heat "Samples" Arriving At Elevators

A Little Damp, Green

Although no official "first Floyd county load of wheat" has arrived at Floyd county elevators, a few farmers have been cutting "sample" pickup loads, hauling it to the elevator for moisture content reports.

Although the price has sloped off to $2.90 per bushel, some of the elevator operators feel that wheat might get back to $3.00 or better. The Seymour-Vernon harvest has shifted into high gear and this has affected the wheat price downward.

Prospects for Floyd county still look very good. There is much very good dryland wheat as well as good irrigated wheat.

Some of the sampling report Tuesday included Cleo Whittle at Davis Grain Company, Vernie Moore and Joy Ward at D & P Grain Company, Darrell Cruse from Flomot at the Cedar Hill elevator. Most of the samples showed from a little over 15 to 21% moisture. Fourteen percent is acceptable without docking the price.

One elevator operator said many fields look ripe, but there are some lower green heads that are causing the high moisture content.

MAYOR PARNELL POWELL, councilmen Leroy Burns and Wayne Russell attended the statewide meeting Tuesday that concerns future use of natural gas to power electric plants. I think it was important that they attend this meeting and really keep tab on the future of this very necessary item for production of electricity.

Mayor Powell told me yesterday that he felt the situation wasn't as bad as he first thought, but said the meeting really served as a warning for power companies to start planning for power from something besides natural gas. The mayor said it was ridiculous for Texas to pipe natural gas off north, then freight coal back down here for power use.

CHAMBER OF COMMERCE manager Doug Frazior gave an interesting review of his work here to the Rotary club luncheon yesterday. I am impressed with Doug, his program of work, and the other Chamber of Commerce leadership that we have. Let's all join them and make this community GO!

Clean-Up Kick-Off June 16

Clean-up Kick-Off Day is June 16th, for the Floydada area. What is your clean-up project? Prepare now and have the job well on its way before time.

The cooperation of all citizens in this project is urged. If you are incapable of doing the task yourself, you may contact Bob Hambright at the Texas Employment Commission, 983-2361. They have people lined up to do yard work and to clean up your alleys.

Suggestions to business men for the clean-up campaign are: a new modern sign, new carpet for the store, new store fixtures, sidewalk repairs, new awnings, new store front, planter boxes for sidewalks, more attractive window decorations, rid sidewalks of weeds and debri, plant trees and shrubs where possible, use hanging baskets, paint and general repairs.

The campaign, being sponsored by the Floydada Chamber of Commerce, wants to see everyone out working at 9 a.m. June 16th.

Floydada Men Hear FU President

Four Floydada men were in Lubbock Tuesday night to hear the President of the National Farmers Union (NFU) speak about the current farm legislation.

The president expressed doubt that Congress would pass any type of farm legislation this year except in an emergency.

"There is some possibility of a comprehensive bill this year but it's not good," said Tony T. Dechant of Denver. "If there was an emergency we might get part of a bill this fall but it probably will be 1976 before we get legislation."

Dechant was in Lubbock during a three-day, four-city tour of Texas to hear farmers' and ranchers' ideas and concerns. He visited Abilene and Roby Monday and will be in Amarillo today.

In an interview at the Southpark Inn, the NFU executive said he feared farm prices would continue to drop "if we get good weather and the large crops we have been urged to produce."

He criticized administration officials for displaying a lack of leadership in the agricultural sector and said the administration "has not initiated any program of its own but carps at everything that comes before it."

Dechant said the veto of "emergency" farm legislation, which would have increased government loan rates about four cents per pound for cotton, will result in a loss of approximately $20 per bale to High Plains producers who put their cotton into the loan.

Based on a production of 1.5 million bales on the High Plains, this would total a $30 million loss in loan value, he said.

The government loan, however, is not designed as a "market" for cotton, other farm officials have pointed out, adding that its traditional function has been to serve as an orderly marketing device.

A loss in loan value, some farm spokesmen have observed, does not necessarily mean a corresponding reduction in farm income.

Dechant said food and energy are the main issues to be faced in the "immediate decades ahead." He said the United States should begin work to establish a national food policy.

Any such policy should include land use planning, the NFU head said, to maintain the family farm and assure conservation of natural resources.

Dechant said the NFU is opposed to a total deregulation of natural gas prices.

"It would cost consumers billions of dollars," he said, "and make heavy inroads into U.S. agriculture regarding the cost of fertilizers."

Attending from Floydada were B. A. Robertson, Louis Pyle, Kenneth Bean, and Wayne Collins.

Freshman Baseball In High Gear

It's too soon to know who will be the baseball greats of the Freshman League, but there has been a lot of action. . . .and a considerable amount of errors in these first games.

Clarence Denton reports the following games:

On May 29 the Mets defeated the Red Sox 7 to 1. Billy Collins was the winning pitcher and Norman Allen took the loss. Collins struck out 13 batters and Allen struck out 8. The Mets picked up 5 hits and the Red Sox had 2.

On May 30, the Dodgers beat the Giants 4 to 3. Jeff Rainey was the winner for the Dodgers and Todd Beedy took the loss. Each pitcher gave up only 1 hit. Robert Vaughan collected the hit for the Giants and Wynsdale Davis hit for the Dodgers.

On June 2, the Mets bested the Giants 19 to 5. David Cochran was the winning pitcher and Donnell Weeks took the loss. The Mets had 12 hits and the Giants had 4.

On June 3, the Dodgers beat the Red Sox 13 to 5. Darron White was the winning Pitcher and Ronnie Minner took the loss. The Dodgers picked up 10 hits and the Red Sox had 6.

Volunteer Workers Needed

Volunteer workers, both men and women, are asked to attend a re-organizational meeting Friday night, June 6th, at 8 o'clock at Lighthouse Electric of the Civil Defense Disaster Unit.

Richard Thomas, commander of the Floydada Defense Disaster Unit, said the meeting was also to up-grade the organization, plan a new training program and to secure volunteer workers interested in maintaining and operating first aid stations in case there is a disaster in the city. All training is free.

At this meeting and those forthcoming there will be discussions on first aid courses, medical self-help courses and emergency rescue techniques plus films on various disasters and how the problems are encountered.

Thomas said there are two different teams of the Disaster Unit, the actual rescue team and the first aid team. Both men and women are needed to make the group complete.

In no way will this group be out in a storm. All volunteers will be doing is aiding injured people after such a tornado or other disaster has occurred.

Medical supplies, which came from donations of persons several years ago, are housed in the basement of Caprock Hospital. These, according to Thomas, will be re-sterilized and re-packaged ready for use in the emergency field hospital and the two first aid stations set-up in case there is such a disaster in Floydada.

The disaster team is equipped with stokes wire baskets and helicopter slings for transfer of the gravely injured peson, and stretchers, oxygen, rescue tools, repelling gear and people trained to use the equipment. Each member of the team also has an individual first aid kit.

Primary purpose of this rescue team is to assist the City of Floydada and its people in the time of disaster. The team works with the disaster personnel of the City of Floydada under Civil Defense director, Bill Feuerbacher.

Rites Friday For Johnny S. Lackey

Funeral rites for Johnny S. Lackey, 78 year old Floyd County retired farmer and rancher, are scheduled for Friday afternoon at 2:30 in the First Baptist Church in Floydada. Lackey, who had resided in Plainview for the past 20 years, died Wednesday morning about 9:55 in Nichols Clinic in Plainview after a lengthy illness.

Dr. Floyd C. Bradley will officiate for the service. Interment will be in Floydada Cemetery under the direction of Moore-Rose Funeral Home.

A native of Wise County, Lackey was born December 18, 1896 and moved to Floyd County with his parents, James C. and Nancy Lackey in 1898. He and Gladys Melanie Leach were married in Lockney February 2, 1918. Mrs. Lackey died January 5, 1946.

He was a member of the First Baptist Church, a veteran of World War I, past director of Lighthouse Electric Co-op, former school trustee, a member of the Plainview Sheriff's Posse and active in other organization until failing health.

Lackey was the first to raise registered Hereford cattle and Palomino horses in Floyd County.

Survivors include a son, Gerald Lackey of the Cedar Hill Community; a daughter, Mrs. Jack (Emma Jean) Stansell of Floydada; a brother, W. E. Lackey of Lockney; a sister, Mrs. Sarah Beard of Floydada; four grandchildren and two great grandchildren.

The family requests that memorials be made to the American Cancer Society.

Floydada Hi-Junior Undefeated

The 15 and 16 yr. old team sponsored by Floydada Livestock Sales is undefeated holding a 3-0 record.

Sunday evening, May 29, Lockney traveled to Floydada only to be defeated by five points with a final score of 15 to 10. Floydada's real advantage showed in their batting as they had 16 hits to Lockneys 4. Making hits for Floydada were Guy Ledbetter and Carmen Soliz with a home-run and single each, Mickey Minnett, Rusty Cagle, Steve Westbrook, and Jay Womack had two hits each. Winning pitcher for Floydada was Guy Ledbetter.

In a close battle Monday evening, Floydada came through as the victor with a score of 10 to 9. Steve Westbrook pitched five innings for Floydada and Idalou only make five hits during the game. Floydada batted 14 hits and these consisted of two singles and one double by Steve Westbrook, two doubles by Rusty Cagle, and one double and single by Ricky Carthel. The next game for the Hi-Junior division is tonight at Abernathy beginning at 8:00.

College Courses To Be Taught In Floydada

College classes will begin in Floydada July 9 and continue through August 13, 1975 under the auspices of South Plains College Regional Occupational Center. Leon Harris, center director of Plainview, will meet in Floydada with prospective students Tuesday, June 10 at 7:30 p.m. in Floydada High School. At that time Harris will list courses available, and discuss financial help available.

Everyone will be urged to apply for Basic Education Opportunity Grants, regardless of income. All should bring a copy of last year's IRS report which will be kept confidential.

Anyone 17 years of age or older and who has been out of school at least a year is eligible to enroll in the college courses.

Persons are also asked to bring a copy of your G.E.D. high school diploma or records, or college transcripts to the June 10 meeting.

"If you did not finish high school, or the G.E.D., come and discuss your interest, and if you are a serious student, you will be accepted, regardless of education background."

All courses are approved by the Texas Education Agency and credits are transferable to other colleges. Eight college courses will be offered in the July 9 - August 13 session.

Vocational courses will be added to these in the fall session. All classes will be held Monday through Thursday nights, from 7 until 10 p.m. Three hour courses will cost $58, not including books or lab fees. All classes will be taught in Floydada.

Persons interested may call the Floyd County Museum, 983-2415 or the Community Center, 983-5055.

Income Varification Manda In Food Stamp Program

All income received by food stamp recipients must be verified if it is expected to be received during the cetification period or is meant for use during the certification period. This includes total salary and wages, gifts or awards for maintenance and bonuses paid as income (such as the crop bonus commonly given by farmers)

Charges are occasionally made that employers do not report total wages paid to employees, particularly the crop bonus. However, local welfare officials are somewhat skeptical of these reports. Both the employee and employer commit criminal offenses when income is intentionally reported incorrectly to obtain benefits or increase benefits from the food stamp program. Local officials feel it is not likely an employer would conspire with his employees to defraud the government. Employers simply having nothing to gain when their criminal responsibility is taken into consideration. The employer commits a

New rates for long distance calls within Texas.

With Discount Periods and a new One-Minute Rate, you may be able to save money.

Rates for Long Distance calls within Texas have just changed.

For you—the telephone customer—it means most rates are going up.

But you may be surprised to learn that rate changes won't necessarily bring higher telephone bills.

Because with our new discount for dialing your own calls, you can better control your Long Distance costs.

In some cases, you may be able to *save* money on your Long Distance bill by taking advantage of these rates.

For example, there's a new one-minute rate on all calls that you dial yourself—without the operator's help.

Under the old rate, the initial rate period was for *three* minutes. Now on One-Plus dialed calls the initial rate period is *one* minute.

That means you can save by reducing the length of your call.

*DISCOUNT RATE PERIODS FOR ONE-PLUS CALLS WITHIN TEXAS

	Mon	Tues	Wed	Thurs	Fri	Sat	Sun
8 a.m. to 5 p.m.	Day Rate Period Full Rate						
5 p.m. to 11 p.m.	Evening Rate Period 25% Discount						Eve. 25% Discount
11 p.m. to 8 a.m.	Night and Weekend Rate Periods 35% Discount						

NOTE: The Evening rate applies all day on the following holidays: New Year's Day, July 4, Labor Day, Thanksgiving and Christmas Day, except in instances where the holiday falls into Night/Weekend period. In this case, the lower rate applies.

*On operator-assisted calls, the same rate applies at all hours on all days.

Also, for the first time we are offering flat percentage discounts for Evening, Night and Weekend One-Plus calls.

Using the Day rate as the base, the Evening rates will be 25 per cent less. And, on Nights and Weekends there will be a 35 per cent discount.

So, if you call later in the day or night, or on weekends, you're going to get the lowest rates possible.

But if you place calls through an operator, rates for these Zero-Plus calls will be higher, at any time—night or day. These include calls from a coin phone, collect, credit card and calls billed to a third number.

The initial rate period of three minutes will continue for these and other operator-assisted calls.

And, person-to-person calls will cost more than any other type call.

*EXAMPLE OF NEW RATES FOR MAXIMUM DISTANCES

	#One-Plus	Each Additional One-Plus Minute
DAY RATE	50¢ or less	42¢ or less
EVENINGS 25% Discount	38¢ or less	32¢ or less
NIGHTS AND WEEKENDS 35% Discount	33¢ or less	27¢ or less

#One-Plus charges for 1 minute.

NOTE: One-Plus rates also apply on station-to-station calls placed with an operator where One-Plus facilities are not available.

*Rates quoted do not include taxes.

Simply put, if you dial the call yourself, you are going to get a lower rate. If you place your call through an operator, it will cost more.

Now our new rates offer you a choice.

By dialing your own calls and by taking advantage of our discount rate period, you can still get low rates and fast service.

TIPS ON HOW TO SAVE ON LONG DISTANCE

To save on your Long Distance calls within Texas, follow these tips:

(1) Dial all your Long Distance calls the One-Plus way. Dial 1, plus the Area Code, if it's different from your own, plus the seven-digit number.

(2) The new one-minute rate for One-Plus calls is in effect 24-hours a day. If you talk 60 seconds or less, you pay for only one minute—not three.

(3) When possible, call Nights and Weekends the One-Plus way. You'll be getting a 35 per cent discount from the Day rate.

(4) If you call Evenings, you will save 25 per cent from the Day rate on One-Plus calls.

Mrs. Michael Ferguson
(former Carol Brock)

Carol Brock, Michael Ferguson Wed In Lockney Methodist Church

Wedding vows for Carol Brock and Michael Ferguson were read Sunday, June 1 in the First United Methodist Church in Lockney. The double-ring ceremony was performed by the Rev. Hugh B. Daniel, pastor of the church.

The bride is the daughter of Mr. and Mrs. Harold Brock, 101 Apogee Drive, Lockney. The groom's parents are Mr. and Mrs. A. O. Ferguson, 5507-9th Street, Lubbock.

Vows were repeated before an altar decorated with two baskets of blue and yellow pompoms, two cathedral candelabra with entwined greenery, and a prayer bench with a life candle.

Mrs. Bobby McCormick was organist; she accompanied Mrs. Jack Whittington and Mrs. Eddie Teeter, who sang "More," "The Twelfth Of Never" and "The Lord's Prayer."

The bride was given in marriage by her father. Her gown, hand-made by her mother, had Chantilly lace appliqued on miramist, veiled over bridal satin and pellon. The applique motifs were seeded with pearls. The gown had a fitted bodice, long fitted sleeves with lace motifs, and a high wedding band neckline. The cathedral length veil was double illusion, bordered with Chantilly lace motifs arranged throughout the veil, each with seed pearls, and had a pearlized headpiece. The bride's bouquet was a yellow cascade of roses atop a satin-and-lace-covered Bible belonging to her mother, with the wedding ring of the bride's grandmother, Mrs. Melvin Brock, tied into the bouquet.

"Something old" were the pearls that belonged to the bride's great-grandmother, Mrs. G. A. Brock; "something new" was the bride's attire; "something borrowed" was the Bible; "something blue" was the bride's garter. The bride wore pennies in her shoes bearing her and the groom's brithdates.

Maid of honor was Joann McCormick of Lockney. Bridesmaids were Becky Bybee and Connie Bradley of Lockney. Bridesmatron was Mrs. Ira Brown of Lubbock, sister of the groom. The bride's attendants wore floor-length dresses of yellow and white gingham trimmed in white ric-rac, with "V" necklines and empire bodices, deep ruffles at the bottom, and butterfly sleeves. They carried nosegay bouquets of yellow roses surrounded by blue carnations, and wore yellow lace hats. Kim McCarter and Lana Smith of Lockney were candlelighters.

Keith Billington of Plainview, uncle of the groom, was best man. Groomsmen were Richard Brock of Lockney, brother of the bride, Tommy Billington of Lockney, a cousin of the groom, and Louie Bybee of Lockney. Ushers were Mark Wolfington of San Antonio, cousin of the groom, and Ira Brown of Lubbock, brother-in-law of the groom.

Jonie Ellison of Crosbyton, cousin of the bride, registered wedding guests. The table was round, draped in white felt overlayed with lace and centered with yellow and blue carnations. A white quill pen was used for registering.

A reception was held at Fellowship Hall in the Methodist Church following the ceremony. Servers were Lisa Scheele, Sandra Dorman and Anna Murdock of Lockney, and Kathy Kirkendall of Crosbyton, cousin of the bride. Shawnda Brock of Lockney, cousin of the bride, distributed rice bags.

The five-layer, three-tier cake was rectangular, decorated with blue and yellow candied roses. Brass appointments, a crystal punch bowl with brass stand, and crystal cups and plates were used. Bridesmaids' bouquets surrounded a brass candlelabra in the reception hall. Nuts and yellow mints were served. The white napkins were printed with the names of the bride and groom. The tablecloth was of white hand-made bonded lace.

Reception workers were Mrs. David Jackson, Mrs. Paul Glasson, Mrs. D. J. Phillips, Mrs. Bobby McCormick, Mrs. James Jeffress, Mrs. Bill Thompson and Mrs. Don Bybee.

The bride chose a street-length multi-colored jersey dress for traveling. The couple will be at home at 1502 S. Date Street, Plainview.

Thelma Horn Honored On Retirement

Mrs. Thelma Horn, retiring Home Economics teacher at Floydada Della Plains school building, was honored with an informal reception in the school class room last Thursday.

Guests were invited to register in a red and white gingham checked covered book by students, Kelli Helms and Simona Maldonado.

Mrs. Douglas Degge, Mrs. Mary Martinez and Mrs. Pat Gonzales served punch, coffee and fruits breads. They were assisted by students, May Joyce Smith and Dorothy Ledbetter. The students wore long skirts or jumpers of denim and bandana hankerchiefs which they had made in class.

The table, covered with a white cloth, held an arrangement of shasta daisies and red roses, a gift from Mrs. Adrain Helms, who also assisted in serving. Red and white checked napkins carried out the Future Homemakers of America colors.

Mrs. Lavada Garrett presented Mrs. Horn with a gift of "bread" from the students, in appreciation of all the home baked bread students had baked in class and sold to finance class projects. The "bread" gift was revealed to be a breadbag with money.

Friends and fellow teachers also presented Mrs. Horn with a money tree, and Supt. A. E. Baker presented her with an engraved silver school bell honoring her for her devotion to her students.

Texas State Teacher's Association president for the Floydada unit, Mrs. Charles Craig, presented Mrs. Horn with a gold plaque commemorating her 26 years in the teaching profession.

Shower Honors Mrs. Lambert

A layette shower honoring Mrs. Dickie Lambert was given Saturday, May 31, in the Lockney home of Mrs. Gene Collins, Jr.

Guests were registered by Mrs. Mike Carthel. Refreshments, served by Miss Shelby Collins and Mrs. Belvred Jack, were pineapple punch, decorated cakes, nuts and mints. The serving table was covered with an ivory linen tablecloth and centered with a large arrangement of yellow flowers. Mrs. Lambert and her mother, Mrs. Buddy Sue, wore corsages centered with small dolls and surrounded by green and yellow net and ribbon.

Mrs. Kenneth Wofford, Mrs. Gene Belt, and Mrs. June Bybee assisted in displaying gifts. Hostess gifts were a high chair and infant lamp.

Hostesses were Miss Shelby Collins, Mmes. Kenneth Moody, Durwood Jack, Lynn Ray Smith, Belvred Jack, Kenneth Wofford, June Bybee, Arlon Miller, Mike Carthel, Gene Belt, Johnn Belt, Robert Carthel, Boyce Mosely, Jack Gibson and Mrs. Collins.

Moore, with a Bachelor of Agriculture; Gary Dale Lyles with a Bachelor of Business Administration; Doug Sewell with a Bachelor of Business Administration; and Patricia Ann Parker with a Bachelor of Science in Nursing.

Surprise Reception Honors W. N. Gants On 35th Anniversary

A surprise reception Sunday afternoon feted Mr. and Mrs. W. N. Gant of Aiken, who celebrated their 35th wedding anniversary June 1.

Hosts for the event, which was in the fellowship hall of Aiken Baptist Church, were children of the Gants. They are Ray and Linda Gant, Trent and Tandi of Lubbock, Roy and Jean Gant of Canyon, Brenda and Larry Elam, Tonya and Tamara of Aiken, Fred and Judy Gant and Gary of Aiken.

W. N. Gant and the former Sudie Simmons were married June 1, 1940, at Whitney, Texas, in Missionary Baptist Church by the minister, Rev. Willer.

They moved to Aiken community from Hillsborough, Texas, in 1957.

A white cloth trimmed with blue lace covered the serving table. Ginham and calico fabric flowers were arranged in a blue colander to form the table centerpiece. The cake was shaped like an open Bible. Homemade ice cream also was served.

Mrs. Gant wore a fabric flower corsage made by Mrs. Francis Minderman, mother of Mrs. Fred Gant. Mr. Gant's boutonniere was also made of fabric.

Special guests were Mr. Gant's sisters, Mr. and Mrs. Ed Foreman of Lubbock, Mr. and Mrs. Reese Popejoy of Lubbock, and also his nephew, Mr. and Mrs. Harold Foreman and Angie, also of Lubbock.

Also attending were Mr. and Mrs. Jack Dickson, Mr. and Mrs. Francis Montandon, Mr. and Mrs. Pete Adams, Rev. and Mrs. Bill Sessom, Mr. and Mrs. Eugene Owens, and Mr. and Mrs. Maurice Campbell of Dougherty, parents of Mrs. Roy Gant.

May 24th Vows Read At South Plains For Darla Milton And Jerry Chappell

Mrs. Jerry Don Chappell

Wedding vows were read May 24 in the South Plains Baptist Church for Miss Darla Christine Milton and Jerry Don Chappell. The double-ring ceremony was performed by Dr. Floyd C. Bradley, pastor of the First Baptist Church of Floydada.

The bride is the daughter of Mr. and Mrs. Grigsby Milton Jr., of South Plains, and the groom is the son of Mr. and Mrs. Elwin O. Chappell of Floydada.

The wedding scene was accented with a formal arrangment of white and blue carnations as the focal point, highlighted by a pair of brass cathedral candelabra, with blue tapers and a brass kneeling bench. Bridal bows of blue satin completed the setting. Pews were marked with blue satin bows and gypsophlia.

Given in marriage by her father, the bride wore a formal length gown of white organza fashioned with a Victorian neckline of ruffled organza and long Bishop sleeves ruffled at the wrists. The empire bodice was styled with a rounded yoke of chantilly lace, accented with scattered seed pearls and sequins, and edged with a self ruffle. The softly gathered A-line skirt extended into a chapel length train. A deep flare of pleated ruching formed the hemline of the skirt and train. Her headpiece was a Juliet cap of matching lace holding three tiers of illusion.

The bride carried a white prayer book topped with a cascade design bouquet of white roses and white streamers centered with Jaset orchids, later removed to wear on her traveling ensemble. The Bible was borrowed from Mrs. Bryan Vickers of Floydada. She borrowed the blue wedding garter from her matron of honor and wore a gold cross pendant, a gift from the groom. She also wore a penny in her slipper.

Mrs. Eugene Edwards, Floydada, was her sister's matron of honor. Bridesmaids were Misses Nan McCulley and Paula Bryant of Floydada. They wore floor length gowns fashioned with Victorian necklines, butterfly sleeves and empire waists. The blue knit fashions were complimented by china painted pendants worn at the neck, a gift from the bride, and white cartwheel hats. Each carried nosegays of white and blue daisies with white streamers.

The flower girl, Carman Kay Powell of North Platt, Neb., neice of the bride, wore an ensemble styled to that of bridal attendants. She carried a basket arrangement of blue and white daisies.

Kenneth Huckabee of Oklahoma City, uncle of the groom, was best man. Ushers were Eugene Edwards of Floydada and Gene Chappell of Crosbyton, cousin of the groom. Serving as groomsmen were Craig Turner, Floydada and Bryan Vickers of Floydada.

Ring bearer was Rusty Blake Edwards of Floydada, nephew of the bride. Serving as candlelighters were Lisa Beth Powell and Jerry Milton Powell both of North Platt, Neb., niece and nephew of the bride. Lisa and Carman Powell also distributed rice bags.

Miss Judy Chappell, sister of the groom, registered wedding guests.

Mrs. Kendis Julian of South Plains was organist and also accompanied soloist, Miss Christy Stringer of Floydada as she sang "The Lord's Prayer", and "We've Only Just Begun."

The reception was held in the church parlor immediately following the wedding. A three tiered wedding cake topped with a mass arrangment of candied blue flowers was served with punch from crystal appointments. The table was covered with a white cloth over blue and held an arrangement of blue and white flowers accented with blue tapers. Presiding at the table were Miss Kathy Chappell, sister of the groom, Mrs. Arlis Powell of North Platt, Neb., sister of the bride, and Mrs. Bryan Vickers.

Other members of the houseparty were Mrs. J. P. Taylor, Mrs. Ruby Lee Higginbotham, Mrs. Kendis Julian and Miss Shari Johnson.

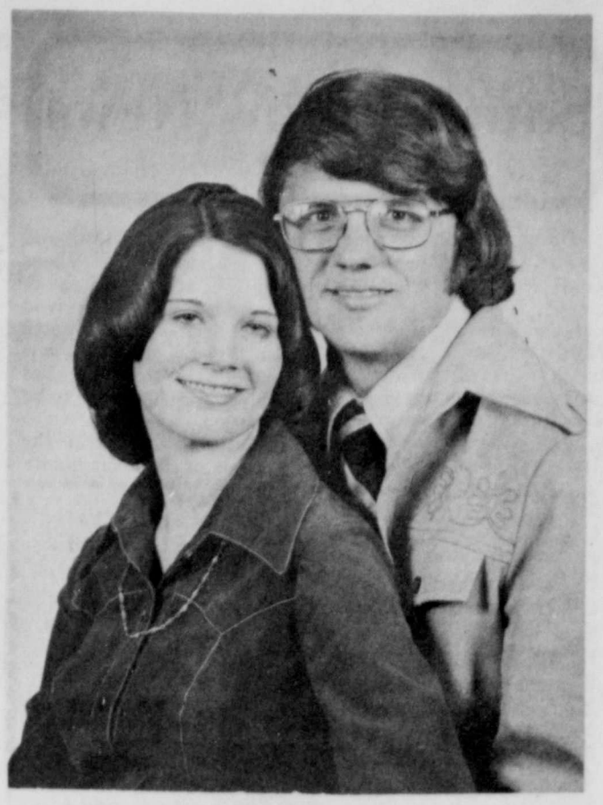

For travel, the bride changed to a blue coat dress with white accessories.

The couple now reside at 1108 Plato Road, Apt. 54 in Duncan, Okla., where the groom is employed for Halliburton Co.

Both are graduates of Floydada High School and attended South Plains College at Levelland where the groom graduated in May.

DELIA CAMPOS has been named Director of Nurses at Floydada Care Center, effective June 1, 1975. Miss Campos replaces Lauless Parkey, who resigned. She completed her Nurses Training in Plainview in 1973, and has been employed by Floydada Care Center for 7 years. She is the daughter of Isidro Campos of Petersburg.

TO WED IN JULY. . .The engagement of Gay Ann Miller and Mark Rodney Hall has been announced by the parents of the bride, Mr. and Mrs. D. L. Miller, of Route 3, Floydada. Parents of the prospective groom are Mr. and Mrs. Curtis Hall, of Petersburg.

Miss Miller is a graduate of Petersburg High School and West Texas State University, and is now employed as a kindergarten teacher in the Floydada school system.

Hall also graduated from Petersburg High School, and from Texas Tech University. He is a junior high school band director in the San Marcos school system.

The wedding is planned for Saturday, July 19, in the First United Methodist Church, in Petersburg

THE Pioneer Assoc., is going to try and fill a full schedule of entertainment for next year's Old Settlers' Reunion. One official said they also planned to have the entire pioneer dance on the concrete slab, right in the hussle and bussle of everything, unless there is bad weather of course. Too many of these pioneers "just go home early" when they have to leave to go elsewhere to dance or to "just watch".

HERE is a yummy entertaining food idea from out California way. I guess it's alright if we use their ideas in Texas. Flavor softened cream cheese with onion powder. Spread mixture on slices of boiled ham and roll up ham. Place in refrigerator until cheese "sets", then slice into ½ inch pieces and serve.

WANTA hear how kissing really got started, this is anonomous of course. Anyway kissing is just so much chemistry. It has to do with the craving of salt. The cave man found that salt helped to cool him off in the summer. He found, too, that he could get salt by licking his neighbor's cheek, and found it more interesting if the neighbor was one of the opposite sex. Then everybody forgot about salt, thus starting the kissing fad!

I HEAR before long, tractors may be chugging along on vegetable oils. It may not be as far fetched as it sounds. One of the first diesel tractors, I'm told, used palm oil to fuel some of its early engines and with this in mind engineers recently staged a demonstration in Iowa in which they ran an engine off of pure soybean oil. Futher tests are planned to determine the amount of horsepower the engine will produce when run off soybean oil. While current prices would make this oil too expensive as gasoline or diesel fuel substitutes, engineers are not ruling out the possibility of their use in the future.

HAVE you ever visited around the Sterling City, Tex., area? If not you may be interested in touring the William Foster Ranch there. Friends of ours who visited there recently were overwhelmed by the number of whitetail deer scurrying through the brush and across the grass flats. They number in the thousands as do turkeys and bob white quail.

The rancher, popular with wildlife enthusiasts, has introduced wildlife foreign to that area. He imported two pairs of white and spotted fallow deer which now have produced a herd of more than 100. In recent years he has also imported from Alaska a few Red Stag and Sika deer in hopes they too will multiply, and I hope I have the correct spelling on those.

Anyway if you plan to vacation in Texas, this is one of the spots you may want to visit.

"Golf, golf, golf!" wailed the wife as her husband, clubs in hand, started for the door. "I really believe I'd drop dead if you spent one Sunday at home."

"Now, now," rejoined her spouse, "there's no use in talking like that. You know you can't bribe me."

IN FLOYDADA

Vacation Bible School At First Baptist Starts June 9

It's Vacation Bible School time again at First Baptist Church. The morning school will be conducted for 3-year-olds through the sixth grade. The hours will be from 8:30 until 11:30, Monday through Friday. The date is June 9 through 13.

The church buses will run on every east and west street. They will be leaving the church each morning at 8:00 o'clock. The children riding the buses will be taken home immediately after the school each day.

There will be an evening school for the Junior High group this year from 7 to 9 each evening. An unusual and special program is being planned. Along with the Bible study, there will be such special attractions as a Mexican food supper on Monday evening, and a swimming party on Friday.

A vacation Bible School will also be conducted at Mt. Zion Baptist Church the same week. The time for this school will also be 8:30 to 11:30, and it will be for ages 4 through 13. Several ladies from First Baptist will be assisting those of Mt. Zion.

All boys and girls of our community are invited to attend any one of these schools.

South Plains News

By Mrs. Murray Julian

Although some of our families spent some time in storm cellars last week, there was no violent weather here. Rain did fall Thursday, with hail and about an inch of rain, around the farms and homes of Jack Smitherman, Sylvin Kinnibrugh, Early Pritchett, Alvin Nichols, Frank McClure, Curtis, Otho and Richard Sanders and others near this area. The rest of our community received only a little over a quarter inch. Some of the wheat was damaged in this hail, and some cotton may have to be replanted.

Vacation Bible for all the children of the community will be held at the South Plains Baptist Church next week, beginning June 9th and going through June 13th. Hours are from 8:30 p.m. to 11:30 a.m. Mrs. Kendis Julian is in charge of the preparations and the church bus is planning to run this year, to pick up all the children.

Rev. Mike Oden is leaving this Monday morning for Espanola, Nex Mexico, where he will be taking part in a week of mission Vacation Bible School, held for the Indians and others on the Reservations around Espanola. Rev. Oden will accompany Rev. Bruce Keller from the Northside Baptist Church of Plainview, and they plan to be home Saturday. Mrs. Oden will be spending this week at the Baptist Encampment with the Acteen Girls from the church.

Among those who were present for morning Baptist Church services here Sunday morning were Mr. and Mrs.Mark Sanders, Mr. and Mrs. Carlton Johnson, Mrs. Royce Bethel and Sheree, and the grandsons of the J.P Taylors, Jeffrey and Johnny Taylor of Lockney.

Mr. and Mrs. Sylvin Kinnibrugh went to Gilliland Thursday and Friday of last week to help take household furnishings for his brother, Mr. and Mrs. John Kinnibrugh, who moved back there last week.

Mr. Jo Y'Blood, from Medford, Oregon, arrived last Wednesday at the home of her sister and husband, Mr. and Mrs. Early Pritchett and Steve, and will be visiting here and with other relatives for some time.

Lockney Cooperatives held their annual meeting Saturday night, May 31, in the Lockney High School gymnasium, with dinner and speaker for the evening, Art Holst from Peoria Heights, Illinois. Several from South Plains were present for the evening.

The young couple plan to be married August 11, at the South Plains Baptist Church.

At the Awards Assembly Tuesday in Lockney, Zach Cummings received the J. L. Martin Christian Athlete Award, and his name will be added to the award plaque which hangs at the school. Cummings also had a perfect attendance record for his senior year, and Deneen Johnson also had a perfect attendance record for her sophomore year at Lockney High School.

Acteen Girls Camp begins this Monday morning, June 2, and goes through June 5, after the noon day meal. Girls took a sack lunch to have at noon, and there is a general assembly at 1 p.m. Girls carried all their bedding, towels, cloths, and clothes and other things they would need during the week. Mrs. Mike Oden is staying with the girls and Mrs. Kendis Julian helped carry the girls and their luggage down to the Baptist Encampment. Attending from here is Shandra Young, Sandra Powell, Renee Sanders, Kristi Julian, Glenna Powell and Mrs. Oden.

YOU CAN KNOW . . . with certainty what is right and wrong in religious matters and all questions that you might have regarding the Word of God.

Jesus said, "If ye continue in my word, then are ye my disciples indeed; and ye shall know the truth, and the truth shall make you free."

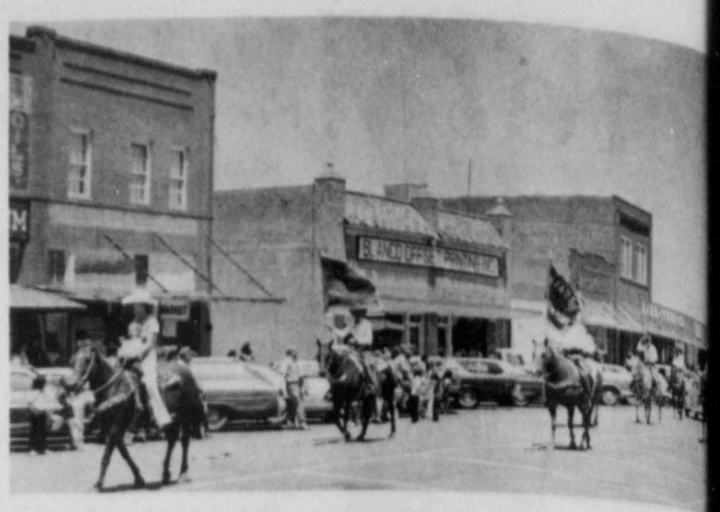

This statement of Jesus, "ye shall know the truth" means absolutely nothing if you and I cannot know the truth with certainty. Of course just because a person knows with certainty does not mean they will bring themselves to do what they know to be right.

John 7:17 (A.S.V.) "If any man willeth to do his will, he shall know of the teaching, whether it is of God, or whether I speak from myself." (The King James uses the word "doctrine" instead of "teaching" which is to say the same.)

This statement of Jesus makes it perfectly clear I can know his teaching or doctrine. Which also gives meaning to such verses as II John 9 ("Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son.") because that doctrine is clear enough that I can know what to do in doctrinal matters as well as the fact that doctrinal matters do make a difference as far as God is concerned.

Thus we have a two fold task: learn the doctrine and then bring our will into complete subjection to his will, and when a person determines to do his will they can know what he would have them to do, and as we do so we please God. Jesus knew the importance of submission even as far as he was concerned, can we do less? (Hebrews 5:8; John 4:34)

Food Stamp Outreach Meetin

The State Department of Public Welfare is scheduling outreach meetings for the general public in an effort to create a greater understanding of the food stamp program and of the program benefits available to the majority of low income families. As a part of the general outreach effort, the Department will schedule various county-wide meetings to explain application procedures and program benefits.

The first meeting in Floyd County will be conducted in Spanish. It will consist of a discussion of the program by Mr. Jerry Flores, Food Stamp Supervisor, and a question and answer session after the discussion. All persons interested in the program are urged to attend. The meeting is scheduled for Tuesday, June 17, at 8:30 p.m., Fellowship Hall, St. Mary Magdalen Church, 503 S. Wall Street in Floydada, Texas.

COTTON FROM 3

plantings in the Mississippi Delta have fallen far behind schedule because of heavy rainfall throughout the planting season.

"If substantial progress is not made during the last week of May, the combination of low planting intentions and unfavorable weather will result in record low plantings throughout most of the Delta," said Cox.

Cox said the unplanned, additional cutbacks induced by bad weather come just as U.S. textile mills — cotton's biggest customer — show signs of recovering from their economic ills.

"Mill use of cotton has increased steadily since reaching a nadir in January," said Cox.

"Moreover, March figures just released on the ratio of mill inventories to orders of cotton fabrics showed the first significant improvement since this index began a period of steady deterioration almost two years ago."

On foreign production, Cox said Cotton Incorporated information still shows that it will be down sharply, although not quite as much as reported earlier.

"World cotton prices have strengthened during March and April, while prices for alternative crops have softened," said Cox. "In addition, government assistance to the cotton industry in some countries has been a factor in encouraging increased cotton plantings."

Cox said increases over earlier plantings reports are now expected in Central America, Greece and Turkey.

Letter To The Editor

Dear Sir:

We have enjoyed your many tall fish tales so I think you'll enjoy this one I'm sending you which in my opinion, just about tops the lot of them. I hope you'll find space in your paper for a rerun of it. It was sent us from our son and daughter-in-law who live and fish at Ballinger.

Thank you,
John Green,
Floydada, Texas

BALLINGER (SC) — Darrell Fenwick can tell you a story about the 67-pound yellow catfish that didn't get away — until one day later.

Fenwick landed the catfish with an unbaited line Saturday and deposited his catch at Ueckert's One-Stop Station, located on the Bronte Highway.

However, when owner Bill Ueckert opened up for business around 5 a.m. Sunday, he discovered the catfish was gone from a minnow tank and the fence enclosing the tank had been broken into.

The yellow catfish was believed to be the biggest ever caught in Runnels County. The 67-pound catfish was hooked on three unbaited hooks, once in the tail fin, once in the side fin and once in the mouth.

Authorities were informed Sunday morning of the "fishnapping" and one Runnels County sheriff's official said he felt he knew where the fish was. Presumably, word got around that lawmen were hot on the trail of the fishnappers and within 15 minutes, an anonymous phone call was received, saying Fenton's fish was in a pool of water underneath a certain highway culvert.

No ransom was demanded.

The victim was returned unharmed, but several pounds lighter, from the scene.

Fenton meanwhile, undaunted by his experience with fishnappers landed 29- and 39-pound catfish Monday.

Silverton Rodeo June 6-7

The Silverton Young Farmers will co-sponsor a Junior Rodeo with the 4-H and FFA. It will be held June 6-7 at 8:00 o'clock p.m. For more information contact Ray Thompson Implement Co. Silverton, Texas.

The Young Farmers will also sponsor a western dance each night at 9:00 o'clock on the concrete slab. Admission will be $2.00 per person. The music will be provided by Revue.

Guest Speaker, Music Program At Floydada Methodist

Dr. Luther Kirk, Methodist minister from Lubbock will be speaking at the 11 a.m. services at the Floydada First United Methodist church Sunday. Dr. Kirk is a former district superintendent of the Plainview district of Methodist churches and is well known to most Methodists in this area.

MUSICAL PROGRAM

The evening services feature a singing group from Oakwood Methodist in Lubbock. They are directed by Gloria Alcala, a former resident of Floydada, as her husband, Joe was wire chief for Bell Telephone here. The name of the group is the "Oakwood Singers."

The evening services start at 7 o'clock. There will be a salad supper for Jr. High and Senior High youth at 6 p.m. There will be cookies and homemade ice cream for everyone after the 7 p.m. service.

Il Penseroso Sets Bridge Tournament

Il Penseroso Junior Study Club of Lockney will sponsor a bridge tournament Monday, June 9, at the Rebekah Lodge hall (one block west of First National Bank).

Area women are invited to participate. Registration will begin at 9:30 a.m. with play to be from 10 a.m. to 3 p.m. Reservations for couples may be made by calling Charlotte Brock at 652-2652 or Jackie Lou Holt at 652-3456. Tickets at $3.50 per woman will entitle the holder to a morning snack, a hot lunch, chances at door prizes, and the winners' prizes.

Proceeds will be used to help finance the club's scholarship for a Lockney High School senior, the club's work with the local Satellite School and other charitable causes.

Former Lockney Resident Featured In California Paper

Perry Keeter

The following is an article which appeared in The Daily Independent newspaper of Corona, California, in late May. It was written about a former Lockney resident Perry Keeter, son of Mr. and Mrs. Joe Keeter, now living in Corona.

"That happy guy with the eternal smile and the Texas drawl at Corona High is Perry Keeter. Unfortunately for the graduating senior, this track season has been one of frustration and was seen mostly from the sidelines.

"Last year Perry hurled the shot put 50-3 and the senior was looking forward to another record-breaking year. Keeter had a good reason to be looking forward to the season. He had been throwing the shot at 47 feet early and he had not been lifting weights like he had the previous year.

"But over the Easter vacation, Keeter was lifting some boxes when he strained a muscle in his lower back. Keeter felt constantly-increasing pain for the next few days until he could hardly move. Perry went to a chiropractor who relieved him of the pain and kept him from competing for two weeks.

"In the next two weeks Keeter began his comeback. He threw the shot against Ramona and Rubidoux but didn't place in either meet. And then Keeter suffered his second setback — one that was not going to be as easy to overcome as the first — he came down with mononucleosis and the doctor ordered a minimum of two weeks rest. Perry was out of school for one week and has not been in the shot put pits since.

"Even with the loss of Keeter the number one shot putter, coach Tony Hughes' squad was one of the best in the league. The whole Panther team fared well throughout the Ivy campaign, finishing with a 5-1-1 record in league and 7-1-1 overall. 'Physically it has been a disappointing season, but mentally it has been a great year,' said the Texan. 'I don't think a guy should feel bad for himself but he should feel for the whole team and what they do. I'm kind of down individually but overall it was a great year.'

"Keeter started the year weighing 185 and the sickness brought him down to 165, where he still stands.

"The discus is a new event at Corona this year and Keeter established the record with a throw of 131-6. The team was only allowed to throw the discus before the league season began. The discus lost a bid to become a regular event in the Ivy league on a 5-3 vote by the coaches. 'I like it. It's a good competitive event and it should be in the Ivy League,' said Keeter, 'It knocks guys out of other events, but you have to specialize in it too. It's a great event. There's nothing more brilliant than watching a discus man that knows what he's doing.'

"Perry has been a standout guard for the Corona football team the past two years. In '74 the Texan was an all-Ivy first choice and this year he was put on the second team behind Scott Fraser of Poly and Dave Graser of Colton. 'I don't have any regrets about being put behind them. Graser is an excellent guard and Fraser just mutilates people,' said Keeter.

"Perry came to Corona in March of '73 from Lockney, Texas, a small town with a population of 3,000. 'It was a change coming to Corona because the school was bigger and the city was bigger, but the people were no different. I found a lot of nice, humble people here and don't think I could have had a better high school career in Texas,' said Keeter.

"Perry plans on going to Chaffey Junior College in September and then transferring to Long Beach State to major in physical therapy. Perry is also considering the ministry."

Perry Keeter is the nephew of Mrs. Bill Reagan of Lockney.

Brenda Thomas Earns Degree

Brenda Jo Thomas earned a Bachelor of Science Degree in Education at West Texas State University during commencement exercises May 17.

Brenda was on the Dean's Honor Roll and was elected to membership in the elite scholastic honorary society, Alpha Chi. Candidates for Alpha Chi are elected from the top 10 percent of the junior and senior class.

Brenda began work on her Masters degree as a Educational Diagnostician June 3. She is a 1971 graduate of Lockney High School and is the daughter of Mr. and Mrs. W. L. Thomas, Jr.

Vacation Church School Program Picnic Friday

Everyone is invited to attend Vacation Church School closing program at 10:30 Friday morning in the First United Methodist Church sanctuary.

Those who wish to attend the picnic at 11:30 should bring a sack lunch. Drinks will be provided.

Crager Named To Hon

Bruce L. Crager, grandson of Mrs. Arch Crager of Lockney, has been elected to Tau Beta Pi, National Engineering Honor Society, as announced by the Texas Delta Chapter at Texas A&M University.

Bruce Crager

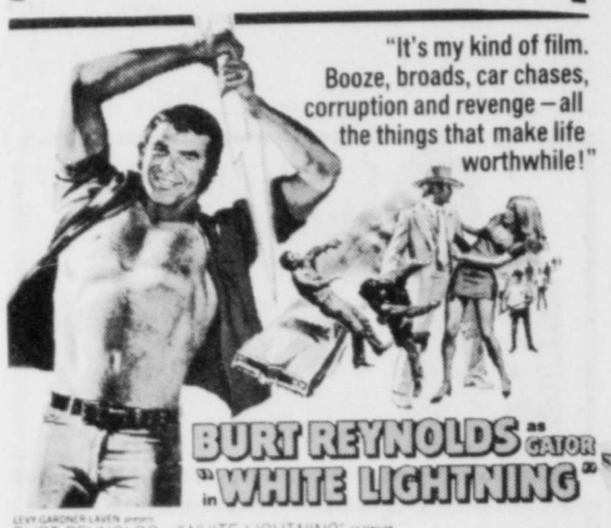

Tau Beta Pi is the highest honor obtained by engineering students, awarded on the basis of scholarship and character.

Crager was recipient of an oil fellowship, selected as an ocean engineering at Texas A&M, second such fellowship he was awarded in the department. Crager had received the award. He also received a fellowship for the fall semester.

Crager is a Canyon High graduate and received his B.S. degree from A&M in May.

Center News

By Mrs. J.E. Green

Mr. and Mrs. Dale Teague of Beaver Creek, Oregon came last week ofr a visit with relatives in this area; her parents Mr. and Mrs. Burl Huckabee; and aunt, Mrs. Ola Warren and Mrs. Fred Battey, and others.

Last week, Mr. and Mrs. W. C. Plumlee left after church for Amarillo where they visited their son, Bobby and family, returing home Tuesday.

Mrs. Paul Stout and babies of Quitaque were in town Friday for a check up and visited with her parents, Mr. and Mrs. Thomas Warren and grandmother, Mrs. Ola Warren.

Mr. and Mrs. Fred Battey visited Mr. and Mrs. David Battey Sr. of Harmony Sunday night.

Mr. and Mrs. W. B. Parrock of Anson stopped by to visit briefly with the C. W. Denisons Thursday, after Mr. Parrack's fifty day stay in High Plains Baptist Hospital in Amarillo. He was temporarily discharged, feeling some better and both anxious to get home.

Sunday guests at the Denisons were their sons and wife, Mr. and Mrs. Gilmer Denison of Lubbock.

A dinner guest Sunday at the Charley Spence home was a neighbor, Art Ratzliff. In the afternoon all went to a Plainview hospital where Mrs. Ratzliff is a patient having had surgery Tuesday. On the way home they visited in the Lockney Rest Home.

A sister-in-law of local residents, Mrs. Ora Carpenter and a daughter and husband, Mr. and Mrs. Gilbert Nelson, all of Wolf City were in town last Monday. The family get together and dinner at Mrs. Leo Frizzell's included Mr. and Mrs. Claud Carpenter, Mr. and Mrs. A. E. Frizzell, Mrs. Ava Jackson, the Wolf City visitors, and the hostess, Mrs. Leo Frizzell.

Mr. and Mrs. Hal Thomas visited in Post Sunday in the homes of his sisters.

Mrs. Gordon Mayfield attended the W.M.U. Council meeting of Caprock Association last Saturday in King's Restaurant. Mrs. Mayfield is Director and is all set for the Girls' Camp this week at Plains Baptist Assembly.

Mr. and Mrs. Mayfield visited Mr. and Mrs. Weldon Cumbie at Providence Tuesday evening.

Mrs. Hal Thomas has received word that her brother-in-law, Price Scott of Buena Paek, California had a stroke and heart attack a few days ago at his home. Mr. Scott will be remembered by old timers in Floyd County as the very efficient County Superintendent of schools for ten years before their moving to California. We hope for hime a speedy recovery.

Mrs. Jerrold Vinson of Harmony visited Sunday night with Mrs. O. C. Vinson.

Mrs. Luther Holmes visited Mrs. Vinson Sr. awhile last week and helped quilt.

Sunday dinner guests of Mrs. R. C. Ross were Mr. and Mrs. Clarence Guggee and Mrs. Lois Guffee.

Bro. and Mrs. Clay Muncy of Lockney visited Miss Vera Meredith Tuesday. Miss Maurice Burton came Saturday night and Mrs. Green visited breifly after church Sunday.

Mrs. Green visited with the Pecks late Sunday night. Other visitors there Sunday were Mr. and Mrs. Verlan Leavelle of Brownfield and their three children. The parents returned home, but the children, James, Cindy and Kenny, remained for a longer visit. At supper time they were roasting weiners in the barbecue pit in the back yard. Mrs. Leavelle is a niece of the Pecks.

Miss Florrie Conway, librarian at Wayland, who grew up at Lakeview, is in Central Plains Hospital, Plainview, after being bodily injured some ten days ago in a car accident. Following surgery she is having some painful days and nights. We hope she will be better soon.

Mr. and Mrs. J. B. Massingill of Phillips, guests of Mrs. Green a recent weekend ago left for home Wednesday. We had a good time. We attended "Old Settlers" Saturday, church on Sunday, and Tuesday took a tour South: through the camp in the canyon, on by Cone then through Mt. Blanco Canyon to Crosbyton, to the museum and visited Mrs. C. A. McClure and Mrs.Allen, and back by the Anthony Latta home. Walked over the cap where we partly grew up.

State Comptroller Office In Lubbock M

AUSTIN — Comptroller Bob Bullock reminded taxpayers in a 20-county Lubbock area that the Comptroller's field office opens Monday (June 2)in a new location in Lubbock, Suite 400 of the Terrace Shopping Center at 4902 34th Street.

Bullock said the move will give room for additional Comptroller Department employees and would be much more convenient for taxpayers to reach while providing much better parking facilities.

The new office telephone number is (area code 806) 795-0691.

The Lubbock field office services about 7,100 taxpayer accounts in the following Counties: Bailey, Cochran, Yoakum, Gaines, Dawson, Terry, Hockley, Lamb, Hale, Lubbock, Lynn, Borden, Garza, Crosby, Floyd, Motley, Dickens, Kent, Cottle and King.

"Any taxpayer who has any question or problem with any state tax ought to go to this office," Bullock said, "Th... to serve... public a... people to...
