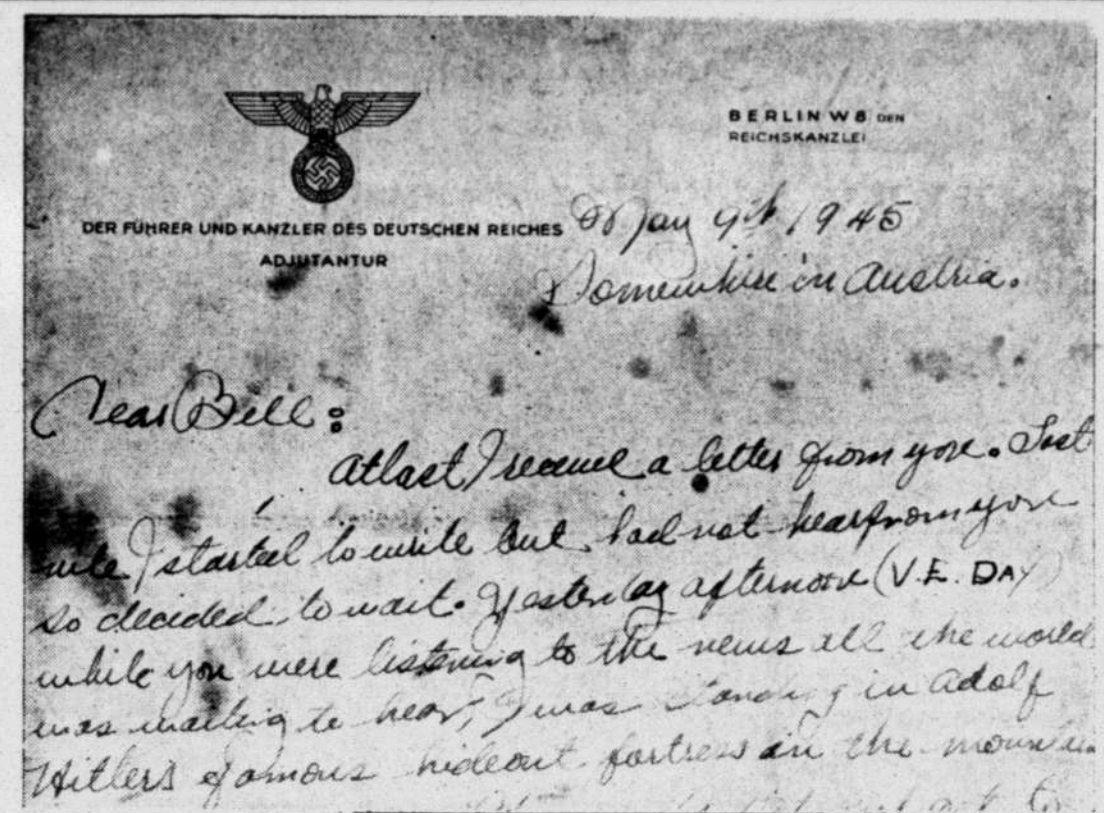

Miss Addie Ruth Fulkerson, 21, who lives on the TF Ranch 15 miles west of Seminole and who is a former Lamesa resident, will represent Seminole at the Midland Rodeo June 7, 8, 9, and 10. Miss Fulkerson has ridden in practically all West Texas rodeos during the past few years and rode at the Midland Rodeo last year, representing the TF Ranch. She has lived in Gaines County since November. She attended Lamesa High School and when she graduated from TCU last year, she chose to work with her father on 13 section ranch.

Raymond Bryson Hatch, son of Mr. and Mrs. Raymond Hatch of this city who has been attending S.M.U. Dallas has returned to Lamesa to spend the summer with his parents, Mr. and Mrs. Raymond Hatch.

Making Compost For The Garden

Good soil makes the best garden, and one of the best soil builders is compost, which is a composition of fertilizer and organic matters, says J. F. Rosborough, horticulturist for the A. and M. College Extension Service. Gardening has become a hobby with a vast number of Texas families, and a handy supply of compost simplifies the work.

A surprising number of items can go into making the mixture. Rosborough explains. These include barnyard manure, poultry litter, ends and disease-free plant remains. Even hardwood leaves, straw and similar materials may be used, but these should be given preliminary decomposition before being placed in the pile. Addition of six or eight pounds of ammonium sulphate to each half ton will hasten decomposition.

Addition of three to five pounds of unburned, finely ground limestone, if available, to each six-inch layer of the material is desirable. To this also may be added two pounds of ordinary superphosphate and about one pound of muriate of potash; but two or three pounds of dry sifted hardwood ashes will take the place of the muriate of potash. If these chemical materials cannot be obtained readily, however, a complete fertilizer containing not less than five per cent nitrogen, eight or 10 per cent phosphoric acid, and four to six per cent potash can be used as a conditioner.

Rosborough says that in preparing the compost it is well to select a depression where leaching cannot occur, and where water may be obtained readily for wetting it down. Pile the materials in layers in the proportions of about one part of fresh barnyard manure or decayed plant remains to two parts soil, preferably a grassy sod. The thickest layer should be more than six or seven inches, but the pile may be as large and high as needed to give the desired quality. A compost pile will rot down faster if sliced down, turned two or three times and well moistened at frequent intervals. It never should be allowed to dry out.

A pile made in the early summer should be in good condition for use the next spring, Rosborough says.

Miss Nell Reese and Miss Elizabeth Barberri of Carlsbad, New Mexico spent the week end here visiting with friends.

Mrs. Jim Waltrip left Sunday for Dallas where she will buy new merchandise for Bryant Link Company.

Mrs. S. J. Merrifield of Ballinger is visiting in the home of Mr. and Mrs. J. R. Wyatt.

S-Sgt. Harp, Air Veteran, Returns

S-Sgt. Malcolm Harp, son of Mr. and Mrs. J. H. Harp, arrived in Connecticut Monday after being stationed overseas for a period of four months. He is expected to arrive in this city next week for a thirty day furlough before being given reassignment.

Sgt. Harp served as a gunner bombardier on a B-17 while at his overseas station in England. He completed 23 missions in two months and is holder of the Air Medal and 2 Oak Leaf Clusters.

He has been in service for the past 2 1/2 years.

Sgt. Harp is a graduate of Lamesa High School and New Mexico Military Institute.

Timely Tips On Care Of Clothes

More than ever before, there is need for us to be concerned with the question of conservation of clothing, including the hard-to-buy necessities. As war shortages have made good leather and other materials scarce and expensive, there are a number of ideas we should keep in mind concerning care of these articles, according to Mrs. Dora R. Barnes, clothing specialist for the A. and M. College Extension Service.

Good gloves are particularly hard to get, and old ones may be made to last longer if they are laundered frequently, as hard rubbing may injure the finish or roughen the surface. Most cotton and rayon gloves usually wash well and many varieties of leather glove likewise are washable, although leather gloves should not be washed unless they are marked "washable" or are sold as washable. Gloves which have been dry cleaned should not be washed.

As for washable gloves, the easiest way to wash them is to have them on your hands when you do it. Use mild, lukewarm suds, squeezing and pressing them, but don't rub or brush. Chamois and doek-ky gloves should be washed off the hands, since they soften when wet and may stretch or tear. When the gloves are clean, peel them gently from the wrist. Wash the inside if necessary, then turn them right-side-out and rinse well in lukewarm water. Roll in a turkish towel to take up extra moisture. If the glove fabric they may be put on metal glove driers, hung evenly on a rod, or laid flat to dry. Leather gloves should be stretched gently lengthwise, and dried flat on a dry turkish towel away from heat or sunlight. When they are almost dry stretch the leather gently in both directions or work them onto the hands to shape and soften them. Remove them carefully and lay out to dry thoroughly.

Cool jars of hot canned fruits out of a draft to prevent cracking.

Have you vaccinated for foul pox yet? I'm going to use genuine Dr. Salisbury's Fowl Pox Vaccine on my pullets. "Takes" confer lifetime immunity and save costly losses. And it's really so easy to do, so get started now. The Dr. Salisbury dealer will tell you how.

SEE US FOR DEFENDABLE VACCINES AND BACTERINS

Dr. Salisbury's BENO-SAL completely brought my chicks through the cold, coccal, coccidial season. I'm keeping right on with it for its tonic benefits, too. A fine flock of growing birds like mine deserve good care, but good care pays off in profits, too.

The Army ANSWERS Your Personal War Problems

Your questions on allotments, insurance, legal problems or other matters as they relate to Army personnel and their dependents will be answered in this column or by letter. Write Headquarters, Eighth Service Command, Dallas 2, Texas.

Q. Would you please tell me how points are given for the discharge of soldiers?

A. To be eligible for discharge now a soldier must have at least 85 points. These points must have been earned before May 12, 1945 as follows: Service Credits—1 for each month of service since September 16, 1940. Overseas Credits—1 for each month of overseas service. Combat Credits—5 for each decoration, 5 for each bronze battle star (no credits given for theater of operations ribbons). Parenthood Credits—12 for each child under 18 (children above the number of three and those born after May 12, 1945, may not be counted).

Q. My husband has been a second lieutenant for 17 months. His job calls for the rank he holds. Does this mean that as long as he is in this present position, he can't be promoted?

A. No. Any second lieutenant who completes 18 months service in that grade may be promoted to first lieutenant regardless of the grade allotted to his position, provided he is qualified for and worthy of promotion.

Q. I am a discharged soldier. I was 25 years and two months old when I was inducted. How much college training can I get under the G. I. Bill of Rights?

A. Since you were over 25 when inducted, you are eligible for one year of college. However, if induction interfered with your education, you may be eligible for an additional year of college for each year spent in the service.

Q. My husband was a first lieutenant in the Officers Reserve Corps when he entered the service. He is now a major overseas. Since his promotions have been temporary and have been in the Army of the United States instead of in the reserve, what rank will he hold when he is released from active duty and resumes his place in the reserve?

A. The War Department has announced that all qualified officers holding commissions in the Army of the United States will be offered the highest temporary rank held while on active duty should they join the Officers Reserve Corps when they are released.

Q. Has there been any change in the age limit for joining the Women's Army Corps?

A. Yes. The maximum age for enlistment in the Women's Army Corps used to be 30. It is now 38. The minimum age remains at 20.

Q. Would you please list the decoration for which soldiers are

given five discharge credit under the point demobilization plan?

A. Five points are given for the first five for each additional award of the following for service performed since September 16, 1940: Medal of Honor, Distinguished Service Cross, Legion of Merits, Silver Star, Distinguished Flying Cross, Soldier's Medal, Bronze Star, Air Medal, Purple Heart and Bronze Service Stars for battle participation. Navy decorations awarded to soldiers and certain decorations from foreign

countries also count.

Q. Can a bank refuse to loan money under the G. I. Bill of Rights?

A. Many misunderstandings have arisen over this point of the G. I. Bill of Rights. The bank can refuse to loan money under the provisions of this bill. If money is loaned under the G. I. Bill of Rights, the government participates to this extent: It will guarantee to the bank payment of one-half the loan, to two

thousand dollars, if the veteran should not make his loan payments. The government also pays the interest for one year for the portion of the loan it guarantees. The loans are made by the bank and not by the government.

Miss Glenodean Esmond returned Monday to Smithville after spending the week here visiting her parents, Mr. and Mrs. Glen Esmond. She also received her B. S. Degree at Tech.

THE CHURCHES OF CHRIST SALUTE YOU. Rom. 16:16

The Lord's Supper

IS IT "OPEN" COMMUNION OR IS IT "CLOSE" COMMUNION?
It Is "Open Enough To Include All Christians."
It Is "Close" Enough To Exclude Non-Christians.

- Bible: "DRINK YE ALL OF IT." (Every christian). Bible: "DO THIS IN REMEMBRANCE OF ME." Jones: "IT IS FOR BAPTIST ONLY" (Verse please). Jones: "WE WILL, BUT WE'LL DECIDE HOW OFTEN."
1. We admit that everyone who has been born of God is a christian. (E. L. Jones, last week) Line 15.
 2. We do not invite all who have been born again to eat with us, the Supper. (Jones), Line 13.
 3. Therefore, when Jones, and his brethren eat the Supper, they sponsor PARTYISM. 1 Cor. 1:10.
1. The Lord committed the Supper to the church—meaning the Baptist Church. (Jones) Line 17.
 2. There are many christians on the OUTSIDE OF THE BAPTIST CHURCH. (Jones) Lines 11-18.
 3. Therefore, there are MANY CHRISTIANS who do not have a right to the Supper. Why should this be when Jesus has plainly told us it is for EVERY CHRISTIAN? (No set of men have such POWERS).
1. The Lord left the supper to be observed by the church. (Baptist Church) (Jones) Line 17.
 2. The Lord gave NO DIRECTIONS as to how often it should be observed. (Jones) Question No. 1.
 3. Therefore, once a year, twice a year, ANY TIME. (WHY NOT ONCE IN A LIFETIME? WHY NOT?) (Disciples met on the FIRST DAY OF THE WEEK TO BREAK BREAD) Acts 20:7. (They met for that purpose too—FIRST DUTY) TO BREAK BREAD.

The Bible does not say that the disciples met "SEMI-OCCASIONALLY" to observe the Supper. "UPON THE FIRST DAY OF THE WEEK THE DISCIPLES MET TOGETHER TO BREAK BREAD" Acts 20:7. We have here an unmistakable allusion to the practice which began after our Lord's resurrection, of assembling upon the FIRST DAY of the week for religious purposes. The Lord, arose on the FIRST day of the week; The Holy Spirit came on the FIRST day of the week; On this day the disciples met at Troas to break bread; the Corinthians met and took collections at the Lord's supper. 1 Cor. 16:2-1 Cor. 11:20; On that day the Lord revealed himself to John. Rev. 1:10. In addition to all this the early church WRITERS from Barnabas, Justin Martyr, Irenaeus, to Clements of Alexandria, Origen and Cyprian, ALL WITH ONE CONSENT, declared that the church observed the FIRST DAY OF THE WEEK. They are equally agreed that the Lord's Supper was observed weekly, upon the FIRST DAY OF THE WEEK. The special object of their meetings was to BREAK BREAD. "They continued steadfastly in this." Acts 2:42. They showed the Lord's death gladly. They loved the Lord and did not quibble about observing the institution that shows his death. They did not think that ONCE A WEEK WAS TOO OFTEN, for they remembered that He said, "As oft as you do this you do show my death." They remembered that he said, "Do this in remembrance of me." WHERE DID MEN EVER GET THE IDEA THAT TWICE A YEAR WAS SUFFICIENT? HOW DID MEN EVER GET SO CARELESS AS TO QUIT SHOWING CHRIST'S DEATH AS EARLY DISCIPLES DID?

Luke 8:4 "Every city" is from the Greek KATA POLIN. Acts 14:23 "Every church" is from KATA EKKLESIAN. Rev. 22:2, "Every month" is from KATA MENA. 1 Cor. 16:2, "First day of the week" is from KATA MIAN SABBATOON. As KATA POLIN signifies every city; and KATA MENA every month; and KATA EKKLESIAN, in every church; SO, KATA MIAN SABBATOON signifies the FIRST DAY OF EVERY WEEK. Macknight. To this all great scholars agree. Mr. Clark says, "They were accustomed to receive the Holy Supper on each Lord's day. Vol. 5, Page 851.

No child of God should allow any sectarian organization to keep them from obeying this great command of the Lord. It was given to the Lord's church which includes ALL of GOD'S children and was never delivered to a part of God's people to observe while another part of his people are excluded. COMMUNION with the Lord is FREE to all his children. Where does the Bible say that one must be a BAPTIST before he can eat the SUPPER? Where does the Bible say that the supper was committed to the Baptist Church anyway? Question last week (See, Questions Jones asked me).

1. This question has been answered several times in this article.
 2. The purpose of assembling is for worship and the Lord's Supper is a part of the Worship.
 3. The Scripture says, "They came together upon the FIRST DAY" Dark or light it makes no difference.
 4. It was always observed at the appointed time—First day.
 5. As oft as you do this ye do show my death—Is once a week too often for that? If so, WHY?
 6. Pastor, E. L. Jones in his very first paragraph. (BAPTIST DO NOT INVITE THEM.) Lines 12-13.
1. THE LORD GAVE THE "SUPPER" TO HIS CHURCH. (Truth, ALL agree).
 2. HIS CHURCH IS NOWHERE CALLED THE BAPTIST CHURCH. (If so, where?)
 3. Therefore, WHEN BAPTISTS EAT THEY EAT THEIR OWN SUPPER AND NOT THE LORD'S SUPPER.
- Probably, this accounts for their "CLOSE COMMUNION." For it is THEIR OWN. They say, "If you're a Baptist, EAT—Bible says, "IF YOU'RE A CHRISTIAN EAT."
- BE RIGHT... TAKE THE BIBLE

Group Here Given Tire Certificates By County Board

Members of the local tire board met Tuesday, June 5, and granted tire certificates to the persons named below.

Those receiving passenger type tire certificates were C. A. Plaag, Ira Cox, J. J. Handley, C. W. Shaffer, City of Lamesa, Jim Thomas, Glen Cope, R. T. Brown, George E. Criswell, Dan Davis, Ben Dopsion, Rev. R. N. Power, O. W. Richardson, Jesse Lane, W. M. Shipp, M. S. Porter, G. W. Tolbert.

Steward Thomas, F. L. Holder, Charles S. Scott, F. E. Towns, Sidney F. Bruce, Tom Taylor, E. T. Scott, G. W. Bryson, H. B. Weir, Jessie Hale, G. C. Aten, S. F. Everett, Herman Browning, Phillip H. Nelson, Carr Spraberry, Carson Echols, J. Emmett Peterson, W. R. Tuttle, Preston L. Gilliam, E. M. Adair, T. A. Barfield, O. K. Ashley, C. M. Pearce, C. W. Stubblefield.

Lance Furlow, G. O. Browning, A. F. Pitts, S. G. Reed, Buster Reed, E. R. Marshall, F. H. Miller, C. Koehler, A. L. Moss, James R. Martin, Guy Madison, Olen Norris, Ross W. Hileman, Richard Kunkel, J. R. Leuenberger, B. L. Marshall, E. T. Oliver, E. B. Osborn, George McNew, L. A. Montgomery, Elmer Mahan, Larkin Packer, Company, V. O. Key, M. C. Kidd, Ervin Kunkel, T. E. Older, and L. D. Clements.

Persons given certificates for farm implement tires include Alton Addison, J. O. Reese, H. L. Hahn, E. F. Vogler, F. P. King, John A. Flache, A. P. Hamilton, K. S. Faris, W. A. Skinner, John A. Pearson, A. S. Riddle, J. C. Hudson, Sol D. Lewis, John S. Lee, James O. Brooks, R. A. Carr, C. Boles, E. E. Barron, W. J. Beckham, W. E. Huddleston.

Those granted certificates for truck type tires were E. Vandevere, Frank Love, Hardy Morgan, J. O. Goodson, E. O. Kutch, J. S. Allen, G. R. Phillips, R. B. Kerbow, C. G. Anthony, W. W. Dotson.

Give Your Rug New Life

Putting new life into rugs is a process which can now be done successfully at home, and though this particular task is not often necessary, there are times when rugs wrinkle easily, become limp and without body, and are hard to keep straight on the floor. The re-sizing process requires the right glue, which may be purchased in a hardware or department store.

Plan to do the re-sizing in a room where you can leave the rug to dry thoroughly, at least 24 hours. Lay the clean rug—nap side down—on the smooth floor. Tack it at intervals so it will stay straight.

Make a half-gallon of the re-sizing mixture by adding two quarts of boiling water to a quarter pound of flake glue. Dissolve the glue well, and apply to the back of the rug either by sprinkling it over the back surface, or brushing it on with a brush. A whitewash brush, a paint brush or a whisk broom will serve this purpose. Use the glue sparingly, for if it penetrates through the back of the rug it will stiffen the pile.

With this home process, the rug will take on new life and look like new.

Miss Peggy Robertson will leave Sunday for Merkel where she will spend a two weeks vacation visiting with her parents. She will also visit with her brother Captain Zerck Robertson who is stationed at San Antonio.

Lt. Owen Taylor, Jr., son of Mr. and Mrs. Owen Taylor Sr., of this city, is expected to arrive here today or Friday for a short visit with his parents. Lt. Taylor has just graduated from a radar school in Victorville, having completed a 14 weeks course, and is enroute to Lincoln, Nebraska. A navigator, he has been in service for 1 year and 9 months. He received his commission in January in Houston, Lt. Taylor is a Lamesa High School graduate, and has completed his freshman year at Baylor University.

Lamesa I.O.O.F. Elect New Lodge Officers June 5

At their regular meeting held Tuesday night of this week Lamesa Lodge Number 289, I.O.O.F., elected officers for the ensuing term which begins July 1. King Gist was elected noble grand, and A. W. Smitherson was elected vice grand. E. E. Patterson will continue to serve as secretary for the organization, and W. S. Morrow will be treasurer. Numerous appointive officers will be named when the new officers are installed.

During the Tuesday night session reports were heard from members who visited the Seminole Lodge Thursday night of last week. At that meeting the Lamesa team had part in initiating a large class into the Seminole Lodge. All reported a most interesting visit with members of other lodges from all over the territory and Eastern New Mexico being present.

A very interesting letter from Sheldon Land, a lodge member in Germany, was read. Land stated that the thing uppermost in the boys' minds now was being able to return home.

At the meeting Tuesday night one new member was initiated and 2 applications for membership were received. After the session refreshments were served by E. E. Patterson and King Gist to the large crowd which was present.

More Meat For Slaughter Sought

The United States government has announced action to increase feeding of beef cattle with the objective of encouraging maximum slaughter of cattle and hogs, and improving the distribution of meat. But a statement by the War Food Administration received by the A. and M. College Extension Service quotes Director Fred M. Vinson of the Office of War Mobilization and Conversion that consumers should not expect immediate increase in retail meat supplies as a result of the program.

To encourage feeding, Director Vinson announced there would be no downward revision in the over-riding ceiling prices nor in the maximum of the stabilization ranges of beef cattle, except bulk, without at least six months advance notice to producers. Effective after May 19, the Commodity Credit Corporation instituted payment to the seller of 50 cents a hundred on AA and A grade cattle sold for slaughter (sold for \$14.25 or more per hundred, Chicago basis) weighing 800 pounds or more, which have been owned by the seller for 30 days or more.

The statement said that the Defense Supplies Corporation would increase the pork subsidy payment 40 cents per live hundredweight, beginning on April 1, 1945. This rate, however, is to be continued only until completion of more thorough accounting study, after which the payment rate would be adjusted and a provision included for reduction of the subsidy as hog prices declined. Effective as of April 1, 1945, the statement continued, the total pork subsidy will be \$1.70 per live hundredweight, as compared with the previous rate of \$1.30.

Subsidy payments on all grades of cattle will be increased by the Defense Supplies Corporation 25 cents per live hundredweight effective June 4, the statement explained. But the subsidy payments are subject to the withdrawal of four cents of the subsidy for each five cents decline in the average drove costs, from the maximum to the minimum of the stabilization range, with a minimum subsidy payment of 25 cents per hundredweight. The new subsidy rates effective as of June 4, and applicable to both processing and non-processing slaughterers, are: Grade AA, \$3 per hundredweight; Grade A, \$2.95; Grade B, \$1.90; all others \$1.25.

Careful Handling Of Insecticides Is Urged Of Public

Texas Victory gardeners — there were more than one million of them last year—should use great caution in handling some of the spray and dust insecticides which they will use on their vegetables this year, says Paul Gregg, entomologist for the A. and M. College Extension Service. Many of these mixtures are harmless to humans, while others contain active poisons. Many death-dealing combinations are required to control worms and bugs which dine off gardens.

Extra precaution should be taken in handling and using arsenical mixtures such as calcium arsenate, lead arsenate and paris green; and equal care exercised with sodium flouride, sodium fluosulfate, cryolite and nicotine compounds, Gregg says. When mixing or applying insecticides keep the mouth and eyes protected and the body well covered. Do not spray or dust with legs, arms, or shoulders bare; and wash face and hands thoroughly after contact with any insecticide. It also is a good practice frequently to wash clothing worn while spraying.

Gregg suggests these additional safeguards: Don't keep sodium fluoride or other insecticides where foods are stored, and always see to it that containers are plainly marked, kept tightly closed and placed well out of reach of children. He cautions not to leave open containers in which materials are being mixed, nor set aside batches of prepared insecticides where animals can lick them in passing. Domestic animals and livestock should not be allowed to feed on crop remnants which have been sprayed, nor have access to drinking water contaminated by poisonous insecticides.

As further precautions he recommends burning bags which contained insecticide material, and burying discarded materials deeply and away from water supply or drainage. Arsenical containers should be burned in the open with care to avoid exposure of persons or animals to the fumes.

During the Tuesday night session reports were heard from members who visited the Seminole Lodge Thursday night of last week. At that meeting the Lamesa team had part in initiating a large class into the Seminole Lodge. All reported a most interesting visit with members of other lodges from all over the territory and Eastern New Mexico being present.

Plan Your Canning Program

Every household these days should have a definite plan of activity in stocking the pantry shelves with home canned and preserved foods for the winter months, and this plan will not only include planning with a plan, but preserving with a purpose, says Mrs. Winifred J. Leverenz, specialist in food preservation of the A. and M. College Extension Service.

Begin, Mrs. Leverenz suggests, by estimating the amount of fruits, vegetables and meats your family will need. Then set that number as your canning goal. A good guide to use in estimating this amount is to consider that about half the necessary consumption of food for your family during the year will be fresh

and the other half processed. If fresh foods are available for as much as three-fourths of the year, half the amounts suggested will be sufficient. If the season is shorter, say one-fourth of the year, you must take one and a half times the suggested amounts. Children under ten years of age require about half the suggested amounts.

Here is the suggested plan: each individual in the family requires 22 quarts of green and yellow vegetables per year, 22 quarts of other vegetables, such as beets, okra and squash, and 22 quarts of tomatoes or citrus fruits. Also include for each member of the family 22 quarts of other fruit, 5 quarts of pickles or relishes, and 7 pints of preserves and jellies. In meats, allow 88 pounds of meat for each person. Usually half this amount is canned, and is equivalent to about 20 quarts of canned meat or chicken.

It is well to remember also that food may be preserved in other ways. In dried food, one fourth pound is equivalent to one quart of food canned, 2 pounds frozen equals one quart canned and 4 pounds stored, or 2 quarts brined are equivalent to one quart canned.

Take into consideration also the likes and dislikes of your family. For example, if tomato juice is a favorite in your household, make your goal high for that product. Strive for variety and avoid overstocking in some fruits and vegetables.

Teah Sgt. Gordon Stanfield of Alamo, New Mexico, is visiting here this week with his parents, Mr. and Mrs. Tom Stanfield.

Mr. and Mrs. J. A. Wyatt and daughter will leave the latter part of this week for a months vacation in Rudlosa and Hot Springs, New Mexico.

Miss Peggy Speck returned Monday from Fort Worth where she had been visiting with relatives.

Mr. and Mrs. D. W. Mastrogale and children spent Sunday in Leland visiting in the home of Mr. and Mrs. David Earl Collins.

Lt. Bussell—

(Continued From Front Page) receive much medical attention at the German Hospital. The Germans performed an operation on his arm, but did nothing to his jaw which had been broken. He was unable to eat while there, and drank only German black coffee.

The young pilot remained at the hospital eight days, before the Yanks arrived and liberated him. Lt. Bussell said that the Allies had been dive bombing over the city, and had hit the hospital three times. He said that each time the bombs came close, the Germans would run, leaving the patients as they were. Finally the sick were taken to the basement of the institution after the artillery became especially bad.

After the Yanks took over the hospital on April 7, Lt. Bussell was sent to an evacuation hospital in Germany, where he remained five days prior to being evacuated to Paris.

He stayed in the Paris Hospital until he was returned to the States on a hospital ship. He landed on Staten Island, New York on May 18, and for several days was hospitalized at Camp Kilmer, New Jersey. From there he was sent to the hospital in Temple, where he remained three days, prior to being given a thirty day sick leave.

Lt. Bussell possesses the E.T.O. Ribbon with a battle star, the Purple Heart, and Air Medal with three commendations for flying missions in very inclement weather condi-

tions from England, and for successfully completing mission during the winter months in England, which according to the English was the worst winter they had experienced in almost a century.

The young pilot who had made several emergency landings in France and who had bailed out of his plane several times prior to the crash landing, will visit in this city until June 29, when he will report back to a member of the church in Temple.

He has been a member of the service since 1942, and received his commission November 3, 1943, at the field in Marfa. After receiving his wings and bars, he served as a pilot for bombardiers at the base in Deming, New Mexico, after which he piloted gunners at the base in Kingman, Arizona. He flew B-17's and AT-11's prior to being assigned to B-24's which he piloted while overseas.

Lt. Bussell is a graduate of Lamesa High School and a former student of Hardin-Simmons University. He was enrolled at the university when he entered the military service.

Plans Completed—

(Continued From Front Page) and A. A. Heath.

In charge of the kiddie car rides will be Hubert Watkins as chairman with J. R. Flaniken and Robert Kirk named as workers. H. S. Fitzgerald and Howard Humphrey have been placed in charge of the horse races.

Wright Boyd and Rufus Pruitt will supervise a money board, and D. D. Borland will serve as chairman for the cigarette pitch activity, with H. B. Miller assisting.

Another specialty of the carnival will be the Judge Roy Bean Court. A similar court was held last year and met with widespread success. During the three day carnival, citizens of Dawson County will be watched carefully by a group of deputies. When they are caught doing wrong according to the Roy Bean Court standards, they will be brought before the court where penalties are to be assessed. Bill White has been named chairman of the Judge Roy Bean Court, and his assistants are W. W. Griffith, Earl Goen, J. R. Earnest, and E. J. Burkhead.

Still another feature of the event will be drink stands of which D. W. Massengale will serve as chairman. Joe Green, Hugh Lett, and R. W. Kelley have been selected as assistants. A candy booth will operate under the direction of the Rev. Cal C. Wright.

Ed Dubose will be in charge of a bond booth, and the local Girl Scouts will set up a booth and display some of their handwork. Swings are also to be a part of the carnival. Raymond Cope has been put in charge of this phase of the carnival and will be assisted by L. C. McMullen and Tommie Kimes.

The pitch at the bucket booth will be supervised by Ed DuBose, as chairman with J. D. McAmos assisting. John Hurley will serve as chairman of the negro dip booth, and siding him will be H. J. Sanders, Oran Parker, M. Lamphere, and Elmo Smith.

A ferris wheel will be set up on the square and M. E. Boren, A. N. Randle, and W. L. Marr will assist Kilmer Corbin as chairman of this entertainment.

Club member report that they have already received a large number of prizes which will be distributed to winners in the activities of the carnival.

The club extends an invitation to all Dawson County citizens to attend the carnival, and to enjoy the games and rides which are being made available. Remember that the carnival will extend over a three day period and will be held on the south side of the square.

Officials Report On Recent Fire School

Among the 500 representatives from 14 different states and the District of Columbia enrolled at the fire school held at College Station recently, were W. T. Webb, local fire marshal, and Luther Standifer, local drill master.

Through their attendance at the school, Lamesa was enabled to have their key fire insurance rate lowered 3 per cent.

Fire Marshal Webb reports that the school was very interesting. It was divided into five courses, and two main sections of the school were the marshals' course, which dealt with fire inspection and fire prevention, and the drill master's course which concerned fire fighting and devulged the latest and most modern fire equipment which is being used, as well as ways to chemically fight fire.

Twenty-nine instructors conducted the school, and 12 guest speakers were in attendance. One of the most interesting speakers, according to the local representatives, was Eugene Sanders, assistant state fire marshal and head of the fire prevention division in Austin. He discussed "Fire Prevention and Proper Methods of Inspecting."

Military personnel were also present at the school and they demonstrated the many things they had learned about fighting fires.

Mrs. Phinzy To Hold Demonstration Soon

Mrs. Jack Phinzy, emergency war food assistant, will conduct a demonstration in the home of Mrs. Isaac Ledbetter Tuesday, June 12, at 2:30 p. m.

She will present a demonstration on preparing fruits and vegetables for the frozen locker.

All women of Berry Flat and Mesquite Communities are invited to attend the session.

The Missionary Baptists Plan For A New Building

The Bryan Street Missionary Baptist Church of this city held their regular monthly business meeting Wednesday night, May 30 and appointed a committee of nine men to formulate plans for a new church building, according to an announcement received from the Rev. E. L. Jones, regular pastor.

The committee is to present their suggested plans to the church as soon as they can complete the drawing to see if the membership will approve them.

When a majority of the membership approves the plans, they will be presented to the church in a special business meeting to determine whether or not the church will go forward with preparations for the new building.

Rev. Jones states, "This is the first step toward providing more room, which is badly needed at the present time."

CCC Named Buyer Of Crop Peanuts

The following article was released for publication by C. E. Tarter, administration officer at the local AAA office:

The Commodity Credit Corporation has been designated as the sole buyer of 1945-crop farmers' stock peanuts by the War Food Administration. The effective date was May 17.

To implement this program the CCC will make contracts with shellers, crushers and producer cooperatives to act as agents for SSS in the purchase and disposal of the crop.

These buyers for CCC will pay farmers a minimum base price of \$160 per ton for Spanish, Virginia and Valencia types and \$145 per ton for runner types. The base prices are for peanuts having a sound mature kernel content of 85 per cent in the case of Virginia, Valencia and Runner types and 70 per cent in the case of Spanish types. Premiums and discounts will be established for other qualities.

CCC will also offer to make loans on farmers' stock peanuts available through cooperative associations. The 1945 loan, purchase and sales program will be operated essentially the same as the 1944 program.

Pfc. H. Hanson With Air Transport Unit

1328TH AAF BU, ATC, ASSAM, India—Pfc. Harvey J. Hanson, son of James R. Hanson, Lamesa, and husband of Mrs. Lidia M. Hanson, also of Lamesa, is now serving with the India China Division of the Air Transport Command, working in the Flying Safety Office at the base.

This is one of the famed bases of the India China Division from which operates the noted supply route over the "Hump" of the Himalaya Mountains, flying giant transport planes carrying vital cargo.

He has been in the service since September, 1942 and overseas since August, 1944. Pfc. Hanson was a student at Texas Tech, where he completed two years of his course before being called into the service.

He is a graduate of Lamesa High School and while there competed for four years in softball and basketball events. He was chosen on the county softball team in 1940. He is a member of the College Agricultural Club and intends to return to college after his discharge from the service.

Miss Gill Winner Of 'Work To Win' Program For May

Lamesa school authorities have received a statement from Miss Louise Gill, 1933 graduate of the local high school, reporting that she has had the good fortune to win \$1000 in Consolidated Aircraft's "Work to Win" program for May. She states that after all deductions, the amount of the prize was \$765.15.

Miss Gill has worked for Consolidated for three years as a typist and file clerk. In preparation for the post war period, she is enrolling in T. C. U. to take courses in their commercial division.

Miss Gill is a former employee of the local telephone company.

Verner L. Bridges Recently Received His Army Discharge

Verner L. Bridges received his medical discharge from service at the Ashburn General Hospital in McKinney, May 21, 1945.

Bridges, who served as an airplane and engine mechanic and had the rating of sergeant, participated in the New Guinea Campaign and is authorized to wear the Asiatic-Pacific Campaign Ribbon with 1 Bronze Star, and the Good Conduct Medal.

He spent 1 year overseas in the Asiatic-Pacific Theatre, returning to the States February 1, 1945.

Bridges entered service April 6, 1942, prior to which time he served as an auto mechanic. His home address is Route B.

2,114 Are Listed On New School Census

The final report of census enumerator Mrs. Leslie Pratt for Lamesa Independent School District names 2,114 children of school age for the school year of 1945-46. This is a gain of 141 children over the enumeration of last year.

White scholastics total 1936 and Negro scholastics number 161.

— BUY MORE WAR BONDS —

B-29 CREW AND MASCOT—This B-29 combat crew is now completing final stage training at this Second Air Force field. (left to right) front: Lt. John E. Leonard, Jacksonville, Illinois; F-O Joseph M. Draft Status For Thirty-Six Men Changed By Board

The local selective service board met June 6, and re-classified the following group of men:

Men 1-C discharged are Richard P. Oswald, Hugh Pennington, Phillip Nelson, M. E. Dyer, Jr., Stansell Jones, Donald Speck, and Ermie Gibson.

Men designated as 2-A include Wayne McClintock, Lige James, Olton Jamison, Loyd George Gordon, J. T. Demerson, Charles Phillip, Joe Young, David Middleton, Fred Canady, Victory Brothers, and Leonard Vick.

Now classified as 2-B are John L. Smith and James Watters. Arthur Woolbright and James Threatt are 2-BF. Designated as 2-C were William Weatherford, William Bingham, Tommie McKee, and Calvin Cooley.

Those receiving a 4-F classification were Learoy Horgers, Donald Lyons, Guy Linville, and Johnnie Smith.

Designated as 4-A were Antonio Shapa, Bailey White, Marvin Gresham, Carl Williams, Sam Christopher, and Webster White.

J. Alexander Of The Navy Returns To Corpus Christi

Jon H. Alexander, M. M. 1-C, returned to the U. S. N. Hospital in Corpus Christi, Monday.

He has been visiting his wife at 1008 North Third Street in this city. The seaman is a veteran of foreign service having served overseas for a period of two years.

American Legion Will Have Regular Meeting June 11th

The local American Legion Post will meet Monday night, June 11, at the recreation hall in the city park. The session has been announced for 8:30 p. m.

This will be the organization's regular meeting, and all members are urged to be present.

Mr. and Mrs. John Heck and Mr. and Mrs. H. G. Cook of Wilson spent Sunday here visiting in the home of Mr. and Mrs. D. Freeman.

Misses Helen Cope, Jessie Norris, Myrtle Henderson, Ewarda Gilbert, Mrs. Perry Cox and Lt. J. C. Norris spent the week end at Breckenridge visiting with friends. — BUY MORE WAR BONDS —

UNITED STATES EMPLOYMENT SERVICE OFFICE OPENS HERE

Opened this week in Lamesa was a United States Employment Service office, which is one among several such offices in the United States that are being opened between June 1, and July 1.

The local office is located at 320 North Austin Street, and L. L. Waller is filling the post of manager for the office.

The primary function of the United States Employment Service office is to render assistance to returning war veterans, according to Waller. He further states that the office will give service to employers seeking jobs. Eligible for this service are men and women of all ages.

Waller reports that the office will take orders from the various local employers, as well as take applications from persons needing work. It will be their duty to place the man or woman on the job he or she is best qualified to do.

The Lamesa United States Employment Service office opened Monday, June 4. It will be open to serve you six days a week from 8 a. m. to 5 p. m.

This new service is part of a federal organization, and funds for its operation are furnished by the federal government.

According to Waller this city was selected for such an office because of its size and importance, and because the nearest office of this type for this area is Big Spring. The War Manpower Commission designated Lamesa as a site for the United States Employment Service office.

Mr. and Mrs. Waller moved to this city from Austin, and are now staying at the Williams Hotel. Waller has been connected with the employment service since 1941.

Melvin Burdine, F 2-C Now Training At A Submarine Base

Melvin C. Burdine, F 2-C is presently stationed at a Submarine Base in San Diego, California. After completing his 12 weeks course there he was transferred to Gulfport, Mississippi for a 14 weeks course in basic and diesel engineering. Burdine majored in diesel maintenance while there.

After graduating from the school he volunteered for submarine service and was sent to his present station.

Burdine is a 1942 graduate of the Spangenberg School, Dawson County was his home for a period of 18 years, but his family recently moved to Hart.

New Group Of Draft Registrants Have Been Listed

A list of the new draft registrants, which was prepared by the local selective service board May 30, includes the following men who were born in May of 1927, as well as their corresponding order numbers:

Ernest Elbert Brown, 11724; Elden Farrel Williams, 11725; Floyd Ray Scott, 11726; Earl Walker, 11727; Dan Moody Boone, 11728; John C. Kunkel, 11729; Billie Lee Marshall, 11730; Richard Leroy Robinson, 11731; Oatus A. Roberts Jr., 11732; W. C. Drenes, 11733; John Ray Leathers, 11734; Billie Steve Whisenant, 11735; Rollard B. Wise Jr., 11736; Hollis R. Madison, 11737; Robert Eli Castillo, 11738; and Samuel E. Harcastle, 11739.

Also included on the list were these new registrants with their corresponding order numbers: Otto John Bulsterbaum, 1900-A; Jesse S. Burleson, 2073-A; and Lopez Sipriano, 11721A.

Rev. and Mrs. Elmer Peterson and family of Levelland spent several days here this week visiting with relatives and friends.

Mr. and Mrs. Joe Whitlow returned from Old Mexico where they spent the past 10 days visiting with friends and transacting business.

Sgt. John Hendon One Man Crew To Tank Group

Editor's Note: The article printed below which concerns Sgt. John T. Hendon, recently appeared in the "Panhandle Herald," and was sent to this office by Mrs. Louise Dees of Tulsa. Sgt. Hendon is the son of Mr. and Mrs. W. T. Hendon of Welch, and is well known here: WITH THE 3RD (OHIO) INFANTRY DIVISION, March 12 1945 (Delayed)—To the boys of Co.

B. 736th Tank Battalion, Sgt. John T. Hendon, tank commander from Panhandle, Texas is a one man crew.

While his platoon was in support of the 329th Infantry on the drive through Neuss, Germany, Hendon suddenly found himself alone with his tank. His crew had evacuated the vehicle when a glancing shot from a bazooka set fire to a musette bag, giving them the impression that the tank itself was burning.

They had hardly hit the ground before an enemy machine gun opened up on them. Hendon replied with his 75mm, hopping around the loader's side of the turret to load, then switching to the

Credited with a total of 102 points, Donald (Bud) Speck received his Army discharge at Ft. Bliss recently. He has 45 points for the 9 battle stars he possesses, 33 points for the months he has been in service, and 24 points for overseas duty. In service for almost 3 years, Speck spent 2 years overseas at stations in North Africa, Tunis, and Foggia, Italy. He was a member of the ground forces of the Air Corps, and was attached to the 99th Bombardment Group, one of the oldest B-17 groups in Europe. Speck received his Army training at Sheppard Field, in Salt Lake City and in Sioux City, where he was assigned to the 99th Bomb Group. He is a former employee of the Bryant-Link Company in this city and has a brother, Cecil, who resides here. Speck spent several days visiting in Lamesa this week.

S-Sgt V. D. Adcock Awarded Bronze Oak Leaf Cluster

15TH AAF IN ITALY—A headquarters clerk with the veteran 455th Bombardment Group, S-Sgt. Vernon D. Adcock, of 512 South Third Street, Lamesa, was recently authorized to wear the first Bronze Oak Leaf Cluster to the Distinguished Unit Badge when his group was cited, for the second time, "for outstanding performance of duty in armed conflict with the enemy."

Thirty-six Liberators of the group took off June 26, 1944 to lead their wing on a mission against the vital and heavily defended oil refinery at Mooshibaum, Austria. Enroute to the target, the group was intercepted by 20 twin-engine fighters, which were promptly engaged by the escort. Without fighter protection, the group was then subjected to suicidal, head on attacks by single-engine fighters, which raked the formation with machine guns, cannon and rocket fire.

Headless of the fierce opposition and its own rapidly dwindling numbers, the group held its formation while battling over the target to drop a devastating pattern on the vital installations below. During the unequal battle, the group's gunners definitely destroyed 34 of the attacking fighters, and held their own

LIFE BEGINS AT . . .
 LONDON (AP)—Old age is going to be bricker and happier and come somewhat later in life, says the National Council of Social Service's annual report. "Better diet, healthier occupations during the hard working days, will mean a studier old age, which will not be content to withdraw from active life at 60."
 gunner's side to aim and fire. Two rounds knocked out the nest, killing one Nazi and forcing four others to surrender to the one-man crew who had been too busy to abandon his vehicle.

The latchstring's out... Have a Coke

...or drop in for Sunday supper

Home sweet home seems twice as sweet when friends drop in—with fun and food and good refreshment. That's the time when Coca-Cola, served icy-cold, is not only a delicious treat—but a symbol, too, of good fellowship. Be sure to keep Coke in your icebox. There's no more cordial way to show gracious hospitality and make young folks feel at home than by offering guests the invitation *Have a Coke.*

Coca-Cola
 the global high-sign

"Coke" = Coca-Cola
 You naturally hear Coca-Cola called by its friendly abbreviation "Coke". Both mean the quality product of The Coca-Cola Company.

Crawford's Can Handle Auto And Household Needs

It's a pleasure to shop at Crawford's Home & Auto Supply because of the varied assortment of merchandise and the quality stock of products handled there. All types of household goods, as well as a complete line of automobile needs are available at this firm, which is

owned by M. H. Crawford. Items for the home which will be of much interest to you are beautifully colored scatter rugs, attractive inoleum rugs in 9x12 foot sizes, laundry hampers, step stools, and kitchen stools. They have some wool blankets in their stocks, and a number of curtain stretchers to get them back to their original shape without ironing. Lawn chairs of various types are also obtainable there. Wooden chairs, canvas chairs and rockers can be selected from the assortment kept at Crawford's Home & Auto Supply, located at 527 North First Street.

House paint in nearly all colors is available as well as Firestone Wall-Tone. Firestone Wall-Tone is for almost every type of interior wall surface. You can paint over wallpaper, brick interiors, plywood, painted walls, and basement walls and obtain fine results. Use one coat of Wall-Tone, and you will find that it dries evenly and quickly to a beautiful, smooth finish that can be easily washed. You will find it the answer to quick low cost, beautiful refinishing for all walls and ceilings. Wall-Tone comes in powder form, and all you need to do is to brush or roll it on. In one hour it's dry, and rooms may be used the same day that the finish is applied. Wall-Tone comes in beautiful, modern decorator shades, including rich ivory, ice-land green, jonquill yellow, French gray, colonial cream, peach, buff, modern blue, and dove white.

Garden seed and supplies of all types can be found in the stocks at Crawford's. They have hoes, rakes, shovels, lawn and garden wheelbarrows, and vigoro.

Various automobile parts and accessories are kept at the business. Seat covers, batteries, spark plugs, seal beam light units, driving and fog lights, a nice stock of truck and tractor tires, as well as passenger tires are all stocked. They also have ready line shoes for brakes.

The firm offers the recapping service, and will supply you with a tire while yours is being recapped. Crawford's also has bicycle tires and all types of accessories for bikes. Call on them and let them supply you with your auto and household needs. You will find the Firestone line of merchandise they carry both durable and reliable.

Eliminate Wash Day Problems By Going To Arnett's Helpy-Self

Open each day from 8 a. m. to 5 p. m., except Saturday Arnett's Helpy-Self offers both helpy-self and wet wash service to their customers. Through the use of their firm you can eliminate the fuss and bother of doing your wash at home during the hot summer months ahead.

The firm has recently installed a large fan in the laundry to add to the comfort of their customer trade, and persons going there to do their washing will find the place dry and comfortable. Arnett's Helpy-Self is equipped with eighteen washing machines, each of which is surrounded by tubs. Cold or hot water is available, and various types of washing supplies are on hand at the laundry. Soaps, starch, bleach, and plenty of soft water stocked there help to make washing convenient at Arnett's Helpy-Self.

Six persons are employed on the staff at Arnett's Helpy-Self to aid you. Some in the group do wet washes, while others help to bring in clothing, and aid you with your washes.

Complete Beauty Service Is To Be Had At Bearden's Beauty Shop

Bearden's Beauty Shop is geared to meet your beauty needs. The shop personnel is skilled, each being a licensed operator; the equipment is the newest and most up-to-date; and the quarters are convenient, clean, and arranged for your comfort.

Bearden's Beauty Shop, which is located at 703 South First Street, is owned by Mrs. Gladys Bearden, who purchased it from Mrs. O. H. Strange on April 1. Mrs. Bearden has employed at her shop Miss Elizabeth Atterbury of this city who is long experienced in this field having followed the trade for approximately six years, and Miss Roxie Puckett of Stanton who is also experienced. You will find the staff capable and skillful, pleasant and courteous.

A feature of the business is their line of cosmetics. They carry a complete stock of Tril-o-gy cosmetics. This quality brand is used by the shop when giving facials, and has proved most satisfactory.

The firm has a wonderful method of skin management. They treat with therapeutic lights and cosmetics, which is an amazingly easy and effective treatment. The therapeutic method is also used in treating scalps for itching dandruff, and is widely known for its quick cure. Mrs. Bearden has charge of the facials and scalp work, having had special training in these fields. Bearden's Beauty Shop also specializes in permanent waving. They can give you the type of permanent most suited for your type and texture of hair, that will bring out the glistening softness and provide you with new hair beauty.

They can give either machineless, cold waves, or machine-per-

offered in this department. Several are now bringing winter quilts and blankets to the firm for washing, and 10 cents is charged for each of these items.

If you want to make wash day problems in the home mere recollections, take advantage of the services offered at Arnett's Helpy-Self, located on North Houston. You'll be pleased with their efficiency and reliable work.

Legislature shall receive from the public Treasury a per diem of Ten Dollars (\$10) per day during their tenure of office. In addition to the per diem the members of each House shall be entitled to mileage in going to and returning from the seat of government, which mileage shall not exceed Two Dollars and Fifty Cents (\$2.50) for each twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel by land, regardless of railroads or water routes; and the Comptroller of the State shall prepare and preserve a table of distances to each county seat, now or hereafter to be established; and by such table the mileage of each member shall be paid; but no member shall be entitled to mileage for any extra session that may be called within one day after the adjournment of any regular or called session."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the fourth Saturday in August, A. D. 1945, at which all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing for continuous salary per diem of all members of the Legislature during their tenure of office."

"AGAINST the Constitutional Amendment providing for continuous salary per diem of all members of the Legislature during their tenure of office."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Sec. 4. The provisions of this

Why the Biggest Job in town carries no pay!

WHAT is the biggest job in your town—in anybody's town, between May 14th and June 30th?

It's that of the man or woman who will ask you to buy extra War Bonds in the 7th War Loan.

It carries no pay because the people who are doing this work are good Americans. In addition to buying extra Bonds themselves, they're willing to give their time to a job that's as important as anything outside the battle lines.

It's important—and it's big. Making our quotas in the 7th War Loan is a man-sized job for everybody.

Uncle Sam needs 7 billion dollars from individual Americans in the 7th! That's a bigger quota than ever before. It's bigger because this is really 2 loans in 1—last year, by this time, we had bought Bonds in 2 Loans instead of one.

And it's bigger because the need is bigger. We're building up a whole new air force, with new jet-propelled planes and even huger bombers. We're building more tanks, mortars, and everything for the increasingly bitter struggle with Japan. And we're paying the

mounting cost of victory—taking care of wounded men who are arriving in this country by thousands every month.

So—be ready when one of these War Bond workers comes to you. Open your door, your heart, your purse—for the 7th War Loan.

Help America to make its quota—by making yours!

FIND YOUR QUOTA . . . AND MAKE IT!		
If your average wage per month is:	Your personal War Bond quota is: (cash value)	Maturity value of 7th War Loan bonds bought

MYRTLE DICKIE NEGY SPARE THE SUGAR, BUT CAN SOME FRUIT IF YOU HAVE AN OPPORTUNITY

The recent cut in the sugar ration has brought questions to the canning specialists of the U. S. Department of Agriculture on how to spare the sugar but save the fruit this summer. Here are some of the most frequent questions—and the answers:

Q How much fruit can I put up with the reduced canning sugar allowance?

A The maximum allowance of 15 pounds of canning sugar per person should sweeten about 60 quarts of fruit—350 generous servings.

Q How much sugar should I allow to a jar of fruit?

A The recommended wartime proportion is 1 pound sugar to 4 quarts finished fruit. This makes a medium-thin sirup averaging about 1-2 cup sugar per quart fruit. Sour fruits may take more than this average; juicy, sweet fruits may need less.

Q Can I put up fruit without any sugar?

A Yes, sugar helps fruit hold color and flavor, but it is not essential to prevent spoilage. Rather than let good fruit go to waste, put up some without sugar. Process unsweetened fruit in the same way as sweetened. This seems practical only for families who do not use all their regular allotments of sugar, or for those who have fruit at home which might go to waste.

Q What about stretching canning sugar with corn sirup, honey or molasses?

A Corn sirup may replace up to 1-3 the sugar; honey up to 1-2. Do not use molasses—its flavor overpowers the fruit; it gives a dark unattractive color and may cause spoilage. It might be possible to use molasses, and can, maple, and sorghum sirups to spare some sugar from the everyday ration; then use the sugar thus saved for canning.

Q Can brown sugar be used in canning?

A No, for the same reason as those that make molasses undesirable. For some pickles, though, the flavor of brown sugar is a pleasant addition.

Q What about jams, jellies and pickles? Has the five pound maximum for these been changed?

A No. Using the entire ration for canning, however, saves the most fruit. If the family craves a few sweet spreads, remember fruit butters take proportionately the least sugar. Some pickles and relishes none. More vitamins are saved in properly canned fruits than in jams and jellies.

All the commercial home economists seem to be working on sugar saving recipes and ways to stretch meat. We have selected one recipe of each type for this week's column, which sound as if they would be worth trying.

QUICK LEMON PIE

4 cups Corn Flakes or 3 cups Rice Krispies or 1 small box Graham crackers

1-4 cup butter or margarine
2 tablespoons honey
1 1-3 cups sweetened condensed milk

2 tablespoons grated lemon rind
1-2 cup lemon juice
2 egg whites
1-8 teaspoon salt
1-4 cup honey

Roll cereal into fine crumbs. Melt butter or margarine in pie pan; add honey and crumbs and mix thoroughly. Reserve one tablespoon crumb mixture. Press remaining mixture evenly and firmly around sides and bottom of pie pan. Bake in a slow oven (325 F) for 10 minutes. Cool before adding filling.

Blend condensed milk, lemon rind and juice, stirring until mixture thickens. Pour into crumb pie shell. Beat egg whites until foamy, add salt and honey gradually and continue beating, until stiff. Spread on top of pie and sprinkle remaining crumbs over it. Chill thoroughly. Yield: 1-8-inch pie.

STUFFED MEAT LOAF

Stuffing:—
1-2 cup diced celery
1-4 cup chopped onion
1-3 cup fat
1 cup cooked rice (cooked in

Latest News From COUNTY AGENT

T. A. BARFIELD
County Agricultural Agent

County Agent, T. A. Barfield, gives some pointers on gardening and storage of your garden products:

IT'S ONION HARVEST AND STORAGE TIME:—

With onions, when most of the tops have fallen over, they are ready for harvest. Plants that have seed stalks will not produce onions suitable for storage, because the seed stalk leaves a thick neck at the top of the bulb that will not dry or cure well. Onions of this type should be used as soon as possible after harvest.

When the onions are pulled up they should be placed in a small pile in a shady location. After drying for a few days, hang where it is cool and dark or in dark, slatted storage. Clip the tops off 1 1-2 inches above the bulb and scatter well in storage.

THERE'S STILL TIME TO:—

1. Plant a late crop of Honey June or Sure Cropper Sugar sweet corn for late roasting ears.

2. Plant Fordhook squash for mid to late summer harvest. They may be stored and used throughout the Fall.

3. Plant New Zealand spinach for hot weather, leafy vegetable. Okra, eggplant and lima beans, related are still good for the summer garden.

4. In many cases lettuce, beets, mustard greens and radishes are tough or over-size. The same space can be planted back to these same vegetables for mid-summer production.

PRUNE BERRY VINES NOW:—

As soon as the entire crop of black or dewberries is harvested take an old hoe and cut off all of the old growth back to the ground line. Leave 3 to 4 of the current season shoots per plant for next season's crop. Top these current season shoots to 3 to 4 feet in height on blackberries to encourage side branching. Pruning and cultivation are made much easier by handling in this manner. For the Young and Baysen berry types, prune out all old canes leaving current shoots on the trellis. Tip shoots back to 8 to 10 foot lengths.

PRUNE AND SHAPE YOUNG, NON-BEARING FRUIT TREES NOW:—

Prune young fruit trees now that were set out last winter. Cut off all branches, except 3 to 5 of the best properly distributed branches. If the branches failed to come out properly, select the best shoot of this season's growth and cut off the entire top above the shoot. The remaining shoot of current season's growth will send out side branches all the same length, to make a perfect top.

STRAWBERRIES:—

Now that most varieties of strawberries have wound up their season of production, pick out the best rows and fertilize them heavily to encourage the growth of vigorous runners. These runners will produce plants for next year's berries. Leave double boiler in milk or any meat stock on hand)
2 teaspoons chopped green pepper
1-2 teaspoon salt
1-2 cup stock or water
3 cups Rice Krispies
Brown celery and onion in fat; stir in rice, peppers, and seasonings and mix well. Crush Rice Krispies into coarse crumbs; stir into rice mixture.

Meat Mixture:—

1 pound ground beef
1-3 pound ground veal or sausage
2 tablespoons finely minced onion
1-4 teaspoon celery salt
1-4 teaspoon pepper
1-2 teaspoon allspice
2 teaspoons Worcestershire

Sauce
1-2 cup tomato sauce or puree
Combine meats with onion and seasonings except tomato sauce. Flatten on piece of waxed paper into rectangular shape about 3-4 inch in thickness. Place stuffing on top of meat and from into roll. Bring meat up and around roll of stuffing so that it is completely covered. Place in loaf pan. Pour tomato sauce over roll and bake in moderate oven (375 F) about 1 hour. Yield: 8 servings.

Note: Stuffing may be pressed lightly into baking pan and spread on top. Bake same as loaf (8x8-inch pan). 102 N

them where they are until October. Then, remove to a permanent place. In areas of limited moisture or heavy soils, however, the plantings should be plowed up as soon as the bearing season is over, because the plants will not go through the summer satisfactorily.

The deep harbor at Petsamo, Finland, 200 miles north of the Arctic, is always free of ice because of the Gulf Stream.

Brazil Rubber Tapper Joins The Army

RIO DE JANEIRO (AP)—Having proved himself the number one battler on the domestic front in his home territory of Acre in Brazil's deepest interior, champion rubber tapper Assumram Palperis has traded his latex pulps for a rifle.

He is now a draftee in the army, with his eye on the Italian fight-

ing front, where his countrymen are battling the Nazis. Last year, working jungle rubber areas in the territory of Acre, Palperis set a new individual tapping record for stay at home tappers to shoot at—production just over 5,000 pounds of raw rubber.

Sound recording by magnetism on fine steel wire may possibly supplant Braille as the vehicle for books for the blind.

BRYAN STREET MISSIONARY BAPTIST CHURCH

E. L. JONES, Pastor

Why We Are Missionary Baptist

I. John Was A Missionary Baptist.

1. The word 'Missionary' means 'one sent.' John was sent from God. John 1:6.
2. John was a Baptist. Jesus said he was. Luke 7:33.
3. John was a preacher. Matt. 3:1. Therefore he was a MISSIONARY BAPTIST PREACHER.

II. Jesus Was A Missionary Baptist Preacher.

1. Jesus was sent, 'one sent,' therefore he was a missionary. John 3:17.
2. He was a Baptist. A Baptist preacher baptized him. Matt. 3:14-16. Jesus approved of all that the Baptist taught and did. Now don't say that if a 'Christian' preacher had baptized him he would have been a 'Christian' for the baptism did not make a Christian out of him. He was God's Son before he was baptized. Men should be sons of God before baptism. Matt. 28:19.
3. Jesus was a preacher. Matt. 4:17. Therefore a MISSIONARY BAPTIST PREACHER.

III. The Twelve Apostles Were Missionary Baptist Preachers.

1. They were sent. Matt. 10:5. (Missionary is one sent).
2. They were Baptist. They were baptized by John the Baptist. Acts 1:5-22.
3. They were preachers. Matt. 10:7. Therefore MISSIONARY BAPTIST PREACHERS.

IV. The Church That Christ Built was A Missionary Church.

- JESUS BUILT HIS CHURCH BEFORE HE ASCENDED TO THE FATHER.**
1. It was a missionary church. Matt. 28:18-20. They were to make disciples and then they were to baptize the disciples.
 2. It was a Baptist church. All the material that went into the first church was baptized by a Baptist preacher. John the Baptist. Luke 8:13; Mark 3:13-14. Therefore it was a Missionary Baptist Church. Now if you want to be a member of the true church of Christ, the one Christ established, then join a Missionary Baptist Church. The churches of Christ, Rom. 16:16, believed and practiced everything that Missionary Baptist churches believe and practice today.
