Mental Health Drive

Dear Editor:

May is Mental Health Month. Wednesday, May 28 a neighbor will be coming to the door of Hart residents for a contribution on for the mentally and emtionally disturbed.

Is this cause so important? Look at the facts and then you decide.

One out of 10 people will need psychiatric help sometime in their life.

Fifty percent of all hospital beds in this country are occupied by people with mental or emotional complications.

Children are as likely to have emotional problems as adults.

Research is helping to solve the mysteries of mental illness and you can help with your donation to the Mental Health Association. Should we miss you, a contribution may be mailed to The Texas Association for Mental Health, 103 Lantern Lane, Austin, Texas 78731.

Mrs. W.T. Sanders
