UIL Realignment Creates New Competitors For The Wolves

Thanks to a drastic realignment by the powers that be, the University Interscholastic League in Austin, the Colorado City Wolves will be traveling with some fast and classy competition next season.

Following this school year, District 6-AA as it has been in the past will be no more. Colorado City will be competing in District 7-AAA with Abilene Wylie, Clyde, Stamford and .....Breckenridge.

The Buckaroos, who had some legendary football powerhouses in the 1950s and who are currently ranked number three in the state in Class AA, will make their debut in Wolf Stadium on Nov. 13, 1980.

The remainder of the Wolves' 1980 district schedule will include Wylie, there, on Oct. 17, Clyde, there, on Oct. 24 and Stamford, here on Nov. 7.

The main problem with the realignment, as far as Colorado is concerned (outside of competing with Breckenridge), will be scheduling non-district games. With only five teams in the district, Colorado City must schedule six non-district games instead of merely three as they have during the past few years.

Superintendent Charlie Uselton said Monday that Sweetwater was dropped from the schedule because they will be competing in a nine team district leaving them only two non-district games.

Uselton added that he and Athletic Director Tom Ramsey were working on the matter, making calls to as many schools as possible to try to nail down some contracts, preferably with schools within a reasonable traveling distance.

The new schedule was completed Tuesday and is listed later in this story.

Uselton finally added that the sooner the schedule could be worked out the better since, due to the realignment, almost every other school is also trying to schedule games and the longer a school waits, the more likely they are to be left out in the cold.

The AAA designation which Colorado's district will have next year doesn't signify any big change.

An extra A has been added to all of the classifications. What up until now has been Class 4A will now be Class 5A and on down the line until you reach Class B, which will be Class A. This was done to try to eliminate the stepchild status which the schools in Class B have seemingly had up until now.

The classification in which each school is put is determined by its average daily attendance in grades 9-12 for the two previous years, in this case 1978-79 and 1979-80. The cutoff points for the classifications for the next two years have been determined as follows: Class 5A, 1,310 students and above; Class 4A, 1,309 students to 615 students; Class 3A, 614 students to 265 students; Class 2A, 264 students to 135 students; and Class A, 134 students and below. Schools with less than 85 students in grades 9-12 may enter a team in a six-man football district.

Uselton stated that the average daily attendance at Colorado High School for the past two years has been about 400 students, placing the school about halfway between the cutoff points of its classification.

As stated earlier, Stamford and Abilene Wylie will remain the same district with Colorado High School. Of the other teams, in what is now District 6-AA, Merkel, Anson and Winters will drop a classifica-

Elderly Persons To Receive Funds

Persons over retirement age on social security or receiving supplimental social security income will receive a first priority rating under a governmental assistance program this winter.

"We are accepting applications for assistance now and funds will become available January 1, 1980," Community Action Director Ann Gregory stated.

"This program is basically established to assist persons who are solely dependent on social security income for support.

"A recent survey indicated elderly persons are inclined to pay their utility bills rather than buy groceries. They let their medical bills wait and pay utility bills instead," Mrs. Gregory noted.

"In order for a person to receive benefits under this program, which is titled 'Crisis Intervention' and is federally funded, a person must submit proof of needs and fall under poverty guidelines.

"This includes proof of income, outstanding medical or pharmaceutical bills, outstanding grocery bills and copies of utility bills," she stated.

Poverty guidelines include: in a one person household, an income up to $4,250 annually; in a two person family, $5,625 annually; in a three person family, $7,000 annually; in a four person family, $8,375 annually; in a five person family, $9,750 annually and in a six person family, $11,125 an-

Farm Land Bond Plan Squeeks By In County

With more than 4,300 registered persons eligible to vote in the general election held Tuesday only 214 ballots were cast in the six precincts in Mitchell County on three proposed state constitutional amendments.

Countywide results of the election showed the rulemaking amendment failed; the land bond issue passed and the notaries public issue failed to receive county approval.

State wide results in the election showed the rulemaking amendment failed; the land bond issue passed and the notaries public issue passed.

Issue I: Mitchell County voters cast 93 votes for and 117 against the amendment to authorize the legislature to provide terms of office of notaries public that are not less than the current terms of two years and not more than four years. The amendment also provides the state shall appoint a convenient number of notaries public for each county.

Issue II: Mitchell County voters cast 63 votes for and 142 votes against the amendment to authorize the legislature to enact law establishing procedures for legislative review of state-agency rulemaking.

Issue III: Mitchell County voters cast 120 votes for and 92 votes against a proposed amendment to establish a state guaranteed loan program financed by bonds.

This proposal would authorize $10 million in

Specters Haunt Westbrook Halls

It was a night to remember for Westbrook Seniors Terry Webb and Rosemary Lopez Friday as they were crowned king and queen of Westbrook's big annual events, the Halloween carnival.

The theme of the event was "Star Wars" or "the vast somewhere" ronation." In keeping with that idea, a hilarious skit was presented in which creatures from "the vast somewhere" came to earth and did all kinds of wonderful things like throw pies at each other, etc.

Webb and Lopez were attended on their thrones by crownbearers Kendal Beasley and Stephanie Matlock who are kindergarten students at Westbrook.

Also sharing the spotlight were representatives from each class, vying for the honors of prince and princess of divisions I, II and III.

Division I included

Livestock Feed Program Planned

A hot dry summer and early fall have been the advantage of Mitchell County cotton farmer but have hurt the livestock producer.

"Because we have little or no native grass and very little small grain due to a lack of rain during the late summer and early fall, the County Committee intends to consider submission of an application to the state for an emergency feed program," Agricultural Stabilization and Conservation Service Director Don Stewart stated.

Livestock producers who wish to receive assistance under the emergency feed program should submit an application to the ASCS Office. Feed purchased prior to making application is ineligible for cost share unless the feed purchased is on hand the date the application is made and can be verified by a representative of the County Committee, Stewart noted.

"The EFP is available at all times to livestock owners who meet program requirements," Stewart said.

Eligibility Requirements include: the livestock owner must have suffered a substantial loss in livestock feed (40 per cent or more below normal); not have sufficient feed for eligible livestock for the feeding period and must have

an required to make feed purchases in quantities larger than normal, Stewart said.

Enthusiastic Comedy Offered By Playhouse

An only slightly risque comedy, "Last of the Red Hot Lovers," opened Wednesday night to an enthusiastic crowd at the Colorado City Playhouse. The play, written by Neil Simon, will continue tonight (Thursday) and Saturday and will also have performances on Nov. 14, 15 and 17.

Veteran Playhouse performer Carl Beery Moore stars in the production as Barney Cashman, a restaurant owner nearing middle age who goes searching for the wild fling he never had as a youth.

Moore is supported in the play by Robin Decker playing the part of Elaine Navazio, Susan Samuelson playing the part of Bobbi Mitchell and Paula Chastain playing the part of Jeanette Fisher.

Tickets for the production are now on sale at the playhouse for $3.50 per person.

Reservations may be made by going by the playhouse, by calling **728-3491 or by writing the Colorado City Playhouse, Box 704, Colorado City, Texas 79512,**

The playhouse will be open from 1 p.m. to 8 p.m. today (Thursday) and Saturday and from 1 p.m. to 5 p.m. tomorrow (Friday).

It will also be open from 1 p.m. to 5 p.m. on Nov. 12, 13 and 16 and from 1 p.m. to 8 p.m. on Nov. 14, 15 and 17.

The play is being directed by Bill Martin and produced by Marsha Moore. The set design is by Porter Richardson.

"Last of the Red Hot Lovers," is the Colorado City Playhouse final production for 1979.

Arena Demolition Nears Completion

A discussion on renovation of the rodeo arena at the Mitchell County fairgrounds took up a considerable portion of the monthly meeting of the board of directors of the Colorado City Area Chamber of Commerce & Agriculture Monday night.

In addition, the Chamber directors approved and signed a 10-year lease with Mitchell County for the ground where the arena is located. The lease has an option of a 10-year renewal.

Tearing down of the old arena has just about been completed and work is to start shortly on building the new arena. It was noted that the project will cost between $20,000 and $25,000 and funds are being solicited to help with the project.

In addition, a search is on for 2½ and three-inch pipe to be used for the construction. Any-one wishing to donate money or pipe should contact Joe Anderson, the Chamber of Commerce or City National Bank.

The new arena will be built somewhat on the order of the arena at Post, except for a few modifications. The new arena will be built completely out of pipe with

Salvage Is To Be Sold

Gates, poles and wire previously used in the rodeo arena at the Mitchell County Fairgrounds are now being sold.

Anyone interested in buying these items should contact Joe Anderson at the arena.

Money from the sale of these items will be used in rebuilding the arena. The items are going to be sold as they cannot be used in the new arena.

Excitement Mounts As Festival Nears

The second annual Cotton Festival for Loraine will get underway Saturday morning with a parade at 10:30 a.m.

Among the floats scheduled for the parade will be the Cotton Festival Queen candidates, Colorado City Junior High Band, Loraine Band, Business and Professional Women's Club of Loraine and many other entrants.

Girls vying for the Cotton Festival Queen and their sponsors are Debbie Brown, Bobby Graham Exxon Station; Mitzie Hallmark, Custom Ag; Sheila Martin, Cree-Mee Drive In; Jennifer Hackfeld, Martha's Beauty Shop; Carla Banks, Preston Department Store; Deloras Martinez, Leisure Lodge; Teresa Clifton, Henderson Cafe; Emma Garcia, Johnson Clinic and Vicki Barlow, First State Bank.

Also competing are Sheila Hill, Green's Grocery; Melanie Oliver, Jap Doyle Phillips 66 Station; Martha Munoz, Denny's; Jana Britton, Gene Britton Garage; Pam Epperson, Loraine Machinery and Norma Gamez, Co-op Gin.

Others are Lupe Vallejo, Mitchell County Gin; Margie Guerrero, Limones Pool Hall; Stephanie McAdams, Woodrow Pratt Ins.; Margie Alvarez, Taylor & Mearse Ins. Agency and Melissa Clifton, Scott Fuel, Inc.

The queen will be crowned Saturday at 7 p.m. by the reigning queen, Ginger Preston.

Events have been scheduled all day long, according to Edgar Hal-

Police Roundup

Certain citizens of the area continued their destructive ways this past weekend as the city and the police department were once more plagued with a series of vandalisms.

They began at about 5:30 p.m. Friday when a vacant house at 801 Concho Street was reported to have been defaced on the inside by someone using a can of black spray paint. The damage was estimated at about $65.

The incidents continued Friday when three tires on a pickup parked at the Colorado High School parking lot were reported slashed at about 9:30 p.m. The damage in this incident was estimated at about $165.

On Saturday, Grady Morris reported that someone had broken a hot water line at his laundry at 1719 Vine Street. The amount of damage in this incident was set at about $70.

The rampage continued Sunday when at about 1:30 p.m. it was reported that the grill of a 1971 Toyota parked near the Colonial Food Store at 1205 Hickory Street had been kicked in. This was $50 more damage done.

Probably the most scary incident occurred at about 6:30 p.m. Sunday, again at Colorado High School.

Someone with a high powered rifle had fired a shot through a door on the north side of the main building. The shot first went through the glass on the outside door. It then crashed through a metal door on the inside and hit and passed through a double wall. The bullet then went the length of a classroom, passed through another double wall and finally ended up in a closet.

The damage here was estimated at about $200.

Also on Sunday, there was a great deal of vandalism at Colorado Middle School, some of which wasn't discovered until Monday.

A front window on the southside of the building was reported broken at about 2 p.m. Sunday. The damage here was estimated at $25 and at first it was thought that this was all there was to the incident.

On Monday morning, however, it was discovered that the cafeteria at the school had been broken into and some ice cream stolen. The two incidents were connected by the police department because the day before an ice cream stick had been found near the broken window.

There was still more to the vandalism incident. After breaking into the cafeteria, the intruders had found some oil and had poured it all over the cafeteria floor and walls.

In addition to this, 15 decorative stained glass windows had been broken out in the school. The total damage in the incident was estimated at about $230.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN--The shutdowns of low-level nuclear waste dumps in other states may prompt Texas to create a dump of its own.

Although Texas has several sites which generate nuclear waste, the state has no permanent site for disposal of such wastes and has been shipping them to dumps in South Carolina, Washington and Nevada. Only the South Carolina dump is still operating and officials there announced recently it would not take on the wastes refused by other states.

Texas now has to find a place to ship the radioactive wastes which are accumulated here. Health Department officials predict the wastes could pile up for six months to a year before the state faces a major problem.

Last session, the Texas Legislature rejected a bill to create a low-level nuclear waste dump somewhere in Texas because the penalty to other states for illegal dumping was $200--the same fine for littering on the highways. The Nevada and Washington dumps shut down after illegal dumping was discovered at those sites.

Gov. Bill Clements long ago expressed his willingness to create a dump site in Texas and lawmakers are now mulling over the problem. Strong sentiment exists that if Texas does create a waste dump, then the facility should accept only Texas waste and none from any other states.

Tuition Low in Texas

A brighter note for Texans came last week from Higher Education Commissioner Kenneth Ashworth who told a legislative committee that state university tuition and fees would still be among the lowest in the nation, even if tuition doubled.

He stopped short of recommending an increase, though. The Coordinating Board will consider such a proposal in January.

"Redneck" Attitude

Institutions of higher learning came under attack from Gov. Bill Clements two weeks ago when he charged they probably wasted more tax money and effort than any other state agency.

Clements, himself, drew criticism from Lt. Gov. Bill Hobby for that comment.

Hobby told reporters that there is already a strong current of "anti-intellectualism" in the Legislature, "but it should be the duty of the governor to counteract that sort of thing rather than give it redneck reinforcement."

He backed higher education as "very well run" and added "If there were fat (too much tax money) there, I think we would cut it out."

Black-Hispanic Coalition?

Controversial Ruben Bonilla, national president of the League of Latin American Citizens and a Texas, flew to New York last week to meet with the director of the National Urban League.

The subject: creation of a working coalition between blacks and Mexican-Americans.

The Corpus Christi attorney said minorities are concerned they are losing ground in the area of civil rights.

Bonilla, who has been outspoken in the past months, also blasted U.S. District Judge Ross Sterling of Houston for sentencing three former Houston police officers to one year and one day in prison for violating the civil rights of Joe Campos Torres. Torres died in police custody after he was beaten and thrown into a bayou by the officers.

Sterling's removal from the bench will be a priority Hispanic issue, Bonilla vowed.

Hill Seeks Refund

Former Attorney General John Hill asked Dallas County to refund half of the money he paid for a recount of county votes last year in his race against Gov. Bill Clements.

Hill said he was due the money not spent in the recount, about $1,000 of the $2,071 he paid.

Garwood Named

Governor Clements has appointed Austin attorney Will Garwood as associate justice of the Texas Supreme Court. He replaces Sam D. Johnson, who is now judge of the 5th U.S. Circuit Court of Appeals. Garwood is expected to seek a full term as a Republican in the 1980 election.

Rep. Roberts to Retire

U.S. Rep. Ray Roberts, D-McKinney, announced he will retire at the end of the 96th Congress. Roberts, 66, touched off a flurry of political activity in the 4th Congressional District. One observer predicted the district will be split by redistricting.

Attorney General Opinions

Atty. Gen. Mark White in a legal opinion ruled expert witnesses at criminal trials cannot be paid greater fees as witnesses than other witnesses.

He also found that a district clerk is required to file exhibits received in evidence during criminal proceedings as well as those received during civil proceedings.

The Titus County Hospital District may select its depository from among those used by Titus County.

The North Texas Commission is a governmental body under the Open Records Act because it receives public funds.

Byerly Dies In Rotan

Fred Byerly of Rotan died Nov. 3 in the Rotan Hospital after a lengthy illness.

Byerly was the father of Carole Byerly Hull, a former teacher in the Colorado City Schools.

Funeral services were held Tuesday in the First Methodist Church in Rotan. He was a retired postal employee.

Survivors are his wife, two daughters and two sons.

Is now the time to buy land?

Acquiring that farm might seem more practical with financing through the Federal Land Bank. Land is easier to pay off when costs are amortized over extra years with a long-term Land Bank Loan. Your total cost of borrowing, too, can be less. Ask us for help: We know land values; we will inspect the property. We will then try to make a loan that meets your exact needs.

Girls Capture District Title

Colorado City's girls Tuesday night won their seventh consecutive district crown in volleyball as they easily defeated Ballinger in Wolf Gym.

A large crowd was on hand to see the game which was no contest from the beginning. The Colorado City girls were undefeated in district play as were the junior varsity girls against Ballinger and Stamford.

The win was by a 15-5 margin in the first game and 15-8 in the second round. Esther Martinez was leading scorer with 11 points while Brenda Smith had six points.

Coach George Martin's team will next face the winner of District 3-AA, either Seminole or Denver City. They are the only two teams in that district and have not yet played each other in district. Those two teams will play tonight and Tuesday with the bi-district game probably to be played Tuesday, Nov. 20.

Members of the varsity squad are Kim Hardegree, Esther Martinez, Holly Neff, Brenda Smith, Marty Callaway, Karla Herm, Jessica Randle and Sidney Stewart.

In the junior varsity game, Coach Pat Parker's team won 15-10, lost 7-15 and won 15-1 with Debra Jackson and Venita Johnson both scoring 10 points.

Wolves, Bulldogs Renew Rivalry

The fires of an old rivalry, Colorado City vs. Coahoma, will be heated up once more Friday night in Wolf Stadium and for the next two seasons, at least, it won't be a district contest.

The Wolves will be moving into a district with Stamford, Clyde, Abilene Wylie and Breckenridge while Coahoma will travel west to play Denver City, Seminole and Crane.

Colorado Head Coach Tom Ramsey said Tuesday from what he had seen of Coahoma, they were beginning to jell and play like they had been expected to from the beginning of the season. He added that they had only lost one district game, to Abilene Wylie, and that one had been close.

On offense, the Bulldogs run out of a Power-I formation and on defense they operate out of a 5-2 alignment.

Ramsey went on to say that probably one of Coahoma's big strength s was their offensive line. They are very big, possibly the best in the district.

Ramsey said that last week's game against Merkel was one of the better games the Wolves have played this year and he pointed out several players who had outstanding performances.

Quarterback Mark Carter accounted for all three touchdowns with a TD pass to Russell Noel and two runs on his own.

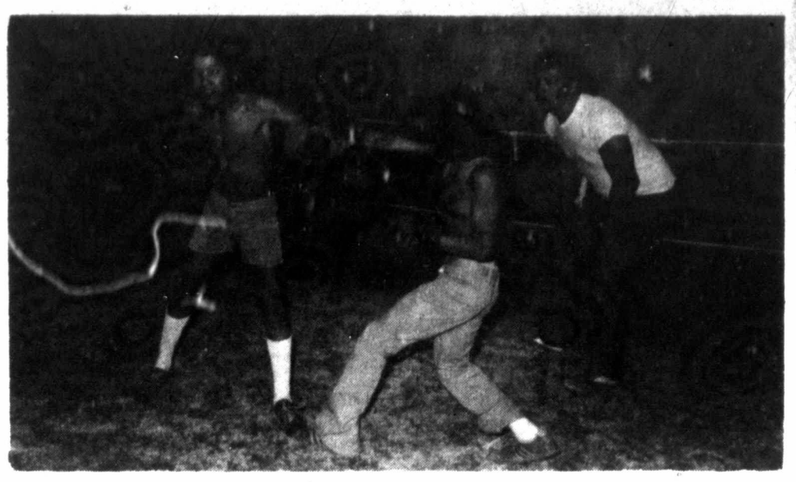
Noel had two receptions including his TD catch for 82 yards.

On defense, the steller performers were Raul Gomez and Britt Chaney at tackle. David Alvarez and John Lowrance at linebacker and Squeeky Hanks and Jay Green in the secondary.

This will be the final game for a number of Colorado High School Seniors.

Putting on their last performance at home are Hanks, Chaney, Gomez, Lowrance, Noel, Charles Edwards, Rod Reeves, Scott Cawthron and Chuck Claxton.

There are also a number of Seniors who have been injured during the season and who will be on the sidelines, including Clay Hammond, Ricky Ornelas, J.D. Lewis and Lupe Luera.



THE MITCHELL COUNTY BOYS' Club boxing team will be in Sweetwater Friday and Saturday fighting in a tournament at the Abilene Boys' Club. These two young boxers go through a sparring session in preparation for the matches.

Westbrook Junior High girls' basketball team ran their season mark to 2-0 Monday with an 18-9 win over McCaulley. Teresa Browne led the Wildcats with six points.

Westbrook led 3-2 after the first quarter and had a 5-4 lead at halftime. The third quarter score was 11-6, still in favor of the Wildcats.

The Westbrook boys' Junior High basketball team dropped their season opener 32-39 to McCaulley in McCaulley Monday. Westbrook trailed 8-2 after the first period and was still behind 17-6 at halftime.

The Wildcats pulled to within four points at the third quarter buzzer as they were behind only 19-15.

Roger Cantu led the Wildcats with 15 points.

xxx

Coach Linda Mathis' seventh and eighth grade volleyball teams ended their seasons Monday night in Bronte.

The eighth grade "A" team dropped their series to Bronte by the scores of 17-15, 2-15 and 7-15 and ended their season with a five win, six loss mark.

The seventh grade "A" played three close games with Bronte before losing by scores of 13-15, 15-7 and 12-15. The seventh graders finished their season with a four win, two loss record.

xxx

Westbrook's boys and girls varsity basketball squads both dropped their opening contests to Eula in Eula Tuesday night.

Rose Lopez scored 28 points for the Westbrook girls but it still wasn't enough as they were defeated by Eula 54-47.

Westbrook trailed 16-15 after the first quarter and also were behind 33-20 at halftime. The third quarter score was 43-33 still in favor of Eula.

The Westbrook boys lost their game 59-46. Westbrook trailed 24-6 at the end of the first quarter, 33-21 at halftime and 39-35 after the third period buzzer.

Ricky Reyes led the Wildcats with 16 points.

Bulldogs To End Season With Bearcats

The Loraine Bulldogs will try to end their 1979 football season on a winning note Friday night when they take on Garden City in Loraine.

Although the Bulldogs lost to Roby 27-20 last Friday, quarterback Casey Merket had one of the greatest nights ever for a Bulldog.

Merket attempted 37 passes and completed 15 of them for the amazing total of 304 yards. He has 1,166 yards passing for the season.

Four Loraine Seniors will be playing their last high school contest and they are Merket, David Finley, Mark Cornutt and James Wooddell.

Boxers To Fight In Abilene Meet

The Mitchell County Boys' Club boxing team will be busy these next two weekends including a boxing tournament here next weekend.

This weekend, the boys ages 14 and under, will be traveling to Abilene for a tournament.

Then starting at 7 p.m. next Friday, Nov. 16, the local boxing tournament will get underway at Wallace Center. It will be sponsored by the Boys' Club and Jaycees. Concessions will be available.

The tournament will start that Friday night and also will be held starting at 7 p.m. Saturday, Nov. 17.

Tickets for the local boxing tourney are now on sale from any member of the boxing team, the Jaycees, Boys' Club directors or at the Colorado City Record. Price of tickets is $1 for children and $2 for adults.

Teams participating in addition to the Colorado City team will be Eastland, Ranger, Brownwood, San Angelo, Sweetwater and Abilene.

Grudge Match Time:

The next to last football game of the year means one thing to our team -- it's time to play Coahoma.

This is a long grudge match between two great rivals. Many times, this game has determined the district champion. But, even when the game doesn't have this importance, the winner of this match can feel like they have had a successful season.

Coahoma still has a chance at a share of the district title and the Wolves will want to play the spoiler's role. It will also be an important game for the Wolves as they must win this week and next week in order to finish the year with a winning record.

It's the final home game of the year and everyone knows that when these two teams lock up, it'll be a head knocker. Let's go out and back our team to another victory. Go get 'em, Wolves!

Middle School Chatter

The seventh grade football team beat the Ballinger Bearcats Oct. 11 with a score of 6-0. The winning touchdown was scored by Billy Jackson. Coach Gainey stated two intercepted passes were called back as well as a touchdown by Kevin Norman. He stated that they had very good team effort.

The Wolves came up with a loss Oct. 18 to the Coahoma Bulldogs, 0-22. Coach Gainey stated that the seventh grade was just not mentally prepared to play against Coahoma.

The Wolves also came up with a loss to Crane Oct. 25. The score was 12-6 but we came out with a touchdown by Billy Jackson.

The seventh grade beat the Stamford Bulldogs 22-0 last Thursday. The Wolves did a great job at the game. I'm sure everyone is proud of our seventh grade football team. They play their next game here November 8 against Coahoma Bulldogs. Come on out to the Wolf Stadium and cheer the Wolves to victory.

Good luck Wolves and let's win our last game.

The eighth grade volleyball team has done an excellent job this year. They have four wins and three losses. Their most disappointing loss was to Big Springs on October 22. The "B" team played a hard game coming out 3-15 and 8-15. Rhonda Clary was the "B" team high pointer with seven points.

The "A" team played an outstanding game but came out on bottom with the scores being 3-15, 15-13 and 13-15.

The high pointer of the eighth grade was Isabel Sosa who scored nine points in a row. We have one more game against Bronte on November 5. We then start basketball season.

We have only one warning to the other teams about our basketball team–"Watch out because we're going to be good (We hope)." We're looking for several victories.

These past two weeks, the sixth, seventh and eighth graders have played hockey, kickball and volleyball in P.E. We also tumbled and played basketball. Everyone seems to be having fun.

Out of basketball, volleyball and hockey, all the grades seem to like hockey the best. Mrs. Mathis has been showing us some new tumbling exercises and she acts like she's having fun with us.

Last week our pep rally was held in the gym rather than the auditorium. To determine which grade had the most spirit, the grade had to yell throughout the pep rally. The grade who had the most spirit was the sixth grade.

Thursday, November 8, will be our last pep rally. Be sure to come and join in the spirit.

Society Will Meet Nov. 13

The Mitchell County Historical Society will meet Nov. 13 in the C.C. Thompson Room of the City National Bank annex.

The meeting will start at 3 p.m. The High School choir, under the direction of Trina Taylor, will sing a medley of historical songs.

Turkey Walk, Fun Run To Start Saturday Morning

The Mitchell County Unit of the American Heart Association is sponsoring a "Turkey Walk" and "Fun Run" on Nov. 10th. Anyone may enter either event. Both events will start on the parking lot of the Villa Inn Restaurant at 9 a.m. Every contestant who turns in pledges to the Heart Association in the amount of $60 or more will receive a Thanksgiving turkey. Entrants may either walk the prescribed route or trot the prescribed route. Here's the way it works.

A person entering either events gets pledges offering so much money per mile. If a pledge says he will offer a dollar-per-mile to the entrant, and the walker or runner goes five miles, then he will donate $5 to The American Heart Association.

The person achieving the most money in pledges in either the walk or the run will receive as first prize a new ten speed bicycle. There will be other prizes also to other entrants bringing in the most amounts in pledges.

The contest will start at 9 a.m. on the morning of Nov. 10th starting at the Villa Inn Restaurant parking lot. The walking or running route goes east on the Interstate 20 Frontage Road, turns south on Highway 208 to the cemetery, then west on Highway 80 to the Round-top Cafe, then back to the starting place on Austin Street... a distance of five miles. There will be refreshment stops along the route.

Anyone wishing to walk or run for the American Heart Association may get entry forms and information by calling 728-5742 or 728-8474.

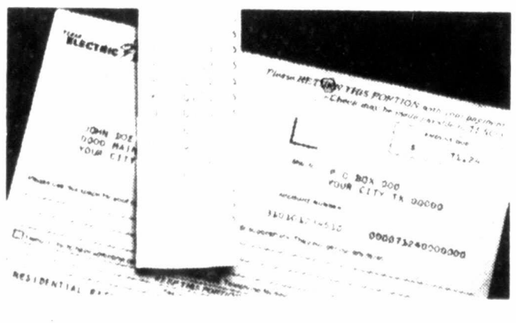
Inflation affects your electric bill even more than your grocery bill.


Every time you go to the grocery store you can see what inflation's doing to your food bill. But because you don't buy electricity by the can, you probably don't realize how inflation affects the cost of electricity.
Fuel costs are up, particularly natural gas. Equipment costs are up. Power lines, transformers and poles cost us more every day. Just like milk costs you more every day.
The millions of dollars we must borrow to build plants to ensure your electricity needs in the future are costing us more.
The cost of building these plants is higher, too, because of inflation. And because of the time and money it takes to comply with an ever-increasing number of government regulations. The longer it takes to build, the more inflation takes its toll.
Inflation, overregulation and rising fuel costs are all making your electricity cost you more. But by using electricity wisely you can do your part in keeping that cost down in your home.
At Texas Electric, we want you to know what you're paying for.

tion and next season will be competing in District 8AA along with Albany, Baird, Hamlin, Hawley, Rotan and Jim Ned.

Coahoma will be competing in District 6-AAA along with Crane, Denver City and Seminole.

Ballinger will be a part of District 8-AAA with Brady, Coleman, Comanche and Sonora.

Two other area towns, Sweetwater and Snyder, will be competing in District 4-AAAA along with Andrews, Fort Stockton, Lamesa, Monahans, Odessa Ector, Pecos and San Angelo Lakeview.

When asked his opinion of the UIL's realignment plan Tuesday, Ramsey echoed Uselton's comment that scheduling six non-district games was going to be very tough.

Ramsey said that he had been told by Sweetwater that they definitely weren't interested in playing the Wolves anymore. He went on to say that he had made calls to almost every team in West Texas in the same classification and he was still searching.

Ramsey announced Wednesday morning that the Wolves' 1980 schedule had been completed. It is as follows: Sept. 5, Slaton, here; Sept. 12, Post, there; Sept. 19, Denver City, there; Sept. 26, Ballinger, here; Oct. 3, Coahoma, there; Oct. 10, Coleman, here; Oct. 17, Abilene Wylie, there; Oct. 24, Clyde, there; Oct. 31, open; Nov. 7, Stamford, here and Nov. 14, Breckenridge, here.

Ramsey went on to add that it was impossible to schedule any games with teams in the classification above the Wolves because they are all in the same nine team district which means that they only need two district games each.

Loraine's football schedule has also been altered greatly by the realignment.

This season Loraine's district schedule consisted of Sterling City, Borden Co., Jayton, Roby and Garden City.

Next year only Sterling City and Roby meet the Bulldogs in district 3A which has been divided up into two zones.

Loraine's zone will, in addition to the Bulldogs, consist of Roby, Sterling City, Robert Lee, Water Valley and Roscoe. The other zone in the district will be made up of Sands, Garden City, Klondike, Meadow, New Home and Wilson.

Loraine has not completed their non-district schedule and they haven't released the names of any of their non-district opponents.

All of the teams in District 7-AAA will be competing with the Wolves in all sports except volleyball. Only Colorado, Breckenridge and Stamford field teams in that sport and those three will play for the district title.

If and when the Wolves win district next season, they will play the winner of District 8-AAA which, as stated earlier, will consist of Ballinger, Brady, Coleman, Comanche and Sonora. The winner of the bi-district contest will play the winner of the bi-district match-up between Districts 5-AAA and District 6-AAA.

District 5-AAA will consist of Alpine, Canutillo, Fabens and Kermit. As stated earlier, District 6-AAA will be made up of Coahoma, Crane, Denver City and Seminole.

Harris Rates Teams

Colorado City is nine-point underdog going into Friday nights game with Coahoma, according to the Harris Rating System.

Loraine is a 24 point favorite to win over Garden City.

PIPE, From Page 1

the exception of a little wire.

It became necessary to rebuild the arena because the old arena was not considered safe and could cause injury to participants, livestock and possibly spectators.

The old arena facilities were made out of lumber and is nearly 20 years old. It had deteriorated to such a point that a great deal of work was needed and even after substantial repairs it would still not be as good as arena facilities made out of pipe and would still need continual repair.

It is believed that once the new facilities are completed, they will be practically maintenance free and will last for some time.

Another item discussed at the board meeting was the welcoming of two new members of the Chamber, Sonic Drive-In and Anderson Motor Co.

A report on the Railhead Arts & Crafts Round-up held Oct. 27-28 also was given by Co-chairpersons of the event, Pam Beasley and Carolyn Smith. They noted that it was highly successful with 47 booths, about 1,080 people attending and 370 registering from 27 cities.

A lengthy discussion ensued on whether or not to charge at the gate next year and also the possibility of moving the Round-up to November to avoid conflicts. This is to be studied next year and decided upon.

Bobby Lemons also reported on the annual Mitchell County Fair and noted it was highly successful with good attendance.

Jack Perkins and Brad Rose were appointed as the Chamber's representatives for the selection of the Jaycees' annual Distinguished Service Award (DSA) given annually at the Chamber of Commerce banquet.

The banquet is scheduled for 7 p.m. Jan. 17 (a Thursday) with James Jolley as guest speaker. He is a humorist. Price of tickets will be decided on at next month's Chamber meeting.

Chamber President Mac McKinnon reported there have been no other applications for Chamber manager to replace Larry Winders who left in early October to take a similiar job in Sterling, Colorado.

Division I representatives were first graders Chad Casey and Sherry Putman; second graders Callan Turnage and Amy Chitsey and third graders Marty Browne and Lorie Gerhardt.

Browne and Gerhardt were named as Prince and Princess of Division I.

Division II representatives were fourth graders Neal Ginkinger and Jeannie Rogers; fifth graders Wade Shurtleff and Larna Moore and sixth graders Frank Fuentes and Kellye Smith.

Fuentes and Smith were named as Prince and Princess of Division II.

Division III representatives were seventh graders Clay Browne and Shanna Inman and eight graders Todd Whitesides and Julia Gonzales.

Whitesides and Gonzales were named as Prince and Princess of Division III.

Division IV representatives were Freshmen Billy Sweek and Teresa Wimberly; Sophomores T.J. Parsons and Debbie Parrish and Juniors Greg Colbert and Debbie King.

As stated above, Terry Webb and Rosemary Lopez were the Senior representatives and were named King and Queen of the carnival.

Through the ceremonies and the Star Wars skit were the highlights of the carnival, that wasn't all there was to it.

Each class in the school sponsored a booth and the carnival goers had a world of things to either try to win, to eat or just to enjoy.

Hamburgers, lemonade, hot dogs, French fries, cotton candy and popcorn were among the goodies which were being served at the event.

The people could also take part in activities such as a basketball throw, cakewalk, football throw, bingo game or coke bottle ring toss among many other activities.

Superintendent L. M. Dawson announced at the end of the carnival that it had made $2,900 for the school.

"We have several grandparents in this area who are raising grandchildren and would fall under these guidelines.

"It is not necessary for a person to own their own home in order to qualify.

"If a person is disabled or does not have a way to come to the office to apply, I will come to the home to take the application if they will call 728-5060," Mrs. Gregory stated.

"So far I have taken 27 applications and will continue to accept them as long as funds are available. We have about $10,000 allocated for the year," she said.

Applications for assistance will be filed in the county office where the applicant's records are maintained or in the county office serving the county where the headquarters of the applicant's farm or ranch is located, he noted.

"Cattle and eligible horses owned for at least six months or offsprings of eligible livestock may be considered as eligible livestock. Replacement breeding stock or in some instances livestock which are owned less than six months and were not acquired primarily to increase program benefits will be considered, according to Stewart.

"Sales documents for feed costs, signed by the seller, showing a date of purchase, amount kind and price of feed purchased must be submitted with the application for assistance," Stewart said.

"The kind of feed must be specific since this information is needed to determine the feed grain equivalent. All sale documents for hay must contain the weight and kind of hay. Weight tickets must be submitted on all hay purchases. Feed tickets must contain date of delivery," Stewart stated.

"All livestock purchased or sold by the applicant must be reported to the county office as soon as complete," he commented.

"Any producer needing information should contact the ASCS Office at 728-2651," Stewart noted. "This is our new telephone number," he said.

Bridal Shower Honors Lanford Saturday

A bridal shower honoring Missy Lanford, bride-elect of Dr. Ed Deregibus, was held Saturday morning in the home of Mrs. R.J. Hoback. The bride's chosen colors of burgundy and white were used in the decor.

The table was laid in a white linen cloth centered with a silver candlelabra accented with white daisies and chrysanthemums. Silver appointments were used. Punch, coffee, sausage balls, assorted cookies and a fruit plate were served.

Mrs. Jerry Fore presided at the table.

In the receiving line were Mrs. Hoback, Mrs. Frank Deregibus, mother of the future groom and the honoree.

Hostesses for the occasion were Mrs. Glen Wilson, Mrs. Bob Reily, Mrs. Warren Anderson, Mrs. Bill Hudson, Mrs. H. Jene Steakley and Mrs. Hoback.

The couple plan to be married Nov. 17 at the Briarstone Manor in Abilene. Parents of the couple are Dr. and Mrs. Samuel Lanford of Champayne, Ill. and Mr. and Mrs. Frank Deregibus of Colorado City.

Holman, Henderson Speak on Mission Work

The Loraine Baptist Women met at the church at 2:30 p.m. Monday for the regular monthly business meeting and mission program.

Mrs. T.L. Holman presided over the meeting which opened with group singing "I Love Thee" and prayer.

Mrs. Holman and Mrs. Clifton Henderson gave the introduction to the program entitled "Highlights of Baptist Women's Work in Communist Countries." Mrs. Henderson talked about her visit to Switzerland in 1975.

Others discussing the subject were Mmes. Pauline Smiley, Harvey Leach, Bernice Hallmark, Lynne Compton and Charlie Harris.

Mrs. Hal Bennett read the Prayer calendar and Mrs. Leach voiced the prayer for missionaries whose birthdays were on this day.

They voted to change the meeting time from 2:30 p.m. to 2 p.m. during the winter months.

The Current Mission and Bible Study will be at 9:30 a.m. Nov. 14 at the home of Mrs. Clifton Henderson.

Loraine Nursing Home News

This time of year it seems many holidays fall so close together. Even though it's a busy time it can also be a very happy enjoyable time, and we here at Leisure Lodge are preparing for lots of fun.

Last Wednesday we enjoyed our singing led by Glen Coon, followed by our birthday party and Halloween entertainment.

Those being honored on their birthdays were Lucille Wilkins, Ann Parham and Elizabeth Thomas. All employees of the Home and many residents enlivened Halloween day by dressing in costume. A contest was held for best costume and winning first place was Mary Lopez as Raggedy Ann.

The Home was decorated with spooks, goblins, pumpkins and witches to set the mood.

We are now preparing for Thanksgiving with wall decorations and a family dinner to be held Nov. 20 at 6 p.m.

xxx

Our next sing-a-long is Friday and everyone is invited to come and share in the fun.

xxx

We want to thank Jean Bagwell and T.J. Green Jr. for Bingo donations, also those bringing clothes and old cards. These are always needed and put to good use.

xxx

Mr. and Mrs. Virgil Eaton have been marvelous to come and volunteer time to help with our activities. For this we are most grateful. Anyone wanting to do volunteer work is always needed and should let us know.

Feasters Enjoy Reunion At Dunn

The decendants of Lawrence and Martha Feaster met at the Dunn Community Center Oct. 27.

After a bountiful supper, a short business meeting was presided over by Ronnie Feaster, president. Games of 42 were enjoyed in the afternoon.

Those attending were Mr. and Mrs. Preston White and Samantha; Mr. and Mrs. Hubert Willis and Tammy Glassup of Grand Prairie; Mrs. Jimmy Lou Forbes, Bobbie and Stacy of Panhandle; Mr. and Mrs. Frances Crow and Julia of Odessa; Mr. and Mrs. Roy Eperson, Melanie, Nikki and Stephen of Robert Lee and Vernon Koen of San Angelo.

Others attending were Docia Mae Feaster of Italy; Mr. and Mrs. Ted Hill of Abernathy; Vickie, David and Delana Whitson of Snyder; Mr. and Mrs. Arlis Cotton, Julie and Holley Fuller of Hermleigh; Mr. and Mrs. Tim Stansel, Chris and Melinda of Kermit; Mr. and Mrs. Ralph Glenn of Cisco; Ada Feaster of Sundown and Nancy Feaster of Plainview.

Elliott Hosts Self Culture

The Self Culture Club met in the home of Mrs. L.B. Elliott Friday with Mrs. Watson, president, presiding. The Club Collect and pledge to the flag were led by Mrs. Wilfred Fox.

The roll call was answered with a line of their favorite poetry.

Mrs. Lena McGee, Mesquite District President, brought the program on "Past, Present and Future of Federation." "Our Texas Federation of Women's Clubs started in 1897 in Waco with five women. Twenty-one years later the first State Convention adopted a motto, 'In small things liberty, in large things unity, in all things charity,' " stated Mrs. McGee.

She also stated that there were five districts in Texas in the beginning and now there are 14 districts. "We have so many projects that we are working on at the present time such as Crime Prevention, M.D. Anderson, Girlstown, U.S.A., Needy Children, State Hospitals and others," she added.

Those present were Mrs. Lena McGee, Mrs. Paul Beeman, Mrs. Earl Brown, Mrs. John Brown, Mrs. Billy Culwell, Mrs. L.B. Elliott, Mrs. Wilfred Fox, Mrs. Leslie A. Keith, Mrs. R.M. Reed, Mrs. E.J. Stockton, Mrs. E.L. Tiller, Mrs. W.L. Watson, Mrs. Charles Williams, Mrs. Berdie Strain and Mrs. Minnie Strain.

Methodist Have Bible Study

United Methodist Women met with Mrs. Frank Crownover Wednesday morning for a study of "Bible Covenants." The group sang "Let the Lower Lights be Burning" and Mrs. Harold Martin opened the meeting with prayer.

Mrs. Wiley Walker discussed "Covenants in the Psalms" and "Covenants in Hebrews 13" was given by Mrs. J.M. Templeton.

Mrs. Raymond Wheeler talked on the "Covenant in Hosea" and the "Two Covenants in Acts and Galatians" were discussed by Mrs. Roy Wells.

Present were Mmes. Wells, Bennett, Walker, Martin, Wheeler, Templeton, Ruth Blair and Crownover.

We'll Be Happy To Explain
Value and Economy
For Your Tire Dollar
Every Michelin 'X' tire is backed by a 40,000 mile warranty for tread wear on domestic cars. That's just about twice the mileage you'd expect from a conventional tire under the same driving conditions. Also, because of its radial design the Michelin 'X' rolls with less road resistance than conventional tires, and that means you can save up to 10% on your present gas consumption (pretty good considering today's fuel crisis.) Plus, every Michelin 'X' tire gives you all the distinctive radial tire advantages over conventional bias-ply tires; smoother ride, easier handling, better traction and firmer road holding. And, they add up to a lot of comfort and safety. Invest in better driving. Stop in and have a set of Michelin 'X' radials installed today.

Stewarts Will Celebrate Golden Anniversary

Mr. and Mrs. E.B. Stewart will celebrate their Golden Wedding Anniversary Sunday afternoon at the home of their daughter and son-in-law, Mr. and Mrs. Robert Dale Finley.

Lura Beryl Brown and E.B. Stewart were married Nov. 10, 1929 at the home of the Rev. W.I. Hall in Ralls. They lived in Ralls in 1930, Loraine from 1931-32 and Ropesville in 1934 to 1937. They moved to Loraine in 1937, farming south of town in the same location for 6 years. They now live two miles south of Loraine. Stewart retired in 1973.

Both are members of the First Baptist Church of Loraine. Stewart served from 1962-77 on the Board of Directors of the Co-Op Gin in Loraine and also served on the Board of Directors at the Cotton Compress in Sweetwater.

Children of the couple are Mrs. Howard [Juanita] Bryant of Loraine; Gene Stewart of Roscoe; Mrs. Gayland [Donna] Seaton of Abilene; Lynda Calvert of Odessa and Mrs. Robert Dale [Debbie] Finley of Loraine.

Friends and relatives are invited to call between the hours of 2-4 p.m. Sunday at the home of Mr. and Mrs. Robert Dale Finley nine miles north of Loraine.

The Stewarts have five grandchildren and one great-grandchild.

NOV 08 79

Garden Hints by Bill Jany

Fall is the best time to treat for one of the most destructive peach tree pests, the peach tree borer. A sure sign of the pest is the gum oozing down the trunk or branches of the tree.

This pest is also found infesting plum, cherry and apricot trees.

Actually, two borers attack peach trees. The larval stage of the peach tree borer feeds within the tree's cambian layer in an area approximately six inches above the soil line to six inches below. The lesser peach tree borer attacks the cambian layer of the upper portion of the tree's trunk and larger branches.

The approach to controlling these pests is basically the same, but the method of application differs. The best time for treatment is now until about Nov. 15.

Two fumigants generally used for peach tree borer control are paradichlorobenzene (PDB) crystals or ethylene dichloride in both the liquid and crystal forms.

PDB also is the active ingredient in some kinds of mothball crystals sold in five-and-dime or discount stores. However, some mothballs are made from naphthalene instead of PDB crystals and must not be used against borers.

Using fumigants around peach trees is a delicate operation and should be done with great care and precision. Over-treatment can damage the tree.

The crystals, when applied to warm soil, quickly volatilize into a heavy gas which penetrates through soil crevices into burrows of overwintering borers and kills them. Crystals should only be applied when the soil is dry and the temperature is 55 degrees or above.

When using PDB for peach tree borer control, weeds should be removed from around the base of the tree and the soil leveled one foot from the tree trunk.

PDB crystals should be placed in a narrow groove encircling the tree about two inches from the tree trunk. Care should be taken to keep crystals from directly contacting the tree.

Clean soil should be placed over the crystals to form a cone-shaped pile about six inches high around the base of the tree. This soil should be removed from the base of the tree in late March or early April.

The amount of PDB to use is determined by age and size of the tree. In general, one-half ounce of crystals should be used for two- to three-year-old trees, three-fourths ounce for four- to five-year-old trees, and one ounce for mature trees.

Both PDB and ethylene dichloride can be used to treat peach trees infested by the lesser peach tree borer. Affected areas, recognized by masses of gum mixed with frass and sawdust running down the surface of the trunk and branches, should be treated after the leaves fall from the peach trees.

A mixture of four ounces PDB in one pint of miscible oil diluted in two pints of water or a smaller amount at the same proportions should be prepared. The mixture should be painted on the wounds and damaged areas, without encircling the trunk or limb.

When using ethylene dichloride for either peach tree borer or lesser peach tree borer control, proper rates and application instructions will be found on the product label.

For the homeowner with peach trees infested with either the peach tree borer or the lesser peach tree borer, control measures can greatly lengthen the life of the trees.

For information contact Bill Jany at 728-5973.

BILL MACK

One of today's new "super stars" made a statement backstage at the Grand Ole Opry in Nashville which sent blazing whispers through the hallowed halls.

In a tone adjusted for all ears to comprehend, he said: "It's time for the old timers here at the Opry to move over, to bow out gracefully and make room for the newer talent. The old folks have sung their songs . . . and their songs are outdated for today's musical taste buds."

Most of his country brethren who heard the mouthing of this new babe in the country woods were appalled, and it wasn't long before assorted wire services had picked up the story and fed it around the world.

To say the least, the reaction to the lad's backstage opinion was certainly not in his favor. It might have been better had he painted a mustache on "Whistler's Mother" or sang "The Star Spangled Banner" to a disco beat on the Opry that night.

Although he mentioned no names, one would suppose he was suggesting that such people as Roy Acuff, Hank Snow, Ernest Tubb and Bill Monroe seek other pastures in which to perform. Or he might have even been hinting that they should retire from the country music scene and make way for the new breed.

•••

One thing is certain: should the new breed take over the Opry, as they have invaded other country music territories, the old Nashville radio show will be in for a change.

Now let's face it. Change is good for the soul and liver. But to mess with the Opry sound would be in the same miserable and unforgiveable category as outlawing turkeys on Thanksgiving and trees at Christmas. You just don't do it. At least you don't mess with it to the point of disturbing its grand roots.

The Grand Ole Opry has had its share of changes in the past and all, I believe, for the better. There is a difference in changin' and messin'.

For instance, when Roy Acuff joined the Opry in 1938, most of the tunes performed on the radio show were instrumentals. The "singing star" was yet to share the grand ole spotlight.

Uncle Dave Macon was the exception back in '38. Uncle Dave and his son Doris (that's right . . . Doris) had been on the Opry for years when Acuff arrived, and it was taken for granted that Uncle Dave was the star of the show. Roy Acuff was a sensation the first night he appeared on the program. His appearance brought an acceptable change to the format of the show.

•••

Another change took place in the early '40s when Ernest Tubb joined the Opry. Until 1943, no electrical (amplified) instruments were allowed on the stage. Ernest, over many objections, was allowed to use his trademark, the electric guitar, on the Opry for the first time.

Now, of course, practically all instruments, except drum sets, are accepted. A snare drum with brushes (no sticks) is the only drum permitted. That, probably, will change in time.

After all, the rock star James Brown did a guest bit on the Opry a few months ago. He had been invited to the show by Porter Wagoner and, as I understand, did a good job. However, there were echoes among the Opry crowd that putting a strictly rock singer among the traditional country pickers was stretching it just a little too far. There were also many letters to the front office on the matter.

When the Grand Ole Opry moved from the dilapidated old Ryman Auditorium to the spacious new quarters at "Opryland," there was a group of gripes. But it was a necessary change. The old Ryman had no air conditioning, the floors were cracking and there was practically no dressing room for the stars.

So, a bit of change is necessary and is to be expected. But to move out the "oldtimers," as suggested by the new colt, would almost be desecration. Or, to put it more mildly, it would be "messin'."

Gas Increase Approved

The Loraine City Council gave the Lone Star Gas Company their approval for a service charge increase in their meeting Tuesday evening in City Hall.

The proposed increase will be for service charges with the charge for re-connecting gas from $5 to $20; service appliance from $13.50 to $18; service on gas air conditioning from $17.50 to $20 and a charge on returned checks of $5. Byron Swank of Lone Star Gas presented the proposal to the council.

Effective date will be Nov. 20.

Mayor Vance Dickenson read a letter from the State Highway Department asking the council approval in supplying water for a proposed comfort station to be built on the south side of I-20 sometime in the future. The council gave their approval.

Rev. Fred Witta presented an item to the council Tuesday evening of possibly closing a street for the purpose of building housing for the aged. The Loraine Senior Citizens are applying for assistance for a housing unit for persons 62 or over. The council did not make a decision on this matter.

Ballard Probation Revoked

Probation was revoked for Gary Bullard on October 19 by District Judge Weldon Kirk.

Ballard was on probation for a seven and one-half year sentence and $1,000 fine on a conviction of delivery of a controlled substance April 29, 1977.

He has since been transferred from county jail to state prison at Huntsville.

Three Are Attending School

Colorado City Manager Ray Mason, Water Department Superintendent Buzz Rich and Filter Plant Operator George Brian Procter are attending a three day school in Lubbock this week.

The state requires a 20 hour course of instruction every three years in order to maintain a water operations license, Mason stated.

"We will be brought up to date on all state regulations and laws governing municipal water operations," he noted.

No School Friday

There will be no school Friday in Westbrook or Colorado City. Loraine School will hold classes as usual.

Westbrook teachers will have an inservice day Friday while Colorado City teachers will have a holiday.

Card Of Thanks

Leonard and I want to thank each and everyone of you for your prayers, cards, visits and food while I was in the hospital. May God bless each of you.
Hazel and Leonard Coldewey

Card Of Thanks

The Westbrook Jr. Class would like to express our sincere appreciation to all the merchants of Colorado City and Westbrook who gave donations to our Harvest Festival bingo game Friday night, Nov. 2.
We would also like to thank Mr. Sonny Hollis, our principal, for all his help.
Thanks again to all those who helped to make our bingo a great success!
Westbrook Jr. Class and Sponsors

Card Of Thanks

Our hearts overflow with sincere appreciation for all who expressed their love and sympathy in so many comforting ways during our recent sorrow. We are deeply grateful to all of you.
