Bank Statement Shows Talco Area Condition Good

The Talco area is in better financial condition now than a year ago, statement of the Talco State Bank, published in this edition reveals.

Individual deposits are \$548,769.10 now, compared to \$509,098.35 on April 9 last year, an increase of \$36,123.96.

It also shows that customers bonds deposited for safekeeping climbed from \$29,075.00 to \$88,345.00.

Loans were up \$21,662.14, compared to a year ago, being \$199,737.93 against \$178,075.79 a year ago.

Total bank assets are \$708,100.16, compared to \$607,456.74 a year ago, an increase of \$100,643.42.

Bank statements are a very good barometer of financial conditions of a community, and these definitely show Talco on the upward trend.

Democrats to Hold Convention May 3

Titus County Democratic executive committee has designated May 3 as the date for the regular precinct conventions to be held in Titus County. At the same time an announcement was made that the county convention would be held on May 6, at 2:00 p. m. in the district court room of the court house.

Precinct conventions in the north part of the county will be held as follows:

Precinct 2, Green Hill, at the school house.

Precinct 3, Marshall Springs, at the school house.

Precinct 5, Wilkinson at the school house.

Precinct 9, Talco, at the City Hall.

Precinct 10, Argo, at Bank's Store.

All precinct conventions with the exception of Green Hill and North Mt. Pleasant will be held at 10:00 o'clock in the morning.

These two will hold their meetings at 3:00 o'clock in the afternoon.

A son was born Tuesday to Mr. and Mrs. Donald Thomas of Nacogdoches. Mr. and Mrs. Henry Thomas of Talco, are grandparents.

Mrs. Louis Cato and Christelle visited Mrs. Jerry Dismuke, Woodie and Dora Jean in Shreveport, La., over the week end.

Talco Oilers Beat Sulphur Springs In Opener, 12-1

By JACK WINN
Talco Oilers collected 11 hits off of four Eagle pitchers here Thursday night to take the season opener for both teams, 12-1. The Sulphur Springs center fielder, Grady Chapman, hit Sonny Duncan's first pitch into the hole between second and short for a single and it looked as if the Eagles were ready, but that was the only hit off Oiler hurling until the first of the seventh inning, when Manager Mays led off with a single, moved to second on Chapman's infield out, and scored when Parks let Babe Roberts get through him into centerfield.

The Oilers failed to score in the first inning, but came back in the second to push across four runs and put the game on ice. They scored two in the third, four in the fourth and two in the fifth to end their scoring in the abbreviated seven inning game.

Lucky Parks and Jerry Jones led the hitting with a single and double in two trips to bat. F. A. Jones got two hits in four trips to bat, while the big hit of the game was the first Oiler homer of the season by Odell Morrison in the third inning with two men on base.

Short Shots: Lots of nice comments on the new Oiler uniforms. Mac Pittman said he set "three firsts" in the game with Sulphur Springs: dropped first ball hit to outfield, scored first Oiler run and was the first man thrown out at first. Some of the single girls who are getting on up in years were all smiles at the game. I wonder if it was because there were several single boys imported for the game Thursday night.

The Durant, Ok., team that plays the Oilers here this coming Saturday and Sunday is the best of the players picked from the Rockets and GI team of previous years. If the Oilers can get by them, they will make it OK in the East Texas Amateur League this season.

Daingerfield has dropped out of the League, but the same team and same park will be used but will be sponsored by Lone Star Steel. They will have one of the best teams in the league. The park at Daingerfield is undergoing extensive repairs by the plant, so their team will play the Oilers in Talco on both Tuesday and Thursday nights of next week. One fan was heard to remark at

Health Roundup For Six-Year-Olds

Do you have a child in your home who will be six years old by September 1, 1952? When the school bell rings next September will he be physically fit to enter school? No child can do his best unless his health is up to par. In order to help your child get ready for school, the local P-TA is holding its annual Health Round-up May 6th at 9 a. m.

They would appreciate it very much if every parent would take advantage of this opportunity to bring their child and let him start getting acquainted with school. So start making your plans now to be present for this important event. The school needs your cooperation. Talco school belongs to each of you. Let us all help to make it a better one.

Bowman Injured In Car-Pickup Crash Sunday

Andy Bowman, Talco well-servicing operator, received three broken ribs, a broken collar bone and a deep gash over his left eye in an automobile crash on Highway 271 near Whitten Lumber Co. mill on Sunday afternoon, and is recuperating in a Mt. Pleasant Hospital.

The accident happened as Mr. Bowman, accompanied by Mrs. Bowman and Mr. and Mrs. Herd of Houston, recent newly-weds, drove down the highway just as Mr. and Mrs. Clifford Franks and small child and sister-in-law, Lou Ella Kay, drove out from the saw mill in a pickup with a load of sawlog slabs.

Others in the crash received skins and bruises, but none was seriously hurt. The Bowman car was demolished.

Lions Present Minstrel Monday And Tuesday

Talco Lions Club minstrel, presented at the school auditorium on Monday and Tuesday evenings, played to full houses both evenings, despite inclement weather.

It was a good show, and Talco folk are discovering we have much fine talent the general public did not know about.

Lions had set a goal of \$400 for a worthy cause from these shows, and they will have about attained their objective after all bills are paid.

Bowie County Test Misses Paluxy Pay

First try at confirming the Dalby Springs Paluxy sand pool in southwest Bowie County ran into trouble.

A. O. Phillips and John B. Stephens Jr. et al, No. 6 T. A. Jackson, T&P survey No. 3, apparently cut the caulk low and found only water in going to 4,700 feet. Operators then plugged back to 3,300 and whipstocked in another try to hit the fault.

Location is 1,320 feet west of the No. 4 Jackson discovery finished from 4,370-72 feet.

the game Thursday night, when Yank McKnight brushed the first batter off with his fast one, then the next one still closer, "Gee, he missed him again."

SCHOOL TALK

By JACKIE WINN
We at THS started back to school Tuesday morning after two days vacation. However, after we'd begun with the crowd a little while we were back in the old grind of studying.

Tuesday afternoon the boys went to New Boston for a league baseball game, winning by a run-away score of 15-5. This makes two wins and one loss so far.

Wednesday the band left for Mt. Pleasant at 1 o'clock, where it took part in a downtown parade. The parade was held observing clean-up week. Uniforms were cast aside and we donned our blue jeans and white shirts. The majorettes wore their cowgirl suits and despite the convenient dress, we could still feel Ole Sol's rays coming down on us. Incidentally, Talco band led the parade.

Most of the kids were out for the Oilers' opening game Thursday night. The high school team played in Clarksville that evening and won 5-3. Lawrence Pennington was on the mound and the usual line-up was used.

Friday the seniors went to Commerce for the Senior Day program on the East Texas State campus. From 12:30 to 3:30 there were tours of the campus with ROTC cadets acting as guides. Each school had a different guide. From 3:30-4:30 entertainment was given by the East Texans and Chorale. Following this was an hour "free period." The students then met for a sack lunch, food and drinks being furnished by the Chamber of Commerce at 5:30. The sing-song and floor show was held in the "Sub" from 6:30 to 7:30. A dance was held following this with music furnished by the East Texans. All-in-all we had a wonderful day. Hooks had the most students coming the longest distance.

In the Regional track meet held in Kilgore Saturday, Bobby Martin placed 1st in broad jump and J. M. Fussell placed 2nd in high jump. Both of them qualified for the State meet which will be held in Austin. Others from Talco earned places but these are the only ones who will go to State.

The Choral Club had a long rehearsal Sunday afternoon for "Oklahoma." Despite the bad weather, nearly every choir member was there.

Band rehearsals have been extra hard the past week, contest up Friday bringing this on.

The Lions negro minstrel held Monday and Tuesday nights was a big success and we've received many compliments on the part the Choral Club played in it. The weather was terrible, but the auditorium was packed.

Plans have been made by the Spanish Club to spend the week end of May 2, 3 and 4th in Dallas at the Adolphus Hotel. Complete plans have not been furnished. About 30 members are planning to make the trip.

Mr. and Mrs. Mason Reardon and Glo, Mr. and Mrs. Charles Elrod, Mr. and Mrs. Burr Haggar and Martha Sue, Mrs. J. P. Williamson, Mrs. Ney Borker and Misses Armanda Louise Morse and Helen Wilson, all of Linden and Joe Williamson, Miss Martha Jo Smith and Jackie Winn of Talco, were guests in the home of Mr. and Mrs. Felix Jones and family for refreshments after the Lions minstrel Tuesday night.

Mrs. Sarah Frugia and daughter, Susan of Chilton, are visiting Mr. and Mrs. S. J. Frugia.

Student Awards For Achievements

In an assembly of high school students and teachers held Monday, awards were presented to Jackie Winn and Earnest Dyke for their part in school activities. A list from the principal's office of students with high scholastic grades and taking part in school activities was sent to the Danforth Foundation where a boy and girl were picked out which they thought had the best qualities. None of the students knew their name had been sent in. The award was a book, I Dare You, and was presented by W. T. Hughes, principal. Both students received this book.

Jackie and Earnest are both seniors. They have an "A" average in their school work.

W. Oscar Irvin Sr. Dies Tuesday in Dallas Hospital

W. Oscar Irvin Sr., prominent and wealthy Daingerfield businessman, died in a hospital at Dallas Tuesday morning. His death was attributed to a heart ailment from which he had suffered for several months.

Mr. Irvin, 70, was formerly a co-owner of the Mt. Pleasant Chevrolet and Oldsmobile dealership with Bob Sandlin, when the firm was known as Irvin-Sandlin. He disposed of his interest in the business to Mr. Sandlin some time ago. He was a director of Lone Star Steel Company and was prominent in the affairs of Daingerfield and much of Northeast Texas.

Mr. Irvin is survived by his wife; one son, W. O. Irvin Jr., Daingerfield, and three daughters, Mrs. G. S. Proctor of Mt. Pleasant, Mrs. Clarence Badt of Dallas and Mrs. R. D. McCain of Daingerfield.

Funeral services were held at Daingerfield Wednesday afternoon.

Boys Qualify for State Meet

In the Regional track meet held in Kilgore Saturday, Talco had two boys place high enough for the State meet. To meet this requirement you have to place 1st or 2nd in any event. Bobby Martin won the broad jump with 19 ft. 9 in., and J. M. Fussell placed 2nd in the high jump. Neither of the boys entered in the hurdles at Region but will do so at the State meet, along with those they placed in last Saturday.

The 440 relay team composed of Martin, Hawkins, Belcher and Smith, came in with 3rd place. The winning team, Jacksonville, had a time of 45.6 and Talco had 45.9.

The State meet will be in Austin next week end and Martin and Fussell, along with Coach Hoffman, will make the trip. The boys stand an excellent chance of placing at this meet. Fussell went last year.

Mr. and Mrs. Bill Bristo and Judy of Wichita Falls, have returned home after a visit with Mrs. Bristo's sister, Mrs. Ardell Flanagan and family, during the week.

Mr. and Mrs. Wilton Kelley and Jane had as Saturday night dinner guests, Mr. and Mrs. Leo Wilson and Ann of Mt. Pleasant.

Texas Needs Price Daniel for Senator

Senator Tom Connally, one of
Texas' greatest public servants,
has announced he will not be a
candidate for re-election. Had he
been, this newspaper would have
supported him as it has since its
editor introduced him to a De-
port audience in 1928 as the
next United States Senator from
Texas.

Tom Connally has served ably
and tirelessly. It was his bill
that drove the hot oil racketeer-
ing operators out of East Texas
in the 30's. He is one of the most
able debaters and orators of our
time, and his sound judgment
and integrity have never been
questioned.

In announcing his retirement,
Senator Connally leaves the field
wide open for Price Daniels,
Texas' able Attorney General,
who has been campaigning for
the office. Daniels has served
his state capably and efficiently
as attorney general, and his fight
for retention of our tidelands,
opposition to organized crime and
gambling in Texas leads one to
believe he would do the same as
a U. S. Senator.

This writer has known Daniels
since before he became attorney
general. In addition to his other
qualifications, he is a high-type

respect for constitutional rights.
After paying tax bills of a third
of what they earned last year,
voters are in a mood to kick out
those responsible for such a con-
dition. More power to them.

An article in the daily press on
Monday reminded this editor of
his first big story. It concerned
the sinking of the Titanic 40
years ago in which 1,513 persons,
some of them very prominent,
lost their lives. He was attempting
to get the complete story into
the Dallas Semi-weekly Farm
News, a newspaper which has
since been suspended by the Dal-
las News, along with many pic-
tures of the ship and prominent
people, but the Semi-weekly was
confined to only eight pages.
He isn't saying now whether or
not he did a good job.

Upland plover are said to be
in spring flight. As a youngster
this editor hunted them in Dallas
county and they were plentiful.
A fanciful tale got out that they
ate a certain berry that restored
potency in man, so Mexicans and
South American decided to eat
the plover, and they are going the
way of the wild pigeons. Only
one time has the writer seen plover
in this area. Many years ago
Army worms attacked the cotton
crop and the birds came for the
worms. Some were killed and they
were so fat that their breasts
burst when they hit the ground
after being shot.

A son, weighing 8 lbs. 4 ozs.,
was born to Mr. and Mrs. D. J.
Stanley of Talco, at the Grant
Hospital in Deport April 16. He
has been named Marion Van.

Talco Happenings Ten Years Ago

Week of April 24, 1942
The fourth registration for men
45 to 65 years old was to be held
on April 27.

Titus County had registered
more vehicles that year than in
1941.

C. C. Holden, coach in Talco
school and Coy Stewart, a teach-
er in the school had resigned to
enter military service.

More than three inches of rain
had fallen here, accompanied by
high wind, delaying cotton plant-
ing and replanting of corn.

Funeral services had been held
for Jack Brown, an aged resident
of Mt. Pleasant.

Johnny Beckett, 36, had been
found dead at the Lanes station
of Talco Pipe Line Co.

Work had been resumed on the
A. M. White No. 1 Liliestern,
200 feet east of production in the
Talco field, after having been
shut down for some time.

S. A. Tidwell had moved from
Deport to Talco, where he was to
manage the Co-op. gin.

W. E. King had died and was
buried at Colliers Chapel ceme-
tery, near Hagansport.

Band and Choir Joint Concert

Monday evening, April 28, be-
ginning at 7:45 p. m., the last in
a series of concerts by the Talco
School Band and Mixed Choir
will be presented. This program
represents a culmination of a por-
tion of the year's work by these
two organizations and a large
crowd is expected to attend.
There is no charge for admission
and it is hoped that all of the
patrons of the school district will
afford themselves of the oppor-
tunity of hearing this program.

The band's portion of the pro-
gram will consist of marches,
overtures and semi-popular se-
lections. The choir will sing a
group of sacred choral composi-
tions. The closing number of the
concert will feature a "Festival
Finale" by the band, high school
choir and junior high choir.

BIBLE SCHOOL AT METHODIST CHURCH

Next week, Monday through
Friday, April 28 to May 2, a pre-
school age Bible school will be
conducted at the Methodist
church, under the supervision of
Mrs. W. S. Richardson, assisted
by the various teachers and lead-
ers of the children's division. All
children between the ages of 3
and 6 are invited to attend. They
will meet in session each morn-
ing from 9 until 11 o'clock.

If sold for the value of its chem-
ical elements, the human body
would be worth about 98 cents.

Mrs. Floyd Moore of Marshall, gave an interesting talk on some of the hardships of our missionaries of South America have to endure to tell the gospel. The meeting was closed with a prayer led by Mrs. R. A. Henderson.

"BY WHAT AUTHORITY DOEST THOU THESE THINGS?"

TO BE SAVED

Man needs a guide. Man is the same today that he was when the prophet Jeremiah said: "Lord, I know that the way of man is not within himself. It is not in man that walketh to direct his steps." (Jer. 10:23.) The Bible is the way-Book from earth to heaven, the map of time and eternity. Without the Bible, man cannot know the way of salvation. Jesus said: "Ye shall know the truth, and the truth shall make you free." (Jno. 8:32.) In His remarkable prayer recorded in the seventeenth chapter of John, Jesus said, "Thy Word is truth." To be saved, I must know divine truth, that truth which deals with my soul and its eternal happiness. And that truth can be learned from no other source than the Bible. The fact that Jesus was willing to die to inaugurate the plan of salvation for man, indicates the importance of that plan. The fact that He sent His apostles into the world to proclaim that plan, with the assurance that they would be persecuted, shamefully treated and even killed for the performance of this duty, shows that it is necessary for the world to know the plan of salvation. Why should the Son of God subject His apostles to such perils, persecution and death, if man can be saved without knowing the plan of salvation which they had to offer. Jesus said: "If the blind lead the blind, both will fall into the ditch." (Matt. 15:14.) It matters not how honest and sincere man may be, if he is blind to divine truth, and if he is led by another who is blind to that truth, he and his leader will both be lost. I plead with you to study the Bible, that you may know how to be saved.

Heavy Rainfall Since Saturday Totals 5.31 Inches

A total of 5.31 inches of rain has fallen in this area since Saturday, according to the government official rain gauge in Deport. One and a quarter inches was recorded from Saturday night until Monday morning. Monday night and Tuesday readings showed 4.06 inches. These heavy downpours left fields standing in water, sent streams, creeks and rivers overflowing their banks.

Farmers had enough moisture before the rains of the past few days. The wet fields will delay completion of corn and cotton planting for several days.

Tuesday afternoon Sulphur river was within three feet of the rails on the P. & Mt. P. bridge over Sulphur along Highway 271, and both Sulphur and White Oak spread out all over the bottoms. Water raced thru both sloughs, east and west of Sulphur on Highway 271.

Alcorn Has Suggestion for Pilots Who Are Getting Tired of Flying

Editor's note: Achin Alcorn, philosopher on his Johnson grass farm on Sulphur, is probably all mixed up this week, his letter indicates.

Dear Editor: Every mornin for more than eight months now the newspapers have been carryin a daily report on the progress of the truce talks in Korea, it's becomin sort of like the weather report, you know it's one piece of news you can always find in the paper, or the market report, regardless of whether the price of cattle is goin up or down or standin still, there'll be something in the paper on it, and I've been thinkin.

You know, the papers lately have also been carryin some reports of pilots who are tired of flyin and had rather stay on the ground, and I think I can sympathize with em, many's the time I've looked out over a hot, weedy

field and immediately felt too tired to plow, and I blamed sure wouldn't want to get court martialled for it.

But here's what I'm gettin at. Why can't some of these tired aviators volunteer for the truce talks? Seems to me it's one of the safest jobs in the army, it takes place out of the sun in a tent, and apparently it has a good future. Also, the workin hours ain't bad, I noticed one day last week the truce talks lasted fifteen seconds, and a man who objects to workin fifteen seconds a day is just being unreasonable, he just ain't tryin to get along. I'd come close to volunteerin for that job myself, with them kind of hours, if they was holdin the talks out here instead of in Korea.

If you think this suggestion has any merit, you can pass it along to the proper authorities.

By the way, I have noticed the followin Democrats have decided

Mrs. M. E. Banks Buried Wednesday At Fairview

Mrs. Martha Elizabeth Banks, 82, of R1, Talco, died at her home Tuesday about noon, following a long illness. Funeral service, conducted by Paul Brock of Mt. Vernon, Church of Christ minister, was held Wednesday afternoon at 2:30 at the Fairview Methodist church near Hagansport. Interment was in the Fairview cemetery with Grant Funeral Home in charge.

Surviving are these children, Mrs. Effie Dyer of R1, Talco, Mrs. Ella Mae Dyer of Lubbock, Mrs. Mattie Tinker of Mt. Vernon and Ham Banks of Denver City; two grandchildren, four great-grandchildren, and three brothers, Luther Barton of Hagansport, Ollie Barton of Paris and Lee Barton of Bogata.

Deceased, daughter of Jim Henry and Martha (Kate) Barton was born in Texas on Sept. 29, 1869. She lived in the Rugby community many years prior to moving to Hagansport.

Pallbearers were William and J. W. Carroll, Monroe Elliott, Walton Ottinger, Allen Tulley and Joe Moore.

Compliance Slow In Motor Vehicle Inspection Law

E. C. Smith of Mineola, inspector for the Department of Public Safety, supplies this newspaper with conditions in Titus, Red River and Franklin counties toward compliance with the Safety Motor Vehicle law.

In Titus County there are 6,412 registered motor vehicles. Only 1,089 have been inspected. There are eight inspection stations, all in Mt. Pleasant.

In Red River County there are 6,000 registered motor vehicles and only 550 have been inspected. There are six inspection stations, all in Clarksville.

In Franklin County there are 2,172 registered motor vehicles and only 405 have been inspected. There are three stations, all in Mt. Vernon.

Lamar County figures, published last week, show 11,000 registrations and 3,088 inspected. Two inspection stations are located at Deport and the remainder in Paris.

There can be no further extension of the deadline and operators of vehicles not inspected on Sept. 7 will be subject to arrest. The law provides a fine of not to exceed \$200.00 for any person guilty of operating a vehicle after Sept. 7 when such vehicle has not been inspected and approved.

Mrs. T. W. Orr is a patient in a Paris hospital.

Trojans Defeat Clarksville 3-1

Talco Trojan baseball team defeated Clarksville in Clarksville April 17 in one of the best high school games of the season by a score of 3-1. This was the second defeat Talco has handed Clarksville in the double round-robin play in District 16A (Northern Half). The previous game was a 5-3 affair in Talco on April 7 to open district competition.

Each team garnered 4 hits. Talco made 3 runs off 4 hits, 6 walks and had 7 men strike out. Clarksville slapped out 4 hits and only one man walked while 5 of the Tigers went via the strike-out route.

Lawrence Pennington went the route on the mound for Talco with Earl Hawkins catching. Kemp did the hurling and Taylor the receiving for Clarksville. New Boston will play in Talco Thursday afternoon at 3 o'clock. Hooks is leading the North Half race of Dist. 16A, without a defeat. Talco is second with one defeat. Clarksville has had three defeats and New Boston has not hit the win column as yet.

In the South Half of Dist. 16A
