Mrs. H. Rowell Dies of Gun Wound Thurs.

Mrs. Harvey Rowell, 40, died Thursday, September 30, of a single gunshot wound which came from an undetermined source and struck her in the chest.

The incident occurred about 10:00 a.m. and Mrs. Rowell lived only a few minutes after her husband had rushed her to Collingsworth General Hospital.

Mr. Rowell told Sheriff John Rainey he was working on a car in the yard with his back to the house. The couple's small granddaughter was playing nearby when Mrs. Rowell stepped onto the porch to call her inside.

Mr. Rowell also told the sheriff he heard the sound of the bullet as it whizzed by his head and the next he knew, his wife had been struck.

Officers are holding no suspects at this time.

The Rowell home is located on Highway US 83 a short distance south of the State Highway 203 Intersection. The nearest house is 166 yards away.

"We are not ruling out anything," said Sheriff Rainey as the investigation continued.

Officers have considered the possibility of a shot fired deliberately, one fired accidentally, a shot fired from a passing car, or from someone hunting near-by.

Mrs. Rowell is the former Norma Faye Hunt, daughter of Mrs. Felix Hunt and the late Mr. Hunt. She was born here July 13, 1936 and has lived in

FIRST BALE OF THE 1976 SEASON

Thurman Crownover of Dodson, right, ginned the first bale of Collingsworth County's 1976 cotton crop Friday, October 1, at the Farmers Co-op Enterprises Gin at Dodson. From left are John Barton, Co-op manager, Julian Castillo and Benson Hernandez of the gin crew, and Mr. Crownover.

Crownover Gins First 1976 Cotton

The first bale of 1976 cotton was ginned at Dodson Friday, October 1, grown by Thurman Crownover two miles southwest of that town. It is the third consecutive year he has produced the county's first bale of cotton.

Wellington received its first cotton Monday morning, October 4, when Carthel Lewis brought a four-bale load to Farmers Co-op Gin.

Mr. Lewis had 8,360 pounds of seed cotton and got 2,130 pounds of lint, and 3,160 pounds of cottonseed, a turnout of 25.5 per cent, better than anyone expected. This was made into four bales of about equal weight, according to J.N. Glasgow of the gin staff.

This cotton was heavily damaged by hail about two and one-half weeks ago. Mr. Lewis estimated at that time, about 30 per cent of the cotton was open. His neighbors were estimating he would make around three-quarters of a bale per acres.

The hail knocked out much of the cotton that was open and defoliated the field to the extent that the remainder of the cotton has opened since then without the use of any other defoliant. Mr. Lewis fertilized with about 50 pounds of anhydrous ammonia per acre, as he does each year, but did not have to use any insecticide.

Mr. Lewis is farming about 00 acres of cotton this year.

The field from which the first bales were gathered was planted the last days of May using Lankart 751 seed.

Later Monday, Albert Fulcher brought in a bale to the Co-op. This cotton gave a bale

Boosters Vote to Buy Bus

The Skyrocket Booster Club voted Tuesday night, October 5 to purchase an activity bus for Wellington students. Fund raising has already begun.

The bus, a 1965-model 46-passenger Continental Eagle, will cost $28,000 including tires.

The activity bus will be operated and maintained by the school system and will be available for football teams, basketball teams, band activities and class trips.

Those wishing to make donations should contact Louis Allred, David Caison, Danny Gray, Joey Manuel or Tiny Taylor, or a donor may make a deposit to Skyrocket Booster Club's account at Wellington State Bank.

Former Skyrocket athletes and bandsmen who live out of town and wish to contribute should make checks payable to "Skyrocket Booster Club and mail them to "Skyrocket Booster Club, %Wellington State Bank, Wellington, Texas 79095."

Rockets Make Long Trip to Tulia Friday

Wellington Skyrockets travel to the high plains Friday, October 8, to meet the Tulia Hornets, who represent a school almost large enough to go into Class AAA. Game time is 8:00 p.m.

This will be Wellington's last game before starting the District 2-A schedule.

The Hornets come into this game fresh from last week's 14-7 upset over Dimmitt, one of the stronger teams of that part of the Panhandle.

Tulia has met defeat only once this year, a 7-6 loss to Olton early in the season.

"This will probably be the biggest team we play all season—as big or bigger than Childress," said Head Coach James Williams. "They have 6 or 7 boys who will go over 200 pounds.

"As far as ability, they throw the ball well, the receivers catch well, and they do a good job of running the ball. On defense, they run the 61 and play with a three-deep secondary.

"For us to compete with them, we are going to have to be ready to play ball. They have the Dimmitt upset, it is a long road trip, and we're really going to have to pull it together to play good football."

Coach Williams said Wellington and Tulia have traded game films. "Looking at them,

Moore Jury Returns Not Guilty Verdict

A verdict of not guilty by reason of insanity was returned by a 100th District Court jury in the murder trial of David Moore, Wednesday afternoon, September 29. He was accused of the shooting death of James Davis on April 5, 1975. District Judge Robert Montgomery presided.

Moore will now be returned to Rusk State Hospital on a civil committment from the county court, which was issued by Judge Zook Thomas in a hearing held Wednesday after the trial ended.

The finding of not guilty by reason of insanity (at the time the act was committed) has one other major result:

Under the legal procedure of collateral estopment, Moore cannot be tried for the second shooting death for which he was indicted, that of C.B. Roland, which occurred minutes after Davis' death, District Attorney Charles Darter said.

Moore still faces one indictment, relating to his recent escape from Collingsworth County jail. This was handed down by the grand jury Monday, September 27.

Judge Thomas said that

Bloodmodile Comes Here on October 12

The Bloodmobile from the Red River Red Cross Blood Center in Wichita Falls will be in Wellington for its semi-annual visit Tuesday, October 12, from 1:00 to 6:00 pm.

Donors are reminded that the blood center is returning to Bura Handley Community Center and will be in the large auditorium, according to Mrs. Ernest Harwell, chairman.

The quota this time is 118 units, as it has been for the last several trips.

Assisting Mrs. Harwell will be members of the Business and Professional Women's Cub and Wellington Young Homemakers. Plans are almost complete, she said.

Samnorwood Lions Club has announced that its members, as many as can give blood, will come in a group during the afternoon.

Men from the engineering department of the local office, Texas Department of Highways and Public Transportation, will come to the bloodmobile as a group.

There may be other groups who have not yet announced their intentions.

By providing blood to the Wichita Falls blood center, Collingsworth General Hospital is assured of all the blood it needs for patients throughout the year, Garner Altom, administrator pointed out.

The use of more blood in medical and surgical procedures increases each year, Mr. Altom pointed out. In addition, new uses of blood derivities are found continuously, calling for more and more blood.

Most patients do not need whole blood, it is pointed out. Normally, it is reserved to replace blood lost in an accident, to treat cases of severe shock or even to prime a heart/lung machine in open heart surgery.

When the separate parts of whole blood are used, several patients can be treated from one unit of blood. Most patients need only red cells which carry the body's oxygen supply. Platelets, often lacking in leukemia patients, are used because they are required in blood clotting.

Plasma derivities are used in a variety of ways:

•Serum albumin to combat shock without hemorrhage by adding the fluids needed to

Heavy Drug Loss in Parson Burglary

Drugs which may have had a wholesale value of as much as $1,500 were taken from the pharmacy department of Parson Drug Sunday night, October 3, by burglars who entered through an airconditioning duct of an adjoining building, then broke through a wall.

Lyndon Crelia, owner, said the burglars also took approximately $430 from the cash register, a .38 calibre handgun from the pharmacy and some pocket knives.

As the drugs are Class II and Class III narcotics, they are not required to be kept in a safe but remain on shelves with other pharmaceuticals.

Sheriff John Rainey said an investigation of the burglary is continuing.

Because the burglars broke through at the easiest point on the south wall, it is believed the entry was committed by someone who had become familiar with the store.

The burglars removed the metal cover from the unused air conditioning duct in the building just south of the drug store, now occupied by Mode O' Day, owned by Mrs. Bill Hall.

She reported approximately $11 taken from her cash register, and was taking an inventory to determine if any merchandise was stolen.

Walls between the two buildings are three bricks in thickness, and the hole itself measured only 17x9½ inches, Sheriff Rainey said. It came into the drug store beside the east section of booths, near the back of the store.

The burglars left the drug store through the back door, which has a steel outer door secured by a bolt and double lock on the inside, which had to be pried open.

The burglary occurred sometime after 10:00 p.m. Sunday, when Mr. and Mrs.

Almost 700 Expected to Attend Farm Bureau Barbecue Oct. 9

Between 675 and 700 Farm Bureau members, their families and guests will attend its annual barbecue and business meeting Saturday, October 9, in what will probably be the largest agricultural meeting of any kind to be held this year.

This will be in Bura Handley Community Center.

Serving will start at 6:00 p.m. and the business meeting will begin when everyone is through eating.

The annual meeting, directed by Jerry Scott, president, will include election of new officers, voting on 9 or more resolutions, reports on the years activities and a financial report.

County resolutions to be voted on this year cover new subject matter, including a proposal for a local tax payers association.

Willie Knoll, who has prepared the barbecue for as long as Farm Bureau has held these annual events, will again be in charge. Approximately 1,300 pounds of beef will be cooked in the old fashioned western way, in a pit dug five feet deep, with a thick bed of live coals in the bottom. The meat will be wrapped in gunney sacks, wet down, then covered with dirt, to cook slowly all through Friday night and much of Saturday. Mr. Knoll is picking the men to help him with this, said Jack Campbell, FB insurance director. He is also preparing the special sauce to be served with the meat.

The pit for all this meat will be prepared by Albert Fulcher and his committee. Earl Patterson heads the wood detail that will make the cooking possible.

Mrs. John Birkey will be in charge of preparing all the food that accompanies this meat.

The list of resolutions to be voted on this year is short, but Mr. Campbell points out that they are still being accepted and resolutions may be introduced from the floor.

There will be a short discussion of each resolution.

County resolutions are:

•A proposal of a county tax payers' association to be formed, which would be sponsored by the Farm Bureau.

•A resolution encouraging everyone to attend the annual meeting of Greenbelt Electric Co-operative, Inc. (This is held

MOTOCROSS

250 cc. class racers round the first turn at Big Bluff Motocross Track near Wellington Sunday, Oct. 3. Monthly events at Big Bluff include Mini-Man, 100 cc., 125 cc. and open classes. Winners for the day are determined in two races of 8 laps each. Final races of the year will be held the first Sunday in November when all-year trophies will be awarded.

Students Get Report Cards

Report cards were given out to students in Wellington Elementary and Junior High Schools Wednesday, October 6.

High School students will receive their report cards Thursday, October 7, Melvin Cardwell, principal has announced.

"Parents need to look at the cards carefully to see the progress of their son or daughter. They should then sign the cards and return them promptly, Friday if at all possible," Mr. Cardwell said.

Ladies Golf Group Holds First Tournament at Hay Camp

Hay Camp Ladies Golf Association will sponsor its first annual ladies invitational tournament Saturday, October 16.

Women from country clubs in Clarendon, Childress, Paducah, Quanah, Vernon, Memphis, Shamrock and Altus, Okla., have been invited to participate, Mrs. John Holton, president, said.

Registration will start at 8:30 a.m. Coffee and donuts will be served poolside prior to tee-off at 9:30 sharp.

Following the 18 holes of play, participants will go to the Country Club dining room where a luncheon will be served, followed by presentation of awards. Member of the association who do not play golf are to participate in the luncheon.

This will be a partnership 10w-ball tournament and will be limited to the first 26 teams to sign up. Wellington women not members of the Ladies Association are invited to play in the tournament.

Reservations, including team members and handicaps, may be made by contacting Mrs. John Sherman, phone 447-2259, or Mrs. R.L. Mabery, 447-2714, by noon Friday, October 15.

Plans Near Completion For High School Rodeo

Plans for the Tri-State High School Rodeo, to be held in Wellington Saturday and Sunday, October 16 and 17, are near completion, as the WHS Future Farmers chapter prepares to host the event.

This is an approved Tri-State HS Rodeo, in which youths from the Texas Panhandle, Western Oklahoma, and Eastern New Mexico will participate.

The rodeo will be held at the VFW arena, with Saturday performances at 2:00 and 8:00 p.m. and a Sunday performance at 2:00 p.m.

A trophy saddle—the top prize—has been donated by Wellington State Bank, and Future Farmers have collected $765 with which to buy other trophies.

More donations will be appreciated, they say, and anyone wishing to give may call the vocational ag building (447-2810) and the money will be picked up.

•A commendation to La Paisana Chapter, Daughters of the American Revolution for its work to eliminate subversive and other objectionable material from school text books.

•A recommendation to encourage members to help stop abuse of the Food Stamp Program.

In the one resolution so far included in the state level, the FB asks that no one shall run for public office if he has a criminal record.

These are the four resolutions on the national level:

•That FB support a law to make it a felony offense to cheat on welfare.

•That FB reaffirms its stand on consumer protection.

•That Collingsworth Farm Bureau would like to see the Food Stamp Program moved from the Agriculture Department to the Health, Education and Welfare Department.

•That FB would like to see the last paragraph of crop insurance section of the national resolutions deleted.

Officers will be elected to succeed Mr. Scott as president, Frank Coleman, Jr., first vice-president; Mr. Fulcher, second vice-president; and Frankie Green, secretary.

Wellington all her life.

Mrs. Rowell was a Baptist.

She formerly worked in a garment factory at Childress.

Funeral services were conducted Sunday at 2:00 p.m., in Faith Baptist Church. The Rev. Carl Baker, interim pastor, officiated and burial was in Memorial Gardens under the direction of Kelso Funeral Home.

Pall bearers were Bo McKinney, Earl Brinkley, Junior Davis, Hezze Jones, Leo Reeves and Sheriff Rainey.

Surviving Mrs. Rowell are her husband; 5 daughters, Mrs. Linda Cannon and Shayne Rowell of Wellington; Mrs. Wanda Peterson and Mrs. Kathy Scott of McAlester, Okla., Mrs. Mary Whitten of Dallas; three sons, Allen Boyd and Billy Rowell of Wellington, and Pvt. Robert C. Boyd, U.S. Army, stationed in Panama; and her mother; a brother and sister, Mrs. Marie Dunham of Biggs, Calif., and Bill Hunt of Memphis; and 10 grandchildren.

Moore's committment to Rusk State Hospital was a temporary committment for observation and treatment for a period not to exceed 90 days. He said this is the normal procedure for a first-time committement in his court, and that this is the first time Moore's case has come up in county court.

At the end of the 90-day period, the hospital and doctors will determine if Moore is to receive further treatment. Any further committment would be under court order, Judge Thomas said.

However, while Moore was under district court indictment, he spent 140 days in Rusk State Hospital, which released him in late March 1976 as being capable of standing trial, according to Mr. Darter.

Sheriff Rainey said he will take Moore to Rusk this week, after the necessary transcript of the trial is completed by Court Reporter James Richardson.

Testimony in the trial ended Wednesday morning, as Dr. James Hunter of the Rusk State Hospital staff took the stand and testified that he believed Moore knew right and wrong.

The jury received the charge and heard the closing arguments upon coming back to court after lunch, and the verdict was returned by mid-afternoon.

Crelia were at the store while he filled a prescription to be delivered to a customer.

Most of the drugs taken were Class II and included Demerol, Ritalin, Morpheine, Codein, Mephergan, Nembutal, Seconal, Preludin, Noludar, and Percordan. These drugs are illegal except on a doctor's prescription.

Mr. Crelia said he was told some of these drugs have a street value of as much as $5 per pill when sold illicitly in Amarillo.

Mr. Crelia also said two groups had been in his store recently, with one or more members walking directly from the front of the store to the employees rest room by the back door, which would enable one to determine closely how far from the front to go through the wall.

Someone from both groups attempted to have a prescription for a controlled drug filled. In both instances, Mr. Crelia said he notified the sheriff's department of the incident, and for one group, he was able to get the license number of the car they were driving.

weighing a little over 500 pounds, Webb Johnson, manager, said.

Mr. Johnson said this was a month and four days earlier than his gin got its first bale in 1975.

Mr. Crownover's cotton was ginned at Farmers Co-op Enterprise gin and the bale weighed 530 pounds. This was a 23 per cent turnout from the 2300 pounds of seed cotton.

John Barton Co-op Enterprise manager, said Mr. Crownover will receive free ginning on the bale.

It was from an 80 acre field, and Mr. Crownover said that approximately 25 per cent of the lint was knocked out in the rainstorm that struck Dodson about three weeks ago.

The rain, along with hot, dry weather in August, "almost got it." He estimated he had to strip about six acres to get this bale.

Mr. Crownover grows Lockett 4789 variety cotton.

He has farmed this land between 25 and 30 years, he said. It was first owned by the late Mrs. Ben H. Adams, and now belongs to her son, Mr. Johnson of Plumb.

This year Mr. Crownover is farming 320 acres, with approximately 150 acres of cotton.

Because of the hail, heavy rain and dry weather damage, he estimates the yield will average around one-third bale per acre. He considers this good for the kind of growing season that area has had.

His cotton was planted in May, and upon hearing that he had produced the first bale this year, one of his friends remarked that "Thurman goes out and plants his cotton while everybody else is wondering if it is time to plant."

Mr. Crownover has farmed at Dodson between 40 and 45 years. He came to that community 51 years ago—1925—from Batesville, Ark., where he was born.

•Cryoprecipitates and fresh frozen plasma have many uses.

Any person over 17 years of age may be a blood donor, Mr.s Harwell pointed out.

The actual donation takes from 7 to 15 minutes, and the donor is seldom at the center more than an hour, even at the times it is most croweded.

"Blood is the sustainer of life. . .a fluid for which there is no substitute," Mrs. Harwell reminded as she urged all eligible donors in Collinsworth County to come to the blood center Tuesday, October 12.

Christmas Ideas, Decorations To Be Featured October 11

The Collingsworth County Home Demonstration Council and Family Living Committee are announcing a special program for the residents of the county.

The program, which emphasizes "Christmas Ideas and Decorations," will be presented by Anna Marie Clifton, home economist with West Texas Utilities Company. The meeting time is Monday, October 11, 1:30 p.m. at the directors room of Greenbelt Electric Cooperative. The public is cordially invited

The program emphasizes different Christmas ideas which homemakers can make for their families in their own homes.

"We feel we are fortunate to have this special interest program and we hope many of our citizens will participate and take advantage of this educational opportunity," said Mrs. Anita Blanton, County Agent in Home Economics.

All Extension services are offered on a non-discrimination basis regardless of race, color, or national origin, she added.

Mr., Mrs. Frank Ivy Observe 55th Wedding Anniversary

Mr. and Mrs. Frank Ivy, who have lived here for more than half a century, observed their fifty-fifth wedding anniversary Sunday, Oct. 3, at their home, 207 Floydada Street.

They spent the day quietly. A few friends and relatives called, but their immediate family, their son and grandchildren, could not be here.

Mr. Ivy and the former Alma Hollingsworth were married in 1921, at Waxahachie, and it was three years later that they came to Collingsworth County.

They have lived in the same house in Wellington since 1938.

Mr. Ivy has farmed throughout his adult life, and it was only a few years ago that he retired and leased his farm.

Mrs. Ivy was born at Waxhachie and grew up there. Her husband's birthplace was Corbet, in Navarro County. He has lived in Texas except for seven years in Oklahoma.

A veteran of World War I, Mr. Ivy was in France two years and fought in the battles of Meuse Argonne, Chateau-Thierry, and other major battles.

He is an active member of the American Legion, while Mrs. Ivy belongs to Faith Baptist Church.

The couple has one son, Jerry Ivy of Aransas Pass. Their younger son, Donald, died in 1954. There are two grandchildren, Mrs. Glenda Deal and Donald Ray Ivy, and a great grandson, Larry Eugene Deal.

Mrs. Ivy has a brother, Sam Hollingsworth, living here, and two sisters, Mrs. E.W. Williams of Amarillo and Mrs. Ora Belle Brown of Sylmer, Calif.

Mr. Ivy has two sisters here, Mrs. R.B. Lucas and Mrs. J.B. Goodnight, and a brother, Moody Ivy, in California.

Mrs. Pendergraft, Mr. Martin Marry at Idalou October 1

Mrs. Joyce Pendergraft of Idalou, formerly of this county, and Walter Martin of Lubbock were married Friday, October 1, in the home of the bride's sister and brother-in-law, Mr. and Mrs. Jerry Tidrow of Idalou.

The Rev. Elvis Pitts, pastor of Southside Baptist Church in Lubbock, and also a former Wellington resident, officiated at eight o'clock in the evening.

Parents of the couple are Mr. and Mrs. Haskell Baggett of Wellington and Mrs. J.H. Martin of Lubbock.

The couple's attendants were Mr. and Mrs. Jackie Nation of Idalou, sister and brother-in-law of the bride.

A reception was held after the ceremony. The bride's table was laid with a biege cloth and appointed in crystal and gold. The centerpiece was an arrangement of blue flowers and candles. Daughters of the couple served the guests, Miss Mary Pendergraft and Mrs. Connie Sanders.

Mr. and Mrs. Martin are now at home in Idalou.

Birthday Dinner Honors Trio

A Trio was honored Thursday evening, September 30, with a birthday dinner party in the home of Mr. and Mrs. Russell Hill.

Those honored were Mr. Hill and his two grandsons, Jay and Shawn Kennedy, who all have September birthdays. The group also surprised another family member with birthday gifts, Mrs. Charlesreen Bolton, whose birthday was October 6.

The hostess served a salad buffet, followed by a dessert

Other family members attending included: Mrs. Nina Beard, Mr. and Mrs. Roland Mayhugh, Mr. and Mrs. George Porter, Mr. and Mrs. Rick Motsenbocker, and Miss Sherideen Bolton.

ON ELECTRIC COOKING

★ For best results, use flat bottom utensils with tight fitting covers. Utensils of medium or heavy weight aluminum conduct heat faster, transfer heat evenly and respond quickly to temperature changes.

★ Match the utensil to the size of the unit. Use 8 inch units for large utensils. Use 6 inch units for small to average sized pans.

★ Use high setting for a quick start for any surface cooking, or to boil water quickly. When cooking temperature is reached, switch to a lower setting.

★ Do not pre-heat the oven for roasting or broiling, but do pre-heat the oven to the temperature given in the recipe for baking.

Hospital Board Approves $546,666 Budget

Collingsworth General Hospital Board of Directors approved an operating budget of $546,666 in its regular meeting Monday night, Sept. 27.

This is for the hospital fiscal year beginning Oct. 1.

It is up more than $94,000 from last year's budget of $451,684.

The board approved the new budget on the basis of present room rates and charges, said Garner Altom, administrator.

There will be a public hearing on the budget at the board's regular meeting October 25, 1976, at 8:00 p.m.

A public announcement of this meeting will be made later.

Reflected in the new budget is the increase in many of the hospital's costs, as well as the mandatory minimum wage increase of 10 cents per hour effective January 1, 1977, he pointed out.

The $546,777, or approximately 60 percent of the total, which is approximately 10 percent under national averages, said the administrator following the board meeting.

"Since hospitals provide services 24 hours per day, seven days per week, salaries represent the largest single item in a hospital budget and usually run about 70 percent.

"Other expenses and supplies amount to $217,889, all of which is purchased locally as available," Mr. Altom continued.

The statement continued:

Most of the $328,777 in salaries is spent in Collingsworth County, thus in addition to providing the finest rural health care anywhere, our local community hospital contributes over a half million dollars a year to the economy of Collingsworth County.

"After payment of bonded indebtedness for the property the taxes only represent approximately 12 per cent of the operating budget.

"Much of our operating expense is fixed, however, there are many items or expenses that rise or fall in direct relationship to utilization, or number of patients and nature of their illness."

"If you have any questions or suggestions, please go by the hospital office at any time and Mr. Altom will be happy to go over any aspect of the budget of hosptial operational functions," the board president, Otis Emmert, emphasized.

Big Bluff Will Present Trophies On November 7

Sixty riders participated in the Big Bluff motorcycle races Sunday, October 3, Jake Maxwell, track owner, reported.

Year End Trophies will be presented Sunday, November 7, and this will also be the final race for the 1976 season, Mr. Maxwell said.

Sponsors of the trophies include Mini Man division, Robert Owens Salvage; 100 class, Wellington State Bank; 125 class, Jake's Cycle Shop; 250 class, Lyman's Automotive and open class, City State Bank.

Winners in the Sunday races included:

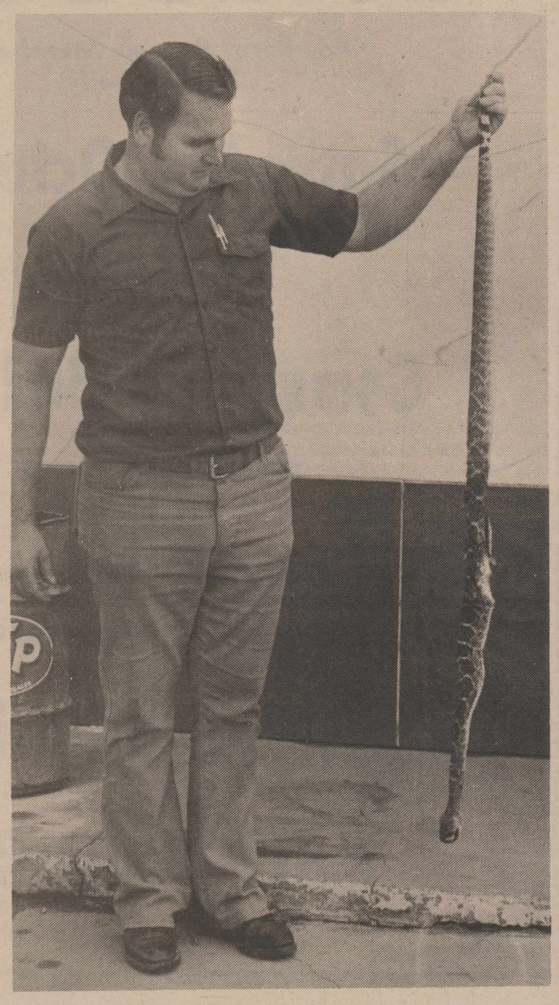

Mini man: first, Jerry Skinner of Pampa; second, Marvin Skinner of Pampa; third, Morris Troxwell of Canyon.

100 class: first, Layne Brewer of Amarillo; second, Robert Powell of Wellington; third, Randy Black of Amarillo.

125 class: first, Joe Skinner of Pampa; second, Paul Alstead of Amarillo; third, Phillip Seeley of Amarillo; fourth, Jeff Skinner of Pampa; fifth, Jerry Fisher of Amarillo; sixth, Todd Snider of Amarillo.

250 class: first, John Terry of Aamrillo; second, Berry Rayburn of Amarillo; third, Rick Singletary of Amarillo.

Open class: first, Carl Ferrell of Amarillo; second, Mike Leffew of Stinnett; and third, Gene Wilson of Amarillo.

RATTLESNAKE SEASON

Eddie Davis holds a coontail rattlesnake five feet and one-half inch in length, killed by Mrs. Rodell Byers when she ran over it in her car east of town. When she opened the car door to see if she had killed the snake, it lay at her feet, still alive. The head measured three inches across. It still had eight rattlers, and from their size, it was estimated from four to six had been broken off.

Woods to Spend Fall In Rio Grande Valley

Mr. and Mrs. J.H. Wood left during the weekend to spend about two months at Alamo, in the Rio Grande Valley.

They plan to be back in Wellington for Christmas.

Miss Ann Smith and Miss Tina Clampitt from Raton, New Mexico were weekend guests in the home of Mr. and Mrs. Keith Smith. They also visited Mr. and Mrs. Bill Hall, Kevin and Darren, Mr. and Mrs. Willie Smith and Mrs. Patricia Bowden.

Mrs. B. P. Clark Dies at Lubbock

A former Wellington woman, Mrs. B.P. (Bertha) Clark, 80, died in a Lubbock nursing home Monday, September 27, after a lengthy illness.

She and her family came to Wellington in 1917 and she lived here until 1947, when she moved to Lubbock. Mr. Clark died in March, 1943.

Funeral services were held at Franklin-Bartley Funeral Home Chapel with the Rev. Bill Thomas, pastor of University Avenue Assembly of God, officiating. Burial was in Resthaven Memorial Park.

Survivors include two sons, Orval Clark of Fort Worth and James P. Clark of Dallas; eight daughters, Mrs. Audrea Goth of Dallas, Mrs. Grace Ellis of Corsicana, Mrs. Mary Wilkinson of Stockton, Calif., Mrs. Vivian DeHore of Lawton, Okla., Mrs. Ruby Page of Sacramento, Calif., Mrs. Virginia Davis, Mrs. Cecil Mankins and Miss Juanita Clark of Lubbock; a sister, Mrs. W.L. Punkoney of Slaton; 24 grandchildren and 10 great-grandchildren.

Ninty Boys and Girls In County 4-H Groups

The 90 4-H members in Collingsworth County will be among 5.6 million across the United States celebrating National 4-H Week Oct. 3-9.

A number of special activities are planned in relation to this national observance, which has as its 1976 theme, "4-H—Room to Grow."

This year's National 4-H Week is designed to challenge youth to examine their personal growth and development in 4-H and, at the same time, to broaden their intersts and concern for others, points out Don Reeves and Mrs. Anita Blanton, extension agents. They are also encouraged to set goals and to respond enthusiastically to new opportunities.

4-H continues to be a highly flexible program and continues to expand and adapt to the changing needs and interests of young people. Project areas continue to expand, providing youth with many "learning by doing" experiences that will help them grow into productive, contributing members of society. 4-H helps youth learn skills to cope with real-life situations today as well as to prepare for the years ahead, emphasize the agents.

Four-H in Collingsworth County includes the various girls clubs, the Bit and Bridle Riding Club, and the Electrical Club and Beef Club.

Adult leaders for these are Mrs. Troy Gene Thomason, Mrs. Bob Weatherly, Mr. and Mrs. Dick Pendleton, Mrs. Robert Lacy, Mrs. Leo Popwell, Mrs. Jim Boswell, Mrs. David Peters,

Mrs. Patricia Johnson, Mrs. Rodney Myrick, Mrs. Gary Brewer, Mrs. Mike Williams, Rudie Tate, Earl Patterson and Richard Fourmentin.

Council Covers Variety of Business in Monday Session

City Council members, at their regular meeting October 4, accepted the audit of the city's books for the 1975-76 fiscal year, then looked briefly at the budget for the current year, which will be taken up more fully at the October 18 meeting.

Paul Spillman was requested to act as the city's attorney in action of Lone Star Gas.

Mr. Spillman said a protest of Lone Star's statement of gas purchased during August 1976, and a motion for hearing will be filed with the Railroad Commission before Oct. 11. Lone Star will have 20 days in which to file its testimony and exhibits. Mr. Spillman is filing an identical protest for the City of Burkburnett.

The audit, presented by Gordon Maddox of Memphis, showed receipts totaling $450,635.27 and expenses of $416,000 for the fiscal year ending June 30, 1976. This gives receipts of revenue over expenses of $32,000, but City Manager Glen Taylor pointed out that during the current fiscal year, revenues will be approximately $35,000 under those for the year just ended. This is due to $6,000 in new tax exemptions, a $11,500 one-time-only government grant, and the possibility that there will be no revenue sharing program during the last half of the fiscal year.

The budget for the year which began July 1, 1976, is $416,000. After the discussion at the next meeting, a public hearing will be set.

Mayor Bill Hatch told the council a revenue sharing check for $8,901 has been received.

In other action, the council cleared the tax liability on a piece of city property. A delinquent tax suit had been filed in 1922, but there are no records, either in city hall or the court house, to show what ever happened to it, or if the taxes were ever paid. Where such lack of information exists, the council has been clearing the property.

Fire Department to Hold Open House

Wellington Volunteer Fire Department is observing National Fire Prevention Week with two major events.

First of these is the Fire Prevention poster contest for the three schools in the county.

The annual open house will be held at the Fire Department Saturday afternoon, October 9, beginning at 1:00 p.m.

The fire prevention posters will be displayed at this time and the winners announced, according to David Peters, fire chief.

Following immediately after Fire Prevention Week will be the annual election of department officers, Monday, October 11. This meeting will be at the fire hall.

Serving with Chief Peters this year are Buster Hughs, first assistant; Lyman Daniel, second assistant; Jim Sikes, president; Leon Martin, secretary-treasurer; Tom Anderson, chaplain.

Department members are Bill Anders, John Brown, James Carroll, Lyman Daniel, Douglas Green, Elmer Green, Danny Gray, Junior Castillo, Buster Hughs, Lonnie Driver, Johnny Henard III,

Gary Hiett, Richard Keller, Dan Langford, Leon Martin, David Peters, Carroll Reynolds, Jerry Settle, Kenneth Peeks, Billy Wilkerson, Alton Belew, Jim Sikes and Steve Vines.

Circle C Plans Grand Opening Friday, Saturday

Circle C Western Wear will hold its formal opening Friday and Saturday, October 8 and 9, as a means of introducing Wellington area people to the full range of western wear that is available here at home.

It is also to say "thank you" for the fine patronage the business has had since it opened in mid-July.

The owners are Mr. and Mrs. Jack Clinkscale and their son, Jackie Clinkscale.

Store hours are 9:00 a.m. to 5:30 p.m.

"We have packed our store completely full of western clothing, boots, and other items, everything that is so popular among the people of the southwest," said Mr. Clinkscale. "We are here to serve you and we cordially invite you to come in and visit during our grand opening."

The family came here from Perryton, where he was a deputy sheriff.

They formerly lived at Hollis and were reared at Altus.

They are already involved in Wellington's civic life, and their most recent activity is helping to organize the Riding Club. They also take part in lodge, civic club, and church activities.

Army Worms Damage Area Wheat Fields

Area wheat growers were warned this week that army worms are causing heavy damage in some fields southeast of Wellington, and they appear to be spreading throughout the county.

Don Reeves, agricultural extension agent, urged all farmers with wheat to inspect their fields immediately if they see any stand loss.

"The worms appear to be moving out pretty fast, and it doesn't take long for them to do a lot of damage," said Mr. Reeves.

Some fields where damage is now heaviest will have to be replanted, he believes.

Any bare spot appearing suddenly in a field is a warning, he said.

Army worms are generally a short run pest, but they can do so much damage real fast, the extension agent emphasized.

He recommended aerial application for heavy infestation and said both agricultural spraying companies working out of Marian Airpark can do the ob.

The recommended insecticides are methyl-parathion and toxaphene misture, regarded as the best for the problem the county has.

Mr. Reeves discouraged farmers from spraying with ground rigs, due to the danger from the insecticides.

An army worm can be identified as a slick worm, ranging from grey to dark grown, with easily visible linear stripes.

School Board Resets Meeting

The regular school board meeting will be postponed until Wednesday, October 13, Supt. E.W. Clement announced. It will begin at 7:30 p.m. and will be in his office at the high school.

At that time, the board will meet with architects concerning renovation or replacement of the elementary school building.

Mr. and Mrs. Jack Meares and Wayne of Roscoe, Jan Meares of Abilene and Mrs. Olean Bearden of Carey were weekend guests of Mr. and Mrs. W.F. Harbin.

Norwood Juniors to Present Comedy

The Samnorwood Junior play will be presented October 14 announced class reporter, Leitha Martindale. The play, "The Campbells Are Coming" by Jay Tobias, is a hillbilly tarce. A laugh a minute and fun for all will sum up this evening of entertainment.

Cast members are: DiAnna Schaub, Ma Brannigan; Tonya Kincannon, Catalpa Tapp; Margaret Sanderson, Betty Brannigan; Ricky Bentley, Dick Brannigan: Earl Kirkland, Bildad Tapp; Johnny Oldham, Cyrus Scudder; Richard Lee, Jeff Scudder; Leitha Martindale, Kaye Brannigan; Arval Gowin, Kingston Campbell; and Donnie Knoll, Mrs. Augusta Campbell.

Tickets are on sale now. See a Samnorwood student or buy your tickets at the gate. Adult tickets are $1.00 and Student tickets are 50 cents. Curtain time is 7:30.

There will be an intermission between all three acts.

Check Your Buildings for Fire Hazards

Check Your Insurance for Complete Coverage

Our business is to cover your home and its contents, your business and merchandise, with a low-cost but complete insurance plan. Such coverage cannot prevent fire, but you can take measures to cut down your hazards. What it does do is cushion your financial loss in case fire does occur.

Be sure you are protected. Be certain your insurance is up to date, or mounting costs will cut the coverage of your policy. If you do not have insurance, come in and let us explain an insurance plan that will cover your needs at the lowest possible cost to you.

Old Refrigerators to Be Destroyed

A county-wide drive is under way to eliminate all abandoned refrigerators and freezers where small children might lock themselves inside.

The Sheriff's Department, Texas Department of Health Resources and City of Wellington are joining efforts to locate and dispose of any container that might take the life of a child.

It is illegal in Texas to have any abandoned refrigerator or airtight container sitting around that a child can get into, Larry L. Hammons of the Department of Health Resources pointed out. The Health Resources Department can file charges where these are found.

Mr. Hammons, who lives in Wellington and is a state inspector for Public Health Region 1, was called to work with the case of two small children who died in an abandoned refrigerator recently at Bovina.

"That's the most horrible thing I've ever had to do," Mr. Hammons declared.

City Manager Glen Taylor said that anyone with an abandoned refrigerator can call city hall (447-2363) and it will be hauled off.

Sheriff Rainey said his office also will see that refrigerators are hauled off also if his department is notified, with him and his deputies using their personal pickups.

Both Taylor and Rainey said they will watch for abandoned refrigerators and other containers around town that might be in violation of the law.

Anyone who has a refrigerator he wants to leave outside, but does not want to dispose of, must either put a chain around it so it cannot be opened, remove the lock from the refrigerator or take off the door, it was pointed out.

A refrigerator left outside can be seen, but those inside houses or garages or other storage areas where small children play are also dangerous, and it is the owners' responsibility to see that they will not be dangerous to small children, it was further pointed out.

Norwood PTA Lays Plans for Carnival

Plans for the upcoming Halloween Carnival at Samnorwood were made by Parent Teacher Association members in their meeting Monday, September 27.

This event, one of the major activities of the school year, includes the carnival with all the traditional events included, a turkey dinner and the coronation of the Carnival Queen.

It will be held Saturday evening, October 30.

Mrs. Kenneth Martindale president, was in charge of the meeting.

Kenneth Martindale and Dale Morris, coaches, demonstrated the new videocorder, to be used at basketball games.

Skits were given by fifth and sixth grade students. Officers this year, in addition to Mr. Martindale, are Mrs. Dale Morris, vice-president; Mrs. John Stages, secretary; Mrs. Jimmy Breeding, reporter; Mrs. Charles Roberts, treasurer; and Jimmy Brown, parliamentarian.

TSTA Members To Meet Oct. 12 At Samnorwood

The Collingsworth County Unit of Texas State Teachers Association will hold its second meeting of the year at Samnorwood cafeteria on October 12.

This will begin at 7:30 p.m., said Mrs. Melvin Cardwell, president.

There will be a guest speaker from the state office of

BILLY MOSELEY AND RICHARD FOURMENTIN

Richard Fourmentin On City State Board

Richard Fourmentin was named to the board of directors of City State Bank in its meeting Wednesday, September 29, Billy Moseley, executive vice-president, has announced.

"It is a pleasure to have Richard on our board, for he knows the people, the farming operations of this county, and the problems of our farmers and stockmen," he said of the 44-year-old lifelong county resident.

Mr. Fourmentin and his family live 6 miles east of Wellington. He operates 1,400 acres of land and has a stocker cattle operation which varies with the amount of wheat pasture he has each year.

He is currently a member of the board of directors of Farmers Co-op Gin and a director of Collingsworth County Farm Bureau. He served two terms on the ASCS committee and was a member of the Farmers Home Administration loan committee.

He works with the county 4-H Club, with emphasis on livestock projects.

The son of Mr. and Mrs. Frank Fourmentin of the Rolla community, he graduated from Wellington High School and attended Draughon's Business College in Amarillo.

AN OPEN LETTER TO THE VOTERS OF THE 13th CONGRESSIONAL DISTRICT FROM CONGRESSMAN JACK HIGHTOWER

Two years ago I was elected to Congress by an overwhelming margin against an incumbent Congressman. During the 1974 campaign I refrained from any personal attacks on my opponent.

At that time I made it a point with my volunteers and my staff that they should treat anyone who opposed me with the utmost respect.

I thank all of my friends, supporters and staff for keeping the 1974 campaign on the highest level possible.

Responsiveness of government was a key issue. Our government does a poor job when it compounds our problems with red tape and burdensome regulations. Bureaucratic brush-offs of legitimate requests are very frustrating. I decided to organize my staff in such a way that people could deal at the local level with the bureaucratic maze of the federal agencies.

I promised two years ago that you would be able to call a number in the district and get an answer. When I took office I immediately established district offices in Amarillo, Vernon, and Wichita Falls—staffed by personnel who have been instructed personally to be responsive to the wishes and needs of my constituents. I am pleased that many people have told me they appreciate the work and attitude of my assistants. This is the only way I know to have a responsive Congressional office and I assure you I intend to try to improve this service constantly.

The Postal Service has been a bigger mess than ever since the Nixon Administration reorganized it. This is one reason I have chosen not to flood the mails with political propaganda such as newsletters. My alternative has been to communicate through the news media and to come home to the district at every opportunity for personal contact with constituents. All you ever heard about Washington having an artificial atmosphere is true. It has been my experience that the worst Congressmen are those who rarely come home. I am not going to let that happen to me. My policy is to talk with the people at home to see what they are thinking, and return to Washington and vote their philosophy and interests. I live in the district and commute to Washington.

As many of you know, I am being attacked, broadside, by my opponent in this 1976 campaign. His allegations and innuendos are based upon a misrepresentation of the record. I have voted in my two committees—Agriculture and Small Business—and on the floor in exactly the way I have reported to you and as I promised. My record is conservative by any measure. It is also independent of domination either by the Democratic leadership of the House or the Republican White House. I am neither an obstructionist nor a rubber stamp.

As this Congress adjourns, its overall record is mixed. This Congress has done some things it should not have done and left undone some things it should have done—such as enacting a "sunset" bill to cut down on federal bureaucracies or formulating an effective energy plan. We have been able to enact a bill to provide for prompt payment for the cattleman. We were able to pass a bill to provide for some relief on the estate tax problem which should benefit everyone who wants his or her property to remain in the family. These steps are not enough but they are movement in the right direction.

All of us feel sometimes that our views are not reflected properly in Washington. I would prefer a Congress that holds a tighter rein on spending, but I do not choose the other 434 members of the House. I work with them and try to influence them, but I cannot dictate their votes. I feel my job is to represent you—the people of the 13th District—and I pledge to do my best to represent you well.

Sincerely,

JACK HIGHTOWER

Paid for by Hightower for Congress Committee, Jim Hughes, Treasurer, Box 1973, Vernon, TX 76384.

Children, Grandchildren See Degree Granted

College is for the mature adult as much as for those just out of high school, and Emma Tate, R.N., proves the point.

Earlier this month, she was licensed by the State Board of Nurse Examiners, after appearing before in mid-July to take the required examinations.

A month earlier, June 17, when she received her Associate Degree in Nursing from Amarillo College, both her children and her three grandchildren were present to watch the ceremony with pride. Nurses receiving degrees had been pinned and capped the previous day.

Since then, she has been on the staff of Thomas Nursing Center.

Emma Tate—always called Polly by her friends—did not give a thought to college for herself until after both her children had received their degrees. Her son, Rudie Tate, is an Abra rancher and former Dallam County agricultural agent. Her daughter, Mrs. De Holliman (Dottie) of Panhandle, is a teacher.

After the death of her husband, Ernest Tate, and after she had moved from their farm at Lutie into Wellington, she enrolled for the one-year course for licensed vocational nurses offered by Amarillo College.

"I wanted to do something to fill my time, and to support myself," she recalls.

As a licensed LVN, she was on the nursing staff of Collingsworth General Hospital. She also attended Clarendon College.

In June 1975, she challenged for the first year of the associate degree at Amarillo College, and having passed this, she enrolled for the full 1975-76 year to complete her work.

AC permits those who have attended its LVN course to challenge for one year of college work in seeking an associate degree in nursing.

During that year, she and other nursing students attended classes at the college and received practical experience at High Plains, St. Anthony's and Veterans Administration hospitals and at several nursing homes.

Mrs. Tate is the former Emma Blasingame and has lived here all her life. She was a member of the Texas Nursing Association, student chapter, and while an LVN, she belonged to the state and national LVN associations. She is active in First Baptist Church and its B&PW class.

Besides her two children, her three grandchildren are Lynn and Stan Tate of Abra and Carla DeLain Holliman of Panhandle.

Stanley Larson Visits Friends

Stanley Larson, who left Wellington in 1940 and now lives in Oklahoma City, visited friends in Wellington Wednesday, Sept. 29.

He made an effort to see as many as he could who lived here during the long period that he was manager of Wellington Ice Co.

His son, Dana Larson lives in Lafayette, La., where he is an independent mud engineer servicing a number of major oil drilling companies.

Mr. Larson said he has two granddaughters, Carla, 23, and Cathy, 16, both of Lafayette.

Cuckoo birds lay one egg and edposit it in another bird's nest.

Meet new friends, enjoy life more at the beautiful Leisure Lodge Nursing Center of Childress.

Ardella Lorene Benson: Administrator.

Who says a nursing home has to be dark, stuffy, cramped and no fun? At Leisure Lodge Nursing Center, we certainly don't think so! As a matter of fact, we've gone all-out to make our home a place to LIVE. You'll love the bright, cheerful colors, the drapes, pictures, furniture and home-like surroundings. But most of all, you'll love our people — because they'll love you!

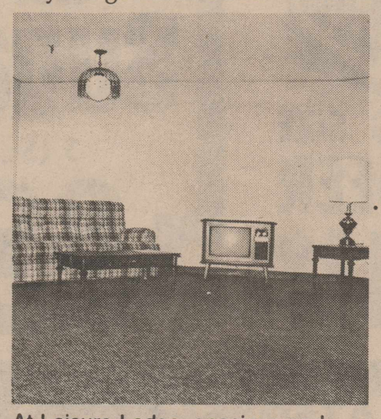

Guest rooms in Leisure Lodge Nursing Centers are large, comfortable, well-furnished, light and cheerful.

Compassionate, conscientious nurses who truly care about our guests are a trademark of every Leisure Lodge Nursing Center.

We have everything you'll find at any nursing home, plus a whole lot more. First of all, we have Licensed Nurses on duty around the clock. The regulations don't require us to have a Nurse on duty at night, but we want it that way. We have good food, and plenty of it. If your doctor says you need a special diet, we see that you get it. Our guests eat together, at regular dining tables, in a regular dining room, and enjoy the fun and fellowship of people their own age. We have planned and supervised activities, scheduled by a full-time Activities Director. And we have religious services, too. But what we have the most of, is FUN, and that's why our guests like it so well here.

At Leisure Lodge, spacious and well-appointed living rooms are a center of activity, where guests gather to visit, read, watch television.

It doesn't cost any more to live at Leisure Lodge than any other home. Don't let our nice building and grounds and our pretty decor fool you. It may look like an expensive place to live, but it isn't. In fact, it doesn't cost a bit more to live here than at any other nursing home. We're approved by the State Welfare Department, licensed by the State Department of Health, and we're approved for Medicaid. Regardless of where you live now, you can easily move to Leisure Lodge Nursing Center. And we know you'll like it here!

Anyone who has ever eaten a meal at a Leisure Lodge Nursing Center knows that the food is good, lovingly prepared, and that there's plenty of it.

We'd love to have you visit our home anytime, at your convenience. We're proud of Leisure Lodge Nursing Center, and we'd like for you to see it anytime. And especially, if you are in need of professional care; if you are living by yourself or with some family member who is unable for any reason to give you the attention and help you need; if you're just lonely for companionship; or if you know anyone in one of these categories — call or come by Leisure Lodge Nursing Center. Find out how much FUN living can be. You'll be glad you did!

Handcrafts and other activities are a large part of the program of rehabilitative care which is typical of every Leisure Lodge home.

Blood Donor Day Important To This County's Health

Insofar as the health of this community is concerned, Tuesday, October 12 is one of our two most important days—the time of the visit of the Red Cross Bloodmobile to take the county's donations of blood.

It is well known why we do this—it is our part of the agreement with the Red River Red Cross Blood Center, Wichita Falls, which will furnish our hospital with all the blood it needs, when it is needed, and to treat as many patients who may need it.

In return, the people of the county are asked twice a year to give a quota of 118 units of blood, a total of 236.

There are other reasons for our giving. Blood which is donated is much to be preferred to blood from commercial sources. Although there are many highly reputable commercial blood banks, blood from commercial sources, is, unhappily, ten times more likely to be the cause of hepatitis than is blood from the American Red Cross and other community blood banks that depend upon volunteer blood donors.

Then why don't all hospitals use Red Cross blood?

Only three per cent of all Americans are donating one hundred per cent of all the blood that's freely given in America. It just isn't enough!

In Collingsworth County, with a population of around 4,750, just one person in 40 is a donor.

That is not enough.

If you are healthy, fit the other easy criteria for donors, you are needed to do your part for the health care of this community—of you family and of yourself.

One more thing: if you think the Red Cross "gets money" for the blood you donate, you're wrong. The only charge that's ever made, in Collingsworth General or any other hospital, is to help meet the cost of processing the blood.

So on Tuesday afternoon, roll up your sleeve—and give a unit of blood.

Autumn Messengers

Autumn is like a cavalry troop on its way to the relief of an encircle and beleaguered garrison. Ahead of it speed messengers, carrying hope and encouragement. Autumn's message, blown on cooling winds from the north, is: Hold on, hold on just a bit longer. Help is on the way.

The heat and the mosquitoes, having laid so long a siege, are naturally reluctant to let such news slip through. But how are they to prevent it? The crisp clarity of a mid-September dawn shouts the news at top volume; so also does the healing cool of early evening. You do not ignore such messengers as these. On the contrary: You pay them respect and profoundest thanks.

All right; granted that there have been worse summer sieges than the present one. Is this to the point? Surely the truth is that the siege you most heartily wish to be lifted is the one you are presently under. So it is now. The chill weather of recent days has evoked general celebration. Te Deums may yet be sung.

For one thing, there is the thrill of watching sultry summer take to its heels, even for the briefest of moments. It has deserved such a comeuppance for a long time now.

But there is more to the matter than simple revenge. For with it, autumn chill brings restlessness and desire. Unspoken yearnings come welling to the surface—yearnings for the rustle of brittle leaves, blowing across a yellowed field; yearnings for the bite and pungency of a day when gray clouds go billowing through the sky and fingers grab for comfort within the inner recesses of a corduroy jacket.

Yearnings, yes; so far unfulfilled. Yet their time is drawing near. The messengers of autumn, pounding far ahead of the coming season, have told us as much. Surely they are to be believed.

STATE CAPITAL

Highlights AND Sidelights

AUSTIN — Supreme Court Justice Lewis F. Powell Jr. has ruled the name of former U.S. Senator Eugene McCarthy must appear on the Nov. 2 ballot in Texas as an independent presidential candidate.

Secretary of State Mark White said the high court's decision will create chaos for state election officials. White labeled Powell's ruling "harmful" and "expensive".

Powell also ruled McCarthy does not have to submit petitions bearing signatures of voters supporting his candidacy to the secretary of state.

Officials announced the state will attempt to get the Supreme Court to reconsider its decision. Robert Lemons, director of the election division of the secretary of state's office, said the decision may delay absentee balloting in some areas.

He said printing firms are already having difficulties with the already large Texas general election ballot and some may not be able to add McCarthy's name. One Austin company which prints ballots for 60 counties and punch cards for six others said 240,000 paper ballots had already been printed.

McCarthy's name is now on the ballot in 27 states and he is attempting to get on the ballot in 16 other states.

LETTERS *from the People*

Dear Editor:

Noticed your article in The Wellington Leader describing Wellington's upcoming game with the Phillips Blackhawks. The game of course has been played by now, and I hope Wellington put it on 'em.

While I was in High School at Wellington we played Phillips three times loosing all three. One was a regular season game which we lost 20-7, and the other two were for regional championships in 1944 and 1945. In 1944 Phillips beat Wellington 19-14.

I always have felt if Wellington had been at full strength that year we would have been Regional Champs. Ernest Kendrick didn't play a down in that game, and I.D. Russell got his knee hurt in the second quarter, and played no more, and anyone who ever saw those two play know what a loss this was. In 1945 we lost in Regional to Phillips by 14-0.

The reason I am pointing all this out is that in your article you didn't mention the man who was probably over-all as successful a coach as Wellington has ever had, and was the coach at the time Wellington was having these championship games with Phillips.

Al Duncan was the coach. He had teams in Four regional playoffs while at Wellington. He never did win a Regional Championship, but his record proves he was a top notch coach, and his teams were the ones that battled Phillips, not Joe Coleman or John Williams as the article stated. Chesty Walker was the Phillips coach, and he went on to coaching in the college ranks. Al Duncan lost his life in an automobile accident after he moved to McLean as head coach.

With kindest personal regards and best wishes.

FIRE PREVENTION WEEK

OCTOBER 3 through 9

We commend the men of the Wellington Volunteer Fire Department for their unselfish service to this community

The Wellington Volunteer Fire Department is made up of 25 of Wellington's choice citizens, men who give unselfishly of their time to fight fires, who use their evenings to study and practice the prevention and fighting of fires. We urge that you commend them in their work.

Every fire represents an economic loss to the owner of that property and his family. Beyond that, it represents an equal loss to the community. It is the concern of this bank, and all responsible citizens that our fire loss be kept to a minimum. Our firemen help make this possible.

Driver's License School Due Oct. 19

A Driver's License School is scheduled for October 19, 20, and 21, Tuesday, Wednesday and Thursday at the Community Action Center, 612 East Avenue at 7:30 p.m. according to Mrs. Tessie Burba, director.

Patrolman Bill Ricks, Department of Public Safety will conduct the school and will cover all questions asked on any driver license examination, including rules and signs. It is not the purpose of the Department of Public Safety to find out who does not have a driver's license, but to assist those who need help in obtaining a license.

This school is designed for all persons, including those having difficulty reading and writing, who wish to get their Driver's License. Hand books will be available in both English and Spanish.

The course is free of charge and open to anyone in the area who is interested.

Several such schools have been held in the past, and the majority of those did pass their written test and went on to obtain their Driver's License.

"For those already having a driver's license, this school is an excellent way to learn the meaning of the new signs that are beginning to appear along the highways," said Mrs. Burba.

Cong. Hightower Asks Action on Wheat Request

(Washington, D.C.) -- Congressman Jack Hightower tonight sent a telegram to President Ford urging that he take favorable action on a letter he and 17 other Congressmen sent to him three weeks ago requesting assistance for the nation's wheat producers.

Hightower drafted the telegram this evening and in less than two hours obtained signature of Senators John Tower and Lloyd Bentsen and 27 members of the House, including 19 Democrats and 8 Republicans.

The Congressman told the President that the White House Congressional Liaison Office had responded to his letter by saying that his request would be called to the personal attention of the President and his agricultural policy advisers and that it would be carefully considered.

"The time for consideration has expired," Hightower said tonight, "and we must have an immediate remedy for the continuing drastic decline in wheat prices."

In the telegram Hightower said that Thursday's wheat market was $2.53 a bushel, "far below the cost of production, 40 percent below prices of a year ago and only three cents above the loan level recommended in the Emergency Farm Bill you vetoed last year."

Hightower said that farmers, grain elevator operators and bankers had been calling his office with increasing frequency expressing only one thought—that the situation was desperate.

"Desperate situations require immediate action, Mr. President," Hightower wrote, "and you can provide it."

He urged the President to instruct Secretary Butz to adjust the loan level to at least $2.50 to enable farmers to finance next year's crops and assure lower food costs to t he nation's consumers.

Grand Jury Indicts Five

The 100th District Court Grand Jury returned a series of indictments following a session Monday, September 27, District Attorney Charles Darter said.

These included:

Debra Coate, indicted for forgery. She later pled guilty in district court and was fined $400 and four years probation.

Cindy Snider, indicted for forgery.

David Moore, indicted for escape. (from Collingsworth County Jail).

Randy Peace, indicted for escape. (from the county jail)

Bill Rutherford, indicted for swindling by worthless check.

CITY STATE BANK

You may have heard the word "float" used in banking and wondered what it means. In the customer sense, float is a free service whether it is advertised that way or not. It works this way:

Say your employer banks at a bank in another city and you bank here. When you deposit your paycheck in your bank, you have the "immediate" use of the money. You can write checks at the grocers, florist, clothing store, but your bank may have to wait 1-2 days or longer for its money to come from your employer's bank. Float has been defined as "Two credit balances represented by the same funds," and that's just what it is.

Float is a convenience and allows you to use our money free while we wait for ours from your employer's bank.

Skyrockets Take Thriller Over Canadian, 19 to 14

By Lynn Wolf

Wellington's fighting Skyrockets played with championship determination here Friday night to win a hard-fought victory over Canadian 19-14.

Wellington won the coin toss and elected to receive the ball. On the first play from scrimmage the Rockets fumbled the ball to Canadian at Wellington's 12 yard line.

The defense then put on the best goal line stand of the season. In the four downs Canadian made only two yards. Cliff Pennon played his best game of the year. He made several tackles in the backfield of the Wildcats. He along with Allen Sanders, Richard Garcia, Don Allred, and Joe Baumgardner completely annihilated the Canadian defensive line all night.

The Rockets moved the ball 90 yards in 8 plays on the next possession. Jessie Davis ran the final 40 yards for the TD. Davis then kicked the PAT.

The joy in Rocket-land was short lived as Canadian's Robert Wilson went 95 yards with the following kick-off. Ken Adcock then tied the score at 7 all.

W—Jessie Davis 4 run (Davis kick)

C—Robert Wilson 95 kickoff return (Ken Adcock kick)

W—Davis 2 run (pass failed)

C—Schafer 7 pass from Gary Hutcheson (Adcock kick)

W—Shane Tarver 55 pass from Carl Taylor (run failed)

The Rockets later missed an excellent opportunity to score by fumbling the ball at the Wildcats 14 yard line. This did not dampen Wellington's fire as Davis went in from the two yard line with 33 seconds left in the half. The pass for the PAT was no good.

The complete control of the first half is reflected in the following summary: First downs: Wellington 8, Canadian 1 (this was on a penalty); plays run: Wellington 41, Canadian 20; total yardage: Wellington 201, Canadian 9. Canadian should have been as far behind as Quanah was at the half. But the Wildcats played it tough when their backs were against the wall.

Wellington continued to chew up big yardage in the third quarter but could not put points on the board.

With 10:28 left in the game Canadian moved the ball 53 yards in 10 plays. Mike Schafer caught the TD pass from Gary Don Hutcheson for the last 7 yards. Ken Adcock kicked the PAT which put the Wildcats on top 14-13.

Following an exchange of punts Wellington had the ball at their own 15 yard line with 2:58 to play. The 85 yard drive the Rockets staged is the difference between championship teams and mediocre teams. The Rockets moved the ball 85 yards with 2:58 left in the game. Look for the Rockets to score as many points on Tulia as they have given up all year. Tulia has allowed only two TDs to date.

WINNING PASS
Shane Tarver, 11, clutches Carl Taylor's pass between two Canadian Wildcat defenders. Tarver took the ball in for a 55-yard touchdown play that put the Rockets ahead 19-14 in the closing minutes of the game Friday, Oct. 1.

distance in three plays. Shane Tarver made a fantastic catch while being pushed by one of the Wildcats. He regained his balance and completed a 55 yard TD pass from Carl Taylor for the touchdown. The Rockets could not push in the two point try. So with 1:56 to go, Wellington led 19-14.

Canadian tried to score but it was all in vain as the mighty defense shut them out.

Black Wins Allsup's Trip

A promotion and an honor came last week to a former Wellington man, Kenny Black, who has been local manager of Allsup's Convenience Store in Memphis.

Black became area supervisor for the company on October 8, for a territory including stores in Wellington, Childress, Clarendon and Memphis.

He was also notified he had won an all-paid one-week vacation in Hawaii for himself and his wife.

Each year, Allsup's conducts a contest on the sale of ice, and Black was this year's winner. The area winner was Marvin Creamer of Borger, and he, his wife and the Blacks will make the trip together. They will leave October 28.

Black began work for Allsup's two years ago on a part time basis for his mother, Mrs. Marie Black, manager of the Wellington store. He went to Memphis as manager last November.
