FORTY-FOURTH WEEK

CHAMBER OF COMMERCE COMMENTS

THE CAVERNS OF SONORA are opened, dedicated and all. The attendance has been most gratifying but more gratifying has been the acceptance by the cave viewing customers. It seems that everybody is highly pleased with what they see especially impressed with the engineering and amount of work spent before opening and are thrilled in anticipation of what is to come.

The basis of all community activities is committee function. We saw this glorified on this occasion. We have never seen a harder working, more cooperative committee than the Caverns dedication committee. Our plaudits to Chairman F. L. McKinney, Stanton Bundy, Marion Elliott, L. P. Bloodworth and Stanley Mayfield. Of course this committee had some fine helpers. We believe this is the best publicized event in the history of Sonora.

In the land of sheep, cattle, goats and horses a commercial cave is quite a conversation piece. With a large segment of our commercial institutions depending on highway travel, naturally a tourist attraction in our midst is quite important. It is said that tourists are better than cotton and easier to pick.

Herb Petry, Jr., did a masterful job in dedicating the Caverns of Sonora. He was joined here by his wife and nine other friends from Carrizo Springs. Herb is recognized as the most outstanding President Lions International ever had. Of course it would be nice to get the road to the Caverns designated as a Farm-to-Market road and paved all the way. After all, the Highway department is greatly concerned with tourist attractions that cause people to buy gasoline.

Mr. and Mrs. Homer Garrison flew in for the event and after viewing the cave said it was the most beautiful one they had ever seen and far beyond their imagination. Senator and Mrs. Dorsey Hardeman came out of the cave praising its beauty. Dorsey has done yeoman service in publicizing this attraction. But one of the most thrilled spectators at the press party Friday night, was Bill McReynolds, commercial manager of station WOAI-TV, San Antonio. Bill ran a television program on this cave several weeks ago and collected much material for another program in the near future. He says he is

coming back for more.

MOST of the merchants of Sonora closed their doors from 10 to 2 o'clock Saturday for the dedication, many of them attended the dedication, a few of them ate lunch with the Band Parents. And speaking of workers, the Band Parents really turned on during the past two weekends. To many names to mention.

ONE YOUNG MAN was a satisfied Cavern patron last weekend. He came out exclaiming, "How lucky can you be, going thru this Cave with a beautiful girl guide, who talks a good spiel then viewing the majestic, fantastic formations in this Cavern. Boy, oh boy!"

E. D. Alexander of the Fort Worth Star-Telegram was almost as enthusiastic, except he had Bundy for a guide. His friend from Fort Worth, Tom Romine, a retired geologist, is coming back to figure out this freak of nature.

Gaylord Handkins of Rocksprings, president of the Basin-to-Corpus highway assn. came to the dedication to find that an alternate route from Midland-San Angelo-Sonora-Rocksprings to Corpus had sprung up, one proposed from Odessa-Big Lake-Ozona-Sonora-Rocksprings. We also hear from Forrest Avant of Dilley that they propose an alternate route from Uvalde-Dilley south in competition to the route Uvalde-Pearsall-Charlotte. Sure is comfortable to be in the middle and that is where Sonora and Rocksprings are. Dorsey Hardeman says some friends are for one route and some of his friends are for the other route and that he is for his friends. That is Sonora's position.

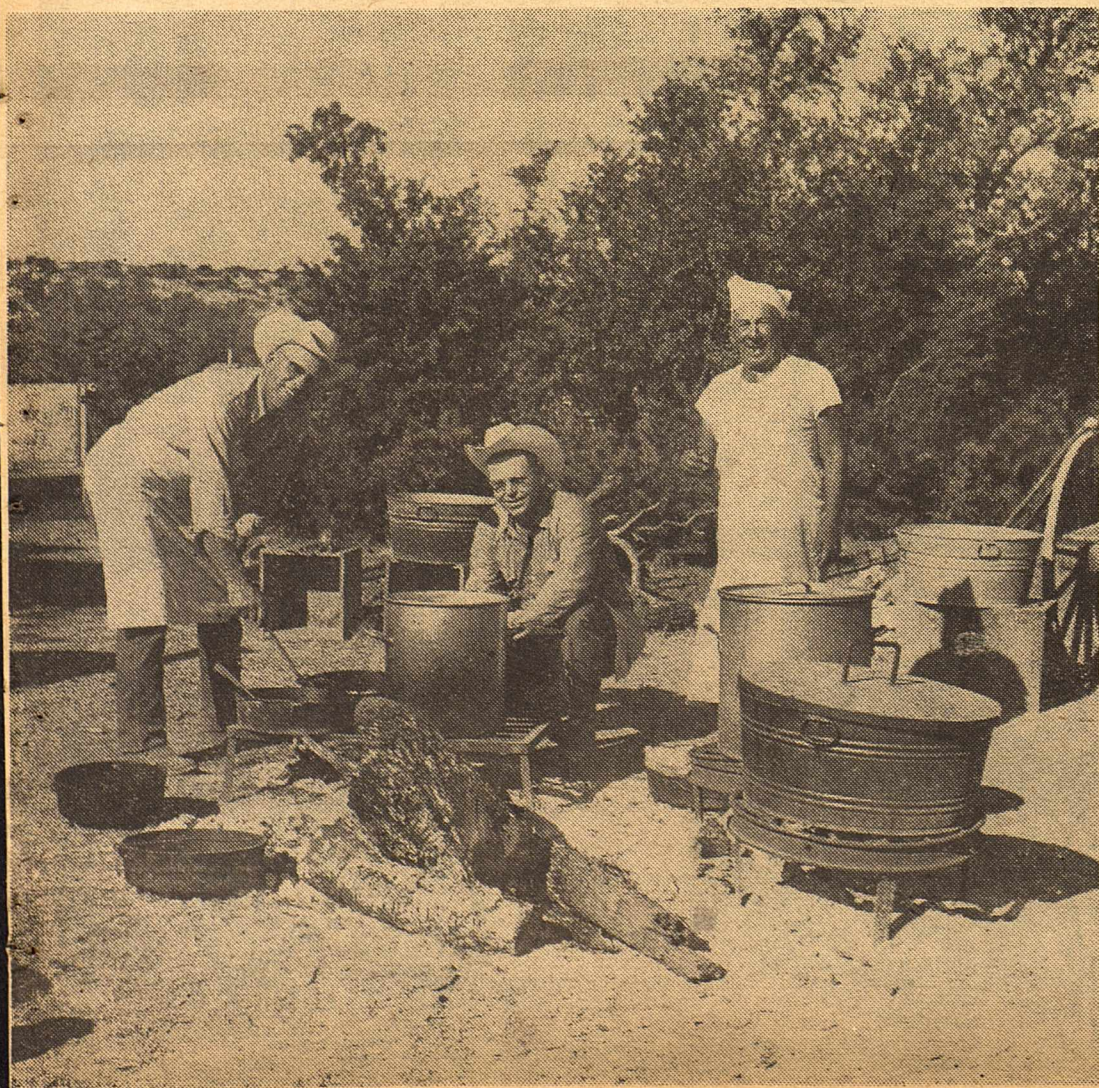

In speaking of those who give and give we might mention that Robbie Creagh donated the popcorn and all the fixtures for the Band concession at the Cavern. Now this is not unusual for he has given the band parents popcorn, grease, sacks, etc. for every football game for years. His generosity has been a big help and will help put our fine band in proper uniforms.

NEXT- The Cavern opening has been pretty high on Sonora's agenda but now that that is history we have a real busy season coming up. Just listen to this:

First: Some 60 to 80 feeders from the corn belt are coming to

CHIEF COOKS at the chuckwagon supper and breakfast for visiting dignitaries and members of the press were L. P. Bloodworth, Wilfred Berger and Severo Chavez. The trio turned out cabrito, frioles and camp bread for supper and bacon and eggs with pan for breakfast. Chuckwagon and campfire were a conversation piece for visitors.

Harry Q. Sharp, 76, Buried Tuesday At Sanderson

Services for Harry Q. Sharp, 76, were held at Ratliff-Kerbow Funeral Home here Tuesday morning, August 2, with the Rev. Doyle W. Morton, officiating. Sharp died Saturday, July 30, in a Menard hospital where he had been a patient for several months.

Born February 9, 1884 at Devalla, Sharp was a long time resident of this area. For the past three years he had made his home at Sanderson where he was employed in ranching and railroad work.

Survivors include his wife, Mrs. Annie Sharp of Sonora; four sons, H. C. Sharp of Monahans, Lt. Col. Savell Lea Sharp with the U. S. Air Force in Newfoundland, Walter E. Sharp of Oklahoma City, Oklahoma, and Jack H. Sharp of Sonora; one daughter, Mrs. George Cardwell of Lockhart; one brother, Fount Sharp of Pontotoc; two sisters, Mrs. Ralph Ord and Mrs. W. R. Qualtrough, both of El Paso, and three grandchildren.

Burial was in Sanderson Cemetery Tuesday afternoon under direction of Ratliff-Kerbow Funeral Home.

Pallbearers were Ervin Willman, Stanley Mayfield and Mankin Stokes, all of Sonora, and Russell Dyer, Sam Harrell and Carlton White, all of Sanderson.

Frank W. Decker Buried Here Sunday, July 31

Funeral services for Frank W. Decker, 62, were held at the First Methodist Church here Sunday afternoon, July 31, with the Rev. Doyle W. Morton, pastor officiating. Decker, a resident of Houston and Galveston for the past 30 years, died in a Houston hospital Friday, July 29.

He is survived by two brothers, Henry Decker and Jim Decker, both of Sonora, and one sister, Mrs. Jewel Walk of Jacksonville.

Pallbearers were Merton Shurley of Christoval, L. E. Johnson, Sr., Collier Shurley, J. C. Stephen, Miers Savell and Libb Wallace.

Burial was in Sonora Cemetery under direction of Ratliff-Kerbow Funeral Home.

Teachers Hired, Tentative School Assignments Made

Odds And Ends

You may have noticed scattered through "The Devil" occasionally the line, "News Want Ads Get Results". It's true! All the way from Maine they get results.

A letter dated July 13 reads as follows:

In answer to your ad (Wanted: Good used canoe).

"Good used canoe-13' Old Town Sponson-Red-Slightly used since 1936- Excellent condition- Will Sell or Trade. Sawyer-Jones Cottage, Sebobeis, Maine."

-oae-

Further news in the communication:

Weather-Good.

Fishing-Fine.

Swimming-bracing.

View-Lovely.

Boating and Canoeing-swell.

We never have understood whether the canoe will be priced delivered or F.O.B. Sebobeis. On just such trivial details may a financial deal hang.

-oae-

We still have some extra copies of last week's special Caverns Edition on hand. They are available at ten cents per copy or 20 cents a copy wrapped and mailed.

This is a good opportunity to spread news of our cavern still farther. Copies have already been bought and mailed to Sonorans' friends and relatives living in many states and in Hawaii and Alaska.

Nominations For ASC Committeemen Made This Week

The County ASC Election Board composed of County Agent D. C. Langford, SCS Technician E. B. Keng, and Frank P. Bond of the Farmers Home Administration elected the following ranchmen to serve as a nominating and tabulating committee for the forthcoming ASC committee election: Edgar Glascock, Thomas A. Morris, Stanton Bundy and Herbert Fields.

This committee, meeting Tuesday morning, August 2, selected these ranchers as candidates for county committeemen for 1960 ASC committee election: Vestel Askew, W. F. Berger, Tom Davis, Harold Friess, W. B. McMillan, Bill Morris, Edwin Sawyer, Jerry Shurley, Bill Tittle and George Wallace.

In addition to the nominees listed above any names of ranchers submitted to the nominating committee by petition signed by ten or more eligible voters in the community will be included on the slate of nominees.

Petitions must be received by D. C. Langford by August 16, 1960, and any so received will be included in the slate of nominees if found willing to serve and eligible under the regulations set forth by the Secretary of Agriculture.

High School Students Register For Classes Monday Through Thursday Next Week

Sonora High School students will begin registration Monday, August 8, Principal Doyle Morgan reminded both students and parents this week.

Seniors will be the first to register for the coming year's work. They will sign up at the principal's office on Monday, August 8, from 8:30 to eleven o'clock in the morning and from 12:30 to three o'clock in the afternoon.

The same hours will hold for all other classes who will register

on the following days:

Juniors, Tuesday, August 9.

Sophomores, Wednesday, August 10.

Freshmen, Thursday, August 11.

Morgan urged that parents accompany students if at all possible so that future plans of each student may be discussed. Included in such discussions would be electives to be taken in public school, possibility of the student's attending college, post-graduation plans.

Annual Community-Wide Bible School Ends Wednesday Night With Program

The Community Vacation Bible School ended with a box supper and program on the lawn of the First Methodist Church Wednesday night, August 3. Over 100 children attended the ten-day school which was held at the Methodist Church under the sponsorship of the Methodist, Episcopal and Presbyterian churches.

Mrs. Jerry N. Shurley headed the school this year and Mrs. Gene Shurley was in charge of refreshments.

Leaders and assistants in the various departments were as follows:

Kindergarten: Mrs. Tommy Smith, leader, assisted by Mrs. D. C. Langford, Mrs. David D. Shurley, Mrs. John R. Tedford, Jr., and Jo Ann Lowe.

Primary: Mrs. Raymond Morgan, leader, assisted by Mrs. Lois W. Young, Mrs. J. Wray Campbell, Alice Lee Duncan and Sarah Lu Hardy.

Juniors: Mrs. Louis J. Wardlaw, leader, assisted by Mrs. Bill Whitehead, Mrs. V. T. Cook, Mrs. Fred Campbell, George D. Wallace and John R. Tedford, Jr.

Askew Named "Wagon Boss" For Boys' Ranch

Vestel Askew, Sonora ranchman, has been appointed local Wagon Boss of the Boys' Ranch of West Texas fall stock drive. Askew will participate in a drive to encourage stockmen to donate sheep or cattle to Boys' Ranch for sale in August.

Askew is one of 60 stockmen

in a large area of West Texas who has been asked to serve as "Wagon Boss" to contract ranchmen in their own communities and urge them to donate a few livestock as gifts, tax-deductible.

Livestock given will be marketed through regular channels at Producers Livestock Auction Company in San Angelo with sheep being offered on Wednesday, August 17 and cattle Friday, August 19.

All proceeds from this First Annual Fall Roundup sale will go to Boys' Ranch for its operation. Animals are to be sold, not retained for the ranch.

Tentative teaching assignments for the 1960-61 school year were released this week by Superintendent Rex W. Lowe. Lowe expressed his confidence in the faculty.

Tentative assignments for the five schools comprising the local system are as follows:

Edwards Plateau Soil Conservation District News

By E. B. Keng
Soil Conservation Service

Frank Fish and Lawrence Bledsoe, partners in the Juno Cattle Ranch, have just begun a deferred rotation grazing system on the Bledsoe Estate ranch in the Edwards Plateau soil conservation district.

Approximately 12 of the 14 sections in the ranch have been set up to be operated as four equal pastures. Each pasture or unit is grazed 12 months, then rested four months. One-fourth, or three of the 12 sections will

be resting at any given time, with livestock from one unit rotated to a rested pasture very four months. Frank has observed and leased grazing on the Bobby Martin ranch which had been completely deferred for several months. He says it is surprising how many animals can be grazed on a recently deferred pasture for a long period and do so well.

No cross fencing was needed to use the deferred rotation system on the Juno Cattle Ranch, although Frank did build one cross fence to obtain more even distribution of grazing. Another method being used to cause livestock to graze a pasture equally all over the placing of salt away from water, and in areas not frequented by livestock before. These salt locations will be moved from time to time to prevent excess trampling in any one area.

The Juno Cattle Ranch is presently stocked with a total of 29 animal units of sheep, goats and cattle per section. No reduction of livestock is necessary to use the grazing system-in fact, it is anticipated that rapid improvement of vegetation will permit an increase in livestock numbers within a very few years.

The deferred rotation grazing system will give the entire ranch a complete deferment every four years-25 per cent each year. During rest periods grasses will have a chance to produce seed, establish new plants, and grow full leaves which are vital in producing food for the plant, and litter for ground cover.

Ground litter is very important in this area to control high intensity rains and reduce evaporation of water from the land. Rangeland which has little or no litter and only scattered shallow rooted plants will lose one-half or more of the rainfall to runoff and evaporation. Frank and Lawrence intend to hold their rainfall, knowing that is the rain you keep that counts.

Conservation is a big thing on the Juno Cattle Ranch. Through the use of conservation practices Frank and Lawrence are guaranteeing their livestock a good place to live, which makes for high ranch production.

Eddie Howell is visiting in Ballinger with his grandparents, Mr. and Mrs. C. L. Howell and Mrs. J. E. Fowler.

Betty Jack Cooper and Mrs. Edith Phillips are spending a week in Alpine where Betty Jack is studying organ. They plan to leave next week for a two-week visit in Los Angeles, California, with Mrs. Phillips' brother and sister-in-law, Mr. and Mrs. Tom Cooper.

THE BIG CHANGE IS TO

flameless Electric COOKING

BRING YOUR KITCHEN UP-TO-DATE WITH A MODERN flameless Electric RANGE

YOU'LL BE PROUD of your kitchen when you switch to flameless Electric Cooking. Nothing does so much to bring your kitchen up-to-date as a MODERN Electric Range. And once you've used easily-controlled Electric Heat—as safe and clean as Electric Light—you'll never go back to the work and worry of old-fashioned flame cooking. Perhaps this is why, nationwide, the sales of Electric Ranges have jumped so fast—proof, of course, that the big change in All-Electric Living is sweeping the country! Buy your new Electric Range now from a local appliance dealer or WTU and it will be installed FREE under the new wiring plan.

New FRIGIDAIRE Flair Electric Range
Most glamorous range—they look built-in, but aren't!

The new FLAIR models glorify any kitchen with built-in glamour. And just slide a FLAIR (cabinet and all) into the place of your present range. No carpentering. No tearing up your kitchen. Incredible? It's true!

You'll feel like a queen!
Frigidaire FLAIR electric range glorifies any kitchen—new, old, large or small. We just slide your old range out (giving you our big, big trade-in allowance) and slide Flair, cabinet and all, in its place. No carpentering, no plastering, no tearing up your kitchen. FLAIR looks built-in, but isn't!

And FLAIR Custom Imperial models give you these already-famous Frigidaire cooking advances!

- * Cook-Master Automatic Oven Control—just set it! When you come home from shopping, dinner's done!
- * Heat-Minder Surface Unit—watches temperature automatically, prevents scorching.
- * Spatter-Free Broiling—exclusive Radiant Wall Broiler Grill keeps spatters in and oven-cleaning light.
- * Automatic Meat Tender—dial the "doneness" of roasts.
- * Speed-Heat Surface Unit—for fast heat when seconds count.
- * Simplified Controls—and clutter-free control panel.

Costs little or no more than other first-quality electric ranges.

See this 30" single-oven version of FLAIR—same features, space-saving size! (Model RC18-635)

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 3 proposing an amendment to Article IX of the Constitution of the State of Texas by adding thereto new Sections 6, 7, and 8, so that the Legislature may authorize the creation of Hospital Districts co-extensive with Lamar County, Hidalgo County, and County Commissioners Precinct No. 4 of Comanche County, having certain stated powers and duties and subject to certain limitations; providing that any enabling Acts shall not be invalid because of their anticipatory character; providing for an election; prescribing the form of ballot and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be, and the same is hereby, amended by adding the following Sections which shall read as follows:

"Section 6. The Legislature may by law authorize the creation of a Hospital District co-extensive with Lamar County, having the powers and duties and with the limitations presently provided in Article IX, Section 6(a), of the Constitution of Texas; as it applies to Wichita County, except that the maximum rate of tax that the said Lamar County Hospital District may be authorized to levy shall be seventy-five cents (75c) per One Hundred Dollar (\$100) valuation of taxable property within the District, subject to district taxation.

"Section 7. The Legislature may by law authorize the creation of a Hospital District co-extensive with Hidalgo County, having the powers and duties and with the limitations presently provided in Article IX, Section 6(a), of the Constitution of Texas; as it applies to Hidalgo County, except that the maximum rate of tax that the said Hidalgo County Hospital District may be authorized to levy shall be ten cents (10c) per One Hundred Dollar (\$100) valuation of taxable property within the District subject to district taxation.

"Section 8. The Legislature may by law authorize the creation of a Hospital District co-extensive with the limits of County Commissioners Precinct No. 4 of Comanche County, Texas.

"If such District is created, it may be authorized to levy a tax not to exceed seventy-five cents (75c) on One Hundred Dollar (\$100) valuation of taxable property within the District; provided, however, no tax may be levied until approved by majority vote of the participating resident qualified property taxpayers voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired, and not to exceed the maximum limit of seventy-five cents (75c) per One Hundred Dollar (\$100) valuation of taxable property; and no election shall be required by subsequent changes in the boundaries of the Commissioners Precinct.

No. 4 of Comanche County. "If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the District may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities but the District shall by resolution assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants) of such subdivisions or municipalities or both. The maximum tax rate submitted shall be sufficient to discharge such obligations, liabilities, and responsibilities, and to maintain and operate the hospital system, and the Legislature may authorize the District to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said seventy-five cent (75c) tax. The Legislature shall provide for transfer of title to properties to the District.

"(b) The Legislature may by law permit the County of Comanche to render financial aid to that District by paying a part of the expenses of operating and maintaining the system and paying a part of the debt of the District (whether assumed or created by the District) and may authorize the levy of a tax not to exceed ten cents (10c) per One Hundred Dollar (\$100) valuation (in addition to other taxes permitted by this Constitution) upon all property within the County but without the County Commissioners Precinct No. 4 of Comanche County at the time such levy is made for such purpose. If such tax is authorized, the District shall by resolution assume the responsibilities, obligations, and liabilities of the County in the manner and to the extent hereinabove provided for political subdivisions having boundaries co-extensive with the District, and the County shall not thereafter levy taxes (other than herein provided) for hospital purposes or for providing hospital care for needy individuals of the County.

"(c) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be invalid because of their anticipatory character.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at a general election to be held the first Tuesday after the first Monday in November, 1960, at which all ballots shall have printed thereon:

"FOR the Constitutional Amendment authorizing the Legislature to create a Hospital District co-extensive with Lamar and Hidalgo Counties, and co-extensive with County Commissioners Precinct No. 4 of Comanche County."

"AGAINST the Constitutional Amendment authorizing the Legislature to create a Hospital District co-extensive with Lamar and Hidalgo Counties, and co-extensive with County Commissioners Precinct No. 4 of Comanche County."

Sec. 3. The Governor shall issue the necessary proclamation for said election, and have the same published as required by the Constitution and laws of this State.

Devil's River Philosopher Passes Up Opportunity To Read Both The Platforms, Sticks With Newspapers

Editor's Note: The Devil's Philosopher on his bitterweed ranch on Devil's River decides to shirk his responsibilities, not for the first time, his letter this week indicates.

Dear editor:
A high-brow friend of mine asked me how I'm going to vote in the Presidential election this

fall and before I had a chance to tell him it wasn't any of his business he said, "Now the intelligent way is to study the platforms of both parties first, then make up your mind." Whereupon he handed me a copy of both and said to take them home and read them.

For the first time in my life,

Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 3 proposing an amendment to Section 24 of Article III of the Constitution of the State of Texas allowing an annual salary of not to exceed Four Thousand, Eight Hundred Dollars (\$4,800) per year and a per diem allowance of not to exceed Twelve Dollars (\$12) per day for the first one hundred and twenty (120) days only of each Regular Session and for thirty (30) days of each Special Session of the Legislature as the maximum compensation for Members of the Legislature; limiting the Regular Session to one hundred and forty (140) days; and prescribing the form of ballot and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24 of Article III of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Section 24. Members of the Legislature shall receive from the Public Treasury an annual salary of not to exceed Four Thousand, Eight Hundred Dollars (\$4,800) per year and a per diem allowance of not to exceed Twelve Dollars (\$12) per day for the first one hundred and twenty (120) days only of each Regular Session and for thirty (30) days of each Special Session of the Legislature. No Regular Session shall exceed one hundred and forty (140) days.

"In addition to the per diem the Members of each House shall be entitled to mileage in going to and returning from the seat of government, which mileage shall not exceed Two

Dollars and Fifty Cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel, from a table of distances prepared by the Comptroller to each county seat now or hereafter to be established; no Member to be entitled to mileage for any extra Session that may be called within one (1) day after the adjournment of a Regular or Called Session."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the 8th day of November, 1960, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment allowing an annual salary of not to exceed Four Thousand, Eight Hundred Dollars (\$4,800) per year and a per diem allowance of not to exceed Twelve Dollars (\$12) per day for the first one hundred and twenty (120) days only of each Session of the Legislature as the maximum compensation for Members of the Legislature and limiting the Regular Session to one hundred and forty (140) days."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and Laws of this State.

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 6 proposing an Amendment to Section 11, Article XVI of the Constitution of the State of Texas, so as to give the Legislature authority to classify loans and lenders, license and regulate lenders, define interest, fix maximum rates of interest, and provide for a maximum rate of interest of ten per centum (10%) per annum in the absence of legislation setting maximum rates of interest; providing that the rate of interest shall not exceed six per cent (6%) per annum in contracts where no interest rate is agreed upon; providing for the right of appeal and trial de novo in the event any regulatory agency cancels or refuses to grant any permit; providing for the necessary election and the form of the ballot; and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 11, Article XVI of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 11. The Legislature shall have authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest; provided, however, in the absence of legislation fixing maximum rates of interest all contracts for a greater rate of interest than ten per centum (10%) per annum shall be deemed usurious; provided, further, that in contracts where no rate of interest is agreed upon, the rate shall not exceed six per centum (6%) per annum. Should any regulatory agency acting under the provisions of this Section, cancel or refuse to grant any permit under any law passed by the Legislature, then such applicant or holder shall have the right of appeal to the courts and granted a trial de novo as that term is used in appealing from the justice of peace court to the county court."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1960, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment giving the Legislature authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest; and providing for a maximum rate of interest of ten per centum (10%) per annum in the absence of legislation fixing maximum rates of interest."

"AGAINST the Constitutional Amendment giving the Legislature authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest; and providing for a maximum rate of interest of ten per centum (10%) per annum in the absence of legislation fixing maximum rates of interest."

Sec. 3. The Governor shall issue the necessary proclamation for the said election and have the same published as required by the Constitution and laws of this State.

I felt like ranching instead of reading.

One of the platforms has over 10,000 words in it, the other one over 20,000, and the prose in both is not what you'd call immortal literature. In fact, it sounds like it was written by the same people who wrote some of those nominating speeches at the conventions, and I got to thinking, if it was a requirement that you had to read both platforms all the way through before you could vote, I figure less than 2 per cent of the population would qualify.

But instead of working, I laid the platforms aside and picked up a newspaper and the first thing I ran into was an article that said the U. S. Treasury is paying off part of its debt.

It went on to explain the Treasury will pay off in cash over 10 billion dollars of federal securities maturing next month, and this sounded like good news, until the article further down explained that at the same time it will borrow an additional 9 bil-

Dove Studies Make Possible Longer Season

Hunters seem to be well pleased at the bonus dove shooting they will get during the 1960 season, according to the executive secretary of the Game and Fish Commission.

This means it actually will pay off about one billion dollars of its debt, out of a total of 289 billion dollars still owed.

As I understand this, me and the United States Treasury are in about the same shape. I don't mind paying off a note, if I can turn around and borrow some more to make up for the hole the repayment left.

I'll let somebody else read the platforms. What I want to learn is more about this borrowing technique.

Yours faithfully,
J. A.

The North Zone season this year will start at 12 noon, Sept. 1, and close at sunset October 30. The South Zone will open October 7 and close December 5, except in the counties where white-winged dove shooting will be permitted three days earlier.

The white-winged dove season will be for three days, September 9, 10 and 11. This season will be from 2 p.m. until sunset.

There also will be an increase in bag limit on mourning doves for the upcoming season. The shooter will be permitted to take 15 per day and have 30 in possession.

Whitewing shooters, who may also kill mourning doves at the same time, will be permitted to have 10 whitewings and 5 mourners for the first day of hunting. They may have 20 mourning doves and 10 whitewings in possession after the second day.

Generally, the Texas quail season will begin December 1, under the general laws. The Commission will set the quail season in regulatory authority counties at its meeting October 7. At that time, biologists will know more about the supply of birds.

Another drastic change in the hunting laws will be legalizing spike bucks in counties under regulatory authority.

Band Parents Club Elects Officers For Coming Year

The Band Parents Club elected officers to serve for the coming year at their meeting last week. Stanley B. Mayfield was named president; Roy Cooper, vice-president, and Mrs. Katherine Linthicum, secretary-treasurer.

Mayfield succeeds J. M. Vander Stucken who headed the organization last year.

The club voted at the meeting to continue to operate the concession stand at the Caverns of Sonora.

4-H'ers And Dads Have Annual Camp On Devil's River

By D. C. Langford

The annual Sutton County 4-H Camp was held at the A. O. Baker Ranch on Devil's River July 25 through July 28. 4-H Club members and dads fished, went swimming pitched washers, ate lots of Severo Chavez's cooking and enjoyed whatever they could promote their dads into doing with them.

The largest fish caught was a 37-pound catfish hauled in by Gene Wallace, West Hill, Preston Love and V. J. Glasscock.

The champion adult bass fisherman was W. F. Berger and the champion 4-H bass fisherman was Bill Karnes. Ray Glasscock caught the largest bass which weighed about three pounds.

Allie Locke and A. O. Baker have cooperated in providing a place to hold the 4-H camp for the past few years and the 4-H members and 4-H parents certainly appreciate their efforts in making the camp possible.

Twenty-two persons, including 4-H members, parents and guests attended the camp.

Tom Taylor of Del Rio was in Sonora this week visiting his brother and family Mr. and Mrs. C. W. Taylor.

Mr. and Mrs. Reed Jennings of Alpine spent last weekend visiting their parents, Mr. and Mrs. Buster Jennings and Mr. and Mrs. Elmer Wilson.

Mr. and Mrs. Tommy Ray Adams of Abilene were weekend guests of their parents, Mr. and Mrs. Mat Adams and Mr. and Mrs. Gomer Minnick.

Three Firemen Attend School

Sonorans will realize a five cent reduction in fire insurance key rates as the result of training courses taken by three officers of the local volunteer fire department.

Fire Chief Lee Patrick, City Fire Marshal John A. Martin, Jr., and Assistant Fire Chief Leon Neely attended the 31st annual Texas Firemen's Training School at Texas A. & M. College earlier this month.

Patrick studied a course in fire department officer training; Martin studied a course for advanced fire marshals and Neely's subject was basic firefighting. Some 1,600 firemen from all parts of Texas attended the school.

Sutton Bond Sales Reach 25.3% Quota Says G. H. Neill

"Savings Bond sales through June 1960 totaled \$20,214," G. H. (Jack) Neill, chairman of the Sutton County Savings Bonds committee reported this week. "Our county has now reached 25.3 percent of its 1960 goal of \$80,000. June sales were \$2,821." Sales in Texas for the first six months of 1960 were \$80,671,012

Sonora, August 18 for the night and to visit ranches in this area on the 19. Your Chamber is feting them with a fish fry at the 4-H Club Center on the evening of the 18.

Second: The Sutton County Junior Rodeo begins August 19 and lasts thru the 20. This is our first one and it's going to be a whopper. Louis Powers chairman.

Third: Our annual Quarter Horse Show is scheduled for September 3 and this one promises to be a big one. We had over 100 horses last year, our first one in several years. Stanley Mayfield Chairman.

Fourth: The Concho District Cancer Society will hold its annual meeting here on October 3. A large crowd expected including many medical dignitaries. Dr. C. F. Browne and Mrs. Alvis Johnson in charge.

Fifth: The All Texas Air Tour will again visit us, coming for first stop here on October 9. They will land at the Mayfield landing strip, visit the Caverns and be served a barbecue dinner there. Planes from all over expected. Gay Copeland in charge.

All play, no work makes Jack a problem child so the fun is over for school starts August 29, 1960. Then comes football. Remember, it's not the winning but how you play the game. We had rather see a team lose hustling than win loafing. So.

Then, our biggest headache will be coming up, the hunting season. Dozens of hunters drop into Sonora wanting to hunt with no earthly idea where they might. It is our job to find them a place, a good place and the only way this can be done is with the cooperation of the land owners. That we must have. Hunters are a wonderful cash crop, lets offer them good hunting. We will again handle hunting preserve licenses for the convenience of the ranchmen.

The Christmas shopping season comes around and of course our streets must be decorated. We are thankful that our streamers

are already decorated. Need supplementing, hanging, etc. Right pretty when done right. (It will soon be time to start working on New Year resolutions).

DON'T FORGET THE MANY FUND RAISING PROJECTS FOR BAND PARENTS!

One innovation at the Press Party Friday evening was the sound of sweet organ music coming from somewhere down yonder. Dock Simmons had set up his portable organ in the west extension of the "big room" and "rock of Ages" was the theme song. Dock also furnished the chet for the floor and walks around the concession stand which was nice for all concerned.

LIONS ROAR

Jim Papadakis, one of the developers of the Caverns of Sonora, was the principal speaker at last week's meeting of the Sonora Lions Club at the Methodist Church. Papadakis voiced his appreciation of the many things local people had done to assist him and partner, Jack Burch, in opening the Caverns to the public. Papadakis expressed special thanks to Stanley Mayfield, L. P. Bloodworth and Carl Cahill, to the cave committee of the Chamber of Commerce, and to everyone who helped in what he termed "the titanic job of opening the Caverns by July 16."

A safety education film was shown by Dan Nowlin of the Safety Education division of the Department of Public Safety. Guests present were Clyde Sheffield of Houston, Doyle Morgan, Papadakis and Nowlin.

Guests of Mr. and Mrs. James B. Pharriss at Eagle Well Ranch have been their granddaughters, Jan and Vicki McMann and Sherry Furgasson, all of Odessa.

Mr. and Mrs. Calvin Howell had as their guests this week Mrs. Howell's mother, Mrs. Lenore Fowler of Ballinger and Capt. Thomas Fowler of Fort Knox, Kentucky.
