Amarillo Symphony To Perform

The Amarillo Symphony Orchestra under the direction of Dr. Thomas Hobstadt will present a Christmas Festival Concert for Panhandle children Saturday, Dec. 14 at 3:30 p. m. The concert will be held in the Amarillo Civic Center Auditorium.

The Orchestra will perform composer Leroy Anderson's, A Christmas Overture, and the narrated A Young Person's Guide to the Orchestra by Benjamin Britton. The beautiful Carol of the Drum is included in the program.

Guest soloist Kim Brady, 14 year old violinist, will also appear with the Symphony.

Tickets for the event can be purchased in your grade school this week. Admission for the concert will be fifty cents. Parents and teachers are invited to attend.

Mr. and Mrs. T. J. Cherry visited Aubrey Cherry in Amarillo last week end while his Coronado of El Paso team was playing there. T. J. remained in Amarillo for medical observation.

Mr. and Mrs. C. R. Hunsucker visited the Neil Tibbets family in Gainesville last week.

Parent-Teacher Club

A meeting of the Parent-Teacher Club will be held on Thursday evening, Dec. 19, at 7 p. m.

A Christmas program will be presented by the first six grades.

Family Reunion

A family reunion was held at Mr. and Mrs. J. F. Mann's home on Saturday and Sunday, Dec. 7th and 8th. Those attending were daughters, Mr. and Mrs. O. S. Knowles and Bobby Ray of Colorado Springs, Colo., Mr. and Mrs. Tommie Cordell, Mr. and Mrs. Raymond Dent and Donnie of Fort Worth, and Mr. and Mrs. Harless McMahan of Lubbock, and grandchildren, Mr. and Mrs. Oscar Knowles and young son Zane of Lubbock, Mr. and Mrs. Charles Dent and Mr. and Mrs. Billie Ferguson of Fort Worth.

Only two grandchildren and families were unable to attend, Mr. and Mrs. John Arden of Los Angeles, Calif., and Mr. and Mrs. Frank Willmon of Colorado Springs.

A very nice time was enjoyed by all.

Mrs. Dave Sellars was scheduled to undergo surgery Monday in an Amarillo hospital.

Youth Center

A great thing has come to Hedley. You ask what it is? Let me enlighten you. Three weeks ago the youth of Hedley experienced a new and good trend. Every Saturday night we are able to go to a well sponsored party. We can play games, dance, and have refreshments. It's a place for the youth to have good clean fun.

With the help of the people here in Hedley we plan to make it a worthwhile project, dedicated to the young people of the future as well as those of the present.

The Lions Club members have consented to let us use their building until we are able to raise enough money for our own. But like all things this brings up another question. Can the youth of Hedley raise enough money by themselves to have another building? Will the citizens of Hedley donate as well as cooperate with us to make this a town project?

Hedley citizens, we urge you as parents, teachers, and those of you that believe this is a good cause, to donate money. There is a bank account open here at the bank, for the sole purpose of putting what we can into it for the youth center. Please help us make this town a better place for the young generation ahead.

Home Loans

The dream of home ownership can become a reality for low income rural families through federal interest supplement allowances on home mortgages, according to Claude Moore the Farmers Home Administration supervisor in Donley County.

Moore said the Housing and Urban Development Act of 1968, recently signed into law by President Johnson, makes it possible for the federal government to apply an interest supplement payment to rural housing loans made to low-income families that will lower the cost of buying a house.

Interest supplements on rural homes will be administered through the Farmers Home Administration an agency of the U S Department of Agriculture.

In Donley County, applications for rural housing loans are being accepted at the Farmers Home Administration office in the Agriculture Building in Clarendon.

Under the interest supplement plan, Moore explained, families earning as little as \$3,000 annually could possibly qualify for as much as an \$8,000 loan to buy a site and construct a house.

The new program allows for in-

terest supplements to reduce the rate of interest on monthly notes to as low as 1 percent.

"This program will enable a great many otherwise unqualified low-income families to become homeowners," Moore said. "The interest supplement is a strong effort to put adequate and decent housing within the reach of low-income families by substantially reducing their monthly loan payments."
