# Methodist Choir Presents Cantata Sunday

The chancel choir of First United Methodist Church will present its Christmas cantata, "The Story of Love," Sunday evening, December 10, the first presented in the new sanctuary.

Beginning at 5:30 p.m., Mrs. Robert Owens, will present a half-hour organ prelude. The cantata, directed by Mrs. Hiram Cudd, will open at 6:00.

The story this cantata tells is the familiar one of God's love come to dwell among man, but it is also the story of a man and woman, Joseph and Mary, caught up with very human problems as the face of night without shelter for their newborn child and themselves.

Bill Hatch will be the narrator, using familiar scriptures from the Gospels, along with commentary. The introit, introducing the cantata, will be "Go Tell it on the Mountain," sung by the choir with the Rev. Tom Thomson, pastor, as soloist.

Soloists and their numbers will include "Would You Choose Me?" by Miss Vikki Saunders; "No Room at the Inn," Lynn Emmert; "Still the Night," Tom Lewis; and near the end of the story, "Lullaby," by Mrs. Tom Thomson.

Music for "The Story of Love" is by Robert J. Hughes. The complete text for the

cantata was written by James E. Townsend while serving as a chaplain to the United Forces during fighting in Vietnam. "They stand as a tribute to the man who, while surrounded by misery, took the time to express from his own heart the 'Story of Love' that is the embodiment of Christmas," said Mrs. Cudd.

Cantata organist will be Mrs. Dan Henard, Jr., and Mrs. Lynn Emmert will be the pianist.

Numbers by the choir will include both familiar Christmas Carols and words directly from the scriptures. They are "The Story of Christmas," and "The Annunciation," followed by "Blessed Be the

Lord," with the choir joined by the men's chorus.

Again the choir will sing "A Long and Lonely Journey," and "O Little Town of Bethlehem," joined by both the men's and women's choruses, "Glory to God." The choir will provide background for the solo, "Still the Night," and the women's chorus for "Lullaby." The men's chorus will be heard in the triumphant "Christ is Come," and the entire choir will end the cantata with "How Wonderful."

A choral benediction will end the program.

The choir and its guests will include Miss Vikki Saunders,

Miss Kelly Covey, Mrs. E.F. Bartlett, Mrs. Bill Beall, Mrs. Cliff Campbell, Mrs. Dick Campbell.

Mrs. Wayne Cudd, Mrs. Jack Davis, Mrs. Raymond Ford, Mrs. Barney Glenn, Mrs. John Holton, Mrs. Art Kane, Mrs. Tom Lewis, Mrs. Robert Lewis, Mrs. A.V. Lowrie.

Mrs. Richard Nall, Mrs. Gorman Owens, Mrs. Roberts Owens, Mrs. B.M. Sims, Mrs. James Sullivan, and Mrs. Thomson, also

## Mrs. Raymond Ross Home After Surgery

Mr. and Mrs. Raymond Ross returned Monday evening, Dec. 4, from Austin, where she underwent major surgery recently.

She is improving as rapidly as can be expected.

After Mrs. Ross was released from the hospital, they remained with her sister and brother-in-law, Mr. and Mrs. Robert Dillard in Austin until she was able to come home.

Mr. and Mrs. Donald Curry were in Amarillo Wednesday for him to undergo a checkup with his doctors.

He received a good report and it will be a month before he returns.

put the grant application together.

Judge Thomas said that one source of grants to be explored is under Section 1625 of the National Health Planning and Resources Development Act of 1974.

Under this section, a grant can be awarded to a political subdivision of a state, including a hospital district, for a medical facility which it operates.

Total dollar amount of any grant made under the section 1625 program may not exceed 75 percent of the project involved. However, if the project is located in an area which is determined by the Department of Health, Education and Welfare to be an urban or rural poverty area, then the grant award may cover up to 100 percent of eligible project costs.

Judge Thomas office will also explore funding under the new Rural Health Clinic Programs, announced October 2 by Vice President Mondale. This would make available loans through Farmers Home Administration to nonprofit or government applicants who want to build or remodel rural clinics of health centers for migrant workers.

Certain operational funding would be available from HEW. This program carries with it provisions to recruit doctors and other health professionals.

Judge Thomas pointed out that these are only two of the programs to be explored,

Graham said.

"If the weather remains open, this crop can be harvested in a hurry, but the way it's starting out, harvesting is liable to last a long time," Graham predicts.

The Lutie Gin is the county's only gin north of Salt Fork River, and harvesting is just getting under way, according to Manager Joe F. Knoll.

Turnout of lint compared to seed cotton is 22 to 26 percent, and some of the highest yields are up to a bale per acre on irrigated land. Better dryland yields are around three quarters bale per acre. On the low end, yields are estimated at a quarter bale.

"Most of ours has been white cotton, with the staple an inch and better so far.

Knoll is the only gin manager in the county who expects to gin more cotton than he did for the 1977 season. He reminded that hail wiped out a large acreage last year around Dozier and there was no similar loss of cotton this year.

At present, Lutie gin runs until 10:00 p.m.

If there is a bright side to harvesting this crop, it is that there will be no shortage of harvesting equipment, either strippers or trailers. Gins are able to get plenty of hands as present.

## American Ag Sets Meetings On Dec. 11, 18

American Agriculture will hold a local meeting Monday, December 11, group spokesman, Denzil Lacy said this week.

The meeting is scheduled for 7:30 p.m. at American Ag's new offices on 8th Street, across the street from John Holton Oil Co.

Also on the American Agriculture agenda is a public meeting Monday, December 18 at 8:00 p.m. featuring Gerald McCathern as speaker.

McCathern's talk will be held at Greenbelt Electric.

McCathern, a Hereford farmer and author of a book title, "From the White House to the Hoosegow," is a leader in the Texas and National American Agriculture Movement.

## Achievement Test Results Available

Achievement test results, administered in October to students in the second, third, fourth, fifth, seventh and ninth grades have been received, Louis Graham, school counselor, said late last week.

Third, fifth, seventh and ninth grade students received the Short Test of Education Ability (STEP) which is supposed to be used as an indicator of where the student should be functioning.

Graham will go over the test results with ninth grade students individually. Parents may attend the conference or

they may confer with him separately.

Strengths and weaknesses in the individual student's profile will be discussed and suggestions made on how to overcome the weaknesses, and how to use the strengths to overcome these weaknesses.

Parents of second, third, fourth and fifth grade students will receive a report and they will be asked to use the profile sheets received last year to check the scale of growth of the student in specific area and to see if they are overcoming some of the weaknesses that were sug-

gested last year.

At first grade level, reading readiness tests have been administered and scored. These are given to see if there are any problem areas that need to be corrected or preventative measures that need to be taken, Graham said.

The reason the results are so late in arriving is due to school starting later this year and also to a breakdown in the computer tapes at the scoring service.

The school uses the Science Research Associates Achievement series. A Wellington

graduate with the 1945 class, Dr. C.G. Gray, is an official with this company.

Parents of high school students wishing an appointment with Graham to discuss their children's test should call 447-2527 and parents of elementary children should call 447-2353.

"We have made progress over the last two years," said Graham of the testing program, "and these test will help us to make improvements in the curriculum. We have enough test data to make these improvements, which will be a part of the five-year study."

## Nazarenes Sponsor The Four Runners

The emphasis will be on gospel music and testimony when The Four Runners come to Church of the Nazarene in Wellington.

They will present a varied program of "Sermons in Song" each evening at 7:00 p.m. weeknights, 6:00 p.m. Sunday, December 8-10, 1978.

"Unusual aspects of the concert are the use of film slides along with music and chalk artistry," said the Rev. J.R. Hinson, pastor.

The group began presenting sacred music concerts in 1966 and since that time have performed throughout the United States. Headquarters, and the place they call home when they can be there, is Dimmitt.

"Jesus is our guide," they say. "The law we follow is strict obedience to His will. We strive to keep our hearts tuned to the gentle leading of the Holy Spirit."

Each member of "The Four Runners" is talented in singing and playing a variety of musical instruments. Their latest record album is available at the concert.

The three, Jeannine Wim-

berley, Alice Ivey and Helda Thomas have a fourth member of the group. Attending the concert will be necessary to find out about this other one, says Rev. Hinson. There will be no admission charge, and the public is cordially invited to come and share in this exciting event.

## Car Destroyed In Accident

Danny Martin received a cut over his right eye Sunday, Dec. 3, when his car struck a tree as he attempted to avoid a collision with another vehicle. According to Patrolman

Herb Duncan, both cars were traveling south when the vehicle driven by Clayton Johnson made an improper right turn into the residence at 405 Houston Street (Highway

83).

To avoid the collision, Martin swerved his 1974 Pontiac Trans Am, into the yard, where it struck a tree, spun around and came to rest facing east, still in the yard. The car was a total loss.

County officials and employees in the court house honored County Judge Zook Thomas with a surprise party on his 66th birthday. With him here is Mrs. Thomas, and their son, John Alf, is in the background. As Thomas did not seek re-election this year, he will end his service as County judge on January 1. In recognition of this, county officials and employees presented a large portrait of the judge, which will hang permanently in the new county-district court room.

## Library Conference Plans Explained

Mrs. B.M. Sims, who will be an alternate delegate to the White House Conference on Library and Information Services November 16-18, 1979, discussed Texas preparations for that meeting for Friends of the Library Thursday, November 30.

Mrs. Sims, who attended the Texas Conference on Library and Information Services, said the first priority was community awareness concerns.

Among these, she said, are free access to libraries and adequate funding.

She called for citizen support of libraries, and reminded of the important role of volunteers in the community library. Some libraries are kept open part time with volunteer help, she said.

Mrs. Sims also mentioned state funding for school libraries and Title 2 funding, which has to do with buildings.

The library has an important role in surmounting language barriers, and among their services are those for the

sightless or near-blind. Texas, with its many ethnic groups, offers rich cross-cultural opportunities.

Miss Bonnie Willis, president, was in charge of the meeting.

A plan for achieving the required 10,000 by August 31, 1980, was presented by Mrs. Clara F. Mote, librarian.

This calls for the addition of 1,000 volumes each year. Part will be purchased and part will come from gifts and from the collection development program in the library system.

Funds pledged to the county library for 1978 include \$200 from the county; \$300 from Friends of the Library; \$400 from donations; and \$1,076 funding from the State Library System.

Mrs. George Porter, in the treasurer's report, told of gifts of \$25 from the Good Neighbor Club and the same amount from Excelsior Club.

The next meeting will be Monday, January 29 at 3:00 p.m.

## Mr. and Mrs. Harold White Honored on Silver Anniversary

A reception given Sunday November 26, honored Mr. and Mrs. Harold White of Hedley on their twenty-fifth wedding anniversary.

The setting for the festive celebration was the Lions' Den.

Reception hosts were the couple's four children, Mr. and Mrs. Roger Gibson (Tanya) of Perryton; Mr. and Mrs. Gary Shieds (Renee) of Lelia Lake, Mr. and Mrs. Danny Monroe (Shauna) of Hedley and Mr. and Mrs. Bob White, also of Hedley.

Assisting were their three grandchildren, Carrie Shields, Dana Monroe and Mandi White.

After Mr. and Mrs. White had greeted the guests, they were registered by Mrs. Shields at a table holding the silver anniversary book and a white wedding candle and plaque made for the couple when they were married.

For her anniversary, Mrs. White wore her wedding dress of blue velvet, which once again is in style.

Guests were served from a table laid with a white lace cloth and centered with the white tiered wedding cake, decorated with blue flowers and bells. The floral arrangement was of blue carnations and baby's breath. Mrs. Gibson and Mrs. Monroe served the cake and punch.

Mrs. Bob White served coffee from a silver service that was the children's gift to their parents. A picture of the couple, made after they were married, was on this table, also covered in white lace. Flowers were an arrangement of blue carnations and baby's breath.

Present for the celebration were the parents of the couple, Mr. and Mrs. Obie White of Wellington and Mrs. Merylene Sargent of Hedley.

Mrs. White, the former Mary Ruth Sargent, grew up at Hedley and graduated from Hedley High School in 1953. White was reared at Quail, and is a 1945 graduate of Quail High School.

They were married Nov. 22, 1953, at Memphis. After living in Seagraves three

months, they returned to Hedley to live for the 25 years that have followed.

Present at the celebration was his best man, Alvie Clay of Hedley. A day earlier, Mrs. White had visited with her maid of honor, Carolyn (Tippie) Reeves Jones of Pampa.

The couple has engaged in farming and ranching for all of their married life.

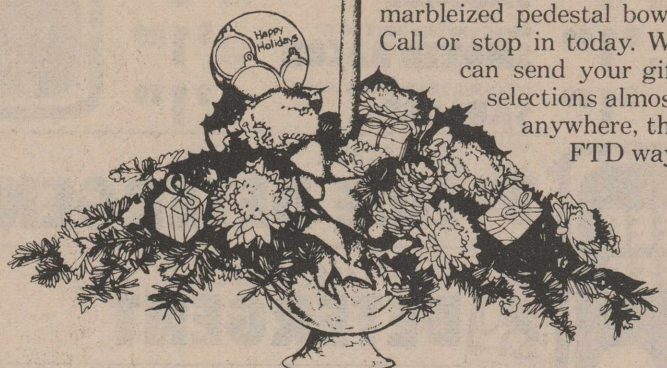

White serves on the board of directors of Greenbelt Electric Co-operative, Inc. He has been a member of the Hedley School Board 23 years and belongs to the Lions Club.

Mrs. White has devoted most of her time to her family, but she also is a member of the Lioness Club.

Both are members of the Hedley Church of Christ, and both are Sunday School teachers.

Attending the celebration from Wellington were his parents, Mr. and Mrs. Obie White, also Mr. and Les White and Mr. and Mrs. Opel White, while those from Quail included Mr. and Mrs. Ople White and Mr. and Mrs. Pat O'Hair. Mrs. Rodney Hargrove and two children of Memphis joined the group.

## 1924 Study Club Reviews Its Federation Heritage

Members of 1924 Study Club met November 30 for their last regular meeting in 1978 with Mrs. Troy G. Thomason as hostess.

Designated as a required program for clubs, this meeting was a six-part original interpretation by local club members with all club members participating at least once on "Federation Heritage in Revue."

Presiding for "Founders' Day Federama: An Equation and Orientation" was the club president, Mrs. Bill Beall.

Part one had as its leader Mrs. Chester Fires, Top of Texas District Life Member and club president, 1930-32; 1976-78. She presented a concise version of "Club Presidents' Capsules, 1924-1978" via photos, yearbooks, and other "Remember Whens."

Part two dealt with "Our District, Then and Now" with Mrs. R.C. McNett, past officer, as leader. An oral sextet of club members presented "Federation Heritage", a poem in six parts. The voices were of Mrs. Leamon Bawcom, Mrs. Sandy Covey, Mrs. Don Hendrix, Mrs. Rodney Kane, Mrs. Truett Holland, and Mrs. Adolph Schmitt.

All members recited the Top of Texas District Pledge. Printed programs of district meetings for eighteen years were shared as were topics about the district projects, the district clubs and towns participating.

"TFWC: Four Score Plus One" had district board member and club president, Mrs. Beall, as the part three leader. She began with a thought-provoking poem, "The Legend of the Texas Clubwoman."

In the eighty-one years of existence, TWFC has spearheaded many worthwhile organizations and legislations. "Did You Know That TWFC..." organized Mothers

Clubs, forerunner of PTA's; Texas Federation of Music Clubs; Texas Garden Clubs from beautification division; Home Demonstration Clubs from Home Life Department. TFWC influenced formation of Texas Library Commission, Texas Historical Survey Commission, A&M Extension Service, et cetera.

In 1901 TFWC had first traveling library featuring the history and literature of Texas and United States and is responsible for having Texas History as required subject in all schools. TFWC sponsored legislation which led to establishment of M.D. Anderson Hospital and was recognized in Houston in April 1978 for its special part.

These accomplishments are a group effort through the years from local clubs and club members.

"Pacesetter Profile: GFWC" was part four with Mrs. B.M. Sims, president-elect of TFWC, as leader. She began with a visual aid, "An Acrostic of Action," which turned into a special type of gold, tangible and intangible, from the deeds of the combined efforts of the world's largest organization for women - General Federation of Women's Clubs, itself an international organization.

A readers' theatre of departmental rhymes, "I Am a GFWC Clubwoman" was presented by Miss Hattie D. Wells, Mrs. R.R. Crawley, Mrs. Boyd Derryberry, Mrs. Charles Michael, Mrs. Reynaldo Perez, Mrs. Troy G. Thomason, and Mrs. David Pruitt.

"Making Marvelous Music Together = Club + District + TFWC + GFWC" was a special equation to enhance further the themes of various levels of federation: "Unity in Diversity"; "Diversify: by Voice, Mind, Heart, and Hand"; "Patchwork of Living"; "Community Unity." Songs and parodies were sung

## Association Of Ws Meets

The group voted to place paid bi-monthly articles to be titled "Did You Know?" Mrs. Billy Moseley was elected to be in charge of this project.

Mrs. Troy Gene Thomason will begin a monthly newsletter to go to all Wellington members concerning action which should be taken on various political issues.

A telephone committee will be organized in January by Mrs. Weatherly.

Mrs. Rodney Myrick was elected to the office of secretary.

A brief discussion concerned the all-day kindergarten bill to be introduced in the Texas Legislature in January.

The Welsh once believed wearing a fern would cause one to lose his way and be followed by snakes.

by all club members.

The club's president-elect, Mrs. Kane, led the benediction, "A Collect for Club Women."

This special program served as an orientation for new members and a reminder for other members. A TFWC logo pin presentation was merited by the years of active membership by Miss Wells, Mrs. Crawley, and Mrs. Fires.

The next meeting is to be at the home of Mrs. Beall, the night of December 14.

## A vintage black and white photograph of five children sitting on a wooden porch in front of a house with horizontal siding and a small window. The children are dressed in early 20th-century clothing, including hats and dresses. A small dog is visible on the porch floor.

Today through December 21 the Collingsworth County Museum is sponsoring an exhibit of dolls and toys, some from before the turn of the century. The dolls above were Christmas presents in 1916 and 1917 (the year the photo was made) for Nora and Cora Cocke. Their grandmother, Mrs. Nora Atteberry, made by hand the stuffed cat family and the doll's clothes. The doll trunk in the background dates from 1905.

In another of the special exhibits, not related to the toys, a dress, designed in Philippine national style, will be shown on a maniquin. This belongs to Mrs. Reynaldo Perez.

### Bill Lowe Has Hand Injury

County Commissioner Bill Lowe received a severe hand injury Saturday night, Dec. 2, while roping at the Bill Wilson arena north of Wellington.

While riding in heading and heeling competition, the rope caught on his right hand, cutting off his little finger, badly cutting his ring finger, and damaging the nerve on his forefinger, according to his daughter, Susan Lowe.

He was taken to High Plains Baptist Hospital that night, and during surgery Sunday morning, the nerve was removed from the severed little finger and grafted into the forefinger, Miss Lowe said.

Mr. and Mrs. Lowe returned home Monday and he is due to be back at his job at Singley Mill and Elevator later this week.

### Bobcat Pelts Must Be Tagged Before Sale

All bobcat pelts taken in Collingsworth County must be tagged before they can be sold, according to information received by the Texas Parks and Wildlife Commission, effective November 15.

Moreover, this tagging must be done at an authorized tagging station. The one nearest to Collingsworth is the Matador Wildlife Management Area in Paducah.

The tagging program was approved by the Texas Parks and Wildlife Commission as authorized by new Texas laws on non-game animals and the federal endangered Species Scientific Association.

It is estimated that several hundred Collingsworth residents will have hunted bobcats at some time during the season.

The ESSA program allows Texas to tag an unlimited number of bobcat pelts during

the 1978-79 season which runs from Nov. 15, 1978 through Feb. 15, 1979.

Trappers and hunters who wish to sell bobcat pelts taken in this state are required to bring the pelt/carcass with the unfleshed skull to one of the numerous tagging stations across Texas.

These stations in northwest Texas besides Paducah include Hemphill, Gene Howe Wildlife Management Area, Canadian; Howard, 302 N.W. 12th St. (TPWD), Big Spring; Lubbock, 5104 Avenue T, Lubbock; Randall, 4111 S. Georgia, Amarillo; Taylor, 249 N. Willis, Abilene; and Wichita, 100 Fremar Valley, Wichita Falls.

A limited number of bobcat heads will be collected for research purposes and the others marked and returned to the trappers or hunters.

All pelts must be presented

for tagging each Tuesday between 8 a.m. and 5 p.m. The pelts will be tagged by P&WD personnel and the first tagging date is Nov. 21.

The successful hunter or trapper must present the pelt to be tagged in person and fill out a form indicating such information as his name and address, and the date and county where the bobcat was taken.

Prior to tagging the pelt, the P&WD official will insure the head is from a bobcat, is unfleshed, reasonably fresh, and that the lower jaw is also attached. All four canine teeth must be intact.

## New Phone No. for Suicide Prevention

A new toll free telephone number has been assigned Suicide Prevention-Crisis Intervention, according to Larry A. Barton, director of the Wellington Family Services Center.

The new number is 1-800-692-4039.

"This number is for troubled, depressed and sometimes even desperate people of the Texas Panhandle," said Barton.

"This 24-hour toll free telephone service connects these troubled individuals with someone who cares. This number is also for people who wish to know more about community agencies or people who have a specific problem and don't know where to turn

for help." This information and referral number is for all crisis, but especially on week ends if he is not available, Barton pointed out.

The new SP-CI number has been issued to all county judges and all newspapers in the area to inform the public.

Mr. and Mrs. Leon Coleman of Oklahoma City spent the weekend here with her sister, Mr. and Mrs. Elmer Hiett, and with his brothers, Mr. and Mrs. John Coleman and Mr. and Mrs. Dee Coleman. The Oklahoman also visited another brother, Mr. and Mrs. Jess Coleman and hunted at his ranch in the northwest part of the county.

Mrs. Chunn was the sister of Mrs. F.F. Popwell.

The former Peggy Loren Carpenter, she had been away from the Vinson area about 40 years. She had previously lived at Batesville, then at Hobbs, N.M. for a number of years. She returned to Arkansas after she became ill.

### FARM BUREAU DELEGATES

These 7 delegates and one alternate represented Collingsworth County Farm Bureau at the 45th annual Texas Farm Bureau Convention in Dallas Nov. 26 to 29. In the front row, from left are Joe Wood, Monty Mitchell, Jimmy Coleman and Lynn Emmert. Standing from left are Danny Davis, Ronnie Hartman, who is president of the county organization, Andy Bell and Denzil Lacy.

## County Delegates Review State Farm Bureau Action

Seven delegates from the Collingsworth County Farm Bureau attended the 45th annual convention of the Texas Farm Bureau Nov. 26-29 at the Dallas Hilton in Dallas.

They were among some 1,500 persons from 212 organized county Farm Bureaus attending the annual policy-making session of the state's largest farm organization.

Policies to guide the Texas Farm Bureau next year were adopted by the more than 1,100 voting delegates. Recommendations on National issues were also approved. These will be forwarded to the annual meeting of the American Farm Bureau Federation which will be held in Miami Beach in January, 1979.

TFB President Carrol Chaloupka made his annual address to the delegates, and S.M. True, Jr., TFB secretary-

treasurer, gave his report.

Local Farm Bureau leaders also attended one or more of the special conferences at the convention, which include animal health, energy, cotton, wheat, feed grains, rice, farm bureau services, livestock, peanuts and oilseeds, research and education, farm labor, water, and dairy.

Other highlights of the convention included state finals in the Talent Find, Discussion Meet, and Queen Contest.

The business session covered the final day and a half of the convention. The last order of business was the election of directors and the president. The president for 1979 is Carrol Chaloupka of Dalhart.

Delegates adopted a compromise flexible parity farm program, which would provide that the more acres a farmer sets aside, based on his past history, the higher his target price would be.

The government would give

the farmer a "deficiency" payment, the difference between the market price and the target price.

Under the formula, a farmer could earn a target price of 100 percent of parity by setting aside 50 percent of his tillable acres.

## Methodist Dinner, Bazaar Scheduled for Saturday

Women of First Methodist Church will hold their annual Christmas Bazaar Saturday, December 9, in Bura Handley Community Center. This will be in conjunction with the annual community dinner sponsored by the church women. Sale hours are 9:00 a.m. to 2:00 p.m.

Serving will begin at 11:00 a.m. and end at 1:00 p.m.

"Take-home" plates will be available. "Please drop by for yours or ask someone to pick it up for you unless it is physically impossible to do so," said Mrs. Davis.

Tickets are \$3.00 for adults and \$2.50 for children. An effort is being made to secure as many advanced sales as possible so that enough food can be prepared. Any member of United Methodist Women will have tickets.

In addition to the dinner, bazaar items will be sold in the same room.

Mrs. L.C. Hill is Bazaar chairman.

Word was received Tuesday afternoon that copies of the "History of First United Methodist Church" will arrive from the printer in time for sale at the bazaar.

Mrs. Bill Beall will be in charge of the book sale.

These are hard back books, which will sell for \$25 per copy.

In preparation for many months, the histories tell the story of Methodism in Collingsworth County which is almost as old as the county itself. The church was organized the same year that the first sermon was preached here, by the Rev. W.Y. Seale in the unfinished home of Mr. and Mrs. R.A. Dysart.

The Bazaar is traditionally popular with Christmas shoppers, for it offers a variety of items that are hand-made and of professional quality. Among these will be ceramic figures, handmade Christmas ornaments, needlework, craft items, and stuffed toys.

There will be afghans, floor pillows, miniature paintings, hand-decorated note paper, and a complete ceramic nativity set made by some of the young women of the church.

Baked goods and candies will be offered.

Although many of the bazaar items have been turned in, Mrs. Hill said that she will be at the community building from 2:00 to 5:00 p.m. Friday to receive additional gifts.

## Mrs. Donnie Huston Home From Iowa

Mrs. Donnie Huston, returned Thursday, Nov. 30, from Sioux City, Iowa, where she visited 12 days.

She accompanied a daughter and son-in-law, Mr. and Mrs. Mel Turman of Amarillo, to visit their daughter, Mr. and Mrs. Nicky Leverett and two small sons.

Snow began falling on them in mid-Kansas, and by the time they reached Sioux City, it was four inches deep.

It continued to snow every day they were there and delayed their return by about five days, Mrs. Huston said.
