COLORADO CITY, TEXAS, SUNDAY, SEPTEMBER 22, 1957

\$5 Per Year in Mitchell County - 10c PER SINGLE COPY

## \$397,220 Budget Okayed By Commissioners For 1958

Mitchell County Commissioners Court has approved a budget of \$397,220 for the county in 1958—an increase of more than \$17,000 over the 1957 figure.

The boost in the budget comes after commissioners voted in June to raise county taxes 10 cents on every \$100 valuation—from \$1.25 to \$1.35.

The budget will be divided into seven separate permanent county funds, including jury, road and bridge, general, officers salary, interest and sinking and farm-to-market and lateral roads.

Feaster said that the seventh fund would be a permanent improvement fund added to the budget this year.

Another budget change is the combination of the farm-to-market fund and the lateral road funds into one single fund, Feaster said this week.

The fund showing the greatest increase in the 1958 budget figures is the general fund which pays most courthouse salaries and operating expenses.

The fund has jumped from under \$50,000 last year to \$70,882.50 for 1958, Feaster said.

Other comparisons include the jury fund in which last year's expenditures totaled \$8,571.86. For 1958, the fund was allotted \$9,526.

The road and bridge fund, used to maintain all county roads and bridges, is down from last year's figure of \$195,587.19 to \$159,467 for 1958.

Feaster said that \$6,827.08 will be allowed for the newly created permanent improvement fund.

The officers salary fund will be up almost \$8,000 in 1958 at \$38,142.60 as compared with \$30,200.66 last year.

Interest and sinking fund will amount to \$24,415.50 in 1958. Last year's total budget was \$380,214.05, Feaster said.

The county's income from ad valorem taxes for 1958 is estimated at \$19,100,000, the auditor said, and the state ad valorem tax estimate was \$16,450,000.

On Jan. 1, 1958, Feaster pointed out that the county would owe \$91,677 in bonded indebtedness. Cash in the interest and sinking fund at present amounts to \$89,254.08, he added.

The county's estimated appropriations of income for 1958 are as follows:

Jury, \$8,526; road and bridge, \$160,009.50; general, \$78,265; permanent improvement, \$8,526; officers salary, \$38,850; interest and sinking, \$34,380; and farm-to-market and lateral roads, \$67,559.46.

### LIONS AID PONY EXPRESS

Colorado City Lions Club members did their part Thursday in transporting the above pony from Frederick, Md. to Ft. Bliss, a project undertaken by 45 clubs to help a near-blind girl, Danilea Diette, Sweetwater Lions brought the pony here and the local club carried it to Big Spring. Left to right in the foreground are A. M. Mondy, of Sweetwater, Bill Randle, Leon Yeager, Ross Daniels and Barney Wren. In the background are O. A. Ruffin, Roy Porter and Ira Utz.

## Chesney Tells Lions Of Industrial Meet

To attract industry, a city must have "good highways, and plenty of water," Chesney said. "And Colorado City has both," said Gus Chesney, vice-president of the City National bank as he spoke to Lions Club members Friday.

Chesney reported on the 7th annual Texas Industrial Development Conference which he recently attended at Texas A&M College.

Chesney said industry is on the move to the Southwest. And it is looking for two types of locations: (1) Sites with water and natural resources to develop and, (2) Sites with available marketing and transportation.

Chesney said the larger industries make a thorough investigation of cities, checking the school system, banks, railroads and highways, housing, radio and newspaper, parks and recreation, tax rates, insurance rates, airfield facilities, available sites, etc.

"Colorado City has everything except the airfield facilities," Chesney said.

Chesney said many cities are setting up industrial foundations or Chamber of Commerce committees to attract industry.

He said Colorado City's program of community planning and urban renewal is a big step toward attracting industry here.

## 'Pony Express' To Fort Bliss From Maryland

Danilea Diette, a popular blind girl at Fort Bliss, is enjoying her little pony today, thanks to Lions Club members in Colorado City and 44 other towns across the nation.

The project of moving the pony from Frederick, Maryland, to Fort Bliss near El Paso, was undertaken when Danilea's father, Sgt. Dan Diette, was transferred to Ft. Bliss.

The family couldn't afford to ship Danilea's pony that far. So the Lions Club set up a shuttle service to transfer the pet.

The pony left Maryland last week in a trailer with a sign inscribed "The Lions Club Pony Express."

Along the way, the horse was fed and given time to "stretch its legs."

At Ft. Bliss, president of the Sweetwater Lions, and Bill Randle, secretary, delivered the pony to Danilea's city at 11 a.m. Thursday.

Ross Daniels, second vice president of the local club, and Bill Randle, transported the pony to the city.

From Big Spring, the horse was taken to Midland, Odessa, Pecos, Van Horn, Fort-Bland, Fabens and El Paso. It arrived at Fort Bliss Saturday evening.

## REPEAT OFFENDERS' Uncertain Future Awaits Five Juvenile Delinquents

By BILL SLOAN  
Record News Editor

Five Colorado City "juvenile delinquents" ranging in age from eight to 14 years, face disciplinary action this week after three hearings before County Judge Sam Bullock.

The five are all repeat offenders. Their delinquency includes petty theft, burglary and destruction of private property. They have been picked up by here and in other neighboring towns a number of times for various types of misdemeanors.

And one of them is only eight years old.

County Attorney Frank Ginzler looked depressed this week as he talked about the five boys.

"One of them is a good student," Ginzler said. "At least that's what the junior-high principal tells me. But he just won't stay out of trouble."

This youngster has been in trouble repeatedly with authorities in Colorado City, and has been jailed at least once in Big Spring. He comes from a family which has run afoul of the law too many times.

"We've already had him in reform school once," Ginzler says. "We tried to get him in the Presbyterian Home once,

## In Serious Condition

Condition of Louis Latham, Colorado City resident, was reported serious Saturday. He is a patient in Veterans Administration Hospital in McKinney.

## HARD RAINS PELT C-CITY

A Saturday evening thunderstorm dumped 1.62 inches of rain on Colorado City in a 30-minute down pour.

Light hail and lightning accompanied the rain that flooded streets, gutter-full, drowning out at least a dozen autos.

At 2:20 p.m. Saturday, Loraine had received 1.02 inches of moisture with a steady rain still falling.

Westbrook was missed by the rain clouds with only a light sprinkle falling in the city limits.

Weather Bureau Observer Junior Sadler said the Saturday mark of 1.80 inches brought the September rain total to 2.83.

On Sept. 7, there was .52 inches Sept. 6, .36; Sept. 10, .03 and Sept. 12, .67.

Moisture total for August was 2.25 inches.

Sadler reported that at least six cars stalled at the intersection of Oak and Third St. where the water lapped at the fire station doors.

## Driver Killed Instantly As Locomotive Smashes Truck

Crash Pins Man's Body Under Car

An apparently unexplainable collision shortly before noon Saturday claimed the life of a 39-year-old Spur man, Albert Allen Brown, when the truck he was driving was struck by a westbound Texas & Pacific freight train.

Highway Patrol Officer Alfred Brown said that Brown was killed instantly at 11:35 a.m. as he drove his tractor-trailer six directly into the path of the speeding locomotive.

The accident occurred three tenths of a mile east of Westbrook, Chambers said, where Farm to Market Road 501 intersects the T&P tracks.

The 1955 Chevrolet truck tractor and trailer were damaged by the collision. Brown's body was pinned beneath the front of the truck.

Chambers told The Record.

The engineer on the westbound T&P freight was identified as Corby Geeser, Stationer of the Spring.

"There was nothing he could do," Chambers said.

Brown was employed by the Havana Materials Company of Mission. He was apparently returning to the cockpit south of Westbrook for a load of rail ties.

Havana Materials is supplying these materials for highway construction west of Westbrook being done by the Corner Woodcut Company.

Brown's mother and step-father, Mrs. and Mrs. W. C. M. Anable, live at Spur.

The Saturday fatality brought Mitchell County's 1957 total to 10 persons killed within the county since Jan. 1.

Brown's body was brought to Colorado City by Kiker and Son ambulance.

According to Chambers, the accident occurred in a rural area, the same spot where about two years ago when their auto was hit by a train under similar circumstances.

## Officers Begin Plans for 21st Livestock Show

Planning was underway this week for the 21st Mitchell County Fair and Livestock Show, scheduled to be held here January 3-4, 1958.

The show will be held at the Colorado City-Rader Grounds, according to Dr. D. D. Bridgford, president of the 1958 show.

Judge for the livestock show will be L. M. Hargrove of Texas Tech in Lubbock.

At present, it is estimated that the show will include 100 swine, 41 lambs, three dry lot steers and four milked steers, Bridgford said.

Other officers of the 1958 livestock show include L. S. Trivette, president; Raymond Holt, secretary; Elmer Martin, treasurer; Bruce Brier, general superintendent; Alfred Hackfeld, assistant general superintendent; Ronald Haley, junior assistant general superintendent.

Five show committees are headed by Roy Henderson, Horse; Mayse, Jim Hestand, John Rusk and Francis Winn, Bridgford said.

## Services Held Thursday for E. L. Taylor

Funeral services were conducted at 2 p.m. Saturday for E. L. Taylor, 40, who died at his home in San Antonio, Texas, Tuesday.

Taylor formerly lived in Colorado City, 3505 Water, and Allen before moving to San Antonio. He had lived there only three weeks.

The sister-in-law, Mrs. J. H. Taylor, 3125 S. 1st St., San Antonio, Texas, was in Colorado City for the funeral. Mrs. Taylor was born April 12, 1917, in Arkansas and resided in San Antonio since July 15, 1936, in her home at 3125 S. 1st St.

Mrs. Taylor was a member of Oak Street Baptist Church here.

She is survived by his wife, four children, Betty, Gene, Tommie, Ricky and Mickey, two half brothers and two half sisters, including transportation by charter bus and meal, Martin and Saturday.

Persons interested in taking care of the funeral should contact Bill Henderson and Wilson.

## Committee to Sponsor Farm Station Tour

A tour of the Texas Agricultural Experiment Station at Lubbock will be conducted Oct. 15 for local farmers sponsored by the Colorado City Chamber of Commerce, Agriculture Council, according to Elmer Martin, committee chairman.

All interested farmers and businessmen in Mitchell County are invited to take the tour.

Cost will not run more than \$5, including transportation by charter bus and meal, Martin said Saturday.

## Don Albright Named New Superintendent

Don W. Albright, Sun Oil Company employe at Silver, has been named church school superintendent at First Christian Church.

Albright, who resides here with Mrs. Albright at 1936 Locust, was named by the official church board on recommendation of the church's Christian Education Committee.

He succeeds Willis Jones, newly elected board chairman.

## Cash Premium For First Bale

A \$50 cash premium was announced Saturday for Mitchell County's 1957 cotton crop, announced by Dr. K. Allard, Agr. Ryman.

Agriculture committee of the Chamber of Commerce is presenting the check to Allard.

The committee is planning a series of special awards later this fall to Mitchell County cotton farmers for various aspects of quality cotton production.

And the bonus for the season's first bale is being discontinued in the Chamber of Commerce agriculture department.

Plans for the new quality cotton production award have not been fully published, the \$50 first bale premium is being made for 1957, according to Elmer Martin, agriculture committee chairman.

## Cosden Names R. M. Johnson Vice - President

Richard M. Johnson, director of sales for Cosden Petroleum Corp., has been elected a vice-president of the Big Spring District Association of the Texas Petroleum Producers.

The announcement of Johnson's election came Saturday night at a meeting of the association held at the home of R. L. Tolpe, president of the association.

Johnson has been elected vice-president of the association since 1954.

Other officers of the association are: Tolpe, president; Bill Henderson, secretary; and Wilson, treasurer.

The association is a non-profit organization that promotes the growth of the petroleum industry in the Big Spring area.

President Tolpe indicated that the current fiscal year will cross the \$80,000 mark and set in stone will exceed \$100,000 for the first time in Cosden's 300 years.

## Wilson Attends Meet

Colorado City Superintendent Frank W. Wilson attended a meeting of the Big Spring District Association of the Texas Petroleum Producers at Big Spring, Texas, Saturday.

Wilson has recently been appointed to the P-T-A board.

## 5,000 CURRENT POLICYHOLDERS

# Colorado Mutual Observes 31th Birthday with Largest Growth

Colorado City's home-owned insurance firm, The Colorado Mutual, is observing its 31st anniversary. And the birthday celebration is marked by two outstanding features:

1. Completion of the greatest year of growth in the company's entire history.

2. A record in claims payments to policyholders that in all 31 years of the company's operation has not brought one court suit against the firm.

Top officials of The Colorado Mutual are D. J. (Bob) Williams, president, and Brady (Pete) Warren, secretary-treasurer.

Their firm offers a complete line of non-cancellable, guaranteed renewable insurance for hospitalization, life, cash income and burial.

Home office is at 326 Locust, just east and across the street from Kiker Funeral Home. Secretary in the office is Mrs. Floy Padgett.

Representatives for The Colorado Mutual here and in this area include Curt Shaw, Mrs. Frances Kissinger and Dede Warren, all with headquarters here in Colorado City; and Berton Mason in Coloma.

Additional representatives serve the company in scores of communities throughout this West Texas area.

The Colorado Mutual was chartered in 1926 and has operated under supervision of Texas State Insurance Commission through out the years. From 1931 to 1955 it was under the management of Dale Warren and his son Brady Warren.

Then, in 1955 The Colorado Mutual consolidated with Western Insurance Company of Fort Davis — a move that doubled the insurance company in size and strength.

It was through the consolidation that the present officers Williams and Brady Warren were named as top officials of the company.

During the last year the growth and expansion of Colorado Mutual continued its progress with the greatest year of business in its 31-year history.

"Colorado Mutual has paid out claims, Williams and Warren report, proud as an eagle, paid. We are proud that every claim — through all 31 years — has been paid in full.

"There has never been a suit filed against our company," they added.

"At present the company reports a business that adds up to insurance in force for more than 5,000 current policyholders.

"We are one of the few companies in Texas that writes all non-cancellable and guaranteed renewable policies," Williams and Warren stated.

"And our home office here in Colorado City makes it possible for The Colorado Mutual, they continued, to make immediate payment on claims without the delay and waiting that is required with companies in distant cities and states."

## Former Pastor Leads Revival For Nazarenes

Revival services are now underway at the Church of the Nazarene, 13th and Vine an Austin.

Leading the services are Rev. Marshall Stewart, pastor of the Church of the Nazarene in Grassland, Tex.

Rev. Stewart was pastor of the local Nazarene Church until Aug. 1951 when he left due to ill health. Since leaving here, he has been engaged in evangelistic work and also held a pastorate at Slaton before going to Grassland.

Rev. Stewart extends a cordial invitation to all his friends in the community to attend the services daily at 7:30 p.m. through Sunday, Sept. 23.

Rev. James Poe, pastor of the local church, also extends an invitation to the public.

**20 YEARS SERVICE**

This is the twenty-fifth... in a new series of special Col-Tex presentations recognizing long and valued service of those employees who have been associated with Col-Tex 25 years or longer. Col-Tex is proud of its workers who have contributed their efforts so many years for the company's success.

It was more than 40 years ago that a family of immigrants journeyed from their native Germany to the United States and Texas. Nine children were in the family, and their father died his first day at their new home.

A toddler and the youngest son in the family was Richard Lange, who today is a "senior" member of the experienced staff at Col-Tex Refinery.

Lange is a pipefitter, a skilled classification and assignment he has had at the refinery for 15 years. But in his more than 23 years of continuous Col-Tex service he has learned a variety of skills and can tackle the toughest assignments in condenser, tower and boiler work.

The Col-Tex "senior" was just three years old when his family moved to Runge, a small town in Karnes County. Farming was his family's livelihood, in Europe and in Texas. So it was natural that Lange's first jobs were on the farm.

Later, Lange left farming for employment in Victoria, then came to Colorado City after relatives moved here. It was Jan. 26, 1934, that he reported for his first day's work at Col-Tex.

Four years later he and the former Pauline Letcher were married. They reside now at 1145 Walnut. Mrs. Lange is a member of First Baptist Church and her husband is a member of the Lutheran Church.

Lange is a bowling fan, but has to journey to other towns to enjoy his favorite sport. And around home, even at a few parties... he plays the accordion.

# Miss Jo Ann Hall Becomes Bride Of Tom S. Neff in Garden Rites

The garden at the Rockford House in Houston was setting for the recent marriage of Miss Jo Ann Hall of Bellaire and Tom Stanley Neff of 832 East Fifth Street.

The bride is the daughter of Mr. and Mrs. Gordon J. Hall of Bellaire.

Mr. and Mrs. W. L. (Pat) Neff are parents of the bridegroom.

Officiating in the double ring ceremony Sept. 14 at 4 p. m. was Rev. W. M. Marsch, pastor of the Port-Arthur Methodist Church.

The wedding party stood before an arch which was flanked on each side by large baskets of flowers.

The bride, given in marriage by her parents, wore a waltz length gown of French imported rosepoint lace over bridal satin, fashioned with a Sabrina neckline and princess lines. Her fingertip veil of illusion was caught to a lace crown, embedded with baby pearls.

She wore a string of pearls, and pearl earrings. Her cascading bouquet was of gardenias, surrounded by stephanotis.

Mrs. Martha Willford of Bellaire sang "The Wedding Prayer." She was accompanied by Mrs. V. L. Mannes of Houston, organist.

Miss Peggy Howard of Bellaire, maid of honor, wore a strap-length dress of yellow brocade, designed princess style. She carried a cascading arrangement of bronze and white santemum tied with brown velvet ribbons.

Joe Neff served as his brother's best man.

The couple was honored at a reception in Rockford House after the garden ceremony.

Bridal table was covered with a lace cloth over yellow. A three-tiered wedding cake, decorated with yellow pasty flowers, was centered between white tapers tied with yellow ribbons.

Members of the houseparty included Miss Karen Miner of Bellaire, Miss Sandra Smith and Miss Diane Davis of Houston and Mrs. Garland Copeland of Mexico.

Following the reception the couple left for a honeymoon trip in Galveston.

They will reside in Lubbock where the bridegroom is enrolled in Texas Technological College. He is to complete his masters degree in nutrition and livestock feeding.

Out-of-town guests for the wedding included Mrs. W. L. (Pat) Neff, the groom's mother; Mr. and Mrs. Bill Baker of Rock Springs; Ed Sawyer of Nacogdoches; Mrs. Garland Copeland and Miss Candace Copeland of Mexico; Mr. and Mrs. Claude G. Hall of Blackwell, Okla.; Mrs. Fred E. Humphrey of Dallas and Mrs. Charles Krisman of Blackwell.

MRS. TOM STANLEY NEFF, nee Jo Ann Hall.

### Monday Visitors

Visiting Monday at the home of Mr. and Mrs. Charles Summers were Mrs. Rhodes Arnold and son, John Charles, of Roscoe; also Mrs. N. J. Teaff and sons, Mike and Ken, of Lubbock.

### ANNUAL OBSERVANCE

## Local B&PW Club Observes National Business Women's Week

The theme for the 1957 National Business Women's Week, which will be observed this week by the local Business and Professional Women's Club beginning Sunday, is "Salute to Women Who Work."

The National B&PW Federation annually sponsors the special observance in honor of all women who work.

Several activities have been planned by local club members for the observance.

First on the week's calendar was a week end B&PW district conference which several members are attending in Snyder.

Past presidents of the local business women will be honored Tuesday afternoon from 5 p. m. until 6 p. m. at a Coke party in

the home of Mrs. J. L. Jones at First Baptist Church, 1005 Watson Street.

Home of Mrs. James E. Payne at 111 Walnut Street will be seeing off the regular monthly party Thursday evening at 7:30 o'clock.

A breakfast Saturday morning in the Crawford Hotel Coffee Shop will be hosted from 7:30 a. m. until 9 a. m.

Concluding the week's activities, club members will attend worship services in a group at

The first National Business Women's Week was celebrated in 1928.

The National B&PW Clubs, founded in 1919, is the oldest and largest national organization for women who work, according to Mrs. Herman Parsons, local club president.

There are 3300 B&PW clubs in the 48 states, Alaska, Hawaii and the District of Columbia. Membership in the clubs totals more than 170,000.

The National Federation of B&PW clubs is dedicated to promote the interests of business and professional women.

The 1957 Legislative Platform, adopted in biennial convention pledges members to work for the following:

- (1) Equal Rights Amendment to the United States Constitution.
- (2) Jury service for women.
- (3) Equal pay for comparable work.
- (4) Uniform retirement age under the Social Security Act.
- (5) Increase in the amount of parental income permitted to a person receiving Social Security benefits.
- (6) Removal of and prevention of discrimination on the basis of age, sex or marital status in both government and industry with special emphasis on civil service career and appointive positions in local, state and national government, and women in the armed services.

## Couple Repeat Vows Galena Park Ceremony

A marriage of interest to friends and relatives in Mitchell County is that of Miss Nellie Jean Jackson and John Wayne Adair, both of Galena Park.

The bride is the daughter of Mr. and Mrs. Morris Jackson of Galena Park.

The bridegroom's parents are A. and Mrs. David Louis Adair of Galena Park. Mrs. Adair is the former Vera Gary, daughter of the late C. P. Gary and the step-daughter of Mrs. C. P. Gary of 544 Chestnut Street.

The couple exchanged double ring vows Sept. 3 in an eight o'clock ceremony in First Baptist Church in Galena Park.

Bert Dombay, a ministerial

student and long-time friend of the bridegroom, performed the ceremony before an altar decorated with an arch of smilax, candelabra and baskets of gladiola and chrysanthemums.

The bride, given in marriage by her father, wore a ballet length gown of Chantilly lace and crystal tulle. The dipped basque bodice was fashioned with an scalloped sweetheart neckline and short sleeves. Gradual fullness of the soft bouffant skirt was finished with permanent crystal tulle.

Her headdress of pearls and sequins held a fingertip veil of silk illusion. She carried a white orchid, surrounded by white roses with a white Bible.

Mr. and Mrs. Gary Wilson of Galena Park were the couple's attendants.

Mrs. Wilson wore a princess styled dress of aqua brocade

SPONSORED BY CHURCH WOMEN

## World Community Day Project to Aid Persons of Asia and Africa

On World Community Day, sponsored annually by United Women of the National Council of Churches, local women will gather in First Presbyterian Church to help in preparing parcels for peace to be sent to the Near East and Africa and to present their offerings for the project.

Parcels for Peace will contain blankets and handkerchiefs, tin cans, warm clothing, yardage of cloth for mothers to make into

work clothes for their husbands and sons.

These parcels prepared for forgotten children, homeless men and women in refugee camps in the Middle East and Southeast Asia, will be shipped overseas promptly from Church World Service centers.

Out of the offerings of American women on World Community Day, Mrs. Boston continued, "we send and now present cultivators and improved type of

cattle will be purchased for shipment to Khulna. The offerings will promote self-help projects to increase dignity and freedom in the underdeveloped areas of Africa.

On World Community Day, which will be observed Sept. 30 at 3 p. m., the Colorado City Council of Church Women will join 30 million other women around the world who believe worship and action belong together and will pray for that fellowship and that climate as they bring their gifts.

And in far away Pakistan and Samaria and Liberia, men and women will struggle with new hope for bread, freedom and dignity in the assurance that they are not forgotten.

Assisting Mrs. Boston on the project committee are representatives from all churches participating in the service. They are Mrs. Lynward Harrison of the St. Luke Methodist Church, Mrs. Don Mecoy of First Christian Church, Mrs. Elton Malton of St. Methodist Church, Mrs. W. R. (Jinks) Powell of All Saints Episcopal Mission, Mrs. R. P. Bates of First Presbyterian Church and Mrs. James Poe of the Nazarene Church.

Mrs. Lawrence Beeson is general chairman for the observance. Mrs. Bob Rely is in charge of program arrangements.

And it's a serene, peaceful, dreamless kind of sleep because she knows no fear. She is utterly content in your care and protection.

You anticipate all her needs. You feed and clothe her. You play with her. You nurse her when she's sick. Whether she laughs or cries, is good or naughty, you love her.

Just now you expect nothing in return. But as she grows older you will expect her to show her love for you by respecting your wishes and obeying your commands. When she is kind and thoughtful you will be happy.

You are a child of God, receiving such love from Him as you bestow on your own child. How long has it been since you showed your love for Him in return?

Visit with Him through prayer and daily Bible reading; and on Sunday worship Him in Church with real love in your heart.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four cardinal reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake; (2) For his children's sake; (3) For the sake of his community and nation; (4) For the sake of the Church itself, which needs his moral and material support. Don't go to church regularly and read your Bible daily.

FOR 1957-58 TERM

## Hutchinson PTA Has Initial Meeting

Initial meeting for the Hutchinson School Parent-Teacher Association was conducted Tuesday evening in the school cafeteria. Mrs. Benton Cain, president, presided.

Mrs. W. T. (Dab) Turner read the proposed budget for 1957-58 which was approved. Mrs. Bill Everett, chairman of the publicity committee, reported that the group had sent out press letters, news reports to the news paper and radio and reminders to parents.

Recommendations accepted during the business session concerned PTA sponsored parties, a project for the year and money raising projects.

Home mothers may be sponsor parties in the classrooms at Valentine, Easter and Christmas.

The development of the school library was voted as the PTA's project for 1957-58. PTA committee members include Mrs. R. P. Bates, chairman; Mrs. Joe Satter and Mrs. George Witten.

Money raising projects will include a fund drive for the Hutchinson students, which will be presented before Christmas and various one-act plays which will be presented by Mrs. Arnel Smith's Junior High speech class after the first of the year.

Mrs. Bill Carter, committee chairman of the Teachers' Mrs. Jimmy Harrison will assist arrangements.

Mrs. J. C. Garrett, publication chairman, asked members to subscribe to the state and national PTA magazines.

Mrs. Cain reviewed forthcoming program of the year. Mrs. Curtis Latimer introduced Mrs. H. Jane Stenkley, who in turn introduced teachers of the school with rhyme.

Mrs. Charles Nickolls reported 275 members to the PTA. Mrs. Cain's students had signed up the most members during the membership drive. Mrs. Newby Pratt's room was second high and Bart Smith's students third.

Attend Fair Among local residents attending the Abilene State Fair last week were Mrs. Charles Stabbe, and children — Dwayne, Christy and David — and Mrs. W. A. Lindsey.

To protect the life of the President and to suppress counterfeiters are the two statutory duties of the U. S. Secret Service.

The other authorities, what is to become of these kids? It is for them best, you all think definite.  
"I sure hope we can get those two kids in Boys Ranch," Ginzel says.

It's been said a lot of times, but maybe nobody has bothered to listen to it.  
There is some hope for two of the five boys in trouble here this week—if they are accepted by Boys Ranch.  
But what about the rest of them?

The officials at Boys Ranch know how to handle boys. Ginzel points out, sometimes a boy better than their own parents. It's been said a lot of times, until it has gotten to the point, almost worn-out phrase.  
"It's the juvenile delinquents that make the juvenile delinquents," Ginzel says.

THIRD TOUCHDOWN TURNS THE TIDE

# Big Bearcats Squash C-City Grid Team in 19-6 Game

The weight advantage was too much for the Wolves. That was a speedy halfback named Jerry Candler, enable Ballinger's beefy Bearcats to whip Colorado High Wolves football team 19-6 Friday in Wolf Stadium.

Take away two seconds of the game and you would have a fairly close contest.

But those two seconds the last two in the first half were the turning point of the ball game. The play was quite a shocker.

With the Wolves in possession of the ball and eight seconds left on the clock in the initial half, Ballinger called time out. That gave C-City time for one more pass play which was incomplete.

Ballinger took over their own 45 yard line with two seconds remaining. Quarterback Kenneth Wiginton faded back and connected with Candler on the Wolf side.

The 480 pound Bearcat halfback grab the ball, made a quick turn and eluded two Wolf defenders who were practically arms length away and outraced them into the end zone.

Lyle Young booted Ballinger's only extra point for a 19-0 half time lead.

It was an up-hill climb for the Wolves all the way the second half. They held Ballinger scoreless but were able to tally only one marker of their own.

And as the game went into its final stages, the Wolves began to show signs of being under the constant pounding of the 187 pound line.

Four of the Wolves' main stays in the line had been ill during the week and definitely weren't at full strength.

Two of the Bearcats scores came in spectacular fashion, with Candler doing the dipsy-doodle on

both. The first was a 65 yard sprint down the sidelines and the other was the 67 yard pass play.

Wolves missed a golden opportunity in the first quarter. A pass interception by Wolf center James Blasingame set up the drive on Ballinger's 46.

Freddie Womack ripped off three yards and Richard Compton sliced through for five yards.

Then Don Black sprinted around left end for 18 yards to the Bearcat 20.

Womack gained five yards in two series and then Ballinger recovered a Wolf fumble on the half. Ballinger called time out.

In three plays, Ballinger gained 14 yards. A penalty gave five more yards to set the ball on the 35.

Then Candler darted around right end, set sail down the east sidelines and outraced the Wolf secondary 65 yards for a touchdown. Ballinger's first score in three ball games this year.

Extra point try was fumbled. Wolves took the ensuing kickoff on the 46 moved to the 33 in two quick plays with a 11 yard pass from Compton to Jimmy Richardson setting the ball on the 33.

Three plays later, Ballinger recovered a fumble on the Wolves 33.

Hitting the line for four and five yards a lick, Ballinger ground out the 36 yards in seven plays with Donald Everett carrying the final two yards for the TD.

Extra point try was no good for a 12-6 lead. With 9:31 left in the first half.

Wolves brought the kickoff back to the 27. Cade, Lucky Merket and Compton moved the ball to the 40 in three plays with 15 more yards added with a Bal Candler doing the dipsy-doodle on

Compton, moved the ball five yards to Bearcats' 40 and then hit Richardson with a nine yard pass to the 31. Merket slashed through for three yards and Dickie Richardson fire-bailed for seven yards.

Compton got the needed yardage to the 19 for a first down to set the Wolves in scoring territory.

Two plays netted six yards and then on fourth down, Compton fired to Don Black in the end zone but the Wolf halfback was out of bounds when he caught the ball.

A couple of minutes later, Ballinger scored their 54-yard pass play that broke the Wolves back.

The teams rock along in the start of the second half with neither threatening. Then Candler broke loose to go 50 yards for a TD which was called back on a penalty.

Five plays later, Raymond Weaver recovered a Bearcat fumble on the Wolves 40 to set up C-City's only tally.

Black gained five yards and Compton sliced end for 12 yards as Delbert Wiley, 210-pound tackle, and another Bearcat, Compton was shaken up but stayed in the game. Two Ballinger penalties moved the ball to the 29 and in two carries Black picked up 11 yards to the 11.

Compton carried for six and Womack smashed to the one yard line as the third quarter ended.

On the first play of the final quarter, Banker Cade rammed through the line for the touch-down.

Extra point try was low and the score read 19-6.

Verdick punting by Wolf guard Joe Maddox kept the Bearcats backed up.

**FIGHT BEARCATS**—These three Colorado High football players were among the top performers in the Wolves' 19-6 loss to Ballinger Friday night. Banker Cade, left, and Don Black, operated at fullback and halfback while Jimmy Richardson, below, stood out at his end position.

of the game but the final whistle found Ballinger driving toward the Wolf goal line on the 21-yard marker.

Maddox used his educated toe to boot the ball 15, 42, 46 and 50 yards. The 50 yarder was cut to 20 when the ball zoomed into the end zone. It gave him a 42 yard average for the night.

Candler led the ground gainers with 151 yards, three more than the entire Wolf team gained.

Two Wolves' ground game look like this:

Compton led C-City with 54 yards on 12 carries for a 4.5 yard average.

Black got 27 yards on nine tries while Womack got 43 yards on 10 tries.

Cade got 11 yards in six times. Merket gained 13 in three tries and D. Richardson carried only once for seven yards.

Everett, the 192 pound Bearcat halfback, picked up 52 yards in 17 times.

Ballinger completed 3 for 13 pass attempts, 3 for 13 in complete 3 for 85 yards and 3 for 20 touchdowns, avg. 3 for 20, 74 for 15 penalties 8 for 70

## Silver Pins Take Lead in Bowling League

Silver Pins took the lead in the Sun Oil Co. bowling league Thursday night.

The Pins hold a narrow lead in

the league over the Yo-Yo's.

In Thursday night's play, the Pins defeated the Sun Gassers 285 to 2378; C-City Stars beat the Sun Spots, 2503 to 2371 while the Yo-Yo's topped the C-City Routs, 2588 to 2441.

Ted Haley of the Yo-Yo's with 179 scratch and Mack Tunnel of the Silver Pins with 209 handicapped were high game winners Thursday.

In high series, Haley had 480 scratch and Vernon Hale of C-City Stars had 567 handicapped.

## Silver Indians Down Ragnots In 28-14 Tilt

by JAMIE ANDERSON

Silver Indians defeated the Colorado City eighth grade Ragnots, 28-14, Thursday night in Silver.

The Indians scored two points on a safety early in the game when the Ragnots fumbled in the end zone. Silver ran 15 yards for a touchdown near the end of the first quarter. The try for extra point was no good.

After an unsuccessful series of downs the Ragnots punted and the Indians' safetyman returned the ball 70 yards for a touchdown. The try for extra point was good.

On the following kickoff Bob Wilson ran all the way to yardline for the Ragnots. The try for the extra point was good.

A silver bear scored next on a 40 yard scamper, but failed to convert. Another in the fourth quarter a Silver took ran 80 yards for a touchdown.

Hillman scored the Ragnots' last touchdown on a long run after the kickoff.

Outstanding backs for the Ragnots were Jim Womack and Darrell Davis. Davis and Steve Hillman led the Ragnots' defense.

## IN FOOTBALL CONTEST

### Tech-L. S. U. Tickets For Grid Guessers

Two reserve seat tickets to the Texas Tech-Louisiana State University game are first prize in this week's Record's football guessing contest.

The game is scheduled Oct. 1 in Lubbock.

In this week's contest, Colorado City at Monahans will be the key game. A number of close high school games are also on the contest. Big Spring at Sweetwater at Stamford and Del Rio at Lake View will all be tough ones to pick.

West Texas State at Texas Western, plus McMurry at Texas A&M will be two good, small college games.

Southwest Conference team face some rough interconference games with S.M.U. at Georgia Tech probably the toughest. Tulane at Texas, Tulsa at Arkansas and Baylor at University of Houston could possibly be close ones.

## Pee-Wees Fall To Lamesa in Opener, 14-0

by FREDIE HARRISON

Lamesa's little Tornados outscored the Colorado City seventh grade Pee Wees 14-0 in Pee Wees first game at Wolf Stadium Thursday evening.

Lamesa scored and converted early in the first quarter. The little Tornados' next touchdown came midway in the second quarter from the 17 yard line. Again the try for the extra-point was successful. The half ended with no further score.

A Pee Wee drive starting late in the third quarter ended at the Lamesa 15. From this point on the Pee Wees did not get another chance, and the game ended with no further score.

The junior high 8th and 7th grade teams have open dates.

## Jackrabbits to Battle Merkel 'B' Thursday

Colorado Junior High 9th grade Jackrabbits go to Merkel Thursday to battle the Merkel B team.

The rabbits lost 20 at Ballinger in their last game.

Kickoff time is 7:30 p.m. at Badger Stadium.

The junior high 8th and 7th grade teams have open dates.
