FRIONA, TEXAS THURSDAY, MARCH 14, 1963 TEN CENTS

VOLUME 41, NUMBER 24 20 PAGES SECTION I

The Squaws will be shooting for "all the marbles" this weekend in Austin, at the state girls basketball tournament. The Friona High School girls meet Little Cypress of Orange in their first tournament game Friday night at 7:30.

Friona takes a 25-7 record into the state tournament. It is their second trip to the Austin meet in the last four years. Little Cypress, which has a 38-0 record for the year, will be making its first trip to the state meet.

Coach Baker Duggins explained that Little Cypress beat out Buna in its district race. Buna defeated Friona, 63-60 in the state finals in 1960.

According to the last state-wide rankings, Little Cypress was ranked third, behind Tulia and Friona in that order. Since the rankings of course, Friona has beaten Tulia and won the regional championship.

The Squaws' top scorer, Annette (Tito) Jennings has been on crutches the first part of the week after suffering an ankle injury in Saturday's regional finals. She remains a questionable starter in Friday's state semi-final round.

But Coach Duggins and Friona fans can take consolation in the reminder of the performance Saturday of reserve forward Marca Lynn Massie, a junior who had seen only spot action previously. Miss Massie came in after Jennings fouled out of the game early in the second half, and turned in an outstanding performance as the Squaws edged Tulia to advance to the regional finals.

Jennings still had her crutches when the Squaws left Wednesday morning, and her availability for the state games may not be known until the last minute.

"I was exceptionally pleased with the effort we got from our reserves at the regional tournament," Duggins said. "We've felt all along that we had the best bench in the area. That's what you need to win games of the type we had at Lubbock," he continued.

He went on to say that girls like the Massie sisters were indispensable. "They'll do what they are needed to do at any time. If it is to go into a playoff game and give their best, they do it. If it is to sit on the bench, they'll do that, too," he said.

Duggins was also pleased with the showing of the other starters in regional play. The scoring of Nettles and Janet Buckley when Jennings was either out of the game or slowed, was a bright note. With three players capable of high scores, it makes it rough for a team to defense you, Duggins noted.

Other teams in the class AA division of the tournament are Cotulla and West, who meet at 8:50 Friday. If the Squaws get into the finals, they'll play at 8:45 Saturday night. If not, they will play for third place at 2:30 p.m. Saturday.

The Squaws were given a rousing sendoff with a pep rally Wednesday morning before they left by chartered bus for Austin. The team was to work out in Brownwood Wednesday afternoon. The Squaws were scheduled to arrive in Austin Thursday morning and hold a workout at 3:30 p.m.

Friona will stay at the Driskill Hotel while in Austin.

School will be dismissed at 2 p.m. Thursday in Friona, and Friday will be a holiday, in order that those who want to attend the games may do so. It was decided at school board meeting Monday night to make up the missed day on Friday before Easter, cutting the Easter holiday to one day, the Monday following Easter.

Friona went to the state meet in the old McCamey League six times between 1941 and 1948, but has never won a state title, finishing second four times counting 1960.

DUGGINS AND A DOLL . . . The sign on the front of the chartered bus the Friona Squaws took to Austin said appropriately, "Duggins' Dolls." Duggins told high school boys at a pep rally Wednesday not to take the sign too seriously.

SHOW-STOPPER . . . Dewain Phipps of Friona displays his Hereford steer which was judged the grand champion steer at the Parmer County Junior Livestock Show last Saturday. The calf was first in the medium-heavy division.

# Junior Livestock Show Is Proclaimed Big Success

The seventh annual Parmer County Junior Livestock Show is history, and show officials proclaimed it a success from all angles.

There was a good number of animals (200) entered, and they were a good quality. The weather, for a change, was near-perfect, and the judging went off according to schedule.

"We had excellent buyer participation," said M. C. Osborn, show superintendent. Osborn was left with the job of running the show when Bill Nichols, former superintendent, moved from Friona last month.

Dewain Phipps of Friona exhibited the grand champion steer, which was purchased by Friona Wheat Growers at $1 per pound. Gary Hand, also of Friona, showed the reserve champion steer, which was bought by Sherley-Anderson-Pitman Grain Company of Bovina for 80 cents per pound.

T. E. Reed of Amarillo was the floor buyer for steers, paying a price of $22.75 per hundredweight.

Bobby Gleason of Lazbuddie had the grand champion barrow, a Poland China barrow which weighed 228 pounds. Schueler Feed and Supply of Farwell paid $1.10 per pound for the top barrow. Gleason, a 12-year-old 4-H Club member, is the son of Mr. and Mrs. Truman Gleason.

Marsella Mayfield, also of Lazbuddie, sold her reserve champion barrow, which was also a Poland China, to Kendrick Oil, which bid 80 cents per pound. Floor buyer for barrows was Glover Packing Company of Roswell, N.M.

Dewain Phipps also exhibited the breed champion for fine wool lambs, and the 112-pound animal was sold to Friona State Bank on a bid of $1.25 per pound.

Mariana Gammon of Lazbuddie, whose Hampshire lamb was tops in the medium wool division. Also weighing 112 pounds, it sold for $1.10 to Taylor Construction Company of Friona.

Darrell Mason, another Lazbuddie showman, had the breed champion Southdown lamb. His 71-pound animal sold for $1.40 to Clay's Corner Gin.

J. G. McFarland was floor buyer for lambs.

"There was a good number of buyers from other communities, such as Farwell, Bovina, Muleshoe, Lazbuddie and Hereford," Osborn said. He said this was a tribute to the finance committee of Wes Long and Hollis Horton.

Some buyers bought two and three animals, Osborn pointed out. There were 82 buyers and 130 animals sold. A total of $25,700 was paid out for the 130 animals, officials said.

A complete list of the placing of animals in each division of the show may be found in the Farm and Home section of this issue.

Winners of the Friona Star's showmanship awards were Darla Howell (steer division), Thresa Seaton (barrows) and Steve Foster (lambs). Darla is from Friona, while Thresa and Steve are from Lazbuddie.

# Petit Jury Called For Monday Duty

District court will open Monday at the county courthouse and 48 Parmer County citizens have been notified to be on hand for possible jury duty, but the work load for the petit jury is uncertain.

Because District Attorney Jack Young of Muleshoe is scheduled to be out of the area for an appeal case next week, any criminal case which indicates a possibility of tieing up the jury for several days may not be called up.

Most of the criminal cases will bypass the jury and go direct to District Judge Pat Boone on pleas of guilty, so the jurors may not be very busy.

Joe Lee Cubit, Ronald Lee Mayo, and Dale Fish are in jail now, have signed confessions, and indicate that they will plead guilty. Out on bail are Alberto Flores and Herberto Blanco, who have also indicated they will go to court with a plea of guilty.

There is a possibility that some old cases, held over from previous court sessions, may come to trial. One of these is Scott Neill Jr., charged with passing a worthless check.

The petit jury may be used for some civil cases.

* * * *

The list:

Mrs. S. E. Redden, Paul Hall, C. O. Houser, Travis Dyer, J.B. Wright, David Carson, W. A. Waddell, Chas. L. Mercer, Andrew Brown, W. A. Foster, L. H. Bradshaw, Lester Rhinehart;

Jack McCracken, Mrs. T. W. Fuller, Jimmie Clements, Louis A. Marot, John C. Range, Otto Lingnau, H. L. Garner, Mrs. Raymond Fleming, Mrs. Earl Richards, Lee R. Mason, Mrs. A. L. Black, K. E. Johnson;

Herman Estes, W. D. Buske, Earl Dean Boyd, Mrs. A. L. Glasscock, Tulon G. White, Ronald Berggren, John L. Seaton, Andrew J. Jesko, Mrs. John F. Dixon, Raymond Euler, C. A. Weir, Boyd Gilreath;

Paul Jones, Everett McBroome, Pearl Singleterry, J. W. Maddox, Mrs. E. B. Caldwell, Mrs. Johnie Horn, Ray Landrum, Juel Trieder, Ovid Lawlis, Grady Sorley, Herman Geries, W. E. Thornton.

Prospective jurors are to report to the courthouse at 1:30 p.m.

* * * * * *

## 10 Indictments By Grand Jury

Parmer County's grand jury returned 10 indictments after a relatively busy Friday. They include:

Ronald Lee Mayo, Greensboro, N. C., charged with stealing a car from Mark Asher of Friona and a pickup from Leon Smith of Lazbuddie, and assault with intent to murder Oscar Scroggins.

Mayo, who was arrested in Clovis last week, was returned to the county jail at Farwell Tuesday after he waived extradition proceedings.

Joseph Harrelson, removing mortgaged property (an automobile) from the county, owned by Oscar Baxter of Friona.

Barton Dale Fish on three counts of burglary at Bovina Implement Company, the Hub Store, and the farm of Raymond Trieder at Lazbuddie.

Joe Lee Cubit, removing mortgaged property owned by Sam Gholson of Muleshoe.

Alberto Flores and Herberto Blanco, burglary of the Elk Drive-In at Friona.

## County Auto Owners Lax To Deadline

Parmer County motorists are evidentally joining those throughout the state in waiting until the last minute to have their automobiles inspected before the April 15 deadline. According to records, only 1,802 of the county's 6,931 automobiles have been inspected, or only 26 per cent.

Only 39 per cent of the 586,270 registered vehicles in Region 5 of the Texas Department of Public Safety have visited safety inspection stations and obtained their 1963 safety inspection sticker, according to Captain Alan Johnson, Motor Vehicle Inspection Service of the DPS.

"All registered vehicles in Texas must be inspected by April 15 and have a 1963 inspection sticker on the windshield," Captain Johnson said. He stated that there would be no extension of the April 15 deadline and advised motorists who have not had their cars inspected to do so now, before the long lines start forming.

"In the past, many people wait until the last few days of the inspection period to have their vehicles inspected and have had to wait for a long period of time at the inspection station," Captain Johnson stated. Due to the low number of stickers in Parmer County, the Captain suggested that all motorists check their vehicle and see if they have a current 1963 inspection sticker on the windshield and if not to have their vehicle inspected today in order to avoid the last minute rush.

Talk of the town--all over town--is basketball and the Squaws' chances of winning the State Tournament in Austin this weekend.

I too talk on the same subject, but unfortunately, it looks as if my chances for attending the contests are slim. But if Bill Ellis makes it there and back, I'll have a first hand account of the action.

The business of producing newspapers will not wait for me to run down to Austin, even though we are in the state playoffs. Someone has to hold down the home fort. It looks as if I am going to be very short-handed for about 35 hours at Plains Publishers, Inc. as it is. About half the crew has asked for time off to attend the game, and it's very hard to say no in a case like this.

-- T.H. --

SPECIAL TO THE SQUAWS

You are about to enter the final contests for the state basketball championship. You and I know you are good--your record has already proved that. But the other teams at Austin are also good. You will be required to play your best at all times, and play as a team, if you expect to win. You will not have an easy time if you are to bring home the trophy but I and (I am sure) the rest of the town feel that you are capable of doing just that--bringing home the trophy.

But win or lose, I know that you will have played with the utmost skill and will have given every ounce of energy possible to the game. You will have played fairly and accepted the breaks like a true sport.

We are proud of each of you as an individual player and all of you as a team. There have been a great number of winning teams in this nation, but there are not many teams that are able to come from behind and win when under pressure as you have proved time and time again that you can do.

Win or lose, you will be talked about as one of Friona's truly great teams for many years

(Continued on Page 2)

## Contest Play May Be Seen

Friona High School students and anyone else who is interested will have an opportunity to see "This Night Shall Pass", at 11:40 a.m. Monday in the auditorium.

This play will be Friona's entry in the one-act play contest at Muleshoe Tuesday. The cast is composed of Tom Gee, a man; Carol Ray, a girl; and Royce Douglas, a youth.

David Talley is the stage manager and electrician. Wayne Cason has charge of effects and the director is Mrs. L. B. McClain.

*MILLER, SCOTT*

# Coaches' Contracts Not Renewed

Coaches Kenneth Miller and Vernon Scott were not re-elected by the Friona School Board at its regular monthly meeting Monday night at which time contracts for all teachers were considered for the coming year.

Miller has served as head football coach and basketball coach the past three years.

"It was the feeling of the board that the coaches weren't getting the cooperation from the boys they should have. It was felt that they didn't have the respect they should have," Superintendent of Schools Alton Farr said.

The coaches' contracts, as were those for all the teachers, were discussed in a private "executive session" by the board. The Friona Star was represented at the meeting, but when time for contract discussions arrived, Star Editor Bill Ellis was requested to leave so that the board could convene in executive session.

The list of teachers to be rehired was then given to the Star on Tuesday.

Miller, who has been the victim of 20 straight losses by his football teams in two seasons at FHS, said he was told he was being let go merely because he "hadn't won."

Scott, whose young basketball team surprised many by finishing third in district, and beat rivals Dimmitt and Tulia for the first time in a decade, said he was informed that "some of the boys don't like you."

A spokesman for the school board said the action was in no way intended as an insult on the character of either coach. "They are far above average in that respect," it was stated.

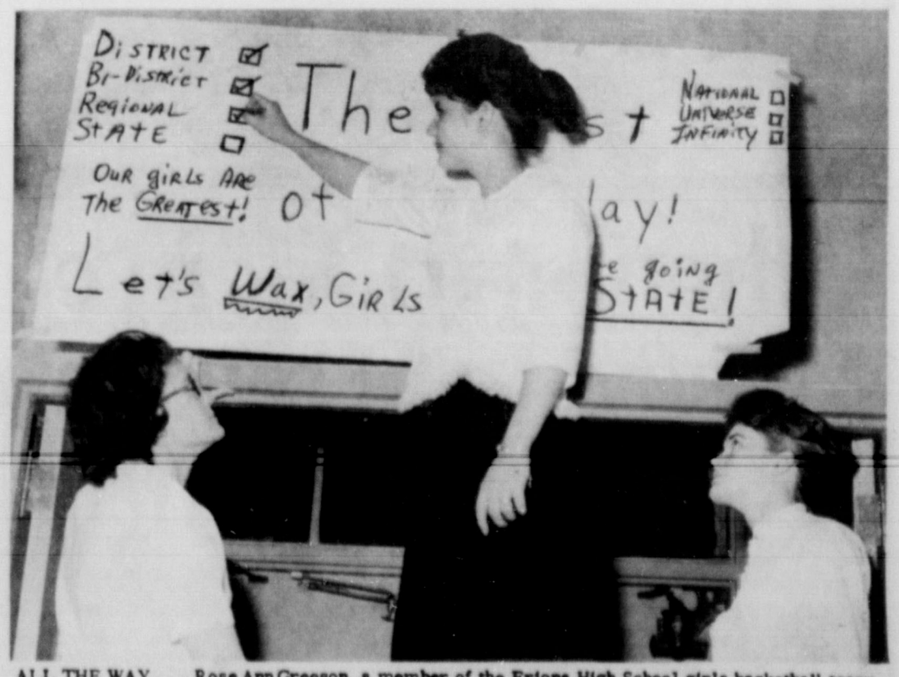

The board member went on to say that the group considered the possibility of offering each coach positions as teachers only, but decided against it, since both have made athletics their profession.

High school instructors rehired included Lionel Young, Mrs. Dalton Caffey, Mrs. L. B. McClain, Mrs. Ernest Osborn, Dorothy Rowlette, Mrs. Frank Truitt, David T. McVey, Wayland Ethridge, Lowell Bynum, Benny Pryor, Joyrene Morton, Bob Harbison, Kenneth Pearson, Gaylon Woodard and Baker E. Duggins.

Others not considered for rehiring were Edgar Carney, general science and biology instructor, W. L. Edelmon, algebra, and Viola Leonard, librarian.

Seventeen of the eighteen grade school teachers were ap-

# March Of Dimes Nets $1321.40; Research Aided

Joe Jones, National Foundation Chairman, expressed satisfaction with the results of the Parmer County drive, when workers met Thursday evening to review results and begin plans for the coming year. County residents contributed $1321.40 for 1963, stated Jones, as he expressed appreciation to workers for their time and effort.

"Without the devotion of volunteers to the cause of the March of Dimes, we could not have attained the help county persons have received from the money given, nor the breakthrough in polio research. Now rheumatoid arthritis and birth defects have been added to the picture," he said.

Jones emphasized that a portion of the money from the drive remains in the county for use as the officers prescribe. "Parmer County has been fortunate", he added, as he explained that funds have been available for the needs in the county, even when the county had several severe polio cases 10 years ago.

Of the money derived from the March of Dimes, 25 percent goes to the research fund, and the remainder of the money is split between the county and national headquarters. This means that $330.28 will be used for research, and $495.56 will be added to the county fund and the same amount will go to national headquarters. The 1963 contributions gave the county a total of $3606.24 on hand.

Those attending the meeting discussed all possibilities for use of the money and decided that $2000 was a safe balance to retain for county use and decided to put the money to work in research by sending another $1000 to that cause, and to retain another $600 for aid to any neighboring county that should need extra help.

Jack Patterson MOD Chairman, was again named as chairman for next year and Bob Crume accepted the post as Farwell chairman. Mrs. Vernon Symcox will direct the drive in Oklahoma Lane and Mr. and Mrs. Raymond Scheuler are in charge of the work in Rhea. Patterson will obtain workers for other communities.

Others attending the meeting were Hugh Moseley, secretary; Mrs. Hugh Moseley, Herb Potts, Dolph Moten and Mrs. W. H. Graham Jr.

## Mailbag

Mr. Editor

As I left Friona about three years ago I shouldn't have anything to say, but I lived there for around thirty years, and even still have a few friends there (that's people that I don't owe) so I have something to say, here goes.

It would seem as though the fair city is still ruled by the "Clique." No, I don't mean that; it is ruled by their stooges, boy they should be proud. (and if you think that I can't name them, guess again). The "big Boys" don't serve on the boards and committees. They put the stooges on them, and then tell them what to do, and every one of you know that, if you have lived there over six months.

Mr. Ben Moorman lost his job for wrecking his automobile on an icy road and in line of duty as he saw it. That's too bad, the tax payers are going to be out a little money, but they should be used to it, they have a crew of men around on the city payroll (and have for years) that don't earn in a year what they are paid for one day. Now I am not meaning to champion Mr. Moorman (he never even showed me the inside of his jail) but it would seem that something was amiss somewhere, you don't suppose that he had a mind of his own, and if so he should have known that wouldn't do, Oh! well such is life.

In answer to Mr. John Renner:

John I sure feel sorry for you poor farmers, some of you still live on the farm and take an active interest in it, but my gracious man, look how many farmers are living in town, and at the kind of houses they are living in. Ninety per cent of the better houses are owned by farmers, (count them) of course they were built under the Republican administration so we can't blame Kennedy for them being so well off.

And so I just rock along with no government subsidy, no guarantee, no nothing, (in fact my bosses said if I was guaranteed my job they would burn the building.)

Sincerely Yours,
Ed "Hooks" Hall

## PTA Makes Plans For District 8 Conference

The District Eight Parent-Teachers Association's executive committee met in Friona Tuesday to make final plans for the annual conference to be held March 28 in Friona.

The district conference will be held at the Fellowship Hall of First Methodist Church from 9:15 to 3:15 March 28. Mrs. Elvin Wilson is general chairman for the conference.

Other chairmen present included Mrs. H. K. Kendrick (decorations), Mrs. Jay Claborn (registration); Mrs. Sterling Graham (exhibits); Mrs. Bill Carthel (pages and ushers); Mrs. Travis Stone (program folders); Mrs. Joe Walters (workshops and meeting rooms); Mrs. Lee Renner (luncheon tickets); Mrs. Andy Hurst (pre-conference board dinner); Mrs. Russel O'Brian (opening ceremony); Mrs. Ross Ayers (platform arrangements); Mrs. Bob Noyes (information center) and Mrs. Doyle Cummings (publicity).

Mrs. Curtiss Murphree and Mrs. I. T. Graves are the hostesses to the state board members. Mrs. W. M. Massie is in charge of refreshments.

The PTA extended its thanks to Superintendent of Schools Alton Farr for helping with the greetings and transportation problem for the conference.

## Coaches'--

(Cohtinued from Page 1)

proved for re-hiring. They were Mrs. R. L. Bates, Mrs. Grady Dodd, Mrs. W. L. Edelmon, Mrs. Kenneth Livingston, Fay Reeve, H. V. Rockey, Ladson Worley, Mrs. Benny Pryor, Robert Taylor, Kenneth Livingston, Jay Wilson, J. L. Witten, Mrs. H. E. Barnett, Durley W. Hodgson, Guy T. Riggs, Carolyn Kite and Bill Spencer.

Bessie Watson, seventh-grade instructor, was not rehired.

Nineteen of the twenty elementary teachers are to be offered new contracts. They are Mrs. O. J. Beene, Mrs. John Benger, Mrs. Ladson Worley, Mrs. Cayce Dunn, Mable Jones, Mrs. T. E. Lovett, Mrs. George Treider, Mrs. Otho Whitefield, Mrs. Travis Harrell, Mrs. Loyde Brewer, Janetta Jo Phillips, Mrs. Aubrey Rhodes, Mrs. David McVey, Mrs. Raymond Cook, Mrs. Bill Spencer, Mrs. Guy Riggs, Lois Miller, Mrs. Tom Carroll, and Mrs. Harvey Neal.

Not approved for re-election was first-grade teacher Mattie B. Ray.

Dan Ethridge was re-employed by the board to serve as tax assessor-collector for the 1963-64 school year. His contract allows for one per cent commission for assessing and one per cent for collecting current taxes. Current taxes collected for the 1962-63 school year amounted to $252,111.62. The amount of delinquent taxes on the roll as of March 2, 1963 stood at $7,876.76.

In other business, the board approved a contract with Underwood, Neuhaus and Company, Inc., which proposes to undertake a study of the possibility and feasibility of refunding all or a part of a school's bonded indebtedness to enable the district to sell refunding bonds for cash to provide funds to pay, retire or redeem prior to maturity the bonds being refunded.

The company is to make studies and outline possible savings which can be realized by the school, pending passage of a bill currently before the Texas Senate and House of Representatives.

## 380 Take Type III Makeup

A total of 380 persons took Type III Sabin Oral Vaccine at the makeup clinic last Sunday in Friona. This number compared to 481 who had taken Type II at a makeup six weeks ago, and 370 who took Type I six weeks before that.

Added to the total of 2,545 who took the vaccine in three regular clinics a week before, the total taking Type III in Parmer County stands at 2,925.

## Castin--

(Continued from Page 1)

to come. You are and will be winners even though you do not win another game.

Good luck.

SPECIAL TO THE FANS

On certain occasions during the year, I have witnessed and heard reports of some very unsportsman-like conduct on the part of Friona ball fans--conduct which even the players were ashamed of. I sincerely hope that we will not let our tempers get the best of us in Austin. Chunking objects at the referee is not going to win the game for the girls nor is it going to cause the referee to change his ruling. 'Booing the Ref' is the American tradition, so to speak, but dirty, abusive language is nothing but bad manners and vulgarity. It would probably do a lot more good for the team if you took your Bible along and prayed a little.

Let the team know you are there and rooting for them, but don't make them ashamed of your actions or leave a blot on the name of Friona.

I am not asking for myself but for the whole town. If you are among those who can control yourself and your son or daughter, it is for you that I am speaking, not to you. But, if you, your son or your daughter, are guilty of abusing your privilege and responsibility as a spectator at the game, I am talking to you and asking that you please consider my plea. I have seen two 14 year-old boys leaning over the rail in the stands at the end of the court and spitting at the players when they came within range. I hope such atrocities are not repeated in Austin.

Good luck and drive carefully. We want you back.

-- TH --

Dolph Moten, our editor friend in Bovina reports that a number of Bovina residents are 'jumping on the bandwagon and will accompany the Squaws to Austin for the tournament.'

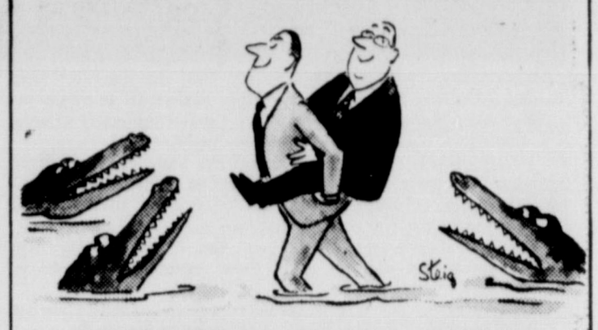

He says that it looks like the next best thing to having a team qualify for the state tournament is to live next to a town that has one.

Keep after them, Dolph, maybe we'll get to watch a winning Bovina team play in the finals some day in the near future.

--TH--

Word comes to us that Coach Baker Duggins has a niece in Mangum, Oklahoma, who played guard on a team that won the Oklahoma state championship.

Baker and the niece have been comparing results in games all season, and the coach hopes that the coincidence will carry through after this week.

An independent agent takes the big worries out of insurance

When your car or home is damaged, will you worry about collecting from the insurance company?

Probably not—if your car or home is insured through an independent insurance agent! Insurance companies that sell through independent agents make payments promptly and fairly. And, if there is a disagreement or delay, your independent agent is on your side, ready to help you. An independent agent takes the big worries out of insurance.

Will you have this feeling of security if you buy insurance for your car or home directly from some insurance companies?

For insurance tailored to your needs, call on us. As professional insurance men—independent agents — we're pledged to serve *you* first!

## LEGAL NOTICE

NOTICE TO BIDDERS

Sealed proposals addressed to the Honorable Mayor and City Council of Friona, Texas, will be received at the office of Arley L. Outland, City Manager, City Hall, Friona, Texas until 1:30 P.M. April 8, 1963 for furnishing all necessary materials, machinery, equipment, superintendence and labor for seal coating approximately 30,000 square yards of asphalt street surfacing; and a double asphalt surface treatment on approximately 5,500 square yards of asphalt street surfacing, and other incidental items of work for the City of Friona, Texas. (Approximately 20 blocks).

Bidders must submit a Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of the City of Friona, Texas, in an amount not less than five percent (5%) of the largest possible bid submitted as a guaranty that the Bidder will enter into a contract and execute bond and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without the required Check or Proposal Bond will not be considered.

The Successful Bidder must furnish Performance and Payment Bonds on the forms provided in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Sureties acceptable to the Owner.

All lump sum and unit prices must be stated in both script and figures. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "unbalanced") unit prices will authorize the Owner to reject the bid. The Owner reserves the right to reject any or all bids, to waive formalities, and to accept the bid which seems most advantageous to the City's interest.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions under which the work is to be done.

Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas, page 91, Chapter 45, (Article No. 5159A Civil Statutes 1925) concerning the wage scale and payment of prevailing rates of wages as established by the Owner. Said scale of prevailing minimum rates of wages is set forth in the specifications.

Information for bidders, proposal forms, plans and specifications are on file at the office of Arley L. Outland, City Manager, Friona, Texas, and Parkhill, Smith & Cooper, Consulting Engineers, 201 Avenue R, Lubbock, Texas.

Copies of Plans and Specifications may be secured from Parkhill, Smith and Cooper, Consulting Engineers, 201 Avenue R, Lubbock, Texas.

THE CITY OF FRIONA, TEXAS
By R. L. Fleming, Mayor

NOTICE TO BIDDERS

Notice is hereby given that Parmer County will receive bids for the purchase of the following equipment at the County Judge's office in Farwell until 10 a.m. March 25, 1963: One wheel-type gasoline engine tractor with power steering, with 750 X 16 six-ply front tires and 14.9 X 28 eight-ply industrial tread rear tires; front-mounted lights with rear combination red and white lights; pre-cleaner for oil bath air cleaner; electric hour meter; electric fuel gauge; tool box; one bucket level gauge to be equipped with five-eighths yard bucket in front with rear-mounted back-hoe and 24-inch and 38-inch buckets. To be delivered FOB, Friona.

Successful bidder will be required to accept as a trade-in a used 1949 Ford tractor with front-mounted scoop, which may be inspected at the County warehouse in Friona.

Parmer County reserves the right to reject any and all bids, or to accept the bid deemed the most advantageous to Parmer County.

Loyde A. Brewer
County Judge.

After visiting with one of the Star's nearest neighbors, F. S. Truitt, recently, I've reached the conclusion that keeping active must be a Truitt family trait. Although Mr. Truitt is getting well along in years he takes care of a lot of rent property and conducts his business affairs.

A recent feature in The Dallas Morning News related the story of W. D. Truitt, who has been railroading 61 years. He is a brother of F. S. and is 78 years of age. In his long service with Santa Fe, he has never missed a day because of illness nor has he ever sustained an injury.

During the interview with a Dallas reporter he asked about his plans for retiring. His reply was, "Not as long as the doctor passes me in my physical examinations."

• • • •

Two scenes in Friona yards Monday were sure signs of spring. Two small boys were observed playing in the Kenneth Neill yard. One of them had all the ear marks of being "Superman." His headgear was an oversize football helmet and his cape was a nylon garment which apparently belonged to his mother or an older sister.

It took several tries for him to get his body in position for the wind to carry the cape in the right direction, but within a few seconds he was ready for a trip into outer space.

In another yard a small white dog with brown spots was having the time of his life making strips out of a blanket which was hanging on the clothes line.

I was scouting around looking for signs of tulips or other spring flowers, but didn't find any. Surely it will not be long until tiny spring flowers will be poking their heads through the ground.

• • • •

Have you ever noticed how many excuses most of us can find for doing things which we want desperately to do and yet feel that for one reason or another we should refrain from doing?

Making the trip to Austin this weekend has been the cause of many such excuses being made up and down the street. Think the most far fetched one I heard had to do with checking up on someone in Abilene.

The man making this excuse even involved his wife in the little scheme. His excuse came out about like this, "My wife feels we should drive down to Abilene to see whether or not our son is still in college since we haven't heard from him in such a long time."

Of course, this weekend the shortest route between Friona and Abilene will be by way of Austin and Gregory Gym. There will be a few persons left in Friona but you can guess every ear in town will be glued to the radio broadcast of the two games in which the Squaws will participate.

• • • •

The most urgent need in Friona this week seems to be for housing facilities. We have names of several families who would like very much to move to our city. One man has been driving from Amarillo several months and is getting tired commuting so far.

• • • •

Much food for thought is contained in the three following paragraphs.

A Matter of Importance

Sometimes when you're feeling important, sometime when your ego's in bloom, sometime when you take it for granted you're the best qualified man in the room; sometime when you feel that your going would leave an unfillable hole, just follow this simple instruction and see how it humbles your soul.

Take a bucket and fill it with water, put your hand in it, up to the wrist. Pull it out - and the hole that's remaining is a measure of how you'll be missed. You may splash all you please when you enter, you can stir up the water galore, but stop, and you'll find in a moment that it looks quite the same as before.

The moral in this quaint example is do just the best that you can. Be proud of yourself, but remember, there's no indispensable man.

## Troop 56 Report

As had been previously planned, the Boy Scouts of Troop 56 got off to a good start on their hike. They hiked to the old gun range. On the way they looked for tracks and when they got there they sat down to eat the sack lunches. After they finished eating, they went to work.

They did measuring, following signals and other things. All too soon they had to go.

At the Monday night meeting we had an election of officers for this year. Any boy that is eleven years old and would like to join Boy Scouts of Troop 56 can come to the Scout Hut behind the American Legion Hall at 7 p.m. Mondays.

Mrs. J. G. McFarland, left and Mrs. O. J. Beene, right, hostesses at the Modern Study Club's Tuesday evening meeting are pictured with club president, Mrs. Sloan H. Osborn. Decorations were in keeping with George Washington's birthday.

## Rhea HD Club Meets In Elmo Dean Home

The Rhea Home Demonstration Club met Monday evening in the home of Mrs. Elmo Dean. The business session was presided over by Mrs. Floyd Schueler. Mrs. Franklin Bauer presented a council report and outlined the forthcoming HD Club convention, which will be held in Friona April 11.

Eve Braunschweiger, Friona exchange student, presented the program on her native country, Switzerland. She illustrated her talk with slides. Guests, other than Miss Braunschweiger, were Mrs. Frank Truitt, Joy Morton and Mike Schueler.

Next meeting of the club will be in the home of Mrs. Jim Dixon at 8 p.m. March 25. Highlight of the program will be a book review by Mrs. Floyd Schueler.

Members present were Mesdames Franklin Bauer, Bill Brandt, Elmo Dean, Jim Dixon, Leland Gustin, Cordie Potts, Dwayne Ridley, Malinda Schlenker, Carl Schlenker, Herbert Schueler, Herman Schueler, Floyd Schueler, Shirley Smith and Norman Taylor.

The February 25 meeting was in the home of Mrs. Charles Sanders. Following the business session, during which club demonstrators were chosen, Mrs. Ruthie Fite gave a demonstration on flower arrangements.

Members present were Mesdames Bill Brandt, Leland Gustin, Jack Patterson, Dwayne Ridley, Charles Sanders, Carl Schlenker, Walter Schueler, Norbert Schueler, Shirley Smith and Norman Taylor. Guests were Mrs. Marion Fite and Mrs. John Drager.

**LUXURY CAR: RIDES, RESPONDS AND LOOKS LIKE IT OUGHT TO COST A RANSOM**

You're looking at our Impala Super Sport Convertible which, along with its cousin the Sport Coupe, absolutely embarrasses higher priced cars.

That special trim and those front bucket seats merely hint at the comforts you find built into every Impala Super Sport.

Performance? It's remarkable, an understatement we can afford when there are 7 engines to choose from. One of which is the popular 340-hp Turbo-Fire 409*, a wizard in traffic and a joy on the open road. And others all the way up to 425 hp*.

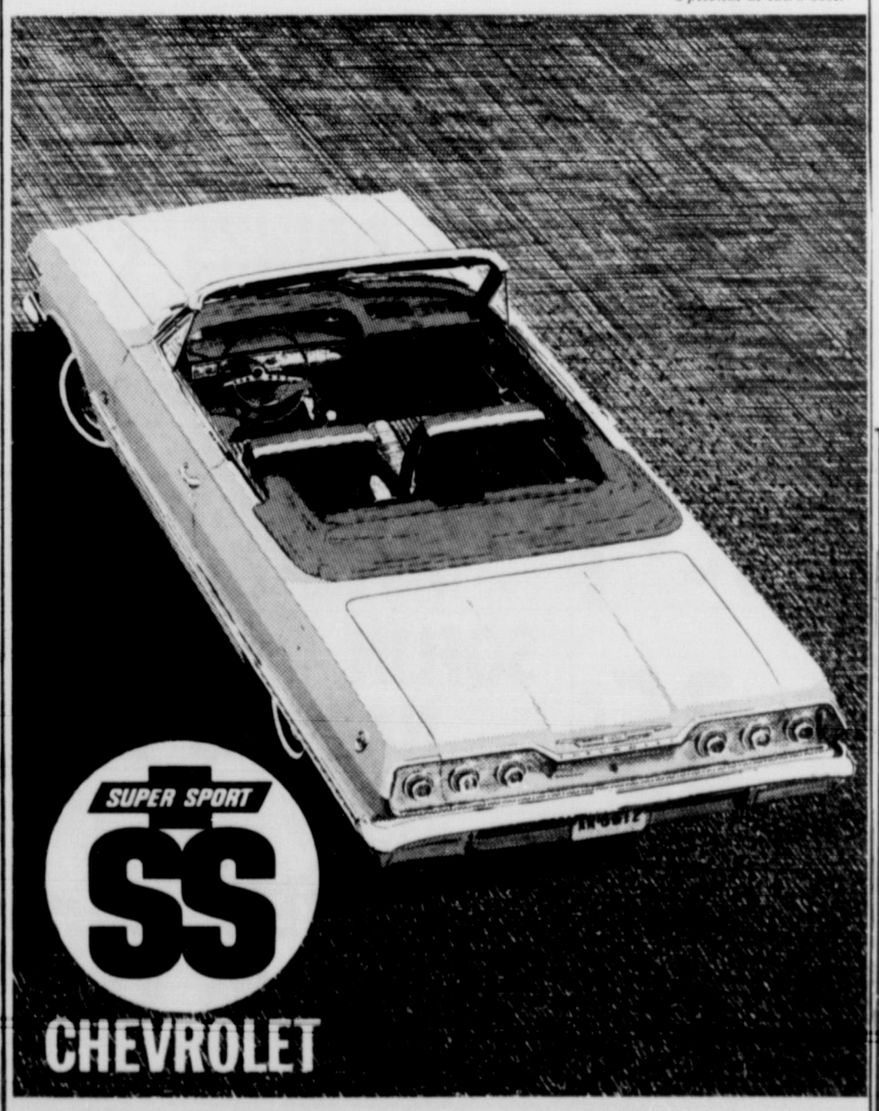

If you want an extra flourish or two, mull over extra-cost options like floor-shift four-speed manual or Powerglide transmission, Positraction, fade-resistant sintered-metallic brake linings, and a tachometer to relay what's cooking up front.

Just before you rush off to your Chevrolet dealer, may we remind you that both Impala Super Sports offer the new Comfortilt steering wheel*. You adjust it to suit your driving style, flick it out of the way for easy entry and exit.

All three Chevrolet series—Biscayne, Bel Air and Impala—deserve a long look. Super Sports demand it.

Super Sport equipment* available on both Impala Convertible and Sport Coupe.

*Optional at extra cost.

## Americanism, Democracy Studied At Club Meetings

Americanism and Democracy In Action have been the topics of study at the two recent meetings of Modern Study Club at the Federated Club House. The American Heritage program featured a forum composed of Mary Lou Cason, Deke Kendrick and Ethel Ruth Spring.

Mrs. Cason discussed "Patriotism in Our Schools." "Our Government-Right or Wrong was Mrs. Kendrick's topic and the Texas Panhandle Heritage Foundation was explained by Mrs. Spring, who illustrated her talk with a charcoal drawing. She also explained the art contest for students between 12 and 17 years of age.

During the business session Eufaula Ethridge was elected delegate to the Caprock District Convention of Federated Women's Clubs in Lubbock March 22. Wilma Jones was chosen alternate.

Hostesses were Irene McFarland and Decimae Beene.

Democracy In Action was explained by a symposium, whose members were Lilah Gaye Gee, Fern Awtrey, Gerry Taylor and Sarah Ann Miller.

Special guests were Ruby Don Nunn, who presented the devotional, and Don Hoover, organist, who provided background music and played the following: "Moon River," "My Dad" and "I Left My Heart in San Francisco."

Refreshments were served by Mary Kate Zeman and Lila Gaye Gee to the two guests and 18 members.

Mrs. Bill Nunn and her son, Don Hoover, guests at the Tuesday evening meeting of Modern Study Club, assisted with the program. Mrs. Nunn presented the devotional. Don presented several selections on the organ.

## Mrs. T. A. O'Brian Honored With Dinner

A family dinner in the home of Mr. and Mrs. Rex Blackburn Sunday evening honored Mrs. Blackburn's grandmother, Mrs. T. A. O'Brian Sr., who was observing her 82nd birthday.

Others present were David and Mike Blackburn, Mr. and Mrs. Russel O'Brian, Kenneth O'Brian, Mr. and Mrs. Lloyd Chesher, Cathy and Cindy, Mr. and Mrs. Tom O'Brian, Mr. and Mrs. Tom Mason, Jan and Dena, Mr. and Mrs. E. L. Fairchild, Mrs. Burke Hand, Phillip and Danny and Mr. and Mrs. Larry Fairchild and Tammy.

## Church Women Meet Friday

All women of Friona are being invited by members of the Interdenominational Church Women to attend their regular fifth Friday meeting at the Assembly of God Church at 2:30 p.m. March 29.

A speaker will be from Friona Methodist Church; the devotional will be directed by a representative from Calvary Baptist Church; music will be presented by Union Congregational Church and the closing prayer will be directed by a person designated by First Baptist Church.

## SCHOOL MENU

School Lunches March 11-14

Monday

Barbeque Pork, Blackeyed Peas with Snaps, Fresh Pears, Lettuce, Tomato & Carrot Salad, Rolls, Butter, Milk, Chocolate Cake.

Tuesday

Smothered Steak, Mashed Potatoes, Green Beans, Jello Fruit Salad, Rolls, Butter, Milk, Peach Halves

Wednesday

Fried Chicken, Steamed Rice, Buttered Carrots, Spring Salad, Rolls, Butter, Milk, Cake

Thursday

Beef Vegetable Stew, Indian Cole Slaw, Crackers, Butter, Rolls, Milk, Cookies

Jimette McLean, Merry Sue Howard and Mary Ann Birdwell, students at McMurray College at Abilene were weekend guests in the home of Mr. and Mrs. Jim McLean and Kathy.

## Rebekahs Meet Monday

Twenty-two members were present at the Monday evening meeting of Friona Rebekah Lodge at Oddfellows Hall. Reports were made of 37 sick visits being made and ten cards being sent.

The finance committee made a report on results of operation of concession stand at the livestock show last week. An expression of appreciation to all who helped make the stand a success was approved.

Mrs. Giles Cobb, hostess, served party sandwiches, fruit salad, coffee and cold drinks.

## Foreign Student Guest Speaker

Guest speaker at the regular monthly family night of Redeemer Lutheran Church Hall Sunday night was Eve Braunschweiger, exchange student from Switzerland. Topic of her talk centered around her home life in her native land and experiences here as an exchange student.

During the social hour refreshments were served and games were played.

The next family night will be Easter Sunday evening. Rev. E. A. Binger and members of Redeemer Lutheran Church invite anyone in the area who is interested in attending to do so.

Hot, for sure . . . if you have a Gas water heater! Gas replaces hot water as fast as you use it (for one-fifth the cost of the other kind). ■ If you're not getting all the hot water you want when you want it . . . bring your hot water system up-to-date with a new, super-fast recovery Gas water heater. You'll be in hot water all the time.

Pioneer Natural Gas Company

## Friona HD Club Has Regular Meet

Mrs. Earl Drake was hostess at the Friona Home Demonstration club meeting in her home Friday afternoon. Eve Braunschweiger, exchange student from Switzerland, was the guest speaker.

During the social hour refreshments of German chocolate cake, coffee and cold drinks were served to Miss Braunschweiger and Mesdames Ralph Taylor, L. D. Taylor, Bill Morgan and A. H. Boatman.

## Brantley Home Club Meets In

The Lazbuddie Home Demonstration Club met Thursday, Feb. 28 in the home of Mrs. Curby Brantley. Mrs. Scotty Windham presented a program on "Creating business centers in the home."

Fifteen members were present. Next meeting of the organization will be March 14 in the home of Mrs. Harvey Blackstone. The program will be presented by members of the 4-H Club.

Mrs. Matt Brown, Steve and Gloria, were weekend visitors in the home of Mr. and Mrs. Beck Murray Jr. and children of Byers, Texas. Mrs. Brown and Mrs. Beck are sisters.

## Annual "Spring Fever" Arrangements Completed

Curtain time for "Spring Fever" has been set for 8 p.m., Friday, March 22, in the high school auditorium. This style revue is presented annually by Friona Woman's Club, Modern Study Club and Progressive Study Club in cooperation with Foster's Drygoods, Hurst's Department Store, Hurst's Variety and LuNora's.

Mrs. Newman Jarrell Jr. and Mrs. Ross Ayers are general chairmen of the show. Narrator will be Mrs. John Fred White. Mrs. H. K. Kendrick will be in charge of stage arrangements.

Ticket sales will be handled by Mrs. Bill Stewart. She will be assisted by Mesdames Ralph Wilson, Billy Joe Mercer and Bill Baxter.

Mrs. Hollis Horton, head of the publicity committee, will be assisted by Mesdames Loyde Brewer, Bill Sheehan, Ed White, and J. C. Claborn.

The decorating committee, which consists of Mesdames Marty Martinez, Mae Magness, Ernest Tannahill, U. S. Akens, Alton Farr, Wesley Hardesty, George Anderson, Philip Weatherly and Bob Riethmayer, is headed by Mrs. George Taylor.

Mrs. William Beene is chairman of the entertainment committee. Mrs. O. J. Beene is her assistant.

The clean-up committee is headed by Mrs. Tom Pruett. Her assistants are Mesdames Fay Reeve, Lee Spring, Homer Lindeman, Deon Awtrey, and Glenn Reeve, Sr.

Mrs. M. C. Osborn is chairman of the backstage lineup committee. Mesdames Wesley Barnett, Tom Jarboe, Carl Maurer, John Benger and Guy Latta will assist her.

Club members assigned to assist cooperating stores are: Mrs. J. G. McFarland and Mrs. Mack Bainum, Hurst's Department Store; Mrs. Sloan H. Osborn and Mrs. Lee Cranfill, Foster's Drygoods; Mrs. Mack Ragsdale, Mrs. Baker Duggins, Mrs. L. R. Dilger and Mrs. V. J. Zeman, LuNora's; Mrs. C. W. Dixon, Hurst's Variety.

Latest hair fashions from local beauty shops will be modelled.

Admission will be $1 for adults and 50¢ for children.

## FOURTH SIX-WEEKS

# Elementary School Announces Students Making Honor Roll

The first grade led the honor roll list once again, as Friona Elementary School Principal J. T. Gee announced the list for the fourth six-weeks' period.

There were 36 first-graders, compared to 29 third-graders, 19 second-graders and 11 fourth-graders.

Gee also announced the top students in the third grade for each section.

Kathy McLean, daughter of Mr. and Mrs. Jim McLean, had the top average for section 3-A.

Bill Bailey, son of Mr. and Mrs. Bill Bailey, was the leader in section 3-B.

Denise Cudd, daughter of Mr. and Mrs. Kenneth Pearson, topped room 3-C.

Two students tied for honors in room 3-D, Alesia Ragsdale, daughter of Mr. and Mrs. Mack Ragsdale, and Sheila Struve, daughter of Mr. and Mrs. Steve Struve.

Kathleen McLean

**Next six-weeks period**, the top students in the second grade will be featured, with the first-graders to be honored at the final six-weeks period.

Those listed on the honor roll included:

FIRST GRADE

John Sheehan, Vicki Pryor, Ruby Roberts, Rhonda Rhodes, Bill Fallwell, Brent Hall, Mickey Harrelson, Chris Sanders, Glenda Reeve, Annette Reznik, Lisa Taylor, Martha Veleta, Terri Williams, James Reeves, Alan Payne, Trip Horton, Dalores Rodgers, Kay Cockran, Ladell Taylor, Mary Beth Bennett, Joe Jones, Bobby Lewellen, Tom Barber, Carl Newell, Rex Shelton, Beverly Bailey, Denette Vaughn, Beth Cranfill, LaGayla Self, Pamela Lewellen, Paula Dean, Teresa Ingram, Lewis Lee, Jeannie Bandy, Libby Lyles, Josie Perez.

SECOND GRADE

Johne Rule, Holly Welch, Kay McAlister, Randy Fletcher, David Sanders, Tracy Barber, Robert Jackson, Cynthia Barnett, John Ollie Cole, Sylvia Hernandez, Mike Hughes, Gary Mingus, Carol Morgan, Nancy Martinez, Carol Ann Reeve, Betty Sachs, Tanya Chester, Carolyn Murphree, Gerall Wyly.

THIRD GRADE

Kathy McLean, Denise Frazier, Andrea Hurst, Dave Buske, David Sides, Fran Dodd, Jill Riethmayer, Vickie Schueler, Claude McMurtrey, Don Pemberton, Troy White, Larry Sanders, Jimmy Hamilton, Bill Bailey, Joni Cannon, Brian Hall, Nick Collier, Denise Cudd, Louise Whaley, Carleen Schlenker, Kathy Horton, Sally Kendrick, Sheila Struve, Alesia Ragsdale, Deanne Schueler, Vicki Mingus, Carolyn Martin, Deann Dickson, Richard Shirley.

FOURTH GRADE

David Bynum, Debra Wyly, Dale Schueler, Lana Morris, Johnny Bingham, Susan Spring, Cydnee Bailey, Janetta Cole, Larry Johnston, Mike Mills, Susan Floyd.

Bill Bailey

Denise Cudd

Alesia Ragsdale

Sheila Struve

## Gary McLaughlin Enrolls At PAMC

Gary McLaughlin, son of Mrs. Frances Davis, Friona, Texas, is presently enrolled at Panhandle A&M College at Goodwell, Oklahoma.

Gary, a 6'3" 225 pound tackle transferred at the beginning of this semester from West Texas State College. Gary played high school football under coach Colie Huffman at Friona, where he was the team captain, was selected to the All-District, and All-South Plains teams, and played in the Panhandle all-star grid classic.

Rudolph Renner Jr.

### WHO? ME

These are the questions so many will be asking on the world's last day. They'll ask: Can a person be punished for what he didn't do? And the answer is: Yes, Indeed.

The fact is, when Jesus spoke about the judgment on the Last Day, He listed only that kind of guilt. He said people would go to hell for what they didn't do. He will say: "I was hungry, and you gave Me no meat. I was thirsty, and you gave me no drink . . ." Read it in Matthew chapter 25, if you've forgotten.

Possibly your greatest sins are the things which you should have done, but which you failed to do.

But, our greatest joy also comes from things we didn't do. For instance - We didn't keep God's commandments good enough to earn our way to heaven, but Jesus did. We haven't, and never can make good our sins, but Jesus has. We won't need to suffer everlasting hellfire, but Jesus did need to endure the torments of hell for us.

We didn't do it - Jesus did! And because He did, present peace of heart, and eternal joys in heaven are ours.

This is the message brought in the regular Sunday, and in the special mid-week Lenten worship services of -

## Man Arrested For Curry Co.

The Parmer County sheriff's department picked up a suspect in a recent Texico burglary for the Curry County sheriff's office last week.

Arrested was Odis Garrett, who was apprehended east of Farwell and is wanted by the New Mexico officers in connection with burglary of Tom Finley's Texaco Station in Texico.

Garrett had some of the allegedly stolen merchandise, valued at $65, with him when he was picked up.

Also, the Parmer County law office picked up William Cody of Muskogee, Okla., last week and turned him over to officers from Hot Springs, Ark. Cody was driving a stolen pickup and was arrested east of Bovina.

A pickup belonging to Gifford-Hill Western was found near a gin in the Springlake area after it had been stolen from Junior Robertson's garage lot in Farwell recently. The engine was damaged and apparently the person stealing the vehicle abandoned it after mechanical failure.

## Something To Think About

6th. Street Church of Christ
Box 515 -- Friona, Texas

In matters of expediency there is always room for opinion. All of us hold different opinions and therefore if there is to be any fellowship at all it must be in spite of opinions. The apostle Paul said, "Let us not therefore judge one another any more: but judge this rather, that no man put a stumbling block or an occasion to fall in his brother's way." (Romans 14:13) If men would only respect this principle today there would be much less division in the church. Unfortunately, intolerance is one of mans weaknesses which leads him to conclude that opinions and fellowship are incompatible. This spirit of intolerance often leads to the other extreme wherein man will allow his opinion to make void a positive teaching of the Bible. For example: "And there was much murmuring among the people concerning him: for some said, He is a good man: others said, Nay; but he deceiveth the people." As a result of these conflicting opinions many did not accept the Lord. Any opinion that man may hold that runs counter to the will of God is dangerous. Two scriptural facts will guide us aright in this matter: In all matters of expedience there is always room for opinion. In all matters wherein God's law is specific there is no room for opinion, only obedience. For one to insist on opinion where God's law is specific is a serious mistake that should be avoided.

NEARLY PERFECT WILL NOT DO

Has any man ever kept God's whole law? Sometime ago a newspaper item appeared in the Philadelphia "Public Ledger" which read in part "The perfect man has been found." He finally admitted he was as nearly perfect as a man can be. Doubtless there are others who actually believe they have kept the law of God. Of course, when this man admitted that he was only as nearly perfect as a man can be, he admitted that he was a lost soul. For not near perfection but absolute perfection is the only standard that can satisfy the righteous requirements of a righteous and holy God. God tells us that "all have sinned, and come short of the glory of God." However there was One who never broke the law of God and bore the lawbreaking sins of us all, offering His own perfect righteousness if we will take this in Himself as a gift. That one we speak of is Christ who was crucified on the rugged cross of Calvary for our sins but who was also resurrected the first day of the week thus giving us faith in One who has power of death. "For God so loved the world He gave His only Begotten Son, that whosoever believeth on Him should not perish but have everlasting life." (John 3:16).

# Friona-Tulia Battle Was Everything Fans Expected

Friona's battle with Tulia in the first round regional game was everything it was billed to be and more. The game had the appearances of a state finals contest, going two overtimes before the Squaws finally won it in sudden-death, 82-80.

The game produced the highest total score for regional games in recent years -- if not the highest ever. The two old rivals battled each other down to the wire, and if the sudden death rule hadn't been evoked, they might still be playing.

Fouls caused both teams to lose key players, and were partly responsible for the high score. Actually, Friona won the game at the free throw line, scoring 40 points there to Tulia's 34. Tulia outscored Friona from the field, 46-42.

Outstanding reserve play featured the Squaws' win. Marca Lynn and Merlene Massie, neither of whom had seen extensive action during the year, came in to play exceptionally well, when the chips were down.

Friona lost three players due to fouls. Guards Sandra Hoover and Carolyn Herring each fouled out, as did Tito Jennings, after only a minute of play in the second half. Tulia fouled out four players.

Each team had its turn of almost making the game a runaway in the first half before it settled down to a nip and tuck finish. After Tulia took a 2-0 lead, Friona came back on free throws by Jennings and Charlotte Nettles to claim a 12-4 lead midway through the first quarter.

The Squaws still had their eight-point lead at 15-7 after Janet Buckley scored a pair of free throws, but Tulia rallied on the shooting of Cheryl Culwell to take a 21-20 lead at the end of the first quarter.

Friona regained the lead momentarily at 24-23 as the second quarter opened, as Jennings hit three free throws. But Tulia then hit a surge, behind Culwell, running up an 11-point lead at 41-30.

Things were looking pretty dark at this point, as Jennings got her fourth foul, Hoover had four, and before the half ended, Herring fouled out. But the Squaws weren't about to give up.

In the last two minutes of the half, Nettles hit six free throws, and Buckley added a field goal, and Tulia didn't score again in that period, as Friona pulled back to within three points, 38-41.

Friona didn't catch up right away in the second half. Jennings scored her last field goal to make it 40-41, and then got her fifth foul. Tulia built its lead back up to five points, 47-42, but then Nettles sank two free throws and Marca Lynn Massie scored a goal to pull to within one, 46-47.

Massie later sank two free throws to put Friona back into the lead at 49-48, and the Squaws were never behind again, although the score was tied several times.

With Nettles and Buckley shouldering the scoring responsibility, Friona gradually built its lead to three, five and finally seven points at 61-54 after Nettles made a pair of free throws.

Tulia cut it to three, 61-58, but a basket by Buckley made the score 63-58, Friona, at the end of the third quarter.

Five straight points by Buckley enabled Friona to maintain a six-point lead at 68-62, but a flurry of baskets by Tulia's Jan Burrow brought Tulia a tie finally at 70-all. The teams then played swap-out the rest of the game, with Friona fortunately always scoring the first basket.

Charlotte Nettles scored Friona's last eight points in regulation play. Her goals gave Friona leads at 72-70, 74-72 and 76-74, but each time Tulia was able to tie the score. The Hornettes gained the final tie on a long set shot from about 20 feet out with about three seconds to play.

In the first overtime, Massie gave Friona a 78-76 lead with two free throws. The score was tied again. Nettles then hit on a jump shot for an 80-78 lead, and Friona was in the driver's seat. But Tulia managed to gain possession in the last 10 seconds of the overtime, and Burrow sank two free throws to call for another overtime.

Officials ruled a sudden-death overtime for the second duration, with the first team getting two points ahead winning. Glenda McClellan controlled the tip for Friona, Janet Buckley took the ball into scoring position.

Janet waited until she had an opening, then drove the baseline for a nice layin, which finally ended the marathon on a happy note for Friona, 82-80.

Nettles gained high point honors for the Squaws with 35 points. Buckley, who seems to thrive against Tulia, came up with her season high of 27 points. Her former high was at Tulia January 15, when she scored 23 points in sparking the 49-48 Friona win. Charlotte's total was also her season high, surpassing the 31 she scored at Farwell early in the year.

***BOTH WERE TIRED***

# Victory Over Hamlin Was "Anti-Climatic"

In a lot of ways, Friona's game against Hamlin in the regional finals at Lubbock Municipal Coliseum was sort of anti-climatic.

Friona's battle against Tulia was the one the team had been pointing to. What's more, both the Squaws and Hamlin were playing their second game of the day, and both were tired, especially Friona, after its double-overtime battle with Tulia.

But the Squaws continued their never-say-die attitude, and although trailing as much as four points in the last quarter, fought back for a 33-30 win and the regional championship.

Friona's point total in the game was only two more than its lowest of the season, after the Squaws had rolled up their highest total in the semifinal contest with 82 points.

Tito Jennings, who scored her low of three points after sustaining an ankle injury early in the game, got the team off to a 1-0 lead with a free throw. Hamlin took a 4-2 lead, but Charlotte Nettles tied it at 4-4 with a jumper.

Hamlin opened up an 8-4 lead, but a free throw by Nettles and Jennings' only field goal of the game cut their margin to 8-7. It was 9-7 with time running out in the first quarter, but Janet Buckley canned a jump shot to tie the score at 9-9.

After falling behind 11-9, Friona regained the lead on a jump shot and two free throws by Nettles to make it 13-11. Hamlin took a 16-15 lead in the slow-moving contest, but points by Nettles and Buckley gave Friona a 19-16 halftime lead.

Nettles scored three points to give Friona its longest lead of the game, 22-16 as the third quarter started. But the Squaws couldn't buy another basket, scoring only one more point the entire quarter, also by Nettles, and at the end of the quarter, Hamlin led by 27-23.

Buckley pulled Friona to within two points with a jump shot to make the score 25-27, but Hamlin kept its four-point lead at 30-26. Janet then scored three points to make it 29-30, and Nettles gave the Squaws the lead they were seeking with a jump shot good for a 31-30 Friona advantage.

She also added a free throw, and Buckley made another with nine seconds left to ice the game.

Nettles and Buckley once again paced the Squaws with 17 and 13 points respectively. Jennings' previous low point-total for the year was at Tulia, when she scored nine points.

BOX SCORE

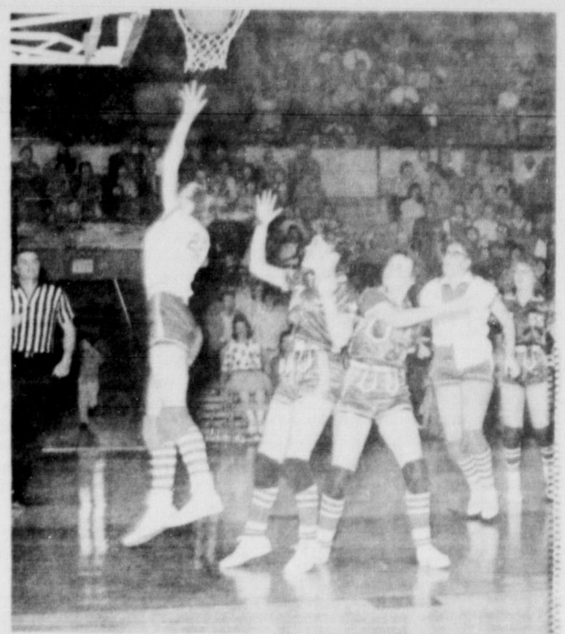

| | FG | FT | PF | TP |
|---|---|---|---|---|
| Buckley | 5 | 3 | 1 | 13 |
| Jennings | 1 | 1 | 2 | 3 |
| Nettles | 4 | 9 | 1 | 17 |
| M. L. Massie | 0 | 0 | 0 | 0 |
| Burleson | 0 | 0 | 4 | 0 |
| Hoover | 0 | 0 | 2 | 0 |
| McClellan | 0 | 0 | 4 | 0 |
| Massie | 0 | 0 | 0 | 0 |
| Totals | 10 | 13 | 14 | 33 |
| Hamlin | 9 | 7 | 11 | 3--30 |
| SQUAWS | 9 | 10 | 4 | 10--33 |

## Local Store Changes Stamps

A change has been made in the savings stamp plan of White's Super Market. In the future customers will be given Gold Bond stamps instead of Double Thrift stamps. All Double Thrift stamps may be redeemed or exchanged for Gold Bond stamps at the regular redemption center.

TO AIR GAME

Radio Station KGNC in Amarillo will broadcast the Squaws' tournament games, for the benefit of those who cannot attend. The first game will be aired at 7:30 p.m. Friday, at 710 on the dial.

TWO FOR JANET . . . Janet Buckley is shown making one of her many driving layup shots for the Friona Squaws in last Saturday's regional play. Here she scores against Hamlin to help the Squaws pull out a 33-30 win.

Good Farming Is More Than Buying A Load Of Fertilizer
EFFICIENT USE OF THE PROPER FERTILIZER MEANS NOT ONLY A BIGGER YIELD BUT MORE PROFIT.
Remember that fertilizers are used to supplement the natural fertility of the soil.
Consider the requirements of the rotation as a whole, as well as the plant food needs of the particular crop.
Fertilizers do not take the place of organic matter, good seed, proper cultivation and other good management practices.
Select an analysis containing all the plant foods which your soil will not supply in adequate quantities to the crop to be grown.
Use adequate quantities of recommended fertilizers to obtain the best results for each crop.

# Co-Op Gin Hires Seay

The Board of Directors of Friona Farmers Co-op Gin announced this week the hiring of N.B. Seay, 60, as the gin's new manager.

Seay, who has been in the ginning business almost 40 years, has been a gin manager for the past 27 years. He comes to Friona from the Midland Farmers Co-op Gin, where he managed the past two years.

He previously managed gins at Altus, Oklahoma, Davidson, Oklahoma, Flower Grove, and near Post.

Seay and his wife Nettie hope to move to Friona as soon as housing becomes available. They have four married children, two sons and two daughters.

About his unusual name combination, which with his initials is pronounced just like the network, NBC, Mr. Seay says he has had some unusual experiences.

"Once I called my residence from Lubbock, I asked for the N. B. Seay residence. Shortly I heard the operator say 'I can't seem to find a listing for the National Broadcasting Company.' "

Seay, who was a member of the Chamber of Commerce in Midland, says he hopes to be an active member of the community.

# Science Fair Winners Told

Winners in Friona Junior High School's Science Fair were announced this week by Guy Riggs, science instructor.

Danny Parker had the first-place exhibit, on "heat," showing ways of producing heat.

John Baker had the second-place exhibit. Jim Bob Jones and Don Hoover were third. Fourth place winners were Rickey Hurst, David Reeve, John Bill McFarland and Randy Ellis.

Fifth place went to Diana Wilson, Debbie Jarecki and Jan Welch.

CHARLOTTE SCORES . . . Charlotte Nettles scored 52 points in the two regional games last Saturday. Although she scored a lot of her points at the free throw line, she also hit on many long jump shots.

## PUBLIC NOTICE
## City of Friona

Ordinance #81, City of Friona, provides for levying of Dog Tax and vaccination of pets within the city limits. The vaccination, taxing, registration and tagging of dogs for 1963 will be held at the fire station, Friona City Hall, between the hours of 2 PM and 5 PM on the 15th and 29th days of March, 1963. Dr. Gene Cope, licensed veterinarian, will be present to administer the vaccinations. Tax $2.00, vaccinations $2.00 for a total charge of $4.00 per dog.

# County Receives "Bonus" Cotton Acres For 1963

THE HIGH PLAINS
FARM AND HOME

COTTON PRODUCTIONS WINNERS -- Shown with plaques in front row are Bruce Billingsley, Bobby Redwine and Floyd and James Schlenker, who finished first, second, and third respectively. Immediately behind them are Buddy Embry and Carroll and Harroll Redwine, who placed in that order in FFA division. Others shown are, left to right, A. L. Hartzog, president of Parmer County Cotton Growers Association; Deryl Coker, county agent; and David McVey, vo-ag instructor at Friona. At right are Scotty Windham, vo-ag instructor at Friona; Robert Morton, vo-ag instructor at Farwell; and Roy Crawford, vo-ag instructor at Bovina.

Parmer County farmers received a "bonus" of 7,597 acres of cotton for the 1963 crop year, according to the reapportionment program, figures from the state Agricultural Stabilization and Conservation Service showed.

The "bonus" is 5,267 more acres than the county received under the reapportionment program last year, and places the county's total acreage at 50,024, or roughly the same as it was last year.

Parmer's original cotton allotment announced for 1963 was 42,437 acres, a drop of 11.6 per cent from the original 1962 figure. The new allotment of 50,024 acres compares to last year's final figure of 49,354, giving the county 670 additional acres.

The "bonus" came about under a new law which went into effect in 1960, whereby farmers can release cotton acres they do not plan to plant to their county ASCS committees and still retain "history" planting credit on their farms.

The county ASCS committee attempts to re-distribute the released acres within the county in which they were released, and if enough acres haven't been requested, the excess is given to the state ASCS committee for re-distribution.

Official observers cited the re-zoning of the state into only two acreage release and reap-

## FOOTSAVING EDUCATION

by James E. Edwards

**"Corns" under the foot.**

Occasionally parents say that a youngster has a corn on the sole of his foot. When we first heard it, we were inclined to suspect nylon sox, plastic soles etc., etc. I guess that it is human nature to want to blame something.

Then a mother told us that her son had twenty - three of them before she realized that they were contagious—caused by a spore of some kind.

I have seen very, very few corns on children's feet. If one develops on the sole of your child's foot I would certainly see a doctor rather than waste time trying hearsay remedies.

# March 22 Is Deadline For 1963 Feed Grain Signing

Grain producers have until March 22 to decide whether or not to participate in the 1963 Feed Grain program. The decision is sufficiently important, says C. H. Bates, extension farm management specialist, that all commercial growers should consider the income possibilities of the alternative choices.

Budget forms are available from the offices of county agents for use in figuring estimated returns under the program for both compliance and non-compliance. Bates suggests contacting the local county agent for assistance in using the forms.

In general the 1963 program is similar to the one in effect last year. The grower agrees to reduce his feed grain acreage, corn, grain sorghum or barley, by at least 20 per cent; to comply with the diversion as shown by his signup papers and add the acres taken out of grain production to conservation use. This acreage, explains Bates, is in addition to the farm's base acreage in conservation use.

The specialist notes a change in the substitute crop provision. A percentage of the minimum diversion payment is available when the diverted acres are planted to certain crops. These and the percentage of payment are: sesame, 40 per cent; guar, 30 per cent; castor beans, 30 per cent and sunflower, 20 per cent.

Feed grain producers having questions regarding any phase of the 1963 program are advised to contact their county Agricultural Stabilization and Conservation Service staff for detailed information. And, reminds Bates, the final date for making a decision on whether or not to participate is March 22.

# Hub Meeting Scheduled On Chemical Weed Control

There will be a county-wide meeting on the use of chemicals for weed control at the Hub Community Center next Thursday, March 21, beginning at 2 p.m.

The County Extension Service is sponsoring the meeting, and all persons interested in agriculture are urged to attend, says County Agent Deryl Coker.

Three officials from Texas Experiment Stations will be featured on the program. Elmer Hudspeth of the Lubbock Experiment Station will discuss weed control in cotton, using chemicals as pre-emergence and post-emergency applications.

Dr. Allan Wiese of Bushland will discuss weed control in grain sorghum, and Jim Murphree will relate the cost involved in the different methods of weed control.

"Chemical control of weeds should cost a lot less than hand labor, and should do a more efficient job," Coker said. He indicated that the men will go into detail on chemical methods, and

# County Crop Contests Name Annual Winners

BY DOLPH MOTEN

Awards were presented to 4-H and FFA winners of 1962 cotton and grain sorghum production contests at a banquet Tuesday night in Bovina School cafeteria.

In cotton production contest, Bruce Billingsley was the 4-H winner with 1330 pounds of lint per acre. FFA winner was Buddy Embry of Lazbuddie with 1118 pounds of lint per acre.

FFA winner in grain sorghum production was Lowell Boozer of Bovina with 9390 pounds per acre. Tops in the 4-H division was Charles Kitten with 9176.

Cash awards to all boys who entered the contest were made by Parmer County Cotton Growers Association and Parmer County Grain Sorghum Producers Association.

Presentations were made by A. L. Hartzog, cotton association president, and Tom Caldwell, head of the grain sorghum association.

Plaques were presented to first three places of 4-H and FFA boys in each division. Prize money was presented to all contestants.

Also on the program were Bill Nelson of Amarillo, executive vice president of Grain Sorghum Producers Association, and Don Johnson of Lubbock, who is with Plains Cotton Growers.

Kitten's winning grain sorghum entry was watered three times and fertilized with 150 pounds of ammonia and 80 pounds of phosphoric acid.

Boozer's grain sorghum was fertilized with 150 pounds of ammonia and was watered eight times with tailwater.

Embry planted his first place cotton on May 16 and watered it three times.

Billingsley's cotton was planted April 24 and received three waterings.

Other winners in 4-H grain sorghum production contest, listed in the order they finished included -- Gary Mathews, Derrell Mathews, Kirby Burch, Larry Davis, Bruce Billingsley, Charles Ramage, Danny Miller, Gary Coker, Jimmy Broyles, Johnny Broyles, Dale Blackstone, Dwayne Bauer, James Gulley, John Gulley, Raymond Drager and Curtis Drager.

Other placings in FFA grain sorghum production contest were Dickie Clayton, Dewain Phipps, Gary Stevenson, Lewis Seaton, Dennis Johnston, Lynn Phipps, Tex Phipps, Terry Darling, Laurence Kriegel, Gerald Foster, Jackie Dane and Glendale King.

Cotton winners in FFA division, other than Embry were, Carrol Redwine, Harroll Redwine, Laurence Kriegel, Jackie Dane, and Dickie Clayton.

Winners in the 4-H contest for cotton, other than Billingsley were, Bobby Redwine, James and Floyd Schueler, Gary Mathews, Derrell Mathews and Dale Schueler.

Entertainment for the program was provided by The Rocking Seniors, an instrumental music group from Bovina.

A. W. (Dub) Anthony, Jr. of Friona, vice president of the sorghum association, served as master of ceremonies. Invocation was offered by Rev. John Ferguson, pastor of First Baptist Church in Bovina.

First place winners in each contest received $25 with amount of prize money declining for each placing thereafter down to $1.

## County Receives--

(Continued from Page 1)

portionment zones instead of five as a primary reason for the High Plains receiving a greater total in 1963 than in 1962.

The zone change came about to try to make maximum use of the state's allotted acreage, and to try for more equitable distribution of unwanted cotton acreage.

Producers will not, however, get planting "history" credit for the bonus acres, since they are credited to the farms which released them.

## Farm Bureau--

(Continued from Page 1)

ture for passage of needed legislation. We are pretty sure there were others from this county who went, but at this time we don't know who they were.

H.B. 484, a bill that would reduce the refund allowed farmers and ranchers on non-highway used fuels by 25 per cent, and credit the difference to the available school fund is one we believe every farmer and rancher should write Representative Bill Clayton in Austin encouraging him to fight. We are unable to see any equity in selecting a particular group of people, in this case, farmers and ranchers, to furnish additional moneys for school operation at the exclusion of all other citizens. Farm Bureau is fighting this, but your letters or telegrams would lend strength to FB's argument.

We would like to say publicly that we appreciate Rep. Clayton and Sen. Andy Rogers for their efforts to keep local Farm Bureaus informed on pending bills of interest from day to day. Farm Bureau has its own legislative representative office in Austin, but it is still nice to know that elected men are helping, too.

J. T. Jones and Frank Hinkson did a good job buying livestock (on the floor) for your Farm Bureau Saturday afternoon. Appreciation is due each one who contributed money to this fund which is accumulated and spent each year in this way.

Texas Farm Bureau's High School Student's Citizenship Seminar will be held at Sam Houston State Teacher's College in Huntsville, August 21, 22 & 23. Linda Rector is the student to attend from Parmer County. We believe that if you knew the good eminating from these seminars, you would want to be a supporting member of Farm Bureau for this, if for no other reason. Mrs. Vernon Symcox, chairman and Mrs. Walter Kaltwasser were responsible for getting a candidate selected for attendance this year.

CONSIDER THIS: Folly is joy to him that is destitute of wisdom: but a man of understanding walketh uprightly. Proverbs 15:21.

## Hub Meeting--

(Continued from Page 1)

farmers should benefit from their knowledge.

New chemicals which have come on the market in the last few years will be discussed.

Hudspeth will also discuss "Broadcast Cotton," and the results from planting cotton with wheat drills in eight-inch rows for increase of yields.

"Yields of over three bales per acre were experienced in a Lubbock experimental field using this method," Coker said.

GRAIN SORGHUM PRODUCTION WINNERS -- Shown with plaques in front row are Charles Kitten, Gary Mathews and Derrell Mathews, who finished first, second, and third respectively. Immediately behind them are Lowell Boozer, Dickie Clayton and Dwain Phipps, who finished in that order in FFA division. Others shown are, left to right, Robert Morton, vo-ag instructor at Farwell; Roy Crawford, vo-ag instructor at Bovina; Tom Caldwell, president of Parmer County Grain Sorghum Producers; and David McVey, Friona vo-ag instructor. At right are Scotty Windham, Friona vo-ag instructor, and Deryl Coker, county agent.

# New Crop Year Prompts Warning For Accidents

A new crop year is underway in Texas. With it comes the increased danger of crippling accidents on the farm.

It is a paradox that although the farm population is on the decrease, injuries and deaths from farm accidents are on the rise. This is partly because of the increasing average age of the people of farms, according to a recent study.

The annual mortality from farm accidents is estimated at from 60 to 70 per 100,000 farm population. It is an alarming fact that fully one-third of our farm population suffers accidents of some type each year. Some of them are of minor nature with no time losses involved, however. But lost-time injuries involved about 19 per cent of the farm population and this year about three per cent of our farm people will suffer permanent disabilities in accidents.

Rural environments are naturally more hazardous than urban life. Farms are relatively isolated with little supervision of work and not much opportunity for an injured person to obtain first aid promptly. Farm-to-market highways are often hazardous and, though there is less traffic, even on the most improved rural highways it is less controlled than on urban streets.

The high rate of accidents to farm people is also related to the pattern of farm work, which is more of a family job running more nearly around the clock than the job of the wage earner in town.

Accidents take a heavy toll among our farm youth, also. For the United States more than half of the annual mortality to young people between the ages of 15 to 24 is due to accidents. The motor vehicle hazard exists for both farm and city youths but the young people in rural areas are exposed to the additional hazards of farm machinery.

The tragedy is that perhaps 80 per cent of our farm accidents resulted from carelessness or failure to deal with hazards safely. But in that tragedy is the seed of hope, for more caution would cut the rate. Many of the accidents are avoidable.

Farm accidents are at their peak in June, July and August --the most active period of crop production and harvest. At this time, the farmer works long hours, becomes tired and perhaps a little careless.

Farmers are urged to inspect their premises for hazards -- especially in the home and around the outbuildings. Make repairs now. Inspect and get machinery in good running order. Above all, avoid unnecessary risks and don't try to "cut corners" in order to save time during the busy season. A minor slip can result in a major accident.

# Early Plantings May Foil Sorghum Midge

A small orange-colored insect, the sorghum midge, has made early planting of grain sorghum a must, especially in the Blacklands. Odds are five to one that farmers in the Blacklands with late maturing grain sorghum will produce less than half as much per acre as those with early maturing fields.

But, say entomologists and agronomists of the Texas Agricultural Extension Service, it is easy to escape midge damage. Fortunately, they add, the practices used to escape midge damage usually produce the highest per acre yields in areas where the little insect is a factor.

Date of planting is highly important in early maturity. Six years of study at the Temple Agricultural Experiment Substation show highest average yields have come from March plantings. In two of the six years, the specialists say that some early April plantings gave slightly higher yields, but after mid-April, yields generally have dropped 50 per cent or more.

The best planting date bet, they say, is March with early April a nervous second and later dates too risky for even a gambler. Mid-March plantings are suggested for the southern Blacklands and late March for northern counties.

They point out that early maturity also depends upon balanced soil fertility. A hybrid grown on land where plant nutrients are in balance will bloom from six to eight days earlier than one planted on land where fertility is out of balance. If plant foods have not already been supplied, fertilizers may be applied at planting time or later as a sidedressing, the specialists explained.

Many hybrids are available, they say, but suggest a mid-maturity one such as RS 610 for most Blackland growing conditions.

Control of the midge by chemicals depends upon proper timing of insecticide applications. Research has shown controls must be applied within a one to four day period following 90 per cent emergence of heads.

# Good Yields Start With Quality Seed

High crop yields of quality start with the planting of the best available seed. It is ture, says Lee Coffey, extension agronomist, that good planting seed may cost slightly more but the few pennies per acre are about the cheapest insurance to be had.

Before planting any seed a farmer should be able to answer these questions posed by Coffey. Is the variety or hybrid adapted and recommended for the area? Is the seed high in varietal purity? Will they germinate high for the particular crop? Was the germination test made within the last six months? Is the seed free from weed seeds which will cost time and money to get rid of in the future? Is the seed free from troublesome seeds of similar varieties or other crops?

If the answer is "no," or "I don't know," Coffey says you don't know enough about your planting seed to plant them. Replanting increases the cost of production and upsets the time table of work and poor stands do not produce top yields, explains the agronomist.

It is true that the cost of seed is a minor one in the whole farming operation, points out Coffey, but seed are the reason the farmer plows, fertilizes, irrigates and harvests. Therefore, he adds, it is just good business to start with the best.

He suggests a close check of the tag on the seed container for the information that is needed to insure seed quality. And for detailed information on the best adapted varieties and hybrids for any particular area, visit with the local county agent.

# Friona Calf Is Grand Champion

Dewain Phipps led Friona to a sweep of the top honors in the steer division of the Parmer County Junior Livestock Show. The steer judging was held last Saturday morning.

Phipps, who also had a breed champion in the lamb division, showed the grand champion steer, a 972-pound Hereford which was the top medium heavyweight steer.

Gary Hand had the reserve champion steer, an 839-pound Angus which was the first-place animal in the medium-weight division.

Other first-place animals in the steer division were exhibited by Tommy Tatum in the lightweight division, and Tex Phipps in the heavyweight division, both of Friona.

Friona entries took 27 of the top 39 places in the steer show, including first and second in every division except medium heavyweight, where Pat O'Brien of Bovina exhibited the second-place steer.

STEER DIVISION

Lightweight -- 1. Tommy Tatum, Friona; 2. Larry Potts, Friona; 3. Jan Wells, Friona; 4. David Nelson, Lazbuddie; 5. Joe Bob Johnson, Friona; 6. Jerry Cooper, Bovina; 7. Dennis Johnson, Bovina; 8. Gene Pruitt, Bovina; 9. Ronnie Taylor, Bovina; 10. Scotty Rundell, Bovina.

Mediumweight -- 1. Gary Hand, Friona (reserve champion); 2. Jesse Shirley, Friona; 3. Bobby Redwine, Lazbuddie; 4. Eldon Long, Friona; 5. Jay Potts, Friona; 6. Mike Smith, Friona; 7. Richard Carson, Bovina; 8. Stephen Wagner, Friona; 9. James Weatherly, Friona; 10. Alan Carson, Bovina.

Medium Heavyweight -- 1. Dewain Phipps, Friona, (grand champion); 2. Pat O'Brien, Bovina; 3. Dennis Howell, Friona; 4. Darla Howell, Friona; 5. Greg Jarrell, Friona; 6. Rex Hand, Friona; 7. Risa Howell, Friona; 8. Joe B. Jennings, Lazbuddie; 9. Bill Weatherly, Friona; 10. Sheryl Long, Friona.

Heavyweight -- 1. Tex Phipps, Friona; 2. Dennis Fallwell, Friona; 3. Lynn Phipps, Friona; 4. Barbara Fallwell, Friona; 5. Danny Black, Friona; 6. Keith Black, Friona; 7. Rex Wells, Friona; 8. Eugene Weatherly, Friona; 9. Timmy Foster, Lazbuddie.

RADIO TRANSMITTING tubes that are as big as fire hydrants and that boil water to cool themselves off are going to power a new Voice of America station having almost 5,000,000 watts capacity. Construction by Votator of a special trailer-truck-size Thermex tube tester that can deliver continuous power of 1,200,000 watts was required to test the new tubes, which extend beyond the power and frequency ranges of previously available equipment . . . THE NEW JERSEY Turnpike reports that more than 40 per cent of all accidents on the road in 1962 were caused by driver inattention.

Don't forget that much fatigue is mental—you may only think you are tired. Keep your mind cleared of tiring thoughts and particularly guard against worry. Nothing can drain your strength like fear.

# TFB To "Inform Farmers" About Wheat Referendum

The Texas Farm Bureau will conduct an intensive informational campaign in coming weeks on the wheat certificate plan to be voted on in the late spring, according to TFB President C. H. DeVaney.

"We will give all the facts, including the possible effects if the referendum carries; also, the effects if it fails, and alternatives that might develop in either event," he said.

The state farm leader said the Farm Bureau will not attempt to tell any wheat farmer how to vote.

"It is our belief that the wheat producers of Texas and the United States, if given the facts on the real issues involved in this coming referendum, will vote 'no' by an overwhelming majority!" DeVaney declared.

He noted that voting delegates from county Farm Bureaus adopted the following resolution at the TFB convention last November in San Antonio:

"Farm Bureau should use every effort to defeat the referendum on the certificate plan for wheat if it is presented for vote."

The Farm Bureau leader said the upcoming wheat vote poses a "great challenge" to wheat farmers, including those who might grow wheat as a minor part of their farming or livestock operation. He explained that if the certificate plan carries in the referendum, "it will be the first step leading toward the complete control of all agriculture under the supply management theory." Defeat of the plan will clear the way for enactment of a sensible solution of the wheat surplus problem," he said.

"Farm Bureau has developed a sound program for enactment after the certificate plan is defeated," DeVaney said. "Many members of Congress are already drafting legislation to be offered after the defeat of the wheat proposal in the referendum."

In citing the widespread opposition to the certificate plan, DeVaney said that voting delegates representing 1,600,000 members of the American Farm Bureau Federation at the December national convention adopted the following policy in regard to this type of farm program:

"We are opposed to multiple price or certificate plans. Such plans require rigid controls, restrict freedom of production, maintain unrealistic high price supports, and encourage production of synthetics and other substitutes.

"The multiple price wheat certificate plan, authorized by the Food and Agricultural Act of 1962, is the most complicated and restrictive version ever seriously considered. If approved by a two-thirds vote in the forthcoming referendum, this plan would create a multitude of serious problems never before encountered and divide the market for milling wheat among all growers without regard to milling and baking quality. Fortunately, for farmers, consumers, and all taxpayers, wheat producers can defeat this plan by voting 'NO.'

"We recommend that Farm Bureau organize and conduct an intensive information campaign with wheat growers in all commercial states to explain fully the provisions and implications of the alternative programs to be offered farmers in the 1963 Wheat Referendum."

AN OLD-FASHIONED instrument, the human eye, may prove the best guidance system for the rendezvous and docking of two spacecraft in orbit, says National Aeronautics and Space Administration physicist J. E. Pennington. Visual space rendezvous, he believes, will lessen system requirements and increase chances of a successful mission. The astronaut would begin the parking maneuver by lining up the blinking light on his target some 200 miles away. NASA simulation studies have shown that a pilot can judge the closing rate to about 0.15 feet per second from a distance of 10 feet, roughly equivalent to inching your car in the garage at one mile per hour.

**Daytona is no "private" test arranged by a manufacturer to favor his car's strong points. It is open competition—anyone can enter—and the one thing that is proved by its searing 500 miles is just exactly how well a car hangs together. At Daytona, Florida, on February 24, five brand-new 1963½ Fords showed the world what durability means by sweeping the first five places. And that has never been equaled in Daytona history!**

The box score at the left tells the true story...car endurance that takes brutal punishment and comes back for more.

No proving ground can equal this kind of torture. Daytona was a challenge we welcomed, a chance to prove in open competition the essential durability that makes possible the silence, the solid road-grip, the ease of control, the balanced braking . . . and all the other things that go into Ford's concept of *total* performance.

These were the same '63½ Super Torque Fords that made styling history at their preview at Monaco, and which were recently announced at your Ford Dealer's. They're *yours* now; get behind the wheel and find out for yourself! what *total* performance means!

# Farm Bureau Believes - - - - - -

Farm Bureau believes that the democratic principles of free enterprise and human freedom upon which our nation was founded are responsible for its greatness.

Farm Bureau believes in the right of every man to choose his own occupation free from compulsory unionism; to be rewarded in accordance with his productive contribution to society; to save, invest and spend his earnings as he chooses; and to worship as his conscience dictates.

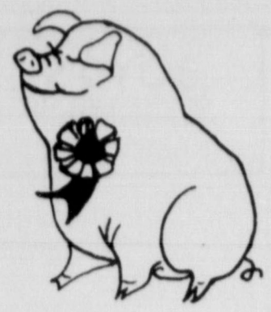

Farm Bureau believes that further centralization of power and authority in the Federal Government and the apathy of American people to this trend are among the greatest dangers threatening our Republic and the American way of Life. "Planned economy" concepts such as socialism, communism, Fascism and other forms of totalitarianism must be opposed wherever and in whatever form they may be found.

Farm Bureau is wholly controlled by its members through majority decision and is financed by voluntary membership dues.

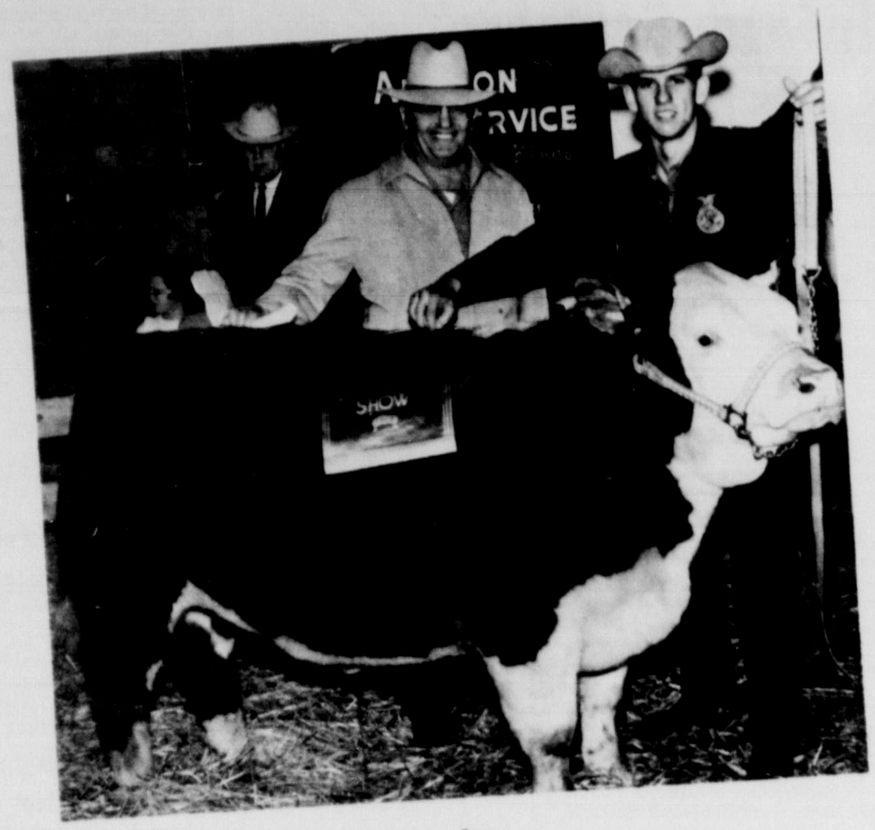

Parmer County Farm Bureau sincerely invites all people of like beliefs, who are connected with agriculture, to join our ranks and work with us in putting these basic beliefs to effective and practical use in our social and economic way of life.

Parmer County Farm Bureau

# Stock Show Winners

Winners at the Parmer County Junior Livestock show pose with their champion animals, and with some of the buyers of the stock. Photo number 1 shows Dewain Phipps of Friona with the grand champion steer, purchased by B. C. Scott of Clay's Corner Gin. Picture number 2 shows Mariana Gammon of Lazbuddie and her champion medium wool lamb. Picture number 3 depicts Bobby Gleason of Lazbuddie and the show's grand champion barrow, purchased by Gilbert Schueler Feed and Supply, Farwell. Darrell Mason of Lazbuddie and his champion Southdown lamb is shown in picture number 4, with the buyers of the lamb, B. C. Scott of Clay's Corner Gin. Friona's Dewain Phipps is shown again in picture number 5, with his champion fine wool lamb, and Charles Allen, who bought the lamb for Friona State Bank. Lazbuddie's Marsella Mayfield poses proudly with her Poland China barrow in picture number 6. The barrow was reserve champion of the show. Gary Hand of Friona exhibits his Angus steer in picture number 8, the reserve champion steer in the show.

BIG REASON FOR ELECTRIC CLOTHES DRYING

$$ SAVES MONEY $$

With an electric clothes dryer, fewer clothes are needed for adults and fewer linens are needed to run your household. Even larger savings are yours in children's clothing since using fewer clothes eliminates waste from many garments outgrown. And, the big reason for the savings is the speed with which you can wash and dry clothes electrically. Children's clothes may be washed and dried several times a day, if necessary. It's just a matter of putting in the clothes and turning a dial — Reddy does the rest.

SOUTHWESTERN PUBLIC SERVICE COMPANY

SEE YOUR PARTICIPATING REDDY KILOWATT ELECTRIC APPLIANCE DEALER

Now Southwestern Public Service Company customers may get a free Toastmaster steam and dry iron plus a portable ironing board that folds flat — fits in a suitcase, with the purchase of an electric clothes dryer. Now's the time to end drying worries.

# Lazbuddie Youth Show Grand Champion Barrow

Bobby Gleason, 12-year-old 4-H Clubber from Lazbuddie, won top honors over 126 other entries in the barrow division of the Parmer County Junior Livestock Show last Friday.

Gleason, the son of Mr. and Mrs. Truman Gleason of the Lazbuddie community, showed the grand champion barrow, a Poland China which also was breed champion.

"He is about the largest barrow I've ever picked for a champion," stated Charles Smallwood of West Texas State College, who judged the show. "He is really almost too big, but I'd just as soon eat this barrow as any I've seen today," Smallwood commented.

The reserve champion banner went to Marsella Mayfield of Lazbuddie, whose medium-weight Poland China had been placed first in its division.

Lazbuddie youngsters made off with four of five breed championships during the barrow judging, missing out only in the Berkshire division, where Friona's Everett Gee exhibited the grand champion. In addition, Lazbuddie entered the only two cross-bred barrows, thus winning first and second place ribbons there.

Edwin Taylor, also of Friona, had the reserve champion Berkshire, with the first-place lightweight animal in its class.

Ronald Mayfield of Lazbuddie had the champion Chester White barrow, which was first-place winner in the heavy division. Max Eubanks, also of LHS, showed the reserve champion, first in the light Chester Whites.

Elaine Embry, who entered the show via the Lazbuddie FFA, exhibited the breed champion Duroc barrow, which was first-place in the lightweight division. Dennis Howell of Friona, who showed the first-place heavy Duroc, gained the reserve champion ribbon.

Larry Eubanks concluded the near-sweep of breed championships for Lazbuddie, guiding his light Hampshire to that honor. Other first-place ribbons in this division went to Charlotte Seaton (medium) and Mack Holt (heavy), both of Lazbuddie.

Out of 103 ribbons awarded in the barrow show, Lazbuddie showmen carried away 44 of them.

BARROW DIVISION

Light Berkshire -- 1. Edwin Taylor, Friona; 2. Rickey Hassell, Lazbuddie; 3. Gary Eubanks, Lazbuddie; 4. Hassell; 5. Dale Gober, Farwell.

Heavy Berkshire -- 1. Everett Gee, Friona; 2. Jim Morton, Farwell; 3. Dale Gober, Farwell; 4. Ronald Ashford, Lazbuddie; 5. Larry Eubanks, Lazbuddie.

Champion Berkshire -- Gee. Reserve champion -- Taylor.

Light Chester Whites -- 1. Max Eubanks, Lazbuddie; 2. Zane McVey, Friona; 3. Max Reeve, Friona; 4. Charles Roberts, Farwell; 5. Patsy McVey, Friona.

Heavy Chester Whites -- 1. Ronald Mayfield, Lazbuddie; 2. Linda McVey, Friona; 3. David Reeve, Friona; 4. Reeve; 5. Charles Roberts, Farwell.

Champion Chester White -- Ronald Mayfield. Reserve champion -- Max Eubanks.

Crossbred barrows -- 1. Mike Burreson, Lazbuddie; 2. Max Eubanks, Lazbuddie.

Light Durocs -- 1. Elaine Embry, Lazbuddie; 2. Darla Howell, Friona; 3. Zane McVey, Friona; 4. Tally Kelso, Bovina; 5. Darrell Embry, Lazbuddie; 6. Radford Venable, Bovina; 7. Jerry Lorenz, Bovina; 8. Risa Howell, Friona.

Heavy Durocs -- 1. Dennis Howell, Friona; 2. Nester Yuregas, Lazbuddie; 3. Buddy Embry, Lazbuddie; 4. Charles Frye, Friona; 5. Roy Crawford, Jr., Bovina; 6. Barry McCutcheon, Bovina; 7. Sam Morton, Farwell; 8. Jackie Clark, Friona; 9. Gary Carson, Bovina; 10. Darla Howell, Friona.

Champion Duroc -- Elaine Embry. Reserve champion -- Dennis Howell.

Light Hampshires -- 1. Larry Eubanks, Lazbuddie; 2. Charlotte Seaton, Lazbuddie; 3. Ronnie Procter, Friona; 4. Craig Schumann, Lazbuddie; 5. Darrell Anthony, Friona; 6. Scott Cummings, Friona; 7. Tommy Baxter, Friona; 8. Charles Fields, Friona; 9. Dwight O'Brian, Friona; 10. Joey Taylor, Friona.

Medium Hampshires -- 1. Charlotte Seaton, Lazbuddie; 2. Dennis Howell, Friona; 3. Thresa Seaton, Lazbuddie; 4. Bobby Morris, Lazbuddie; 5. Thresa Seaton, Lazbuddie; 6. Gary Eubanks, Lazbuddie; 7. Richard Carson, Friona; 8. Dwight O'Brian, Friona; 9. Larry Loflin, Friona.

Heavy Hampshires -- 1. Mack Holt, Lazbuddie; 2. Billy Eubanks, Lazbuddie; 3. Eubanks; 4. Charles Fields, Friona; 5. John Taylor, Friona; 6. Don Collier, Friona; 7. Mike Burreson, Lazbuddie; 8. Ronnie Procter, Friona; 9. Don Collier, Friona; 10. Larry Loflin, Friona.

Champion Heavy Hampshire -- Larry Eubanks. Reserve Champion -- Mack Holt.

Light Poland China -- 1. Linda Gleason, Lazbuddie; 2. Bobby Gleason, Lazbuddie; 3. Darrell Embry, Lazbuddie; 4. Marsella Mayfield, Lazbuddie; 5. Dale Milner, Friona; 6. Lynn Phipps, Friona; 7. Tex Phipps, Friona; 8. Mike Camp, Farwell, 9. Lonnie Ellis, Friona.

Medium Poland China -- 1. Marsella Mayfield, Lazbuddie; 2. Jerry Cass, Friona; 3. Ronald Mayfield, Lazbuddie; 4. Larry Johnson, Friona; 5. Phillip Johnson, Friona; 6. Edwin Taylor, Friona; 7. Kenneth McGehee, Lazbuddie.

Heavy Poland China -- 1. Bobby Gleason, Lazbuddie; 2. Linda Gleason, Lazbuddie; 3. Larry Gregory, Farwell; 4. Jerry Cass, Friona; 5. Larry Johnson, Friona; 6. Buddy Embry, Lazbuddie.

Champion Poland China -- Bobby Gleason. Reserve champion -- Marsella Mayfield.

GRAND CHAMPION BARROW -- Bobby Gleason. Reserve -- Marsella Mayfield.

# Lazbuddie, Friona Win Lamb Banners

Two of the three breed championships in the lamb division of the Parmer County Junior Livestock Show last Friday were won by Lazbuddie students, with a Friona entrant winning the third championship.

Dwain Phipps of Friona kept it from being a Lazbuddie sweep by claiming the first-place banner in the fine wool division, although Lazbuddie entries won all the other ribbons in that division. John and Mike Ward, last year's winning showmen, placed second and third.

Mariana Gammon's Shropshire-Hampshire lamb won top honors in the medium wool division. This lamb had been judged tops in its class at Lazbuddie's show two weeks previously. James Koelzer had the runnerup lamb in the division.

Another Lazbuddie entry by Darrell Mason won the banner in the Southdown division. This lamb also was a winner at the Lazbuddie show earlier. Dwight O'Brian of Friona captured second place among Southdowns, and Mason also had the third-place lamb.

A total of 35 lambs were entered in the show. Otho Whitefield was the division superintendent.

LAMB DIVISION

FINE WOOL -- 1. Dwain Phipps, Friona; 2. John Ward, Lazbuddie; 3. Mike Ward, Lazbuddie; 4. Richard Gordon, Lazbuddie; 5. John Ward, Lazbuddie; 6. Sammy Harlan, Lazbuddie; 7. Steve Foster, Lazbuddie; 8. Sammy Harlan, Lazbuddie; 9. James Koelzer, Lazbuddie; 10. Royce Barnes, Lazbuddie; 11. Trevor Ford, Lazbuddie.

MEDIUM WOOL -- 1. Mariana Gammon, Lazbuddie; 2. James Koelzer, Lazbuddie; 3. Terry Parham, Lazbuddie; 4. Parham; 5. Gammon; 6. Mack Brown, Lazbuddie; 7. Troy Steinbock, Lazbuddie; 8. Lynn Phipps, Friona.

SOUTHDOWN -- 1. Darrell Mason, Lazbuddie; 2. Dwight O'Brian, Friona; 3. Mason; 4. Glendale King, Lazbuddie; 5. King; 6. Mack Brown, Lazbuddie; 7. Richard Gordon, Lazbuddie; 8. Howard Rhodes, Friona; 9. Tex Phipps, Friona; 10. Pat O'Brien, Bovina.

Di-Syston* kills thrips, aphids and mites for 6 to 7 weeks

GIVES YOUNG PLANTS THE POWER TO BITE BACK AT SUCKING INSECTS

GIVES CONTINUOUS PROTECTION WHEN YOUR COTTON SEEDLINGS NEED IT MOST

Di-Syston is the new granular systemic insecticide that pre-controls destructive, early cotton insects. Planted with the seed, it is taken up by the roots as soon as the seed germinates. It flows in the sap stream and is translocated to all parts of the plant—even protecting the terminal growth from sucking pests. Di-Syston will give you these four unique and profitable advantages.

CONTINUOUS LONG-LASTING PROTECTION
DOES NOT HARM PREDATORS
ONE EASY APPLICATION . . . BEFORE EMERGENCE
HIGHER YIELD

OKLAHOMA LANE FARM SUPPLY OFFERS
The Best Ever In Weed Control

THE NEW CISCO ORBIT - WEEDER
WITH HYDRAULIC ORBIT MOTOR

NEW CISCO ORBIT WEEDER OBSOLETES ALL OTHER ROD WEEDERS - KNIFES - MULCHES - KILLS WEEDS IN ONE SMOOTH OPERATION.

* HYDRAULIC MOTOR DRIVE obsoletes ground wheel and friction drives; eliminates complicated PTO connections. (No cranky universal joints).

* DRIVEN BY CHAR-LYNN HYDRAULIC MOTOR. Develops high torque at low speed for smooth, efficient operation.

* OIL BATH CHAIN DRIVE runs cool. Can't overheat.

* OPERATES EASILY AT HIGH SPEEDS; prevents trash plugging.

* PERMITS EARLIER cultivation and planting because it can be used in wetter, trashier soils.

* SIMPLE INSTALLATION. One man with two wrenches can do it in less than 30 minutes.

Get Your Rod-Weeder NOW!

# INTRODUCING THE FRIONA SQUAWS

# REGION ONE CHAMPS

REGION I CHAMPIONS . . . The Friona Squaws, taking a 25-7 record into the state tournament, are shown with the first-place regional trophy. Back row, left to right are Marca Lynn Massie, Janet Buckley, Kay Burleson, Glenda McClellan, Annette (Tito) Jennings, Shirley Phipps, Wesslie Hand, Charlotte Nettles, Lois Moyer and Sharon Dean. In the front row are Merylene Massie, Sheryl Long, Carol Struve, Linda Davis, Coach Baker Duggins, Sandra Hoover, Rose Ann Greeson, Carolyn Herring and Cathy Bailey. The Squaws edged Tulia, last year's state finalist, 82-80, and Hamlin, 33-30, at regional to gain the state tournament for the second time in four years. Duggins' seven-year record at Friona is 195 wins, 28 losses.

# FRIONA TEXAS
# IN
# PROSPEROUS PARMER COUNTY

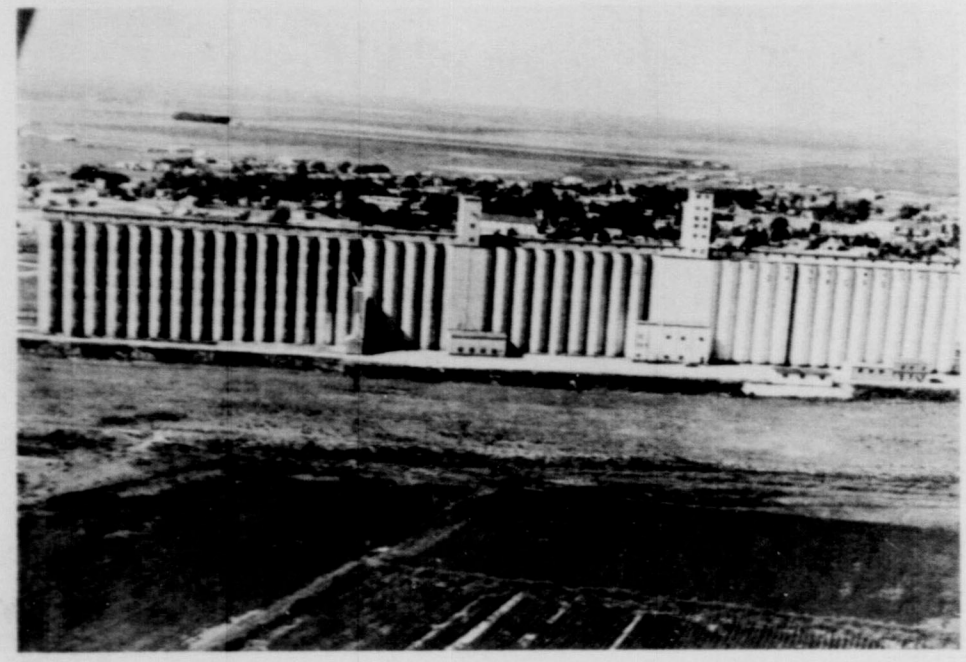

Friona is the largest town in Parmer County, and is located 25 miles from the New Mexico state line. Located on U. S. Highway 60 and State Highway 214, Friona is 72 miles southwest of Amarillo, 100 miles northwest of Lubbock and 30 miles northeast of Clovis, New Mexico.

Chartered on March 19, 1928, Friona has experienced steady growth during the past several years. The U. S. Census listed Friona with 1202 inhabitants in 1950, and 2,048 in 1960. Current population is around 2,500.

Parmer County claims to be the "grain sorghum capital of the nation," producing annually more grain sorghum (maize) than any county in the state or nation. Friona holds an annual "Maize Days" celebration each fall at harvest time in honor of the county's biggest money crop.

The county derives practically all of its income directly from agriculture. Other main crops besides maize are cotton (the county averaged 1.6 bales per acre last year), and wheat. Vegetables also are a good cash crop. Friona is located 20 miles from Hereford, at which Holly Sugar Corporation is constructing an $18 million sugar mill to refine beet sugar.

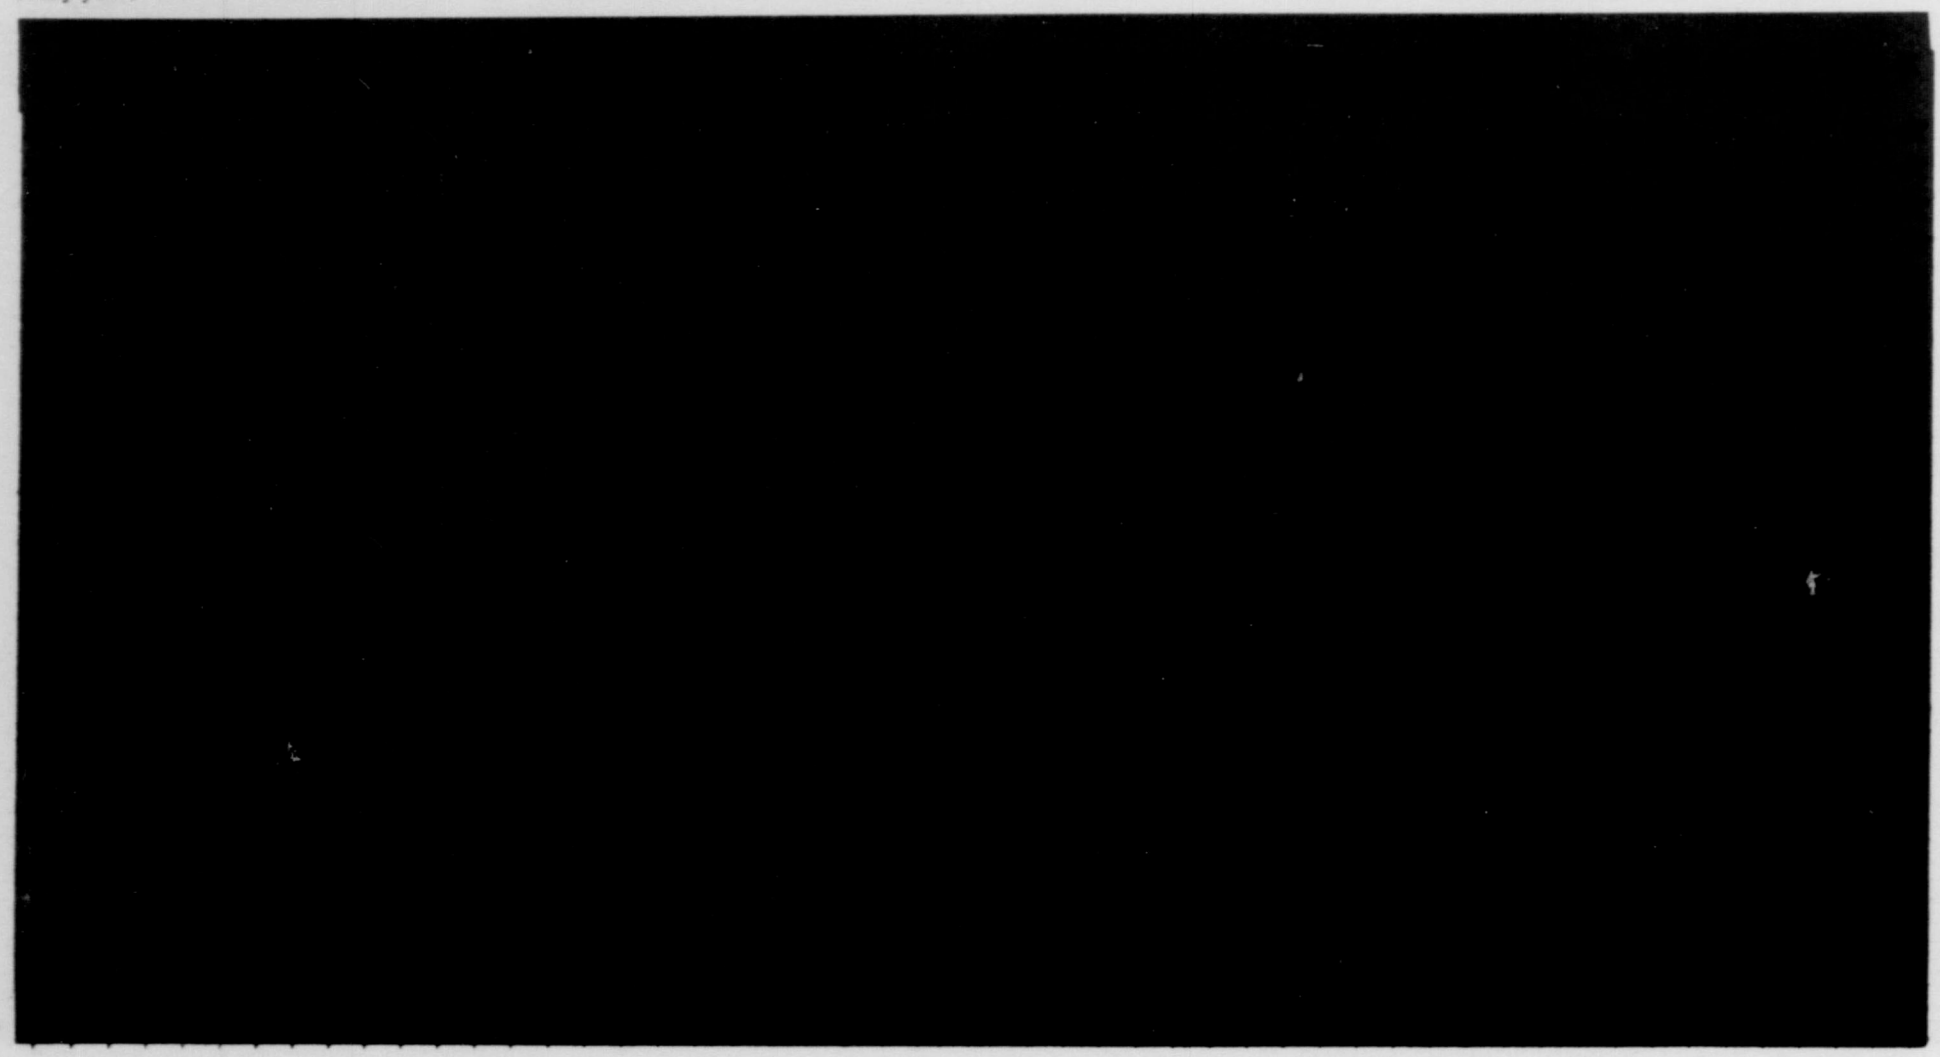

Among the major businesses in the city are two huge grain storage elevators, including one which is known as the "longest country elevator in the world," a potato and vegetable processing plant, and one of the largest offset newspaper printing plants on the South Plains of Texas.

Called the "longest country elevator in the world," this elevator in Friona has a capacity of 3,170,000 bushels. It is one of two major grain storage facilities in the city. Parmer County is the "maize capital" of the state--and the storage facilities are usually filled every year.

Cotton is one of the major cash crops of Parmer County. Here cotton trailers are shown waiting to be ginned. A gin is shown in the right background, while one of the grain storage elevators is shown in the left background.

## WITH THE COUNTY AGENT

DERYL COKER

Each year the labor situation seems to get worse, and it becomes harder for farmers to employ laborers to keep crops clean, and so we are going to have to find improved methods in farming. I have arranged a meeting for everyone in Parmer County who is interested in weed control, using the new chemicals that have come on the market the last year or two. These chemicals can be used at a reasonable cost, as compared to hand labor.

Elmer Hudspeth of the Lubbock Experiment Station will discuss weed control in cotton, and also the possibilities of growing broadcast cotton. Dr. Allen Wiese of the Bushland Experiment Station will discuss weed control in Grain Sorghum.

They will go into detail and show us how to use these new chemicals.

Also Jim Murphree, Farm Management Specialist, will discuss the differences in cost of the different methods of controlling weeds.

Prentice Mills will also spend a few minutes on the 1964 wheat referendum.

The meeting will be held at the Hub Community Center at 2 p.m. March 21.

Last Sunday was sure a rough day and I got to thinking about fires. Ground cover is very dry, and once a fire has gotten a start, its control is difficult. Prevention, thus becomes even more important.

Fire at this time will not only deprive the stockmen of much needed forage, but will also cause other damages. The vegetative cover and organic material necessary for natural fertility and for maintaining good soil moisture holding capacity will be destroyed along with seedlings of grasses and other valuable forage plants. The long time effect can be more costly than the immediate losses.

Among the major causes of wildfires are careless burning of trash around home and using fire in land clearing or land preparation for plowing. Too, a carelessly tossed match or cigarette by a passing motorist can start a fire that may go unnoticed until it is out of control. Motorists are urged to be doubly cautious when driving through range or soil bank areas so long as the present situation exists.

Most wildfires can be prevented. Let's all do our part in preventing these fires.

Charles Rector ran a Cotton Variety Demonstration using Gregg and Paymaster 101-A. The cotton was irrigated 3 times, one preplant and two post. It received hail on August 17th and had approximately 40% damage. Both varieties were treated the same and below is the results.

Gregg -- 529 lbs. Lint Cotton -- 15/16 Wasty

Paymaster -- 538 lbs. Lint Cotton -- 31/32 Wasty

# Former Radio-TV Reporter Joins High Plains Staff

Dr. Earl H. Collister, Director of the High Plains Research Foundation at Halfway, Texas, announced today that Bedford Forrest, former Farm News Reporter with KGNC Radio and Television in Amarillo joined the Foundation's staff on March 1. Forrest will be a Public Relations Representative for the Foundation and will travel extensively throughout the High Plains area in extending the work of the Foundation.

Forrest is well known throughout the High Plains area since he has done extensive work for KGNC in Amarillo in covering farm meetings. He was born in Clovis, New Mexico, and attended public schools in Hereford, Texas, where he graduated from high school. He is a graduate of West Texas State College in Canyon where he received his Bachelor of Science Degree and has recently completed most of the work toward his Masters Degree. He also holds a certificate in Public Relations from the University of Texas.

Forrest's experience includes several years teaching in the public school systems of Big Spring, Hereford, and Tulia. He has done considerable farming in the Hereford area and has also been engaged in ranching operations near Lampassas, Texas; Broaugh, Missouri; and in Colorado.

In announcing the employment of Forrest as a Public Relations Representative, Dr. Collister stated "Mr. Forrest's farm experience and training in agriculture would be very valuable to the Foundation's research and educational program throughout the High Plains. "His employment will enable the Foundation to extend its research information to more farmers and businessmen throughout all of West Texas."

Forrest is married to the former Jan Craig of Plainview, Texas. They have three daughters, Pam - 6; Cherry - 4; and Cathy - 3. They are members of the Methodist Church.

No. 19 Learning to walk and hopefully looking forward to the day when she can do it alone is little Pat, a crippled child served by Easter Seals.

### STRENGTH FOR THESE DAYS from The Bible

Thy youth is renewed like the eagle.—(Psalms 103:5).

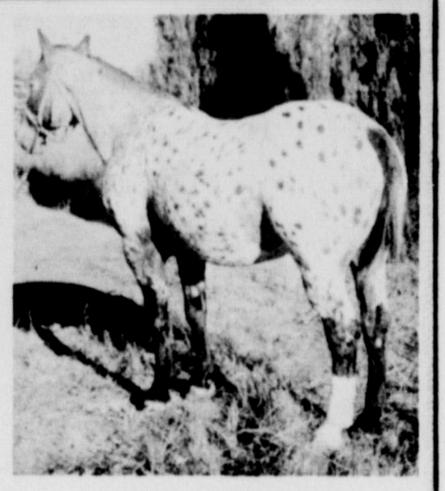

To be eternally young is, above all things, to be eternally endeavoring to give full force and free expression to the Christ Spirit, since this Spirit is eternally man's heritage.
